Which 'ard, which Dunya? Special! Special; it is special, for you only, no partner! You are reaching to a universe that it is only for you, no partner!

O people, we are knowing nothing, Allah knows everything!
Therefore, the most distinguished Naqshbandi Order (is) making people and carrying them from their animal being to Angels' being levels. When you are reaching to that level that only Angels (are) there- no animals there- you can find your real being there, that just (is) put on your head (the) crown of being a servant to Allah Almighty; (it is) granted to you and also a special, blessed dressing that it is the sign of glorifying of Allah Almighty. You just dressed that level.

O people, every kind of our praying that Allah Almighty ordered to His most beloved servant to make, (is) to take you from the level of animals to Malakut, (to) heavenly Beings' level.

May Allah forgive us and grant us- Huuu!- from (the) secret Knowledge and (the) secret Powers of glorifying! He makes us to run after it and to reach to the levels of Angels that it is glorified worlds!

May Allah forgive us and lead us, send us someones (that are) leading mankind to that levels. If not, we are all on the level of animals!

May Allah forgive me and bless you! For the honour of the most honoured Prophet and Servant in His divinely Presence, S.Muhammad sws, Fatiha!

## The Glorious Prophet (saws)

O Glorious Prophet! The Prophet of the Prophets! The most beautiful one, who represents the Jamal/Beauty of Allah Almighty, is our glorious Prophet, Muhammad Mustafa (sas). Whatever is written, done for his name, it is maqbool/accepted. Whatever is not written, is not said for his name, is not accepted. Therefore he may put something from the munajat/duas of our Prophet (sas). Whatever he puts from them, it is ok.

O our Lord, O our Lord, O my Beautiful Allah. O our Lord, for the honour of Your Beloved Prophet (sas) may You grant us health & strength to be able to perform ibadah/worship services as Your servants. May we not be scattered here, there. We want to walk on the path of Your Beloved, of Your beautiful service O our Lord. Our dunya becomes happy with him & our akhirah becomes joyful with him forever.

O Glorious Prophet! May you grant us Shafa'ah & Mercy. We are weak nations. May you send us pure servants who are from your inheritors to guide us, that they show us the right path. May Allah keep us away from those who make Allah & the Prophet forgotten. May Allah Almighty grant us to be pure servants, we ask this for the honour of His Beloved. O Glorious Prophet! Save us from the heavy burdens put on us! Send us the Master who will dispel the clouds of heavy zulmat/darkness that have descended upon your nations- send us al-Mahdi! That he may conquer the West & the East, raise the flags of Islam.

O Allah, O Allah, O my Beautiful Allah! The one who represents your Beauty is Your Beloved (sas). O Lord, not only one world but a million worlds be sacrificed for that Beloved (sas). He is sufficient for all of them- Your Beloved Muhammad Mustafa (sas). O Glorious Prophet, send us al-Mahdi who will show us the way! May he, who will show us Your beautiful ways, he to whom Your Beloved has pointed- al-Mahdi may come! With the service & help of al-Mahdi (as), this whole dunya will be clean. May Allah accept us to be from His pure/clean servants. May He keep us away from who go astray. May He send us the Master who will straighten those who go astray- al-Mahdi (as).
O Our Lord, Tawba Ya Rabbi, tawba Astaghfirullah. The suffering mankind is going through is from their own egos/nafs. When we say "from their own nafs", it is because of following shaytan. The suffering men go through is because they follow shaytan, not from anything else. Don't follow shaytan but live peacefully/at ease. Your dunya & akhirah become happy. When you follow shaytan, you have no dunya nor akhirah left. May Allah keep us away from shaytan. May Allah make us to be together with the servants He (swt) loves, Fatiha.

The Sultan of the Sultans is our Prophet (sas). May it be salam on his glory. The people of dunya & Heavens send salat & salams on him. If Allah Almighty (swt) sends salat on His Beloved and shows him respect, how about us? If we forget him, we will be forgotten. Tawfiq/Success is from Allah Almighty, Fatiha.

This is like a drop from the ocean. May Allah not let us depart from the path of our Prophet (sas), not separate us from being under his flag. Fatiha.

## Glory is for Allah Alone

Allah Allah; Rasul ya saydi ya sultanul awliyah;
Madat ya rijallah.
Audhu billahi minash shaytan nir rajim;
Bismillahi rahma nir rahim.
Lahawla wala quwwata ila bilahil alihil adhim

By the Name of Allah All Mighty All Merciful. Most Beneficent All Munificent. For His Honour for His Glory. For His Glory we are sitting here. He's Glorious; He is only one who He is Glorious. Real glory and never ending glory from pre-eternal up to eternal only for Him. He's only One in existence, nor another one.

If there is now American's plastic puppets everywhere now putting through shops for showing. If dressing so many dressings on mannequins, plastic bodies, man, woman, child. That dressing giving honour to that puppet gives, if you may dress queen's dressing, puppet not taking any honour, any glory, but that dress on queen giving glory, but not giving to puppet glory

or honour. Don't think that you are more than that puppet. All of you puppets. All of you puppets. What you are dressing never giving to you anything. Foolish puppets they are thinking that they are dressing so many uniforms and so bright dressings. They are talking to themselves on mirror. No one can be like you. Saying something and then mirror saying yes, what a foolish one. So heedless, so ignorance people now.

I heard in California that some kings and their family people coming and buying some shirts, some dressings from Los Angeles and San Francisco. Los Angeles most important centre for dressing. And one shirt one million dollars. My head; what's happened? What happened? One million, yes sir, because they royal family people if you say one hundred thousand, they saying leave it. Most more expensive must be. Shoes how much one shirt. 5000 dollars, one shoe. 5 dollars shoe I am dressing 3 years. 10 dollars, doesn't matter. People they're thinking that dressing giving honour to them or glory. And they're puppets. Take this those and stand in front of mirror to look to your puppet. How it is going? You're puppet. You come here you people to look. Everyone like buffalo. Then this disappear puppet but dressing, also after everything. Very important one, very important puppets, heedless people they living 21st century but they drunk, heedless, ignorant ones. They're going after a while to be cadaver. Just lay in coffin, never opening and then they that one underground. People no mind people, never thinking people, lowest quality people or no quality for them 21st century people.

Glory and greatness only for me say the Lord of heavens not to anyone else. Who is coming to make himself glorious and great they're coming to make a partnership with me I'm going to destroy them.

Therefore so many hundreds of people they hanged on ropes. Hundreds of them just shot down, whom they're asking to be partner to the Glory of the Lord

of Heavens and His Greatness. But people asking something that it is not for them. Really only for One, for the Lord of Heavens for Allah Almighty. It is not for anyone else. And He's the Creator. He is the Lord of whole creation. He is the Lord from pre-eternal up to eternal. And the Lord's Greatness, from pre-eternal up to eternal.

You are servant. You must know your position. If getting out the sword of Heavenly Anger cutting your head, cutting your body and throwing you away. But there are people they're coming foolly to claim that they're great ones and glorious ones and then Allah Almighty making them to fight each other and to make them down and down, so that they going to disappear from existence not to be in existence, finishing.

That is the signs of last days that Prophet just informing ourselves that is speaking through traditional knowledge of heavens that reach to ourselves through holy books and through the way of hearts to wake up people to ask for them a real honour. That the Lord of Heavens promised to mankind, Oh mankind if you're keeping me, that means my rights, keeping my respect, keeping my honour through yourself, I am granting to you from my glory to my divinely honour that I am granting my servants whom they are in my divinely present service. You're running to another services that those services taking from you honour but never giving to you honour. You can be king, queen, president, prime minister, chief commander in chief, richest one, biggest one, but never given a glory to you for your titles. Nonsense titles never giving to you anything. Then your services rubbish. Every service that you are doing everyday from yourself is rubbish.

Only services that you are serving from my divinely present that is service real service that I am rewarding you and I am honouring you and giving to you also on your level from My Endless Glory Oceans granting to you. If I am granting to you from My Glory Oceans even one spot of glory may give to

you from honour that you can't imagine. You can't imagine that honour if I'm granting a spot only sprinkle on them or to I may spraying on them impossible to imagine. Because it is not imagination, it is not imagination. Then their imagination stopping finishing and you are getting in a position that you are astonishing, you are finishing.

Oh mankind, you are not using your minds. Oh mankind, oh my servants that I am I am honouring you that you are from my servants but you are refusing my servanthood and you are running to another ones to be slaves instead to be my servants. That is the trouble. Reason or biggest troublemaker that one. Unless, unless you are leaving that servanthood to anyone else you are not reaching any honour, you are not reaching any peace, you are not reaching any pleasure and satisfaction and contentment and favours here or hereafter. I am preventing because you are not my servants. I may prepare for those people whom they're their donkeys of their egos, I am preparing for themselves some another lands. But that lands is not the paradise, is not like paradise that I am granting to my servants. Whom they were servants of their egos I shall give them another lands that they're their donkeys of their egos to be with their egos and to be with them forever. But no taste for them, finish. Their taste only if they donkey when eating straw or barley it is so happy and in pleasure. Most people going to be like their donkeys eating drinking and enjoying but their level the level of their donkeys because they were servants of their donkeys, they're not servant of Me. I honoured them and I was calling them to be My Divinely Service servants. They refuse it they accepting to be servants not servants but slaves for their egos for their donkeys and I am increasing them their special place to be with their donkeys on same level forever.

May Allah forgive me and bless you and send us from His lions to save ourselves from jackals and bears and wolves and foxes and from the hands of

dragons and devils to work only for our Lord, Allah Almighty to try to be his servants. Therefore everyone must think must think if he's going to do something this what I'm doing for me or for Him for me or for the Lord of Heavens for me or for my Lord. If they're knowing that it is for the Lord Almighty they're going to be honoured and rewarded. If you are looking this, this is for my ego, egoistic desire, therefore, beware you may fall down you can't improve up. You can fall down and you're slavery going to be more and shaytan and his successors and followers making you in much more trouble and misery and sufferings. Every badness coming to people because they' re not accepting divinely servanthood. So many people coming, going, coming going, everyday and they're complaining, complaining, complaining, I' m asking what are you doing, I have a business, I have a workshop I have something like this someone. I'm asking are you thinking for your Lord's servanthood, they asking what is that, I'm saying you are not knowing this you can't be able to get out of that difficult circumstances, you can't get out from darkness to lights, you can't get out of troubles to be saved from danger to be in a safe a safety place you are not going to be enjoyful here and hereafter. Change your way, change your life routines. You are not changing coming much more difficulties on you. Not getting to finish. I am not saying to you that in future you may be saved. As long as you on that routine of life don't hope that coming to you good days, no. Everyday going to be much more dark and hardness and sufferings and trouble and foolish problems. Even you can have billions or trillions. It's same because dollars, euros and other things never giving to you what you are asking from pleasure and pleasement and happiness and enjoyment and satisfaction and safety guarantee for your future here and hereafter. Keep yourself your Lord's worship. It is good for you and for your life, for your children for your future here and hereafter.

May Allah forgive me and bless you for the honour of that one he is most

honoured one in Divinely Present. Fatihah.

## The Glory of `Eid al-Adha

RabbunAllah HasbunAllah 8x
HasbunAllahu n`ima 'l-wakeel ni`mal Mawla wa ni`ma 'n-naseer wa ilayka 'l-maseer.

As-salaamu `alaykum. Alfu salaat, alfu salaam `ala Sayyidi 'l-Awwaleen wa ’l-Akhireen, Sayyidina Muhammadin wa aalihi wa sahbihi ajma`een.

O our Attenders! May Allah forgive us, for the honor of His most honored one, Sayyidina Muhammad (s)! And we are asking this on this most holy day, `Eid ul-Adha, `Eid ul-Hajjaaj, which is one of the biggest and most honored days in the whole year. And we are saying now, a`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. (Mawlana Shaykh stands) Allahu Akbar, Allahu Akbar, laa ilaaha illa-Llah, Allahu Akbar, Allahu Akbar, wa lillahi 'l-hamd! (Mawlana Shaykh sits)

O People! Come to Islam! O People! Come and say (Mawlana Shaykh stands) Laa ilaaha illa-Llah Sayyidina Muhammadan Rasoolullah (s). (Mawlana Shaykh sits) That will save all Mankind, to say Kaleematu 'sh-Shahadat (Mawlana Shaykh stands), laa ilaaha illa-Llah Sayyidina Muhammadun Rasoolullah (s)! (Mawlana Shaykh sits)

O People! Enough of being drunk. People are drinking drinks and becoming drunk, but generally, all people now are drunk for dunya. Everyone is running after dunya, thinking they are going to live forever, up to Eternity. For dunya there is a time that the Lord of Heavens is giving and the days of dunya are in limits; days, weeks, months, years, centuries. When reaching its limit, finished! And also everyone's lives are in limits. When you are reaching that limit, it can't be even one second more nor a second less; you must be taken away.

O People! Wake up! In east and west, from north to south, you have been honored to be deputies of the Lord of Heavens! Think on that honor that no other creature is granted, only Mankind! Keep it and be thankful, and try to be an obedient servant for the Lord of Heavens, Who created everything, and created Mankind also. According to the prophecy knowledge, now we are reaching the last century of life on this planet. Try to reach for your Lord, Allah Almighty's happiness and pleasure. Try to make your Lord happy with you, and He will make you happy here and Hereafter.

This is a very holy, important day. Millions of people are running to the Holy Land, saying labbayk Allahuma labbayk, labbayk Allahuma labbayk, labbayka laa shareeka laka labbayk, inna 'l-hamda wa ni`mata laka wa 'l-mulk laa shareeka lak.

O Mankind! In east and west, Christians and Jewish people! For fifteen centuries people were running to visit the Holy Land, the House of the Lord, and the most beloved and honored servant's holy tomb also. How was then the seal of the Prophets, Sayyidina Muhammad (s), (Mawlana Shaykh stands and sits) able to reach millions of people's hearts and move them to run after these holy days, to make a visitation to the House of Lord and his most beloved servant's tomb in the Holy Land? No-mind people are saying Islam is not a real religion. If its not real, it will have no power. How can an orphaned person's order (of Prophet) continue for fifteen centuries? You are thinking he is an ordinary one. No! You are ordinary ones, but he is extraordinary! All Creation is created for his honor! If all shaytans and their agents say, raghm `ala anfuhum, in spite of their will, Islam is still up, never changed, and its command continues! And today perhaps two-billion Muslims are running today to mosques, to make sajdah to their Lord, Almighty Allah! But yet, those people are drunk, not accepting the Holy Qur'an or the Holy Prophet! If you accept it or not, what will change? Islam is up, Islam's command continues!

O People of the Muslim world! You are also very careless ones, asking to be like western people, and you are not even giving a little care to keep Islam and Islamic orders!

O People! Come and listen! From east to west, from north to south, you must come to Islam or that heavenly whip will also come on you! If that heavenly whip comes on the non-Muslim world once, it will come on you ten times more, because you are not taqdeer, appreciating Islam; you are running to be westernized! No! Let western people reach al-Haqq, and join you in the east. They are asking to come there, and you are asking to go to sunset side of this world. Why? Western people's hearts are in the Oriental world, but Oriental people are now drunk because they are asking to reach sunset places. They now have no minds to think on that point. They lost their mentalities! Islam is on Heavens and everything against Islam is underground. How can you ask to go down the wells and not come up (to the surface)? May Allah forgive us!

O People! We may speak on it from now up to next year, but you must understand.`Eid Mubarak. Keep Islam well and Allah will keep you; otherwise, if you are not keeping Islam no one can protect you or save you, not here or Hereafter.

Ash-hadu an laa ilaaha illa-Llah, wa ash-hadu anaa Muhammadun `abduhu wa rasooluh!

Allahu Akbar, Allahu Akbar, laa ilaaha illa-Llah, Allahu Akbar, Allahu Akbar, wa lillahi 'l-hamd! 7x

**Namaz - The Glory of Praying**

---

A Muslim can't be dishonored. Allah does not make a Muslim dishonored. The soldiers...These are the instructions coming now. No bullet or torment will come to the soldiers who pray, it says to me. Whoever prays from the soldiers, even if he goes into the most dangerous zone of the war, there is an angel that protects him. Those who don't pray, even if they are Pashas or Generals or Admirals still something will hit them.

There is fear for all of them. It is likely that some die & some survive in these battles. Who die are the ones that don't make sajda. Who survives are the ones that make sajda. He should stand with his gun in his hand, make tayammum on the earth, say "I turn towards the Qibla" & make at least 2 rakats of sajda, then angels from Heavens descend & protect him. If not, there is fear for all the rest. Keeping his boots on his feet, he may do tayammum with the earth- on his face, on his arms saying "I make niyah for tayammum O Lord. May You accept" & then he prays 2 rakats. There is no need to take off his boots. Even if it is with his gun, he can bow & make sajda. Even if it is only 2 rakats a day, he should still put his forehead on the ground for sajda. He is under protection. If not, if not, there is fear for all of them.

Our GrandShaykh, the Sultan al-Awliya Hz told me a story, that he was in Canakkale (Gallipoli). "One day, I was standing to pray the duha prayer. A 37.5 cm bullet came on me from the sea" he said to me, & hit the place exactly where he was praying. It came right towards GrandShaykh. He was praying the duha prayer. He stood up & sat a little further. Inside that mess & dust clouds... The battalion commander came & looked: "For the love of God, O Shaykh Abdulllah what are you doing?" He asked under the dust cloud "Are you alive?" He said "I am safe".

Astonishing. That one he said, 37.5, is the heaviest bullet. "I didn't fall down like this, or like that. I was in sajda, I sat" he said. "Fa wa Allahi..." The battalion commander said, "this prayer saved you. I order you, wherever we go, the battalion should have a mosque and my soldiers pray".
It was the heaviest weapon at that time. Shaykh Effendi Hz was inside the dust & bullets. The battalion commander said "Pity, Abdullah Effendi is gone!". And he looked, Shaykh Effendi is sitting a little bit further away, sitting after sajda. This is the first one, the first... The victorious commander of Canakkale.. What was the name of that Pasha? I forgot his name. That Pasha, he was the commander of Canakkale. His sword in his hand like this, he would go back & forth to the shelter. "O veterans, O ghazis! Don't fear that the enemy will kill you. Whenever his Lord wants to take a man, He (swt) takes him at that time. Have no fear!" His sword in his hand like this, he would go back & forth in the shelter, that Pasha..What was his name? We forgot. I forgot the name of the Pasha. He is the real victor of Canakkale. He is the real commander of Canakkale. Allah Allah..

Therefore my will for the army of my nation is that a battle will take place. It won't be left without that war. Even if there are all kinds of weapons, they should not fear the weapons. They should fear Allah. They should pray at least 2 rakats & make sajda. May they not fear then, nothing touches them. But those who neglect & don't take this seriously, we won't interfere with whatever comes on him.

Sabis Pasha, what is his name? This is his last name. Ihsan Pasha, Ihsan Pasha. He was the commander of Canakkale. Ihsan Sabis Pasha, they call him? That Pasha, he would go back & forth like this with his sword. "O my lions! These enemies won't kill you. If the order comes from upstairs, your pure soul is taken & you go to paradise" Ali Ihsan Pasha.. Sabis.. There was such Pashas there.. The prayer is the pillar of religion, the guarantee of paradise. Who doesn't pray does not enter paradise, finish! This is the order, the instruction: "Who doesn't pray can't enter paradise". If there is a man who says "He can enter", he is lying. Wa min Allah at-tawfiq, this is enough. Fatiha.
How is this subject?
H.F. Perfect.

M. Is it not perfect? He says "Don't you fear at all". Whoever prays may have no fear. All who don't pray will be in fear. May our day be good & at rest. May our door be open. This is certain, certain.. May our homes be in safety O Lord. A house where they pray is in safety. If something comes on those who don't pray, we won't interfere. A person who doesn't pray is in danger. A house where people don't pray is in danger. The house whose inhabitants go out exposing their bodies is in danger. We are ordered to say this. Whoever wants may listen & whoever doesn't want suffers what comes to him.
May Allah grant us understanding & faith so that we may believe. Faith will save us, having no faith makes you humiliated. Aman ya Rabbi, tawba ya Rabbi. May You send from Your holy servants one who will show us Your beautiful ways & Your Beloved's honour. May the doors of glory open. May the oppressors fight one another. Amin. Fatiha.
This is also important. The Honour is the honour Allah granted. The honour servants give to each other is rubbish. Tawba ya Rabbi tawba astaghfirullah.
Fatiha.

## Die Herrlichkeit des Gebets

---

Ein Muslim kann nicht herabgesetzt werden. Allah setzt keinen Muslim herab. Die Soldaten... Dies sind die Anweisungen, die jetzt kommen. Keine Kugel oder Qual kommt zu dem Soldaten, der betet, wird mir gesagt. Wer immer betet von den Soldaten, selbst wenn er in die gefährlichste Zone des Krieges geht, ist da ein Engel, der ihn beschützt. Jene, die nicht beten, selbst wenn sie Pashas oder Generäle oder Admiräle sind, werden doch von etwas getroffen werden. Es besteht Furcht für sie alle. Es ist wahrscheinlich, daß manche sterben und manche überleben in diesen Schlachten. Die sterben, sind die, die keine Sajda machen. Die überleben, sind die, die Sajda machen.
Er sollte mit dem Gewehr in der Hand stehen, Tayammum machen auf der Erde, sagen: 'Ich wende mich nach der Qibla' und wenigstens 2 Rakats der Sajda machen. Dann steigen Engel vom Himmel herab und schützen ihn. Sonst besteht Furcht für den ganzen Rest. Er kann seine Stiefel anbehalten und Tayammum mit Erde machen, auf sein Gesicht, die Arme, mit den

Worten: 'Ich mache Niyah für Tayammum, o Herr. Mögest Du es annehmen.' Und dann betet er 2 Rakats. Er braucht seine Stiefel nicht auszuziehen. Auch mit seinem Gewehr kann er sich beugen und Sajda machen. Selbst wenn es nur 2 Rakats am Tag sind, sollte er doch die Stirn auf den Boden legen für die Sajda. Er steht unter Schutz. Sonst ist um sie alle zu fürchten.
Unser Großshaykh, Sultanu l-Awliyah Hz, erzählte mir eine Geschichte, daß er in Canakkale (Gallipoli) war. 'Eines Tages stand ich, um das Duha Gebet zu machen. Eine 37.5 mm Kugel kam auf mich von der See', sagte er mir. Sie traf genau den Platz, wo er betete. Sie kam genau in Richtung Großshaykh. Er betete das Duha Gebet. Er stand auf und setzte sich etwas weiter weg. In dieser Unordnung und Staubwolken... Der Battalionskommandeur kam und guckte: 'Um Gottes Willen, Shaykh Abdullah, was macht ihr da?' Er fragte unter die Staubwolke: 'Seid ihr am Leben?' Er sagte: 'Ich bin sicher.' Erstaunlich. Diese 37.5, sagte er, ist die stärkste Kugel. 'Ich fiel nicht so oder so, ich war in Sajda, ich saß,' sagte er. "Fa wa Allahi..." Der Battalionskommandeur sagte: 'Dieses Gebet hat dich gerettet. Ich ordne an, daß das Battalion, wo immer wir hingehen, eine Moschee haben soll und meine Soldaten beten.' Es war die schwerste Waffe zu der Zeit. Shaykh Effendi Hz war mitten von Staub und Kugeln. Der Battalionskommandeur sagte: 'Schade, Abdullah Effendi ist weg!' Und er guckte, Shaykh Effendi saß ein bißchen weiter weg, nach der Sajda.
Das ist der erste, der erste... Der siegreiche Kommandeur von Canakkale, wie war der Name dieses Pashas? Ich habe den Namen vergessen. Dieser Pasha war der Kommandeur von Canakkale. Mit dem Schwert in der Hand ging er vor und zurück zum Unterstand. 'Veteranen, Ghazis, habt keine Furcht, daß der Feind euch tötet. Wenn immer der Herr einen Mann nehmen will, nimmt Er ihn zu der Zeit. Habt keine Furcht!' Das Schwert so in der Hand ging er vor und zurück zum Unterstand, dieser Pasha.. Wie war sein Name? Wir haben es vergessen. Ich habe den Namen des Pashas vergessen. Er ist der wahre Sieger von Canakkale. Er ist der wahre Kommandeur von Canakkale. Allah Allah... Deshalb ist mein Wille für die Armee meiner Nation, daß eine Schlacht stattfinden wird. Es wird nicht ohne diesen Krieg abgehen. Selbst wenn es alle Arten von Waffen gibt, sollten sie die Waffen nicht fürchten. Sie sollten Allah fürchten. Sie sollten wenigsten 2 Rakats beten und Sajda machen. Mögen sie keine Furcht haben dann, nichts wird sie berühren. Aber bei jenen, die nachlässig sind und dies nicht ernst nehmen,

werden wir uns nicht einmischen, was auch immer auf sie herabkommt. Sabis Pasha, wie ist sein Name? Das ist sein Nachname. Ihsan Pasha, Ihsan Pasha.. Er war der Kommandeur von Canakkale. Ihsan Sabis Pasha, nannten sie ihn? Dieser Pasha ging vor und zurück mit seinem Schwert. 'O meine Löwen! Diese Feinde werden euch nicht töten. Wenn der Befehl von oben kommt, wird euere reine Seele genommen, und ihr geht ins Paradies. Ali Ihsan Pasha.. Sabis.. Es gab solche Pashas dort..

Das Gebet ist der Pfeiler der Religion, die Garantie für das Paradies. Wer nicht betet, geht nicht ins Paradies ein, Schluß! Das ist der Befehl, die Anweisung: 'Wer nicht betet, kann nicht ins Paradies eingehen.' Wenn es einen Mann gibt, der sagt: 'Er kann es doch', lügt er. Wa min Allaha t-Tawfiq. Das ist genug. Fatiha. Wie ist dieses Thema? HF: Perfekt. M: Ist es nicht perfekt? Er sagt: 'Fürchtet euch überhaupt nicht.' Wer betet, braucht sich nicht zu fürchten. Alle, die nicht beten, haben Furcht. Möge unser Tag gut sein und ruhig. Möge unsere Tür offen sein. Das ist gewiß, gewiß... Mögen unser Häuser in Sicherheit sein, o Herr. Ein Haus, wo sie beten, ist in Sicherheit. Wenn etwas auf die kommt, die nicht beten, werden wir uns nicht einmischen. Ein Mensch, der nicht betet, ist in Gefahr. Ein Haus, wo die Menschen nicht beten, ist in Gefahr. Das Haus, dessen Bewohner hinausgehen und ihren Körper entblößen, ist in Gefahr. Uns wird befohlen, das zu sagen.

Wer will, mag hören, und wer nicht will, erleidet, was zu ihm kommt. Möge Allah uns Verstehen gewähren und Glauben, damit wir glauben. Glauben wird uns retten, keinen Glauben zu haben, erniedrigt euch. Aman ya Rabbi, Tawba ya Rabbi. Mögest Du von Deinen heiligen Dienern einen senden, der deine schönen Wege aufzeigt und die Ehre Deines Geliebten. Mögen die Türen der Herrlichkeit sich öffnen. Mögen die Unterdrücker einander bekämpfen. Amin. Fatiha. Das ist auch wichtig. Die Ehre ist die Ehre,die Allah gewährte. Die Ehre, die die Diener sich gegenseitig geben, ist Unsinn. Tawba ya Rabbi, Tawba Astaghfirullah. Fatiha.

## Gog and Magog

As-Salamu Alaikum ayyuhal hadhirun, salams on those who are attending. Attending to what? Salams on those who attend the gatherings Allah (swt) loves. Marhaban bikum. Marhaban, marhaban. Shukur Allah that He (swt) made us get up in health and safety. He (swt) granted us the rest of the night-time and we woke up having rested. Allah's grants and favors on His believing servants are endless. Al Hamdulillah, we slept comfortably and woke up comfortably. Allah Almighty does not crush His servant but the servant crushes himself. Sleep with Hamd and get up with Shukur.

As-Salamu Alaikum O attending ones. May there be safety upon you, peace be upon you O attending believers! We may say Bismillahi r-Rahmani r-Rahim and receive power. Bismillahi r-Rahmani r-Rahim. Allahu Akbar. Allahu Akbar Allahu Akbar. When He (swt) created the Holy Pen and ordered it to write on the Preserved Tablet, He (swt) said "Write!" From the majesty of that address, the nib of the pen split. A pen (quill) has two things, right? The nib of the quill in the old times had two things. When the order "Write!" came, from the majesty of that address the nib of the Holy Pen cracked and, we call it now "ink" but whatever it was that will write upon the Holy Order, the ink that will write it immediately started to spill through the Holy Pen. "What should I write O my Lord?" The order came "Write Bismillahi r-Rahmani r-Rahim". Write, Adhamat Al-Hudara.

Because of the majesty of Allah's (awj) address the nib of the Holy Pen cracked and the ink started to spill. It is the ink of Malakut. When the address of "Write!" came, it asked "What should I write O Lord?" "Write Bismillahi r-Rahmani r-Rahim". Al Hamdulillah. Who glorifies the Bismillah, is himself glorified. Who shows respect for the Bismillah is shown respect. Who doesn't respect is not respected, becomes fertilizer. Therefore the holy awliyas and from them,

Sulaiman Chalabi. He is the one who wrote Mawlid al-Sharif right? He said in the Turkish language "May we remember the Name of Allah first. It is obligatory for every servant in every act". How beautifully did he say: "May we remember Your Name first O Allah, It is obligatory on that servant in his every breath. It is obligatory on every servant in all his acts".
Allah Allah. It took the Holy Pen 700 years to write the Bismillah. What it wrote was Bismillahi r-Rahmani r-Rahim. The knowledge and Divine Light put in that Bismillahi r-Rahmani r-Rahim no one can know. The Prophets know however much Almighty Lord told them. Say Bismillahi r-Rahmani r-Rahim. Show respect for the Order of Allah Almighty and don't fear from any kind of weapons. What a beautiful teaching; we recite it and joy and happiness comes inside, Shaykh Mehmet Effendi. It is said that it wrote for 700 years. What realities...The realities to be known by us look like the inside of this. Bismillahi r-Rahmani r-Rahim is sent down to our Prophet (sas). He said it and some horizons opened. He saw an ocean of Nur when he said Bismillahi r-Rahmani r-Rahim.
O our Lord, our Subhan, Our Sultan! It is not an easy matter to remember Your Holy Name. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. Masha Allah! It satisfies man; satisfies his external and inner being. It gives such a power that it can throw the West to the East and the East to the West. The power of that Bismillah cannot be measured but it is like this according to our understanding. What we should say is the Bismillah. If we teach people only the Bismillah until the end of the world and we learn also, it is enough for us. Shukur Allah that He (swt) found us worthy of the Bismillah and the Bismillah descended upon the Great Prophet (sas), on his nation. Allahu Akbarul Akbar. We can't appreciate it as we should. There was the first era of ignorance before our Prophet (sas). The sign of the second ignorance is, AstaizuBillah,Bismillahir-Rahmanir-Rahim "Wa Qarna Fi Buyutikunna WaLa Tabarrajna Tabarruja Al-Jahiliyati Al-'Ula"(33:33). The ladies should keep to their houses just like a pearl which never stays in the open. A pearl remains in its shell. It remains in that shell, not in the open. There are many rocks, stones that are in the open. But for pearl, it has a protective case. It remains in that case.
Allah Almighty granted such a respect for the ladies also and said: "Wa Qarna Fi Buyutikunna" "I granted you such a thing that I don't throw you in the middle". Women are who are granted the tajalli of jamal (the manifestation of beauty). And men have the manifestation of jalal

(majesty). Men can be seen outside. They have their muscular strength. Ladies are in the manifestation of jamal (beauty) attribute and they stay in their homes like the pearls. "Wa La Tabarrajna Tabarruja Al-Jahiliyati Al-'Ula" This it what they were like in the first era of ignorance. When it said "'Ula" in the Verse, there is a sign for the coming of the second era of ignorance. "Al-Jahiliyati Al-'Ula", in the first era of ignorance men and women were all mixed up. It says "Stay in your homes. You are like pearls and you should remain in your shell, in your home, not outside! "Wa La Tabarrajna Tabarruja Al-Jahiliyati Al-'Ula" Don't go out dressing up like they did in the first era of ignorance.

This is the order. But people now are all in the streets, women and men touching, squeezing each other and show off this way. This is a lie! Allah Allah...Allah! Shaytan made mankind fall into such a state. Mankind listens to shaytan today but doesn't listen to the Prophet. And because they don't listen, whips on top of whips come on them. O people, say! We start with the Name of Allah. Whosoever remembers Your Pure Name is purified. It is the Holy Name of our Lord that is mentioned in the Bismillah. With the Name of Allah every work is completed. Take from its Nur, its power and your every work becomes easy. Every work becomes easy. But they don't teach this. Shaytan does not allow it to be taught.

They invent gods for themselves other than Allah. This thing of that person, that person... They respect them, hang their portraits... May they be hanged. And they will be hanged. If not here, they will be hanged in the akhirah over the fire. May Allah protect us from it. Allah Almighty says "Don't accept any God other than Me". "Wa La Tad`u Min Duni Llahi Ma La Yanfa`uka" (10:106) There is no any other God for you other than Me. I am the God. Other imitated ones are shaytan. Don't follow them. Listen to Me. But you don't listen. Ok then. I leave you to whom you worship and you'll see what the shaytan you follow does to you when you leave Me.

Here is the 21st century. Here is the humiliation of man. Shaytan corrupted, humiliated mankind and still they are following the deputies of shaytan. Every nation made up their own one: they put their statues, paint their portraits, quote their words... Leave this! Leave this animal-hood! Return to your Lord. "Arji`i 'ila Rabbiki Radiyatan Mardiyatan" (89:28) Return to your Lord and your Lord be pleased with you, as You are already pleased with Him. Shaytan dishonoured the children of Adam! He made them to forget Bismillahir- Rahmanir-Rahim, didn't let them say it. If they said it, there would be mercy in their hearts. There would be

compassion. When he didn't let them say it, the feelings of mercy and compassion are taken from their hearts and they left no young or old ones; these traitors, the servants of shaytan brought mankind into misery. May Allah make them miserable.

Put them (portraits) down! Don't put it in a high position. Put the Holy Name of Allah Almighty high. And what is That Name? Bismillahi r-Rahmani r-Rahim. They put it down and put the portraits. Masha Allah! Bravo! Did the Ottomans put portraits in their assemblies for 700 years or did they put the Holy Name of Allah? Shame! Shame and fear, when the Heavenly Wrath hits on your heads like a sledgehammer you will understand but it will be too late. Return to the Bismillah. Put down the portraits. Our address is for Turks, for Arabs also, for India, from East to West. This is an address for all who say "I am Muslim". Put down the portraits! Put the Holy Name of Allah (jj). Put Bismillahi r-Rahmani r-Rahim. If you don't put you can find no goodness. You will finish each other. Neither your laws nor your parliament can solve it.

O Lord, O our Lord. We have no one left to teach us these ways. Tawba Ya Rabbi, Tawba Ya Rabbi, tawba Astaghfirullah. We may say Bismillahi r-Rahmani r-Rahim and be saved. "Shaykh Effendi, what are you saying? There are things coming to us from America, from other places..." Even if it comes from Gog and Magog, it has no value! The instruments and weapons in the hands of Gog and Magog can wipe out yours at an instant! Gog and Magog will come. These people say "Americans sent us this weapon. Germans sent these things. Russia threatens us this much..." What threat? Do they have the power you have in your hand? If one wali of Allah says Bismillahi r-Rahmani r-Rahim he can close all the borders, he can close the air space too. "We close the air space too".

You mess it up! Who is not under the Heavenly protection of Bismillahi r-Rahmani r-Rahim is open to any thing, any kind of calamity can come on them. Tornadoes, hurricanes, floods, snows rain on people! Yet there is more to come. When the earth quakes, it will not leave anything on it. They built Nimrod towers. They built Nimrod towers. They will be gone with the ones in them. "Don't enter them, don't live in them", angels say like this. For the people who want to add another floor after the second one, they say: "O children of Adam, what are you doing? Are you building towers like Nimrod?" Angels accuse them like this. "What you do is a shame". "'Inna 'Ardi Wasi`atun Fa'iyaya Fa`buduni" (29:56). Allah Almighty says "The earth is spacious, it is

wide enough for you". Why do you, all of you, gather in one place and pile up on top of each other? So that all of you can be finished at once?! Don't be Nimrod! They say 15 million people live in Istanbul. Is this logical? The whole country is emptied and everyone piled up in Istanbul. Where is the government? What is this?

Allah (jwa) says """Inna 'Ardi Wasi`atun". The dunya (earth) I settled you in is "Wasi`atun" (spacious). Tanwin is for emphasizing. Tanwin, "Wasi`atun" "The earth is spacious" He (swt) says, Fa'iyaya Fa`buduni", Worship Me alone. Life is not only in Istanbul. The whole earth belongs to Me and it is spacious, all of you can fit in it. But they don't say Bismillahi r-Rahmani r-Rahim. Ok, don't say. When they don't say, there are things to come on them. The Bismillah, we may say Bismillahi r-Rahmani r-Rahim. From seven times to forty times, from forty times to a hundred times say the Bismillah. If you don't it will collapse on your heads!

May Allah watch over the attending ones. What will protect mankind, the children of Adam, is Bismillahi r-Rahmani r-Rahim. Continue reciting it, even if it is only seven times daily. Recite the Bismillah 40 times, 70 times or 100 times and experience its goodness. You should make sajda. If you don't make sajda such a calamity will be sent on you that no doctors or judges can cure it. Only Bismillahi r-Rahmani r-Rahim. If one says this, he doesn't need any doctor or judge. O our Lord, for the honour of Your Beloved, O Habib, O Rasulullah, show us Mercy. Send us from Your lions that they correct us. That they finish shaytan and those who are with him.

May Gog and Magog eat them. Gog and Magog eat whatever they find softer than rocks, Sh Mehmet Effendi. They will eat whatever they find. Like now they say bacterias eat up, Gog and Magog will come, they will not even leave the bones of the people. They will eat up and people ask "Where did he go?" He disappeared! What keeps Gog and Magog away is Bismillahi r-Rahmani r-Rahim. Allah! Subhan Allah. Sultan Allah.

I am weak. Qawwi dha'fana fi ridaq O Lord, I only want Your pleasure. We should remember our Almighty Lord's Name. Put down the portraits! If not, one day its doors get locked and can't be opened. A fire starts inside and burns all those who are in the parliament. A fire starts when they are fighting in the parliament, the ceiling falls down on them and they get burned like logs are burned. They should be careful! Tawba Ya Rabbi, tawba Astaghfirullah. This is not the fear of Russia, or fear of Iran or fear of America. This is a fire that burns in an instant. Aman ya

Rabbi, tawba Ya Rabbi.
Pray daily! Cover your heads! Don't wander in the streets! Go back to your village, to your place! If not, when those Nimrod towers collapse, no one in them will remain. They say the population is 14 million. Maybe a 100 thousand of them remain. It will sweep with the buildings. They still say "We will build a third city inside Istanbul..." Leave this! Leave this and send everyone back to their places. "Bi kulli makana makeen". Is it not so? Every place has its own inhabitants. Don't collect the whole world into the cities. It will collapse instantly. Half of the world's population will go in this quake May Allah forgive us. We should turn back to Allah, hold on to the Bismillah and be saved in dunya and in akhirah.
Ya Rabbi tawba Ya Rabbi, Tawba Ya Rabbi, tawba Astaghfirullah. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. The cure for all our troubles is Bismillahi r-Rahmani r-Rahim. May all troubles go away from us. Dunya turned into a hospital. They can't catch up with the patients. Say Bismillahi r-Rahmani r-Rahim instead of cutting people!
Aman Ya Rabbi, tawba Ya Rabbi. For the honour of Your Beloved O Allah, may You send us a Master, a Sultan O Lord! Amin. Al-Fatiha.

## Gog und Magog

---

As-Salamu Alaikum ayyuhal hadhirun, Salams auf die die teilnehmen. Woran teilnehmen? Salam auf die die an den Versammlungen teilnehmen, die Allah (swt) liebt. Marhaban bikum. Marhaban, marhaban. Shukur Allah dass Er (swt) uns in Gesundheit und Sicherheit aufstehen lässt. Er (swt) gab uns die Nachtruhe und wir erwachten ausgeruht. Allahs Gaben und Gefallen für Seine gläubigen Diener sind endlos. Al Hamdulillah, wir haben bequem geschlafen und sind bequem aufgewacht. Allah der Allmächtige zerbricht Seine Diener nicht, sondern der Diener zerbricht sich selbst. Schlaft mit Hamd und steht auf mit Shukur. As-Salamu Alaikum oh Teilnehmende. Möge Sicherheit auf euch sein, Friede sei auf euch oh teilnehmende Zuhörer! Wir mögen Bismillahi r-Rahmani r-Rahim sagen und Kraft empfangen. Bismillahi r-Rahmani r-Rahim. Allahu Akbar. Allahu Akbar Allahu Akbar. Als Er (swt) den Heiligen Stift erschuf und ihm befahl, auf die Wohlverwahrten Tafeln zu schreiben, sagte Er (swt) "Schreib!" Durch die Majestät dieser Ansprache tropfte die Spitze des

Stiftes. Ein Stift (Feder) hat zwei Dinge, richtig? Die Spitze der Feder in den alten Zeiten hatte zwei Dinge. Als der Befehl "Schreib!" kam, zerbrach durch die Majestät dieser Worte die Spitze des Heiligen Stifts und wir nennen es nun "Tinte", aber was immer es war was auf den Heiligen Befehl schreiben sollte, die Tinte die es unverzüglich schreiben würde, begann aus dem Heiligen Stift zu fließen. "Was soll ich schreiben oh mein Herr?" Der Befehl kam "Schreib Bismillahi r-Rahmani r-Rahim." Schreib, Adhamat Al-Hudara. Durch die Majestät der Ansprache Allahs (awj) zerbarst die Spitze des Heiligen Stifts und die Tinte begann herauszufließen. Das ist die Tinte des Malakut. Als der Befehl "Schreib!" kam, fragte sie, "Was soll ich schreiben, oh Herr?" "Schreib Bismillahi r-Rahmani r-Rahim". Alhamdulillah. Wer das Bismillah preist ist selbst gepriesen. Wer Respekt für das Bismillah zeigt, dem wird Respekt gezeigt. Wer es nicht respektiert bekommt keinen Respekt, wird Dünger. Deswegen die heiligen Auliyas und von ihnen Sulaiman Chalabi. Er ist derjenige der das Maulid al-Sharif geschrieben hat, richtig? Er sagte auf Türkisch: "Mögen wir uns als erstes an den Namen Allahs erinnern. Es ist verpflichtend für jeden Diener bei jeder Tat." Wie schön er es sagte: "Mögen wir uns zuerst an Deinen Namen erinnern, oh Allah, Es ist verpflichtend für den Diener in jedem seiner Atemzüge. Es ist verpflichtend für den Diener in jedem seiner Taten." Allah Allah. Der Heilige Stift brauchte 700 Jahre, um das Bismillah zu schreiben. Was er schrieb war Bismillahi r-Rahmani r-Rahim. Das Wissen und Göttliche Licht was in das Bismillahi r-Rahmani r-Rahim gesteckt wurden, kann niemand wissen. Die Propheten wissen wieviel Allah der Allm. ihnen erzählte. Sagt Bismillahi r-Rahmani r-Rahim. Zeigt Respekt für den Befehl Allahs des Allmächtigen und fürchtet euch nicht vor irgendwelcher Art von Waffen. Welch eine schöne Lehre; wir erzählen sie und Freude und Glück kommen in uns, Sheikh Mehmet Efendi. Es heißt dass er 700 Jahre lang schrieb. Welche Wirklichkeiten... Die Wirklichkeiten die wir kennen sehen wie das Innere davon aus. Bismillahi r-Rahmani r-Rahim wurde zu unserem Propheten (sas) herabgesandt. Er sagte es und manche Horizonte öffneten sich. Er sah einen Ozean voll Licht als er Bismillahi r-Rahmani r-Rahim sagte. Oh unser Herr, unser Subhan, unser Sultan! Es ist kein Leichtes, sich an Deinen Heiligen Namen zu erinnern. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. Masha Allah! Es befriedigt den Menschen; befriedigt sein Äußeres und sein Inneres. Es gibt solche Kraft, dass es den Osten nach Westen und den Westen nach Osten werfen kann. Die Macht des Bismillah kann nicht gemessen werden, aber es ist so nach unserem Verständnis. Was wir sagen sollten ist Bismillah. Wenn wir die Leute nur Bismillah lehren würden bis zum Ende der Welt, und wir lernen es auch, wird es genug für uns sein. Shukur Allah dass Er (swt) uns des Bismillah für würdig befunden hat und das Bismillah herabkam auf den Großen Propheten (sas), auf sein Volk. Allahu Akbarul Akbar. Wir

können es nicht so schätzen wie wir sollten. Es gab eine erste Zeit der Unwissenheit vor unserem Propheten (sas). Das Zeichen der zweiten Unwissenheit ist, Astaizubillah, Bismillahi r-Rahmani r-Rahim "Wa Qarna Fi Buyutikunna WaLa Tabarrajna Tabarruja Al-Jahiliyati Al-'Ula"(33:33). Die Frauen sollten in ihren Häusern bleiben, wie eine Perle, die niemals offen herumliegt. Eine Perle bleibt in ihrer Muschel. Sie bleibt in der Muschel, nicht draußen. Es gibt viele Felsen, Steine die draußen sind. Aber die Perle hat einen Schutzhülle. Sie bleibt in der Hülle. Allah der Allmächtige hat den Frauen solchen Respekt gegeben und sagte: "Wa Qarna Fi Buyutikunna" "Ich gebe euch etwas, so dass Ich euch nicht in die Mitte werfe". Die Frauen sind die, denen das Tajalli des Jamal (Offenbarung der Schönheit) gegeben wurde. Und Männer haben die Offenbarung das Jalal (Majestät). Männer dürfen draußen gesehen werden. Sie haben ihre Muskelkraft. Frauen haben die Offenbarung der Jamal (Schönheit) Eigenschaft und sie bleiben in ihrem Haus wie die Perlen. "Wa La Tabarrajna Tabarruja Al-Jahiliyati Al-'Ula" So waren sie in der ersten Zeit der Unwissenheit. Wenn es in dem Vers "Ula" heißt, ist das ein Zeichen für das Kommen der zweiten Ära der Unwissenheit. "Al-Jahiliyati Al-'Ula", in der ersten Zeit der Unwissenheit waren Männer und Frauen ganz durchmischt. Es heißt "Bleibt in euren Häusern." Ihr seid wie Perlen, und ihr sollt in euren Muscheln bleiben, in euren Häusern, nicht draußen! "Wa La Tabarrajna Tabarruja Al-Jahiliyati Al-'Ula" Geht nicht hinaus, euch schön anziehend wie in der Zeit der ersten Unwissenheit. Das ist der Befehl. Aber die Leute sind nun alle in der Straße, Männer und Frauen berühren sich, drücken sich und zeigen sich auf diese Weise. Das ist eine Lüge! Allah Allah... Allah! Shaytan hat die Menschheit in solch einen Zustand fallen lassen. Heute hört die Menschheit auf Shaytan, aber sie hört nicht auf den Propheten. Und weil sie nicht hören, kommen Peitschen über Peitschen auf sie. Oh Leute, sagt! Wir beginnen mit dem Namen Allahs. Wer immer sich Deines Namens erinnert ist gereinigt. Es ist der Heilige Name unseres Herrn, der im Bismillah erwähnt wird. Mit dem Namen Allahs wird jedes Werk vollendet. Nimm von seinem Licht, seiner Kraft, und jedes deiner Werke wird leicht. Jedes Werk wird leicht. Aber das lehren sie nicht. Shaytan erlaubt nicht, dass es gelehrt wird. Sie erfinden sich andere Götter als Allah. Die Sache dieser Person, jener Person... Sie respektieren sie, hängen ihre Portraits auf... sollen sie hängen. Und sie werden hängen. Wenn nicht hier, dann werden sie im Akhirat über dem Feuer hängen. Möge Allah uns davor beschützen. Allah der Allmächtige sagt "Akzeptiert keine anderen Götter außer Mir." "Wa La Tad`u Min Duni Llahi Ma La Yanfa`uka" (10:106) Es gibt keinen anderen Gott für euch außer Mir. Ich bin der Gott. Andere nachgemachte sind Shaytan. Folgt ihnen nicht. Hört Mir zu. Aber ihr hört nicht. Also gut. Ich überlasse euch denen, denen ihr huldigt und ihr werdet sehen, was der Shaytan, dem ihr folgt, tut, wenn ihr Mich verlasst. Hier ist das 21. Jahrhundert. Hier ist die Demütigung des Menschen. Shaytan hat

die Menschheit verdorben, erniedrigt und immer noch folgen sie den Stellvertretern Shaytans.Jedes Volk hat seinen eigenen erfunden: sie errichten ihre Statuen, malen ihre Portraits, zitieren ihre Worte... Lasst das! Verlasst diese Tierhaftigkeit! Kehrt zurück zu eurem Herrn. "Arji`i 'ila Rabbiki Radiyatan Mardiyatan" (89:28) Kehrt zurück zu eurem Herrn und euer Herr wird zufrieden mit euch sein, so wie ihr auch mit Ihm zufrieden seid. Shaytan hat die Kinder Adams entehrt! Er ließ sie das Bismillahi r-Rahmani r-Rahim vergessen, ließ sie es nicht sagen. Wenn sie es sagen würden, wäre Segen in ihren Herzen. Es wäre Mitgefühl dort. Wenn er sie es nicht sagen lässt, werden die Gefühle des Segens und des Mitgefühls von ihren Herzen genommen und sie haben die jungen oder die alten nicht verschont; diese Verräter, die Diener Shaytans, haben die Menschheit ins Elend gestürzt. Möge Allah es ihnen schlecht gehen lassen. Nehmt sie ab (Portraits)! Hängt sie nicht hoch auf. Hängt den Heiligen Namen Allahs des Allmächtigen hoch auf. Und was ist dieser Name? Bismillahi r-Rahmani r-Rahim. Sie nehmen es ab und hängen die Portraits auf. Masha Allah! Bravo! Haben die Osmanen in ihren Versammlungen für 700 Jahre Portraits aufgehangen oder haben sie den Heiligen Namen Allahs aufgehangen? Schande! Schande und Angst, wenn der Himmlische Zorn eure Köpfe wie ein Vorschlaghammer trifft, werdet ihr verstehen, aber es wird zu spät sein. Kehrt zum Bismillah zurück. Nehmt die Portraits herunter. Unsere Ansprache gilt für Türken, genauso für Araber, für Indien, von Ost bis West. Diese Ansprache gilt allen, die sagen "Ich bin Muslim." Nehmt die Portraits ab! Hängt den Heiligen Namen Allahs (jj) auf. Hängt Bismillahi r-Rahmani r-Rahim auf. Wenn nicht, werdet ihr nichts Gutes finden. Ihr werdet einander vernichten. Weder eure Gesetze noch euer Parlament kann das lösen. Oh Herr, oh unser Herr. Wir haben niemanden um uns diese Wege zu lehren. Tawba Ya Rabbi, Tawba Ya Rabbi, tawba Astaghfirullah. Wir mögen Bismillahi r-Rahmani r-Rahim sagen und geschützt sein. "Sheikh Efendi, was sagst du? Zu uns kommen Dinge aus Amerika, von anderen Orten..." Selbst wenn es von Gog und Magog kommt hat es keinen Wert! Die Geräte und Waffen in den Händen von Gog und Magog können eure im Nu auslöschen! Gog und Magog wird kommen. Diese Leute sagen "Die Amerikaner haben uns diese Waffen geschickt. Deutsche haben diese Dinge geschickt. Russland bedroht uns so sehr..." Welche Bedrohung? Haben sie die Macht, die ihr in eurer Hand habt? Wenn ein Wali Allahs Bismillahi r-Rahmani r-Rahim sagt, kann er alle Grenzen schließen, er kann auch den Luftraum verschließen. "Wir schließen den Luftraum." Ihr bringt es durcheinander! Wer nicht unter dem Himmlischen Schutz des Bismillahi r-Rahmani r-Rahim steht ist für alles offen, jede Art von Unglück kann über ihn kommen. Tornados, Hurrikane, Fluten, Schnee regnet auf die Leute! Aber noch mehr wird kommen. Wenn die Erde bebt, wird sie nichts auf ihr übrig lassen. Sie haben Nimrod-Türme gebaut. Sie haben Nimrod-Türme gebaut. Sie werden vernichtet werden mit

denjenigen in ihnen. "Geht nicht hinein, lebt nicht darin", so sagen die Engel. Zu den Leuten die noch ein Stockwerk auf das zweite bauen wollen, sagen sie: "Oh Kinder Adams, was tut ihr? Baut ihr Türme so wie Nimrod?" So beschuldigen die Engel sie. "Was ihr tut ist eine Schande." "'Inna 'Ardi Wasi`atun Fa'iyaya Fa`buduni" (29:56). Allah der Allmächtige sagt "Die Erde ist geräumig, sie ist weit genug für euch." Warum sammelt ihr euch, ihr alle, an einem Ort und türmt euch aufeinander? So dass ihr alle auf einmal vernichtet werden könnt? Seid nicht Nimrod! Sie sagen 15 Millionen Menschen leben in Istanbul. Ist das logisch? Das ganze Land ist geleert und alle stapeln sich in Istanbul. Wo ist die Regierung? Was ist das? Allah (jwa) sagt "Inna 'Radi Wasi'atun". Die Dunya (Erde) auf der Ich euch ansiedelte ist "Wasi´atun" (geräumig). Tanwin ist für die Betonung. Tanwin, "Wasi´atun". "Die Erde ist geräumig" sagt Er (swt), "Fa'iyaya Fa`buduni", betet Mich allein an. Leben ist nicht nur in Istanbul. Die ganze Erde gehört Mir und sie ist geräumig, ihr alle passt hinein. Aber sie sagen nicht Bismillahi r-Rahmani r-Rahim. Gut, sagt es nicht. Wenn sie es nicht sagen kommen diese Dinge über sie. Das Bismillah, wir mögen Bismillahi r-Rahmani r-Rahim sagen. Sieben bis vierzig Mal, vierzig bis hundert Mal sagt Bismillah. Wenn ihr es nicht tut, wird es auf eure Köpfe einstürzen! Möge Allah über die teilnehmenden wachen. Was die Menschen, die Kinder Adams beschützen wird, ist Bismillahi r-Rahmani r-Rahim. Rezitiert es immer weiter, selbst wenn es nur sieben Mal am Tag ist. Rezitiert Bismillah 40 Mal, 70 Mal oder 100 Mal und ihr erfahrt Güte. Ihr sollt Sajda machen. Wenn ihr nicht Sajda macht, wird solches Unglück auf euch kommen dass kein Arzt oder Richter es heilen kann. Nur Bismillahi r-Rahmani r-Rahim. Wenn jemand es sagt, braucht er keinen Arzt oder Richter. Oh unser Herr, zu Ehren Deines Geliebten, oh Habib, oh Rasulallah, zeige uns Gnade. Schicke uns von Deinen Löwen so dass sie uns korrigieren. Dass sie Shaytan vernichten und die die mit ihm sind. Mögen Gog und Magog sie essen. Gog und Magog essen alles was sie finden was weicher als Stein ist, Sh Mehmet Efendi. Sie essen was immer sie finden. Wie sie nun sagen, Bakterien essen alles auf, werden Gog und Magog kommen, sie werden nicht einmal die Knochen der Menschen übrig lassen. Sie werden alles aufessen und die Leute werden fragen "Wo ist er hingegangen?" Er ist verschwunden! Was Gog und Magog fernhält ist Bismillahi r-Rahmani r-Rahim. Allah! Subhan Allah. Sultan Allah. Ich bin schwach. Qawwi dha'fana fi ridaq O Herr, ich will nur Dein Wohlgefallen. Wir sollten uns an den Namen des Allmächtigen Herrn erinnern. Nehmt die Portraits ab! Wenn nicht, werden eines Tages die Türen verschlossen und können nicht geöffnet werden. Ein Feuer entfacht drinnen und verbrennt alle die die im Parlament sind. Ein Feuer entfacht wenn sie im Parlament streiten, ihre Decken fallen auf sie herab und sie werden verbrannt wie Hunde. Sie sollten vorsichtig sein!

Tawba Ya Rabbi, tawba Astaghfirullah. Das ist nicht die Angst vor Russland, oder Angst vor dem Iran oder Amerika. Es ist ein Feuer was im Nu anfängt zu brennen. Aman Ya Rabbi, tawba Ya Rabbi. Betet täglich! Bedeckt eure Köpfe! Wandert nicht in den Straßen herum! Geht zurück zu eurem Dorf, zu eurem Ort! Wenn nicht, wenn diese Nimrod-Türme einstürzen, wird niemand darin übrig bleiben. Sie sagen die Bevölkerung ist 14 Millionen. Vielleicht werden hunderttausend übrig bleiben. Es wird die Gebäude wegfegen. Sie sagen immer noch "wir werden eine dritte Stadt in Istanbul bauen..." Lasst das! Lasst das und schickt jeden zurück an seinen Ort. "Bi kulli makana makin". Ist es nicht so? Jeder Ort hat seine eigenen Einwohner. Versammelt nicht die ganze Welt in den Städten. Sie werden sofort zusammenbrechen. Die Hälfte der Weltbevölkerung wird in diesem Beben verschwinden. Möge Allah uns vergeben. Wir sollten zu Allah zurückkehren, am Bismillah festhalten und in Dunya und in Akhirat geschützt sein. Ya Rabbi tawba Ya Rabbi, Tawba Ya Rabbi, tawba Astaghfirullah. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. Die Heilung für alle Schwierigkeiten ist Bismillahi r-Rahmani r-Rahim. Mögen alle Schwierigkeiten von uns gehen. Die Dunya ist zu einem Krankenhaus geworden. Sie können nicht mit allen Patienten fertig werden. Sagt Bismillahi r-Rahmani r-Rahim anstatt die Leute zu schneiden! Aman Ya Rabbi, tawba Ya Rabbi. Zu Ehren Deines Geliebten, oh Allah, mögest Du uns einen Meister schicken, einen Sultan oh Herr! Amin. Al-Fatiha.

Lefke, 30.01.2013

## The Golden Chain of the Sheiks

Keep your Sheikh in your heart - If a murid does this he can be able to be forever with his Sheikh. That is the best because he helps you at any time. Carrying you – but when you are forgetting, leaving you to you. Your power is only like a battery but when the Sheikh is coming it is like electricity coming. That power continues, but a battery has limits. Therefore they are asking for mureeds (followers of a sufi sheikh) to be with his Sheikh. That fills him up with Divine Power that runs to the heart of Sayyidina Muhammad, (peace and blessing of Allah be upon him), and running from him to the saints, to Grandshiekh – and when you are taking your sheikh with you, that power is running to you.

Because man is created weak and needs support. Allah Almighty gives that support from His Divine Power through His beloved servant, Sayyidina Muhammad (May peace be upon him) and on through saints. Awliya (saints) are like springs, you may reach them. You may wash yourself. You may do everything. If no springs you can't do anything. Allah Almighty made for His servants, Prophets, and saints so that ordinary people may reach His Divine Oceans through those springs which come from the Divine Oceans. As much as you need, try to be with them. And try to be with one who is closer than you.

Grandsheikh is now with the Messenger of God, ( peace be upon him). He left someone to be with you, one who is like you - – that is my mission. Because Grandsheikh gives from his spiritual power – so that who

touches my hand is touching the hand of Grandsheikh. Who asks, may ask through me because I am connected to them. I am not alone; I belong to the silsilah. The Chain is not broken. Praise be to God.

## Gold und Stein

Wer betrügt und betrogen wird, gehört nicht zu uns, sagte der Prophet (s.a.s.). Wer betrogen wird und wer betrügt. Wer betrogen wird, sich also in seinem eigenen Ego irrt. Jemand also, der sich selbst nicht kennt, sich für etwas anderes hält, als er wirklich ist, und andere mit dem, was er nicht ist, zu überzeugen versucht, also betrügt. Ähnlich einem falschen Arzt, der sich einen weißen Kittel anzieht und behauptet, er wäre eine echter. Und die Kranken, die zu ihm kommen und Heilung suchen, werden gänzlich krank und sterben. Deshalb ist jemand, der etwas behauptet, so lange ein Lügner, solange er das, was er behauptet, nicht beweisen kann. Es gab zu einer Zeit in einer Provinz in Indien einen Shaykh, einen Freund Allahs. Mit seinen Wundern ließ er das ganze Land dort an sich glauben und gewann Akzeptanz unter den Leuten, so dass die Zahl seiner Schüler von Tag zu Tag mehr wurde. Wie die Bienen zu den Blumen, so kamen die Menschen, um von dem Honig, der sich aus seinem Mund ergoß, zu trinken. Das nahm solche Ausmaße an, dass die Religionsschulen leer wurden und die Gelehrten ohne Schüler blieben, da sie alle um den Shaykh herum waren. In einer von diesen Schulen gab es einen Gelehrten, der diesen Shaykh nicht ausstehen konnte und Neid auf ihn hatte. Einmal schickte dieser einen seiner noch treu gebliebenen Schüler in die Dergah dieses Shaykhs, damit er ihm berichte, wer dieser Saykh denn sei und was er denn mehr hätte als er selber, dass die Menschen um ihn herum schwärmen. Sein Schüler ging, sah und kam zurück und berichtete ihm und sagte: „O mein Meister, soweit ich gesehen habe, liest er den Qur'- an, sie lesen ihn besser als er. Er erzählt von

Hadithen, sie kennen viel mehr als er. Er betet, sie beten tausend rek'at mehr als er. Das einzige, was ich sah, was er mehr hat als sie, sind sein grüner Turban, seine grüne Cübbe, sein Stock in der Hand und sein langer Bart, das ist alles. Kleideten wir sie auch mit einem grünen Turban, einer grünen Cübbe, gäben wir ihnen auch einen Stock in die Hand und ließen wir ihren Bart auch noch lang wachsen, so hätte er nicht mehr als sie, sondern sogar noch viel weniger." So machte er, was der Schüler ihm riet, und dachte sich, nun gut, gehe ich mal zu diesem Shaykh und lasse mich mal dort blicken und prüfe ihn. Der Shaykh war versunken in eine seiner honigsüßen Sohbets, als der Gelehrte in die Dergah platzte und sprach: „Oh, Shaykh, jetzt ist nicht die Zeit für Sohbet, jetzt ist die Zeit, um Rechenschaft abzulegen. Hör' mir zu. Was ist es, was du mehr hast als ich? Du trägst einen Turban auf dem Kopf, den habe ich auch. Du trägst eine Cübbe auf deinem Rücken, ich auch. Den Stock in deiner Hand habe ich auch. Sogar unsere Bärte sind gleich. Sprichst du von Hadithen, so kenne ich mehr als du. Liest du den Qur'an, so lese ich ihn besser als du. Was ist es, das du mehr hast als ich, dass alle diese Menschen um dich herum schwärmen und wir niemanden mehr haben?!" Als der Shaykh das hörte, lächelte er nur und sagte: „O Gelehrter, du sprichst wahr. Die Hülle hast du gut hinbekommen, nicht einmal unsere Mütter würden uns auseinanderhalten können. Aber, was ist mit der Essenz? Berichte doch mal etwas von der Essenz, dem Inhalt. Die Verpackung ist gleich, nur, du und ich sind wie Getreide und Mehl. In einem ist Getreide, im anderen Mehl. Von der Erschaffung her sind wir gleich, jedoch hast du darauf beharrt, Getreide zu bleiben, deine Größe unter Beweis zu stellen. Ich jedoch habe gesehen und erkannt, dass, wenn ich Getreide bleibe, ich niemandem nützen werde. Ich würde hart und unverdaulich sein. So ging ich und habe mich den Händen eines Müllers anvertraut, und dieser hat mich geschlagen, zermahlen und so klein wie Mehlstaub gemacht. So sehr, dass von meiner ursprünglichen Härte und Größe nichts mehr übrig blieb. Von meiner Härte. Du jedoch bist an der Tür gestanden und hast Trotz gezeigt, dass du deine Härte und Größe behalten willst. Daß du dich von niemandem kleinkriegen lässt, von niemandem zermahlen lässt, von niemandem zu Staub machen lässt. Daher bist du für niemanden von Nutzen. Wir jedoch nützen allen. Mag sein, dass deine Kapazität größer wirkt als unsere, aber du nützt niemandem. Wenn du also hier bist, um etwas zu behaupten, dann bist du jetzt verpflichtet, den Beweis dafür zu erbringen. Wenn du den gleichen Rang wie ich kleidest im Augenblick, sei es auch nur äußerlich, musst du jetzt den Beweis erbringen." Der Shaykh nahm einen Stein vom Boden und sprach: „Nimm diesen Stein, drücke ihn fest in der Hand und mache ihn zu Gold." Der Gelehrte nahm den Stein, drückte ihn und sprach alle Gebetsformeln, die er kannte, doch als er die Hand öffnete, war der Stein immer noch Stein. Der Shaykh lachte und nahm ein Goldstück aus der Tasche und gab es dem Gelehrten. Er befahl ihm, das Goldstück in der Hand zu drücken und es zu

Stein zu machen. Der Gelehrte nahm das Goldstück und drückte es wieder in der Hand. Als er die Hand aufmachte, war das Goldstück tatsächlich zu Stein geworden. „Ich habe es geschafft!“ „ Was hast du geschafft? Was kann man dir denn anvertrauen? Wenn man dir einen Stein anvertrauen würde, damit du ihn zu etwas Wertvollem machst, bliebe er Stein. Brächte man dir Gold, so würdest du seinen Wert in Stein verwandeln. „Schau“, sagte der Shaykh, „das ist der Unterschied zwischen uns beiden.“ Er nahm den Stein in seine Hand und drückte ihn, und er wurde zu Gold. Er nahm das Gold, drückte es, und es wurde zum Diamanten. „Siehst du, o Gelehrter“, sagte der Shaykh, „solange du das, was du behauptest, nicht beweisen kannst, bist du ein Lügner. Du musst die, die als Steine zu dir kommen, zu Gold, die als Gold zu dir kommen, zu Diamanten machen. Du musst so werden wie deine jetzige Hülle.“ Darum heißt es, o Mensch, betrüge weder dich noch andere. Dieser Gelehrte kannte seine Winzigkeit nicht. Es heißt, wer sein Ego kennt, kennt seinen Herrn. Wer sein Ego kennt – im Sinne von, wer seine Winzigkeit kennt –, kennt die Größe seines Herrn. Er kannte sein Nafs nicht. Wie soll jemand, der sein eigenes Nafs nicht kennt, das Nafs anderer Leute erziehen? Deshalb möge Allah uns davor bewahren, unserem Nafs zu verfallen, und uns zu solchen Menschen machen, die ihre Grenzen und Kapazitäten kennen. Fatiha

# It is a good characteristic for a person not to be cut off from his homeland

(Today it was snowing in Cyprus, and there are some Pakistani guests. Sheikh asked them about the weather in Pakistan, but the brothers live in England.)

It is a good characteristic for a person not to be cut off from his homeland. You left your homeland and went to Europe, to England, to Germany, but you must not forget your homeland, your birthplace. That is according to the Hadith of Rasulullah sws: 'Hub-ul vatan mina-l iman; love of one's homeland is a sign of faith, or iman, or it is a part of iman. Therefore you must not cut yourself off from your homeland.

But now people lost so many things, so many good characteristics, which they had before, and people become day by day more materialistic. And that is the main target of Shaitan; and he is teaching people satanic ways and ideas. Therefore always I am saying: Meded, asking for spiritual power for myself, that I may be supported spiritually, and it is a sign that I am not a materialistic person.

You must show that you are not a materialistic person; you must show that you believe in something beyond the material ideas. We believe in something beyond the material world, surrounding the material world and universe. They say our world or earth is a global thing, Dunya is like a globe, and that there is an atmosphere surrounding this earth.

I am asking: 'What is its distance? Up to where is this atmosphere surrounding Dunya, the earth?' They may say 8o kms, or 1oo kms, less or more. I am asking: 'That atmosphere- with which thing is it surrounded? You think it is something material, or that your material world finishes with its atmosphere? That atmosphere is a kind of material also, like gas, because it is oxygen and hydrogen or another mineral, as minerals may be in it.
They say that it is only reaching up to a distance, and beyond that there is no more atmosphere. So I am asking: 'Which thing surrounds the atmosphere? What is that? It means the material world finishes. Which name can you give to that which is surrounding the world and the atmosphere also? In which thing are our world and solar system swimming, as well as our galaxy and billions of other galaxies? Swimming or running or sinking in it, appearing and disappearing? What is that medium? You think it is material? Never! Can't be. What is it? In which thing they are moving?

Any answers from scholars of positive knowledge? From professors? Why they are trying to make everything through a material vision, a material world, and no more? They are fully wrong. They must answer to what we are asking: 'In which thing our world is running, turning, whirling? And from where to where? Which thing is affecting on it to turn around itself or to move in a direction that is no direction?' Because after reaching beyond the atmosphere you can't say anymore East, West, North, South, up or down, left or right- no. It is a big trick that modern science uses for cheating

people, to make people's care only on earth, not to look up; to make them a piece of material world only, not to be interested in anything beyond material things. That is materialism. And it is a big false. Shaitan established a materialistic school, to make Batil up and Haqq down.
I am sorry to say that the whole world says 'Yes' to the material view and 'No' for spirituality. Therefore coming on people such a heavy burden, and material is killing people. Under the big heaviness of materialism people are going to be like a plate. They can't stand up anymore, and people in the whole world are beginning to fall down on their knees; materialism is going to finish them.

It is not an economical crisis, no. That is another cheating. Satanic teaching is making people not to look to the real point. It wants them not to look to the important point, but to loose the main problem for mankind, and change their cares to another direction

Now we live in the 21st century, and humanity is just facing the biggest problem through all historical periods. And Shaitan is making people not to look what is the real solution for that biggest problem of mankind that never faced such a big problem.

We say that what is coming to Argentina is going to come to America, to England and Europe, to China and Japan, to Turkey and Arab countries- to East and West, one after one, because every country and mankind there is facing the same problem.

That is the main problem: Shaitan is showing to people their problem as something only material, and they look to it like that, no more. They say: 'No, don't say spirituality- you are not a man of this century, you are not of our age, you don't belong to our time. You should have lived before our age, you can be there, but you are not suitable to be with us through this

age.' They prevent people, who can think, and defeat them, throwing them out from their communities, saying: 'You are not suitable to be with us. We are materialists and you come and say something else, we don't understand and we are not accepting. We say that it is only economical problems that make people in such bad conditions.'

This is through East and West, and yet America, who is claiming to be the boss of the world, does not understand. And their Number one citizen, their President, is never able to open and say that it is something else, and to say: 'Our problem is not a material problem.' Up today I am asking to hear this from that President. Because they have billions of Dollars, perhaps quadrillions. They threw in Afghanistan up today bombs for billions of Dollars. That means they have enough money, enough material support, so that they can waste billions of Dollars and bombard mountains.

And they may print trillions of Dollars and no one is asking if they are putting anything in the cases of the banks for those printed Dollars. Every night on T.V. I am seeing people counting money, especially in Turkey. They show how they print money, how they cut it and put it in the machine for counting, how they put it in bags and how they are giving it out. What is that? They have money. But all that richness never gives any benefit, because all rich ones, rich companies and very rich business people are fearing, too. They live in a depthless fear, not knowing what is going to happen. That means: no money can bring a solution for the problems of mankind, and I would like to hear from this from the President, to speak on that point.

But maybe he is prevented, and it is prohibited and forbidden for him to speak on spirituality. How about if the Number One person on earth would speak and say: 'O people, it is not only a material problem, but beyond materialism there must be something that prevents us not to reach peace and

happiness on earth, not to arrange everything and people everywhere not to be in contentment and satisfaction'? But he is not saying this. He can't speak yet, but I like to hear this from him, as well as from Turkey, Arabia, Pakistan, Afghanistan, Russia, Japan. But no one yet is speaking. They fear some ones.

It is not the Israel-problem, or the Palestine-problem, because this world is prepared for mankind, and really Allah Almighty is giving right to His servants to live freely everywhere, not to put borders, no. This world is created for all mankind, and they have the right to live everywhere, and not to be prevented, as long as they serve Allah, keep the rights of their neighbours and give benefit to each other.

Only troublemakers are not given a chance to be anywhere. At least they should be in prison; or they should be killed, because they are dragons and wolves; they can't live among people. Their out looking is like man, but inside they are like a wolf or a dragon. Therefore this is the holy order from Heavens: If you find through yourself a wolf or a dragon, harming people, killing people, making trouble for people- take him away. At least send them away, take them from the community and send them away. Once in Cyprus in 1931, when Cyprus was a British colony, there was a trouble against the government. Greek people were cheated by devils and did a worst thing against the government, attacking it. I was that time 9 years old. Then the British government took those people who were the head of that trouble away and sent them to the Seychelles in the Indian Ocean, so far, that during one year not even one ship passes by.The second day the trouble in Cyprus was finished.

The holy command of Allah Almighty is at least this: 'O people, who harms the servants of Allah and gives trouble to them- take them away, send them far away, so that they can never be able to come back again.' Or: 'Cut their

heads.' That is the heaviest punishment- to kill terrorist people. First cut one hand. If they are going to make it again, cut one leg. If they don't finish, hang them, or, which is much more easy, take them away.
In the Ottoman Empire they were sending people to the desert of Fisan in Libya. There are some oases, and they left people there, and they couldn't escape. If they would try, they should die, because they can't be able to reach to anywhere. Abdul Hamid was not killing people, but sending them away. That is such a simple, but very effective punishment, and people were quiet.

Now the whole world is full with terrorists. The USA just lost itself, and it doesn't know how to deal with these people, how to reach to the terrorists. They left the holy command of Allah Almighty and they got punished. Everywhere is full with terrorists. And all governments now lost their mind: How should they find them? It is impossible. They are living with people; you can't be able to say it is this one or that one. Full everywhere now. They accuse someone in Afghanistan, but there are countless terrorists in their own country, because their government system is giving them a chance to live.

Democracy is giving a chance for those people to live among people. It is like someone who has a flock of sheep and the government is saying: 'You may keep among your sheep also wolves. Wolves also may live'. How can be wolves among sheep! Or, another example, chicken-farm: 'Democracy is saying that you may keep among your chicken also foxes'. - 'How it can be? It is an order from the government?'- 'Yes.'- The government is saying to the fox: 'Now you may live with the chicken'. And the fox is very happy, waving the flag and calling the other foxes, saying: 'O, the new system of democracy is telling us now to live with the chicken. Come on!' And up to the next morning there are no more chicken left.

Sheikh Hussein from Afrin, the Kurdish khalifa of Grandsheikh, used to tell this story: 'Once upon a time it was said to the wolf: Did you not hear the latest news? -What is that? -That the people of this village are fed up from shepherds and they think to make you shepherd on their flocks. -And the wolf begins to cry: O, if this news should be real, and I would like it to be real, I am so happy, that I am crying. -You don't know that democracy is coming, and wolves may be shepherds? -I am supporting democracy 1oo%. For the honour of democracy I am so happy, I am crying. If it is true, I may prepare my small kids to look after lambs. I may look after big ones, my small ones may look after lambs.' That is democracy!

But yet people do not understand, and everywhere there is advertisement for democracy. Democracy finished humanity and mankind; it is mankind's biggest enemy. All troubles are on behalf of that democracy, fighting to Allah, His Prophet and fighting against the holy Books.

Therefore, as long as democracy is living, terrorism is also living. When people throw that worst and foolish system of democracy, terrorism also should leave and Haqq is built. Now Shaitan just established the shaitanic Sultanate everywhere in the Muslim and the non-Muslim world.
Keep this. But you can't say. No one is accepting, neither Turks, nor Arabs or Europeans or Russians, no. And from democracy making women to be with men. That is another kind of fasad and big trouble that living people now take the barrier between men and women away. When they took it away, it was finished; fasad began. Therefore- men to their works and sides, women to homes. If not, there will be never ending troubles and terrorism. Democracy takes women out of their homes and even makes them soldiers, pilots, captains on planes, or Lieutenant. And men throw their guns, not fighting, saying: How we can shoot them? And if men shoot up, the ladies throw their weapons. That is cinema- fully fasad.

This is an important association. We didn't expect to speak on such things, but every day now. If anyone is going to be unhappy, that means he belongs to the terrorists- man or woman. It is Haqq what we speak on, right, and we are asking righteous, true and trustworthy people Our Dunya is going to finish, but we hope that now for every evil and devil comes an end, to finish. May Allah make it quickly to be people, His servants, in peace in their life, to be servants of Allah Almighty and to reach His pleasement here and hereafter.

## Good character people are healthy in their spiritual lives

Our Grandshaykh says, "Allah Almighty sent our Prophet (peace be upon him) for what? He was sent to complete good characters, for changing bad characters into good characters. He was teaching, during his life, how a man can change his bad character into good. This is the main goal of prophet hood."

Once, I asked my Grandshaykh, 'O, my Master! Is there any complaining from a man with good character?' 'Never!' he replied to me. 'You, won't find a man with good character complaining!' So many complaints from man, you cannot count them. Yet, you never find a man with good character complaining. Good charactered people are like a healthy body. (He nudges one of his murids.) If you touch a healthy body, there is no complaint. But if a man has sores on his skin, then, ‘Ouch!’ So, likewise, good charactered people are healthy in their spiritual lives. But bad charactered people, there are like a man wounded; wounds everywhere, you cannot touch any side of him, any part of his body.

Therefore, it is the measure of a man’s good character, or bad; how much complaining he is doing. As much as his complaining is little, you may know how few bad characteristics are left with him. When you finish all your complaining, you may know that you are healthy. No more bad character! This is an important point, because a good-charactered person, if he has no complaint, has patience. And when he has patience, it means that he has real faith, real Iman. Real faith equals good character, and real faith also equals patience. To be

patient, always. Anywhere you are not patient, you are not in Iman. If a man complains, it means he hasn't any patience, no Iman. No Iman, no good character.

Therefore, you must diminish your complaints until you haven't any left. Then, you will be restful. Nothing can give you trouble. You will be like a rocket, going up till it reaches the point where it escapes the earth's pull; then, no troubles for it. When we can escape the pull of our bad character, and reach the level of good character, there will be no troubles for us also. Finished, in this life and in the life hereafter."

*„How does one do that?" asked a murid.*

"I am saying," replied the Shaykh. "You must diminish complaints, little by little. Rockets going up like this (he gestures with his hand). How much power it is using to reach that point! It is not easy. You are starting with so many complaints: of your wife, of your children, of your neighbours, and of your family! From Jews, from Americans, from Russians, from Jinn, from women, from boys, ... everything! Too much complaining! When it will be finished, good tidings!

People are in trouble until they reach to the level of good character. This is important. Therefore, our Prophet (peace be upon him) said, 'I came to take you from the lowest level of bad character to the highest level of good character. Then, you will be in absolute happiness and enjoyment!' Do you understand now the wisdom of the Prophet's word, the hadiths? This is a lesson for all mankind. They can know themselves; they can recognize their personality with this balance. Then they can save themselves from all troubles, from all problems. This, only, is enough. A little sentence; one question, and one answer, from my Grandshaykh (may Allah be pleased with him); giving mankind such a knowledge that it will be enough to carry them from all troubles to a level where those troubles will be gone! Do you understand? Now we must practice always to leave complaining. These words you wrote here (and you are reading here), but it is written also will be able to remember all the time. Divine powers are going through your heart, helping you to recall these words. Immediately, will come to your heart, 'I will not be a complainer, because this thing that is happening to me is going on with my Lord's will!' This is the key. This is the medicine for that illness! When a complainer comes to you, you must remember that, 'This thing is going on with my Lord's will. With Allah's will it is going on!' "

*„Are you speaking of the thing that is making us complain?" asked a disciple.*

"Yes," replied the Shaykh. "Without Allah's knowledge and without Allah's will, nothing is going on. You must say, 'Why am I complaining, when He Almighty ordered this to be!' Understand? This is practice. When you remember this point, you will be satisfied with His will. You will agree, also, with His will, with your Lord's will. When you agree with Him: happiness for you!"

*Another question came: "What if you come up against injustice? Wouldn't this attitude lead you to say, 'O, well, it's just Allah's will?' Isn't this fatalism?"*

Maulana answered, "Correction for wrong things is another thing entirely. We are not saying that you shouldn't try to make wrong things right, that you shouldn't try to prevent badness. No! As much as we can, we are correcting all things, if we can. But, what we are talking about here, when we speak of reducing our complaints and accepting all things as they come from our Lord's will, are those positions in which Allah is leaving us. For example, if we are poor – no complaining. If we are ill - no complaining."

*„I don't understand these things," said one of our brothers. "They're very subtle. So much of the time, there's confusion. When you say not to complain, I think, 'Okay, I'll accept everything.' "*

"We accept everything," answered the Shaykh, "that Allah Almighty is making happen to ourselves, and to other people."

*„How do you tell the difference between a badness that needs correction, and a condition that you should accept?" asked another. "Some things we definitely bring upon ourselves with our bad actions."*

Shaykh Nazim responded, "Bad actions bring some things on us, but, when we keep ourselves, they do not come on us."

*A murid objected, "Don't they sometimes come more? If you are a man of God, doesn't it make people angry with you?"*

"Yes!" agreed the Shaykh. "But we are not complaining! We know that if there is a tree with fruits on it, children will throw stones. Children cannot reach the fruit in high places, so they throw stones to make it fall

to them. Therefore, all prophets have people throwing stones at them. Understand? Some bad things come upon men because of their bad doings, but that which comes upon prophets and holy men is not because of their bad doings. No, it is because they are like trees, full of fruit which is high up and out of reach. Common people are like children, they cannot reach the fruit. Therefore, with stones, bad people are trying to reach those fruits."

*„Good people are waiting for the dates to fall?"*

"Yes."

*A disciple said, "So, if something is going on in your house, and you don't want it, you can correct it? You can say, 'Don't do this, don't do that?' You only have to accept that which you can do nothing about; is that correct?"*

"You may correct whoever will listen to you, but you must be very careful," Maulana replied, "because all people, each of us, each man is looking to himself and seeing that he alone fills the whole world. So big is this looking to himself! Therefore, if you say to him, 'Don't do this!' he will never accept. But you may say instead, 'O, my Lord! If I were to do like this one (the person you wish to correct) is doing, how would you look upon it! Is it good, O, my Lord, to do like this?' When he hears this (or words to that effected), he may realize that he is wrong, and come down from his position. But, if you are saying to him, 'Don't do this!' he will never accept. He will have too much ego." Maulana went on: "In the case of something going on in your home that is in direct violation of Allah's orders, for example, a family member wanting to eat pork, you may forbid it. This is not complaining."

*A murid offered this comment: "Yes, but then if I forbid something to my wife or children saying, 'You can't do that because it is against Allah's orders,' they just say, 'That's just what you believe, not what I believe! You have no right to impose your beliefs on me!' That's the American way, Shaykh Nazim!"*

"When that happens," said Maulana, "you are free. You may continue to live with them or not. You are free. Or," he added, "you may let them do those things, but you must not sit with them while they are doing them. You must make it clear that you will not participate. She (they) may sit alone, eating or drinking. As long as she (they) is not Muslim, we cannot ask her (them) to obey the Islamic laws. She may even go to church; she

is free. Shariah gives us permission to marry someone of another religion."

*„Don't the children have to be raised Muslim'?" ask another.*

"The children are your responsibility, if they are your children."

*„So, we must make it clear that we are not free to take part in forbidden things'?" said a murid.*

Shaykh Nazim answered, "Yes."

*The murid who had originally raised the question objected, saying, "But aren't we getting off the point?" The second disciple interrupted him: "No, because that's leverage. If they realize that you're not going to participate certain things with them, no matter when they do or say. . .”*

"Yes," said Shaykh Nazim.

*The second brother continued, ". . . then they will either have to drop what they are doing, or drop you!"*

The Shaykh then said, "She may eat, she may drink! You must not sit with her. She may go to church; you are not going with her!"

*Still another murid asked, "What of the case when a neighbour's animals, for instance, destroy your property? Mustn't we go to the judge and complain'? We can't go around saying, 'What a bad man my neighbour is!' "*

Maulana answered, "If a man is bringing harm to you, Shariah gives us the authority to prevent it. Shariah gives authority to prevent harm among people. This is not complaining. It is your right to keep your property secure. If anyone harms you, with his hand or with his tongue, he is not a Muslim, not a believer. If you take action against that, we are saying that is not complaining. That is the right of Shariah. Say, for instance," elaborated the Shaykh, "that a man comes and cuts fruit off your trees and takes it away. It is not complaining to stop him. If he is making trouble, it is not complaining to take legal action against him. It is the right of Shariah. There is no permission for doing harm in Islamic law.”

*A brother asked, "What are my rights regarding my non-Muslim wife? Must I allow her to do as she*

*wishes? What is legitimate for me to demand of her, if anything?"*

"Your rights?" said Maulana. "To keep your honour. Your honour is with your wife. If she is honourable (faithful), that is enough for you. When you find her faithful with you, and she likes to be with you, it is enough."

*„This is for a non-Muslim wife, isn't it?"*

"Yes," replied the Shaykh, "and also for a Muslim wife."

*„But," said a murid, "if you find a Muslim wife eating pork, or drinking wine. . ."*

"No," replied the Shaykh, again, "because in the case of a Muslim, she has been ordered not to do these things. We cannot give permission. How? The answer is 'No!"

*„You said before that there should be certain conditions in the relationship. What should these be?" asked another disciple.*

Maulana answered him, "If your wife likes you and said 'I am satisfied with you as my husband. You are free in your religion, and I am free in mine', then there are nor more conditions. The only conditions are to be faithful with you, with your children, and with your property."

*„Is there anything else I have to submit to?" the first murid asked.*

"If you like!" returned Shaykh Nazim. "If you don't like, leave her! But we prefer for believers to marry with unbelievers; so that from their love for their husbands, they may approach belief themselves. Therefore, we are saying, 'Keep her,' so that day by day she may agree with you because of her love for you. We have a saying: 'Shartul mu'arfiqa mu'arfiqa.' It means 'From the condition of friendship, we may me meet on the same way.' Therefore, she will take him on her way, or he will take her on his way."

*„What if you marry an unbelieving woman," asked a murid, "and, as time goes by, and even though you are tolerant, still she is not coming to Islam?"*

"You must be patient with her for some time," said the Shaykh, "and you must pray to Allah to make her with

you on the same way. 'Keep me, O, my Lord, on Your way, and keep her with me also on Your way.' If there is no result, then you may say to her, 'You are in your way and I am in my way!' "

*A murid said, "What if she begins to hate Islam, to speak badly of the Prophet (peace be upon him), and to be vicious? Sometimes Islam evokes very strong feelings in people".*

"You must leave her!" said the Shaykh. "Not coming to discussion!"

*"But not until you've done the other things first?" said a murid. "Not until you've been patient first?"*

Shaykh Nazim nodded. "Yes," he said. "An important point. We must know that each person - their forelock – is in the hands of Allah Almighty. You cannot change people until Allah changes them. Even prophets cannot change people. If Allah is not changing, no one can change. The hearts of people are in the hands of Allah Almighty. Maybe Allah's will is going to change a servant; therefore He is sending her to you. If you have patience with her, your patience will bear fruit at the end, and she will come on your way."

## The 12 good characters in dogs

Our Grandsheikh said: “There are 12 good characters in dogs that you may also find in Prophets and Awliya. They are:

1. Not forgetting goodness: they don’t forget those who have done goodness to them.
2. They are patient and always grateful for everything that they are given.
3. They are not angry with their owners, even if they are beaten and sent away. If their owners call, they return with their tails wagging.
4. They are humble;
5. obedient;

6. truthful;
7. trustworthy;
8. good friends;
9. loyal, always remaining with their owners and never turning traitor.
10. They are satisfied with small things; they are ‘zahid’, not looking to anything from this dunya.
11. They have nothing from this world, they have no place for themselves.
12. They may sleep anywhere, and if someone throws stones at them, they quickly get up and go somewhere else. They are very light sleepers, they don’t sleep too much, and quickly awaken.

If a man has those attributes, he is a Wali. Those 12 attributes belong to Prophets and Saints.

## Good Life

Bismillahi r-Rahmani r-Rahim. We may say the Ism Al-Jalil of our Lord: La ilaha illa Allah Sayyidina Muhammadun Rasulullah (sas). It is said "Yawm al-jadid,rizq al-jadid" A new day and a new provision. Allah Almighty sustains His Divine Grants in the apparent too. Audhu Billahi min al shaytani r-rajim. Why does He (swt) make us recite the Audhu? "Fasta`idh biLlahi Mina sh-Shaytani r-Rajimi" (16:98).

Dastur Ya Rijalullah; may there be a heavenly support from the holy ones, that we say a few words, and open insha Allah. Our first word is Bismillahi r-Rahmani r-Rahim. The Bismillah should be our first word. "The Bismillah is Your Pure Name and who remembers it is purified. Who says Allah can reach everything he desires". What a beautiful teaching; it teaches people that any act without the Bismillah is cut off. "Kullu 'amrin lam yabda'a fihi Bismillah, fa huwa abtar". This is the word of Allah and the teaching of the Prophet. Whichever act it is that it starts without the Bismillah, it is cut off; it has no result.

Yawm al-jadid, rizq al-jadid. In every new day there are the grants of Allah Almighty for His servants; His blessings, His gifts. Allah Almighty Jalla Jalaluhu... O people, listen! You are Man. You should listen and understand. For what does Allah Almighty make us recite the Bismillah? For our every doing to succeed. The key for opening all difficulties is Bismillahi r-Rahmani r-Rahim. Allah Almighty (swt) Hz wants His servant's life to be a sweet life. Whosoever wants every day, every hour of this life to be sweet, whoever wants a sweet life; a life without troubles, sorrows, hardness, whoever wants a sweet life, Allah Almighty says: "La Yuridu Bikumu l-`Usra" (2:185). Allah Almighty says "I did not give you a life that will be a burden to you. And I never want to put a burden on you, I don't want My servant to be crushed. I don't want him to live in difficulties. La Yuridu Bikumu l-`Usra. An easy, sweet life: This is what I want. I didn't create My

servants to be crushed in dunya, they should enjoy the dunya". How should they enjoy? I want them to spend a comfortable life full with pleasures, this is My desire. I created My servant and sent him to dunya, not to crush him there".
Rabbul 'Izza, Allah Almighty (swt) Hz, our Lord says: "I did not order anything to make hardship for you. Your everything should go so easy. Your day should be a sweet day. It should not be a bitter life for you, not a life like poison. This is what I want: I want you to live comfortably, happily in dunya life, and in contentment, being busy with My servanthood. But you followed the evil shaytan. The evil shaytan wants to burden you with the burden of dunya so that your dunya life will be like poison". Allah Almighty wants a beautiful life for His servants.

Shaytan on the contrary, wants to corrupt the beautiful life Allah Almighty taught mankind. His whole hatred and struggle is for Man to not find comfort, for him to live in misery, for mankind's dunya life to be as the wheat that is crushed between the two millstones. Shaytan wants his life to be poisonous and in hardships like this.
Therefore Man should say it first, to open his day, for the door of a comfortable life to open for him; Bismillahi r-Rahmani r-Rahim. Say the Bismillah. "Fadhkuruni 'Adhkurkum" (2:152). Remember My Ism Al-Jalil and I grant you, feast you with My blessings. "Wa shkuru Li", be grateful to Me. "Wa La Takfuruni", don't deny Me. It is a shame for you". This is the address.
"O Man! I created you, I made everything ready for you on earth so that you won't have any hardship. This is the situation but you don't accept this, you don't appreciate this and you fall from one hardship to another. You become like the wheat that is crushed between the two millstones. I don't want this! I sent you to dunya. I didn't send you to crush or to make you crushed between two millstones. It is a temporary life. Acknowledge Me and your everything will be beautiful. I like good deeds. I like beautiful servants and their beautiful deeds. If you want this, then start, say My Ism Al-Jalil: Bismillahi r-Rahmani r-Rahim and your every doing goes easy, flows like water. There is no difficulty in front of you. Your life goes easy and sweet".
Because Allah Almighty did not want any hardship for you. He (swt) presented you the most beautiful life. What is its key? Say Bismillahi r-Rahmani r-Rahim and stand up for Allah. What comes first? What are you granted when you stand up for Allah? The sweet life. Allah Almighty doesn't want a life like poison. Hasha! Hasha thumma kalla. He (swt) didn't make it as a poison

for mankind, but a sweet life: hayat at-tayyiba. It may be a nice life. He (swt) wants this: "Let them be My guests in dunya for 3 days and live comfortably. Let them be My guests and listen to Me. Return to Me and I grant them everything". They don't do this. What is the key for this? Bismillahi r-Rahmani r-Rahim.

Why do you run in the streets? Let alone running in the streets, in all countries, everywhere turned into streams of people. They don't know what they want. What is it that they want? Hayat at-tayyiba: the sweet life, nice life. But you are the guests of Allah Almighty in dunya. Can Allah Almighty give a hardship to the ones who are His guests? No, He (swt) doesn't. But foolish men are following shaytan and can't enjoy life: they fall from one trouble to another. Why do you run in the streets, men and women? Did Allah order you like this: "O people, go out into the streets and scream, men and women"?! This is not suitable for your humanity. What is suitable for your humanity is for you to return to your Lord. When you don't accept Your Creator, then no one accepts you. And shaytan makes you a toy in his hand. The streets are filled with people. What do they want? What do they want? They don't know.

When the Muslim soldiers were entering Izmir, there was a group of people there from other religions. They were also calling with the rest. Muslims said "Long live!" They were also calling "Long live!" "Who should live long?" asked one. They said "Whoever won, may they live long". Look at who makes you win, why do you run after shaytan? Shaytan ridiculed you and makes you run in the streets like wild animals. He makes you scream, swear. They have no rest, no comfort. They have nothing to eat or drink. All their claim is protesting in streets. This is not suitable for the adab of mankind. When Allah Almighty appoints a servant to rule over you who is covered in black hair and even if the rest of him is all black obey him, he also can protect you. Obey him, say "Allah appointed him for us" and take the attitude of adab. Remain with adab: "It means Allah Almighty appointed for us this servant. We may walk on his way and say Bismillahi r-Rahmani r-Rahim. Ya Rabbi, may You make this servant of Yours a Mercy for us, not Wrath." They don't say this but scream in the streets.

Say one Bismillah and you can destroy! You can destroy the doings of shaytans. But they don't say it. "Don't ever say it! We are social people. We are filthy ones. We belong to the "giddyup!" level. The giddy up ones run, scream,kick... We too are from them. We don't want the other level: We don't want the level of who goes to the mosque. We are the giddy up level who scream

and run in the jungles". Ok then, take what is suitable for you! Run, scream, shout all day! You won't be well regarded. The Realm of Malakut does not respond to you. You are out of the level that will be protected. You enter the giddy up level, which means the four-legged animals level. If you were in the human level, you would go to mosques. You have temples. You go there and call: "O our Lord Who Created us, may You grant us the hayat at-tayyiba". "O My servant, you are given the key; you are given the key to the beautiful life: Bismillahi r-Rahmani r-Rahim. It opens for you all the locked doors. It opens for you all the treasures. It opens the doors of eight Paradises.

Say Bismillahi r-Rahmani r-Rahim". "We won't say!" "So you are that arrogant? Ok. Run in the streets and may you not find what you seek" say the Angels. O man who have become animals! O animals who deny their Lord! Scream in the streets? Who will answer you? Who has ever gotten an answer like this anyways? You are man! Prove your humanity. Call: "O our Lord! Bi smika l-Azim. We seek refuge in Your Holy Name, Al-Azim. Save us O Lord. May You send Your beautiful servants, powerful servants who will teach us our humanity. May You send us the deputies of Prophets who will save us from being animals and we follow them". What business do you have in the streets? For whom are the mosques? Do the dogs ever enter a mosque? Neither a dog nor anyone from the giddy up level enters there. Don't sleep! Open your eyes! That you know the magnificence of humanity, you know what a beautiful life Allah Almighty appointed for His servants. They kick it away, they kick it away and they gather behind shaytan and run. Who makes them go out and shout in the streets, who makes people uneasy, who makes them kill each other, who crushes them in fights and wars, is shaytan.

Allah Almighty says "I appointed hayat at-tayyiba, beautiful life for you. Start with the Bismillah. Turn towards Me that I make your every day a beautiful day, your everyday go nicely, you never face any troubles. Turn to Me" says Allah Almighty. "No, we will scream no matter what!" Ok, scream. Scream, scream but you can't find a place that will answer them. They are running and screaming in the streets. Who are you running to? Why are screaming? What do you seek and from whom? What is it that you want? They don't know. Shaytan pulled them out of the human level and make them enter the four-legged, giddy up ones' level and says "Run!" "We are passing near a mosque?" "Don't look at the mosque, look at the streets". If they say one Bismillah, Allah Almighty makes the dunya changed. This dunya turns to a different dunya for His servants who

say His Ism Al-Jalil. "Yawma Tubaddalu l-Ardu Ghayra l-Ard" (14:48). On that day Allah Almighty changed the dunya to another dunya. He (swt) appoints a nice life, a sweet life for you. You don't do this? Run then! They don't feel their hunger, thirst or exhaustion.

This wildness is everywhere. Because shaytan whips them: "Scream, shout!". You can't gain anything by screaming and shouting! Say "O Allah! For the honour of Your Beloved, may You appoint over us the servants You love, that our works straighten and our provision becomes plenty". "Really? Is your provision not sufficient?" "No, it is not". "Ok, do you say the Bismillah?" "No, we don't say". As long as you don't say it, your provision will be insufficient. Even whole dunya is insufficient for you. Even if you save treasures still you are not satisfied. Still you are in hardships, can't be saved from them. O Mankind! If you want to be saved from hardships, say the Magnificent Name of Who created you, Bismillahi r-Rahmani r-Rahim. In the Name of Allah Who is Ar-Rahman and Ar-Rahim. "The Most Beneficent, Most Merciful". I may say it to you in English also, that you know English. I know also. Recite, say it even in this form and your life will turn different.

O Lord, forgive us. We are left without a Master. Send us a Sultan. We want a Sultan so that when you look at his face you tremble. Sultan should not be like yourselves. Our Lord will send such a Sultan. Bismillahi r-Rahmani r-Rahim. O our Lord! May You give health to our bodies, give joy to our thoughts and mind. May You grant Nur to our hearts, barakah to our every work. May our life and death be clean. May we come up to Your Divine Presence clean. Bismillahi r-Rahmani r-Rahim. When the Angel of Death comes to take your soul he says Bismillahi r-Rahmani r-Rahim and takes. Your soul will leave your body one day, the angel of death will come. The Angel of death coming says Bismillahi r-Rahmani r-Rahim. When he takes your soul saying Bismillahi r-Rahmani r-Rahim your exit from dunya will be in such a comfortable way, it is such a wonderful state which is impossible to define. The people who sink into dunya and became pressed, their souls are taken by force, by pulling and hurting. But it is too late for him anymore, he didn't say the Bismillah.

O our Lord! May You make us from those who don't forget the Bismillah. May we say Your Ism Al-Jalil and our troubles go away. The hardness in us may go away. May You dress on us from the treasures that are in the Ka'aba: the dress of faith, the dress of Islam, the dress of honour, the dress of joy, the dress of blessings, the dress of knowledge, the dress of softness, the dress of

servanthood, the dress of familiarity O Lord! May You not make us from those who are squeezed and pressed in dunya. Bismillahi r-Rahmani r-Rahim. Forgive us O Lord. Forgive us O Lord. We are left astonished. Anta Rabbu-l Jalil. Rabbu-l Jalil. There is no end to Your Magnificence. Forgive us O Lord. May You send us from Your servants who will show us Your beautiful ways O Lord.

They say a rock (asteroid) passes by the earth. Whole world is in panic for two days. Why? A rock which is the size of a fist passes by. All people are in panic. Why should you panic? "Bi haqqi Bismillahi r-Rahmani r-Rahim, for the right of the Bismillah O stone, don't come towards us but turn back in the direction from which you came". If a wali, servant of Allah, says this, he can return and throw it to that side. Now people are left all bewildered: "What will happen to us?" Accept Allah and goodness comes to you. Accept His Prophet (sas), praise and love him, your dunya as well as your akhirah becomes prosperous. If he says "Bismillahi r-Rahmanir-Rahim, bi haqqi Bismillahi r-Rahmani r-Rahim, turn back in the direction from which you came" it turns. For this "Bismillahi r-Rahmani r-Rahim. O our Lord, may You grant us health and wellness from Your Generous Grants. Grant us the power of faith. Make us far away from the ugly acts. May we not become ugly". Everyone wants to look beautiful. They put makeup, wear fashionable clothes. Beauty is not with these. No. Beauty comes down from the Heavens. Raise your hands to the Heavens and say "O Lord, make us beautiful. You are the Most Beautiful One. Send us a speck from the Ocean of Beauty and we look beautiful to You O Lord". The wives of these people strive to look beautiful for the people outside. These ones drew away from humanity, they became disobedient to their Lord and denied the beautiful life. Their appearance is as men but they, themselves became shaytans. They turned into such a herd.
May Allah forgive us. May He send us His holy servants who will show the right way for us. O Lord, forgive us. Wa min Allahu t-tawfiq.
Fatiha.

## The good taste of life comes with servanthood!

Ohhh! Audhu bi-llahi mina shaitani rajim, Bismillahir Rahmanir Rahim! We are asking every support, because we are living in a time it is so difficult time; perhaps from beginning of mankind on earth up today it is never seen such a difficult conditions, difficult life and heavy burden on people! Whole people that living through East and West, from North to South, they are suffering. We may find people that they have everything, but news... that it is a Fitna, very bad instrument that mankind they are inventing such an instrument!

I was on my 12 years old from my age and first radio that means 1933 or 34, that means should be now 7o years, 75 years- with my father I am going to a friends office. The first radio, only one through Nicosia, through Turks. And I was listening, hearing that there was a big box- not like this, big box, one person can't carry it. Opening some buttons and beginning to speak. I am asking: "From where this?" They are saying: "From Turkish coming this, Turkish language", and we were so surprised.

And then the owner of that radio was saying to my father that: “This is now not so clear, this instrument, but they are trying to do another instrument. Now we are only hearing, but that instrument, that they are trying to make it, you should see person, that speaking!” “How it can be?”

Really after ten years, after the End of Second War, this TV, television, we heard that they made such an instrument, as I heard before: you may look and see that person speaking. And first one of our friends from Turkish people. Government making a station for sending (and) he bought such an instrument. And it was 1947, that means 60 years now, first I am, they are inviting me and I am going Nicosia. “What is that?” “From atmosphere coming and now this instrument taking that pictures and showing people...” Subhanallah! Now technologia, technology, just reaching to a point that they are doing small boxes, even through veins you may look, making like this... and you are looking and seeing so many things!

From some sight it was so wonderful instruments. People they were happy to see such a things. But now it is going to be (the) center of sorrow of people, because every time you are making this command, coming something that injuring your heart and giving to you troubles and from that views that you are looking and seeing, making you to be sorrowful. Therefore I am saying now whole nation, whole people, they are in sufferings. They are suffering, for what?

Everything happening through East to West; from every kind of bad things, we are looking and affecting onto you. Even you can be richest one, you can be King or Queen or President or any kind of peoples ranks, but you are not happy, because when you are looking and seeing that people just killed through bombs and through missiles, homes destroyed, people on ways, small ones running away and coming on them bullets,

killing them, no eating, no drinking, you are injured through your heart, you are going to be full with sorrow!

Therefore I am saying that from beginning up today, earth never reached such a conditions that everything making them to be full with sorrow! And people mostly they are saying or asking not to see, not to hear such a sorrowful news. News making people to fill with sorrow, therefore now people are not happy through their lives. And they are drinking so many wines and such a things that making them to be drunk, because drunk people they are never getting some sorrow through their hearts; they are thinking that- they are using that and they are saying: ”Nothing, everything is okay!” They are running to spend much more money for wines and such forbidden drinks, to make their minds not to think, not to be sorrow. When they are coming back they are saying: “Ohhh, we are falling in Hells!”

And people now they are living in Hells: Americans, Russians, French, German, Italians, Turks, Arabs, Chinese, Japanese, from East to West, from North to South everywhere that instrument giving trouble to people and making them not to taste the good taste of life. And good taste of life only going to be with servanthood, but they are thinking that the taste of life with drinking and dancing and using drugs. And coming from bad to be worse, form worse to be worst conditions on earth- everywhere! Everywhere, even most, never improved people through jungle, through Africa, America, people, they are going to be affected and they are trying to make themselves to enjoy, but no more enjoyment for mankind now, finished, because they are thinking that enjoyment with drinking and using drugs. No! That making them to be in worst conditions! And now people the area of Hells, no more pleasure on earth now, finished!

Because people thinking today may be in Lebanon, tomorrow may be in

Cyprus, after tomorrow may be in Turkey, after tomorrow may be in Europe or in Asia or in Africa or in America... (but) everywhere now, look, no sun! No sun shining, everywhere just closed by clouds; clouding, you can't see sun, that sun giving people hope of life and giving to them pleasure! Sun is sad now and the sun that giving people pleasure, just under clouds, entering through dark darkness!

And people now they don't
know where they may run away, to save themselves, they are shouting everywhere: "SOS, save our souls! Save our souls!" They are thinking that this body is their soul. No, but they are asking to save their material being, physical being, not asking real safety and real pleasure that should be, if their souls going to be free from this conditions. They are not thinking on it. They are trying that: "We must look to make our physical being in pleasure" and now that door just shut down, closed!

Now people on wrong way giving much more darkness this world and they are not thinking that real pleasure only with heavenly aspects. They are never thinking on it, no, and that is a punishment that the Lord of Heavens, threatening people: "O people, I am going to punish you, when you are escaping, not obeying through My heavenly Orders! You should run away to find pleasure and it is impossible to find a place, peaceful place, no, you may go to Mecca Mukarrama or Medina Munawarra, even there that shaitanic instrument on work through streets, through homes and they are taking their share from darkness and troubles and suffering even they are living in most holy Places!

And you are looking Palestine, that holy Place, river of blood running there. It is not Allah Almighty's Order to kill each other; those places only for people to ask pleasure to make Allah Almighty pleased with them and Allah Almighty giving to them pleasure, peaceful life.

O people, you are on wrong way, leave that technologia, run to nature! You are running away from nature and Shaitan making you to fall in Hells, here, before second life.

We are asking forgiveness! Forgiveness. Therefore I am saying ‘As-salamu alaikum, as-salamu alaikum! Ask peace, ask from Allah Almighty Pleasure, ask from Allah Almighty Mercy and Blessings! Everything that mankind doing now, carrying on them cursing.

O people, don’t run after Shaitan; break down everything that belongs to technologia and run to Allah Almighty’s holy Places! And holy Places may be through East and West that you are doing your building for the honour of the Seal of Prophets, to be humble servants for Allah Almighty and thankful servants to your Lord Allah Almighty. You should be saved; you should be here and Hereafter in a peaceful life, enjoyful life! When you are making Allah Almighty to be pleased with you, He is making you to be in pleasure and pleased.

But people never understanding. Never understanding; understanding only language of Shaitan; never asking to understand the language of Holy Books, particularly the Seal of whole holy Books, Holy Quran, that showing every good way for mankind. But they are like wild animals, they are kicking holy Quran and running away, but they are falling in traps of Shaitan.

O people, think on it! Allah Almighty not making Quran Karim to be a book (that) you are saying story book or Roman... Victor Hugo, Roman, writing; Shakespeare writing Hamlet, French Lamartine writing some... they are Romans, Allah Almighty not sending to you Roman, Allah Almighty sending to you holy Book from Heavens to reach pleasure here and Hereafter, but people running away, kicking, like wild animals, kicking

and running away. Aina mata? Where are you running? Where are you running? So many nations that cursing coning from Heavens, they are running away and Angels asking, shouting to them: Aina mata? To where you are running? Run to your Lord's shelter. His Mercy Oceans may shelter you, nothing else!"

That is. Therefore we are beginning for our humble meeting what coming to my heart to speak on it. It is important. It is, I am addressing first to my ego and second to whole people: Keep you way, ask your Lord's Pleasure, try to make Him pleased with you and He makes you pleased- here and Hereafter!

May Allah bless you and grant to you eternal life. Ohhh, eternity, eternity!... Everyone knowing that tomorrow we are leaving this life and everyone running to take much more material from this life. They are on wrong way! Be for Allah and do everything for Allah, you should be happy and in pleasure here and Hereafter!

O or Lord, forgive us! We are asking Your Forgiveness, we are asking that You may bless this Ummah, the nation of Muhammad sws, most honoured servant, most praised servant, for Allah Almighty, S.Muhammad sws, Fatiha!

## Good Tidings for Those Who Did Their Best

Madad, madad, madad, madad, madad, madad, madad, madad, ya Sahibu' l-Waqt, madad! Allahu akbar, wa lillahi 'l-hamd! Subhanallahi-l `Aliyu-l `Adheem.

As-salaamu `alaykum, ya haadireen (attendees). O our attendees! The Last Day is approaching and people are running away. But we are believers for the Last Day, (so) be ready for the Day of Judgment. As-salaamu `alaykum. Welcome to you, who is asking from their Lord's rahmah, their Lord's blessings, welcome. Keep the right way and you should reach Blessing Oceans, no doubt! Day by day we are getting weaker. O People! Listen and obey and try to be obedient servants.

O our Lord, forgive us! O our Lord, You are sending Your beloved, most beloved, glorified and honored servant to Your creation. He is not only for Mankind, he is also for every creation. Without his way nothing is coming to existence. Every creature is coming through the way of the Seal of Prophets, Sayyidina Muhammad (s). (Mawlana stands) As it is mentioned through holy books, the Lord of Creation, Lord of every creature, was saying, "O My most beloved and honored and glorified one! If I am not bringing you in existence, I am not bringing anything in existence!"

We are Muslims, Ahl as-Sunnah wa 'l-Jama`ah, for whom the Seal of Prophets (s) said, "When the Last Days

are approaching, my nation is going to be divided into 72 branches; 72 different (kinds of) ideas they should carry and they are going to say: 'Our ideas or our knowledge only is true and others they are on wrong ways.'" That is something they are claiming, and the judgment on their claim should be on the Day of Resurrection, on Judgment Day, yes!

People, now only a quarter of a century remaining for coming of the Last Days, to come the Day of Judgment, Yawm al-Qiyamah. Then the books for this planet are going to be closed down, finished. Just the last one's (Prophet's) name written; just he came in existence, no more new names; that is the Last One. The Seal of Prophets (s) was saying that his nation is going to be on 72 different ideas, different thinkings, different practicings, against what the Seal of Prophets just brought and taught to his Ummah. Now on Earth there is only one Ummah; no more for Sayyidina Ibrahim (a) or Sayyidina Nuh (a), Sayyidina `Isa (a) and Sayyidina Musa (a) and others. No one now on this planet, only Ummati Muhammad (s). (Mawlana stands for honor of Prophet [s] and sits.)

That is going to finish when the trumpet is blown. As when you were at school, there was a doorkeeper (Mawlana blows his whistle), and that means (school is) finished. That trumpet when blown (everything will be finished)! Now, some small `alamaat (signs) coming, like this, (Mawlana blows whistle weakly). (But when the) big trumpet (is blown, it means): Ya Allah! Tawbah, astaghfirullah! All of us are on way now. A special angel on behalf of Sayyidina `Azra'eel coming for everyone. He has countless helpers. He is coming for some special, true people. For people like ourselves he is sending some helpers, making like this, falling down.

Now this world is going to its end; life is going to end. Tooba, good tidings and happiness for those who did their best through this life. And their soul will just be taken or carried from their bodies so gently (and that angel will invite), "Come, please come to your Lord's Heavenly Presence." Who should be there in Heavenly Presence? Sayyida 'l-awwaleen wa'l-aakhireen, Sayyidina Muhammad (s)! (Mawlana stands for honor of Prophet [s] and sits.) For some-ones, angels are giving good tidings, "The Seal of Prophets (is) waiting for you!" They should be in his heavenly presence. Some-ones who were on the right path, following the Seal of Prophets, will be told that, "You are a blessed one, go now to reach the most blessed one on your heavenly level, to be there." Tooba lahum, biggest good tidings!

O People! Day-by-day we are getting to be melting. I was once in a tourist ship. My masters were making me

to be there. I was with Shaykh Hisham, taking me there on a big ship, (and the) youngest one of those people was like me, 30 years or 40 years, double 50! (laughter)

(Mawlana mimics a conversation)

“O my darling, you are looking where?”
“O my darling, I am looking there is a pool, a strange beauty and dancing, and I was asking if I can be for that young one? I am now 90 years; so quickly passed my life years. What I am looking and seeing so beautiful, but I can’t reach... “
“Where it is, O my darling?”
“There! I am in need a telescope to see where is that one....”
“Just in front of you! I may change my eyeglasses, but I never see....”
“Doesn’t matter....”

Then it was early morning and that ship making a tour and coming in evening. That old one coming to see and look once again, and looking:

“Where they are taking? Might be such a raees (leader, chief) may carry, but not anyone else can carry that one! I may ask to him: ‘O my friend, I was looking early morning such a beautiful figure through there.’”
“Hearing?”
“A little bit I am hearing.”
“What happened? Anyone taking it away?”

And raees ul-ashair was saying, “How old are you? I am reaching to 99 and how old are you?”

“I am yet 97.”
“Doesn’t matter!”
“What happened, who taking that?”
“O my clever friend! It was ice, but making a beautiful shape to enjoy, me and you.”
“What happened?”
“Just melted!”
He was crying, that one, “Ahhh, so beautiful and just melting!”

O people, what I mean to say, day-by-day also we are melting. We are melting! We are not same as yesterday and tomorrow it is not going like today. We are melting and one day Allah, Allah, Allah! People they never thinking on such a things. Whole peoples ideas to reach to that, to reach to that, to kill that, to destroy that, to burn this! That is not human's characteristic, that is beast's characteristic! But what we are saying? All nations, including Muslim world, they are not listening daily to naseehat (advice) of the Seal of Prophets (s). Never listening! And now a heavy cloud coming on Earth. SubhaanAllah, Holy Qur'an mentioning everything!

When Allah Almighty was asking to punish the Children of Israel because they bowed to (the golden) cow, He ordered to kill them - (the) innocent to kill those accused ones. When they were looking and their relatives going to be killed, they were very sorry, and some of them, their hands can't be able to. Then Allah Almighty sending a black cloud and day going to be night. And they were killing those whom they worshipped (the golden) cow, until Maghrib time. Sayyidina Musa (a) and Sayyidina Haroon (a) were bowing to Allah, saying, "O our Lord, give Your Mercy for remaining ones, or the Children of Israel will just be finishing!" and that this cloud was getting away.

Now whole world is in such a way. We are not looking and seeing that black cloud, but we are just on it. Therefore, people making themselves like human bombs and getting through people and killing so many people. They are in such a (wrong) way and divinely revenge waiting for them!

O People! O Israel people! O Palestinian people! O Urdun (Jordanian) people! O Syrian people! O Iraqi people! and others and others! Open your eyes and look what is informed to nations through holy books - to be in safety here and Hereafter - or that cloud coming down and there will be punished not millions, but billions!

May Allah forgive us, for the honor of the most honored one in His Divine Presence, Sayyidina Muhammad (s). (Mawlana stands for honor of Prophet [s] and sits.)

Fatihah!

## Good Tidings for Believers

(Mawlana stands)
Yaa Rasulullah (s)! Dastoor yaa Sayyidee. Dastoor yaa Rasulullah (s).

As-salaamu `alaykum. O People, Muslims or non-Muslims, Christians and Jewish people and everyone. We are all from the same tree, but different branches and different fruits. And the Lord of Heavens is just planting that tree on this world for people to be happy here and to make their Lord happy with them forever.

Allahu akbar, Allahu akbar, la ilaaha illa-Llah, Allahu akbar, Allahu akbar, wa lillahi 'l-hamd! Anta Rabbuna, anta Rabbuna, anta Hasbuna, anta Waliyuna, anta Mawlana. La shareeka lah, no partner for You. You are creating everything. Whoever is claiming that You have partners, all of them are no-mind people, and their (mental) levels are under levels of animals.

We are giving our most high greetings to Your most beloved and glorified and honored one through Your Divine Presence, Sayyidina Muhammad (s). Alfu salaat, alfu salaam `alayka ya Sayyidi 'l-awwaleen wa'l-aakhireen, every minute in every second and every time that we can reach it to be on you, yaa Rasulullah (s). Yaa Habeebullah, yaa Nooru `Arshillah. Allah, Allah. Nooru `Arshillah. Despite the Wahabbis and Salafis, Rasulullah (s) is Nooru `Arshillah.! We have been honored in such a way.

(Mawlana sits)

Hayy Hayy Hayy Hayy 4x
Hu Hu Hu Hu Hu 3x
Hayy Hayy Hayy Hayy

O our Master, Master of this planet, Master of dunya, Qutb of dunya! Support us to address our Lord's servants. Look to us, and give Your heavenly support. If You are giving Your heavenly support, You can carry this world through Your hands; ten more also, a hundred more also. O Qutb, the pole of this planet, can carry hundreds and hundreds of such planets, as we know from knowing people that the solar system is under one Master's command. Fa maa dhalika `alal'Lahi bi-`Azeez.

I am surprised at everything that we can't be able to understand. Adab of servants is to say, “Why not?” This may be by a comparison of our thinking or imagination of power, that is something impossible. But if you are thinking, qudratullah, endless Mighty Oceans of Allah Almighty, it is nothing! If He is saying to one servant to carry the solar system, can't it be? How are you Muslim? How are you saying, innahu `ala kulli shayin qadeer - that our Lord can do everything? If I am saying that one person is carrying the solar system, either pulling or pushing, it is okay!

As-salaamu `alaykum our beloved listeners! Some of you are very happy; some are friends of Shaytan and they are getting angry. It doesn't matter. If they are getting angry by Shaytan's order, then Shaytan is going to hells. But whom are happy when Allah Almighty granted one deputy to carry the solar system, pulling or pushing, that is just an acceptable servant whom Allah Almighty is giving that one capital. (Allah Almighty is saying,) “Well done. You are thinking well, you are saying at least My maqdarah (ability, power). I am happy with you.” Yes, you can carry the solar system.

If it is going to be too much for some people, I may say that holy one, one real servant, may carry our galaxy or Milky Way. You know? Did you never hear about the Milky Way? In the summertime you are going to see so many millions or billions of stars just spread in the skies. This they are saying, our galaxy, we are not objecting on it, no, doesn't matter. You are saying that you are belonging to the solar system and in the solar system is one of the stars of our galaxy, and is well known as the Milky Way galaxy. If someone is a weak

servant like me, and saying “I believe”, because it is a moving galaxy (and) not any galaxy is fixed. No one is saying that one galaxy is fixed on its position through the heavens. They are moving, yes. If one of the deputies of the Lord Allah (swt) may say to that galaxy, “Stop!” then it is going to stop, because a real deputy's order is his Lord's order, and it must stop!

O mu'mins, believe! We are not playing. Give more distance for understanding realities in Islam and what the Holy Qur'an is bringing. Allahu akbar, Huuu may stop it; He may be like a traffic police. If He is saying to another gigantic galaxy, “Slowly, slowly, slowly,” until this galaxy may get on its way slowly. And saying to the second one, “Slowly, take a little bit slowly, leave way, give way this,” it is in a hurry to reach on its limit, last limit. “What is its last limit?” some clever ones may ask. Any limits? How are you Muslims? How are you mu'mins and you are saying this? Any limit for a galaxy? How you are believing in God, Allah Almighty? O Believers! You must believe that everything, physically or spiritually, is in limits. Unlimited is only for the Creator, Allah Almighty, but everything has a limit. Therefore, that qutb may say, “Stop!” and this galaxy must move to reach its limit, yes.

Allahu akbar. Maa `azhama shaanak yaa Rabbee. Allahu akbar maa `azhama shaanak. O our Lord, maa `azhama shaanak. Subhaanak!

Sometimes granting to me some, that you are calling haal (spiritual state), giving. I can't carry myself; I am getting full because they are making me to speak on ilaahiyaat, which means that it belongs to Allah Almighty's Attributes. Everything has a limit. Where is it ending? Their limits are ending through the dominion of endlessly oceans, unlimited oceans. They are running to that oceans, which is unlimited. It belongs to the Lord of Heavens. They are running to those oceans. When they are reaching, they are finding what they are asking for. That is something that great masters know - we don't know, yes. A raining running through space, running to reach. If we are bringing an example, when there is a heavy rain on mountain, rivers beginning to run, running, running, running until they reach the ocean. When coming in the ocean they become silent; they found what they were asking. They are in no more struggling, no; they are reaching the ocean and sleeping, and taking their rest. That is their matloob, last aim for them, to reach to the ocean. SubhaanAllah! Yaa ayyuha 'l-insaan innaka kaadihun ila rabbika kadhan fa mulaqeeyah, sadaq-Allahu 'l-`adheem.

••• •••••••• •••••••••••• ••••••• ••••••• ••••• ••••••• ••••••• ••••••••••••

Yaa ayyuhal insaanu innaka kaadihun ilaa rabbika kadhan fa mulaaqiyyah.
You, verily, O Man, are working toward your Lord a work which you will meet (in His presence). (84:6)

Just Allah Almighty giving a real explanation for everything. Ayyuha 'l-insaan, O My deputies that I have tashreef, honored to be My deputies! And when you are dressed in that honor, you are asking to reach to My endless Dominion Oceans. Therefore, so many astronomers are saying galaxies are running from one direction to another direction. Running, but they may say only by looking and new galaxies are appearing. And for a while they are running, after which they disappear. Everything comes from Allah (swt) and returning to Allah (swt). That is a very smart, very beautiful description. We are giving a description that everything coming from oceans of the Lord's Dominions, Existence Oceans and they are running to reach back to those Unlimited Oceans for Allah Almighty's divinely Dominion Oceans. That is a very important subject that I don't know if pope heard about it, or Muslim `ulama living now understanding such very fine points, or if rabbis are understanding such meanings.

May Allah (swt) forgive us and forgive me. They are making me to speak on it. I don't know, but they are making me to speak. They are giving. It is not my thinking. I am not thinking and imagining and saying, “You must believe in God.” O People! Sometimes the Lord of Heavens is making the weakest creature for frightening you, yes. Now the whole world is trembling from fright. For what? Pig flu! It is making people to tremble. Yes, He can do everything. What about a deputy? If a pig flu virus is making whole nations on this planet to tremble and to be frightened, what about that qutb and holy ones who are servants of heavenly levels? What can they do? Use your minds and try to understand heavenly wisdoms, O People! I am sorry to say, including myself, whole people their interest is only for short-time pleasures on this planet and it is not our real aspect from our Creation and to bring in existence. O People. Allah Allah, Allah Allah, Allah Allah, Subhaan Allah!

As-salaamu `alaykum, O People! Allah Almighty's endless Power Oceans, endless bahru 'l-qudrah, bahru 'l-`azhamah, endless oceans of mighty, to be mighty. O People, if it was in limits, Man would pass away quickly because they should feel that they are in prison, but now they are saying endless Mighty Oceans, endless Rahmat Oceans, Mercy Oceans, Blessing Oceans for our Lord. They are feeling freshness or freedom for their

souls, and their minds are going to be full with heavenly lights.

O People! You are wasting your time, wasting your precious lives and leaving this life and going back and knowing nothing. That is the biggest blame for Mankind! Therefore, time is over now and the Lord of Heavens is asking to prepare their minds, or prepare their understanding to move a little bit for understanding big realities, endless Reality Oceans. Allahu akbar, Allahu akbar, Allahu akbar! Limits, there must be limits, unlimited position are only for the Lord of Creation. Everything, they are in limits; know it! But the Lord of Heavens is asking to grant to chosen servants another position through another worlds or dominions and oceans, and that is the biggest good tidings for Mankind! And the Prophet (s) calling, “O People, come. Come to me, come to me. I am making you to reach to such a positions and beings that no one saw it before, no one heard it before, and no one tasted it before. I am giving you unexpected and unknown and endless mighty beings dominions oceans!” Biggest good tidings!

O People! Try to move to heavens or you are going to be a handful of dust finally, never understanding and never tasting. They may taste something also, but their tasting is never going, as man zaaka arab, whom are tasting here. Whom are not tasting here, not going to be like those tasting here. Their dominions and oceans (are) another, cheap; and dominions and oceans of those tasting, expensive. Run after expensive treasure, endless treasures in the Divinely Presence.

O our Lord, forgive us; we know nothing! Our Lord, give Your mercy and forgiveness for Your weak servants. I am the weakest one, O our Lord.

Allah Allah, Allah Allah.
Dome dome dome dome 4x

Allah Almighty is saying, fulki 'l-mashhoon. Our `ulama must know, must look. What does it mean, fulkil mashhun? Now we are on fulk, like a ship, full with every kind of Creation, that Allah Almighty is saying, Wa hamalna dhurriy-yatahum fi 'l-fulki 'l-mashhoon.

••••••• ••••••• •••••• ••••••••• •••••••••••••• ••• ••••••••• •••••••••••••

Wa aayatun lahum anna hamalna Wa hamalna dhurriy-yatahum fi 'l-fulki 'l-mashhoon.

And a token unto them is that We bear their offspring in the laden ship. (36:41)

To where? Think on it Wahabi and Salafi `ulama, think on it! What does it mean, fil fulkil mashhun, shufu unzuru qutubut-tafaasir. Don't speak through your mind productions, no. Look at prophets, `ulama; look and try to understand. Don't use your days, your lives (to say), “That is haram, that is shirk, that is bid'ah.” Akbar bid'ah, that you are taking balance through your hands and saying, “That is a kafir, that is a mushriq, that is harami, that is bid'ah.” Who is giving you that balance into your hands? Tell me! Ibn Taymiyya or Qaymiya giving to you that balance? They are not knowing and believing that balance is in the hands of Allah (swt)? You are mushriqs! You can't say for anyone, “That is a kafir,” or “That is a mushriq,” or “That is bid'ah!” Allah (swt) is only ahkamu hakimeen, you are not ahkamu hakimeen, astaghfirullah!

Allah Allah, Allah Allah
Dome dome dome dome 4x

Let us, O our Lord, to hear the angels glorifying to Your Mighty Existence! They are saying and singing, “O our Lord, O our Lord, O our Lord, O our Lord, forgive us. Forgive us, we are knowing nothing and we are so useless servants! Forgive us, O our Lord. For the honor of that one, whom is the best one in Your Divine Presence Sayyidina Muhammad (s).”

Fatihah. (46 minutes)

As He likes. O yaa Rabbee. Okay? As-salaamu `alaykum, O people. Make du'a for me. Allah, Allah. Thank you for your listening. Fatihah.

## Good Tidings for Those Who Seek Knowledge

(Mawlana Shaykh stands.) As-salaamu `alaykum wa rahmatullahi wa barakaatuh. Madad, yaa Rabbee. Madad, yaa dastoor yaa Sultan! Laa ilaha illa-Lah Muhammad Rasoolullah, `alayhi salaatullah wa salaamuh. A`oodhu billahi min ash-Shaytaani 'r-rajeem. Bismillahi 'r-Rahmaani 'r-Raheem. Laa hawla wa laa quwatta illa billahi 'l-`Aliyyu 'l-`Azheem. (Mawlana Shaykh sits.)

O our Grandshaykh (q), Yaa Qutbu 'z-Zamaan, the pole for this dunya, everything is now under his control, (without which) nothing can come through this world. If anyone wants to do something without asking permission or asking support, they cannot do. If not asking a grant from Qutbu 'l-Mutasarrif, who is looking after everything in this world, nothing in this life or on this planet is going to be suda, aimless (wasted), no. It is impossible, to act and to bring something by itself, by himself or herself. Because we are now looking with our eyes, looking and seeing that everyone is free - going, coming, doing everything, must be independent! No, can't be. Everything must be controlled, even atoms must be under control; if no control on an atom it cannot be in existence. Diqaa (carefully consider) amrun daqeeq, this very precise issue that is so difficult for people to understand, because everyone is going to say, "How an atom must be under control, or that it can't do anything without reaching and asking for permission?" When you are saying this people thinking how it can be, but they are not asking how atoms are in existence. When saying that every atom is under control, it is

too big for no-mind people to understand! Yes, atoms are moving, and if doing something, it can't be doing it by itself. No, it must be controlled. Therefore, everything must be under control from beginning to end. Atoms are under control; if there is no control then there is no life and no death.

We are asking humbly from that one, who is responsible for controlling everything on this planet. No one can ask how it is going to be under one person's control. That is something that does not belong to me or to you, it belongs to the Lord of Heavens. He created and He appointed one on this planet, saying, "You are responsible for all things." Finished, just granted that one power at the same time. Therefore, I am sitting here and saying, "O my Master, they are asking forgiveness and a grant from the Lord. You have been given something to know, to understand, to live and to live life. Also we are asking ..." And he is on that position (to grant that to us).

Salafi `ulamas, la hawla wa la quwatta, it may be very big thing for them. I am a simple person, a weak servant, but they are making me to speak, I don't know. Coming now a sign from heavenly revelations and saying, "Ask to them," what I am asking to Salafi `ulamas. Maybe this is going to be too big for them. (They are asking,) "How can it be a person to do everything and have everything under his control? How can it be?!" Oof! You are `alim? You are Salafi `ulamas and not understanding what the Holy Qur'an is saying? What does the Holy Qur'an say? Allah Almighty is saying on behalf of Himself, ayatu 'l-kareemah, the noble verse:

•••••••• •••••••• ••••• ••••••• ••••••• •••• ••••••• •••• •••• •••••••••

Innamaa amruhu itha araada shay-an an yaqoola lahu kun fayakoon! Verily, His Command, when He intends a thing, is only that He says to it, "Be!" and it is! (YaSin 36:82)

This point that brings proof, they (Salafi `ulama) are not understanding; they are thinking what is happening on this world is through our will, as they like nothing showing something from Allah Almighty's Greatness!

The Lord of Heavens is asking for one thing from His servant (the qutb) to control everything on this planet; he has been granted an attribute that belongs for people. The Lord of Heavens is giving one attribute never granted to angels, that tameez, distinguished attribute, that Allah Almighty granted only to Mankind. What is that? Willpower! Willpower was never granted to angels. It is not granted to angels and other Creation don't ask, never given except to insaan (human beings). Therefore, we have that honor, Innamaa amruhu itha araada shay-an an yaqoola lahu kun fayakoon! Take care on this point! That is an endless Knowledge Ocean

on which you can't find a shore or an end to its depth! This is granted from that divinely attribute for Man, because they have been selected to be deputies. Allah is saying khalifatan (plural), not saying khalifah (one, singular).

•••••• ••••• ••••••• •••••••••••••••• •••••• ••••••• ••• •••••••• •••••••••

Wa idh qaala rabbuka lil-malaa'ikati innee ja`ilun fi 'l-ardi khaleefatan..
And (remember) when your Lord said to the angels, "Verily, I am going to place on earth one who shall inherit it." (al-Baqara, 2:30)

O Salafi `ulamas! You must try to learn that you know very little. You need some more preparing for your soul and for your physical being for understanding. It is not that you are knowing nothing; you must try to know the way of knowledge through understanding. Therefore, if you are objecting on that point how it can be a person, one person, from Mankind...

(Missed five minutes from crash)

... so many doctors who are learning from European academies are saying, "The Seal of Prophet (s) is like us. That revelation now came to him and he did his mission, finishing and going away, so that we and the Prophet (s) are on same level." What is that? That is biggest wrong and also no adab, good manners. He (s) is such a one that no one can know! Prophets may know about the creation of Adam (a), but no one is (truly) knowing about Adam's (a) creation, which is different from others. SubhaanAllah, glory is for Allah (swt) that everyones' beings are so different.

It is also most high level only for one to be in Divinely Presence. Whole other ones, their levels no one can accept, because divinely levels are only for ahadun ahad, only for ahad, must be only one ahad. In that presence there can't be two! Allah is waahidoon, Allah is ahadun, and Allah is ahadun wa 'n-nabi kadhaalik (and the Prophet is) also! He is One; can't be two there for understanding from deep realities of the Lords' Existence. Ahadiyyah (Absolute Unity of the Divine Essence) is only for one. Waahidaniyyah is the level of heavens people may run in, and there they may know about something about what we have been granted; to run in it seven levels, no more. We cannot carry more than seven levels and seven levels finishing and endless levels of Divinely Presence beginning. No one can step on it except one, Sayyidina Muhamad (s)! (Mawlana

Shaykh stands and sits.) Therefore, the most honored one, Sayyidina Muhammad (s) was granted Sidratu l-Muntahaa, last point anyone can reach. That is Jibreel's (a) level; after that he cannot move anyone else there.

O People! You must try to understand something for our Lords' greatness so you can reach more lights, more enlightening, that will be on your level. Endless oceans! Allahu akbar! Once we were discussing that one person looking after this planet. This huge space is also under ones' control. This world that no one knows the beginning of the universe or end, no one knows what "we" know about our dunya and what that one is controlling. One is enough for us! Then other creations through countless levels, through seven levels of heavens, how many beings, how many creations filling them no one knows! (Mawlana Shaykh stands.) Allahu akbar, Allahu akbar, Allahu akbar, wa lillahi 'l-hamd. (Mawlana Shaykh sits.)

O People! Don't try to claim, "We are Salafi `ulama," no! Leave it, but try to be a student, kun taalib, be a seeker, a student.

••••• •••••• ••••••• •••••••

wa qul rabbee zidni ilmaa, And say, 'My Lord increase me in knowledge.' (20:114)

That is now for the Seal of Prophets (s), but you must take from him. You must ask for an `alim that has ahaata, surround (encompass) whole Knowledge Oceans. Leave that (believing you are an `alim) and try to be a student! A student is always trying to learn every time something new, now that we are looking now on our planet, where Allah Almighty's (swt) Creation is going on endlessly. You will be happy when reaching from one Knowledge Ocean to another, toobaa lakum, "(Rejoice at the) good tidings," for those who are running to learn more from their Lord, because to learn much more will give much more power to be ta`zheeman, glorifying Allah Almighty! That is the weakest servant, so don't say, "We are `ulama." Try to be students, asking for more and more and more knowledge, as that gives you so much pleasure that you cannot imagine!

May Allah (swt) forgive us.

Allah Allah, Allah Allah, Allah Allah, `Azeez Allah
Allah Allah, Allah Allah, Allah Allah, Kareem Allah
Allah Allah, Allah Allah, Allah Allah, Subhaan Allah

Allah Allah, Allah Allah, Allah Allah, Sultan Allah

Dome dome dome dome 8x

Fatihah.

# THE GOSPEL OF BARNABAS

When the Archbishop of Cyprus dreamt about the tree under which St Barnabas was buried and then found him there with his gospel, he was very happy and brought the gospel straight to Constantinopel, where the Pope was at the time. In exchange of that gospel, which the church did not want publicized, the Archbishop got an independent church for Cyprus. That was the beginning of the Orthodox Church. The original Gospel of Barnabas is in the library of the Vatican.

Barnabas was for Jesus like Abu Bakr was for Muhammad, may peace be on them. He was the youngest, but the most important one of all the disciples, because Jesus Christ knew that only his gospel would mention the reality of Jesus Christ and of the coming prophet. All the others disappeared and his gospel is still alive until today and is declaring the unity of God and the prophecy of the last seal of prophets. It denies everything concerning Trinity and crucifixtion. In the Gospel of Barnabas Muhammad is translated as Ahmed, as Paraklitos, the most respected person.

This page doesn't exist yet. Maybe you want to create it?

## Grandness

It is not really obvious who is what. Edeb Ya Hu! (Keep good manners, O he!) That's exactly what is needed. People have no manners. Youngsters in particular. They are not being taught manners and the older ones have forgotten their manners, too. They have lost respect. Marhaba! (Welcome!) We are asking permission. O men of Allah, we ask for support, O Sultan of Saints, we ask for support. O master of the spiritual domain, Shah Mardan. We ask permission. Your passionate love and enthusiasm are an ocean, a deep sea. Who takes a drop from that sea will flourish in this world, and find the eternal bliss of paradise hereafter. Welcome to you, in the assembly of Shah Mardan. Ahh...ahh...ahh.. As-salamu alaykum. Let's offer greetings of peace, it is the sign of believers. Animals have no speech, they don't say it. But to man Allah Most High has given speech. He made him His representative on earth. He gave him speech. As-salamu alaykum! O attenders, sitting at Shah Mardan's bounteous table, observing Shah Mardan's bravery, learning about it, asking for a portion of his light. Who takes a portion from his light, does not take light from other ways. A human being without light is like a pitch-black piece of coal. The only thing it's good for is to burn in the fire. Originally coal is wood. Our cabinets and chests of drawers are from wood as well. But wood which has turned to coal, is only good for fire, whilst other wood is suitable for any use. That means there are two kinds of human beings.
Let's listen to Shah Mardan. O beloved brethren of Shah Mardan, enter the assembly of the spiritual sultans. Welcome. Let's say, "As-salamu alaykum!" O beloved brethren of Shah Mardan. The sultan of the domain of true men, is Shah

Mardan. How delightful it is to sit in his assembly, to share in his exploits, his marvelous works and righteous traits. He has appeared, Shah Mardan. Ma sha' Allah. Bring him here into our gathering! Bring him here! Come, let's listen to what he'll be made to say, what he's ordered to proclaim. While mentioning the owner of the city of knowledge, the head of all creation, the pride of the universe, the beloved of the Lord of all the worlds - Hu - I like to stand up out of respect. I'd like to do it every time, if it wasn't for my weakness...

He provides training, teaching the ways of goodness in his court, Shah Mardan, he's waiting at the training grounds. After performing morning prayers if you can sit somewhere til sunrise, or if you don't have that much time be it in a coffee shop, at a shrine, in a tekke (lodge), or a caravansary, be ready! Don't go to sleep! Behold the majestic greatness of your Lord! Let them teach you the majestic Greatness of the Exalted, the Most High.

Let's say Bismi-Llahi r-Rahmani r-Rahim. Thanks be to our gracious Protector for letting us mention His Exalted Name. It is an honour granted to the Nation of Muhammad (blessings and peace be upon him). Bismi-Llahi r-Rahmani r-Rahim. It was granted to some prophets for a righteous deed, then it was taken away. The prophet Ibrahim (a.s) pronounced the Basmalah and the fire died down. The prophet Suleiman (a.s) pronounced the Basmalah and the throne of Bilkis, the queen of Sheba apparared. They were granted to use it once in instances of necessity. But our Kingly Messenger, the beloved of Allah Most High, our glorious leader Muhammad al-Mustafa (Allah bless him and grant him peace), we belong to his nation, the Basmalah was sent down for us and not taken away afterwards.

It was sent down for prophet Nuh (a.s) and he was saved. It was sent down for prophet Suleiman (a.s) and he brought Bilkis', queen of Sheba's throne. It was sent down for prophet Ibrahim (a.s), and he was saved from the fire of Nimrod. Say the Basmalah, o ignorant people, say "Bismi-Llahi r-Rahmani r-Rahim". To burn prophet Ibrahim (a.s), Nimrod mobilized the whole population. Not one tree they left on the mountains. "I will burn him at all cost", he said regarding Ibrahim

(peace be upon him). According to one report the flames that Nimrod kindled in Ninive, his place of residence, could be seen as far as Damascus. Such a huge fire he lit. For what? To burn the prophet Ibrahim (a.s), someone called Prophet Ibrahim (a.s).

With one match he might have burnt him. With one sign of his Lord, a single match would suffice to burn a man to cinders. But, according to the magnitude of Ibrahim's (a.s) mission, according to the awe-inspiring charisma by which he was dressed, Nimrod said, "He might be burned by a match, but his affair is not done with by a match." That is how great he was. According to the greatness he saw in the prophet Ibrahim (a.s), Nimrod gave his order. Whatever trees were to be found on the mountains, he had them cut down. He piled up a huge mount of wood. The blaze was the size of a mountain. The light of the flames could be seen from as far as Damascus. What was to be burnt? Something like a matchstick can burn a man. But that was not Nimrod's only aim. He wanted to burn that blessed person together with the religion and the true faith he had brought. Out of rage, because Ibrahim (a.s) had demolished and destroyed the idols, Nimrod said, "I will burn him in the fire." Yes, a match would suffice to burn a man. But he did not use a match, he lit a fire the size of a mountain instead . Why? Because prophet Ibrahim (a.s) was dressed in an awe-inspiring appearance. A man is not much more than a finger, one match would be enough to burn him. But Nimrod's aim was not only, to burn prophet Ibrahim's (a.s) physical body. It was Ibrahim's mission (upon him and our prophet be blessings and peace) he wanted to get rid of. Ala Nabiyyi Alayhi Salatu wassalam. It was the powerful call to believe in the divine unity of Allah, the Exalted, and the fact that he had destroyed the idols, they had been worshipping, thereby ruining the claim of their divinity for which Nimrod wanted to take revenge, so that he said: "I will burn him."
Some reports say they collected wood for six months, then the fire was lit. Its blaze could be seen as far as Damascus, in a traveling distance of forty days. Truly, man is only the size of a finger, an ox is about ten times his size. An elephant may have

the weight of a hundred men. But he doesn't have the same value. The real goal was not to burn the prophet Ibrahim (a.s), prophet Ibrahim (a.s) could have been burnt by a match. What Nimrod wanted, was to destroy the religion of divine Unity, which Ibrahim (upon him and our prophet be blessings and peace) had brought by the order of the Owner of heavens and earth, the Lord of the mighty throne the Exalted, the absolute Real One. Which had ruined his own claim to power. He did all this, to burn the Divine order Ibrahim (a.s) had brought.

What determines a person’s greatness or low position, is that some people are like gold, others are like dirt. Because of the gold Ibrahim (a.s) had brought his dirt had lost all its appeal together with the idols. This was the reason for his revenge, for his anger: "Why did he bring my dirt into that state? I will burn him, I will burn him", but in reality there was nothing to burn, because wood burns, but gold doesn't burn. O Shah Mardan, our distinguished master Sayyidina Ali (r.a). O glorious sultan Shah Mardan, Ma sha' Allah. Yah, yah, why are people rushing to gather behind him? People are trying to take some benefit.

Every day all these newspapers write "this person is such and such, that person is somebody, this one solves the problems, that one ruins things", foolishly spreading all these things. All of it has no value. The greatness awarded by newspapers has no value, my son. In the old days there was no such thing called newspaper. It's a new invention, as they say. In the old days these papers didn't exist. What do we need them for now? Look what wisdom Shah Mardan teaches! Why did they invent newspapers? To present false greatness to people. Goodness! you are all fake. Hey, your core is dung and your body is nothing but dirt. Your personality is only manure. Your greatness is all over the papers, printed by newspapers. The papers' greatness is not even worth ten cents. It expires today, tomorrow it's torn up and thrown away.

Real greatness is sent down for true servants from heavens. But fake greatness, is found in the papers. With plenty of pictures, titles and pompous display. When you look closely, they don't resemble anything. Pardon me, but he looks like nothing,

that French president and I don't want to talk about ours, they might get offended. Ours has lost all greatness, what greatness is there left? One can say that Sultan Abd al-Hamid possessed greatness, but the greatness of those who are awarded greatness by newspapers... Mehmet, my son, do you understand this point? The greatness of the 21st century, from where do its great personalities receive their greatness? The newspapers award them their greatness. Big fat pictures in the papers, "Well, he went there. Oh, he came here, and he did this, he did that. But in reality the one called great in the papers isn't great at all. As far as the greatness found in newspapers is concerned, - and I am speaking off the records - if you can't find anything to wipe your backside, you may use that paper. Whose photograph is on it? Whosoever's picture it may be. That is their position. Shame on you. This is a mankind which has lost its humaneness. They are beyond any description, beyond words, outside of humanity.

O Shah Mardan, may blessings and peace be upon you, coming from your beloved Muhammad al-Mustafa (may peace & blessings be upon him). How beautiful, how beautiful! They can't distinguish any more between beauty and ugliness, those people given greatness by the papers have become full of conceit. Every day the papers print those big fat pictures: "This is so and so." "Let's see, how does he look?" "Just like us." "Maybe he's got two heads?" "No." "Does he have four feet?" "No, man!" "So what? How many arms? Maybe forty legs?" "No my dear, he's got two legs." "Then what about his mouth?" "The mouth looks just like ours. "Whatever he finds, he eats, without distinction. They are people who don't know halal or haram." "So how can he be great?" "The people have cheered him and said, 'This is our leader.' The papers have made him great, printed his picture. So he became a great man." "How many meters tall is he?" "It is well known that the people of this nation are quite tall, so he's probably about two meters." Well, if he is two meters tall, who is very tall La yakhlu min al-habali (he doesn't lack foolishness) is affected by stupidity. He is very stupid. Some people who are short wear especially high heeled shoes to appear taller than they are. In our days all those who are considered great by the newspapers belong to this kind

of people putting high heels under their shoes.
These are the people who rule the world - absolutely blind! They're unable to control themselves, how can they reign over the world? That's how it is over there. This is the French one. Well, we are Turks. We run around barefoot anyway, our shoes are falling apart, we possess nothing, that's why we receive no attention. All greatness belongs to Allah, and honor belongs to Allah's Messenger (may Allah bless him and grant him peace!). Our master, did he have his picture printed in the newspapers? He ordered: "Don't portray me! I don't want greatness by being depicted." O glorious Messenger!
None of the sultans ordered to be portrayed so that people should see it,, they were not interested. It was the Europeans, who had their pictures taken, those men awarded greatness by newspapers. One of them was called Napoleon. What happened to Napoleon? He was a great man, they say. The man ending the Middle Ages, bringing a new age. How tall was he? He was about a meter and a half. He was a source of great affliction. What did he do? He murdered the king. But cutting someone's head doesn't make a man great. A lion in the forest may kill three or five animals, or how many he can find cut their heads, tear off their limbs and devour them, but he's still the same animal. An animal, that eats a lot, becomes bigger, but an animal has no honour, while the human being possesses honour. You are a human being! Don't look at those who are given greatness by the papers!
Now there is another punishment, another calamity, that thing they call television, it’s another calamity immersing people by displaying countless programs and shows. So this man is this or that. Does it really matter? Well, he is two meters tall, man, isn't that enough already? Another one, he is at a wedding, playing some string instrument. Allah Allah. He plays the strings. His father plays the drum, his mother is also playing around. Allah! How did he become great? The papers made him great. Now he'll give a speech at the local assembly. At the end he can't remember what he said at the beginning. they are passing him notes, "say this or that!" "Excuse me", he says, "yesterday’s fashion was different. Today we have to

play according today’s rules." It is just weird. Shaitan has prepared all these things for them these are his teachings. They are like a hollow container without a bottom, nothing stays in it. Real greatness comes from heavens.
Our master, the Sultan of Prophets (Allah bless him and grant him peace) said: "Don't portray me, because you are incapable to depict the dress "of greatness my Lord has dressed me with. It will burn you." That's why there is no picture. Our master is not one of these people, who receive greatness from newspapers. Have they got no shame, that they don't mention the name of such a great sultan? Only someone, whose picture is in the newspapers, is a great man. What greatness ist that? If greatness is measured by weight, an ox has more greatness than they do. Measured by length, by tallness, they couldn't match a giraffe. This is the general comprehension now.
O Shah Mardan, we are gratefully obliged to you, for inspiring us, for your explanations. Who holds the rank of greatness? Greatness is not determined by pictures in the newspapers, nor by false titles. Yesterday he was the top deputy. Today they threw him out. Well, what happened to greatness? If he was gold, they would have held on to him til the end, so it means, the guy wasn't all gold, rather something like grass, which those animals feeding on it turn into dung. He belonged to that kind. What value does it have? For three days the papers print big fat pictures, "He is the leader of such-and-such country, he's this and he's that." O muslims, you're also shown in huge pictures, o princes, o kings. Ha, let's say, your uncles son, Shah Mardan is, warning you, is waking you up!
If greatness, was measured by weight, an ox is heavier than you. Otherwise, if it was measured by tallness, by length, there are giraffes. Giraffes are maybe three, maybe even five meters tall and while the ox may be heavier, the rhinoceros surpasses it, but the hippopotamus is even bigger. When you look into their faces, they are really strange. Their creator has made them in that way. They don't claim any greatness, they don't say "But I am much heavier", or "My looks are more charming." They don't claim anything.Their heads are drawn in, they never raise them, in the forests they eat either plants or other animals. What is their

standing? None. Greatness,
O Shah Mardan, how wonderfully you expressed it. how eloquently you described it, the greatness of today, of what they call 21st century. Their great ones are in the newspapers, which make them great. Today they make them great. Tomorrow they throw them out. Well, what's that? If he was gold yesterday, he is still gold today. That means, he is not gold. If you were gold, the people would have kept you. But you are not gold. Because you are not gold, because you have no value, they tear you up, maybe even wipe their backside with it. Their posters, hung up on the wall yesterday, today they are taken down torn up and thrown away. That is not greatness!
Don't claim to be great. O people, the calamity which has befallen mankind is caused by their claims of greatness. Shaitan deceives the people of the 21st century, saying "I will make you great. Come with me. "Let's find a party and elect one from amongst us." This man, this great man, well, where did he come from? "He came from thingy, man, from Pasinler village", or "from such-and-such a city, from Persia" or, "he came from the tribe of a blessed one." "Does that make him great?" "He became great. He's a great one." But how did this greatness come about? "Well, an elephant is weightier than you?" "Heavier, but, "Let’s choose him then. It won’t hurt." Tell the newspaper to print it. Tell them, that today greatness belongs to elephants. This is a new revelation. O Shah Mardan print it, don't be afraid. God forbid! Does Shah Mardan fear? When he lion-heartedly draws his sword Dhu l-Fiqar, he could cut with a single blow the heads of posteron-the-wall-heroes like you. The one, whose head is being cut, what about him?
He told the other one to write in the newspapers, so he will be greater, to show in that box of Shaitan's, look, in this place he did that, look, in that place he cut the ribbon, look, in this place he held a speech, look, in that place he chatted some nonsense, look, here he told some stories to appease the public. What did he do? His deeds are all in the toilet. There is nothing one could grasp.
I'm ashamed in front of Allah to say it, but I shall arrange for a demon to haunt

those who claim greatness so it will run down their pants, they can't hold their filth any longer. and it will run out from the bottom of their trousers, when they go to their session of parliament.

They are being sold as really great, but just like for Nimrod before he was brought to fall, to teach them a lesson regarding their ways there are thousands of subservient spirits. These spirits, they are like fire, no one can interfere with them. They will be taught a lesson: Is Islam the truth? Or is it false? The way they stick to, is it the truth? Or is it false? Those made great by hanging their posters on the walls are considered great because of these posters, But posters on the walls don't make great men! We have to look at the works, they have done. If you are gold, gold doesn't need advertising. But if you're fake, made from plastic, they have to hang you up on every wall, informing people he is like this, he is like that. Well, gold, does it need any advertising? Gold is gold. Be it a ring, be it a bracelet, or a necklace, gold is gold. It's value doesn't diminish.

But who are those, who mix with people and are full of self-imortance those great ones according to the papers, great ones of the 21st century? Those, whose newspaper pictures are stuck up on the walls those, whose names appear with their photographs in the headlines, they are not great. For greatness you have to search. Gold is not presented to you by the newspapers. Be gold, become gold!

Our master (blessings and peace be upon him) came, - Ma sha' Allah, O Shah Mardan - our master, upon whom the noble Quran, was sent down, coming from the throne of the All-Merciful. That's why our master (upon him be blessings and peace) said, "Don't make pictures of me! You'll not be able to portray me "adequately. There can be no picture of me. "I am not someone, whose picture can be taken." He forbade it. Our master forbade making someone great through pictures. People of our times are today made great with newspapers, to be thrown into the toilet tomorrow.

"Become a human being" says Shah Mardan. O blessed Shah Mardan, may Allah open for you the ground, to clean away the liars. "Soon it will be", he told me. "The days are near, when none of the liars we be left. we will clean up East and

West and spread news of those to whom Allah, the Exalted, has granted greatness, we'll announce them, let them be known: 'Look, O people, who is really great!' Those, who have their statues erected, their posters made, people making false statements, they cannot be great!" Get your heads straight. In which place are you going to end up? It'll be the place, where all people eating food have to go, the toilet. It will be the toilet.

O Allah! Look, this theme evolved a nice way. It is an untouched subject, teaching good manners, "Adab Ya Hu", "Watch your manners!" Keep good manners, so you don't come running later, having ended up in the toilet, because you claimed "I am this, I am that." So don't claim greatness, don't claim greatness! May Allah forgive us.

Our distinguished Sheikh told a story of one of the friends of Allah, which Shah Mardan also relates, according to which a blessed one came into one of these places they call coffee shops, to have some coffee or tea. Looking around he noticed someone sitting there, with his headgear tucked over his eyes like this, one foot over the other, without paying any attention, who came or went. The way the man was sitting, his dagger had slipped up and down below his private parts were showing, while he had his legs stretched out one over the other. The person entering the coffee shop was one of the Sheikhs. Sheikh Efendi told me this. He saw the man, sitting there with his felt hat pulled halfway over his face, not greeting anyone coming in or going out. So he sat down next to him. "My son", he said, "why do you make such a show of your greatness here?, as if to say, 'I am great, I have a lot to show, I am this or I am that'. This dagger of yours also reaches down to your thing. My son", he said, "don't you ever have to use the toilet?" This is what he had to say. The man immediately kissed his feet and hands. "No one has taught us anything" he said "They have deceived us with fake pictures on the walls, with fake titles", he said. "O blessed servant of Allah, you have woken me up. From you I learn good manners. Come, let me kiss your hand!" "I have no hand for you to kiss, my son", he replied "Just look after yourself. You'll find someone to set you straight."

Adab! In the assembly of the wise searching and practising is demanded, knowledge comes at the end, first you need good manners, first comes Adab! Adab Ya Hu! Let it be written in handwriting, not in print. Yes. Let it be written in handwriting and put it up on your front door! Hang it up at your workplace, let them learn good manners, so they may enter the realm of human beings. O Shah Mardan, forgive us.

O beloved brethren of Shah Mardan, close companions of Shah Mardan, Salamu-Llah alaykum, may the peace of Allah be upon all of us! May we flourish here and hereafter. Only a human being who knows humaneness is really human. Who doesn't know humaneness is an animal. Those people who are made great by pictures on the walls or in the papers are not really great. today they are considered great, tomorrow, people use their picture to wipe their backsides.

O Shah Mardan, here you are. Such valuable advice you gave to us. So let us say, "Bismi-Llahi r-Rahmani r-Rahim My Lord, make it easy, don't make it hard, my Lord, complete it with goodness!" We have set out on our way for the sake of Allah, our destination is the presence of our Gracious Protector. Let us go in a clean state. Let us go well mannered. Let us not go as barbarians or liars. Let us go into His presence as gold, not as manure! Manure is not allowed into the palace. Gold gets in, but manure mustn't enter the palace.

The palaces of our Ottoman forefathers were spotlessly clean, no dirt there whatsoever. But their treasury was full of gold. They would give without counting Take a shovel full, take a shovel full from these treasures. Masses of gold. Take as much as you can! Get out and go! But if they (today's rulers) have to give five liras, they sent you running around for five days. Pushing, shoving here and there, until you finally get five liras, which are not enough for anything. You'll get your lesson! Be it Turks or Persians, they'll get their lesson, Arabs or Abyssinians, they'll get their lesson. If at all, you'll be put into the lowest category of human beings, the next category after you are animals. All success is from Allah Most High. O Shah Mardan, what wonderful advice you've given to us, may your rank be elevated.

Let your gaze rest upon us. Pray for us to hold on to what you've let us hear. O

Shah Mardan, o beloved brethren. of Shah Mardan. Welcome to the close companions of Shah Mardan. Welcome, welcome, welcome!
Al-Fatiha.

**Größe**

---

Es ist nicht wirklich eindeutig, wer was ist. Adab ya Hu! Bewahrt gutes Benehmen. Das ist genau das, was nötig ist. Die Menschen haben kein Benehmen. Die Jugendlichen besonders. Ihnen werden keine Manieren beigebracht. Und die Älteren haben ihre Manieren auch vergessen. Sie haben den Respekt verloren. Marhaba! Wir bitten um Erlaubnis. O Menschen Allahs, wir bitten um Unterstützung. O Sultan der Heiligen, wir bitten um Unterstützung. O Meister des geistigen Bereichs, Shah Mardan, wir bitten um Erlaubnis. Deine leidenschaftliche Liebe und Begeisterung sind ein Ozean, eine tiefe See. Wer ein Tropfen von dieser See nimmt, wird in dieser Welt blühen und die ewige Seligkeit des Paradieses im Jenseits finden. Willkommen in der Versammlung Shah Mardans. Ahh.. Ahh.. Ahh..
As-Salamu `alaykum. Entbieten wir Frie- densgrüße. Es ist das Zeichen der Gläubigen. Tiere haben keine Sprache. Sie sagen ihn nicht. Aber dem Menschen hat Allah der Höchste Sprache gegeben. Er machte ihn zu Seinem Vertreter auf Erden. Er gab ihm Sprache. As-Salamu `alaykum! Anwesende, an Shah Mardans reich gedecktem Tisch zu sitzen, Shah Mardans Tapferkeit zu beobachten, davon zu erfahren, einen Anteil von seinem Licht zu erbitten.. Wer einen Anteil von seinem Licht hat, nimmt kein Licht von anderen Wegen. Ein Mensch ohne Licht ist wie ein pechschwarzes Stück Kohle. Das einzige, wozu es gut ist, ist im Feuer zu verbrennen. Ursprünglich ist Kohle Holz. Unsere Schränke und Kommoden sind auch aus Holz. Aber Holz, das zu Kohle geworden ist, ist nur gut für's Feuer, während anderes Holz jedwedem Gebrauch dient. Das bedeutet, es gibt zwei Arten von Menschen.
Hören wir Shah Mardan zu. O geliebte Brüder Shah Mardans, tretet ein in die Versammlung der geistigen Sultane. Willkommen. Sagen wir As-Salamu `alaykum! O geliebte Brüder Shah Mardans. Der Sultan des Bereichs der wahren Menschen ist Shah Mardan. Wie köstlich es ist, in

seiner Versammlung zu sitzen, teilzuhaben an seinen Heldentaten, seinen herrlichen Werken und redlichen Eigenschaften. Er ist erschienen, Shah Mardan. Ma sha' Allah. Bringt ihn her in unsere Versammlung! Bringt ihn her! Kommt, hören wir, was ihm zu sagen aufgetragen wird, was ihm zu erklären befohlen wird. Bei der Erwähnung des Eigners der Stadt des Wissens, des Oberhauptes der ganzen Schöpfung, des Stolzes des Universums, des Geliebten des Herrn aller Welten -Hu- stehe ich aus Respekt gerne auf. Ich würde es gern jedes Mal machen, wäre es nicht wegen meiner Schwäche.. Er bietet Schulung, lehrt die Wege des Guten an seinem Hof, Shah Mardan. Er wartet auf dem Übungsgelände. Nach den Morgengebeten, wenn ihr irgendwo bis zum Sonnenaufgang sitzen könnt, oder wenn ihr nicht so viel Zeit habt, sei es in einem Kaffeehaus, bei einem Heiligengrab, in einer Tekke oder Karawanserei, seid bereit! Schlaft nicht! Betrachtet die majestätische Größe eueres Herrn! Sie sollen euch die majestätische Größe des Erhabenen, des Höchsten lehren.

Sagen wir Bismillahi r-Rahmani r-Rahim. Dank sei unserem barmherzigen Schutzherrn dafür, daß Er uns Seinen Erhabenen Namen nennen läßt. Es ist eine Ehre, die der Nation Muhammads (saws) gewährt wurde. Bismillahi r-Rahmani r-Rahim. Es wurde einigen Propheten für eine redliche Tat gewährt, dann wurde es weggenommen. Der Prophet Ibrahim (as) sprach die Basmala und das Feuer ging aus. Der Prophet Sulayman (as) sprach die Basmala und der Thron der Bilkis, der Königin von Saba, erschien. Ihnen wurde der Gebrauch einmal gewährt in Momenten der Not. Aber unserem königlichen Gesandten, dem Geliebten Allahs des Höchsten, unserem glorreichen Führer Muhammad al-Mustafa (saws) -wir gehören zu seiner Nation- wurde die Basmala herabgesandt für uns und nicht wieder weggenommen danach. Sie wurde für den Propheten Nuh (as) gesandt, und er wurde gerettet. Sie wurde für den Propheten Sulayman (as) herabgesandt, und er brachte den Thron der Bilkis, der Königin von Saba. Sie wurde für den Propheten Ibrahim (as) herabgesandt, und er wurde vom Feuer Nimrods errettet. Sagt die Basmala, o Ignoranten, sagt "Bismillahi r-Rahmani r-Rahim".

Um den Propheten Ibrahim (as) zu verbrennen, mobilisierte Nimrod die ganze Bevölkerung. Nicht ein Baum wurde in den Bergen belassen. 'Ich verbrennen ihn, koste es, was es wolle', sagte er bezüglich Ibrahims (as). Nach einem Bericht konnten die Flammen, die Nimrod in Ninive, seiner Residenz, entzündete, bis nach Damaskus gesehen werden. So ein gewaltiges Feuer war es. Wozu? Um den Propheten Ibrahim (as) zu verbrennen, jemanden, genannt Prophet Ibrahim

(as). Mit einem Zündholz hätte er ihn verbrennen können, mit einem Zeichen seines Herrn hätte ein einziges Zündholz gereicht, um einen Mann zu Asche zu verbrennen. Aber wegen der Größe von Ibrahims (as) Auftrag, wegen seines ehrfurchtgebietenden Charismas, mit dem er bekleidet war, sagte Nimrod: 'Er kann mit einem Zündholz verbrannt werden, aber seine Sache ist nicht mit einem Zündholz erledigt.' So groß war er. Wegen der Größe, die er in dem Propheten Ibrahim (as) sah, gab Nimrod seinen Befehl. Welche Bäume auch in den Bergen zu finden waren, ließ er abholzen. Er stapelte sie zu einem gewaltigen Berg von Holz auf. Die Flamme war von der Größe eines Berges. Das Licht der Flammen konnte bis nach Damaskus gesehen werden.

Was sollte verbrannt werden? So viel wie ein Streichholz kann einen Menschen verbrennen. Aber das war nicht Nimrods einziges Ziel. Er wollte diesen gesegneten Menschen zusammen mit der Religion und dem wahren Glauben, den er gebracht hatte, verbrennen. Außer sich vor Wut, weil Ibrahim (as) die Götzen beschädigt und zerstört hatte, sagte Nimrod: 'Ich werde ihn im Feuer verbrennen.' Ja, ein Zündholz würde reichen, um einen Menschen zu verbrennen. Aber er nahm keins, er entzündete ein Feuer so groß wie ein Berg. Warum? Weil der Prophet Ibrahim (as) von ehrfurchtgebietender Erscheinung war. Ein Mensch ist nicht viel mehr als ein Finger, ein Zündholz wäre genug, ihn zu verbrennen, aber Nimrods Ziel war nicht nur, den physischen Körper des Propheten Ibrahim (as) zu verbrennen. Es war Ibrahims (as) Sendung, die er loswerden wollte. `Ala Nabiyyi `alayhi Salatu wa s-Salam. Es war der mächtige Ruf, an die Göttliche Einheit Allahs des Erhabenen zu glauben, und die Tatsache, daß er die Götzen zerstört hatte, die sie angebetet hatten, und damit den Anspruch ihrer Göttlichkeit ruiniert hatte, wofür Nimrod sich rächen wollte, so daß er sagte: 'Ich werde ihn verbrennen'. Manche Berichte sagen, sie sammeltn 6 Monate lang Holz, dann wurde das Feuer entzündet. Seine Flammen konnten bis nach Damaskus gesehen werden, in einer Reiseentfernung von 40 Tagen.

Wahrlich, ein Mensch hat nur die Größe eines Fingers. Ein Ochse ist ungefähr 10x so groß. Ein Elefant kann das Gewicht von 100 Männern haben, aber er hat nicht denselben Wert. Das wahre Ziel war nicht, den Propheten Ibrahim (as) zu verbrennen. Der Prophet Ibrahim (as) hätte mit einem Zündholz verbrannt werden können. Was Nimrod wollte, war, die Religion der Göttlichen Einheit zu zerstören, die Ibrahim (as) gebracht hatte auf Befehl des Eigners von Himmel und Erde, des Herrn des Mächtigen Throns des Erhabenen, des Absolut Wahren Einen, was seinen

eigenen Machtanspruch ruiniert hatte. Er tat all das, um den Göttlichen Befehl, den Ibrahim (as) gebracht hatte, zu verbrennen. Was die Größe oder die niedere Stellung eines Menschen bestimmt, ist, daß manche wie Gold sind und andere wie Dreck. Wegen des Goldes, das Ibrahim (as) gebracht hatte, hatte sein Dreck alle Anziehungskraft verloren, zusammen mit den Götzen. Das war der Grund für seine Rache, für seinen Zorn. 'Warum hat er meinen Dreck in so einen Zustand gebracht? Ich werde ihn verbrennen, ich werde ihn verbrennen.' Aber in Wirklichkeit gab es nichts zu verbrennen, weil Holz brennt, aber Gold brennt nicht.

O Shah Mardan, unser ausgezeichneter Meister, Sayyidina Ali (ra), o glorreicher Sultan Shah Mardan, ma sha' Allah. Yah, yah, warum eilen die Menschen, um sich hinter ihm zu sammeln? Die Menschen versuchen, Wohltaten zu erlangen. Jeden Tag schreiben diese Zeitungen, 'Diese Person ist so und so, jene Person ist jemand, dieser löst die Probleme, jener ruiniert die Dinge', und verbreiten aus Dummheit all diese Dinge. All das hat keinen Wert. Die Größe, die von den Zeitungen verliehen wird, hat keinen Wert, mein Sohn. In der alten Zeit gab es keine Zeitungen. Es ist eine neue Erfindung, wie sie sagen. In der alten Zeit gab es diese Zeitungen nicht. Wofür brauchen wir sie jetzt? Seht, welche Weisheit Shah Mardan lehrt! Warum erfanden sie Zeitungen? Um den Menschen falsche Größe vorzuführen. Meine Güte, ihr seid alle falsch! Hey, euer Kern ist Dung und euer Körper ist nichts als Dreck. Euere Persönlichkeit ist nur Dung. Euere Größe ist überall in den Zeitungen, gedruckt in den Zeitungen. Die Größe der Zeitungen ist nicht einmal zehn Cent wert. Sie endet heute. Morgen wird sie zerrisen und weggeworfen. Wahre Größe wird für die wahren Diener von den Himmeln herabgesandt. Aber falsche Größe findet sich in den Zeitungen. Mit vielen Bildern, Titeln und prunkvoller Vorführung. Wenn man genau hinsieht, sehen sie nach gar nichts aus. Entschuldigung, aber er sieht nach gar nichts aus, dieser französische Präsident, und ich möchte nicht über unseren reden, sie könnten beleidigt sein. Unsere haben alle Größe verloren. Welche Größe ist noch übrig? Man kann sagen, daß Sultan Abdu l-Hamid Größe besaß, aber die Größe jener, denen von den Zeitungen Größe zugesprochen wird, Mehmet, mein Sohn, verstehst du diesen Punkt? Die Größe des 21. Jahrhunderts, von wo bekommen seine großen Persönlichkeiten ihre Größe? Die Zeitungen verleihen ihnen ihre Größe. Große, fette Bilder in den Zeitungen. Nun, er ging dorthin. O, er kam hierher und tat das. Er tat jenes.. Aber in Wirklichkeit ist der, der in den Zeitungen groß genannt wird, gar nicht groß. Was die Größe betrifft, die in Zeitungen zu finden ist, -und ich spreche im

Vertrauen- wenn ihr nichts anderes finden könnt, um euch den Hintern abzuwischen, könnt ihr dieses Papier benutzen. Wessen Foto ist darauf? Wessen Foto auch immer! Das ist ihre Position. Schande auf euch.

Dies ist eine Menschheit, die ihre Menschlichkeit verloren hat. Sie sind jenseits jeder Beschreibung, jenseits von Worten, außerhalb der Menschlichkeit. O Shah Mardan, Segnungen und Frieden seien auf dir, der von deinem geliebten Muhammad al-Mustafa (as) kommt, wie schön! Wie schön! Sie können nicht mehr unterscheiden zwischen Schönheit und Häßlichkeit. Diese Leute, denen von den Zeitungen Größe verliehen wird, sind voller Hochmut. Jeden Tag drucken die Zeitungen diese großen, fetten Bilder: Das ist so und so. Sehen wir mal, wie sieht er aus? Genau wie wir. Vielleicht hat er zwei Köpfe? Nein. Hat er vier Beine? Nein, Mensch! Also was? Wieviele Arme? Vielleicht 40 Beine? Nein, mein Lieber, er hat nur zwei Beine. Was ist dann mit seinem Mund? Der Mund sieht genauso aus wie unserer. Was immer er findet, ißt er, ohne Unterscheidung. Sie sind Leute, die halal und haram nicht kennen. Wie können sie also groß sein?

Die Menschen haben ihm zugejubelt und gesagt: Das ist unser Führer! Die Zeitungen haben ihn groß gemacht, haben sein Bild gedruckt. So wurde er ein großer Mann. Wieviele Meter groß ist er? Es ist wohlbekannt, daß die Menschen dieser Nation ziemlich groß sind, also ist er wahrscheinlich etwa zwei Meter groß. Nun, wenn er zwei Meter groß ist, wer sehr groß ist, "La Yakhlu mina l-Habali" - ihm fehlt es nicht an Dummheit, ist von Dummheit beeinträchtigt. Er ist sehr dumm. Manche Leute, die klein sind, tragen besonders hochhackige Schuhe, um größer zu erscheinen, als sie sind. In unseren Tagen gehören all jene, die als groß angesehen werden von den Zeitungen zu dieser Art Menschen, die hochhackige Schuhe anziehen unter ihren Schuhen. Dies sind die Menschen, die die Welt regieren, vollkommen blind! Sie sind nicht in der Lage, sich selbst zu kontrollieren.Wie können sie die Welt regieren? So ist es dort drüben. Dies ist ein Franzose. Nun, wir sind Türken. Wir laufen sowieso barfuß herum, unsere Schuhe fallen auseinander, wir besitzen nichts. Deshalb erfahren wir keine Aufmerksamkeit.

Alle Größe gehört Allah (swt) und Ehre gehört Allahs Gesandtem, möge Allah ihn segnen und ihm Frieden gewähren. Unser Meister, wurde sein Bild in den Zeitungen gedruckt? Er befahl: "Macht kein Bild von mir! Ich will keine Größe durch Abbildungen.' O glorreicher Gesandter!

Keiner der Sultane befahl, gemalt zu werden, damit die Menschen sie ansehen konnten. Sie hatten kein Interesse. Es waren die Europäer, die ihre Bilder machen ließen. Diese Menschen verliehen Größe durch die Zeitungen. Einer hieß Napoleon. Was geschah mit Napoleon? Er war ein großer Mann, sagen sie. Der Mann, der das Mittelalter beendete und ein neues Zeitalter brachte. Wie groß war er? Er war ungefähr ein und einen halben Meter groß. Er war die Quelle großer Heimsuchungen. Was tat er? Er ermordete den König. Aber jemandes Kopf abzuschlagen, macht einen Mann nicht groß. Ein Löwe im Wald kann drei oder fünf Tiere töten oder so viele wie er finden kann, ihre Köpfe abschneiden, ihre Gliedmaßen abreißen und sie verschlingen, aber er bleibt doch dasselbe Tier. Ein Tier, das viel frißt, wird größer, aber ein Tier hat keine Ehre, während der Mensch Ehre besitzt. Ihr seid Menschen! Schaut nicht auf die, denen Größe verliehen wird durch die Zeitungen!

Jetzt gibt es eine andere Strafe, eine andere Heimsuchung. Dieses Ding, das sie Fernsehen nennen, ist eine andere Heimsuchung, die die Menschen eintauchen läßt durch das Zeigen von unzähligen Programmen und Shows. Also dieser Mann ist dies oder das. Ist das wirklich wichtig? Nun, er ist zwei Meter groß, der Mann, ist das nicht schon genug? Ein anderer ist bei einer Hochzeit und spielt ein Saiteninstrument. Allah Allah. Er spielt ein Streichinstrument, sein Vater die Trommel, seine Mutter spielt auch herum. Allah! Wie ist er groß geworden? Die Zeitungen machten ihn groß. Jetzt hält er eine Rede bei einer örtlichen Versammlung. Am Ende kann er sich nicht erinnern, was er am Anfang gesagt hat. Sie schieben ihm Zettel zu: Sag dies oder das! Entschuldigung, sagt er. Früher war es anders. Heute müssen wir nach den heutigen Regeln spielen. Es ist einfach verrückt. Shaytan hat all diese Dinge vorbereitet für sie. Das ist seine Lehre. Sie sind wie ein hohler Behälter ohne Boden, nichts bleibt darin.

Wahre Größe kommt von den Himmeln. Unser Meister, der Sultan der Propheten (saws) sagte: Malt mich nicht, weil ihr nicht fähig seid, das Gewand der Größe, mit dem mein Herr mich bekleidet hat, abzubilden. Es wird euch verbrennen. Deshalb gibt es keine Bilder. Unser Meister ist nicht einer dieser Leute, die Größe aus den Zeitungen erhalten. Haben sie keine Scham, daß sie den Namen eines so großen Sultans nicht erwähnen? Nur einer, dessen Bild in der Zeitung ist, ist ein großer Mann. Was für eine Größe ist das? Wenn Größe in Gewicht gemessen würde, hätte ein Ochse mehr Größe als sie. Gemessen nach Länge, nach Höhe, könnten sie es nicht mit einer Giraffe aufnehmen. Das ist das allgemeine Verständnis jetzt. O Shah Mardan, wir sind dir

dankbar verpflichtet für unsere Inspiration, für deine Erklärungen. Wer hält den Rang der Größe? Größe wird nicht durch Bilder in der Zeitung festgelegt, noch durch falsche Titel. Gestern war er Spitzenabgeordneter. Heute warfen sie ihn hinaus. Nun, was geschah mit der Größe? Wäre er Gold, hätten sie bis zum Ende an ihm festgehalten. Das bedeutet also, der Typ war nicht ganz golden, eher etwas wie Gras, von dem sich diese Tiere ernähren, das zu Dung wird. Er gehörte zu der Art.

Welchen Wert hat das? Drei Tage lang drucken die Zeitungen dicke, fette Bilder. 'Er ist der Führer des so-und-so Landes. Er ist dies und das.' O Muslime, ihr werdet auch in riesigen Bildern gezeigt, o Prinzen, o Könige. Ha, sagen wir, der Sohn des Onkels, Shah Mardan, warnt euch, weckt euch auf! Wenn Größe in Gewicht gemessen würde, ein Ochse ist schwerer als ihr. Andererseits, wenn sie in Höhe, in Länge gemessen würde, gibt es Giraffen. Giraffen sind vielleicht drei, vielleicht sogar fünf Meter hoch. Und während der Ochse schwerer sein mag, übertrifft ihn das Nashorn, aber das Nilpferd ist sogar noch dicker. Wenn du ihnen ins Gesicht guckst, sind sie wirklich merkwürdig. Ihr Schöpfer hat sie so gemacht. Sie beanspruchen keine Größe, sie sagen nicht, 'Aber ich bin viel schwerer' oder 'Mein Aussehen ist reizender'. Sie beanspruchen nichts. Ihr Kopf ist eingezogen, sie erheben ihn nie. In den Wäldern fressen sie entweder Pflanzen oder andere Tiere. Was ist ihre Stellung? Keine. Größe, o Shah Mardan, wie wunderbar du es ausgedrückt hast, wie beredt du es beschrieben hast, die Größe von heute, von dem, was sie das 21. Jahrhundert nennen, ihre Großen sind in den Zeitungen, das macht sie groß. Heute machen sie sie groß. Morgen werfen sie sie hinaus. Nun, was ist das? Wenn er gestern Gold war, ist er heute immer noch Gold. Das bedeutet, er ist nicht Gold. Wärest du Gold, hätten die Leute dich behalten. Aber du bist kein Gold. Weil du kein Gold bist, weil du keinen Wert hast, zerreißen sie dich, wischen sich vielleicht sogar den Hintern damit. Ihr Plakate, gestern an die Wand gehängt, sind heute heruntergenommen, zerrissen und weggeworfen. Das ist keine Größe.

Beansprucht nicht, groß zu sein. Leute, das Unheil, das die Menschheit befallen hat, wird von ihrem Anspruch auf Größe verursacht. Shaytan betrügt die Menschen des 21. Jahrhunderts und sagt: 'Ich mache euch groß. Kommt zu mir. Finden wir eine Partei und wählen einen von uns. Dieser Mann, dieser große Mann, nun, woher kam er? Er kam aus Dingsda, Mensch, aus dem Pasinler Dorf oder aus der und der Stadt, aus Persien oder er kam vom Stamm des Gesegneten.

Macht ihn das groß? Er wurde groß. Er ist ein Großer. Aber wie kam es zu dieser Größe? Nun, ein Elefant ist gewichtiger als du? Gewichtiger, aber.. Wählen wir dann ihn. Es schadet nicht. Sagt den Zeitungen, es zu drucken. Sagt ihnen, daß heute Größe den Elefanten zukommt. Das ist eine neue Offenbarung. O Shah Mardan, druck es, fürchte dich nicht. Gott bewahre! Fürchtet sich Shah Mardan? Wenn er löwenbeherzt sein Schwert Dhu l-Fiqqar zieht, könnte er mit einem einzigen Schlag die Köpfe der Poster-Helden wie euch abschlagen. Derjenige, dessen Kopf abgeschlagen wird, was ist mit ihm? Er sagte dem anderen, in der Zeitung zu schreiben, damit er größer wird, in dieser Shaytan Box zu zeigen: Seht, an diesem Ort machte er das. Seht, an jenem Ort zerschnitt er das Band. Seht, an diesem Ort hielt er eine Rede. Seht, an diesem Ort redete er Unsinn. Seht, hier erzählte er Geschichten, um die Öffentlichkeit zu befrieden.

Was tat er? Seine Taten sind alle in der Toilette. Es gibt nichts Greifbares. Ich schäme mich vor Allah, es zu sagen, aber ich werde dafür sorgen, daß ein Dämon jene verfolgt, die Größe beanspruchen, so daß es ihre Hosen herunterlaufen wird. Sie können ihren Dreck nicht mehr halten, und es wird vom Hosenboden auslaufen, wenn sie zu ihrer Parlamentssitzung gehen. Sie werden verkauft als wirklich groß, aber gerade wie für Nimrod, bevor er zu Fall gebracht wurde, um ihnen eine Lektion zu erteilen bezüglich ihrer Art und Weise, gibt es Tausende von dienstbaren Geistern. Diese Geister sind wie Feuer, niemand kann ihnen dazwischenfunken. Ihnen wird eine Lektion erteilt: Ist der Islam die Wahrheit oder ist er falsch? Der Weg, an den sie sich halten, ist er wahr oder ist er falsch? Jene, die dadurch groß wurden, daß ihre Poster an die Wand gehängt wurden, werden als groß betrachtet wegen dieser Poster. Aber Poster an den Wänden macht keine großen Menschen. Wir müssen auf die Werke schauen, die sie gemacht haben. Wenn du Gold bist, Gold braucht keine Werbung. Aber wenn du falsch bist, aus Plastik, müssen sie dich an jede Wand hängen und die Menschen informieren: Er ist so, er ist so. Nun, Gold, braucht es Werbung? Gold ist Gold. Sei es ein Ring, sei es ein Armband oder eine Kette, Gold ist Gold. Sein Wert vermindert sich nicht.

Aber wer sind die, die sich unter die Leute mischen und voller Selbstgefälligkeit sind, jene Großen den Zeitungen zufolge, die Großen des 21. Jahrhun-derts? Jene, deren Zeitungsbilder an die Wände gekleistert sind, jene, deren Namen mit ihren Fotografien in den Schlagzeilen erscheinen, sind nicht groß. Für Größe muß man suchen. Gold wird euch nicht durch die Zeitungen präsentiert. Seid Gold, werdet Gold! Unser Meister (saws) kam, -ma sha' Allah, o

Shah Mardan- unser Meister, auf den der edle Quran herabgesandt wurde, der vom Thron des Gnadenreichen kam. Deshalb sagte unser Meister (saws): Macht keine Bilder von mir! Ihr werdet nicht fähig sein, mich angemessen zu porträtieren. Es kann keine Bilder von mir geben. Ich bin nicht jemand, dessen Bild gemacht werden kann. Er verbot es. Unser Meister verbot es, jemanden durch Bilder groß zu machen. Die Leute unserer Zeit werden heute mit Zeitungen groß gemacht, um morgen in die Toilette geworfen zu werden. Werdet Mensch, sagt Shah Mardan.
O gesegneter Shah Mardan, möge Allah den Boden für dich bereiten, um mit den Lügnern aufzuräumen. Bald wird es sein, sagte er mir. Die Tage sind nah, wo es keine Lügner mehr geben wird. Wir werden Ost und West säubern und die Nachrichten verbreiten von denen, denen Allah der Erhabene Größe gewährt hat. Wir verkünden ihnen, lassen sie wissen: Seht, Leute, wer wirklich groß ist. Jene, die ihre Statuen aufgestellt, ihre Poster gemacht haben, Leute, die falsche Aussagen machen, können nicht groß sein. Bringt euere Köpfe in Ordnung. An welchem Ort werdet ihr enden? Es wird der Ort sein, zu dem alle Leute, die Speisen essen, gehen müssen, die Toilette. Es wird die Toilette sein. O Allah! Seht, dieses Thema hat sich auf schöne Weise entwickelt. Es ist ein unberührtes Thema, das Beibringen guter Manieren. Adab ya Hu. Achtet auf euer Benehmen. Bewahrt gutes Benehmen, damit ihr nicht später angelaufen kommt, wenn ihr in der Toilette gelandet seid, weil ihr behauptet habt: Ich bin dies, ich bin das. Beansprucht also keine Größe, beansprucht keine Größe! Möge Allah uns vergeben.
Unser ausgezeichneter Shaykh erzählte eine Geschichte von den Freunden Allahs, die Shah Mardan auch erzählt, demzufolge ein Gesegneter zu einem dieser Orte, die Kaffeehaus genannt werden, kam, um Kaffee oder Tee zu trinken. Als er herumschaute, bemerkte er jemanden, der dort saß mit seiner Kopfbedeckung so über das Auge geklemmt, einen Fuß über dem anderen, ohne darauf zu achten, wer kam und ging. In der Art, wie der Mann saß, war sein Dolch hochgerutscht und unten sah man seine Geschlechtsteile, während er die Beine ausgestreckt hatte, eins über dem anderen. Der Mensch, der das Kaffeehaus betrat, war einer der Shaykhs. Shaykh Effendi erzählte mir das. Er sah den Mann dort sitzen mit dem Filzhut halb über das Gesicht gezogen, ohne irgendjemanden zu grüßen, der hinein- oder hinausging. Also setzte er sich neben ihn. 'Mein Sohn', sagte er, 'warum machst du so eine Show deiner Größe hier? Wie um zu sagen: Ich bin groß, ich habe viel zu zeigen, ich bin dies oder das. Dieser dein Dolch

reicht auch hinunter bis zu deinem Ding. Mein Sohn, sagte er, mußt du nie die Toilette benutzen?' Das ist, was er zu sagen hatte. Der Mann küßte ihm sofort Füße und Hände. Niemand hat uns irgendetwas beigebracht, sagte er. Sie haben uns getäuscht mit falschen Bildern an den Wänden, mit falschen Titeln, sagte er. O gesegneter Diener Allahs, du hast mich aufgeweckt. Von dir lerne ich gutes Benehmen. Komm, laß mich deine Hand küssen. Ich habe keine Hand für dich zu küssen, mein Sohn, antwortete er. Kümmere dich einfach um dich selbst. Du findest jemanden, dich auszurichten.

Adab! In der Versammlung der Weisen ist Suchen und Üben gefordert, Wissen kommt am Ende. Zuerst brauchst du gutes Benehmen, zuerst kommt Adab. Adab ya Hu! Laßt es als Handschrift anfertigen, kein Druck. Ja. Laßt es als Handschrift anfertigen und hängt es über euere Haustür. Hängt es an euerem Arbeitsplatz auf, laßt sie gutes Benehmen lernen, damit sie den Bereich des Menschen betreten können. O Shah Mardan, vergib uns. O geliebte Brüder Shah Mardans, enge Gefährten Shah Mardans, SalamuLlah `alaykum, möge der Friede Allahs auf uns allen sein. Mögen wir blühen hier und im Jenseits. Nur ein Mensch, der Menschlichkeit kennt, ist wirklich menschlich. Wer Menschlichkeit nicht kennt, ist ein Tier. Jene Leute, die groß gemacht werden durch Bilder an den Wänden oder in den Zeitungen, sind nicht wirklich groß. Heute werden sie als groß angesehen, morgen benutzen die Leute ihre Bilder, um sich den Hintern zu wischen. O Shah Mardan, hier bist du. So wertvollen guten Rat gabst du uns. Sagen wir also Bismillahi r-Rahmani r-Rahim. Mein Herr, mach es leicht, mach es nicht schwer, mein Herr, vervollständige es mit Güte! Wir haben uns auf den Weg gemacht um Allahs willen. Unser Ziel ist die Gegenwart unseres Gnädigen Schutzherrn. Laß uns in sauberem Zustand gehen. Laß uns wohlgesittet gehen. Laß uns nicht als Barbaren oder Lügner gehen. Laß uns in Seine Gegenwart gehen als Gold, nicht als Mist! Mist ist nicht erlaubt im Palast. Gold kommt hinein, aber Mist darf nicht in den Palast hinein.

Die Paläste unserer osmanischen Vorväter waren makellos sauber, kein Dreck dort irgendwelcher Art. Aber ihre Schatzkammer war voller Gold. Sie gaben, ohne zu zählen. Nimm eine Schaufel voll, nimm eine Schaufel voll von diesen Schätzen. Massen von Gold. Nimm, so viel du kannst! Hinaus mit dir und geh! Aber wenn sie heute fünf Lira geben sollen, schicken sie dich fünf Tage lang herum, schieben, stoßen hier und dort, bis du endlich fünf Lira bekommst, die für gar nichts ausreichen. Ihr werdet euere Lektion bekommen. Seien es Türken oder Perser, sie

werden ihre Lektion bekommen. Araber oder Abyssinier werden ihre Lektion bekommen. Wenn überhaupt, wirst du in die niedrigste Kategorie von Mensch getan. Die nächste Kategorie nach dir sind Tiere. Aller Erfolg ist von Allah dem Höchsten. O Shah Mardan, welch wunderbaren Rat du uns gegeben hast. Möge dein Rang erhöht werden. Laß deinen Blick auf uns ruhen. Bete für uns, daran festzuhalten, was du uns hören ließest. O Shah Mardan, o geliebte Brüder Shah Mardans, willkommen den engen Gefährten Shah Mardans. Willkommen, willkommen, willkommen. Al Fatiha.

## Grandshaykh (q) Used to Meet the Prophet (s) in A Waking State

I will have Hisham Effendi make a copy of that book for me. Everyone must know that Imam Suyuti's hadiths are very powerful. Regarding Imam Suyuti's level, they say that he used to meet with Prophet (s) yakazhatan, in a waking state. (Amanna wa sadaqna!) I love Imam Suyuti very much!

Shaykh Yahya Sabbah Hazretleri, may Allah sanctify his secret, used to go to Muhyiddin Ibn `Arabi Mosque for jumu`ah prayers. When you enter the mosque, his maqaam is on the left side, above the stairs. That is where Shaykh Yahya used to sit and make takreer. Although he was ummiyy, unlettered, he used to make suhbahs from Ibn `Arabi's suhbahs, and he always kept six or seven people around him. Whenever Grandshaykh (q) would pass by, Shaykh Yahya would immediately stand up to greet him. And he was quite a heavy man, so it would take four men to lift him up just so he could hug and kiss Grandshaykh (q). After greeting and making du`as for each other he would then go back up. In fact, whenever Shaykh Yahya saw Grandshaykh (q), even while sitting inside a small car, he would always stand up for him. That's how much respect he held for Grandshaykh (q)! (...)

Anyways, yaa Hajjati Naziha! Inshaa-Allah, I will also have Naziha dressed in a white, embellished abaya, covered from head to toe. Inshaa-Allah you will descend on Sham. With Allah's permission, you will become hajjati! (Mawlana Shaykh Hisham: Allahu Akbar! Tamaam Sayyidee!) (...)

One time, Shaykh Abdul Wahhab looked at me and said, “Yaa shaykh! Who is your shaykh?”

I said, “If my shaykh has accepted, my shaykh is Shaykh `Abd Allah Daghestani.”

He stood up and said, “Alzimhu! Yaa waladee, alzimhu! Fa innahu al-fareedal-waheed, allatee yajtami` ma`a Rasoolillah (saw), yakazhatan laa manaaman!” “Hold fast to him, my son, hold fast to him! For he is the single, only one who meets with the Prophet of Allah (s) in a waking state, not in his sleep.” (Allahu Akbar! Allahu Akbar! Allahu Akbar!)

Look at the power of Grandshaykh (q)! If not for his power, I could not open my mouth here. Such blessed ones. Allah Allah! He said, “He is the only one in Sham who can yakzhatan laa manaaman, alzimhu!” May Allah sanctify his secret. Our shaykh is a lion! Allah Allah, Subhaan Allah.

Imam Suyuti is also yakazhatan, where he would physically meet with Prophet (s). So what right or authority do you have (O Wahhabis) to call his hadiths weak? (Hajjah Naziha: They are Wahhabis, Shaykh Al-Albani.) Those dogs! His father (Al-Albani) was Albanian. He used to get mad at his son and scold him for leaving Ahlu ’s-Sunnah wa ‘l-Jama`ah. A`oodhu billahi min ash-Shaytaani ‘r-rajim. Bismillahi 'r-Rahmaani 'r-Raheem.

## The Dream of Grandshaykh `AbdAllah Fa'iz ad-Daghestani (q)

(Mawlana Shaykh gives bay`a to the group.)

While he was still living, Grandshaykh `AbdAllah (q) said to me, "Shaykh Nazim! Last night I drempt I was standing and looking, and you were also looking. In front of me passed young soldiers, young people who all gave salaam. They were Russian, and their new generations will come under the flag of Mahdi (a); all of them will come to Islam."

The Csar is coming now to Russia; the Sultan is coming to your countries: Uzbekistan, Kurdistan, Kazakistan, Bash-kurdistan, and the Khans are coming! The Sultan will come to Istanbul, the Kaiser will come to Germany and a king to France and Italy. All these people who are making so many dirty things will go, and with that the whole world will change, becoming a new world with no more dirtiness, finished!

Today is a very holy day on which Allah Almighty always sends His divinely people with divinely powers to change everything on Earth. Therefore, I am looking to him (a guest) as he is one of them. From Russians a new generation will be under the flag of the Seal of Prophets (s)! It is a great thing! Glad tidings! Glad tidings! In your country, Argentina, there will also be a king. From east to west, the flag of Heavens will fly, the holy flag of the Seal of Prophets, Sayyidina Muhammad (s), will be everywhere!

Pray for me also, to reach those holy days and holy people. Whoever is not holy will be taken away.

(Guest: As you said.)

So many bad people will go away and the good people will be with Mahdi (a) and Jesus Christ (a)! Allah, Allah!

I am the weakest one. There are such powerful saints from east to west, all of them today are on power. Whatever happened on Earth from the dirtiness of those tyrants, all tyrants will go away, go away, go away, and heavenly ones will come! I hope who is sending you to me here, I am putting my seal on everyone, and you will be with Mahdi (a) and Jesus Christ, `Isa (a)!

Yaa Rabbi, yaa Allah! Radina billahi Rabban wa bil Islami dinan, Sayyidina Muhammad (s), nabiyan wa rasoolan! Allahuma thaabitna `alaa al-Haqq! Allahuma thaabitna `alaa al-Haqq! Allahuma thaabitna `alaa al-Haqq, bi jaahi man anzalta `alayhi Suratu 'l-Fatihah.

## Grandsheikh Shah-u-Naqshband's description for Tariqat

Tubtu wa rajata ila-llah...Meded,ya Sayidi, Destur. Audhu bi-llahi mina shaitani rajim, Bismillahi-r-Rahmani-r-Rahim... 'Tariqatuna a-sohba wa khairu fi jami'at'- that is our Grandsheikh Shah-u-Naqshband's description for Tariqat. He was the Imam of the most distinguished Naqshbandi order. Sohbet, association with Sheikh, is the engine for the Mureed to make him to move towards Allah Almighty's divinely Presence. If you take the engines from an airplane, you can't use it; it is impossible for it to move. Perhaps you may put in front of the plane an ox or a horse, and they may carry it on the runway, but the power of the horse or the ox is not enough to make the plane to fly. It needs engines.

And everything in existence is moving. We may say that we see so many things but they are not moving; but really everything through their atoms is moving through its place or in any direction. And movement is the characteristic of creatures; creatures can move and must move. You can't find anything in existence to be in the same position or movement for even the smallest unit of time that is passing. That is the characteristic of creatures. But movement is not a divine Attribute. He is Samad, Allahu Samad- only we can give some description to make it closer to our understanding, but beyond that you can't enter.

There are two kinds of cane: one is the ordinary cane, the second is the sugar cane. One is empty; the second one is full, so that you can't find in it any hole. Filling everything inside, so that you can't find an empty spot

through the sugar cane. Samad means the existence of someone that fills the whole universe or universes, or the whole creation, so that you can't find a smallest spot empty. There is no space without the existence of the Creator. Therefore movement can't be- impossible. To where it should be? But we are moving in a space or atmosphere that is empty; we are not related. Therefore we may move in space, because our existence never fills the space. But Samad means Who fills every existence, every space, every atmosphere. It is a divinely Attribute that He is approving His Existence everywhere, in every direction, through every distance, so that no space, not even less than an atom, is empty from His Existence.

We may move, because we can find space and distances and directions to move in, because our existence never fills except where we are standing. And when we are walking, where we were before, is going to be empty. Therefore, we may move; and everything in existence through this atmosphere is moving. Movement is the attribute of creatures, and to be not moving is the divinely Attribute. An ocean is not moving from its place, but everything in it is moving. You can't find through an ocean anything fixed. Everything in it is moving, only the ocean never moves- to where it should move? It can't move. But everything in it must move- nothing is fixed in it.

And the whole creation is moving through the oceans of Samadiya; it must move, and its movement and existence belong to the ocean. If there is no ocean, nothing lives in the ocean, and if the countless creatures through the ocean are not moving, they can't be in existence. Everything that is in existence must move. Can you find a fish to be in the same position from even one second to the other? Never. But the ocean is the ocean. And the whole creation is through Allah Almighty's endless power oceans. Allah Almighty is filling everything, but nothing is going to be with Him. Creatures are not with Him, but Allah Almighty is with them. But they can't be with Him.

We are asking to move, and our material being can't move through the spiritual world- we are in need of a spiritual engine to get up and enter the spiritual worlds. Yes, we have engines- through our creation we have been granted engines. But it is not enough that the engines are on the plane to make it to fly. Must come petrol in it, and then petrol makes the engine to work. If not coming in it, it can't work.
We are Tariqat people, which means, that we are asking to reach to our heavenly positions. If you are asking to reach to your heavenly station, you must put petrol, and then you may reach to your position or station through Heavens. Therefore we have association with the Sheikh, and Sheikh is asking and taking from the

Prophet's spiritual power. That power is running through the Sheikh's heart and through his heart he may give that spiritual power to people, to make them to move up. Therefore it is a perfect description what Shah-u-Naqshband said: 'Tariqatuna as-sohba...'; it means that our way is a way towards Allah. We are asking to move to Allah, and everything that is asking to move is in need of a power for pulling or pushing it.

And Mureeds, who are asking to reach their heavenly stations or the divinely Presence, must take a power through their plane, and that power may take them to their real positions or heavenly stations, or through the divine Presence. You must use it! Therefore the Sahaba were those who were coming and going to be present with Rasulullah sws, who were attending the Prophet's association. Even one association with him was enough for them to take them from the lowest level to the highest. That is the Prophet's power. If all nations, billions and billions of people, would be with Rasulullah, he would be able to give everyone enough power to take them from the lowest level to the highest. '...wa khairu fi jami'a'. Therefore Grandsheikh was always saying: 'Association is the power centre that makes you to move towards Heavens or the divinely Presence'.

Every day you can find another reality coming into appearance. Every day coming a new opening; it can't be the same like the day before. And it is not going to be same the next day, tomorrow, as today: 'Kulli yaumin Huwa fi sha'an'; every day must be independent in its being, and there is no similarity among two days, not with the day before, not with the day after. Every day has a special being through its existence. Today you are someone that you were not yesterday, and your personality is again going to be different next day, tomorrow- you are going to be changed physically and spiritually.

And physically the improvement is that whatever you do for your material being is bringing you to a limit for your physical being. That is improvement, bringing you to a limit. But what you are reaching spiritually is taking you from 'Asfala Safilin', the lowest level of today, to the highest level of today, and that is not same level the next coming day and it was not the same or a similar level as yesterday. Therefore we need always a renewment, refreshment, re-acting and re-moving, day by day asking more to move towards the divine Presence.

If you are not doing anything, you have been carried, as a person that fainted. If they take a fainted person to Arafat, and he never feels or sees or does anything- what do you think about his Hajj? Okay or not? Okay! Therefore so many people, the majority of people, come here like fainted people, drunk people, coming not

knowing, getting out not knowing, but their names are just recorded or registered that they were through this life on earth. Coming and going, but coming fainted and going fainted; coming and going knowing nothing. It is approved that he has been through that life, but he was like a fainted or a drunken person. He never knew about this life and it's obligations, no- coming and going. Allah Almighty- and this is something you didn't hear before- will order to deal with these people with another treatment the Day of Resurrection or Judgment Day. They are going to be at least figures. But those, who were ready or present with Allah Almighty (during their life), they are like Sultans, and the others are their people. They are not going to be lost, because nothing is created Batil, without wisdom.

And we said now: If a person is going to Arafat and the whole day he was fainted, but he was carried and put on Arafat, and he was not with himself or herself up to sunset and then taken away- but still this holy appearance and blessings that come on whole people is coming on him, cleaning him. But his rank is something else. Who is awakening and doing what is obligatory for him should be dealt with in another way. But those people who are never ready with themselves, never knowing where they are or were, who are only brought to Arafat and taken away, they reach to the blessings that come on everyone from mankind who is living, but they are reaching 1%, and some others take more- 1oo% or 9o %, or 5o%, or 1o%.

For the other people it is written: Nothing they reached. Then they should be granted another blessing on them. We said as an example that people who go on Mount Arafat and who are awakening reach treasures. Who can never take anything should be granted something else from Allah Almighty's charity and generosity. They should be granted, because just they reached and they were through this life- Allah Almighty is sending them- but they were fainted or drunk people, never knowing anything.

And we are trying not to be 1oo% drunk people, not doing anything; at least something we must do through our whole life daily, so that we are going to be registered as: sometimes awakening, sometimes heedless. You should be dealt with in such a way. Or: fully present or: fully heedless, fully fainted, or: part-time heedless, part-time fainted- coming and going.

They are going on Arafat- and we must ask from Allah Almighty to be awaken- and this honour no doubt is just dressed on who is opening his hands and asks. Those people who fainted, no, but he should be granted something else.

This is also an answer for some Awliya who are sad about the majority of people, what should be their position in divinely Presence. Therefore this is coming, that Allah Almighty is giving His divinely Judgment through His divinely Justice, and when He is giving His Judgment for all nations, all mankind, you cannot find anyone to say: ‘Dhulimtu’-‘I have been unlucky or I lost’, and that Allah’s Judgment is oppression. They can’t say, because Adam a.s. said: ’Rabbana dhalamna anfusina’. The first man and our father, the father of the Children of Adam, was saying: ’O our Lord, just we did unjust dealing, we dealt with You so badly. We did that bad dealing only for our ego’s sake, and we are asking Your forgiveness.’ He was not asking forgiveness only for himself and his wife, Hawa a.s., our mother, but it was a general asking: ’O Allah, if You are giving Your blessings, forgiveness, give it to me and ourselves as well as to our whole generation.’

Therefore on the Day of Resurrection, Judgment Day, no one can stand up and say: ’I have been oppressed’, no. That is ‘adlu mutlak’, perfect judgement, it is just and people should be happy with Allah Almighty’s Judgment. That happiness is going to be for them, even if they may be thrown into the fire; that happiness will give them pleasure even they are in the fire. They are not angry about their Lord’s Judgment for them. They should say: ’Your Judgment is 1oo% perfect, and more and more and more. We are happy with Your Judgment.’ That happiness is coming through them, and even they are through fire, the fire can’t touch them. They may be only in it, but through their inside there is an opening to say that: ’Allah did His best, His most excellent, most perfect Judgment.’ That refreshment makes the fire not to affect them even it is eating them... That is another ocean... May Allah forgive us."

## Happy Memories of Grandshaykh `AbdAllah's Miracles

Mawlana Shaykh Nazim: For 70 years I am awaiting Sayyidina al-Mahdi (a).

Shaykh Hisham Effendi: And did you find him?

Mawlana Shaykh Nazim: Yes, alhamdulillah.

Shaykh Hisham Effendi: Good tidings to you from Allah, O Sayyidee. (Speaks in Turkish about Shaykh `Abdus-Salam during the time of Grandshaykh)

Mawlana Shaykh Nazim: Allah (swt) is sending him (Shaykh `Abdus-Salam) to be khalifah. Are you accepting him as?

Shaykh Hisham Effendi: We believe and confirm what you say, from long back! We love him, Sayyidee.

Mawlana Shaykh Nazim: When he (Shaykh `Abdus-Salam) was born I was 30 years old.

Shaykh Hisham Effendi: You have made yourself old, Sayyidee.

Mawlana Shaykh Nazim: He is fifty years younger than me. I never saw him to be angry, Shaykh `Abdus-

Salam not even once in his life. Grandshaykh passed away and he was happy with `Abdus-Salam and used to call him 'Effendi' (title indicating shaykhhood).

THE CAT

Umm Kawthar had a yellow cat that jumped from the highest wall, which was between the homes of Umm Kawthar and Grandshaykh. That cat used to bring down Grandshaykh's anger if he was upset, there was a threat to the area. That cat used to make Grandshaykh angry because it used to urinate on a barrel of water which was there in Grandshaykh’s courtyard in order to mark its territory. Once he saw that cat urinating on it, so he frightened it and threw acorns at it. The cat fled in the other direction and crashed into the lid of the barrel. Don't you remember that yellow cat (Mawlana asks Hajjah Naziha)? That cat also ate the show pigeons of Jibrani! Once on May Day, people gather at Jibrani's to watch the pigeons flying in a show, and by coincidence, Grandshaykh was also present for some reason. A policeman was also there. The cat jumped at one of the smaller pigeons and ate it. Jibrani was so upset, he asked the policeman to shoot the cat and motioned at it with his hands. The policeman took out his rifle and shot the cat three times in front of Grandshaykh, who was watching, and the cat fell to the ground. Everyone said, "We finished the problem with that cat!" This annoyed Grandshaykh, for he never wanted that cat to be killed despite whatever it did. Grandshaykh returned and sat in his maqaam like this (demonstrates) and he began to repeat this qaseedah.

I don't recall a single qaseedah by memory, but Grandshaykh memorized many qaseedahs and a murshid must do that. Doesn't the qaseedah go laa budda min murshidin, “one must have a guide” (unclear)

Shaykh Hisham Effendi: Yes, Sayyidee.

Mawlana Shaykh Nazim: Grandshaykh did not want any harm to come to that cat. And it came back and continued to urinate (on the barrel), as its normal habit, to show “ownership.” In fact the policeman’s three bullets had hit the cat, but because Mawlana Shaykh did not want it to be harmed, it was not affected at all by any of those shots.

Mawlana Shaykh did not want any harm to come to that cat, and it continued its habit of urinating on the barrel of water. and Mawlana Shaykh would throw at it and shout at it, and it would turn and flee up on Umm Kawthar’s wall.

Hajjah Naziha: With Mawlana's barakah, the cat was not harmed.

Mawlana Shaykh Nazim: Grandshaykh used to shout at it and it would flee to Umm Kawthar's wall. Grandshaykh had many miracles (karamaat) but he never liked to show them.

Hajjah Naziha: And you also don't like to show them.

THE GREEK SHAYKH

Mawlana Shaykh Nazim: One time Grandshaykh got very angry with the people of Iskenderun (in southern Turkey mountains). There lived in that city a venerable shaykh from Arnaut (Albania) who had come there from Greece and Grandshaykh married (one of) his daughters to that Greek shaykh. One day the people of Iskenderun came against that Greek man, those people who lived in the mountains. They came to the mosque and attacked us, too. When they attacked us, Grandshaykh stood up on a small terrace and shouted at them with force and courage, "If you are able to do that, come on (and try)!" They all fled from the majestic tajalli of Grandshaykh, as if they had been heavily whipped!

DAMASCUS REVOLUTIONARIES

Once there was a revolution in Sham, and the (revolutionaries) took over the reins of government. Those who yesterday had been under them overthrew them. One of the former government's ministers, Nadheer ash-Shama`ah, was the son-in-law of Grandshaykh `AbdAllah (q). The security forces came to Grandshaykh, searching for Nadheer ash-Shama`ah. One day they received news that he was hiding at the house of “uncle” (his father-in-law, Grandshaykh). A military car came to Grandshaykh’s house and inside it was a troop of military police with all their weapons. They knocked on the door and entered the house, and Grandshaykh asked them "Why are you here?" They said they had come to take his brother-in-law, and Nadheer ash-Shama`ah was shaking from fear. Grandshaykh called him, "Nadheer ash-Shama`ah! Come here!" and Nadheer ash-Shama`ah came out and so he was there in front of the military men who were like bears, their bodies were so huge! Grandshaykh said to them, "Are you afraid this man will stand up and make a coup against you? Here he is, with me. Take him if you are able!" The leader of the detachment was shocked by Grandshaykh's majesty. I saw Grandshaykh dressed with an immense majestic appearance.

So the leader of the soldiers put down his weapon and said, "O our master and shaykh! We have been ordered (to search for him). So just let him stay here with you and don't let him go out." And the leader took his group and left.

No one would ever dare to utter a word against Grandshaykh nor raise their voice above his. He was like a lion in his courage; fear had no path to enter his heart by any means! If he picked up a man he would put him down on the ground. Was there not a time that happened, Shaykh `Abdus-Salaam Effendi?

Shaykh Abbus-Salam: I was there when that happened but I did not have the luck to witness that event.

Mawlana Shaykh Nazim: I was present and I saw that with my own eyes.

THE CASE OF ABU BAKR

There was a man named Abu Bakr at Grandshaykh's. The government did not agree to give him a Syrian identity card. One day Grandshaykh went to the Office of Immigrant Affairs and spoke with the director about the issue of Abu Bakr's papers, but the director refused to grant him Syrian citizenship and said he would be repatriated to his home country. I did not personally witness this event, but Grandshaykh informed us of it. Grandshaykh hit the desk of the director with a sharp blow and said, "Do you want to send him back to a nation of unbelievers to become like them? I will make you regret this decision!" They said, "Please, leave us in peace and safe Shaykh Effendi! We will give him immigrant status. What is his nationality? What country did he com from?" And the shaykh replied to them: "He came from Jahannam (Hell)!" So they gave him immigration papers and on it was written, "Original citizenship not specified." They granted it to him and never asked about him again.

Grandshaykh told us about it, laughing, and he said, "When I hit the table, the problem was dissolved and finished." The following week the director who had initially refused to grant him his papers was dismissed, tawbah istaghfirullah, Allah have mercy on him.

THE TOUGH DOG

In the city of Rashadiyyah in Turkey (founded by Great Grandshaykh Sharafuddin ad-Daghestani, where

Daghestani immigrants settled), there was an Armenian man. He would not allow a single Muslim to pass in front of his area. In front of his home was a wild and vicious dog that scared people, because if it attacked someone it could tear him to pieces. Once Grandshaykh passed there as the dog slept in front of the house. The Armenian said (to himself), "The dog will attack the shaykh and tear him to pieces." The shaykh passed in front of the dog, and he was carrying a tasbeeh in his hand. Grandshaykh said, "I never feared anything in my life, not a dog and or anything else." So he passed right in front of the dog and the dog raised its head, but as soon as it saw Grandshaykh it lowered its head from shame before him and and went back to sleep. The Armenian was astonished how the dog did not attack the shaykh.

THE ABUSIVE SCHOLAR

There was a scholarly man who always opposed Grandshaykh, and his tongue never ceased to revile him and his shaykh, Shaykh Sharafuddin ad-Daghestani (q). One day Grandshaykh passed in front of the house of that scholar and he found him mixing cement. And Grandshaykh was well aware of his bad intentions towards him and his shaykh. And without a word or greeting, Mawlana Shaykh took that man and turned him upside-down and planted his head into that cement! The man tried to get out using all the strength of his body but he was unable to escape Grandshaykh's grasp, for he had immense strength in his arms. Grandshaykh said, "If you don't stop your tongue from attacking us, know that this will be your end!"

Grandshaykh said, "That power Allah (swt) put in my two hands He never gave to anyone (in our time)." So how would that man open his mouth to speak about Grandshaykh after he saw that? Allahu Akbar! May Allah raise their levels without end! Allah, Allah. How much time has passed since that event?

Hajjah Naziha: More than 38 years.

Shaykh Hisham Effendi: Mashaa-Allah! Your Excellency has been waiting seventy years for Sayyidina al-Mahdi (a)!

Mawlana Shaykh Nazim: Yes. (Turkish)

Mawlana Shaykh Nazim: Yes, since the time I once visited Istanbul in 1940. O our Lord, forgive us!

We are speaking about an event as if it were a child's toy. Our Grandshaykh used to possess immense power

in his arms. If he would hit the earth like this (demonstrates), it would have been dislodged from its way (through the Heavens). They said the power awliyaaullah carry has no limit:

••••• ••••••••• •••• ••••••••• ••••••••• ••••• •••••

wa maa ramayta idh ramayta wa laakin-Allaha ramaa. And you did not throw when you threw, but Allah threw. (Surat al-Anfaal, 8:17)

mashaa-Allaha kaan wa maa lam yashaa lam yakun.

Whatever Allah wills will be and whatever He does not will, will not be.

MAWLANA SHAYKH'S SONS

When Shaykh Mehmet Effendi was born and he reached the age of one week, Hajjah Amina (r) said, "This son was born circumcized, so do we need to perform circumcision on him?" I said to her, "Give me the child and I will take him to Mawlana Shaykh." So I took him and Mawlana Shaykh said to me, "Nazim Effendi, put the boy here so I can see." He put on his eyeglasses and looked at him, and then he pinched him. No one had pinched him before. And he said, "It is okay, O Nazim Effendi. But for the sake of establishing that sunnah, go ahead and circumcize him slightly."

Grandshaykh never looked at the private parts of anyone ever, except that one time. Mawlana Shaykh was the possessor of a great secret, and Grandshaykh loved Mehmet Adil greatly.

Grandshaykh said, "Where is my second son (Shaykh Bahauddin)? And him also!" When he (Bahauddin Adil) was young he worked as a laborer at his brother's. When he earned some money, he went to Rajab's shop and he would jump for joy.

This Effendi (Shaykh Mehmet), as we said previously, possessed a very great power of spirituality. He has the power to rule.

## Graves are a Reminder of the Lord of Heavens (s) and of Death - Visit the Graves

Madad. Bismillahi 'r-Rahmani 'r-Raheem. Dastoor yaa Sayyidee. (Mawlana Shaykh stands.) Yaa RijaalAllah.
Allah Allah, Allah Allah, Allah Allah, `Azeez Allah.
Allah Allah, Allah Allah, Allah Allah, Kareem Allah.
Allah Allah, Allah Allah, Allah Allah, Subhaan Allah.
Allah Allah, Allah Allah, Allah Allah, Sultaan Allah.

Anta Sultaanunaa yaa Rabbanaa, ighfir lana wa 'rhamna wa tub `alayna wa zid habeebika Sayyidu 'l-Awwaleen wal-Akhireen, Sayyidina Muhammad! Zidhu yaa Rabbee `izzan wa sharafan nooran wa surooran, sultaanan wa ridwaana. (Mawlana Shaykh sits.) Raghman `ala anfi 'sh-Shaytan wa man tabi`ahu.

Madad yaa Sahibu 'z-Zamaan. Madad yaa Qutb al-Mutasarrif, Madad, yaa Sultan al-Awliya. We are weak servants and asking for heavenly support for our weakness. Give to us, O our shaykh, and support us. Look after us and look after attenders, here and everywhere!

As-salaamu `alaykum! We are attenders for this humble association, and we are saying, a`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. Holy power that Allah Almighty is granting to everything on this planet is coming through bismillahi 'r-Rahmani 'r-Raheem. Therefore, `ulamas first of all,

must try to teach the honor of bismillahi 'r-Rahmani 'r-Raheem, that no one can limit, for the honor of bismillahi 'r-Rahmani 'r-Raheem. And also, who is asking for heavenly support, that power is just put in bismillahi 'r-Rahmani 'r-Raheem! Every kind of works that you are asking to do are going to be complete with bismillahi 'r-Rahmani 'r-Raheem. If not, something is nuqsaan, missing. That is a tree that has no roots; only for some time it is going to be seen, then you must throw it away. But if you are saying bismillahi 'r-Rahmani 'r-Raheem, that `amal, action, as well as that good thing that you are asking to appear and we are asking to reach, that heavenly honor, heavenly support, heavenly power you may take from bismillahi 'r-Rahmani 'r-Raheem.

Therefore, the Seal of Prophets, Sayyidina Muhammad (s) said, "If anyone is not saying bismillahi 'r-Rahmani 'r-Raheem for any action or effort, that act will be like a tree you try to plant but its roots are cut off." You can't reach anything. Therefore, that is the power station for everyone who is asking to reach something. They must come to that station, power station. As a car, if you are asking to go, to make it to move, to run, you must go to petrol station. If not taking from petrol station one cup, one liter, two liters, you must call people, "O people! Come and help me to push it."

"What is our aim? To where are we pushing?"
A bus stopping on the way, not any petrol station and the driver is saying, "O people our power is just finished and we must use something else."
People are asking, "how it was running before and now stopping?"
"Before we were using a liquid, putting it in it's tank."
"Now what happened?"
"Just finished, what we shall do?"
Yaa mawla yaa `izzisa, "Come down, everyone must push!"
When (an incline) uphill came, they said, "We can't do it, this is a big bus! How we are going to move it up this hill?"

An Arab (Bedouin) was traveling with his camel. They came to a place for resting till dawn. The Bedouin was sleeping, he was so tired. When dawn became clear, he was standing up to travel, looking, and his camel was putting himself down and his legs stretching. The Bedouin called, but that camel was never standing up. No answer.

That Arabi said, "O my camel! What happened to you? You were so like the wind, you were running! What happened to you now that you are lying down and can't move, can't see, can't hear?"
Subhaanallahi 'l-`Aliyyu 'l-`Azheem. Fihi amthaal, feehi ibrah, (an illustration of) something, teaching people. Another Bedouin was reaching there, and looking at that Bedouin, shouting and speaking to the camel lying down, saying, “What happened? Why you are crying?"
"It happened like this and I am looking, what happened? He was just perfect, nothing from his body left it, but what happened?"
"O my brother, this camel just passed away," saying that one, like philosophers.
"To where? I may run after it to catch it!"
"O Akhee al-`arab, my Arab brother, what is leaving it is not such a thing that you can touch or see or hear. That is a secret power granted to everything living, not from Earth but from heavens."

And I am saying to all people from east to west, from north to south: you are running, running, running and you are collecting, collecting, making heaps from gold and jewels. Then one day you will fall down, you are finishing. That is something from heavens granted to every living creature, to make it move up to their last moment. But now people are never thinking on it, saying, "We are eating and drinking. If we are feeling no good we take medicines, and then after a while we are going to be as we were as before." Never can you be as before! Yaa Shaafee, yaa Kaafee!

Therefore, there are two kinds of power: heavenly power and earthly power. Earthly power is going to be useless, if heavenly power is cut off. And now, people are never thinking on such things, particularly, that we are in need of heavenly support in every moment and every second. If it is not reaching, you are doing nothing, you are finishing and going away. Till our life reaching to its limits through that line, you are in need of heavenly support, to do as much as possible; you may do. But when you are reaching the limit of our life-limit, no way. Finish. No way. Till (the limit of) our last moment is reaching, don't ask support from material aspects, no. Ask spiritual support. And spiritual power is just filled from heavens. Every holy word that you are using, giving to you a heavenly power; to move, to do, to act, to reach to your efforts. And if they are not doing that, they are going be kharf, bad people. The body's power can't be able to carry over its capacity. But if you are using and therefore, Allah Almighty is sending, 'Bismillahi 'r-Rahmani 'r-Raheem.' Say! Don't worry, from pre-Eternal up to Eternal, endless Power Oceans are in it.

O our Salafi `ulamas! We are leaving you tonight also. We are turning our batteries of bombing cannons on the Wahabi teachers' baatil, false claims that they are calling people to follow. How many people are following them? Is anyone through their conscience accepting their ways? Never! Why they are insisting? What they are asking to do? Say clearly! You are bringing another Shari`ah or you are claiming that you are new prophets? Why you are insisting on wrong ways? Come to true ways! Yes, you may ask for true ways. We are following true ways.

Allah Almighty said in Holy Qur'an: (Mawlana Shaykh stands.)

••• •••••••• ••••••••• •••••••• ••••••••• •••••• •••••••••• •••• •••••••••••••

Bismillahi 'r-Rahmani 'r-Raheem, yaa ayyuha 'l-adheena aamanoo 'ttaqullaha wa koonoo ma` as-saadiqeen, O you who believe! Fear Allah and be with those who are true (in word and deed) (9:119)

(Mawlana Shaykh sits)

If you are claiming you are trying to teach people what is true, you can do. But from where you are reaching to the truth? That is a question we are asking in front of all the ummah. From what teacher you are teaching the ways of Wahabi rules? Say! Who is that one? You are thinking that only Muhammad Abdul Wahab saadiq, true one? He was laa yazaal, still he is the only true one? How you are claiming that? What he brought for Mankind? What was wrong from the nation of the Seal of Prophets (s) that he was coming, saying, "I am correcting wrong beliefs." What he did? What he was saying? Wrong things! Destroying graves and never leaving anything. What is this? Is this new Shari`ah?

The Seal of Prophets (s) was saying, udhkuru 'l-mawt, udhkuru mawta, when you are remembering so many people passed (away), you will remember death and after death. What you did to Jannat al-Mu`alla, (cemetery of Ahlu 'l-Bayt [r] and Companions [r] in Mecca), not leaving anything, to make it as a field. You made same thing at Jannat al-Baq`ee (cemetery of Ahl ul-Bayt [r] and Companions [r] in Madina). What honor is coming to the ummah; what benefit reached the ummah when made a graveyard as a simple field? What we gained?!! To where we reached?!!

O Wahabi teachers! And you are knowing what the Seal of Prophets (s) (Mawlana Shaykh stands and sits)

was saying when he was asked from his Companions (r) about awliya, saints, what his answer was? The sign of a real saint, he said:

••••• ••• •••• ••• ••••

alladheena idhaa ru'oo dhukirallah, Those whom when they are seen, Allah is rememberd.

Awliya, "with specific signs, always in Allah's dhikr." The beloved one through Divinely Presence, the Prophet (s,) was saying there are `alaamah, signs, and when you are looking to them, "their hair is standing up (Mawlana Shaykh shows backs of his hands,) and khashiyah, trembling coming and quickly you are remembering the Lord of Heavens." That is the sign of a wali. Yes, that is true; you can't say no! Then he shall come, Prophet (s) was saying:

••••• ••••• ••••••••

zooroo maqaabiri 'l-muslimeen (aw kamaa qaal), Visit the graves of Muslims.

If you are going to your graveyard, it is only a sandy desert or sandy place. What you are going to think? If anyone going to field, he is remembering death? No. And their graveyards, Jannat al-Mu`alla and Jannat al-Baqee`, the sacred cemetery of Ahlu 'l-Bayt (r) and Companions (r), they made both of them as a field. People thinking that they are ploughing and planting on it. What is that? This is your Shari`ah? If anyone coming for ziyaarat before, coming and visiting and saying, "That is place of Sayyidatina Khadijah al-Kubra, coming a trembling on you from her spirituality, and you are remembering the time of Prophet (s) and death, thinking, "Once upon a time those people were like us, going around, and now they are under ground. One day we will also be under earth." That reminds them that the Lord of Heavens created everything. Why they destroyed it? They say it is munkir! Up to the time of Muhammad Abdul Wahab, was it munkir? No! And then it became munkir? What is that foolishness? Who can give such a fatwa?

O Wahabi teachers! If you are not changing wrong ways to true ways, something will come on your head!

O People! We must try to give to people a true `aqeedah, belief, not a wrong one. May Allah forgive us and make our way a true way. And people cheated by Wahabi teachers, may Allah Almighty give His guide to them to make them on the right way.

May Allah forgive us for the honor of most honored one, Sayyidina Muhammad (Mawlana stands and sits.) here and Hereafter.

Fatihah.

Dome, dome, dome, dome 8x

Heavenly singing, we hope to hear when we are passing and after passing from this life to Eternal Life!

Fatihah.

OK? Shaykh Hisham is on the phone? Alhamdulillah.

(Mawlana Shaykh speaks with Shaykh Hisham Effendi on the phone.)

## The Greatest Saints are from Palestine

These people are in Masjid al-Aqsa? Mashaa-Allah. The greatest saints are there in Masjid al-Aqsa. They can take the whole world like this and throw it from east to west. Those awliya, mashaa-Allah, have such spiritual power, himmat. What a spiritual power! Yaa RijalAllah, O men of Allah (swt)! They are appointed to keep the al-Aqsa Mosque.

For the sake of Your generous Prophet (s), keep an eye on the believers, the nation of the Beloved (s), on those in the land of Palestine. Enough, inshaa-Allah. Those who will be removed from the world will be replaced by the best of people!

Fatihah.

May Allah (swt) give an opening (of blessings) first to the people of Palestine, then to the rest of the countries. It is coming.

I was young, five or seven years old and the people from Haifa, Jafa, Nablus, and Akka wore their traditional dress and came here to get married. Hundreds of our (Turkish) girls married them. That is why the Palestinians are strong, but they are ignorant like us! I love them, subhaan-Allah!

May Allah (swt) give you an opening soon. Make du`a for this poor and weak servant. Wa `alaykum salaam wa rahmatullahi wa barakaatuh.

## The Great Sha’ban Started

Salam, Fa-hyyna Rabbana bi salam. Wa adkhilna l-jannata bi Lutfika wa Karamika. Daraka daru s-Salam. Tabarakta Rabbana wa ta'alaita. Wa lakal Hamda wa ‘ala ma qadaita. Nastaghfiruka Allahumma wa natubu ilaika. O Lord, forgive us for the sake of al-Habib al-Akram!

Today is the first day of Sha'ban Mu'azzama. MashaAllah la quwwata illa biLlah. Bismillah wa biLlah. Ma'a Rasulillah, Sallallahu alaihi wa sallam.

May our burdens leave us! My we be enlightened! May we be joyful! May we not be sad and feel downcast! Rabbul Izzat, The Lord of Glory, the Owner of the seven Heavens, the Owner of the Divine Throne, our Lord, has written us as His servants. How beautiful! How nice!

O Lord, forgive us for the sake of al-Habib al-Akram! We are in the year 1434 of the Hijri calendar, the first day of Sha'ban Mu'azzama! This month is called Sha'ban Mu'azzama, the Magnificent Month. Why is that so? Janabul Mawla, who dressed Habibullah with the robe of Majesty, in this holy month, holy day, holy night when He had placed him in the womb of his most honored mother.

As-salamu alaikum, Ay yaran Shah Mardan, Help us - Madad O Shah Mardan! May we be joyful! May we be honorable! May we be dressed with the robe of Majesty also! Today is the day when our Prophet, who is the Glory of the universe, entered his mother's womb and the month he appeared therein, Sha'ban Mu'azzama. Sha'ban Mu'azzama, may you all respect it! It is Sha'ban Mu'azzama. May we ask from the Lord! Many events will happen before it is completed. The armies of the heavens are coming down to finish all oppressors.

Fatiha.

## Der große Sha`ban hat begonnen

---

Salam, Fahyina Rabbana bi s-Salam. Wa dkhilana l-Jannata bi Lutfika wa Karamika. Daraka Daru s-Salam. Tabarakta Rabbana wa Ta`alaita. Wa laka l-Hamda `ala ma Qadaita. Nastaghfiruka Allahumma Natubu ilaik. O Herr, vergib uns um al-Habibu l-Akrams willen. Heute ist der erste Tag des Sha`banu l-Muazzama. Ma sha' Allah la Quwwata illa Billah. Bismillah wa Billah. Ma`a Rasulillah, Sallallahu `alayhi wa Sallam. Möge unsere Last uns verlassen! Mögen wir erleuchtet werden! Mögen wir freudevoll werden! Mögen wir nicht traurig sein und uns niedergeschlagen fühlen! Rabbu l-Izzat, der Herr der Herrlichkeit, der Eigner der sieben Himmel, der Eigner des Göttlichen Throns, unser Herr, hat uns als Seine Diener geschrieben. Wie schön! Wie gut! O Herr, vergib uns um al-Habibu l-Akrams willen! Wir sind im Jahr 1434 des Hijri Kalenders, dem ersten Tag von Sha`ban Muazzama! Dieser Monat wird Sha`ban Muazzama genannt, der prachtvolle Monat. Warum ist das so? Janabu l-Mawla, Der Habibullah mit dem Gewand der Majestät bekleidete in diesem heiligen Monat, an dem heiligen Tag, in der heiligen Nacht, als Er ihn in den Leib seiner höchst geehrten Mutter gesetzt hatte. As-Salamu `alaykum, Ay Yaran Shah Mardan, Hilf uns - Madad o Shah Mardan! Mögen wir voller Freude sein! Mögen wir ehrenwert sein! Mögen wir auch mit dem Gewand der Majestät bekleidet werden! Heute ist der Tag, als unser Prophet, der die Glorie des Universums ist, in den Leib seiner Mutter eintrat, und der Monat, in dem er darin erschien, Sha`ban Muazzama. Sha`ban Muazzama, möget ihr ihn alle respektieren. Es ist Sha`ban Muazzama. Mögen wir vom Herrn erbitten! Viele Geschehnisse werden passieren, bevor er vollendet ist. Die Armeen der Himmel kommen herab, um alle Unterdrücker zu erledigen. Fatiha.

## Grundlage aller Religionen

Die Grundlage aller Religionen ist Glaube. Du mußt glauben. Glauben muß ein Tun des Herzens sein. Jene Dinge, zu denen dein Herz sagt: „Ja, das stimmt“ – das ist Glaube. Nicht, was deine Zunge sagt, wenn sie sagt: „Ich glaube an Gott.“ Das genügt nicht. Dein Herz muß dazu sagen: „O ja, ganz recht.“
Das Herz des Gläubigen ist weit, ungebunden und unbegrenzt. Das ist das Zeichen wirklichen Glaubens. Allah spricht: „Nichts kann Mich aufnehmen, weder der Himmel noch die Erde, nur das Herz der Gläubigen. Ich bin dort.“ Ein Hadith lautet: „Im Herzen des Gläubigen ist der Thron Allahs.“ Wenn Allah Seinen Thron im Herzen der Gläubigen hat, bedeutet es, daß es grenzenlos ist. Sonst wäre es unmöglich. Wegen seinem Herzen ist der Mensch groß und ehrwürdig. Obwohl wir gering sind mit unseren physischen Körpern, sind wir durch unsere Herzen größer als selbst das Universum. Wenn das Universum ins Herz geworfen würde, wäre es wie ein Atom und verschwände darinnen.

Der Mensch ist am größten. Das ist die Sicht des Islam. Hat man je davon gehört in einer der anderen Religionen? Nein! Durch die Gegenwart Allahs im Herzen sind wir unendlich achtvoll dem Menschen gegenüber. Darum besteht auch kein Unterschied zwischen Mann und Frau. Er hat ein Herz, und sie hat ein Herz. Kein Unterschied zwischen Muslim und Nichtmuslim. Er hat ein Herz, und er hat ein Herz. Muhammad (s.a.s.) sagte: „Die Herzen aller Diener sind die Schatzkammern Gottes, und die Schlüssel sind in Seiner Hand.“ Muslim oder nicht, es ist uns befohlen, uns in diesem Sinne zu achten und zu respektieren.

Nicht auf äußere Form zu schauen, nicht auf Reichtum noch auf die Staatsangehörigkeit, was auch immer. Das ist unsere Maßnahme für alle Menschen. Muhammad, Sultan der Propheten (s.a.s.), sagte: „Unsere Eigenschaften müssen sein wie die Eigenschaften Allahs, welche die 99 schönen Namen sind.“ Niemand, außer jenen, die dumm und Narren sind, können etwas gegen diese Worte einzuwenden haben. In der Sicht Allahs sind alle gleich. Wir müssen Seine Eigenschaften erlangen, dann sind wir alle gleich und betrachten jeden als gleich.

Es ist leicht, an die Zeichen des Islam zu glauben. Wir brauchen keine Beweise, um sie anzunehmen. Das ist ein gutes Zeichen dafür, daß der Glauben in unseren Herzen ist. Allah sagt: „Wenn das Licht in die Herzen getreten ist, wird es weiter und weiter.“ Wenn du jemanden mit Unglauben reagieren siehst, verläßt du ihn, denn das ist ein Zeichen, daß sein Herz noch verschlossen ist. Niemand kann die Herzen öffnen außer Allah. Der Großscheich sagte: „Wenn jemand nicht von ganzem Herzen glaubt, entgehen ihm viele Dinge.“

Die Leute, die schwer glauben können, sind jene, die zu viel denken. Sie lieben es, alles mit ihren Gehirnen zu lösen. In allen Religionen soll man sein Denken aufgeben und sich ergeben. Sonst wäre der Glaube ohne Bedeutung. Einen Baum als Baum zu bestimmen, bedarf nicht des Glaubens. Am schwersten fällt es den Juden, zu glauben. Die Christen sind sehr leichtgläubig. Die Muslime halten sich die Waage, sind ausgeglichen. Aber jetzt folgen sie dem Weg der Juden.

Überall kommen jetzt neue Leute auf, die dem Islam den Geist austreiben wollen. Sie sagen, es gäbe nur äußere Dinge; alles, was man nicht sehen oder greifen kann, soll es nicht geben.

Der Gläubige ist immer auf der Suche nach guten Werken, um sich auf den Tod und das nächste Leben vorzubereiten. Der Großscheich erzählte, daß er einmal mit seinem Großscheich spazierenging und auf dem Weg einen Stein mit den Füßen aus dem Weg stieß. Da sagte der Großscheich, daß er einmal in der Türkei jemanden kannte, der immer, wenn er einen Stein auf dem Weg liegen sah, ihn mit dem Fuß zur Seite stieß, so daß sein Fuß auf beiden Seiten wund war. Hadith: „Es gibt 70 Taten im Islam, die höchste ist die Shahada, die geringste, einen Stein aus dem Weg zu räumen.“
Der Glaube ist wie ein Baum. Er starb. Dann sah ihn jemand im Traum und fragte ihn, wie es ihm erginge. „Sehr gut“, war die Antwort. „Wie hast du das erreicht?“ fragte er ihn. „Dadurch, daß ich immer Steine aus dem Weg geräumt habe“, antwortete er.

Jeder Mensch hat seine Aufgaben. Die Gnade Allahs besteht darin, daß die Menschen ohne Sorge sein können. Hadith: „Reinheit kommt aus dem Glauben.“ Alles das ist ein Teil des Iman und wird dadurch stärker, wächst.

Scheich ‘Abdallah sagte: „Es ist lobenswerter, eine kleine Handlung fortwährend auszuführen als verschiedene oder alle nur manchmal.“ Darum soll man herausfinden, was seine Vorlieben sind, und sie zu seiner beständigen Praxis machen.

Der Meister sagt: Wir brauchen keine Gelehrten, Muftis oder Universitäten, wir brauchen jemanden, der unsere Herzen reinigt und uns abwendet von der materiellen Welt und uns hinwendet zu unserem Herrn. Das ist der Weg. Wenn es auch viele falsche Gerüchte geben mag. Der Prophet (s.a.s.) war der beste Meister darin, die Herzen zu Allah zu rufen. Der Meister ist der, der die Liebe zur Welt aufhebt und die Liebe zur Wahrheit bringt. Muhammad (s.a.s.) hat die Menschen zu Gott gerufen, und dieser Ruf ist bis heute lebendig. Allah lehrte seinen Propheten alle Mittel, um die Menschen zu Ihm zu führen bis zum letzten Tag. Muhammad (s.a.s.) konnte mit jedem Menschen in Übereinstimmung mit seinem Verstand sprechen und ihn zum geistigen Leben führen, dem Leben nach dem Tod.

Sünde ist, wenn das Herz die weltlichen stofflichen Dinge liebt. Nie zuvor haben die Menschen so sehr an den Dingen gehangen wie heute. Früher haben sie noch wie im alten Ägypten Tempel usw. gebaut, sie haben noch gesucht, nach etwas anderem gefragt. Heute will niemand mehr weder Kirche noch Moschee.
Damaskus - 01.01.1979

## Guest from South Africa

Mawlana Shaykh Nazim: We are living in the last part of `Akhir az-Zamaan, the Last Days. Do you have `ulama there (in South Africa)?

Guest: Yes we do, but they are mostly Wahhabi.

Mawlana Shaykh: Do they not believe in Akhirah?

Guest: They do believe in Akhirah, but they are corrupt.

Mawlana Shaykh: Allah Almighty has said, “Do as you like! I have sent My orders to you, whether you keep them or not. I will give My judgment for you!” There were no Wahhabis or Salafis at the time of the Prophet (s). There was only Ahlu ’l-Sunnah wa ’l-Jama`ah, yes? Those people (Wahhabi and Salafi) work for Shaytan, not for Allah.

Mashaa-Allah you have noor, lights, coming on your face. Alhamdulillah, I am happy to meet you! I have been to South Africa once or twice. It is a good place and the people are good also. And there are tariqahs, alhamdulillah! Tariqah is the path of seeking the pleasure of Allah. We do not intend to do anything against the holy orders of Allah. They may object against the people of tariqah, particularly Naqshbandis, but we are

only trying to keep sunnat ar-Rasool (s).

Learning must go on. The Prophet (s) said that we must keep learning from the cradle to the grave! But people now are being cheated. So many wrong people come and want to change our `aqeedah, beliefs, as we are Ahlu ’l-Sunnah wa ’l-Jama`ah. The Wahhabis are a handful of people, but they are working with their money. No one is really following them, only through money! Alhamdulillah, thousands and millions of people are Ahlu ’l-Sunnah wa ’l-Jama`ah.

Are your ancestors `alims, religious scholars? Mashaa-Allah, your face is good. Are you making dhikr in your city?

Guest: Yes.

Mawlana Shaykh: Do you do it in your house? No, you must go around! For example, first start by doing it in houses and private places, not for common people. Then, we must get in touch with common people; we must bring the masses to Islam. Therefore, I ask whoever comes to me about where they make dhikr. If you do it at home some people may come, but some people might feel shy and not come. Do dhikr in private places. Are there, mashaa-Allah, five million or more people in your city?

Guest: More!

Mawlana Shaykh: Seven million, ten million?

Guest: No, more.

Mawlana Shaykh: Fifteen million, mashaa-Allah! Every week, you may rent a hall for two hours (for dhikr). You may find a council or church halls, or some space in coffee shops. You can rent them for two hours. What do they charge? £50 or £30? That is nothing! Put up signs there such as, “Free Healing Center,” “Free Interfaith Discussion Center.” Allow interfaith discussions among all kinds of believers for free. Give free books, brochures, tea, and (Sufi cultural) dancing! Yes. Put up many Islamic pictures about Islamic civilization. Tell them about Islam and how Islam came into a bad condition when Muslims started following western countries, and Allah Almighty calls people to be together, but people have made so many sects and

have lost the main way and direction. We are only asking for the pleasure of Allah, nothing else!

Qaroon was always saving and he came down. Allah is giving, so you must also give! Make people happy. Look at those shaytanic people, dictators, tyrants and their descendants, who say, “We are keeping our places, we are not going!” Why? Do you have that continent written as yours, are you the owner? Why are you keeping it and people have nothing to eat, drink, dress, or a means to look after their ill ones? They are doing their worst for the people, only looking after their worst egos, and the ego is like Shaytan!

Do you like Lefke?

Guest: I like you! I came to see you and to learn from you! (Mawlana Shaykh smiles)

Mawlana Shaykh: There are so many creatures and Creations. Nobody or nothing can stand by itself, but Allah makes them stand up. Do you understand what the high level of belief for believers is? It is to always be with Allah! Don’t say, “I am one and He is another one.” No, everything belongs to Him. When He wants to bring something into existence, He says, “Be” and it comes into being!

Who is your teacher?

Guest: You!

Mawlana Shaykh: La ilaaha illa-Llah. May Allah grant you a long life!

(Baya`)

## Guidance for First of Rajab and Beyond

As-salaamu `alaykum. Allahumma zidna wa laa tanqusna. Allahumma zidna wa laa tanqusna, Allahumma a`atina wa laa tahrimna, Allahumma akrimna wa laa tuhilna (Mawlana Shaykh stands) Allahu Akbar, Allahu Akbar, laa ilaaha illa-Llah, Allahu Akbar, Allahu Akbar, wa lillahi 'l-hamd! Allahumma salli wa sallim wa baarik `ala Sayyidi 'l-aawwaleen wa 'l-akhireen habeebika Sayyidina Muhammadin wa aalihi wa sahbihi wa man tabi`ahum bi ihsaan ila yawmi 'd-deen. (Mawlana Shaykh sits)

A`oodhu billahi min ash-Shaytaani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. Allahumma baarik anfusina wa a`idhna min shuroori anfusina. Tariqatuna as-suhbah wa' l-khayru fi 'l-jami`yyah, “Our way is fellowship, and the goodness is in the gathering.”

O People! O attenders from east to west, from north to south, from all continents, from Man and from jinns! They are listening from the authorized one who is speaking on behalf of the Seal of Prophets (s). He is our Grandshaykh (q) who is the authorized one, and sending something for nations according to their understanding levels.

O People! Beware of Shaytan! Say, a`oodhu billahi min ash-Shaytaani 'r-rajeem. If you are not taking care, you may fall into its traps and who is falling into the traps of Shaytan, it is not easy to save himself. Beware.

People are writing on doors, "Beware of Dog," but never taking care to say to people, "Beware of Shaytan," the most terrible and poisonous dragon or something bigger than a dragon! People are making its appearance as a dragon with wings and they are fearful from that one, while the most terrible one is Shaytan, but no one is taking care. They are saying somewhere that St. George killed that dragon. Shaytan is so many times more dangerous than one dragon. All dragons that are harming people are coming from Shaytan's dragon! May Allah protect us.

The most terrible dragon for everyone is his ego. Beware of your ego! The ego is taking people in this life to bad-luck valleys, and who is falling in those valleys is never going to be happy or saved on the Day of Resurrection. Therefore, beware of your ego! The Lord of Heavens is saying, “Your ego is always ordering you to what is going to harm you here and Hereafter.” Therefore, Allah Almighty is ordering, “Be careful from your egos; it is the most terrible one that is going to harm you. If all Mankind is coming to harm you, it can't (harm you as much as your own ego).” Therefore, you must take care against your ego, which is always against heavenly orders, saying, "I am not going to obey heavenly orders! O my slave, you must follow me, you must obey me, you must try to make me happy and in pleasure. I am not leaving you if you are not doing that. I am not leaving you to taste any taste here in this life. Don't believe in the next life!" Yes, mostly people are falling into endless troubles and miseries because they are following Shaytan and their egos, which are saying, "Don't believe in anything after your death." The terrible enemy, our ego, is saying to us, "Don't believe that there will be another life after death."

Once upon a time, some young fellows or "guys," I think they were Americans (laughter), and following Americans are Russians, following Russians are Japanese, following Japanese are Turks, and Egyptian people are sometimes saying yes, sometimes saying no. Pakistani people are not saying anything, only knowing to fight people and then say, "We are first-class Muslims." You are following Shaytan!

The Seal of Prophets (s), (Mawlana Shaykh stands and sits) was warning and informing his nation, saying, "When the Last Day is approaching, on the Day of Judgment nations are not going to fight other nations, but they are going to fight within themselves." Just what he said is happening everywhere. Why are Pakistani people fighting? For nothing; not for nothing, but for Shaytan! Is Shari`ah saying to kill, burn, destroy? Hear the Prophet's holy words, that when the Last Day is coming, nations are going to fight within themselves (civil war), not with other nations. The same is happening to Turks, Palestinians, Pakistanis, in Hindustan,

everywhere. Because people are following Shaytan and saying, "Don't believe in prophets, no! Don't believe that there is a Judgment Day. Don't believe there is Fire or Firdaus, Paradise!" and making them to fight each other for Shaytan.

Once upon a time, some people who are denying prophecy and holy books were coming. They are not accepting that beyond this life is going to be Paradise or Hell. About ten from them, or less or more, were coming to a wise man, a believer who was a follower of heavenly orders. Those who are not following heavenly orders are shaytans, no doubt. Those who are not taking their orders from Heavens are either from Shaytan or they are Shaytan! They were coming and sitting in front of that wise man, saying, "O Shaykh! You are saying that there is Paradise, Hell, and Eternal Life after this life, but what you are saying, we are not believing."

The wise one answered, “I am asking you one question, O youngsters. If you are going to be in a place of hospitality or by invitation, they are putting on the table a big pot full with milk. Just you are beginning to eat and someone is calling you outside, 'Come, come,' and you are going. After a short time you are coming and taking your spoons for drinking, but a person is coming and saying to you, 'O young guys, beware! I saw a poisonous snake just appeared and drinking, then putting its poison in that milk, and running away. Beware and don't drink it!' O guys, which of you are going to have courage, to be brave to drink from that?"

They said, "No one has such courage to drink that!"
"Why? You never saw that, you were only informed it happened. Why are you not drinking? Why are you not saying, 'Perhaps that person is a liar.’”
"O Shaykh! We are living only once, so we are living to drink and dying."

“You are such wise people, such clever ones. O guys, just had been sent through history of religions, just informed through 124,000 prophets that were saying, ‘O People! After death there is life. Some of you are going to Paradise, some to Hell.’ Why are you not considering a possibility that it may be one of them is going to be true in informing us? Why are you not giving that chance to yourself or others to say that perhaps, it may be true, and to take the side of salamaat, the safe way? Why? Why you are believing an ordinary person if he says, ‘Don't drink because a snake put its poison in that milk,’ and you are not drinking?”

Why are you not saying that after this life there is another life? What is your proof? What is your evidence?

Who is saying to you to deny? You are not using your mentality. And now who is not using their mentality is like animals. There is no mentality for animals. But you have that mentality and you may say, “Perhaps we must follow.” And secondly, why are you not making research about prophets and about their lives? What was their mission? You may see that from beginning up to end who said they were prophets were sent from heavenly stations. Why are you not making research on it? You are running to find even a virus of pig flu. All nations and their health ministers are standing up, giving billions of dollars or euros to find out what is that virus. How is it coming? What can it do? That is such a small creature that you can't see under the strongest microscope. Why are you running after that and making the whole world stand up in fear of that? What is that? Why are you not asking about 124,000 prophets and making research on them? Because your master, your teacher, Shaytan, is never leaving you to make research on it and they are falling in its traps until you can't save yourselves, here or Hereafter!

O People! The source of all troubles is only unbelievers. Unbelievers are making that trouble among people and people are following them. That is Shaytan's biggest trap. And now, as long as Mankind is following Shaytan and its mentality, they will destroy Mankind on this world and everything they built from the beginning up to today. And Shaytan is going to stand up and say, "O! I reached my target here and my second target that I am waiting for on the Day of Resurrection, I am making them not to believe in that day when unbelievers are taken to Hell after me. I will be so happy!"

O People! O Mankind living on this planet now, use your mentality a little bit. Don't say, “Nothing is true.” Something may be true and may save you here and Hereafter. May Allah forgive us for the honor of the Seal of Prophets, Sayyidina Muhammad (s). (Mawlana Shaykh stands and sits)

Fatihah.

Who is going to be here, tonight is the 1st of Rajab Shareef. I like whom they are going to be here to fast Thursday and Monday and keep yourself a little bit more saying, laa ilaaha illa-Llah Muhammadun Rasoolullah, and Darood Shareef. And try to make a khatm (one full reading of Holy Qur'an) while you are here; it is good for you. May Allah give you from His endless blessings!

Lefke, 11.06.2010

## THE GUIDE AND GUIDANCE and the NEED TO FOLLOW A SHEIKH

Yes, sometimes we are entering into sins through our worship because we are proud of our worship. This retards our progress towards the heavens. Therefore we need a controller over us. Now supersonic aeroplanes are fully automatic. Or are they? Is there a pilot controlling it? If he is not controlling it, why is he sitting there? Even though the plane is fully automatic yet it is in need of a pilot for controlling it. In the same way although you may be fully automatic in your prayers, yet you are in need of a pilot to guide you and control you. Therefore we are in need of a Sheik (spiritual guide). The Sheik knows the finer points of our egos which are in need of correction.

Today new fashioned Muslims are giving fully automatic power to everyone. They are denying and cursing to let a Sheik control them because of their egos. It is their egos that are cursed. They say that holy books alone are enough. Fully automatic. But it is not enough without a controller. Those foolish people quote Quran, Sunnah, Quran Sunnah and Kitab Sunnah. What about the pilot? No pilot. Do you think that you are doing and knowing your best through Kitab and Sunnah only, without having some one to look after and control you. Almighty Allah says to His Prophet (Sal) “Wa sahabi

amfil amar" – that is to control the Sahaba. Everyone knows to read the Holy Quran and Holy Hadis. So many priests and so many professors they too are reading Holy Quran and Holy Hadis, but what is the benefit they derive from it? Therefore we are asking from Allah Almighty for good understanding and to give us some one to control our actions and our worship.

Yes like students who do their homework and the teacher who goes through it. These people are not even intelligent as these students who at least have their homework corrected. Yes these people are so proud of the way they are following and it is the way of Shaitan. Shaitan was fully automatic, and Allah Almighty asked him to take Adam (alai) as his pilot. He rejected this. He said "I won't accept Adam (alai) as controller over me. I won't carry any one to be above me" that is the pride that destroyed Shaitan or Iblis. Likewise these people say that they are able to read and understand what is in the Holy Quran and they say that only they may look and that they may understand and that they are not in need of a controller.

Our Grandsheik is saying an important good manner for guidance. Everyone must look for a guide, as we are in need to reach to our destinations and it is so difficult. Look to our Prophet, peace be upon him. All creation is for his honour and sake; Allah made the universe for his Habib (beloved). Yet the Prophet accepted a guide, Jibril (alai). All Prophets accepted Jibril as their guide. Our Prophet is of the highest station in the Divine Presence, a representative of Allah among his people, and he is taking a guide. It is indicating that for everyone asking to reach the Divine Presence a guide is necessary.

This is the most important adab. Our Prophet was always following the orders of Jibril, doing every action and speaking according to Allah's orders as brought by Jibril. It means that no one may reach the Divine Presence without a guide and guidance. You must give yourself to the hands of a guide, surrender, or else no benefit can you take. A guide is one who knows your destination. He is an open-eyed person. A blind man can't guide, he is in need for one. In our days very few persons are

accepting a guide for themselves, everyone is so proud, saying, “I am clever, I know better”. They may know this world’s knowledge, but this guidance is not such that you can read in books and follow. You only know it with a murshid. You must have a guide; only pride is keeping people away. There is no reaching the Divine Presence without a real guide.

For a humble Mureed following a Murshid, if he is consulting the murshid in every matter it is good, but for three things it is a must. These are marriage, divorce, and far journeying. Also for the pilgrimage is necessary consultation with the Sheik. If not consulting, one may fall in a bad condition. The Sheik may give his orders by dreams, as it is prohibited for jinn or devils to appear in the form of the Prophet or the Sheik.

Whoever is asking improvement in the Way of Allah must ask for a guide. It is the quickest and shortest way. Seyyidina Ali asked the Prophet, “What is the easiest way to our Lord? He said, Oh Ali, look for one Friend of Allah and stay in his shadow. A shadow is not going to separate from a man. Then you may reach easily and quickly to the Lord’s Presence”. The beginning of the way is to agree with a guide.

Our Grandsheik says that Iblis is the most learned of people for all religious knowledge, knowing very well the contents of the Torah, Psalms, Gospel, and Qur’an. But he is prohibited from taking Divine knowledges; he can never know about the secrets of those books. If he knew, he would not want people to make them like himself. What closes these secrets? It is to be proud of knowledge or worshipping. This puts one far away. Iblis would never take a guide for himself. Allah intended Adam to be his guide but Iblis would never accept Adam or his knowledge. This is the power of his proudness, and the reason for which he was thrown out of the Divine Presence.

Our Grandsheik is saying about the signs of a Murshid, one who is leading people into the right ways and is an inheritor of the Prophet. Murshid in Arabic is also one who pilots ships into unfamiliar harbours. Everyone has a special destination; no two

persons are alike, thinking the same thoughts. Everyone who does not know how to go on to his destination is in need of a guide. The future is unknown, commonly, but knowledge of it is given to Prophet and Saints. We are in darkness in need of lights, the light of Prophet hood is to inform us what is ahead generally, and the light of sainthood to guide us to our personal destinations.

The sign of a Murshid is that you are able to trust him. It is an action of the heart and cannot be measured with a yardstick or scales. Your heart gives the signal and the heart is never mistaken. If a person is sitting with a true Murshid, he feels peace, rest and satisfaction. Very happy, this is the sign. He forgets everything from troubles; he is just in an ocean. Now so many people are going to the sea-side. Why? Because when they enter the water, they find rest and enjoyment. As the body is drawn, so the soul is asking for a sea. We need in our life one person like an ocean, so that our hearts can be in enjoyment and satisfied with that person.

Sheik Abd-ul Khaliq al-Ghujdawani was speaking about the attribute of a Mureed as to how he should be in front of his Sheik. Surrendering is a good attribute for all followers, without it comes no benefit or development. The meaning of surrender is to leave one's will and to follow the will of the Sheik; to turn to him for everything, saying: "As you like, oh my master". Our Grandsheik quotes Abd-ul Khaliq as saying, "Oh my sons, we are not accepting a surrender like a dead person's surrender to the hands of the washer. They sometimes complain that the water is too hot or too cold, though not with their tongues, but spiritually speaking. If a Mureed is saying objections in himself, it is not acceptable". Surrender must be inward and outward, like a dry leaf in the wind. Even if it gets blown into a fire, nothing will you hear from it. Such a Mureed is taking 100% benefit from the sheik. As much as the Sheik takes from blessings, he is also receiving. If surrender is not complete, then only half and half. This is the way for one who is asking. Who says to his ego: "As you like", - how can there occur development? Step by step, a sheik teaches his followers how to surrender. It is not so easy a thing. Prophets sent from the Divine Presence to teach this were rejected

by their people. We are training now, if we are saying: “As you like” to the Sheik, then we may say likewise to the Prophet, and then we may say so to our Lord. We are training how to be with our Lord.

Our Grandsheik’s advice to everyone is that they must look for a holy person who may guide them to their Lord’s Way. He stresses, furthermore, that this is an obligation for every believer, and that once the seeker has found his guide, the most important point for him as a follower is always to firmly believe that his guide is absolutely right and correct in his actions. You must believe in your guide, must believe that he knows at least fifty times more than you; your having this attitude is a necessary condition for his being able to guide you. If you think that he knows feels or looks at things the way that you do, then you will never be able to derive any benefit nor receive any guidance from that person.

Real spiritual guides are inheritors of the Prophets and in spiritual contact with them. It is a well known fact about Prophets that they had extraordinary powers and characteristics that enabled them to serve as guides for people to their Lord’s Divine Presence. You must know that whatever is the number of people in a Prophet’s Nation, and be it millions or billions, that Prophet must know at least that number of times more than any of his people may know. You can only know for yourself, but a Prophet must know for his whole Nation, so that he can complete his Prophet hood by means of them. Because of the spiritual connection that real guides have with the Prophet, and by virtue of their being his inheritors, they also have such extraordinary powers and characteristics which enable them to know at least fifty times more than we know.

The most important thing for a seeker (Murid) who follows a guide (Murshid) in order to move toward the Divine Presence is to understand that his guide is going to try him time and again. The Murshid has been ordered by the Prophet to try his Murids, and everyone knows that a trial is not an easy thing – or else it isn’t a trial. When a Murshid tries his Murid, he sends toward him some trial in which that Murid can see no

Divine Wisdom at all. Perhaps he orders some thing which the mind of that Murid cannot accept and protests against loudly to itself: “It is not right to do this; why does he order me to do such a thing?” If the Murid should openly express such rebelliousness to his Sheik, or if it just comes to his heart without him even letting anyone know about it, the Divine Power between him and his Sheik is cut – like a blown fuse; he is then stuck at that level and unable to progress.

Grandsheik says: “For a Murid to rebel, either openly or secretly, against his Sheik is as terrible as someone cursing the Prophets; it is abominable to think bad thoughts about one’s own guide. One’s changing of heart in relation to his Sheik is like cursing the Prophets, for if not for your guide you are never going to reach to knowledge of the Prophet’s realities.” Therefore, a follower must have utmost respect for his Murshid, not only in what he expresses, but also in what he conceals in his heart.

This is training for believers so that they may learn to always keep respect in their hearts for the Prophet, and never to object in nay way to anything that the Prophet did in the way of actions and judgments. If someone says, regarding the Prophet, “This action of his was totally correct, but that one not so much,” then immediately the power is cut between the Prophet and that person, and the connection is in need of being reestablished.

Ultimately, this training is essential in enabling us to keep our faith and to become real slaves of the Almighty, as in the course of our lives so many strange, terrible and unthinkable events may occur whereby people’s hearts will be disturbed, and many will say, “What is this, is this justice?” So many people are asking this question nowadays, when, according to the understanding of their minds, there is no justice and no mercy in certain events – this is unbelief. If a person believes in his Lord, he must believe that his Lord is always guiding events in the most excellent of ways, and that in everything that happens you may find the Lords absolute Mercy and Justice.

If you do not accept training at the hands of a Murshid, you won’t be able to tolerate

many events which are happening all around you in this life, but over which you can exercise no control whatsoever. If you are going to object to the occurrence of these events, you are, in effect, accusing Allah of wrong judgement and injustice. Therefore, every believer must first be trained at the hands of a Murshid; then, when he has stopped saying, 'No', and 'Why', in relation to his Sheik, the perfume of good actions will begin to issue forth from that Murid. What this means is that you will not find any objection in a real believer to what his Lord decrees, nor can you witness any breach of manners toward the Lord. He says: "Oh my Lord, You are right, I am wrong; oh my Prophet, you are right, I am wrong; oh my Grandsheik, you are right, I am wrong." This is the peak and the perfume of good manners and actions; whoever obtains these characteristics will improve more rapidly than anyone else.

The trials that come to us from our Sheik will be much lighter trials than those coming from the Prophet, and the trials that the Prophet sends will, in turn, be much easier trials than the ones send by Allah Almighty – and you must be ready for your Lord's trial, then you will be alright – not before. When you can say, "What my Lord decrees is right, and what I might desire contrary to that is wrong," you have attained the highest degree of good manners with your Lord (Adab). All Prophets have been sent in order to teach this point.

How can a person really believe in his Lord when he sometimes objects, saying that his Lord is not performing the best of possible actions? A person has really overcome this pitfall and attained to real faith when he can wholeheartedly say, "Allah knows best what is good for His creatures, the Prophet knows what is best for his Nation and the Murshid for his followers – we can be wrong, but they can't." When he can always accuse himself in this manner, it means that he has attained the first station of faith (Iman).

The basic and common level for man is to be at all times one with his ego, and when man is one with his ego, he is in the darkness of unbelief (Kufr). People on that level many be heard saying, "I am just fine, but the problem is with the others – they are all

wrong." As long as a person is on that level, he will never accept a guide or believe in a Prophet; how should he, when he thinks that he knows everything better than anyone else? He is under the control of the commanding-self, nafs ul-ammara bis-suu), and s long as he is under its command he will remain on the level of unbelief.

When one climbs from that level to the second level, he improves to the awakening of the self-accusing self (An-nafs ul-lawwamah); once awakened, that self always makes the person see himself as being blameworthy, and accuse himself by saying, "You are wrong, oh my ego." At that stage he will seek some guide to show him what is right, as he has recognized that his ego is always wrong; it's praying is wrong, its fasting wrong, its alms-giving wrong and its pilgrimage is wrong- nothing is right because he is not right, not yet purified from the tyranny of his lower self. Once he has accepted the fact that his ego is preventing him from doing any goodness, he is ready to accept a guide to lead him to real goodness, and at that point he is prepared to be a follower; even if his guide tries him severely, he will say, "I am wrong, he is right." When a person has reached this point, he has attained the first level of real faith (Haqiqi Iman).

All different kinds of situations may befall a person during his life. One may encounter both goodness and badness, and indeed it may be one's lot to have to suffer the most troublesome and harmful events. Whenever such events befall one, the sign of real faith is one's being able to put up with them – for example, to eat an unliked food (unliked by the ego, not by the Divine Law); to see hear or come in contact with something one detests. In all these cases, one just be able to keep hold of oneself without flinching, without undergoing any change within oneself and without saying, "This is wrong and I am right." This is steadfastness, a sign of real faith.

The value of human beings is well-known, completely known, by Allah Almighty, who created them and gave them their values. Then, the most knowledgeable person concerning the value of man is the Seal of the Prophets, beloved Muhammad, p.b.u. h., and the other Prophets take their knowledge concerning the value of the Sons of Adam from him. And then, the true followers of the Prophets and of the Seal of the

Prophets, peace be upon them all, the Awliya (Saints), know the value of mankind, and they take human beings and arrange them from every side. Then their values, their true forms, appear, and they take them to the Divine Presence. But without a Prophet or their inheritors, people are like discarded stones. Even if they are diamonds, without their being cut and made suitable, they are not going to be put on a crown.

Therefore, every Prophet came to make people ready to go into the Divine Presence, to their heavenly stations in the Divine Presence. Whoever comes and submits to the Prophets, the Prophets arrange them. But if they run away from them, escaping, they can't do it. Then they are like stones, thrown away.

Therefore, the most important work of the Prophets and of their successors, the Awliya, is to make everyone's value clear by arranging each one according to his promises on the Day of Promises. If anyone is asking to be in the Divine Presence, in the first rank, he must follow the Prophets or those who follow them, the Awliya. Those who do not follow – no value for them; they still remain like stones. Then ultimately they must be treated by some training after they leave this life and in Barzakh (the stage of existence between death and the Day of Judgment of the Eternal life) and in the next life in order to allow their values to appear, but they are not going to be in the first rank of those who will be with the Prophets and Awliya.

No value for a person who stays by himself and never follows the Prophets and their inheritors! Even is this life, if a person does not follow a college or university course, he never gains any value in his community; people say, "A simple or ordinary, standard person." But the one who follows a course in a university or college or academy, and it is proved by a certificate or diploma, has value. No matters how much you may know by yourself, if you do not follow one of them, no one gives you value. You can't be a doctor, you can't be an engineer, and you can't be a lawyer because you aren't following any school.

Therefore, in the spiritual life, whoever is asking for improvement, insofar as he may be by himself, he may acquire something, but it is of no value. You must follow a Prophet. For this reason, philosophers, who are asking to reach a point by themselves without following any one of the Prophets, have no value. We must follow.

To the extent that you can follow one of them, you may reach your real value, and that value will appear among creatures on earth and in Heaven. No one can attain to that, particularly to heavenly stations, without following someone who belongs to Heaven. All Prophets belong to Heaven; if a person has no relationship to Heaven, he is not going to be a Prophet. Whoever has no relationship to Heaven is also not going to be Wali, a Saint; it is impossible. There must be a relationship between that person and Heaven, and you must follow such a person who has a relationship between himself and heavenly beings; otherwise, the one who is walking on earth (that is, a person who is worldly and not strongly connect to Heaven), is not going to be a guide to you. You many find everything on earth, but without a guide you can't find the way to Heaven; it is so difficult and so far and so full of danger.

Therefore, there must be a guide for you. Even for a rocket which is sent into space, it is so difficult and so dangerous to be in it or to have the control of it; you can't send a rocket into space through just anyone. He must be a person specially trained for that purpose, knowing best how he can send it. To send a person from earth to Heaven – it is more difficult than sending a rocket into space; not everyone can do that. The one who can do that is the one who has been sent to Heaven by the Prophet (Sal). He knows the way and he knows how he may send others. He comes through the Prophet up to his own Grandsheik, never making a mistake.

Don't tell me, "Why are you not sending us now?" Go and tell that engineer or scientist who is preparing that rocket, "Send it into space now." Would he listen to you? He is working on it. A person is going to be ready to be sent up to Heaven, Grandsheik said to me, if forty scholars who know the Shari'ah excellently are with him for forty days and they give a report saying, "This person is all right from every direction. We

forty scholars have been looking at him day and night for forty days. In every action and behavior that person is perfect. According to our knowledge, there is nothing wrong with him." If they give such a report, it is all right to send him.

We are trying now, but then our egos come, destroying this path and damaging us; every bad action damages our inner structure. We are trying to build it but it is so difficult. But, as we are beginners, it doesn't matter. We are practicing, we are building, we are learning, we are preparing ourselves. It is enough to be here humbly and listening; that gives us divine help and makes us be ready. Even at the last moment we must be complete, insha'allah; we are going to be complete and go to Heaven, and we will see doors opening to us. So many people, when they go from earth to Heaven, find doors closed to them because they are not ready; then they are sent back to make them ready to go up. But those whom come and listen and accept and believe, they must be prepared, even at the last moment before leaving this life, to reach their heavenly stations in the Divine Presence.

If we are separate, we are like parts of a tasbih (Rosary), beads. If there is no string, they will be lost, scattered, but when they are on this string that can never happen. And for each person, if alone there is danger of being lost, but if coming with an imam, (The alif or long, terminal bead connecting a tasbih or string of prayer beads), on a string, he is protected. Look, everyone! (He shows his tasbih) Sometimes this string is strong; sometimes it is very weak and quickly breaks. Therefore you must be careful. A silver one is stronger, you know? Then anyone who is with a Sheik, with a guide, the guide guards them. If not with a guide, they are often going to be lost.

We must be humble, as much as we are able, to be in agreement with a sheik, with a guide. The guide is the most important person throughout our lives because everyone must take a guide either on a good way or on a bad way. Everyone takes a guide. If a person does not take a guide on a good way, another guide is waiting for him, quickly taking him to a bad way. For bad ways there are so many guides; so many devils, dressed like men and taking them. Therefore, everyone is in need of a

guide, but you must be careful to take a guide throughout your life for goodness, not for badness. Everyone knows that, for all people, this life is going to be either with good things or with bad things; everyone knows that. But so many times we are so weak in the hands of our egos, running after our nafs. When you run and make your ego or someone who is from devils as your guide, you quickly fall into dangerous, terrible places, hells. You must choose that way which is going to be suitable for you.

A strong guide guards his followers; they may be in the East, they may in the West. When Yusuf (alai) was in Egypt, his father Yaqub, was in Palestine or in the area around Damascus. When the wife of the ruler of Egypt called Yusuf to her bed, (Quran XII: 23-34), and he was ready for that, his father showed himself and said, "O Yusuf, guard yourself." Yaqub (alai),
could have been in the Far East, doesn't matter, he could have been as far away as you can imagine. Nothing keeps back that power; distances never prevent that power from reaching. Awliya have miraculous powers like Prophets, but Prophets' miracles are more perfect. Awliya do not have such power but they have the same attributes as Anbiya, Prophets; then that power goes through them, also. They may do miraculous things, and a true sheik may guard his Murids, whether they are in the Far East or in the Far West. They may send their spiritual power to every Murid so that they are not alone or solitary. When you remember him that remembrance makes your sheik's spiritual power be ready with you, be present with you. That is a miraculous power which every true sheik has been given.

*MURID : How can we make contact with our Sheik, not just for asking help but for being with him.*

If a boy falls in love with a girl or a girl falls in love with a boy, they are
occupied; they are always in contact with each other. If your have such love for your sheik, you may be in contact sometimes.

Some people are engaged by their Lord, Allah Almighty; they are the Anbiya,

Prophets, and Awliya. Never does anyone get into their hearts except their Lord; they are always in contact. Some people are always engaged with the Prophet, p.b.u.h., some people with their Sheik. Some people sometimes, maybe when they are in need, ask for their Sheik. According to your need, you may ask, you may be in contact. And it is so easy. When the remembrance of him comes upon you, you are in contact; no need for protocol. Quickly, when you think about your Sheik, he is with you; when you forget, you are far away. When you remember, he is with you, quickly. You must understand this point. Then it is going to be easier for our brothers and sisters to be in contact with their Sheik. Any time they may be in need, if reciting a Fateha and send it to the Prophet and their Grandsheik, it is alright.

And in our time, people are using so many wrong methods. They do not understand, or they do not even know, what is the beginning and what is the end; from where they are beginning and to where they are reaching, as a blind person never understands where he is or where is going to be. And most important for a person throughout his life is a true guide. A true guide can be known when your soul is in peace and satisfaction with a person. That is the sign, the real sign; to feel peace and satisfaction with him in your heart. If you are still in doubt, hesitant, it means that something is wrong with that person and you must look for another. If your heart is not in peace with his method, you must not follow that way. There are so many ways. You must try for another one until you reach peace in your heart, so that it should be alright for you.

Then this is the way to attain peace, to die before dying. This means that when you find a guide, you must be with him. You must not carry about a different personality from his but must agree to be one with him, one unit. You can't carry about another personality from your guide's; you must melt your personality in his personality and you must appear as himself. Then you will be all right.

Once a person came to a Grandsheik and knocked at his door. The Grandsheik asked, "Who is there?" "Ibrahim," the man said. "It is I." I, I, I – always saying I. "I?" the

Grandsheik said. “My place is only for one, not for two. Go away.” And that person went away. After one year he tried again, coming and knocking at the door. “Who is there?” the Grandsheik asked. “You, you.” “If you say, You, now you may come in.”

Therefore, the first condition for a person who is asking to reach real peace is that he must give himself, all that he is carrying, to put into his guide. His guide can take it and carry it. When you are going to be your guide that is the way to reach your destination.

There is an airplane. It may hold one hundred or two hundred or three hundred passengers, but when it flies you can see only one jet plane. You do not see five hundred persons inside; you can see only that it is a plane, flying. The plane takes all those people into itself, finished. Therefore, when you take a guide to your destination, you can be in him; you can give yourself, your selfhood. You must consider yourself as a drop. Then it reaches its ocean and no more drops – finished. You leave that drop and are going to be an ocean.

That is peace. When that drop falls into the ocean, can you take it out, can you find it? Finished; it is all ocean. Therefore, peace is not to be found without leaving your drop in that ocean. And your guide may be a lake or he may be a sea, but they run into oceans, also. That is important. When we say, “Die before you die,” this is the meaning of how we can die before the natural death. You give your personality to your guide; you throw your personality into your guide’s personality, and then you say, “I am no longer in existence,” finished. When you look at your guide, you see yourself in him and when he looks at you, he looks at himself, and we – we reached our spiritual peace. You may find it during your short lifetime in this life. But if you do not use true, correct methods and you go wrong, you will always go far away from peace. Instead of running toward oceans, you will be running toward deserts.

There are two types of Quran – “Quran un Nathik” and “Quran us Samith”. The Quran is something that speaks. It must speak and we must listen and obey it. If

the Prophet (Sal) had not come the Quran would not have spoken. Almighty Allah first sent the Prophet (Sal) and then the Quran. The Quran was sent through the Prophet. The Prophet spoke. Therefore the written Quran is one thing and the speaking Quran is something else. If there is no speaking Quran then that Quran-i-Kareem shall give no benefit to the people. Therefore Almighty Allah first sent the Prophet (Sal) and then through him made revelation by sending Holy Quran to him. Then, the Prophet (Sal) spoke – The speaking Quran is the Prophet (Sal). The Sahabas – Mea wa-arba ishreena alf – 120,000 of the Sahabas, all of them listened to this speaking Quran. Listened and obeyed. If only the Quran was sent who is to be obeyed.

The Prophet (Sal) is the representative of Man atha ahu faqad atha Allah, those that obey Rasoolullah obey Allah. He is the representative, representing Haqq. Therefore, the Sahabas listened to the speaking Quran and obeyed him. Before Islam the Sahabas were at the lowest of levels. From this level Rasoolullah (Sal) brought them up to the highest level. So much that no community either before or after shall reach to this level. It is impossible for any community to reach to the level of the Sahabas. Is this a fact or a falsehood? Rasoolullah did take them from the lowest of levels to the very highest level so much so that no community shall ever be able to match it. How was this possible? It was made possible by listening to the speaking Quran.

There are some foolish people today who deny this point. They are a heedless people. They say that everyone should read Quran and Hadith and that it is enough. According to them there is no need to follow an Iman or to follow a Sheik. They follow only shaithan. If one does not follow an Imam or a Sheik, who is he following? Everyone must follow someone; so in that case they love to follow shaithan. They are an ignorant people because they say that you must look to the Quran and the Hadith only. I am asking “Were the Sahabas looking to the Quran or were they looking to the Prophet, who was the actual speaking Quran? Were they not obeying him? Allah

Almighty has made it very clear through the Holy Quran “Asta-eedu billah. Ya ayyu halla-zeena a’manuth thaqullaha wa koonoo ma’sadiqeen.” “O believers be fearful of Almighty Allah and be with the True ones (The Awliyas).

These foolish people say that the “True Ones” (The Awliyas) referred to here have all passed away. They say on the other hand that if these “True Ones” can be found today, then we must find them and be with them. Even the tombs of those True Ones are being destroyed by these people. They deny even them. “Koonu” means you must be “Ma’a-saadkeen” with the "True Ones". Who are these True Ones?. Sadik – means trustworthy and true ones. Who are they? Sadakoo ma a’tha Allahu ala rijalin – they are Rijhalun. They are a group of people from mankind. They are the ones who promised to Allah on the day of Promises “Yawmul ahd wal meezan, alasthu birabbikum qaaloo balaa.” They never changed their promises “You are our Lord and we are Your servants. Only Your wervants”. They were the ones who did not change this promise to become servants of their egos, or servants of Dunya or servants of shaithan. They are the servants of Almighty Allah only. These are the ones whom Allah ordered people to be with. They are the trustworthy and True Ones. The Sahabas gathered around Rasoolullah and listened to him and obeyed him and reached the highest level of mankind.

Therefore we too have been ordered to look and search for a “True One” (The Saints). It is an order from Almighty Allah. The entire nation of the Prophet (umma) they should have a “True one” to be their Khalifa. But they have lost it now. Wherever we may be, we must search and look for such a “True One”. Don’t say that you can never find them. “No! We can always find one. If a person asks Khidr Alaihi Salaam, “Thalabna wajadna” it is impossible for a person to ask and not to meet one. It is Almighty Allah’s Divine Attribute. If a person asks for something with sincerity and seriousness, he must achieve it. As you are Ceylonese people, you know about gems. The miners keep digging till they find, they do not say that it is impossible to find. They keep on digging till they find the gems.

Almighty Allah likewise teaches you. If you are asking to find precious stones and working for it and then finding it, then likewise “there are also precious servants of mine” says Allah, if you ask sincerely you may find them. Don’t say “No”, I am asking. I know that this is Sri Lanka, or Malaysia or India. Perhaps you may say “we shall never find". Even if these precious ones are all gone from this area then it must be that they shall be at Mecca within the Kaaba and at Medina at the Rawla Sharif. It must be.

I ask so many people what do you find in Mecca and Medina? They say they have kissed the black stone on several occasion. Then I ask them whether apart from the stone and the buildings they have not met any beloved ones of Allah, (Saints). Did you ever look or search for them. They said “no, only the Kaaba and the black stone, then we were involved in buying and selling goods, we did nothing else.” This Umma is forgetting to ask from the Saints. Therefore all the Saints are now hiding themselves. They say (the Saints) that the Umma of today do not value the Saints anymore. So they have escaped and are hiding themselves, and the Umma ends up loosing them. They never ask from the Saints and then troubles begin to rain on them. This is the punishment from Almighty Allah because they are not asking from the good ones, the ones that Almighty Allah ordered us to be with, instead they keep company with the bad ones. When people get together with these “bad ones” curses fall upon them. On the other hand when they are with the “good ones” blessings rain on them. Therefore it is very important for you and for the entire Islamic world to look and search for the Saints. Where are they “They must search for them.”. If they are pleased with them, then Allah Almighty and Rasoolullah (Sal) are pleased with them. If Almighty Allah and Rasoolullah (Sal) are pleased with them, always mercy and blessings will pour on them.

Today people are fearful. What are they fearing. If Almighty Allah does not give them permission nobody can be able to do anything. If He gives permission then no one can prevent them (the Saints) from coming to you. Therefore this is a punishment

because we are not with the Saints. Some foolish people are attacking Saints and trying to put them down. Therefore those who do this to them, have curses coming on them. “Ala inna awliya Allahi la khawfun alaihim walahum yahzanoon.” Allah Almighty in the Holy Quran praises the Saints when he says “In the Saints, there is no fear, in them now or in the future, and they will not be sad forever.” It means that it is also for those who are with the Saints that they also shall have no fear or sadness. The companions of the Prophet, (Sal), said that when they were fearful, the Prophet, (Sal), was a shelter for them. Those who were far away came running to the Prophet, (Sal) to feel safety with him. All the Saints are the inheritors of the Prophet (Sal). When you are going to be with them, physically or spiritually you are sheltered by them. If you can’t find them physically, let your spiritual body search for them and be with them. If at anytime you feel fear, run to them with your spiritual being. They should send a shelter and also confidence to you. May Allah Almighty forgive us and our attenders here. Your hearts are very suitable hearts. Therefore may blessings come on you. I feel confident and refreshed through my heart as you are here with me. May Allah Almighty make it continuous and forever. May He bless you and your ancestors.

Allah Almighty says : Fala Tamootunna illah Wa Antum Muslimoon. Allah Almighty orders (thereby): "Oh people, Oh Believers, you believe, but through your heart you may lose your faith and your wrong actions will make Iman to leave you and make belief to leave you and make you not to die in Islam. You must be very careful not to lose your Iman by your speech, by your actions or by your intentions or by your opinions. Bad opinions lead you to bad intentions. Bad intentions lead you to bad actions and bad actions lead you to loose your faith and your Iman."

You must take care and not be guided by our own opinion. There is no “own opinion” for Muslims – Muslims who surrender to Allah Almighty and to Rasoolullah (Sal) should not say: This is my opinion or that is my opinion because this is the twentieth century, and even if it is the one hundred and twentieth century you must try only to follow and not to have opinions. Don’t think that A-immatil arbathil the four Imams, gave their

own opinions, No, Never. They always gave their decisions after looking at the Quran and Hadees. Therefore wrong opinions lead people to wrong intentions, wrong intentions lead them to wrong actions, wrong actions harm Islam and destroys Islam. When they destroy Islam, they lose their faith and Iman as well. Therefore Allah Almighty orders: Wa'thasimu bi Hablullahi Jami'ah". Don't say this is my opinion, or that is my opinion, come altogether in unity. "Wa'thasiu bi Hablullahi Jami'ah". Allah Almighty says "Hablullah".

Hablullah means Rope – Rope of Allah Almighty. What is that Rope? Have you seen that Rope? What is that Rope? Hablullah. Quran: "Hablullahi Ummati". Rasoolullah (Sal) said, "Quran Hablullahi Ummati.' Quran-e-Karim" is that Rope or the unbreakable Rope of Allah Almighty. Then there are also two Qurans. Perhaps you have never heard about the two Qurans? There are two Qurans – one is the silent Quran and the other the speaking Quran. The Prophet (Sal) is the speaking Quran. The Sahaba, were with the speaking Quran. They were not only reciting the silent Quran but they were understanding from the speaking Quran wa'thasimu bi-Hablullahi Jami'ah.

What is that Quran? It is the Rasool (Sal) who is Hablullahi Ummati and you must understand this point well. Please don't aspire to reach the level of Rasoolullah (Sal) because no Prophet ever inherited any money or property. Their only inheritance was Meeraz (revelations) and nothing else. The Prophet (Sal) inherited the Holy Quran and the Holy knowledge that was revealed. He left that Meraaz (revelations) to His Sahaba and to the hearts of his Sahaba. Therefore Prophet (Sal) was given that inheritance by Allah Almighty, who in turn gave it to the hearts of the Sahaba. Particularly Prophet (Sal) said that "Allah Almighty poured through my heart and then I poured it to the heart of Abu Bakr (Ral). As Prophet (Sal) was the speaking Quran to the Sahaba, the Sahaba were connected to him with this unbreakable rope.

After the Prophet (Sal) the Umma was with the Sahaba, and after the Sahaba, who carried it? Who carries that Divine trust which is revealed from heart to heart? Who are they? What is the Speaking Quran and who is making mankind connected with

that Rope. After the lifetime of Prophet (Sal) who connected the Speaking Quran to the True Umma? Not the Umma, we see today of people who think that anyone who reads a translation of the Holy Quran is an authority on Islam. That is the way they think. It is their opinion. They don't ask the Speaking Quran or care to search for them and to be with them. That is our power. Islam's power is to be connected with holy people because Allah Almighty has promised that "If you get connected with Hablullahi Ummathi, that is with such people who belong to the Heavens, with such Holy people who are the Friends of Allah and who are close to Him and His Rasool (Sal) and they are the Saints. If you are not with them "Wala Tafarraqu", you would be separated. It is such a sad separation that it is a punishment in itself. This is a punishment for the Ummah and what is happening to the Ummah nowadays is only a punishment because you are not getting connected with the inheritors of the Prophet (Sal) and because everyone is claiming that they know in accordance with their opinions.

## Hajj-ul-akbar 1999: Labbaik, Allahumma, labbaik...

Hajjis are preparing themselves today to climb up the Mount of Arafat, and tomorrow, insha Allah, they are going to be in the Divine Presence, standing up and asking Allah Almighty to clean them of their sins, asking to be granted blessings from His endless Mercy Oceans.
Perhaps from the beginning until today there has never been such a crowded pilgrimage. Only this year it will happen, and it is important, because it is the last pilgrimage before the closing of the second millennium. Also it is Hajj-ul-Akbar, which is honoured seventy times more than an ordinary Hajj.

Grandsheikh said that every year those who have been granted an invitation for Hajj, pilgrimage, come from every direction on earth. On the Day of Arafat they are saying: "Labbaik, Allahumma, labbaik...", which means: "Oh, our Lord, with our whole being, physical and spiritual, we are running to You, running after Your call, as You are calling us to come for Hajj, to visit Your Holy House, the House of the Lord. We are running to You with all our humbleness...labbaik...just running to You. We are leaving everything and we are following Your call...labbaik, Allahumma, labbaik, labbaika, la sharika laka, labbaik...No one can be a partner to You. We have left everyone who is claiming to be Your partner. We are not hearing, not listening to them, we are not accepting their commands. We live only for You, we are running to You...We are weak servants, coming from the nation of Your true servant...labbaik, Allahumma, labbaik, labbaika la sharika laka, labbaik,

inna’l hamda, wa ni’amata, laka wa’l mulk, la sharika’lak..." Allahu akbar! "Inna’l hamda...all glorifying, praising, absolute thanks, that may be offered to You by Your servants, it is for You, only for You...wa ni’amata...what You are granting to us, Your servants, from every kind of Niamat, favours, and blessings, is from You only...laka wa'l mulk...Mulk, everything in existence including ourselves, belongs to You...la sharika’lak..."
No one can say for even one spot or one atom, or less than an atom, that it belongs to him. If anyone may say: "That atom belongs to me", Allah may tell him: "Take that smallest part that belongs to you, and go away!" Or if anyone was saying: "That gigantic galaxy there is for me," the Lord may tell him: "Take it and go away, get out of My Territory!" And to whoever may say this or that belongs to them, He may tell them to take it and go away... Allahu akbar, jalla jalaluhu...

So tomorrow, when people are crowding on Hajj, calling to their Lord, the Veils of Greatness will open and Allah Almighty will look at them, with a look which is like just one ray of the sun, or even less than that, coming and cleaning...cleaning...cleaning...until they are completely clean. This mercy is coming and covering people. Grandsheikh said that when it is Hajj-ul-Akbar, Grand Hajj, which means that the Day of Arafat is on a Friday, and Allah Almighty is looking to His servants, that grant is coming to them seventy times, and therefore Hajj-ul-Akbar is equal to seventy Hajjs.

Wahabi people are not accepting this. There is no Hajj-ul-Akbar for them. So we are taking the blessings, and they are leaving them... Tomorrow is going to be that day, insha Allahu Rahman.

There is one problem, or one point, that we may speak about: I have heard that the Wahabi government and Wahabi people are shaking now, because of the big crowds of Hujjaj in Mekka-i-Mukarrama. They are shaking, because they are counting over six million people now, but Allah knows; perhaps there are seven million or more... The Wahabi School is a materialist current, never accepting any spirituality in Islam. They are materialist people, growing in Islam, who are thinking and writing about everything with their materialistic views, counting and balancing everything.

It was after the Second World War, 1946, and that year was also Hajj-ul-Akbar, the first one after the peace, that I was there with our Grandsheikh. Because of the war not too many people could come- everywhere was closed. I remember that more than two million people were there, and at that time there were still the old

buildings in Mekka-i-Mukarrama and Medina-i-Munawwara that the Ottomans had built. I remember that when we prayed our last Juma prayer in the Haram of Mekka, sharafaha Allah, at least one million people, maybe more, were praying there, and according to the size of the area of the Haram-ul-Sharif, only one hundred and fifty thousand people could enter it, no more. I prayed inside the Harram, and yet around the Kaaba there were empty places for some people...I was there...

These Wahabis are saying that they must help the people, and really they are claiming that they must help Allah... Astaghfirullah...making an extention of Mekka-i-Mukarrama for people to take their rest in, to enter it freely, to do Tawaf freely, to pray freely, with no crowding of people. They began... But as much as they were making extentions, much more crowds were coming...

And I went year after year- 1980 was the last Hajj for me, that my physical being was there also- and I could never reach to do the Juma prayer inside those buildings. Always I was outside, putting something on the street and praying on it...

And now that they have made it so big they are realising: "Oh, we have destroyed Mekka, but people are still not able to pray comfortably in the Harram..." And they also destroyed Medina-i-Munawwara, yet it is not big enough for people.

So Shaitan was teaching them, saying: "Make contingents, limits." That means they are now doing something else that is not Rahmani, but Shaitani, because it is Shaitan who teaches them to make limits: "Say, for example, to Turks that only 9o.ooo may come. And people want to come again, but they may go on Hajj only twice; no, only give permission to enter the kingdom once, only to whoever is coming to Hijaz for the first time. For Syrians: 5o.ooo. Pakistanis...no need for those people...every year they are coming... 5oo.ooo, doesn't matter. Iranians, they are fighters, trouble-makers, make it 4o.ooo for them. Egyptians...we can't do anything for them...2oo.ooo." This is all shaitanic teachings. Now this year they have made another limit. Even after taking the visa and permission from the Saudi consulate to come, they said to a Grandmufti that he has to bring a new identity card also to be able to enter the kingdom...

And they made so many tunnels under the mountains in Saudia, ways to reach Mina and then Arafat... The more they are trying to do something, the more they are becoming 'majnun', crazy, all of them. And it would be so simple: Don't touch anything. It is an invitation from Allah Almighty to the people. Whoever He is

asking to come and visit His Holy House He is carrying responsibility for His visitors, not you! But they are like rocks, their heads are like rocks, never understanding anything about spirituality. That is the reason why the government is shaking now: "What shall we do?"... Leave people free! Mekka and Medina are for all the Muslims, why are you putting such foolish limits on people? Leave them to come and visit. If they were leaving them, even sixty million people could come easily because Angels would put roads under them, ways to move, to go and come smoothly...

I have heard that they have also destroyed everything inside the Harram-ul-Sharif to make Tawaf easy, but that now people make Tawaf outside, in big circles. What is that?

I was there in 1946, and at both ends of Safa and Marwa there were shops, and also camels passing on the way and cars and people...going like this, coming like that...crossing the way, and we, the Hajjis, we were going like this...making Sai and passing so easily...two million people and more... Now, if they are able to, they are going to make seven floors for people, but even if they make seventy floors, people won't be able to make their Sai as freely as we were making it. And sometimes we were running into the camels, because they were getting up on the way, and it was at that place that we had to run...and we were running and there were cars with donkeys passing, and we couldn't continue...but we were so happy, making Sai. Now, Subhanallah... Take your hands from the Harram-u-Sharif! Leave the Harram to Allah, and Medina-i-Munawwara to Rasul sws...

They are shaking now: "How we can be able to control the situation?" Leave it, there is another controller there, Muhafiz-u-Mekka...it is not an ordinary place. They think it is an ordinary place, because there is no spirituality with them. Everything they are counting...making an account...

And tomorrow, insha Allah, should be that biggest Hajj which closes this century, and another opening is coming, insha Allah. We have been informed that Sahib-u-Zaman, Sayidina Mehdi a.s., and his Khulafa and 12.ooo Awliya, who all have the power to reach there in a blink of an eye, should be there tomorrow...and it should be a strong Munajat, Dua, prayer, which will change everything this year, insha Allah, we hope...

It is a special Hajj...and for whoever has been prevented from reaching it this year and they had prepared themselves, but the government told them: "No way for you", Allah Almighty is sending Angels on their

behalf. Also for common people who said: "If only we could reach Arafat", and they were not able to, Allah is also creating Angels to be on Arafat on their behalf, to reach those favours from Allah Almighty.

Tomorrow you must try to complete 1000 Ikhlas-u-Sharif; 1ooo La ilaha ill'Allah; 1000 Salawat; 100 La ilaha ill'Allah, wahdahu la sharika'lah, lahu'l mulku wa lahu'l hamdu, yuhyi wa yumit, wa Huwa 'ala kulli shayin Qadir; 100 La haula wa la quwatta illa bi'llahi'l 'Aliyu'l 'Azim, and at every prayer to make the Tekbir: 'Allahu akbar, Allahu akbar, la ilaha ill'Allah, wa Allahu akbar, Allahu akbar wa li'llahi'l hamd.'

May Allah send His Divine Servants to take away everything that is against Islam. May He send His lions on jackals, wolves, foxen, bears, snakes and scorpions, to kill them and take them away. I am asking: "O our Lord, no doubt You have lions, and even one is enough... You send Angels to Your most Beloved Servant Muhammad sws on the days of Uhud and Badr, and even one Angel was enough to take away the whole army of Mushriks; but You sent thousands of them, so that the Muqmins were looking and seeing Angels among them and they got the certainty that they would be victorious. Therefore even one lion is enough, we know, more than enough, but we are asking for Your Lions to come and destroy the sultanate of Shaitan and take away the shaitanic kingdom on earth!"

If He is asking to put one billion people in this place here, He can do it, and everyone may come and go freely. One billion people may be in this small place. He can do it; you must believe in Allah, must believe in His endless power and ability, capacity. There are endless possibilities for Him only, the Almighty... Why are you trying to do something? As much as you are doing these wrong actions, more difficulties are coming, more troubles and crises.

It was so easy the first and second times on Hajj... until they began to destroy everything... old houses, at that time there were no concrete buildings at all... and they destroyed every historic building, all of them. And they made huge concrete buildings, so that people are no longer able to breathe spirituality in Mekka-i-Mukarrama and Medina-i-Munawwara. People's feelings have become confused, and they are saying: "Are we in New York or in San Francisco? In Los Angeles, Paris, Rome? Where are we?"

Insha Allah, when Mehdi a.s. is coming, in one night only, all those concrete buildings should be thrown away... not into the Red Sea, because it is not too deep. I am ordering them to be thrown into the Indian Ocean- never filling up. There is no need for even one concrete stone. And on the second night there should come back the same buildings that were destroyed...

That is Irada, will-power. When someone is given that will-power, he may say: “Be,” and it is going to be; ‘Kun, fa yakun’. Allah Almighty is saying: "Oh My servant, be obedient to Me, and I will make you of My Staff, Rabbani, and I will give you the power and authority to say for something: “Be”, and it will be..."

Therefore if he orders those buildings to be taken away, in one night they will be finished, and the second night, when he is ordering to be brought back the same buildings as were destroyed before in Mekka-i-Mukarrama and Medina-i-Munawwara, it will be as it was. People will run smoothly, make Tawaf smoothly, and move smoothly to Mina and Arafat, insha Allah... Fatiha.

8th Dhul-Hijjah 1419 - 25.03.1999

**Hajj al-Akbar Next Year**

(NächstesJahrIstHajjUlAkbar, dt.)

Huuuu. (Mawlana Shaykh stands) La ilaaha illa-Llah. La ilaaha illa-Llah. La ilaaha illa-Llah Muhammadun Rasoolullah `alayhi salaatullah wa salaamu. (Mawlana Shaykh sits) Salaamullah `alaa jami` al anbiya wal awliya wal mu`mineen. (Mawlana Shaykh sits)

A`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. Allahuma al-himna rushdana wa a'idhana min shururi anfusina bi jaahi nabiyyik al kareem, Sayyidi 'l-Awwaleen wa 'l-`Akhireen wa `alaa jami`al anbiya wal mursaleen wa `ibaadAllah as-saaliheen. Yaa Rabbee! La tahrimna min barakaat saadatun an-Naqshbandiyeen ...wa ridhwan. We are saying, a`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. Al-himna rushdana wa a`idhana min shururi anfusina. Yaa Rabb al-`izzati wa'l-`Azhamati wa'l-Jabaroot. Thumma salaamullah `alayk yaa Saahib az-Zamaan wa `alaa saa`ir saadaatin al-kiraam wa `alaa Qutb al-Mutasarrif wa 'l-aqtaab jami`an wal .... bi jaahi nabi al mukhtaar, Sayyidi 'l-Awwaleen wa 'l-Akhireen, Sayyidina Muhammad (s)! (Mawlana Shaykh stands and sits)

Thumma as-salaam `alaykum yaa awlaad Sayyidina Adam, yaa Bani Adam, salaamullah `alaykum. O our Attenders! As-salaamu `alaykum. I am asking support from `ibaadAllah as-saaliheen, from heavenly people.

For what? We are asking support to destroy the sultanate of Shaytan and its followers, because we are living in a time that is the worst, and in the coming days worse than this will come, because Mankind lost their balance. All of Mankind is like the worst beast; beasts are not killing each other, but Man is asking to destroy everyone living on this planet, saying, "We reached the top point of civilization." Shaytan is making them to say this. If this is civilization, what is going to be worse than this? It is civilization to make people happy, and no one is happy! There are only a handful of people who are believers of the Lord of Heavens, running to reach their Lord's pleasure, trying to make their Lord pleased with them, and Allah Almighty is making them to be pleased!

But now people are worse than beasts. Beasts don't have technology, only with their ? but people that are saying, "We are the Children of Adam and we are on the top point of Creation." If in such a way going to be on top point of Mankind, how worse should it be? But people everywhere now are drunk, from east to west, north to south, in oceans and continents, people are fighting with each other, for what? Ask them! They are running in the streets, they are shouting like beasts, they are destroying like floods, destroying everything, and for what? We are asking our rulers, and it is no good that everyday you are bringing a new one and saying after a while, "No good." From where are you bringing that person? That is the shaytanic way, not to make people live healthily, in wealth, the life of an honored person. People from east to west, from north to south are not living a normal life, no, no! How can it be a holy or sweet life if they are following Shaytan? It can't be, but they are not understanding!

We are calling and saying, "O People! Come to the true way and keep your honor. You have been honored by the Lord of Heavens with a dress of honor, keep it." But they are saying, "No, we are fighting!" What is the result? The whole world is falling into fires, floods, wars and battles. Yaa Rabb! O People! Come to your Lord's service, which gives you a holy life, a sweet life, and gives you more honor! But people are saying, "no," because they believe in Shaytan and they are his first-class followers.

Now we are living today and it is `Eid al-Adha, that Allah Almighty honored the nations of the Seal of Prophets, Sayyidina Muhammad (s), (Mawlana Shaykh stands and sits) to follow all prophets, particularly Sayyidina Ibraheem (a). He was the grandfather of all the prophets and he was ordered to build a building in the name of the Lord of Heavens in an unknown desert with only sand. No one was there, not even birds were flying in that desert, nothing. But the Lord of Heavens ordered, "Take your wife and go there, and keep My

order." We may speak about this happening up to the end of the world, but it is only some sentences we may speak to wake people up, to know something, but mostly people are running away, occupied with so many instruments that no one understands. People are not interested to hear something about prophecy, and I am sorry to say that even Islamic authorities and territories are not giving real importance for prophecy. They are bringing shaytanic teachings from western countries and running to be westernized people. I am sorry, because the Seal of Prophets is sorry also for the nation to follow western country people and they are not believers.

The nation of the Seal of Prophets, Sayyidina Muhammad (s), (Mawlana Shaykh stands and sits) is leaving the Holy Qur'an, Umm al-Kitaab! You may find all real knowledge for here and Hereafter just taught in the Holy Qur'an, and yet they are saying, "We are not looking at the Holy Qur'an, we are looking at 'western knowledge'." As long as they are following western countries, they will fall down and become beasts. Everyone from Islamic territories is trying to make heaps of nuclear weapons. Why? To be able to destroy all nations, nature, and countless creatures living on Earth. Is that Islam? Is that the order in the Old Testament, the New Testament, the Psalms, and the Holy Qur'an?

O People! You are running for the Hajj pilgrimage days, to visit the Holy Ka`aba and the Holy Prophet's honored tomb and maqam, going for some days but not bringing anything back! You are going there for one month or one week, quickly running and coming back, and afterwards falling into the same dirty conditions you took from western countries' people. Leave drunkenness! Come and think on it! Millions of people are running to the holy place in Arabia. Who is making them to move? Think on it! How can we say, "O Christian world, O non-Muslim world, come and think on it," if Muslims are not evening thinking on it? No one is thinking on it. If they think, they will find countless realities, but they are not doing that, and day-by-day darkness is coming on Earth.

It is a famous punishment that happened for the Children of Israel, when they left the worship of the Lord, Almighty Allah, and prayed to a cow: Allah punished them! How did that happen? On the day of punishment a black smoke covered them, and it became like nighttime. Then the Lord's command was, "Kill those who worshiped the cow!" No one saw because there was a black cloud coming on them, and now I fear that this black cloud is coming down and covering the mentalities of people, preventing them from looking and observing, and they are all fighting. Egyptian peoples' chief is fighting common people, common people are

fighting their leaders or chiefs; in Iran, Turkey and Iraq, Damascus, China, and in other countries, all of them are fighting and asking to kill each other. In every case, one side is asking that the second side does not live. Therefore, I am afraid and I am asking forgiveness!

••••• •••••••••• •••••••

Wa ma `ubarri`u nafsi. Nor do I absolve my own self (of blame). (12:53)

I am not saying I am innocent, no; everyone is carrying a responsibility for servanthood and if they are not keeping that, a black cloud will come on them and they will be killed, perhaps from five inhabitants four will disappear and only one will remain!

••••• •••••• ••••••• •••••••••

Inna batsha rabbika la-shadeed. Truly strong is the Grip (and Power) of your Lord. (85:12)

No one can stop the Lord's punishment! No one can fight or defeat when the Lord's punishment reaches people; it is going to be too late.

O People! Come to Allah! Leave those terrible weapons; come and try to understand what holy books are teaching you, particularly what the Holy Qur'an is teaching you. If not, you will be taken away! Don't cry at that time! Cry now that you are on the wrong way, and come on the true way, and you will be saved. May Allah forgive us!

O People! I don't know, but this year some happenings occurred in the holy mountain of `Arafat. It is only for saints, awliya; they know but they are not giving, but one good tiding is the saving of Mankind from Shaytan's assaults and enmity. We hope in this year a heavenly light will appear that has been informed through prophets' good tidings, particularly the Seal of Prophets, Sayyidi 'l-Awwaleen wa 'l-Akhireen, who said when the Last Days are approaching, Shaytan is going to be on power from east to west, north to south, and who is supported by heavenly powers is going to come to take away Shaytan and everything shaytanic, and he is Mahdi (a)! And we have knowledge about the time of Sayyidina Mahdi (a): he will come to power in `Arafat in Hajj al-Akbar, and this Monday was the day of `Arafat and Tuesday was `Eid. Now standing up and asking forgiveness was Monday, next year it is going to be on Friday. And up to today we are knowing that the power of Heavens that will destroy Shaytan's kingdom is going to appear on Hajj al-Akbar, the day of Friday, in `Arafat.

That is good tidings that am taking and I may say to people, look what is going to happen after one year. He will take the sword of Heavens on Shaytan and Shaytan's soldiers, agents and armies to destroy them. That is making my heart happy! Ask that you will reach that pleasure and good tidings; look for it. May Allah forgive us and may we ask, "O our Lord! Make us to be with Sayyidina Mahdi (a)!" I have been waiting for Mahdi for 70 years and my pleasure is that good tiding! I am feeling inshaa-Allah I will reach to that most brightened day to see Mahdi (a)!

O People! Try to be Muslims, and come to Islam. Aslim, taslim, salamaat; you will be in safety, here and Hereafter. May Allah forgive us. Bi jaahi man anzaltahu `alayhi, Surat al-Fatihah.

(36 minutes) Mashaa-Allah.

## Halaal Meat

(Translated from Turkish)

(Guest: They are the ones with all kind of diseases, stress, anger, and aggression.)

That's because they slaughter animals with zhulum, oppression, which allows these animal qualities to transfer to them from their meat. No animal slaughtered without mentioning the name of Allah will ever make its meat halaal for people. Any animal slaughtered outside the rules of Shari`ah will not make its meat halaal; it will be a cause for sicknesses, na`oodhu billah. It is the animal's due right (to be slaughtered in the name of Allah)! For the one who eats that meat, the animal will say, "You've now become an animal!"

(Guest: O Sultan, nowadays there's no one left who thinks like this.)

How would they be left? All people have become animals. That's why at the time of death, they all die in torment. There's no one in Europe who dies in peace, no. The animal prohibits its own meat from being eaten, and therefore, chicken and beef become poison for themselves. They eat from that haram creature's meat, which prevents them to live a peaceful life, and at the end, all kind of illnesses emerge. That is the reason for the increase in diseases. It's like they're eating straw; it won't do any good, as it will only be a cause

for sickness. Unless there are Muslim butchers, animals are slaughtered with oppression. Any animal that was slaughtered without mentioning the name of Allah will not make its meat halaal for people.

(Du`a) Yaa Allah! Do not prevent us from being under the flag of Prophet (s). Make us not of those who arrive at the Pool of Kawthar, but then are sent away! Yaa Rabb! You know, these people are fuqaraa, indigent. Send down your Inaayati Rabbaniyya, Lordly Favors upon these fainthearted Muslims so they become courageous Muslims, and anyone who looks to their faces will be overwhelmed in fear! These Muslims have become fearful even from the shadow of Allah's enemies. Don't be afraid! They must not be afraid!

O Allah! Keep our families and children from straying away from deen and imaan. Have them know who their ancestors are, who their Prophet (s) is! Have them know their ways, what is halaal and what is haraam, and to live as human beings, as Muslims. Have them attain Your good pleasure, and make Jannat al-Firdaws their station. Tawbah yaa Rabbee!

O Sultan, abundant with Mercy! We've made several sins without count; however, our sins do not even remain a speck next to the vastness of your Bahru 'l-Rahmah, Mercy Ocean. But according to the command, edep yahu, "Adab, O servant!" send us those who will teach us how to keep adab, good manners. And as for those who despise Muslims, as soon as they see a Muslim, make their hearts tremble! Allahu Akbar! May Allah grant us good endings.

Fatihah.

## Hala Sultan

Daim Shukurullah Daim Subhanallah Daim Shukrullah As-salamu alaykum O believers Asbhna Wa Asbaha l-Mulku lillah We reached morning. Dominion belongs to Janabul Haqq. We wander inside His domain and pay respect to Janabul Haqq. Thanks to our Lord, we win Allah's divine favours. Shukur Dastur, madad ya rijalAllah, Allah's beautiful servants, clean servants. Our Sultan Umhal Sultan's support... helps us. At their doors we are slaves. They don't accept but we say this: at the door of the Sultan, everyone... finds honor with servanthood. The Sultan is one, not two.

It is called the Green Island (Cyprus). It is a small island. Compared to the greatness of the world, it is a small place, but... with the honor of our Ummuhani Sultan, who rests here, it is honored, Green Island, by it's greenness and sayyidatina, Honourable nurse of our Master (sas). We are on an island blessed with our Sultan's divine gifts. If we knew and said it everyday, Oh our Master's honorable nurse, Umhal Sultan, look at us, expel us from beneath your banner. If we said this, what would happen? But our time it is the End Of Times. Signs are emerging that now is the end of times. Whatever appears is a tasteless image, shown by.. ignorance and the devil. People have an unpleasant image. People living on this island their faces are beautiful. It was much more beautiful because of the Sultan of our Green Island. We can't describe her honor & beauty. Allah gave her such honor - The wet nurse, loved by our Master(sas) came as a guest to us.

Our Master(sas) gave good tidings. I may stay here because you are here. She came by sea. It is written that she fell from the horse but that was just what appeared. Her time of death came here, and she fell from her horse, she submitted. Her horse knew who it was carrying, it wasn't unaware. It knew. It brought her there, she dismounted, submitted. Her horse stood by her side. She fell down. This, that - these are meaningless stories. This is the only station in the world that

is Umhal Sultan's station. It is an extraordinary island. Our holy Sultan, she has rested here for 1.500 years. Show me someone, who isn't forgotten for 1500 years, who is respected and whose tables are spread. What should I say? Should I say headless? Should we say shameless? Should we say ignorant? Know her value, what kind of Sultan you have.

Umhal Sultan, we say Hala Sultan directly. She has been visited for 1500 years. She is still visited. Still everybody goes there. They say we are going to Hala Sultan and they feel happy. Oh Hala Sultan give us support, give us power. Give us strength to talk about you, to serve you, to praise you. I'm weaker, oh our Sultan, i'm weaker. I'm always ready to rest underground, but I want the honor of serving you. I want to be honored by serving you. Since my first visit when I was 6-7 years old, our Sultan paid compliments, I took honor. When they said we are going to Hala Sultan, we trembled. They used to say it in the past. They came from Karpaz on foot. They came riding. They came from Paphos. They came with their presents. They laid the table for eating. The tables are laid, blessings descended on the table because of them. It is the station, circumambulated by the angels. Oh Sultan, what shall I do? I want to pay respect to you. I want power.

We used to have old houses, there... Our Sultan loved them. They destroyed them & couldn't build anything instead. They made simple things, some headless people opened a bar also. They died, they are gone. Their bar fell on their heads. It is the blessing of our Sultan today. Oh lovers of Shah Mardan! O holy ones, their honor is said with Gulbangi Muhammad, in heavens and on earth.

Oh Shah Mardan, we say your honor. We say our ashabs (Companions) honor. We confess the honor of being Muslim. We find peace. May his bravery in the arenas... may the love of Shah Mardan's love be placed in our hearts. May the blessings of Ummuhani Sultan be bestowed upon us. Assalamu Alaikum Oh the lovers of Shah Mardan! Salams to you! Oh friends of Shah Mardan, oh holy ones. Shah Mardan is the Sultan. No warrior can stand against him. Lion of Allah. Ali Ibn AbiTalib, our Master's (sas) uncle's son. Oh the honorable owner of the Arenas! We mention you, as he, the City of Knowledge, said the uncle's son of Rasul Al-Thaqalain, the Beloved of Rabbul Alamin said this way; "Those, who make their dhikr, carry their love, there's a different... kind of specialty for them. To know & respect the lions of Allah... at least they lift the burden from your shoulders.

Our Master(sas) ordered; People are with the ones they love. Who goes with lions is a lion himself. Who goes with dogs, is a dog. Who goes with donkeys, is a donkey. Who goes with a horse, is a horse. Who goes with troops, is a rider. Who carries a Dhul Fiqar, is... Shah Mardan's servant & soldier. MashaAllah, SubhanAllah, SultanAllah! Arabic Janabu l Haqq orders; Remember Me! Don't forget Me! I won't forget you! Our Lord Jalla wa Ala! How can we forget? People forgot. When people forget Shah Mardan comes out. He says" You forget Allah, but when my sword is drawn, then it is a matter of life & death. Then I will make them say O Allah! But every time I hit, from east to west I drop heads. It isn't 3 or 4 people. I don't want this. The devil & its followers, who say "I control the whole world"... my Dhul Fiqar drops all of their heads at once. We have the power. Oh Shah Mardan. We sacrifice for your way.
O lovers, o Shah Mardan's beloveds and the ones who love Shah Mardan - Wake up. Each morning, you should have a gathering. Every morning 3 or 4 people, after praying in a clean place, sit down. Today is "Yawmun Jadid, Rizqun Jadid"- today is a new day, our spiritual provision will come in a different way today. I beg your pardon. Let's say from the words that S. Mardan deigns to send. A donkey, if a donkey eats barley in the morning, straw in the evening, he won't say "I'm tired of eating barley." There is no donkey saying "I'm tired of eating straw soup". He eats, doesn't ask for something else. You are a human being, you are the deputy of the Creator in this world. The honor given to you wasn't given to the angels. They were amazed.

"Ya Rabbana" they said. You appoint him as a deputy to this world. Make us Your deputy. He said "I know but you don't." Wa Allama Adam Al Asmaa Kullaha.
Allah taught Adam(as) the names of everything He opened knowledge to Adam (as), which angels don't know. SubhanAllah, SultanAllah! With whom He opened, Hz. Rasul, Rasul - The highest one in the presence of Allahu Dhul Jalal, Maqamu Mahmud. It only belongs to one person. Maqamu Mahmud, the highest station, the highest of the high stations that a human being can reach. Rabb-ul Izzat Janabul Haqq addresses His beloved, in the Maqamu Mahmud, not anywhere else. Oh glorious Rasul how beautiful you are! How majestic you are! We don't have the chance to do more you idiots! Is there anyone who has more than 200 names. Asma-ul Nabi they say. A person can have one name or two. One more, three or four. Beloved of Allah Hz. Rasul's names, what are revealed to us, are up to 300 noble names. Have you heard this? No,

because a donkey has 1 name. He knows he is a donkey. He doesn't know anything else. You became like this. Then to cover up your donkeyness, you invented newspapers, put pictures, saying we are this. What is the use? A man who shows off with newspapers is not good. A donkey is better. Don't be offended, if you do... Shah Mardan says that your grave will open in 40 days. That one sitting there, he can't even translate.
Allahu Akbar, Allahu Akbar. Our armies shall be forever victorious. How nice! Shah Mardan, grant us today. We are in need of your grant everyday. Oh Shah Mardan. He also answers, O lovers! Those, who love & respect Hz. Ali, Shah Mardan, Lion of Allah! those who follow his way, marhaba to you also. Our master Hz. Ali (ra), He says marhaba, to those, who remember his name. Marhaba o lovers, friends who love us. Marhaba to you! May your day and heart be peaceful. May your fate be good. May your light increase. May you pass over the Sirat like lightning, your accounting be easy! May the gates of the 8 heavens open to you! Shah Mardan Ar Rahman. Let's say this is a poem. It's like the door of the words to be said. But even a small part is opened, it is oceans, and we can't carry it. That's why our gathering starts with Bismillahir rahmanir rahim.
Why do we speak of Shah Mardan? Uncle's son said, Anta dhikru As-sulaha Tanzalu l-Rahma Mercy descends when the names of saints are mentioned. Listen o scholars Ignorant ones,who claim to be scholars. Isn't it a hadith? Mercy descends when the names of saints are mentioned If you remember Shah Mardan in all your assemblies. There's no one equivalent to him, but according to our understanding... there are people addressing, his followers, lovers, salih. Say their names, blessings are bestowed upon you. Tell their stories, adventures, clouds of distress disappear. The earth smiles at you! Nowadays earth doesn't smile at people. Because of this people became mad, they shout in the streets. They don't know what they want, because the earth doesn't smile at them. Because they don't remember the followers of Shah Mardan the skies are closed. Rain, snow fall from the sky. It hails, storms come but they destroy, burn. Give news from the Sultan of holy ones, Prophets, so that blessings are bestowed upon you. Say it!

All day from morning till evening, newspapers they invented machines, they show tasteless things, no good manners, no limit. They declare the greatness of fake people. It is the machine of the devil. It is not a machine to watch. But the devil imprisoned everyone. The devil registered

his reign. It should be everywhere, look at it. When you look, other than people who go mad, there is no other news. They lost track, don't know what they do. Unaware of what they do, they don't realize that what they'll do, is silly They became a creature, who lost the track. They don't know themselves. The first lesson to be learned is to know yourself. When they ask "Who are you?" Don't say I'm Turkish, Greek, etc. Say I'm a servant of Allah. He dresses you with honor. If you don't say that your name will be mentioned in heavens. Divine mercy descends upon you. Shah Mardan, the owner of Arenas, how beautiful is his sohbat! Marhaba to those coming to these sohbats. Marhaba to the lovers of S. Mardan. Make ths sohbah everywhere. Say this, so you destroy shaitan. There's no other way to defeat shaitan. Shaitan isn't afraid of bombs, weapons. What scares him is the sohbah - the words, the assembly, the light of S. Mardan and his followers. They give light, shaitan gives fire to people. Shah Mardan and his followers, lovers of S. Mardan give light. Let's take light, don't take fire. Fire burns you in this world, in the grave, on the Last Day, in hell. Know this. Say, I am the servant of Allah. I want to get closer to my Lord, by serving in the way of S.Mardan. I want to be a clean servant, to learn. My aim is to destroy shaitan's reign. You set this world on fire. Flame came from the fire of ignorance. We will extinguish that flame. Instead of the fire of ignorance, we'll make this world into a bed of roses. Oh the lovers of S. Mardan, who listen. Marhaba to you today & tomorrow. Yawma Yamut Wa Yawma Yub'athun On the day he dies, enters the grave, on the day of Judgement, angels may say marhaba to them. Who listen to Shah Mardan, clean servants came MashaAllah. Their faces shall be white, their graves shall be from gardens of heaven, they shall not find violence. Angels pray like this. O Shah Mardan accept us. The order of Commanders, they are the head of Allah's soldiers. Those, who listen to someone except Allah can't be commanders. Cannot also be. One day, the world falls on their heads. If machines, lifting the wreckage of this world came, they can't lift the wreckage upon them. They'll call "save us." No help for them. You should have listened to Shah Mardan. Don't sit and drink shaitan's dirt. Don't get drunk. You'll be beaten countless times. At least wake up clean, take ablution, your day starts clean. Say Bismillahir rahmanir rahim. Thanks to my Lord.

He gave us health, well being, made our day good. Our Lord We prostrate to You. Allah's order is Grand. Who keeps His order is a servant. Don't forget this! Lovers of S. Mardan! Those, who are present in the assembly of friends of S. Mardan. Don't forget this. Be clean. Clean ones are

respected everywhere. Dirty ones are not accepted. Be clean! Know your Lord. His beloved S. Mardan, learn his ways. Live clean, you leave this world clean. Say Bismillahir rahmanir rahim! All good doors will be opened to you! Such a rich verse of Quran. Your ability to understand stops. There's no one, who says Bismillahir rahmanir rahim and his jobs don't open. Oh our Lord.. You honored us with Your Beloved for remembering Your Name. Let's say Bismillahir rahmanir rahim. Oh Shah Mardan. May Allah bestow His Mercy upon you! Also reach those who listen to you!

Bismillahir rahmanir rahim, Bismillahi llathi La Yadurro Ma'a Ismihi Shayun Fil-Ard Wa la Fis-Sama'i Wa Huwas-Samiyul Alim. All your worries disappear! Rabbul Izzet O our Lord Oh Our Lord! We are weak, give us strength! I gave you oh My servant! Say! Bismillahir rahmanir rahim. I shall take all your distress... and open the doors of heaven for you. Allahu Akbar! Allahu Akbar! Allahu Akbar! wa lillahil hamd! Subhana Rabbika Rabbil Izzati Amma Yasifun! Assalamu alal Mursalin, walHamdulillahi Rabbil Alamin! Let's say for Shah Mardan. Starting from uncle's son, we give salam to all Anbiya and read a Fatiha Shariff. Bismillahir rahmanir rahim, Alhamdulillahi Rabbil Alamin Maliki Yawmiddin, iyyaka na'budu... Amin, Amin

It's not certain when someone's death will come. Any minute, you can be called. Be ready. Wake up with Basmala. Put your forehead in sajda. Don't fear. Say "with Shah Mardan's intercession, we take refuge with You Sultan." Don't fear. May your honor be high! Because they followed this way, the Ottomans had this honor. Those, who left that way, fell into a hole. They can't find the beginning or the solution. May Allah keep us away from them.

Let's say Bismillahir rahmanir rahim. Ya Hannan, Ya Mannan, Ya Dayyan. Ya Subhan, Ya Sultan! We are weak servants. Give us strength ya Allah! One cell turns the world upside down. He was saying this. Fatiha.

You idiots, overrated by the newspapers. You are useless. Useful ones follow Shah Mardan's way, keep his good manners. They are honored both in this world and the hereafter. Those, who follow them are also honorable. Who left his way, follows Shaitan, many harr, harrr saying haarr kind of manners - like these dogs. They eat each other, they will. Pull yourself together. If not today, tomorrow death comes to you. Fear Allah! Be ashamed before our Master(sas). See and prove your humanity. Be a human, not a devil. Those, who live in this world are either humans or shaitans. They are either from Rahman, they are humans, or from Shaitan, they are the

animals of Shaitan. There are 2 classes in the world: Those who follow the way of Rahman, who are at the Sultan's service. The others are those running after Shaitan, animals of Shaitan. 2 classes, there is no 3rd one. May Allah send us His clean servants, to wake us up, to tell us Shah Mardan's advice and uncle's son... to teach us the honor of the Master of Universe and pay respect to him.
May He send us clean teachers, so that they teach us. Learn and teach! Khayru Al-Nass Man Ta'alam Wa Allam The best amongst you are those who learn and teach what they learned. Good people are those, who learn and teach people! Teach! Teach goodness. Say also the badness you know, so that they don't fall into the hole of badness. Fatiha.
Salamun Qawlan Min Rabbur Rahim 7x read this everyday upon youself. Prostrate and you'll be saved. Fatiha. May they protect us from the harm of shaitan. The angels, with the order of Shah Mardan. the uncle's son of the Master of the Universe (sas),with our Master's permission and reverence. Be like this, your face will be like the moon. May your hearts be like gold, your deeds straight. Fatiha.
This is an advice. Keep it. Man LamYaqbalu n-Nasihat Hallat Lahu n-Nadamat. The one who doesn't accept advice will regret. Those, not keeping the advice, they regret. I'm ordered to say this. Shah Mardan, oh the lovers of Shah Mardan, marhaba.

**Hala Sultan**

---

Daim Shukurullah Daim Subhanallah Daim Shukrullah As-Salamu alaykum oh Gläubige. Asbhna Wa Asbaha l-Mulku lillah. Wir haben den Morgen erreicht. Herrschaftsgebiete gehören Janabul Haqq. Wir wandern in Seiner Herrschaft und zollen Janabul Haqq Respekt. Dank unserem Herrn, gewinnen wir Allahs göttliche Gefallen. Shukur Dastur, madad ya rijalAllah, Allah's schöne Diener, reine Diener. Unser Sultan, Ummu Hani Sultans Unterstützung... hilft uns. An ihrer Tür sind wir Sklaven. Sie akzeptieren uns nicht aber wir sagen das: an der Tür des Sultans findet jeder die Ehre der Dienerschaft. Der Sultan ist einer, nicht zwei. Es wird die grüne Insel genannt (Zypern). Es ist eine kleine Insel. Verglichen mit der Größe der Welt ist es ein kleiner Ort, aber... mit der Ehre on unserer Ummuhani Sultan, die hier ruht, ist es eine geehrte, grüne Insel, mit

ihrem Grün und ihren Sayyidatina, Ehrenvolle Amme unseres Propheten (sas). Wir sind auf einer Insel, die mit den göttlichen Gaben unseres Sultan gesegnet ist. Wenn wir wüssten und es jeden Tag sagten, oh ehrenvolle Amme unseres Meisters, Ummuhani Sultan, schau uns an, schließe uns von deinem Banner aus. Wenn wir das sagten, was würde passieren? Aber unsere Zeit ist die Endzeit. Die Zeichen treten auf, dass nun das Ende der Zeiten ist. Was immer erscheint ist ein geschmackloses Bild, von Unwissenheit und dem Teufel gezeigt. Die Leute haben eine unschöne Erscheinung. Die Leute die auf dieser Insel leben, ihre Gesichter sind schön. Sie waren noch schöner wegen der Sultana unserer Grünen Insel. Wir können ihre Ehre und ihre Schönheit nicht beschreiben. Allah gab ihr solche Ehre - Die nasse Amme, von unserem Meister (sas) geliebt, kam zu uns als ein Gast. Unser Meister (sas) gab gute Nachrichten. Ich darf hier bleiben weil du hier bist. Sie kam übers Meer. Es ist geschrieben, dass sie vom Pferd fiel aber das war nur, was sichtbar war. Ihr Zeitpunkt des Todes war hier, und sie fiel vom Pferd und sie ergab sich. Ihr Pferd wusste, wen es trug, es war sich dessen nicht unbewusst. Es wusste es. Es brachte sie her, sie stieg ab, und unterwarf sich. Ihr Pferd stand an ihrer Seite. Sie fiel herunter. Dies, das - es sind bedeutungslose Geschichten. Dies ist der einzige Platz in der Welt, der Ummuhani Sultans Platz ist. Es ist eine außergewöhnliche Insel. Unsere heilige Sultan, sie ruht hier seit 1500 Jahren. Zeig mir jemanden, der nach 1500 Jahren nicht vergessen wurde, der respektiert wird und dessen Tafeln ausgebreitet werden. Was soll ich sagen? Soll ich sagen, achtlos? Sollen wir sagen schamlos? Sollen wir sagen unwissend? Wisst um ihren Wert, welche Art von Sultan ihr habt. Ummuhani Sultan, wir sagen direkt Hala Sultan. Sie wird seit 1500 Jahren besucht. Sie wird immer noch besucht. Immer noch geht jeder dorthin. Sie sagen wir gehen zu Hala Sultan und sie fühlen sich glücklich. Oh Hala Sultan, gib uns Unterstützung, gib uns Kraft. Gib uns Kraft um über dich zu sprechen, dir zu dienen, dich zu preisen. Ich bin schwächer, oh unser Sultan, ich bin schwächer. Ich bin immerzu bereit, unter der Erde zu ruhen, aber ich will die Ehre haben, dir zu dienen. Ich möchte dadurch geehrt werden, dir zu dienen. Seit meinem ersten Besuch als ich 6 oder 7 Jahre alt war, gab unser Sultan Komplimente, ich bekam Ehre. Wenn sie sagten, wir gehen zu Hala Sultan, zitterten wir. Sie sagten es in der Vergangenheit. Sie kamen von Karpaz zu Fuß. Sie kamen geritten. Sie kamen von Paphos. Sie kamen mit ihren Geschenken. Sie deckten den Tisch zum Essen. Die Tische sind gedeckt, Gaben kamen auf den Tisch herab wegen ihnen. Es ist die Stufe, von Engeln umringt. Oh Sultan, was soll ich tun? Ich möchte dir Respekt erweisen. Ich möchte Macht. Wir hatten dort alte Häuser... Unser Sultan liebte sie. Sie haben sie zerstört und konnten nichts anderes bauen. Sie machten einfache Dinge, manche achtlose Menschen eröffneten sogar eine Bar. Sie sind verstorben, sie sind weg. Ihre Bar ist auf ihre Köpfe gefallen. Es ist der Segen unseres Sultans von heute. Oh Liebende Shah Mardans! Oh Heilige,

ihre Ehre wird gesagt bei Gulmangi Muhammad zu sein, in Himmel und auf Erden. Oh Shah Mardan, wir nennen deine Ehre. Wir sagen Ehre zu unseren Ashabs (Gefährten). Wir bezeugen die Ehre, Muslime zu sein. Wir finden Frieden. Möge sein Mut in den Arenen sein... möge die Liebe von Shah Mardans Liebe in unsere Herzen kommen. Möge uns der Segen von Ummuhani Sultan verliehen werden. Assalamu Alaikum Oh Liebende Shah Mardans! Salams zu euch! Oh Freunde Shah Mardans, oh Heilige. Shah Mardan ist der Sultan. Kein Krieger kann sich ihm entgegenstellen. Löwe Allahs. Ali Ibn AbuTalib, der Sohn des Onkels unseres Meisters (sas). Oh ehrenvolle Besitzer der Arenen! Wir erwähnen euch, wie er, die Stadt des Wissens, sagte, der Sohne des Onkels von Rasul Al-Thaqalain, der Geliebte von Rabbul Alamin sagte es so; "Die die ihr Dhikr machen, ihre Liebe tragen, für sie gibt es... eine andere Art von Spezialität. Die Löwen Allahs zu kennen und zu respektieren... zumindest nehmen sie die Last von euren Schultern." Unser Meister (sas) befahl; Leute sind mit denen die sie lieben. Wer mit Löwen geht, ist selbst ein Löwe. Wer mit Hunden geht, ist ein Hund. Wer mit Eseln geht, ist ein Esel. Wer mit einem Pferd geht, ist ein Pferd. Wer mit Truppen geht ist ein Reiter. Wer Dhul Fiqqar trägt ist... Shah Mardans Diener und Soldat. MashaAllah, SubhanAllah, SultanAllah! Auf Arabisch befiehlt Janabul Haqq; Erinnert euch an Mich! Vergesst Mich nicht! Ich werde euch nicht vergessen. Unser Herr Jalla wa Ala! Wie können wir vergessen? Die Leute haben ihn vergessen. Wenn die Leute vergessen, kommt Shah Mardan heraus. Er sagt "Ihr vergesst Allah, aber wenn mein Schwert gezogen ist, ist es eine Frage von Leben und Tod. Dann werde ich sie Oh Allah sagen lassen! Aber jedesmal wenn ich schlage, werden Köpfe von Ost bis West fallen. Es sind nicht 3 oder 4 Leute. Das will ich nicht. Der Teufel und seine Anhänger, die sagen "Ich kontrolliere die ganze Welt..." mein Dhul Fiqqar lässt alle ihre Köpfe auf einmal fallen. Wir haben die Macht. Oh Shah Mardan. Wir opfern für deinen Weg. Oh Liebende, oh Shah Mardans Geliebte und diejenigen die Shah Mardan lieben - wacht auf. Jeden Morgen solltet ihr ein Treffen haben. Jeden Morgen sollten 3 oder 4 Leute, nach dem Gebet an einem sauberen Ort, sich hinsetzen. Heute ist "Yaumun Jadid, Rizqun Jadid"- heute ist ein neuer Tag, unsere spirituelle Versorgung kommt heute in einer anderen Weise. Ich bitte um Verzeihung. Lasst uns von den Worten sprechen die Shah Mardan zu senden geruht. Ein Esel, wenn ein Esel morgens Hafer isst, und abends Stroh, wird er nicht sagen "Ich bin es satt, Hafer zu essen". Kein Esel sagt "Ich bin es satt, Strohsuppe zu essen". Er isst, und fragt nicht nach etwas anderem. Ihr seid menschliche Wesen, ihr seid die Stellvertreter des Schöpfers dieser Welt. Die Ehre die euch gegeben wurde wurde den Engeln nicht gegeben. Sie waren erstaunt. "Ya Rabbana" sagten sie.

"Du setzt ihn ein als einen Stellvertreter in dieser Welt. Mach uns zu Deinem Stellvertreter." Er sagte "Ich

weiß, aber ihr wisst nicht." Wa Allama Adam Al Asmaa Kullaha; Allah lehrte Adam (as) die Namen von allen Dingen. Er öffnete Wissen für Adam (as), von dem die Engel nichts wissen. SubhanAllah, SultanAllah! Mit dem Er Hz. Rasul öffnete, Rasul - Der höchste in der Gegenwart Allahu Dhul Jallas, Maqamu Mahmud. Es gehört nur einer Person. Maqamu Mahmud, es ist die höchste Stufe, die höchste der hohen Stufen die ein menschliches Wesen erreichen kann. Rabb-ul Izzat Janabul Haqq sprach Seinen Geliebten, im Maqamu Mahmud an, nirgendwo sonst. Oh ruhmreicher Raul, wie schön du bist! Wie majestätisch du bist! Wir haben keine Möglichkeit, mehr zu tun, ihr Idioten! Gibt es jemanden der mehr als 200 Namen hat. Asma-ul Nabi sagen sie. Eine Person kann einen oder zwei Namen haben. Einen mehr, drei oder vier. Die geliebten Namen Allah Hz. Rasuls die uns enthüllt wurden sind bis zu 300 noble Namen. Habt ihr das gehört? Nein, denn ein Esel hat einen Namen. Er weiß dass er ein Esel ist. Er weiß sonst nichts. Ihr seid so geworden. Dann, um eure Eselheit zu verdecken, erfandet ihr Zeitungen, hängt Bilder auf, sagt ihr seid dies. Was ist der Nutzen? Ein Mann der mit Zeitungen angibt ist nicht gut. Ein Esel ist besser. Seid nicht beleidigt, wenn ihr... Shah Mardan sagt dass euer Grab in 40 Tagen offen sein wird. Dieser der hier sitzt, er kann nicht einmal übersetzen. Allahu Akbar, Allahu Akbar. Unsere Armeen sollen für immer siegreich sein. Wie schön! Shah Mardan, gib uns heute. Wir sind deiner Gaben jeden Tag bedürftig. Oh Shah Mardan. Er antwortet auch, oh Liebende! Die, die Hz. Ali respektieren und lieben, Shah Mardan, Löwe Allahs! Die die seinem Weg folgen, marhaba auch zu euch. Unser Meister Hz. Ali (ra), er sagt marhaba, zu denen die sich an seinen Namen erinnern. Marhaba oh Liebende, Freunde, die uns lieben. Marhaba zu euch! Möge euer Tag und euer Herz voll Frieden sein. Möge euer Schicksal gut sein. Möge euer Licht mehr werden. Möget ihr über den Sirat wie ein Blitz schreiten und eure Abrechnung leicht sein! Mögen die 8 Tore des Himmels sich für euch öffnen! Shah Mardan Ar Rahman. Lasst uns sagen dass das ein Gedicht ist. Es ist wie die Türen der Worte, die gesagt werden. Aber selbst wenn ein kleiner Teil geöffnet wird sind es Ozeane und wir können es nicht tragen. Deshalb beginnt unser Treffen mit Bismillahi r-Rahmani r-Rahim. Warum sprechen wir von Shah Mardan? Der Sohn des Onkels sagte, "Anta dhikru As-sulaha Tanzalu l-Rahma" Gnade kommt herab wenn die Namen der Heiligen erwähnt werden. Hört zu oh Gelehrte, Unwissende die behaupten, Gelehrte zu sein. Ist das nicht ein Hadith? Gnade kommt herab wenn die Namen der Heiligen erwähnt werden; wenn ihr euch an Shah Mardan in all euren Versammlungen erinnert. Es gibt keinen der ihm gleich ist, aber eurem Verständnis gemäß... es gibt Leute die seine Anhänger, Liebende, Salih ansprechen. Sagt ihre Namen, Segen wird euch beschert. Erzählt ihre Geschichten, Abenteuer, Wolken von Leid verschwinden. Die Erde lächelt euch an! Heutzutage lächelt die Erde den Menschen nicht zu. Deshalb sind die Leute verrückt geworden, sie schreien

in den Straßen. Sie wissen nicht, was sie wollen, weil die Erde ihnen nicht zulächelt. Denn sie erinnern sich nicht an die Anhänger Shah Mardans, deshalb sind die Himmel verschlossen. Regen, Schnee fällt vom Himmel. Es hagelt, Stürme kommen, aber sie zerstören, verbrennen. Gebt ihnen Neuigkeiten vom Sultan der Heiligen, Propheten, so dass ihr mit Segnungen beschert werdet. Sagt es! Den ganzen Tag von morgens bis abends, Zeitungen, sie erfanden Maschinen, sie zeigen geschmacklose Dinge, kein gutes Benehmen, keine Grenzen. Sie erklären die Größe der Unechtheit der Leute. Es ist die Maschine des Teufels. Es ist keine Maschine zum Zuschauen. Aber der Teuel hat jeden eingesperrt. Der Teufel hat seine Herrschaft registriert. Es soll überall sein, schaut es an. Wenn ihr schaut, gibt es nichts außer Leuten, die verrückt werden, sonst keine Nachrichten. Sie haben den Faden verloren, sie wissen nicht was sie tun. Sie sind sich nicht bewusst, was sie tun, sie realisieren nicht, was sie tun, es ist dumm. Sie sind zu einer Kreatur geworden die den Überblick verloren haben. Sie kennen sich selbst nicht. Die erste Lektion die gelernt werden muss, ist, sich selbst zu kennen. Wenn sie fragen "Wer bist du?", sagt nicht "Ich bin Türke, Grieche usw.". Sagt "ich bin ein Diener Allahs." Er kleidet euch mit Ehre. Wenn ihr das sagt, wird euer Name im Himmel erwähnt werden. Göttliche Gnade möge auf euch herabkommen. Shah Mardan, Besitzer der Arenen, wie schön ist seine Sohbat! Marhaba zu denen die zu diesen Sohbats kommen. Marhaba zu den Liebenden Shah Mardans überall. Verbreitet diese Sohbats überall. Sagt das, so dass ihr Shaytan zerstört. Es gibt keinen anderen Weg, um Shaytan zu besiegen. Shaytan hat keine Angst vor Bomben, Waffen. Was ihn ängstigt ist die Sohbat - die Worte, die Versammlung, das Licht Shah Mardans und seiner Anhänger. Sie geben Licht, Shaytan gibt den Leuten Feuer. Shah Mardan und seine Anhänger, die Liebenden Shah Mardans geben Licht. Lasst uns Licht nehmen, nehmt nicht das Feuer. Das Feuer verbrennt euch in dieser Welt, im Grab, am Letzten Tag, in der Hölle. Wisst dies. Sagt, ich bin der Diener Allahs. Ich möchte mich meinem Herrn nähern indem ich auf dem Weg Shah Mardans diene. Ich möchte ein reiner Diener sein, und lernen. Mein Ziel ist es, Shaytans Regime zu zerstören. Du hast diese Welt angezündet. Flammen kommen vom Feuer der Unwissenheit. Wir werden diese Flamme löschen. Anstatt des Feuer der Unwissenheit werden wir diese Welt zu einem Bett von Rosen machen. Oh Liebende Shah Mardans, die zuhören. Marhaba zu euch heute und morgen. Yawma Yamut Wa Yawma Yubathun Am Tag an dem er stirbt, das Grab betritt, am Tag des Gerichts, sagen Engel Marhaba zu ihnen. Wer Shah Mardan zuhört, davon kommen reine Diener MashaAllah. Ihre Gesichter sollen weiß sein, ihre Gräber sollen himmlische Gärten sein, sie sollen keine Gewalt finden. So beten die Engel. Oh Shah Mardan, akzeptiere uns. Der Befehl der Kommandanten, sie sind die Spitze von Allahs Soldaten. Diejenigen die auf jemand anders als Allah hören können kein Kommandant sein. Das kann auch nicht sein. Eines Tages

wird ihnen die Welt auf den Kopf fallen. Wenn Maschinen kämen, die die Trümmer dieser Welt heben sollten, könnten sie die Trümmer von ihnen nicht hochheben. Sie werden rufen "rettet uns". Es gibt keine Hilfe für sie. Ihr hättet auf Shah Mardan hören sollen. Sitzt nicht herum und trinkt Shaytans Dreck. Werdet nicht betrunken. Ihr werdet unzählige Male geschlagen werden. Zumindest wacht rein auf, macht die Waschung, euer Tag beginnt rein. Sagt Bismillahi r-Rahmani r-Rahim. Dank meinem Herrn. Er gab uns Gesundheit, Wohlbefinden, machte unseren Tag gut. Unser Herr, wir werfen uns nieder vor Dir. Allahs Befehl ist Erhaben. Wer Seinen Befehl einhält ist Sein Diener. Vergesst das nicht! Liebende Shah Mardans! Diejenigen, die in der Versammlung der Freunde S. Mardans anwesend sind. Vergesst das nicht. Seid rein. Die reinen werden überall respektiert. Schmutzige werden nicht akzeptiert. Seid rein! Kennt euren Herrn. Sein Geliebter S. Mardan, lernt seine Wege. Lebt rein,
ihr verlasst diese Welt rein. Sagt Bismillahi r-Rahmani r-Rahim! Alle guten Türen werden für euch geöffnet werden! Solch ein reicher Vers des Koran. Eure Fähigkeit, zu Verstehen, stoppt. Es gibt niemanden, der Bismillahi r-Rahmani r-Rahim sagt und seine Werke öffnen sich nicht. Oh unser Herr... Du ehrtest und mit Deinem Geliebten und dem Erinnern Deines Namens. Lasst uns Bismillahir rahmanir rahim sagen. Oh Shah Mardan. Möge Allah dich mit Seiner Gnade beschenken! Und erreiche auch die, die dir zuhören! Bismillahir rahmanir rahim, Bismillahi llathi La Yadurro Ma'a Ismihi Shayun Fil-Ard Wa la Fis-Sama'i Wa Huwas-Samiyul Alim. All unsere Sorgen verschwinden! Rabbul Izzet Oh unser Herr. Oh unser Herr! Wir sind schwach, gib uns Stärke! Ich gab sie dir oh Mein Diener! Sag! Bismillahir rahmanir rahim. I werde all euer Elend nehmen... und die Türe der Himmel werden sich für euch öffnen. Allahu Akbar! Allahu Akbar! Allahu Akbar! wa lillahil hamd! Subhana Rabbika Rabbil Izzati Amma Yasifun! Assalamu alal Mursalin, walHamdulillahi Rabbil Alamin! Lasst es uns sagen für S. Mardan. Beginnend beim Sohn des Onkel geben wir Salam zu allen Anbiya und lesen eine Fatiha Sharif. Bismillahir rahmanir rahim, Alhamdulillahi Rabbil Alamin Maliki Yawmiddin, iyyaka na'budu... Amin, Amin Es ist nicht sicher wann der Tod von jemandem kommen wird. Jede Minute kannst du gerufen werden. Sei bereit. Wach auf mit Basmala. Lege deine Stirn in Sajda. Fürchte dich nicht. Sag "Mit der Fürsprache Shah Mardans suche ich Zuflucht bei Dir, Sultan". Fürchtet euch nicht. Möge eure Ehre hoch sein! Denn sie folgten diesem Weg, die Osmanen hatten diese Ehre. Die die diesen Weg verließen fielen in ein Loch. Sie können den Anfang der Lösung nicht finden. Möge Allah uns von ihnen fernhalten. Lasst uns Bismillahir rahmanir rahim sagen. Ya Hannan, Ya Mannan, Ya Dayyan. Ya Subhan, Ya Sultan! Wir sind schwache Diener. Gib uns Kraft, ya Allah! Eine Zelle stellt die Welt auf den Kopf. Er sagte das. Fatiha. Ihr Idioten, überstimmt durch die Zeitungen. Ihr seid nutzlos. Die

nützlichen folgen dem Weg Shah Mardans, halten sich an sein gutes Benehmen. Sie werden sowohl in dieser Welt als auch im Jenseits geehrt werden. Die die ihnen folgen sind ebenfalls ehrenhaft. Wer diesen Weg verlassen hat, folgt Shaytan, sie sagen viel harr, harr, harr, solche Dinge - wie diese Hunde. Sie essen sich gegenseitig, das werden sie. Reißt euch zusammen. Wenn nicht heute, morgen kommt der Tod zu euch. Fürchtet Allah! Schämt euch vor eurem Meister (sas). Seht und beweist eure Menschlichkeit. Seid ein Mensch, kein Teufel. Die die in dieser Welt leben sind entweder Menschen oder Shayane. Sie sind entweder von Rahman, sie sind Menschen, oder von Shaytan, die Tiere Shaytans. Es gibt 2 Klassen in dieser Welt: Die die dem Weg Rahmans folgen, die dem Sultan zu Diensten sind. Die anderen rennen Shaytan hinterher, Tiere Shaytans. 2 Klassen, es gibt keine dritte. Möge Allah uns Seine reinen Diener schicken, um uns aufzuwecken, uns Shah Mardans Rat zu sagen und des Sohn des Onkels... um uns die Ehre des Meisters des Universums zu lehren und ihm Respekt zu erweisen. Möge Er uns reine Lehrer schicken, so dass sie uns lehren. Lernt und lehrt! Khayru Al-Nass Man Ta'alam Wa Allam. Die besten unter euch sind die, die lernen und lehren was sie gelernt haben. Gute Leute sind die, die lernen und die Leute lehren. Lehrt! Lehrt Gutes. Sagt auch das Schlechte das ihr wisst, so dass sie nicht in die Löcher des Schlechten fallen. Fatiha. Salamun Qawlan Min Rabbur Rahim Lest dies 7 Mal jeden Tag auf euch. Werft euch nieder und ihr werdet sicher sein. Fatiha. Mögen sie uns vor dem Leid Shaytans beschützen. Die Engel, mit dem Befehl Shah Mardans, der Sohn des Onkels des Meisters des Universums (sas), mit der Erlaubnis unseres Meisters und Ehrfurcht. Seid so, euer Gesicht wird sein wie der Mond. Mögen eure Herzen wie Gold sein, und eure Taten geradlinig. Fatiha. Das ist ein Rat. Haltet ihn ein. Man LamYaqbalu n-Nasihat Hallat Lahu n-Nadamat. Wer einen Ratschlag nicht akzeptiert wird bereuen. Die die sich nicht an den Rat halten, bereuen es. Mir wird befohlen das zu sagen. Shah Mardan, oh Liebende Shah Mardans, marhaba.

# HALF ASLEEP AND HALF AWAKE

As-salamu alaikum! Alhamdulillah wa salat wa salamu ‘ala S.Muhammadan... ’zid habika izzan wa sharafa w anuran wa surura wa ridwanan wa sultana... Allahumma rushdana wa aisna min sharri anfusina!

Half asleep, half awake...

Audhu bi-llahi mina shaitani rajim, Bismillahir Rahmanir Rahim. Ya Rabb! We are coming from long distances, from East and West, from North and South, from this world people are coming, they are asking to go or to learn something, because it is an unknown place here; on world our land, Cyprus, is very small land.

And we are saying: Audhu bi-llahi mina shaitani rajim, Bismillahir Rahmanir Rahim.

We are running away from Shaitan and running, asking to run to Allah. That is a good rule that everyone may know or everyone asking to know and they are also reminding a rule that gives you some benefit. What is that rule? Run away from (your) enemy and run to that One, who can protect you! Don’t run after your enemy! And your enemy can have hundreds of traps and (he

is) using countless tricks for mankind. But he, that one, (is) presenting himself - not too much presenting, but introducing himself, saying: “Oh people, I am (a) very famous friend of you and always I was running after you to teach something that you should be here in happiness and you should save yourself. First of all...” Shaitan that, Shaitan saying to people, “First of all you must take away from your minds that you are dying and then coming alive. That is something that our mentality never can accept! What do you think if one of you (is) dying and (they are) taking you and putting (you) in graveyard and then, through (that) graveyard, your body (is) changing, changing, even never going to be on yourself soft area, soft that dressed on your skeleton... skeleton, and that you dressed from your physical being. (That) soft physical thing (that is) dressed (on you), after a short or a far away, after some time passing, that soft dress that you have been dressed on your skeleton, (is) just finished and (it is) going to be dust, only you may look and see a skeleton.

But you can’t be able to make a difference, to say... If they are putting in front of you ten skeletons, you can’t say: “This (is) for Greensheikh”, “Greensheikh” they are saying, “that belongs”, “Greensheikh skeleton” or you can’t say that: “That is”- what is that person in Arabia?- “Abdul Aziz bin Baz”... This (is the skeleton of) bin Baz, this (of) Greensheikh, this Yemen servant or this Asian Abu Zaid Ihwan or that is the Kings skeleton... No!

This putting there, you can’t be able to say this, so how you are going to say, that that skeleton also after a while that skeleton also going to be dust, nothing remaining from someones body, anything except dust, how you are going to say, my friend, that from that skeleton you are going to come once again to life?’ “First of all, if you like to follow me that I am that one guiding you to a pleasure, to a peaceful and happy life, enjoyful life, you must take away from your dictionary that. Nothing after death! Death it is (the) last point of a living person, beyond that, that finished. Therefore, I am that one, I am happy and honoured to make people, their mentality, to work and to try to be much more in pleasure through this life, as much as possible. Yes, that is first, my first lesson that I am going to teach you for an enjoyful life. If you can accept my advice, you should be so happy. Therefore, take away from your dictionary to believe or not to believe- you must be realist! Realist, that I am Nr.1 realist”, Shaitan (is) saying (this) to people,

“Nr.1” and: “Follow me!”

Therefore Allah Almighty (is) ordering: “O people, (these are) such a foolish ideas! Your most terrible enemy that (he is) asking to teach you- he is not teaching you, but cheating you!”

Once in a country some no mind Shaitans agents, they built a big hotel. Then, when it is finished, they are saying: “Yes, just it is finished now, but- how we are going to operate this place? How we are using it, what is the best way for investment, good manage for a good investment?” They said: “You must ask everything that they are expert for that subject.” They said: “How we are finding such a person?” And so many people (were) saying (to them): “You may ask for employment and investment for this huge building that most important people, whom their minds (are) working on that subject: they are (the) Children of Israel.“ “Ha?” “You must go and ask from them! What they are saying, may show a way to you, to use it. But you must be very careful! Sometimes (they are) saying right, sometimes (they are) saying wrong- don’t trust them!”

And then, hasili kelam, the summary of our speech here: they asked and people (were) saying “Go, there is Tel Aviv...” They went there, a group of people, they prepared themselves and (they were) going to ask how they are going to make it to work and investing money from that. Because in our days people they are worshipping money, running after money, money, money...!

And they went, finding that person, whom they are going to say something about their consulting. (They were) coming and they are sitting, knocking (the) door, opening clerk: “Oh welcome! Ohhh, you are very welcome! I am looking, seeing you not from this country, you look like foreigners...?” “Yes Sir”, because if they are from their country, it is something else to speak... “Good hands... Good hands... now it is okay, welcome... For what you are coming for consulting?” They said: “We are a group of people from a famous island in Mediterranean and we are asking: Just we built a beautiful building and we are asking how we are going to manage (it). That is our consultation.” “One moment...” (The clerk was) getting in and saying: “There is good hands...” “Look after them! First, before they are coming in, take first what they should pay before consulting, then coming in, because they may consult and not giving anything; they

may escape we can't reach to them. Therefore first of all you may give, go and take tax for consulting." Getting: "Yes Sir! ...

"Ehhh, our solicitor (is) asking (that) first of all you must pay 1ooo Pounds, before consulting." Looking... "What do you think, we have? We (were) never thinking that we are falling in such a trap... this is a trap!" "Don't say trap! Fee! Pay! No time for our solicitor to wait here, because every time the taximeter (is running) tick tick tick... look there: how long here, you should pay more! Quickly!" They were... "1000." "From where (you are) coming?" "From that country..." "So many people (there are) making, printing false money..." "Yes Sir, it is original money, not it is imitated, photocopy." "No photocopy?" "No, Sir, I am not such a..." "I don't know! You are coming from such a country, you may sell people also with photocopy machine. Go away!" (They were) getting in. "Now..." giving to solicitor, (the) solicitor (was saying): "Welcome, our precious clients, welcome to you! Ehhhh, welcome... you like to drink water or none?" Not saying coffee... "Or tea? You are asking to drink tea?" "No, Sir." "But after paying this, you must drink! 1000- you must drink something for digesting..." Summary giving: "What you are asking?"

"Yes Sir, we are coming from that island that (there are) so many trouble-makers in that place. People (are) sometimes coming to our place, they are escaping from that side to this side, and they are asking a modern hotel. And just we built a good hotel, but we are getting in disagreement among ourselves. Some of ourselves (are) saying 'We may use (it in) this way', some others (are) saying 'No, another way', this way, that way- we are quarreling, therefore we are coming that we may hear from you advice." "Give that hotels details..." He was (looking): "This (is the) building?" "Yes, Sir." "This (is a) good building. But- what is behind it? I am looking (something) as a minaret... I think so. I don't know, if I am right or wrong- look!" They said: "Yes Sir, there is just wall to wall a mosque there."

"O my no mind clients! You are really no mind people! That is (a) mosque, (where they are) Adhan calling for praying to Allah people and you are building here and big hotel for Shaitan and shaitanic works? How that people... 5 times that minaret "Allahu akbar, Allahu akbar" and person riding on one another, drinking, making everything... they are saying: 'What is that? Oh, what is

that?' They are escaping not to hear, to be free for everything- 'How (is) this hotel (a) modern hotel?' They may say to you this. Therefore my advice to you: Either you may take this hotel from here to another place or you must take (that) mosque from there to another place or it is not going to work..."

Why I am saying (this) to you, o people? Because Shaitan (is) saying: "Don't obey! Take away to believe (that) there is (a) Creator, there is (a) Resurrection Day, there is (a) Judgment Day! These things you must take away from your dictionary, then you can be free to make everything as you like. If not, you can't live. Therefore, o my friends, I am your best friend, that is my advice to you: Don't believe- you should be happy!" Saying that Shaitan; another Shaitan (is) saying: "You can't be happy through such a places, you must leave to believe in anything that should be in future, after this life coming another life." That is the main points of shaitanic lifestyle for 21st century and 21st century people, all of them, they are saying: "No God"- ha sha- "No life after death, no Resurrection, no Judgment Day, no Hells, no Paradise, only here!" That is whole world mentality now.

Therefore the Lord of Heavens (is) going to take them away! But He promised to the Seal of Prophets: "O My beloved, most beloved, most praised servant, o Muhammad- peace be upon him! I am not sending their punishment from Heavens or (from) under their feet, but I am making them to be democrats, anti-democrats haha, parties, parties to eat each other. They should destroy each other!"

You can think that Pakistan people they are saying: "We are the first class Muslims", first class Muslims (they are) fighting to each other now... for what? For Allah? No, for Shaitan! Other countries, all of them fighting: In Turkey fighting, in Iraq fighting, in Syria fighting, in Lebanon fighting, in Iran fighting, in East and West, everywhere, fighting! For what? For Shaitan! (He is) making them to fall in fire here and in Hells there, after this.

O people don't be cheated! Shaitan (is) coming, saying: "I am teaching you..." No! Say: "You are cheating us and you may look and see (this) everywhere!"

O people, leave Shaitan and follow Allah Almighty's Way, you should be happy here and

Hereafter. May Allah forgive us! For the honour of the most honored one in His divinely Presence S.Muhammad, sws, Fatiha.

## The Hand Holding The Creation

Assalamu Alaykum Oh... present ones, Yaran Shah Mardan let's say salawat for our Prophet (sws) Allahumma Salli wa Sallim wa Barak Ala Sayyidina Muhammad Sayyid-il Awwalin wal Akhirin Zidhu Ya Rabbi izzen wa Sharafa Nuran wa Surura wa Ridwana wa Sultana Alhamdulillah bizi haddin √ºzerine kƒ±lan Shukr for our Mawla, Allah (swt). Endless Salat & Salam on his Beloved (sws). May the honor and mightiness of Shah Mardan be even greater. Al Mar'u Ma'a Man Ahab (hadeeth), A person is with the one he loves. May Allah (swt) make His good servants beloved to us so that we may be with them. Salam is before speaking. This is an association, a chat.

Ay Yaran Shah Mardan those believers who are full of love and respect for Allah's (swt) Lion, Salam to you. You will be greeted with Salam on earth and in the hereafter and that is why... Assalatu was Salamu Alayka Ala Sayyidal Awwalin wal Akhirin Sultanul Anbiya Efendimiz I am saying salat and salam for him (sws) and then to Shah Mardan, and then to the Companians (ra) those who love, respect, and follow our Prophet's (sws) way... May your day be good/ blessed. May your day be full of honor and joy and have no worries. Anyone who is associated with the Sultan, can he have any worries? In the old days, after morning prayer, yaran, beloved friends, ikhwan (followers) would come together and make an association. There is one person who speaks, they listen to him and find relief. What a nice tradition.

And we are in this condition. I am asking for forgiveness from our Mawla who is generously forgiving and to the honorable Prophet, intercessor for the universe, I am shyly sending Salat & Salam. I have no energy to stand up and I am offering my love for Shah Mardan who is the Sultan of the arenas, Sultan of the soldiers. When he went out to the field, there were no warriors to stand against him. Hz. Ali (ra) is Shah Mardan, the son of Prophet's (sws) uncle, the Great

Prophet's cousin, Shah Mardan. No one could stand against him. But one day the Prophet (sws) held him by his belt and lifted him up like this. Did you know that? He lifted up Haydaru Karrar like this, the hand that is holding the universe, our Master, the Master of the Universe. Stand up! Stand at attention! MashAllah MashAllah

May our day be good/ blessed. May our work go smoothly. May our servanthood be accepted. Our way is by association and goodness is in gathering. Subhan Allah all the Awliya are related to Shah Mardan it is said. May our day be good/ blessed Yawmun Jadid, Rizqun Jadid- A new day, a new rizq (provision) in the presence of Shah Mardan. This is how all the Awliya are standing Oh Lion of Allah (swt)! Shah Mardan! Allahumma zidhu izzen wa sharafan nuran wa surura ridwana wa sultana. the Sultans come from his lineage, from his pure lineage. Every Saltanate must... be related to Shah Mardan, their lineage must reach him. That is with Sultans. Any country without a Sultan, they are rubbish, their lineage is satan. Bismillahir Rahmanir Rahim. the drawn sword, say Bismillah, it is a sword. if Shah Mardan strikes with Dhul Fiqqar, he could divide this world into 2, like a watermelon.

Oh people who claim to be Alawi Listen to this. Learn bravery from Shah Mardan. Men and women dancing together in the square, they made the people shameful. You are on the wrong way, those who insist... on the wrong way, maybe they won't make it to next year. There has been a sign/revelation about this. They are on the wrong way, those why say- we are Alawi, we are Kizilbash. Next year, maybe not even one will remain because they're not correcting their ways. They'll be swept away, disappear.

Let's say, oh present ones, Bismillahir Rahmanir Rahim. How nice, Basmala Sharifa. Recite the name of Allah (swt) - Allah Allah Allah Allah Allah Allah. What an honor for us to be given permission to remember/recite His name. The Basmala Sharifa was written by Qalam-ul Ala (pen) on Lawh al-Mahfudh (preserved tablet) over a span of 700 years, 1 Basmala Qalam ul Ala (pen) in the heavens, on the throne when it asked -what should I write? the order was to write Bismillahir Rahmanir Rahim. From its majesty, the tip of the pen cracked and ink pured out with force, and it wrote. It wrote Basmala for 700 years. The first writing on Lawh al Mahfudh. Say, oh teachers/preachers! Why don't you talk about this so the people's iman (faith) will become stronger, more powerful? They should know the honor of Islam. They left Islam, they left the path of Islam. A socialist government, Mashallah! What is that? It means the country

that satan has made his waste in. Muslims of Islam pray 5 times a day. satan makes his waste on the heads of socialists 5 times a day. They don't have any other toilet/wc. My toilet is on the socialists, let me make my waste on them... so they become stronger. What socialism? What is a socialist government? The magnificent one Allah (swt) sent... ...1,000... ...it governs over the obvious and the hidden. Why are you opposing it? The more they are opposing, the more they are sinking in the waste of WC and probably, most of them will be left in the WC because a violent earthquake is coming, along with a hurricane. Stop saying, socialism. Say, Islamic State. Is it not good enough for you?
They are celebrating the victory of Canakkale (Gallipoli war). Did the socialists win that war? Say! Islam won that war, the Islamic State. They are not opening their mouths, as if they were the ones. There are no illicit gains! Give them their rights, they're saying from heavens, or we'll take our rights. I will take it (my rights) this year. Al-Haqqu Ya'lu Wa la Yu'la Alayh. Isn't that the hadith? Yes Haqq (justice) is the highest, there is nothing above Haqq. There is nothing that can stand above Haqq. Rights are rights. Well, we are making laws. We are making anayasa (constitution). Well, what about 'babayasa'? There is no babayasa, there is only anayasa (constitution)?

Ya Rabb, forgive us, send us a master. People have become drunk from the world, from the made-up ranks of this world. They are not saying Bismala. Say it and you will find honor. O Shah Mardan, salam to you. We are glorifying you, congratulating you. We are offering our glorification to you for our protection... Shari'ah (islamic law) Ahmadiya, Muhammadiya - Mahmudiya, Mustafaiya. Send us a Sultan who will show us the Shari'ah (Islamic Law). We are fed up from their lies. We are fed up from their useless work. Ya Muhawwil al Hawli wal Ahwal Hawil Halana ila Ahsani Hal. The one who makes each day appear in a different way. Our Lord who can change any situation, send us a Sultan. What's in the hands of the Sultan? A sword. Bismillahir Rahmanir Rahim is his sword.
Let's say, Bismillahir Rahmanir Rahim. Ay Yaran, O beloved ones! What a nice love. what a nice sohbat (association) to open up your heart, your mind, to make your home spacious, and your soul restful. This kind of gathering, the gathering of Yaran that is why... I am taking from the sayings of Shah Mardan; Shah Mardan is taking from the sayings of Prophet (sws). Al khayru

fil Jamiyya- there is blessings in gatherings and sohbah (association). Hz. Shah Naqshiband is taking from him - Tariqatuna as Sohba - Our way is association, friendship, spreading love, spreading respect. What we are teachings is love and respect. We want our people... to love Shah Mardan and the ones above him. We want our people to have respect... for Shah Mardan, who is the Lion of the field of soldiers. His forked (with 2 points) sword, Dhul Fiqqar, with one blow, it will divide the earth into 2, like a watermelon.

Those who claim to be Alawi! Hz. Ali (ra) is Shah Mardan. Did he smoke cigarettes? You have become like a smoke chimney, there are no lights left on your faces, stop smoking! Alcohol, never. He never touched anything forbidden. Which one of you is not drunk? You permit what you want and forbid what you want. Allah (swt) will destroy you. The clean ones will remain, the rest will be sent away.

Say Bismillahir Rahmanir Rahim and don't be afraid. Your homes will be joyful, your children will be good-mannered. Your work will be successful, your heart relieved, you'll be full of faith. Their weapans and cannons... will be destroyed instantly by the power in your heart. Say Bismillahir Rahmanir Rahim. Marhaba Ay Yaran Ay Yaran. Ali (ra) Ibn Abi Talib, Shah Mardan, let him complement you; let him say (about you) that he loves us, respects us. Let him make you beloved and respected. May our day be blessed, our faces full of light, our hearts full of love. May our day be like this. Say these (supplications).

They're not saying, and their government officials are going out in the square... like ignorant ones and dancing. They find this honorable. It's not the job of an honorable person to do dabke (dancing). Do they pray, make supplication? Do they have any majesty? No. The person who mentions Shah Mardan, has majesty. Even an army can't have that kind of majesty. The majesty given by Shah Mardan will make not 1 army, but 7 armies tremble. Don't confuse matters.

Within 40 days the dark ground is waiting for you. We hope Allah (swt) does not separate us from the way of Haqq. Allah (swt) is saying: "Al Haqqu ya'lu wa la yu'la alayh." Haqq is Almighty, there is nothing that can rise above it. Whatever you do, Haqq is Almighty and stays Almighty. The heavenly establishment is with Islam. Allah (swt) has built the building of Islam. if you say- I will build something on top of it, then tie together the ends of your pants and then do it. They will be sunk inside it. There is little time left. Iqtaraba as saatu, Allah (swt) is saying, Wan shaqqal qamaru Judgment Day is near. "Fa Ja'at ashratuha" right? the signs have come.

"Khudhu Hidhrakum" (4:71) holy verse Khudhu Hidhrakum - take your precautions or else the signs of Judgement Day will grind you... like wheat being ground to flour, and throw you away. All these things, Shah Mardan is teaching us. Make gatherings, don't dance with girls and ladies. Men cannot enter the gathering of women and vice versa. Why do you go out with your wife? Who gave you permission to take your wife and walk among other men...? Is this how to be a Muslim? Is this your respect for Allah (swt)? Is this our love and respect for the Prophet (sws)? A man with a turban was seen among the thousands of people... on satan's box (television). Who is that? they asked. He is the one who is leading the whole country. What authority does he have? He can't have any authority, these arrogant ones will not give him any authority. He has nothing, they only bring him for show. Allah (swt) knows what you are doing. Allah (swt): "Ya'lamu ma fissudur" Your Lord knows what is in your hearts. You cannot cheat your Lord. Allah (swt) will give them what they deserve, He'll give everyone their rights Why was Islam sent? "Ati kulli dhi haqqin haqqa." Give everyone their due rights. Women have rights, give it to them. Men have rights, give it to them. Villagers have rights, workers have rights, the government has rights, soldiers have rights. Those who are dancing around have their rights.

Give the lazy/unemployed their rights too: beat them with a stick . That is what you deserve. Why are you unemployed? Are there no jobs? Can all work be finished in this big world? Collect stones and sell them. Sweep the streets, so the municipality will say... this man is cleaning well, we will... give him a salary, so he can sweep. Take a broom and sweep! How can that be, we are university... graduates. Can we hold a broom? You won't, but the ones above us holding a big broom... will sweep you away, throw you away. You are crying and complaining, we have no work, no spouse, no food. You cannot just sit around. You have hands, feet, a mind. Work never finishes in this world. At the very least, cut wood, burn wood (for heat). No we don't want wood. We want gas. Then what will that gas do? How many people have died? People suffocate and die, but they are insisting on using gas - only with gas can our homes... heat up. No, it will not heat up. Our grandparents' homes were made of mud, we had a stove. We would sit around the stove and watch the fire and warm up. We didn't want to leave and go anywhere. Your country is full of forests - arrange your forests. So instead of gas, everyone will light their stoves with wood. Make that the fashion. No (they say) We will build Nimrod's towers, and there will be gas inside. Whoever goes inside, some will burn, some will suffocate, some will go crazy, become

bewildered. Strange conditions.
Leave that, recite Basmala Sharifa. Go out, there is nothing more than work in this world. However, even more than lazy people, we have those looking for free meals - that is all the people. Allah Allah Even dogs wake up in the morning... running right and left, looking for a bone. Allah (swt) the Absolute Provider, will make him find something. He provides a provision for animals, he makes them find a bone. He will find a bone from somewhere. He eats and sits, poor thing. He listens, if he wants he will hunt or just sit. And these people have lost their ways because there is no Basmala. Say Basmala, there is everything (for you). Gold can fall in front of you, treasure can be found in your home under the wall. There has been gold since the beginning of earth. You might find gold, jewels. Why are you sitting at the coffee shop? Wander the mountains, gardens, fields. Collect your provision. We cannot collect, they have all become Sirs. They are Sirs for satan.
Say, Bismillahir Rahmanir Rahim. Put your forehead in prostration, then go. Ya Razzaq Ya Allah Ya Fattah Ya Allah Ya Rabbi, open the doors for us. I am out to collect my provision, You are the Absolute Provider. O our Lord, do not leave us to be needy. Especially from governments, do not make us dependent/needy from them. Go to the mountains, fields, sea, collect your provision. Say, Bismillahir Rahmanir Rahim.
Ay Shah Mardan Send us a Sultan from your pure lineage so he can teach us our ways. "Ad Dinu Nasiha." Religion is advice. They took away institutions that teach advice. They give them paper and say, you will study like this. You will praise so and so person, you will not respect so and so. This is the situation they are in. The great empire that shook the world... they destroyed it and celebrated. Now they are hitting their heads. They will become much worse. We hope Allah (swt) doesn't let us to be from the ones who follow satan. We are following Shah Mardan's way, we want to follow as much as we can. Even cats wander around, poor things. f it sees an animal struggling, it quickly catches it. It kills it and eats it. You don't raise chickens, chickens don't want anything, there are no hungry chickens. They don't walk around hungry, they're bellies are full. Man, the ones Allah (swt) calls My servants - will He leave you hungry? Sultan... The Sultan of the universes Subhansin, Sultansin Ya Rabbi Will He leave you (hungry)? Why don't you teach this at schools. You make them sing songs, make them dance, girls and boys mixed. Will you be successful? No. O our Lord, send us a Master. Ya Raabi, send us a servant

who will make us walk on Your way. Your promise is Haqq. The good tidings given by Your Habib (sws)... In the last days, a Sultan will be sent as the leader of Islam... to help the people succeed. I will open up their provisions. Those who prostrate have plenty of provisions. Those who do not (prostrate) have very limited provisions. I won't allow those who respect me to be beaten with a stick,to hear harsh words. Those who do not recognize me can starve, they can be left under insults. They will be crushed and gone. I leave those ones like that. O our Lord, Tawba Ya Rabbi Tawba Astaghfirullah.

Ay Yaran Marhaba. This is our situation today. O our Lord, forgive us for the sake of Your beloved Habib (sws). Send us a Sultan, Ya Rabbi. We are left bewildered under the saltanate of satan. Send us a Sultan, a Sultan who will hold fast to your Shariah (divine laws). Those who insist, let the grave wait for them. They will be taken away. Even if they... build 7 domes on top, they will not benefit. They should look at what he is suffering inside (the grave). Someone told me that... a high-society lady passed away and... 40 days later, what did she say in her dream? She said, everthing was fine... except I never put anything on my head. I would fix my hair... and go out. I wish I never went out. Everything is fine here (in grave), except I just have a headache. They said, if we put it on the mountain, it would melt. Oh people who... walk around without covering their heads, don't forget the grave! Don't wear open dresses and go out, or you'll suffer in the grave like this. Such a headache was given, she said- it won't go away. That punishment is enough for her. That was the situation of one lady. I pray and do everything else, just I don't cover my head. I go out with open dresses, I like it. Now they're hitting my head in grave, with a hammer. Before the pain of first one goes away, they hit again. We are waiting here like this. They are crying, struggling. There is no escape until Judgement Day.

Aman Ya Rabbi, don't leave us in the hands of our bad ego. This is advice, from Shah Mardan. Let's be careful. Let's protect ourselves, Ku Nafsak, right? Ku nafsak (66:6) Waquduha n-Nasu Wa l-Hijara (66:6). Protect yourself from fire, because it will burn you. Allah (swt) is saying- save yourself or else you'll suffer in the grave. If you don't die today, there's tomorrow. If not this year, there is next year. Death is running right behind your neck. Don't adorn yourself and go out. Adorn yourself in the council of Haqq. Aman Ya Rabbi. Tawba Ya Rabbi. Khudhu Hizrakum (4:71) Allah (swt) is saying, Be cautious. Naraan Waquduha n-Nasu Wa l-Hijara (66:6) be

cautious of such a fire that people and rocks are its fuel.
Allah Aman Ya Rabbi. Tawba Ya Rabbi, Tawba Astaghfirullah. O Shah Mardan, intercede for us. We are hoping for those who will teach us, let them come. Allahumma Salli wa Sallim wa Barak Ala Habibik al Mustafa. Wa Nabiyuk al Murtada. Salat and Salam on his family and companions and Shah Mardan so they will defend us, so they will send us a sultan. Sultan will come with sword of Bismillahir Rahmanir Rahim. O Allah, don't embarrass us. Don't leave us to our egos. Don't leave us to bad people, don't let us follow satan. Don't deprive us of our prayers and lights. Give us lights, don't leave us without lights. Ay Rabbimiz La ilaha illa Anta Subhanak inni Kuntu Min adh-Dhalimin. O our Lord, send us those who will correct us. O Shah Mardan! intercede for us for the sake of the Great Habibullah (sws).
Amin, Amin wa Salamun Al al Mursalin. wa alhamdulillahi Rabbul Alamin. May our day and our work be good. May our life be blessed, and the good things be plenty. May our honor increase, we want a Sultanate. Fatiha.
I am very passionate, but I can't do anything and this is a short talk. Don't make it long, moderate, a quarter, half an hour. "Wa Dhakkir Fa'inna Adh-Dhikra Tanfau l-Mu'minin" (51:55) There is permission. May your glory and majesty increase. May they kiss your hands and feet in the open and secretly. Go with safety, my son. Assalamu Alaykum Allah Allah

## Happy Birthday, Ya Sultaan al-Awliya!

(Sultan speaks from his window)

As-salamu `alaykum. Ahlan wa sahlan. Welcome to you! May Almighty give you much more honor. That is really the birthday of that One, he is Sayyidi ‘l-Awwaleen wa ‘l-Akhireen and (birthday celebrations) are only for Hazhrati Muhammad al-Mustafa, not for anyone else. However, they have made it a custom.

Alhamdulillah, it was just the birthday of the Seal of Prophets (s). Just it is going to be suitable for His servants' birthday also. And you are coming here for a celebration, but really I am celebrating the birthday of the Seal of Prophets! Welcome to you. Next year I hope there will be a big ceremony that Mahdi (a) comes, flags of Islam going to be up, and Shaytan's saltanat is going to finish, and Islam's saltanat coming over the whole world!

May Allah forgive you, forgive me. I am weak one. I am happy that I am coming for a celebration for the Seal of Prophet’s birthday yesterday night. May Allah bless you.

People! People! My sons, my daughters, my sisters! O Mankind! You must be happy by celebrating the Seal of Prophet's birthday. Pray for me please, that this heaviness leaves me and that I will be renewed everywhere

inshaa-Allah. As-salaamu `alaykum.

(Assembled guests sing "Happy Birthday" outside, under Sultan's window.)

Birthday is only for one (s) and happiness will be throughout his whole nation, ummat al-Muhammadi! Milad un-Nabi Mubarak `alaykum.... Allahumma thabbitna `ala 'l-Haqq! (3 times) bi jaahi man anzalta `alayhi, Surat al-Fatihah. Allahumma salli `alaa Sayyidina Muhammadin inna bi 'l-ummiyy wa `alaa aalihi wa sahbihi wa sallim (2 times). May Allah bless you for the honor of the Seal of Prophets, Sayyidina Muhammad (s)!

(Guests sing, "We love you, we love you, we love you so much, we love you, what else can we say? SHAYKH NAZIM!...")

## A Happy New Month

Uways al Karani in Yemen... Allah Allah Uways al Karani His Highness, May Allah sanctify his secret, for his barakah, the difficulty on us shall be lifted, darkness shall end, this holy month... must be bright... May there be victory in this month. Amin. Fatiha.

There was an old fashioned mansion that belonged to the nephews of my mother. It was one of the houses, we used to go when I was a child. They had a cuckoo clock. I still remember, I was 7 or 8 years old. Aunt Suraya, her size was like 3 of us together. Her voice was mashallah, what a voice! Her singing was powerful, Her husband Husain Bey, our uncle by marriage. I felt happy. There was an inner court, Haji Mehmed. There was a pond. The sound of water, babbling... made me feel so relaxed, you can't imagine. It was a pond, water was running making a sweet noise... red fish in it. We also have it in our house, but the babbling of water wasn't like that in the old ponds. The new owners of the house destroyed it. I want that mansion. It is at least a 100-150 year old mansion, like this house.

Sometimes when he was in a mood, he used his full voice in khutba. He read fast and with power. People woke up. Who wakes up, they follow the imam. We prayed with joy. We made dua. I can't look away, because of the majesty of khutba. May Allah increase their stations.

Shaykh Effendi's power is complete now. He took it now. Shaykh Mehmed Effendi rules. Hala Sultan wants him now to come here and to be a shaykh for me.

G:Here?

M: In Hala Sultan. Inshallah we will take him. Since holy one (Hala Sultan) wants him, I shall take him there so she sees and takes him over. Shaykh Effendi was from Unye - Musa Kazim Effendi. He didn't look into people's faces. Like this. I used to go there when I was a child. I kissed his hand. He gave me 3 silver piaster for Eid. 3 piastres he used to give me. I sat upstairs. I waited. Downstairs the food was prepared... 3 big boilers. If Haji Gulbin sat inside them, she would fit in them. That big. They cut down forests. Beans with meat. Rice in gravy, In the other boiler was halva (a traditional sweet). I shall take halva, it is going to be opened now, he can cook halva. 3 boilers. Maybe 300-500 people used to come, they visited on the 3rd day of Eid, 3rd day of Ramadan Bayram. The governor also came. The governor with his wife, undersecretary with his wife, police chief with his wife, they came and visited Hala Sultan. They went backwards out of her presence. A feast was organized.

There was an old Ottoman building. It was ruined. He wanted to build a new one instead. He turned to islamic countries but no one helped. Finally they left it. It is of no use. Inshallah I will build an old Ottoman building behind it. The government is there. It will be in our hands inshallah. There is a strange tajalli (manifestation) there. Her tajalli is powerful. She is our sultan. (Hala Sultan) May Allah bless her. Nothing happens to us, because of her blessings. This place belongs to her. I will take it. Cyprus. I shall take all of it inshallah. Shaykh Mehmed Effendi rules there. Istanbul took whatever benefit it can from Shaykh Mehmed Effendi. This Selatin Mosque, Sahabe-i Kiram (companion of Prophet) is inside. They also let him to come here... for Shaykh Mehmed Effendi. Inshallah tomorrow, if the weather is good, I will also go out. I shall patrol. I also dance in the presence of sultan, she laughs.

When we went there in the past, once or twice a year, we used to stay in my uncle's house. He had a daughter, with a carriage, with 2 horses. We left home. What a joy it was to go with that carriage through the lakes. If you saw, Rukiye, you would be astonished. Why is this road like this? In order to look, my grandmother was 80 years old. "That man is looking. Why does he look? He should look up." said my grandmother. It was such a happiness Rukiye, Shaykh Mehmed! With those horses, we used to go through the lake. We sat like this,

observant. My brother loved to sit next to the carriage driver. He was eccentric. May he rest in peace. Then... We used to go through the lakes. Shaykh Effendi, there was also an imam. He was from Unye. From Turkey, Giresun. He never laughed in his lifetime. How many years ago? I kissed his hand. He neither looked at men's face, nor women's. May he rest in peace. Musa Kazim Effendi. For this reason, inshallah we recreate that place.

Haji Mehmed Effendi's protection reaches there. The new Shaykh said; Hoja Baba, let's buy a tractor. What do you think? I said very good. Who drives a tractor? Shaykh of the Sultan, ha? What does he say, our friend? When he will be appointed as a shaykh in Hala Sultan... he will set up a condition now, to go with a tractor. How is the sound?

HN: But now new tractors are stronger, faster.
M: Alhamdulillah. Ya Rabbi Shukur. Oh Lord it is the relief of the holy month, in which Your beloved was born. That relief is reaching us. May it continue and increase. May the opression on people be lifted. May Sahib uz Zaman (Mahdi as) come with a divine sword. Amin. Fatiha.

## Happy New Year

*All brothers are wishing you "a Happy New Year."*

May they also be in goodness. Insha'Allah we will see goodness in this Blessed month, the month of Muharram Al Haram. We ask our Lord that it may be an opening for the believers & that the heads of the Muslims may be raised, and that Allah (swt) may destroy the enemies of Islam. May Allah grant you all goodness. Happy New Year for Muslims, for mankind living on earth. We are asking from the Lord of Heavens to give us more power for Islam, to keep His (swt) worshipping. We are happy that we reached this New Year, new month, that it will be a new opening for all of mankind.

## Glückliches Neues Jahr

*Alle Brüder wünschen euch ein glückliches neues Jahr.*

Mögen sie auch Gutes erfahren,
insha'Allah. Wir werden Gutes sehen in diesem gesegneten Monat, dem Monat Muharram al Haram. Wir bitten unseren Herrn, daß eine Öffnung kommt für die Gläubigen und daß die Köpfe der Muslime sich erheben, und daß Allah (swt) die Feinde des Islam vernichtet. Möge Allah euch allen Gutes gewähren. Glückliches Neues Jahr für Muslime, für die Menschheit, die auf der Erde lebt. Wir bitten den Herrn der Himmel, uns mehr Macht für den Islam zu geben, Seine (swt) Anbetung aufrecht zu erhalten. Wir sind glücklich, daß wir dieses Neue Jahr erreicht haben, den neuen Monat, der eine Öffnung für die gesamte Menschheit bringen wird.

## Haqiqat and the World of Malakoot

Mawlana Shaykh Nazim: ...for material Creation, Malakoot is over it, First is Mulk, Malakoot, then Jabaroot, (signing over that) Lahoot. We are living on the material world, Mulk, and we may understand this world because we belong in it, `Alam al-Mulk. Malakoot is different.

Guest: What is sakeenah?

Mawlana Shaykh Nazim: It comes from Malakoot to the hearts of people.

Guest: So sakeenah comes from Malakoot; that's what I was thinking.

Mawlana Shaykh Nazim: You are a very clever one!

Guest: Not! You give me ishara, your guidance, and I follow it. I visited a Jewish mystic, Katherine Scheinberg. I got some signs from you so I visited her, is that correct?

Mawlana Shaykh Nazim: Allahu `alim, Allah knows.

Guest: One more thing: in "Yaa Maalik al-Mulk," what is Maalik? Is it the sultan mentioned in Surat ar-

Rahman?

**••• ••••••••• ••••••••• •••••••••••• •••• •••••••••••••• ••• ••••••••••• •••• ••••••••••• •••••••••••••• •••••••••••• •••••••••••• •••**
**•••••••••••• •••••• ••••••••••••**

Yaa ma`ashara al-jinni wa ’l-insi in istata`tum an tanfuzhoo min aqtaari ‘s-samawaati wa ’l-ardi fa-anfuthoo la tanfuthoona illa bi-sultaanin. O ye assembly of Jinns and men! If it be ye can pass beyond the zones of the heavens and the earth, pass ye! not without authority shall ye be able to pass. (Surat ar-Rahman, 55:33)

Mawlana Shaykh Nazim: Sultan belongs for Mulk. yaa Malik al-Mulk, this meaning completes that.

Guest: What I understood from Jewish mystics is when the king marries the queen, when the sultan marries sakeenah, Heaven will be established on Earth. What is your understanding on that?

Mawlana Shaykh Nazim: Ask them! We are not understanding their writings, no.

Guest: Because some of the things they are writing are very similar to Sufism; they also have Malakoot.

Mawlana Shaykh Nazim: Bi-yadihi malakoot kulli shay’in wa huwa `alaa kulli shay’in qadeer.

Guest: How can I reach my haqiqah, reality?

Mawlana Shaykh Nazim: By himself! (Laughter) If you like to reach into a palm tree, you need steps.

Guest: Mawlana, you are my ladder.

Mawlana Shaykh Nazim: I am looking to you, trying to keep you from falling down; if falling down, you can’t stand up. If you put that small baby on a ladder to climb there, it may fall down and won’t be able to get up a second time. Therefore, we are in need of exercises in order to learn how we can climb to Malakoot, which belongs to our spiritual being and it is not for our physical being. The physical being belongs to `Alam al-Mulk and our spiritual being belongs to Heavens, Malakoot.

Guest: I understand. Mawlana, what is my spiritual name?

Mawlana Shaykh Nazim: “`AbdAllah.”

Guest: Finally, what is my role in service of Mahdi (a) and Sultan al-Awliya? “He says you’re going to carry the shoes of Mahdi (a) (much levity).”

Mawlana Shaykh Nazim: To be with him when carrying his shoes, you should be very lucky.

Guest: I saw a dream of Mahdi (a) as a big eagle about to land any second.

Mawlana Shaykh Nazim: That is true, but he is not an eagle.

Guest: Mawlana, I saw another dream: I was given a blue Naqshbandi cane.

Mawlana Shaykh Nazim: You may use it to support yourself. Heavenly support is coming to you because blue belongs to Heavens; the color of skies is blue, but dark blue is over it.

Guest: Mawlana, I’m leaving tonight, I don’t know when I will see you next time...

Mawlana Shaykh Nazim: Allah knows, we don’t know anything.

Guest: So how do I get an opening? I’m really in search of my reality. How do I get to my haqiqah, my enlightenment?

Mawlana Shaykh Nazim: Who is responsible for you may guide you. Don’t worry, we are like passengers on a plane, and that plane goes.

Guest: But you are my plane...

Mawlana Shaykh Nazim: HasbunAllah, RabbunAllah.

(Guest kisses Mawlana’s hand.)

**Haram Sharif**

(Dt.: HaramSharifDt)

All of them were Muqtadir - capable of constructing tall buildings but they never constructed buildings that would exceed the height of the Kaaba out of adab - respect for the Kaaba. These ones left Baitullah in the middle, overshadowed, displaying what they have built. People are still astonished with it: Kaaba al Muazzama is left there like this. Allah Almighty, in any instant He wishes, can make al Kaaba al Muazzama be above all of them. The moment He wishes, He can put a Baitullah there which makes all other buildings go down to zero level. None of them can even come close to it. But the people have become confused. They don't know what they are doing.

They constructed all these buildings. What they constructed are visible but Kaaba can't be seen. Allah Allah. Aman Ya Rabbi, Aman Ya Rabbi.. And this is the clock tower- They made it look like the clock tower in London.

Let people make tawaf, as they like. Extension of the Haram- Allah is not able to squeeze (people) and we extend it so that they can fit into it?.. Aman Ya Rabbi. Who went there, they would walk like this in front of the Kaaba. Out of respect - adab, they would bend & walk like this. No one would walk like this.

Why did they not build a bigger Qubba/dome in al Madina al-Munawwara? They built minarets instead. Even the vault of heavens is like zero compared to the Qubba of the Prophet (sas).

No one really looks at these buildings. Everybody's glance is at Baitullah. No one cares about them at all. With the order of the Sahib, all of them will be removed. Only al Kaaba al Muazzama will be seen there. In the middle of the desert, they should have showed only Kaaba - can't be anything else! But their mind is like this. Aman ya Rabbi, Tawba Astaghfirullah. May we not fall into these mistakes too. People can make mistakes. This is also a big mistake, a big mistake... They could not keep the adab/good manners of the former ones.

There were shops on both sides of Safa & Marwa, O Rukiye. People would do shopping & make their sa'i as well. From Safa.. "'Inna As-Safa Wa Al-Marwata Min Sha'a'iri Allah"(2:158). Allahu Akbar! No sha'ir- signs, are left anymore! Rawaqs/arcades would not exceed al-Kaaba al Muazzama's height. Ya Rabbi Ya Allah. Tawba Ya Rabbi tawba Astaghfirullah. Bi hurmat Al Habib, Bi hurmat Al Fatiha.

**Haram Sharif**

(Engl.: HaramSharif)

Sie alle waren in der Lage, hohe Gebäude zu bauen, aber sie bauten nie Gebäude, die die Höhe der Kaaba übertroffen hätten, aus Respekt vor der Kaaba. Diese jetzt ließen Baitullah in der Mitte überschattet und führen vor, was sie gebaut haben. Die Leute sind davon immer noch überrascht: Kaaba l-Muazzam so stehen zu lassen. Allah der Allmächtige kann, wann immer Er will, Kaaba l-Muazzama über sie alle ragen lassen. In dem Moment, wenn Er will, kann Er ein Baitullah dorthin stellen, das alle anderen Gebäude auf Nullebene sinken läßt. Keines davon kann ihm auch nur nahe kommen. Aber die Leute sind verwirrt worden. Sie wissen nicht, was sie tun. Sie haben all diese Gebäude gebaut. Was sie gebaut haben, ist sichtbar, aber die Kaaba kann man nicht sehen. Allah, Allah. Aman ya Rabbi, Aman ya Rabbi. Und das ist der Uhrenturm. Sie ließen ihn aussehen wie den Uhrenturm in London. Laßt die Leute Tawaf machen, wie sie wollen. Ausweitung des Haram. Allah ist nicht in der Lage zusammenzudrängen, und so weiten wir es aus, damit sie hineinpassen können? Aman ya Rabbi. Wer dorthin ging, marschierte so vor der Kaaba. Aus Respekt, Adab, beugten sie sich und gingen so. Niemand ging so. Warum bauten sie nicht eine größere Qubba - Kuppel - in Madina l-Munawwara? Sie bauten stattdessen Minarette. Selbst das Himmelsgewölbe ist gleich Null im Vergleich zur Qubba des Propheten (saws). Niemand schaut sich diese Gebäude richtig an. Jedermans Blick ist auf

Baitullah gerichtet. Niemand kümmert sich im mindesten um sie. Auf den Befehl des Sahib hin werden sie alle entfernt werden. Nur Kaaba l-Muazzama wird dort zu sehen sein. In der Mitte der Wüste hätten sie nur Kaaba zeigen dürfen. Es kann nichts anderes dort geben. Aber ihr Verstand ist so. Aman ya Rabbi. Tawba Astaghfirullah. Mögen wir nicht auch in diese Fehler verfallen. Die Leute können Fehler machen. Das ist auch ein großer Fehler, ein großer Fehler. Sie konnten nicht das gute Benehmen der Früheren bewahren. Es gab Geschäfte auf beiden Seiten von Safa und Marwa, Rukiye. Die Leute gingen Einkaufen und machten gleichzeitig ihr Sa'i. Von Safa.. "Inna s-Safa Wa l-Marwata Min Sha'a'iri Allah" (2:158). Allahu Akbar! Es sind keine Symbole mehr übrig. Rawaqs - Arkaden - übertrafen nicht al Kaaba l-Muazzamas Höhe. Ya Rabbi, ya Allah. Tawba ya Rabbi, Tawba Astaghfirullah. Bi hurmati l-Habib. Bi hurmati l-Fatiha.

## The Harm of Caesarian Deliveries

(Mawlana Shaykh stands)

La ilaha ill-Llah Muhammad ar-Rasulullah. Keep us as a mum catching the hands of her children; You do that for us not to loose our ways, not to be occupied with something that is useless. As-salaamu`alaykum! O our master, our Grandshaykh! High command of Allah Almighty, we are running, running away from bad ones. Bad ones that they are bad ones followers of Shaytan, Sadanas. Protect your followers and we are so weak, so weak, support us, O our master! Whole glory and whole praising only for the Lord of Heavens. He is Greatest, He is only in existence, existence for you O our Lord, Lord of Heavens.

O our Grandshaykh! Help us. We are weak ones, we know nothing but ....curtains just opened. When curtains taking away from a servant, he looks and seeing something that he never expected. And according to High command we are saying A`udhu billahi min ash-Shaytani ’r-rajeem. O our Lord! Protect us from cursed Shaytan and its followers, because Shaytan, Sadanas just cheated in our days, not millions, but billions of people. And we are saying, taking the sword of heavens that it is biggest grant to believers, we are saying Bismillahi'r-Rahmani'r-Raheem, for everything say Bismillahi'r-Rahmani'r-Raheem.

(Mawlana Shaykh sits) O our Lord! Protect us and shelter us. You know how You are sheltering and

protecting, but Your Holy command signing and saying that if anyone asking a protection and shelter here and Hereafter, must say Bismillahi'r-Rahmani'r-Raheem. that these Holy Names of Allah Almighty, “By the name of Allah, the Most Beneficent, the Most Munificent, Almighty Allah,” endless Mighty Oceans for Him only, Allah.

For what You created us? Send to Your weak servants to know and to learn and to follow. For what we have been created? That is first advice from whole prophets that holy command from Allah Subhanahu wa Ta`ala ordering to them, "O My selected ones or chosen ones through My Heavenly Presence! My servants are weak and I am Most Mighty only, only Most Mighty One! Can't be anyone to have that title, most Mighty One, most Mighty Oceans! No one can tasawwur, imagine My Mighty and Most Mighty and no one can imagine how My most Mighty Sifaat, Attributes are; no one knows! Through that, My Most and Endless Mighty Oceans are reaching to Endless Dominions, and no one knowing My Dominions, impossible! Impossible!"

Allah Subhanahu wa Ta`ala is saying, "O My creatures! Heavenly addressing, O mankind! That I am that One Who giving your design. No one can think about the Absolute Perfection that I granted to My deputies. For being My deputies, I granted to them, I am Designer of their physical being and also I am granting to them from My Heavenly Perfection, giving to them zaahir, their external appearance, so perfect! I am giving to My deputies a design that no one can takhleem, to imitate it!"

That is the meaning that Allah Almighty created Adam by His hands. He is Designer for Adam Sallallahu Alayhi Wasallam. Our looking was such a perfect design granted to everyone. Therefore, everyone looking to a mirror must say, "Alhamdulillah il-ladhee, khalaqaneee wa jamalanee wa kamalanee.....as shukru wa ridaa." (thanks to Allah who created me and made me beautiful and perfected me, we give thanks... and our pleasure is with You, our Lord) You must say, because our design so perfect because the Lord of Heavens, the Lord of everything in existence, He is that One, that designed Man to be His deputies. Can't be any designer can think about our creation, our design, and He Almighty designing you, O man! Through a very small and narrow place through wombs of your mums, from nutfah, a clot. How? Who can do that? And He is the Lord of Heavens, the Creator, saying, "I am Your designer through your mum's wombs." Therefore, don't say, "That is ugly one, that is handsome one, that is beautiful one, that is ugly one." Don't say! That is haraam - that is forbidden and it is like kufr, unbelief and that kufr makes our beliefs away, yes. We are not in existence, as we are now, and the Lord of Heavens is not using a big distance for creating.

O mankind! Whom they are living through 21st century, why you are not thinking on it? Why you are not looking at the beginning of your existence or why you are not thinking on the beginning for your life, how it began? O people! Enough to be drunk! Think, think! Therefore, to think is giving to people such a power and such an honor that no one can find a measure or measuring this. O people! Why you are not thinking on it? Your creation is with perfection, with perfection. Look, physiology that is showing our creation, very roughly, even very roughly it is making people's understanding to stop and for them to fall down into sajdah!

O our Lord! You created ourselves in such a perfection through a small distance, and then making it to grow up, to grow up, to grow up in nine months. Then your parents making trouble for you, going to doctors and making cutting, Caesarian Section. They are so unhappy. They are feeling so, so...that new creation through the womb of their mums when time coming to get out, doctors involving and cutting, making Caesarian, making that new creation in so much pain, not only pain, but it is going to be so disturbed, physically as well as spiritually! Therefore, any surgeon who is making this, when they are going to die, angels are coming and making that Caesarian on that doctor's stomach, one, two, three, four times; however much they gave trouble to that new creation, they should be punished so many times!

Therefore, I am warning doctors not to make Caesarians; Caesarians haraam for all. O Pope! Say to your people that Caesarians are forbidden and never happened before; Caesarian Sections are only going to be a business for some doctors, for some money they are doing and that is jinayaat, a crime. It is forbidden through Old Testament, New Testament, Psalms and Holy Qur'an, four heavenly books preventing that, O Your Holiness, O Pope! Why you are not saying this? No one can touch or interfere when a woman coming time to bring her child; no one giving a permission to be cut. To make Caesarian, that is haraam, forbidden through Old Testament, New Testament and ten Orders of Sayiddina Ibrahim (a) and Holy Quran. Same punishment going to be given to mums whom they are running to be taking their child through their wombs by Caesarian, they will be also punished at their last moment when they are leaving this life, and they will taste same bitter adhaab, disturbance! They will taste that and also those fathers whom are sending their wives for Caesarian, same disturbing and pains (that comes on that child) will be for their mums and dads when they are leaving this life!

I am nothing! But I am warning whole Mankind, don't do this; that is bringing more shiddah, bringing much

more trouble to Mankind! Because that new creation never happy to be taken through Caesarian and they are cursing mums and dads and doctors. I am only a warner! I am saying to whole world people, Muslims, Christians, Jewish, Buddhists, Protestants, Catholics: everyone, I am warning them: don't do this! This carrying on you cursing from heavens! Therefore, now people in such a problems and through such a troubles and miseries. O people! Beware to be against holy commands of heavens, that the Lord of Heavens is warning you and saying, "Don't do that. If you are doing that, I am taking revenge for those small ones' and giving your punishment here and Hereafter, also!"

O people! Religion means to give advice. Religion is for protecting people from miseries and troubles here and Hereafter. And whole beliefs, whole religions is only for warning people not to be against the holy commands of Allah, and to follow heavenly orders. Heavenly orders giving a time for a child and then when that new generation is to come out by orders of the Lord of Heavens, that is going to be sent to angels and that child will come out from the womb; it will be born. No child is going to stay in their mum's womb when their time comes!

O people! Beware. I am only a very, very, very, very weak warner and reminding you. Beware! Don’t do something that the Lord of Heavens going to be unhappy. O mankind! Don't be from those people whom they are making their Lord unhappy. That is today's warning to whole Mankind. No enjoyment physically they should reach. The power of mum and dad going to be down, down, down and finishing. Particularly, more than this, that some people make abortion. That is 70 times much more bringing cursing on mum and dad! A`udhu billahi min ash-Shaytani'r-rajeem. Abortion, that is 70 times worse than Caesarian. O ya Rabbee! Going to be murderer, dad and mum if they are making abortion!

Take your hand, O people, take your hands (take control). O doctors, cursing coming on you! May Allah forgive us, may Allah forgive us. O our Lord! What we will say? I am hearing sometimes the crying and paining of Caesarians babies, so crying, so paining. And mostly their parents they never understanding and they are carrying also after a while some punishments that no any doctor may ever treat. No any medicine that they are doing giving to them a restful time, day or night. O people! Say, "Astaghfirullah! O our Lord, we did something wrong; forgive us, forgive us, forgive us, forgive us!" Ask, O people! You have been created to be masters of this world! Allah Almighty, the Creator, granting to you such an honor! Keep that honor and don't give any adhaa, harm for new ones. Whom their hands reaching the secret place for taking new

generation, they should be punished, no any medicine can stop it.

May Allah forgive us. We are saying astaghfirullah, astaghfirullah, astaghfirullah, asking forgiveness. O our Lord! Allah, Allah, Allah, Allah. You must keep right way; we are speaking on right way. For everything there is right way and wrong way. Keep right way; don't go on wrong way. Wrong way carrying you to suffering and misery and cursing. Keep yourself. This is a warning. Try to be obedient to your Creator, the Lord of Heavens. He knows when a new one coming in existence to be born or not. Don’t interfere with heavenly treatments.

O Man! Be believers; don't be atheist people and don’t be unbelievers. Don't be from unbelievers. Don't be cheated, that millions of people unbelieving, the big number of unbelievers, don't leave to cheat you. Believers may be a handful, but they are saving you here and Hereafter. May Allah forgive us. O our Lord! Send us someones from Your Heavenly Presence to save Your weak servants, to be all of us on right path, not to be on wrong way!

Allah Allah, Allah Allah, Allah Allah,`Azeez Allah
Allah Allah, Allah Allah, Allah Allah, Kareem Allah
Allah Allah, Allah Allah, Allah Allah, Subhan Allah
Allah Allah, Allah Allah, Allah Allah, Subhan Allah
Allah Allah, Allah Allah, Allah Allah, Sultan Allah

(Mawlana sings)

Dome dome dome dome, dome dome dome dome
Dome dome dome dome, dome dome dome dome
Keep the right way
to be in safety for every day
Dome dome dome dome, dome dome dome dome
Dome dome dome dome, dome dome dome dome

Say, "O our Lord,
You are only granting,
Huuu huuu

Huuu huuu

Dome dome dome dome, dome dome dome dome

Dome dome dome dome, dome dome dome dome

Fatiha. O, ya Rabbee!

OK? 47 minutes Sayyidi. (Shaykh Hisham Effendi is on phone with Mawlana Shaykh.)

## Harmony, by Following Holy Rules

A servant will always be a servant and a sultan will always be a sultan. No matter how much you pray, you will never be a Lord. The Lord is the only worshipped-one. He does not worship anyone. Jesus Christ* was worshipping his Lord, he himself cannot be worshipped. We are happy that the Lord of Heavens created us, that He brought us from the unknown worlds to the well-known and that we are now in existence. If He hadn't, we would not be anything. He gave us eyes to look, ears to listen, a tongue to speak, a mind to think and a heart to love. He gave us hands to catch, feet to walk and other organs to be happy.

So many branches, leaves and fruit have come from the same tree. I have never seen branches fighting against each other, only foolish humans do that. Because they are English, Arabs, Turks or Swedes. The Pakistani are very angry with the Bangladeshi and the Bangladeshi very angry with the Pakistani. The Africans are very angry with the Europeans and the African-Americans are very angry with the Americans. The Cypriots are also very angry with each other, Turks and Greeks... The Russians are very angry with the Germans and the Germans are very unhappy with the French people and the French are very unhappy with the Spanish people... Every branch wants to destroy the second one. When I look at trees all the branches mingle with each other in harmony. Harmony is the sign of deep perfection within creation. When you look, you can see an admirable harmony within everything. If there wasn't, it couldn't be in existence. Look

everywhere, you will find it! Look at the skies, you will find it!

There are billions of galaxies, why don't they join to be one? Each one of them is moving in its own orbit. In front of whom? For what? From where? But people nowadays walk around like sheep, looking for grass. They only look down, they are only interested in what they are eating and what they are drinking within this temporary life. Look up and see the glories of Heavens in the skies and beyond! There is endless space, at least that is what we believe. The One who created made a limit. I don't know the limit of space, I don't know of anyone who may reach the beginning of this empty space, considering the number of galaxies there are. What is that space? Is it something which you can touch? It is created, but what is it? Is there anything in it? Is it a creation, or not? Where does it begin? Where does it end?

People don't ask such questions. They only want to know how to make new computers, new Rolls Royce, helicopters or new models of weapons... People with a lot of mind very often go to work with weapons because they can make such a big profit. Satan encourages people to develop even more powerful weapons so that everyone can be killed.

That is this new civilisation of which western people are so proud. Orientals know nothing about these things, they are backward. Europeans are so developed. In which way? Do they now have four legs, two mouths, four ears, ten hands? People nowadays have 4 telephones on their tables, so in any case they do need more than two ears! People are so busy... they would also need more hands, like Hindu gods. Yes, that is how developed you are! No! You are not developed at all! You are only busy with how to destroy this world and how you are going to kill even more people. That cannot be called a developed civilisation!

We want people to live. Heavenly Orders were sent down to show us how to live. Allah wants us to live with pleasure, happily. Those are the Messages from Heavens. I am surprised at our Christian brothers. Christ* told us to turn the other cheek, but instead they are running to find more weapons to kill even more. Jesus Christ* was such a humble and peaceful servant of the Lord. He wanted people to be in peace. He did not want them to be harmed and to be suffering. He wanted to save them and for them to live a happy life with satisfaction and with pleasure. He brought dead people back to life. But this was only a lesson to teach people the importance of life and that they should try to keep people alive, not kill them. That was his purpose. But people understood it in another way.

Jesus* never held a sword in his hand. Then Islam came with a new prophet. All holy books had informed of this coming. It was told, that this prophet would be like Moses*, not like Jesus*. Moses* used a sword, Jesus* didn't. In the Old Testament it was mentioned that a new prophet would come, the last one, and he would be like Moses*. He would bring a new book with new rules and a sword, with which he would fight against devils, not against humans. In our days there are countless devils. But the governments tell them to live freely, they do not lock away evil people. Instead innocent people get attacked on the street. That is why we have been ordered to take a sword. If you give tolerance to wolves they will eat you or your children.

In Europe everyone is carrying the flag of freedom. What kind of freedom is that? The freedom to be eaten by wolves? In England even Kings were hanged! And now? Wolves are allowed to roam the streets and no-one seems to care. Some people kill 70 others and for some reason of human rights they are still running freely. May they go to hell!

Everything must be in limits. When you go beyond those limits it will come against you. People are not following the orders of Heavens, the ways of Jesus* and the way of Muhammad*. This makes me very angry. That is why I am asking the Lord to give me some authority so that in one night I could catch all of them and put them under the sea.

Everyone who has some kind of belief, who believes in the Lord and has a faith, must have pity with the creatures of the Lord. We have been ordered not to kill anything if it doesn't harm us. If it doesn't harm us we may not touch it. But if it does, it must be taken away. The Holy Order, if you do not kill them, is to send them away. I am a Cypriot and I lived under the British Rule of Cyprus. We are loyal people we Turks, but the Greeks were sometimes attacking the colonial government. Once, I was only 10 years old, the Greeks were burning the governors palace. When the British forces came to clear it up, they took the Patriarch of Cyprus and put him on a ship to the Seychelles. Everyone was very happy, because the trouble had gone. So if you do not kill troublemakers, send them away. Don't keep them in prisons here. Put the prisons on islands and send them away. Don't ever let them come back. They are like flees. The Ottoman sultans used to send their troublemakers to Libya where they could never get away. Criminals are like dogs with rabies, if they bite you their illness is contagious and you too will die.

Nowadays there is no death penalty so people are not afraid of anything. Allah gives permission to kill

troublemakers. When people commit crimes after they have been drinking alcohol they are often pardoned, because they did not know what they were doing. Instead they should be given an even harsher judgement, that would stop them from getting drunk a second time.

This world must change. The last limit for this change to take place is the year 2000. If people want to continue in this way after then, this world will finish. But we are full of hope that a spiritual person will come. His name is Mehdi. After him Jesus Christ* will come. We believe in that just the way Christians do. Jesus* will come at the time of the Anti-Christ who is representing every evil and every devil. If he will not be taken away, there will be no peace on earth, there will be never-ending crimes. Jesus* will kill the Anti-Christ. That means all evil and all devils will be killed. Some Jewish brothers are also waiting for the Messiah to come. It means, that the 3 religions which belong to Heavens: Judaism, Christianity and Islam, have given up hope that our governments and politicians will bring an end to these troubles and wars. I too am waiting from morning to evening to get the good news of his coming. May Allah make it possible for us to take part in those good days to come where mankind will be friends with each other and not enemies. That is the real honour of belonging to mankind.

## Come to Hayyaatan Tayyibah, the "Sweet Life"

Yaa Allah, yaa Rabbee, yaa Allah, yaa Rabbee! Yaa Rabbuna, yaa Rabbuna, yaa Rabbuna, yaa Rabbuna, yaa Rabbuna, yaa Rabbuna, yaa Rabbuna! Allah Allah, Allah Allah, Allah Allah, Allah Allah! Madad! Bismillahi 'r-Rahmani 'r-Raheem. Dastoor. (Mawlana Shaykh stands) Allah Allah, Allah Allah, Allah Allah, `Azeez Allah! Allah Allah, Allah Allah, Allah Allah, Subhaan Allah! Allah Allah, Allah Allah, Allah Allah, Sultaan Allah! AntAllah wa nahnu `abiduk!

We are Your servants, You are our Lord! O our Lord! Lord of Creation, Unknown Lord!! Give Your most high glory and praising for Your representative from pre-Eternal up to Eternal, Sayyidina Muhammad (s). O our Lord, give Your praisings to all prophets and their deputies and their followers. We are asking forgiveness and we are saying, a`oodhu billahi min ash-Shaytani 'r-rajeem, always running from the traps of Shaytan and asking for Your forgiveness and protection. And we are saying, Bismillahi 'r-Rahmani 'r-Raheem. (Mawlana Shaykh sits)

O People! O our Attenders! As-salaamu `alaykum. And also as-salaamu `alaykum, yaa Saahib az-Zamaan! As-salaamu `alaykum yaa `ibaadAllah as-ssaliheen! As-salaamu `alaykum yaa ayyuhal mu`mineen! That salaam just has taken away every badness or everything that is giving trouble to us for our physical beings. That salaam is taking away everything harming Mankind. Therefore, say more often, “as-salaamu `alaykum."

It must be at least on this world 40 million times, “as-salaamu `alaykum.” If not coming on that number and up, this world is coming down, cursing, and finishing! Therefore, every badness, every trouble is coming on Earth when that number is coming down.

O our Believers! O Muslims! Try to say, as-salaamu `alaykum at least 40 million times to be between Muslims, to take away that trouble. And if the number increases to 50 million or 500 million, that is making devils come down, catching them from their necks, and throwing them down! That is a very important tahiyyat of Islam. Give that! Don't say any other word in Turkish or in Arabic or in other languages. Taking up, taking up (increase giving and returning salaam). Some days it is going to be less, and troubles will be up. When that number increases, then troubles come down. Look at what is happening in east and west in this world; millions of people are just going to be taken away, particularly in Islamic territories. That is the reason that troubles are increasing through Islamic territories. If only they are saying daily, as-salaamu `alaykum ten times, a hundred times, a thousand times, that is heavenly protection for them, here and Hereafter also! Very ajaa'ib, astonishing! That is a secret knowledge that only heavenly ones understand, why Allah Almighty is ordering and saying: (Mawlana Shaykh stands)

**••••••• ••••••••••• ••••••••••• ••••••••••• ••••••••••• ••••••• •••• •••••••••**

Wa idhaa huyyeetum bi-tahiyyatin fahayyoo bi-ahsana minha aw ruddooha. When a (courteous) greeting is offered you, meet it with a greeting still more courteous, or (at least) of equal courtesy. (4:86)

(Mawlana Shaykh sits) Talib, that is heavenly teaching of Allah Almighty. Allah Almighty is making some reasons for teaching people how they should be protected by heavenly ones! If heavenly ones are not protecting a person, where will they be? They will be hiding themselves, as that heavenly punishment reaches to them. Death is something declared through Holy Qur'an and holy books; people are asking to run away from it, but the Lord of Heavens says: (Mawlana Shaykh stands)

**•••• ••••• ••••••••• ••••••• ••••••••••• ••••••**

Qul inna almawta allathee tafirroona minhu. Say, "The death from which you flee will truly overtake you.” (62:8)

(Mawlana Shaykh sits) O our Attenders! Look and listen! Are your running for protection?

O Salafi `ulamas! What is your understanding from that holy verse? If you are running and building huge towers and getting in, you are asking to be protected, but still death must reach you! You think death is only something coming to people as they say, "That person just shut down. That person just fell in water and drowned. That person died of cancer." In countless ways death finds its way to people and takes their souls!

O Salafi `ulamas! Marhaban! Where are you? Today you are very busy. With what you are busy, for what reason? "Because we are preparing ourselves to come back from enjoyful stations, enjoyful places in western countries, to return to our homelands. But before we return, we are running to get 'a checkup' (medical examination)." O Salafi `ulamas! Ask them, why they are making a checkup? For what? Will they learn something about their death, so they will be much more interested to enjoy themselves before death is coming? That is the new mentality of people. “Before dying, we must fulfill our endless pleasure, before death comes.” Then they run for a checkup, which says, "Your organs are working well,” or, “Perhaps it will be well for ten more years." If that patient is 70 years old, the doctors tell them all is well. But if they are 40 years old, the doctor says, "Don't worry, Your Highness, your body is well enough to carry you perhaps 40 more years." And with that they are happy, always coming back for more checkups, as they think death will not come quickly if they continue to make checkups!

Now people have lost their beliefs; now they travel to western countries, as they have also lost their mentalities and are following western mentalities. They are going to be so happy by making a checkup. And they have lost the belief that the cure for every illness is mentioned in Holy Qur'an, that Allah Almighty is saying: (Mawlana Shaykh stands)

•••• •••••••••• ••• ••••••••• ••• ••••••

Maa farratnaa fee l-kitaabi min shay. We have neglected nothing in the Book. (al-Anaam, 6:38)

(Mawlana Shaykh sits) O Salafi `ulamas! What we are saying, is it Holy Qur'an or not? What are you saying. There is nothing Allah Almighty neglects which might be asked about, "illah," but the Holy Qur'an contains its answer, giving contentment and satisfaction.

O People! Don't go for a check up, but come to the Holy Qur'an and its check up. You can make your check up through the Holy Qur'an. You are not in need to go to the western countries and give millions of dollars,

Pounds or euros. No. Maa farratnaa fee l-kitaabi min shay!

Marhaban! O Salafi `ulamas! Do you understand or not? What does maa farratnaa fee l-kitaabi min shay mean? As a preface, we may say the Holy Qur'an is saying you don't need to go to western countries to get a checkup from someone who is not like yourselves, and their knowledge is shaytanic knowledge, but leave that and make a checkup through Holy Qur'an. Is anything wrong? Say, Salafi `ulamas! Wahhabi people are no-mind, so leave them! And finally, Allah Almighty is giving for every thing something for His servants to know and to live happily in this muwaqqat, temporary life. Hayyatan tayyibah, “good, wholesome life.” You are understanding Holy Qur'an, that Allah Almighty is just making clear for everyone that there is in this world, the life of people, some of them are granted hayaatan tayyibah, a sweet life, and most of other people haven't been granted that. And which thing is preventing them from living a sweet life? It is mentioned in Holy Qur'an.

O Salafi `ulamas! Why you are not saying to people how we can reach hayyatan tayyibah, a sweet life? Why aren't you making clear that verse? At least you may say, "O People! there is hadeeth ash-shareef saying, kun ma` Allah wa laa tubaalee, ‘Be with Allah and don't worry, don’t have a care.’” This is a formula for such a sweet life! Who is asking for his life to be sweet and enjoyful, that is the prescription doctors are giving to make people to live a sweet life! You are not knowing, Salafi `ulamas? If you are not knowing, how are you getting up and saying, “Allah Almighty is saying like this or like that”? Wahhabi people are not knowing, they only know how to live in this life feeding their nafs al-khabeetha, "the ugly, debased self.” Come to Islamic territories and try to live there as good Muslims! Don't go to live with people that are worshiping dunya and ilaahahum hawaahum, “Their desires are their god.” Don't live with such people that make their egoistic desires the main target. They are running there because they can't find that freedom in Islamic territories! Therefore, they are saying, "We are missionaries of Islam, " and they are liars, more than Shaytan! Write that down.

O Salafi `ulamas! What is the prescription of a sweet life for Mankind? What is it? If it is not mentioned, then does it means that Allah Almighty is not sending such a prescription, and is leaving His servants? No! Allah Almighty wants to grant His servants hayyaatan tayyibah, a sweet life here. What is the prescription? Say, make it clear! Don't only say, “We are `ulamas, we are doctors, we are shaykhs of al-Azhar ash-Shareef." What is the prescription? If there is no prescription, then why are you trying here? You are followers of your

physical desires. That is 100% wrong and your lifestyles are 100% wrong! Bring the prescription of a sweet life for Mankind, and particularly for Muslims. Don't go to western countries, come to Islamic territories where continuous mercy is coming down. Why are you going to be under the cursing on those who are against heavenly books, against the Seal of Prophets(s), and against the last book and the last message from the Heavens to Mankind? Why you are going? Leave everything and come!

Don't say that we convert people to become Muslims. You are liars! I am shouting at Wahhabi no-mind people! You can't cheat me or anyone else, saying that you are missionaries of Islam. Who is asking for Islam, come here. I am nothing! I am not going to their homes to call them to Islam, but they are coming here and saying, (Mawlana Shaykh stands) ash-hadu an laa ilaaha illa-Llah, wa ash-hadu anna Sayyidina Muhammadan habeebullah wa rasooluh! (Mawlana Shaykh sits) Laa hawla wa laa quwatta illa billahi 'l-`Aliyyu 'l-`Azheem, “There is no power and no might except in Allah!” What must we do with such people? What are you saying? For Wahhabi people, in English there is a bad word which is used for them, "fanatics." Why are you going to western countries, fighting and destroying their buildings? If you are calling people to Islam, is that the way? Why are you going to their countries making trouble for them, then saying, "We are missionaries of Islam." What is that? Allah is cursing such fanatic ones! Leave people, they will come by themselves. The Seal of Prophets(s) did not run after people, they ran after him.

O People! May Allah forgive us. O Salafi `ulamas, try to learn how to call people to Islam. You say you have dawah centers to call western people to Islam. What is that? Who among you knows how to call people? You are using shiddat, force! What is that group which uses force?

O Salafi `ulamas! O Mulook! Why you are not correcting this wrong? Let them come to Islamic territories to become Muslims; you must not run after them! If you are going there, you will become known as irhaabiyyeen, terrorists! May Allah forgive us. This is the wrong way! People are doing wrong things on behalf of Islam, saying, "That is the true way." Irhaabee, terrorist, you must try to stop that word from being used for Muslims! We are not terrorists, no. Aslim, taslam, we are Muslims who leave their wild tab`iyyah, characteristics!

You are running through planes, buildings, schools, and everywhere trying to give trouble to people, and then you call yourself Ahlu-'l-Da`wah, "people who invite." Mashaa-Allah. Mashaa-Allah. You are right, but you

are calling people to Shaytan, not to Islam! May Allah forgive us.

O People, think on it. Try to be a perfect model for Mankind; you must try to be perfect ones! They are making me shout at Salafi `ulamas and other `ulamas, and doctors of Shari`ah, and al-Azhar `ulamas, throughout east and west. Give the prescription for hayyaatan tayyibah, a sweet life. If you don't know about it, why you are calling people?

May Allah forgive me and forgive you, and forgive the wrong-way people and bring them to the true way, for the honor of the Seal of Prophets, Sayyidina Muhammad (s). (Mawlana Shaykh stands and sits) Everything was created for his honor!

Fatihah.

## Haziratul Quds - The Divine Presence

S.M. Marhaba.

M. Alhamdulillah. Asbahna wa asbahal mulku Lillah walHamdu Lillah. Wa la Hawla wa la Quwwata illa Billahil Aliyyil Azim. Asbahna wa asbahal mulku Lillah, asbahna abidan Lillah. Shukur Allah, Shukur Mawlay. Madad Ya RijalAllah, May Allah write us from the shakirin/ thankful ones. Subhana Allah.

Bismillahi r-Rahmani r-Rahim. "Wa Qalilun Min `Ibadiya Ash-Shakuru" (34:13). "But few of My slaves are grateful" says Allah Almighty. What shame for us. What a big shame for mankind that they make their Lord complain! "Wa Qalilun Min `Ibadiya Ash-Shakuru" says Allah Almighty. He says "very few of My servants are thankful". Tanwin is for emphasizing - "qalilun". That tanwin is for increasing, meaning "it is a very few". "Qalilun Min ‘Ibadiya Ash-Shakuru".

O Lord, what should we do? What should we do? We should repent. The men, what do the men in this time say when you offer them something, like candy? They say "Thank you/shukran". This is the old fashion way. When these new things came out, they left saying "shukran" & said "merci"- to be westernized, modern. Our people also, the Cypriots- they said "we may also be like this". The villagers hear it also when they come (to the cities). They ask "What do they say?" "You should say merci now". Now when they are trying to say merci, the ones coming from villages say "mersin"? (Myrtle plant & berry) "What are you saying, what mersin? Is it the time of mersin/myrtle now?" "Now Shaykh Effendi, we have become modern now therefore we should customize everything according to these Westerners, Europeans. We should be like Europeans in everything therefore now we can't say 'thank you/shukran'. We will say mersin/myrtle".

Well, with myrtle you can get dates also. These two go very well together. So they put the people in a funny position like this- Before the villagers would say "mersin". Now there are very few people who use merci. They again turned back to saying "thank you/shukran". Because when you say "merci O son" there is no life in it, this is a rotten word. When you say "shukran" thanking/shukur has a majesty, has a beauty. Shukur, shukur to Allah Almighty. Is there anyone who says "Merci O Lord?" What kind of talking is this? People say "Shukur Ya Rabbi". Why should we not say shukur? There were some people who claimed "we should say 'Merci Allah' instead of saying 'Shukur Allah'". Being drunk with modernism & reforms, these people didn't know what they were saying or doing; meaning they made our people, our society go off the track. They look neither like Muslims nor like the unbelievers. There is a word our Cypriots use for this, meaning in this we have become like a creature which is not clear what it is.

We did this to ourselves. They made us lose our own Islamic identity. They wanted to give us another identity & that identity pass through. It didn't pass through & was left like this. Therefore "Shukur, thank you" it is a courtesy. It is a courtesy, it has a beauty. Now there are many people who say "thank you". And there are also some who say "merci" before they had invented another word to replace it. They couldn't use that word. They couldn't use that word, so it disappeared. They had a strange word. In the new language theory, instead of "thank you" one of them said "there is another .... word". And when they objected they said "You shut up! What do you know? This is new Turkish". "Is that so? What kind of Turkish is this?" "It is the new Turkish, you will get used to it. Don't say crazy things. Say the whole thing." "Ok then. Thank you... If you forget, you can remember through .... word. You can know immediately" Allah.. They made the people foolish ones, with bad reputations. To make "thank you" forgotten - the whole trap is to make "thank you" forgotten.

They had a new word but I can't remember it. They had a strange word that they used for "thank you". "From where did this come from, Shaykh Effendi?" This is reform. What kind of a reform? A Jewish man came saying "Well, everything else is renewed we should renew our language also". He said "I may teach you the origin of your language". "What is it? What will its name be?" What will we call it?" "The Sun language theory". Have you heard of this? So strange

things.. People were bewildered, not knowing what to do or what to say. Look at the elegance of saying "Thank you". Fortunately there is no one left who says "merci" now. They say "Thank you". And in shukur, there is a liveliness.

These people are astonishing. They say "thank you" to one another but they feel ashamed to say "Shukur Ya Rabbi" to Allah Almighty. They say "What does it mean? Why do you use this word? Are we in a mosque now that you make us say 'shukur Ya Rabbi'. Say 'thank you' instead". The ignorance reached such a level. However Allah Almighty wants shukur from His servant, "Ya Rabbi shukur for the blessings You granted, for the favors You granted, many thanks". Say this, say at least once in the 24 hours. Say "Ya Rabbi, many thanks for the blessings You granted." Our Most Exalted Lord, Allah Almighty is complaining: "Wa Qalilun Min `Ibadiya Ash-Shakuru". He says "very few of My servants are thankful". Shame on us. Shame on us that the Lord Almighty is complaining about us. He says "very few of My servants are thankful". Shame on us! "Only shukur- I created them, granted them all kinds of blessings, they are not even praying at least 2 rakats of shukur. Thanking me through one word- shukur- sounds nice to Me. If they prayed 2 rakats of shukur, I would take away all the troubles from them". "Wa Qalilun Min `Ibadiya Ash-Shakuru". Ya Rabbi.. "Very few of My servants are thankful" says the Most Exalted Lord.

O Lord, may we have madrasas to teach us the ways of adab. "O Shaykh Effendi, what madrasa are you talking about? Which time do we live in now? What is a madrasa? Call it 'college'". "Really?" They say "It should be college". Does college belong to us? May your college collapse on you! What college? Why don't you say "maktab, madrasa.." Maktab is the institution where writing is taught. Madrasa means 'the maktab where they teach courses". Everything has become astonishing. They compete with each other in everything to make it more corrupt. "Umm Hiram Sultan Theology College". Allah Allah..Where does this "Theology/ Ilahiyat" come from? There is no such word as "Ilahiyat" mentioned in Islamic books. This word is not ours, it is invented. College, not everybody knows the word "college". They know "maktab, madrasa". You removed "maktab, madrasa" & call "College of Ilahiyat/Theology". Astonishing, they want to take us separate from our real identity no matter what. They give you the chance, at least say like thiswhy

don't you say "Madrasa of Islam". Only "Ilahiyat", what Ilahiyat?

One of them said "I studied Ilahiyat". I told him "Sing an ilahi/qasida". He said "I don't know". I asked "How did you graduate from Ilahiyat? At least sing a qasida". I said "Ok, I may sing for you. I may sing a qasida. May we say Your Name first, O Allah- Your Pure Name, that whoever says it may be purified" the beginning of Mawlid al-Sharif. This is what is suitable for us. What Ilahiyat? If it has to be Ilahiyat, then we may sing ilahi/qasida. What can you teach there, in Ilahiyat? At least say, "Madrasa of, Institute of Islamic sciences" Why do you say college? College is in UK, not in our country. But the people fell into such a bewildered state that they don't know the end or the beginning of things.

Allah Almighty (swt) says, as if complaining, -here is no station in which Allah Almighty complains, but this is its meaning. "Wa Qalilun Min `Ibadiya Ash-Shakuru". "Very few of My servants are thankful". If they were thankful, Allah Almighty says: "La'in Shakartum La'azidannakum Wa La'in Kafartum 'Inna `Adhabi Lashadidun" (14:7). Is it like this? If you give thanks, I will grant you more. If you don't, I will squeeze/punish you. Here, whole worlds, leave whole world aside, it is a shame for Islamic World. It is a shame for the Muslim World. We made Friday a workday. What authority did you have? We cancelled the most honoured day & kept the day of Christians as our holiday- Sunday, today. Is it Sunday today? Sunday-Pazar. Ok Pazar, we have animal bazaar too.

That day is a good day, is it not? On that day, everyday is holiday- the day of animal bazaar. What a strange word, animal bazaar. Are we animals that we have a Pazar? There are animal bazaars now. Whoever wants to buy animals goes to the animal bazaar. They turned us into animals also, by making sunday a holiday. Are we animals that we keep sunday/pazar? Are we going to go to the bazaar on sunday?

Jum'a, is the honoured day in Allah Almighty's presence. It is the most honored day in dunya, in akhirah also - the invitation of Allah Almighty to the believers will be on Friday. There is an invitation on Friday & they do Friday ceremony- The Heavenly invitation. And also there is an invitation everyday by a prophet; our Prophet's invitation is on Thursday & on Friday Allah

Almighty invites the people of paradise to His Presence. This invitation takes place on Friday. The most honoured day of akhirah is Jum'a when Allah Almighty invites to Haziratu'l-Quds/Divine Presence. In dunya also Muslims would respect the day of Juma but they didn't allow them! They corrupted everything. None of their doings succeed. They had no success other than fighing each other. They killed, cut, corrupted each other. They destroyed & couldn't get anywhere. They can't do like this. When you corrupt the way Allah Almighty shows, where can you reach? To the swamp of shaytan, you fall into the WC of shaytan, nothing else.

Subhan Allah, "Wa Qalilun Min `Ibadiya Ash-Shakuru". Aman Ya Rabbi, shukur Ya Rabbi. Shukur Ya Rabbi, shukur Ya Rabbi. Asbahna wa asbahal mulku Lillah, wa Alhamdulillah. Shukur Allah Almighty made us get up for fajr prayer by His Generosity & we got up. He (swt) granted us to make sajda in fajr prayer. We made sajda for our Lord, Shukur Ya Rabbi. You granted us to reach this day, reach it in health O Lord. May You let us have the barakah of today. May we succeed in our every doing. To succeed in anything can only be with Your acceptance, with Your Barakah, O Lord. This was our manners but we lost it. La hawla wa la quwwata illa Billahil Aliyyil Azim. Wa min Allah at-tawfiq, this is enough. We have a saying in Turkish,"only a few words are enough for who understand, & for who don't understand, no matter how much you speak or do, it is not enough". Have you heard of this? Even much is not enough for us. Aman Ya Rabbi. Tawba Ya Rabbi, Tawba Ya Rabbi.

We want institutions that will teach us shukur. We don't want Ilahiyat graduates. We don't want Ilahiyat schools. We want institutions, madrasas that will teach us the adab which makes us near to Allah Almighty. What college? Ask! They don't ask either. Allah Almighty says "Fas'al Bihi Khabiraan" (25:59) Ask about the matters from the experts. What about a man who has no expertise about the subject yet does it with all kinds of empty talk? And Allah knows what they teach. It is not certain what they can teach. "They will study college". It can't replace the madrasas. O Lord, may You send us the Master who will show us the way & teach us our religion, our adab. We are left among bewildered ones & became bewildered.

May You forgive. May You send us Your beautiful servants who will make us have adab. May

we learn & teach O Lord. Those servants of Yours also are trying to do something but they don't know how. And because they don't know, they are not aware of the situation & they are struggling to do on their own. No, you can't do on your own. "Fas'al Bihi Khabiraan" Ask the one who is qualified for that job. Shukur Ya Rabbi, Shukur Ya Rabbi, Shukur Alhamdulillah. Fatiha.

May the honour & glory of our Prophet (s) become more & more. May the honour of all the Prophets & awliyas become more & more. May the honour of the believers become more & more, O Lord. May the institutions that will teach us adab come O Allah, O Rasulullah. Fatiha.

**Haziratul Quds**

---

Marhaba, Marhaba. SM: Marhaba. M: Alhamdulillah. Asbahna wa Asbaha l-Mulku Lillah wa l-Hamdulillah. Wa la Hawla wa la Quwwata illa Billahi l-`Aliyyi l-`Azim. Asbahna wa Asbaha l-Mulku Lillah, Asbahna Abidan Lillah. Shukur Allah, Shukur Mawlay. Madad ya Rijal Allah. Möge Allah uns zu den Shakirin, den Dankbaren, zählen. Subhanallah. Bismillahi r-Rahmani r-Rahim. "Wa Qalilun Min `Ibadiya sh-Shakuru" (34:13). 'Aber wenige Meiner Diener sind dankbar', sagt Allah der Allmächtige. Welche Schande für uns. Was für eine große Schande für die Menschheit, daß sie ihren Herrn Sich beschweren lassen. "Wa Qalilun Min `Ibadiya sh-Shakuru", sagt Allah der Allmächtige. Er sagt: Sehr wenige Meiner Diener sind dankbar. Tanwin dient der Betonung - "qalilun". Dieses Tanwin dient der Steigerung, das heißt 'es sind sehr wenige'. "Qalilun Min `Ibadiya sh-Shakuru". O Herr, was sollen wir tun? Was sollen wir tun? Wir sollten bereuen.
Die Menschen, was sagen die Menschen dieser Zeit, wenn du ihnen etwas anbietest wie Bonbons? Sie sagen: Danke, Tesekkür. Das ist die altmodische Weise. Wenn diese neuen Dinge herauskamen, hörten sie auf 'Tesekkür' zu sagen und sagten 'Merci', um westlich und modern zu sein. Unsere Leute auch, die Zyprioten, sie sagten: Wir können auch so sein. Die Dorfleute hören es auch, wenn sie in die Stadt kommen. Sie fragen: Was sagen sie? Ihr solltet jetzt 'Merci' sagen.

Wenn sie nun versuchen, 'Merci' zu sagen, sagen die, die vom Land sind, 'Mersin'? (Myrte) Was sagt ihr, welche Myrte? Ist es die Zeit der Myrte jetzt? Nun, Shaykh Effendi, sind wir modern geworden, deshalb sollten wir alles an diese Westler, Europäer anpassen. Wir sollten in allem wie Europäer sein, deshalb können wir nicht mehr 'Tesekkür' sagen jetzt. Wir sagen 'Mersin', Myrte. Nun, mit Myrte könnt ihr auch Datteln bekommen. Diese beiden passen sehr gut zusammen. So bringen sie die Menschen in eine komische Lage. Früher sagten die Dorfleute 'Mersin'. Jetzt gibt es nur noch wenige Leute, die 'Merci' benutzen. Sie sind wieder zum 'Tesekkür' zurückgekehrt.
Weil wenn du sagst 'Merci, mein Sohn', ist kein Leben darin. Das ist ein scheußliches Wort. Wenn du sagst 'Tesekkür', Dank, Shukur hat Majestät, hat Schönheit. Shukur, Shukur Allah dem Allmächtigen. Gibt es jemanden, der sagt 'Merci, o Herr'? Was für eine Art zu reden ist das? Die Leute sagen 'Shukur ya Rabbi'. Warum sollten wir nicht 'Shukur' sagen? Es gab Leute, die behaupteten: Wir sollten 'Merci Allah' sagen, statt 'Shukur Allah'. Trunken mit Modernismus und Reformen, wußten diese Leute nicht, was sie sagten oder taten. Das heißt, sie führten unsere Leute, unsere Gesellschaft auf den Holzweg. Sie sehen weder wie Muslime aus, noch wie Ungläubige. Es gibt ein Wort, das unsere Zyprioten dafür benutzen. Es meint, daß wir wie eine Kreatur geworden sind, der nicht klar ist, was sie ist. Wir haben uns das selbst angetan. Sie ließen uns unsere islamische Identität verlieren. Sie wollten uns eine andere Identität geben und diese Identität durchreichen. Sie ging nicht durch und blieb so. Deshalb, 'Tesekkür' - Danke, ist eine Höflichkeit. Es ist eine Höflichkeit. Es hat Schönheit. Jetzt gibt es viele Leute, die 'Tesekkür' sagen. Und es gibt auch welche, die 'Merci' sagen. Vorher hatten sie ein anderes Wort erfunden, um es zu ersetzen. Sie konnten dieses Wort nicht benutzen. Sie konnten dieses Wort nicht benutzen, also verschwand es. Sie hatten ein merkwürdiges Wort, in der neuen Sprachtheorie, statt 'Tesekkür' sagte einer von ihnen 'Es gibt ein anderes .... Wort'. Und als sie widersprachen, sagten sie: Haltet den Mund! Was wißt ihr schon? Das ist neues Türkisch. Ist das so? Was für ein Türkisch ist das? Es ist das neue Türkisch. Ihr werdet euch dran gewöhnen. Sagt keine verrückten Sachen. Sagt die ganze Sache. Okay denn. Tesekkür.. Wenn ihr es vergeßt, könnt ihr euch erinnern durch ... Wort. Ihr wißt es sofort. Allah..
Sie hielten die Menschen zum Narren, von zweifelhaftem Ruf. Die ganze Falle ist, 'Tesekkür' in Vergessenheit zu bringen. Sie hatten ein neues Wort, aber ich kann mich nicht daran erinnern.

Sie hatten ein befremdliches Wort, das sie statt 'Tesekkür' benutzten. Woher kam das, Shaykh Effendi? Das ist eine Reform. Was für eine Art von Reform? Ein Jude kam und sagte: Nun, alles andere wird erneuert, wir sollten unsere Sprache auch erneuern. Er sagte: Ich lehre euch den Ursprung euerer Sprache. Was ist es? Was wird der Name sein? Wie werden wir es nennen? Die Sonnensprachentheorie. Habt ihr das gehört? So merkwürdige Dinge.. Die Menschen waren verwirrt. Sie wußten nicht, was zu tun oder was zu sagen. Seht euch die Eleganz davon an, 'Tesekkür' zu sagen. Zum Glück gibt es niemanden mehr, der 'Merci' sagt jetzt. Sie sagen 'Tesekkür'. Und in 'Tesekkür' ist Lebendigkeit. Diese Leute sind erstaunlich. Sie sagen 'Tesekkür' zueinander, aber sie schämen sich, "Shukur ya Rabbi" zu Allah dem Allmächtigen zu sagen. Sie sagen: Was bedeutet das? Warum benutzt ihr dieses Wort? Sind wir jetzt in einer Moschee, daß ihr uns "Shukur ya Rabbi" sagen laßt? Sagt 'Tesekkür' stattdessen. Die Ignoranz erreichte so eine Stufe. Jedoch Allah der Allmächtige will Shukur von Seinem Diener. 'Ya Rabbi Shukur für die Segnungen, die Du gewährst, für die Wohltaten, die Du gewährst, vielen Dank.' Sagt das, sagt es wenigstens einmal in 24 Stunden. Sagt: Ya Rabbi, vielen Dank für die Segnungen, die Du gewährst.

Unser höchst verherrlichter Herr, Allah der Allmächtige klagt: "Wa Qalilun Min `Ibadiya sh-Shakuru". Er sagt: Sehr wenige Meiner Diener sind dankbar. Schande auf uns. Schande auf uns, daß der Allmächtige Herr sich über uns beklagt. Er sagt: Sehr wenige Meiner Diener sind dankbar. Schande auf uns! Nur Shukur, Ich erschuf sie, gewährte ihnen alle Arten von Segnungen, und sie beten nicht einmal 2 Rakats Shukur und danken mir mit einem Wort, Shukur. Es klingt schön für Mich. Wenn sie 2 Rakats Shukur beteten, würde Ich alle Schwierigkeiten von ihnen nehmen. "Wa Qalilun Min `Ibadiya sh-Shakuru". Ya Rabbi. Sehr wenige Meiner Diener sind dankbar, sagt der Höchst Verherrlichter Herr. O Herr, mögen wir Madrasen haben, um uns den Weg des Adab zu lehren. O Shaykh Effendi, von was für einer Madrasa sprichst du? In welcher Zeit leben wir jetzt? Was ist eine Madrasa? Nenn es 'College'. Wirklich? Sie sagen, es sollte 'College' sein. Gehört 'College' zu uns? Möge euer College über euch zusammenstürzen! Was für ein College? Warum sagt ihr nicht 'Maktab', 'Madrasa'..? Maktab ist die Einrichtung, wo Schreiben gelehrt wird. Madrasa bedeutet: der Maktab, wo sie Kurse geben. Alles ist erstaunlich geworden. Sie wetteifern in allem miteinander, um es mehr zu verderben.

'Umm Hiram Sultan Theologie College'. Allah Allah.. Woher kommt dieses 'Theologie' - "Ilahiyat"? Es ist kein Wort wie "Ilahiyat" in islamischen Büchern erwähnt. Dieses Wort ist nicht unseres, es ist erfunden. College, nicht jeder kennt das Wort 'College'. Sie kennen 'Maktab', 'Madrasa'. Ihr habt 'Maktab' und 'Madrasa' entfernt und nennt es 'Ilahiyat/Theologie College' Erstaunlich. Sie wollen uns von unserer wahren Identität trennen, koste es, was es wolle. Sie geben euch die Möglichkeit, sagt wenigstens das. Warum sagt ihr nicht 'Madrasa des Islam', nur 'Ilahiyat', welche Ilahiyat? Einer von ihnen sagte: Ich habe Ilahiyat studiert. Ich sagte: Sing ein Ilahi. Er sagte: Ich kenne keins. Ich fragte: Wie hast du deinen Abschluß gemacht von Ilahiyat? Sing wenigstens ein Ilahi, eine Qasida. Ich sagte: Okay, ich singe eine für dich. Ich singe eine Qasida. Sagen wir Deinen Namen zuerst, o Allah, Deinen Reinen Namen, wer immer ihn sagt, ist gereinigt, der Anfang von Mawlid ash-Sharif. Das ist angemessen für uns. Welche Ilahiyat? Wenn es Ilahiyat sein muß, dann wollen wir Ilahi, Qasidas, singen. Was könnt ihr dort lehren, in Ilahiyat? Sagt wenigsten 'Madrasa von', 'Institut für Islamwissenschaften'. Warum sagt ihr College? College gibt es in UK, nicht in unserem Land.

Aber die Menschen fielen in einen so verwirrten Zustand, daß sie nicht das Ende und nicht den Anfang der Dinge kennen. Allah der Allmächtige sagt, wie anklagend, es gibt keine Station, in der Allah der Allmächtige klagt, aber das ist die Bedeutung. "Wa Qalilun Min `Ibadiya sh-Shakuru". Sehr wenige Meiner Diener sind dankbar. Wenn sie dankbar wären, sagt Allah der Allmächtige: "La'in Shakartum La'azidannakum wa La'in Kafartum 'Inna `Adhabi Lashadidun" (14:7). Ist es so? Wenn ihr Dank sagt, gebe Ich euch mehr. Wenn nicht, werde Ich euch drücken, bestrafen. Hier die ganze Welt, laßt die ganze Welt beiseite, es ist eine Schande für die Islamische Welt. Es ist eine Schande für die Muslimwelt. Wir machten aus dem Freitag einen Arbeitstag. Mit welcher Autorität? Wir schafften den meist geehrten Tag ab und behielten den Tag der Christen als unseren Feiertag. Sonntag, heute. Ist es Sonntag heute? Sonntag, Pazar. Okay, Pazar, wir haben auchen einen Tier Basar. Dieser Tag ist ein guter Tag, oder? An diesem Tag, jeder Tag ist ein Feiertag, der Tag des Tier Basars. Was für eine Welt! Tierbasar. Sind wir Tiere, daß wir einen Pazar haben? Es gibt auch Tierbasare. Wer immer ein Tier kaufen will, geht auf den Tierbasar. Sie machten uns auch zu Tieren, indem sie Sonntag zum Feiertag machten. Sind wir Tiere, daß wir den Sonntag, Pazar, einhalten? Werden wir am Sonntag zum Basar gehen?

Jumu'a ist der geehrte Tag in Allahs des Allmächtigen Gegenwart. Es ist der geehrteste Tag in der Dunya und auch in der Akhirah, die Einladung Allahs des Allmächtigen an die Gläubigen wird am Freitag ergehen. Es gibt eine Einladung am Freitag, und sie machen die Freitagszeremonie, die Himmlische Einladung. Und es gibt eine Einladung jeden Tag durch einen Propheten. Die Einladung unseres Propheten (saws) ist am Donnerstag, und am Freitag lädt Allah der Allmächtige die Leute des Paradieses in Seine Gegenwart. Diese Einladung findet am Freitag statt. Der meistgeehrte Tag der Akhirah ist Jumu`a, wenn Allah der Allmächtige zur Haziratu l-Quds, der Göttlichen Gegenwart einlädt. In der Dunya respektierten auch die Muslime den Tag des Jumu`a, aber sie erlaubten es ihnen nicht! Sie verdarben alles. Keine ihrer Taten hat Erfolg. Sie hatten nur Erfolg im Kampf gegeneinander. Sie töteten, schnitten, verdarben einander. Sie zerstörten und konnten nirgendwohin gelangen. Sie können es nicht so machen. Wenn du den Weg verdirbst, den Allah der Allmächtige zeigt, wohin kannst du gelangen? In den Sumpf Shaytans. Ihr fallt ins WC Shaytans, nichts anderes. Subhan Allah, "Wa Qalilun Min `Ibadiya sh-Shakuru". Aman ya Rabbi, Shukur ya Rabbi. Shukur ya Rabbi, Shukur ya Rabbi. Asbahna wa Asbaha l-Mulku Lillah wa Alhamdulillah.

Shukur, daß Allah der Allmächtige uns zum Fajr Gebet aufstehen läßt durch Seine Großzügigkeit, und wir stehen auf. Er (swt) gewährte uns, Sajda zu machen im Fajr Gebet. Wir machten Sajda für unseren Herrn. Shukur ya Rabbi. Du gewährtest uns, diesen Tag zu erreichen, ihn gesund zu erreichen, o Herr. Mögest Du uns die Barakah von heute geben. Mögen wir in jeder unserer Taten erfolgreich sein. Mit irgendetwas Erfolg zu haben, kann nur mit Deiner Anerkennung, mit Deiner Barakah geschehen, o Herr. Das waren unsere Sitten, aber wir haben sie verloren. La Hawla wa la Quwwata illa Billahi l-`Aliyyi l-`Azim. Wa min Allaha t-Tawfiq.

Das ist genug. Wir haben einen Spruch im Türkischen: Nur ein paar Wort sind genug für den, der versteht, und für den, der nicht versteht, egal, wieviel du sprichst oder tust, es ist nicht genug. Hast du das gehört? Auch viel ist nicht genug für uns. Aman ya Rabbi. Tawba ya Rabbi. Tawba ya Rabbi.

Wir wollen Einrichtungen, die uns Shukur lehren. Wir wollen keine Ilahiyat Absolventen. Wir wollen keine Ilahiyat Schulen. Wir wollen Einrichtungen, Madrasen, die uns Adab lehren, der uns Allah dem Allmächtigen nahe bringt. Was für ein College? Fragt! Sie fragen auch nicht.

Allah der Allmächtige sagt: "Fas'al Bihi Khabiran" (25:59). Befragt die Experten zu den Dingen. Was ist mit einem Mann, der keine Kenntnis über ein Fach hat, doch darüber spricht mit allerlei leerem Gerede? Und Allah weiß, was sie lehren. Es ist nicht gewiß, was sie lehren können. 'Sie studieren am College.' Es kann die Madrasen nicht ersetzen. O Herr, mögest Du uns den Meister senden, der uns den Weg zeigt und uns unsere Religion, unseren Adab lehrt. Wir sind zurückgelassen unter Verwirrten und sind auch verwirrt worden. Mögest Du vergeben. Mögest Du uns Deinen schönen Diener senden, der uns Adab erwerben läßt. Mögen wir lernen und lehren, o Herr. Diese Deine Diener versuchen auch, etwas zu tun, aber sie wissen nicht, wie. Und weil sie es nicht wissen, sind sie sich der Lage nicht gewahr und mühen sich allein. Nein, ihr könnt es nicht allein machen. "Fas'al Bihi Khabiran". Fragt den, der für diese Aufgabe qualifiziert ist. Shukur ya Rabbi, Shukur ya Rabbi, Shukur Alhamdulillah. Fatiha. Mögen Ehre und Ruhm unseres Propheten (saws) mehr und mehr werden. Möge die Ehre aller Propheten und Awliya mehr und mehr werden. Möge die Ehre der Gläubigen mehr und mehr werden, o Herr. Mögen die Einrichtungen, die uns Adab lehren, kommen, o Allah, o Rasulullah. Fatiha.

## Healing

Real healing is to be able to send rays of power through your hands to the body of the patient who must be ready to receive the healing. Mostly people are closed and it is impossible even for prophets to reach them. A closed socket cannot transport electricity. On a patient like that you must try to crack open a weak point of their shell from where you can enter.

Since the beginning of time people have been in need of healing, physically and spiritually. Authorised healers will always be on earth. Many of them are totally hidden and you would never imagine them having such powers. If someone is seriously looking for them, they will find. It is not something you can find in books. Not every healer is authorised. Sometimes an unauthorised healer can become infected himself, because he does not have any protection. He can be affected by powerful currents of ill-being from the patient which are transferred to him and make him weak and unable to do anything. He will feel tired because he is only running on a battery, instead of being connected to a stream of power. If he was, he could treat hundreds of patients without being affected.

A healer who comes into such an unprotected situation should quickly take a bath and change his clothes. Also step by step stop drinking alcohol and smoking.

# Healing 2

By the Name of the Lord of Heavens Who created Adam and Eve and prepared everything for them and their descendants in a perfect way. This life is a test for everyone. The Lord of Heavens tests his servants with goodness and badness, with health and sickness, with richness and poverty and with weakness and strength. He created everything according to His Divine Wisdom with a cure and a solution. Every kind of illness is possible, but He will not create it without a cure. Sadly enough mankind is not taking enough care to find the real medicine for illnesses.

Especially in our days healing is more like a business than a cure. This is why illnesses increase from day to day in their variety. The methods of curing them also increase, but not in a real curing way. Even though thousands of kinds of medicine have been found, they cannot give any benefit to lessen the suffering and pain of people. Maybe they can kill the pain, but they cannot cure.

We know and believe that the first doctors and healers were prophets and holy people. All methods of curing and all medicines came in a Heavenly Way to them before reaching to us. The materialism of this 20th century has stopped the holy way of curing but we must try to once more start to listen to the advice of Holy Books and Holy People.

We should not only use surgery and knives and cut, or give drugs, kill pain and not cure. We know that the body was created by the Creator and when you open it, it is like an engine. If you open the engine of a car and then close it again it will lose its perfection. That is why every operation surgeons do, leaves an imperfection within the body. It is not a real cure to use knives. The more you avoid operations you gain health. But surgeons are anxious to operate because it is easier for them to cut something away from the body than to cure it. The profit is also much greater. Those are the two main reasons why people come under the knives of surgeons. It is a great pity for all of mankind.

Doctors do not even use the way of normal birth anymore. They rush to cut without a necessity. This is why even something normal like a birth is an excuse for surgeons to make operations. Because of all this a curse is coming on the doctors. People cannot stop suffering and the doctors are unable to give any real cure.

## HEALING OF THE HEART with the MEDICINE OF ZIKR

Each and very human being has two hearts. One is a physical lump of flesh the size of a fist and the other is the spiritual heart of immeasurable size and depth, more immense than the universe!

If you are asking about aches in the physical heart, the remembrance of Allah is one good medicine, as it imparts unto our bodies strength and regularity and helps the bodily systems that effect the heart to maintain better equilibrium.

If your question pertains to the spiritual heart the heart that encompasses the whole universe, the remembrance of Allah is the medicine and nourishment of that heart as well. But to even become aware of the existence and functions of that heart certain teachings must be absorbed and certain practices maintained, for these teaching and practices are what can make our remembrance effective.There are five stations of the spiritual heart.

These stations are virtually unattainable to people because they never place a guard at the first station, and thus Satan is free to enter it at will and to make his mischievous, evil proclamations. When we let him enter, he immediately starts to discourage us from our spiritual endeavours by announcing that in reality there is no “train,” no “spiritual station,” and no destination.” He

claims, indeed, that even this first station is no station at all but only a place where we are wasting our time waiting to go somewhere when in fact there is nowhere to go. By making such false proclamations he hopes to influence us to abandon the hope of attaining spiritual enlightenment - to leave even that first station and occupy ourselves as his servants in his realm. If we heed his tricky words and abandon our journey he will keep us in constant misery and distress like prisoners in a very tiny cell. But if you post a guard at the first station of your heart to prevent Satan and his soldiers from entering, you will be safe from the invasion of bad thoughts and evil intentions that would pull you down into endless trouble.

Who is that guard? That guard is “dhikr,” the remembrance of Allah. Who remembers his Lord has a Divine Light in his heart that prevents Satan and his soldiers from entering. Therefore the more you are able to remember and to meditate, keeping a close observer’s eye on your heart; the more successful you will be in keeping out your mortal enemy.

What is it that keeps us from meditation and self observation? When we dwell on the desires of our lower selves we become preoccupied and distracted from our vigilance. Thus with our own desires Satan accomplishes his break in. But how can we escape from the preoccupation with our ego’s desire when those desires are such an intrinsic part of our being? You must know that the ego’s desires are of two kinds legitimate and illegitimate. The physical being is attracted to food drink and sexual life. You cannot prevent yourself from desiring those things as long as you are alive, for we are human beings and not angels.

We must understand that Allah Almighty grants us from all of those things that we desire only as much as is good for us, - just as much as will make us better able to concentrate on our “guard duty”. The best guard is neither the starving man nor the overfed glutton, for the starving man will leave his post in search of food, and the overfed glutton will fall asleep at his post. Thus if a person does not permit himself even the legitimate fulfilment of physical need especially sex, the lower self will rebel violently and attack him with a gigantic and frenzied explosion which forces him to fulfill his needs immediately, regardless of whether that fulfilment is legitimate or not.

For this reason our Grandsheikh orders every murid to grant their ego its legitimate rights and to

listen to some of its demands; - that they eat and drink of good wholesome and tasteful permitted food and marry in accordance with the Divine injunction. If you deny yourselves these permitted pleasures you are inviting “heart disease,” and you will suffer from many blows, sometimes to the heart, to the head to the stomach or the sexual organs, etc, and therefore you must have a guide to teach you how to prevent such an onslaught. A person in distress from heartache must seek a Guide with the same urgency that a heart attack victim calls for a doctor.

# HEALING: TALKS TO SHIATSU STUDENTS

First meeting:
We were in peace in the other world and that is why we will be in peace in this world too. The fact that we are sitting and speaking friendly, shows that we did so in the spiritual world already. We are not quarrelling, not fighting, we are sitting quite happily. Our souls are in peace. Welcome to you! Are you happy?

I understand that you are studying healing. Who was the first healer? Was it a man or a woman? It was the mothers. Allah Almighty has given secret power to the hands of people to stop the suffering of mankind, and the first ones to do that were mothers with their children. Motherhood is the most important thing for ladies. It is the most honoured occupation. When a child is crying, the mother will come runnig quickly to stop it from suffering. That is why women are the most prepared ones for healing, more so than men. They also usually have more pity for others, which is necessary for healers. If healers only use their hands, nothing will come. But if they also have pity, their mercy will affect quickly on people. This is also important for doctors, but most of them are like butchers nowadays and do not feel any pity whatsoever. They have become like robots and that is why healers must be different. As much as they are using their hands, they must also use their heart. If you look at a suffering person you get a heartache for them.

As long as healers only have the interest of giving benefit to people, and do not think about their material

gain, they will be successful. If they do it as a job and they want to get a material benefit out of it, they will come down, their powers will decrease. So many people come to me to see what we are doing, and then they want to know what they should pay. I show them my stick and tell them, "I haven't come here to make a business out of it. Go away! If you like to give charity to someone, then do that."

This is a very important matter. Everyone who wants to be successful and reach high levels spiritually, should never consider any material benefits from people. If they are in need and people want to give them something, that is different. But they should not do a fixed payment and demand a fee like £70, £7 or 70p, no! You must do it for the honour of mankind. It is the honour of mankind to be able to help people just the way in which prophets did. They were healers too. They gave their best to people by giving them their mercy. But they never asked anything from them. That is the highest level of humanity. They more you run after materials, the more your spiritual power will come down. There are so many methods of healing, but the strongest is purification and purification begins when we leave material desires. When you have left all material desires you will start to get your full power. As long as you still have material desires your power can't run, it is mixed up. You have to wait for your elements to be arranged.

You must use some methods to arrange your four elements; water, fire, air and earth. They all have to be put on their own line to achieve the balance and to make it possible for the power to run through your hand to the one being healed. Take his glass for example! These are mixed up elements, that is why electricity cannot pass. The same applies to our bodies, the power cannot pass if we are mixed up. That is why we in mystic ways and religions use methods to separate and to arrange every element on their own paths.

The methods are different, according to the capacity and ability of people. We have 41 methods. If the maste is an authorised-one, he will know how to heal the person. an authorised master must know when he is sitting with with someone what he can do for her or him, what is necessary to arrange him. As a first step the person must have a master.

When you heal, do it as an honour, do it to help weak people. Do it to be able to reach needy people. If you have pleased them, the Lord will make you pleased too. Ask the Lord to be able to reach peace through your healing people. Everyone should be a healer! Thank you for your attendance. You are young-ones and I hope that your energy will jump onto me. Being with young-ones gives so much power to old-ones, it gives a

balance.

All this I never read in any of your books, but it is something which is passing through my heart from our headquarters. They are suitable rules which should be kept and preserved. May Allah bless you here and hereafter. Amen.

Second meeting:
In the name of Allah most beneficent and most munificent! Souls must have met in the spiritual world for us to meet in this life. If they hadn't, it would be impossible for us to be together now, physically. But our souls are pushing and are asking to be together here. We hope that we will be free one day of this physical life and that we can leave this physical case and set our souls free. Our souls are lke in a cage now, like a bird in a cage. One day they must leave, there will be an opening for everyone and our souls will fly.

Mystic knowledge is a part of every religion, every religion must have a mystic part. If it doesn't, it will be philosophy, because there is no mystic life in philosophy. The mystic life which every religion offers is the life which belongs to your souls. Therefore you must have a discipline for your souls as well as for your physical beings. Whenever you use a discipline you must benefit from it. If you leave he discipline yu will lose. There are spiritual disciplines in Judaism, Christianity and in Islam. The biggest part of Christianity is mystical. Real Christianity is to wash you hands from this world and from what is in it. Christianity really calls peope to belong to heavens only. That is why you cannot find a wordly discipline in Chrisianity. Christians take that from the Old Testament, from Moses. They buid monasteries and convents in far off places. In Cyprus monasteries and convents are either in forests, or on mountains, or in deserts. They are silent, so that they can hear the Lord's voice.

So Christians are not really supposed to be materialist people, not real Christians! But now thay have changed, everyoe has changed. In Judaism they have mystic ways and mystical orders, but the materialist ideas cover all this. In Islam we also have mystical views and discipine, but now people are getting more and more materialist and they leave the mystical life aside. They want to follow ordinary life and make their physical being happy. People are seeking happiness from material things. They want their happiness to come from the outside, not the inside. But if it doesn't come from the inside it will never really affect you. A King can sit on his throne and still be unhappy. He can have a crown on his head and stl be sad. On the other hand

someone can sit on a rock and be happy. He can be eating dry bread and still have no sadness in him. So what is better? To sit on the throne and be unhappy, or to sit on the rock and be happy? The crown doesn't bring happiness, it is useless. But people insist on wanting happiness to come from what they have, from material things; from money, gold, jewels, palaces, cars, wives, children, business, from this and that. But instead, these things usually burden the people and make them even more sad.

We are trying to heal people. The real healing we need is in our souls, not in our physical bodies. This cannot be without mystical practice. If you heal through your heart you will be happy. It is important to make a way from heart to heart, because some hearts are full with peace, pleasure, love, wisdoms, beauty, mercy, respect, knowledge and happiness. You must join your heart with a heart like that. If you are joined, you can be in contact anytime, just by thinking.

It is so important for people to reach happiness, to reach everything through mystic ways. But people are ignorant. It is possible to find such people. With their eyes they will look at you and with their heart they will reach you. If you then later are alone and you have something which disturbs you, you must take a shower quickly, go to a silent place and try to connect with anyone you know who has such powers. You will then be given whatever you are in need of. There are so many levels of this. In the beginning it will be very simple, but then, as you improve spiritually, you will become more and more powerful. Every difficult position, physically or spiritually, can be solved instantly.

The Lord has granted us such discipline in every Holy Book: the Torah, Bible, Psalms and in the Holy Quran. You can find such disciplines in these Books. That is mystical life. As long as you are in your physical life the troubles will never leave you, because your physical structure is the reason for the troubles. The troublemaker is your physical being. The soul will never be the troublemaker. The troublemaker is your ego, your physical structure.

*Q: A lot of people seem to be interested in Buddhism and Hinduism. Is this the same line?*

Every order has a mystic discipline and these are all on the same way. The question is which level they are on. Some are for more simple people and some for more improved communites. The Buddhist and Hindu discipline are for preliminary levels. In our days people cannot be Buddhists or Hindus forever. People should try to learn their lessons from Buddhism and Hinduism as quickly as possible, remembering that

these religions cannot give their followers more than they do. They can be ways as a beginning for unbelievers, but once they start believing in heavenly religions it is foolish to go back to Hinduism or Buddhism. It cannot give anything to Christians, Jews or Muslims, only to unbelievers. It can be good to wake up the feelings of beliefs in unbelievers if they do not believe in anything, if they do not even believe in a Creator, but it can never be enough as a discipline for a Christian or a Jew or a Muslim.

Unbelievers who start to be interested in Buddhism will step by step start to believe in something. That something will be invisible, because invisible things can only be believed in. Everything we believe in is invisible. You believe in God - invisible. You believe in angels - invisible. You believe in jinn - invisible. Believing in the hereafter is believing in something invisible. Once people have got an opening, all these things will be easy to believe in.

When I go to South Asia, to Sri Lanka and to Singapore I meet so many Buddhists and because they are believing in something, it is easy for them to come into Islam. Beliefs open a new world for ourselves. But if people do not believe a huge endless world is closed for them. If they believe, it will open. They are free to have it, or not.

Real healing comes from Heavens. You are still using physical powers, not yet your spiritual powers. Sometimes we have that kind of power. The main supporters of spiritual powers are angels and the Prophet, may peace be upon him. It comes from the line of prophets, leading to the last one. Sometimes this line is open and will affect quickly, sometimes it is closed. That is why it is an old custom to take the power from a master to his successor. You can't do it by yourself, but your masters have a connection to Heavens and according to the power of your master you can take more benefit. Whenever I have power I give permisson to everyone who makes healings if the person concerned first puts his or her heart in front of mine. Then, according to my authority, I will pass something on to them and make it easier.

BookPowerOceansOfLight, CategoryHealth, CategoryEconomy, CategoryBuddhism, CategoryHinduism

## Healthy Diet: Don't eat Plastic!

Try to eat as much organic food as possible. Eat the red and the white part of meat. Eating only the red will harm the body. Use both of them, it will not make you fat. Your body needs it. If you don't, your body will get weaker and weaker. Such foolish diets turn the flesh into water. So many people have cancer because they have no defence in their body against cancer cells. They also don't drink soup, they only eat fish and chips and fish and chips. This is not good for the body, or kebab, kebab... again the kebab meat does not include the white of the meat. This harms the body and weakens it.

People must try to use the old ways of cooking. Young people can eat more sweets, but the Oriental kinds: Pakistani, or Turkish or Arabic. The European sweets are not good. They do not give the body any nourishment, they are made of plastic. I also don't like to touch chicken nowadays because they are usually artificial, which I have no interest to eat. I like mutton or lamb. I also do not like to eat beef. The flesh of goats gives our skin and our flesh more power. Geese are also still natural and not destroyed by artificial hormones, as well as ducks. That is good for the body. Wild animals are also good to eat.

*"Is it all right to eat animals when they have been shot?"*

If they have said, "Bismillah!", then it is all right.

Raisins with seeds, nuts and almonds give the body strength. Change your diet! Nowadays everything is programmed by people who want to control you. They want you to eat as they like. They want you to do as they like. They want you to sleep as they like. You must speak as they like. You must break through their programme and not eat as they like you to. Try to use your own free will and not be lead by them. Use grains, like rice, which have not been affected too much artificially.

Try not to use those foolish drinks. Take away 7up, Coca-Cola and Fanta from your tables, also juices of this and that. Whatever you buy will have something inorganic in it as a preservative which will affect your physical body. I do not like any drink except water to be put in front of me. Even the artificial mineral water. They all harm the body. Drink tap water! People are trying to make a handful of people multimillionaires. They tell us to drink Coca-Cola, Pepsi-Cola, Diet Coke... so many drinks, only to enrich those handful of people. What are the benefits of all those drinks? Do they improve our digestion? In some areas water is not good for drinking, then you can buy bottled water.

Fruit juices I also don't like, because usually they too have preservatives. Make your own! But why? Whenever you make fruit juices there is so much waste which you don't use. Eat the whole fruit! We used to make a lot of different syrups. Sometimes we used the leaves of roses and made rosewater, so delicious. Cane sugar is the best, or carob or fruits. Be natural!

## Heart connection

Anytime you lose control over yourself, or you are in a difficult situation, you can be in contact with my heart immediately. If you just think about me there will be a relationship with me, and I will look to you. That connection will cause a power to run quickly between us, and you will be protected. It is like putting a plug in the socket, to connect with electricity.

## The heart is for Allah alone

Allah Almighty asks of His servants to worship with Ikhlas, sincerity, purity. He asks for pure worship, which means to have a pure heart, a heart that has nothing in it but its Lord.

Each of us knows which side of himself is not true, or which of his characters is not good. We must strive to have pure hearts. That is 'Jihad'; to fight with one's bad characters and change them into good ones.

Everything that occupies your heart and keeps you from your Lord makes your heart impure. You must try to keep everything away from your heart, but Allah. We say that the heart is for Allah alone. Man is created for the love of Allah Almighty. Any time you put your love in this dunya, it will be wasted. But if you put your love with Allah, with the Prophet, with your Sheikh, or with your fellow Mu'mins, you may find that love here and hereafter; it is never going to be wasted. Love is the most precious, most valuable, most expensive thing, that the Sons of Adam have been given.

## The Heart of a Believer Is Allah's Throne

(Mawlana Shaykh stands.)

Allahu akbar, Allahu akbar, la ilaaha illa-Llah, Allahu akbar, Allahu akbar, wa lillahi ‘l-hamd! La ilaha illa-Llah, Sayyidina Muhammad Rasulullah (s). Allahu akbar kabeera w'alhamdulillahi katheera wa subhaanallahi bukratan wa aseela. La ilaaha illa-Llah Sayyidina Muhammadan Rasulullah (s) f 'aktub shahaadatina `indaka ya Sayyidi ‘l-awwaleen wa ‘l-akhireen.

We are humbly asking from most the honored one in the Divine Presence that to be written our kalimatu ‘s-shahaada in his holy presence. We are asking forgiveness for every wrong action, wrong speaking, wrong thinking and wrong doing. We are asking forgiveness and blessings from the Lord of Heavens. As-salaamu `alaykum yaa Sayyidina, yaa Qutb uz-Zamaan that this world is under his command and his command coming from heavens and heavens’ commands coming from divine levels. Ooh, give us O our Master, through your spirituality, a good understanding. If you are not granting us that understanding, we are never going to understand anything. Huuu..., Huuu..., Huuu..., Huuu. (Mawlana Shaykh sits.)

No one knows who He is. It is impossible; no possibility to know about our Creator. Only Allah Almighty granting something to His most beloved and honored, glorified servant, according to His most beloved

servant's understanding level. The Seal of Prophet's level impossible to reach for any prophet or any angel. And we are asking something that had been granted to the master of this planet, Qutb, to grant us something for understanding. That is our Lord's Generosity, and our Lord's Generosity is His Divine Attribute that belongs to the Lord's Divine Being.

O People, as-salaamu `alaykum. We must try day by day to learn, if learning for understanding. If understanding, to use our efforts for reaching that open for Mankind from heavenly oceans. SubhaanAllah. Whole glory and majesty for the Lord of whole creation. This is a holy night. When Allah Almighty granting, a holiness for anything going to that holy one. And this month is a holy month and also tonight is last Friday night of Dhul Qa`dah, that just honored by their Lord Almighty Allah. Therefore, O People, when our Lord giving honor to something, you must give honor. That is very important point, that mostly people are heedless or ignorant or on the level of animals. That attribute from the Lord of Heavens coming and He is granting anyone any honor and any glory and any highness-level with heavenly attributes. Now this world can't carry a person who is granted from the Lord of Heavens something that belongs to heavenly stations. May Allah forgive us.

As-salaamu `alaykum our listeners. Don't say, "We are listening to such a person." No. If you are saying this, you never going to get up from your physical being to arise towards heavens. Don't say, "Shaykh is speaking." No, no, that is an attribute that granted to people of heavens whom they are on heavenly levels. As attribute, they may do this; they may send from their spiritual power, may reach in just a moment or smaller, smaller, smaller, their speed on heavens, never going to be like speed of Mankind. But Allah Almighty granting to His chosen creatures that they are Children of Adam such an ability or capacity that from heavenly stations they may reach to people whom they have been appointed to be deputies of the Lord of Heavens.

Allah Allah, SubhanAllah, maa` azhama shaanak, O our Lord. And we are saying now a`oodhu billaahi min ash-Shaytaani 'r-rajeem. Say and seriously give your hearing, so that holy addressings may come to your clean hearing and entering through your mind, and then running into your heart. When you are reaching that point, then what coming from heavens to our minds, then to heart, then coming to heart and getting over your mind. When heart is opening for accepting holy things about heavens and heavenly levels, going to be your heart sultan. Commonly people, they are born, their hearts locked but their minds open, according to their capacities also. When growing up and your mind getting such a power from heavens, going not to be

able to carry that secret powers, then knocking on the heart.

Heart from inside, asking, “Who is that one?”
“I am nothing.”
“If you are nothing, come in. ‘I’ finished, come in!”

Therefore, whom they have such a being following their egos, their heart never getting to be opened. Therefore, when that heavenly power reaching and our minds not going to be able to carry, then coming to our heart and heart opening. Heart, as it is mentioned through whole holy books, is the throne of Sultan; the throne of Sultan, your heart is opening. When opening, sultan getting in. I am not saying Sultan, that Divine Attribute. Never! Only as a name, sultan of our hearts. If you are asking, “Where is Allah?” don’t say "He is on `Arsh" or "He is in heavens" or "He is everywhere." Don’t say, don’t give ishaarat, any sign. You may say, "The Lord of Heavens is through the hearts of His deputies." Therefore, whole body has no meaning if we haven’t a heart; no meaning for our beings because you are deputy for what? Because the Lord of Heavens saying "Qalbu ‘l-mu’min `arshullah - Heart of My servant, My Divine Throne is there.”

No one knows real heart, what it is. It is not what we have, a piece of meat, no. Who is commanding you? That command coming from heavens, and going to be representative from holy throne of the Lord of Heavens and Allah Almighty’s thrones, one or a thousand or millions, billions; He knows! But don’t think that His real throne, whole creation can carry that one. No, no! That belongs to Allah, only for Him. Why we are saying qalbu ‘l-mu’min arshullah? A ray from the Holy Throne of the Lord of Heavens reaching there and giving a lightening in it, according to the power of that servant.

Don’t think that Allah Almighty’s Throne like the throne of Bilqees. You know Bilqees, the Queen of Sheba? In just a moment, just carried from her palace and was in front of Sayyidina Sulayman (a). If that throne was really of Queen of Sheba, no one can carry it, but not really for her. It was a grant from the Lord of Heavens. Bilqees, Queen of Sheba’s throne, was only was a symbol. Therefore, taking and quickly putting there. When I am reciting the story of Bilqees Queen of Sheba, about her throne, I am surprising huwa `an `azheematu ‘sh-shaan, Holy Qur’an, the Lord’s speech to people. When Sulayman (a) asking, “Who may bring to me that throne?” one jinn saying, “O our Lord, before you are standing up from your holy throne and sitting, I am bringing it here to you!”

Arab and other nations, you are so proud, saying, “We know something.” You are so proud to be written at the beginning of your names, “Dr.” Where is your knowledge? You are not reciting, Salafi people! Salafi and Wahabi people, leave that bida`a, bida`a, b’ud`a, ta`allamoo min al qurani ‘l-kareem - (learn from the Glorious Quran). Don’t say, that is bida`, that is mushrik, that is kaafir, that is haraam! I am asking from you. I am not claiming that I know, no. I am only lowest standard person. I am not saying, “I am something.” But you are saying, “We know everything. Holy Qur’an knowledge we know, Ahl as-Sunnah not knowing. Wahabi people knowing.” Or Salafi people saying, “We know Qur’an.” Haah, you know? Open that chapter and read, recite Holy Qur’an what Allah Almighty saying about `alim.

The time of Sayyidina Sulayman (a), wa qaala ‘lladhi indahu `ilmun min al-kitaab. I am speaking kalaam faadi (empty words)? You bring another word and say to people. (Mawlana very angry.) YOU ARE ANGRY WITH ME, ANGELS ANGRY WITH YOU! I AM SPEAKING HAQQ!

••••• ••••••• ••••••• •••••• ••••• •••••••••• ••••• •••••• •••• •••••• ••• ••••••••• •••••••• ••••••••

Qaal alladhee `indahu `ilmun mina ‘l-kitaabi ana aateeka bihi qabla an yartadda ilayk tarfuka - Said one who had knowledge of the book, ‘I will bring it to you in the twinkling of an eye!’” (27:40)

(Mawlana Shaykh stands.) Qur’an or not? Where is your `ilm?! Where is your knowledge?! Do you think that what just granted to Seal of Prophets, Sayyidina Muhammad (s)? (Mawlana shaykh sits, looks fiercely into camera, pointing his finger.) Don’t say, “We are knowing something,” or I am making my shikwah; I am COMPLAINING (ABOUT) YOU IN THE DIVINE PRESENCE! Keep your tongues to say, “This halaal, that haraam.” You can’t say that! Prophet (s) was saying al halaalu bayyinu wa ‘l-haraamu bayyin. Qul haatoo burhanakum (halaal, the permitted, is clear and haraam, the forbidden, is clear. Bring your proof [if indeed you are truthful]). Which thing preventing, not to say salaat `ala an-nabiyy, salawaatu sharifa or dhikr or tariqah?! And Allah Almighty saying:

••••••••• •••••••••••• ••••• •••••••••••• ••••••••••••••••• ••••• •••••••

wa law istiqaamu `ala at-tareeqati la asqaynaahum ma’an ghadaqa - "If they (the Pagans) had (only) remained on the (right) Way, We should certainly have bestowed on them Rain in abundance. (72:16)

You are saying no tariqat in Islam; look in Holy Qur’an what saying. Astaghfirullah, tawbah ya Rabbee,

tawbah astaghfirullah! That is true, that is like an ocean. Don't think that I am looking (in) books and addressing people. O People, you also take your care! If not giving value to what you are hearing, heavenly anger may touch you. May Allah forgive us. Astaghfirullah, astaghfirullah, astaghfirullah.

What about the throne of the Lord of Heavens? Allah Allah, Allahu akbar `ala man takabbar wa tajabbar (Allah is greater than the one who is arrogant; and who is oppressive) Ism`a wa `atee - Hear and obey! You are looking yourself so high and that I am so small one. But I am such an atom that you may be like a continent but you are nothing in front of an atom's power.

(Mawlana Shaykh sings.)

Allah Allah, Allah Allah, Allah Allah, `Azeez Allah
Dome dome dome dome 8x

(Mawlana Shaykh stands.) O our Lord, grant us some lights for understanding for the honor of the Seal of Prophets, Muhammad (s). (Mawlana Shaykh sits.)

May Allah forgive us. Don't think that everyone (is) like you and you are looking yourself over (above) whole people. Some people may be like an atom; when it explodes, taking all of you away.

Tawbah ya Rabbee, tawbah ya Rabbee, tawbah astaghfirullah, tawbah ya Rabbee, tawbah ya Rabbee, tawbah astaghfirullah, astaghfirullah.
Dome dome dome dome 8x

They may grant to me to bring a commentary about that wazeer of Sayyidina Sulayman (a), that he said to him: "Oh King Sulayman, I can bring it," wa qaala 'lladhee `indahu `ilmu mina 'l -kitaab, kitaab ur-rusula, Sayyidina Muhammad (s). What do you think, (is) King Sulayman's (a) book more important or Holy Qur'an more important? That person taking such a power through King Sulayman's holy book. Where are our `ulama to take something from Holy Qur'an to make this world zilzaal, shaking. Always through my heart coming this. Keep your adab with heavenly ones, you should reach such a secret powers. As long as you are so proud, you never reaching anything.

Allah Allah, Allah Allah, Allah Allah, `Azeez Allah

Allah Allah, Allah Allah, Allah Allah, Subhaan Allah
Allah Allah, Allah Allah, Allah Allah, Sultaan Allah
Allah Allah, Allah Allah, Allah Allah, Subhaan Allah

Ya `Afuw, forgive us Yaa Rabbana, for the honor of this honored night and the honor of your most glorified and most honored one in Your Divine Presence. Fatihah.

(Mawlana Shaykh happily speaks with Shaykh Hisham Kabbani and Hajjah Naziha on the phone.)

## Heart Productions: Pure Knowledge

Nowadays nations are fighting within themselves; like Afghanistan, Turkey, Syria, Lebanon, Algeria, Albania, Bosnia... This is one of the small signs which are mentioned of the End of Time. When they are finished, ten big signs will come.

Whenever a teacher gives information he must know where he is getting it from. Every information which has come from Muhammad* is the pure Truth. No one but the Archangel Gabriel taught him, who brought the knowledge straight from the Lord. He spoke about so many small and big signs of the End of Time.

When Sayyidina Yusuf* was in prison, two people came to him and told him their dream. It is important to interpret dreams, but not everyone can do it. They must be permitted to give an interpretation. It is not right for people who dream to tell it to someone who does not have this permission, because he can give a wrong meaning, which can then happen. Don't ever tell your dream to anyone but to someone who has been authorized!

Yusuf* did not give the meanings of the dreams straight away, instead he introduced himself. He said that he was the son of a prophet and the grandson of a great prophet and made it clear, that whatever he was saying, the Lord had taught him. This showed that he was a person of high rank, and gave them more respect.

The Sahabas also used to start by saying that they had seen Muhammad* do or say this or that. After the Sahabas, their followers would say that they had heard it from them. No one would teach and say that it was their own knowledge. Knowledge which comes in this form is pure and available until today. Some still have the meanings of the words from the Holy Book. These are the ulemas. Others have learnt it from Muhammad* and his inheritors and are passing it on. Knowledge is from the mind and heart productions wisdom from the heart.

I am speaking based on what my Grandsheikh is passing on to me. Usually when people speak in front of an audience, they will prepare themselves for weeks even if they only have to speak for half an hour. If they just get out of their text for one short moment, they will lose it. On the way of hearts we give that which people need. We look at the hearts and give.

Ten big signs will appear. We are still in the period of the small signs, although it is nearly coming to an end. There is big trouble in Turkey, people are running to the two extremes: left and right, because they have been left to do as they like. Other governments do everything they can to support their freedom, so that they are prevented from coming back to their religion. They run on the streets proclaiming that they don't want to follow the Sharia, even though they don't know what it is. The Sharia is the Divine Law. How can anyone say that they don't like it?

## The heart's Dhikr

Once, daily, you must listen to your heart's Dhikr. When you listen, you can hear your heart saying: 'Allah, Allah...'. This is an important Wird, more important than the tongue's Dhikr. This gives concentration to the whole body. The best time to do this is after midnight, at Tahajjud. First pray two Rakaats, then sit and listen to your heart's Dhikr... Your concentration will grow from this point to where that Dhikr, the remembrance of your Lord, will be with you 24 hours a day. I am giving you permission; it means to take that 'electricity' from the center which the Grandsheikhs are opening for us. When my Grandsheikh gave me permission, he was opening, from his heart to my heart, such a power.

## Heavens is ruled by a King, so should we

Centuries and millenniums change, but reality never will. The rules which the Creator has given us for this world never change from the beginning until the end. His Kingdom is absolute, no democracy or election can bring in this or that new suggestion! Kingdom is the best for mankind, because Heavens is ruled by a King, and so should we.

But satan puts the feet up and the head down. Mankind has lost their head and their feet since 1789, the foolish French Revolution, the biggest, dirtiest and most cruel one. Since then the power of satan has been spreading throughout the world. It has taken away the heads of every country and put feet in its place. That is democracy! There is no democracy in Islam. It is the biggest lie. We keep the rules of the Kingdom of Heavens. Kings cannot do as they like. They are under the control of the Heavenly King, they follow the Rules of Heavens. Those are real kings.

Muslims today need such a powerful sultan, who will be under the control of the Sultan of Heavens. We shouldn't be divided into Pakistan, Algeria, Palestine, Iraq, Syria, Turkey, Afghanistan, Iran, Saudi, Yemen, Egypt, Libya, Algeria, Morocco, Tunisia, Sudan, Albania... no! One king! Go and ask Allah at the Kaaba to send one king to the Muslims who has power to control all Muslims.

Look at what happened in China: one billion people were under the control of one person, Mao Tse Tung. Don't say that it is not possible, it is! There was an Italian who was feared by half the world. He was able to control the world from Siberia to Warsaw. Don't say that it is not possible for the big Muslim world to have one leader. It is, and it is necessary!

This is why we are in such a bad position, because we have put the head to the ground and the feet are on top. The Prophet* was saying, that this is a sign of the Last Days. Everyone wants to go the way they want, without a king to rule them. But He is the King of Judgement Day. He has never described Himself as being a president. He calls Himself the King of Judgement Day and the King of Kings.

Every Muslim should be aware of this reality. Allah the Almighty has made it obligatory for every believer, man and woman, to know about themselves and about their umma. This should be taught, learned and known. But the umma is asleep, satan has put us to sleep. We hope that there will be a big change for the benefit of believers. We will win and the others will lose, insha'Allah.

## Heavenly blessings of Muharram

Bismillahir Rahmanir Rahim... It is one of holiest months, Muharram, and tonight is the 1oth, one of holiest nights in Islam... Tomorrow is the 1oth of Muharram, the Ashura-Day. It has a very special situation in the Islamic calendar, and also in the calendar of world-wide historical events, because on this day Allah Almighty just granted to His beloved servants from His endless Mercy Oceans, and His endless Power Oceans, to be victorious...

It was on this day,

- that the Ark of Prophet Nuh a.s. landed on the peak of that mountain and the flood just finished,
- Prophet Ibrahim a.s. was saved from the fire of Nimrod,
- Prophet Musa a.s. passed through the Red Sea and was saved from Pharaoh,
- Prophet Yunus ibn Al-Yasa'a a.s. was saved from the stomach of the whale,
- Prophet Suleiman a.s., King Suleiman, was granted the kingdom over all Mankind and Jinn,
- Prophet Eyub a.s. became healthy, and more wealthy than before,

- and the Prophet Jesus Christ, Isa a.s., was taken up to the Heavens...
- And Sayidina Muhammad sws. was granted much honour and an opening of the seven Heavens for himself and for his whole nation, and he was saved from his tribe, the Quraish...

And every time that Muslims fell into difficulties, Divine Help and Support just reached them through this holy month, and particularly on a day like tomorrow, on the 1oth of Muharram... Very important...

I was expecting Sayidina Mehdi a.s. to come this year, but yet some signs have not been completed... and I hope, that he may be with us next Muharram, after the year 2ooo. The 3rd millennium should be for Mehdi a. s....

So many Heavenly Blessings reached to believers on the 1oth of Muharram, and it is good luck to reach to Muharram 1999. And I hope that it is going to be granted for Sayidina Mehdi a.s. to appear... Tonight, much more power should be granted, perhaps the authority for the whole world... and his sword, now, is taken out a little bit. Tonight it is going to appear...

And, as we said before, one month ago in Dhul Hijjr on the night of Arafat, a change began. There is a new Tajalli, a Divine Appearance, a new power that will continue now without stopping. And miraculous powers from tonight are beginning to come into action step by step, so that when technology is going to finish and vanish, another kind of power is going to be ready for use...

Try to be with Allah and you are going to be victorious. Try to take yourself, step by step, away from the hands of Shaitan and devils. Try to use less of every kind of instrument which Shaitan and his soldiers helped to invent, because everything that is working with electricity is going to stop, and another source of power is beginning to act...

Now, for a few months only, all nations are going to carry very heavy burdens... When that finishes, there will be a new opening for the whole world. No need at that time for electricity, cars, ships, factories...no. Your light, Nur-ul-Iman, the light of your faith, is going to surround you. Your body is shining, so that even in the darkness of the night you may go...

Therefore I am happy and thankful to Allah, that we have reached to this night, and we are asking humbly for our names to be written with Mehdi a.s. We are not happy with the situation in the world, East and West, because every system, all living systems on earth now, are against the Divine Rules and Laws.

We are happy and proud enough that Allah Almighty makes us happy with Him, with His Awliya, with Sahibu-Zaman Sayidina Mehdi a.s.- not to run after that shaitanic, dirty life... Shaitanic life is the dirtiest. Run away from the dirty life. If not, you may sink in those dirty waters, dirty situations, and you can't save yourself. Ask for cleanliness and try to be clean, so that you should be clean in the last moment of your life... Fatiha.

## A Heavenly Warning

(HimmlischeHurrikane, dt.)

(Mawlana Shaykh stands)
Allah Allah, Allah Allah, Allah Allah, `Azeez Allah
Allah Allah, Allah Allah, Allah Allah, Kareem Allah
Allah Allah, Allah Allah, Allah Allah, Subhaan Allah
Allah Allah, Allah Allah, Allah Allah, Sultaan Allah
(Mawlana Shaykh sits) Thumma salaatu wa salam, alfu salaat, alfu salaam ala Sayyidi 'l-Awwaleen wa 'l-`Akhireen, Sayyidina Muhammad (s). (Mawlana Shaykh stands and sits) Dastoor yaa RijaalAllah, madad.

O our Attenders! As-salaamu `alaykum. Try to be rijaalAllah, heroes for Allah! Try to be dressed in heavenly "hero-ness," then whoever looks at you, his heart must tremble! There is coming such a new generation that will be dressed with such power from Heavens, and they are the armies of Sayyidina Mahdi (a)! As-salaamu `alaykum! As-salaamu `alaykum! Yaa Rabbana ija`l min junoodun junood Allah, "O our Lord! Make us from the servants of Allah that are strong, supported followers." Allahu Akbar!

Good tidings from Heavens are reaching daily more than before; speedily they are approaching to clean this

dirty world from Shaytan and its followers. Don't be from those rubbish people. People are of two kinds: one kind is precious, and the second is from rubbish. Does a housekeeper keep what she sweeps into the dustbin, as if it is precious?

O People! From east to west, a brush for cleaning this world is coming, as it has become so dirty! That one who is rubbish will be taken away, with no way of escape. We are reaching the limits of the life of dunya, and the Day of Resurrection is now approaching. Before, perhaps the names of billions of Mankind were written as rubbish ones, and they will be taken! A cleaning is coming now, so try to be from clean ones. Perhaps this Ramadan may be the last Ramadan for making good ones on one side and rubbish ones on the other side. Allahu Akbar! Rubbish ones are those who are following Shaytan and its army. They are dirty, rubbish ones, and they will be taken and put in the WC (bathroom). That is heavenly news that they are making such a weak servant declare in this holy month for all the Muslim world, and also the unbelievers' world. Tawbah, yaa Rabbee. Tawbah, yaa Rabbee. Tawbah, yaa Rabbee. We do not claim to be clean ones, but we are asking for cleanliness!

O our Attenders! Give time for your Creator, even some minutes, and it will be good for you. If you are not giving even some minutes, your name is going to be written with rubbish ones. The Lord of Heavens never likes rubbish ones. They may be Muslims, Christians, Jewish, Chinese, Hindus, Africans, Native Americans, or Australians.

O People! Listen to a heavenly addressing! I am like you; I am not claiming I am this or that one, no! But I am only appointed as a weak servant, as a warner to make people wake up, and that is all. Those who are following their egos, their rides, those whose interest is only eating, drinking, and dressing, their names are under the table of rubbish ones. Try to have your name written under the table of pearls, diamonds, rubies, and emeralds! Why leave your name to be written under the table of rubbish ones? And how many kinds of rubbish do you know? (Mawlana Shaykh addresses someone in the audience: "Don't move, such a thing is cutting our line from the Heavens.") And what is rubbish? There are so many kinds of rubbish from all walks of life. What you put in the WC is rubbish also, dirtiness. It is going to be a classification, "This belongs to first-class WC people." O People! Look at which kind of rubbish you may be! They may say, "Ohh, we are not rubbish." You do not know if you are rubbish or not, because you can't walk without drinking whiskey,

and drunk people never understand as they are heedless people.

O People! Wake up and try to be clean. This holy month is coming to make people clean. Don't travel in sewage channels! People are mostly saying, "We take a bath everyday and we are not dirty ones." Dirtiness is not in your physical being, but it is in your self, because you are not believing in the Lord of Heavens or following His holy orders, and that is dirtiness for you! You may take a bath 50 times a day, but you are still dirty ones! May Allah forgive us.

O People! I fear a cleaning is coming to all nations. Now they are making me declare heavenly warnings. Be careful, beware that a hurricane is coming and looking for some ones to take up! But some have been protected. Beware! Holy revenge is coming as hurricanes to those who are not following holy commands and it will take him from Earth!

This is a holy month. I don't know what is going to happen after this holy month, but they are sending heavenly inspirations to my heart that after Ramadan there may be so many unexpected things. The first cleaning will come on Muslim communities who are not taking cleanliness in this holy month. Hurricanes are coming now in so many Muslim countries, beginning first with them and then coming secondly to other religious people, Christians and Jewish people, then to Hindus, Chinese, and Japan! The Lord of Heavens, and those who have been granted such knowledge, know that hurricanes are approaching after this holy month and taking billions of people!

May Allah forgive us. Tawbah, yaa Rabbee. Tawbah, yaa Rabbee. Tawbah, yaa Rabbee. Aamantu billah, "We believe in our Lord," and what is the real truth. We believe in His Last Prophet (s) who has been sent from the Heavens to warn people and to make them clean. People of Ahlu ’l-Sunnah wa ’l-Jama`ah and Shi`a people are also warned, if they are not keeping and accepting truth, those hurricanes will come on them, taking so many sleeping at night, that in the morning you can't find their bodies!

O People! We are not saying this and joking with you; it is Truth! I am trembling from heavenly punishment or revenge, and I am fearing! I am not making an exception for myself, but all nations must ask for heavenly protection; if not, it will be too difficult to save them! May Allah forgive us for the honor of the Seal of Prophets, Sayyidina Muhammad (s)! (Mawlana Shaykh stands and sits)

Fatihah.

That is something that was never heard before, and it is important. Astaghfirullah.

(Mawlana Shaykh stands and sings)

Allahuma salli wa sallim `ala
Nabiyina Muhammad `alayhi 's-salaam.
Salaatan tadoomu wahtoohda `ilayh
ma marra 'l-layaali wa toola 'd-dawaam.
O Allah! Pray and send peace on
our Prophet Muhammad, upon him be peace!
Praises everlasting, to which all are guided,
as long as the nights and as long as the days!

Fatihah.

## The Heavenly Dress of Honor

Bismillahi ‘r-Rahmani ‘r-Raheem. (Mawlana Shaykh stands.) Allahu akbar, Allahu akbar, Allahu akbar, Allahu akbar, Allahu akbar, Allahu akbar wa lillahi ‘l-hamd. O our Lord! Forgive us and we are looking for blessings for your most honored one, Sayyidina Muhammad (s). Give to him most high respects and most high glory that can be given to anyone in Creation! Alfu salaat, alfu salaam. Zidhu ya Rabbee `izzan wa sharafan, nooran wa surooran, ridwaanan was sultaana.

O our most beloved and honored Prophet, Habeebullah (a)! Allah Almighty loves you and if Allah Almighty loves you, everything in existence must love you, yaa Muhammad Mustafa (s)! When Allah Almighty honoring you, everything in existence, everything in Creation must honor you with most high respect. When the Lord of Creation gives to you highest honor, everything in Creation must give to you their most high respects. O most glorified Prophet (s), you are in our hearts; may Allah honor you much, much more. We can only say this.

O our master, master of this planet, qutb, the highest rank that can be granted a servant from heavenly levels. We are happy for belonging to you, and asking from you, O our most high pole, that you are keeping heavenly power through your hand for keeping this planet on its right steps. (Mawlana sits.)

O People! If the Seal of Prophets is asking and ordering the pole who is the most holy one on this planet to make this planet step on true way, how can there be a way on this planet for Mankind to step on wrong steps? Wrong steps keep a person down and right steps take him up and up and up, with respects and honors. Any time that he is stepping on the right steps, he is just dressed in a dress of honor. It is not the same; that respect and the dress of honor is not only one. Everyday you like to dress in another dress to show people. When the Lord of Heavens is granting His most beloved one with His endless dressing of honor, He is also dressing his nation who may step on true steps, just dressing and dressing. Don't think that that dressing is going to be a heavy burden on such a holy one. Everything is different through heavenly beings and earthly beings.

I was thinking why a rich one is not dressing, one dressing over another one, and another one, and another one to show, "Look! I am a rich one and I am dressing in ten coats." He can be happy dressing in ten coats, each one in another fashion. Everything that people are dressing on their physical beings is finally going to be a heavy burden on them and something they can't carry. If dressing in two coats, people will say, "Look there must be something wrong with him." or, "Not enough, one coat?"

"No sir, I like to show you that I am a rich one. Put another coat on me, a third one, so that people know that I am rich one."
"No, no, you are rich one, but you are poor through your mind and you are showing that your mind is smaller."

You think you are an incompleted one because your thinking is not true thinking. That is for this material world's appearance or for this physical being's pleasure. You can't carry more than one because material is so heavy, but anyone that is stepping on true steps is dressed from heavenly dressings. That person may be dressed with a hundred dressings; it will never be heavy on him. Also, a second dressing is never covering the other dressing he may be dressed in.

As-salaamu `alaykum! O our listeners, think about what they have been addressing to you. O Pope, chief of rabbis , O Dalai Lama, think about it: you have been dressed, but only with a blanket. You are not interested in such a thing. Your real being is asking for something heavenly. You are asking for heavenly dressings. Think about it! They are making me to speak tonight.

O People! They are asking you to step on true steps! If not, you are going to be a carcass, dressed in such beautiful or majestic dressings, but through those imperial and majestic dressings your being is going to appear as a carcass. When people look at your dressings they are very surprised, but when they look to your inside they are going to run away. O People! Think about it because we are going to be leaving this and we are going above. Some people are interested in this life only for material things. A very few people are interested in spirituality; therefore, they are going to be like a carcass. They are dressing a “dress of honor” for this life. If you are taking that dress of honor for the material life, inside it you should find a carcass. Above, everything is contrary to this material life; that is a spiritual life. Finally, material life is going to be dust and nothing else, but your spiritual being is never going to be dust and never going to be dressed in this carcass, but in a heavenly dress of honor.

O People. What happened before the economic crisis? What did you do? Why are you crying now and why so unhappy? This is nothing; look ahead. What is your final position going to be? That is important for Mankind and not the economic crisis; leave that and come to the truth! What is the truth? Are you sleeping when I am speaking here about the truth? So many nights they are making me to give you an understanding about heavenly Truth. Are you sleeping? Yes. Untruth, falsehood, is not stable—it is running away as it is not valuable. Truth is what is makes you to be honored here and Hereafter!

Prophets, therefore, never took any care for their appearance but kings and emperors are interested in it. They are trying to make people interested in their appearance with their dressing that none can match. They think that they may show they are something else from common people, that their levels are above others. Look at what you have been granted from a dressing; if anyone should look, they may take glory from you. It is written! Such a knowledge is reaching up to me also.

It was the time of the first period of Islam, after the Seal of Prophets, Sayyidina Muhammad (s) was reaching to his Lord’s Divine Presence (Mawlana stands). Sayyidina Abu Bakr (q) was his deputy and the second khalifah, Sayyidina `Umar (r), and the glory and power of Islam was spreading through the east and west. The Byzantine emperor sent his representative to see what was happening through the deserts; what armies were coming up to the front of Constantinople and reaching the Iranian territories, reaching east and west and getting bigger and stronger daily. One person was sent on behalf of the Byzantine emperor to see what

their situation was and that ambassador reached Madinat al-Munawwara, the most holy place on Earth after the House of the Lord. Allah, Allah.

That is the House of our Lord, and that is the most beloved one, His deputy through Creation. Now people are running for visiting the house of the Lord. All glory for the Lord of Heavens. He ordered Abraham and his son Isma`eel, glory on them, to build a building for Him Almighty. Allah Almighty ordered Abraham (pbuh) that people visit the house of the Lord. The order of the holy rules in Islam: first pilgrims must visit the house of the Lord and then visit His most beloved one, Sayyidina Muhammad (s). (Mawlana stands.) SubhaanAllah, all glory for Allah Who ordered His servants to come and to visit His House, the Ka`aba. People came to visit the house of the Lord.

People, think about it that Allah Almighty is sending you to visit His House first and then sending you to His most beloved one there. What would you think if people were sent to your home and no one was there? Why would I go if no one was there? To look at that building? But the Salafi people don't understand, I am sorry to say. Is no one in the house of the Lord? What do you think? Either He must be there or there must be someone there on His behalf. If not, no one can go there. Why visit the house of the Lord, Baytullah Shareef, if there is no one welcoming? Yes, have an answer, that Allah Almighty is not something that can be in a building. Astaghfirullah, we are asking forgiveness. If He is not there, there must be one representing the Lord of Heavens. If not, what is the meaning to come in front of the house of the Lord and say Allahu akbar, Allahu akbar, Allahu akbar? To whom? To a place? If you are saying something like this, the Wahabi people are saying it is shirk.

There must be one from Mankind and not from angels who is welcoming when people are saying, Bismillah, Allahu akbar, Allahu akbar, Allahu akbar; someone must reply when you are saying that. It is important, that there be one representing the Lord of Heavens. Therefore, it must be Habeebullah (s) who is representing all of Creation, representing everything. And even through that, Habeebullah is given a high honor that no one else is granted. Allah Almighty is saying that after you visit your Lord's house, visit the most beloved servant, Sayyidina Muhammad (s). (Mawlana stands.)

You must understand something, `ulama of Damascus and Egypt. You can't say, "Shaykh is saying something wrong," because then you are going to be the wrong ones. My tongue is always protected from wrong things!

Then we shall come to the beginning—that Rome, Caesar, or the Byzantine empire sent one person, to see what was happening through the desert. And then came thousands and thousands with their swords to enter this place, saying, “What are their secrets?” They reached Madinat al-Munawwara, saying, “Where is `Umar? Where is his palace?”

The Sahaba (r) said, “He hasn’t any palace."
"How that can be? He is reaching the walls of Constantinople, reaching distances to the eastern and western countries. How you can say ‘he has no palace’?”
“Yes, he has no palace. You can find him, as it is midday and he is resting.”
“Where he is resting?”
“You can go this way by the palm trees.”
“His home is there?”
“No, no, he is taking his rest under one palm tree.”
“One person, he is alone? No one looking after him?”
“No, find him there and speak to him.”

And he was going there and reaching Sayyidina `Umar, may Allah bless him, in the wood among trees, sleeping at midday, taking a rest because he stood all night in prayer. When the ambassador came, he saw Sayyidina `Umar sleeping. The ambassador was trembling, as a person when he is meeting a lion. He was getting up. “It is enough for repeating to my Caesar that the Muslims are reaching from east to west. No need to speak—I fear to disturb him when he is sleeping!”

O People of Islam, you just lost the heavenly glory-dressing. Then, people were trembling. So many people, kings, queens and emperors dressing, but no glory for them. O Muslims! Don’t run after western people as their way is the wrong way. The true way is the way of Islam. You must understand this, or many curses coming on you. Look at the Islamic world. Everywhere they are under such a pressure. There is no taste for their lives. May Allah forgive us!

dome dome dome dome 4x

I am not looking in notebooks. My singing is light singing, not like the singing of Mozart or of western people, but it is simple singing, touching hearts of people. Therefore,

dome dome dome dome 4x

It is slowly going to reach the western countries also, because they are giving such an authority and power for that singing growing up. That western people going to be more and more tired of their playing and singing also.

dome dome dome dome 4x

Huuu... Huuu... Huuu...Huuu... Allah!

Fatihah.

(50 minutes) Yet we are not finding time to say a`oodhu billahi min ash-Shaytaani ‘r-rajeem. They are taking me like this, like that. We are asking forgiveness from our Lord. We are asking to take away bad things from evils and devils. We are standing for the honor of Sayyidina Muhammad (s). (Mawlana stands.)

Allah, Allah, Allah, Allah, Allah.

Fatihah.

## The Heavenly Homeland

The homeland of the soul is the heavenly realm, just as the homeland of our human personalities is wherever we were born and raised. People have tried to describe the goal of the Sufi Path in so many ways, but the best description is to say that it is the way by which the soul may return to its homeland. Our souls long for that heavenly homeland, just as we may dream of returning to the scenes of fond childhood memories. That attachment to our childhood homes is a reflection of the soul's longing for its original homeland; therefore, its existence is a sign of faith, and the Holy Prophet, peace be upon him, in a tradition, is to have said: "Love of one's homeland is of faith".

Therefore, you may come to spend Ramadan here in London, and you may feel by the end of your time here a longing for your homelands. The same holds true for pilgrims to Mecca and Medina: Allah plants in people's hearts a love that enables them to bear all of the hardships of the journey and the pilgrimage, so that people may do their duty to their Lord: then He changes that longing for the Holy Places to a longing to return quickly home.

It is normal that a person should long for his homeland. We have a saying: "You may put the nightingale in a golden cage but it won't be happy, and will lament: "Oh that I were back in the nest I made from sticks and straw". One may see this in the community of our Cypriot immigrants here in London, or with other groups,

that have come seeking ”streets lined with gold”. You may hear them moaning: "Oh our village, our mountains, our rivers, our seas, our old friends!"

That longing is only the longing of the personality and the physical body for a place it associates with good memories; but the longing of the soul goes much deeper. And just as it may sadden a person who returns to the home of his youth, and finds not there the people he loved, so, for the soul Heaven is empty without the Countenace of the Lord. Foreign dignitaries don’t go to Buckingham Palace unless the Queen is there - for what should they go, otherwise, for sightseeing?

And yourselves; you would not come to London to this humble place (we are staying in*) unless the person you love is here. Would you come from Canada to London for at least the fifth time to take a sightseeing tour? London is empty for you if that person is not here. But now London is full for you, and even if that person were to be sitting in a cave, London would be full for you because you have found that person. The longing of the soul is for its Lord: what is the Divine Realm without Him?

Fussnote: This talk was given at a time when the Sheikh stayed in an average sized house in London with only a few followers.

## Heavenly Honor for Gold and Silver

(Mawlana Shaykh stands) Laa ilaaha illa-Llah, Laa ilaaha illa-Llah, Laa ilaaha illa-Llah Muhammadun Rasoolullah `alayhi salaatullah wa nahnu `abeedullah faq bal maadhiratanaa yaa Rabbanaa yaa Khaliqunaa yaa Raaziquna. Anta 'l-Hadi Anta 'l-Haqq laysa 'l-Hadee illa Huwa! Shukr yaa Rabbee, shukr yaa Rabbee, shukr alhamdulillah. Tawbah yaa Rabbee, Tawbah yaa Rabbee, Tawbah astaghfirullah. A`oodhu billahi min ash-Shaytan 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. Thumma as-salaat wa 's-salaam `ala jamee`i 'l-anbiyaa wa 'l-mursaleen wa man tabi`aa hum bi ihsaan ilaa yawmi 'd-deen. Allahuma thabitna `ala 'l-Haqq. Keep us on Haqq, O our Lord! Subhaanak, Subhaanak, Subhaanak, Anta Subhaan, Anta Sultan! (Mawlana Shaykh sits)

As-salaamu `alaykum! How are you today, our attenders? When you collect so many things, then what is going to happen? You are collecting them, but finally you are leaving and going. Which mentality are you using? What is that? We may say, that is the mentality of lowest level people, yes. Think that there is a heap of gold and, the king is bringing and putting a heap of gold in a big square of the city, saying, "O People! Come and take, come and take." People are running, running and taking and bringing from that treasure as much as they can to their home and putting there. What happened? What has changed from that heap of gold, from that treasure which you were just carrying from that place and putting it to another place? Instead

of being for the king in that place, you are taking and carrying and putting it here, making a smaller heap of treasures. What did you do? You are only taking from there as much as you can carry and bringing and putting it here. And the whole day, perhaps for one week, you are busy carrying those treasures to here. Then you are getting tired. What happened? Nothing happened. Only you are working as a donkey by bringing that treasure and putting it here. What has changed in your life? Why are you running?

O our Attenders! They are making me to ask you, what is the exchange rate of money today on the Internet?

"Yesterday it was 100,000 Turkish."
"Don't say Turkish money, yaa Shaykh! You should say that this money is American dollars." American dollars are also losing their value. Better to collect and save, misri don't sleep, we are running after Euro. Euro is better but, "O my brother, Euro is also always changing, we may save and carry English Pound."
"Yes sir, but I think if we can save gold it is better."
"It doesn't matter, you are saying better, I am saying it doesn't matter to bring English Sterling, English Pound, so that you can use it easily and if you are saving, save real money, gold is for using, you should collect paper money."
"O my brother, who is bringing that paper money? Do you think that you heard about paper money at the time of our fathers or grandfather's?"
"O my brother, I never heard but they were always using golden coins, that was valuable money, you can say that was money."
"I never heard about paper. And people say that there is economical crisis. What is the reason?"
"It is because nations are following shaytanic ideas or shaytanic projects, that they should not use golden coins. They put it in their case and use paper money. Paper money is easy for people to use. Therefore, main reason for economical crisis is paper money."
"O my brother you are so clever one, you must be a savior for nations because of your good ideas."
"Yes, that is true but how can we carry our gold all the time? Paper money is so easy for using."
"Yes, it is easy but it is not something which is feeding the economy."
"If I give you paper for eating, you will like it?"
"No, I will not like it."
"If I am giving you grass or paper money to eat. Which one will be better?"

"O my brother! Straw is much better we can eat that but what about these paper money, I can't eat that!"

And people now are claiming there is an economical crisis, and millions of economists are looking to find a way to save people from economical crisis but they are never coming to real savior. They are always trying to bring solution through paper money.

The Lord of Heavens is giving value to two minerals. One gold, second silver and He is ordering to use gold then silver. If you are leaving this, you may fall in such a crisis that no one can find a way to save you. Now all the people are running to find a solution. Use your mind!

O `ulamas! Why are you not asking your mulook to say, "Don't use paper money." Don't say, "This is five riyals, this paper is ten riyals, this paper is one-hundred dhirhams." No, everything that Mankind are asking to change of mizaan, the heavenly scales, there will be no success for them, it is just locked down. People must use gold and silver to buy and sell, then in only 40 days, the economical crisis will finish. If they insist not to use gold and silver, even after 40 years they will never get up. Allah Almighty is giving mentality with good understanding. Also heavenly books are arranging Man's life on this planet; they are taking the books and putting it up, saying, "We are not using heavenly rules but we are using new rules according to our understanding and mentalities, and we can do everything, we can save, we can take away every crisis, and first of all the economical crisis!" But you can't do that!

O Salafi `ulamas! Who are claiming, "We are holy ones," that means you are much closer to Heavens and heavenly rules. Why are you not making this clear for Mankind? There are safe ways, so why are you not making it? And in your countries also there is economical crisis. Even Allah Almighty granted you countless gold and silver, and real values for Mankind, and you are not using it but you are using paper money! That is haraam. And you are claiming, "We are 'amar bil maroof people'." If you are believe what we are saying is truly a heavenly order, why are you not ordering it? Why are you not preventing people and your kings or `amirs or shaykhs? Why are you not saying, "Don't use paper, it is forbidden, haraam." You are cheating people by buying and selling. Why are you not saying that you have amr bi 'l-ma`roof nahiyy `ani 'l-munkar, to prevent people from wrong things and to bring true things? That is a bombardment on your foolish ideas. Where are the "amr bi 'l-ma`roof people"? Say! Wahhabis and people of amr bi 'l-ma`roof, you must say that paper money is haraam! If you are not saying, you are going to be Shaytan's agents, working for Shaytan and

not for Allah Almighty! Khaaf Allah, fear Allah!

O People! Those who are claiming, "We are people of amr bi 'l-ma`roof wa nahiyy `ani 'l-munkar," why are you using paper? Was the Seal of Prophets (s) using paper or gold and silver? The Lord of Heavens is giving a takreem, honor, to so many minerals. He is not giving the honor granted to gold and silver but iron or tin are not honored from Heavens. Why are you not saying the key for saving all the nations from bad conditions, and saving them from crisis? Say the truth! The Seal of Prophets (s) is making it clear through Holy Qur'an: in order to make a system of life, or the best lifestyles or scales, is to use gold and silver. That is amr bi 'l-ma`roof wa nahiyy `ani 'l-munkar, so why are you not saying this to your kings? All of them are using this paper money and there are hundreds of tricks to take gold from people, to save and to make, so what is that? They are storing gold in safes but not paper money! Why are you not using gold for your dealings with people, buying and selling with gold and silver. And you are saying, "We are `ulamas." You are not `ulamas! A true `alim will speak the truth and follow the way of truth!

O mulook (kings), shaykhs, `umaraa (princes), and others! You must follow Shari`atullah, heavenly rules. It is not a heavenly rule to use paper money, no! Now there is coming a malik who will take all the paper money, burn it, and restore the use of gold and silver to its rightful place! That is Islam! All nations and all people of the world must understand what heavenly orders are coming. You will never be able to save people from economical crises until you are burning and throwing away that paper money and putting golden coins and silver and copper. When you do that, you will find within forty day every economic crisis disappeared. If not, you may write this or that (commentary on the situation) but the only way is to use gold and silver, honored minerals. Among minerals, gold and silver are honored.

Marhaban, yaa marhaban, yaa marhaban `ulamas! Where are the `ulamas to give this fatwa, where is the mufti? Azhar ash-Shareef, where are you? (What is your position?) Why are you not speaking? You are sleeping and saying, "Change this page, don't look on this page, change it to another page." No, you are responsible for all the trouble coming on people, because you are not saying the way of saving people from economical crisis and you are looking at billions of people falling into poorest situations, with nothing in their pockets!

O People! Beware of heavenly orders! Don't bring such useless rules that you are bringing from your wrong

mentality. Leave them and use heavenly orders so that you would be saved here and Hereafter. May Allah forgive us for the honor of the most honored one, the Seal of Prophets, Sayyidina Muhammad (s)! (Mawlana Shaykh stands and sits).

Fatihah.

(35 minutes) What we are saying is easy for understanding. We are not making like this like that, no. Shari`atallah, heavenly orders are so bright and so clear, but Shaytan is making people to not understand. And I hope that the Lord of Heavens may send someone for teaching people, for ordering, and who has extra ordinary powers and to take away all those against heavenly orders.

(Mawlana Shaykh prays two raka`at Salaat ash-Shukr.)

(Mawlana Shaykh speaks to Shaykh Hisham Effendi and Hajjah Naziha on the phone.)

## Heavenly Kingdom Within This Century

What are we asking for? We want all of mankind to have a happy and peaceful life. That is the mission of all prophets. But every prophet who comes has to face so many devils. These devils want to cause people to be in misery, not in peace. They don't want people to be happy, in safety and enlightened.

When Allah granted Sayyidina Adam* and Eve Paradise, they were at once facing satan there who did not let go of them until they were thrown out of Paradise. Wherever there are good movements, the place will be surrounded by devils. May they be cursed! But I hope they will not be on the surface of the earth any more than until the beginning of the next century. I hope to have buried them under-ground by then. There are so many around me too. They are looking like wolves. But I am aware of it. Don't co-operate with any of those foxes!

The main mission of prophets is to make people happy. I am not paid by anyone, not by any government, or by any association. I am not a paid person. Just like when Allah sent His prophets, they were also not paid by anyone, only by Allah. Soon I will be 80 years old, and I have never received any Turkish penny. Allah granted this place to me. He caused the Sultan to donate it and to save it from ruins. In this Priory sincere people were praying for a hundred years according to their belief. I am not blaming them, no! If anyone wants to reach their Lord's pleasure, I will accept. If anyone wants to please satan, I will fight them until the

end, by the order of Allah the Almighty.

This place was in ruins, even though so many sincere nuns were asking to please their Lord. They have renounced this world and its pleasures to be here day and night praying, asking to please the Lord. But finally it is a Heavenly Rule that He will not only send one prophet, not only Jesus* has been sent, or Moses*, or Abraham*, or Isaac*, Ismail*... no, so many! Every one of them had a period. After that a new one will be sent with a new message. But our Christian brothers think that no-one is coming after Jesus Christ*, even though when he left, he announced that Paraklid must come after him. This is written in all gospels. But I don't know if they don't understand English, Hebrew, or old Greek? He said, "I am going, because if I don't go, Paraklid cannot come." People are reading this, and still insisting that no-one will come after that!

This is the explanation for the fact, that 700 nuns were living here and worshipping, but their channel stopped. The tap to Heavens was turned off and these nuns are now next door. The time of Jesus is finished. If the one who came after him, Sayyidina Muhammad* was not genuine, how would it be possible for people to be following him even 1500 years later and going down 5 times a day on their knees?

Western people have no mind. Why don't they consider this point? Why don't they do any research to find out about the validity of the Prophet Muhammad*? They are only interested in studying ants! They want to know if the intestine of the ant is here or there.

This building was in ruins, but Islam put it back on its feet. We are keeping it in the same way in which it was. What I am trying to say, is that I had nothing in my pockets to buy a place like this. But Allah, the Lord of Heavens, caused one of His servants to buy this place for me. It is not for me, it is for Allah.

Don't think that people can do everything with money. If you are going on the steps of the prophets, the Lord will help you. If you follow the steps of satan, he will help you. But he will only assist you to hell, like he did with the first man and the first woman. They were in happiness, satisfaction and enjoyment. But he caused them to be kicked out.

The reason that man will be cheated quickly, is their ego which likes darkness, not light. It makes them the first supporters and helpers of satan. Satan told the Lord, "You want to establish your kingdom on earth, but I will establish mine. Very few will follow your kingdom, most of them will come to me!" How true!

Every prophet has to face satan and his multitude of soldiers. Today they are countless. You cannot say the truth without them attacking you. If you want to walk on the path of truth, hundreds of devils will attack you to prevent you. In this century beliefs are decreased to the point of zero and troubles, wars and miseries have reached a maximum. No-one is believing anymore. They only believe in their egos. No-one follows the orders of the Lord of Heavens. People want to live as they like without any discipline. Everyone wants to be the Lord of this world, like a pharaoh, like a Nimrod, like a satan. One more biggest trouble is in front of us, which will wipe away 6 out of 7 people. People cannot imagine the tragedy which will happen in the war to come. It can come in 1996, or in 1997, or in 1998, or in 1999. It will not wait for the year 2000 to come.

The faith of people have come down so the tension of the war has reached a top point close to explosion. We are causing this, all of us. We are all trying to reach this explosion. Satan, who will never be satisfied with the weapons which governments have. Even though it is now enough to destroy this world seven times. Still they are saying that it is not enough and that we should make more and more and more. People are hearing and listening and obeying this, stepping on satanic steps and following devils and producing only evil.

That is why we are trying as much as possible to follow the mission of prophets. I am happy that I am finding at least a handful of people here who are asking to follow this target too. I don't think that anyone is coming here to find any pleasures of this life, because this is not a restful place.

The 21st century will oppose everything which belongs to the satanic kingdom. It will all be destroyed and the Heavenly Kingdom will be founded and established. That is why satanic power stations are trembling now. They are trying to make a liar out of me so that you will not believe in me. That is only the official reputation, so it doesn't matter. Wait and see what will come. Even those who will die, will see. There are telephones in the cemetery. They also have television every night between maghrib and i'sha when they are shown the big news. By Heavenly Command their view is opened every night at that time and they are shown what is happening on earth concerning their families, children, relatives and nations... Many of them cry. Some of them get happy and proud when they see what their relatives and families are doing. But most of them are filled with sorrow and curse satan and all those who follow him.

The last and biggest test and trial for mankind will happen within these next three or four years. The entire

satanic kingdom will be removed with all its supporters. If a person does bad actions or has bad intentions, he must be carried away with the satanic kingdom. If they try to harm anything natural; humans, animals, plants or oceans, they will be removed. Only good-ones will remain. Those who have long nails, or tongues like Dracula, will be carried away and this world will be silent like a butterfly. Now, it is noisy from morning to evening and people are running from here to there. As long as it is like that, troubles will never end.

In that time all the badness will be gone and only goodness will exist all over the world. The people alive will be the happiest people that ever lived on this world. It will be like paradise, but it will be in limits, only 40 years. Judgement Day will come and then the trumpets will be blown by Israfil, everyone will die; the angels, the Angel of Death and Satan will die. Only Allah will remain and say, "I am the One Who never dies!"

This is approaching now. Come and believe and be restful and in happiness. Try to strengthen your belief so that you will find peace within yourself. As long as you are not taking care of your belief, troubles will never leave you and you will have no peace in your life. It will be tasteless.

## Heavenly Knowledge Gives You Peace

As-salamu alaikum!
Audhu bi-llahi mina shaytani rajim
Bismillahir Rahmanir Rahim
Allahumma alhimna rushdana wa a'idhna min sharri anfusina!
Meded, ya Sultanu-l Anbiya! Meded, ya Sultanu-l Awliya!
Allahumma 'alimna ma yanfa'una wa zidna 'ilma!

Nabi - alayhi salat wa salam - what he said? "La burika li fi sabihatin lam ajdad fiha 'ilma"... That is a Hadithu Nabawi Sharif. Rasulullah - peace be upon him - just he came to teach people what it is best for them, here and Hereafter.

Which thing is best? Sadaqa Rasulullah; (the) Prophet just (he is) speaking truth, real truth, because he is taking from Heavens and the ranks of 'ilm, knowledge, (are) countless! [Mawlana points to different attenders:] You know something (that) he is not knowing; he may reach a level that that one can't reach: 'Wa li kullin darajat.'

Allah Almighty (is) making His servants' levels according to their knowledge and knowledge, some of them, they are Heavenly Knowledge, some others (they are) earthly knowledge that (is) concerning everything on this world through our material life. That is a knowledge, but its level (is the) lowest level. When you are asking real knowledge that belongs to Heavens, that (is) making you to arise through Heavens! Earthly knowledge (is) keeping you on earth; you can't move, but Heavenly Knowledge that belongs to Prophets - peace be upon them - belongs (to) their inheritors.

Prophets, they (are) never inheriting from material world, no; they never reached some material aspects through their lives, because material aspects, it is not for Prophets. If material aspects was...[if] they were giving anyone some ranks, Allah Almighty He was going to give Prophets also from (the) treasures of this world. If it was a valuable aspect, Qarun, he was going to be improving through Heavenly Stations. But material aspects that you can find everywhere on earth - everywhere people (are) running after that - if worlds' material aspects were giving some benefit to a man, Allah Almighty first was giving (them) to His Prophets. No! No one from Prophets (was) looking after material aspects on earth.

That is something that people now they are running after it, particularly in our days that we are (in). According to Western calendar, not Islamic calendar, people they are saying that we reached to (the) 21st century and now people they are so 'harith', eager, to collect material aspects and we are knowing that material aspects he (they) can't carry them with himself (themselves), no, nothing giving to them. When they are passing, leaving this life, their eyes (are) looking what they are leaving on earth from treasures.

Qarun - just reached to me also from Heavenly Knowledge that the Seal of Prophets (was) granting to his Companions and (the) Companions they are bringing up today from that knowledge that (the) Prophet just granted to them: Qarun's treasures (were) so big and full - just it is informed that men, whom they are living after Qarun to know what is the benefit of treasures... his treasures (were) so many big closed treasures and (for) every treasure there was a key for opening. Just we are knowing through awliyas that the key for a gigantic warehouse, depot, it is not bigger than a finger... not this finger, this finge, to open so big warehouses full [with] golden and with precious stones, every kind of most expensive jewels in it... and it has been informed to mankind that only the keys... that carrying the keys of Qarun's 'khaza'in', treasures, 60 mules, that stronger and just be used for heavy works, it can carry more than others... therefore just informed that only keys of Qarun's treasures 60 mules full with keys. You can't imagine how much treasures he had!

Yes, O believers! O so thinkers, you may think, "Think on it", Allah Almighty (is) saying, "Think what I am saying to you, think on it!" Yes, to recite (the) Holy Quran gives honour to you, but to know something from (the) Holy Quran gives you so much! Therefore, there is two kinds of people: one kind they are reciting Holy Quran, perhaps may be daily once 'khatm' or ten times 'khatm'... may be 100 times, but value, it is, if you are reciting Holy Quran and thinking! 'Hal min mudakkir'; Quran Karim, Holy Quran, not only reciting, but to think on it. Quran Karim is not a tale book or roman book or story book, no, hasha! Hasha, thumma kalla, Astaghfirullah! Through its verses, holy verses, (there are) oceans of knowledge! All of them for what? To give to you best ones. Allah (is) asking to grant His servants best ones,

but people (are) running to take rubbish from (the) dustbin!

Dunya is dustbin; what is in it, it is rubbish. Rubbish! When (the) Last Day (is) coming and beginning earthquakes, with its most terrible powers, taking mountains from their roots up, as clouds, and coming like this, making everything on earth just sand, sand, sand... Nothing remains or nothing can remain after (those) terrible earthquakes (on the) Last Day, finished! Going to be sands, only sands, nothing else!

Subhanallah, Glory to Allah Almighty!

Who is spending his activity power to collect so many things from earth, they are looking and seeing only sandy plains, nothing else remains... One knowledge people (are) running after it, for collecting much more (of) this world's aspects; they are wasting themselves and their powers fully and finally (they are) going to be, to reach to zero point, disappearing...

But Allah Almighty, He sent to His servants through His beloved Prophets, special servants, that they are belonging to Divinely 'huzur', Presence, Allah (is) granting to them some knowledge that it is not going to be finished, or, what you are taking from it, to be vanished, no! Every time (it is) for you and (it is) coming more and more.

Now people in our days, just they left (the) Holy Knowledge, (the) knowledge of springs from Heavens; they left it and they are running after shaytans WC. Shaytan (is) making (the) whole world for its WC, making so (many) ornaments, on it saying: "This best WC; you must come and enter, to look what it is: so majestic... majestic majestic WC! O people, 21st century, come!" and 21st century people they are also fully foolish and drunk, saying: "Yes, we must visit that magnificent

WC!" Ha ha! Tawba, Astaghfirullah!

Dunya, it is written on it that it is (the) WC of Shaytan! Everywhere (Shaytan is) putting its dirt and calling people: "Oh, people, drink this, drink from that; drink that"- shaytan's urine... "Come, ohhh my followers, I am (the) best one, calling you to 'high-life'! Drink and come to me, to my magnificent house, magnificent home!" "Where it is?" "You are not seeing that (it is) written 'Magnificent WC'? I am calling (you for a) biggest feast for you, come and sit with your bothers and sisters!" (The) sisters (are) dressing like this, like that... and men, (they are) dressing in some another way"... calling them: "Dress - no dress!" Dressing... when last days coming: "'ariyatun kasiyat, kasiyatun 'ariyat [naked while dressed, dressed but still naked] " - you should find last days' women - we can't say they are ladies; lady (is that one) who (is) keeping her honour. That is lady, others (are) women! - you should find, when last days (are) approaching - don't look to them! - Shaykh Abdul-Hamid, keep your eyes!

Very happy to look... - you should find from the signs of last days (that) women they are dressing, but they are not really dressed ones. (They are) dressing, but they are naked, naked ones. 'Mumilatun ma'ilat [walking about in tantalizing fashion] ... mish mu'minat [not believing ladies] when they are going..., Shaykh, no Sayyid, Abdul-Hamid. (is) looking..."Ohhh..." 'Mumilatun ma'ilat', they are catching people from their eyes... these people, they are running to (the) W-Center of Shaytan... magnificent, magnificent centers everywhere!...What they are saying? Bars... "My beautiful, magnificent centers; you must not sit inside, put outside some terrible tables and sit on it... some people on this way, some others on that way... to look my magnificent

WC!"

Shaytan (is) calling (people to) its magnificent places, WC centers, and (the) Prophet (is) calling: "O people, don't be cheated (by) shaytanic advertising", but (the) whole Dunya (is) full with shaytanic advertisings.

Those people are drunk and they can't be able to understand from Heavenly Knowledge or spiritual knowledge! They are only running after material aspects and Shaytan (is) making them 'mascara'... people (are) laughing to them, making fun of them...

Yesterday I am putting [my hand] on the head of one student... I am looking that needle coming... "What is on it?" "We are putting, that is, our boss, shaytan, saying that we must put this on our head to be like this, like that"... making people to be fun ones... no taste for this life, for their material aspects, and never going to be anything for their spirituality, for eternal life!

O people, leave useless and poisoned ways of Shaytan and come to taste really from Allah Almighty's Blessings! One day you must think that you are going to fall on earth and you should be taken to a 'hufra', a hole, you can find yourself... opening and finding yourself through a dark hole in cemetery...

O people, ask Heavenly Knowledge! We are trying to reach something from (the) Holy Knowledge that Allah Almighty (has) granted to His Prophets. Who can reach, can reach pleasure from Allah Almighty. They should be granted peace and pleasure from Allah Almighty and you should be elected ones for eternal life that you can't imagine! Your eyes can't see; you only may see through your hearts, through your soul's looking you can see, you can understand. Try to be one of

(those people that are) granted people from your Lord peace and contentment and pleasure from Allah Almighty.

O people, just time (is) coming so closer, closer, because we are reaching (the) Last Day of this life and Allah Almighty (is) calling people for His Judgment and giving His last, just judgment for people. Try to be for eternity! People, look after yourself, try not to be cheated by Shaytan, because Shaytan (is) destroying your future here and Hereafter and making you to run away from reality and real life that Allah Almighty granted to His servants.

May Allah forgive me and bless you for the honor of most honoured servant Sayyidina Muhammad - peace be upon him, Fatiha!

## Heavenly Messages

There is no fanaticism in real religions. None in Judaism, nor in Christianity, nor in Islam. All religions which believe in all prophets and in all the revelations coming to them through the Creator, are the same. But the level of understanding of people changes and grows through the ages. Which is why the messages from the Creator improve and change, according to the times.

It is difficult to practise a message today which was sent 4000 years ago. The understanding of people 2000 years ago was also different than today. There are questions today which cannot be answered with full contentment by Christianity. Just like there are dogmas within Christianity which people today cannot understand. As a result many new churches are forming; Methodists, Baptists... every new church has a new title.

This is necessary, because even the understanding which people had of the church at the beginning of this century is not suitable for people now. Like a stone will not dissolve in hot tea, but a lump of sugar will, the dogmas of the church are like stones, the people will not be able to digest them. So they try to grind them, and still it doesn't work. It is so difficult. In Islam you cannot find any dogma or slogan which is contrary to science or positive knowledge. If anyone wants to challenge that, you can try! According to their understanding, people can reach a discipline through their beliefs. When the strength of a belief decreases,

the discipline in that religion will also decrease. That is why there is no discipline in Christianity any more. It is finished! In Judaism there are only three diamonds left in a square. They cannot get out, nor can they accept anyone else to get in. They are so fanatical, the Jewish people are the most fanatical living on earth at the moment. They are closed within themselves.

If there is no discipline, there is no current, no spiritual power coming through. In the Last Message, the Quran, discipline is the strong basis. Without discipline problems will increase from day to day. The society of the west is like a very ill body. There is no civilisation. People are growing up in wildness. The civilisation is corrupt. The invention of so many technical appliances doesn't change the fact that the civilisation has come to the point of zero. There is no humanity left. I am happy to say that there are still a few families in Great Britain which try to keep their old customs, I wish all people would do that. But it is a bit like the situation in Kew Gardens where there is a protected area, a greenhouse, where special plants can grow. Generally, there are no good manners left. If people would use discipline and learn respect this would not happen. The reason why western countries are against Islam is that they want people to live freely, without discipline, which is impossible. If you go to school you also have to follow discipline. You couldn't just send a tramp to the Oxford University. This free will which is represented in the west, is impossible.

## Heavenly Ones Bring Peace, Not Worldly Ones

Mashaa-Allah, mashaa-Allah, mashaa-Allah. Dastoor yaa Sayyidee. (Mawlana Shaykh stands.)
Allah Allah, Allah Allah, Allah Allah, `Azeez Allah
Allah Allah, Allah Allah, Allah Allah, Kareem Allah
Allah Allah, Allah Allah, Allah Allah, Subhaan Allah
Allah Allah, Allah Allah, Allah Allah, Sultaan Allah

Alhamdulillahi rabbi 'l-`alameen, was-salaatu was-salaamu `ala ashrafa 'l-mursaleen, sayyidina wa nabiyyina Muhammadin wa`ala aleehi wa saahbihi ajama`een. Sayyidi 'l-Awwaleen wa 'l-Akhireen. Zidhu yaa Rabbee `izzan wa sharafan nooran wa surooran, sultaanan wa ridwaana. (Mawlana Shaykh sits.)

A`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. Madad yaa RijaalAllah. O our masters, reach your weak servants with your heavenly support, so they may triumph over evil and Shaytan's tricks and traps.

O People! Beware of shaytanic tricks; that it is much more terrible than a minefield on Earth. Everywhere Shaytan and its followers are putting tricks and traps. Beware not to be caught in a trap! Say, "We are weak ones, O our masters. Protect your weak followers." Bismillahi 'r-Rahmani 'r-Raheem.

O People! As-salaamu `alaykum, our attenders. The nations of all prophets, peace be upon them, reached bad things and evil. Madad yaa Sultanu 'l-Awliyaa! O my master, please support your weak servant! All Mankind, hear, listen and obey!

O `ulamas from Azhari 'sh-Shareef, from holy land, professors, doctors, and Salaf as-Saalih! They are giving themselves those honored titles. If a man is giving to himself an honorable title, it has no value. If a man is putting on his shoulders a coat like that of a king, he is not going to be a king! If a person puts a crown on his head by himself, it has no value as it is from himself. But in our days, people, particularly the followers of Shaytan and its ways, are bringing so many imitated titles from themselves and giving them to people. "You are that, you have this title."

Therefore, I am a weak servant. I am asking the Christians' head, His Holiness the Pope, and their respected cardinals, is that an honor among you? What do you think that title you are giving to some ones is just stamped from heavens? Never! You have so many saints that passed away. I don't think that they are giving a title for themselves saying, "I am a saint," no. Prophecy and messengerhood belong to our spirituality, but they are never going to give any title to themselves, that can't be. If heavens are not supporting them and granting to them holiness, no prophet is going to say, "I am a messenger from heavens." If heavens are not supporting them and granting them from holiness, They are not saying, "I am this one or that one." I don't think Jesus Christ was attending twelve disciples, like you are cardinals, or any other messenger was saying, "You are this one, that one," until some announcement was coming from heavens, then they may say. But it is never true to appoint sainthood to anyone from earthly people as all spiritual levels come from heavens.

O People! Therefore, we are saying to those who are claiming, "We are doctors," or, "We are Salaf us-Saalih `ulamas," or, "We are Azhari `ulamas," such a thing is never going to be a grant from heavens! Among yourselves you may use it, but spirituality is not from this life but it is never going to be for spirituality in this life. Prophecy and spirituality is from heavens! You can't find spirituality on Earth, all of it must come from heavens. But I am asking all `ulamas, who is stamping this for you from heavens? You can't say this. And Prophet (s) (Mawlana Shaykh stands and sits.) wasn't giving a heavenly title to anyone until it came from heavens. And we are in need now to find some ones who have the honor to be in connection with heavenly beings. If not, it is imitated titles, and imitated titles are never giving any honor to their carriers or

spirituality to people. And people now are in need of spirituality more than material aspects.

Just people, all of them, reached the top of materialism and they are fed up now from materialist ideas. They are saying, "We are fed up. We are asking for something else to make our beings in contentment, to finish our troubles, to be in connection with unseen worlds. Yes, we are looking at daytime skies with a different view, and at nighttime we have another view. We are reaching daytime and nighttime with our material beings (but) who is arranging our beings in existence? We are trying to reach someone who may give contentment to our consciences to be in peace."

People are just fed up! They are in trouble, and they are running like this, like that. And Shaytan and its groups are putting them in worse and worse positions, because Shaytan never likes Mankind to be in contentment, enjoyment, satisfaction and happiness. He never likes it. Therefore, everywhere Shaytan and its groups are attacking people to keep them on the wrong way. They are using some agents to make clean mentalities dirty. And mostly, they are using those people who are saying, "We are heavenly people, we are spirituality-carrying people, come to us." And they are calling and (you are) looking and finding more and more troubles (but) when you are sitting with a real one from heavenly ones, it takes heaviness from you and gives you contentment.

Therefore, it is important for spiritual foundations and spiritual people to say, "O people, O our visitors, O our attenders, look, if you are finding something to your hearts' satisfaction and peace, follow it." Peace takes trouble from your hearts. If you can find such a person who takes miseries and troubles from your hearts, follow them. It can be anyone. The person that can do this will be in connection with heavenly centers. Others can't do this. People are proud of so many imitated titles and they can't take troubles from people, and they can't bring peace to people. If you are not finding peace, leave them! They are saying, "I am this and that." Run away from them!

Therefore, people, you must ask, you must ask! We know all nations are in unrest and they don't know how they can save themselves from it. No religious master or religious person may say to them, "Do this or do that," because they (themselves) are in trouble. They are in unrest. They need to find someone to take them away from those troubles. Now all people on this planet, are in trouble. They have fallen in Trouble Oceans, they are never happy and no happiness for them. All of them are falling into Trouble Oceans and can't find a

way to save themselves from it. If anyone from outside (the Trouble Oceans) may throw them a rope or some other support and take them out, they are going to be saved, if not, they are going to sink down and down and down, from one dark level to another, deeper, to the deepest level of darkness. Day by day, they will be in more troubles and miseries, and they are not going to find refreshment for themselves. They can't find a way to peace in spite of having everything from material on this planet. They are not happy, or in rest, or in peace and are looking for someone to send them a rope to grasp and pull them out from Darkness Oceans.

Shaytan's agents are everywhere, fully, when such a one is asking to find someone to support them. Everywhere, hundreds and thousands and millions of its agents say reality, "is not true, is not good, is not the safe way." They come and make the understandings of people such that they cannot find any way to get out. Those who are authorized for saving people, we are saying to you, if someone is giving you a title, it is useless. Don't be cheated by imitated titles that are granted to you by someone from earthly ones. You must look to heavenly ones that can give you peace and satisfaction and tumaaneena, contentment also.

Therefore, we are saying, heavenly ones are saying to people, O people, look to some of those who when you ask them, “Who are you?” they say, “I am only a weak servant.” “From where is your certificate? From which academy are you graduated? No diploma or certificate? Go away! We are not looking for you. We are asking for someone with a title, Doctor fulaan, graduate from Cambridge, Oxford or Sorbonne or Berlin University. Go away.”

I will go away, but you can't save yourselves. Even those people can't save you here and Hereafter. May Allah forgive us. This is a dangerous period, perhaps the most dangerous period for Mankind, because people are losing their humanity and following `adoowwu ‘l–insaan, enemies of humanity. And the enemies of humanity are dressing themselves in the dress of Shaytan. The first dress is to be proud ones. What are they proud of? From their magnificent dress. They think that people are looking at what they are wearing. Yes, people are not looking at who you (really) are or what you are carrying in your real being.

O People! We are in need of some ones who know their real being and are following the real way to heavens. They are hidden now. It is so difficult to find them, because (there are) so many imitated ones, like synthetic diamonds, full. But real ones you can't find. May Allah forgive us.

O Our Master! We are running to you to save us from shaytanic tricks and traps. May Allah forgive us.

Allah Allah, Allah Allah, Allah Allah, Kareem Allah.
Allah Allah, Allah Allah, Allah Allah, Subhaan Allah.
Allah Allah, Allah Allah, Allah Allah, Sultan Allah.

Let us be Your weak servants, O our Lord, for the honor of the most honored one, the Seal of Prophets, Sayyidina Muhammad (s)! (Mawlana Shaykh stands and sits.)

Fatihah.

(Mawlana Shaykh sings.)

Dome dome dome dome 8x

(Mawlana Shaykh prays two rakats shukr.)

## Is Your Heavenly Passport for the Right Hand or Left Hand?

(Mawlana Shaykh stands.)
La ilaaha illa-Llah, La ilaaha illa-Llah, La ilaaha illa-Llah Muhammadur Rasoolullah alayhi ‘s-salaatullah. A`oodhu billahi min ash-Shaytaani 'r-rajeem. That is our first words we must say and we must ask protection from our Lord and as our master, Sayyidina Muhammad (s) is controlling everything on this planet. SubhaanAllah, everything in this world is glorifying You! O our Lord, forgive us, forgive us (because) we are ignorant ones, we are heedless ones, and we are not taking care for learning for here and Hereafter.
(Mawlana sits.)

As-salaamu `alaykum! O servants for the Lord of Heavens, beware for everything that may harm you here and Hereafter. Who is heedless person? Heedless person who is never knowing what is for him and what is against him. Heedless never differentiating if this is poison or that is against poison. That is heedless one, not knowing which thing is for him and which one is against him. You must be knowing which thing is for you and which is against you. It is only for a very short appearance on this planet, but it is for you or against you. If that harming only for people here, doesn’t matter. But if it is going to be forever, that is terrible, that is terrible! Therefore, you must try to learn what it is against you forever.

This life is going to be ended by death, you are going to be brought to another level of existence through seven

heavens. You cannot imagine its wideness and its length and width. Anyone, anytime you can be taken from this level through death, and you will be taken to another level, higher or lower. We are here, we are looking and seeing that whole people on same level. But people are not understanding what has been said through holy messages addressed to them. They are thinking that here whole people on same level. May be, by looking with naked looking .. but any time you have been taken from this level to another level, which level you are going?

Enlightened levels are countless and dark levels countless also. You must think on it. From this level on this planet, we are looking at everyone on same level. Doesn't matter what thinking, but it is important what you will be finally, in which direction you are taken, on Right Hand or Left Hand? Because you will find when you are coming out this life, you are coming out (from one of) two entrances: one enlightened, another one dark. Perhaps, no doubt that people will run to enlightened side, but angels going to make them to stop. "Stop, we shall look if your passport for this way or for that way."

O Our Listeners, think on it! With each passport you are passing from this life, from this level now that you are on it. With which passport you are getting out? May be appear out-looking (cover) is same color, but angels looking, "Your way it is not on this side, Right Hand, enlightened, no. It is written that you are not granted to go this way. Your passport showing that you are going on that (Left Hand) way. Go quickly there!" and taking you there.

Marhaban, O Salafi `ulama! You are saying such a thing, "You may see such commentaries through our books." If you are not seeing, use (magnifying glass). Look, I am not bringing this from my father's shop, no. It is written through Holy Qur'an and you are saying, "We are knowing Arabic better than you." You are knowing, but not understanding. Heavenly addressing, you know where it will be? Where people going to be stopped? From where going and angels looking to their passports, which way it is written for them? Look and do what is ordered to you through his passport, because passing from this level to another level, you must look which direction he is going now.

Yes it is written, you are going to be stopped. Antum, yaa Salafi `ulamas, antum ka-dhaalik, angels keeping you. Mala`ikatu'r-rahman maamooroon bi tawdeeh amthaalikum, thumma bidu yashoofoo ayyi jihhah. (The angels of the Most Merciful are ordered to check on those like you, then they want to see which way you are going.) Because through passport just written, 'this passport is valuable for this country, that country, this

continent, that continent.' And through your passport, angels looking and seeing, "Yes, it is not written for you to go this way, you must go that way." For Iblees it is written, quarrelling. Look after for more. Have you reached an amaan, safety, that you are going in Right Hand level or Left Hand level? Don't be proud ones!

We have been ordered to show ways of believers and also we have been ordered to address unbelievers. They are looking that after a while they are leaving this life and after a while they are disappearing. Where they are going? Where they are going? Muslims or non-Muslims. They must bring a jawaaz as-safar, passport, on first page of passports it is written, "It is a grant, this one granted for traveling everywhere, for Right Hand." Some of them written, "That one never granted for never granted for reaching to Right Hand level, no." You know it?

If you don't know, you must cry sometimes and you must say sometimes, "O our Lord, keep ourselves and keep our safety that we may go on Right Hand when we are leaving this life, and that we may enter from Right Hand on heavens." That is important, but people forget it. Shaytanic teaching try to make people not to believe in anything! Salafi `ulamas, why you are not ordering a war declaration to Shaytan and whom following Shaytan?

O People! Come and say about yourself, what do you want? And you Salafi `ulamas, you must say, "We are declaring a war against Shaytan and shaytanic people." Why you are not saying? Why you are not teaching through your schools? You are teaching physics and mathematics and what is the benefit for you if you are knowing, or not knowing? But you must prepare yourself for Last Day, in which direction you are going to be taken. Are you going for Right Hand or Left Hand? Showing on your passport, if showing Right Hand levels of heavens, it is rahmah, Mercy Oceans.

If not, coming a heavenly announcement, "That servant was not a real servant, he was going against holy commands of the Lord of heavens, always fighting against the Creator's commands. Take him away." The Right Hand it is rahmah, mercy oceans. Left Hand, that is for unbelievers, that it is written through their books that one never asking their ways after death where they are going to be sent. "Take him to left hand and let him to disappear!" (Allah Almighty is saying,) "I don't like to be with someone that denying My Lordship and following Shaytan the worst enemy for them. I don't like to see them away and put them in a darkness world that never can be seen, forever." O Allah, Amaan Yaa Rabbee! O Allah! O Allah! O our Lord!

What is going to happen to His servants, and His judgement is just one-hundred percent okay. O servants, what you are saying, that you are passing this life and you are passing to second level of life after death? Deer baalik, Take care for this very important point!

O Salafi `ulamas, what you are saying to people? You are saying this and that. No. Important advice is to say to people, “O people, beware of Shaytan! Beware not to fall into darkness levels of life.” Why you are not saying? Say to them that oil never saving you or gold never going to save you or jewels never going to save you from falling into darkness, that level, worst level of levels coming! We don’t know if early morning coming or night time coming, we don’t know if after sleeping we are getting up. We are in fear for this, but you are not looking and you are not keeping the orders of Sayyidina Muhammad (s), ad-deenu naseeha, "religion is advising people." (Mawlana stands and sits.)

O Salafi `ulama, you must show ummah right way and you must try to wake up heedless people where they are going, not to be cheated by Shaytan’s tricks and traps. O Salafi `ulama, you know that from east to west, north to south, shaytanic maahads, shaytanic education making people to move on wrong direction! Why you are not saying to people, “Everything you are bringing from western countries to teach your citizens (is harming them), because you are saying, ‘We are not as before, poor ones, now we are rich ones. We are millionaires, billionaires, or trillionaires, so we must not do for our children as our ancestors were doing with old-fashion, we must take new fashion.’”

Why you are not waking up your governments, your sultans? Why you are not waking up, because those people running after new fashions from Shaytan. Only saying this is bida`. Now whole Islamic world filled with colleges, institutes, universities. I am refusing!!! I am denying all of them!!! All new fashion under my feet!!! I am not accepting!!! We are Muslims and our fashion always new, because Allah Almighty sending the best ways of learning!! Why you are not saying to your presidents, maliks, kings? All of them working to be new-fashion people. New-fashion people under feet of awliya!!! If not changing, whole world going to burn!! Islam is reality, for reality you can’t say new-fashion or old-fashion. Islam is a reality and you must try to teach your children reality of Islam and glory of Islam and its greatness, bigness. You must do this and if not, reaching to you something as a punishment in this life. I am only warning whole Muslim countries. Take away new fashions, and who liking new fashions, send them away to Europe or to western countries.

What are you doing? You are claiming you are Salafi `ulama, but if Salafi `ulama coming they are doing like you, not speaking?!! For whom is warning from Prophet (s) it is very heavy warning. You must speak truth so that you will be in safety. If not, punishment is ready to fall on your heads here and through graveyard and to Last Day, the Day of Resurrection.

O People! Look someone that they are reminding you of the reality of Islam. You cannot find in Islam new fashion. Islam is not a fashion, it is a reality. Take care if saying, “new fashion schools”, “new fashion clothes.” No, it is not like that! You must say what is Islam, the Lord of Heavens just ordered to His servants. Never the Lord of Heavens saying to them, “You may follow new fashions.”

“O my darling, these clothes is new fashions that is 2010. I must change my dressing because it is new fashion now 2010. What do you say o my darling?”

That is their muhimmah, importance, every year bringing a new fashion. What is new fashion? Every day you are going to be like carcass! They are not thinking that after a short or a little more time passing they are going to be like a carcass. You can’t look at them, you are covering and putting in their graves, not to be seen.

“O my darling, you are going to get new fashion clothes. I am making a will and you must dress me every week or every season new fashion clothes on my dead body and you are making me very happy. Why you are not doing?” “O my darling, you are speaking such a thing and I am looking to you new clothes. O my darling, I am looking to you like my grandfather.” “Grandfather?” “Because ladies, we are always new ones, but you are getting to be old one. We are new-fashioned people and you are old-fashioned one!”

(Mawlana Shaykh bows) Maashaa’Allah, maashaa’Allah, alhamdulillah, yaa Rabbee! That Allah (swt) is granting us for speaking such a thing that everyone knowing but not remembering, may Allah forgives us.

Fatihah.

(Speaks with Mawlana Shaykh Hisham and Hajjah Naziha on phone. Mawlana is so happy!)

Yaa Rabbee!

## Heavenly people are not using 'Audhu bi-llahi mna shaitani rajim'- we must use

Destur, ya Sayidi, ya Sultanu-l Awliya, Meded, meded, ya Rijalallah...Audhu bi-llahi mina shaitani rajim, Bismillahi-r-Rahmani-r-Rahim, la haula wa la quwatta illa bi-llahi-l 'Aliyu-l 'Azim.

Heavenly people are not using 'Audhu bi-llahi mna shaitani rajim' - we must use. It is divine armour on people if they are asking a protection from evil and from devils. Evil is the production of devils. Evil is the only product that devils are producing...Produced by devils, 'made in devils land'. Do you think that now on earth there is any place that is not devils land? You can find a land not to be stamped as a devils land? America is a big land. Allah Almighty made me to go and to see that place also in Los Angeles, a big place, perhaps whole Nicosia may be in it, written on it: Walt Disney Land. And it is one part of devils land, but through East and West, from North to South all lands are stamped as being devils land. And devils land produces countless kinds of evil. Day and night, 24 hours, the whole world is advertising devils lands productions of evil. You heard about this before? And all devils are fully authorized people from Shaitan, Diablo; he authorized all devils with full authority, without limits for producing evil, every kind of evil.

The Prophet sws was adding the number of evils- the number of evils is 800. Can't be 801, can't be 799. It is a fixed number, 8oo evils that harm mankind spiritually and physically. Harming and also crushing them and changing them from their out looking as well as through their inner structure. This is very important now

what we are looking and seeing, if you can look and see, because so many people are looking and not seeing, hearing and not listening, speaking, but not understanding, living, but not living. They are everyone giving harm to our physical being, injuring it and preventing our spiritual being from reaching the divine streams of blessings; closing it also down.

And now everywhere on this planet earth, Dunya, our globe, its identity is ‘devils land’ and its production is only evil that the number of that evils reach to 8oo (the 8oo Haram). It is prohibited through all heavenly messages; (they are) preventing. All heavenly books forbid these 8oo evils. From beginning up to end evil is against humanity, harming it, destroying it, injuring it, killing it, crushing it and finishing it. From where we can begin? Our whole physical being is only running after these 8oo evils; its pleasure is with these 8oo evils. Therefore evil producers can’t reach (to fulfil the) demands of mankind. They can’t reach, because they are so asking more and more and more, and devils say: ’We can’t reach more than this to you.’ People say: ’No more for us? Just we are knowing about these products, but we are asking some more.’ And devils say: ’This is only our limits, our possibilities, ability, capacity; our power only reaching to that point. After this we can’t do anything.’ When reaching to that point, the chief of devils, or the king of the devils’ deputies, all devils, come to him and ask: ’What we can do now? We reached the top limit line. What do you order us to make people to reach every evil? And we do its advertisement in such a way, but now we reached a limit, people are no more getting to be satisfied. We take from you, you are our land master (landlord?), what we can do, they are asking more and more? From where we can reach (to) more (evil) than this? Look. What is your command so that we may follow your program?’ And Satan, the king of devils, Diablo, he is saying: ’Yes, it is okay now. Now I prepared for them something that now they are showing that they are fed up from what you give to them from evil and they are asking new (evil, saying:) We are asking another (evil), we are fed up. I should make now for them a new world. I prepare for them.’

Satan, their king, their headmaster, he knows too much, knowing so many tricks and traps... One person was saying: ’My cat never eats except cat meat. It is never happy to eat bread or our meals.’ And another person was ready there, saying: ’You claim this?’ ’Yes, try, never eating.’ The other one said: ’Give him to me for three days and I am teaching him to eat. What I am giving him to eat he should run after it and eat it.’ ‘Can’t be! So long time I am trying and it is unhappy to eat what we are eating.’ ‘Give it to me for three days and I am teaching it how it can eat. If I am making this, give to me 5 Pound.’ ‘I may give to you 1o Pound if you can do

this!' 'No, 5 Pound is enough, because I am going to be tired from that creature.' And he was taking that cat, putting it under his coat, and it was going: 'Miau, miau', and he was taking it to his home. He prepared a cage and put the cat inside, then he put one handful of barley in water and put it outside, not inside. For three days he was only putting water inside and outside there was the barley in water, and the cat was going and coming, 'Miau, miau, miau...' . For three days it was looking around, drinking water but nothing to eat, looking the barley outside, making his paw to catch the barley, but can't reach, looking something outside for eating. After three days that person was saying to the owner of the cat: 'Come, I should show you how it is just trained to eat everything.' Coming that person and the cat was shouting: 'Miau, miau, miau', tail up and running like this up and down I the cage. Seeing its owner and asking to run. 'No', (said the man), 'Be patient, you learnt now. I know you are hungry. I am giving you food now.' And the barley was opening (during) the three days in water. He opened the cage and put in it the barley in the water, and the cat was rushing on it and beginning to eat and eat. 'Give me 5 Pounds and take your cat', (the man said).

That (behaviour) is from satanic teachings. Satan knows this point, saying: 'don't worry, I am making a plan now for these people who are not taking any taste from our productions, those who go to restaurants and say: 'I don't like this' or children or youngsters who say: ' We are not asking this, we ask fish and chips, hamburger, doener, steak'- I am making them to run to rubbish place, to the dustbin, to run there and to look after something for eating. And they should ask: 'O, how we can live (like that)? We were living and not thinking (before), o, if once again it (those times) may come (back) to us!' And never coming second time to them. They should be on dustbin only. 'Now I am preparing a new world's plan to change their life, to be trained, to leave their bad manners toward me that I did for them my best, preparing every kind of evil and they say: We are not happy, we are fed up with this.' How it can be!'

Diablo is saying: 'I prepared a very terrible, horrible plan that people should be in limits of astonishing; they should loose their mind, everything, and they should run only after 'how we can save our physical bodies, how we can be satisfied with small pieces of dry bread or something else for our hunger?'. They should run! I am preparing a big war; everyone going to be under fire, burning. They are running to the West- in front of them fire. Running to East- finding another fire. Running to North, finding fire coming on them, running South and fire coming. Running to Sea and Ocean and Ocean full with fire. Everyone burning...their imagination never reaching to imagine such a war- such terrible and horrible evils, such death that running

like rivers on earth. I am going to train them. When they should be trained- if anyone remaining...mostly people are going to finish and vanish.'
That is now that we are in it. People are more than proud, never respecting Allah's favours, what Allah is granting to them from His countless generosity, from His endless favours. They are never taking any respect on it. This is going to be a punishment on them, to be crushed and thrown away to dustbin. And going to be this now that people are not even going to find their nation, not going to find who died from them, relatives, children, parents, their people, where they died, where their bodies are, where their graves are- they are not going to find anything...Coming a punishment that never happened before...

This is (because of) that bad characteristic of the ego. Through centuries satanic mind prepared for mankind countless kinds of evils, producing, and they are now finished, saying: 'We are not tasting anything, no more taste for us.' Coming this war and after, who should be alive, should respect what Allah is giving to them, granting to them and they should say: 'Praise to Allah, endless thanks to our Lord Allah who granted this to us!' And they should kiss a small piece of bread and put it on their forehead. This war is coming now for terbiya, as a punishment as well as a good teaching and training for living people.

May Allah forgive us! It is very, very terrible fighting, war, approaching, but yet people speedfully running on satanic productions, on evil, going to be more and more, and no one thinking. Therefore I say to people: 'O people, even out one handful of rice or sugar or flower or something you may be in need of tomorrow, if it is closed down', but they are so happy and feel so secure that: 'this what you say, it is not going to be forever.' They think it is only a fairy tale what we say, but when it is going to be in front of them, they should fall down and second time can't stand up. Who falls through this terrible war, Armageddon, never standing up, finished.

This is one holiest day from the blessed month Muharram, the 1oth, and Allah Almighty granted His divinely help to His Prophets and His Friends, the Saints, and also this is a holy day that Allah Almighty always supporting Awliya and Mu'mins, giving them from His divinely Power to stand up. And same time it is a holy day that all people, all nations, all states that are against heavenly orders, against heavenly commands, should be taken away.

Allah just took (such people) away before time, and now it is going to be the same to be taken away devils, and my hope that their products, their evil is going to finish and vanish. I hope, not hope only, but I believe

that up to next Muharran this world is going to be clean, everywhere good people, loyal people, obedient servants, and those people should only run for their divine service. No worry for them except (about) their Lord's worship and servanthood.

May Allah protect us for the honour of His most honoured servant in His divine Presence S.Muhammad sws, Fatiha.

## Heavenly Productions

Heavenly Rules are like the sky in their greatness. Rules which have been produced by the human mind are just creeping on the ground, trying to reach the sky. It is impossible for anything which has started on earth to reach Heavens. That is why every rule which comes from Heaven must be superior to anything coming from man. This point must be understood by everyone living on earth. It is the most important point. Everyone thinks that their building must be the highest. So many countries have skyscrapers. If one builds 300 meters high, the next wants to build 400 meters and the next one 500 meters. But when you look from above, they all look the same height as the surface of the earth. From the sky there is no difference between them. Everything mankind produces has no height compared to Heavenly Productions. Islam, in that way, is the best and the most perfect since the beginning of time until now, because it has been produced in Heaven.

Islam demands every action to be perfect, to be complete. That should be your slogan. Whatever you do, try to do it in a perfect way. Europeans do, but Muslims have the misconception that they would then be occupied too much with worldly matters. No! Look, you are coming and living in western countries. Everything has a balance. You can never have one side weighing more than the other for a long period of time. Europeans will never be happy even if just one little detail is wrong. They want everything to be right and complete. That is exactly what Islam asks for. Only their beliefs are different to ours, but their intention

to make everything in completion, is exactly what Islam asks for.

Many of the new Muslims think that they should just leave all worldly matters. They do not look after their clothes, children, homes or works. They think that they should be like oriental people. No, that is not Islam! The problem is that Muslims are not practising Islam properly anymore. But you must try to. Whatever you do, try to make it perfectly. It is a hadith of the Prophet* which should be written with golden letters everywhere. When I am looking at how our brothers and sisters are living here I am not happy. Everything is out of order. People who come to visit you should be seeing perfection, not this. Even if you are poor that has nothing to do with it, your things still have to be arranged. When you enter a home you must feel a refreshment and pleasure.

Tomorrow is Eid. You must try to put on new clothes, or at least clean clothes, so that when the Lord Almighty looks, or his angels do, they can see a difference. Sometimes people think that it does not matter, but it does. On a day like that you should make a difference.

I don't like lazy people. Don't waste your valuable lives, your precious time. On the Day of Resurrection everyone will repent it. If you want the Lord to be pleased with you, you must try to do your best with your work, studies, homes, everywhere... it must be in the best of conditions. I am happy when I travel through the country side. The houses and the gardens there are well kept. I know that this is only our worldly life, but we have been ordered to arrange our lives here in the best way, not to live in dirt. Everything in the Islamic world must be perfect. Allah wants his servants to lead good and happy lives. Prevent bad things, don't leave them around yourselves. If we don't try to prevent evil and to throw away devils, the powers of security cannot do anything. So try not to leave any evil around yourself.

Today I heard a story which made me very sorry and angry. The oldest nun who used to live in this convent, 88 years old, was walking down the street here in the middle of the day and was kicked down by a devil who stole her handbag and beat her up terribly. That is the kind of evil going around everywhere here. It cannot be called civilised to let such people run around. It is the fruit of democracy. In the old days people would not dare to do such things, they would be afraid of losing their head. Now there is freedom and every devil is living freely to do whatever they want against society.

The most tolerant religion is Islam, except when it comes to evil and to devils. They should not be given any

chance to be within the community. But Islam must come to Europe, must come to western countries and to the whole world. If it doesn't, evil will never go and the devils won't either. The system here feeds them instead of removing them. Oh our Lord, send us your powerful servant! We need a Sultan to judge on behalf of You. This earth has to be cleaned of devils.

## Heavenly religions have spirituality

Every calendar is based on a holy event. The Christian calendar is for the remembrance of Jesus Christ's birthday, and the Islamic calendar is based on the Hijra, the Holy Immigration, of the Pophet from Mekka-i-Mukarrama to Medina-i-Munawwara. That means that everything is founded on heavenly events or commands. The date of the birth of Jesus Christ is not really clear; people say this or that. But it doesn't matter. Important is, that that calendar is based on his birthday, and that he was a Heavenly Being, or a Messenger from the Heavens, sent to the Children of Israel. But his prophecy was in limits, not for all nations.

You may ask: "What about other nations?" Yes, at the same time, Allah Almighty sent local Prophets to them from among themselves, to show them their way to the Heavens. And, no doubt, there was not such a big population on earth at that time... the world was empty.

All the Prophets were calling their nations to their Lord, not to Dunya. There is no need for people to have Prophets to teach them earthly purposes. No. Everyone knows very well the ways of this life, what it needs. But all Prophets came to save people from the hands of their egos and to call them to Allah Almighty's Divine Service, because people were running to shaitanic service, as they are now. No longer do people take any interest in the Heavenly, Divine Service; they are only running after this life's purposes, for the service of this life.

And S.Musa a.s. had been sent to call the Children of Israel to Allah. They were the most important nation that Allah Almighty had chosen. But when they were with Musa a.s., they became rebellious against him and didn't like to follow him. They left his Heavenly Teachings, becoming disobedient and fighting him. And S. Musa a.s. just got tired of them. Allah Almighty had ordered them, through Musa, to accept His Holy Commands, but they refused and insisted not to accept until Allah Almighty forced them, lifting up the Mount of Sinai and putting it over their heads like an umbrella, saying: "Are you accepting or not?" And they fell down, making Sajda, looking to see if that gigantic mountain would fall on them or not. Therefore Jewish people, when they are making Sajda, always look up, never forgetting that event. It is important...

What about after S.Musa? He was such a big, powerful Prophet, always speaking with Allah Almighty, addressing Him. He did his best for his people, but they did their worst to him. When he passed away, the Children of Israel were very happy that no one was going to put that Mount of Sinai over their heads again. They ran around freely, leaving and forgetting the teachings of S.Musa, refusing every aspect of spirituality that was in Judaism.

And spirituality is the main pillar of every religion. Without it, there is no meaning for a religion. If there is no spirituality, it is only going to be a kind of school of thought, like a school of philosophy. They are thinking and making arrangements, and call people to accept that, but there is no spirituality in that, never. That is the only difference, that Heavenly Religions have spirituality. But man-made religions, mind-productions, never ask for it, there is no room for spirituality in their beliefs. They say: "We are accepting only what we can see, hear and touch. Beyond that, what we can’t see, hear or touch, we are never accepting." That is the principle of materialism. And they destroyed the real pillar of Judaism, its spirituality, throwing it away, and put up a material pillar for their belief.

Then Allah Almighty sent Jesus Christ, whose creation was extraordinary, miraculous. Miracles all belong to spirituality, because the material power that we have cannot do what spiritual power can do. Allah Almighty sent Jesus in a miraculous way through his mother, and no man had ever touched her. That story about the carpenter, Joseph, has no reality, never, Astaghfirullah. She was pure, clean, alayha as-salaam.... It was fully a miracle, a miraculous event for a baby to be born without a father. People were running around saying: "How it can be?"

Why are you asking: "How?" It is your order or Allah's order? Your power or His? Your miracle or His? Why are you asking: "How?" And they were saying: "How, how... how can it be?" just like dogs. Dogs can't understand... how many times did they say: "How, how?" They were very angry... and Jesus was coming from their nation, Bani Israel...
One thousand years passed since the time of Moses, but they never understood the meaning of the miracles that S.Musa had shown to them... It never enters their mind. Hundreds of miracles, and they are still saying: "How, how... how it can be?"

Oh Children of Israel, how was a way made to pass through the Red Sea? Who made that way for your ancestors? When you were in the desert, who was sending to you your daily provision? Is it not a miracle? How was S.Musa saved from among the children and destroyed the Sultanate of Pharaoh? Is it not a miracle? And still they are asking: "How, how... how could Mariam bring a baby?" Why are you not asking: "How did S. Musa put down his stick, and it turned into a dragon?" Was it an ordinary thing? Was it not a miracle? But they have never learned... materialistic people are like that...

On the order of Allah Almighty, S.Musa took 7o representatives from the Children of Israel to a meeting with Him. They were made to hear what S.Musa was speaking about with Allah. And what did they say finally? They said: "Oh Musa, show us who was speaking to you." They were not believing. That is the principle of materialism. It just began with the Children of Israel... From that time until today they have been denying spirituality and anything holy in religions.

And as in Judaism, there is a group of materialistic people in Islam- the Wahabis. They are the same, just like them. They never accept any miracles and spirituality in our belief. If you speak about it, they are saying: "You are Mushriks"...Terrible.

After S.Musa Allah Almighty sent Jesus Christ in a miraculous way to the Children of Israel, so that they would accept the power of the Lord. At least they should have learned from all those miracles that if Allah Almighty is asking to do something, He is only going to say: "Be", and that thing is going to be...

That is the power of Allah Almighty. Miracles are nothing. He may say to all the universes: "Come in appearance", and all of them will come. He may say: "Go away from existence", and all of them will just

disappear and vanish... Allah Almighty!

But they were discussing and accusing sometimes S.Zakkariya, sometimes S.Mariam, sometimes her son, sometimes S.Yahya, John the Baptist... And Allah Almighty was only asking to call the Children of Israel from materialism to spirituality. Materialism is just against spirituality, and every religion must have spirituality; without it no religion can stand or continue. It is only spirituality, real spirituality, that makes Islam to reach up to today. If not for this, it would have finished...

May Allah forgive us and bless you... Fatiha.

## Heavenly Respect and Heavenly Love Conquer All

(Mawlana Shaykh stands) Dastoor yaa Sayyidi. Laa ilaaha illa-Llah, Laa ilaaha illa-Llah, La ilaaha illa-Llah Muhammadun Rasoolullah, `alayhi salaatullah wa salaamuh wa `ala jamee`i 'l -anbiya wa 'l-awliya wa man tabi`bhum ila yawmi 'd-deen yaa Rabbana yaa Rabb ighfir wa 'rham wa anta khayru 'r-Rahimeen, yaa Allah. alhimna rushdana wa a`idhna min shuroori anfusina yaa Rabb. (Mawlana Shaykh sits)

Thumma 's-salaam `ala Saahib az-Zamaan khalifati rasoolillah (s) wa `ala jamee`a ashaabu 'n-nawba wa rijaalillah `alayhim as-salaam.

Narjoo, we are asking their heavenly support. And we are saying A`oodhu billahi min ash-Shaytani 'r-rajeem. We are running away from Shaytan and shaytanic works that are making ma`moor kharaab, corrupting everything, to follow Shaytan. That is the biggest trouble and the biggest problem for nations, for dunya and everything on it or under it. Therefore, we are asking, "O our Lord, protect Your servants from Shaytan and its tricks and traps. Astaghfirullah! We are asking forgiveness," that I am saying, “O our Lord, protect ourselves.”

As a heavenly protocol, we must address first Allah Almighty, then we may ask one ant. Even one ant, or less than an ant, that it is created by the Creator, Allah Almighty, is enough to take away Shaytan and its

followers. But as a heavenly protocol and heavenly good tidings, and through Islam's good manners, we are first addressing to His most Glorified Presence, by saying, “O our Lord.” Then we may ask; it is easy. We are saying, A`oodhu billahi min ash-Shaytani 'r-rajeem, and Bismillahi 'r-Rahmani 'r-Raheem also. (Mawlana Shaykh stands) That is our honor, to be able to say, Bismillahi 'r-Rahmani 'r-Raheem.

O our Attenders! YOU MUST BELIEVE AND YOU MUST PRACTICE FOR EVERYTHING TO SAY Bismillahi 'r-Rahmani 'r-Raheem! If not, you are going to be destroyed from this planet to another unknown territory! (Mawlana Shaykh sits) The main protector is for Mankind to say Bismillahi 'r-Rahmani 'r-Raheem. Don't take it as a joke, No! We are speaking on reality. You must say (Mawlana Shaykh stands) Bismillahi 'r-Rahmani 'r-Raheem, Bismillahi 'r-Rahmani 'r-Raheem. (Mawlana Shaykh sits) For beginning and ending, every time you must say Bismillahi 'r-Rahmani 'r-Raheem.

O our Attenders! As-salaamu `alaykum. Be serious ones for such heavenly announcements. Yes. Don't think that that one is sitting and speaking. No. It is a heavenly addressing to all members of Humanity! They must listen! They must obey! But you are free, believing or not believing. If you are believing, a benefit will come to you. If you are not believing, troubles will be raining on you. You may be the First Lady (chuckles), or the Russian Emperor, or going to be Vizier, or going to be Her Majesty Queen, or His Majesty King of the UN, or the Indian Emperor. You may be. But you are under a heavenly power that is turning your head.

Don't say, "We are Salafi `ulamas." (chuckles) Once again to you, Salafiyoon! Leave Wahaabiyoon, they are no-mind people. Wahabiyoon and wood is the same. They have heads but nothing is in it. They have hearts, but nothing is in it from heavenly love and heavenly respect. Yes. That is the most important point; heavenly respect and heavenly love. That is what our heavenly protectors, or heavenly teachers, or heavenly holy ones, are saying. They are on these two matters; what is heavenly love and heavenly respect? We are now putting on a strong base for today's sayings. Yes. What do you think?

O our Attenders! Look, listen, and obey! Don't object on anything. If you are going to make and objection, come and sit here and address to people. It is an old chair and an old person. You take a new chair, to be the Chairman of Shaytanic groups. And look for a young one to address to you. If you are not happy with such an old person, if you are unhappy, look at a young one with a chair in a good condition. If you can find a king’s chair also, it is okay. Sit down and address people. I am calling Salaafiyoon, you may address daily to people.

Yawmun jadeed, rizqun jadeed, “A new day, new rizq, heavenly blessings, provisions.” Daily, There is a new heavenly feast. Come and take your share, eat and be thankful to Allah Almighty. What is it that is asked from people? One, heavenly respect and heavenly love.

O Salafi 'ulamas! Ask from heavenly ones. Or what do you think was the summary of the messages of all the prophets? From where were they coming? What were they asking from people? They were asking for respect and love, heavenly respect and heavenly love. “O people,” prophets were calling to people, "come and take a share from heavenly respect and heavenly love." Anything wrong, His Holiness Pope? Anything wrong, O Chief Rabbi? Anything wrong, Russian’s Orthodox Church Chief Patriarch? He is respecting me and respect is bringing love from hearts to hearts. Allahu Akbar wa lillahi 'l-hamd. Heavenly praising and heavenly love, that is what we were saying; heavenly respect and heavenly love.

No one knows the numbers of all prophets except the Lord of Heavens, the One Who is sending.

••••••• ••••••••••• •••••• Wa laqad arsalnaa Noohan, “I am sending Noah [Moses, Jesus Christ].”

(Mawlana Shaykh stands and sits) Allah Almighty is saying, "I am sending Noah (a), Abraham (a), Moses (a), Jesus Christ (a), Zachariah (a), Musa (a), Yunus (a), Haroon (a), Yusuf (a), Yaqoob (a), Nuh (a). From the beginning, from Adam (a), I am sending to you." For what? The summary is that they are teaching you heavenly respect and heavenly love; that was their main mission. All of the prophets were calling people to heavenly respect and heavenly love. True or wrong? Say! No-mind Wahabi people also. You are doing that? You are doing nothing and you should be punished!

Yes, that is the summary of the mission of all prophets. They are only calling people and saying to them, "O our Attenders!" We are calling you to be respectful to Who created you." This is it. There is no other aim in this life. Nothing is going to be valuable beside heavenly love and heavenly respect. All of them, throw it to the WC. "Take this only! Heavenly love and heavenly respect." Laa ilaaha illa-Llah. Why are you quarreling with me? I am nothing. But look at what is going to be said, with which mentality heavenly sources are sending such never ending realities to you. Look at that One. Look. It is jawhar, “precious." More than essence, the most valuable thing that you may reach through this entire world. These are the two things that is your maqsoodun asliyy, main aim. You must ask for love and heavenly love. Change your hearts to be full with heavenly love and prepare yourself to give most high respect to that One, that amruhu fi 's-samawaat,

“His orders in the heavens.”

O our Attenders! Take care. If you are not taking care, someone will take your ear like a foolish student, when his teacher pulls his ear; something like that will come to you. Now, you must understand that you have been offered with something from heavens to do, to take and to reach. What was it? As they are saying, heavenly respect and heavenly love. Try to reach those two aspects. And all the prophets were coming to call you to reach a heavenly love and to reach for heaven's respect. And look, who is giving to you these two aspects? You can find it through the east or through the west, through London, through Moscow, through Japan, through India, or through Iran. Iranian people are preparing themselves for a war, for fighting. What are you fighting for? For what are you preparing yourselves, to kill people? To kill those that Allah Almighty created them to be good servants and to be seekers of most valuable aspects, heavenly respect and heavenly love. O Iranian responsible ones for 80 million people! Why are you preparing yourselves for fighting? What is the benefit to make a fight? Bring your people to Divinely Presence full with love, heavenly love and heavenly respect? No! LEAVE THAT! Or punishment is coming on the Head of that State also!!

I am a weak one, but aqwaa, most strong ones may grab their ears, taking them up. They are thinking everything is under their control. No, it is not under their control. And we don’t like to make people fall in troubles. We are asking to bring people to heavenly love and heavenly respect, then heavenly love will shower them.

O Leaders of all states, including Turkey, Russia, Arabia, India, China, Japan, everywhere: we are warning! If they are not taking care, in one breath their souls are going to be taken up. That is a heavenly warning for all nations now. We are asking from our leaders to try to teach people, to learn the most high respect for heavenly aspects and the most beautiful love, sweetest love, Love Oceans, Love Oceans. (Mawlana Shaykh smiles)

O People! Why are you running to Enmity Oceans? Who is teaching you? Allah Almighty just taught you to be wild ones, more than wild animals in the jungles? He ordered you to do this? I am asking the United States President also, the Chinese, Russian, Turkish, Arab presidents, kings and sultans. I am asking. Is Allah Almighty making you for destroying Humanity, to give trouble to them, to make them unhappy and to destroy their physical beings for nothing? Now what is that? May Allah forgive us.

O People! Come and here and ask who can give to you heavenly love and heavenly respect, you should be happy here and hereafter. And we are asking forgiveness from my Lord, Allah Almighty (swt) (Mawlana Shaykh stands) and intercession from His most beloved one in His Divinely Presence, Sayyidina Muhammad (s) (Mawlana Shaykh sits)

Fatihah.

(Mawlana Shaykh makes du`a)

Mashaa-Allah, alhamdulillah. We must understand, Mashaa-Allah, be with your Lord, and you will be happy here and Hereafter. Allahu Akbar.

Fatihah.

(Mawlana Shaykh sings.)

Dome, dome, dome, dome 8x

## Take Your Seat on the Heavenly Rocket!

Huuuuuu. (Mawlana Shaykh stands) Yaa Kareem, yaa Allah, yaa `Azeez, yaa Allah, yaa Subhaanu yaa Allah, yaa Sultaan, yaa Allah. Zidh habeebika `izzan wa sharafa nooran wa suroora ridwaanan wa sultaana. Nahnu `abeeduk faqbal maziratanaa, yaa Rabbana, yaa Rabbana, nahnu `abeeduk irham da`fanaa, irham juhdana. A`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. W 'alhamdulillahi 'r-Rabbi 'l-`alameen min al-azal ila 'l-abad. Wa 's-salaatu wa 's-salaam `ala Sayyidi 'l-awwaleen wa 'l-akhireen min al-azali ila 'l-abad wa `ala saairi 'l-anbiya wa 'l-mursaleen wa man tabi`ahum bi ihsaanin ilaa yawmi 'd-deen, raghman `ala anf shayaateen khazahumullah (Mawlana Shaykh sits). Thumma as-salaamu `alaa Saahib az-Zamaan, wa `alaa Qutb az-Zamaan al-mutasarrif fee 'd-dunya bayna 'l-`ibaad bayna sayyidi 'l-makhlukaat. Allah Allah, `Azeez Allah, `Azheemullah, Kareemullah, SubhaanAllah, SultaanAllah!

If pens write the honor we have been granted, from the day Man was created up to the end, they cannot complete the writing as such a high honor is granted! Who are you, O Mankind, that you are not thinking about it? You are so small in your physical being, but you have been granted such an honor that the whole worlds can't carry!

O Salafi `ulamas! As-salaamu `alaykum. What are you saying now? You must think on it. Wa hamalaha al-insaan, you are understanding its meaning? (Mawlana Shaykh stands):

•••••• ••••••••• •••••••••••• ••••• •••••••••••••• •••••••••••• •••••••••••• ••••••••••• ••• •••••••••••••• •••••••••••••• ••••••• •••••••••••• •••••••••••• ••••••• ••••• •••••••• ••••••••

Inna aaradna alamanata `ala as-samawaati wal ardi waaljibali faabayna an yahmilnaha waashfaqna minha wahamalaha al-insaanu innahu kaana zhalooman jahoola. We did indeed offer the Trust to the Heavens and the Earth and the Mountains, but they refused to undertake it, being afraid, but Man undertook it. Lo! he hath proved a tyrant and a fool. (33:72)

(Mawlana Shaykh sits) O Salafi `ulamas! Do you think insaan are carrying that honor because of something they did? That is an honor never granted to any other creature! Wa maa kaana dhaak hamla shu kaan, what was that secret honor He was offering to everyone in Creation? Who is going to carry that honor? All of them were saying, "O our Lord! Forgive us, we can't carry it!" Wa hamalaha al-insaan, "But Man undertook it." Do you think Mankind can offer that to himself? If Man is not seeing that heavenly power in himself, he was never going to say, "I can carry it." What was that honor?

O our Attenders! Come and listen! Don't escape; give time to hear. It is only a very short time that they are offering to a weakest servant like me, saying, "Sit down and speak to people." I don't know anything, and I am not claiming to know something, no. That is something which is just offered to Heavens, Mankind and all Creation.

O Salafi `ulamas! What does alif lam mean? Jins ahil li 'l-istighraaq, “A being capable of being drowned (in Divine realities).” Wa hamalaha al-insaan, who is that one, what is his identity? Insaan, Mankind, has that heavenly honor which was never dressed on anyone else. The Lord of Heavens showed all Creation, "This is My heavenly dressing that I am asking to be dressed on you." All Creation looked and was amazed that it is so beautiful! But they thought, "It is impossible for us to wear that amazing dress of honor and glory. Allahu Akbar! We can't keep it, O our Lord!" Only Mankind said, "We can carry it," and they have been dressed in it.

O Salafi `ulamas! Who is that one, say to people; you must make it more clear. First of all, when you are addressing, "O People! You have been granted such an honor and when you are dressed in that honor, you have been ordered to keep that honor of the Lord of Creation. That honor has just been put on you to keep it." What was that? Make it more clear.

O Attenders! You can hear but are not able to say something, so we are addressing those who are say, “We are Salafi `ulamas." If there is salaf, predecessors, there must also be khalaaf! For each salaaf, there must be a khalaaf. First one who had been appointed to be a deputy for the Lord of Heavens and dressed in that is fee salif il-qidami, "In past times" and that is going around to all Mankind, that honor, that they should say, "This is an honor that no one can know its real value. An honor! Highest honor that granted by the Lord of Heavens to Mankind! Highest honor! No one can give. All the honors from people is nothing, but the honor from the Lord of Heaven which He dressed on Mankind, no one knows about it when it began and when it is going to finish. And the Lord of Heavens is never granting something and then taking it back. He granted Mankind that honor to be for them from pre-Eternal up to Eternal. And that honor, we have been ordered to keep it.

O Salafi `ulamas! What have you learned from Salafi `ulamas? Say, make it clear, who was that one from the Divine Presence who was dressed and then that dress was granted to Mankind? And one question we can ask. Allah Almighty, tanazzul rabbaani, manifestation of Divine Being, no one can be able to reach that Divine Presence to be dressed. Who was on behalf of the Lord of Heavens, dressing Mankind in that honored dressing? Say! Who was the waseelah, means?

••••••••••••• ••••••• •••••••••••••

wabtaghaw ilayhi al-waseelah. Seek the means of approach (of nearness) to Him. (5:35)

Wabtaghaw, seek, that is dameer, indication, where is it pointing? For what reason saying wabtaghaw? That khitaab, addressing, is for all Mankind!

O People! You have been granted a heavenly dressing. Allah Almighty is asking to dress you in that honor that the mountains, Earth and Heavens feared, about which they all said, "We can't carry it," and only Mankind said, "We can carry it." Who was dressing them? Wabtaghaw, ask, ilayhi, that is dameer, al-waseelah, as without a means you can't reach. That is an order, wabtaghaw, "O Mankind! Ask the way to reach that honorable dressing from pre-Eternal up to Eternal!" SubhaanAllah.

If you are asking to make a dress, you take cloth to a tailor to make a suit for you. The heavenly grant that Allah Almighty prepared in pre-Eternal was for those who are saying, "We can carry that heavenly honorable dressing!" Say what it was and who was dressing them? Is Allah Almighty dressing you? What is that? The

Lord of Heavens appointed from pre-Eternal, someone to dress Mankind in an honored dressing. Who was that? Say to us, because you are fighting against people who try to give a little bit of honor for that one, saying that is shirk! You are never understanding what is shirk and what is the real position of the Seal of Prophets (s)! Say! You must say wabtaghaw 'ilayhi,' a target.

For example, if the Lord of Heavens says, "Your holy dressing is on the moon," saying, wabtaghaw ilayhi al-waseelah, ordering people to ask how to take their honorable dressings, say it! But instead they say, "Shaykh is saying, something we never heard before or understood!" No, you are understanding what they are making me to address you daily, because you claim you are `ulamas! Therefore, our aim is to shoot on you some realities, to make your egos shot down, because your egos say, “We are not using any waseelah; there is no means between us and our holy dressing!” No, that is wrong! You must ask, "Who is that rocket that can take us to those divine dressings, to be dressed on us?" When you are dressing in that, you are not coming back, you are going up, up, up to never-ending Glory Oceans, never-ending Honor Oceans, never-ending Praising Oceans, and never-ending Majesty Oceans for the Lord of Heavens!

O People! Hear and listen and try to understand something. They are making me speak on first level of people like me; sawfa taraa, you will see after that if you are coming and taking that honored dressing. You are not going to be here, you are quickly going to be invited to Dominion Oceans that come endlessly into existence. What do you think of that ayah, Wa maa qadaroo'llah Haqqa qadrih. (Mawlana Shaykh stands):
••••• •••••••• ••••••• ••••• ••••••••
Wa maa qadaroo'llah Haqqa qadrih. No just estimate have they made of God, such as is due to Him. (39:67)

Subhaan Sen yaa Rabb, Subhanaak! Subhaanak, Sultaanak! (Mawlana Shaykh sits) May Allah forgive us. Allah, mashaa-Allah la quwwata illa billah!

O People! Come and hear, because you like to reach to your honorable dressings. Come and listen, and take your seat in the biggest rocket that may carry all Creation to unknown Dominion Oceans of the Lord of Heavens!

May Allah forgive us! Ameen yaa Rabb, yaa Allah, tawbah yaa Rabbee, tawbah yaa Rabbee, tawbah astaghfirullah. Asqina ghaytha suqya rahmatin wa laa taj`alna mina 'l-qaniteen yaa Allah, yaa Allah yaa Mughithu yaa Allah, yaa Mughithu yaa Allah, yaa Mughithu yaa Allah aghithna yaa Rasoolullah! They are

saying, "Why are you saying, 'aghithna yaa Rasoolullah'?" No-mind people, what it has been said here you are never understanding, and quickly deny! No-mind people never understand! aghithna yaa Rasoolullah, "Help us, shower on us, O Prophet of Allah." Rasoolullah (s), because he is deputy for Creation from pre-Eternal up to Eternity, you must give high respect to him, Sayyidina Muhammad (s)! (Mawlana Shaykh stands) Yaa Rabbee salli wa sallim `alayh kama yambaghi li-jalaali wajhika al-`azeem wa sultaanika yaa Allahu, yaa Allahu, yaa Allah, bi jaahihi `indak. Forgive us and grant us understanding, as we are weak servants. (Mawlana Shaykh sits)

Fatihah.

## The Heavenly Threat of One Mosquito

Dastoor, yaa rijaalAllah! Allahu akbar kabeera wal hamdulillahi katheera wa subhanaallahi bukratan wa `aseelah.

(Mawlana Shaykh stands.)

Allahu akbar, Allahu akbar la ilaaha illa-Llah Allahu akbar wa lillahi 'l-hamd! `Azhami 'l-khalq, Sayyidina Muhammad (s) Ya rabbee zidhu sharafan wa `izzan wa nooran wa farhan wa surooran. Madad, yaa Sultaanu 'l-Awliya.

(Mawlana Shaykh sits.)

As-salaamu `alaykum yaa `ibaadullah. As-salaamu `alaykum to whom are asking to listen to something. Marhaban, marhaban! Yaa saahib al-waqt! Yaa saahib as-zamaan! Grant us your permission, give us your holy permission for khitaab, for declaration. A declaration for whole human nature. Yes. We are weak servants; therefore, we are saying, a`oodhu billahi min ash-Shaytaani 'r-rajeem. Weakness is coming to people from Shaytan. He is trying to make people unable to do anything; if asking to do something, Shaytan's mission is to change it in another way, to always make Mankind on wrong way. He can't do, he is never going

to do anything, but as the signs of the Last Day, Yawm ul-Qiyamah, should appear so many signs that Judgment Day is approaching. I hope for the barakah, blessings of blessed ones who are making an old, weak servant to speak to whole nations through east and west. I know nothing. I am asking first for forgiveness from the Lord of Heavens, Allah (swt), (Mawlana Shaykh stands) and second, asking intercession from the beloved Seal of Prophets, most beloved, most glorified one, Sayyidina Muhammad (s). (Mawlana Shaykh sits.)

That is for our nation, making through a weak servant to address to whole nations as a last chance for them to think, are their steps true steps or wrong steps? I am weakest servant, and according to high order of the Seal of Prophets, according to commands of Heavens, I am saying, Bismillahi 'r-Rahmaani 'r-Raheem, bismillahi 'r-Rahmaani 'r-Raheem, bismillahi 'r-Rahmaani 'r-Raheem. (Mawlana Shaykh stands.) Heavenly swords come on the heads of those people to stop heavenly declarations! (Mawlana Shaykh sits.) They are fearing, those people whom they are asking to stop declaration of truth. I am asking and I am ashaming to address to our Lord, “O Allah, send on them pig flu!” Astaghfirullah, astaghfirullah, astaghfirullah, astaghfirullah! (Mawlana Shaykh laughs.) My whole promise, they are ashaming to say!

Sayyidina Ibraheem (a), peace be upon the Seal of Prophets (s) and peace be upon Sayyidina Ibraheem; he was never asking, “O my Lord, send mosquitoes on Nimrod’s soldiers!” Astaghfirullah, astaghfirullah, astaghfirullah, a million times astaghfirullah! He was such a Khaleel ur-Rahmaan (Friend of the Most Merciful) that he cannot ask, “O my Lord, send on those armies of Nimrod mosquitoes to take them away.” Can’t be! Therefore, I am angry at Salafi `ulamas, as they are never running to an opening of the meanings, and what power through the words coming from heavens! They are not trying to understand, (they are making that knowledge) down.

Ibraheem Khaleelullah was never asking for mosquitoes to be sent down on Nimrod's armies, only he was saying, “O my Lord! That is a bad servant who is following his egoistic demands, claiming he is king on this world, and You know he is coming for fighting. He is not understanding Who are You, O my Lord. You know, and I don’t know how You are going to deal with them. I am never asking from You how to deal with those people, because they are also Your servants. Only I can say, I am here, and that one is a bad servant, only asking to fight with his armies. He is thinking that You are an ordinary one, that sending only armies of one king to fight with armies of another king.”

Allah (swt) is answering, “O Ibraheem! Keep your center. Don’t fear, I am the Lord of Heavens. Only look what I am sending. According to his understandings, I am only sending some weak armies.”

Allah Almighty didn't use His divine powers. If Allah Almighty is sending (harsh) weather, or if (people stop) breathing, or if sending Archangel Israfeel and people look to him like this, they are finished, coming down! But Allah Almighty looked to them and sent mosquitoes on those armies, because Nimrod must understand he can’t carry something (more powerful) than divine power. Therefore, sending to him mosquitoes that if you breathe them, finishing. They were coming (on that army) and their coming was so terrible, so terrible! Now people are so happy and so proud with their supersonic (weapons) faster than the speed of sound, and (Allah Almighty was) making each mosquito to bring that sound. At that time no one was knowing that huge sound coming from supersonic. SubhaanAllah. Beginning to come and (the big sound was like) wuuuuu, wuuuuuu and first one coming, Allah, Allah, Allahu akbar.

Yes, we are saying, bismillahi 'r-Rahmaani 'r-Raheem that some people are unhappy to hear from Reality; they are jealous! Either they are min junuud Iblees, from the armies of Iblees, or sadanas, Shaytan. Yes, they are not fearing from Allah and they're trying to reach to people through evil! The kamaal, perfection of Man, is to be clean from bad egoistic characteristics. Now some people are working for Shaytan, and we are not asking from Allah Almighty, "O our Lord, kill them." Astaghfirullah, astaghfirullah. No. During the Battle of Uhud, angels came to Sayyidi 'r-Rasulu 'l-kiraam (s), saying, “Let us take over those no-mind mushrik armies,” and he answered, "No, I cannot accept that:

•••••••••••• ••••••• ••••••••••• •••••••••••

fa 'l-hukum lil-Lahi 'l-`Aliyyu 'l-kabeer, the command is with Allah Most High, the Greatest. (40:12)

Now there are some jealous people who are Shaytan's assistants, Shaytan giving to them a graduate degree to be doctor from satanic academy! They can't carry even to hear something that they are not understanding, because their understanding is in limits. Holy Qur'an coming to make our understanding wider, wider, wider, up to Lam yazal wa laa yazaal, from pre-Eternity up to Eternity! But people are under their egoistic characteristics, carrying them to be with Shaytan, not to be Allah Almighty's servants. We don't like a person to step on wrong step, no. Therefore, they are making me to speak. I don't know. Therefore, it is blame for prophets and awliyaullah to ask to send on them punishment from heavens or from Earth. How they are not fearing? And they (some people) are asking from Allah Almighty if they can kill people if they are not

following wrong ways! But those who are true ones, asta'aidh billah! (Mawlana Shaykh stands)

••• •••••••• ••••••••• •••••••• ••••••••• •••••• •••••••••• •••• ••••••••••••

Yaa ayyuhal ladheena `aamanoo ittaqoollah wa koonoo ma` as-saadiqeen; O ye who believe! Fear Allah and be with those who are true (in word and deed). (9:119)

(Mawlana Shaykh sits.) I am asking to those Salafi `ulamas, my Lord is making me to ask you about that holy verse, ordering, “O My servants, be with true ones, sadiqeen." I am asking, who are the true ones you are following now?! Don't say "Ibn Qayyim, Ibn Taymiyya, Muhammad ibn Abdul-Wahhab." I am asking to find a new one! Show me! You are saying, “I am following you.” If not showing me a true one, you are responsible! You are `asee, disobedient ones! Yes, Salafi `ulamas, I am shouting to them, to make realities clear so that whole nation of Sayyidina Muhammad (s) (Mawlana Shaykh stands and sits) to be clear. If I am wrong, come and do what you can do for me! But I can do something for you, up to morning!! Yes, I am not against those people, but I am against baatil, falsehood.

Haatoo burhanakum, bring your proof, I am here! If not (bringing proof), don’t attack me! I am now weakest creature, but sometimes weakest creature may take your soul away! That's why I was saying they are not fearing from Allah or from awliyaa, but they are fearing from pig flu! Ptuuh, ptuuh, ptuuh (spit) on those people who are not fearing from Allah Almighty, blaming from Seal of Prophets (s)!

We are not Arab, we are all aa`jim. Therefore whole Sahaba-i-kiraam are qurayshiyyan aw `arabiyyan. You are bringing to our countries and we are keeping and giving high respect to everything that you are bringing, and we are kissing your hands, kissing your heads. What happened? Everything that you are saying, haatoo burhaanakum, bring your proof! If you are not bringing, the Lord of Heavens is looking and seeing you, and hearing you, and reaching to you. Yes, correct? Fear Allah! Fear Allah! No one can save you if sent on you that pig flu, that virus. From one mosquito perhaps a billion or more viruses coming.

Is our Lord not, ••••• •••••• •••• ••• •••••• kulla yawmin Huwa fee shaan, (every day in (new) Splendour doth He (shine)! (55:29)

Shaanullah wa laa waahid y`arif shaanahu, (No one comprehends His reality). What no one is knowing, whole mutassarrif, heavenly administrative authorities (are in charge of) everything happening through

Creation. Allah Almighty creating one and giving that mutassarrif such an authority to use and command that virus, "Leave pigs and run after those people!" Haasha, Heaven forbid! Allah Almighty is sending, one who is controlling this world and everything on it, on behalf of the Seal of Prophets (s), (who is khalifatullah), yes, His weakest servant may order that virus to those no-mind servants of Shaytan, to run on them and scare them! Finished!

To whom is that power coming? Coming through Qutb al-Mutassarif on this planet. You must believe! If not believing, he (Qutb al-Mutassarif) may send on you one virus and up to morning, finished (you will die)! I am not against anyone; I am only against Shaytan and his servants. I am only weak servant, but you are so proud, saying, “We are Salafi `ulamas," so proud! Saying:

••••••• ••••••• ••••••• •••• ••••••••• •••••••••••

Innamaa yakhsallaha min `ibaadihi l-`ulama; It is only those who have knowledge among His slaves that fear Allah. (35:28)

Khashiy `indakum kam marrah nadhartum li 'n-nisaa? Kam marra tadayafoon nufoosikum? kam marrah takooloon habsa an-nafs min shahawaatiha, (do you have fear of Allah? How many times you are looking at women? How many times you are putting forward your egoes? How many times are you not holding your ego from its desires?) Say! Say! Don't make that weakest servant to do something, ... but if you believe or don't believe, they may send on you punishment. May Allah forgives us!

Allah Allah, Allah Allah, Allah Allah, `Azeez Allah
Allah Allah, Allah Allah, Allah Allah, Kareem Allah

Everyone fears, I am saying and laughing, that people are not fearing from Allah Almighty but they are fearing from pig flu! What you are saying Salafi `ulamas? Innamaa yakhshallaha min `ibaadihi' l-`ulama. Say! Don't be angry. If you get angry, my anger is not like your anger. Who are making me to declare from east to west, they are putting that anger and making me to say! I am weakest servant, but I am under command of heavenly ones.

Dome Dome, Dome Dome 4x

At morning time, you can stand up like this, and at nighttime you may be like (Mawlana Shaykh gestures, thumbs down). You may understand what I am saying to you.

Huuuuuuu, Huuuuuu 4x

May Allah forgives us. Fatihah.

(40 minutes)

(Mawlana Shaykh speaks to Shaykh Hisham on the phone.)

## The Heavenly Value of Happines

(Mawlana Shaykh stands)
Allah Allah, Allah Allah, Allah Allah, Allah Allah
RabbunAllah, HasbunAllah! RabbunAllah, HasbunAllah!
Subhaan Allah, Sultaan Allah! Subhaan Allah, Sultan Allah!

O our Lord! Give your most high praises and glory to your most glorified one in Your Divine Presence, who is only one. You are only One and Your representative is only one! O our Lord! For his honor, forgive us and grant us from Your endless blessings! Allahu Akbaru wa lillaahi 'l-hamd! Alfu alfu salaat, wa alfu alfu salaam `ala Sayyidi 'l-Awwaleen wa 'l-`Akhireen, Sayyidina Muhammad wa `alaa aalihi wa saahbihi wa man tabi`ahum bi-ihsaan ila yawm ad-deen. As-salaatu wa 's-salaam `ala jami` al-anbiyaa wa 'l-mursaleen, salawaatullaahi wa salaamullaahi `alayhim ajma`een, wa man tabi`ahum bi-ihsaan ila yawm ad-deen.

A`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. Thumma as-saalatu wa 's-salaam `alaa Saahib az-Zamaan wa `alaa Qutb al-Mutasarrif, the most authorized one to look at everything on this planet! They help us through his heavenly powers. We are saying, Bismillaahi 'r-Rahmaani 'r-Raheem! (Mawlana Shaykh sits). We are taking power, every weak one. Dastoor yaa Sayyidee, yaa Rasoolullah! Every one who feels that he is weak and unable to carry his functions may say, (Mawlana

Shaykh stands) Bismillahi 'r-Rahmani 'r-Raheem, O my Lord! (Mawlana Shaykh sits).

O Salafi `ulamas! Then, even an ant can help him. Sometimes a very small ant comes on me, visiting me. Sometimes even ants are not visiting you because you are so proud ones, Salafi `ulamas! If I could come, I would come to you, but I am unable to visit your holy ones. But you are so proud to come and visit such an old person, saying you are not in need for his declarations! You must not look at the one who is speaking, but you must take care for the one who is making that old person address all nations and religions daily. Some say the highest level person is His Holiness, the Pope, and His Holiness, the Chief Rabbi. Salafi `ulamas are not referred to as "holiness;" you can't call them that or they will get very angry if you say, "O Your Holiness!"

You are understanding English? What is the meaning of "holiness"? It means pure, awsaafu 'l-bashariyyah, human attributes. When a person becomes clean, he becomes a holy one. Yes, do you think that you are holy? Salafi `ulamas must be holy! If you are holy ones, you may look to such an old person, and ask yourselves, who is making him address you? If you are "holy ones", it means who has heavenly lights. An example it, at night you can't see but in the daytime you can see, and if you are getting in trouble or misunderstanding or if you are unable to look and see, you must use your heavenly lights. When you are using heavenly lights you may understand whether it is okay or not. Also, holy ones are not quarrelling. No, they are looking and seeing who is making that one to address all the nations, and he may address seven billion people, or more, that holy one may address 70 billion! Understanding?

O our Attenders! As-salaamu `alaykum! You are very busy. Some are thinking, "O Shaykh! We are not busy, but we are businessmen. Correct your address to us! You must say 'businessmen,' not 'busy men.'" They complain and do not accept that our attenders are busy ones, saying, "No, it is not true that we are 'busy ones;' our servants and those who work for us are busy ones! For us that has no honor."

O Business People! Mashaa-Allah! Therefore, your form is different from forms of your 'busy people'? They answer, "Yes, we are businessmen and also chairmen. Correct your speech, O Shaykh, correct your addressing. We are not on your or others levels; our level is up, to the businessmen level." Applaud them! (Mawlana Shaykh applauds) What we shall do? And our Salafi `ulamas are also saying, "O Shaykh! We are more important; we are not on your level. We are Salafiyoon `ala ay wazin!" But I am saying "You are Salafiyoon `ala wazin sufliyoon, On the lowest level, without meaning!" Millions of people are Salafi, which

means they have passed away. They also claim like you, "I am Salafi," and they have reached the passed-away people. The Salafiyoon have really become Salafu, passed away!

O People! Our common people, whom we call, "Our Attenders," welcome to you, whoever comes here to enjoy himself with a joking one's address. They may smile, and smiling gives them pleasure. At least take this. Come and attend daily so that you are smiling a little bit, because the heavy burden of dunya makes you `aboos al-wajh kareeh al-manzhar (frowing-faced, hateful to view), with ugly faces. Always your faces display your anger, that you are not in pleasure. But who is smiling, his face shows his happiness. Beyond smiling, laughter gives much more pleasure, and the Lord of Heavens likes His servant to be happy and in pleasure. He likes this! For example, when your children are laughing and smiling, as parents it makes you happy. And when the Lord of Heavens (swt) sees His servants are happy, He Grants them much more reasons of happiness.

O Salafi `ulamas! You are `ulamas; therefore, you know a man is under two manifestations. One, they are under manifestation of pleasure, halaat al-bast. Do you understand? Sometimes what they are giving me is difficult for me to understand because it is for you. O `ulamas! You say you understand, but I am sometimes understanding and sometimes not. But you must understand that halaat al-bast is the manifestation of spiritual expansiveness. Masriyoon, Egyptians, always thing they have first-class understanding, but their understanding is less than mine! Bast means "manifestation of expansion." Mashaa-Allah lughah Arabia, your Arabic language is of high-class people. Halaat al-bast means when servants are in pleasure, and the Lord of Heavens likes to see His servants in pleasure and He is going to be happy with them. But contrary to halaat al-bast is haalat al-qabd, those who never smile, laugh, or joke because they think they are so important. These are two tajalliyat, manifestations, which are always on Earth.

The Lord of Heavens is manifesting with His pleasure. If one drop from the Lord's Pleasure Oceans comes on a person, that makes the Lord of Heavens happy, and He says, "My servant is happy!" You must know such things if you are `ulamas, and you must try to make people happy, because the Lord of Heavens is happy when He sees His servants are in pleasure.

Where is real pleasure going to appear? Pleasure does not come from outside ones' self. But now no-mind people are running after imitated pleasures, which is around them. However, real, true pleasure comes from

our inner being. That is mazhar, appearance of pleasure in your real being, and now people are neglecting that. Pleasure reflected on our real being makes us happy and in pleasure, which makes the Lord of Heavens happy with His servant, who is taking from His Pleasure Oceans. Allah Almighty loves that! And He shows His pleasure on those circling around Him, and on those who make others happy! That makes the Lord of Heavens happy with us and He grants us more happiness.

What is Allah Almighty saying? You are `ulamas, so you must know. Allah Almighty saying: (Mawlana Shaykh stands)

**•••• ••••••• •••••••••••• •••••• ••••••••••••**

Hal jazaa'ul ihsaan illa 'l-ihsaan.
Is there any reward for good other than good? (Ar-Rahman 55:60)

O our Salafi `ulamas! Is anything wrong with what I am speaking? Where are you, what is your position? Am I speaking to you in Arabic or in Turkish? Hal jazaa'ul ihsaan illa 'l-ihsaan.Why are you not taking care to reach a good understanding from Holy Qur'an? Why are we always going to be jahil, ignorant? Give and take. Whatever you are giving, the Lord of Heavens will praise you, yukaafaat, rewarding, or in English it means "prize." If a person is successful, he has been awarded a prize, yes? One masri, Egyptian, and one American (mureeds present) and neither of them understand! My English is high English. If Shakespeare hears me he would be surprised and say, "From where did you learn such English that I never thought of?" (laughter) Heavenly grants are never-ending, and therefore, they are making me speak.

What is "ihsaan"? Ihsaan is a heavenly grant. When you give an earthly grant to people, Allah Almighty rewards you with a heavenly grant. This is so easy to understand! O our mulook! O our `ulamas! Try to understand Holy Qur'an! Hal jazaa'ul ihsaan illa 'l-ihsaan,Who is saying this? Is the one who is nothing speaking this, or is this the holy verse from Holy Qur'an? When you grant from material things, heavenly grants come on you! So there is a grant that you give to people's physical being, and there is another grant that you give from your real being, which is from Heavens. If you give to others from that ihsaan, it is virtue granted from heavenly grants not to your physical being, but to your real being. Your real being is not your physical body. No, you have a real being and if you are prepared, heavenly grants will come to your real being from Heavens.

O Salafi `ulamas! I am trying to be a student, but I am so old, and sometimes I understand and sometimes not. But you are young, prepared ones, so you should give your advice to people, and also you should say to your mulook, "Give from your material grants to people and take nafsahum!" If you give from your spiritual grant to people's spirituality, you will take much more heavenly grants for your spirituality. May Allah forgive us and grant us to understanding! People are either going to be in pleasure or in sadness. This is how to show people to be in happiness and pleasure, here and Hereafter.

May Allah forgive me, forgive you, and forgive His servants, for the honor of the Seal of Prophets, Sayyidina Muhammad (s), in this holy month, sayyid as-shuhoor, master of all the months, Holy Ramadan!

Fatihah.

This is something from the barakah, blessings, for this holy month. What I am hearing and what they are making me address to people is heavenly pleasure for the honor of this most honored month, shahr Ramadan Mubarak, the blessed month of Ramadan!

O People! Take care to do more of ihsaan in this month. May Allah forgive us.

(39 minutes)

(Mawlana Shaykh speaks with Shaykh Hisham Effendi on the phone.)

(Mawlana Shaykh prays two raka'at Salaat ash-Shukr.)

## A Heavenly Warning

Audhu billahi mina sh-Shaytani-rajim Bismillahi r-Rahmani r-Rahim

We are in (a) holy month, perhaps next week (already it is) going to finish. Going – coming. If coming, must go. Who is not coming, is not going. Who is coming today, must go tomorrow... Ramadan (was) coming – (so it) must (also) go. If we are not going, (there will be) no room for others.

We like our parents to be with ourselves, but after a while we are saying: “When are they going?” Even Kings or Queens. Their crown-prince likes to be (with) his father and mother, royal family, to be King and Queen, but he is also asking: “When is his Majesty, my father, going?”We understand – just he reached also silver jubilee, golden jubilee, asking to be diamond jubilee...“No meaning (to become King) after reaching old age. I must be on (the) throne, when I am young. When I am getting older, getting old, they should say: ‘Old King’. But a young King is something else. Young King, everyone may run after me, but now I am an old King, no one (is) running after me...And I can’t eat everything, I am going to be on diet – no meaning, when I am going to be old King, (that) everything (is going) to be (like in my) young time.”

We have a word in Turkish language: ‘genc’, meaning ‘young’, and ‘genc’ really (comes) from (the)

Persian word ‘kanz’= hasine, treasure; and our lives’ most valuable period (is) when we are young ones. After that (we are) going to come down, slowly, slowly coming down.

We are thinking that we should be always young ones – youngsters (are) thinking in such a way – but suddenly they find themselves in old age. And mostly (now) young people (also are) passing away quickly, because technology is killing (them). (It is) not like before. (There are) so many reasons for youngsters dying ‘for the honour’ of technology – but no honour for technology! Technology is really cursed on Heavens, because (it is) making people to get away from nature. Technology (is) imprisoning people in its material cells. Now man can’t get out from these material cells; everyone has a special cell, (everyone is) surrounded by technology and technology (is) preventing man to reach to their nature that we have been created from earth, but technology (is) preventing that and asking to make a new atmosphere for mankind to live in it and it is all out of humanity!

Now every trouble that you are looking and witnessing through East and West, from North to South, all troubles’ main sources is from technology. Technology (is) making people or trying to make all people as robots: ‘Eat, drink and ride on that one’ – nothing else! Like hen, like birds. Technology (is) trying to bring artificial turkeys, artificial hens, artificial chicken, artificial cows – and everything that is artificial is against (the) Heavenly Rules of the Lord of Heavens, and all troubles (are) coming after that involvement of man.

Coming [...] of Heavens, but the representatives of Satanas (are) making everything for the sake of Satanas, even making man not to say: “O our Lord!”, saying: “It is forbidden! You must not say that everything is under Heavenly Control. You can’t say this!”

Now everywhere there are earthquakes. If a person (is) coming and saying: “O people, it is from the Lord of Heavens”, they may call you to court! Satanas (is) ordering: “Look that person! Don’t leave him to repeat that word once again! Take him away, punish him! You must say (that) it is from nature: underground (there are) running rivers of fire and making some ways, burning, burning, and pipelines... Like mine-companies going underground, taking out mines, now underground there is fire, running around, burning, then it is going to be big holes and then sometimes these

pipelines are running after a big city and when running, making that earthquake”...

I am saying: “It is not a true description! You must say: (There is) someone on (a) horse running after that pipeline and when (he is) angry, making his horse... hitting, and then this (horse is) making up and down, (and) then this earthquake (is) coming”...“O Sheikh, something wrong with you?!” “No, I am much more closer than people to understand from that pipeline! (Because) you say: ‘fire not burning without oxygen’. Underground – where is oxygen? (A) volcano (is) coming (breaking) out, (and) fire (is) coming. You say: ‘oxygen must be for fire’, but this fire, how (it is) coming underground?”

(It is) all theories! They say (that) this is real knowledge, but I say: “You are real ignorant ones, trying to cover haqiqa, reality! You don’t like that people know something about the reality of Heavens! You are liars! You are representatives of Satanas!” And every time you come – some people come – and say to me: “(A) scientist, ‘bilim adami’, (is) saying like this, like that.” Scientists saying! If we are saying: ‘A Prophet (is) saying’, (they are) not giving value, but if we say ‘(a) scientist said this’, (they say) “Ohhh!”

Therefore – Allah Almighty, the Lord of Heavens, (is saying in the Holy Qur’an): “...wa qarna fii buyutikunna wa la tabarrajna tabarruja l-jahiliyati l-ala.” [Qur’an, 33:33, O wives of the Prophet: And stay in your houses and do not beautify yourselves with the bedizenment of the first time of ignorance!]

Allah Almighty is saying (that) just the time of the Seal of Prophets – SallaLlahu ualayhi wa sallam – (it) was the time of the darkness of ignorance, and (that there was) coming from Heavens a new light for (en)lightening people for understanding about themselves, about their life, about their world, about Heavens, and that light came and slowly, slowly, slowly (it was) coming (down again)... And the Holy Qur’an was saying (that) the women of the time of the Prophet were decorating and beautifying themselves, making themselves (up) in such a way that men may run after them. (At) the time of ignorance women were taking much more (of) such things (like make-up etc.) to be seen that they are beautiful, and Allah prevented believers (from this, saying) that women must not show their beauty to anyone else (except) their husbands and relatives.

The word that Allah Almighty used there, ‘jahiliyatu l-ala’, first ignorance, (was) signing that (there was) coming another time of ignorance, ‘jahiliyatu l-thani’, and it should be when (the) Last Days (are) approaching; (then it is) going to appear.

Allah Almighty (is) ordering women not to be amongst men. Women must keep their positions through their homes, looking after their husband and their children, to give good behaviour to their children. (It is) forbidden for women to work outside, but people are not listening (to the) Holy Orders of the Lord of Heavens. (And) it is also (the) same in Christianity as well as in Judaism. In (the) Old (Testament) and (the) New Testament (there is the) same order, but now people (only) follow Satanas.

Ignorance now, it is (a) new fashion – if you are not following Satanas’ theories, you are out of this community. They say: “Go away, you are yet living in the time of these people whom they said stories of the old times. Their description or knowledge (is) from Prophets only to say some people; always (these Prophets were) speaking old histories of past time people; (it is) no more (than that).” And we reached now to a position that mankind (is) going to finish. (The) Heavenly Order (is) coming on earth and making some signs, giving some signals for mankind (to warn them): “O mankind, don’t try to trespass!” People (are) getting out too much (of) the(ir) limits, (they) passed more than it is given to them to be, they passed (the) limits that Allah Almighty (was) putting there (a warning, saying): “Don’t pass! After this point, it is forbidden, prohibited! Caution, warning!” (But) people say: “We are not listening.”

You are not listening?

Now they are very fearful when (there is an) eclipse of sun, fearing! Before, they said: “No any effect from eclipse on earth”, but through (the past) 5o years or (through the) 20th century they (could) take enough lessons that (always) something (is) happening after (an) eclipse of the moon or the sun – but more of the sun. They tried it.

Now just at the beginning of the Holy Ramadan (there was) coming (an) eclipse of sun. Even in Syria schools (were) closed (down), because (it was) going to be really dark and students may be

(harmed)... and just after it happened this earthquake. And (before) another, (a) full moon eclipse (was) coming and coming Tsunami. Just came!

"...wa idha l-biharu fujjirat" and there is "sujjirat" also. (The) Holy Qur'an (is) saying: "(There is) coming on people a time that seas are going to get out and make big waves and rush on continents, on mankind." (And it) happened! Then, 1991 or '95, in August, happened a full eclipse. I prayed hours until (the) eclipse of sun (was) opening; I prayed here with my derwish people and (it) passed and (it took) so much, so long time. (And there was) coming (an) earthquake, (and) perhaps half a million people passed away, but (the) government (was) not saying (the truth)! In Turkey (it) happened. They have taken their lessons!

Now that happened! (And) now they say (also): "(On the) 29th of March (there is) going to be (a) full eclipse of sun", and (so) people (are) fearing (now), because (they are) living in concrete buildings. And I am saying: "Come down! Don't go up like Nimrod!" Nimrod built a huge tower. "O people, you are going up too much, come down!"

Everywhere they destroyed (the old houses), but (they are) building buildings and building (them from) concrete blocks and (then they are) coming down (when there is an earthquake) – concrete (is) making them like Chapatti. In India people (with)in hours (were becoming) like Chapatti... (the earthquake was) making (the houses) like this, up...(and they are coming down,) because (they are) all concrete buildings... Therefore I am saying to people: "O people, leave that (concrete buildings!) Make mud homes and make them one or two floors (only)."

I am trying to make (here a) new center – from mud. I don't like this (concrete building that they are building next door), but one of our foolish brothers (was) making this (without asking me). I am going up to the mountain to make a mud (center there). If (an earthquake is coming) like this (shaking the houses from the sides), (houses) can't move, (if it is coming) like that (from underground), also never (anything is) happening, (because it is built) with this wooden (construction), not concrete. If anyone (is) coming to make (a) concrete building (there), I am throwing him away: "Go to India, make concrete buildings there!" Everywhere old cities (are) finished, old villages (are) finished, everyone (is) making homes from concrete blocks. (When they are) falling on them, (they

are) making them (to be like) Chapatti... Now people are crying... And before, (this happened to the) Iranian people also – (their houses were) falling on them!

You must come back to nature!

Now they are coming and saying: “Ehhh...” “What happened?” “You heard about that virus? Bird flue!” “How happening this?” “There is a virus and making this injection to every bird and just all (the) world (is) full with bird flue...”

Do you think this is a sign of mercy from Heavens? You think by burning birds (you can prevent it)? It is haram through all Holy Books to burn, you can’t even burn one ant! Burning millions of birds, for nothing, but they are atheist people, saying: “No God.” Astaghfirullah!

Allah should punish mankind on earth, and if His anger (is) coming, He is able to create another virus – for mankind, (so) that through 24 hours never living (even) one (person) on earth – at least half (of the) inhabitants of the world should pass away!

Beware! Come and accept truth! Don’t go to be with those foolish and drunk scientists! Listen (to the) heavenly messages, [...] heavenly warning, take care for heavenly caution. If not, no one can save you. If (you are) going to be [...] Satanas can’t do anything. Beware, o people!

May Allah forgive me and bless you! Blessings (are) only coming after forgiveness. First we must ask forgiveness from our Lord for our wrong ideas, wrong actings against His Heavenly Orders. (First) He gives His forgiveness, then (He) blesses you, blesses ourselves.

May Allah bless all mankind, for the honour of the most honoured one and most blessed servant in His Divine Presence, Sayyidina Muhammad – SallaLlahu ualayhi wa sallam – al-Fatiha.

## Heavenly Warning For Friends of Shaytan

(Mawlana Shaykh stands.)
Dastoor yaa Sayyidee, madad yaa Sultan.
Allah Allah, Allah Allah, Allah Allah, `Azeez Allah
Allah Allah, Allah Allah, Allah Allah, Kareem Allah
Allah Allah, Allah Allah, Allah Allah, SubhaanAllah
Allah Allah, Allah Allah, Allah Allah, Sultan Allah

O our Lord, O our Creator! Yaa Rabbana! Yaa Rabbana! Yaa rabbighfir w 'arham wa anta khayru 'r-raahimeen! All praising and all glory to the most honored one in the Divinely Presence, Sayyidina Muhammad (s), to be on him from pre-Eternal up to Eternal. We are asking forgiveness and his intercession for his weak ummah. (Mawlana Shaykh sits.)

Dastoor yaa Sayyidee. Dastoor yaa Sayyidee, madad. Thumma 's-salaam, then we are giving our greetings to our master, pole, qutb of this world, that the whole world is under his control. He is controlling, and we are saying as-salaamu `alaykum to our listeners. Allah Almighty gives to you much more honor and much more lights that you are trying to be present for this meeting every night or every day. Every day blessings are on you also! Allah forgives you and forgives me.

We have been ordered to say as-salaamu `alaykum, because salaam is bringing peace on you, and on whom is giving an answer on it, wa `alaykumu 's-salaam wa rahmatullah wa barakaatuh. Whoever is beginning first is taking more blessings, honor, and lights. Therefore, the holy sunnah is to begin with as-salaamu `alaykum.

Allah is granting from His endless Mercy Oceans and His endless barakaat, blessings, it is not the same, but it doesn't matter. Now we are saying a'oodhu billahi min ash-Shaytaani 'r-rajeem, as the beginning. We are taking our safety to be under divinely safety. We are in need to prevent the most terrible and dangerous enemy, Shaytan. When we are saying a'oodhu billahi min ash-Shaytaani 'r-rajeem, we are making ourselves under heavenly protection, and Shaytan is running away. Therefore, we are always saying , a`oodhu billahi min ash-Shaytaani 'r-rajeem, (meaning), "O our Lord! We are running to You from shaytanic tricks and traps." Shaytan is running after Mankind to make them to fall into his trap, and when a person is going to be through Shaytan's trap, it is difficult to be taken out. Therefore, beware of Shaytan's tricks and traps. If you are getting a protection to be in safety from shaytanic tricks and traps, you can do what you have been ordered through salaat, prayers.

First of all, when praying one must say a`oodhu billahi min ash-Shaytaani 'r-rajeem to make Shaytan run away from him. It is enough for weak ones to say it once, but holy ones from awliya are saying that it is sunnah and enough to say a'oodhu billahi min ash-Shaytaani 'r-rajeem at the beginning of the first raka`at. But the ahlu 'l-azaaim, the high-level servants, are saying for them it is an order at the beginning of every raka`at to say a'oodhu billahi min ash-Shaytaani 'r-rajeem. First when you are saying a`oodhu billahi min ash-Shaytaani 'r-rajeem, Shaytan is running away, and looking if you are getting up for second raka`at, (and he is) also approaching to throw in it something to make your prayers not 100-percent clean. Therefore, if for every raka`at if you are saying a`oodhu billahi min ash-Shaytaani 'r-rajeem, you are preventing Shaytan from approaching, and so on.

And for every meeting or every association that we are in, we must use a`oodhu billahi min ash-Shaytaani 'r-rajeem. It prevents Shaytan and he cannot come and write on you. If you are not saying this, Shaytan is coming and riding on you and making you his donkey. Now you are seeing and you may say 100-percent, or if you like to say 99-percent, doesn't matter, but now 100-percent of people are under shaytanic control. If you are giving your control in the hands of your enemy, what do you think it shall finally be? Taking you to a safe

place? Can't be, but now, people are saying for Shaytan, "O my best friend, once again you are with me."

"Yes sir, I am with you always, but you are not putting your eyeglasses on to see me. How are you seeing me?"
"I am seeing such an ugly face, a dirty, dirty and dark, black face. "
"O really? I am following you, but I am sorry I am following you."
"Don't worry. Follow me because I am such a good leader for you, for your family, for your country, and for the whole world. I am that one, you must believe in me, O my best friend."
"I am sorry to look to you in such a way, you are so ugly one."
"No, that ugliness, O my friend, it is because I am like a mirror and you are looking in the mirror and that ugly face is your face!"
"Ptuu (spit) on that face!"

Now people are saying for Shaytan, "How are you cursing our best friend, from whom we learned everything for modernized living or modernizing? We are learning from our best friend. When we are asking for his name he is saying, 'Are you not recognizing me? I am Mr. Farkarolafi.'"
"I have never heard of such a name."
"Yes, if I am saying my name is James, or Popins or Shaytan ... or Gretatic or another one, then you are taking and Egypt or from other countries, they shall be very angry. Therefore, I am using an unusual name that you never heard of."
"What was that name, please my friend?"
"Mister Farkarolafi? Such a name you have never heard. Yes, I am keeping my friends to not make them angry with me, but they are never getting angry with me because I am quickly making them get happy, saying, 'O my good friend, please taste a couple whiskey, and your looking is going to change about my face. Drink it and look to me, you shall find me the most handsome one among people.'"
"Who is that one?"
"O my darling, don't ask. You are sometimes sitting and sleeping; it is a dream."
"I don't think so, O my darling, it is not a dream, but it is a real vision for me."

Shaytan is using so many tricks to make people happy with him, saying, "I am your best friend. Please drink this once again. You shall find me so beautiful; drink a third cup and you shall find me as the most handsome person through this world, and fifth, sixth cup, you shall say, 'O my best one, who is bringing me in life.'"

A`oodhu billahi min ash-Shaytaani 'r-rajeem, Allah protects us! Now Shaytan is the best friend for everyone, men and women, male or female, making the female (to be) men, making male (to be) women. Making a female, a man. Changing everything.

People are saying, "O we are living in the 21st century. O my friend, that is what is coming to my memory. Sometimes I think someone is speaking to me in my ear and that is disappearing and I am coming to think on it deeply. But when I am going to think on it deeply, another one on same type is coming and saying, 'O my friend, what are you thinking? Your face looks like just before someone is coming to me, and I think that you are his representative.'"
Yes sir, I am only his servant, but our leader is someone who is never ashamed from anyone, not even his Creator! Such a foolish one, and ordering me to come to teach you, and if you are asking such an honor that we have been granted from our master, if you would like to drink, have another."
He is saying, "O my darling, someone is speaking to me, but I am never finding that one."
"O my darling, you are sitting and dreaming; nothing is happening. Don't say once again such a thing. People may say about you that you are becoming a mad one, losing your memory and speaking such strange words. What are you drinking?"
"I am drinking whiskey." A`oodhu billah!
"No, you must drinking champagne, it is much more powerful in making your memory strong, and you can speak like Hitler! In east or west there are so many friends of Shaytan. You are going to be like that one. Keep yourself! Always continue drinking champagne if you are asking to have a good memory and be a respected one; at least daily you must drink one bottle of champagne, daily one bottle."
"O my darling, I tried it but when I am drinking one bottle, I can't walk."
"It doesn't matter, there is a big basket that owner just prepared. When you are entering you are looking that there are ten or more baskets. If you are drinking, and your mind changing, your view changing, and you are imagining working much more, then you can't be able to walk, taking you, putting you in a basket, and carrying you. Don't worry!"

I am making a theater for modernized people; they should be happy with my speech! (laughter) That is a dirty life that only Shaytan is happy with such dirty people. Sadanas' importance is to make people in such a way, to be put in a basket and to be carried behind a car, because they can't put through cars, everywhere it is

full with dirtiness, from their mouth and under, they are such dirty ones, that the owner of cars saying, "We can't carry this person inside."

Therefore, open the trunk and put him there and close it firmly, because may find a way to open it and then falling down, then government who is also like him coming to ask a punishment. Therefore, they put him in a basket and put the cover on it with ropes tied, that people may look and say, "Those people are westernized and they are the most modernized people that ever happened, ever found."

People are coming around, and when they are coming to his place, people are running around, coming to take the basket from the trunk, and people are making, (claps and makes sounds of cheering). "O our first-class man! Monsieur, monsieur, trunk just arrived and they are making for you (claps and cheers)!"
"O my darling, what is happening?
And his darling saying, "O my darling, we just reached home."
"Am I sleeping in my bed? Where am I?"

That is the 21st century civilization! You may be honored, O European people, and O western people, and you are followers! You may be proud to be people in such a way, but your Lord's hammer is ready to come on you! Now there is a little bit of silence from western people, all the troubles are throughout the Middle East or Far East, but your turn will now come, coming to you also. Sometimes they are showing the BBC Weather News, that it is coming close like this, like this, like this on them. Now it is coming, a cursing going around this world, and coming suddenly on people and taking away the majority of people from this dirty life!

O People! Come to Islam! O Salafi `ulamas! Why are you not standing up and saying to people, "O people, come into Islam?" Yet you are running after us if we are making salaat was-salaam or we are asking for intercession, you are attacking us! Why are you not standing up to attack modernized western people to save them from their dirty life? Why are you not standing up and crying, "O Europeans! Come to Islam, come to a clean life and merciful life, come make your Creator happy with you!" That is the majesty of Islam, but you are not taking care. You are only a handful of people running from one mosque to another mosque, saying not to say, As-salaatu was-salaam `alayka yaa Sayyidee, yaa Rasulullah! May Allah forgives us!

O People! Islam is only cleaning dirty life from Earth, nothing else. innama 'l-mushriqoona najasun, Those people (mushriq, polytheist) from the dirty life can't be clean, even you may put on them oceans. Salafi

`ulamas, why are you not saying that the Lord of Heavens is saying, innama 'l-mushriqoona najasun, and tanween, ta`zheem wa takbeer, that you can't find any word to make it so clear! Allah Almighty's show to the whole nation that whom they are not following the Last Message of the Holy Qur'an, and the Last Messenger, Sayyidina Muhammad (s), they should be in dirtiness! Yaa Sayyidee, yaa Rasoolullah! (Mawlana Shaykh stands, sits.)

If you are trying to use whole detergents, or other cleaners, or if using ocean's waters, they can't be cleaned, najasun (filthy ones that cannot be purified).Why are you not saying, Salafi `ulamas? This is another point that they are making me to speak and to address to you particularly. You are in holy lands and you are claiming that, "We are the best `ulamas." What are you doing? Allah Almighty is ordering `ulamas to be speakers, to make the realities from the Holy Qur'an to people. Why are you not doing what is waajib, obligatory for you? Don't attack weak people, asking, "Why are you saying as-salaatu wa 's-salaamu `alayk?" Leave that, it is not the way of real `ulamas. Leave Muslims and attack on modernized shaytanic territories! You must do that, if not Allah Almighty sawfa yantaqim min kum, taking His revenge from you, making you forget everything and you should be empty-headed people!

That is another heavenly warning. If anyone through the Islamic world or through the whole world can say, "You are a wrong one," you may come and speak. I am only a warner, nazeer.

Allah Allah, Allah Allah. May Allah forgive us. As-salaamu `alaykum.

Fatihah.

Dome Dome, Dome Dome, Dome Dome, Dome Dome 6x

O our Lord, O our Lord forgives us! We are all sinners and we are in need, really in need for Your most beloved and honored servant's (s) intercession. Grant us, O our Lord, for the honor of your best and most honored servant, Sayyidina Muhammad (s)! (Mawlana Shaykh satnds, sits.) Zidhu yaa Rabbee, sharafan wa karaman.

Fatihah.

Allah Allah, Allah Allah, Allah Allah, Allah Allah. (du`a)

(45 minutes)

(Mawlana Shaykh happily speaks on the phone with Mawlana Shaykh Hisham and Hajjah Naziha.)

**A heavenly Warning - hear, listen, and obey!**

Ohhh, ya Rabbi, Sen Bilirsen, You know!
Destur, ya Sayyidi, ya Sultanu-l Awliya, Meded!
As-salamu alaikum!

That is our weekly meeting, because people they are taking their freedom today. All over the world they are taking Sunday to be free and heedless Muslim World also they are taking care for Sunday. Saturday was Jewish people holy day, Sunday, it was holy day for Christians. And Allah Almighty (is) granting to Muslims, the nation of (the) most beloved servant of Allah Almighty and (the) most praised one, S.Muhammad sws, for his nation, (as the) holiest day Friday, that Friday it is (the) most important day here and Hereafter.

According to people's situation- because you are not free for other days except Sunday- we are sitting (here) and speaking and warning of something and also we are- Huuu!- urging people for something else. Therefore we are saying: Welcome to you! And first we must say our Lords

Holy Name and begin (by): Audhu bi-llahi mina shaitani rajim, Bismillahir Rahmanir Rahim!

Shaitan, who (is) representing every badness, every kind of disobediency Shaitan he is representing; he is representative and representing to all nations. That is his mission. (The) mission of Shaitan, what it is, you must know!

Meded, ya Sultanu-l Awliya, Meded, ya Rijalallah!

Through East and West whole nations, mankind, must know some points, (so) that you can be happy here and Hereafter and you can be in safety here and Hereafter.

First of all- therefore we are saying: Bismillahir Rahmanir Rahim, by the Name of Allah Almighty All-Merciful, (the) Most Beneficent and Most Magnificent!- may Allah give us a power to speak and to call people (to) obediency (to Him) and to warn (those) people, whom they are running on the way of disobediency (towards Him).

That is (the) summary of prophecy, (the) summary of whole heavenly Commands. He Almighty (is) asking from His Prophets to call people to obediency- to whom? (To Him,) who created you- He (the) Almighty!- and (the) Prophets (are) calling you: “O people, be obedient to That One that created you, created you from nothing!”

From nothing (He) created you; you wasn’t in existence. (Those) that they are now attending this sohbet, association, coming here, you wasn’t in existence; before 1oo years ago, no one (of you was) here. Who (was) bringing you (here)? You wasn’t (the) day before in existence, and after tomorrow you are going to be also not in existence. How, which one (is) bringing ourselves in existence?

Yes, that is something from traditional Knowledge that (is) reaching to people from Heavens. I am sorry to say that people now they are never taking any care (for) such a Knowledge; that traditional Knowledge that (is) coming from Heavens. They are fully denying it; fully denying and they are following Shaitan and its ways.

Allah (is) calling people through His Prophets to His obediency and Shaitan, that one, (is) calling you to disobedience. Allah (is) calling you to be obedient servants for Him Almighty and Shaitan (is) saying: "No, don't be obedient to anyone except me! Who may come with me, should be happy here! And don't believe (in a) Hereafter." (He is) saying this. Shaitan (is) making people to deny (everything) beyond this life, saying: "Don't believe; follow me and you should be happy here. Don't believe for (a) Hereafter; that is 'asatir', histories from old nations, like fairy-tales!"

They are looking for Holy Books and their knowledge that (they are) bringing as fairy-tales. Someones may read that Books only to look what it is in it (they are) not asking to follow it, to believe in it and to keep the ways that (they are) showing ourselves. No, only they are looking what it is written in (the) New Testament or in (the) Old Testament, or... mostly world people they are not asking to look, to know, what it is written, what it is in (the) Holy Quran, but they are reading their holy Books- (the) Old Testament, (the) New Testament, Evangelos and Taurah. Then Shaitan (was) making every kind of cheating and changing so many verses and you can't know, which one is original and which one is not, (but) imitated. Only on (the) Holy Quran. (The) Holy Quran (is) only one; not 'according to Mathew', 'according to John', 'according to Markos', 'according to Luke'- what is that 'according (to)'? Who is that 'according (to)' you are saying?

And they are trying to make Muslims and their Holy Book ‘istihsa’, joking. Your Book, what is your Book? 4 Evangelos? Evangelos coming one or four? It was 4oo and more (versions), but then they (were) burning them and killing that Bishops (who brought them to the Council of Nicea)...

(Sit down! If not listening, don’t come!)...

Allah (was) sending one Taurah, one Evangelos, Ingil- (one) Old Testament, (one) New Testament- and (one) Holy Quran.
(The) Holy Quran now (is) like (the) sun- shining! When (the) sun (is) shining, stars they are going to disappear, finished!

Therefore- Allah Almighty (is) saying through His Most Beloved Prophet S.Muhammad sws: “Say to people that (there is) no more a(ny) new Book or no more any new Shariat coming! No more Prophet (is) coming!” How it can be? Ya Hu! And some foolish Muslims- their name Muslims- they are encouraging themselves to say: “We must do a renewment in Islam!” Who are you, ya Shaitan! For what new, renewment, in Islam? When (the) sun (is) shining, you are asking another sun? What is that foolishness! If (there is) no moon, you may look (to the) stars, you may find your way, but when (the) full moon (is) coming, (the) full moon (is) giving much more lights on earth.

But it is not enough. Therefore Prophets that passed away, they were only for their nations or tribes, not for (the) whole (of) mankind. But the Seal of Prophets that (he was) just honouring this world before 15 centuries ago, when his sun (was) shining. When (the) sun (is) shining, (there is) no need (of) electricity to look, where it is something, no need! No, (it is) sun!

But those heedless Muslims (whom) they are thinking (that) they are some

important ones- they are so ignorant ones- (they are) asking to make (a) renewment! First mentality (is) never accepting after sun another sun to come and to make clear. One sun (is) not clear enough for us, to look everywhere? For what (they are) asking another sun or to make something on sun?

“O Sheikh, we are asking new rays for (the) sun to make it energy for our cars, because oil (is) just finishing!” Insha Allah (it is) finishing. Insha Allah (it is) changing their oil, petrol, to be water! Or to disappear underground, finishing, no more reserve! If Allah Almighty (is) ordering (it), one hole may open and... (sucking the oil in)... “What happened?” Ling lang, ling lang, ling lang... “These machines (are) never bringing anything- what happened?” Ask (Him), don’t ask me. He can do everything!

O people, come and believe in Islam! That is the perfect belief, perfect actings, perfect rules, perfect perfection on earth! If you are not doing that, you are never going to be successful after tomorrow, finished, finished, finished... May eat mankind some of them some others! If not coming raining from skies, people may eat someones some another ones...

Just reached to me from traditional knowledge that just happened no rains, (a) draught. (It) may happen; it is written through our traditional Knowledge some events that happened for mankind- and we are asking forgiveness from Allah Almighty!- that people they reached on such a position (that they had) nothing to eat or drink. They were going to cemeteries and digging some graves and they were saying: “Maybe this is a new buried person (and) we may take him out and we may cut his flesh, we are eating...”

O people, fear from Allah! Now He is looking and hearing what we are doing! He granted us everything and we are not saying: “You are Allah!” We are not making Sajdah for him, we are not believing! May come (a) fire on them; fire, but (He is) not sending (it) from Heavens, (but a) fire among themselves... Some of them they were cutting their children and eating, (because there was) nothing to eat...

A history through traditional Knowledge that (is) reaching to me also: Once in one country, in one territory, just (was) found a big treasure. They were so happy that it was found??? and they were informing (the) King of that country that: “We found such a treasure” and (he was) coming and looking, opening (it). There was a leather, deer; on it (were) written some writings and (the) King ordered (it) to be taken and to be read: “It is a declaration or it is a reminding (to the one) who found it, that is my declaration: that that treasures all they were mine; (it was my) Sultanate’s treasures. I was the malik, (the) owner, (of) that. O people, I was such a rich King and Emperor, but I was so proud and I was doing everything that I wished to do; I was thinking that my life, my glory, my dominion, should continue forever. But then the Lord of Heavens (was) sending to my country (a) draught that day by day everything (was) going to be dry; no more skies (were) raining, no more rivers (were) running, no more wells (were) bringing water (and) no more springs- (there was) no more anything from water and (everything was) becoming everything dry and finishing...people (were) dying by hunger or thirst.

I was the owner of this treasure- now you reached to it- I was in need to find a piece of food to eat; I am not finding through my huge castle (anything). (There was) nothing! (So) I ordered my soldiers to fill one bag (with) golden; it was (pieces) like dates (in a) basket from grass,

from palm trees: “Fill that basket (with) golden and go through that city. Ask! If anyone (is) giving one piece of food to me, give this to him!” And they take and (they were) going around and (they were) coming later and (they were) saying: “O your Majesty, we can’t find anywhere (anyone) who (is) accepting one basket of golden and (who is) giving one piece of food, because they haven’t.” “Then, if (it is in) such a way, put off this basket and fill it with jewels that each one may be more expensive, valuable, from one basket gold! Full it with jewels (of) every kind and take (it) and ask people! Perhaps they may be happy to have this; if they are keeping something for themselves (to eat), (they) may give (it) and take (the) jewels!” And (the) guardians (were) going around, going around, going around, finding nothing! “No one (was) saying: ‘We have a piece of food, take this’ and to give to you! Then (they were) coming and bringing (the jewels back) to that Emperor. He ordered: “Finally, what I can do? O my guardians, grind these jewels; make it like flour, powder, and put on it a little bit (of) water. Make it and I may swallow it, to stop my hunger!” And they did (it) and I am eating. Then this (was) making my stomach not to work, my digestion system (was) just stopping, everything, and I died through hunger... O people, don’t be cheated with your treasures, with your castles, with your glory, with your kingdoms, with your richness, with your golden, don’t be cheated! I am that one that I just died from hunger!”

O people, fatabiu, take (your) warning! Now people (have) no mind; they are only asking to collect much more, much more, much more... They are not asking if Heavens (are) stopping from raining, what it is going to be? O people, come and be obedient to your Lord Allah Almighty! If you are not doing that- He may give a punishment that you should be for others ‘ibra’, example!

But people they are drunk now, drunk; they never hearing or listening or obeying to their Lord, even (they are) not saying: “You (are) our Lord, forgive us!”

Now (His) punishment (is) coming closer, approaching... (The) cursing from Heavens (is) approaching... I am asking forgiveness!

Therefore- at least daily you put your forehead for your Lord for Sajdah

and at least you must say 7o x : “Astaghfirullah, Astaghfirullah,

Astaghfirullah... O our Lord, forgive us!”

If (you are) not doing (this), whole nations... “...wa ma thalika ‘ala-llaha aziz...” It is not a big thing (for Allah Almighty) to destroy everything on this world in a second!

O people, put fear of your Creator through your heart and be obedient servants! Give (your) most high respect for your Lord Almighty Allah, to be in safety here and Hereafter! Wa-l hamdu-li-llahi Rabbi-l ‘Alamien! For the honour of the Seal of Prophets, I am asking forgiveness, Fatiha...

...I am hearing they (South Africa people) are very rich ones... and they are saving many riches... particularly through Jahannamburg... There is a city, they are saying: Jahannamburg... “No, Sheikh”, they are saying, “it is Johannisburg!” It is not real, (it is) Jahannamburg it is better...

Never (they are) giving anything for charity for mankind and Allah (is) giving them that richness to make more charity, but they are saving... As some people in Cape Town also they have (a) cosmetic (factory); (cosmetics) that (are) making beautiful ones ugly and ugly ones making (them) more ugly... They have perhaps trillions of Dollars, but (they are) never giving (anything) for any charity...

“How you are knowing this?” Ya Hu, if I am saying something not real... I must bring a proof: If they were doing that- (those) big company cosmetic people and (they are) saying: “We are Muslims”, their charity must reach to me also on this island...

But I am not in need, they are in need (to do that)!...

„Ehhh- X., Professor X.!“ (“Salam alaikum!”) “How are you Sir? Let them to collect much more Dunya! They should be buried among their Dollars and Yens and Euro! They are making their Tesbih: “Euro, Euro, Euro...”, some: “Dollar, Dollar, Dollar...”, some: “Pound, Pound, Pound...” This is a heavenly Warning!

May Allah bless you and change our ways from Jahannam-Way to Jannatu-l Firdaus! My Salaams to everyone who (is) listening (to) Allah Almighty’s Orders and (who is) trying to make Him happy and pleased with them, Amin!”

Allah Allah, Allah Allah, Allah Allah, Aziz Allah,
Allah Allah, Allah Allah, Allah Allah, Karim Allah,
Allah Allah, Allah Allah, Allah Allah, Subhan Allah,
Allah Allah, Allah Allah, Allah Allah, Sultan Allah!...
Forgive us, o our Lord, for the honour of Your most beloved servant S.Muhammad- peace be upon him- Fatiha!

**A heavenly Warning to all nations!**

Meded, ya Sultanu-l Awliya, Meded, ya Rijalallah!

Allah Almighty, He is saying through (the) Holy Quran for whole nations: “Fa dhakkir- fa inna dhikra tanfau-l mu’minin! O My most glorified and most honoured one through My divinely Presence, you, o Muhammad sws, remind My servants”, because reminding may give some light to them, to clear their ways, to know, where they are going! That is (a) heavenly Order from Allah Almighty.

And we are now reaching to (the) holy Ramadan, (the) fasting month, (the) most glorified month through (all the) 12months. Tonight it is going to be (the first night from this holiest month of (the) year, Shahru Ramadan, (the) holy moon of Ramadan. Tonight believers (are) going to pray (the Tarawih (prayer), 20 Rakaat, and tomorrow- tonight, insha Alla,- we are going to intend for fasting, according to (the) holy Command of Allah Almighty. And it is our intention, we are asking from Allah Almighty, to give us enough strength to keep (the) Holy Order that He (is) ordering to His servants to complete 3o nights (of) Tarawih. And this year (it is) going to be perhaps 29 or 30 days of (the) Holy Ramadan.

O our Lord, qawina ‘ala ta’atika hatta yuaddi shay min jihattina an yuhaddim zarra mina ta’a li hudurak, ya Allah! Atina maqdura to be able to control our egos!

The biggest cursing (is) coming on people, when their ego (is) going to be on themselves. (The) biggest mistake for man (is) to make their ego their commander- I am not saying ‘Sultan’. To be under the command of their egos, that is (the) biggest cursing for a person! When you are making your ego commander on you, (there is) cursing forever, never cutting off!

That Ramadan is giving a chance to people to be able to leave their egos and to fight their egos and to be able to control their egos.

Subhanallah, Subhanallah! People now (are) running on streets everywhere! (In) East and West, everywhere, people (are) running and asking: “We don’t like that Prime Minister”, “We don’t like that government”, “We don’t like that Sultan”, “We don’t like that President”- (but) no one (is) thinking to say: “We don’t like our egos to be on power point!” Everyone (is) so happy, no one (is) saying: “My ego is not good! I must bring it down and put my heavenly Power to my soul, to be (able?) to look after myself.” No one! No one! Everyone (is) so happy to be under the Emerate, to be (an) obedient servant for their egos! No one (is) asking to fight and to take their egos down and put their spirituality power on (the) power point! Everyone (is) giving (the) power point to their ego- how this mankind, (the) Children of Adam, how (they) should be happy? They are asking to burn themselves, nothing else! They are preparing (that), because their commander is their ego that it is (the) representative of Shaitan and Shaitan (is) ordering to their egos: “You must kill, you must burn, you must take them away, you must be (the) only one on earth! Don’t give any chance to anyone else!”

Therefore (there is) coming now cursing! If people (are) not changing their

ways, (there is) coming cursing to take away from 5 (people) 4, remaining 1. If (the) population on earth (is) 5 billions, 4 billions (are) going to die, remaining one... (Here someone is sneezing and Sheikh says: Shahida-l Haqq!) It is (a) very terrible time now, therefore I have been ordered to remind whole nations, if reaching my words to all nations:

It is not honour for man to kill man! It is not honour for (a) man to burn a man! It is not honour for a man to destroy countries!

Even they haven't any right to kill an ant, because an ant it has a right to live! You can't kill it! You may say: "O my Lord's creature, leave and go!" That is (a) heavenly Order and it is never going to give you any harm! No harm bringing! Now man (is) getting so oppressors, killing everything, asking to kill everyone!

Therefore Allah Almighty (is) sending on them such a creatures that only they may feel (something), but it is impossible to see them or to do anything on them: (the) Virus! You can see (it)? You can touch (it)? (You) can do anything (against it)? "Wa khuliqa insana daifa." But people (are) running on fire! They are hearing and listening and obeying only (to) Shaitan's commands!

This Ramadan now just arrived and it is a last chance for humanity to make their hegemony on their egos, to take (the) power (away) from their egos and to give to their soul spiritual power! If (they are not) doing (this)- don't cry (about) what is going to happen! Billions, not millions, (are) going (to die)! Fasting is fighting against your egos, to take (the) power from your ego and to give (it) to your soul, to your spirituality. If not, you are going also!

That is what we are saying! And you are here (a) handful people also... I don't know (if) through (the) holy Ramadan (there is) going to be something.... but after Ramadan, I think that (there) should be something! For (the) holy Ramadan maybe Heavens (is) delaying (the) cursing and (Allah Almighty is) looking (at)

His servants, what they are doing and (the) holy Will of Heavens through Shawwal may be in act. When (it is) coming in act, it is not going to stop, till (the) heavenly Revenge (is) reaching to whole nations that they are making their egos Sultan and they are not obeying the orders of (the) Sultan of Heavens! Therefore- who is asking to come here, I may say to them, what (the) Prophet sws said (on) the day of conquer(ing) of Mecca Mukarrama: “Who (is) going to (the) Holy Kaaba- (it is a) shelter- (the) Kaaba (is a) shelter (for them). Who is going (to) that one’s house- (it is a) shelter (for him). That one’s (house is a) shelter... And anyone (who is) coming and getting in his home and (is) closing his door, (he is) sheltered also!” Therefore I am saying now for whole our visitors that (are) coming:

You must be prepared, (prepare) yourself to be... if you may be here 3 days, one week, or ten days- but you must prepare yourself to reach to your homes! Here it is not a sheltered place for whole nations! Therefore we are giving, we have been ordered to say to people:

Whom they have their homes and their children, they must be hurry through (this) holy Ramadan to get back to their homes and (do) what we said; they must close their doors, only (come out) for their obligatory services that they may do, (otherwise) they may be through their homes!

I don’t like anyone to move now from Europe, from East, West, America, Australia... to come here now! Because it (this island) may be closed and no one can move from here! They should be in (a) worst condition- ½ (of the) family (is) here, ½ (of the) family (is) there... I have been ordered to give a warning to people!

If (it was) in such a way, Dunya, (like now, at the moment, it) doesn’t’ matter, but Dunya is not going to continue in such a way! Whole nations lost their mind and mentality; (they) don’t know, what (they are) doing, (they are) only

following shaitanic order! Therefore I am not responsible! I am beginning?? I am saying: Anyone (who is) finishing their visiting, must hurry to go to their home and to keep themselves there and for... themselves (are) going to be (a) shelter (for) so many people!

May Allah forgive us for the holy Ramadan's blessings! For the most honoured one in (the) divine Presence, S.Muhammad sws, may Allah forgive us! Bi hurmati-l Habib, bi hurmati-l Surati-l Fatiiha!

Whom (is) not fasting, whom (is) not praying, whom (is) not obeying- cursing arrows (are coming) on their heads (and) no one can save them...

## People of Syria Beware A Heavenly Whipping

A`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem.

O Syrian ladies! Wear veils over your faces as you should not expose your beauty to strangers. You know that I am not an Arab from other nations who have been honored with Islam, but I am reproaching you for such disgraceful behavior. I am now almost 100 years old, and I've lived years with you and have seen many people. I am not playing games with you! Why would I want to do that? If Syria becomes corrupted, then the whole world must have reached corruption, which indicates the Day of Judgment is approaching! All Syrian scholars must expand their minds and hearts with love and respect to Allah Almighty's commands.

O People of Syria! Where are you? What a pity that your streets are filled with flaunting, unveiled girls and women, decorating their faces with all sorts of kohl eyeliners. I was told that kohl has become expensive in Syria because women use it as a kind of make-up on their faces. Also the spice markets have run out of varnish for the same reason, particularly the red color they put all over, making them resemble chimpanzees. What is that?! Even their men are not keeping their moustaches, making them look like women. You are men!

Glory be to Him who has adorned men with beards and has beautified women with long hair. Now they make hairdos like monkeys! They no longer have beautiful faces, finished. What can I say? A beating cane will come

down on them! I am a poor, weak person who has been ordered to mention these issues to scholars in Syria, Aleppo, Hama, and Hums, where all ladies appear to be flaunting around like monkeys, wearing trousers like men. What is that? It's forbidden for women to imitate men and for men to imitate women. Where is your modesty if you go around wearing trousers, exposing your figure, and highlighting the beauty of your faces?

O Syrian People! This is absolutely forbidden! Where loose morals and bad conditions are rampant, you don't seem to blame it on your own misbehavior. You have corrupted Syria and that's why no rain is falling, no rivers are running, no crops are growing, nor blessings descending.

Why aren’t scholars saying anything? A heavenly warning states, the worst people are those who do not notify others. May Allah send us someone to organize our lives and hearts, and enlighten our faces and hearts. O Dear Lord, forgive us!

Fatihah.

The same goes to the people of Egypt, Libya, Tunisia, Algeria, as well as people of the Gulf region, like Saudi Arabia and the Emirates. They all have the same approach and will be flagged with a heavenly strike. If Allah decides to give the west one blow, easterners would receive two blows because they are failing to observe Allah's Divine Law! Forgive us, O Lord!

Fatihah.

Is there any defect or deficiency in what I've said? If so, you may continue it. They're seen around dancing; your ladies strut about like dancers, and their men are without moustaches, like devilish people who used to cut off their beards and moustaches. This is a very important point! Allah's wrath fell on those nations in which males and females imitated each other! Forgive us, my Lord.

Fatihah.

O Friday Prayer imaams! What are you saying on the pulpit? Why are you not declaring Allah's Commandments, nor explaining the reasons for the corruption pervading Syrian territories? Would you also like to receive a beating for surprising Shaytan at such infidelity on the part of some hajjis? Safeguard and forgive us, my Lord!

Oppression shall never last. If it continues, it destroys. Governments are also recruiting women into their armies. What is that? Where are your noble, learned ones, your noble men? They must object to the recruitment of female youth into the army! They say there is a parliamentary decree. May a curse fall on them! Where is Mr. Ahmad Hasouna, the religious advisor of Aleppo? “How dare you advise people against female recruitment?” O Shaykh Ahmad, how could you religiously authorize recruiting girls along with boys into the army? What kind of divine law gave you such permission? Something that no mountain can carry shall befall you, Shaykh Ahmad! Do your job conscientiously! As-salaamu `alaykum!

When you go to Aleppo, they are no longer making the traditional food like kubbe nor kufta, or any delicious meals. Now, they only place in front of you crusty bread with beans and tea. They tell you the religious advisor is trying to gain the government’s respect and praise, and gain a good reputation for reviving religion to meet the needs of the End of Times. I say that they revived not religion but dissent, and caused ruin!

O People of Syria! Welcome! Where are you? Allah, Allah. I am now almost 100 years old. They may say in courts or governments that this shaykh is senile. “O Shaykh, hold your tongue so they don’t take any measures against you. Otherwise, they may slander you with accusations of being insane.” Those who insult me would be insulting the religious law. No, God forbid! That's why there is a prophetic tradition that says near the End of Times, fitna, confusion, will be created by religious scholars, and to them it returns!

O People of Egypt, Libya, and Tunisia! Shame on you! Don’t you know Arabic; do you know only a little Arabic, like me? Be careful, as my Arabic is excellent, so pay attention! Those who disobey shall receive a beating cane. As per the command of Sayyidi ‘l-Rasooli Akram (a), you must “warn your close relations.” He is a warner and preacher of good tidings. This month of Safar has come to you with a whip that shall come down upon you from the sky to make you regret disobeying Allah Almighty! He will send you merciless, ignorant, oppressive, unfair tyrannical rulers that have absolutely no good trait. May Allah forgive us.

Fatihah.

None of the Muslim Arabs have received such a whip yet, since the time of Prophet Muhammad (s). None of them dares to say that what I'm saying is wrong, God forbid!

Lefke, 26.01.2011

## Heavenly Winds Give Us Real Life

Dastoor yaa Sayyidee. (Mawlana Shaykh stands.) Madad, madad. Madad, madad. Madad, madad yaa Saahibu ‘l-Imdaad. Allahu Akbar, Allahu Akbar, laa ilaaha illa-Llah, Allahu Akbar, Allahu Akbar, wa lillahi 'l-hamd! Allahumma salli wa sallim wa baarik `alaa Sayyidina Muhammad (s), Sayyidi ‘l-aawwaleen wa’l-aakhireen `abduka wa habeebuka wa Rasooluk! Zidhu yaa Rabbee, `izzan wa sharafan, nooran wa suroora, sultaanan wa ridwaana. (Mawlana Shaykh sits.)

Allah, Allah. Thumma as-salaatu wa’s-salaam `ala jami` al-anbiya wa ’l-awliya. Allahuma zidhu `izzan wa sharafan nooran wa suroora, ridwaana wa sultaana. Thumma salaamu `alayk yaa Sahib az-Zamaan. Thumma salaamun` alayka yaa Qutb al-Mutasarrif for dunya, for this planet. Madad, yaa RijaalAllah.

We know nothing. We are asking to learn as much as possible and we are saying, as-salaamu `alaykum, our attenders. We are weak servants. But for the honor of the Seal of Prophets (s), the Lord of Heavens is sending riyaah, that means giving life to people; that wind is coming from heavens and reaching people. Because that heavenly wind gives us real-life-attention, and real-life-power is coming through that wind, as winds in the springtime give life to nature and an opening comes.

In such a way, heavenly winds are reaching from Heavens to some ones on this dunya. Who is prepared for

spring winds, they reach from heavens and give life to nature. And now we are asking for heavenly winds to reach us, to make us blessed ones. That heavenly wind gives us real life's power. Who is asking to be in a good position in this life and after it, must give their attention to accept that heavenly wind to reach their physical being. Then their physical being will take its share, and then their spirituality, their real being.

No one knows the beginning of our spirituality. We may know our tazhahur, our physical appearance here, but when did our heavenly appearance begin, because there is no time there. In the line of pre-Eternal to Eternal, there is no time. And we may say that appearances from Creation Oceans are reaching and coming in existence at any time. Therefore, now on this planet, we are in need of winds to come and give us something from heavenly grants of our Lord. Therefore, whoever is asking to live hayaatun tayyibah, a good and joyful life, must hope to reach heavenly winds. They may say, “We must be ready to receive winds from heavens and prepared for this to come to us.” We are saying this and asking for heavenly winds in every association! They give our physical being and our spirituality pleasures and enjoyment!

O our Attenders! Try to be present at such meetings that are supported by Heavens. Run and take that heavenly pleasure and enjoyment, or you will be on this planet in darkness! Who is entering darkness, fear covers him and he becomes blind! He can't see, hear, taste, or be joyful. But people are running after material enjoyment, which is zero, never giving anything to Mankind.

O our Attenders! Leave everything for a short time and ask for heavenly pleasure through the heavenly, windy waves that reach Earth to accept that one. Ask to reach a real life here so that you will not be dust in your graves! Your physical being also will be protected in Earth; it is not so important, but your spirituality needs heavenly pleasure, satisfaction and enjoyment so that it may also reach heavenly Beauty Oceans. You can't enter those oceans with your material being, no.

Countless thanks, praising and glorifying to our Most Mighty and Most Majestic Lord, the Lord of the all Creation! And we are saying, a`oodhu billahi min ash-Shaytani 'r-rajeem. That is a grant from Heavens. You must run after it to take even one precious stone, one diamond, one ruby or emerald. Reach and take even one! That is a chance we have been granted. Why are you so heedless? In front of you are heaps of jewels: diamonds, pearls, rubies and emeralds! Why are you not opening your eyes and taking as much as possible?

O our Attenders! As-salaamu `alaykum. Say, a`oodhu billahi min ash-Shaytani 'r-rajeem! What they are

making me speak now is a preface to a precious meeting preparing people to reach real pearl, diamond or ruby fields! They are not small ones, but heaps! And if a man is going to be happy with a small ruby or a small diamond, what if he is looking at a heap of shining diamonds? How will he be if it is said to him, "That is for you!"

O our Lord, make that enemy of Mankind to be far away from us! Shaytan comes from so many manfaz, finding so many ways to reach people to make them heedless from huge mounds of jewels. You may enjoy this dunya, but our life is an endless grant from Allah Almighty and our souls are never going to die. After a while our physical being is going to finish and fall dead. But what is pleasurable to Man that understands everything, is the most valuable jewel and it belongs to our spirituality.

O heedless Ones! As-salaamu `alaykum to you once again. All of us are heedless, running after dunya and leaving real, valuable grants of our Lord. That is the last limit of being heedless. But Shaytan's tricks are making people to fall in it. Therefore, Allah Almighty is saying: (Mawlana Shaykh stands)

••••••••• ••••••• •••••••••• ••••••• •••••••••••••••

Wa dhakkir, fa-inna ‘dh-dhikra tanfa`u ‘l-mu’mineen, But remind, for reminder benefits the Believers. (al Dhariyaat, 51:55)

(Mawlana Shaykh sits) "O My most beloved one! Say to My servants that in front of them are so many heavenly grants, such that eyes have never seen or ears never heard, that which never reached our ability to understand. I am preparing that for My servants."

`Adattu li `ibaadee as-saaliheen ma laa `aynun ra’at wa laa udhunun sami`at wa laa khatara `ala qalbi bashr, I have prepared for My servants who are My sincere worshippers, what no eye has ever seen, nor any ear has ever heard, nor has ever come to heart of a man.

O Salafi `ulama! As-salaamu `alaykum, The Wahabis do not understand; their understanding imprisons them in between four walls and they are not able to destroy those four walls to look at what is in existence. They are putting people in prisons, not move in any direction, and people are thinking that Allah Almighty is sending Islam for imprisoning His servants. No! But they are saying, “Yes.” The Wahabis say, “Allah is sending heavenly orders for imprisoning His servants and therefore, we also are imprisoning people in kufr,

shirk, haraam and bida` so that they can't move in any direction!"

No, Allah Almighty is not sending His heavenly orders to imprison His servants!! Allah Almighty is only sending them so that the Children of Adam may defeat Shaytan and its followers. Allah Almighty created Adam and Eve (a) and put them in Paradise, not prison!

O Wahabi people and Salafi `ulama! Understand that you are confining people in a prison! No, Allah Almighty only created Adam, wa askanahum, to reside in Paradise. Allah Almighty created Man to grant them from His endless Grant Oceans, not to put Mankind in prison! But Shaytan is making his followers' life as a prison for Mankind. No! No!

Allah Almighty is showing His servants the first lifestyle, saying, "I have created you for Paradise. Listen to Me, follow Me and obey Me, and you will be here forever. But there will be a most terrible enemy against you, Shaytan. He never accepted to bow down to your father, Adam. Beware of that one; it wants to take you away from Paradise. And beyond Paradise there is only punishment, miseries, sufferings, troubles, bad things, and only darkness; nothing else! I created eight paradises for you, to give to you from My ni`mat, endless grants. But that one, Shaytan, wants to put you in a prison with no possibility to get out, where you are never going to be happy. From everywhere punishment comes and there is always something that gives you trouble, miseries and suffering; that is Shaytan's target! But I have created you and put you in Paradise. I like that you should be there forever. But Shaytan, your most terrible enemy, wants you to be in prison always!"

Awliyaa never like Mankind to be in prison, but Shaytan and its followers always want people be in prison; not to look and see, not to hear and understand, and not to eat and enjoy, but to have a bad taste. Shaytan always wants Man to be mahroom, deprived. Therefore, Allah Almighty ordered His most honored one, "Say to your nation, for their dealings be mu`amalaat with each other, they must follow My command and My wish! I am sending My holy command through you.

••••• ••• •••••• • •••••• ••• ••••••

yassiroo wa laa tu`assiroo wa bashshiroo wa laa tunaffiroo, "Make it easy, not difficult; give good tidings and don't cause repulsion."

O Salafi `ulamas! Marhaban! Are you accepting, or for every step are you putting something to prevent

people from moving? You are doing your best to make their lives hard and imprison them! You never give them heavenly pleasures; instead, you say, “ No, haraam, bida`, shirk, kufr!” How are you giving pleasures to them? How will they move? It is better to say, “O People! Your Lord created you in Paradise and wants you to be there up to Eternity. He has prepared Eternity for you!”

It is a very hard time now, because so many people claim to know something, saying they are directing and guiding people to Truth. No, your guidance never shows people the ways to Paradise! You are always cutting that road, making people to fall into Hellfire! May Allah forgive us.

O People! Listen and obey, love and be happy, and you will be protected. May Allah forgive us, for the honor of Sayyidina Muhammad (s)! (Mawlana Shaykh stands and sits)

Fatihah.

(Mawlana Shaykh prays two rakaats Salat ash-Shukr.)

(41 minutes.) Enough.

Yaa Allah.

How many people? (639) Getting up.

## What Is the Meaning of "He Blew into man from His Spirit"

Madad yaa rijaalAllah. (Mawlana Shaykh stands.) laa ilaaha illa-Llah, laa ilaaha illa-Llah, laa ilaaha illa-Llah laa ilaaha illa-Llah, laa ilaaha illa-Llah Muhammadun Rasoolullah `alayhi salaatullah wa salaamu. Dastoor yaa RijaalAllah. (Mawlana Shaykh sits.) Madad yaa Saahibu 'l-Imdaad, madad. A`oodhu billahi min ash-Shaytaani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem.

O Mankind! You must know what is good for you, or who is asking for good luck for you, or who is asking for a brilliant future for you, or who is asking for heavenly levels, up and up for you. And you must know who is against your existence. That is the most important point that `ulamas must teach, to clarify who is asking for our good future and for our real honor, who is asking for us an Eternal life in countless pleasure and enjoyment and honors and praising from the Lord of Heavens. (Mawlana Shaykh stands.) Allahu akbar! Allahu akbar, wa lillahi 'l-hamd! (Mawlana Shaykh sits.) That is the most important point that `ulamas must make clear for Mankind.

As-salaamu `alaykum attenders! I am a weak servant, but I have a responsibility from heavenly holy ones. I have been ordered, as they like, to make clear our positions, because they are seeing now all the people of the world, all of humanity is never thinking on such things that bring them honor and praisings here and in the heavenly presence of the Lord of Heavens! Humans were not sent here for eating and drinking. People are

imagining or thinking wa `uloom al-`unaasir, (the four elements) that to be in this life is their real target, because they think their last target, from beginning to end, is to eat and drink and fulfill their sexual desires and desires of their material beings. And that is really wrong, because the Lord of Heavens never created Man as animals. We have a special being among all Creation.

At the beginning Allah Almighty said, "I am bringing in existence a new creature." At the beginning, He was declaring the existence of heavenly beings, who know about heavenly beings. Angels' limits are in the heavens, but over heavens there are some other levels that belong to the Divinely Existence. The angels were knowing about that heavenly panorama that they are in, but beyond that they are not knowing. Therefore, the Lord of Heavens declared to them:

•••••• ••••••• ••• •••••••• •••••••••

Innee ja`ilun fi 'l-ardi khaleefah, I am establishing in the earth a deputy. (2:30)

"I am bringing a new creature, and they will be deputies on Earth." (2:30) And it is so full of such secrets that are like oceans! Angels may look at the surface of oceans but they do not know what is in them or how deep the oceans are. They are only looking as we now look to an ocean, at the water, but beyond that we do not know. And angels are seeing, "That is an ocean." To say khaleefah, "deputy," angels only know an understanding from that holy verse. But to where this reaches, from where it begins and where it ends, they do not know. They are saying, "Oh, khaleefah. SubhaanAllah, that holy verse is like an ocean: Innee ja`ilun fi 'l-ardi khaleefah."

Allahu akbar.

O `Ulamas! Does He Almighty need a khaleefah? What is the Lord of Heavens asking to say? Do you know? No one knows, only He knows! And now we are looking as a person looking at the ocean, but who is responsible for that ocean, no one knows. "I am making a khaleefah," but for what? "For that ocean of Creation I am creating a new creature and honoring him and praising him also, as he belongs to Me." Allahu akbar, everything belongs to Him! When we are saying, "Belongs to Him," you must not think wrongly that He was in need of that new Creation, no! You must not think the Lord of Heavens is needy! It was not need that led Him to create countless Creations, countless levels, countless creatures. He wasn't needy!

SubhaanAllahi 'l-`Aliyyu 'l-`Adheem , Glory be to Allah, the Most Great!

Therefore, the angels were surprised and said, "O our Lord. You are creating a deputy on Earth, fi 'l-ardi khaleefah?" No-one knows their real position about that new Creation, or what is the Creator's reason for creating a khaleefah on Earth. It means dunya, Earth, was created before. When it was created, no one knows, only He knows. Who was on Earth? Was it without a khaleefah? And that declaration means time and space do not exist. And He said, "I do not say 'creating', I say I am 'appointing' a new creature who was in My Secret Oceans. I am taking from Secret Oceans and putting on Earth."

This must be. Don't say, "creating." It was already in the Divine Presence. We can never know the beginning of their existence, and He asked to bring it into existence so people see that this Earth is never going to be without an owner. And the Lord of Heavens declared to heavenly beings because He wanted angels' worlds to know about their creation and their beings. Who was Allah Almighty asking the angels to know? For whom were they created?

O 'Ulamas! As-salaamu `alaykum. We must clarify the meanings of holy verses from the treasures of wisdoms and knowledge that were granted to that one! And we are asking to make clear for whom this Creation was prepared; it was not for angels. The Lord of Heavens is making it clear by saying, Inni ja`ilun fi 'l-ardi khaleefah, "I am putting (on this Earth) that khaleefah, deputy." A deputy can't be just anyone, especially Allah Almighty's deputy, because He is from pre-Eternal up to Eternal. Allah Almighty is not in need of a khaleefah to be after Him. He is:

•••• •••••••••• •••••••••• •••••••••••• ••••••••••••

Huwa 'l-Awwal wal-aakhir ad-Zhaahir wa 'l-Baatin, He is the First and the Last, the Evident and the Hidden. (57:3)

“He is the First and the Last, the One Whom you can't see and the One Whom you can't know.” Allah Almighty was asking to bring a new Creation from what was in the Divine Presence, to show `Alam al-Malakoot, the World of the Heavenly Kingdom, to show that heavenly people know for whom this Creation was created, and what was the real goal for bringing that deputy on this Earth. That is important.

O Salafi 'Ulamas! You must try to make your understanding much sharper. You must not imprison your

understanding and close your understanding so that it is only on what you cannot touch--right hand, left hand, front and back, up and down. It is a new opening for a new Creation to come into existence. And you must know, O `ulamas, Azhari 'sh-shareef `ulamas and Shi`a `ulamas, and every kind of religious people, you must understand and you must declare according to the level of common people. We are common people, we are coming, running, falling down, but for what? For what? A saleem (person of pure understanding) asks, "Why are we here? Why have we been put on this planet? What is the real wisdom for us to come in existence?" O `ulamas, you must clarify that point to people, that heavenly people have been created for some unexpected honor. We are heavenly people! That is from reality, and people will know we are in existence for this purpose, then they shall reach contentment!

All prophets came, peace be upon all of the them, particularly on the Seal of Prophets (s). Madad yaa Sultan al-Anbiya. (Mawlana Shaykh stands and sits.) Their real mission is that they have been clothed from the heavens so that our beings may reach to heavenly beings! But on this planet we have been dressed from four elements: earth, water, fire, and air. Our real being is covered and imprisoned in these four elements, like an egg under a hen becomes a chick. Now we are trapped here in these four elements, which are necessary for our real being to exist in this level of life on Earth. It takes hens three weeks to hatch a chick. For Mankind's real beings to appear, for some it takes years, for some only months, and their death is an opening through which they see the real being. And they will then be on an unexpected level; from this life surrounded by the four elements they cannot expect that.

Allah Almighty is saying:

•••••••• ••••• ••• ••••••••

Wa nafakha feehi min roohihi, and breathed into him of His spirit. (32:9)

(Mawlana Shaykh stands and sits.)

“He blew in him from His breath.” O `ulamas, what is that? Are you understanding Holy Qur'an? Where is Holy Qur'an and where are our levels? This is the most simple level for making people to understand about themselves. What is Allah Almighty saying? Wa nafakha feehi min roohihi. What is that? Do you know? What was blown for Man? Min roohihi. What is that rooh? What is that unknown identity granted to Mankind?

SubhaanAllah. Say, give a meaning! Wa nafakha feehi min roohihi. If you are `ulamas, say, what is that min roohihi? You must learn and you must teach people their heavenly positions granted from the Divine Presence to them, and then people may run and may do their best to be ahal, qualified for that honor! And when that opening comes, endless blessings come on them! Therefore, we have been ordered from the beginning up to end to do our best, so that we can reach the best level, the best position, the best understanding, the best qualifying, to be in our Lord's Divine Presence! Don't think the Divine Presence is one level; it is countless levels!

Try to reach and touch and enter those countless levels! Now they are veiled for our beings, because we have been created from al-`anaasir al-arba`a, the four elements. Allahu akbar! And now we are in heedlessness. Shaytan is running after the most honored Creation to make them not do their best. Shaytanic beings urge Mankind to do their worst and prophets came and said, "O people, do your best!" Shaytan comes and says, "No. To do your best is no good for you. Come and follow me. I am teaching you such ways that you will be so happy, in such pleasure, happiness and enjoyment!" Therefore, only a few people accept holy ones who are calling, "O people, come and do your best!" The majority are following shaytanic teachings. Shaytan tries to put the worst things in the minds of people, putting countless veils to prevent them from reaching the Divine Presence!

May Allah forgive us.

O People! Come and listen and try to understand that you have been created for understanding! If you are not understanding yourself, you cannot understand Who created you! May Allah forgive us. Astaghfirullah.

(Mawlana Shaykh sings.)

Dome, dome, dome, dome 8x

Fatihah.

(45 minutes) Too much. (Mawlana Shaykh smiles, prays two raka`ats shukr.)

Fatihah.

(Shaykh Hisham gives salaams and many people are giving salaams.) Where is Shaykh Hisham? (In Indonesia.) Mashaa-Allah, give my salaams and salaams to everyone. Alhamdulillah.

## He Could Not Save Himself

All Praise be to Our Lord (jwa). May all the Salatu Salam of the inhabitants of Heavens and Earths be upon the Sultan of all the Prophets (sas). Masha Allah. And all Salams again be upon the ones who keep the Way of Allah and the Sunnah of HabibuLlah. Our assembly is an assembly of sohbat. We may say Audhu BiLlahi min ash shaytanir rajim. Call first, "O Lord we want the angels who will keep shaytan away from us, so that he will be away from our assembly; so that he won't come close". Shaytan may not approach our assembly. Don't keep shaytan as a friend.

Marhaba, O true friends! Marhaba O who keep the Way of Allah and the Prophet (sas). Marhaba to you. May there be safety for you, beauty for you. May there be honourable days for you. May our bodies be in health. This is a good dua. Allah Almighty (jwa) says "Ask Me, Ad`uni. (40:60) O My servants, call upon Me. Ask from Me. 'Astajib Lakum. I will respond to you". Ya Rabbi, O our Lord! You honoured us by making us from the Nation of Your Beloved. May we be able to keep this honour in dunya and in akhirah. May we gain Your pleasure, and Your Beloved's pleasure. "Radiya Llahu `Anhum Wa Radu `Anhu". The Companions: "Radiya Llahu `Anhum". Allah! They are pleased with Allah. Wa Radu `Anhu, and their Lord is pleased with them. Therefore when the names of the Companions are mentioned: "Radiya Llahu `Anhum". Allah Almighty says that "I am pleased with them". Therefore for all the Companions, "Radiya Llahu `Anhum". May Allah bless them! What a beautiful adab, what a beautiful arrangement, what a beautiful teaching.

As-Salamun alaikum Ya hadirun. O attending friends, Salam be upon you. Safety be upon you. Come on in and let us listen to these few words. Firstly "First may we remember the Name of Allah!" It teaches us in the Mawlid Al-Sharif. Now the ones among us who claim to be scholars

don't condescend to look at it. But he says its summary, Sulaiman Chalabi. He begins with "May we remember Your Name first O Allah. It is obligatory for every servant in their every action". "Fadhkuruni 'Adhkurkum" says Allah Almighty. (2:152) "Fadhkuruni 'Adhkurkum". Remember Me and I remember you through My 'Uluhiyya (Divinity). Aman Ya Rabbi, what a great honour. Read the Mawlid everyday O you who claim to be something! Read and learn what Sulaiman Chalabi said. That holy one is worth a thousand men like yourselves! Sulaiman Chalabi. You think you are something but you can't be anything. Have you become like Sulaiman Chalabi? Look what he says, he teaches. It has been 700 years and still that holy one's Mawlid Al-Sharif is recited. What does he begin with? "May we remember the Name of Allah first".

This is the adab, the adab: "May we remember the Name of Allah first". Don't start, don't open anything without saying the Ism Al-Jalal of Allah Almighty. You will be outside of adab. You become a servant to shaytan. What is shaytan doing to his servants, or what is he making them do? He makes them empty the toilets! This is what shaytan makes the children of Adam do. He says "Come and clean this" and people run there. What is in there? There is carcass. But he says to them "Come, what a beauty it is". Ad-dunya jeefah, dunya is a carcass. And who runs after it, who runs after the carcass are like dogs! Don't speak your words in a twisted way, said the awliyas. Say your words all straight and correctly. What is dunya? It is a carcass. And who runs after it are dogs. Meaning what runs after the carcass are the jackals, are the dogs, are the hyenas. It is not suitable for Man to run after a carcass.
O our Lord, they didn't teach us. Who didn't teach are now kicking in their graves, saying "What did we do? Why did we do like this?" But it is too late. "May we remember the Name of Allah first". Then what we will remember first is Bismillahi r-Rahmani r-Rahim. It has magnificence: The Holy Verse that came down from the Heavens and dressed the Nation of Muhammad with majesty: Bismillahi r-Rahmani r-Rahim. Say "O our Lord, take away our troubles for the honour of Bismillahi r-Rahmani r-Rahim" and they are taken. O friends! O true friends, O beloved friends... The believers who have faith, the ones who keep the love of Allah and the Prophet in their hearts; what is suitable for them? They are who we call "true friends". They are the ones who live for Allah and His Prophet. But who lives to collect the carcass of dunya are hyenas.

They are the wolves, they are the foxes. They are the jackals. This is the attribute of who calls to dunya. The attribute of who calls to Allah is "O true friends, O who want Allah!"
Who created you? Why don't you say it? Why don't you teach it in your schools? Who created us is our Lord Allah! Why don't you teach children this? You will suffer in your graves. The faces of who forgot Allah in dunya get uglier day by day. They don't look any better with any make up, any powder, any blush. They even get uglier. But there is Nur on the faces of who say Allah. They say "We have a holy person who has Nur on her face. We have a grandmother who has Nur flowing through her face. We go kiss her hand". But no one wants to kiss the hands of a person who puts make up on her face and looks like an ape. They say "No, this one made herself look like an ape. This one looks like a cartoon character". Do you know cartoon? "This one looks like a cartoon. She has no ladyhood, no beauty nor honour left. She has turned into a cartoon character". Now shaytan makes all women as cartoon characters: "Put this make up, pluck this, put this on your head..."
Shaytan is making the people of this century, especially the women, like cartoon characters. Some of them get fat and look like huge cows. Their men look like oxens. Always eating and drinking, there is no Nur on their faces. People only look at their faces if they have to. If they don't have to, they don't look. It is not a face to look at. There is no light on the faces of who forgets Allah. Who can love them? Who would kiss their hands? Who would call "My grandmother, my grandfather?" With the Nur (light) on the faces of our ancestors in the old times their children would run to them and kiss their hands. The ones now say "Leave that senile one! Leave that crazy one. Come, let's enjoy ourselves". Their manners become like this.
The maktabs of this time..."Don't say maktab, school!". The schools, Talaba (student), what do they call talaba? Student! What do they teach the students? They teach them how to be like monkeys! They don't say "Who created you is Allah". They are too proud to say it. May your schools and instructors all get destroyed, may they disappear! It didn't do us any good, it brought curses on us. Aman Ya Rabbi. Aman Ya Rabbi, may we not be cursed ones. Who is a cursed person? A person who doesn't say Bismillahi r-Rahmani r-Rahim is a cursed one and also with no Nur. There is no light on the face of a person who forgot Allah. There is no sign of love on his face. Who looks at him wants to run away from him. You should be as "My Lord created me in the most beautiful form. We are His servants, He (swt) created us".

Why don't you teach students this? No! "Look at this portrait. Call to this portrait. Look at this statue". Have you not heard that our Prophet, the Master of Creation came to destroy the idols, that he destroyed the idols? He said "Allahu Dhul Jalal is the Absolute Owner and Creator of the Heavens and earths and we are His servants". We bow to Him and prostrate to Him; to the One Who granted us this beauty, and you will become more beautiful every day Say the Bismillah! Bismillahi r-Rahmani r-Rahim.

O our Lord. May the weakness on us be lifted. May our bodies revive, may our spirituality strengthen. May our love increase. May despair not settle over us day by day. Because when we say despair, these people get irritated more day by day saying "Our youth is gone!" What else? "Our old age is about to end also". Then? Then they get confined to bed and are abandoned in their beds. O people! Who forgets Allah becomes forgotten. Don't forget your Lord, Who (swt) created you from nothing. What we mean by "Don't forget" is, say Bismillahi r-Rahmani r-Rahim. Then you are not considered from who forgot Allah.

Everyone will lay inside the grave. They will lay you in the grave even if you are a king. No matter who you are, president or prime minister, they will lay you there also. "But we built a huge mausoleum on top of him". You did but he, himself is not present. You go to it and say "You saved us". Was he able to save himself? He couldn't save himself. How can you say "You saved us"? Why do you hang his portraits? For this, Islam is high. It has nothing to do with portraits or statues. It says Allah (jj) and says Prophet (sas). Say it and you become expansive day by day. Your burdens will be lifted. What opens the closed door is Bismillahi r-Rahmani r-Rahim. If you don't say it, even the open doors close. Leave aside being opened, even the open doors close if you don't say the Bismillah.

Teach the children these things. They teach all kinds of unnecessary things but they don't say this lesson which is absolutely necessary. They print a picture and say "Here, this one saved you". What is your situation now? Do you consider yourselves 'saved'? He couldn't save himself, he was put in the graveyard. Why do you call a person who couldn't even save himself a savior? He was not able to save himself! Who saved you is the Prophet of Allahu Dhul Jalal. Why don't you say this? O friends, O true friends. We may say this one time, 100 times, 1000 times; one can never get enough of saying Bismillahi r-Rahmani r-Rahim. Don't let us forget O Lord. Who forgets the Bismillah become a carcass! No matter how much a bad odor. Say the Bismillah, cover your

head, make sajda and Allah Almighty grants you beauty, a beautiful smell, a beautiful life. You become a respectable lady, you become a respectable gentleman. You become a "Hajji Bey", they call you "Effendi". Who doesn't acknowledge Allah can't be Effendi. There is no light on the faces of who doesn't acknowledge Allah; no matter what they put, they are ugly. And finally there comes a time that their bad odor starts to run through their legs. A bad odor starts to come from them. Even if they put on themselves a full bottle of cologne daily, at nighttime they again start to smell very bad. What they put on their faces brings on them an ugliness until night time, they become ugly.

Pay attention! Don't sleep, listen! What does the Bismillah bring you? What does it not bring? Your dunya becomes prosperous and your akhirah becomes honourable. May Allah make us from who recites the Bismillah eternally. Let us say Bismillahi r-Rahmani r-Rahim. As-Salam Alaikum O true friends! O who carry the love of Allah in their inner hearts, who carry the love of Prophet in their hearts, who put dunya under their feet. O the people of Paradise, who seek Paradise. O who seek the blessings of Paradise, listen! Recite the Bismillah, make sajda for your Lord. May Allah not separate us from the way of the Prophets, from the way of the Sultan of Prophets (sas). O our Lord, may You forgive our sins. May You send your servants who will make us walk in Your right Way O Allah. Let us say Allah, Ya Hu! Bi hurmat al Habib, bi hurmat al-Fatiha.

Ya Rabbi, shukur AlHamduliLlah that we are saying Bismillahi r-Rahmani r-Rahim. Make your children say it. Teach them, so that your daughters grow into ladies and your boys grow into gentlemen, Effendis. A person like a sawn log. A rose that is cut and put in water still has a beauty, a nice look. It continues for a while and then it falls down. If a rose remains on its plant its beauty and smell continues. Who are deprived of spirituality are of no use, they collapse, become ugly, get sick, become more troubled day by day. They lose their humanity. Come to spirituality, meaning come to your religion, come to Islam. Say Allah and be saved. Fatiha.

This is enough for today but there are all kinds of other words to speak, other advices, other stories to draw a lesson from. Even if we said from the beginning till the end of world, it won't finish. It means, there are so many other things that are beneficial for men. This is enough for now. We have a big pot of food but what one will get is only one plate. Shukur Allah, shukur our Lord Who makes us speak for the honour of His Beloved. He (swt) grants us to speak of the

Beloved, grants us to love him. Allah's love is through our Prophet (sas). Who doesn't receive the love of the Prophet can't know the love of Allah. And what will open the door of love for the nation is Bismillahi r-Rahmani r-Rahim. Whatever goodness you seek, what will open the doors for it is Bismillahi r-Rahmani r-Rahim. Don't fear and say it. If you don't say, you are of no use. You are of no use.

Yesterday, one man... He made the world upside down, he did this, he did that. He served to shaytan and finally he died, which is illustrated by our dear friends as "shaking his tail". He died and people all stood up saying "this, that" but he is gone, finished. What good did he get? Nothing. Whole world speaks of him"he said this, he said that". What is it that he said? What is his word? What value does his word have? They quote his words, his speeches, they say he was a big man. What big man? Was he three meters tall? Two meters tall? What about his weight? The weight of an ox! What did you give to humanity? What did he give to humanity? What good did he do for humanity? But he himself got fat, he was strengthened. And what happened in the end? When his candle went out, his light went out. His candle went out and he died. Now people are screaming, crying. Why do you scream? What did he give you? "He said this, he said that..." What value does it have? Why don't you say the words, the Verses of the Books that came from Heavens that you make whole world stand up saying "this person died". What did he do? He was not able to save himself. "But whole world (mourns him)". Whole world has no mind! What is it? Was he a Prophet? What was he? What did he leave behind? He left his empty seat so that someone else comes and sits on it. Whole world stood up "this person died".
If he had a value, he wouldn't die anyways. He was not able to master himself, he is gone. If they didn't disinfect him, no one could stay next to him. They disinfected him. They put him in the coffin so that no air comes in and out from anywhere. Because the odor coming from it will make the people run away. Make servanthood for Allah and people run to you for your beautiful smell. I was in Sham Ash-Sharif. A great saint of 500 years ago, Shaykh Hassan Al-Jibawi Hz. They moved that holy one from his place. They transferred him to another place. They destroyed his home, his dargah of 500 years. That holy one was not happy with this. He got upset with the people of Sham. He said "You took me out of my place, my home of 500 years. May you be removed from your places, from your homes". Shaykh Hassan Al-Jibawi Hz. I would go to the

market in Sham to buy things. One day I was passing from there 5-10 days later (they moved him). I saw children there. I stopped to read for his maqam. The children ran to me bringing the earth from his grave. "Smell O Shaykh" they said and I smelled: A smell of roses! A smell of roses! This is the smell of awliyas. Let them open his coffin and see if anyone can stay there. The earth in their grave smells like roses, they are the awliyas who say Allah! After 500 years, the earth of his grave smells like roses! Let them take him out and open his coffin, not even one man can stand there. No one says this. They all scream for him. What did he do? Who is hungry is still hungry and who is full is full.
Return to Allah, not to the people. Al-Fatiha.

**Er konnte sich nicht selbst retten**

---

Aller Preis sei für unseren Herrn (jwa). Möge aller Salatu Salam der Bewohner von Himmeln und Erden auf dem Sultan aller Propheten (saws) sein. Masha'Allah. Und alle Salams seien wiederum auf denen, die den Weg Allahs und die Sunnah Habibullahs einhalten. Unsere Versammlung ist eine Sohbat Versammlung. Wir sagen Audhu Billahi mina sh-shaytani r-rajim. Ruft zuerst, 'O Herr, wir wollen die Engel, die Shaytan von uns fernhalten, so daß er unsere Versammlung meidet, so daß er nicht nahe kommt.' Shaytan soll sich unserer Versammlung nicht nähern. Haltet euch Shaytan nicht als Freund. Marhaba, o wahre Freunde! Marhaba, o die, die den Weg Allahs und des Propheten (saws) einhalten. Marhaba euch. Möge es Schutz für euch, Schönheit für euch geben. Möge es ehrenwerte Tage für euch geben. Möge euer Körper gesund sein. Das ist ein gutes Dua. Allah der Allmächtige (jwa) sagt: Bittet Mich - "Ad`uni" (40:60). O Meine Diener, ruft Mich an. Bittet Mich. "Astajib Lakum" - Ich werde euch antworten.
Ya Rabbi, o unser Herr! Du ehrtest uns dadurch, daß Du uns von der Nation Deines Geliebten gemacht hast. Mögen wir diese Ehre bewahren können in Dunya und Akhirah. Mögen wir Dein Wohlgefallen und das Wohlgefallen Deines Geliebten gewinnen. "Radiyallahu `anhum wa Radu `anhu". Die Gefährten, "Radiyallahu `anhum", Allah! Sie sind zufrieden mit Allah. "Wa Radu `anhu", und ihr Herr ist zufrieden mit ihnen. Deshalb, wenn die Namen der Gefährten erwähnt

werden: "Radiyallahu `anhum". Allah der Allmächtige sagt: 'Ich bin zufrieden mit ihnen.' Deshalb, für alle Gefährten, "Radiyallahu `anhum". Möge Allah sie segnen! Was für ein schöner Adab, was für eine schöne Regelung, was für eine schöne Lehre! As-Salamu `alaykum ya Hadirun. O anwesende Freunde, Salam sei auf euch. Schutz sei auf euch. Kommt herein, und laßt uns diesen paar Worten lauschen. Zuerst: 'Zuerst mögen wir den Namen Allahs erinnern!' Es lehrt uns im Mawlid ash-Sharif. Jetzt lassen sich die unter uns, die beanspruchen, Gelehrte zu sein, nicht dazu herab, es anzuschauen. Aber er macht eine Zusammenfassung, Sulayman Chalabi. Er beginnt mit: 'Mögen wir den Namen Allahs zuerst erinnern, o Allah. Es ist verpflichtend für jeden Diener bei jeder seiner Handlungen.'

"Fadhkuruni 'Adhkurkum" (2:152), sagt Allah der Allmächtige. "Fadhkuruni 'Adhkurkum". Erinnert Mich, und Ich erinnere euch in Meiner 'Uluhiyya, Göttlichkeit. Aman ya Rabbi, was für eine große Ehre. Lest das Mawlid jeden Tag, o ihr, die beanspruchen, etwas zu sein! Lest und lernt, was Sulayman Chalabi sagte. Dieser Heilige ist so viel wert wie tausend Männer so wie ihr. Sulayman Chalabi. Ihr denkt, ihr seid etwas, aber ihr könnt nichts sein. Seid ihr wie Sulayman Chalabi geworden? Seht, was er sagt, was er lehrt. Es ist schon 700 Jahre her und doch wird das Mawlid ash-Sharif dieses Heiligen noch rezitiert. Womit beginnt er? 'Mögen wir den Namen Allahs zuerst erinnern.' Das ist der Adab, der Adab. 'Mögen wir den Namen Allahs zuerst erinnern.' Beginnt nicht, eröffnet nichts, ohne den Ismu l-Jalal Allahs des Allmächtigen zu sagen. Ihr wäret außerhalb des Adab. Ihr würdet Diener Shaytans sein. Was tut Shaytan seinen Dienern an oder was läßt er sie tun? Er läßt sie die Toiletten ausleeren! Das ist, was Shaytan die Kinder Adams tun läßt. Er sagt: 'Kommt und reinigt das.' Und die Menschen laufen dorthin. Was ist darin? Es ist ein Kadaver. Aber er sagt ihnen: 'Kommt, wie schön es ist!' Ad-Dunya Jifah - Dunya ist ein Kadaver. Und wer hinter ihr herläuft, wer hinter dem Kadaver herläuft, sind wie Hunde! Sprecht euere Worte nicht in einer verdrehten Weise, sagten die Awliya. Sagt euere Worte ganz geradeaus und richtig. Was ist Dunya? Sie ist ein Kadaver. Und wer hinter ihr herläuft, sind Hunde. Das heißt, wer hinter dem Kadaver herläuft, sind die Schakale, sind die Hunde, sind die Hyänen. Es geziemt sich nicht für den Menschen, hinter einem Kadaver herzulaufen. O unser Herr, sie lehrten uns das nicht. Die das nicht lehrten, strampeln jetzt in ihren Gräbern und sagen: Was haben wir getan? Warum haben wir das getan? Aber es ist zu spät. 'Mögen wir den Namen Allahs zuerst erinnern.' Was wir dann zuerst erinnern, ist Bismillahi r-

Rahmani r-Rahim. Es hat Herrlichkeit. Der Heilige Vers, der von den Himmeln herabkam und die Nation Muhammads mit Majestät bekleidet: Bismillahi r-Rahmani r-Rahim. Sagt: O unser Herr, nimm unsere Probleme weg zu Ehren des Bismillahi r-Rahmani r-Rahim. Und sie werden weggenommen. Freunde, wahre Freunde, geliebte Freunde, die Gläubigen, die Glauben haben, diejenigen, die die Liebe Allahs und des Propheten in ihren Herzen tragen, was ist angemessen für sie? Sie sind die, die wir 'wahre Freunde' nennen. Sie sind die, die für Allah und Seinen Propheten leben. Aber wer lebt, um den Kadaver der Dunya zu sammeln, sind Hyänen. Sie sind die Wölfe, sie sind die Füchse. Sie sind die Schakale. Das ist das Attribut dessen, der zur Dunya ruft. Das Attribut dessen, der zu Allah ruft, ist 'O wahrer Freund, o wer Allah will!' Wer hat euch erschaffen? Warum sagt ihr es nicht? Warum lehrt ihr es nicht in eueren Schulen? Wer uns erschuf, ist unser Herr Allah! Warum lehrt ihr die Kinder das nicht? Ihr werdet in eueren Gräbern leiden.

Die Gesichter derer, die Allah in der Dunya vergaßen, werden von Tag zu Tag häßlicher. Sie sehen nicht besser aus mit Makeup, Puder, Rouge. Sie werden sogar noch häßlicher. Aber es ist Licht auf den Gesichtern derer, die 'Allah' sagen. Sie sagen, 'Wir haben einen Heiligen, der Licht auf dem Gesicht hat. Wir haben eine Großmutter, die Licht übers ganze Gesicht fließen hat. Wir gehen und küssen ihr die Hand. Aber niemand will die Hände derer küssen, die Makeup ins Gesicht tun und wie Affen aussehen. Sie sagen: Nein, dieser sorgte dafür, daß er wie ein Affe aussieht. Dieser sieht wie eine Karikatur aus. Kennt ihr Karikaturen? Sie sieht aus wie eine Karikatur. Sie hat keine Weiblichkeit, keine Schönheit, keine Ehre mehr. Sie ist zu einer Karikatur geworden. Jetzt macht Shaytan alle Frauen zu Karikaturen: Lege dieses Makeup auf, zupfe das, setz das auf den Kopf.. Shaytan macht die Menschen dieses Jahrhunderts, besonders die Frauen, wie Karikaturen. Manche von ihnen werden fett und sehen wie riesige Kühe aus. Ihre Männer sehen wie Ochsen aus. Immer mit Essen und Trinken beschäftigt, ist kein Licht auf ihren Gesichtern. Die Leute sehen ihnen nur ins Gesicht, wenn sie müssen. Wenn sie nicht müssen, gucken sie nicht. Es ist kein Gesicht zum Gucken.

Es ist kein Licht auf den Gesichtern derer, die Allah vergessen. Wer kann sie lieben? Wer würde ihnen die Hände küssen? Wer würde sie 'meine Großmutter', 'mein Großvater' nennen? Mit dem Licht auf den Gesichtern unserer Vorfahren in der alten Zeit liefen die Kinder zu ihnen und küßten ihnen die Hände. Die Heutigen sagen: Laßt diese Alte Senile! Laßt diesen Verrückten.

Kommt, amüsieren wir uns! Ihr Benehmen ist so geworden. Die Maktabs dieser Zeit.. 'Sagt nicht Maktab, Schulen!' ..die Schulen.. Talaba, Studenten, was nennen sie Talaba? Studenten! Was lehren sie die Studenten? Sie lehren sie, wie Affen zu sein! Sie sagen nicht 'Wer euch erschuf ist Allah.' Sie sind zu stolz, um es zu sagen. Mögen euere Schulen und euere Ausbilder alle vernichtet werden, mögen sie verschwinden! Es hat uns nichts Gutes gebracht. Es brachte Flüche auf uns. Aman ya Rabbi. Aman ya Rabbi. Mögen wir nicht verflucht sein. Wer ist ein Verfluchter? Jemand, der nicht sagt Bismillahi r-Rahmani r-Rahim ist ein Verfluchter und auch ohne Licht. Es ist kein Licht auf dem Gesicht einer Person, die Allah vergessen hat. Es gibt kein Zeichen von Liebe auf ihrem Gesicht. Wer sie ansieht, will vor ihr weglaufen.

Ihr solltet sein wie: 'Mein Herr hat mich in der schönsten Form erschaffen. Wir sind Seine Diener, Er (swt) erschuf uns.' Warum lehrt ihr die Schüler das nicht? Nein. 'Seht dieses Porträt an. Ruft dieses Porträt an. Seht diese Statue an.' Habt ihr nicht gehört, daß unser Prophet, der Meister der Schöpfung, kam, um die Götzen zu zerstören, daß er die Götzen zerstörte? Er sagte: 'Allahu Dhu l-Jalal ist der Absolute Eigner und Schöpfer der Himmel und der Erden, und wir sind Seine Diener.' Wir beugen uns vor Ihm und werfen uns vor Ihm nieder, vor Dem, Der uns diese Schönheit gewährte. Und ihr werdet jeden Tag schöner. Sagt das Bismillah! Bismillahi r-Rahmani r-Rahim. Unser Herr, möge die Schwäche von uns aufgehoben werden. Möge unser Körper wiederbelebt, unsere Geistigkeit gestärkt werden. Möge unsere Liebe zunehmen. Möge Verzweiflung sich nicht über uns einnisten von Tag zu Tag. Weil wenn wir sagen Verzweiflung, werden diese Leute immer gereizter von Tag zu Tag und sagen, 'Unsere Jugend ist weg!' Was noch? 'Unser Alter ist auch kurz vor dem Ende.' Dann? Dann werden sie bettlägerig und werden in ihren Betten allein gelassen.

Leute! Wer Allah vergißt, wird vergessen. Vergeßt eueren Herrn nicht, Der (swt) euch aus nichts erschaffen hat. Was wir meinen mit 'Vergeßt nicht', ist, sagt Bismillahi r-Rahmani r-Rahim. Dann werdet ihr nicht als die betrachtet, die Allah vergessen haben. Alle werden im Grab liegen. Sie werden euch ins Grab legen, selbst wenn ihr König seid. Egal, wer ihr seid, Präsident oder Premierminister, sie werden euch auch dorthin legen. 'Aber wir bauten ein großes Mausoleum über ihm.' Das tatet ihr, aber er selbst ist nicht mehr da. Ihr geht dorthin und sagt: Du hast uns gerettet. Konnte er sich selbst retten? Er konnte sich selbst nicht retten, wie könnt ihr sagen 'Du hast uns gerettet'? Warum hängt ihr seine Porträts auf? Deshalb ist der Islam hoch. Er hat nichts

zu tun mit Porträts oder Statuen. Er sagt "Allah (jj)" und er sagt "Prophet" (saws). Sagt es und ihr werdet jeden Tag weiter. Die Lasten werden aufgehoben. Was die geschlossene Tür öffnet, ist Bismillahi r-Rahmani r-Rahim. Wenn ihr es nicht sagt, verschließen sich selbst die offenen Türen. Ganz zu schweigen vom Öffnen, es schließen sich selbst die offenen Türen, wenn ihr das Bismillah nicht sagt. Lehrt die Kinder diese Dinge. Sie lehren alle möglichen unnötigen Dinge, aber sie lehren nicht diese Lektion, die unbedingt notwendig ist.

Sie drucken ein Bild und sagen: Hier, dieser hat uns gerettet. Was ist jetzt euere Situation? Betrachtet ihr euch selbst als 'gerettet'? Er konnte sich selbst nicht retten, er wurde ins Grab gelegt. Warum nennt ihr jemanden, der nicht einmal sich selbst retten konnte, einen Retter? Er war nicht in der Lage, sich selbst zu retten! Wer euch gerettet hat, ist der Prophet Allahs Dhu l-Jalal. Warum sagt ihr das nicht? O Freunde, o wahre Freunde. Wir können das 1x, 100x, 1000x sagen, man kann nie genug bekommen, Bismillahi r-Rahmani r-Rahim zu sagen. Laß uns nicht vergessen, o Herr. Wer das Bismillah vergißt, wird ein Kadaver! Egal, wie schlecht der Geruch ist, sagt das Bismillah, bedeckt den Kopf, macht Sajda, und Allah der Allmächtige gewährt euch Schönheit, einen schönen Geruch, ein schönes Leben. Ihr werdet eine respektable Frau, ein respektabler Mann. Ihr werdet ein "Hajji Bey". Sie nennen euch "Effendi". Wer Allah nicht würdigt, kann kein Effendi sein. Es ist kein Licht auf den Gesichtern derer, die Allah nicht würdigen. Egal, was sie auftragen, sie sind häßlich. Und schließlich kommt eine Zeit, da der schlechte Geruch beginnt, an ihren Beinen herunterzulaufen. Ein schlechter Geruch beginnt, von ihnen auszugehen. Selbst wenn sie jeden Tag eine volle Flasche Cologne über sich schütten, beginnen sie am Abend, wieder sehr schlecht zu riechen. Was sie auf ihre Gesichter tun, bringt ihnen eine Häßlichkeit bis zur Nacht. Sie werden häßlich. Paßt auf! Schlaft nicht, hört! Was bringt euch das Bismillah? Was bringt es nicht? Euere Dunya wird erfolgreich, und euere Akhirah wird ehrenwert. Möge Allah uns zu denen gehören lassen, die das Bismillah ewig rezitieren. Sagen wir Bismillahi r-Rahmani r-Rahim.

As-Salamu `alaykum, wahre Freunde! O die die Liebe Allahs in ihren innersten Herzen tragen, die die Liebe des Propheten in ihren Herzen tragen, die die Dunya unter ihre Füße tun, o Leute des Paradieses, die das Paradies suchen, o die die Segnungen des Paradieses suchen, hört! Rezitiert das Bismillah, macht Sajda vor euerem Herrn. Möge Allah uns nicht vom Weg der

Propheten trennen, vom Weg des Sultans der Propheten (saws). Unser Herr, mögest Du unsere Sünden vergeben. Mögest Du Deine Diener senden, die uns auf Deinem rechten Weg gehen lassen. Sagen wir "Allah ya Hu! Bi Hurmati l-Habib, Bi Hurmati l-Fatiha". Ya Rabbi Shukur. Alhamdulillah, daß wir Bismillahi r-Rahmani r-Rahim sagen. Laßt es euere Kinder sagen. Lehrt sie, damit euere Töchter zu Damen heranwachsen und eure Söhne zu Gentlemen, Effendis. Jemand sägt Holzklötze. Eine Rose, die abgeschnitten und ins Wasser gestellt wurde, hat noch eine Schönheit, ein gutes Aussehen. Es bleibt eine Weile so und dann fällt sie herab. Wenn die Rose auf ihrer Pflanze bleibt, besteht ihre Schönheit und ihr Duft weiter. Die ihrer Geistigkeit beraubt sind, haben keinen Nutzen. Sie brechen zusammen, werden häßlich, krank, von Tag zu Tag gestörter. Sie verlieren ihre Menschlichkeit. Kommt zur Geistigkeit, das heißt, zu euerer Religion, kommt zum Islam. Sagt Allah und werdet gerettet. Fatiha.

Das ist genug für heute, aber es gibt alle möglichen anderen Worte zu sagen, andere Ratschläge, andere Geschichten, aus denen Lektionen gezogen werden können. Auch wenn wir vom Anfang bis zum Ende der Welt sprächen, gäbe es kein Ende. Das heißt, es gibt so viele andere Dinge, die gut für den Menschen sind. Das ist genug für jetzt. Wir haben einen großen Topf mit Essen, aber was man bekommt, ist nur ein Teller. Shukur Allah, Shukur unser Herr, Der uns zum Sprechen bringt zu Ehren Seines Geliebten. Er (swt) gewährt uns, vom Geliebten zu sprechen, ihn zu lieben. Allahs Liebe ist durch unseren Propheten (saws). Wer nicht die Liebe des Propheten erhält, kann die Liebe Allahs nicht kennen. Und was die Tür der Liebe für die Nation öffnet, ist Bismillahi r-Rahmani r-Rahim. Was auch immer ihr an Gutem sucht, was die Türen dafür öffnet, ist Bismillahi r-Rahmani r-Rahim. Fürchtet euch nicht und sagt es. Wenn ihr es nicht sagt, seid ihr für nichts gut. Ihr seid für nichts gut.
Gestern, ein Mann... Er stellte die Welt auf den Kopf, er tat dies, er tat das. Er diente Shaytan und schließlich starb er, was von unseren lieben Freunden dargestellt wird als 'mit dem Schwanz wedeln'. Er starb, und die Menschen standen alle auf und sagten 'dies, das', aber er ist weg, Schluß. Was Gutes bekam er? Nichts. Die ganze Welt spricht von ihm. 'Er sagte dies, er sagte das.' Was ist es, was er sagte? Was ist sein Wort? Welchen Wert hat sein Wort? Sie zitieren seine Worte, seine Reden. Sie sagen, er war ein großer Mann. Was für ein großer Mann? War er drei Meter groß? Zwei Meter groß? Wie steht's mit seinem Gewicht? Das Gewicht eines Ochsen!

Was gabst du der Menschheit? Was gab er der Menschheit? Was tat er der Menschheit Gutes? Aber er selbst wurde fett. Er war gestärkt. Und was geschah am Ende? Als seine Kerze ausging, ging auch sein Licht aus. Seine Kerze ging aus, und er starb. Jetzt schreien die Menschen, weinen. Warum schreit ihr? Was hat er euch gegeben? 'Er sagte dies, er sagte das..' Welchen Wert hat das? Warum sagt ihr nicht die Worte, die Verse der Bücher, die von den Himmeln kamen, die ihr die ganze Welt dazu bringt, aufzustehen und zu sagen: Dieser starb. Was hat er gemacht? Er war nicht in der Lage, sich selbst zu retten. 'Aber die ganze Welt trauert um ihn'. Die ganze Welt hat keinen Verstand. Was ist es? War er ein Prophet? Was war er? Was hat er hinterlassen? Er hinterließ seinen leeren Stuhl, so daß jemand anders kommt und sich drauf setzt. Die ganze Welt stand auf: Dieser starb! Wenn er einen Wert hatte, würde er nicht trotzdem sterben. Er war nicht in der Lage, sich selbst zu meistern. Er ist weg. Hätten sie ihn nicht desinfiziert, hätte niemand neben ihm bleiben können. Sie desinfizierten ihn. Sie legten ihn in den Sarg, so daß keine Luft herein- oder herausgeht. Weil der Geruch, der davon kommt, die Leute weglaufen lassen würde.
Macht Dienerschaft für Allah und die Menschen laufen zu euch wegen des schönen Dufts. Ich war in Sham ash-Sharif. Ein großer Heiliger von vor 500 Jahren, Shaykh Hassan Al-Jibawi Hz, sie verlegten diesen Heiligen von seinem Platz. Sie brachten ihn zu einem anderen Platz. Sie zerstörten sein Heim, seine Dergah von 500 Jahren. Dieser Heilige war nicht glücklich damit. Er wurde zornig auf die Menschen von Sham. Er sagte: 'Ihr nahmt mich von meinem Platz, meinem Heim von 500 Jahren. Möget ihr von eueren Plätzen, von eueren Häusern vertrieben werden.' Shaykh Hassan Al-Jibawi Hz. Ich pflegte zum Markt in Sham zu gehen, um Dinge zu kaufen.

Eines Tages ging ich dort vorbei, 5 - 10 Tage später, nachdem sie ihn verlegt hatten. Ich sah Kinder dort. Ich hielt an, um für sein Maqam zu lesen. Die Kinder rannten zu mir und brachten mir Erde von seinem Grab. 'Rieche, Shaykh!' sagten sie, und ich roch: Ein Duft von Rosen! Ein Duft von Rosen! Das ist der Duft von den Awliya. Laßt uns seinen Sarg öffnen und sehen, ob sie dort bleiben können. Die Erde ihrer Gräber duftet wie Rosen, sie sind die Awliya, die sagen Allah! Nach 500 Jahren duftet die Erde seines Grabes nach Rosen! Nehmt ihn heraus und öffnet seinen Sarg, nicht einmal ein Mensch kann dort stehen. Niemand sagt das. Sie alle schreien für ihn. Was hat er getan? Wer hungrig war, ist immer noch hungrig, und wer voll ist, ist voll.

Wendet euch Allah zu, nicht den Menschen. Al-Fatiha.

# Heedlessness

The first Fard in worshipping is cleanliness, to say: 'Audhu bi-llahi mina shaitani rajim'. Actions are judged according to the intentions behind them. Before doing anything this must be said so the action is for the sake of Allah. Also the 500 Halal (listed good actions) must be said with 'Audhu bi-llahi mina shaitani rajim', each Rakaat, not only the first, because Shaitan always approaches in each new Rakaat and he sends thoughts to the one who prays. Shaitan is the reason that the servant doesn't come close to Allah (qurb) and gets away from Him. Don't be heedless!

Damaskus - 17.04.2002

## Address to Jordanian Delegation: Heed this Warning!

(Mawlana Shaykh Nazim addresses a royal delegation from Jordan.)

A`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem.

They'll fly like dried tree leaves in the air. Out of five only one person will survive. If nuclear reactors erupt all at once nothing will remain, not even humans, animals, tree, stone or anything... Return to your homes; you must go inside your houses and stay there! This is an order from the beginning ‘til the end for whoever wishes to be in safety. If anything happens in the skies, one must go back home, make ablution, pray two prayer cycles on prayer mat and sit there. Nothing would affect them. However, those who come out, that's it. Those who stay inside, don’t need to worry, but those outside are prone to danger.

In the world there are six billion (people) that will be killed, because they are not people living or working for Allah; they are living according to Satan's command. They live a satanic life, and a satanic death as well. They will not have any comfort here nor in the Hereafter! They have been sentenced to death. There will be limitless and uncountable deaths. We need your sanctuary, O my Lord! We seek refuge in Allah from bad consequences. It's difficult, particularly since all the youth are now under the devil's control; I think nothing will stay the same. Out of a hundred youth, only one will survive.

Not one person will remain among those with shaytanic actions and characteristics; they'll be removed. Astagfirullah, tawbah yaa Rabbee! God forbid. Forgive me, my Lord!

Parents must observe their children. First instruction/directives coming from our noble masters is to advise them not to leave anyone outside after sunset; they must return to their homes. Leave the pervading corruption outside. Fitna is widespread. Take your children inside your homes and stay inside! We have been instructed to declare to people: take care of your children! Do not leave any of them outside after sunset, and don't make excuses that they have tuition, classes or whatever. No, stay at home. Those who keep to their homes, will be safe and secure.

We cannot give you any guarantee otherwise. You must warn them that no one may stay outside after sunset, particularly the youth! It is absolutely forbidden as of today, up until the Day of Judgment. Hisham Effendi, warn them.

A saint with seven heads will not be able to carry any responsibility! Whoever wishes to be safe and sound should never leave home after sunset. Don't say, "I have class, school, university," as none of these excuses will be acceptable. He may be affected by something on his way out or on his way home. This is a general warning to the people of the world in the east, west, north and south. Starting from today until the Day of Judgment, it will be forbidden for youth to leave their homes after sunset, except for those heading towards mosques. If a father takes his children to the mosque for prayer, he can return back home with them.

Secondly, these various advertisements found in the markets, is forbidden for anyone to open/expose such advertisements from today until the Day of Judgment, or else he will be struck with something bad in this life and in the Hereafter. (Do you mean, sir, an advertisement contrary to shari`atullah or calling for worldly things, not for a place or a book?) No need for any advertisements. His Majesty (King `Abdullah II of Jordan) must also formally forbid people to go out of their houses after `Isha prayer. This should be a martial law. It is not acceptable for him to license bars, coffee shops, cinemas, theaters. Anything that distracts people from Allah's command is forbidden.

If such directives are not issued, something will hit/infect the kings as well. The command is finished (adjudicated). You know that (heavenly) news came on this Friday night, and whoever receives this news and

violates these orders will be struck by something he does not like, God forbid. O Allah! Do not leave us to our egos, not even for a blink of an eye!

Ladies are not permitted in any form of service departments. (Does this apply before or after the coming of Mahdi [a]?) After the 'appearance', it will be enforced by the sword! This is a manifestation of sub-dual/subjugation. They entered into the maze of ... They say this is a danger zone! The ant said, "O ants! Return to your homes!" This declaration is not for the sake of storytelling.

••••••• ••••••• ••• ••••••• ••••••• ••••••• •••••••••••• ••• •••••••••••••• •••••••••• •••••••••• •••••• •••
••••••••••

qaalat namlatun yaa ayyuha 'n-namlu 'dkhuloo masaakinakum laa yahtimannakum Sulaymaanu wa junooduhoo wa hum la yash`uroon. One of the ants said, "O ants! Enter your homes unless Sulayman and his armies unknowingly trample you. (an-Naml, 27:18)

Those who enters his dwelling place will be safe and secure, as Prophet (s) said that whoever enters Haram Shareef in Madinah will be safe. Whoever seeks refuge in anyone's home will be safe and whoever enters his house and closes his door will be safe and secure, as well. It is not acceptable to break into his home by force. He would be safe and secure.

Saints are managing world matters. This is your limit. If you decide to return/go back, do. Otherwise you will fall in a limitless pit. If a lady with the most beautiful face digresses from this command and exposes her beauty in the streets, she will return to her home very ugly so that she never dares to go outside like that again! Allah Almighty says:

••••••• ••• •••••••••••• ••••• •••••••••• ••••••••• ••••••••••••••

Wa qarna fee buyootikunna wa laa tabarrajna tabarruja al-jaahiliyyah. And stay quietly in your houses and make not a dazzling display like that of the former Times of Ignorance. (Al-Azaab, 33:33)

Is this in Arabic or Turkish, Your Highness, the Princess? Is it mentioned in Arabic in the Holy Qur'an, or not? What is this? Everyone is hanging around in the streets, in markets, department offices. The one who permits them to be present in department offices will also be held responsible. This is a directive coming on this Friday night. (It's a directive, but not an executable command; a legal order has not come yet.) This is a

warning. Be careful. Do not take your head outside. This is a tunnel. You could get hit by something. Close everything so as not to be struck by anything. This is another directive now. If they listen to what they heard, it is up to them. If not, they don't like you, yaa Sayyidi 'l-Awwaleen wa 'l-`Akhireen!

••••••••• ••••• •••••••• ••••••••• •••••••••••• •••• ••••••• •••••••••••••••

Wadrib lahum mathalan ashaaba 'l-qaryati idh jaa'ahaa 'l-mursaloon. Set forth to them by way of a parable the (story of) the Companions of the City. Behold! There came apostles to it. (YaSin, 36:13)

This shows that there must be warners for the ummah, from the beginning to the end! There are those carrying this responsibility in the east and west. A small one cannot withstand being with a lot of people, but a poor one like me doesn't care about anyone, he attacks them!

O Allah! Success comes from Him!

Fatihah.

People follow their kings' religion. If their prince is righteous, his subjects are bound to be just as righteous. If a king is corrupt, his subjects would be licentious infidels.

Yaa Rabbee! O Allah, grant us your pardon, forgiveness, and mercy. Grant us your forgiveness and rectify us and reform our lives and the state of Muslims. Grant victory to our sultan, of the humans and jinns, Sayyidina Mahdi (a). May Allah reveal him, heed our prayer, and hasten his coming! Grant him honor and glory, and bring him closer, for the sake of the one on whom descended the Opening Chapter of the Qur'an.

Fatihah.

# HELP ESTABLISH A DIVINE KINGDOM ON EARTH

(Interfaith Meeting)

We hope that our meeting will be for the honour of the Lord of Heavens, who created earth and heavens, who created man and angels, who created seen and unseen worlds and who honoured us to be His servants. He who honoured us to be His Deputies throughout the universe and His Heavens. That is why we are asking for forgiveness for every wrong step and every bad thought and every support of devils. After forgiveness come blessings. If He forgives, then His Blessings come on us. So to ask for forgiveness is a purification. Forgiveness cleans the servant. We need that. When we are clean, His Blessings will cover us. Whoever is always with His Lord is a real servant. Someone who never forgets Him, because if we forget our Lord for even one second, that means that we will be in the hands of devils. When we are always with our Lord then there is no way for the devils to run on us.

If we cannot get the whole of something, then we must try to get a part of it at least. If there is a heap of gold and we try to take the whole it could be impossible, but we should take as much as possible. This is a meeting, according to me a holy meeting, because people did not come here for worldly reasons. You can find so many kinds of meetings, but it is very rare to find meetings where people are not meeting for the sake of enjoying themselves even more or to take benefits from for this life. We here want holiness from the Lord of Heavens,

and we need to reach some holiness from Heavens. If we do not get to that point, our life will be unbearable and a very heavy burden. It will be like a plane on the runway unable to lift.

We are all asking to find a way to Heavens. Why did Jesus Christ ascend to Heavens? To show that there is a way to Heavens. Whoever asks for it, will find the way which Jesus Christ found to get to Heavens. They can follow him. He is calling to his nation to follow him, "Come and become holy!" Holy-ones have jets. If you are not holy you do not have jets, only wings.

This is a holy meeting with people from every level and every faith and every different understanding. All of us belong to mankind, to the big family of mankind. Our structure is the same, physically and spiritually. We can be different in many ways, but our creation is the same. We are all humans. It is difficult to bring people on the same direction, because usually people judge each other from the outside. In this way they lose the points with which humans are connected and it is difficult to come together. If we would look at the real creation then we would find ourselves all together in the Divine Presence of the Lord.

We are trying to give every kind of person an easy way to move towards Heavens. Whoever is happy to be here we will tell, "As you wish!". But it is not our destination to always be on this station and not to move. If anyone saw a train at Victoria Station all the time without moving... For what do we use trains? To move! What are we doing here? If people would be asking to be on earth always, then what about Heavens? Why are we waiting? We must move towards Heavens.

Everything which harms mankind, physically and spiritually, is because people want to hang on to this world and not move. If someone comes and says, "Go away! It is enough!", they will answer, "We must be here." People usually wait until they are taken away by force. No-one can refuse or be disobedient when the Heavenly Command reaches him and asks him to come. He will leave everything and come. Everyone will do that, if not today, then maybe tomorrow or next week or next year. One day they must obey the Heavenly Order and leave here and go. That is why it is better without the order coming by force to use our will before that and to prepare ourselves to move towards Heavens.

We need a training. From the beginning until the end temples, synagogues, churches and mosques were training centres for people who were interested in Heavens and their Heavenly Stations. But I am sorry to

say, that in this century people are usually not taking any care of holy places. Everyone is independent in his or her idea and in their understanding. They never train themselves to be obedient servants for Heavens, but they want to make everything the way they understand it, not as the Prophets have taught us. The people of the 20th century are the proudest people that have ever lived on earth. Before this century you could also find a few proud people, but only in a small way. In our days everyone is proud and they want to be even more proud. They want to kill and burn and destroy and harm and fight. They want to do every evil. There is a very strange generation now on earth. They have been given every chance, and now they want to destroy the whole world. There is no pity in their hearts. It is finished. Mankind is the most respected creature that the Lord created. He respects man, but man do not respect each other. They do not give respect or any value to each other. Every religion came from Heavens with the message to people to make them respectful, pitiful, just and loveable to each other. These four pillars have never changed in any religion. It is the base on which every religion is founded. It is in the Thora, in the Psalms, Gospels and in the Quran. All holy books have these main pillars. No-one can change that.

There are hundreds and thousands of holy places and holy people but nothing can be passed on to people now because there is no power. The devils never let holy people have any power. We can say something, but you cannot force the devils to stop. Devils are a 100% free to do anything. The hands of the good-ones are tied so that they will not do anything. That is why it is going to a very terrible end. Every holyone knows that when the Last Days approach Armageddon will come. This is written in all Holy Books. It will be like the flood was for Noah. That time it was with water, now it will be a flood of blood. It will run over the world. Because people are using their wildness. They have left the mercy in their hearts. They threw away pity, justice, love and respect from their hearts. They are like robots. There are no good feelings. The blood floods of Armageddon will take away the tyrants and to clean this earth. It is so dirty from the bad actions of people.

I am looking from east to west and from north to south. I am travelling, even at this age, the Lord is making me to travel, so that I can meet some good servants, some holy people. I am happy to find some, but these good people are very astonished and fearful. Holy people must have courage! Devils have such big courage. They are not ashamed, but good people are afraid... The Lord of Heavens makes me to look at all His servants. I am trying to find a place without troubles and problems or errors or terrors. A silent place, a lovely place. Yes! We may find lovely scenes but when I then see that devils are also running around there, my heart

is closed.

There are Holy Places everywhere: in Jerusalem, Damascus, Mecca, Medina, Egypt, Baghdad, Jordan, Petra... but where-ever I go I do not feel at ease and I am not happy. I do not feel a safety because as I said, so many dragons, small-size and king-size devils, are running after people, especially after good people. Their main target on earth is not to leave any good people on earth. They want to fill the whole world with dragons, so that no good-one will be left. This is what is written in the Holy Books. He addressed His Lord and said, "You have thrown me away for the sake of mankind and I will turn them into people which you will also throw away! I will make everyone on earth a bad-one, not a good-one! I will try to make them disobedient, not obedient!" That is the main target of satan. And now he has established his kingdom on earth. Beware of satan, oh good-ones, beware of satan! He has so many hooks to catch you.

Once a Bishop looked at the entrance of a big cathedral and he saw that satan was sitting there holding reins. So he asked him, "What are you doing here? Are you selling those, or renting them?" "No, I am seeing the ones who come out and who belong to me. Then I put this on them and ride on them. When they are in temples or churches or mosques they are very calm people but when they come out I can make them do what I like!" That is why it is so difficult, because satan never leaves us. And there is not only one but so many helpers following everyone trying to make us to fall. I heard that on the moon if a person falls and loses their balance, it is so difficult for them to get up. That is why they walk very carefully there. You must also be very careful. Once you have fallen it could take the whole life to get up again. It is as you like. If you like be careful, but remember, so many people cry when they fall. They are in jails, hospitals, mental houses and graveyards and they are crying. If people do not take care, they will end up in one of these places and cry.

Thank you for your listening. I am only addressing to myself. If you like to be with me, I am happy because then we can all be supporters of the Divine Kingdom on earth. That is my target , to destroy the kingdom of satan on earth. That is for all of us. Don't say Church of England or so and so church and Christianity or Judaism or Islam. All of us must come together to destroy the satanic kingdom and to ask the Lord of Heavens to establish His Kingdom. When He sees that people are supporting the kingdom of satan here on earth He will leave us to that. But when we ask all together, "Oh, our Lord, establish Your Kingdom. We just destroyed the kingdom of satan here on earth, please, oh, our Lord, send Your Sultan, send Your Deputy, our Saviour!"

Thank you for having given your valuable time and for having listened and respected me. If you respect me once, I will respect you 10 times. If you give me love once, I will give you 10 times. I will force myself to give. If you give me justice, I will try to give you 10 times more. And if you give me mercy, I will try to give you at least 10 times more. That is what all Prophets brought to us. If anyone gives you something, you must give them much more. That is why when we say, "Asalamualeikum!" to you, you will say, "Aleikum salaam rachmatullah!" Those are the good manners of all the Prophets, divine attributes. Real divine attributes mean, that if you receive one you give back at least 70 times more. May Allah forgive us.

## Help The Muslims Of Burma

---

We are looking everywhere punishments are coming. It is snowing or raining like this, all are very heavy. Rain is coming down as sleet solid like stones on people. Therefore nighttime be careful - to go out after Maghrib is forbidden. If anything never obey must come something on it. Only someones that they have patrol
M.N.: they are making patrol at night,they are going around.
M: Except other people getting out there is danger on them. Because Heavenly anger just reached last point, they should throw on them something, or under their feet or from their heads. There is volcanoes. I don't know that there is or not, now I am informed that there is all volcanoes in no one knows anytime this..
G: blows up.
M: Same time coming high waves. Tsunami, may come, taking away everything. Therefore that is a Heavenly command for people not to get out after Maghrib/sunset. Only as I said if there is a necessity for...
M.N.: not for enjoying.
M: Whole countries, night life may be thrown on them something. Like stones & then getting fire and if they are using water of oceans it is not coming down.
If he is alone no one in that city Muslims, he may call Adhan -Through your home not outside. You have garden, say it. Wa Min Allah at-Tawfiq. Then sadaqa, how many people if even one pence one rin (Japanese old currency) doesn't matter. to be given for safety. Allah...There is Hadith Sharif"Keep young people (indoors)after the sun sets. "Keep young people not to come out after sunset.
M.N.:No permission.

M: Absolutely no permission. Then electric, light nighttime make it down and door say BismiLlahi r-Rahman r-Rahim.
M.N.: Lock door.
M: Ayatul Qursi four times around then one up, one down, one on yourself, seven. You, you may say to believers or un-believers you may say that Holy Books, just mentioned through Holy Books when the time is over, or Last Day, should be evident.
M.N.: It will become clear.
M: Coming something that people never expecting. Your doors should be locked, closed down. Sometimes also, such a country there is snake. You have snake?
G: No snakes in New Zealand. No no snakes in New Zealand. In Malaysia we have snakes.
M: You may, you may say this and make a circle around. They can't jump on it.
G: Saying Ayatul Qursi.
M.N.: Yes.
M: Or may come poison ones all making like this. Night time if it is not necessary, no one gets out. "Safety!" Prophet (saws) was saying. Those whom they are getting through their homes, they are in safety. The day of Fath Makka
M.N.: The day of the conquest of Makka.
M: Everyone who comes through their homes and close their doors. No nothing touching them. Fadlu-Sadaqa takes away bad luck. Closed doors opening. If not open doors coming closed now. Wa Min Allah at-Tawfiq. Praying must be even 2 rakaats daily. Aman Ya Rabbi. There is a volcano in that country. I did not know before but coming to me now that there is strong one. It may take the whole New Zealand down.
G: Do I move out of New Zealand, Mawlana?
M: No, listen to what I'm telling you and no fear.
M.N.You shouldn't be afraid. Whatever Mawlana is saying to you just obey, you will be in safety.
M: You should be known like the stars are known at night time. Nothing will touch to you....Every creature when night coming they are trembling. Only insan...mankind. Mankind, other whole animals, creatures they are trembling. Aman Ya Rabbi....Fatiha. Tariqat, Sheikh looking.
(M.N.: The people of Tariqa)

M.: Your Tariqa people, Sheikh is looking after them. "Salamun Qawlaan Min Rabbir Rahim" (36:58). Burma people

G: People must say "Salamun QawlaanMin Rabbin Rahim" (36:58).

M: Try other people they may say and Allah (swt) sends for them guardians. Not to be killed.

G: No, because they are taking, the Buddhist people taking, killing Muslims.

M: Some people just from Heavenly ones appointed to take revenge. Revenge for the Muslims. So leave them(do not worry).

H.R.: Every morning 7 times?

M: seven times "Salamun QawlaanMin Rabbir Rahim" (36:58)Maghrib, "Salamun QawlaanMin Rabbir Rahim" (36:58) 7 times. They may do namaz/pray. When they are making sajda, enough. Say La Ilaha illa Allah, Muhammad RasuluLlah. As'hab l-Nawba, some Awliya' looking for them.

G: Maghrib time, enough for them?

M.N.: Yes.

G: And morning and Fajr, seven time for Fajr, seven time for Maghrib. Enough for them to do sajda, enough?

M: Tamam.

M: Washing themselves always. Yes water, rivers there too much. They may take, when they are making washing make sajda.

G: When they do washing, make Sajda.

M: Saying Allahu Akbar.Allahu Akbar, Allahu Akbar. Enough. Thank you for your visiting,(coming) long long way. Dr. Also giving honour and taking care for me also. Shukur Allah,shukur AlhamduliLlah. Shukur AlhamduliLlah Fatiha.

G: Burma Muslims,

M: On border (neighbours)must take care. They must show the greatness of the power of Islam. Say to him(PM), if not doing I am taking back (my support).

G: To help Muslims on the border (neighbours in Burma).

M: If he is promising, I am supporting him to be PM. Seven Awliya' I am sending to them for supporting him. If not falling down, finished, bringing another one.

G: Insha'Allah I will pass the message. Thank you Sheikh. Thank you Mawlana.

Wir gucken, von überall kommen Bestrafungen. Es schneit oder regnet so, alles sehr schwer. Regen kommt herab als Graupel, fest wie Steine auf die Menschen. Deshalb in der Nacht nach Maghrib auszugehen, ist verboten. Wenn jemand nicht gehorcht, muß etwas auf ihn kommen. Nur solche, die auf Patrouille gehen.. MN: Sie patrouillieren in der Nacht, sie gehen herum. M: Außer ihnen, wenn andere Menschen hinausgehen, sind sie in Gefahr.. Weil Himmlischer Zorn den höchsten Punkt erreicht hat. Sie könnten etwas auf sie werfen oder unter die Füße oder auf ihre Köpfe. Es gibt Vulkane. Ich wußte nicht, ob es welche dort gibt oder nicht, jetzt werde ich informiert, daß alle Vulkane in einem Moment, den niemand kennt, G: ausbrechen. M: Gleichzeitig kommen hohe Wellen. Tsunamis können kommen und alles wegnehmen. Deshalb gibt es einen himmlischen Befehl für die Menschen, nach Maghrib nicht hinauszugehen. Nur, wie gesagt, wenn es eine Notwendigkeit dafür gibt. MN: Nicht zum Vergnügen. M: In allen Ländern kann wegen des Nachtlebens etwas auf sie geworfen werden. Wie Steine, und dann kommt Feuer und wenn sie auch Meerwasser benutzen, kommt es doch nicht herunter.
Wenn er allein und niemand in der Stadt Muslim ist, soll er Adhan rufen in seinem Haus, nicht draußen. Wenn er einen Garten hat, soll er ihn dort rufen. Wa min Allaha t-Tawfiq. Dann Sadaqa, wie viele Leute, wenn es auch nur ein Penny, ein Rin (alte japan. Münze) ist, das macht nichts. Es soll gegeben werden für Schutz. Allah.. Es gibt Hadith Sharif: 'Haltet die jungen Leuten drinnen nach dem Sonnenuntergang.' Haltet die jungen Leute, daß sie nicht nach Sonnenuntergang hinausgehen. MN: Keine Erlaubnis. M: Absolut keine Erlaubnis. Dann, das elektrische Licht, macht es aus in der Nacht und die Tür, sagt Bismillahi r-Rahmani r-Rahim, MN: schließt die Tür ab. M: Ayatu l-Kursi 4x um einen herum, dann eins oben, eins unten, eins zu einem selbst, 7.
Ihr mögt den Gläubigen sagen oder den Ungläubigen mögt ihr sagen, daß es in den Heiligen Büchern heißt, in den Heiligen Büchern, wenn die Zeit um ist oder der Letzte Tag kommt, wird es offenbar. MN: Es wird deutlich werden. M: Es wird etwas kommen, was die Menschen nicht erwarten. Euere Türen sollten abgeschlossen sein, verschlossen. Manchmal gibt es in so einem

Land auch Schlangen. Ihr habt Schlangen? G: Keine Schlangen in Neuseeland. Nein, keine Schlagen in Neuseeland. In Malaisien haben wir Schlangen. M: Ihr könnt, ihr könnt das sagen und einen Kreis um euch ziehen. Sie können nicht darüber springen. G: Ayatu l-Kursi sagen. MN: Ja. M: Oder es können giftige kommen und alle so machen. In der Nacht, wenn es nicht nötig ist, geht niemand hinaus. 'Sicherheit!' sagte der Prophet (saws). Jene, die in ihren Häuser bleiben, sind in Sicherheit. Der Tag des Fath von Mekka. MN: Der Tag der Eroberung Mekkas. M: Jeder, der in seinem Haus war und die Tür verschlossen hatte, wurde von niemandem angerührt.
Fadlu Sadaqa nimmt Unglück weg. Verschlossene Türen öffnen sich. Sonst verschließen sich jetzt offene Türen. Wa min Allah t-Tawfiq. Gebet muß sein, selbst wenn es nur 2 Rakats am Tag sind. Aman ya Rabbi. Es gibt einen Vulkan in dem Land. Ich wußte das vorher nicht, aber es kommt zu mir jetzt, daß es einen starken gibt. Er kann ganz Neuseeland untergehen lassen. G: Soll ich aus Neuseeland wegziehen, Mawlana? M: Nein, höre, was ich dir sage, und fürchte dich nicht. MN: Du solltest dich nicht fürchten. Was immer Mawlana dir sagt, gehorche einfach, und du wirst in Sicherheit sein. M: Du wirst bekannt sein, wie die Sterne in der Nacht bekannt sind. Nichts wird dich berühren. Jedes Geschöpf erzittert, wenn die Nacht kommt. Nur Insan, die Menschheit, die Menschheit.. die anderen, alle Tiere, Geschöpfe zittern. Aman ya Rabbi. Fatiha. Tariqat, der Shaykh schaut. MN: Die Leute der Tariqat, euere Tariqat Leute, Shaykh, wachen über sie. "Salamun Qawlaam mir Rabbir Rahim" (36:58). Die Menschen in Burma. G: Die Menschen müssen sagen "Salamun Qawlaam mir Rabbir Rahim" (36:58). M: Versucht andere Leute, sie mögen es sagen, und Allah (swt) sendet für sie Wächter. Damit sie nicht getötet werden. G: Nein, weil sie, die Buddhisten, die Leute mitnehmen, sie töten Muslime. M: Einige von den Himmlischen sind beauftragt worden, Rache zu üben. Rache für die Muslime. Also laßt sie. Macht euch keine Sorgen. HR: Jeden Morgen 7x? M: 7x "Salamun Qawlaam mir Rabbir Rahim" (36:58). Maghrib: "Salamun Qawlaam mir Rabbir Rahim" (36:58) 7x. Sie sollen Namaz, das Gebet, machen. Wenn sie Sajda machen, ist es genug. Sagt La ilaha illa Allah, Muhammad Rasulullah. As'habu n-Nawba, einige Awliya' wachen über sie. G: Zur Zeit des Maghrib, reicht das für sie? MN: Ja. G: Und am Morgen und Fajr, 7x für Fajr, 7x für Maghrib. Genug für sie, Sajda zu machen, genug? M: Tamam. M: Sie sollen sich immer waschen. Ja, Wasser, Flüsse gibt

es dort im Überfluß. Sie können davon nehmen, wenn sie sich waschen, um Sajda zu machen. G: Wenn sie sich gewaschen haben, machen sie Sajda. M: Und sagen Allahu Akbar, Allahu Akbar, Allahu Akbar. Genug. Danke für euren Besuch. Ihr hattet einen langen Weg. Der Doktor auch. Ihr ehrt mich und sorgt auch für mich. Shukur Allah, Shukur Alhamdulillah. Shukur Alhamdulillah. Fatiha.

G: Die Muslime in Burma.. M: An der Grenze, die Nachbarn, müssen sich kümmern. Sie müssen die Größe der Macht des Islam zeigen. Sagt ihm (PM), wenn er das nicht macht, ziehe ich meine Unterstützung zurück. G: Um den Muslimen an der Grenze zu helfen (die Nachbarn in Burma). M: Wenn er verspricht, unterstütze ich ihn, PM zu sein. Sieben Awliya' sende ich ihnen, um ihn zu unterstützen. Sonst fällt er, erledigt, sie bringen einen anderen. G: Insha'Allah, werde ich die Botschaft überbringen. Danke, Shaykh. Danke, Mawlana.

**It Is He(swt) Who Named You Muslim.(22:78)**

---

Assalamu Alaikum, oh the lovers of Shah Mardan. Let's listen. Let's take advice from Shah Mardan. Let's say Bismillahi r-Rahmani r-Rahim. Kullu amrin lam yabda'a bi Bismillahi r-Rahmani r-Rahim fa huwa abtar. Anything without Basmala is infertile. Infertile is someone, who can't have children. Infertile means there's no result. He planted a tree, but there is no fruit. Infertile. Someone, who can't have a child is called infertile. For this reason Shah Mardan's definition is; "Kullu amrin lam yabda'a bi Bismillah, fa huwa abtar" This is the Prophet's word, the word of heavens.

Who is the Prophet? A prophet is someone, who receives news from Heavens. Someone, who doesn't receive news from heavens can't be a prophet. News of the Heavens comes to the Prophet with whom? From whom? News of Heavens, comes from Him - The Absolute Owner of the dominions and the angelic regions - Allah(jj). Comes from Him. Comes from Him? Comes with who? With the glorious heavenly Angel, Jibrail(as). They call him Jibril-i Amin. It comes with him. Jibril (as) descends for Prophets. If Jibril(as) doesn't descend, those people are not prophets. Allahu Dhul Jalal, Absolute Owner of the universe, dominions, angelic realms sends His servants, to whomever He wishes, to teach them the ways, the roads.

Welcome Shah Mardan, listen O lovers of Shah Mardan. Masha'Allah. Shah Mardan. How nice! We ask for your help. We shall listen to you. Listen to what you shall grant. Go ahead. Let's say Bismillahi r-Rahmani r-Rahim. May it open. The key of heavens and earth is, Bismillahi r-Rahmani r-Rahim. There is no Prophet without Basmala. 'Innahu Min Sulaymana Wa Innahu Bismillahi r-Rahmani r-Rahim" (27:30) Hay hay, hay hay. Shah Mardan, go ahead. Can a Prophet be without Basmala? Never. Innahu min Sulaymana, glorious Prophet ruling the world, great Prophet, sultan Prophet, may his reputation be high. Sulaiman (as). Even if

someone is named after him, there's virtue for him. Sulaiman(as).Ya. He is Sulaiman but, Innahu min Sulaymana wa Innahu Bismillahi r-Rahmani r-Rahim.
Take care O lovers of Shah Mardan! Don't listen to anyone without basmala. He is useless, straw, compost, excreta, mexcreta. Don't do business with someone without basmala. You'll also be zero. Without basmala human beings are zero. So, don't do anything with a man not saying basmala. If you meet him, make him say Basmala. Make him say so that the assembly can be fruitful. So, Shah Mardan's order, start with Basmala. Those, who forget Allah, they are useless and powerless. Who are they? Those, without basmala, they say human beings come from monkeys People without basmala, are all monkeys. You like it? You evolved from monkeys. Monkeys don't say basmala. If monkeys don't say basmala, all those who don't say basmala as priest Darwin said, sir, they are monkeys.
Bismillahi r-Rahmani r-Rahim. Who gives us honor, power, light, belief? Who writes the reality of Islam in our hearts? Janabul Haqq. What he ordered the Qalam-i Ala to write was Bismillahi r-Rahmani r-Rahim. It wrote for 700 years. Qalam-i ala, on the lawh-i mahfuz. Bismillahi r-Rahmani r-Rahim. Allahu Akbar. Go ahead Shah Mardan. Let me ask, let us ask those who say we are Shia, Alawi - Which action do you start with basmala? Say, when you kill people, do you say Bismillahi r-Rahmani r-Rahim? Or do you say the name of a devil? The order of the devil, the soldier of the devil. A believer says Basmala Sharif and walks toward the Name of Allah. Those, saying basmala, they don't oppress. Those, without basmala, they are all oppressors.
Ey Arhundlar (Mullahs), do you teach the Iranians so they act with basmala? Do the soldiers come from Iran to Sham by saying basmala? Do they come to Sham to kill people - with basmala? (ironic) Which one of you gave fatwa? Or which one of the 10 imams will not judge you? Say. It's not easy. Taking a gun in your hand, shoot whoever comes in your way. Even the governments give permission to hunters; this region, that region, that region is the hunting area. People, who don't fear Allah(jj), who aren't ashamed in front of the Prophet - Iranians, Shia, Alawi, those following them. The governments don't give permission without a license. Did you take permission from Allah(jj) to kill people; coming from all the way from Iran to Sham to kill people? Sham is Kinanatullah, secured by Allahu Dhul Jalal, it is a blessed place.
There is an area in Sham Shariff - What is it? - on the way leading to Jabal Qasiyun - Salihiya. In Salihiya lies the anbiya, awliya. On Jabal Qasiyun there are 700 maqams of prophets. On top

of it is the station of 'Arba'in (the 40). People, who were not taught the old traditions of Sham put a statue in front of Salihiya. a statue is not permitted in Islam. There are no idols. There is no idolization of a human being. Kulluna abid. We are all servants of Allah(jj). When they reached Salihiya, which is the border of Jabal Qasiyun, the people of Sham used to take off their shoes and climb up like that. You are bombing Sham Shariff. Noble Sham, its name means that. Even the non believers didn't bomb Sham. Bashar is bombing. What right, what permission does he have to bomb Sham? What does he want from the people of Sham? He shall never find what he looks for. When their heads fall off, the devil is going to play football with their heads. Oh Iranians, beware. Rajab Shahrullah is coming. Many people's heads will be cut.

Don't take any action without Bismillahi r-Rahmani r-Rahim. If you are a man, say basmala, and kill a human being? (ironic) Their places are in Asfali Safilin. The worst place in hell, they'll go, where the most wild torment is. Arhund, the teachers of Persians, their beards reach their stomachs, they have turban on their heads. Which one gives fatwa? To kill a muslim, who says La Ilaha Ill'Allah . They should say, cut muslims with basmala. The lovers of the Prophet, let them say. 12.000 sahaba-i qiram entered Sham. Sham Sharif is a great maqam, with 12.000 sahaba's maqams. You, those not fearing Allah (jj), how can you bomb? How can you burn, destroy the mosques? Nonbelievers didn't destroy. You are worse than nonbelievers. You won't be left without punishment. Force is coming now. Rajabu Shahrullah is coming. You'll see. You'll see they will make your feathers fly.

Idols can't be accepted in Sham. You can't put statues in Sham. On the contrary, they put the cross in Sham, in the center of Sham. They don't have the right. Sham is honored. They can't put a cross. They made a statue. They put a sculpture on it. You found opportunity, you did whatever you like. But, all of you are going into a trap because your actions are not with Basmala. You are without Basmala. Who forgets Basmala forgets Allah (JJ). Who forgets Allah(jj), is not a Muslim. Beware. Who forgets Allah(jj)? Who forgets Bismillah forgets Allah (jj). Go ahead Shah Mardan, tell Alawis, tell Shia. Who forgets Allah(jj), is he a Muslim? Never he says. Shah Mardan, Owner of the arenas, Amir Al Mu'minin, Ali ibn Abi Talib (as). The world is shaking. 12.000 sahabas in Sham Shariff, 12.000 sahabas who saw our Master's (sas) holy face. Who entered there, who lies there on Jabal Qasiyun? Inside Mount Qasiyun cemeteries, tombs, maqams, unknown stations of 700 prophets on Mount Qasiyun. You shoot from Mount

Qasiyun? What kind of Muslim are you? You think you won't be punished? Even an ant, created by Janabul Haqq, if you kill an ant without a reason, that ant complains - oh Lord, when I was mentioning You, this son of Adam stepped on me, crushed me. The ant complains to its Lord. You destroy, burn... son of Adam, the stations of the Sahabas, then you mingle with the people. Why do they fight? What does Bashar want? Why does Bashar kill? Is he the one giving life so he can kill people? He is going to be judged, judged. Let's say Bismillahi r-Rahmani r-Rahim. Run away from those without Basmala. They are useless. Human, is one kind of creature in this world. There are humans and devils. There are ones with human attributes. There are ones with devil attributes. Do you wear the human attributes or the devil's attributes? Do Iranians wear human attributes? They are coming like waves, killing people, children. The adults are fighting. But weak children - you are crushing, burning. You Bashar, is it honorable? If they burned your children would you like it? It's coming closer. The revenge of heaven is approaching. Rajab is coming. Rajab Shahrullah is coming. Coming with majesty. Beware.

Bismillahi r-Rahmani r-Rahim. Go ahead Shah Mardan, Owner of the Arenas. Talip Rida r-Rahman Oh Shah Mardan. Draw your Dhul Fiqar. Your Dhul Fiqar, with one hit... reaches from east to west. With one hit, he won't leave one head on the shoulders of oppressors & non believers. Among all other orders of Islam, the first one is Allahu Dhul Jalal's "Oh My servants. I forbid Myself oppression. Don't oppress, don't be oppressors." He says. How can these people survive amidst so much oppression? Who laughs at us? Those who worship the cross. Those who worship the cross, they are playing with us. Their vengeance is endless. They don't want Islam. Islam is the religion of Truth.

Stand up oh Muslims, oh kings. You don't need planes or bombs. The Prophet of the End Of Times didn't conquer with guns but with the sword. No guns have the secret of the sword. That's why all our Pashas had swords in their hands. The sword was with the Ottomans. Wake up. Ottomans defended Islam for 1000 years. These saloniki converts came and destroyed the great Sultanate. The Arabs, I say Arabs because Muslim is something else. Being an Arab is different. "Nationalism is under my feet" said the Prophet (sas). We are the Nation of Muhammad "Huwa Samakumu l-Muslimun" - Allah Dhul Jalal called us Muslims.

Beware. Oh Shah Mardan, go ahead, hit, cut, cut the necks of oppressors. Do whatever you do.

The angels are coming closer like this. There are necks to be cut. Az-zulmu la yadum. Oppression can't continue. In Dama Dammar. If it continues, oppression devastates everything. Allahu Dhul Jalal, temehhel (just you wait) oh oppressor. Wait. I'll take revenge from you on behalf of the oppressed. Beware those who come from Iran and don't keep respect for Sham. For the sake of the Prophet(sas) those without respect or belief, the field is not yours now. He is going to show who is the owner of the field. Rajab is coming. It is Shahrullah, Allah's month. Wa la yarda bikumul kufr. Janabul Haqq doesn't accept disbelief. Disbelief is the biggest oppression. I'm going to destroy says Shah Mardan. I'm in the arena, he says. When the time comes, I will draw the sword. Each time I strike, 70 heads will fall. "I'm like a hurricane", he says, "not like a wind." "Like a strong hurricane. When I walk towards the oppressors, countless heads will fall." Go ahead Shah Mardan. If Alawis, Iranians, Shia say that Shah Mardan didn't say these words. Shah Mardan told the truth and drew his sword in the way of Haqq. He struck his sword in Khaybar Castle, with full strength. He hit the leader of the Jews there. With one stroke he cut off his head, and with the tip of his sword he hit the ground. Water sprang out of the earth. It is a sign that the sword of Islam brings life to people, saves people from slavery to the devil. I drank from that water, Alhamdulillah. I entered Khaybar Castle. I also prayed with that water. Sahibul Dawran, Shah Mardan, where he stuck his sword, water is still running there. Oh Jews go visit. Why don't you go? Go, visit. See the miracle in Islam.

See the love of Islam's soldiers. This name no longer exists. Each nation shouldn't call itselfby a different name From now on, the soldiers of the Muslims are Asakir-i Mansure-i Muhammediye. This name was given 3 nights ago. Asakir-i Mansure-i Muhammediye. Don't say a different name. Asakir-i Mansure-i Muhammediye. Other names are rubbish. It is not accepted. We accept the name of Shah Mardan's Asakir-i Mansure-i Muhammediye. It was the name of the Ottomans. Asakir-i Mansure-i Muhammediye. They drew the sword for the honor of Hz. Muhammad(sas) for 700 years. 700 years. And to destroy it, who did they use who did the unbelievers use? They used the saloniki apostates. The saloniki apostates. But they found their punishment, they will. Those, who don't teach history, who don't teach the truth, Turkish, Kurdish, Arab, whoever may their lives be short, may they not reach Eid.

Tell about Islam, tell about the greatness of Islam. Hay hay. An orphan came. An orphan boy. Today, all over the world, 5 times a day, 3 billion Muslims say: Ashhadu an la ilaha illaLlah wa

ashhadu anna Muhammadar RasuluLlah Do they say shahadah because they give them money? Or are you not among the 3 billion? If you are among them, pull yourselves together. The angels will play with your heads like playing ball. The angels will hit. This is a secret. Allahu Allah. Allahu Allah Allahu Rabbi Allahu Allah Allahu Hasbi Allahu Allah Allahu Rabbi Allahu Allah Allahu Hasbi. Say Allahu Allah. The non-believing world, the whole world against Islam, is afraid. Why do they fear? Why? They fear Islam will come and their false religion will disappear. That's why they fear.

Help, we can't help. Those who ask help from them are idiots without belief. Call Shah Mardan. Draw your sword. Advance towards them. Oh our Lord, it is Rajab Shahrullah. It is the harvest time for cutting the enemies of Islam. Time for heads to fall. All the world, when we say all the world, what does the nonbelieving world want? They don't want Islam to stand up. Starting with Arabs, Iranians, Turkish, Kurdish their problem is - I'm Kurdish, I'm Turkish, I'm Arab, I'm from Yemen, I'm Pakistani. No. Religion is the religion of Allah. We are Muslims.

What's the name of our soldiers? Asakir-i Mansure-i Muhammediye. This is the soldier of the Ottomans. The Ottomans will come even if those who don't want them burst, explode. They'll explode from their stomachs, but Ottomans will still come. The world fears only the Ottomans, no one else. I dare you! Here is the arena, the sultan is coming. Tawba Ya Rabbi Tawba astaghfirullah Tawba Astaghfirullah Tawba Astaghfirullah They shall write us also. I'm this age. They should also write my name among the Asakir-i Mansure-i Muhammediye. Me too. I also want to be written. My name should be written, Asakir-i Mansure-i Muhammediye. Oh Muslims, establish Asakir-i Mansure-i Muhammediye. Show yourselves everywhere. Allah Jalla Jalaluhu is with you. His Beloved is with you. Shah Mardan is with you. Don't fear or flinch. Only unbelievers fear from Kafir. We have faith alhamdulillah. Saltanat is Ahli Osman, it's coming. Those who don't want, will die. Those who want, I'm bringing them, they'll sit in their stations.

Allahu Allah Allahu Allah Allahu Allah Allahu Allah Allahu Hasbi Allahu Rabbi Allahu Rabbi Allahu Hasbi Hasbun Allah wa nimal wakil, nimal Mawla wa niman nasir. With Rajab, Islam is staying like this. With Rajab, it is opened like this, don't fear. Nothing can stand in the way. The Armies will come. Allahu Allah Allahu Rabbi Allahu Allah Allahu Hasbi Hasbun Allah wa nimal wakil. We are also from Asakir-i Mensure-i Muhammediye. Your name should be written

like this. Establish your armies.
Fatiha.

**Er ist es, Der euch Muslim nannte (22:78)**

---

As-Salamu `alaykum, o Liebende Shah Mardans. Hören wir zu! Nehmen wir Rat an von Shah Mardan. Sagen wir Bismillahi r-Rahmani r-Rahim. Kullu Amrin lam Yabda'a bi Bismillahi r-Rahmani r-Rahim fa Huwa Abtar. Alles ohne die Basmala ist unfruchtbar. Unfruchtbar ist jemand, der keine Kinder haben kann. Unfruchtbar bedeutet, es gibt kein Ergebnis. Er pflanzte einen Baum, aber es gibt keine Frucht. Unfruchtbar. Jemand, der kein Kind haben kann, wird unfruchtbar genannt. Aus diesem Grund ist Shah Mardans Definition: "Kullu Amrin lam Yabda'a bi Bismillah, fa Huwa Abtar." Das sind die Wort des Propheten, die Worte der Himmel. Wer ist der Prophet? Ein Prophet ist jemand, der Nachrichten von den Himmeln empfängt. Jemand, der keine Nachrichten von den Himmeln empfängt, kann kein Prophet sein. Nachrichten von den Himmeln kommen zum Propheten durch wen? Von wem? Nachrichten der Himmel kommen von Ihm, Dem Absoluten Eigner der Herrschaftsbereiche und der engelhaften Regionen, Allah (jj). Kommt von Ihm. Kommt von Ihm? Kommt mit wem? Mit dem glorreichen himmlischen Engel Jibrail (as). Sie nennen ihn Jibril-i Amin. Sie kommt mit ihm. Jibril (as) steigt herab für Propheten. Wenn Jibril (as) nicht herabsteigt, sind diese Leute keine Propheten. Allahu Dhu l-Jalal, der Absolute Eigner des Universums, der Bereiche, der engelhaften Bereiche sendet Seine Diener zu wem immer Er will, um sie die Wege, die Straßen zu lehren.
Willkommen Shah Mardan, hört, o Liebende Shah Mardans. Ma sha' Allah, Shah Mardan, wie schön! Wir bitten um deine Hilfe. Wir werden dir zuhören, hören, was du uns gewähren wirst. Mach weiter. Sagen wir Bismillahi r-Rahmani r-Rahim. Möge es sich öffnen. Der Schlüssel der Himmel und der Erde ist Bismillahi r-Rahmani r-Rahim. Es gibt keinen Propheten ohne die Basmala. "Innahu min Sulayman wa Innahu Bismillahi r-Rahmani r-Rahim" (27:30). Hay hay, hay hay. Shah Mardan, geh weiter. Kann ein Prophet ohne Basmala sein? Niemals. "Innahu min Sulayman", der glorreiche Prophet regiert die Welt, der große Prophet, der Sultan Prophet, möge sein Ruf hoch sein. Sulayman (as). Selbst wenn jemand nach ihm benannt wird, wirkt das auf

ihn. Sulayman (as). Er ist Sulayman, aber "Innahu min Sulayman wa Innahu Bismillahi r-Rahmani r-Rahim." Paßt auf, Liebende Shah Mardans! Hört nicht auf jemanden ohne die Basmala. Er ist nutzlos, Stroh, Kompost, Exkret, Mexkret. Macht keine Geschäfte mit jemandem ohne Basmala. Ihr werdet auch null. Ohne Basmala sind die Menschen null. Also unternehmt nichts mit einem Menschen, der nicht die Basmala sagt. Wenn ihr ihn trefft, bringt ihn dazu, die Basmala zu sagen. Bringt ihn dazu, sie zu sagen, damit die Versammlung fruchtbar sein kann. Also, Shah Mardans Befehl: Beginnt mit der Basmala. Jene, die Allah (swt) vergessen, sind nutzlos und ohne Macht. Wer sind sie? Jene ohne die Basmala sagen, die Menschen kommen von den Affen. Die Menschen ohne Basmala sind alles Affen. Gefällt es euch? Ihr entwickeltet euch von Affen. Affen sagen nicht Basmala. Wenn Affen keine Basmala sagen, sind alle, die keine Basmala sagen, wie der Priester Darwin sagte, Sir, Affen. Bismillahi r-Rahmani r-Rahim. Wer gibt uns Ehre, Macht, Licht, Glauben? Wer schreibt die Wirklichkeit des Islam in unsere Herzen? Janabu l-Haqq. Was Er dem Qalamu `Ala zu schreiben befahl, war Bismillahi r-Rahmani r-Rahim. Es schrieb 700 Jahre lang. Qalamu `Ala, auf dem Lawhu Mahfuz. Bismillahi r-Rahmani r-Rahim. Allahu Akbar. Mach weiter, Shah Mardan. Laßt mich fragen, laßt uns die fragen, die sagen, wir sind Schiiten, Alawiten: Welche Taten beginnt ihr mit der Basmala? Sagt, wenn ihr Menschen tötet, sagt ihr Bismillahi r-Rahmani r-Rahim? Oder sagt ihr den Namen eines Teufels? Der Befehl Shaytans, der Soldat Shaytans. Ein Gläubiger sagt die Basmala Sharif und geht auf den Namen Allahs zu. Jene, die die Basmala sagen, unterdrücken nicht. Jene ohne die Basmala sind alle Unterdrücker. Ay Arhundlar, Mullahs, lehrt ihr die Iraner, so daß sie mit der Basmala handeln? Kommen die Soldaten von Iran nach Sham, indem sie die Basmala sagen? Kommen sie nach Sham, um Menschen zu töten - mit der Basmala? Wer von euch gab Fatwa? Oder welcher der 10 Imame wird euch nicht richten? Sagt.

Es ist nicht leicht, ein Gewehr in die Hand zu nehmen und jeden, der einem über den Weg läuft, zu erschießen. Die Regierungen geben auch Jägern Erlaubnis: diese Region, jene Region, diese Region ist das Jagdgebiet. Menschen, die Allah nicht fürchten, die sich nicht schämen vor dem Propheten, Iraner, Schiiten, Alawiten, die, die ihnen folgen. Die Regierungen geben keine Erlaubnis ohne Lizenz. Habt ihr Erlaubnis von Allah (jj) bekommen, Menschen zu töten? Wo ihr doch den ganzen Weg vom Iran nach Sham kommt, um zu töten. Sham ist Kinanatullah, gesichert von Allahu Dhu l-Jalal. Es ist ein gesegneter Ort. Es gibt ein Gebiet in Sham Sharif - Was

ist es? - auf dem Weg, der zum Jabal Qasiyun führt - Salihiya. In Salihiya liegen die Anbiya, Awliya. Auf dem Jabal Qasiyun gibt es 700 Maqams von Propheten. Oben ist die Station der `Arba`in, der Vierzig. Leute, die die alten Traditionen Shams nicht gelernt hatten, stellten eine Statue vor Salihiya. Eine Statue ist nicht erlaubt im Islam. Es gibt keine Götzen. Es gibt keine Vergötzung eines Menschen. Kulluna `Abid. Wir sind alle Diener Allahs (jj). Wenn sie Salihiya erreichten, das an der Grenze des Jabal Qasiyun ist, pflegten die Menschen von Sham ihre Schuhe auszuziehen und so hochzugehen. Ihr bombardiert Sham Sharif, das edle Sham. Der Name bedeutet das. Selbst die Ungläubigen bombardierten Sham nicht. Bashar bombardiert. Welches Recht, welche Erlaubnis hat er, Sham zu bombardieren? Was will er von den Menschen von Sham? Er wird nie finden, nach was er sucht. Wenn ihre Köpfe fallen, wird Shaytan Fußball spielen mit ihren Köpfen.

O Iraner, hütet euch. Rajab Shahrullah kommt. Die Köpfe vieler Menschen werden abgeschlagen werden. Unternehmt nichts ohne Bismillahi r-Rahmani r-Rahim. Wenn du ein Mann bist, sag die Basmala und töte einen Menschen? Ihr Ort ist in Asfali Safilin. Der schlimmste Platz in der Hölle. Sie werden dahin gehen, wo die schlimmste Qual ist. Arhund, der Lehrer der Perser, ihre Bärte reichen bis zum Bauch, sie haben Turbane auf dem Kopf. Welcher gibt Fatwa, einen Muslim zu töten, der sagt La ilaha illa Allah? Sie sollten sagen, schneidet Muslime mit der Basmala. Die Liebenden des Propheten, laßt sie sagen. 12.000 Sahaba Qiram betraten Sham. Sham Sharif ist ein großer Maqam mit 12.000 Sahaba Maqams. Ihr, jene, die Allah nicht fürchten, wie könnt ihr bomben? Wie könnt ihr die Moscheen verbrennen, zerstören? Ungläubige zerstörten nicht. Ihr seid schlimmer als Ungläubige. Ihr werdet nicht ohne Strafe gelassen werden. Gewalt kommt jetzt. Rajabu Shahrullah kommt. Ihr werdet es sehen. Ihr werdet sehen, sie lassen euere Federn fliegen. Götzen können nicht anerkannt werden in Sham. Ihr könnt keine Statuen aufstellen in Sham. Im Gegenteil, sie hängten das Kreuz auf in Sham, im Zentrum von Sham. Sie haben kein Recht. Sham ist geehrt. Sie können kein Kreuz aufhängen. Sie machten eine Statue. Sie stellten eine Skulptur auf. Ihr fandet eine Gelegenheit und tatet, was ihr wolltet. Aber ihr geht alle in eine Falle, weil euere Taten ohne die Basmala sind. Ihr seid ohne Basmala. Wer die Basmala vergißt, vergißt Allah (jj). Wer Allah (jj) vergißt, ist kein Muslim. Hütet euch. Wer vergißt Allah (jj)? Wer das Bismillah vergißt, vergißt Allah (jj).

Mach weiter, Shah Mardan. Sag es den Alawiten, sag es den Schiiten. Wer Allah (jj) vergißt, ist

er Muslim? Niemals, sagt er. Shah Mardan, Eigner der Kampfplätze, Amiru l-Mu'minin, Ali ibn Abi Talib (as). Die Welt wackelt. 12.000 Sahabas in Sham Sharif. 12.000 Sahabas, die das heilige Gesicht unseres Meisters (saws) sahen. Wer ging dort ein, wer liegt dort auf dem Jabal Qasiyun? Im Berg Qasiyun sind Friedhöfe, Gräber, Maqams, unbekannte Stätten von 700 Propheten, auf dem Berg Qasiyun. Ihr schießt vom Berg Qasiyun? Was für Muslime seid ihr? Ihr glaubt, ihr werdet nicht bestraft? Selbst eine Ameise, geschaffen von Janabu l-Haqq, wenn ihr eine Ameise tötet ohne Grund, und diese Ameise beklagt sich: O Herr, als ich Deiner gedachte, trat dieser Sohn Adams auf mich und zerquetschte mich. Die Ameise beklagt sich bei ihrem Herrn. Ihr zerstört, brennt nieder, Sohn Adams, die Stätten der Sahabas, dann mischt ihr euch mit den Leuten. Warum kämpfen sie? Was will Bashar? Warum tötet Bashar? Ist er der, der Leben gibt, so daß er die Menschen töten kann? Er wird gerichtet werden, gerichtet.
Sagen wir Bismillahi r-Rahmani r-Rahim. Lauf weg vor denen ohne die Basmala. Sie sind nutzlos. Der Mensch ist eine Art Geschöpf in dieser Welt. Es gibt Menschen und Shaytane. Es gibt solche mit Menscheneigenschaften. Es gibt solche mit Shaytaneigenschaften. Trägst du die Menschen- oder die Shaytaneigenschaften? Tragen die Iraner Menscheneigenschaften? Sie kommen wie Wellen und töten Menschen, Kinder. Die Erwachsenen kämpfen. Aber die schwachen Kinder.. Ihr zermalmt, verbrennt. Du, Bashar, ist das ehrenhaft? Wenn sie deine Kinder verbrennten, würde es dir gefallen? Es kommt näher, die Rache der Himmel kommt näher. Rajab kommt. Rajab Shahrullah kommt, kommt mit Majestät. Hütet euch. Bismillahi r-Rahmani r-Rahim. Mach weiter, Shah Mardan, Eigner der Kampfstätten, Talib Rida r-Rahman, o Shah Mardan. Zieh dein Dhu l-Fiqar. Dein Dhu l-Fiqar, mit einem Schlag reicht es von Ost nach West. Mit einem Schlag wird er nicht einen Kopf auf den Schultern der Unterdrücker und Ungläubigen lassen. Von allen Befehlen des Islam ist der erste Allah Dhu l-Jalals: O Meine Diener, Ich habe Mir Selbst Unterdrückung verboten. Unterdrückt nicht, seid keine Unterdrücker, sagt Er. Wie können diese Menschen überleben inmitten solcher Unterdrückung? Wer lacht uns aus? Jene, die das Kreuz verehren. Jene, die das Kreuz verehren, spielen mit uns. Ihre Rache ist unendlich. Sie wollen den Islam nicht. Islam ist die Religion der Wahrheit.

Steht auf, o Muslime, o Könige. Ihr braucht keine Flugzeuge oder Bomben. Der Prophet des Zeitenendes eroberte nicht mit Gewehren, sondern mit dem Schwert. Kein Gewehr hat das Geheimnis

des Schwertes. Deshalb hatten all unsere Paschas Schwerter in der Hand. Das Schwert war mit den Osmanen. Wacht auf! Die Osmanen verteidigten den Islam 1000 Jahre lang. Diese Saloniki Konvertiten kamen und zerstörten das große Sultanat. Die Araber, ich sage Araber, weil Muslime etwas anderes sind.. Araber zu sein, ist etwas anderes. Nationalismus ist unter meinen Füßen, sagte der Prophet (saws). Wir sind die Nation Muhammads. "Huwa Samakumu l-Muslimun". Allah Dhu l-Jalal nennt uns Muslime. Hütet euch. O Shah Mardan, mach weiter, schlage zu, schneide, schlage die Nacken der Unterdrücker. Tu, was immer du tust. Die Engel kommen näher. Es gibt Hälse zu durchtrennen. Adh-Dhulmu la Yadum. Die Unterdrückung kann nicht andauern. In Dama Dammar. Wenn sie andauerte, würde die Unterdrückung alles verwüsten. Allahu Dhu l-Jalal: Warte nur, Unterdrücker! Warte. Ich werde Rache nehmen an euch im Namen der Unterdrückten. Hütet euch, die aus dem Iran kommen und keinen Respekt wahren für Sham. Um des Propheten (saws) willen, die ohne Respekt oder Glauben, das Feld ist jetzt nicht mehr euer. Er wird zeigen, wer der Eigner des Feldes ist. Rajab kommt. Es ist Shahrullah, Allahs Monat.

Wa la Yarda bi Kumu l-Kufr. Janabu l-Haqq erkennt Unglauben nicht an. Unglauben ist die größte Unterdrückung. Ich werde nicht zerstören, sagt Shah Mardan. Ich bin in der Arena, sagt er. Wenn die Zeit kommt, werde ich das Schwert ziehen. Jedes Mal, wenn ich zuschlage, fallen 70 Köpfe. Ich bin wie ein Hurrikan, sagt er. Nicht wie ein Wind. Wie ein starker Hurrikan. Wenn ich gegen die Unterdrücker gehe, werden unzählige Köpfe fallen. Mach weiter, Shah Mardan. Wenn Alawiten, Iraner, Schiiten sagen, daß Shah Mardan diese Worte nicht sagte, Shah Mardan sagte die Wahrheit und zog sein Schwert auf dem Weg von Haqq. Er schlug mit seinem Schwert in der Festung von Khaybar mit voller Wucht. Er schlug den Führer der Juden dort. Mit einem Hieb schlug er ihm den Kopf ab und mit der Spitze seines Schwertes schlug er auf den Boden. Wasser sprang hervor aus der Erde. Es ist ein Zeichen, daß das Schwert des Islam die Menschen zum Leben bringt, die Menschen von der Sklaverei Shaytans errettet. Ich trank von dem Wasser, Alhamdulillah. Ich betrat die Festung von Khaybar. Ich betete auch mit diesem Wasser. Sahibu d-Dawran, Shah Mardan, wo er sein Schwert hinsteckte, dort läuft immer noch Wasser. O Juden, geht und besucht den Ort. Warum geht ihr nicht? Geht, besucht. Seht das Wunder im Islam. Seht die Liebe der Soldaten des Islam. Dieser Name existiert nicht mehr. Die Nationen sollten sich nicht jede bei einem Namen nennen. Von jetzt ab sind die Soldaten der Muslime Asakir

Mansura Muhammadiyya. Dieser Name wurde vor drei Nächten gegeben. Asakir Mansura Muhammadiya. Sagt keinen anderen Namen. Asakir Mansura Muhammadiyya. Andere Namen sind Unsinn. Sie werden nicht angenommen. Wir nehmen den Namen Shah Mardans an: Asakir Mansura Muhammadiyya. Es war der Name der Osmanen. Asakir Mansura Muhammadiyya. Sie zogen das Schwert zu Ehren Hz Muhammads (saws) 700 Jahre lang, 700 Jahre. Und um es zu zerstören, wen benutzten sie, wen benutzten die Ungläubigen? Sie benutzten die Saloniki Apostaten. Die Saloniki Apostaten. Aber sie fanden ihr Strafe, sie werden. Jene, die nicht Geschichte unterrichten, die nicht die Wahrheit lehren, Türken, Kurden, Araber, wer auch immer, möge ihr Leben kurz sein, mögen sie das `Id nicht erreichen.

Sprecht über den Islam. Sprecht über die Größe des Islam. Hay hay. Ein Waise kam, ein Waisenjunge. Heute sagen in der ganzen Welt 5x am Tag 3 Billionen Muslime: Ashhadu an la ilaha illa Allah wa ashhadu anna Muhammada r-Rasulullah. Sagen sie die Shahada, weil man ihnen Geld gibt? Oder seid ihr nicht unter den drei Billionen? Wenn ihr dazu gehört, reißt euch zusammen. Die Engel werden mit eueren Köpfen spielen wie mit einem Ball. Die Engel werden stoßen. Das ist ein Geheimnis. Allahu Allah. Allahu Allah, Allahu Rabbi, Allahu Allah, Allahu Hasbi. Allahu Allah, Allahu Rabbi, Allahu Allah, Allahu Hasbi. Sagt Allahu Allah. Die ungläubige Welt, die ganze Welt gegen den Islam fürchtet sich. Warum fürchten sie sich? Warum? Sie fürchten, daß der Islam kommt und ihre falsche Religion verschwindet. Deshalb fürchten sie sich. Helfen, wir können nicht helfen. Jene, die sie um Hilfe bitten, sind Dummköpfe ohne Glauben. Ruft Shah Mardan. Zieht euer Schwert. Marschiert auf sie zu. O unser Herr, es ist Rajab Shahrullah. Es ist die Erntezeit, um die Feinde des Islam zu schneiden. Zeit für die Köpfe zu fallen. Die ganze Welt, wenn wir sagen, die ganze Welt, was will die ungläubige Welt? Sie wollen nicht, daß der Islam aufsteht. Beginnend mit den Arabern, den Iranern, den Türken, den Kurden - ihr Problem ist: Ich bin Kurde, ich bin Türke, ich bin Araber, ich bin aus dem Jemen, ich bin Pakistani.Nein! Die Religion ist die Religion Allahs. Wir sind Muslime.

Was ist der Name unserer Soldaten? Asakir Mansura Muhammadiyya. Das ist der Soldat der Osmanen. Die Osmanen werden kommen, auch wenn die, die es nicht wollen, platzen. Ihr Bauch wird explodieren, aber die Osmanen werden doch kommen. Die Welt fürchtet nur die Osmanen, sonst niemanden. Ich fordere euch heraus! Hier ist die Arena, der Sultan kommt. Tawba ya Rabbi, Tawba Astaghfirullah, Tawba Astaghfirullah, Tawba Astaghfirullah. Sie sollten uns auch

einschreiben. Ich habe das Alter. Sie sollten meinen Namen auch bei den Asakir Mansura Muhammadiyya einschreiben. Ich will auch eingeschrieben werden. Mein Name sollte bei den Asakir Mansura Muhammadiyya eingeschrieben werden. Muslime, baut Asakir Mansura Muhammadiyya auf. Zeigt euch überall. Allah Jalla Jalaluhu ist mit euch. Sein Geliebter ist mit euch. Shah Mardan ist mit euch. Fürchtet euch nicht und weicht nicht zurück. Nur die Ungläubigen fürchten den Kafir. Wir haben Glauben, Alhamdulillah. Saltanat ist Ahli Osman. Es kommt. Jene, die es nicht wollen, werden sterben. Jene, die es wollen, bringe ich. Sie werden an ihren Stätten sitzen. Allahu Allah, Allahu Allah, Allahu Hasbi, Allahu Rabbi, Allahu Rabbi, Allahu Hasbi, Hasbun Allah wa Ni`ma l-Wakil, Ni`ma l-Mawla wa Ni`ma n-Nasir. Mit dem Rajab bleibt der Islam so. Mit dem Rajab öffnet er sich so. Fürchtet euch nicht. Nichts kann im Weg stehen. Die Armeen werden kommen. Allahu Allah, Allahu Rabbi, Allahu Allah, Allahu Hasbi, Hasbun Allah wa Ni`ma l-Wakil. Wir gehören auch zu den Asakir Mansura Muhammadiyya. Euer Name sollte so geschrieben werden. Baut euere Armeen auf. Fatiha.

## Der Herrscher Harun ar-Rashid und die alte Frau

Einst verirrte sich der Kaiser auf der Jagd und konnte weder den richtigen Weg noch seine Gefährten wiederfinden. Er befand sich inmitten einer wasserlosen Wildnis, ohne Mittel und Proviant. Er irrte in der Wüste umher, und sein Durst wurde unerträglich. Schon wollte er verzweifeln, jemals eine Wasserquelle zu finden, da gewahrte er in einiger Entfernung ein schwarzes Zelt. Zunächst hielt er es für eine Sinnestäuschung, aber wie er sich dem Zelt näherte, erkannte er zu seiner großen Freude und Erleichterung, daß es ein wirkliches Beduinen-Zelt war. Sobald er die Zeltöffnung erreicht hatte, rief er hinein: „O Bewohner dieses Zeltes, bring mir bitte ein Glas Wasser!“ Es bewegte sich etwas in dem Zelt, und langsam kam eine uralte Frau zum Vorschein, die fragte den Verirrten: „O Herrscher der Gläubigen, was suchst du?“ „Ich brauche sofort Wasser.“ „Wasser sollst du haben, aber nur, wenn du mir seinen Preis zahlen kannst“, sagte das merkwürdige alte Weib. „Wie sprichst denn du mit mir? Bin ich etwa nicht der Khalif aller Muslime? Schnell, bring mir das Wasser!“ „In Baghdad magst du Khalif sein, nicht aber in meinem Zelt; hier hast du nicht einmal das Recht, deinen großen Zeh hineinzustrecken. Und glaube nicht etwa, daß du weißt, was ich von dir verlange; es ist nicht, was du dir vorstellst.“ Denn die Alte konnte seine Gedanken lesen, und daher wußte sie, daß der Khalif von ihr glaubte, sie wolle viel Gold und Geld von dem reichen, mächtigen König, der jetzt so hilflos vor ihr stand. „Was ich vielmehr von dir verlange, ist dies: daß du mir all die Jahre schenkst, die du König bist. Das ist der Preis des Wassers.“ Der Khalif war zu verdutzt und durstig, um gleich zu

antworten. Er betrachtete nur stumm das Glas Wasser, das die Alte ihm vors Gesicht hielt. „Meinst du“, fragte er endlich, „die kommenden Jahre, die ich noch König sein werde, oder die schon vergangenen, die ich König war?“ „Die noch kommenden Jahre sind dein – die gewesenen Jahre will ich haben. Wieviele Jahre bist du nun schon Khalif?“ „Vierzig Jahre lang.“ „So gib mir diese vierzig Jahre, und du sollst das Wasser haben.“ Da blickte Harun auf die vierzig Jahre seines Khalifats zurück und erkannte, daß ihm von all den Jahren nichts geblieben war; da begriff er dann auch, daß das steinalte Weib nichts von ihm forderte. Er sagte: „Gut, es sei, wie du sagst. Du sollst die vierzig Jahre haben.“ „Ich nehme sie an, nimm das Wasser und trink. Du sollst aber wissen, daß, so wie die vierzig Jahre deiner Herrschaft, die du mir gabst, dir durch die Finger geflossen sind, ebenso auch die dir jetzt noch verbleibende Frist verrinnen wird: Am Ende deines Lebens werden auch diese Jahre zu Nichts geworden sein. Laß dich nicht täuschen von deiner Macht und deinem Reichtum, denn am Ende mußt du alles hergeben. Bleibe stark im Glauben an deinen Herrn!“ So sprach die Alte, dann trat sie wieder in ihr Zelt zurück; und als sie in dem Zelt verschwunden war, da war auch plötzlich von dem ganzen Zelt nichts mehr zu sehen, als sei es vom Erdboden verschluckt worden. Harun schaute sich nach allen Seiten um und fand keine Spur, so daß er sich fragte: „Wo ist nur die Alte mit ihrem Zelt geblieben? Vielleicht habe ich alles nur geträumt oder mir eingebildet? Wenn es aber nicht Wirklichkeit war, wie kommt es dann, daß mein Durst gestillt ist? Demnach muß es sich doch wirklich ereignet haben ...“ Diese Begebenheit wurde für Harun Ar-Rashid Anlaß zur Umkehr: von nun an enthielt er sich jeder Unmäßigkeit. Jeder Mensch, und sei er der Kaiser selbst, hat nur ein beschränktes Fassungsvermögen für die Freuden dieser Welt; in Wirklichkeit können wir nicht mehr davon fassen, als der kleine Fisch im Meer vom großen Ozean in seinem Maul aufnehmen kann ...

-

## He who is without Shoes, Look at the one without Feet!

Zweifelsohne ist von all den Eigenschaften des Egos der Neid die schlimmste, denn jemand der von Neid erfüllt ist würde sich selbst im Paradies wie in der Hölle fühlen. Die Ironie bei dieser Eigenschaft ist, daß, je mehr die Menschen eine beneidenswerte Stellung zu erreichen scheinen, um so mehr werden sie selbst vom Neid zerfressen. Deshalb ist der Neid unter den Reichen und Priviligierten am weitesten verbreitet. Sie mögen sich am ehesten daran stören , daß andere vielleicht noch reicher oder mächtiger sein könnten als sie selbst. Sie wollen die Einzigen sein, denen Alles allein gehört. Unter den gewöhnlichen Leuten ist es normal, die Reichen zu beneiden, doch sie beneiden einander nicht in dem Maße wie es die oberen Schichten tun.

Ja, es ist schon erstaunlich, wie diejenigen, die über eine größere Bildung verfügen und von sich behaupten, mehr zu verstehen als die Masse, blind sind gegenüber dem Schaden, den sie sich selbst zufügen und wie sie dem Feuer, daß sie in rasantem Tempo zu verbrennen droht, keinerlei Beachtung schenken. Wenn sie so intelligent sind, sollten sie erkennen, daß ihr Herr den Menschen dieses Leben gibt und sie in unterschiedliche Lebensbedingungen hineinstellt und daß ihr Herr allen, unabhängig von den äußerlichen Unterschieden in ihrer Stellung, Ehre verliehen und Würde gegeben hat. Wem auch nur das kleinste Bißchen an Weisheit verliehen wurde, muß dies einsehen und sich so vom Neid befreien. Die heiligen Propheten

Gottes – Segen und Friede sei auf ihnen allen – und ihre Erben, die Gottesfreunde, haben die Menschheit immer wieder an diese Tatsache erinnert: Jeder Einzelne von ihnen ist dadurch geehrt worden, daß er als menschliches Wesen erschaffen wurde und er braucht niemand anderen zu beneiden. Unser Herr fordert uns im heiligen Qur'ân nicht nur dazu auf, dies zu verstehen, sondern es auch öffentlich zu verkündenden, wenn Er sagt: „Und verkünde die Wohltat Deines Herrn!"(1)

Wir waren Nichts und unser Herr hat uns Existenz verliehen, kann es eine größere Wohltat geben? Und unser Herr läßt uns wissen, daß alles Existierende, selbst die Atome, damit beschäftigt ist, Ihn zu lobpreisen. Auch Atome besitzen Leben, denn ohne Leben ist es unmöglich, zu existieren. Wir könnten vielleicht sagen, daß das Leben der Atome eine völlig andere Art von Leben ist als das unsere, doch auch sie sind in ihrer eigenen Weise vollkommen und lobpreisen ihren Herrn für dieses Geschenk der Vollkommenheit.

Diejenigen, denen Glaubensgewissheit geschenkt wurde und in deren Herzen ein Licht scheint können sogar wahrnehmen, wie leblose Gegenstände ihren Herrn lobpreisen. Eines der Wunder, das unserem Propheten Muhammad gewährt wurde – möge Allah ihn segnen und ihm Frieden schenken – bestand darin, daß er eines Tages eine Handvoll Kiesel aufhob und alle Anwesenden konnten hören, wie diese Kieselsteine ihren Herrn lobpriesen.

Die gesamte Schöpfung nimmt teil an diesem Lobpreis: Steine, Erde, Wasser, Pflanzen, Bäume, Blätter, Blumen, Fische, Vögel, Ameisen, Bienen, alles was Seine Erde belebt, in Seinen Meeren schwimmt, in Seinen Himmeln fliegt oder sonstwie Bestandteil Seiner Schöpfung ist, alle sind voll des Dankes, außer der unzufriedenen Menschheit. Im heiligen Qur'ân heißt es:

„ Ihn lobpreisen die sieben Himmel und die Erde und wer darinnen ist und es gibt nichts, was nicht Ihn lobpreist, doch ihr versteht ihren Lobpreis nicht." (2)

und:

„Und siehst du nicht, wie sich vor Allah verneigt, wer in den Himmeln und auf der Erde ist, und die Sonne

und der Mond und die Sterne und die Berge und die Bäume und die Tiere und viele von den Menschen? Und viele verdienen die Strafe und wen Allah erniedrigt, dem kann keiner Würde geben. Wahrlich Allah tut das, was Er will.“ (3)

Was auffällt, ist, daß „einige Menschen“ die einzige Ausnahme bilden. Die gesamte Schöpfung ist von Natur aus ihrem Schöpfer gehorsam und nur der Menschheit ist die Wahlmöglichkeit gegeben, ihren Herrn zu preisen und inneren Frieden zu finden oder undankbar zu sein und in den Höllenfeuern der Unzufriedenheit und des Neides zu leben. Was ist mit euch, oh ihr undankbaren Menschen? Ihr mögt einen Rolls-Royce besitzen und in einem prächtigen Palast leben, doch wenn ihr undankbar seid, seid ihr auf einer Stufe, die niedriger ist als die Stufe lebloser Objekte. Und es tut mir leid, feststellen zu müssen, daß der heutzutage weitverbreitete Neid die gesamte Menschheit zerstört. In unserer Zeit ist jeder, der mit dem Bus fährt mit Sicherheit neidisch auf die Autobesitzer, wie sollte es auch anders sein, wenn geistige Werte einen solchen Niedergang erleben.

Scheikh Saadi asch-Schirazi, einer der Sufi-Dichter des Mittelalters, schrieb über einen Mann, der so arm war, daß er sich keine Schuhe leisten konnte. Dieser Mann beschwerte sich ständig über seine Lage, doch je mehr er sich beschwerte, desto weniger fand sich jemand, der bereit gewesen wäre, ihm Schuhe zu kaufen. Eines Tages traf er einen Mann, der keine Beine hatte und dieser Anblick ließ ihn Reue empfinden und er sagte: „ Oh mein Herr, Dank sei Dir, der Du mir Beine geschenkt hast, mit denen ich laufen kann!“

Ja, wir müssen die Segnungen, die uns geschenkt wurden, würdigen!

Vor kurzem besuchte ich Jemanden, der aufgrund einer unheilbaren Krankheit den Tod erwartet, dessen Krankheit es ihm unmöglich macht, zu essen und zu trinken. Wenn dieser Mensch alles Gold der Bank von England besäße, glaubt ihr nicht, daß er es freudig hingeben würde, wenn er dadurch sein Leben verlängern könnte? Meint irgendjemand, daß er sich weigern würde? Ihr müßt würdigen, was euch gegeben wurde! Wäre einer von euch bereit, mir seine beiden Augen zu geben im Tausch gegen all dieses Gold? Oder wenn ich ihm anböte, Herrscher über die ganze Welt zu werden? (Wenn ich solche Macht oder Reichtum für ein Auge böte, würden sich sicherlich eine Menge dummer Leute zu diesem Tausch bereit finden.) Welchen

Nutzen hätte diese Herrschaft für dich? Du könntest berühmt werden als „der blinde König“.

Doch die Menschen sind ohne Verstand und fragen: „Wieso hat er einen Roll-Royce und ich nicht?“ „Warum lebt er in einem Palast und ich in einer Mietwohnung?“ „ Warum ist er Geschäftsinhaber und ich muß für Lohn arbeiten gehen?“ „Warum ist sie Königin und ich bin Untertan?“ Dankt Allah, daß er ihre Majestät die Königin auf den Thron gesetzt hat! Ein weiser Mann hat bemerkt: „Allah hat Seine Diener in der Stellung plaziert, die Er für sie ausgewählt hat.“

Einer der bekanntesten Sufi-Scheikhs, Sultan al-Arifin Abu Yazid al-Bistami, ein Glied in der goldenen Überlieferungs-Kette des Naqschbandi-Ordens, ging einmal mit seinen Schülern durch eine schmale Gasse. Plötzlich erschien am anderen Ende, aufgeschreckt von der Ansammlung so vieler Leute, ein Hund. Abu Yazid trat zur Seite, um den Hund vorbeizulassen und seine Anhänger taten es ihm nach. Jemand sagte zu ihm: „ Oh Aba Yazid, ihr seid ein erhabener Großscheikh und seid mit eurem ehrwürdigen Gefolge unterwegs – wieso macht ihr einem dreckigen Hund Platz?“ Abu Yazid antwortete, und in seiner Antwort liegt eine Lehre für die gesamte Menschheit: „Oh meine Söhne, als dieser Hund auftauchte und sah, daß sein Weg versperrt war, sagte er zu mir: „Oh Scheikh, sei nicht stolz darauf, ein Scheikh und ein Mensch zu sein, dessen Stufe weit über der meinen liegt! Nein, du mußt wissen, daß wir als Geschöpfe beide gleichwertig sind, denn es ist nur der Schöpfer – dein Schöpfer und mein Schöpfer – der mich in der Gestalt eines Hundes erschuf und ich bin ihm dankbar und zufrieden mit meinem Herrn. Er ist es, der dich als Menschen erschuf, du hast dich nicht selbst in dieser Gestalt erschaffen, also sei nicht stolz!“ Als der Hund mich in dieser Weise anredete, fühlte ich mich beschämt vor meinem Herrn und wußte, daß es falsch ist, auf irgendein Geschöpf herabzuschauen, weil es Allah ist, der sie alle erschaffen hat.“

Einmal ging ich mit unsrem Großscheikh durch die Straßen und sah einen Stein auf der Straße liegen. Weil es eine lobenswerte Handlung ist, Hindernisse vom Weg zu entfernen, wollte ich ihn entfernen, war aber zu bequem, mich zu bücken und den Stein mit der Hand aufzuheben. Also trat ich ihn mit dem Fuß aus dem Weg. Da rief mich Großscheikh zur Ordnung indem er sagte: „Oh Nazim Efendi, tu das nie wieder! Bedenke, wer diesen Stein erschaffen hat und verhalte dich respektvoll!“

Dies ist die Sichtweise der Leute der Wahrheit, derjenigen, die die Lehren des Islam vollständig begriffen haben und dieses vollkommene Verständnis führt dazu, Jeden und Alles in der Existenz zu respektieren. Und

wenn diese Stufe von Respekt einem Hund oder Stein gilt, was ist dann mit unseren Beziehungen zu unseren Mitmenschen? Wie kann es unter wahrhaft Gläubigen Neid geben? Es ist unmöglich. Doch wir sind nur Nachahmer, die etwas imitieren, deshalb breitet sich der Neid in der Welt-Gemeinschaft aus wie ein Krebsgeschwür im Körper und heute befällt dieses Geschwür Einzelne, Nationen und die ganze Welt.

Ihr müßt wissen, daß es nur üble Eigenschaften sind, die euren Durchbruch verhindern. Laßt den Neid zurück und ihr könnt auf euer Ziel zugehen und die Nähe der Engel, Propheten und Gottesfreunde erreichen.

## THE HIDDEN APTITUDES and its APPEARANCE IN TIME

My Grandsheikh Abdullah, may Allah bless him, said that the Holy Prophet Muhammad (sal) never gained any rank through his devotions or actions. As a proof of this, Grandsheikh quoted a tradition (Hadith) of the Holy Prophet (sal): “Oh Allah, don’t leave me to my works, my actions, my devotions even for the time it takes to blink an eye or less than that.” This hadith indicates that the Prophet (sal) never depended on his own works and devotions, but always hoped for Allah’s causeless mercy, and that his rank was not a result of any actions on his part. Grandsheikh added: “Even if Allah Almighty was going to recompense the Prophet (sal) for his devotions, the Prophet (sal) would not accept that. How could he, the Prophet (sal), accept a payment when even members of his Nation (Ummah) of lesser rank than him – Saints and sincere believers – would never accept any payment or recompense for their acts of worship; in fact, no real believer would accept anything, because he is worshipping purely to gain his Lord’s pleasure.”

Grandsheikh says that Allah Almighty has given to each person a nature suitable for a certain rank (Fitra). For example, you have a competence or aptitude (Ahliyya) for the

Naqshabandi Way; no one can in any way change or alter that competence – it has to appear. Just as different seeds have different unalterable natures hidden within them, so each son of Adam has a distinct aptitude granted to him by his Lord, granted according to the Divine Will alone, and at all times independent of our actions and devotions. Sooner or later everyone's aptitude must appear; don't be hopeless because those qualities may now yet be hidden, for you must know that at any time Allah Almighty decrees, those qualities will appear and that appearance will not be connected in any way to our actions or devotions, but will be purely a grant from Him, the Almighty. These words lead us to new horizons of understanding and open up vast areas of inner wisdom to explore – these good tidings should fill us with contentment.

Shah Naqshaband said: "In our view, one's having the competence for this Tariqat is more important a fact than his being a muslim or believer." Why? – Because that capability which Allah Almighty has granted us is what is important, then, with our actions Islam and Iman will appear. But that secret capability or aptitude from Allah Almighty is most important.

You may do all the good actions asked of you by Islam and Iman, but that capability which you have been granted is more important to Allah; therefore, the Prophet's (sal) hadith says: "Allah is not looking to our outward actions, but to our hearts." With His looking to our hearts, that worthy – nature is going to be ever more inundated with Divine Lights – more beautiful and complete. But we are merely doing good actions with our bodies, while the heart and its movements in relation to its Lord are much more important.

The importance of that worthy-nature and of our realizing it is expressed in the following story: Once the Holy Prophet (sal) was addressing his companions after the night time prayer (Isha) saying: "Oh my companions, it is the same for every one of you whether he prays and does good actions or not, because the ranks that Allah Almighty has granted to you are neither going to decrease or increase – the ink of pre-destiny has dried, and what He has granted you must reach you – no more and no less – no

matter what you do.”

What was the reply of the companions? - They said : “Oh Prophet, if it is like that, why the do we tire ourselves out and inflict suffering upon ourselves with all these devotions and good actions? Why do we get up on cold nights and come to the mosque from far distances in the darkness? Why do we forsake our wives’ loving embraces every morning to come here? From now on we shall not come here so early to pray but shall remain with our wives in hot beds; this is very good news for us.” The Prophet (sal) replied: “You are free to do as you like; come or don’t come – no one is forcing you.”

That night they left the mosque with the intention of staying comfortable in their beds the next morning. When the last part of the night had begun to show signs of giving way to the oncoming dawn, Bilal, the Prophet’s (sal) Muezzin, began to recite devotional poetry from the minaret, as was his habit in the morning before calling for the prayer (Adhan), in order to awaken people in ample time for coming to the mosque. On this particular morning, as soon as he started reciting, all of the companions awoke with a start. They said to themselves, “We told the Prophet (sal) that we won’t be coming this morning; we must remain in our beds.” However, in spite of themselves, they threw aside their blankets, sprang from their beds, made ablutions (Wudu) and hurried off to the prayer.

When the Prophet (sal) entered the mosque that morning, he looked around and saw that it was full of worshippers, then he said: “Oh people, oh my companions, you intended something last night, and were firm in your resolve – what happened to you that made you come when you said that you wouldn’t?” They replied: “We swear to Allah that when we heard the call to prayer, our beds became like thornbushes or as beds of nails, and lying in them was like lying on fire – we couldn’t remain there even for one moment, so we jumped out and hastened to answer the call to prayer.”

The Prophet, Peace be Upon Him, then said: “Every creature may find ease only in behaving according to his particular competence (Ahliyya). It is that ahliyya, that

worthy-nature which Allah put in your hearts that made you move from your beds despite the intention to the contrary which you made last night. Everyone is born with the nature of Islam (Fitra), and in his deepest heart is always yearning to re-discover that nature; this secret is inside every son of Adam, and this is what made you get up."

For these reasons, the Prophet (sal) was in no way afraid that his companions would really leave worship because of having learned those truths. Also, inheritors of the Prophet (sal) are not afraid to reveal some truths to their followers, because that hidden nature which Allah put in their hearts will make them do, make them come despite their desires.

Grandsheikh also says that if the Prophet (sal) declared that his worshipping was as nothing and that he never could depend upon it – how can we depend upon our worship? If two prostrations of the Prophet's (sal) devotions were put in a scale and weighed up against the combined devotions of the Nations, his two prostrations would be heavier; and if his declaring the Unity of Allah once (La ilaha illa'llah) was weighed up against the sins of all the sons of Adam, it would destroy all of those sins. From this you can understand what the power and rank of our Prophet (sal) is in the Divine Presence.

Neither our Prophet (sal) nor any other Prophet is in need of sacrificing himself in the way the Christians claim that Jesus Christ made himself a sacrificial lamb for Allah or for the sake of his Nation: this is a shameful thing to say. It is enough to say once ' La ilaha illa'llah', no need for human sacrifice. When Allah Almighty, desiring to try His servant, ordered Abraham to sacrifice his son, at the last moment, He withdrew His order for the slaughter and sent a ram down from the Heavens instead. So how is He going to make Jesus Christ a lamb, an offering for the sins of the world? This is a very ugly and unfounded claim.

The Last Prophet (sal) and all Prophets before him were given Divine Powers with which to guide people to the straight path – no need for them to be lambs for Nations.

Despite the high value of our Prophet's (sal) devotions, he does not depend upon them and awaits no payment for them from Allah, but he performs them only for Allah's good pleasure – that is his goal. Everyone may ask at this, "What use is our worshipping, our acting?" No one can do any worship that is suitable for our Majestic Lord. No one can worship his Lord as He deserves to be worshipped – beside His Greatness all is as nothing – but we have been ordered, and so we are carrying out those orders.

Then Grandsheikh quoted Sayyidina Ali, who said regarding ladies: "Nothing good comes from them, but no one can live without them." Ali's wife, the Prophet's (sal) daughter Fatima, said to Ali: "We are like roses, from time to time you must smell them, and otherwise you are useless." "Similarly," says Grandsheikh, "nothing is coming from our worship – it is useless – useless, that is, for giving adequate respect to our Majestic Lord; it is impossible to give absolute respect with such worshiping, but as we have been ordered, so we must do and whether useless or not, we cannot depend upon it".

This is a reality that one must be aware of, and when you understand this point it will prevent you from becoming proud of your devotions, and that is very important, as whoever becomes proud of his devotions falls down, like Satan. The very worst thing for a servant is to look at himself and say: "Oh, how good I am, I am such an obedient servant of my Lord!" and to look at others, saying: "Look at them, they don't do any worshipping, but we do!"

We have been ordered to build ladders to the moon – builders of skyscrapers are puffed up with pride over their accomplishments, and look down with disdain on the people on the ground, saying : "Oh you lazy people, we have already reached to the sky while you are still like miserable little ants on the ground." They may say this, but no matter how high they build their skyscrapers, even if they pile stone upon stone eternally, they will never reach the moon in that way – it is impossible. What is important is to listen to the orders of Allah Almighty and to obey them as best we can, and although we will never reach the moon, perhaps we may be better than one who

doesn't try, because we carry out orders, and it is better to try even if we know that ultimate success is impossible to attain in this manner – we must do it out of respect for the Lord. In every religion, every Prophet came to teach us this point.

# The Hidden Identity

Audhu billahi min ash-shaitanir rajim. Satan is trying to make us become satan like him... we seek refuge from satan's evil. I am ashamed to say: we seek refuge from Allah (swt). Because, who is satan? The weakest, most ugly, most unclean, the most disobedient. It represents all bad things, such a low creature.

Assalamu Alaikum Ay Yaran Shah Mardan O those who love the assembly of Allah's (swt) lion, his beloved ones, how nice you are, Marhaba. Marhaba Ay Shah Mardan Allahu Akbar. Today is a new day. This day is opening up with a new tajalli (manifestation). There are no copies in what Allah (jalla wa ala) does. Allah (swt) has the great name - Al Mubdi' (The Originator) That means, Allah (swt)... He creates. Marhaba Ay Yaran Shah Mardan, O beloved ones of the Lion, the ones who love him, respect him. They will receive the new rewards of today. Marhaba Ay Shah Mardan Marhaba. How mighty you are, O Shah Mardan. The earth shakes from your mightiness. That is the mightiness that Allah (swt) dressed on Shah Mardan. Yes. Marhaba Ay Yaran Shah Mardan The Lion of lions. Those present/ attending the assembly of Shah Mardan, those listening to him, Marhaba. Marhaba Ay Jani Janan Marhaba (mawlid sharif) They are teaching us in Mawlid ash-Sharif.

Now, we are.... feeling shy from Allah (swt). We are feeling shy from our great Prophet (sws). Shah Mardan Sahib Mardan, Sahib Ridwan, Ridwanul Haqq. Asadullahi Ghalib (the victorious Lion) Ali Ibn Abi Talib. Masha'Allah, Masha'Allah. The ones who love him and... those who want to listen to his advice... his Yaran, beloved ones. Today is a new day. Let's say so our assembly will open up: Bismillahi r-Rahmani r-Rahim. Say it. How nice... to say: Bismillahi r-Rahmani r-Rahim, the key to open treasures of heavens and earth. Bismillahi r-Rahmani r-Rahim. Allah's (swt) Great Names. One Basmala Sharifa. Bismillahi r-Rahmani r-Rahim. Allah,

who is Rahman (Beneficent) & Rahim (Merciful). With His mercy, everything... gets its rights. Marhaba Ay Yaran Shah Mardan. O Shah Mardan's...Allah's Lion's... those loaded with his love... people and believers, true ones, righteous ones - All the good titles are befitting them. We said: Bismillahi r-Rahmani r-Rahim, doors will open, Yawmun jadid rizqun jadid. O scholars, everyday... the Absolute Owner of heavens and earth... Who created humans and made them honorable... the Name of Allah (Dhul Jalal)... Why are you not mentioning His Name? You mention His Name inside the mosque; Mention His Name on the minaret. Tamjid wa Tasbih wa Tahmid wa Takrim. The glorification of Allah (swt)... why don't you make them recite it from minarets - by saying: Subhan Allah Sultan Allah Innaka Hamidun Majid. Ya Majidu Ya Hamid. Anta l-Majid, Anta l-Hamid. O Rabbul Izzah, we are glorifying You. We are praising You. We will, with all our ability... to the last extent of our ability... with whatever power we have, we use it all for You O our Lord... Ya Majid, Ya Hamid to recite Your Names. Teach this to people. What is the job of scholars? The scholars' duty... is to make people be steady with human characteristics. O Shah Mardan, go ahead, so we can listen. Your beatiful sayings, the truth. Earth is two sides. There are people on earth. People are of two sides. One side, those who want to be dressed with... the characteristics of angels. Those who want to wear Allah's (swt)... honorable dress of obedience; and there is no dress more honorable. For Allah's (swt) creation, humans... the best dress, the best clothes... is the dress of obedience, the dress of servanthood. There is no dress above that, more beautiful than that. The one befitting people. The most befitting... is the dress of service to Allah (swt).

Masha'Allah. O Shah Mardan Go ahead, the arena is yours. Marhaba Your Marhaba is coming from heavens, O Shah Mardan. O knowledgeable scholars, what is your first duty? What must you teach? From the orders coming from heavens... the first order... what is it? Ati kulli dhi haqqin haqqa. Give rights to the one to whom they belong. This is such an important saying. Ati kulli dhi haqqin haqqa. Who has our rights? Our rights... are given to us by the Lord of heavens and earth. What is the order regarding that? The one who gave us our rights... the one who granted it to us... Allah (swt) - we must offer our service to Him. Ati kulli dhi haqqin haqqa. What is the biggest right that we possess? The biggest right is given to us by Allah (swt). And we are... wearing the dress of servanthood and... whatever is required in order to wear the dress of servanthood... whatever is asked from us, we must work for that.

Allah (swt) doesn't want anything from us. Ma 'Uridu Minhum Min Rizqin Wa Ma 'Uridu 'An Yut`imun (51:57). Allah (swt) is saying. Go ahead Shah Mardan, Go ahead, they are your words, beautiful & sweet. Sweeter than honey O Shah Mardan. And your sword... it is so precise, it can divide a hair in half. The Dhul Fiqar in your hand, will cut the ones who don't give rights to those who deserve. It is the sword brought down from heavens. Be careful! O people! Your honor and majesty is from your humanity. Who is jealous of that? Satan. That is why satan is so desperate to... to take away this honor from man; it is running after man. He was sent down to earth from heavens. Our father Adam and mother Eve, satan quickly reached them. it had already descended... to earth. Why? From its jealousy. "And I will make them... just like me" Hasha minal huzur It made a promise to make them satans like it. I became satan because of them, it said. I will make them satans. Satan made a vow to make people... lose their human identity & honor... It vowed to make them lose their virtues. The same way it became satan, it wants to make people satans too.

Go ahead, Shah Mardan Sahib Dawran. O our pride. His love... is in our hearts, Allah's lion, Shah Mardan. Teach us to be clean servants of Allah (swt)... and who to to follow to carry that honor... He came to teach us that. And what are these people doing in return? They are falling for satan. Satan is saying: Don't believe, there is nothing. Satan (may you be nothing), how can there be nothing? There is everything. Is this world empty? It isn't empty. It isn't empty. It's full of people. But let their names be human only... and let them actually be satans - satan swore. No problem. Let their figure, their shape... be human, but... their actions, their work... be whatever I do. Let them be humans in appearance. Their hidden, secret identity... People have two identities. Go ahead O Shah Mardan: He is saying that people have 2 identities. The identity given to people, it's called identity. The first one is honorable... respectable human identity. The second identity is hidden. What is the second identity? The second identity is satan.

So the people of today have 2 identities. One of them is a Rahmani identity - it is befitting the glory of people. What is the second identity? It is satan. Satan is giving them that identity. The identity given by satan... whoever carries that, is a satan. What is their work and occupation? It is to do satanic things. Because the one teaching them... is satan. That is hidden. From outside you think they are human but their secret identity is satan. Today's world... what should we say, go ahead O our Shah Mardan. O Allah's lion, how are the people of today? Go ahead, tell us, so we

can listen.
Marhaba. Ay Yaran Shah Mardan The one holding on to Allah's lion's way... honor and... the one carrying the perfection of all people... the one with that identitiy is Shah Mardan. The second one jumps into all dirty things. That one thinking every bad thing is human - they are satans carrying illegal identities. The identity given by satan is fake. The identity of people is servanthood to Allah (swt). This is our true identity. Satan is saying: No, I will give you your identity. I will give your identity. How will you give it? You will see how I will give it. I will give you an identity, an ID, and... I'll give you the rank of doctor. What is the rank of doctor? Satan's... identity given to those who graduated from satan's school, This one is satan and that one is satan. There is no discrimination. Go ahead, O Shah Mardan. These satans in the form of humans... tell us the ways to protect ourselves from them.
Go ahead. O Shah Mardan "Today's people" - Shah Mardan is saying... "are ignorant and stupid" They are ignorant. They don't know their real identity. They don't know their real identity. Who are we? Well, who are you? What work do you do? Satanic work. Well, then your identity is obvious. How do you do satanic work? Every cheating, scheming, murdering, dirtiness. My students... these are given to my students as an identity, I am giving them. You are this doctor. You are this veterinarian. You are this excellency, you are... this donkey...all these people... There are so many identities to make all these people be like me (satan).
Well, how is today? He is asking... Shah Mardan, Sahib Maydan. O Shah Mardan Sultan how do you see this world? Listen, those claiming to be Alawi, those claiming to be Shia. Hz. Ali (ra)... Look at the statement given by Allah's lion, Shah Mardan. How do you see the world? I am seeing that they are the same as satan. Satan has trained them in such a way that... they are no different than satan. All of them, their job is satanic work. Old ones, young ones, they are satanic. Every dirty, satanic thing that happens is from them, either from satan or from them. In fact... when it is the end of times, when Judgment is near... satan will teach them in such a way that... the ones carrying satan's diploma, it will seem that... they have the power of 10 satans. Even satan... will be suprised and it will say: How can this be? They even surpassed me. Well, that was my wish. I wanted one satan... each one of them is like 10 satans. These are satans with diplomas. They don't have any human virtues. They go in and out of every dirtiness. They say... what a

high level I reached. In the last days... it is mentioned what will happen... shararukum/ the most evil ones... will be the ones ruling over you. The mose evil ones have satan's diploma. May Allah not leave us in the hands of satan.
Well, all those not using their minds are in its hands. People have become two classes. Khiyarunnas, shararunnas. Good people, those keeping the way of our Prophet, Master of the Universe. Shararunnas, the worst people... those following satan, those worshiping him, satan will make them worship itself however it likes. And people... are either evil or good. Either they hold the way of Shah Mardan, or go to the way of satan. The people if this time have fallen into this situation. What is their identity? Satanic. What is their identity? Angelic. The one accepted by Allah (jj) is the angelic characteristic, the one accepted by satan is the one that is similar to satan.
Go ahead, O Shah Mardan. O people who love him, listen. Say, those who claim to be Alawi, what is their evidence for being Alawi? Those claiming to be Shia what is their proof that they are Shia? Hz Sahib Dawran Shah Mardan... is their way the way of Shah Mardan? In Shah Mardan's presence, if someone lowered his sword... S Mardan never raised his sword to him. He only struck the stubborn ones. Shah Mardan, Sahib Zaman. There are so many people, like Hajjaju Dhalimin said, there are many heads ready. I came to collect them. There is the war, Malhama Kubra (Armageddon). There will be a big war. What is the reason? Because people are following the way of satan. They all have diplomas from satan. Satans with diplomas. Satan says: I have the diplomas. I will give them to whomever I want. In last days, it is giving to everyone. People left their human characteristics, and have become blood-sucking monsters. They destroyed all honorable buildings. They brought all dishonorable buildings into the open. Which thing people do has any goodness? There can't be, S Mardan says, because they are the ones taught by satan. They have a diploma in learning to burn, destroy & kill. What diploma, satan is saying himself. But the number of people I gave diplomas is without measure.
"Wa la taqtulu anfusakum"(4:29) Don't kill one another. This is Allah's (swt) order. Isn't it in the Quran? Say O Shia, O Alawi. Say O ignorant Arabs. Say O Turks who have lost their way. Isn't it Allah's (swt) order? "Wa la taqtulu anfusakum"(4:29) Don't kill each other, especially innocent... weak ones who cannot protect themselves. Whoever oppresses them... in hell they will be in between 2 stones... They'll be crushed as stones turn like a grinding mill, and come out small.

Then they will be thrown in again. Beware, o those claiming to be Shia. Beware O those claiming to be Alawi but not following the real Alawi (Ali). You'll be thrown out from the small hole in the grinding mill, constantly crushed, constantly in between 2 stones... The way wheat turns to flour and comes out, constantly turning, constantly going in and coming out.

O Azhar scholars, O scholars of India and China, O scholars of Yemen & Saudi Arabia, India and China, say - are the actions that you do... befitting humans? Is it according to the orders of Allah (swt)? You're constantly killing Allah's servants whom He created honorable... To oppress and kill - is this your job? Shame on you! They all have weapons. And satan is standing on the hill and laughing - I made them into 2 sides so with the weapons in their hands, they can eat one another; crush... and finish each other. Because of them, I became like this - a satan. That is why it has so much anger & rage.
This is a new order and news. The people who will be saved during this time... those following Allah's Beloved's (sws) orders... the ones carrying His signs, carrying the crown of Islam on their heads... the turban - believers should wear turbans on their heads. That means they should wear on their heads Islam's honorable turban. Nothing will befall them, nothing will fall on their heads. Who walks around with head uncovered, wears open clothing, something will befall them. Especially ladies and girls who don't cover their hair and claim to be Muslim. Your hair will fall out. An illness is coming now. All ladies who walk around with open hair, their hair will fall out. They will be left bald. No matter how much medicine they put... nothing will help. They will be bald headed. Beware.
Show your Islamic identity, o Iranians, o Alawis, o Kurds, o Turks, o Arabs. Say o scholars. Don't walk around with bare heads. If something touches you, it's your fault. Inform them - Prophet (sws) is saying. "Ta'ammamu, ta'ammamu" It is the order of Prophet (sws). Put on your heads the crown of Islam, the turban. And those turbans are in so many different types. It will be obvious... that you are from the nation of Muhammad (sws). O men... your heads will become bald. And there's a punishment for them too. Their manly power will become zero. Ladies who walk around without covering heads...you know those nuns... we call them Kallulez... their heads are always shaved, bald. They will become bald like them, ladies and men. They will be good for nothing. Be careful! "Wa ta'ammamu" The crown of Islam on your heads... turban and prayer

cap, whatever headgear that is befitting Islam, those they should wear. The fez worn by Ottomans. Those walking around without covering head, their shahada wasn't accepted. Bare head...means bare bottom. There is no difference. Beware.
Protect us from the evil of satan who confuses us about the right way... Our Lord, I am shy to ask You for refuge, because... even an ant can overcome satan. To ask to overcome satan... to ask Allah for refuge, it is far from adab (manners). Shah Mardan is saying: find a lion. Walk with the lion and you will be a lion. Who walks with a fox is a fox. Who walks with a snake is a snake. Who walks with bear is a bear. Who walks with a confused one is confused. Who walks with a drunk is drunk. Who walks with an adulterer he is like him. Those who make empty claims despite doing every bad action... they are the captives of snakes. They will find snakes in their graves. With every bite of the snake... Aman Ya Rabbi. They will find snakes in their graves. They will constantly poison them. Their screams... if it spreads to people on earth, they will become sick and fall. Aman Ya Rabbi Tawba Ya Rabbi.

Don't get a diploma from satan. Let our identity be the identity given from heavens. Abdullah. They rejected being Abdullah (servant of Allah). What have they become? Abdu-shaytan. Slave to satan. They left service to Allah (swt), and became satan's authorized slaves. If you don't follow these ways... this is Shah Mardan's advice... not one person from Shia or Alawi will be left. Of those who attack Islam, none will remain. Those who don't accept Islam... none will remain. The earth will be empty of them. Don't look to these wars, the earth will be empty. "wa ardu llahi wasiatun" (39:10)(Allah's earth is spacious)Go around & look. Don't be a prisoner of dunya. The people of today have become prisoners of dunya & the fool of satan. They are not satisfied; they sell their honor for a little money.
Allah (swt) has dressed us with honor. Protect your honor. Fix your dress. Fix your head. Ladies' hair will fall out. Like nuns, like an egg, their head will be like this. This is a warning to them.
Say O Azhar scholars, Tawba Astaghfirullah Shukur Ya Rabbi Shukur Ya Rabbi Shukur Alhamdulillah Make us from those who understand their servanthood, who holdfast to Your orders. Allah's orders are Highest. Who holds fast to His orders is His servant. O Turks, you understand Turkish - Be careful! Or else, if something befalls you, don't ask where it came from. Who goes on a bad way, what he will find is badness. Who goes on good way, he will reach good

ones.
O our Lord,Tubna wa raja'na ilayk We repent Ya Rabbi. Ay Shah Mardan Sahib Maydan - his Lord's title is enough for him... O... Shah Mardan, intercede for us. Good ways, from your tongue, are sweet for us. Iranians, Arabls, Turks, Kurds, leave your weapons immediately. This is an order from heavens. The order's coming now - Immediately leave weapons. Immediately stop killing people, or else I will send angels... they will throw your heads on the ground like balls. They will strike with invisible swords those who don't leave their weapons. The invisible sword will come down from heavens and take their heads. Thousands, hundred thousands of people's heads...you know how they play ball... it will be like that ball. Beware. "ittaqu llaha haqqa tuqatihi"(3:102) Fear from Allah (jj). "Wa ittaquni ya ulial albabi"(2:197) Allah (swt) is saying - Fear from Me, O people with minds. If not... your heads with be hit with the sword coming from heavens. It will be like that football that you play. Aman Ya Rabbi Tawba Ya Rabbi Tawba Astaghfirullah.
Don't fall for satan. Follow the Prophet's way. O Shah Mardan, this is what you're telling us. Allah (jj) Owner of the Throne... and His Beloved servant, that for his honor He created the universe... Follow his footsteps, you'll be saved in dunya (this world) and in akhirah (hereafter). If not, the angels will play with your head like a football too. On earth, their bodies will be on one side, their heads on one side. Millions of people will be like this on earth. And this is a warning from Shah Mardan. He is saying: Listen. If you don't things like this will happen. If you listen, that's good. If not, you will suffer. Don't say: I am a king, prince, sultan. Say: I am a servant of Allah (swt). Don't go without covering your head. Don't go around with 'toilet' heads, men and women. It's haram (forbidden) for ladies; makruh (disliked) for men. Have a mane like a lion. There's a group of angels in heaven who are praising... women are beautiful with their hair... men are mighty with their beards... by Allah's (swt) will. Say O Azhar Sharif scholars, O Saudi Arabian scholars, Turk scholars, they are not ashamed to go to mihrab... with lady characteristics. It's not allowed to go mihrab looking like lady. An imam without a beard cannot be imam. An imam walking around like a 'toilet" cannot be imam.
Come to your senses! Kurds, Turks, Iranians, be careful! This is a warning from heavens. It is advice sent to us from Shah Mardan. O Shah Mardan, we want to walk behind your sword. O Shah Mardan, Allah's Lion, send us holy people... who will take us to the right way. Even one is

enough to reach them. Allah Allah, Allah Allah. Allahu akbar Allahu akbar Allahu akbar Allahu akbar Wa lillahil hamd. Allahu akbar kabira, wal hamdulillah kathira wa subhana llahi bukratan wa asila O our Lord, send down the soldiers from heaven holding Your banners. It is Your promise to our Master (sws). We hope to see those days.
Fatiha.

**Die verborgene Identität**

---

Audhu Billahi mina sh-shaytani r-rajim. Shaytan versucht, uns zu Shaytan zu machen wie er selbst. Wir suchen Zuflucht vor Shaytans Übel. Ich schäme mich zu sagen: Wir suchen Zuflucht bei Allah (swt). Weil, wer ist Shaytan? Der Schwächste, Häßlichste, Unreinste, Ungehorsamste. Er steht für alle schlechten Dinge, so ein niedriges Geschöpf. As-Salamu `alaykum, Ay Yaran Shah Mardans, o die, die die Versammlung von Allahs Löwen lieben. Seine Geliebten, wie fein ihr seid, Marhaba. Marhaba, Ay Shah Mardan. Allahu Akbar. Heute ist ein neuer Tag. Dieser Tag öffnet mit einem neuen Tajalli, einer neuen Erscheinung. Es gibt keine Kopien in dem, was Allah, Jalla wa `Ala, tut. Allah (swt) hat den Großen Namen Al Mubdi', Der Erzeuger. Das bedeutet, Allah (swt) erschafft. Marhaba, Ay Yaran Shah Mardans, o Geliebte des Löwen, die ihn lieben, ihn achten. Sie werden die neuen Belohnungen von heute erhalten. Marhaba, Ay Shah Mardan, Marhaba. Wie mächtig du bist, o Shah Mardan. Die Erde erzittert von deiner Mächtigkeit. Das ist die Mächtigkeit, mit der Allah (swt) Shah Mardan bekleidet hat. Ja. Marhaba, Ay Yaran Shah Mardans, des Löwen der Löwen. Die Anwesenden, die an der Versammlung Shah Mardans teilnehmen, die ihm zuhören, Marhaba. Marhaba, Ay Jani Janan, Mawlid Sharif, Marhaba. Sie unterweisen uns im Mawlid ash-Sharif.
Jetzt fühlen wir uns scheu vor Allah (swt). Wir fühlen uns scheu vor unserem großen Propheten (saws). Shah Mardan, Sahib Mardan, Sahib Ridwan, Ridwanu l-Haqq. Asadullahi Ghalib, der siegreiche Löwe `Ali ibn Abi Talib. Ma sha' Allah, ma sha' Allah. Diejenigen, die ihn lieben und diejenigen, die seinen guten Rat hören wollen, seine Yaran, seine Geliebten. Heute ist ein neuer Tag. Sagen wir, damit unsere Versammlung sich öffnet: Bismillahi r-Rahmani r-Rahim. Sagt es.

Wie schön zu sagen: Bismillahi r-Rahmani r-Rahim, der Schlüssel, um die Schätze von Himmeln und Erde zu öffnen. Bismillahi r-Rahmani r-Rahim. Allahs (swt) Große Namen. Eine Basmala Sharifa. Bismillahi r-Rahmani r-Rahim. Allah, der Rahman, Gütig, und Rahim, Barmherzig, ist. Mit seiner Gnade bekommt alles sein Recht. Marhaba, Ay Yaran Shah Mardans. O Shah Mardan, Allahs Löwe. Die vollbeladen mit seiner Liebe sind, Menschen und Gläubige, Aufrichtige, Rechtschaffene, alle guten Titel passen auf sie. Wir sagten Bismillahi r-Rahmani r-Rahim, Türen werden sich öffnen. Yawmun Jadid Rizqun Jadid. O Gelehrte, jeden Tag, der Absolute Eigner von Himmeln und Erde, Der die Menschen erschuf und sie ehrenwert machte.. Der Name Allahs, Dhu l-Jalal, warum sagt ihr nicht Seinen Namen? Ihr sagt Seinen Namen in der Moschee, sagt Seinen Namen auf dem Minarett. Tamjid wa Tasbih wa Tahmid wa Takrim. Der Lobpreis Allahs (swt), warum laßt ihr ihn nicht von den Minaretten aus rezitieren, indem sie sagen: Subhan Allah, Sultan Allah, Innaka Hamidun Majid. Ya Majidu Ya Hamid. Anta l-Majid, Anta l-Hamid. O Rabbu l-Izzah, wir preisen Dich. Wir rühmen Dich. Wir werden mit all unserer Fähigkeit, bis zum letzten Ausmaß unserer Fähigkeit, mit welcher Kraft auch immer, die wir haben, wir nutzen alles für Dich, o unser Herr, Ya Majid, Ya Hamid, um Deine Namen zu rezitieren. Lehrt das die Menschen. Was ist die Aufgabe der Gelehrten? Die Pflicht der Gelehrten ist es, die Menschen beständig zu machen in menschlichen Eigenschaften. O Shah Mardan, mach weiter, so daß wir zuhören können, deinen schönen Aussprüchen, der Wahrheit.

Die Erde besteht aus zwei Seiten. Es gibt Menschen auf der Erde. Die Menschen gehören zu zwei Seiten. Eine Seite, jene, die mit den Eigenschaften der Engel bekleidet werden wollen. Jene, die Allahs ehrenwertes Gewand des Gehorsams tragen wollen, und es gibt kein ehrenwerteres Gewand. Für Allahs (swt) Schöpfung, die Menschen, ist das beste Gewand, die beste Kleidung, das Gewand des Gehorsams, das Gewand der Dienerschaft. Es gibt kein Gewand darüber, schöner als das. Das, was für die Menschen paßt. Das passendste ist das Gewand des Dienstes an Allah (swt). Ma sha' Allah. O Shah Mardan, mach weiter, die Arena ist dein. Marhaba. Dein Marhaba kommt von den Himmeln, o Shah Mardan. O kenntnisreiche Gelehrte, was ist euere erste Pflicht? Was müßt ihr lehren? Von den Befehlen, die von den Himmeln kommen, der erste Befehl, was ist er? "Ati Kulli Dhi Haqqin Haqqa" - Gebt Rechte dem, dem sie gehören. Das ist so ein wichtiger Ausspruch. "Ati Kulli Dhi Haqqin Haqqa". Wer hat unsere Rechte? Unsere Rechte werden uns vom Herrn der Himmel und Erde gegeben. Was ist der Befehl

in Bezug darauf? Derjenige, Der uns unsere Rechte gab, Der sie uns gewährte, Allah (swt), Ihm müssen wir unseren Dienst anbieten. "Ati Kulli Dhi Haqqin Haqqa". Was ist das größte Recht, das wir besitzen? Das größte Recht, wird uns von Allah (swt) gegeben. Und wir tragen das Gewand der Dienerschaft und was immer erforderlich ist, um das Gewand der Dienerschaft zu tragen, was immer von uns gefordert wird, dafür müssen wir arbeiten.
Allah (swt) will nichts von uns. "Ma Uridu minhum min Rizqin wa ma Uridu an Yut`imun" (51:57), sagt Allah (swt). Mach weiter, Shah Mardan, mach weiter. Es sind deine Worte, schön und süß. Süßer als Honig, o Shah Mardan. Und dein Schwert ist so genau, es kann ein Haar spalten. Das Dhu l-Fiqar in deiner Hand wird die schneiden, die denen, die es verdienen, nicht ihre Rechte geben. Es ist das Schwert, das von den Himmeln herabgebracht wurde. Paßt auf! O Leute! Euere Ehre und Majestät kommt von euerem Mensch-Sein. Wer ist eifersüchtig darauf? Shaytan. Deshalb ist Shaytan so verzweifelt, um dem Menschen diese Ehre zu nehmen, läuft er dem Menschen hinterher. Er wurde zur Erde herabgesandt von den Himmeln. Unser Vater Adam und Mutter Eva, Shaytan erreichte sie schnell. Er war schon herabgekommen zur Erde. Warum? Wegen seiner Eifersucht. 'Und ich werde sie genau wie mich machen'. Hasha mina l-Huzur. Er gab ein Versprechen, sie zu Shaytanen zu machen wie ihn selbst. Ich wurde Shaytan wegen ihnen, sagte er. Ich werde sie zu Shaytanen machen. Shaytan tat einen Schwur, die Menschen ihre menschliche Identität und Ehre verlieren zu lassen. Er schwor, sie ihre Tugenden verlieren zu lassen. Genauso wie er Shaytan wurde, will er die Menschen auch zu Shaytan machen. Mach weiter, Shah Mardan, Sahib Dawran. O, unser Stolz. Seine Liebe ist in unserem Herzen, von Allahs Löwen, Shah Mardan.

Lehre uns, saubere Diener Allahs (swt) zu sein, und wem zu folgen, um diese Ehre zu tragen. Er kam, um uns das zu lehren. Und was tun diese Leute im Gegenzug? Sie verfallen Shaytan. Shaytan sagt: Glaubt nicht. Es gibt nichts. Shaytan, mögest du nichts sein, wie kann nichts da sein?
Da ist alles. Ist diese Welt leer? Sie ist nicht leer. Sie ist nicht leer. Sie ist voller Menschen. Aber laß nur ihre Namen menschlich sein und laß sie in Wirklichkeit Shaytane sein, schwor Shaytan. Kein Problem. Laß ihre Figur, ihre Form menschlich sein, aber ihre Handlungen, ihre Arbeit soll sein, was immer ich tue. Laß sie in der Erscheinung menschlich sein. Ihre verborgenen, geheime Identität.. Die Menschen haben zwei Identitäten. Mach weiter, Shah Mardan. Er sagt, daß die

Menschen zwei Identitäten haben. Die Identität, die den Menschen gegeben wird, es heißt Identität. Die erste ist ehrenwerte, achtbare menschliche Identität. Die zweite Identität ist verborgen. Was ist die zweite Identität? Die zweite Identität ist Shaytan. Also haben die Menschen heute zwei Identitäten. Eine von ihnen ist eine Rahmani Identität, sie geziemt dem Ruhm des Menschen. Was ist die zweite Identität? Es ist Shaytan. Shaytan gibt ihnen diese Identität. Die Identität, die von Shaytan gegeben wird, wer immer sie trägt, ist ein Shaytan.

Was ist ihre Arbeit und Beschäftigung? Es ist, shaytanische Dinge zu tun, weil der, der sie unterrichtet, Shaytan ist. Das ist verborgen. Von außen denkst du, sie seien Menschen, aber ihre geheime Identität ist Shaytan. Die heutige Welt, was sollen wir sagen, mach weiter, o unser Shah Mardan. O Allahs Löwe, wie sind die Menschen von heute? Mach weiter, sage es uns, damit wir zuhören können. Marhaba. Ay Yaran Shah Mardans. Derjenige, der am Weg von Allahs Löwen festhält, an der Ehre und derjenige, der die Vervollkommnung aller Menschen trägt, derjenige mit dieser Identität ist Shah Mardan. Der zweite springt in alle schmutzigen Dinge. Dieser, der alle schlechten Dinge denkt, ist menschlich - sie sind Shaytane, die illegale Identitäten tragen. Die Identität, die von Shaytan gegeben wird, ist falsch. Die Identität der Menschen ist Dienerschaft für Allah (swt). Das ist unsere wahre Identität. Shaytan sagt: Nein, ich werde euch euere Identität geben. Ich werde euere Identität geben. Wie wirst du sie geben? Ihr werdet sehen, wie ich sie geben werde. Ich gebe euch eine Identität, eine ID, und ich gebe euch den Rang des Doktors. Was ist der Rang des Doktors? Shaytans Identität, die denen gegeben wird, die den Abschluß an Shaytans Schule machen, dieser ist Shaytan und jener ist Shaytan. Es gibt keine Unterscheidung. Mach weiter, Shah Mardan. Diese Shaytane in der Form von Menschen, sage uns die Weisen, uns vor ihnen zu schützen. Mach weiter. O Shah Mardan.

Die heutigen Menschen, sagt Shah Mardan, sind unwissend und dumm. Sie sind unwissend. Sie kennen ihre wahre Identität nicht. Sie kennen ihre wahre Identität nicht. Wer sind wir? Nun, wer seid ihr? Welche Arbeit machst du? Shaytanische Arbeit. Nun, dann ist deine Identität offensichtlich. Wie machst du shaytanische Arbeit? Durch Betrug, Ränke, Mord, Dreck. Meine Schüler, diese werden meinen Schülern als Identität gegeben. Ich gebe sie ihnen. Du bist dieser Doktor. Du bist dieser Tierarzt. Du bist diese Exzellenz, du bist dieser Esel.. all diese Leute.. Es gibt so viele Identitäten, um all diese Leute wie mich zu machen. Nun, wie ist es heute? Er fragt Shah Mardan, Sahib Maydan. O Shah Mardan Sultan, wie siehst du diese Welt? Hört, jene, die

beanspruchen, Alawiten zu sein, jene, die beanspruchen, Schiiten zu sein, Hz Ali (ra).. Seht auf die Aussage, die von Allahs Löwen gegeben wurde, Shah Mardan. Wie siehst du diese Welt? Ich sehe, daß sie genauso sind wie Shaytan. Shaytan hat sie in solcher Weise geschult, daß sie nicht anders sind als Shaytan. Die Arbeit von ihnen allen ist shaytanische Arbeit. Alte, Junge, sie sind shaytanisch. Jedes schmutzige, shaytanische Ding, das geschieht, ist von ihnen, entweder von Shaytan oder von ihnen. Tatsächlich wird, wenn es das Ende der Zeit ist, wenn der Gerichtstag nahe ist, Shaytan sie in solcher Weise unterrichten, daß diejenigen, die Shaytans Diplom tragen, so will es scheinen, die Macht von zehn Shaytanen haben. Selbst Shaytan wird überrascht sein und wird sagen: Wie kann das sein? Sie haben sogar mich übertroffen. Nun, das war mein Wunsch. Ich wollte einen Shaytan, jeder von ihnen ist wie zehn Shaytane.

Dies sind Shaytane mit Diplom. Sie haben keine menschlichen Tugenden. Sie gehen ein und aus aus jedem Schmutz. Sie sagen: Was für eine hohe Stufe habe ich erreicht. In den letzten Tagen, es ist erwähnt, was geschehen wird. Shararukum, die Übelsten werden diejenigen sein, die über euch herrschen. Die Übelsten haben Shaytans Diplom. Möge Allah uns nicht in den Händen Shaytans lassen. Nun, all jene, die ihren Verstand nicht benutzen, sind in seiner Hand. Die Menschen sind zwei Klassen geworden. Khiyarunnas, Shararunnas. Gute Menschen, jene, die den Weg unseres Propheten, des Meisters des Universums einhalten. Shararunnas, die schlimmsten Leute, jene, die Shaytan folgen, jene, die ihn verehren. Shaytan wird sie dazu bringen, ihn zu verehren, wie es ihm gefällt. Und die Menschen sind entweder böse oder gut. Entweder halten sie den Weg Shah Mardans ein oder sie gehen den Weg Shaytans. Die Menschen dieser Zeit sind in diese Situation geraten. Was ist ihre Identität? Shaytanisch. Was ist ihre Identität? Engelhaft. Derjenige, der von Allah (jj) angenommen ist, hat engelhafte Eigenschaften. Derjenige, der von Shaytan angenommen ist, ist der, der Shaytan ähnlich ist. Mach weiter, Shah Mardan. O Leute, die ihn lieben, hört.

Sagt, jene, die beanspruchen, Alawiten zu sein, was ist ihr Beweis dafür, Alawiten zu sein? Jene, die beanspruchen, Schiiten zu sein, was ist ihr Beweis, daß sie Schiiten sind? Hz Sahib Dawran Shah Mardan, ist ihr Weg der Weg Shah Mardans? In Shah Mardans Gegenwart, wenn jemand sein Schwert senkte, erhob Shah Mardan niemals sein Schwert gegen ihn. Er schlug nur die Starrsinnigen. Shah Mardan, Sahib Zaman. Es sind so viele Leute, wie Hajjahu Dhalimin sagte, es sind so viele Köpfe bereit. Ich kam, um sie einzusammeln. Da ist der Krieg, Malhama Kubra,

Armageddon. Es wird einen großen Krieg geben. Was ist der Grund? Weil die Menschen dem Weg Shaytans folgen. Sie alle haben Diplome von Shaytan, Shaytane mit Diplomen. Shaytan sagt: Ich habe die Diplome. Ich gebe sie, wem immer ich will. In den letzten Tagen gibt er sie an alle. Die Menschen verließen ihre menschlichen Eigenschaften und wurden blutsaugende Monster. Sie zerstörten alle ehrenwerten Gebäude. Sie brachten alle unehrenhaften Gebäude in die Öffentlichkeit. Welche Sache, die die Menschen tun, hat etwas Gutes? Es kann nicht sein, sagt Shah Mardan, weil sie die sind, die von Shaytan unterrichtet wurden. Sie haben ein Diplom für das Lernen zu verbrennen, zu zerstören und zu töten. Was für ein Diplom, sagt Shaytan zu sich selbst. Aber die Anzahl der Menschen, denen ich Diplome gab, ist ohne Maß.

"Wa la Taqtulu Anfusakum" (4:29) - Tötet einander nicht. Das ist Allahs (swt) Befehl. Ist das nicht im Quran? Sagt, o Schiiten, o Alawiten. Sagt, o ignorante Araber. Sagt, o Türken, die ihren Weg verloren haben. Ist das nicht Allahs (swt) Befehl? "Wa la Taqtulu Anfusakum" (4:29). Tötet einander nicht, besonders Unschuldige, Schwache, die sich nicht schützen können. Wer immer sie unterdrückt, wird in der Hölle zwischen zwei Steinen sein. Sie werden zermalmt, wie Steine sich drehen in einer Mühle, und kommen klein heraus. Dann werden sie wieder hineingeworfen. Hütet euch, jene, die behaupten Schiiten zu sein. Hütet euch, jene, die behaupten, Alawiten zu sein, aber den wahren Alawiten nicht folgen. Ihr werdet aus dem kleinen Loch der Mühle ausgeworfen, immer wieder zermalmt, ständig zwischen zwei Steinen.. Auf die Weise, wie Weizen zu Mehl wird und herauskommt, ständig drehend, ständig hineingehend und herauskommend. O Azhar Gelehrte, o Gelehrte Indiens und Chinas, o Gelehrte des Jemen und Saudi Arabiens, Indiens und Chinas, sagt: Sind die Handlungen, die ihr tut, eines Menschen würdig? Sind sie in Übereinstimmung mit den Befehlen Allahs? Ihr tötet ständig Allahs Diener, die Er ehrenwert erschaffen hat, um zu unterdrücken und zu töten. Ist das euere Aufgabe? Schande auf euch! Sie haben alle Waffen. Und Shaytan steht auf dem Hügel und lacht: Ich habe sie in zwei Seiten geteilt, so können sie mit den Waffen in ihren Händen sich gegenseitig fressen, zermalmen und erledigen. Wegen ihnen wurde ich so - ein Shaytan. Deshalb hat er so viel Ärger und Wut. Dies ist ein neuer Befehl und eine Neuigkeit. Die Menschen, die in dieser Zeit gerettet werden, jene, die den Befehlen von Allahs Geliebten (saws) folgen, sind die, die Seine Zeichen tragen, die die Krone des Islam auf dem Kopf tragen, den Turban. Gläubige sollten den Turban auf dem

Kopf tragen. Das bedeutet, sie sollten auf dem Kopf den ehrenwerten islamischen Turban tragen. Nichts wird ihnen geschehen, nichts wird ihnen auf den Kopf fallen. Wer herumgeht mit unbedecktem Kopf, offene Kleidung trägt, dem wird etwas geschehen. Besonders Frauen und Mädchen, die ihr Haar nicht bedecken und beanspruchen, Muslime zu sein, denen wird das Haar ausfallen. Eine Krankheit kommt jetzt. Alle Frauen, die mit offenen Haaren herumlaufen, denen wird das Haar ausfallen. Sie werden kahl werden. Egal, wieviel Medizin sie nehmen, nichts wird helfen. Sie werden kahlköpfig. Hütet euch. Zeigt euere islamische Identität, Iraner, Alawiten, Kurden, Türken, Araber. Sagt es, Gelehrte. Geht nicht mit unbedecktem Kopf herum. Wenn euch etwas berührt, ist es euer Fehler. Informiert sie. Der Prophet (saws) sagt das. "Ta'ammamu, ta'ammamu". Es ist der Befehl des Propheten (saws). Setzt auf eueren Kopf die Krone des Islam, den Turban. Und diese Turbane haben so viele verschiedene Arten. Es wird offensichtlich, daß ihr von der Nation Muhammads (saws) seid. O Menschen, euere Köpfe werden kahl werden. Und es gibt auch eine Strafe für sie. Ihre Manneskraft wird null und nichtig werden. Frauen, die herumgehen, ohne den Kopf zu bedecken.. ihr wißt, diese Nonnen, wir nennen sie Kallulez, ihre Köpfe sind immer rasiert, kahl. Sie werden kahl werden wie sie, Frauen und Männer. Sie werden für nichts gut sein. Paßt auf! "Wa Ta'ammamu", die Krone des Islam auf eueren Köpfen, Turban und Gebetsmütze, welche Kopfbedeckung auch immer, die dem Islam geziemt, die sollten sie tragen. Der Fez, der von den Osmanen getragen wurde. Die, die ohne Kopfbedeckung herumlaufen, ihre Shahada wird nicht angenommen.

Unbedeckter Kopf bedeutet unbedeckter Hintern. Da ist kein Unterschied. Hütet euch. Schütze uns vor dem Übel Shaytans, der uns über den rechten Weg in Verwirrung bringt. Unser Herr, ich scheue mich, Dich um Zuflucht zu bitten, weil selbst eine Ameise Shaytan überwältigen kann. Zu bitten, Shaytan zu überwältigen, Allah um Zuflucht zu bitten, ist weit entfernt vom Adab. Shah Mardan sagt: Findet einen Löwen. Geht mit dem Löwen und ihr werdet ein Löwe sein. Wer mit einem Fuchs geht, ist ein Fuchs. Wer mit einer Schlange geht, ist eine Schlange. Wer mit Bären geht, ist ein Bär. Wer mit einem Verwirrten geht, ist verwirrt. Wer mit einem Betrunkenen geht, ist betrunken. Wer mit einem Ehebrecher geht, ist wie er. Jene, die leere Ansprüche stellen trotz jeder schlechten Handlung, sind die Gefangenen von Schlangen. Sie werden Schlangen im Grab finden. Mit jedem Biß der Schlange.. Aman ya Rabbi. Sie werden Schlangen im Grab finden.

Die werden sie ständig vergiften. Wenn ihre Schreie sich unter den Leuten der Erde verbreiten, werden sie krank und fallen um. Aman ya Rabbi, Tawba ya Rabbi. Holt euch kein Diplom von Shaytan. Euere Identität sei die Identität, die von den Himmeln gegeben ist. Abdullah. Sie lehnen es ab, Abdullah, Diener Allahs, zu sein. Was sind sie geworden? Abdu-Shaytan. Sklave Shaytans. Sie haben den Dienst Allahs (swt) verlassen und sind von Shaytan autorisierte Sklaven geworden. Wenn ihr diesen Wegen nicht folgt, dies ist Shah Mardans Rat.. Es wird nicht eine Person von den Schiiten oder Alawiten übrig bleiben. Von denen, die den Islam angreifen, wird keiner übrig bleiben. Von denen, die den Islam nicht anerkennen, wird keiner übrig bleiben. Die Erde wird von ihnen geleert werden. Schaut nicht auf diese Kriege, die Erde wird leer werden. "Wa Ardu Llahi Wasi`atun" (39:10) - Allahs Erde ist weit. Geht herum und schaut. Seid keine Gefangenen der Dunya. Die Menschen von heute sind Gefangene der Dunya und Narren Shaytans geworden. Sie sind nicht zufrieden. Sie verkaufen ihre Ehre für wenig Geld. Allah hat uns mit Ehre bekleidet. Schützt euere Ehre. Bringt euere Kleidung in Ordnung, bringt eueren Kopf in Ordnung. Das Haar der Frauen wird ausfallen. Wie bei den Nonnen, wie ein Ei, so wird ihr Kopf sein. Das ist eine Warnung für sie. Sagt, o Azhar Gelehrte, Tawba Astaghfirullah, Shukur ya Rabbi, Shukur ya Rabbi, Shukur Alhamdulillah. Laß uns zu denen gehören, die ihre Dienerschaft verstehen, die an Deinen Befehlen festhalten. Die Befehle Allahs sind das Höchste. Wer an Seinen Befehlen festhält, ist Sein Diener. O Türken, ihr versteht Türkisch - paßt auf! Sonst, wenn euch etwas geschieht, fragt nicht, woher es kommt. Wer auf einem schlechten Weg geht, was er finden wird, ist Schlechtig-keit. Wer auf einem guten Weg geht, wird Gute erreichen. Unser Herr, Tubna wa Raja'na ilayk. Wir bereuen, ya Rabbi. Ay Shah Mardan Sahib Maydan, der Titel seines Herrn ist genug für ihn O Shah Mardan, leiste Fürsprache für uns. Gute Weisen von deiner Zunge sind süß für uns.

Iraner, Araber, Türken, Kurden, laßt sofort die Waffen ruhen. Das ist ein Befehl von den Himmeln. Der Befehl kommt jetzt: Laßt sofort die Waffen ruhen! Hört sofort auf, Menschen zu töten, sonst werde Ich Engel senden, die euere Köpfe auf den Boden werfen wie Bälle. Sie werden jene mit unsichtbaren Schwertern schlagen, die die Waffen nicht ruhen lassen. Das unsichtbare Schwert wird herabkommen von den Himmeln und ihre Köpfe nehmen. Tausende, Hunderttausende Köpfe. Ihr wißt, wie sie Ball spielen, es wird wie dieser Ball sein. Hütet euch. "Ittaqu Llaha Haqqa Tuqatihi" (3:102). Fürchtet Allah (jj). "Wa ittaquni ya Uli l-Albab" (2:197). Allah

(swt) sagt: Fürchtet Mich, o Menschen mit Verstand. Sonst werden euere Köpfe mit dem Schwert, das von den Himmeln kommt, abgeschlagen. Es wird sein wie das Fußballspiel, das ihr spielt. Aman ya Rabbi, Tawba ya Rabbi, Tawba Astaghfirullah. Fallt nicht auf Shaytan herein. Folgt dem Weg des Propheten. O Shah Mardan, das ist, was du uns erzählst. Allah (jj), der Eigner des Thrones und Sein geliebter Diener, für dessen Ehre Er das Universum geschaffen hat, folgt seinen Fußstapfen, ihr werdet in der Dunya und in der Akhirah gerettet werden. Sonst werden die Engel auch mit euerem Kopf spielen wie mit einem Fußball. Auf der Erde werden ihr Körper auf der einen Seite, ihr Kopf auf der anderen Seite sein. Millionen von Menschen werden so sein auf der Erde. Und dies ist eine Warnung von Shah Mardan. Er sagt: Hört, wenn nicht, werden Dinge wie das geschehen. Wenn ihr hört, das ist gut. Wenn nicht, werdet ihr leiden. Sagt nicht: Ich bin König, Prinz, Sultan. Sagt: Ich bin ein Diener Allahs (swt). Geht nicht ohne Kopfbedeckung. Geht nicht herum mit 'Toiletten'köpfen, Männer und Frauen. Es ist haram, verboten, für Frauen, makruh, ungeliebt, für Männer. Habt eine Mähne wie ein Löwe. Es gibt eine Gruppe von Engeln im Himmel, die preisen, Frauen sind schön mit ihren Haaren, Männer sind mächtig mit ihren Bärten, nach Allahs (swt) Willen. Sagt, o Azhar Sharif Gelehrte, o saudiarabische Gelehrte, türkische Gelehrte, sie schämen sich nicht, zur Mihrab zu gehen mit Fraueneigenschaften. Es ist nicht erlaubt, zur Mihrab zu gehen mit dem Aussehen einer Frau. Ein Imam ohne Bart kann nicht Imam sein. Ein Imam, der herumgeht wie eine 'Toilette', kann kein Imam sein. Nehmt Verstand an! Kurden, Türken, Iraner, paßt auf! Das ist eine Warnung von den Himmeln. Es ist guter Rat, der uns von Shah Mardan gesandt wird. O Shah Mardan, wir wollen hinter deinem Schwert gehen. O Shah Mardan, Allahs Löwe, sende uns Heilige, die uns zum rechten Weg führen. Selbst einer ist genug, um sie zu erreichen. Allah Allah, Allah Allah. Allahu Akbar, Allahu Akbar, Allahu Akbar, Allahu Akbar wa Lillahi l-Hamd. Allahu Akbar Kabira wa l-Hamdulillahi Kathira wa Subhana Llahi Bukratan wa Asila. Unser Herr, sende die Soldaten von den Himmeln herab, die Deine Banner halten. Es ist Dein Versprechen an unseren Meister. Wir hoffen, diese Tage zu sehen. Fatiha.

## A Hidden Secret

We believe in Holy Books, it is what we base our knowledge on. Everything else is theory without a foundation, usually produced by our imagination. Theories normally do not become realities because they are a production of our minds. This is why that which comes from Holy Books is our reality. It cannot be changed.

Mind productions cannot satisfy our souls. Our souls want something else. They will only be content if we say that the Creator who created everything was a Hidden Secret Who created His servants so that He may be known. He gave us the chance to be honoured through our Divine Service. This is what all Holy Books tell us. It is the purpose of our creation.

The rules of the seen and the unseen world are the same. Everything is aware of their Creator. Atoms know and are praising their Creator, but mankind through his will power has the highest level and can be closest to the Divine Presence. This grant is given to prophets, to Holy People and to real believers. Allah created me so that I can know Him, love Him, glorify Him and give Him my highest respect.

## What Grants People the Highest Honor?

(Mawlana Shaykh stands.)
Allah Allah, Allah Allah, Allah Allah, `Azeez Allah.
Allah Allah, Allah Allah, Allah Allah, Subhaan Allah.
Allah Allah, Allah Allah, Allah Allah, Sultan Allah.

O our Lord, O our Creator! Forgive us and give Your blessings for the honor of the most honored one in Your Divinely Presence, Sayyidina Muhammad (s).
Zidhu yaa Rabbee `izzan wa sharafan nooran wa surooran, sultaanan wa ridwaana. (Mawlana Shaykh sits.) Madad, yaa Sultanu 'l-Awliyaa. O holy ones! O sultan of holy ones on this planet, on dunya! Support us, grant us what is necessary for us to know and to understand and to do. We are so heedless ones. May Allah (swt) forgive us.

As-salaamu `alaykum our attenders in the east and west, whom they have been honored to be deputies of the Lord of this planet. We are speaking only about our planet. And we are saying a`oodhu billahi min ash-Shaytani 'r-rajeem, because everywhere you are finding Shaytan. If anything coming to you from heavenly lights and enlightening us, (he is) coming and asking to put a dark veil on it that we can't see behind what is there. That is Shaytan's mission. Khaza`ahullah, may Allah curse him. Amaan yaa Rabbee, amaan yaa

Rabbee.

As a protocol we must say, but I am ashaming to say, "O our Lord, protect us from Shaytan." What is that? Why? But Allah Almighty and His kingdom is from pre-Eternal up to Eternal, endless oceans for His territories, endless universes, countless kingdoms, countless dominions! How, if a person is fearing from something in front of a sultan's palace, he is coming, "Ohhh, Your Majesty, reach to me, save me from this one!" Particularly Shaytan, that it is the ugliest creature ever created, from pre-Eternal up to Eternal. There can't be a more ugly than Shaytan! And asking (from the sultan), "Come, save me from this." What is that? But our understanding is as small as an atom. Therefore, we are saying, fa'asta`eedh billah, say, "I seek refuge and protection in Allah from Shaytan." This is His holy command, as an order we are saying, or an ant may ddestroy Shaytan and its works so easily, by His command. We are saying, a`oodhu billahi min ash-Shaytani 'r-rajeem!

O Our Salafi `ulamas! Marhaban! As-salaamu `alaykum also! Don't worry, I am only angry against our egos, not your being; your being is from Allah Almighty! Kamil, mukammal, perfected. Yes. Man, Adam (a), what does it mean, "Adam?" You know that meaning, O Salafi `ulamas? Say to me what does it mean, "Adam." Adam showing, alif has a meaning, daal has another meaning, meem has another meaning (Arabic letters in the name 'Adam'). Alif represents Allah! Alif, daal represents Adam, pointing to continuity. Meem is an ocean that is impossible to approach; it represents muntaha, the last point for you; for creatures, not for the Creator!

Azaliyun (existing from pre-Eternity, eternal) and abadiyun (existing to Eternity, everlasting). Alif is azali. Meem is mukammal, perfect. Daal is dawaam, continuity of the Lord's hegemony on everything created for the honor of the Seal of Prophets, Sayyidina Muhammad (s). (Mawlana Shaykh stands and sits.) Creation is continuous, no one knows the beginning or ending, no one can approach for an understanding, even less or at least meaning of azaali, pre-Eternal and abaadi, Eternal. SubhaanAllah, subhaanAllah! Most high honor granted to dhawi 'l-`uqool, people of sound minds, who are granted enlightenment of intelligence, subhaanAllah! Even no one with that enlightenment can reach to pre-Eternal, azaliyyun, and Eternal, abadiyyun. And Allah Almighty grants Mankind such an honor for an understanding! And what is the main aim for understanding of the Lord of Heavens? All our obediency gives us a heavenly lightening.

There are five-hundred kinds of honor, ma ja`a bihi an-Nabi, what the message of Sayyidina Muhammad (s)

came for, that the Seal of Prophets (s) taught to his nation, and every honor belongs to one order. If you are doing that honor, if you are asking to reach that honor, that honor belongs to this specific level of lightening. Each command, heavenly commands that the Seal of Prophets (s) granted and taught and declared, each one is making that person to reach that level of obediency, getting closer to the Divinely Presence!

The real meaning of all obediency is not to reach Paradise. Paradise people are on common levels of the ummah, but who are asking to reach more than those eight paradises will disappear in that One's glory and enlightenings! Therefore, a hadith that our Salafi `ulamas must know, about when the Seal of Prophets, Sayyidina Muhammmad (s), (Mawlana Shaykh stands and sits.) was asked, Yaa Rasoolullah, maa afdalu 'l-`amaal? "O Messenger of Allah, what are the best deeds for our good dealings; what grants to people the highest honor?" And he (s) said, al-`ilmu billah, "Only Allah grants knowledge." SubhaanAllah, and Sahaaba (r) were astonishing. "We are asking about good manners and obediency, and Rasoolullah (s) is saying, al-`ilmu billah." That highest honor is not from our `amal, deeds; it is from something else. The real aspects of all `amal and obediency is to reach an understanding level of Who is the Lord of Heavens! Who is He?! You can't understand it until you annihilate (in the Divine Presence). You have cars, you have trains, you have planes, so is your real aspect to have a car, to have a train, to have a plane, or to use those things to take you from one city to another city?

Therefore, all maa jaa bihi an-Nabi that Prophet (s) was teaching his nation is not the target; it is not only to pray and fast and go to Hajj and give money, but beyond that, we are asking to reach something! Therefore, Prophet (s) was saying, afdalu 'l-`amaal, that includes all good deeds to take you to a level that you are in need of. There you are a like a drop coming from clouds, reaching the ocean, and you are going to be the ocean! Fanaa fillah, baqaa billah, you are finished!!!

O People! Therefore, we must try to learn beyond ourselves! When we are only dust, what is remaining and for what are we on this planet, for what are we living, for which purpose are we taken away? Why is Allah Almighty giving a limited life here and taking that life from us? What is the real maqsad, aim? We must try to understand. Now we are, subhaanAllahi 'l-`Aliyyu 'l-`Adheem, in the darkness of ignorance. People are never using what they have been granted as a heavenly honor; what we have been granted, we are not using it. We are putting there for people to look and say, "I have this." No, it is not for making a show, but you must use it to reach that level where your identity disappears and your real identity of heavenly beings appears. And after

that divinely level, that is finishing in countless oceans and countless dominions. May Allah forgive us! Allahu akbar, Allahu akbar, Allahu akbar!

O People! It is a short time. O Salafi `ulamas! Say such a knowledge to people that they may stop their juhud, all their efforts, and they are changing towards the Divinely Presence. Here is an example: why Allah Almighty put baytullah, ka`abatullah, leaving everything and putting all attention there? Why are you not saying? If not knowing, you must ask someone who knows such things, warathatu 'l-anbiya, those who are inheriting from prophets (a), but it is not easy to find them. You say, "That one must come and teach me!" No, you must go and find them! They will be rabbani, heavenly ones, and you will be dressed in a heavenly uniform.

O Bishops and Rabbis! You are knowing in your books but you are not understanding. I am not understanding, until they are granting me to speak, then I am knowing something.

May Allah forgive me, forgive you, forgive everyone, for the honor of the Seal of Prophets, Sayyidina Muhammad (s). (Mawlana Shaykh stands and sits.)

Fatihah.

(34 minutes) Enough.

(Mawlana Shaykh speaks with Shaykh Hisham Effendi on the phone.)

## Highest respect and highest glory to Allah Almighty

Destur, ya Sayyidi, ya Sultanu-l Anbiya, Meded, ya Sultanu-l Awliya, Meded, ya Rijalallah...Audhu bi-llahi mina shaitani rajim, Bismillahir Rahmanir Rahim, la haula wa la quwatta illa bi-llahi-l ‘Aliyu-l ‘Azim...Allah Allah...Subhan Allah, Sultan Allah! Ya Allah! Subhanak! We are happy! (We) must be happy! By the Name of Allah Almighty, All Merciful, most Beneficent and most Magnificent, (the) Exalted, ‘ta’ala wa taqaddas’...They can’t give any meaning (for) ‘taqaddas’. ‘Tabarak’- that (is) coming through (the) Holy Quran for (the) high respect, (the) highest respect of Allah Almighty. These words only (are) suitable through Arabic language. You can’t find similar meanings for one word in (Arabic through) one word in other languages...

It is an obligation to Muqmins, believers and commonly for all mankind first to learn how he can be able to give his highest respect and highest glory(fying) to Allah Almighty. That must be for whole mankind, whom they are believing (in) the Lord of Heavens. To believe in Him, in something, beliefs (are) carrying people to an understanding for what? You must try to understand! Beliefs (are) carrying people to Reality; to say and to declare their belief that that is Reality. And what is (the) reality that we are knowing now or (we are) trying to know about? (It is the) Reality of the Existence of the Lord of Heavens, the Existence of Allah. That is Reality, nothing else! Everything (else) is imagination, because real Existence (is only) for Allah! That is Reality. It is not what you are imagining and saying (for it): “That is real.” No. Everything beyond the Existence of Allah

(is) nothing. Nothing! Beyond Reality- what you can find? Nothing! And (the) real Existence (is) for Allah Almighty and that Reality must be known!

To say: “I am believing (in) the Existence of the Lord and the Creator of all (the) things that we are in it”- how you are saying this, oh foolish one? To say: “I am believing and I am accepting the Existence of the Lord of Heavens and the Creator”- who are you to say this! Who are you? “Shahid-Allah”; Allah, He is (the) only One that He, by Himself, (is) going to be (the) Witness and giving His declaration about His Existence. “Shahid-Allah”! Who are you? Who are you to say: “There is Allah”? Oh! What happened? Who are you to say this? You are thinking that you are someone (or) something in divinely Presence and you are saying: “I am believing there is a God”? If (there was) no God, how you are coming and saying this? Oh crazy one! La haula wa la quwatta!

Therefore: “Shahid-Allahu annahu la ilaha illa Hu, wa-l malaikatu wa ‘ulu-l ‘ilmi qaiman bi-l qist...” Allah (is) witnessing His (own) Existence, His Reality and it is enough what He is declaring- witnessing Himself by Himself for Himself! Unknown...unknown Reality, but you must follow Him and (instead) to say: “Oh my God, I am believing in God!” Say: “O my God!” That is a level that they are saying now; it is new fashion (to say:) “I am believing in God only.” Who are you to say this? Say: “Oh my God”, say: “Ya Allah, ya Rabb!” Say! Giving to himself some value to say: “I am believing in God.” If you are not believing, His Existence is going away, no Existence for God Almighty Allah? What you are thinking! So many foolish ones now, new fashion, square-head, empty head people (are saying:) “We are not believing.” Go to Jehennem, if (you are) not believing, go to Hells! Cursing (is) on them!

First of all that you must learn, you must understand: You must declare and give your highest respect (and say:) “Endless Glory for my Lord, for my God, that (He is) making me to be in existence, creating me and making me to declare His Existence. (He), the Exalted!”

Where people are going now? To where you are going? (You are) running after Shaitan- to where Shaitan just brought you, oh nations, oh mankind living in the 21st century? To where you reached? Do you think that (the) 21st century (is the) most honoured century for you, for mankind? (No. The) 21st century (is) making mankind (to be) like rubbish; rubbish that (is) thrown through (the) dustbin or as rubbish that you put in (the) toilet. Shaitan just brought mankind now to that position, because he is saying: “Don’t say (there is

‘Allah’), don’t accept Reality!” If (there was) no Reality, how it can be this creation that we are looking and seeing? How it can be in existence? If no one (is) bringing them (in existence), how (these creatures) are going to be in existence? Those empty head people may say: “By itself, by themselves. Their existence (is) through themselves.” That is reality for them, (for) those empty head people! This, if (their existence) is from them, how it is going to be (that) today (is) never going to be similar (to) yesterday or how it is going to be (that) tomorrow (is) different from today? If it is real- (something) Real never changing. Reality (is) never accepting a changing, but (anything) other (than Reality is) going to be changed.

And sometimes these (creatures) can be seen (and) after a while you can’t seem them (any more). Millions of people (that are) today running through East and West- tomorrow they are not through streets and homes (any more), no, (they are) no more (seen). Billions of people that today (they are) running- going, coming, doing, acting- tomorrow they are not in existence. That means their existence is not a real Existence. If (it is the) real Existence, never (it is) going to be disappeared; (but) always (it) must be ready, in appearance.

That means: everything (you see is) like a shadow or (like) a figure through a mirror. The mirror is sending (a picture), but what you can see in it, it is not fixed, always (it is) changing. Or (we may say) a TV screen: every day’s events through the screen (of the TV) are not (the) same. Where they left? They ran and finished. If they were a real Being, (they) must be there (always and) never disappear.

But people are not understanding that the existence for a real One is never going to disappear, (that it is) never going to finish (and) vanish, (but) always must be in existence. And people- no one of them (is there any more from those people who lived) through (all the) thousands of years that mankind is living on this planet. Billions of people- now (there is) nothing from them. Only you may find (that) about some people some lines through books (are) written, and (all the) others (they are) never known in their times or after. These people finished. And whom their names are written through books, (also it is) only remaining their names and nothing else. That means they were images that belong to imagining, (and) now (it is) finished.

When you are looking and seeing these worlds and this space, skies, stars, galaxies and so on, billions and billions of things, you must know something- that (they are) only running, running, (and) no one (is) knowing from where (they are) coming (and) to where (they are) going. (They are) coming and disappearing, then finishing. They are saying now (that) there are Black Holes, swallowing (everything). If (these creatures)

were real ones, how Black Holes (are) swallowing and taking them and never leaving for them any existence? “(They) finished (through that) Black Hole”, they are saying, “Millions or billions of stars. When (they are) coming near to that Black Holes, Black Holes (are) swallowing (them) and (then there are) no more galaxies there.” If they had a real being, how they disappeared?

And who (is) putting that Black Holes there? You, Americans? (Sheikh is speaking on the phone:) “Take away from our way this Black Hole, we must pass through!” “Oh, I can’t do...I may ask Russians, perhaps they are putting that Black Hole (there)?” “Look, ask Russians!” Russians (are saying): “We never have any time to look and to put Black Holes. We are looking after White Holes...Ask to Japan people!” Ma sha Allah...Japan people (are saying:) “No, we are a little bit late, you may ask German people, their technology is more important.” Then English technology people are saying: “What we are doing? Hundreds (of) years we are looking for reality and you are asking something that is disappearing? What is disappearing, it is not a real thing. Must be for your eyes something wrong. Black Hole, White Hole? Go away...What is that?”... African people (are saying): “They know our colour, giving signs to ourselves, saying: ‘We are coming to you, but you must keep us through yourself, don’t show white people...’”

Therefore- everything that people are running after it, after a while it is disappearing. When it is disappearing- finished. They are saying: “That is like (a) mirage.” From far away you are thinking (that) there is water, and (you are) running on it; running, running and coming (to it and then you are) looking (and seeing): “Oh, nothing (is) there, because it was not real (from the beginning).” (Something) Real (is) never going to be changed (or) to be moved, no, (it is) fixed. (There is) no any other power to make Reality to move, no. Therefore- (the) real Existence (is only) for Allah Almighty (, the Creator,) and He can do everything! Others, (creatures,) all of them (are) just like (those) figures (that are) appearing through TV screens.

May Allah forgive me...People in the 21st century are on (the) wrong way; (they are) running after mirages or (they are) running to catch imaginated figures and they can’t do. They must ask about (the) real Existence that (is) never going to be changed or to be taken away; they must learn about (the) real Being (of Him,) Who is saying: “Samawaat wa-l aradiin- all Heavens and earths and everything belongs to Me! I am the Holder, I am the Owner, I am the Creator, I am the Lord!”

You must teach (about) that One, but 21st century people are saying: “We are not putting the name of God

through our lessons, through our teachings. (There is) no room to put His Name!" Yes, I know, no room except (for) Shaitan! You are putting everywhere the name of Shaitan, (and) Shaitan is saying: "Don't put any other name. I am (enough) for you." That is wrong! They must try to learn the distance of the Lord of whole creation and He is the only One who can save people, here and Hereafter.

For the honour of the most honoured one in His divinely Presence, S.Muhammad sws, Fatiha.

## Those Who Have Have High Himmat

Marhaba, how are you? S.M. Allah Shukur. M. Allah Shukur, we woke up feeling better. Subhana Allah, the benefit of that bitter orange is great, Hj Mehmet. We should continue to do it. I ate some yousef at night, it gave me some relief. Our body has become joyous. This is a big blessing. Meaning in these places where citrus fruits are grown, we should not catch winter diseases. Every part of it is good. There are traders who buy its peel in Turkey. Allah Allah.. We don't appreciate it, O Lord. May Allah grant us the favor of appreciating His blessings. We should appreciate every blessing from Him, Allah Shukur. "Min Kulli Shay'in Sababaan" (18:84). Allah Almighty created a purpose for everything. Therefore "Ya musabbibal- asbab, Ya mufattihal-abwab, Ya muqallibal-qulub wal-absar. Thabbit qulubana 'ala dini, dinil Islam. Dinil Haqq!"

We will declare this, declare this. Insha Allah unbelief will be under our feet. I am getting furious & asking from Allah Almighty even in this condition. Allah Allah..Allah Allah.. Allah Allah..Allah Allah.. Muhawala/endeavor & himmah/aspiration, striving, concentrating spiritual energy, are the signs of Islam. Who has no endeavor is far from Islam. Who does not concentrate their spiritual energy is rubbish. The value & honour of people are "ala hasab himmatuhu"- The value & honour of the people are measured by their striving. Before they would call "Zaw-ul himam-ul aliya", The people of high aspirations. This is the attribute of men in power- "zawul himamul aliya". They should have high striving.

You can't rule a country by collecting people from the streets. No. No. Our ancestors for 700 years, all of them were men of high striving. When they were mounting their horses, there was a

mountain stone in Topkapi, the ones who were present there would clap- the knights, janissaries, the soldiers of the palace.. When the Sultan got on the mounting stone, the horse would come. They would call: "O Sultan. O our Sultan, step into the stirrup of the horse firmly! What they mean by "riqaab al-astar" is the horse. "Step into it firmly, step like a man!" The Sultan would immediately mount it & the horse would rear up like this. They had majesty, glory!

These ones now are rubbish. All of them are rubbish. Their governments also, all of them in the whole world are rubbish. Therefore they will collect all the rubbish & be thrown away, soon. Therefore there would be no weak, fragile-looking people with the Sultan. All of them were like dragons. All of them, would draw their swords when the Sultan walked- behind him his grand vizier, wuzara, generals would be with their swords drawn. "Step into the stirrup of the horse firmly, like a man!" They would go to Juma prayer in ceremony, from the palace to Hagia Sophia.

Those who closed Hagia Sophia did not do good. It is still closed (visited as a museum) & they won't find goodness. They will be destroyed. Their first job is to turn Hagia Sophia back into a mosque again. As long as they don't do this, they can't find any goodness no matter what they do. Zawul himamul aliya, the ones of high concentration of spiritual energy. Man's worth & honour is with his "uluwwu l-himmah". He should not be lazy & helpless! A believer should be like a dragon. He should be majestic. Masha Allah they are majestic, glorious with the dresses they wear also. That when they attacked, the unbelievers would scatter before their majesty.

The Ottomans are our ancestors, you should respect them! You should give them their due rights. Even the newborn babies of this holy dynasty, those that 'that one' kicked out. What authority did he have? Even their new born babies, 'that one' had them thrown out. It was the right of swords! How could you kick them out? Who are you? How could you kick them out? Why do you still carry out that law? O those ones of high himmah.. They were the ones who built the real Istanbul. They did not make it as a mess of concrete, or full of nightclubs & brothels. They established madrasas, mosques, dargahs, turbas, foundations, palaces, residences.. How beautiful was Istanbul. It was Islambol. Now it doesn't look like Europe nor does it look like other unbeliever's countries.

Our ancestors were ones who strove highly, majestic ones. For this, paradise be his abode, Vahdettin said "I may walk out & leave. I may leave because these ones' shamelessness will not be over. I may go out safely & let them suffer whatever comes on their heads. And I live whatever my fate is..." No any other Sultan is buried in Sham. Sultan Vahdettin is buried there, in Salimiya Mosque. Have you seen it? He is buried there. That honour was granted to him. They humiliated him in dunya but his level in akhirah was very high- Sham al-Sharif accepted him. He was buried in Sham al-Sharif. O Lord, may You make us follow Your holy servants who have high striving. May we be with them. May we come out with Takbir; Allahu Akbar Allahu Akbar. May we come out saying this. National Takbir: Allahu Akbar. When the mahtar hits, the honour & majesty of the mahtar would make the world tremble saying "Allahu Akbar Allahu Akbar, O Glorious soldier!" Allahu Akbar! Subhana Allah. Subhana Allah.

There were no instruments & tools of today available at that time & Sultan Selim built the Selimiye Barracks. When a division of soldiers entered in it, two brothers couldn't find each other inside Selimiye. Can these ones make a building like Selimiye? There were no machines, no cranes, nothing. Selimiye Barracks, can they build it? They can't do. They only pour concrete & leave. They built Nimrod towers. Our ancestors.. We didn't appreciate them. And we have become dishonoured in the hands of those who want to make their honour zero. May Allah take this dishonoured state from us & make us turn to the way of our honoured ancestors. Wa min Allah at-tawfiq. Fatiha.

May Allah bless their souls. May paradise be their abode. Allah. For the girding of sword ceremony, Sultan would come to Abu Ayyub Sultan's tomb & would be girded with the sword there. I think it would be with two swords- one sword of Hz Omar & the other one of the Rasulullah (s). The Caliph would be girded with sword- The Caliph, the Sultan. Even the name "Sultan" has majesty. A president walks around among the people, no one realizes. "Is this the president?" "Yes, this one. We elected him". They corrupted our customs. Fearing from our state, they wanted to put the honour of our state under the feet of people. But it won't happen. It didn't happen with Ottomans, may Allah make their abode paradise. I am on their way insha Allah. May we be on their way.

Those ones made them take off what they were wearing & forced them to wear hats. They hanged so many thousands of people who refused to wear it. 'That one' hanged so many thousands of people because they gave fatwa such as, "a hat is a sign of unbelief". 'That one' is being hanged everyday, down under (his grave). May Allah forgive us, not leave us to our dirty ego. O Lord, may the Ottomans reach. May our Sultans come. May they come & take back the relics. Sultan Selim will come to Istanbul. It says "The Sultan who had left will come back to Istanbul again". He left by sea. He will come back to Istanbul. And Mahdi (as) will receive the holy relics from him, from Sultan Selim. The holy relics are locked.

'That one', their master said "Where are these holy relics? I may enter & see" They told him "You can't enter". 'That one' said "Why can't I enter?" "You can enter only with adab". 'That one' said "I will enter", for the maqam where the holy relics are protected downstairs. 'That one' went down one step, sharrr! A slap came on him, such that his mouth reached his nose, his ears! What to do with 'that one' now? They carried him & looked: "No doctor can heal 'that one'!"

They asked"What happened to 'that one'?" The guardians in there slapped him. There are guardians over them from jinn. There are from men also. They told me these things in Istanbul, I know. Whatsoever they did, they couldn't fix that one's mouth! Finally they called a holy one, who knows about such things. And this holy one took off his shoe & hit 'that one' with it. His mouth straigtened. So it was like this.

I make sohbat about such things. I want to speak to people because there is no one left who knows what we know. They become zero. The people are now like empty reeds. We are like sycamore trees, with the permisson of Allah, with the permission of Allah.. Be the sycamore tree, don't be the reed. The holy one hit him such that, with one hit that one straightened & stood up. May Allah grant us repentance. Aman Ya Rabbi.

Once people leave adab, they have no honour or value left anymore. Man's honour is with his adab. There is no one left who has adab now, finish. There is no one left who knows adab. In the time of Ottomans, the testimony of one who doesn't cover his head was not accepted. Now all of them, their heads are bald- they can be distinguished, "they are the men of such place, our men".

All of them are bald, can't wear anything on their heads. They can't wear anything on their heads, it is banned! It is prohibited. They wouldn't allow people to wear berets either. One day, one of the policemen found a man wearing a beret. He caught him & brought him to the police station. "This one is wearing a beret, my high commissioner" he said. "What is your name?" he said. "Antironiq" the man replied. He said "Why do you bring me the Armenian? They are allowed to wear, o foolish man! They can wear it.".

How is the sohbat, are you sleeping O Mehmet?

"Release him, take him back. I thought he was a Muslim. These ones are Armenian. They can wear berets". They wouldn't allow people to wear berets either, o poor ones...

I remember, there was Abdurrahman Effendi in Istanbul, head of al-Qurra. He was the Imam of Bayazid Mosque. I would pray in that mosque in Bayazid & see him wearing jacket & trousers this outfit. Inside, he would wear his jubba. But when going out, jacket & trousers and something like this on his head.

La ilaha illa Allah, Sayyidina Muhammad Rasulullah (sas). O Rasulullah, I glorify you. May you grant me the chance that I may see Istanbul turning into Islambol again, I may see it... 'That one' destroyed the buildings in Bosphorus & built a wine factory. They destroyed the temples & built brothels, nightclubs. Allah does not forgive them. Allah.. For this unless Turks open Hagia Sophia, they can't have any honour. None of their doings can succeed nor will they have any dignity. They say "Republic of Turkey, the citizens of the Turkish Republic" Leave being the "Republic of Turkey"! We were the citizens of the Ottomans- Allahu Akbar, wal-'Azamatu Li-Llah, wal-'Izzatu Li-Llah. O Lord, may You send us from those honoured, glorious servants of Yours.

Fatiha.

**Die hohe Himmat haben**

Marhaba, wie geht es? SM: Allah Shukur. M: Allah Shukur, wir wachten auf und fühlten uns besser. Subhana Allah, der Nutzen dieser Bitterorangen ist groß, Hj Mehmet. Wir sollten es weitermachen. Ich habe Yousef gegessen am Abend, das gab mir Erleichterung. Unser Körper ist fröhlich geworden. Das ist ein großer Segen. Das heißt, daß wir an den Orten, wo Zitrusfrüchte wachsen, keine Winterkrankheiten bekommen sollten. Jeder Teil davon ist gut. Es gibt Händler, die die Schale in der Türkei kaufen. Allah Allah.. Wir würdigen es nicht, o Herr. Möge Allah uns die Gnade erweisen, Seine Segnungen zu würdigen. Wir sollten jede Segnung von Ihm würdigen, Allah Shukur. "Min Kulli Shay'in Sababan" (18:84). Allah der Allmächtige schuf einen Zweck für alles. Deshalb "Ya Musabbiba l-Asbab, ya Mufattiha l-Abwab, ya Muqalliba l-Qulubu wa l-Absar. Thabbit Qulubana `ala Dini, Dini l-Islam Dini l-Haqq." Wir werden dies erklären, dies erklären. Insha'Allah wird der Unglaube unter unseren Füßen sein. Ich werde zornig und bitte Allah den Allmächtigen selbst in dieser Lage. Allah Allah.. Allah Allah.. Allah Allah.. Allah Allah..

Muhawala - Anstrengung, und Himmah - Streben, Bemühung, Konzentration geistiger Energie sind die Zeichen des Islam. Wer sich nicht anstrengt,ist weit vom Islam. Wer seine geistige Energie nicht bündelt, ist Unsinn. Der Wert und die Ehre der Menschen sind "`ala Hasbab Himmatuhu" - Der Wert und die Ehre der Menschen werden gemessen nach ihrem Streben. Früher wurden sie "Zawu l-Himamu l-`aliya", die Menschen hohen Strebens, genannt. Das ist das Attribut der Menschen an der Macht, "Zawu l-Himamu l-`aliya". Sie haben hohes Streben. Man kann ein Land nicht regieren, indem man Leute von der Straße holt. Nein. Nein. Unsere Vorfahren vor 700 Jahren waren alle Menschen hohen Strebens.

Wenn sie ihre Pferde bestiegen, gab es einen Steigestein in Topkapi. Die Anwesenden dort klatschten, die Ritter, Janitscharen, die Soldaten des Palastes.. Wenn der Sultan auf den Steigestein ging, kam das Pferd. Sie riefen: O Sultan, o unser Sultan, steige fest in den Steigbügel des Pferdes! Was sie meinten mit "Riqabu l-Astar", ist das Pferd. Steige fest hinein, steige hinein wie ein Mann! Der Sultan bestieg es sofort, und das Pferd bäumte sich so auf. Sie hatten Majestät, Ruhm! Die jetzt sind Quatsch. Sie sind alle Quatsch. Ihre Regierungen auch, alle in der ganzen Welt sind Quatsch. Deshalb sammeln sie den ganzen Müll und werden bald

weggeworfen. Deshalb gab es keine schwachen, zerbrechlich aussehenden Leute mit dem Sultan. Sie waren alle wir Drachen. Sie alle zogen ihre Schwerter, wenn der Sultan ging, hinter ihm sein Großwesir, Wuzara', die Generäle standen mit gezogenen Schwertern. 'Steige fest in die Steigbügel des Pferdes, wie ein Mann!' Sie gingen zum Juma Gebet in einer Zeremonie vom Palast zur Hagia Sophia.

Diejenigen, die die Hagia Sophia schlossen, haben es nicht gut gemacht. Sie ist immer noch geschlossen (besucht als Museum), und sie werden nichts Gutes finden. Sie werden vernichtet werden. Ihre erste Aufgabe ist, die Hagia Sophia wieder in eine Moschee zu verwandeln. Solange sie das nicht tun, können sie nichts Gutes finden, egal, was sie machen. Zawu l-Himamu l-`aliya, diejenigen mit hoher Dichte geistiger Energie, der Wert des Menschen und seine Ehre sind mit seiner "Uluwwu l-Himmah". Er sollte nicht faul und hilflos sein! Ein Gläubiger sollte wie ein Drachen sein. Er sollte majestätisch sein. Masha'Allah, sie sind majestätisch, glorreich, auch mit den Gewändern, die sie tragen. Daß, wenn sie angriffen, die Ungläubigen vor ihrer Majestät auseinanderstoben.
Die Osmanen sind unsere Vorfahren, ihr solltet sie respektieren. Ihr solltet ihnen die gebührenden Rechte geben. Selbst die Neugeborenen dieser heiligen Dynastie, die, die 'jener' hinauswarf. Welche Autorität hatte er? Selbst ihre Neugeborenen ließ 'jener' hinauswerfen. Es war das Recht der Schwerter! Wie konnte er sie hinauswerfen? Wer seid ihr? Wie konntet ihr sie hinauswerfen? Warum führt ihr dieses Gesetzt immer noch aus? O jene mit hoher Himmah.. Sie waren die, die das wahre Istanbul bauten. Sie machten es nicht wie ein Haufen Beton oder voller Nachtclubs und Bordelle. Sie gründeten Madrasen, Moscheen, Dergahs, Türben, Stiftungen, Paläste, Residenzen.. Wie schön war Istanbul. Es war Islambol. Jetzt sieht es nicht aus wie Europa, noch sieht es aus wie die Länder anderer Ungläubiger.
Unsere Vorfahren waren solche, die nach Hohem strebten, Majestätische. Deshalb ist das Paradies ihr Aufenthalt, sagte Vahdettin. 'Ich werde hinausgehen. Ich werde gehen, weil die Schamlosigkeit dieser Leute nicht vorbei ist. Ich werde sicher hinausgehen, laßt sie erleiden, was immer auf ihre Köpfe kommt. Und ich lebe das, was mein Geschick ist..' Sultan Vahdettin ist dort begraben, in der Salimiya Moschee. Habt ihr sie gesehen? Er ist dort begraben. Diese Ehre wurde ihm gewährt. Sie erniedrigten ihn in der Dunya, aber seine Stufe in der Akhirah ist sehr

hoch. Shamu sh-Sharif erkennt ihn an. Er ist in Shamu sh-Sharif begraben. O Herr, mögest Du uns Deinen heiligen Dienern, die hohes Streben haben, folgen lassen. Mögen wir mit ihnen sein. Mögen wir hervorkommen mit Takbir. Allahu Akbar, Allahu Akbar. Mögen wir herauskommen mit diesen Worten. Nationales Takbir: Allahu Akbar. Wenn der Mahtar traf, brachte die Ehre und Majestät des Mahtar die Welt zum Erzittern, und es hieß: 'Allahu Akbar, Allahu Akbar, o herrlicher Soldat!' Allahu Akbar! Subhana Allah. Subhana Allah.

Es standen keine Instrumente und Geräte von heute zur Verfügung zu der Zeit und Sultan Selim baute die Selimiye Kasernen. Wenn eine Division Soldaten darin einzogen, konnten zwei Brüder sich nicht finden in der Selimiye. Können diese ein Gebäude machen wie die Selimiye? Es gab keine Maschinen, keine Kräne, nichts. Selimiye Kasernen, können sie so etwas bauen? Sie können es nicht. Sie wollen nur Beton eingießen und dann gehen. Sie bauen Nimrod Türme. Unsere Vorfahren... Wir haben sie nicht gewürdigt. Und wir wurden entehrt in den Händen derer, die ihre Ehre gleich Null setzen wollen. Möge Allah diesen unehrenhaften Zustand von uns nehmen und uns auf den Weg unserer ehrenwerten Vorfahren bringen. Wa min Allaha t-Tawfiq. Fatiha. Möge Allah ihre Seelen segnen. Möge das Paradies ihr Aufenthalt sein. Allah.

Für die Zeremonie des Schwertumgürtens kam der Sultan zu Abu Ayyub Sultans Grab und ihm wurde dort das Schwert umgürtet. Ich glaube, es war mit zwei Schwertern, eins von Hz Omar und das andere von Rasulullah (saws). Der Kalif wurde mit dem Schwert gegürtet, der Kalif, der Sultan. Selbst das Wort 'Sultan' hat Majestät. Ein Präsident geht herum unter den Leuten und niemand bemerkt es. 'Ist das der Präsident?' 'Ja, dieser da. Wir haben ihn gewählt.' Sie haben unsere Bräuche verdorben. Weil sie unseren Staat fürchteten, wollten sie die Ehre unseres Staates von den Leuten mit Füßen treten lassen. Aber es wird nicht so kommen. Es geschah nicht mit den Osmanen, möge Allah ihren Aufenthalt das Paradies machen. Ich bin auf ihrem Weg, insha'Allah. Mögen wir auf ihrem Weg sein. Jene nötigten sie, abzulegen, was sie trugen und zwangen sie, Hüte zu tragen. Sie hängten soviele Tausende Leute, die sich weigerten, ihn zu tragen. 'Jener' hängte so viele Tausende von Leuten, weil sie so ein Fatwa gaben: 'Ein Hut ist ein Zeichen von Unglauben.' 'Jener' wird jeden Tag gehängt dort unten (in seinem Grab). Möge Allah uns vergeben und uns nicht unserem schmutzigen Ego überlassen. O Herr, mögen die Osmanen kommen. Mögen unsere Sultane kommen. Mögen sie kommen und die Reliquien zurückgeben. Sultan Selim wird nach Istanbul kommen. Es heißt: Der Sultan, der gegangen ist,

wird nach Istanbul zurückkommen. Er ging übers Meer. Er wird nach Istanbul zurückkommen. Und Mahdi (as) wird die heiligen Reliquien von Sultan Selim erhalten.
Die heiligen Reliquien sind verschlossen. 'Jener', ihr Meister, sagte: Wo sind die heiligen Reliquien? Ich will hineingehen und sie sehen. Sie sagten ihm: Du kannst nicht hineingehen. 'Jener' sagte: Warum kann ich nicht eintreten? Du kannst nur mit Adab eintreten. 'Jener' sagte: Ich werde eintreten. In das Maqam, wo die heiligen Reliquien im Untergeschoß geschützt sind. 'Jener' ging eine Stufe hinunter, scharr! Eine Ohrfeige kam auf ihn, dergestalt, daß sein Mund bis zur Nase, bis zu den Ohren reichte! Was sollen wir mit 'jenem' jetzt anfangen? Sie trugen ihn und guckten: Kein Arzt kann 'jenen' heilen! Sie fragten: Was ist mit 'jenem' geschehen? Die Wachen da drin schlugen ihn. Es gibt Wächter über sie von den Djinn. Es gibt auch welche von den Menschen. Sie erzählten mir diese Dinge in Istanbul, ich weiß. Was sie auch taten, sie konnten seinen Mund nicht richten. Endlich riefen sie einen Heiligen, der von diesen Dingen weiß. Und dieser Heilige zog seinen Schuh aus und schlug 'jenen' damit. Sein Mund wurde wieder gerade. So war es. Ich mache Sohbat über solche Sachen. Ich will zu Leuten sprechen, weil niemand mehr weiß, was wir wissen. Sie sind Nullen geworden. Die Menschen sind jetzt wie leere Schilfrohre. Wir sind wie Ahornbäume, mit der Erlaubnis Allahs, mit der Erlaubnis Allahs.. Seid der Ahornbaum, seid kein Schilfrohr. Der Heilige schlug ihn so, daß 'jener' mit einem Schlag gerade wurde und aufstand.
Möge Allah uns Reue gewähren. Aman ya Rabbi. Wenn die Menschen den Adab verlassen, haben sie keine Ehre und keinen Wert mehr. Die Ehre des Menschen ist mit seinem Adab. Es gibt niemanden mehr, der Adab hat jetzt. Es gibt niemanden mehr, der weiß, was Adab ist. In der

Zeit der Osmanen wurde das Zeugnis dessen, der den Kopf nicht bedeckte, nicht angenommen. Jetzt ist bei ihnen allen der Kopf unverhüllt. Sie können unterschieden werden, 'sie sind die Männer dieses Ortes, unsere Männer'. Sie sind alle unbedeckt. Sie können nichts auf dem Kopf tragen. Sie können nichts auf dem Kopf tragen, es ist untersagt! Es ist verboten. Sie erlaubten den Leuten auch nicht Mützen zu tragen. Eines Tages traf einer der Polizisten einen Mann mit einer Mütze. Er fing ihn und brachte ihn auf die Polizeiwache. Dieser trägt eine Mütze, mein Oberkommissar, sagte er. Wie heißen Sie? sagte er. Antironiq, erwiderte der Mann. Er sagte: Warum bringst du mir diesen Armenier? Sie dürfen sie tragen, du Dummkopf! Sie können sie

tragen. Laß ihn frei, bring ihn zurück. Ich dachte er wäre Muslim. Dieses sind Armenier. Sie dürfen Mützen tragen. Sie erlaubten den Leuten nicht, Mützen zu tragen, o ihr Armen... Ich erinnere mich, da war Abdurrahman Effendi in Istanbul, das Oberhaupt von al Qurra. Er war der Imam der Bayazid Moschee. Ich betete in dieser Moschee in Bayazid und sah ihn in Jacket und Hosen, einem Anzug, und auf seinem Kopf war ein Hut wie dieser. Er ging aus in dieser Kluft. Drinnen trug er seine Jubba. Aber wenn er ausging, Jacket und Hose und etwas wie das auf dem Kopf.
La ilaha illa Allah, Sayyidina Muhammad Rasulullah (saws). O Rasulullah, ich preise dich. Mögest du mir die Chance geben Istanbul sich wieder in Islambol verwandeln zu sehen. Vielleicht sehe ich es. 'Jener' zerstörte die Gebäude am Bosporos und baute eine Weinfabrik. Sie zerstörten die Tempel und bauten Bordelle und Nachtclubs. Allah vergibt ihnen nicht. Allah.. Deshalb, wenn die Türken nicht die Hagia Sophia öffnen, können ihre Ehre nicht wiedergewinnen. Keine ihrer Taten wird Erfolg haben, noch werden sie Würde haben. Sie sagen 'Republik Türkei', die 'Bürger der Republik Türkei'. Laßt das mit der 'Republik Türkei'! Wir waren Bürger der Osmanen. Allahu Akbar, wa l-'Azamatu Li-Llahi, wa l-'Izzatu Li-Llah. O Herr, mögest Du uns von diesen Deinen geehrten, glorreichen Dienern senden. Fatiha.

**Warnung an alle Nationen: himmlischen Hurrikane kommen nach Ramadan für eine große Reinigung auf Erden**

(HeavenlyDeclarationOfPunishment, engl.)

(Maulana Scheich steht auf) Allah Allah, Allah Allah, Allah Allah, `Azeez Allah. Allah Allah, Allah Allah, Allah Allah, Kareem Allah. Allah Allah, Allah Allah, Allah Allah, Subhaan Allah. Allah Allah, Allah Allah, Allah Allah, Sultaan Allah (Maulana Scheich setzt sich).

Thumma salaat wa salam, alfu salaat, alfu salaam, ‘ala Sayyidi-l Awalina wa-l akhirin, Sayyidina Muhammad sws wa alihi wa sahbihi ajmain (Maulana steht auf und setzt sich). Dastur, yaa RijaalAllah, Madad.

As-salaamu `alaykum, unsere Zuhörer, Anwesenden. Versucht RijaalAllah zu sein. (Jemand sagt: Männer Allahs, aber Maulana sagt:) Nein, RijalAllah bedeutet Helden, Helden für Allah. Bemüht euch, dass ihr von den Himmeln mit Heldentum bekleidet werdet, so dass die Herzen derer, die euch sehen, erzittern. Eine neue Generation, die mit einer solchen Kraft aus den Himmeln bekleidet ist, ist im Kommen und das ist die Armee von S.Mahdis a.s.!

As-salaamu `alaikum. O unser Herr, ya Rabbana, ij’al min junudik, junud Allah. Allah Allah. Allahu akbar!

Mehr und mehr gute Nachrichten erreichen uns aus den Himmeln; täglich und mehr als zuvor. Sie nähern

sich  schnell, um diese schmutzige Welt von Schaytan und seinen Anhängern zu säubern. Seid nicht  von diesem zibil, ‚Abfall‘.

Es gibt zweierlei Arten von Leuten:  das eine sind die wertvollen Menschen, das andere ist der ‚Abfall‘, der ‚Müll‘. Habt ihr je eine Dame beobachtet, wenn sie täglich ausfegt? Wenn die Hausfrau mit dem Besen ausfegt, dann sortiert sie den Kehricht und behält das im Haus, was gut ist, und den Müll tut sie in den Abfalleimer. O ihr Leute in Ost und West, ihr müsst wissen, dass jetzt ein großer ‚Besen‘ kommt, um sauberzumachen, denn diese Welt ist so schmutzig geworden und der ‚Müll‘ wird beseitigt werden.

Es kann nicht anders sein, denn wir sind an die Grenze der Lebenszeit dieser Welt, Dunya, gekommen. Der Tag der Auferstehung ist nah. Zuvor werden vielleicht Milliarden von Menschen hinweggefegt werden, deren Namen unter ‚Abfall‘ geschrieben stehen. Diese Reinigung kommt; versucht also, unter den Reinen zu sein. Vielleicht ist ja dieser Ramadan der letzte, durch den die Guten zur einen Seite und die Schlechten zur anderen Seite hin sortiert werden. Allah Allah. Allahu akbar!

Wer gehoert zum ‘Abfall‘?  Mit ‚Abfall‘ sind diejenigen gemeint, die Schaytan folgen. Satan’s Armee, Satan‘s Anhänger sind schmutzig, sie sind der ‚Abfall‘ der genommen und im ‚WC‘ hinuntergespült wird. Das ist die himmlische Nachricht, die sie einen so schwachen Diener wie mich in diesem heiligen Monat (Ramadan) sowohl der Muslimischen Welt wie auch den Ungläubigen verkünden lassen.

Tauba, ya Rabbi, Tauba, ya Rabbi, Tauba, Astaghfirullah. Wir behaupten nicht rein zu sein, aber wir wollen es sein und wir wollen Reinheit. O Leute, o unsere Anwesenden. Nehmt euch etwas Zeit dafür, wenigstens einige Minuten, es wird gut für euch sein. Wenn ihr nicht wenigstens einige Minuten dafür übrig habt, werden eure Namen auch auf die Tafel des ‚Abfalls‘ geschrieben.

Der Herr der Himmel mag keine Menschen, die wie ‚Abfall‘ sind. Die mag es unter den Muslimen geben, unter den Christen, unter den Juden, den Chinesen, den Hindus, den Afrikanern, den Indianern, den gruenen Australiern... Die Gruenen...kennt ihr die gruenen Leute in Australien? Jetzt denken sie nach...

O Leute, dies ist eine Ansprache, eine himmlische Deklaration. Sie ist nicht von mir. Ich bin jemand so wie ihr; ich behaupte nicht dies oder das zu sein, nein, nur, dass ich schwacher Diener dazu ernannt worden bin, die Menschen aufzuwecken. Inzar, ein Warner bin ich, sonst nichts.

Wer seinem Ego folgt, seinem ‘Reittier‘, wer sich nur für sein Essen und Trinken und seine Kleider interessiert und sonst nichts, dessen Name steht auf der Tafel des ’Abfalls‘. O Leute, bemüht euch, dass eure Namen auf die Tafel der ‚Perlen‘ geschrieben wird, der Tafel der Diamanten‘, der ‚Rubine‘, und ‚Smaragde‘. Versucht, einer von diesen Menschen zu sein. Warum lasst ihr zu, dass euer Name auf die Tafel des ‚Abfalls‘ geschrieben wird?

Und wie viele Sorten von ‚Abfall‘ kennt ihr?... (Jemand bewegt sich. Maulana sagt: Beweg dich nicht, das unterbricht unsere Verbindung zu den Himmeln)... Es gibt so viele Sorten von Abfall und die Menschen werden beschriftet werden: Der hier gehört zu dieser Sorte Abfall, der da zu jener Sorte, der nächste wieder zu einer anderen Sorte... Und ‚Abfall‘ könnt ihr unter den Christen finden, den Juden, den Muslimen, den Hindus, und den Chinesen...

Abfall ist auch das, was man ins WC tut; dieser Schmutz ist auch eine Sorte von Abfall. Es wird eine Klassifizierung geben: „Der hier gehört zu den erstklassigen WC Leuten... die da gehören zur zweiten Klasse des WC Abfalls... der da sieht aus wie der Abfall aus dem Stall. Das ist auch Abfall, aber er ist nicht so wie der Abfall, den man ins WC tut, es macht nichts...“ So viele Leute schlafen in Tierställen: aber ich habe noch nicht gehört, dass jemand im ‚WC Zentrum schläft‘. Habt ihr das schon gehört?
O Leute, schaut zu welcher Sorte ‚Abfall‘ ihr wohl gehört? „Ohhh! Wir sind doch kein Abfall.“ „Doch...“ Ihr wisst nicht, ob ihr Abfall seid oder nicht, weil ihr nicht geradeausgehen könnt, ohne zu trinken. Ihr trinkt Johnny Walker, und so versteht ihr nicht, wo ihr seid, ob ihr gerade geht oder schlaft, es ist euch gleich. Betrunkene wissen nicht einmal ob sie gehen oder schlafen.

O Leute, wacht auf und versucht, rein zu sein! Dieser heilige Monat kommt, um die Menschen zu reinigen.

„O Scheich, wir baden jeden Tag, da brauchen wir doch keine weitere Reinigung“, sagen sie. Ja; Ratten, die sich immer in den Abwasserkanälen bewegen, verneinen es auch und sagen: „Wir reisen doch immer von einem WC Zentrum zum anderen. Wir denken nicht, dass da noch irgendein Schmutz an uns ist, denn wir laufen ja immer von einem Abwasserkanal zum anderen. Llubb lubb tauchen wir da ein und kommen sauber heraus. Jeden Tag nehmen wir so ein Bad.“ „Wo denn?“ „In den Abwasserkanälen; deshalb sind wir so sauber.“ Die meisten Leute heutzutage sagen so: „Wir baden doch täglich und sind nicht schmutzig.“

Aber der Schmutz ist in euch drinnen! Nicht auf eurem Körper, sondern in eurem Inneren ist der Schmutz, weil ihr nicht an den Herrn der Himmel glaubt und nicht Seinen heiligen Befehlen folgt. Das ist der Schmutz an euch. Wir reden nicht vom Baden; auch wenn ihr 5o x am Tag badet – ihr seid doch immer noch schmutzig.
Möge Allah uns vergeben.

Und so bin ich besorgt; ich fürchte, dass schon sehr bald eine Reinigung über alle Nationen kommen wird. Was sie mich hier sagen lassen, diese Deklaration, ist eine Warnung, eine himmlische Warnung: O Leute, o Leute! Seht euch vor, passt auf, denn ein Sturm kommt, ein Hurrikan, der sich nach einigen Leuten umschauen wird, sie hochheben und dann wegwerfen wird. Andere Menschen werden beschützt sein, sie werden in Sicherheit sein. Die Himmlischen schauen sich jetzt um: in Ost und West, in Nord und Süd, in allen Regierungen, allen Königsreichen...

O Leute, seht euch vor, die himmlische Rache kommt und nimmt mit ihren Hurrikanen diejenigen mit sich, die darauf bestehen, den heiligen Anordnungen und Befehlen nicht zu folgen. Und auch wenn es nur um einen einzelnen Menschen geht - der Hurrikan wird kommen und ihn von der Erde hochheben und fortschleudern und niemand wird auch nur ein einziges Stück seines schmutzigen Körpers finden können.

Dies ist ein heiliger Monat. Ich weiß nicht, was nach diesem Monat passieren wird, aber so wie sie mir einige Zeichen, Inspirationen, ins Herz schicken, werden nach dem Ramadan so viele unerwartete Dinge passieren, wenn die Menschen sich in diesem heiligen Monat nicht reinigen.

Die Muslimischen Gemeinden zuerst: wer sich in diesem heiligen Monat nicht reinigt, über den wird die Reinigung als erstes kommen. Hurrikane werden über die Türkei kommen, den Iran, den Irak, Palästina, Hijaz, Ägypten, Libyen, hierhin, dorthin, dorthin... über so viele Länder! Es fängt bei den Muslimen an und kommt dann zu den anderen religiösen Gemeinschaften, den Christen und Juden, und dann zu den Hindus, den Chinesen, den Japanern...

Der Herr der Himmel weiß es, und auch diejenigen, denen dieses Wissen gewährt wird, wissen, dass diese Hurrikane sich nach diesem heiligen Monat nähern und so viele Millionen von Menschen mitnehmen wird... und nicht nur Millionen - Milliarden werden beseitigt werden...

Möge Allah uns vergeben, Tauba, ya Rabbi, Tauba, ya Rabbi, Tauba, Astaghfirullah! Amantu bi-llah; wir glauben an unseren Herrn und dass das, was Er sagt, die wahrhaftige Wahrheit ist. Wir glauben an Seinen letzten Propheten, der aus den Himmeln geschickt worden ist, um die Menschen zu warnen, damit sie sich reinigen.
Die Ahlu l-Sunnah wa Jamaat und die Schia, sie alle sind gewarnt: Wenn sie die Wahrheit nicht akzeptieren, werden diese Hurrikane über sie kommen und so viele von ihnen beseitigen. Sie werden sich abends schlafen legen und am Morgen wird man ihre Körper nicht mehr vorfinden.

O Leute, was wir sagen ist kein Witz und wir spaßen nicht mit euch, nein, es ist die Wahrheit und ich zittere vor der himmlischen Strafe und Rache. Ich fürchte mich, ich nehme mich nicht aus. Alle Nationen müssen aufpassen und sich schützen. Sie müssen um himmlischen Schutz bitten. Wenn sie keinen himmlischen Schutz suchen, wird es sehr schwer für sie sein, sich zu retten.

Möge Allah uns vergeben, zu Ehren des Propheten Sayyidina Muhammad sws wa alihi wa sahbihi wa sallim. Fatiha. Dies ist etwas, was noch nie gehört wurde; es ist wichtig. Allahumma salli wa sallim ‘ala, Nabiyina Muhammad alayhi salam; salatan tadumu wa tughda ilayh, mamarra layali wa tula dawam. Fatiha.

## His Specialities

He speaks without needing a mouth, a tongue or teeth. He may do everything without needing anything. He can do everything as He likes. He has will power and it is not like ours. Each of His Attributes are endless, unlimited and never-ending. He can speak, listen, see and do. He has an endless will. Everything goes according to His Will, nothing is above it. These attributes are His Specialities. Through these main attributes endless specialities come. Only a little spot of that can be seen within all creatures, because He has endless existence and countless creatures, worlds, heavens and servants. This is why it is impossible to limit His Specialities.

Every perfection which appears within His creatures, is a speciality of the Lord of Heavens. You are appearing within all this and are witnessing a speciality of His Creation. One of His Attributes is to be able to create countless creatures. This speciality appears in His Creation. This is a short description of that which has reached us in the Holy Books. When we improve within Divine Knowledge, more and more grants from Heaven will appear to show you of His Existence and His Specialities.

01.01.1997

## His Will, Technology, King Solomon

Only He has absolute power. His will is over our wills. Our will can never be above His. We cannot say, do or promise anything without His will. We can try, but to really fulfil our promises we depend on Him. If His will is not in accordance with ours, it will not happen. His will is above our. His desire is above our. No one can claim to surpass His will and reach a target.

Even now, when we are on the top point of technology we still want to get higher, but as far as I can see, there is no more room. We are reaching the end of the 20th century, and according to our traditional knowledge, it is the last point which mankind will reach.

People nowadays want to catch up with the willpower of the Lord and do as they like in everything, but they will not succeed. It is like a car which only has a certain speed. When you have reached the highest speed, no matter how much you try to accelerate, you will not succeed because you have reached the limits. Scientists want to do more and more and more... But it is impossible!

Thirty years ago I was in Damascus and I saw big announcements in the newspapers about the first rocket being sent up. The scientists wanted to see if it was possible to cut through the gravity of the earth. Science was victorious: the rocket shot through gravity, but it never came back. Technology developed and some time

later the first human being was sent up and a few years later landed on the moon. But people were disappointed at what they found there, only ashes. No one was interested to go there. Even if governments would pay people to go and live there, I don't think anyone would want to.

The scientists were hoping to find Heavens up there and to be able to take over the control. They wanted to find some unexpected power, catch it, bring it back to earth and then to do as they like. But it did not work like that. Now the only thing they can do is to send up satellites and enable everybody to speak on all these phones. People are driving their cars and speaking, sleeping and speaking... I don't like these telephones.

The dreams of scientists have come to an end. Whatever they think of, it has a limit. We have reached the last point of science and we must be thankful to the Lord of Heavens that we have been granted a development up to here. No other humans at any time have had so much authority. We must be thankful, but most people are not, they want to have more.

It is a fact that mankind has only been granted authority to a certain limit. According to our physical being that authority is in limit, but mankind is asking for more. Christians believe that Jesus Christ* ascended to Heavens, just like we, as Muslims, know that Muhammad* also was able to go to Heavens during his lifetime. It is a sign that people can overcome these limits.

There are ways and authorisations for mankind to go beyond their physical being. These are spiritual authorities. But the scientists of the 20th century are mostly atheists who do not believe in their own spirituality. They only see everything in its outer appearance without regarding the inner value. But there is a reality beyond what we can see. It is well-known that everyone has a soul. If there was no soul, bodies could not work. Without a battery an instrument cannot function. When the battery is finished, the machine breaks down.

Man consists of the material earth, but the spiritual power within makes it work. Like if a young body drowns and all the organs are still there ready to function, why is it dead? What makes a body function?

The Lord gave us spiritual power for us to use to be with Him. But mankind now are like sheep looking out for grass, for business. The target of most people is money, nothing else. That is why darkness is coming over us.

Humbleness is the best characteristics of people. All saints were very humble, not like kings. Sometimes kings have to be proud. King Solomon* and his father King David* were both kings and prophets at the same time. King Solomon* sat on a golden throne to be able to show greatness to people, to make them show him respect. But when he was private he used to sleep on a mat. That is how humble he was. Officially he had to keep the respect of the people so that they would stay on the path which their Lord had ordered for them. He had all the treasures at his disposal, but still he would not eat anything if he had not earned it himself. He would produce things with his own hands, sell it and eat from that.

Only the Lord of Heavens has the right to be proud.

## DIE HOFFNUNG

Alles geht so schnell, unser Leben geht so schnell vorbei durch den Lauf der Zeit, und wir nähern uns unserem Grab. Dieser Tag kommt auf jeden zu, er ist für keinen weit weg. Weit weg ist nur, was niemals kommt. Jeder Tag, der einmal kommen wird, selbst in Millionen von Jahren, ist nahe und nicht weit entfernt. Die Ungläubigen sagten über den Jüngsten Tag, er sei sehr weit weg, sie meinten damit, er würde niemals kommen. Niemand kennt die genaue Bedeutung: "Von Ewigkeit zu Ewigkeit". Dieses Wissen gehört nur Allah dem Allmächtigen. Wenn die Zahl der Atome im gesamten Universum der Zahl der Jahre entsprechen würde, die die Höllenbewohner in der Hölle bleiben müssen, würden sie glücklich sein, denn jede Zahl, selbst die größte, ist begrenzt, selbst eine Zahl mit Trillionen von Nullen. Alles, was Grenzen hat, muß ein Ende erreichen. Die Höllenbewohner wären voller Hoffnung, aus der Hölle herauszukommen. Diese Hoffnung würde ihnen Kraft und Energie und Geduld geben, und sie wären glücklich.
Nichts gibt dem Menschen soviel Kraft wie die Hoffnung. Ungläubige kennen keine Hoffnung, sonst würden selbst die Leute der Hölle nicht vom Feuer gestört, wenn sie um die Freiheit nach ihrer Strafe wissen würde, und die Leute des Paradieses wären unglücklich, wenn ihnen gesagt würde, daß sie nur eine begrenzte Zahl von Jahren dort sein dürften, denn Tag für Tag würden es weniger. Sie würden täglich unglücklicher werden. Die Hoffnung gibt den größten Beistand, und Glaube nährt die Hoffnung. Wir glauben, daß das, worauf wir hoffen, wahr ist, und gemäß dem Glauben wird unsere Hoffnung stärker. Die Höllen werden nach dem

Betreten zugemauert, und die Engel sagen: "Hier heraus ist keine Rückkehr möglich". Dies ist die größte Strafe. Die Tiefe dieser Traurigkeit jener Unglücklichen wiegt so schwer, daß alle Menschen dieser Welt sterben würden, wenn man die Traurigkeit eines einzigen Höllenbewohners auf sie verteilen würde. Und die Freude der Leute des Paradieses kommt durch die Grenzenlosigkeit ihres Aufenthaltes. Wenn die Freude eines Paradiesbewohners in die Hölle käme, würde das Feuer ausgehen, und alle Bewohner der Hölle würden nicht mehr leiden, sondern voller Feude sein.

BookGenerelleAntwortaufalleFragen

## Hoffnung ist Bedingung

Die Versammlung mit dem Sheikh ist unser Weg. Der Sheikh wird geführt von der Hand des Propheten, und Allah der Allmächtige hält die Hand von Rasulullâh œ fest. Um geführt zu werden, müssen wir die Hand eines Sheikhs festhalten, der ein Erbe des Propheten ist. Selbst wenn du keinen wirklichen Erben finden kannst, so versuche doch, einem Nachahmer zu folgen, bis Allâh dir einen Echten schickt. Denn wenn jemand nach etwas wahrhaft verlangt, muß er erreichen, wonach er gesucht hat. Es ist ein himmlisches Gesetz, das Allâh der Allmächtige festgelegt hat, daß, wer auch immer etwas ernsthaft verlangt, er sein Ziel erreichen wird. Es ist unmöglich, daß ein Diener um etwas aufrichtig bittet und es ihm nicht gewährt wird. Jeder, der einen wirklichen Sheikh treffen will, muß einen solchen finden. Wer einen Heiligen treffen will, muß einen treffen. Und wer nach der Begegnung mit Rasulullâh verlangt, wird auch ihn erreichen. Ebenso wer Khidr æ oder den Qtub, den Pol oder das Oberhaupt der Heiligen treffen will, muß diesen finden. Selbst wer seinen Schöpfer finden will, wird ihn finden. Wenn ein Mensch durch die Wüste wandert und durstig wird, wird er nach Wasser suchen und nicht die Hoffnung aufgeben. Wenn er die Hoffnung aufgibt, wird er keinen finden. Hoffnung ist ein kraftvoller Motor, der die Menschen auf ihre Bestimmungen zutreibt. Hoffnungslose Menschen sind tote Menschen. Wenn ein Mensch seine Hoffnung verliert, geht es zu Ende mit ihm. Solange er auf ein Weiterleben hofft, lebt er, und sobald er die Hoffnung verliert, wird er sterben.

Deshalb ist es ein Befehl von Allâh dem Erhabenen, daß man nicht die Hoffnung auf Seine Gnade aufgeben

darf. Alles ist umgeben von göttlicher Gnade. Alles, vom kleinsten existierenden Teilchen von Materie hin bis zu gigantischen Galaxien und Universen, schwimmt in Meeren der Gnade und Barmherzigkeit. „Meine Gnade umhüllt euch von außen und von innen.“ Für das Innen gibt es wiederum ein Innen und so weiter. Eure Vorstellungskraft muß ihr Ende erreichen, und keiner weiß, was Allâh tut. Wenn es keine Gnade gäbe, wäre kein Leben möglich. Alles in Existenz lebt und schwimmt in uferlosen Meeren der Gnade. Der göttliche Befehl lautet: „Gebt nicht die Hoffnung auf auf Meine Gnade.“ Solange die Hoffnung anhält, wird euch die göttliche Gnade begleiten, und ihr werdet jedes Ziel erreichen. Die Antriebskraft des Lebens ist die Hoffnung. Nur die Gläubigen haben mehr Gelegenheit als alle anderen, auf Gottes Gnade zu hoffen. Sie haben mehr Recht auf diese Hoffnung. Die Stärke eurer Hoffnung richtet sich nach der Kraft eures Glaubens.

Je stärker der Glaube ist, desto größer die Hoffnung. Das macht den Gläubigen erfolgreich sein ganzes Leben lang, weil er voller Hoffnung ist bis zum Ende seines Lebens. An jenem Moment angekommen, geht sein diesseitiges Leben zu Ende, doch seine Hoffnung hört nie auf. Seine wahre Hoffnung fängt nach seinem Tod an und wird zu endloser immerwährender Hoffnung. Es ist verboten im Islam, hoffnungslos zu sein. Selbst wenn die Lebensbedingungen unerträglich schwer sind, machen sie einen Gläubigen nur stärker. Seine Hoffnung, die sich nach seiner Glaubenskraft richtet, befähigt ihn, es zu tragen, selbst wenn ihm alle Schwierigkeiten und Bürden dieses Planeten aufgelastet würden. Wenn ihr einer solchen starken Persönlichkeit alle unliebsamen Dinge dieses Planeten aufbürden würdet, seine Glaubenskraft könnte all dieses Elend aufrecht tragen, ohne daß er sich darunter beugen würde. Die Menschen fragen jetzt viel danach, was hier und dort in der Welt geschieht. Die gewöhnlichen Menschen sind jetzt größtenteils dabei, ihre Hoffnung zu verlieren.

Doch es ist nicht richtig für einen Gläubigen, seine Hoffnung aufzugeben. Es ist eine von 54 Glaubensregeln, die verpflichtend sind, daß man nicht die Hoffnung auf Allâh aufgeben darf. Ihr dürft euch von Allâh erhoffen, was ihr wollt. Wenn es dieses Leben betrifft, ist es so einfach, und auch für das nächste Leben ist es so leicht für Allâh, eure Wünsche zu erfüllen. Bleibt voller Hoffnung auf Allâh. Wir müssen glauben, daß wir gewinnen werden. Unser Planet ist jetzt in tiefe Dunkelheit getaucht. Wenn du dich umsiehst, kannst du leicht die Hoffnung verlieren. „Wie kann ich diesen Planeten erleuchten,und ich habe nur ein paar Streichhölzer?“ Solche Fragen zu stellen ist für Ungläubige. Ein Gläubiger muß wissen, daß der Herr den ganzen Planeten in strahlendes Licht bringen kann, ohne irgendein Mittel dazu zu verwenden.

Allâh hat endlose Meere der Allmacht, und er mag nur sagen „Sei!“, und es wird sein, was immer Er will. Was der Herr will, das wird, wenn Er auch Milliarden oder Trillionen Mal Universen gleich unserem schaffen will, braucht er nur zu sagen: „Kommt ins Dasein, ihr, die ihr verborgen seid, zeigt euch!“ Die Wissenschaftler entdekken immer neue Galaxien, die aus den Meeren der Allmacht erscheinen, und keiner kennt die Anzahl der Galaxien und Universen, außer Ihm. Er ist Allâh. Er hat uferlose Meere von Macht. Wir sind so kleine Wesen. Doch wir werden dafür vorbereitet, die unendliche Ehre zu empfangen, daß wir in Seiner Göttlichen Gegenwart als Seine Diener angenommen werden. Und wir sind einzig Seine Diener. Möge Er euch endlose Weisheit schenken. Er liebt es, Seine Diener hoffnungsvoll in Seiner Göttlichen Gegenwart zu sehen. Wer seine Hoffnung verliert, gleicht einem Baum, durch dessen Wurzeln und Zweige und Früchte kein Saft mehr läuft.

## O Muslims! Hold Fast to the Rope of Allah

As salaamu `alaykum. (Mawlana Shaykh stands) Allahu Akbar, Allahu Akbar, laa ilaaha illa-Llah Allahu akbar wa lilaahi ‘l-hamd. Thumma ’s-salaatu wa ’s-salaamu `ala sayyidina al-awaleen wa ’l-‘akhireen habeebina Muhammadin wa aalihi wa sahbihi wa sallim. (Mawlana Shaykh sits) Madad yaa ahbaabi Rasoolillah. Zidhu yaa Rabbee `izzan wa sharafan nooran wa surooran, sultaanan wa ridwaana.

A`oodhu billahi min ash-Shaytaani 'r-rajeem. Bismillahi 'r-Rahmaani 'r-Raheem.

Dastoor madad yaa RijaalAllah, madad yaa awliyaaullah, madad, madad yaa ahbaabi Rasoolullah.

O Our Attenders! As-salaamu `alaykum wa rahmatullahi wa barakaatuh. It is the holy month of Dhul-Qadah. Allah Almighty gives more honor for four months: Dhul-Q`adah, Dhul-Hijjah, Muharram and Rajabun Shahrullah. Who is asking for real honor may give their most high respect for these four holy months.

O Mankind! All of you ask for forgiveness, because we are leaving the safe, honored, glorious way and following the dirtiest way. We are leaving the way of the most high, honored one, Sayyidina Muhammad (s), (Mawlana Shaykh stands and sits) and following the dirtiest, cursed one's way. That is a big shame for Mankind! This includes the Muslim world also, which I am sorry to say is leaving the way of the most

honored one in the Divine Presence, running to follow western people! Western people are not on the right way; they are following the worst way to which Shaytan is calling them. Now the Muslim world is trying to follow the steps of the unbelievers and cursed people, and that is the biggest shame for the Muslim world!

Therefore, now cursing comes daily on people, particularly on the Islamic world, and the first ones responsible are the Arabs, because they are ashamed to say they are Muslims, ummata Muhammad (s). Each one is saying, "We are Saudi, Syrian, Iraqi, Irani, Lebanese, Egyptian, Libyan, we are donkeys!" (laughter)

O Muslims, Allah Almighty is saying:

••••••••••••••• •••••••• •••••• •••••••• ••••• •••••••••••••

w `ataasimoo bi hablillaahi jamee`aan wa laa taffaraqoo. And hold fast, all together, by the rope which Allah (stretches out for you), and be not divided among yourselves; (Aali-`Imraan, 3:103)

I wonder, do Arabs not understand Arabic? They are saying in every Jumu`ah khutbah, “O Muslims! hablullah mursal min as-samaa.” They are claiming they are Muslims. I am asking all of you, what does it mean hablullah mursal min as-samaa? They are not understanding hablillahI ’l-mateen, it is Arabic sent from Heaven. I am so angry with Arabs, and also all the awliya are angry because they are reciting the holy Words of Allah Almighty:

••••••••••••••• •••••••• •••••• •••••••• ••••• •••••••••••••

w `ataasimoo bi hablillaahi jamee`aan wa laa taffaraqoo. And hold fast, all together, by the rope which Allah (stretches out for you), and be not divided among yourselves. (Aali-`Imraan, 3:103)

It means, "O People! Keep that powerful rope sent from the Heavens to save you here and Hereafter!" You are not keeping that powerful rope to save you. That is why I and the heavenly ones are so angry! SO ANGRY! There will soon come on the Arab world seven whips, so don't say, “We are Arabs,” rather say, “We are Muslims,” or that heavenly whip will come and not leave anyone from your nation; it will take you away and bring another nation! Allah Almighty will tarbiyah, teach them a lesson, with one person teaching and training.

O Arabs! Beware, all who are not saying, "We are Muslim," but saying, "We are Arabs." There will come to

you someone who is 70 times more powerful than Hajjaj azh-Zhaalim!

O People! Rabbu ‘l-`Izza, Allah Almighty, He is saying, "I forbid oppression! I am making injustice and oppression haraam, forbidden. falaa tazhaalamoo, don’t be an oppressor or unjust!” Arabs do that, and I am speaking to them in their language. Allah Almighty has forbidden oppression as well as being an oppressor, and now Arabs are not obeying that holy, heavenly order, falaa tazhaalamoo, “Don't be oppressors!” Keep each other with justice. Now no one is keeping that order and they are falling into a black hole because they are saying, "We are Arabs." The entire Arab world is falling into that black hole.

O People, if you are falling into such a difficult position, letting Shaytan carry you, he is throwing you into a black hole, so leave that and follow the Lord of Heavens! Wa a`taasimoo bi-hablillaahi jamee`an, hold fast to the rope of Allah! He is calling for the end of every badness and oppression to their nations that is leading them to kill, as He never likes one to kill another. Therefore, it will become such a difficult position that will astonish people.

Allah Almighty is reaching to His real believers. This is also an address to the whole Christian world. The Seal of Prophets (s) is saying,

••• •••• ••• ••• ••• •••• •••• ••••••• ••••

kayfa antum idhaa nazala ibnu Maryam feekum wa imaamukum minkum. “How will you be when the son of Mary descends upon you and your iman is one of yourselves?”

Allah Almighty is sending Sayyidina `Isa (a), Jesus Christ, to people to arrange everything with holy heavenly laws so that it is clear and well known how we must act and live. What will happen to you if the Son of Mary descends down from Heavens as an imaam? Jesus Christ (a) is coming. Rasoolullah (s) said that Jesus Christ’s (a) coming at Fajr time will be so powerful and when Sayyidina Mahdi (a) sees that Jesus Christ reached the ummah, he will tell him, “You may be the imaam.” Sayyidina Muhammad (s) said, (Mawlana Shaykh stands and sits), “The day I will come from the Heavens to Earth, Sayyidina Mahdi will be the imaam.” Sayyidina Mahdi (a) will lead the prayer and Jesus Christ (a) will pray behind him, and it will be an honor for the Muslims!

So many things are coming and so many ignorant people and fanatics are not accepting, which doesn't matter

as they will also be taken away! And now in the Muslim world no one is speaking such subjects; they are running to save themselves by following Europeans, and they are on the wrong way. We must leave that 100% and keep Islamic manners, Islamic laws and Islamic justice! May Allah forgive us.

O People! As long as you are not accepting, you will be thrown away, taken away, and just ones will be coming to keep Islamic laws and the Muslims' honor, Islamic honor! May Allah forgive us.

O People! The whole world is in a black hole, asking, "How will we be saved?" but they are not saying, "We will follow holy commands." I am sorry to say this, but they are following democracy, which is against Islamic laws. As long as they follow European laws, which is baatil, falsehood, they will never be saved. Yes, we are speaking on this and I say this crisis will never end until people leave western ways and rules, and uphold Islamic rules. There is no way for Muslims to save themselves, because who they are following are not Muslims.

O Muslims! Leave the dirty ways of western life and keep the clean ways of Islamic life! Islam is promising you a clean life without any crises or difficulties. Keep it, and you will find yourself without difficulty.

May Allah forgive us for the honor of our most beloved Prophet, Rasoolullah, Sayyidina Muhammad (s)! (Mawlana Shaykh stands and sits)

Fatihah.

Tawbah yaa Rabbee, tawbah yaa Rabbee, tawbah yaa Rabbee, tawbah astaghfirullah. Tawbah yaa Rabbee, tawbah yaa Rabbee, tawbah yaa Rabbee, tawbah astaghfirullah. We repent to You and seek Your forgiveness!

## Holt euch Rat

Al-hamdulillah. Wir müssen Allah dankbar sein. Alles, was Er tut, ist absolut vollkommen. Jeder Wille von Allah dem Allmächtigen ist absolut vollkommen. Sein Wille ist der vollkomme Wille. Jedem wurde ein Wille gewährt. Aber Sein Wille sollte unser Wille werden. Die Klugen sind die, welche Seinem Willen folgen und nicht auf ihrem Willen bestehen. Wer darauf besteht, wird es einst bereuen, heute, morgen, in einer Woche, in einem Monat, in einem Jahr oder am Ende seines Lebens. Und er wird sagen: „Oh, hätte ich nicht auf meiner Wahl bestanden, hätte ich doch die Wahl Meinem Herrn überlassen!“
Wie kannst du wissen, was Sein Wille, Allahs des Allmächtigen Wille ist?

Bei denen, die Seine Herrschaft auf Erden repräsentieren, dort kannst du Seinen Willen und Seine Wahl finden. Daher sagte der Heilige Prophet immer, der Friede sei auf ihm: „Ihr müßt euch beraten.“ Wenn ihr um Rat fragt, mögt ihr die Wahl Allahs des Allmächtigen für euch finden. Ob es in Ordnung ist für euch, jetzt und in Zukunft, hier und hiernach. Wenn jener euch etwas zeigt oder andeutet, dann besteht nicht auf eurer Wahl. Denn du muß fallen, wenn du darauf bestehst. Deshalb ist Sein Wille der beste Wille. Und du wirst Seinen Willen und Seine Wahl über alles, was dich betrifft, schnell verstehen.

Ein Murid, der den Wegen der Tariqats folgt, muß seinen Scheich um Rat fragen. Das muß er tun. Er mag sogar für jeden Augenblick fragen. Aber zumindest muß er in drei Dingen fragen und den Rat seines Scheichs

einholen. Wenn du hiernach nicht nach seinem Rat für dich fragst oder den Rat zurückweist, wirst du es bereuen.

Deshalb muß einer, der heiraten will, zuallerst um Rat fragen. Das muß der Murid tun. Denn wenn er ohne Rücksprache heiratet, wird er fallen; und wenn er sich scheiden lassen will, muß er sich ebenso beratschlagen. Wenn der Scheich sagt: „Verlasse sie, verlasse ihn“, ist es in Ordnung. Der Scheich trägt auch die Verantwortung für die Muriden. Und diese beiden Dinge sind sehr wichtig im Leben eines Menschen, deshalb muß er danach fragen, ob es passend ist oder nicht.

Und der dritte Punkt ist, wenn du eine lange Reise tun willst, so mußt du dich beraten. Und gemäß unserem Großscheich gebe ich zunächst keine Erlaubnis mehr, nach dem 25. zu reisen; das ist die Grenze. Besser ist es vielleicht, bis zum 20. das Reisen einzustellen, aber nach dem 25. tragen wir keine Verantwortung mehr für irgend jemanden. In diesem Jahr sollen unerwartete Ereignisse geschehen. Es ist gefährlich. Gefährlich, und es geht auch um euer Leben. Achtet auf euch. Stellt das Reisen ein. Wenn ihr mit Autos reist, dann macht es nichts. Oder mit Schiffen oder Zügen, aber mit Flugzeugen ist es so schwierig. Vielleicht wird es mit Zügen auch Schwierigkeiten geben, weil man nie weiß, wenn zwei Züge aufeinander zufahren und es einen Unfall gibt, denn alles läuft mit Computern und kann nicht gestoppt werden, und man weiß es nicht, und bei dieser hohen Geschwindigkeit kann so vieles passieren. Autos sind vielleicht sicherer, aber mit dem Bezin kann es schwierig werden, wenn es keine Tankstellen in Betrieb mehr geben wird, weil es keine Computer mehr gibt. Und wenn euer Auto kein Benzin mehr hat und ihr vielleicht gerade unterwegs seid und es ist Winterzeit, dann wird es so schwierig sein. So schwierig.

Deshalb müßt ihr in diesen drei Dingen um Rat fragen und euch daran halten, was sie euch für eure Sicherheit raten, hier und hiernach ist es in Ordnung. Möge Allah uns vergeben. Und dazu, was ich euch anfangs sagte: Alles, was euch Tag für Tag geschieht, es ist nicht gegen euch selbst, es ist nicht gegen Gläubige; nein, all das wird nur gegen Teufel geschehen und das satanische Königtum, das fallen muß. Seid nicht hoffnungsvoll, daß in diesen Tagen die Technologie, die gegen den Herrn der Himmel kämpft, weiterbesteht, nein, sie ist dabei, stehenzubleiben, hinabzufallen. Achtet auf eure Sicherheit hier und hiernach und auf eure Zukunft, im Paradies zu sein mit Propheten und Heiligen, mit guten Leuten, mit guten Dienern. Allah gibt euch viel mehr Kraft, viel mehr Licht, um hier und hiernach glücklich zu sein. Und Allah der Allmächtige läßt die Ehre des Siegels der Propheten mehr und mehr, höher und höher werden. bi

hurmatil habib, fatiha

## All Holy Books Call People to Peace and Love

A`oodhu billahi min ash-Shaytaani ‘r-rajim. Bismillahi 'r-Rahmaani 'r-Raheem. In the Name of Allah Almighty, the Most Merciful, Most Magnificent and Most Munificent! We must always remember our Creator. As long as we try to be with Him, we will be good ones, but when we do not think about the Creator we will be with Satan. That is not good. As long as our intentions are good, we will be happy. When our intentions are bad, we will be unhappy. Therefore, first we must try to make good intentions. Mashaa-Allah you want goodness and happiness for people.

(Christian guests explain: one volunteers at a school; another is a student at Bible school).

What does the Bible teach people? (The love of Jesus Christ.) Are the Christians keeping that and following Jesus Christ (a)? No one is! Jesus Christ was the prophet of peace; Christians now are people of war. If Jesus Christ was going this way, they are now going the other way. I am sorry to say this. Endless wars are happening, although Jesus Christ taught that if someone slaps you on one cheek, give him the other cheek to slap! I am sorry about this.

I met with His Holiness, Pope Benedict XVI, and he complained that Christians are not keeping the orders of Jesus Christ, who called people to peace, and now Christians are calling people to fight.

You are like my grand-daughters. I know just a little bit from the holy books, but I can see that all holy books call people to peace. Only Shaytan calls people to kill each other, to fight and make trouble because he is the chief of trouble makers! He made trouble on the first day, when Allah Almighty ordered the angels, “Bow to Adam (a).” Shaytan became so envious of Mankind that now he makes people kill each other, and thus he becomes happy.

People do not take guidance from their prophets, that the Lord of Heavens wants peace for them. People listen to Shaytan and not their Lord. May Allah forgive us.

Welcome to you! We and everyone are asking for peace, but some people don’t like peace as they are with Shaytan. May Allah forgive us.

Keep the ways of holy ones. In this world there will always be good ones, but people do not run to find a good one. The Lord of Heavens is saying, “O People! Believe in Me and follow My good servants.” What else do holy books say except this? Now, no one listens because they are all running after Shaytan and endless troubles are everywhere. We are just a handful of people here (praying for peace). No one is keeping the advice of Jesus Christ in their hearts; he called people to love, peace and loyalty, but people don’t like all this as they are following Shaytan.

(We are here in Cyprus to pray for peace.)

Thank you. I am like your grandfather; make du`a for me, also. May Allah bless you and grant you to be His loyal servants and to be with Sayyida Maryam (a), here and Hereafter! You have lights from Heavens on your faces!

(The Bible says that Jesus’ light shines out of our eyes and his face shines through us when we love him.)

Yes, it is true! But people read newspapers and won’t read the holy books!

(Sings a hymn about the love of Jesus Christ.)

Thank you. May Allah bless you. Pray for me. I am happy with you. (Mawlana give sweets.) This is to make

our meeting sweet! Thank you for visiting. You may come here anytime, I am like your grandfather.

Fatihah.

I am praying for you. Inshaa-Allah may all of you kiss the holy hands of Jesus Christ (a). Pray for me and send my salaams to your people.

## People of the Holy Books all knew that the Last Prophet would come from Arabia

The area of the Arabian Peninsula is the main source of Divine Revelation. No prophet has ever been mentioned having come from Europe: Germany, France or Spain! All prophets came from Palestine, from Mesopotamia, from the Arabian Peninsula. All Holy Books: the Old Testament, the New Testament and the Quran, mention Prophets coming from that area, not from here, from Europe, from Africa or from America. In the old days the big spiritual centres of Christianity; monasteries and churches, were concentrated in the area of Palestine. They were expecting Heavenly Revelations and were finding that the sources of spiritual power were in that area.

Once an Emir of Medina passed through Damascus. They came to a monastery but the doors of the main entrance were closed. They knocked, knowing that someone must be there. They waited for a long time, because Allah orders that if anyone comes to a place, they must ask permission from the owner to enter. It is prohibited to enter some one's property by force. Even the sultan cannot do that. This man had come on the orders of the sultan. He was waiting for them to ask him to enter. That is real Islam. You cannot find it anymore. Just like you cannot find real Christianity or real Judaism.

After a while the abbot opened the door and they entered. The chief of the sultan's caravan asked why they had to wait, and they were told, "We apologise for the delay, but we have read in our Holy Books that if you

are afraid of someone, you should make ablution and then welcome them. We saw that you are the caravan of the sultan, this is why we asked everyone to wash themselves. After the ablution we did our prayer and now we are under the protection of the Lord. You will not be able to harm us."

People now know nothing about real Christianity. The people in the monasteries in those days were reading their Holy Books and practising. This is why they were so different to the people living now. Wudu, ablution, protects people from devils and his representatives. All Holy Books of Christians and Jews demand their followers to do ablution every day before every prayer, for every occasion. Wudu is a strong weapon against satan. Satan cannot touch a clean person.

All these monasteries which have spread in the Arabian Peninsula were not there without a reason. Their Holy Books had mentioned that the Last Messenger would come from Arabia. The Christians were expecting the last messenger to come in the Yemen, to the Kingdom of Aden. People in Damascus were expecting the Last Messenger in Arabia, and the Jews were expecting and waiting for the Last Messenger to come in Medina, where the Prophet's tomb is now. They all knew that the Last Prophet would be coming from Arabia.

The Last Prophet was not a surprise, he was expected. When he came some people recognised him, others didn't. Most Christian priests and monks came and accepted him. So many of the Jewish rabbis also came and recognised him as the one who had been foretold. But many denied him without having any evidence. The greatest proof that he was not just an ordinary person, is the fact that 1 1/2 billion people are now following him and are saying, "La illa'ha il la'Llah, Muhammadur rasul Allah".

This is knowledge from Holy Books, I am not saying this from myself, I am saying it from my heart.

## Sohbet for the Holy Night of Barraat: A new Tajalli!

As-salamu alaikum! Audhu bi-llahi mina shaitani rajim.

The biggest Bela, cursing, on mankind, (is coming) from Shaitan, therefore we have been ordered to run away from Shaitan. But people now (are) running on him. Because I was looking sometimes through airports a small car, written on it: “Follow me!” For what this ‘Follow me’? And I am looking a gigantic plane coming and beginning to follow. Now mankind (is) not running from Shaitan, but they are running after Shaitan, to follow that cursed one! If you are following (a) cursed one, what it should be? Coming on you blessings or cursing? Therefore we must say: Audhu bi-llahi mina shaitani rajim, Bismillahir Rahmanir Rahim.

This ‘Bismillahir Rahmanir Rahim’ (is) our sword, our sword for defending ourselves, because Shaitan- it is so easy, but looks like so difficult and it (is) never getting to be hopeless, when it is running after a person. “Some days” it is asking that: “once I shall, I may catch him, and when I am catching that one...” (When he is) drinking, (Shaitan is) coming to that one, (saying): “O my best friend, please taste and smoke... (it is a) very very useful lekel (?) for, because if you are not smoking, no one (is) saying that you are a complete young one, from

our time youth, strong...” “My head (is) turning!” “Don’t worry, today (it) may turn, but tomorrow it is okay... But look mirror!” Like before (in old times) ships they have smoky place (chimneys), you should be that time... “Make your beard so... and put there... look (into the) mirror- which type of your showing should be good? You may put here... this (is like) old people... you must put there... take...!”

Shaitan (is) teaching people, coming to teach people ‘sharr’, yani, cursed doings that (are) cursed by Heavens. (For) anything that you are doing against the Rule of Heavens, cursing (is) coming on you! Quickly, as a lightening, (it is) coming on you, destroying something from you!

O people! Welcome to you! Welcome to you, that your ego never likes to come here and (it is) getting so angry also: “Why (you are) taking me to that place? No one (is) there for dancing, no one... even: No smoking, it is written and they are putting some rules... why (you are) taking me to that place?” Therefore we must say: Audhu bi-llahi mina shaitani rajim, (and) then we must say: Bismillahir Rahmanir Rahim, Bismillahir Rahmanir Rahim- ghaghman li Shaitan, li-llahi Rahman! Bismillahir Rahmanir Rahim, Bismillahir Rahmanir Rahim! Why you are throwing stones on Mina? Why, what does it mean? That Allah Almighty (is) asking to teach ourselves that we must always throw stones on Shaitan! When it is coming and asking to take you away from the blessed way, throw with ‘Audhu bi-llahi mina shaitani rajim’ and say: ‘Bismillahir Rahmanir Rahim’! That one must know that we are servants of our Lord, Who created us!

Who can say that (there is) no God? So many foolish ones! I may ask: If (there is) no God- who (is) bringing you in existence? How you came in existence? By yourself? You have been invited to come here? How you are saying: ‘No God’? To speak, to say: ‘No God’, it is so easy, but it is so bad, (the) worst saying that a mankind may say! That (is) making heavenly Anger to fall on them and heavenly Anger, when it is moving, (there is) no any power (against it)! Your missiles, your destroyers, your such-and-such weapons, atomic weapons, and every technology that you have, it is nothing, if heavenly Anger (is) just moving to come on earth!

O people, we are here a handful people and we are reaching, insha Allah, tonight a holiest

night, Laylatu-l Baraat, that (the) Prophet sws was saying (about it): “No any other night may be much more valuable after the Night of Power (than) the Night of Barrat”- tonight!... Where is (the) Imam! Read the Suratu-l Ha Mim!...

(Imam: “Audhu bi-llahi mina shaitani rajim, Bismillahir Rahmanir Rahim. Ha Mim, wa-l kitabi-l mubin. Inna anzalnahu fi laylati-l mubarakatun inna kunna munzilin fiha yufraqu fi kulli amrin hakim...”)

Alhamdulillah, blessings just reached us, Alhamdulillah, and we are asking forgiveness and guidance from our Lord Allah Almighty through this year, to be sent us, so that we may follow His most beloved and glorified, best servant through creation from pre-eternal up to eternal, S.Muhammad sws! That is the way that mankind can be saved themselves! If not, they should be taken away! And this is... this night, tonight, is going to be a new changing for (the) whole year, what is going to happen, and we hope that our names to be under the table of Paradise people, not to be on the table of Hells people!

O people, Dunya is a dark Dunya; no one (is) happy now with Dunya, whom they love, they are giving love for this dirty Dunya. And Dunya is (a) dark place, but Shaitan and our ego (are) urging ourselves: “Ohhh, you must try to be forever on this Dunya!” What is the result? Melting, melting, melting... Who (is) asking to be with Allah Almighty, Allah (is) giving to that ones real existence, Haqqani, forever, up to eternity, eternal life! Eternity- so sweet word in western languages I am not seeing... Eternity, eternity, ebedi, sarmadi, daimumi... No any (other) word (is) giving to my soul such an enjoyment and pleasure that (is) giving that word ‘eternity’, ‘eternal’! Eternity!

Try to reach to eternity! If not, you are going back (to) the worlds of darkness, you can’t see anything- some creatures, they are living through darkness, dark places, under this earth- and it is not easy! It is so big trouble for a person, to be imprisoned through darkness! So happiness and enjoyment to those people, whom they are asking enlightened worlds, invisible worlds, to reach more and more pleasure and lights! Divinely Lights (are) coming on them forever, forever, forever, up to never-ending... Dirty Dunya! Dirtiness in it, yet people (are) asking to reach here, there, to be that, to be this... So weak faith, so weak beliefs! It is not

true! Come, little by little to accept and to try to be in eternity, for (an) eternal life through blessed countless oceans of creation! Come and ask that! Don't be for Dunya, but try to be for the Creator of Heavens. May Allah forgive us! Fatiha!

Allah Allah, Allah Allah, Allah Allah, Aziz Allah...
Allah Allah, Allah Allah, Allah Allah, Karim Allah,
Allah Allah, Allah Allah, Allah Allah, Subhan Allah,
Allah Allah, Allah Allah, Allah Allah, Sultan Allah!
Allahumma salli 'ala Sayyidina Muhammadin Nabi ummiyi wa 'ala alihi wa sahbihi wa sallim...

## Holy People

People do not become holy because they are appointed by us. Real Holy People must be appointed by Heavens. Holiness is a grant from Heavens to people. You cannot give that title to anyone, only He can.

01.01.1997

BookPureHearts, CategoryHoliness

## Holy people may be everywhere

Destur, ya Sultanu-l Anbiya, Meded, ya Rijalallah, Meded, ya Sultanu-l Awliya... Audhu bi-llahi mina shaitani rajim, Bismillahir Rahmanir Rahim, la haula wa la quwatta illa bi-llahi-l ‘Aliyu-l ‘Azim...

Holy people may be everywhere and we have a saying: ‘Sharafu makan bi makil’- this earth is not by itself going to be holy, but who (is) stepping on it or sitting on it or living on it, that one’s holiness (is) making that place to be holy. Jerusalem, Mecca, Medina, Petra- (it is) holy land, this area that people (are) fighting on it now to take it, to reach it. It is not by fighting, no, it is a grant from our Lord. If He is giving (it) to a person that he must be a holy one in His divine Presence, then he may be there...May Allah forgive us...Oh people, listen and keep it! All Prophets were calling people and saying: “Come and listen and keep what you are listening!”

We don’t know, ya Rabbi, we don’t know, ya Rasulullah, anything, we don’t know anything, oh holy ones, oh Friends of Allah, oh good people, oh good servants! Who is fighting for Dunya, he is not a good one, no! Who is asking his Lord’s pleasure, he is good one. May be Israeli, may be Arab, may be Turk, may be English, may be American, may be black one, red one, yellow one...I didn’t hear that there is green ones?

There is one person we are saying ‘Green Man’, S. Khidr. One person is green only. Whole nations you may

look around, you can't find, only green: Al Khidr. That means, he (is the) only green one. How you are knowing that he is (that) green one?

He was at time of Moses also living that Allah Almighty granted to him to be alive among mankind living on earth. Khidr. How you are knowing that he is (the) green one and (the) green man and that one of (the) beloved Friends of Allah Almighty? When he is standing in (the) sun, his shadow is green! That is (the) proof that he is (the) 'green man', no one's shadow is going to be green except that one's. Therefore- if Allah Almighty (is) asking to make a green man, He can do, but it is not suitable to be everyone green one. Only one (is) enough for a proof.

He was very happy with S.Musa a.s., but Moses a.s. was impatient person, asking so many questions and such people never ask to be questioned. You must say: "Okay, Sir. Yes, Sir!" "What is this, what is that?"- no! Only Moses, a.s. had been authorized to ask such questions, because he was authorized to speak with Allah Almighty. So many Prophets (were) speaking with their Lord, but not on earth, up. Moses' specialty was that he was that one only that Allah Almighty (was) addressing to him on earth. And Moses- even he was so powerful person, his creation his special creation for hearing his Lord's divinely Words and Commands- even he had such powerful structure, but without a means he wasn't able to hear. Therefore Allah Almighty never directly addressed to him, without using some mediator. It was the olive tree, (he was) hearing from (a) tree. Directly can't be. Moses! And (it was) on (the) Tur Sinai, Mount Sinai- time by time he has a visiting card, no on other can be- once he was hearing from (the) tribes of (the) Children of Israel and they were asking: "Oh Moses, please take us also to hear, because we are positive people. If we are not hearing ourselves, what you are hearing, we are not coming to believe in you 1oo %. Eh, 1 %, 3%, 1o% we may believe, but so (many) doubts (are) coming to ourselves. Therefore please take us also." Prophet Musa (was) cheated and (he was) taking them, bringing (them there) and they were hearing.

When (they were) hearing, (they were) bringing another objection, saying: "Oh Moses, we are not getting satisfied to hear (only), because we are hearing from that tree. Who is through there, through (that) tree speaking? We are materialist people, we must look, see and to say: 'Yes'." And Lord of Heavens (was) very angry. Coming a lightening and (those) 7o people (were) falling down dead. Not ordinary dead people. They were like dead people, like frozen shapes, looking like this...(up in astonishment). This lightening (was) coming on them, finishing (them).

Then Moses (was) saying: “Oh our Lord, those from (the) Children of Israel (were) doing something that is really ignorance. Their minds (are) not too much (working). Oh our Lord, forgive them. If you are not making them to be alive”- Moses (was) teaching Allah also- “If You are not bringing them back to life, when I am going back to (the) Children of Israel, they should say: “Where are our people”, accusing me that I murdered them, I killed them. Therefore, oh our Lord, give (them) their lives and I am taking them quickly back!” (The) materialist vision (is coming) from that time and now (it is) everywhere. People are not accepting beyond (the) material anything. They are saying: “No, we must look and (only then) we must accept.” They were saying to Moses: “Show us and we should believe you.” Allahu akbar!

We are saying this as an introduction to you, for the honour of that holy land’s person (a visitor from the holy land) that we must speak to him. Clever for Dunya, no one can be like (the) Children of Israel clever or in science or technology. Can’t be anyone, any nation. That is a grant from Allah that He is saying (in Sura Duhan): “We are choosing the Children of Israel with such a special structure We grant to them, that that is a knowledge, just We grant to them that we never give to other nations. Therefore if they are not working and finding such things, whole nations, no one can reach to that point. But (at the) same time (the) Children of Israel did such a big headache for Moses, until (they were) making him to be imprisoned in (the) desert of Sahara Ti, only desert, and he was imprisoned through (the) Bani Israel, (through) the Children of Israel, in that area. Subhana Huwa wa ta’ala! Allah (is) patient, but He granted. If the Children of Israel (were) not chosen, (there would be) no technology. No any instruments, so many inventions, so many technical instruments, everything... Other nations can’t reach to find it. But they used it against Allah, against Moses, against other people! (But they are) first class (for) cleverness, first class (for) understanding, first class (for) finding (the) secret powers of nature. No one (else) can reach.

And Moses- peace be upon him- he had been chosen as Kalimu-llah, who was speaking with his Lord and speaking and meeting his Lord, speaking and asking and taking answers. No one can be authorized as Moses a.s. to say to Allah: “Why?” No one, no any (other) Prophet (was) saying: “Why this?” except Moses. He was authorized to ask: “Why?” And Allah Almighty (was) saying: “Oh Moses, be calm! Be calm, don’t shout to much, I am hearing. Ask, I am answering.”

Shaitan (was) taking courage from his bad ego and (he was) asking: “Why?” 1ooo’s and 1ooo’s of years he was

(the) teacher of Angels and when he asked and said: “Why I am bowing to Adam?” he was thrown away. Therefore it is impossible to anyone to ask: “Why?” to Allah, only Moses a.s. Allah Almighty He knows the quality or qualification of (the) Children of Israel. They are (the) most difficult ones through nations, most difficult ones for following something and asking to reach to his final position. (They are) first class researchers, asking this: Why this, why that, why this, why that?” Therefore Moses was asking sometimes. He was tolerated to ask: “Oh my Lord, why?”

For example: So many times (he was) going and coming and asking so many questions. Once he was passing, going to (the) Mount Sinai and he was looking a person, sitting on a rock. Only he had a Sarong. (He was) sitting and saying: “Oh Moses, where are you going?” “I am going to my Lord to speak to Him. He called me to come to Him. He likes to speak to me and I like to address to Him, Almighty.“ “Oh Moses, you can ask everything?” “Yes, I can ask.” “Look. I am one of His weak servants. I am sitting here, (I am) so poor, (I have) nothing, only this piece of cloth (is) for me. Please ask from your Lord to give me something.” “Yes, I may ask.” Moses was going and he was speaking and making association with his Lord. Then (he was) saying: “Oh my Lord, You know everything, without I am speaking to you, but I must say (this). Just I met when (I was) coming here, a weak servant, a poor one, sitting on rock, and he has nothing. He was saying: ‘Oh Moses, please ask your Lord to give me something.”

“Oh Moses, don’t ask! It is good for him to be on that rock in such a way.” “Oh my Lord, give something!” “Oh Moses, it is good for that servant be on that rock. It is good for him.“ “Oh my Lord, for the honour of that one that he is (the) most honoured one in Your divine Presence, S.Muhammad sws, give something!” Allah Almighty (was) saying: “Oh Moses, you are insisting. In My divine Presence, if anyone (is asking a) second (time a) question, I am making him dust, making his existence non-existence! But for your honour and for the honour of that one in My divine Presence, tell him (to) come down and (to) dig under that rock. He can find what he was asking.”

And Moses was coming and (that person was) sitting on (the) rock, looking: “What is, oh Moses, good news for me?” “Very good news! Come down and dig under that rock. You can find what you are asking. “ How many years he was sitting on that rock, on (a) treasure, (and he was) not knowing...Moses was going on and quickly (that person was) running. Before he was showing (himself that) he can’t move, (that he is) so weak... he was like that...”Oh Moses”... he was so quick, when (he was) hearing (this), jumping like (an) ape...

(digging with his hands)...Gold...Perhaps our holy land's friend should ask me: "Where is that rock?" I shall show you...

Then quickly (he was) taking, as much as he may carry and (he was) running (to the) city. Taking and buying something, buying something, buying something, building palaces and making feasts for people, citizens living there. And finally that country- that (it) was a kingdom- (the) King just passed away, no children (for him), and people were wondering: "What we should do now, our King passed away and no any crown-prince. What we shall do? From where we must look a new King?" And (then) all people were saying: "Why we are leaving our city and run to other places to look a new one? That person is just suitable. For that dressing he is (the) most suitable one, we may do that one our King!" And he was chosen (to be their) King in (the) King's palace.

And after a while Moses was remembering one day: "I must look after that person, what he did, where he is." Asking, asking and then (he was) finding (out about) that person that he is now (the) King of that kingdom. And he was interesting to go and visit that one. He reached to the capital of that kingdom, asking: "Where is (the) King's palace?" They were saying: "The King's palace (is) there." "Oh!" And he was beginning to walk and to reach, to meet that one. That person who was (the) new King was sitting in a high place (in the palace) that (he was) looking people under him) passing and (he was) looking, recognizing Moses coming. Quickly (he was) sending his guardians and (he was) saying: "Quickly run to that person who is trying to come in, (and) say that (the) King is not ready. If (he is) insisting, say to him: 'Go away, because our King is so busy, (there is) no time for him to meet such (a) person that we are not knowing'."

And Moses was (the) most angry one among Prophets, Jallali! His anger (was) not (coming) from his ego. Prophet's anger (is) divine Anger, that (the) divine Anger just appeared once through Shaitan and (it is) coming to appear also (on the) Day of Resurrection on unbelievers. And Moses was granted such (an) anger. Of not, if he was like Haroun, Bani Israel were eating him. (They were) not fearing from Haroun, but fearing from Moses a.s. And Moses (was) getting very angry! When (a) lion is angry, his hair (is) coming like this... Moses (also was) coming like that, (he was) saying: "La haula wa la quwatta illa bi-llahi-l 'Aliyu-l 'Azim", leaving him and going.

And when he was going to (his) meeting with his Lord Allah Almighty, Allah Almighty was looking and seeing

the signs of anger on Moses. He (was) saying to him: “Oh My servant Moses, what about today? I am looking you are very angry. “ And Moses was saying: “This Shaitan one...” “Who is that one?” “(He) that I was asking for him, something to be given.“ “Oh Moses, I said to you that that position is good for him, but you were insisting and I was giving. That is your punishment. But for your honour and (because) he is dealing with you in such a bad way, I am taking your revenge from him!“

Allah is (the) only One (who is) changing hearts; you can’t change the hearts of people, (not) even Prophets. “I am doing what should be for your pleasure.“
And He ordered (the) hearts of people. They were accepting that one, (and He was now) changing their hearts, and they were coming to hate him. Love and hate (are) shoulder by shoulder. Changing love to him into hate; people were becoming to hate him. Finally (they were) throwing him away, sending him away, kicking him away, and no one (was) accepting him (anymore) and once again he was coming and sitting on (that) rock. Moses (was) coming and looking: “Oh, that is good for you, not to be King there. Sit here!”
Allah Almighty was giving him honour and permission. He was permitted by his Lord to ask (: “Why?”). If anyone (else was) asking (:Why?), (he) was thrown away like Shaitan. But (not) Moses, for teaching nations that (are) coming after Moses, up to (the) Day of Resurrection, to learn people (about the) heavenly Authority and to follow it, not to follow people on earth, who are not following heavenly authority!

Therefore everyone including Israelis, Arabs, Muslims, Christians- all of them, they are not taking care for heavenly Commands and they should be punished by each other, until they are saying: “Oh our Lord, we are Your servants!”

May Allah forgive me and bless you. For the honour of the most honoured one in His divine Presence, S. Muhammad sws, Fatiha.

## The Holy Quran, Not a Mind-Production!

His Guidance is for every nation. Even though our mother-tongue is not Arabic, Allah the Almighty makes it possible for every one of us to recite the Holy Quran in the same way as Arabs do. This is a grant from Allah the Almighty for all nations. It is a blessing.

Another endless Favour of His, is that Muslims are able to memorise the verses of the Holy Quran. It is impossible for any other nation to be able to recite their Holy Book without looking at it. At every Christian or Jewish ceremony, they will always look at their book to be able to read it. These books haven't entered their hearts. If something is not engraved in your heart, you cannot know it by heart.

It is a miracle when a ten year old boy is able to memorise the whole Holy Quran, to keep it in his heart and to be able to recite it from beginning to end. If it isn't a Holy Book, how would this be possible? Most people who know the Quran by heart are not Arabs. 6666 verses! 114 suras! Ordinary people even have a hard time memorising the titles of the suras.

Why haven't the Christians started to look yet? Their Bishops, or even the Pope, or the Patriarch in Turkey should start to read it. Even if they would only read two lines, it would prove to them that the Holy Quran is from Heavens, not the words of a man, of a prophet. I was in Germany last year when an old person came to

me who was an editor and a poet. He brought me a book which contained poems he had written. He opened the book and started to read one. I told him to close the book and to continue to read. He couldn't, even though he had written it himself.

How is it possible that people cannot see the miracle of Muhammad*, an illiterate person being able to recite 600 pages, 6666 verses by heart? He never went to school, he never learned how to read or write, still people insist that the Holy Quran was written by him! If he had written it himself, would he have been able to know it by heart? Any other book which is learned by heart would be changed every time you try to recite it again. It would be changed again and again, and after ten times never be the same as the original again.

How is it possible that Sayyidina Muhammad* would recite it the same way as it was given it the Archangel Gabriel? Oh Christians, oh Jews, oh unbelievers, you must know that the Holy Quran is not a mind production! It was sent by the Lord through the Archangel Gabriel to His Last Messenger.

## Hear holy speech through your hearts' ears

Audhu bi-llahi mina shaitani rajim, Bismillahir Rahmanir Rahim, la haula wa la quwatta illa bi-llahi-l 'Aliyu-l 'Azim...By the Name of Allah Almighty, all Merciful, most Beneficent and most Magnificent.

We are asking from Allah Almighty to make ourselves to hear holy speech through our hearts' ears! Not from here... Everyone (is) hearing from these (physical) ears, but mostly they are hearing from this side..., sending (it out) from the other side. We need something to take benefit for our beings. When we are saying 'our beings', that (is) your personality, your identity.

Someone (was) coming and asking me about the Last Day that we are leaving this life, what should be through death or after death through our grave or on the Day of Resurrection or through Hells or coming in Paradises, asking if our egos and our souls are going to be separated? That means, (if) our souls are going to one side, (and) our egos, (our) nafs, (are) going to another side. As some people in (the) Islamic world, some learned people, they were discussing about the Prophet's Night Journey, if it happened spiritually or physically. Some people were claming that it happened spiritually, not physically, (and) that is a wrong answer to say for (the) Prophet's Night Journey; to make (the) Prophet's personality two personalities: one personality represented by his soul, honoured soul, and (the) second part (to be) represented by his nafs, ego. No! (The) Night Journey happened to Muhammad- peace be upon him- and his personality, with his soul and

nafs.

If we are saying, (for example), (that) a person reached to (a) Sultan's royal presence, you are saying (that) this person reached to (the) Sultan with himself riding on his horse. (He is) reaching to his royal presence (and) he is in his original creation; that ride belongs to him and without that (he) can't move through this material life. And we also, when we have been sent (here), our souls (have been sent) here, we need that ride for this life and that (ride is) our ego, (so that) we are going to be in one personality with our egos. The perfection of man (is) to be with his soul and with his nafs, his ego- one personality.

Therefore, if we are reaching to (the) graveyard we must be on (the) same personality. If we are coming to the Day of Resurrection, coming our souls with their ride on the Day of Resurrection. When Allah Almighty is calling (us) for our Judgment, we must be ready, as we are now.

Therefore, we are living in a life (that) it is difficult for understanding such things, if you are not hearing realities through your heart. If you are hearing only through your ears, it is going to be passed away, but when you are hearing with your heart's ears, it is for you.

And we are asking from Allah Almighty to grant us to listen (with) our whole being, our personality, what had been sent from Heavens on earth through Prophets and their inheritors. All troubles now- we are living in the time of troubles- it is (because) man (is) making everything for understanding through their physical being and (the) physical being's feelings (only). Every time our physical senses (are) coming in front of people and saying: "You must understand what I am saying to you. Beyond this you must not listen, you must not hear, you must not ask!"

Now all mankind is imprisoned through their material being, never asking beyond that (material) senses anything else. And really beyond our material senses that belong to our physical being, (there are) unlimited worlds, unlimited creations that or physical being can't reach to that limits, (but it) only must be in its material limits. Material limit- what (it) is going to give to you? 6 senses- what (they) can give to you? 6 senses (are only) touching everywhere (the) material world's walls, touching. As there is an aquarium, in it fish running and coming, touching glass, getting back, can't be able to get out- now people's senses (are) only reaching material limits, but material limits are not the end of creation. If you are saying: "Material limits are

the end of creation”- where is the Creator of that material world and material limits? If you are saying: “Beyond this (there is) nothing”- how it had been (brought) in existence the globe of world or the globe of Venus, or the globe of sun? How it can be? If themselves (are) going to be in that limits, material limits- you know this is material; that means: if you are not using a power to push, to bring, to show it, that means by itself material can’t work.

Now everything, every machine that mankind (is) using... they can’t be able to use material as (it is in) its real form, to use it. For example oil, petroleum. If mankind is asking to use it as it is, (for example), one gallon (of) petrol, if you are pouring it into a car, (is it) making it to move? No! That must be changed into another condition.

Petroleum (is) changing from material being into another being that there is a secret power in it. When it is going to be in (that condition), coming to be such (a) gas, and with that condition it is working, making something. Or (else), through one barrel of petroleum, if you are putting (it into the car) and lightening (a) match, going to be fire. But one bottle like this, petroleum, if you are putting it in its special situation, special condition, changing and making, coming power, and that power (is) making (it) to move. Like this. Taking a car perhaps 10 litres, 15 litres, (and that is) making it to move 15 km or 20 km, this secret that never belongs to material world.

But people are heedless to ask for that point what is that? How this one litre (of) petrol (is) going to carry a heavy vehicle to run and you are in it, what is that? They are not asking: “How is it going to be changed, how it is working”, because people (are) just imprisoned through (the) material world’s limits. (They are) in it. But (there are) so many signs that the Lord of Heavens (is) giving them signs, but they are not thinking.

I am looking swallows- think on it! They are so quickly flying and coming. What they are eating, what they are drinking? They are hunting mosquitoes- (as) they are saying- and (they are) coming through hundreds or thousands of kilometres from one continent to another, flying without taking refill. Which power (they are using)? Material power using?

Through this material world so many examples we may bring and we may show that there is something beyond (the) material world that (is) making everything to move and to reach to their real targets through this life! But people (are) never thinking on it, they are saying: “Material world” only. And that is an example

to make people to know, to understand, that (the) material world can't be by itself in existence or (that) they can't be able by themselves to move, to act without taking anything for their outer directions, without taking a power to make them to run or to turn or to be in existence.

Look sun, look moon! Do you know something that is running and (at the) same time it is standing? We are looking (that) it is not moving, (and at the) same time we are looking (that) it is moving? Oh learned people! Sun! You are looking, (it is) standing there, then you are looking it is here, but you are not seeing (that it is) running like (a) plane. Or (the) moon. Maghreb time, sunset time, it is rising, but you are not seeing that it is moving. You see (that) it is in its position standing, and then, until you are coming from Isha prayer, you are looking that: It was standing there, (but now) we are finding it here! By itself (it is) moving? That is (the) material aspect or thing that we are looking it is moving, but no one (is) seeing how it is moving- behind (it there is) someone pushing it or in front (someone is) pulling it? How they are denying (that) beyond (the) material world there is another world? How (they are) saying: No? How (they) imprisoned themselves through the material world? No mind people! No mind people, never thinking on such things.

I was looking (to the) school diplomas of children and what they are teaching to them. They are teaching nothing! They are always escaping not to touch reality. Escaping, not making children to look and to think on it. Say: How a swallow is coming thousands of kilometres distance and coming, finding its nest? It is using (a) radar? It has (a) radar showing (the direction) or something like that? (And) if (they have all the) same radar, (they) must come all to one place. So many kinds, millions of swallows (are) going to their homeland and coming for holiday- how they are saying (there is) only (the) material world?

That is satanic teaching not to say: "There is another world behind (the) material world, which is not material (and) it belongs to the Creator that makes as He likes." Trouble for mankind (is) coming from wrong ideas, wrong teachings, wrong learning- making people to be imprisoned through this heavy material world and its heaviness (is) killing people. Killing (them) and also taking their identities, making them as rocks or as trees or as animals.

If people are not coming to accept truth, (it is) impossible (for them) to save themselves by themselves. No! Leave yourself in the hands of the Lord of Heavens to take you safely to your real destination. Now all people (are) on (a) wrong destination; (they are) asking a destination, (that they are) thinking it is (a) perfect

destination, (but) no, it is (the) satanic destination that Shaitan is pulling them (to it, saying): “Come, come, come after me!” All universities and educational systems (are) imprisoned through materialism, (through the) material world and (they are) denying (anything) beyond our 6 senses, saying: “No!” They are so foolish ones! (They are) not bringing such realities through the eyes of youngsters to understand. Their whole effort is not to understand and accept anything beyond (their) material being.

Therefore we are asking from Allah Almighty to make (these) real aspects that we are hearing (now) to be heard through our hearts’ ears (also). That gives us power to move beyond (the) material world also. If you are not putting that power that is a grant from Allah Almighty, if you are not granted that, you can’t move beyond (the) material world. When (it is) coming through our heart- that power beyond (our) 6 senses that makes you to move beyond (the) material world- that is freedom! Now we are imprisoned.

May Allah forgive me and grant you from His endless Blessings for understanding something. That is ‘Marifat’, holy Knowledge, what we are speaking on, holy Knowledge, to make people free from (the) prison of (their) material being so that we may use our spiritual being to pass (our) material being beyond unlimited oceans, unlimited and unknown Territories and Dominions of the Lord of Heavens.

May Allah accept us! For the honour of His most honoured servant in His divinely Presence, S.Muhammad sws, Fatiha.

# Honey

Dastur Ya Sayyidi madad, madad. Madad. As-Salamu Alaikum O hadirun, O our attending brothers, servants of Allah. May Salam be upon you and may it be a safety. Salam upon us also. Allahu Akbar. Allahu Akbar. Allahu Akbar Subhan Allah. Was-Salatu was-Salam 'ala Rasulina. May our assembly be an assembly of Nur. May hardness and sorrows be lifted off us and we expand. Our love and yearning increase. We find relief and expand with the service of our Lord. We become lions! "Wa As'alu Llaha Min Fadlihi" (4:32). And ask Allah of His Bounty, it says. There is no end to His Bounty and Generosity. As-Salamu alaikum O attending believers. May the barakah of this Salam be upon us; be upon you and upon us also.

How beautiful. How beautiful Islam is. How beautiful, how nice: Allah granted us this, let us say Bismillahi r-Rahmani r-Rahim. What opens the doors of all treasures, what brings us comfort and peace in dunya is Bismillahi r-Rahmani r-Rahim. Don't forget it! What opens the doors of all the blessings and Paradises in akhirah is Bismillahi r-Rahmani r-Rahim. When Bismillahi r-Rahmani r-Rahim is forgotten, then these people have already lost their humanity. I see that Muslims have forgotten the Bismillah now. Shame on you. Why should you forget it? It is the key that opens the doors of all treasures: Bismillahi r-Rahmani r-Rahim. "We remember the Name of Allah first. It is obligatory for the servants in every act". Make them memorize this. Without remembering the Ism Al-Jalil of Allah Almighty nothing can have a sound foundation, no building can stand firm. For this, how beautifully the holy ones explained the Bismillah: "We remember the Name of Allah first". Whose name other than His can you say? If you don't remember the Name of Allahu Dhul Jalal Who created you, Who keeps you alive, Who made you a Caliph on earth, Who granted you Mastership, Sultanate on earth, what value can you have? What value do you have? None, you have no value.

What gives man value is Bismillahi r-Rahmani r-Rahim. Say this and your value rises. Bismillahi r-Rahmani r-Rahim, Your Pure Name. "We remember the Name of Allah first". Whose name other than His can you say? For Whom do you live? For Whom do you live? Do you live for your animal ego? If you live for your animal ego, you have no value, you are an animal. You should glorify the Name of Allah Who granted you honour and say: "O Lord, I live for Your servanthood. Let me remember Your Ism Al-Jalal: Bismillahi r-Rahmani r-Rahim". How beautiful; how it relieves and takes away all the troubles. You don't need any medication or doctors. You don't need any doctors or lawyers. How beautiful is the life of that person. Allah Almighty says "Hayatu tayyiba" in the Holy Quran. Beautiful life for the believers. Hayatu tayyiba, this is what Allah Almighty wants for us: "My servant should live a beautiful life". When do you live a beautiful life? When you remember the Name of Allahu Dhul Jalal Who created you, Who is the Absolute Owner of the Heavens and Earths, you live beautifully. You won't have any sorrows or hardness, they will all go away. Therefore say Bismillahi r-Rahmani r-Rahim as much as you can.

"Fihi Shifa'un Lin-Nasi" (16:69). Do you understand what it says? "Fihi Shifa'un Lin-Nasi". The Holy Quran is an ocean which has no end or limit. "Fihi Shifa'un Lin-Nasi". When you look in the Holy Quran, what does it mention? The honey bee, al-Nahl. There is a healing in the Nahl. Ok, there is a healing in the nahl. There is a healing in the honey bee but in the Holy Quran, "Fihi", there is healing in it for men. It says there is a healing for men in the Holy Quran. Recite it and you expand. You gain strength, you gain majesty.

Say Bismillahi r-Rahmani r-Rahim and stand against shaytan. Kick him and he will get out of your way. They say "Well, we brought this thing from Europe, we brought weapons". Is its name missile or museum? It is not certain what it is. But they call it missile. They say it is an astonishing kind of a cannon to break the forces of the enemy. So you seek help from that cannon? What help can it do for you? "Fihi Shifa'un Lin-Nasi". When it says shifa (healing), it means there are all kinds of powers. It is not only the honey that the honey bee makes. It says, there is healing and strength in the Holy Quran: The power, magnificence and majesty is in the Holy Quran. And where is the essence of the Quran? It is in Bismillahi r-Rahmani r-Rahim.

Where are you O scholars? It means you didn't understand anything from the Holy Quran, astonishing. Who don't understand the power in Bismillahi r-Rahmani r-Rahim seek refuge in

this cannon which the unbelievers of Europe built. They say "This cannon protects us". Hasha! What is its value? "Fihi Shifa'un Lin-Nasi". "There is healing in it for men". What is that thing that it refers to? To this, it points to the power in the Bismillah. "Fihi, in it". Don't think it only refers to (bee)... What kind of Muslims, scholars are they? They say, "There is healing in what the honey bees make". What about the Holy Quran? "There is healing in what the honey bees make", you believe in this. Ok, why don't you believe in the power of the Bismillah? "Let us eat honey and heal". Where is the essence of the honey? The essence of the honey is in Bismillahi r-Rahmani r-Rahim. Because that little honey bee says, when it is filling the honeycomb, in its own language Bismillahi r-Rahmani r-Rahim. It says Bismillahi r-Rahmani r-Rahim. It won't become honey unless it says it. It can't be, that honey in itself has no value. If it doesn't say, it becomes a wasp and wasps sting men.

Honey bee says Bismillahi r-Rahmani r-Rahim, Bismillahi r-Rahmani r-Rahim, Bismillahi r-Rahmani r-Rahim. That holy honey bee collects with the Bismillah. Without the Bismillah, there will be no honey. And without honey, life has no taste. Honey, how beautiful is the honey. That little bee collects, brings and fills the honeycomb, saying Bismillahi r-Rahmani r-Rahim, Bismillahi r-Rahmani r-Rahim. If it doesn't say Bismillahi r-Rahmani r-Rahim, it won't be honey. Then why don't you say the Bismillah, so that you take the life, the power in the Bismillah? If we point at their cannons, weapons with Bismillahi r-Rahmani r-Rahim it destroys all of them. Say Bismillahi r-Rahmani r-Rahim O heedless ones! But you only learn with the whip. They have to be whipped to be corrected. Allah Almighty granted you the honey through the honey bee. He (swt) granted you honey. Honey is from the secret of Bismillahi r-Rahmani r-Rahim. It is from the secret in it; From the secret in it, meaning from the secret of the Bismillah there is a power we can't figure out. It gives that power, gives it to that little bee. If the bee doesn't say the Bismillah it becomes a wasp. When it says the Bismillah, it fills the honeycomb. There is healing in it. There is healing in it.

Everything can be found in the Holy Quran. The secret healing that the bee brings is taken from Bismillahi r-Rahmani r-Rahim. To that little bee... "Wa 'Awha Rabbuka 'Ila n-Nahli"(16:68). It says, there is an inspiration for it. There is the One Who teaches the bee. It is not you who teach, there is Who teaches it. Then why don't you be the honey bee so that you can give honey to the people? It is because you don't say the Bismillah, how can you have honey? A person without the

Bismillah only fills the toilet, he has no other job. How can he give healing?
Say Bismillahi r-Rahmani r-Rahim and march. You won't need their cannons or weapons. Say Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. Advance on them. Who sees the majesty of the Bismillah, even if they are as many soldiers as Gog and Magog, their hearts will burst in fear and they will be destroyed. But the people of this time don't know anything. They say technology. May your technology explode on your heads! What corrupted the lives of the people, what made them fall into difficulties which are impossible to get out of, what doesn't let people pull themselves together is this technology. This misery in the whole world, their screaming and shouting in the streets is a proof that a life ordered in this way cannot give them anything. They cannot be satisfied. Technology invented all kinds of things. But it doesn't satisfy men. If you want your heart to be in peace, say Bismillahi r-Rahmani r-Rahim. Look like a lion. Be like a lion.
They say "This comes from US, soldiers come from Germany..." What is it to us? Can a Muslim ever find goodness taking shelter under the tent of unbelief? How can he? When a Muslim person who believes in Allah says Bismillahi r-Rahmani r-Rahim what benefit can the inventions of Europe and American give to him? They have no value. Say Bismillahi r-Rahmani r-Rahim, they can't even look at you, they tremble with fear. If he says Bismillahi r-Rahmani r-Rahim, that cannon doesn't go up. It turns back at them and falls on their heads. It comes out from him and falls on his head. Evil is in the unbelief. The evil, every kind of badness is the result of unbelief. Its outcome is this. They teach all this science now. For what? To destroy mankind. What they do is all about this. We are not for finishing mankind, the Holy Quran is not for finishing mankind. "Bal 'Ahya'un `Inda Rabbihim" (3:169). They are the happy ones who reach the real life in the Presence of their Lord. Who are they? They are who say Bismillahi r-Rahmani r-Rahim. Shame on who can't say it. They are who fear from these cannons, weapons. There are the holy servants of Allah who can make these weapons, cannons explode in the air. You may underestimate them by their appearance but if they say Bismillahu Allahu Akbar, if they say Bismillahi r-Rahmani r Rahim there will no need to fire anything in the air nor will they need to go after them to chase them. No, there is no need.
Is Bismillahi r-Rahmani r-Rahim in the "La ilaha illa Allah? Yes, it is. If it wasn't, what benefit

could Bismillahi r-Rahmani r-Rahim give? When you say La ilaha illa Allah, it gives you benefit. Say Bismillahi r-Rahmani r-Rahim. The secret of La ilaha illa Allah is in it. Its secret is in it. Open that door, enter inside. Bismillahi r-Rahmani r-Rahim opens every beautiful door. Bismillahi r-Rahmani r-Rahim opens the doors of eight Paradises. No Paradise door opens without the Bismillah. Understand this! Appreciate the value of the Bismillah. If you don't, there are so many afflictions to come on you. May they stay away from our heads. May they fall on the heads of shaytans! Say Bismillahi r-Rahmani r-Rahim.

We may say "Ya Rabbana", what can we do? Write this holy word and put it on your forehead. Put it over your heart. Put it in your home. Fire doesn't burn it. Fire doesn't burn the place, the home with Bismillah in it. No accidents, calamities, troubles can come to it. If not, dunya will not be enough for the ones without the Bismillah. No matter how much dunya wealth, gold or silver they have still dunya will not be enough for them. One dunya is not enough for them, they want to buy a second one! Even if they had seven dunyas, their heart is still not at rest. Because it is still limited. But when you say Bismillahi r-Rahmani r-Rahim it opens not one dunya but a thousand dunyas. It opens not a thousand but a million dunyas. Bismillahi r-Rahmanir Rahim, Jalla Jalaluhu, Jallat Azamatuhu.

Where are you O scholars? Why don't you come out and speak? Why don't you say the honour of Islam, the power Muslims have? "Fihi Shifa'un Lin-Nasi", there is a healing in it for men. Along with the healing, "Fihi quwwatu lin-Nasi." In the Bismillah. In honey there is healing for our external problems. But in Bismillahi r-Rahmani r-Rahim there is healing for our every problem. "Fihi Shifa'un Lin-Nasi" in it. It is not only in honey. What is in honey is not that much. In the Holy Quran and in the honour of the Beloved, that he said Bismillahi r-Rahmani r-Rahim and entered into the Divine Presence. No Prophet can enter into the Presence without saying the Bismillah. When the Sultan of the Prophets entered into the Presence on the night of Mi'raj he entered saying Bismillahi r-Rahmani r-Rahim and making sajda. You should know Bismillahi r-Rahmani r-Rahim. Masha Allah, Masha Allah, Masha Allah...What a pity for the ones who forget it. How happy are the ones who don't forget it. O Lord, may all hardships on us be lifted. He (swt) made dunya a passage for us but our desire is You our Lord. "Ilahi Anta Maqsudi wa Ridhaka Matlubi".

O our Lord, what we seek is You. Anything else other than You has no value. Don't expel us

from Your door. "With what did this servant of Mine come?" "He came with Bismillahi r-Rahmani r-Rahim". "Open the doors!" O our Lord, who left us as ignorant ones are the armies of shaytan. They will finish each other and the ones who say Bismillahi r-Rahmani r-Rahim wa bihi Nasta'in will remain. Who accept and know Allah will remain. Most of them will be taken away in these storms. They will fall down like the leaves that come down in autumn, in kharif.

The flowers that don't fall down are the ones which say the Bismillah. The trees which say Bismillahi r-Rahmani r-Rahim don't dry, their branches don't get broken. Their flowers don't die. Their fruits are endless, never finishing Who see them see Paradise.
Bismillahi r-Rahmani r-Rahim. O our Lord don't deprive us. We are left ignorant. O our Lord, You sent us Your Beloved whom You love and we can't appreciate his value. People have turned into animals. They can't say Bismillahi r-Rahmani r-Rahim. Who has this key? To whom is this key given? It is given to the Master of Creation, the Beloved of Allah, HabibuLlah. Be with him, your dunya and akhirah will be prosperous. Bismillahi r-Rahmani r-Rahim. O our Lord, we are weak. We are weak O Lord. Send us support, O Lord. If You send from Your servants only one who will say the Bismillah giving its due respect, it can make it all upside down. But He (swt) doesn't lower it by using it for this reason. Let alone Allah Almighty, HabibuLlah, not even a wali servant of Allah, uses the Bismillah for dunya. Hasha. Hasha. Bismillahi r-Rahmani r-Rahim from pre-eternal up to eternal is the key to Allah Almighty's servants for His treasures. It is not for trashy dunya, not for who runs after the carcass. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim.
O our Lord Bring healing to our bodies, strengthen our faith O Lord. Dress on us the dress of majesty, for the honour of Bismillahir-Rahmanir-Rahim. Dress on us the dress of wellness, the dress of honour. O our Lord, we are Your servants. For the honour of Your Beloved grant us stregth O Lord, dress on us the dress of majesty. You are the Creator of the Creation. Dress on us the honour dress, majesty dress, beauty dress of Islam, of faith. Dress on us the dress of wellness, all may be lifted off us. You are Subhan O Lord. You are Sultan O Lord. Subhan Allah, Sultan Allah, Sultan Allah. To remain in sajda without raising our head in your Divine Presence... It is beyond that. What can we do? We only make sajda for You. But our respect, our servanthood for You is beyond this. For this we enter the Divine Presence of our Lord saying

Bismillahi r-Rahmani r-Rahim. If you say it, all doors open for you. If not, all doors close. Allah Hu Allah, Allah Hu Allah. Allah Hu Rabbi, Allah Hu Allah. Allah Hu Hasbi, Allah Hu Allah. O Allah, how beautiful are You. How beautiful is Your Ism Al-Jalal. May all our body remember Your Ism Al-Jalal O Lord. Don't leave any weakness in us. You are Al-Jalil. A servant of the Jalil Lord can't be wretched. Allah Allah. Then what is it that lifts the wretchedness off us? It is Bismillahi r-Rahmani r-Rahim. Say it and Allah Almighty saves you from wretchedness. Wa min Allahu tawfiq. May Allah make us from who understand something, from the glorification of Allah Almighty. He (swt) glorified His Beloved. With what the glorification came to His Beloved? It came with Bismillahi r-Rahmani r-Rahim. Innahu min Sulaiman wa innahu Bismillahi r-Rahmani r-Rahim. Not just "ƒ∞nnahu min Sulaiman", Innahu min Sayyidi-l Awwalin wal Akhirin, Sayyidina Muhammad. The invitation to all mankind comes from him. Risala, the message of Heavens comes from the Heavens with Bismillahi r-Rahmani r-Rahim. Don't forget. If you forget, you will be forgotten. AstaghfiruLlah. Tawba Ya Rabbi, tawba AstaghfiruLlah. Fatiha.

Innahu min Sulaiman,-. Not only the Prophet Sulaiman, Innahu min Sayyidi-l Awwalin wal Akhirin. That letter with the Bismillah came to Prophet Suleiman with his order. He said "Send this message to her which has the Holy seal of Heavens on it". And when Balqis saw it, she started trembling. You should be aware of the majesty in the Bismillah and not run to be under the protection of the nations who have no tahara, no faith. We don't want it either. Bismillahi r-Rahmani r-Rahim is more than enough for us.
Forgive us O Allah. Forgive us O Allah, forgive us O Allah. Send us what You will teach us our Lord. Bismillahi r-Rahmani r-Rahim. Wa innahu min Sulaiman wa innahu Bismillahi r-Rahmani r-Rahim. Allah! Innahu min Sulaiman wa innahu Bismillahi r-Rahmani r-Rahim. How beautiful. What a relief this Holy Verse gives. What majesty does it give. Innahu min Sulaiman wa innahu Bismillahi r-Rahmani r-Rahim. We don't understand anything. May our Lord forgive us. May He (swt) grant us power and majesty. May we not seek refuge with unbelievers. They can't even protect themselves. We should take shelter with the holy ones who stand at the door of Allah. Even one of them is enough. Innahu min Sulaiman wa innahu Bismillahi r-Rahmani r-Rahim.

Dastur ya Sayyidi, Madad, Madad. Madad. As-Salamu `Alaykum, Hadirun, unsere anwesenden Brüder, Diener Allahs. Möge Salam auf euch sein und möget ihr in Sicherheit sein. Salam auch auf uns. Allahu Akbar, Allahu Akbar, Allahu Akbar, Subhan Allah. Wa s-Salatu wa s-Salam `ala Rasulina. Möge unsere Versammlung eine Versammlung des Lichtes sein. Mögen Härten und Sorgen von uns aufgehoben werden und wir uns erweitern, unsere Liebe und Sehnsucht zunehmen. Wir finden Erleichterung und erweitern uns im Dienst unseres Herrn. Wir werden Löwen. "Wa As'alu Llaha min Fadlihi" (4:32). Und bittet Allah um etwas von Seiner Huld, heißt es. Es gibt kein Ende Seiner Huld und Großzügigkeit. As-Salamu `alaykum, anwesende Gläubige. Möge die Barakah dieses Salams auf uns sein, auf euch und auch auf uns. Wie schön. Wie schön ist der Islam. Wie schön, wie fein. Allah gewährte und das, sagen wir Bismillahi r-Rahmani r-Rahim. Was die Türen aller Schätze öffnet, was uns Trost und Frieden in der Dunya bringt, ist Bismillahi r-Rahmani r-Rahim. Vergeßt es nicht! Was die Türen aller Segnungen und Paradiese öffnet in der Akhirah ist Bismillahi r-Rahmani r-Rahim. Wenn Bismillahi r-Rahmani r-Rahim vergessen wird, dann haben diese Menschen schon ihre Menschlichkeit verloren. Ich sehe, daß die Muslime jetzt das Bismillah vergessen haben. Schande auf euch. Warum solltet ihr es vergessen? Es ist der Schlüssel, der die Türen aller Schätze öffnet. Bismillahi r-Rahmani r-Rahim.

'Wir erinnern den Namen Allahs zuerst. Es ist verpflichtend für die Diener bei jeder Tat.' Laßt es sie auswendig lernen. Ohne den Ismu l-Jalil Allahs des Allmächtigen zu erinnern, kann nichts ein gesundes Fundament haben, kein Gebäude kann fest stehen. Deshalb, wie schön erklärten die Heiligen das Bismillah: 'Wir erinnern den Namen Allahs zuerst'. Welchen anderen Namen als Seinen könnt ihr sagen? Wenn ihr nicht den Namen Allahu Dhu l-Jalals erinnert, Der euch erschuf, Der euch am Leben erhält, Der euch zum Kalif auf Erden machte, Der euch Meisterschaft gab, das Sultanat auf Erden, welchen Wert könnt ihr haben? Welchen Wert habt ihr? Keinen, ihr habt keinen Wert. Was dem Menschen Wert gibt, ist Bismillahi r-Rahmani r-Rahim. Sagt das und euer Wert steigt. Bismillahi r-Rahmani r-Rahim, Dein Reiner Name. 'Wir

erinnern den Namen Allahs zuerst'. Welchen anderen Namen als Seinen könnt ihr sagen? Für wen lebt ihr? Für wen lebt ihr? Lebt ihr für euer tierisches Ego? Wenn ihr für euer tierisches Ego lebt, habt ihr keinen Wert. Ihr seid Tiere. Ihr solltet den Namen Allahs preisen, Der euch Ehre gewährte, und sagen: 'O Herr, ich lebe für Deine Dienerschaft. Laß mich Deinen Ismu l-Jalal erinnern. Bismillahi r-Rahmani r-Rahim.' Wie schön. Wie es erleichtert und all die Probleme wegnimmt. Du brauchst keine Medikamente oder Ärzte. Du brauchst keine Ärzte oder Richter. Wie schön ist das Leben dieses Menschen. Allah der Allmächtige sagt, "Hayatu Tayyiba" im Heiligen Quran. Das schöne Leben für die Gläubigen. "Hayatu Tayyiba" ist, was Allah der Allmächtige für uns wünscht. 'Mein Diener sollte ein schönes Leben führen.' Wann lebt ihr ein schönes Leben? Wenn ihr den Namen Allahu Dhu l-Jalals erinnert, Der euch erschuf, Der der Absolute Eigner der Himmel und Erden ist, lebt ihr schön. Ihr habt keine Sorgen oder Härten. Sie werden verschwinden. Deshalb sagt Bismillahi r-Rahmani r-Rahim, so viel ihr könnt. "Fihi Shifa'un Li n-Nas" (16:69). Versteht ihr, was es heißt? "Fihi Shifa'un Li n-Nasi." Der Heilige Quran ist ein Ozean, der kein Ende, keine Begrenzung hat. "Fihi Shifa'un Li n-Nas". Wenn ihr in den Heiligen Quran guckt, was erwähnt er? Die Honigbiene, an-Nahl. Es ist Heilung in der Nahl. Okay, es ist Heilung in der Nahl. Es ist Heilung in der Honigbiene, aber im Heiligen Quran, "Fihi", ist Heilung für Menschen. Es heißt, es ist Heilung für Menschen im Heiligen Quran. Rezitiert ihn und ihr erweitert euch. Ihr gewinnt Stärke, ihr gewinnt Majestät. Sagt Bismillahi r-Rahmani r-Rahim und steht gegen Shaytan. Tretet ihn, und er wird euch aus dem Weg gehen. Sie sagen: Nun, wir haben dieses Ding aus Europa gebracht, wir brachten Waffen. Ist der Name Geschoß oder Museum? Es ist nicht sicher, was es ist. Aber sie nennen es Flugkörper. Sie sagen, es ist eine erstaunliche Art von Kanone, um die Kräfte des Feindes zu brechen. Ihr sucht also Hilfe von dieser Kanone? Welche Hilfe kann sie euch geben? "Fihi Shifa'un Li n-Nas". Wenn es heißt "Shifa", Heilung, bedeutet das, es hat alle möglichen Kräfte. Es ist nicht nur der Honig, den die Honigbiene macht. Es heißt, es ist Heilung und Stärkung im Heiligen Quran. Die Macht, Herrlichkeit und Majestät ist im Heiligen Quran. Und wo ist die Essenz des Quran? Sie ist im Bismillahi r-Rahmani r-Rahim. Wo seid ihr, Gelehrte? Es bedeutet, ihr habt gar nichts verstanden vom Heiligen Quran. Erstaunlich. Wer die Macht im Bismillahi r-Rahmani r-Rahim nicht versteht, sucht Zuflucht in dieser Kanone, die die Ungläubigen Europas

bauten. Sie sagen: Diese Kanone schützt uns. Hasha! Was ist ihr Wert?
"Fihi Shifa'un Li n-Nasi". 'Es ist Heilung darin für Menschen.' Was ist das, auf das es sich bezieht? Es deutet auf die Macht im Bismillah. "Fihi", darin. Glaubt nicht, es bezieht sich nur auf die Biene... Welche Art von Muslimen, Gelehrten sind sie? Sie sagen: 'Es ist Heilung in dem, was die Honigbiene macht.' Was ist mit dem Heiligen Quran? 'Es ist Heilung in dem, was die Honigbiene macht', ihr glaubt daran. Okay, warum glaubt ihr nicht an die Macht des Bismillah? 'Essen wir Honig und werden gesund'. Wo ist die Essenz des Honig? Die Essenz des Honigs ist im Bismillahi r-Rahmani r-Rahim. Weil diese kleine Honigbiene sagt, wenn sie die Honigwabe füllt, in ihrer eigenen Sprache Bismillahi r-Rahmani r-Rahim. Sie sagt Bismillahi r-Rahmani r-Rahim. Es wird kein Honig, wenn sie es nicht sagt. Es kann nicht anders sein. Der Honig selbst hat keinen Wert. Wenn sie es nicht sagt, wird sie eine Wespe, und Wespen stechen die Menschen. Die Honigbiene sagt Bismillahi r-Rahmani r-Rahim, Bismillahi r-Rahmani r-Rahim, Bismillahi r-Rahmani r-Rahim. Diese heilige Honigbiene sammelt mit dem Bismillah. Ohne das Bismillah gibt es keinen Honig. Und ohne Honig hat das Leben keinen Geschmack. Honig! Wie schön ist der Honig! Diese kleine Biene sammelt, bringt und füllt die Honigwabe und sagt Bismillahi r-Rahmani r-Rahim, Bismillahi r-Rahmani r-Rahim. Wenn sie nicht Bismillahi r-Rahmani r-Rahim sagt, wird es kein Honig.

Warum sagt ihr dann das Bismillah nicht, damit ihr das Leben, die Macht im Bismillah nehmt? Wenn wir mit dem Bismillahi r-Rahmani r-Rahim auf ihre Kanonen und Waffen deuten, zerstört es sie alle. Sagt Bismillahi r-Rahmani r-Rahim, ihr Achtlosen! Aber ihr lernt nur mit der Peitsche! Sie müssen geschlagen werden, um korrigiert zu werden. Allah der Allmächtige gewährt euch den Honig durch die Honigbiene. Er (swt) gewährte euch Honig. Honig kommt vom Geheimnis des Bismillahi r-Rahmani r-Rahim. Er kommt vom Geheimnis darin, vom Geheimnis darin, das heißt, von dem Geheimnis des Bismillah kommt eine Macht, die wir nicht ergründen können. Es gibt diese Macht, es gibt sie dieser kleinen Biene. Wenn die Biene das Bismillah nicht sagt, wird sie zur Wespe. Wenn sie das Bismillah sagt, füllt sie die Honigwabe. Es ist Heilung darin. Es ist Heilung darin. Alles kann im Heiligen Quran gefunden werden. Das Geheimnis der Heilung, das die Biene bringt, kommt vom Bismillahi r-Rahmani r-Rahim. Für diese kleine Biene.. "Wa 'Awha Rabbuka ila n-Nahli" (16:68). Es heißt, es gibt eine Inspiration

für sie. Es gibt Den, Der die Biene lehrt. Du bist es nicht, der sie lehrt. Da ist Er, Der sie lehrt. Warum bist du dann nicht die Honigbiene, damit du den Menschen Honig geben kannst? Es kommt daher, weil du das Bismillah nicht sagst. Wie kannst du Honig haben? Jemand ohne das Bismillah füllt nur die Toilette. Er hat keine andere Aufgabe. Wie kann er Heilung bringen? Sagt Bismillahi r-Rahmani r-Rahim und marschiert. Ihr werdet ihre Kanonen oder Waffen nicht brauchen. Sagt Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. Rückt auf sie vor. Wer die Majestät des Bismillah sieht, selbst wenn sie so viele Soldaten sind wie Gog und Magog, werden ihre Herzen vor Furcht bersten, und sie werden vernichtet werden. Aber die Menschen dieser Zeit wissen nichts. Sie sagen Technologie. Möge euere Technologie auf euren Köpfen explodieren. Was das Leben der Menschen verdarb, was sie in Schwierigkeiten fallen ließ, aus denen sie nicht herauskommen können, was die Menschen sich nicht zusammenreißen läßt, ist die Technologie. Dieses Elend in der ganzen Welt, ihr Kreischen und Schreien auf der Straße ist ein Beweis, daß ein derartiges Leben ihnen nichts geben kann. Sie können nicht zufrieden werden. Die Technologie erfand alle möglichen Dinge. Aber es befriedigt den Menschen nicht. Wenn ihr wollt, daß euer Herz im Frieden ist, sagt Bismillahi r-Rahmani r-Rahim. Seht aus wie ein Löwe. Seid ein Löwe.

Sie sagen, 'Das kommt aus den USA, die Soldaten kommen aus Deutschland..' Was bedeutet uns das? Kann ein Muslim je Gutes finden, wenn er Schutz sucht unter dem Zelt des Unglaubens? Wie kann er? Wenn ein Muslim, der an Allah glaubt, sagt Bismillahi r-Rahmani r-Rahim, welchen Nutzen können die Erfindungen Europas und Amerikas ihm bringen? Sie haben keinen Wert. Sagt Bismillahi r-Rahmani r-Rahim. Sie können euch nicht einmal ansehen, sie zittern vor Furcht. Wenn er sagt Bismillahi r-Rahmani r-Rahim, geht diese Kanone nicht los. Sie feuert zurück auf sie und fällt ihnen auf den Kopf. Es kommt aus ihr heraus und fällt ihnen auf den Kopf. Übel ist im Unglauben. Das Übel, jede Art von Bosheit ist das Ergebnis von Unglauben. Ihr Ausgang ist das. Sie lehren jetzt diese ganze Naturwissenschaft. Wozu? Sie zerstören die Menschheit. Was sie tun, geht alles darum. Wir sind nicht für das Ende der Menschheit. Der Heilige Quran erledigt die Menschheit nicht. "Bal 'Ahya'un `inda Rabbihim" (3:169). Sie sind die Glücklichen, die das wahre Leben in der Gegenwart ihres Herrn erreichen. Wer sind sie? Sie sind die, die sagen Bismillahi r-Rahmani r-Rahim. Schande auf die, die es nicht sagen können. Sie sind die, die sich vor diesen Kanonen fürchten. Es sind die heiligen Diener Allahs, die diese

Waffen in der Luft explodieren lassen können. Ihr mögt sie unterschätzen durch ihre Erscheinung, aber wenn sie sagen Bismillahi Allahu Akbar, wenn sie sagen Bismillahi r-Rahmani r-Rahim, wird man nichts mehr in die Luft feuern müssen, noch werden sie verfolgt werden müssen, um sie zu jagen. Nein. Es ist nicht mehr nötig.
Ist Bismillahi r-Rahmani r-Rahim im La ilaha illa Allah? Ja. Wäre es nicht enthalten, welchen Nutzen könnte Bismillahi r-Rahmani r-Rahim haben? Wenn ihr sagt La ilaha illa Allah, tut es euch gut. Sagt Bismillahi r-Rahmani r-Rahim. Das Geheimnis von La ilaha illa Allah ist darin. Sein Geheimnis ist darin. Öffnet diese Tür, geht hinein. Bismillahi r-Rahmani r-Rahim öffnet jede schöne Tür. Bismillahi r-Rahmani r-Rahim öffnet die Türen der acht Paradiese. Keine Paradiestür öffnet sich ohne das Bismillah. Versteht das! Würdigt den Wert des Bismillah. Sonst gibt es so viele Heimsuchungen, die auf euch kommen werden. Mögen sie von unseren Köpfen fern bleiben. Mögen sie auf die Köpfe der Shaytane fallen. Sagt Bismillahi r-Rahmani r-Rahim Wir sagen "Ya Rabbana". Was können wir tun? Schreibt dieses heilige Wort und tut es auf die Stirn. Tut es über euer Herz. Tut es in euer Haus. Feuer verbrennt es nicht. Feuer verbrennt den Ort nicht, das Haus mit dem Bismillah darin. Keine Unfälle, Katastrophen, Schwierigkeiten können zu ihm kommen. Sonst wird die Dunya nicht genug sein für die ohne das Bismillah. Egal, wieviel Dunya Reichtum, Gold oder Silber sie haben, die Dunya wird doch nicht genug für sie sein. Eine Dunya ist nicht genug für sie, sie wollen eine zweite kaufen. Selbst wenn sie sieben Dunyas hätten, wäre ihr Herz immer noch nicht ruhig. Weil es immer noch begrenzt ist. Aber wenn ihr sagt Bismillahi r-Rahmani r-Rahim, öffnet es nicht 1 Dunya, sondern 1000 Dunyas. Es öffnet nicht 1000, sondern Millionen Dunyas. Bismillahi r-Rahmani r-Rahim, Jalla Jalaluhu, Jallat Azamatuhu.
Wo seid ihr, Gelehrte? Warum kommt ihr nicht hervor und sprecht? Warum sagt ihr nicht, welche Ehre der Islam, welche Macht die Muslime haben? "Fihi Shifa'un Li n-Nasi". Es gibt Heilung darin für die Menschen. Zusammen mit der Heilung, "Fihi Quwwatu li n-Nas". Im Bismillah, im Honig ist Heilung für unsere äußerlichen Probleme. Aber im Bismillahi r-Rahmani r-Rahim ist Heilung für jedes unserer Probleme. "Fihi Shifa'un Li n-Nasi" darin. Es ist nicht nur im Honig. Was im Honig ist, ist nicht so viel. Im Heiligen Quran und in der Ehre des Geliebten, daß er sagte Bismillahi r-Rahmani r-Rahim und in die Göttliche Gegenwart einging. Kein Prophet kann in die Göttliche Gegenwart eintreten ohne das Bismillah. Als der Sultan der

Propheten eintrat in die Gegenwart in der Nacht der Mi'raj, trat er ein mit den Worten Bismillahi r-Rahmani r-Rahim und machte Sajda. Ihr solltet Bismillahi r-Rahmani r-Rahim kennen. Masha'Allah, Masha'Allah, Masha'Allah... Wie schade für die, die es vergessen. Wie glücklich sind die, die es nicht vergessen. O Herr, mögen alle Schwierigkeiten von uns aufgehoben werden. Er (swt) machte die Dunya zu einer Durchfahrt für uns, aber unsere Sehnsucht gilt Dir, unser Herr. "Ilahi Anta Maqsudi wa Ridhaka Matlubi". Unser Herr, was wir suchen bist Du.

Alles außer Dir hat keinen Wert. Vertreibe uns nicht von Deiner Tür. 'Womit ist dieser Mein Diener gekommen?' 'Er kam mit Bismillahi r-Rahmani r-Rahim.' 'Öffnet die Türen!'
Unser Herr, wer uns ignorant sein ließ, sind die Armeen Shaytans. Sie werden sich gegenseitig erledigen, und die, die sagen Bismillahi r-Rahmani r-Rahim wa bihi Nasta'in werden bleiben. Die Allah akzeptieren und kennen, werden bleiben. Die meisten werden hinweggenommen werden in diesen Stürmen. Sie werden fallen wie die Blätter, die herunterkommen im Herbst, in Kharif. Die Blüten, die nicht herunterfallen, sind die, die das Bismillah sagen. Die Bäume, die sagen Bismillahi r-Rahmani r-Rahim weinen nicht. Ihre Äste brechen nicht. Ihre Blüten sterben nicht. Ihre Früchte sind unendlich, hören nicht auf. Wer sie sieht, sieht das Paradies. Bismillahi r-Rahmani r-Rahim. Unser Herr beraube uns nicht. Wir sind unwissend. Unser Herr, Du hast uns Deinen Geliebten gesandt, den Du liebst, und wir können seinen Wert nicht würdigen. Die Menschen wurden zu Tieren. Sie können nicht sagen Bismillahi r-Rahmani r-Rahim. Wer hat diesen Schlüssel? Wem wurde dieser Schlüssel gegeben? Er wurde dem Meister der Schöpfung gegeben, dem Geliebten Allahs, Habibullah. Seid mit ihm, euere Dunya und Akhirah werden erfolgreich sein. Bismillahi r-Rahmani r-Rahim.
Unser Herr, wir sind schwach. Wir sind schwach, o Herr. Sende uns Unterstützung, o Herr. Wenn Du von Deinen Dienern nur einen sendest, der das Bismillah sagt und ihm den gebührenden Respekt erweist, kann es alles auf den Kopf stellen. Aber Er (swt) setzt es nicht herab, indem Er es in diesem Sinn benutzt. Abgesehen von Allah dem Allmächtigen, Habibullah, nicht einmal ein Wali Diener Allahs benutzt das Bismillah für die Dunya. Hasha. Hasha. Bismillahi r-Rahmani r-Rahim von Vorewigkeit bis Ewigkeit ist der Schlüssel für Allahs des Allmächtigen Diener zu Seinen Schätzen. Er ist nicht für die wertlose Dunya, nicht für die, die hinter dem Kadaver her sind. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim.

Bismillahi r-Rahmani r-Rahim. Unser Herr, bring Heilung für unseren Körper, stärke unseren Glauben, o Herr. Kleide uns mit dem Gewand der Majestät zu Ehren des Bismillahi r-Rahmani r-Rahim. Kleide uns mit dem Gewand des Wohlbefindens, dem Gewand der Ehre. Unser Herr, wir sind Deine Diener. Zu Ehren Deines Geliebten gewähre uns Stärke, o Herr. Bekleide uns mit dem Gewand der Majestät. Du bist der Schöpfer der Schöpfung. Kleide uns mit dem Ehrenkleid, dem Gewand der Majestät, dem schönen Gewand des Islam, des Glaubens. Kleide uns mit dem Gewand des Wohlbefindens. Alles möge von uns aufgehoben werden. Du bist Subhan o Herr, Du bist Subhan. Subhan Allah, Sultan Allah, Sultan Allah.

In Sajda zu verharren, ohne den Kopf zu heben in Deiner Göttlichen Gegenwart.. Es geht darüber hinaus. Was können wir tun? Wir machen nur Sajda für Dich. Aber unser Respekt, unsere Dienerschaft für Dich geht darüber hinaus. Deshalb treten wir ein in die Göttliche Gegenwart unseres Herrn mit den Worten Bismillahi r-Rahmani r-Rahim. Wenn ihr es sagt, öffnen sich alle Türen. Sonst bleiben alle Türen verschlossen. Allahu Hu Allah, Allah Hu Allah. Allahu Hu Rabbi, Allah Hu Allah. Allah Hu Hasbi, Allah Hu Allah. O Allah, wie schön bist Du. Wie schön ist Dein Ismu l-Jalal. Möge unser ganzer Körper Deinen Ismu l-Jalal erinnern, o Herr. Laß keine Schwäche in uns. Du bist Al-Jalil. Ein Diener des Jalil Herrn kann nicht elend sein. Allah Allah. Was ist es dann, was die Elendigkeit von uns nimmt? Es ist Bismillahi r-Rahmani r-Rahim. Sagt es, und Allah der Allmächtige rettet euch vor der Elendigkeit. Wa min Allaha Tawfiq. Möge Allah uns zu denen gehören lassen, die etwas verstehen von dem Lobpreis Allahs des Allmächtigen. Er (swt) pries Seinen Geliebten. Womit kam der Lobpreis zu Seinem Geliebten? Er kam mit Bismillahi r-Rahmani r-Rahim.

Innahu min Sulayman wa innahu Bismillahi r-Rahmani r-Rahim. Nicht nur "Innahu min Sulayman", Innahu min Sayyidi l-Awwalin wa l-Akhirin, Sayyidina Muhammad. Die Einladung an die ganze Menschheit kommt von ihm. Risala, die Botschaft der Himmel, kommt von den Himmeln mit Bismillahi r-Rahmani r-Rahim. Vergeßt nicht, vergeßt nicht! Ihr werdet vergessen. Astaghfirullah. Tawba ya Rabbi, Tawba Astaghfirullah. Fatiha. Innahu min Sulayman - nicht nur der Prophet Sulayman, Innahu min Sayyidi l-Awwalin wa l-Akhirin. Dieser Brief mit dem Bismillah kam zum Propheten Sulayman mit seinem Befehl. Er sagte, 'Sendet diese Botschaft zu ihr, die das heilige Siegel der Himmel darauf hat.' Und als Bilqis ihn sah, begann sie zu zittern. Ihr sollet euch der Majestät im Bismillah gewahr sein und nicht unter den Schutz der Nationen

laufen, die kein Tahara haben, keinen Glauben. Wir wolle es auch nicht. Bismillahi r-Rahmani r-Rahim ist mehr als genug für uns. Vergib uns o Allah. Vergib uns, o Allah, vergib uns, o Allah. Sende uns, was Du uns lehren willst, unser Herr. Bismillahi r-Rahmani r-Rahim. Wa innahu min Sulayman wa innahu Bismillahi r-Rahmani r-Rahim. Allah! Innahu min Sulayman wa innahu Bismillahi r-Rahmani r-Rahim. Wie schön! Was für Erleichterung dieser Heilige Vers bringt. Welche Majestät er gibt. Innahu min Sulayman wa innahu Bismillahi r-Rahmani r-Rahim. Wir verstehen nichts. Möge unser Herr uns vergeben. Möge Er (swt) uns Macht und Majestät geben. Mögen wir keine Zuflucht bei den Ungläubigen suchen. Sie können nicht einmal sich selbst schützen. Wir sollten Zuflucht nehmen mit den Heiligen, die an der Tür Allahs stehen. Selbst einer von ihnen ist genug. Innahu min Sulayman wa innahu Bismillahi r-Rahmani r-Rahim.

Lefke, 25.02.2013

## Honoring Holy Commands Brings Endless Contentment

(Mawlana Shaykh stands.)

Yaa Rabbee, shukr! Dastoor ya Sayyidee, yaa Sultan al-Awliya. Stand up all creatures! I am standing. I am a weak servant. Whole creatures on Earth now are standing up following me, and I am the weakest servant standing up. All of them are standing up for the honor of our Lord, our Creator, Allah Almighty! Allahu akbar, Allahu akbar, la ilaaha illa-Llah, Allahu akbar, Allahu akbar, wa lillahi ‘l-hamd! Allahu akbar kabeera, w 'alhamdulillahi ‘l katheera, wa subhaanAllahi ‘l-`Azheem wa bi-hamdihi ‘l-Kareem bukratan wa aseela! La ilaaha illa-Llah, Allahu akbar, Allahu akbar, wa lillahi ‘l-hamd!

(Mawlana Shaykh sits.)

O People! Hear and listen, and obey your Lord’s holy commands. If you are asking to have an honor, you must give your highest honor for His Divine Presence. And you must give honor to the most glorified and honored one in His Divine Presence, Sayyidina Muhammad (s). Anyone asking to reach our Lord’s Mercy Oceans must give much honor and glory to the most glorified and honored one in His Divine Presence, Sayyidina Muhammad (s).

O People! As-salaamu ` alaykum wa rahmatullahi wa barakaatuh. We are asking for you goodness! We are asking for you blessings! We are not against you, O People! Don't think that any holy ones are going to be against common people. And we are saying, a` oodhu billahi min ash-Shaytaani 'r-rajeem. Bismillahi 'r-Rahmaani 'r-Raheem.

We are running away from Shaytan and Shaytanic efforts, because Shaytan asking to give the servants of our Lord, as much as it can do, trouble and sufferings and miseries: that is Shaytan's mission. The Lord of Heavens takes him away. I am ashaming to call Allah Almighty for the reason of Shaytan and saying, "O our Lord, take Shaytan away from us." O People, even a small ant and smaller than an ant, a virus, may take Shaytan away. I am saying 'virus' that belongs to the level of Shaytan. I am not speaking about the virus that is running around on this planet, running around living ones, no. I am saying 'virus' that is on the level of Shaytan. That is another kind; that 'virus' is not the same virus that is surrounding this planet. It is another kind, because Allah Almighty, the Creator, can create everything as He likes. No one preventing our Lord to create or to do something!

Beware, O Mankind, from your Lord's heavy punch to come on this planet and make it down and disappear. Divinely punch not like such a planet; if Divinely punch reaching, whole space that we are looking at and wondering about, making that to be crushed, finished! He is Allah Almighty (swt)! (Mawlana Shaykh stands.) O People! Fear from your Lord, Allah Almighty! Come and listen, come and be obedient ones or sending on you some viruses to take you away and not through one day, not one hour, not in minutes or seconds, but smaller than a second's time; may take everything from existence, to be nothing in existence!

(Mawlana Shaykh sits.)

Fear from your Lord, and try to be respectful for His holy commands. Take heavenly commands with the most respect and don't take heavenly commands lightly. Don't take holy commands in such a way that you never giving respect! You must give your most high respect for His commands and you must say, "sam`an wa taa`a - We are hearing and obeying, O our Lord!" O our Lord! O Allah! Maa ` azhama shaanak. We are so, so weak. You are so Great, so Majestic, So Glorified. Your dominions are countless and through dominions,

countless oceans of life. He is Hayy. He has His existence from Himself. No one giving to our Lord to be in existence, but He is that One who is giving life for whole creation. By His command, coming life for everything. It is only enough for our Lord to say, “Be!” and a life coming into life.

I am ashamed to say this for our Lord, because His Greatness is endless. But that word, one of His chosen, holy ones, may say according heavenly order, “Come and be alive,” and (life) may come. But I am saying this for making a clarification for people (about) Allah Almighty giving life, saying, “Living ones, be alive.” He is so High, Allah Almighty, so Great. Whole creation, whole creatures in His Divine Presence never going more than a dharrah, atom and less than atom; means they are nothing.

He has Real Being but everything, they never granted a real being. Real Being, Reality, Absolute Reality is for the Lord of Heavens, for the Lord of whole Creation and His creation is never-ending. When began and when going to finish, no one knows except Him. When began and when going to finish? Finish! Understand? What does it mean, “finish”? Don’t say, “I am this one, I am that one.” O Mankind! Try to learn good manners, particularly good manners for your Creator. Be a good one with your good manners, adab. O People, that is also one of the biggest pleasures and good tidings for Mankind. Such words signing something about Eternity. No one, even prophets, can bring a real t` areef, description or explanation about Eternity. Eternity, Eternity. Therefore, Allah Almighty, He is only One, can’t be a second one. He is only One in Himself. No one is helping Him to be in existence, but He is giving existence countlessly to everything from pre-Eternal, and no one can know what is the meaning pre-Eternal, azal and abad , Eternal. Allahu akbar!

O People! Such words, such explanation, they are granting now through such an instrument, asking to reach to everyone; with some knowledge as a foundation. Because coming days bringing something for Man; that ‘something’ needs a foundation. Coming a new understanding, a new page opening through Creation. Because every day there is another appearance; today’s appearance never the same as tomorrow. Therefore, your understanding about Eternity going on endlessly and never finishing. That is from our Lord; a countless grant to Mankind, that they have been appointed through all Creation to be his deputies. Perhaps everything, they have something from knowledge about their Creator.

Therefore, everything according to their understanding making tasbeeh, glorifying for their Lord with their different languages. Everything, they are giving glorifying for their Creator. Daily that is changing also. Today's glorifying is different from yesterday, and for tomorrow, glorifying of that creature just changing. It is another grant from their Creator: to give their glorifying for their Lord, not on same words. No, they are changing, just changing. Do you think if a person inviting Sultan and everyday putting beans on his table? Daily, daily, daily. Therefore everything in existence, they have a special name with special appearance, with special understanding, daily. And every day they are giving most high glorifying to their Lord, daily.

Therefore, Prophet (s) was saying, "O People, think about yourselves, your being, but don't try to think and to learn something about your Lord's Absolute Being." Understand? Where we are? We are so weak ones, but daily coming new things to make our lights more clear, lighter and brightened. And that one, getting much more honor through glorifying their Lord. When a creature giving his or it's glorifying to their Lord, their Lord granting them something else. Some more honor and lights and brightness and endless grants coming from heavens.

Therefore we are saying, if Allah Almighty asking for anything to come in existence, He is saying, 'Be' and it is coming. They are speaking on that point that from everyone in existence, highest level through creation granted to Mankind, beyond Mankind. We have been honored to be our Lord's deputies, but deputies' levels also countless. You are deputy, he is deputy, that is deputy, but his deputy-being just different from that one and yours just different. And levels of deputy coming countlessly, and this deputy, that Holy Qur'an saying about Adam, he has been created for this planet, and the Lord of Heavens glorifying him; takreem, honoring him. But some holy ones, they are reaching high-level standards through heavens. How many heavens? They are seven heavens; that is manzhooma, a system that belongs to this Creation. Beyond this, how much existence that keeping honor of being deputy? How many kinds of deputies? This is impossible for one Adam, that created being and his generation. They are deputies, but they not being a full 100% deputies. Hundred percent they are deputies of Allah. It is so impossible, therefore countless creations are created for being their Lords' deputies.

Therefore some awliya saying that the number of `alam, universes, Adam is one. But like Adam and his universe, what opening coming to some real knowing ones through their being deputies, is that 124,000 Adams just passed away and our grandfather Adam was the last one from 124,000 Adams. And nothing preventing Allah Almighty to create more than this, but this is only according to our capacity. So that such an explanation or understanding now coming to people that they may understand something about Who is the Creator and what is His power. Don't be like such drunk people that said this universe was one atom and exploded and being this and that, Big Bang. They are so wasikh, dirty and dirty-thinking. It is not a good explanation. No, no. Countless universes, with countless kinds of creatures and with countless deputies of their Lord. May Allah forgive us.

O People! Such things coming now to make your understanding wider, wider, wider. Because as much as you can understand, you can reach a tumaaniyya, contentment through yourself. Through contentment you are feeling like a person as if sitting in a hot place and (fresh) weather coming; refreshment coming to people through such explanations, because they have been created to know more and more, more and more, more and more. And as much as they have been granted their refreshment, their contentment, happiness, enjoyments and lightenings going to be more and more! With such conditions, that you can't add them.

O People! May Allah forgive us. We are wasting our times. Wasting our most precious grant from our Lord. Wasting, so that so many people remaining on the same level. Only such a people whom they are trying to understand what is granted to prophets, messengers and heavenly ones; they should have such a pleasure that no one can know. Only those who may taste it. O Allah, forgive us for the honor of most honored one, Sayyidina Muhammad (s).

Fatihah. 38? (40 minutes)

(Mawlana Shaykh sings.)

Dome dome dome dome

Dome dome dome dome

Dome dome dome dome
Dome dome dome dome

Huuu, through those worlds, through those universes such a heavenly singings coming that making a dead one to stand up! We are only making an imitation.

Dome dome dome dome
Dome dome dome dome
Dome dome dome dome

Dome dome dome dome

Dome dome dome dome
Dome dome dome dome
Dome dome dome dome
Dome dome dome dome

Just we have been granted such an addressing to people because in the past times it was not opened, but the Last Days are so near that strange, very ajayib, unexpected knowledges and understandings are going to be open for people who are living on this planet! Make us, O Allah, to understand something.

Tawbah yaa Rabbee, tawbah yaa Rabbee, tawbah yaa Rabbee, tawbah astaghfirullah. Shukr yaa Rabbee.

Shukran yaa Sayyidi ’l-awwaleen wa ‘l-akhireen. Shukran yaa Sultaan al-Awliya. We are weak ones. We need an understanding.

Lefke, 02.12.2009

## Honor Is a Heavenly Dress

(PapiergeldIstHaram, dt.)

(Mawlana Shaykh stands.) A`oodhu billahi min ash-Shaytaani ‘r-rajeem. Bismillahi ‘r-Rahmaani ‘r-Raheem. Madad al-Haqq, yaa Rabb. Dastoor, yaa RijaalAllah. (Mawlana Shaykh sits.)

As-salaamu `alaykum. Mubarak, blessings upon you on this holy day through this holy month. Perhaps it is the holiest month Rabi` ul-Awwal that the Seal of Prophets (s) came from heavens to this world to give blessings from Allah Almighty to his nation. We must be thankful to Allah Almighty that He created us and chose us to be part of the nation of Sayyidina Muhammad (s)! (Mawlana Shaykh stands.) That is the biggest chance for us. (Mawlana Shaykh sits.)

As-salaamu `alaykum! We are saying a`oodhu billahi min ash-Shaytaani ‘r-rajeem. Bismillahi ‘r-Rahmaani ‘r-Raheem. That is a title of Muslims through their speech and through their writing. It is the sign of Islam. If you are seeing that a person is saying, a`oodhu billahi min ash-Shaytaani ‘r-rajeem. Bismillahi ‘r-Rahmaani ‘r-Raheem, for him there will be a shahid (witness) that he is a mu’min. And for writing also, if you see in his writing he is beginning with Bismillahi ‘r-Rahmaani ‘r-Raheem, you must say that this is a Muslim and a believer, and he is a follower of the Seal of Prophets (s), and he has been protected from Shaytan’s tricks, and

you may practice what he is going to teach you.

Yes, and we are saying that people must know that they are Muslims. I'm saying, a`oodhu billahi min ash-Shaytaani 'r-rajeem. When you are saying a`oodhu billahi min ash-Shaytaani 'r-rajeem, my belief is, if anyone is saying a`oodhu billahi min ash-Shaytaani 'r-rajeem and asking to work or to speak, I don't believe that person will not be protected. He is protected from the tricks of Shaytan. Shaytan is coming from everywhere to make fasad (corruption), and main reason for corruptions on Earth now is that people are not believing that there is a Shaytan. They ask, "What is Shaytan?" and I am saying, we want to see who is Shaytan! Yes, and (for it to be) impossible (for Shaytan) to come closer to you or to put a trick for you to make you in its trap. When you are feeling yourself in a difficult position, say a`oodhu billahi min ash-Shaytaani 'r-rajeem. (You must think,) "Something wrong came here, because I am not running to my Lord from the tricks of the most dangerous enemy of Mankind":

••••• •••••••••••• •••••• ••••••• •••••••••••••• ••••••••

inna ash-Shaytana lakum `adoowan fattakhidh-hu `adoowa. Verily Satan is an enemy to you: so treat him as an enemy. (35:6)

O Salafi `ulama! What do you say? You are understanding the Holy Qur'an and Allah Almighty is warning in the Holy Qur'an, inna ash-Shaytana lakum `adoowun mubeen, it means that Shaytan is the biggest enemy, and most dangerous one for Mankind. All troubles are from Shaytan. He opened the door of troubles on the day that Allah Almighty ordered him to bow to Adam (a).

O Salafi `ulamas! What are you saying? You are denying that sajdah. It is forbidden, we know it. But what you say is that, Allah (swt) is saying that sajdah is only for Allah (swt). And if a person is making sajdah to someone, you say that that person is a kafir (unbeliever), and you can't say this. (You must judge) according to conditions, because there is sajdah for obedience in servanthood of our Lord, Allah Almighty, but there is also sajdah for tazeem, for honor or high respect. Therefore, if a son does sajdah to his mother or father, it is okay.

••••••• •••••••••••• ••••••••••••••

Innamal `amaalu bin-niyaat; Actions are according to intentions.

If you are making that, it is for takreem (human dignity), and high respect from children to their parents is okay. Before the time of Sayyidu ‘l-Haqq (s), children were giving their high respect for their parents. But now that respect is just taken away; they are never giving their respect to their parents.

It is an order from the Lord of Heavens (swt) that you must respect your parents. Even if you do sajdah for them, that sajdah is for taqdeer (appreciation), and it is okay. Allah Almighty is not going to ask, “Why did you make sajdah to your parents?” No. He may ask, “O My servant! Why did you make that bowing to your parents?” And we may say, “O our Lord! You ordered that we must give our high respect to our parents.” And we did not make that sajdah for `uboodiyyah (true worship of Allah [swt]). No, ta`zheem (respect) is one thing, and worship is something else.

Now people have lost respect. Democracy, peace and this dirty system is making people to think, (Turkish) sen sen, ben ben, “You you, me me.” SubhaanAllah. Allah Almighty created the ego and said to the ego, “Come,” and (the ego) was going back and when He said, “Go back,” (the ego) was coming forward. Every order that Allah Almighty was giving, the ego did the opposite. Therefore people are now sen sen, ben ben, “I am belonging to me and you are belonging to you, no difference.” And Allah Almighty is ordering to keep respect for ahlu ‘l-qabr (people of the grave), that is in an ayatu ‘l-kareemah (noble verse of Holy Qur’an). You must give honor to honored people, these honored people are honoring their Lord. Those are honored ones, not like those honored ones with imitated titles who cannot give you any honor from Allah Almighty. Who is honored, you must give honor to them. If they are not taking honor from the Lord of Heavens, they are not honored people.

Honor is a heavenly dressing. And Allah Almighty is dressing his servants as He likes, with the dress of honor. That is real honor. What people give to you, such and such medals and rewards, don’t think it is honor. No! Their honor reaches up to the gravestone placed over their dead body, over the coffin, and finishes after that. We are asking for a dress of honor forever for us, but Shaytan is cheating people and especially the system people are using through east and west. They are running after imitated titles and they are never asking for the dress of honor from heavens. That is their ignorance. Try to have heavenly honor, and when that dresses you, it will never be taken away; it is honor for you. But people, from the morning they are running like other creatures, running after their provisions, they are thinking of nothing else except this. The common people are running to find their daily provisions, nothing else.

And the second level of people who are saying, “We are your bosses,” are running quickly to open their computers, saying, “How much have we reached today? Yesterday it was $300 billion, but today we must reach at least $500 billion to be number one in this world. Then we can be honored by governments, particularly His Excellency, President Obama, who may call me for a meeting with him, asking my support, because the US is in an economic crisis, and how to save the US from this dangerous position. Yes, I must be from this type!”

From early morning until late night there is nothing else on their minds. They are making so many instruments and those instruments bringing to people countless news to make them happy. But those people only care about which number they reached today. Yes, write “1” and put after it a zero. Second day, we must add another zero so it can become 100. Third day, we can add two zeros so it can become 10,000. Right in front of you, they say, “In the Bank of England, I have cases filled with gold and all of them belong to me, but I can’t carry them. Therefore, I am putting them under the protection of the Bank of England or the National German’s Bank.” (All those people) are bankrupt, they are finished! Arabs never take any care, there are countless riyals with us and we are giving them to people. Before they were giving silver coins.

O Salafi `ulamas! You are so young that you don’t know that fifty or sixty years ago, silver and gold was used in Saudi Arabia and now they changed it, and now they use paper money. They write on it, ‘This is five riyals’ or ‘fifty riyals’ or ‘five-hundred riyals’. Make a new one and write on it ‘one-thousand riyals’ (looks at paper).

O Salafi `ulamas! What is your opinion? Why are you not saying that it is haraam and of no value? You are saying, “We are so careful not to take any interest.” If you are, then how you are printing money on paper and saying, “This is one-thousand riyals”? Why are you cheating people? Are you not fearing from Allah Almighty, Who granted to you such a richness? You are keeping gold in your cases and giving to people a paper written on it ‘one-thousand riyals’. That is haraam! All you know is only to attack on tariqah, to say this is haraam, that is haraam, that is bidaa`. That is not bidaa`, but what they are saying is haraam! Why are you saying this?!

Heavy bombarding is coming on them! I am nothing, but their names have been written up, and the sahmun intikaam (arrows of revenge), are turned towards them. That is what we are saying. They only give importance to not saying, as-salaatu was-salamu `alayk, not to stand in front of Muwaajahaa-i'sh-Shareefah.

Such things are not munkar (denounced) and you can't say that sending salawaat on Prophet (s) is munkar! Allah Almighty is saying:

••••••••••• ••••• ••••••• ••••••• •••••••

W `alamoo anna feekum Rasoolullah, Know that Prophet (s) is within you. (35:6)

You must know that Allah is saying, "My most glorified one, whom I am glorifying from pre-Eternal up to Eternal."

I am asking the Salafi `ulama, what was written on `Arshullah, the Holy Throne. They may say to me, "There is only written on the Holy Throne 'la ilaaha illa-Llah, not Muhammadun Rasoolullah'." (Mawlana Shaykh stands.) Allah (swt) will give them punishment! They are leaving the most important thing, which is so clear. It is haraam; there is no paper money in Islam! Where is your amr bi 'l-ma`roof wa an-nahiyy `ani 'l-munkar (enjoining good and forbidding evil)? Why no one is speaking on this point? Astaghfirullah!

May Allah (swt) forgive us. You must understand that whoever is appointed to be our kings or presidents on power, they will be punished. They will be ibrah (an example) for everyone. You must know this!

O Muslims! This machine (Internet) is carrying this speech through East and West. So many Wahabi people are fighting against us tariqah people. Why are they not objecting on paper money, as it is not in Islam; it is haraam, bida`, shirk! Why aren't the Wahabi people saying this? Say it or Allah's curse will come on you! Therefore, I am not carrying paper money. (Mawlana takes coins from his pocket.) If we put this in water it doesn't disappear and if we put it in fire it doesn't burn. You can't even cut it!

O Wahabi People! Who are against tariqah people, especially Naqshbandis, I AM NAQSHBANDI! MY TEACHINGS WILL REACH THROUGH EAST AND WEST, AND WE ARE GOING TO BE VICTORIOUS!!!

(Mawlana Shaykh stands, recites salawaat and sits.)

Fatihah.

What am I looking at? I am looking at a safeer (ambassador) of heavens, saying, "Come with me." I must say what is true and may Allah (swt) forgive me if I am wrong one. If I am true one, following true ones, may my

Lord reward me, for the honor of the most honored one, Sayyidina Muhammad (s)! (Mawlana Shaykh stands and sits.)

Fatihah.

## Your Honor Is to Follow Heavenly Ones

Yaa Rabbee, shukr. Yaa Rabbee, shukr. Yaa Rabbee, shukr. (Mawlana Shaykh stands) Allah Allah, Allah Allah, Allah Allah, Hasbun Allah. Hasbun Allah wa ni`mal wakeel ni`mal Mawla wa ni`mal Naseer.
Zidhu yaa Rabbee `izzan wa sharafan nooran wa surooran, wa ridwaana wa sultaanan wa man tabi`ahu min al-anbiya wa 'l-awliyaa wa 's-saaliheen, yaa Rabbi 'l-`Alameen. (Mawlana Shaykh sits) O Rabbana, `afwak wa ridaak. O our Lord, we are weak servants! Give us, O our Lord, our Creator, much more strength for standing up for heavenly obligations. We know we are weak ones, as You Almighty are saying: (Mawlana Shaykh stands)

•••••••• •••••••••• ••••••••

Wa khuliqa 'l-insaana da`eefa.
We have created man weak. (4:28)

(Mawlana Shaykh sits) As you said, O our Lord, "Man is created weak." irham da`fana, Have mercy on our weakness. You grant us from heavenly support and sufficiency to stand up for Your holy commands, to keep them and to follow Your heavenly commands. O our Lord! Please write our names under the table of good ones, good servants. If our names are written as bad servants, we are asking for forgiveness and Your blessings!

We are saying our salaam and salute for our world's commander, qutb, Qutb al-Mutasarrif, who is looking after everything on behalf of our Lord's command.

May Allah forgive us. Ask forgiveness and you will find your Lord forgiving and granting from endless Mercy Oceans, from His endless Blessing Oceans! Look at yourself, O Mankind, and don't claim useless things, that you are strong ones, that you are victorious ones, or that you are powerful ones, because you have so many aspects from this life. Don't think that material aspects are giving you power, no! Don't believe that material aspects are supporting you. Don't trust people who are heedless ones or ignorant ones; who are they trusting? Mankind! They are heedless ones, and those no-mind people are those who trust material aspects and become proud with massive treasures. Those are unlucky, no-mind people and losing their chance in the Divinely Presence.

O our Attenders! Don't trust your imitated titles; leave that. Don't trust on material aspects. If trusting on material aspects, they are so foolish, no-mind ones and their levels are under the levels of animals. Those people are even going to be cheated with their dressing and their nonsense titles. Now you may even go in a government office and see a person sitting at a desk with writing, "Chief Commissioner, Mr. Foolish One." Or it is written on it, "Director of this big building, Mr. Monkey." Or you are entering and looking at a very fat person sitting behind a table that is very well decorated and his chair may be enough for three people to sit on, but it is only for himself, and in front of him is written, "Mr. Chairman of Limited Companies, Mr. Elephant." Or getting in it and you are finding a person, never smiling, a very, very proud one and if anyone is entering inside, showing that he is so proud and never saying, "Sit down, " but saying, "Look where you are, in front of whom." It is writtten on that one, "Mr. Chimpanzee, the First from Monkey Territory." And another one is sitting behind or on the left hand side of that one, and it is written on its table also, "The Second Chairman for the Monkey's Territories, Prime Minister, Mr. Orangutang." Or you are entering to another office to ask for something and see a very angry person sitting, and his chair may be for three people, sitting on it and putting his eyeglasses like this.

He says, "Who are you?"
"O Your Excellency, I am your servant."
"What do you want?"

"I want to reach a monkey's area in southern Africa, to be the chimpanzees' chairman."
"Yes sir, you are my servant!"
He turns to his assistant and orders, "Please write that he is asking to be deputy in the jungles of India, and that his order must be there in writing. Put my stamp on it and send him away!"

Are you understanding what I am saying? Yes, that is a reality, that those who have some power in their hands are looking at people as if they are downstairs and looking for themselves as upstairs. Therefore, they are looking and saying, "Who are you? What do you want?"
"I am Mr. Cock, here to complain about foxen."
"What are they doing?"
"They are always running after cocks, hunting and eating them. We are looking for justice."
That magistrate turns to his assistant and orders, "Please write for them that order, that I am the king of jungles, ordering to wolves that they must be very, very keenly looking after jungles, for everyone to keep to their levels. That is my order. If wolves are meeting foxen running after cocks, you must stop that. If dying, they are not making trouble for cocks and hens also."

OK? Understand? Now in all countries you may find such people who think they are special ones in the jungles of this world, and they can do anything or make trouble for everyone, but they are never happy to be in trouble by anyone, even from ants! Why are we saying this, O our attenders? Because you are not understanding heavenly knowledge. They are making me to speak on your levels, the level of animals, the level of jungles. I can't speak about up, because our attenders are never taking any care; therefore, I am saying their real personalities are under the levels of animals! Some of them belong to Australian deserts, Indian jungles, at desert peoples' levels. I must speak to you like this because you are not understanding heavenly declarations; you are never giving any value, so I am making a theater for you today!

Yes, you are so proud! Shaytan is blowing to everyone from Mankind that, "You can never be an ordinary person; you must always be a VIP." So we are coming down and showing the egoistic levels of people living on this planet. The Lord of Heavens is calling you to His Divinely Presence, but you are insisting to be VIPs on this planet. Take your VIP ranks! Who is asking to be on a VIP level on this planet, their names are appointed from Heavens as wolf, fox, snake, bear, tiger, or wild animal! People now are insisting to be on the level of animals. Very few people are asking to reach VIP people in Heavens; their interest is only for this life. Take it!

But it is going to be written, "That was a representative of wolves, or foxen, or donkeys, or of so-and-so."

Why are you not trying to be a heavenly representative on Earth? You are always going to be angry with me because I am asking you to look up, to ask for heavenly ranks and heavenly honor, and all of you are running to imitated honors of imitated titles. Therefore, they are making me say to you in such a way that those who follow their egoistic demands are on the levels of jungle animals. If you are asking for honor that will be for you from pre-Eternal up to Eternal, you must ask for heavenly honors, but that will never reach you until you are following one heavenly personality, heavenly beings, messengers and their real followers. If you are asking for honor, follow them. If you are asking the honor of this world, your honor is on the level of jungle animals.

O Salafi `ulamas! Marhaban. Kayfa haalukum al-yawm, How are you today? Are you happy now? Do you think we are speaking wrong? You can't say this. Don't be angry. All prophets were coming for what? You are saying, "We are `ulamas." The Lord of Heavens created Mankind for what? Say! Say to people, to learn and to know, beginning from sultans or presidents or prime ministers, or this one or that one, who is carrying imitated ranks only lasting up to the graveyard and not beyond. Why are you not reminding, "O People! You were not created to run after imitated titles or treasures." Why are they imitated? Because you are going to leave them when you leave this life; you are leaving your treasures and going only with your white burial shrouds. Why are you not saying this matter also every Jumu`ah? Is it not written in the Holy Qur'an? How are you reciting the Holy Qur'an? How are you reciting the story of Qaroon? Why are you not saying to kings and presidents about Qaroon's treasures and that his name is mentioned in the Holy Qur'an? Why are you not reminding people?

Every Jumu`ah you must say, even daily you must say to people, wa dhakkir, remind of the holy command of the Lord of Heavens. You must remind people what is good for them and what is cheating them. As another goal that daily they are shooting artillery shells at you, why are you not declaring daily to people? Say! If not saying, be in fear from the Lord of Heavens, Who will ask you, "Why were you not teaching My servants what is reality, and which thing their Lord was asking from them?"

O `ulamas, doctors of Shari`ah, `ulamas of Azhar ash-Shareef, and Salaaf as-Saalih! You are making dunya on your heads and Salaaf as-Saalih were putting the Earth under their feet! How are you claiming, "We are

Salaaf as-Saalih `ulamas." May Allah forgive us.

I am sorry to say such things, but it is a heavenly order that I must say, and I am addressing to my ego first. Anyone who is interested may accept and follow it, and he may take benefit here and Hereafter. May Allah forgive us.

Fatihah.

(32 minutes)

It is written from Heavens that they are attending, and the stations of attenders are VIP stations, while others' are animals' stations. They may choose to attend these gatherings or not, it doesn't matter.

Fatihah.

(Mawlana Shaykh prays two rakaats Salaat ash-Shukr.)

Lefke, 18.07.2010

## Honor for Man Is to Know What Allah Loves Most

Yaa Allah yaa Allah madad ya Rijaalullah madad! (Mawlana stands.) La ilaaha illa-Llah, la ilaaha illa-Llah, la ilaaha illa-Llah, Sayyidina Nabiyyina Muhammad rasulullah (...) (Mawlana sits.)

Huuu... thumma salaam alayka, yaa Sayyidina Sultan ul-Awliya, who is controlling everything from arsh to farsh, from high levels of heavens as well as up to down last point that people's knowledge reaching there. Beyond that point no one knows. And they have also a limit, last point that they are knowing and beyond that they knowing nothing. If they are forcing themselves for looking, they can't carry appearances of those levels and they may be just returning to be no one. And we are saying a`oodhu billahi min ash-Shaytaani 'r-rajeem. It is protection for Mankind in front of bad or dirty ones, dirtiness, protecting from it. When saying a`oodhu billahi min ash-Shaytaani 'r-rajeem, dirtiness can't come to that one; therefore, use it!

O Our Listeners! As-salaamu `alaykum wa rahmatullahi wa barakaatuh. Take it and use more care, our life going to reach an end. For everyone, there is a light for their life, giving lightening and coming down, down, down till reaching point of zero, the point of finishing. The life of this planet has a very, very short limit! Through short time the Lord of Heavens creating such creatures, from millions to trillions to quadrillions.

O Salafi `ulamas, marhaban, marhaban, welcome. You are teachers that teach people that the Creator, our

Lord, rabbuna wa rabbukum, no limits for His Power Oceans and no limits for His Will Oceans and no any ending for our Lord's miraculous or majestic Kingdoms' Territories, and our Lord's endless Power Oceans, that through them no one knowing the numbers of universes that just created; some of them appearing, some of them disappearing.

O Man! Try to learn for Whom you have been created, for Whose servanthood you have been created! Take much more care! Caution for you! Such a things that they are making me to speak on is always on the level of nothing! Whole creations that our minds and our understandings never reaching about their real beings. Take care (to learn) who are you and for Whom you are servants? That such a knowledge given us, such a refreshment through our real being. Two kind of beings: imitated beings and real beings. Now we are through imitated beings' oceans and Allah's (swt) Greatness coming and showing, make a show through Creation then they are going to disappear, and no one knowing from where coming and to where going.

O Salafi `ulamas! You are claiming that you know something. Don't say, "We know something," but say that you know nothing. Always claiming to know something, but they are not reaching a level where may look to see something of Allah's (...) Oceans, to see His Divine Attributes. Yes, you may know something, but you must understand what going to be sent to my so-simple heart, something you must try to understand. Now we are running to reach to one of endless, endless Reality Oceans, to know something, kullu `ilmin yadul li 'l-`abid, to Unknown Ones' existence.

Every knowledge leading people (to know) the existence of the Lord of Whole Creation, and we are asking that they are trying to learn something through that knowledge. We are trying to approach to learn something about our Lord's Existence, dhaat (essence), and siffaat (attributes), asma (names), and af`al (actions). The Almighty's Existence, what they are saying about that now is only a limitation by creatures. We are not yet reaching another level of knowledge or understanding. Through that knowledge, we are asking to approach for understanding one of endless sources that belongs to heavenly beings of the Lord of Heavens! We are asking to approach for 'ilm, knowledge, because there is such a pleasure (in that) for your hearts.

For some, there is such a pleasure to reach to that point and those pleasure levels are countless. It is not only one level that people reaching, getting mutlaq, absolute pleasure, no. Because that is something from main knowledge levels, something you can't reach; it is a grant only from Allah Almighty. For example, you are

looking at sun in skies. The sun is a big grant from our Lord to people living on this planet. It is okay (...) if we are asking to (...) a little bit more, you can't do. You can't do. The level of pleasure is with Allah Almighty, because without Allah Almighty there is no pleasure for you. Allah Almighty giving to His servants to reach a level to be in pleasure with their Lord.

Now people are thinking, "What we are going to do when we are passing away?" The Lord Almighty is saying, "Now I am just occupied, something from My Divinely levels that you can't reach." (It means) if you are going to reach, you are not going to taste anything. Like a small baby, you are going to eat what gives you pleasure. If you try to give to a small child what making your pleasure, you can kill it. Therefore, you must try to get up, to climb from one level to another, from that level to another, from that level to another.

Everything that belongs to Allah is eternal, no beginning and no ending. Everything belongs to Allah, our Creator! And if you are asking to give something that you are eating, you may kill that one. Because that one may not know how to swallow, and may pass on. Therefore, we are here now for a preparation when we are going to present for Lord of Heavens. We must learn and we must be prepared for that levels to reach up. And prophets are saying the most simple knowledge about our Lord's Heavenly Presence, or heavenly presenting in Divinely and Heavenly Appearance.

Now, we are saying, a`oodhu billahi min ash-Shaytaani 'r-rajeem. Always, Shaytan, through his worst attribute, he is asking to prevent Man to reach maraatib, ranks, not to reach and not to taste. Therefore, he is trying to occupy Man with such nonsense. Now for people to be occupied with such a nonsense, talab, request, making people on zero level. Shaytan asking to make people, when they are asking to go up, taking them on a wrong way, taking them to a level that they can't see, they can't hear, they can't taste! Like such a small creature living under Earth, can't see, they are making work for generations, they can't taste. Therefore Shaytan is making so people can't taste anything from illaahiyaat, divinity, taking on wrong direction, and now whole world on wrong direction. There is explanation for that: people never tasting for their spirituality, but they are running after their material being.

They are never tasting for their realities that are taking them to their mawjood, heavenly creation. They are in such a way of laa yubsiroon, no hearing, no listening, no looking, no tasting, nothing! You bring a small insect under Earth and you put it on a king's table, what it is going to taste? Nothing. Even if you are having on that

table so many things, that small creature running away. Why the Lord of Heavens is asking to teach servants? For what they are living, for what must be their last target or aims? People not knowing (this purpose), people knowing only that everything for this world is their last desire to reach there. There are some clean insects, but there is also some living in dirtiness.

Those first ones' levels are higher, but the others are pleased with their delicious desires, they are happy. But there are others living on dirtiness and never asking to go to high levels, the most high levels that are just granted to Mankind, to know, to do, to taste. Yes! Allahu akbar, Allahu akbar wa lillahi 'l-hamd!

Now we are speaking to Salafi `ulamas. Prophet (s) once was speaking to (do) best actions, anna khayru 'l-`amaal, you understand? I think so. Best actions or best efforts, what is that? A Sahabi (r) was asking, afdal 'l- `amal, best work for a person, what is that? Perhaps Salafi `ulama knowing this hadith, but there is another that Prophet (s) said what is the best efforts, the best doings, what is the most precious thing? Yes, Saheeh hadeeths? What is that we are asking from Salafi `ulamas? What do you think? Why so many days you are only speaking on such a topic?

Now coming answer that people asking. "What is the best effort, best praying, what is that?" Prophet (s) was saying al-`ilmu billah. Most important point that giving Mankind honor, al-`ilmu billah, to know what Allah (swt) loves, what is best actions. We may give an example. You may be called to a policy session and you are going there and you are looking at a person sitting behind a table and he written now new fashion, written name and written under it "most famous teacher through Damascus," yes, this is one. You may be called in a king or sultan's place, to his sultanate and appears on him in that area not same as a policeman sitting, that is man. For which one you are giving your most high respects, for police or colonel also? We are taking this out myself, I may see them, I may find such a people. But when you have been invited for Sultan's feast, you are understanding and yourself preparation going to be same as for a (chawish)? (...) Sultan giving you an honour, and therefore so many days they are sending people as a message for their Lord's holy beings or for Lord's holy being, for their understanding, as much as you are understanding Sultan's grant coming to you.

Once a person from Bedouins was asking to go to caliph's centre, to city, and he was asking, "O my darling, I am intending to go today to see Ameer al-Mumineen, Muslims' Sultan. What is a good thing for me to take because it is not a good thing to go empty handed. "Finally their ideas coming together and they are saying,

“O the best thing we can take is water. Abee batal, fill the bucket, that is best.” Because he was living in desert and in desert nothing going to be much more precious than water, and he was carrying this, going to Sultan’s palace. And guardian saying, there is someone to meet khalifata 'l-Muslimeen Sultan. “Come in, welcome.” He was coming in with his bucket of water and giving his salute to Sultan and saying, “O your Majesty, I am bringing to you a bucket of water.” Sultan saying, “O well done, memleketli, citizen. I am so happy that you are bringing water.” “Yes, you are Sultan, and I am bringing to you most precious gift, I am filling and bringing to you.” Sultan was saying, I am so happy you are giving to me,” and he was ordering to fill his bucket with gold, and taking, going back to his wife in his tent. And he was so happy that Sultan granted to him a lot of golden coins. And then his wife looking, “What is this? What is gold? It was better to fill a bag with straw, it was so valuable for us, and our donkey was needing and asking, it was so precious to us!!! Put in front of our donkey.” And then bringing, (dumping that gold) into a heap, and the donkey was looking. (Mawlana makes puzzled expression.) “I am asking what is that?” speaking, giving a lesson.

You must understand your Lord and His endless generosity. He is granting us such a thing but we are donkeys, making like this for gold: we are asking for straw. Don’t ask for straw, ask for strawberry! Yes, and now people they lost their meezaan, balance. They are never interesting for gold, but they are interested for straw. Therefore, command from holy ones to people living on this planet, saying anta kulli bi haqqi haqqa is true! People are asking for straw. Leave them and they are asking for strawberries or straw! They are never interesting for jewels, they are asking for straw. And that is the reason for economic crisis, that whole world fell in it, because they are asking for strawberries, saying, “Where is straw?”

O Our Listeners! Listen and try to understand what our Lord Creator granted to you and promised for you up to Eternity! And you are asking for straw and they are saying “economic crisis.” For what you are saying economic, you are asking for straw, you are like a donkey bringing stones, donkey never interested, donkey much more clever than its owner!

O People! Be interested for Endless Life through heavens! Beware, (...) when you are going to make your Lord happy with you, He is going to pleased with you and making you to live in pleasure and enjoyment!

May Allah be pleased with us, for the honor of His most honored one. Sayyidina Muhammad (s)! (Mawlana stands and sits for honor of Prophet [s].) Allah, Allah.

(53 minutes)

They are making up. Laa hawla wa laa quwatta illa billah.

(528,000)

Alhamdulillah, they are showing the interest of people for reality and being cheated by Shaytan's groups and insha'Allah Allah takes them away, to make peace from east to west, from north to south. Hearing, it is not easy, not easy.

Fatihah.

(Sayyidee, people asking if today is the first of Safar?)

(Today is 1st Safar 1431)

Safar is the heaviest of months and I am fearing something happens through this month. As a protection, our grandshaykh (q) was saying that daily you must keep three times (recite) Kalimatu 'sh-Shahadah and 300 times astaghfirullah, and give sadaqah of even one penny (small daily charity), and keep at least one sajdah daily and pray for Ummah of Sayyidina Muhammad (s). Yes sir, may Allah forgives us.

## The honour of being Allahs servant

As-salamu alaikum!...Ask forgiveness from Allah Almighty!...
Audhu bi-llahi mina shaitani rajim, Bismillahir Rahmanir Rahim,
la haula wa la quwatta illa bi-llahi-l ’Aliyu-l ‘Adhim!

O people! O people, (it is) enough to be on (the) wrong way- Meded, ya Sultanu-l Awliya, Meded, ya Rijalallah- (it is) enough that you are insisting on (the) wrong way...

I am asking Sheikh Hisham Efendi Hazretleri to address to you, but he refused; he is saying: “(You) speak! What we are speaking, people (are) understanding ‘bi-l aks’ (opposite)”... Hahaha... He is saying to me: “O Sheikh, speak!” “What we are speaking?” “(It) doesn’t matter. If you are saying true, then they are understanding wrong, if we are speaking wrong, they are saying: ‘That is true’...”

Therefore just his Holiness... His Eminence Sheikh Hisham Effendi Hazretleri (is) ordering that: “O Sheikh, you know their language, speak

to them", and I am saying: "Yes, Sir, if you are ordering, I may do..." Merhaba, Sheikh!... He is (a) very serious person, never smiling...like me, I am also (a) very serious person, but you are making me not to be serious... You are all foolish people also, crazy ones, coming, and I must be like you, not to be serious...

Sheikh Hisham Efendi, he is giving to me permission and I am speaking... under earth, over skies- speaking...

May Allah give His Blessings to you! We are asking forgiveness. It is a humble meeting, people (are) coming from East, from West... Anything I am saying, you are understanding wrong, anything I am speaking wrong, you are understanding true. That is our position now- Allah forgives us, for the honour of (the) most honoured and glorious servant of Allah Almighty S.Muhammad sws...

Yes. Grandsheikh, the pillar, (the) main pillar of the Naqshbandi Order, Shah-u-Naqshband, he was saying that: "Our Tariqats pillar is to be, to give people something that they may understand and (that) may be easy for them that way." All Awlyia they are looking an easy way for people, because you are not yet reaching to (the) position of obediency. Yet we are not reaching the level of servanthood and (this) servanthood that (means) on this earth. Because servanthood it has several levels; from one to (the) second you may do your obediency, from one level to another level you may give your high respect to Allah Almighty. High respect it is a word that you can understand. High respect means glorifying, and glorifying is something that, if you are not giving whole your power to do something, you can't reach. The levels of glorifying (are) countless, unlimited. And now we are on this earth and whole Prophets (were) coming to teach people how they should glorify their Lord Almighty Allah. But the levels of glorifying it is going to be endless, countless, or unlimited.

We now, I (am) never saying or I can't say that we are on (even the) first level of glorifying of our Lord, (of) glorifying the Lord of Heavens, because we are not reaching yet that level; we are on the level of obediency, the lowest level for obediency, obediency that we have been ordered to be servants, to be servants for the Lord of Universes, the Lord of whole Creation, and our unchangeable base for mankind, unchangeable position for mankind is servanthood. All if us, whole mankind, must know that our first level that we must keep it, from beginning up to end, our mission, is servanthood. You must try to teach yourself as well as for your generation. (The) first knowledge that you must teach to your children, your generation, (is) that they are servants for their Creator and (that) the Lord of Heavens just dressed them, just dressed them servanthood. No any (other) position should be for you!

Perhaps you may be cheated by Shaitan. Shaitan, Satan, the point that it had been thrown away, what was the reason? The reason (is) that he was asking a level over servanthood. He was much more learned one through Heavens, even he was teaching Angels and his knowledge also was so high knowledge, and (with) his servanthood that he was doing as a servant, he was on the top level. But he was not happy to be on the level of servanthood. He was asking over that level another level. He was knowing so many things, but only he was ignorant for one point: he was on the level of servanthood, but he was asking over that servanthood another level. That (was) making him to fall down.

Servanthood (is) just granted to (the) whole (of) mankind and (also to the) Angels, but Shaitan was asking (something else), he was not happy to be always servant servant, servant... and he was saying: "How I may be always a small snake? I must get bigger, bigger, bigger, so that I may

be this serpentine! I don't like to be always (a) small creature, no, I must grow up and I must be (a) serpentine!" Who are you to be (a) serpentine or (on) the level of serpentine? He was not happy to be small worm: "No, I never like it! I am trying to be over servanthood to be serpentine!"

Therefore, when the Lord of Heavens created Adam and (He was) saying "Make Sajda, bow to Adam!" he was saying: "What is that? I am that one that (is) asking for (the) whole creation to bow, to do, and now You are ordering to me to bow to Adam? What is that!"

Shaitanic teachings; that is shaitanic teaching that just covered (the) whole world now: that no one (is) accepting to be on the level of servanthood, no!

"How I can be a servant and I have graduated from Boston University" or: "Just I am (a) Doctor of Philosophy from Sorbonne"... "How I can be a servant and I am just graduated from Boston? How I can be? I am trying to go up, (and) you are making me to be on the level of servanthood? No, we are not happy with that!" That is (the) illness that is making people now to fall in Hells.

We have been created and we have been honoured to be on the level of servanthood. You must not consider anything among people! Who are you? You are asking to take up, to be taken away from you servanthood, never thinking that: "Just I am servant of my Creator, of my Lord, nothing else!" And who is reaching to that point, Hisham Effendi, that time he is going to reach the level of glorifying. Obediency (is) bringing him to the level of glorifying the Lord, the Creator, but Shaitan is saying: "No, I am not bowing, I must be glorified! I don't like anyone to be glorified on me. Who is Adam and You are giving such a glory to him and

ordering me to bow to him? I (am) never going to bow!" ... Go to Hell!... Everyone (is) asking to be glorified: "I have graduated from Sorbonne University", "I am the Doctor of Philosophy from Cambridge University", "I am the Master of the University of Oxford"... That is... They (are) never thinking about their identity, that they are only servants.

(Allah is saying:) "I am only making you to get up from one level to another level; beginning from obediency, and then I am dressing you the honor of glorifying. I am glorifying you!" But you are so high, 'haris', you (are) never asking (for the) real way of being (a) glorified servant. (Only) on servanthood you may find your way (to) the level of (being) glorified ones and then the levels of glorifying (are) countless! And (Allah is saying): "...wa kullun fi falakin yasbahun...- everyone (is) asking to swim through their glorifying oceans. Be patient, o My servant, I am that One who may grant to you an ocean from glorifying that (there is) no any Sharik, partner! That ocean is only for you, (there) can't be a partner for you: '...kullun fi falakin yasbahun'...

Everyone that I created them and giving their honours, you have been granted from the honour of glorifying and that should be an ocean and (there is) no partner for you in that ocean, it should be only for you!" But you are not understanding! You are asking to jump; (you are) leaving obediency and servanthood oceans and you are asking for that ocean, another ocean, to be for you. No! No, it is big false for you! You must look, you must try first what you have been created (for), then the Creator (is) granting to you an honour and you should be through your glorifying ocean alone. Glorifying ocean it is not only one, or it is not only for one person, (but) for everyone."

But people (are) never understand. Therefore we are here trying to do something and asking from Allah Almighty to grant us (something) for

understanding... And He is not by Himself granting, but using someones - as Prophets and as Saints- that, if you are following them and their teachings, you can understand something, then you should be granted from (the) endless mercy oceans of glorifying.

O people, Allah Almighty nothing preventing from you, but you are someone (that) your head (is) like rocks, and (you are) never understanding. May Allah forgive us!...

That is something a little bit over our understanding, but for the honour of Sheikh Hisham Effendi- (a) very, very, very small thing from spirituality, granted to our friends or granted to our followers, so that they should be happy here and Hereafter.

May Allah forgive us...

People (are) on (the) wrong way. Try to know (the) wrong way, try to ask (the) right way, to ask how we can reach (the) right way that (is) leading ourselves to (the) divinely Presence for the Lord of Heavens, the Creator.

For the honour of (the) most honoured one in His divinely Presence, S.Muhammad sws, Fatiha.

## The Honor Of Ramadan

Marhaban, how is it in Ramadan? Wonderful. What can we do? Dastur ya Sayyidi ya Rasulullah. MashaAllah la quwwata illa billah.

In the old times, meaning in the powerful times of our Ottoman Empire, it's presence would reach from East to West. No any nation could open their mouth in any assembly without mentioning the name of the Ottoman Empire. We had such an honour & power. We had majesty. Until when? Until Sultan Hamid, paradise be his abode. Treacherous Young Turks - the meaning of Young Turks is unbeliever Turks, those who reject Isla - dethroned him with cheats & tricks. However if he had wished, Sultan Hamid, paradise be his abode, for those who come to dethrone him, he would have given a sign to his guards "Catch & put them in jail". But he didn't do this, he said "Ok". He said "Ok", the great Islamic Caliph.

Who did the Young Turks gather to dethrone the Sultan of Ottoman Empire? There was a Jewish man and after him people whose name & origin is not known came & dethroned him. He was Sultan. If he had wanted he could have immediately said "arrest them, put them in jail. How did they enter inside without permission?" But he didn't say this. He said, "Inna Lillahi wa inna ilayhi raji'un. The order of Allah Almighty is like this, we do not object. We leave them and they will suffer what comes on them". He surrendered. They sent him to Salonica with many insults. These ones imprisoned the Majestic Sultan who ruled the Great

Empire for 35 years, 40 years perfectly, in Salonica. He said "Ok. We don't go against the Divine Will" so he surrendered.

And after this, this nation suffered & went through so many bad things & calamities. It has come to what it is today and now maybe Turkish Republic is a state of 90 million people but there is no alliance between them. Because there is no alliance, they can't make their presence felt against a handful of their old citizens. They beg, say "please withdraw". What does this mean? There is no begging in manliness. Manliness is to show your courage, not begging. This is the job of rijal/man. Woman begs man doesn't beg.

O Turkish nation, know this! There are some who know & some who don't know, they are bewildered. May Allah protect us from the corruption of the end of times. At the time of the Ottoman Empire- a great state whose honour dominated all 3 continents, who ruled over an area of 7 million km - in their time the month of Ramadan Sharif would be welcomed with honour. Now there is no one who knows. This ministry, what was it? They removed the Mufti Office also. Instead they put head of Diyanat- chief of Religious Affairs. What does Diyanat mean? What does Religious Affairs mean? At least you could name it "The affairs of Deen", what is Diyanat?

And now they are in a state of hesitation. The Republic of Turkey is now a state of 90 millions but it is not with quantity. The way a state appears & shows itself should express majesty. Ottomans were Majestic. The state which stands in the place of the Ottomans now has no majesty. If they have, they may come out & show their majesty. They may march to Syria, march to Iraq, to Hijaz, which all belonged to us in the time of Caliph. When you throw away the Caliph, who listens to you? They don't even consider you as a doorman.

So in old times, when it was Ramadan "Welcome O holy Ramadan, the month of Ramadan has arrived. Marhaban, O month of Mercy" they would welcome like this. Everyone would clean, arrange & make preparations, would know & keep the barakah & manners of this holy month. Who went astray would come to repent. Our mosques would get full. Our markets would refresh. Our young ones would gather. To sum up, places of fasad/corruption would be closed.

It had grandeur. Now it has no grandeur. If there is no grandeur then Allah Almighty took away from you your majestic look. Turkey is a country of 90 million people but who respects us? We are begging to Sham

"please stop." What does this mean? Sham is ours! Why should you beg? Do you not have soldiers? You have Turkish soldiers. March to them. Why do you keep Turkish soldiers waiting? Our army is to protect our religion, chastity, honour & land. They are on the wrong way but you can't tell them this. If you do, you are the one they will hate.

To sum up, now there are people to preach in the mosques. They say a few words according to the instructions given to them, "don't speak beyond this. Watch yourself, or else you know what will happen to you". So they are telling stories. What kind of stories? I say a story, the people may laugh & take a lesson from it. And our sohbat today is close to this. The one who gave ijazah to this poor servant is Alasonyali Hoja Effendi, he was in Besiktas (Istanbul). His name was Haji Jamal Effendi. He would call people to the right way by telling nice stories.

One day he said in his asr time sohbat: "O Muslims, today an astonishing thing happened". "What happened Hoja Effendi?" "Don't even ask, even I myself am astonished. Today is Ramadan. Yes. While I was going out from the door my wife, that she is like your mother, like your aunt, I said to her "O wife/khatun, today is Ramadan, don't offer anyone food". She said "I won't Hoja Effendi. Your order is above my head." When he is about leave, she calls after him "Hoja Effendi?" "Yes khatun, what happened?" "I forgot to ask you something." "What were you going to ask?" You ordered me to not give anyone anything to eat. So I will not give food to cats also?" "Subhan Allah! How many times I told you, animals don't fast! It is man who fasts. How many times I told you. Why don't you get it?" "Ok, I understand but I wanted to make sure it is ok to give to cats" "No khatun, fast is for man. Animals don't fast" And with this we end our sohbat today, he said. People were all laughing.

To whom do you say this now? Who fasts? Cats are to fast, or man? Why man should not fast? If you are Muslim, why are you not fasting? If you are not Muslim, why do they bring your funeral to Muslim Cemetery, to mosque? They shouldn't bring! So there are such matters. Our short sohbat of today is like this. It means, there are many things to take lesson from. And I have reached this age, they ask me "Hoja Effendi, are you 50 years old?" "What 50? There is still time for 50. I am between 40 and 50." "Are you still sane?" "Any problem with my sanity? No. I have a sound mind, I know. Haven't you heard how I lectured my wife?! It means I have a sound mind. Therefore let this sohbat of today end like this."

We have also aged. This story that we said is something that happened 70-80 years ago. May Allah grant us guidance & make us be in safety. May Allah grant us sound mind, under- standing, faith, good manners & respect. May we recite, learn & teach the Holy Quran, the Book of Allah. May we be accepted on Allah's side on the side of inhabitants of Heavens & earth. If not, who is not accepted on their side has no value. Where does he go to? To WC. They don't end up in a good place. Allah, tawba ya Rabbi, tawba ya Rabbi, tawba Astaghfirullah.

My brother from Turkey. Not Turkey, before we used to say Anatolia. And Cypriots would say "coming from across". When they said coming from across, we would respect it. It would mean coming from Turkey. We would say for those who came from Anatolia "coming from across". We would love & respect them. Now all of it, gone. How did they rule us that we have no good manners left? We have become all mixed up & confused about this. We are fighting, crushing, breaking one another. Can't be. Religion is the pillar of humanity. Just like when there is no pole, the tent cannot stand, humanity can't stand without religion. We should pay attention to this point.

Wa min Allah at-tawfiq. Tawba ya Rabbi, tawba ya Rabbi

I also have many sins. May Allah forgive me also and grant His paradise to those who respect this holy month. May He grant us to fast & pray. May He grant us to show our Islam. O Lord, O Lord, O Lord! O brothers who sit in coffee shops, o Turks who wander in the streets, pull yourselves together. Or else if a cannon fires in the sky no one will be left on this island, it will sink also. May Allah protect us from His disasters & forgive us. You should go to mosques. You should recite Holy Quran & listen to it. May you do worship as Allah likes, or else there are things to come on you. Not one but even 70 Shaykhs can't save you. May Allah forgive me & forgive you also.

Wa min Allah at-tawfiq, Fatiha. But the coming day is for us, not for unbelievers but for Muslims. Unbelievers have fallen out from favor. No matter how much power they bring out it has no value. Our power is the winning one.

Fatiha.

## Honourable Works

We must try to give our support to His Kingdom on earth. We must be supporters of His Kingdom. That is the honorable work for the honored Children of Adam.

In the Name of God, the Merciful, the Compassionate. Time is running, taking everything away, No one can stop it. No one, up to this day, has tried to stop it. It is our Lord's favor. Time is running and everyone is also running to the speed of time. Everything in time runs by time. We are running, also. If the speed of the running of time were to appear, no one would be able to bear that vision, but God Almighty takes care of that for us, so that we say, "It is all right. " Praise be to God (al-hamd Allah), thanks to our Lord Almighty.

We feel that time is running. Islam says, "Oh people, you must guard against time." How can we guard against time? Time runs, but you must put something into that time so that your activities, your works, guard time for you. And on the Last Day, all that time we guarded by actions and works is going to come to us.

Now, here is a cassette. If it is left alone, it runs without recording anything, but if we speak, record, it will fill up. Time may only be kept by actions, and you, as your Lord's vicegerent on earth, have been ordered to fill your time by actions that your Lord Almighty likes because your whole life's cassette will come into the Divine Presence. He will look. His beloved Prophet Muhammad (saws) and all the prophets are going to look

at the record. All believers (mumin) and all the Children of Adam crowding onto that Plain of Mashar will look at them. If we do something secretly, it is going to be open one day, that Day which is coming. Everyone must be afraid of that, because all our actions and words are going to appear. Oh believers in holy books, every holy book speaks about the Day of Resurrection. Everyone will come and will show his book, his workbook, on that Day.

Now, we know that time is passing, running, and our lives are running and passing. You must look after it - how are you filling your life. As Children of Adam, you have been honored by the Lord of the heavens to be his vicegerents on earth. No one has been honored as the Children of Adam have been honored. From honored people the Lord expects honorable works.

This is a simple thing to understand and to know and to do. When you have been honored, your works must be honorable. But most, the majority, of the Children of Adam fight against the prophets, fight against the Friends of God (awliya), attack them with the intention of killing them. At one time, during a single day, one thousand prophets were killed at the time of the Children of Israel, more than one thousand.

What is the reason that people attacked the prophets? Each one was attacked and Jesus Christ (as) also was attacked or intended to be crucified. Why? Why did the Children of Adam attack the prophets? They attacked the Last Prophet, the Seal of the Prophets, also. Muhammad (saws) was attacked by his nation. They tried to kill him. Nimrod attacked Abraham (as), the father of the Prophets. what was his sin? What was his crime? Why did people rush to attack the prophets? They were pure people. They asked only for the happiness of humanity. Why were they attacked? What is the reason? And those who attack them are among those who have been honored by the Lord, Almighty God. Honored! And then to attack His prophets? And all people who are following the ways of the prophets have been attacked, as well.

Who is making the Children of Adam be enemies to their prophets? Prophets are pure people, the best and the most merciful among the Children of Adam. What was the sin of Noah? What was the crime of Abraham? The crime of Moses? Of Jesus? Of Muhammad, peace be upon them all? Who makes human beings enemies of each other? Have you thought about that point? I don't think so. But it is an important point. You have read histories, full of fighting, crimes, full of cruelties. What is this? What makes the Children of Adam enemies to each other and enemies to good people?

There is evil. There must be evil that makes us be enemies to prophets because the importance of all prophets is to remove evil from the face of the earth. That is their importance. They came to fight evil so that no more evil may be on earth. Our first and most dangerous enemy, the most terrible enemy of the Children of Adam, Satan, produces evil. He produces evil and makes a big market for it from the East to West, the evil market now in this world. We have been honored by the Lord, God Almighty, but we see that the whole world is now the market of evil. Is it correct or not? Everyone is looking now. After a little, after a while, there will come so much evil destroying everything on earth. Satan will say, "Oh, I am very happy. The Children of Adam are finished!" Yes, that is so.

And people are also sellers and buyers of evil in this big market, dirt-market, evil-market. From East to West, in every place you put your foot, you can find evil. Everywhere you may spread your hand you can find evil. Everywhere you may send your gaze, you can find evil. We are living in a world that is full up with evil, because the Children of Adam are not supporting the Kingdom of the Lord, God Almighty. Instead, they are supporting the kingdom of Satan on earth.

Now, you must look to yourself. Everyone must look to himself or herself. You may say, "What can we do?" Yes, you can do something. When Nimrod wanted and intended to burn Abraham (as), he made a big fire. Its flames could be seen from Damascus, although it was near Baghdad - so big, so gigantic a fire. Only one stick of wood is enough to burn a human being, but Nimrod made a gigantic fire because he represented Satan and his kingdom. He wanted to burn the Kingdom of Truth, Reality (Haqq), the Kingdom of the Lord of the heavens and worlds. It was because of that that he made such a big fire. And Traditions coming up to our day say that a little ant was running toward the fire and in its mouth it carried a small drop of water. It was seen and was asked, "Where are you running?" It said, "I am running to put out the fire of Nimrod. I am carrying water to save Abraham, the Friend of the Lord Almighty God." God Almighty rewarded that ant. It is mentioned in Holy Books and in the Holy Qur'an. God Almighty made that ant enter into Paradise.

Look, Oh believers! Don't say, "What can I do?" Don't be an evil-seller or buyer. You must open your eyes, your mind, your heart. You can't open your eyes and your mind and your heart without believing. You must believe and you must be able to refuse the kingdom of Satan on earth. That is the most important duty for us now in our time. You can be like a little ant that was rewarded by its Lord Almighty for carrying a drop of

water in its mouth to put out that gigantic fire. You, the Children of Adam, can do more than that ant did.

Therefore, this is an important point today. We must understand what is happening and what is going to happen in this world by reason of our heedlessness. We are heedless people, not heeding evil, never looking to ourselves - what we are doing, whether we are selling evil or buying it. We must be open-eyed, open-hearted.

What opens hearts? Belief. We must believe in our Lord Almighty. We must try to give support to His Kingdom on earth. We must be supporters of His Kingdom. That is the honorable work for the honored Children of Adam. If you can do this, you will be honored. Otherwise, most people are going to be ashamed on the Day of Resurrection. They will wish that there were a crack in the earth and that it would swallow them up. So many people will wish that on the Last Day, the Day of Resurrection. When they see that, all their works, all their actions, their selling and buying evil, they will wish that this earth would crack open and swallow them up in it.

Oh people, it is not too far away. As I was coming to the congregational prayer (jumah) today, I met a funeral procession. I saw a brown coffin. A man was lying in it. His eyes were closed. He will open them for that Day. It is so near. Don't imagine it to be too far away. No, when you close your eyes, and at the next moment, open them, you will be in that Divine Presence for Judgment Day. We will all be there. That Day is coming for everyone.

Fill your life's cassette with honorable works because you have been honored by your Lord. That is the word of all prophets, from the beginning up to the end. But, Oh Children of Adam, your egos never leave you to do honorable work because egos always want evil, tasting and living in evil. Therefore, do not be with your ego. Rather you must be with your Lord and His representatives. Prophets are the representatives of God Almighty and after the prophets, the saints are the representatives of their Lord on earth because God Almighty created the Children of Adam to be His vicegerents. Some of them have reached the true station of being His vicegerents, but most people are still just candidates. If you are going to do honorable works, then you will be clothed, also, in the true station of vicegerent, given the true vicegerent's crown. That is all. Think about these words.

# Hope

As-salamu alaikum. Ay yaran Shah Mardan. May it be a salvation for us, relief and strength too. May we serve to gain nearness to the Lord. May we keep the way of al-Habib(sws). Ay yaran Shah Mardan! Show us the ways of al-Habib(sws)! May we be delighted and honored with his ways! May we be filled with love and yearning! As-salamu alaikum! Ya 'Ibadu r-Rahman. Ay yaran Shah Mardan. Ya Rabbi! May all grief leave us! May happiness come! Let the robe of honor be dressed on us! Ay Shah Mardan! Your friends admire you! May we open up and be refreshed, in order to run to the service of the Lord! That is what we want.

As-salamu alaikum. Ay yaran Shah Mardan! May our day and our end be good! May troubles be away from us! Our Lord is Subhan! The servants who submit to the Lord with faith, troubles stay far away from them! Please Shah Mardan go on, inform us, so that we may see ahead, we may know whom to love! We throw away those we don't love. The Human being is the honorable creature who has been granted by the Lord! Let's say, for the sake of al-Habib al-Kibriya, may we ask for his sake! Whatever we ask for, it will be granted. Is'al wa laka ma tas'al. There is this heavenly guidance: "Ask, ask from Me", says Janabul Haqq. Whatever you ask will be given! He is such a Sultan that, the limits of His treasures are not known. These are not for Himself but for the honorable children of Adam! Janabul Haqq is in no need of anything, anywhere.

Ay yaran Shah Mardan! Inform us! - "Don't be hopeless!" Don't fall into the oceans of despair! There is no despair at His door! At the Lord's door - there is no one who went to His door and left hopeless, and no one came back without obtaining what he hoped for. Allahu Akbar! O Lord! There is no despair at Your door. There is no hopelessness! Wa laka ma sa'alt. "O My servant you will get what you ask for". Please go on Shah Mardan. Your friends admire you! They are expecting, they are asking. Wa laka ma sa'alt "O My servant ask from Me". You will

receive whatever you ask for! If not there, He will not give, but there is everything at Janabul Haqq's door! His treasures are abundant! No one knows the extent of His treasures.
Please Shah Mardan go on! Despair has become the order for those who have forgotten their Lord, Allah! There is no despair/deep sorrow for those who are servants of their Lord. Wa laka ma sa'alt. "There is everything you ask for, O My servant!" Don't fall into despair, don't fall into hopelessness! Please go on Shah Mardan, how beautiful is your expression! O Shah Mardan, teach us so that we may know! Despair is a blasphemy. Hopelessness doesn't exist at Allah's door. There is no one who should fall into despair, hopelessness at Allah's door. Despair is a blasphemy. Hopelessness is a blasphemy. If one falls into despair at Allah's door, he becomes an unbeliever. Wa laka ma sa'alt. "O My servant, I have everything you ask for, all that you need". "Ask from me". Masha'Allah la quwwata illa Billah. O son of Adam! Don't be desperate! Despair is a blasphemy. At the door of Rabbul Ta'ala and Taqaddas, there is no despair. Hopelessness is a blasphemy! If one loses all hope, that means he has fallen into unbelief.
Thanks to our Lord that, He made us friends and loved ones of Shah Mardan. Shah Mardan is now saying, love and you will win. Love and win. He who doesn't love, loses faith. That one is finished. The soul of the human is love. Love; love Shah Mardan, may your heart open, may your body revive. Love and be loved. He who doesn't love, is not loved. Love! "I loved and I created" says Janab Allah. Whatever there is in the universe, Children of Adam, I created and I loved. The Human being has honor. Please Shah Mardan go on, your friends admire you! Love and win! He who doesn't love, cannot win. He has nothing.
What are the merits of loving? Please Shah Mardan go on. Love is the pillar of religion. He who cannot love doesn't have faith. If you have faith, you can love. If you can love, you have faith. Without love one cannot have faith. O Shah Mardan, your friends admire you! They love you O Shah Mardan! The Ummah of the Prophet(sws) loves you. Janab Allah dressed you (S.Mardan) with every virtue. Your glory is admired, Shah Mardan! O Shah Mardan, those who have heard but didn't admire you have no faith. Faith is fed with love. The level of faith of those who don't love is zero. Love in order to gain value. O Shah Mardan we love you! We want to be your friends. In this case, Tahabbu. Love and be loved.
The capital of humanity is love, loving. One who doesn't love, is not a human. The capital of a human, is muhabbatullah (love of Allah) and love of His Habib(sws) and love of Shah Mardan.

Our capital is love, affection/fondness. If you lose the ability to love, you become like a dry tree. Love. Love, affection enlivens you. Love is the means that will make you reach The Presence of Allah and Rasul. It is the stairway, stairs which lead to heavens, muhabatullah (love of Allah), Love of al-Habib, love of Shah Mardan. Love, be loved. If you don't love your life is nothing. You have no value. With what does a human get value? Please Shah Mardan go on, your friends admire you. With your love, one would become a lion! If one loves the lion, one would become a lion. One who loves the dog becomes a dog. What lion hunts is clean.

The food of a dog is carcass. If one is after carcass he becomes a carcass. Be clean! "An nadhafatu min al iman." Cleanliness/purity is from faith. If one is not clean one can't have faith. "Innamal Mushrikuna Najasun"(9:28) is said. This is what Janabul Haqq declared about unbelief and unbelievers: "Innamal Mushrikuna Najasun"(9:28) The polytheists who are, having satan among them, are getting on well with satan, they are unclean. Hasha minal hudur, one who is friends with dogs where does he go? He runs to carcasses. Allah didn't create man as a carcass, nor as one who runs after carcasses. The Human being is clean/pure. "Innamal Mushrikuna Najasun"(9:28) One who is not pure is unclean. He won't be accepted into the Divine Presence. Please Shah Mardan go on, your friends admire your face. Your face is like Sun, O Shah Mardan! Who can see your face, it shines like the sun. O idiot people, seek the sun! Look for the sun! The sun has light/noor. Daylight is sun/Sunlight. The sun brings us the daylight. Darkness brings us the night, darkness. That is why the faces of Muslims are like the moon. You feel happiness when you look at them. The faces of unbelievers, are ugly. Why? They are making friends with satan. O people, O people! make friends with beautiful people that you may become beautiful. Don't make friends with ugly ones and bad ones. You will become ugly and bad. Ay yaran Shah Mardan! We admire you! We want to keep your way. O Shah Mardan, Janabul Haqq created the Earth and Sky. The Earth and Sky have no value but the human being has. The Human has a value. Earth has no value in the Presence of Allah but the human does. Know your value!

They don't know what they should know. They go after what they shouldn't know. When a human goes after satan, darkness comes to his face. His face is bad. It is obvious who runs after satan. His face is bad. Whose face shines like moon, they are of the Divine. They are the holy ones, heavenly servants who have the light which comes from the Lord to al-Habib(sws), from al-

Habib to Shah Mardan, and from him to these servants. Janab Allah is saying to seek the heavenly light. O our Lord, make us from those who seek Divine Light. May we get Divine Light! Demand the Divine Light, they say. Don't be in darkness! O Shah Mardan! You are like the sun. You are like the sun, Ay Shah Mardan! That is why your friends admire you! Maydan is like the sun, the face of Shah Mardan. The sun rises everyday. It rises in light. Where does this light come from? They don't have this light. Who possesses this Divine Light is our Prophet, the Master of the Heavenly realms, Sultanul Anbiya(sws). Shah Mardan is the one who receives from his light. Who obeys him, can receive from this Divine Light.

"Faltamisu Nura"(57:13) Seek the Divine Light, says Allah DhulJalal! "O My servant ask for Divine Light". Don't remain without light. A Human without light becomes like the night. One with light is like the sun, like Shah Mardan. May we follow his way in order to get light. Don't remain in darkness! The faces of many people are in darkness. Why is that? They do not have the light which comes from faith. Allah offered us the light He has given to His Habib. The light given to al-Habib passes to Shah Mardan from him(Prophet). From Shah Mardan it comes to us. "Faltamisu Nura"(57:13) Janab Allah is saying, Look for Divine Light. But people are running to darkness, not to light.

O our Lord, this is Rajab Shahrullah which carries Your Majestic Name. Give us strength, health and beauty, O our Lord! May his light be admired! May those who can see admire Shah Mardan's light. Those who admire his light, friends of Shah Mardan, will get from his light. Take Divine Light, you will be all right. Without Divine Light you have nothing. May Allah, give us that Divine Light. There is a way: It is Shah Mardan. Take Divine Light from his way. The light that he gets from the Beloved of Allah.

O Shah Mardan, your friends admire you! May the blessings of this holy Juma'a be upon us. May its honor fall upon us. May the blessings that descend on the Ka'aba l-Muazzama be upon us! Faith be upon us! May our Lord and His Habib be pleased with us! May our day be good. May our end be good! O our Lord, may we not get tired, may we not get tired of Your servanthood. This is Shah Mardan's will. Don't get tired of being in the servanthood of Allah! If you are not getting tired, you will be given Divine Light. Divine Light opposes fire. Prefer light. You will be highly regarded among earthly and heavenly beings. If the Lord says, "My Servant",

you will not be deprived. O Shah Mardan, your expression is beautiful. Your friends admire you. This Juma'a is the last Juma'a of Rajab Shahrullah! We want that, before this holy month is completed, the followers of satan and satanic ones will vanish. Who is satan? The oppressor is. May they fight each other. May they destroy and finish each other. May Allah protect us from falling to the evils of the ego! Beware! Watch your every step/action. What are you running after? Are you running after carcass or, are you after the Diwan of al-Haqq? O Shah Mardan, your friends admire you! How beautiful is your expression! May we open up, revive and get light. May our joy increase. May our manners improve. O our Lord forgive us! For the sake of al-Habib al-Kibriya, may the blessings of today's Juma'a is dressed on us. May happiness come to our beings, may our lives be honored. O our Lord! Accept us to Your service! May our end be good, may our days and lives be hayatun tayyiba, "sweet life".
This is the way, the way that Shah Mardan showed us! O our Lord! Don't part us from the way of Shah Mardan! For the sake of al-Habib al-Kibriya, Ya Rabbi, may the burden on us go away! Let's be like the swords drawn in Your Way. There is no way for oppressors. Allah will make oppressors fight each other. They will be punished by each other. Don't be an oppressor otherwise you will fall into satan's way. Keep Justice - the Lord will love you. Shah Mardan will praise you. May the light of Shah Mardan be dressed on us! O our Lord, give us the safety of belief, and the health of the body. Keep your way and path clean! May we keep Your Way and not leave it O Lord! O Shah Mardan, your friends admire you! May we not get tired. May we not get fed up, and may we run to the presence of that Sultan. "Ud'uni astajib lakum"(40:60) Janab Allah is saying, "Call me and I shall respond to you". "I own everything; health and faith, honor and glory, I shall give you". Fatiha.
Give us O Lord. We want from You! With the blessings of Ummuhan Sultan (Hala Sultan) strength is coming.
Fatiha.

**Hoffnung**

---

As-Salamu `alaykum, ay Yaran Shah Mardans. Möge es Rettung für uns, Erleichterung und auch

Kraft sein. Mögen wir dienen, um Nähe zum Herrn zu gewinnen. Mögen wir den Weg al-Habibs (saws) einhalten. Ay Yaran Shah Mardans! Zeigt uns den Weg al-Habibs (saws)! Mögen wir erfreut und geehrt sein mit seinem Weg. Mögen wir mit Liebe und Sehnen erfüllt sein! As-Salamu `alaykum! Ya Ibadu r-Rahman. Ay Yaran Shah Mardans. Ya Rabbi, möge jede Trauer von uns gehen! Möge Glück kommen! Laß uns mit dem Ehrenkleid bekleidet werden! Ay Shah Mardan! Deine Freunde bewundern dich. Mögen wir uns öffnen und erfrischt werden, um zum Dienst des Herrn zu eilen. Das ist, was wir wollen. As-Salamu `alaykum. Ay Yaran Shah Mardans. Mögen unser Tag und unser Ende gut sein! Mögen Probleme fern von uns sein! Unser Herr ist Subhan. Von den Dienern, die sich ihrem Herrn mit Glauben ergeben bleiben Probleme weit entfernt. Bitte Shah Mardan, mach weiter, informiere uns, so daß wir voraussehen, daß wir wissen können, wen zu lieben. Wir werfen die weg, die wir nicht lieben. Der Mensch ist das geehrte Geschöpf, dem vom Herrn gegeben wurde. Sprechen wir um al-Habibu l-Kibriyas willen, mögen wir um seinetwillen bitten. Was immer wir erbitten, wird gewährt werden. Is'al wa laka ma Tas'al. Es gibt diese himmlische Führung: 'Bittet, bittet Mich', sagt Janabu l-Haqq. Was immer ihr erbittet, wird gegeben! Er ist so ein Sultan, daß die Grenzen Seiner Schätze nicht bekannt sind. Diese sind nicht für Ihn Selbst, sondern für die ehrenwerten Kinder Adams. Janabu l-Haqq braucht nichts, nirgends. Ay Yaran Shah Mardans. Informiert uns!

'Seid nicht hoffnungslos!' Fallt nicht in die Ozeane der Verzweiflung. Es gibt keine Verzweiflung an Seiner Tür. An der Tür des Herrn gibt es niemanden, der zu Seiner Tür ging und sie ohne Hoffnung verließ. Und niemand kam zurück ohne das, was er erhofft hatte. Allahu Akbar! O Herr, es gibt keine Verzweiflung an Deiner Tür. Es gibt keine Verzweiflung. Wa laka ma Sa'alt. 'O Mein Diener, du wirst bekommen, was du erbittest.' Bitte, mach weiter, Shah Mardan. Deine Freunde bewundern dich. Sie haben Erwartungen, sie bitten. Wa laka ma Sa'alt. O Mein Diener, erbitte von Mir. Du wirst erhalten, was immer du erbittest! Wenn nicht, wird Er nicht geben. Aber es gibt alles an der Tür Janabul Haqqs! Seine Schätze sind reichlich. Niemand kennt das Ausmaß Seiner Schätze. Bitte, Shah Mardan, mach weiter. Verzweiflung ist die Ordnung geworden für jene, die ihren Herrn vergessen haben. Allah! Es gibt keine Verzweiflung für jene, die Diener ihres Herrn sind. Wa laka ma Sa'alt. Es gibt alles, was du erbittest, o Mein Diener! Fall nicht in Verzweiflung, fall nicht in Hoffnungslosigkeit! Bitte, mach weiter, Shah Mardan, wie schön ist deine Ausdrucksweise! O Shah Mardan, lehre uns, damit wir wissen. Verzweiflung ist

Gotteslästerung. Hoffnungslosigkeit gibt es nicht an Allahs Tür. Es gibt niemanden, der in Verzweiflung, Hoffnungslosigkeit fallen sollte an Allahs Tür. Verzweiflung ist Gotteslästerung. Hoffnungslosigkeit ist Gotteslästerung. Wenn einer in Verzweiflung gerät an Allahs Tür, wird er ein Ungläubiger. Wa laka ma Sa'alt. O Mein Diener, Ich habe alles, was du willst, alles, was du brauchst. Erbitte von Mir! Ma sha' Allah, la Quwwata illa Billah. O Sohn Adams, sei nicht verzweifelt! Verzweiflung ist Gotteslästerung. An der Tür von Rabbu t-Ta`ala und Taqaddas, gibt es keine Verzweiflung. Hoffnungslosigkeit ist Gotteslästerung. Wenn einer alle Hoffnung verliert, bedeutet das, er ist in Unglauben gefallen.

Dank sei unserem Herrn, daß Er uns zu Freunden und Geliebten von Shah Mardan gemacht hat. Shah Mardan sagt jetzt: Liebe, und du wirst gewinnen. Liebe und gewinne. Er, der nicht liebt, verliert den Glauben. Er ist erledigt. Die Seele des Menschen ist Liebe. Liebe. Liebt Shah Mardan, möge euer Herz sich öffnen, möge euer Körper sich wiederbeleben. Liebt und werdet geliebt. Er, der nicht liebt, wird nicht geliebt. Liebt! Ich liebte und Ich erschuf, sagt Janab Allah. Was immer es im Universum gibt, Kinder Adams, habe Ich erschaffen und geliebt. Der Mensch hat Ehre. Bitte, Shah Mardan, mach weiter, deine Freunde bewundern dich. Liebt und gewinnt! Er, der nicht liebt, kann nicht gewinnen. Er hat nichts. Was sind die Verdienste des Liebens? Bitte, Shah Mardan, mach weiter. Liebe ist der Grundpfeiler der Religion. Er, der nicht lieben kann, hat keinen Glauben. Wenn du Glauben hast, kannst du lieben. Wenn du lieben kannst, hast du Glauben. Ohne Liebe kann man keinen Glauben haben. O Shah Mardan, deine Freunde bewundern dich. Sie lieben dich, o Shah Mardan. Die Ummah des Propheten (saws) liebt dich.

Janab Allah bekleidete dich (Shah Mardan) mit jeder Tugend. Dein Ruhm wird bewundert, Shah Mardan. O Shah Mardan, jene, die gehört haben, dich aber nicht bewundern, haben keinen Glauben. Glauben wird genährt mit Liebe. Das Niveau des Glaubens jener, die nicht lieben, ist null. Liebt, um Wert zu erlangen.

O Shah Mardan, wir lieben dich. Wir wollen deine Freunde sein. In diesem Fall, Tahabbu. Liebt und werdet geliebt. Das Kapital der Menschheit ist Liebe, Lieben. Einer, der nicht liebt, ist kein Mensch. Das Kapital eines Menschen ist Muhabbatullah, Liebe Allahs, und die Liebe Seines Habibs (saws) und die Liebe Shah Mardans. Unser Kapital ist Liebe, Zuneigung. Wenn du die Fähigkeit zu lieben verlierst, wirst du wie ein trockener Baum. Liebe. Liebe, Zuneigung belebt einen. Liebe ist das Mittel, das euch die Gegenwart Allahs und Rasuls erreichen läßt. Es ist der

Treppenaufgang. Eine Treppe, die in die Himmel führt, Muhabatullah. Die Liebe al-Habibs, die Liebe Shah Mardans. Lieben, geliebt werden. Wenn ihr nicht liebt, ist euer Leben nichts. Ihr habt keinen Wert. Womit bekommt ein Mensch Wert? Bitte, Shah Mardan, mach weiter, deine Freunde bewundern dich. Mit deiner Liebe würde man ein Löwe werden! Wenn man den Löwen liebt, wird man ein Löwe. Einer, der Hunde liebt, wird ein Hund. Was Löwen jagen, ist sauber. Die Nahrung des Hundes sind Kadaver. Wenn einer hinter Kadavern her ist, wird er ein Kadaver. Seid sauber! "An-Nadhafatu mina l-Iman." Sauberkeit gehört zum Glauben. Wenn man nicht sauber ist, kann man keinen Glauben haben.

"Innama l-Mushrikuna Najasun" - Wahrlich, die Ungläubigen sind unrein (9:28), heißt es. Das erklärte Janabu l-Haqq über Unglauben und Ungläubige: "Innama l-Mushrikuna Najasun" (9:28). Die Götzendiener, die Shaytan unter sich haben, die mit ihm gut auskommen, sind unrein. Hasha mina l-Hudur. Einer der freund mit Hunden ist, wohin geht er? Er läuft hinter Kadavern her. Allah erschuf den Menschen nicht als Kadaver, noch als einen, der hinter Kadavern herläuft. Der Mensch ist sauber. "Innama l-Mushrikuna Najasun" (9:28). Einer, der nicht rein ist, ist unsauber. Er wird nicht angenommen in der Göttlichen Gegenwart. Bitte, Shah Mardan, mach weiter, deine Freunde bewundern dein Gesicht. Dein Gesicht ist wie die Sonne, o Shah Mardan! Wer dein Gesicht sehen kann, es leuchtet wie die Sonne! O Dummköpfe, sucht die Sonne! Sucht nach der Sonne! Die Sonne hat Licht, Nur. Tageslicht ist Sonnenlicht. Die Sonne bringt uns das Tageslicht. Dunkelheit bringt uns die Nacht, Dunkelheit. Deshalb sind die Gesichter der Muslime wie der Mond. Ihr fühlt Glück, wenn ihr sie anseht. Die Gesichter der Ungläubigen sind häßlich. Warum? Sie schließen Freundschaft mit Shaytan. O Menschen, o Menschen! Schließt Freundschaft mit schönen Menschen, damit ihr schön werdet. Schließt nicht Freundschaft mit Häßlichen und Schlechten. Ihr werdet häßlich und schlecht.

Ay Yaran Shah Mardans. Wir bewundern dich! Wir wollen deinen Weg einhalten. O Shah Mardan, Janabu l-Haqq hat die Erde und den Himmel erschaffen. Die Erde und der Himmel haben keinen Wert, aber der Mensch. Der Mensch hat Wert. Die Erde hat keinen Wert in der Gegenwart Allahs, aber der Mensch. Lernt eueren Wert kennen. Sie wissen nicht, was sie wissen sollten. Sie gehen dem hinterher, was sie nicht wissen sollten. Wenn ein Mensch Shaytan folgt, kommt Dunkelheit auf sein Gesicht. Sein Gesicht ist schlecht. Es ist offensichtlich, wer hinter Shaytan herläuft. Sein Gesicht ist schlecht. Wessen Gesicht leuchtet wie der Mond, gehört zu

den Göttlichen. Sie sind die Heiligen, himmlische Diener, die das Licht haben, das vom Herrn kommt zu al-Habib (saws), von al-Habib zu Shah Mardan, und von ihm zu diesen Dienern. Janab Allah sagt, das himmlische Licht zu suchen. O unser Herr, mach uns zu denen, die Göttliches Licht suchen. Mögen wir Göttliches Licht bekommen! Fordert das Göttliche Licht, sagen sie. Seid nicht in Dunkelheit! O Shah Mardan! Du bist wie die Sonne. Du bist wie die Sonne, ay Shah Mardan! Deshalb bewundern dich deine Freunde. Maydan ist wie die Sonne, das Gesicht Shah Mardans. Die Sonne geht jeden Tag auf. Sie geht mit Licht auf. Woher kommt dieses Licht? Sie haben dieses Licht nicht. Wer dieses Göttliche Licht besitzt, ist unser Prophet, der Meister der Himmlischen Bereiche, der Sultanu l-Anbiya (saws). Shah Mardan ist der eine, der von seinem Licht empfängt. Wer ihm gehorcht, kann von diesem Göttlichen Licht empfangen. "Faltamisu Nura" (57:13). Sucht das Göttliche Licht, sagt Allah Dhu l-Jalal. O Meine Diener, bittet um Göttliches Licht. Bleibt nicht ohne Licht. Ein Mensch ohne Licht wird wie die Nacht. Einer mit Licht ist wie die Sonne, wie Shah Mardan. Mögen wir seinem Weg folgen, um Licht zu bekommen. Bleibt nicht in Dunkelheit. Die Gesichter vieler Menschen sind in Dunkelheit. Warum ist das so? Sie haben kein Licht, das vom Glauben kommt. Allah bot uns das Licht an, das Er Seinem Habib gegeben hat. Das Licht, das al-Habib gegeben wurde, geht auf Shah Mardan über von ihm. Von Shah Mardan kommt es zu uns. "Faltamisu Nura" (57:13). Janab Allah sagt: Sucht Göttliches Licht. Aber die Menschen laufen zur Dunkelheit, nicht zum Licht. O unser Herr, dies ist Rajab Shahrullah, der Deinen Majestätischen Namen trägt. Gib uns Kraft, Gesundheit und Schönheit, o unser Herr. Möge sein Licht bewundert werden. Mögen jene, die sehen können, Shah Mardans Licht bewundern. Jene, die sein Licht bewundern, Freunde Shah Mardans, werden von seinem Licht bekommen. Nehmt Göttliches Licht, ihr werdet in Ordnung sein. Ohne Göttliches Licht habt ihr nichts. Möge Allah uns dieses Göttliche Licht geben. Es gibt einen Weg: Es ist Shah Mardan. Nehmt Göttliches Licht von seinem Weg. Das Licht, das er bekommt vom Geliebten Allahs. O Shah Mardan, deine Freunde bewundern dich.

Mögen die Segnungen dieses heiligen Jum`a auf uns sein. Möge seine Ehre auf uns fallen. Mögen die Segnungen, die auf die Ka`aba l-Muazzama herabkommen, auf uns sein. Glaube sei auf uns! Mögen unser Herr und Sein Habib mit uns zufrieden sein! Möge unser Tag gut sein. Möge unser Ende gut sein. O unser Herr, mögen wir nicht ermüden, mögen wir nicht Deiner Dienerschaft

überdrüssig werden. Das ist Shah Mardans Wille. Werdet nicht überdrüssig der Dienerschaft Allahs! Wenn ihr dessen nicht überdrüssig werdet, wird euch Göttliches Licht gegeben. Göttliches Licht steht dem Feuer entgegen. Zieht das Licht vor! Ihr werdet hoch geachtet unter irdischen und himmlischen Wesen. Wenn der Herr sagt 'Mein Diener', werdet ihr nicht beraubt werden. O Shah Mardan, dein Ausdruck ist schön. Deine Freunde bewundern dich. Dieses Jum`a ist das letzte Jum`a von Rajab Shahrullah! Wir wollen, daß bevor dieser Monat vollendet ist, die Anhänger Shaytans und die Shaytanischen verschwinden. Wer ist Shaytan? Der Unterdrücker. Mögen sie sich gegenseitig bekämpfen. Mögen sie sich gegenseitig vernichten und erledigen. Möge Allah uns schützen davor, dem Bösen des Egos zu erliegen. Hütet euch! Achtet auf jeden euerer Schritte! Was verfolgt ihr? Seid ihr hinter Kadavern her oder seid ihr hinter dem Diwan al-Haqqs her? O Shah Mardan, deine Freunde bewundern dich! Wie schön ist dein Ausdruck! Mögen wir uns öffnen, wiederbeleben und Licht bekommen. Möge unsere Freude zunehmen. Möge unser Benehmen sich verbessern.

O unser Herr, vergib uns! Um al-Habibu l-Kibriyas willen, mögen wir mit den Segnungen des heutigen Jum`as bekleidet werden. Möge Glück zu unserem Sein kommen, möge unser Leben geehrt werden. O unser Herr, nimm uns in deinen Dienst auf! Möge unser Ende gut sein, mögen unsere Tage und unser Leben "Hayatun Tayyiba" - ein süßes Leben - sein. Das ist der Weg, der Weg, den Shah Mardan uns gezeigt hat. O unser Herr, trenne uns nicht vom Weg Shah Mardans! Um al-Habibu l-Kibriyas willen, ya Rabbi, möge die Last auf uns verschwinden! Laß uns wie Schwerter sein, die auf Deinem Weg gezogen werden. Es gibt keinen Weg für Unterdrücker. Allah wird die Unterdrücker sich gegenseitig bekämpfen lassen. Sie werden sich gegenseitig bestrafen. Seid keine Unterdrücker, sonst fallt ihr auf Shaytans Weg. Bewahrt Gerechtigkeit - der Herr wird euch lieben. Shah Mardan wird euch preisen. Mögen wir in das Licht Shah Mardans gehüllt werden! O unser Herr, gib uns die Sicherheit des Glaubens und die Gesundheit des Körpers. Haltet eueren Weg und Pfad sauber! Mögen wir Deinen Weg einhalten und ihn nicht verlassen, o Herr! O Shah Mardan, deine Freunde bewundern dich! Mögen wir nicht ermüden. Mögen wir nicht überdrüssig werden, und mögen wir in die Gegenwart dieses Sultans laufen. "Ud`uni Astajib Lakum" (40:60). Janab Allah sagt: Ruft Mich, und Ich werde euch antworten. Mir gehört alles, Gesundheit und Glauben, Ehre und Ruhm, gebe Ich euch. Fatiha. Gib uns, o Herr. Wir wollen von Dir! Mit den Segnungen von Ummuhan Sultan, Hala Sultan, kommt Kraft.

Fatiha.

## Hope Is Part of Faith

As-salaamu `alaykum! Yaa Rabbana.. A`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. (Mawlana Shaykh stands) Allahu Allah, Allahu Allah, Allahu Allah, `Azeez Allah! Allahu Allah, Allahu Allah,Allahu Allah, la ilaaha illa-Llah! Allahu Allah, Allahu Allah, Allahu Allah, laa ilaaha illa-Llah Sayyidina Muhammadun Rasoolullah `alayhi salaatullah wa `alaa aalihi wa saahibihi wa man tabi`ahum bi ihsaan ila yawmi 'd-deen wa `ala jamee`i 'l-anbiya wal-awliya. (Mawlana Shaykh sits)

As-salaamu `alaykum! We are sending our salutes on Saahib az-Zaman and on Qutb az-Zaman, Mutasarrifa wa`alaa ahlu 'l-nawbati fee mashaariq al-arda wa magharibiha. Allahuma qawiy da`fanaa yaa Rabbana `ala taatika, yaa Rabb, yaa Rabb!

O People! O our Attenders! O Believers! O Mu`mins! As-salaamu `alaykum. Say, A`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. Anta Rabb, Anta Rabbuna, Anta Hasbuna, Anta Waliyyuna, Anta Mawlana. Subhaanak allahuma wa bihamdi wa tabaaraka ismuk wa laa ilaaha ghayruk! Allahuma 'ghfir lanaa w 'arhmana yaa Rabbi 'l-`Alameen. ... Huuuu!

O our Attenders! All of us are on the same level in this life and the Lord of Heavens sent us prophets from His heavenly level. They are Chosen Ones, sent to teach all people, to make them remember their oath on the Day

when Allah Almighty asked, "Am I your Lord?" and all of us said, "Yes, You are our Creator and our Lord!" That divinely dressing is going on (continuously), never cutting, but we are listening to so many useless things that cause us not to listen, hear, or obey. We think we are only created for a short time on this planet and disappearing. Where are we going? We are going to an Unknown Territory. Daily, millions of people came to an Unknown Territory called "graveyard" or "cemetery," and beyond it, what is there? You are going to the graveyard, covering that dead body, and then coming back. One day that must reach to everyone.

Sometimes people are calling for a person that passed away and people are saying, "Who is that dead person?" And they reply, "That is the body of a person that was well known as "Mehmet," "Ahmed," "`Ali," "`Uthman," or by so many other names.
And someone is saying, "I am asking about him and you are saying that is his dead body, but where is he?" and there is no answer.
They reply, "We are finding his dead body but we are not finding him! His real being just disappeared, his dead body was taken to the graveyard and buried."
"But where is the person? Did you bury him also?"
They answer, "No, we only buried the body."

They do not know where he is! We are not learning; if you are thinking, you will learn. Yesterday he was running in the streets or his home, now where is he? Which thing is making him stand up, to go, to come, to speak, able to do so many things? Most people are saying, "We don't know." If you don't know, you must ask. And they are saying, "We never tried to ask where he or she went, or why he left his body because there is no time, as we are so busy with our lives." One day will come to everyone when they will leave this body and go away, but to where? To somewhere that we are trying never to think about! But when you are not asking to learn, you are idiot ones, no-mind people! Why are you not asking what is the reality of life and death, in living bodies and dead bodies? Why are you not asking to learn about the reality of life? Now people are drunk, thinking this life is such a play center, that everyone only plays and then disappears, and another group is coming, playing, working, and enjoying, coming from one entrance and going out another exit, in and out. Everywhere people are looking in and then out. No one is coming here, living and not leaving, everyone must come out!

May Allah forgive us! We are ignorant people now, and Allah Almighty just sent us heavenly ones who said,

"O People! We have now been sent by the Heavenly One to make you wake up and listen." And people are saying, "What is he saying? Listen to that one speaking? We have only learned fairy tales, and so many tales of people. We think that one is doing the same thing!" That is their only understanding about prophets. They are saying, "This one looks just like us and what they are saying is something we have heard before, in fairy tales and such things!" That is their mentality at the beginning of the world, in the middle centuries, and now also. All people are saying for prophets, "Prophets teachings are only 'sayings' (not real guidance, but fables), and about those also passed away they are telling the same old tales."

That is the value now in the 21st century! That is peoples' mentality for prophecy and about prophets who came from the Heavens. They are saying, "O! Those people are just like other people, so don't listen to them, but look after your enjoyment in this life. Try to reach a long life for enjoying yourself." That is 21st-century people's mentality, never taking any care for heavenly attending. Their mentality in front of holy books is, "This just passed away. So many people came and spoke of it (in fables)." With such wrong thinking, their mentality is going to be killed and they are losing their very precious chance that was granted to them to be in life, to be in reality, because the number of Mankind is just in limits! No one is thinking to say thanks to Allah Almighty! He created us to look, see, hear, understand, speak, and to listen. No one is interested to ask from where we came or what will happen to us beyond this life!

O People! That is the main reason that whole nations fell into darkness situations or darkness valleys. And yet, they are not coming to say, laa ilaaha illa-Llah Sayyidina Muhammadun Rasoolullah! (Mawlana Shaykh stands and sits) Come and say this, O Mankind! You will be happy, in pleasure and in heavenly shelters, and you will have no fear in this life or beyond this life! You will reach divinely grants and that will begin in this life. Those people who are following prophets now have a satisfaction in their hearts, and they have hope! Hope is a huge grant from the Lord of Heavens to His servants! Hope! If a person becomes hopeless, the biggest cursing will come on him! If he says, "There are no more days here to taste life's pleasures," that one's hope will finish, because they are not believing what is going to happen after death. Their punishment is going to begin in this life because they are losing hope, and they become dead people.

Mu'mins, believers, are not only full of hope, but their beliefs give them such power and pleasure that when they are going to be old, old, old, their hope and their pleasure increases. They believe when they leave this life, angels will welcome them with good tidings, and they know if the beauty of one angel is given to all of

Mankind, it will make them radiant like full moons, so beautiful! When a mu'min leaves this life, Allah Almighty sends angels to greet them, "Welcome to the Lord's humble servant! Be pleased and be in pleasure, and don't worry about dunya, it is finished." So billions of people have passed away and you may find them either in Lightening Dominions or in Darkness Dominions.

O People! Listen and obey, and try to be an obedient servant. Your hope should be an act that, when you are using your last breath, you will reach what you believed. If not, we pray, Allahuma yaa Rabb, ij`alana fee harzik wa hifzhik wa kanafik min `adhab al-qabar wa min `adhab Yawm al-Qiyamah wa min `adhab al-jaheem, "O our Lord! Make us in Your fortress and protection and save us from punishment of the grave and from punishment of Judgment Day and from punishment of Hell."

May Allah forgive us. O our Lord! Send us one from Your beloved servants; that is enough to collect Your weak servants and bring them to Your Heavenly Presence. wa ma dhalika `ala Allahi bi-`azeez, "It is not difficult for Allah, the Great!" It is not difficult for the Lord of Heavens! No need for Himself, but one wali may give to those believers their good tidings and they will be so happy!

May Allah forgive us. And this is Shawwal, the month after holy Ramadan, and after two months are coming the days of Hajj, pilgrimage. We are asking that our names be written on the day of `Arafat as clean ones, not to reach to our Lord with heavy dirtiness. Ameen.

Fatihah.

## Hormones Destroying our Food

It is so difficult to find clean food to eat. Everything is mixed up with haram, with forbidden things. Acceptable worshipping also depends on eating and drinking clean. When we eat halal our souls enjoy too and we become healthy. Unclean eating cause headaches and destroys our health. So many illnesses come from wrong eating habits.

Doctors say that they have never before heard of all the new kinds of illnesses. They are all results of bad eating habits. The worst reasons are hormones, they are changing our health. Every kind of meat, vegetable and fruit is filled with hormones, even though it is the most dangerous for mankind. It is haram to feed yourself or your children like that.

All the people of the 20th century are asking for is profits. They have a kind of egoistic illness. Everyone is asking to save more and more money. This is the worst characteristic of the ego. Everyone wants to be rich. Everyone wants to be a millionaire, a multimillionaire. Our ego advises us to save money, more and more. It is the advice which satan is giving. People believe that when they have saved billions they will reach happiness and the final target of all their desires. Everything is produced in a way to make lots of money. People have been trained to waste as much as possible so that they can buy new all the time. This is why there is not enough halal production available. Everything is done in a gigantic way in huge farms with hormones.

There are only about 10 enormous corporations world-wide which are in competition with each other. They hit two birds with one stone: first they produce bad quality food for people and make huge profits. By that people lose their health and then another big firm will produce the medicine for them. How clever!

These eating habits result in the worst illnesses. People are running to the doctors worried about their health. I never find any home without medicine. They even give me vitamin C to make a horse out of me! Everyday I am getting stronger, that is what I believe!

First come the weapons factories, second the medicine and drugs factories, third petroleum, fourth cement... All this is in the hands of the mafia. There are seven or nine big mafia who are famous. No-one is able to stop them.

In this century every badness attacking humanity has spread from east to west, including the Islamic world. We are stepping into a new century. People are weak and without hope concerning their crisis. They do not know what they can do. Their minds have stopped. They may produce treatment to their drugs crisis or terrorism crisis, but without solving it. This is America, the biggest and most powerful station on earth, but they are showing their weakness in front of terrorism. Their most powerful technology cannot be used against it. Allah has caused the mind of man to stop. In which ever direction they run they see that the way is closed. Allah has only left one way open: His Way and His Rules! You must come to His Rules, or you will be finished. It doesn't matter if the whole of mankind will kill each other. They are punishing themselves by themselves.

Democracy, hypocrisy, Stalinism, communism, social-ism, capitalism... all is finished. Submit to Heavenly Rules and Heavenly Commands! 24 hours are enough. No need for 2 days, six months or one year, no! If this country would accept Heavenly Rules every economical crisis and terrorism of the whole world would be solved. Oh people, you must help! Allah says that if you help to stop evil, Allah will help you. If you don't care, you will get no Divine Help, no Heavenly Support. Try to help!

## Horte nicht die Dinge dieser Welt

... sie sollten immer glücklich sein mit Allah dem Allmächtigen. Allahumma salli ‘ala ... ... Sie denken an nichts anderes. Nein, sie sagen bloß: Wirtschaft, Wirtschaft, Wirtschaft. Sie sprechen von Mark, Mark, Mark. Sprechen von Dollar, Dollar, Dollar, von Sterling, Sterling, Sterling, anstatt zu sagen: sub- hanallah, subhanallah, subhanallah – alhamdulillah, alhamdulillah, alhamdulillah – allahu akbar, allahu akbar, allahu akbar. Sagen: Mark, Mark, Mark, Mark, Mark, und: Dollar, Dollar, Dollar, Dollar, Dollar, und: Sterling, Sterling, Sterling, Sterling, Sterling. Bis sie die Spitze einer goldenen Hölle erreichen. Unser Ego lehrt uns, mit Shai- tanen zusammen zu sein. Möge Allah uns vergeben und uns größeres Verlangen nach den Himmeln geben, und möge Er dem Siegel der Propheten viel mehr Ehre geben, der seine Gemeinde lehrte, nach den Himmeln zu streben und nicht nach der materiellen Welt. bi hurmati l-habib ... al-fatiha. Sie bitten Allah, uns von Seinen Segnungen zu gewähren, wir brauchen mehr Segen. Es ist nicht nur für uns, sondern für die ganze Gemeinde Muhammads, die Gemeinschaft Rasulullahs, Sayyidina Muhammads, sall allahu ‘alayhi wa sallam. Und dies ist der erste ‘id uladha, und der erste hajj des 21. Jahrhunderts. Und auch der erste hajj nach dem zweiten Millenium. Und wir hoffen, daß nach diesem Hajj, der Pilgerfahrt, etwas erscheinen wird, das die Muslime und (die Menschen) von allen Nationen erwecken wird. Denn alle Nationen, die gesamte Menschheit, sind wie betrunken, trunken von dunya, von Liebe zur Dunya. Jeder will noch viel mehr von der materiellen Welt erreichen. Wenn er zehn hat, bittet er mich um zehntausend, um zehn Millionen, um zehn

Milliarden. Die Wünsche unseres Egos kennen keine Grenzen. Und ... als erstes sparen wir für uns auf. Sehr wenige oder einige Leute mögen sagen: „Ich spare nicht für mich auf, sondern für meine Kinder.“ Ja, einige Leute denken, sie seien viel cleverer als andere. Und sie sagen: „Wir sparen Materielles für unsere Kinder.“ – Warum versucht ihr, für eure Kinder aufzubewahren? Warum seid ihr nicht interessiert an euch selbst? Wenn ihr Zeit und die Gelegenheit habt, von Weltlichem für eure Kinder zu sparen, so wäre es statt dessen besser, an euch selbst zu denken. Darüber nachzudenken, was für euch selber besser wäre.

Der Prophet sagte: „Selbst wenn ein Mensch am Letzten Tag, dem Tag des Gerichts, dem Tag der Wiederauferstehung, soviel aufbringt wie den Gottesdienst von siebzig Propheten, wird er ... bereuen und sagen: „Warum bringe ich nicht viel mehr?“ Wer sagt, er bewahre für seine Kinder auf, der hat keine gute Einstellung. Er denkt, wenn er dies tut, auf solche Weise, würde er entschuldigt sein. Das wird niemals sein. Warum? ...

Es war einmal ein Mann, der war ein guter. Er gehörte zu den Guten. – Wer sind die Guten? Solche, die Freunde Allahs des Allmächtigen sind. Wie wird ein Mensch ein Freund Allahs? Indem er ein Freund des höchstgepriesenen Dieners Rasulallah, Sayyidina Muhammads, ist. Du kannst kein Freund Allahs sein, wenn du nicht ein Freund Sayyidina Muhammads, sall allahu ‘alayhi wa sallam, bist. Unmöglich. Ende. Ja, ein guter, der eine gute Einstellung hat, und einen guten Ausgleich zwischen beiden Dingen schafft. – Dieser Mensch gab alles weg, was zu ihm kam. Was von der materiellen Welt bis zum Abend zu ihm kam, gab er. Er sparte niemals, und am Ende war er auf dem Wege zu Allah. Innerhalb von Stunden war er vorbereitet, von diesem Leben ins ewige Leben hinüberzutreten über die Brücke von Dunya zu Akhira.

Einige Leute kamen und brachten ihm eine Menge Gold und sagten: „Hier, das hier kommt von ..., deinen Tieren, deinen Ländereien, deinen Gärten, das ist für dich.“ Und er kam und sagte, es solle alles hergegeben werden. So gab er eine Menge Gold, eine Menge Münzen, bis nichts mehr übrig war. Und einer sagte zu diesem Guten: „Oh, ‘Abdullah, o du Diener meines Herrn. Wieso tust du das? Bis hierhin gabst du und gabst und gabst; jetzt aber sollst du sterben! Und gerade erhieltest du aus deinen Gärten, von deinen Ländereien, von deinen Gebäuden. Es wäre so richtig für dich gewesen, hättest du etwas für deine Kinder aufgespart. Aber im letzten Augenblick gabst du alles?“ Dieser Gute sprach: „Schaut, o schaut, ihr Achtlosen, wenn ihr etwas über dieses Leben oder über den Herrn der Himmel gelernt habt, dann kann es nicht sein, daß ihr etwas an dem auszusetzen habt, was ich jetzt tue. Ihr wißt, daß ich nichts ins Jenseits mitnehmen kann. Der

einzige Weg, sie dorthin zu senden, ist, sie herzugeben. Ich gebe, und sie alle passieren vor mir zum Jenseits. Und wenn ihr sagt: ‚Warum läßt du es nicht für deine Kinder?' – Al-hamdu lillah, ich weiß, was ihr wißt. Denkt ihr, ich wüßte es nicht? Etwas für seine Kinder aufzusparen, das kenne ich auch. Aber ich weiß mehr über diesen Punkt als ihr.

Ihr seid achtlose Leute, und ich möchte, daß ihr erwacht. Schaut, ich habe Kinder als eine Gunst von meinem Herrn. Ich bin dankbar, daß Er mir so viele Kinder gab, Jungen und Mädchen, besonders Jungen. Ich weiß, daß, wenn ich gehe und ich ihnen etwas hinterlasse, werden sie keine Sorgfalt pflegen und nichts mehr benötigen, denn alles käme dann zu ihnen ohne Mühe, und sie würden es verschwenden. Wenn ich meinen Kindern aber nichts hinterlasse und sie zu den Guten gehören, wird die Welt ihnen hinterherlaufen. Sie werden niemals arm sein, Bedürftige. Dunya wird ihnen nachlaufen. Allah der Allmächtige bedenkt Seine guten Diener mit besonderer Fürsorge. Und der Herr der Himmel verläßt niemals Seine guten Diener, auf daß sie müde würden, indem sie der Welt hinterherlaufen müßten. Ohne daß sie sich anstrengen müßten, läßt er die Welt ihnen hinterherlaufen. Wenn sie salihin, Gute, sind, wird Der, der sie mir gab, Der sie mir gewährte, dies nicht (vor ihnen) verschließen. Glaubt nicht, daß, wenn ich sterbe, Er aufhört – wenn meine Kinder, meine Erben, auf meiner Linie sind. Allah der Allmächtige hört niemals auf, schneidet Seine Begünstigungen niemals von ihnen ab. Einverstanden? Zweitens, wenn sie keine Guten sind und ich ihnen diese Dinge überlasse, diese Reichtümer, wird dieser Reichtum sie schlechter machen oder ihnen mehr Gelegenheit geben, Schlechteres zu tun. Deswegen bewahre ich sie davor; ich lasse ihnen nichts, damit sie nicht noch viel ungehorsamer werden und hinter Shaitan herlaufen ... Deshalb habe ich die richtige Idee oder bin auf dem richtigen Weg, und ich (vermindere meine Güter) vor meinem Weggehen auf die beste Weise; deswegen gab ich alles weg – ohne mich zu sorgen." Da küßten sie seine Hand, die Hand des Guten.

O ihr Leute, wenn es Zeit ist, spart nicht die Welt auf, sondern gebt weg, was von der Dunya kommt, gebt es weg. Denn es ist solch ein (Gleichgewicht), wenn du öffnest, kommt neues, wenn du schließst, hört es auf. Gib weg von dem, was zu dir kommt, dann schaut Allah der Allmächtige auf dich und läßt dies auf dich zulaufen. Aber die Leute haben jetzt Dollarzeichen in den Augen; sie denken nicht an das ewige Leben. Sie sind beschäftigt mit der materiellen Welt, denken aber niemals an ihr geistiges Wesen, an ihre Seelen. Versuche, für dein ewiges Leben anzusammeln. Spare nicht an für dich und für deine Kinder. Das ist die richtige Einstellung im wahren Islam. „Gib", sagt Allah, „und Ich werde geben. Gibst du nicht, so gebe Ich nicht."

Möge Allah uns vergeben. Allah allah ...

## The Hour Draws Near

---

•••••••••••• •••••••••••• ••••••••••• ••••••••••

Iqtarabat as-Sa`aa wa anshaqqa ʻl-qamar.

The Hour (of Judgment) is nigh and the moon is cleft asunder. (Surat al-Qamar, 54:1)

We are Your servants, O our Lord! Have mercy on our weaknesses and our going astray!

•••••••• •••••••••••• ••••••••

Wa khuliq al-insaanu da`eefa.

Man is created weak. (Surat an-Nisa, 4:28)

Have mercy on our weakness, O our Lord!

••••• •••••• •••••••••••••• ••••• •••••••••

Inna kayda ash-Shaytan kaana da`eefa.

Feeble indeed is the cunning of Shaytan. (Surat an-Nisa, 4:76)

We are weak, but Shaytan is also weak! Dumbfounded, he jumps up and down as there is nothing else for him to do now; he is astonished. All kinds of springs have opened up to lead astray the Sons of Adam. Shaytan has put forth all his capital for the sake of ruining the Sons of Adam, and now he has nothing left to do; this is his end point. Now he is shaking, because as soon as the sultan comes he will be finished, as the sultan will bring

all that he is doing to an end. Allah, Allah. May Allah protect us.

• ••••••••• ••••••••• ••••••••• ••••••••• ••••• •••••••••• •••••••••• •••••• ••••••• •••••• •••••••••••• ••••••••• ••••• •••••••••••
•••••• •••••••••• ••••••••• ••••• ••••• •••••• ••••••••• ••••••• ••••••••• ••••••••• ••••• ••• •••••••••• ••••••••• ••••••• •••••••
•••••••

Yaa ayyuha ‘n-nas `ittaqoo rabbakum inna zalzalati ’s-sa`ati shay`un `azheem yawma tarawnahaa tadhalu kullu murdi`atin `amma arda`at wa tada`u kullu dhaati hamlin hamlahaa wa tara an-nasa sukaara wa ma hum bi-sukaara wa laakinna `adhab Allahi shadeed.

O Mankind! Fear your Lord, for the convulsion of the Hour will be a thing terrible! The Day you shall see it, every mother giving suck shall forget her suckling babe, and every pregnant female shall drop her load (unformed). You will see Mankind as a drunken riot yet not drunk, but dreadful will be the wrath of Allah! (Surat al-Hajj, 22:1,2)

Allah, Allah! How can we possibly endure this? There is no endurance. He will crush! If His subduement comes it will destroy this whole universe, and we are not even a dot next to it! Yaa Malik al-Mulk! “Alif” and “lam” designate His Oneness.

Mawlana Shaykh Hisham, Mawlana Shaykh Adnan: And ta`reef, “exquisiteness.”

Mawlana Shaykh Nazim: Ta`reef? I didn’t learn that, my teacher (...)

Mawlana Shaykh Adnan: The donkey learns only after repeating several times. (Laughter)

Mawlana Shaykh Nazim: Poor animals, they will also finish; nothing will be left of them.

Mawlana Shaykh Adnan: Will the Mulk, Dominion finish?

Mawlana Shaykh Nazim: No, the Creation is continuing. From the first to its first and from the last to its last. Allahu Akbar al-Akbar! Amaan, yaa Rabbee! Fatihah.

The `Alawiyyeen have risen (in Syria). The headquarters is in the air and in the oceans. They will enjoin the soldiers from above to meet the small party of Islam in the valley of `Ummuk. They will appear there, however:

•••••••••••••• •••••••••••• ••••••

Yamkuroona wa yamkuru ‘l-Allah.

They plot and plan, and Allah too plans. (Surat al-Anfal, 8:30)

There is a plot for their plots; wa makaroo wa makara ‘Llah. Who can carry it? They will finish even through an ant. They stood up alive and fell as dead, nafsin nahaara. Amaan, yaa Rabbee. Tawba, astaghfirullah. Tawba, astaghfirullah.

Fatihah.

O our Lord! Make our obstacles easy for us in every way and save us from the hands of dunya and from the afflictions in the Hereafter, for the sake of Your honorable Prophet (s), the Prophet of Mercy!

Fatihah.

They (armies) have all come together from the Heavens and Earth.

Mawlana Shaykh Hisham: Allahu Akbar! We never heard this before! It is such a perfect interpretation.

Mawlana Shaykh Nazim: Allahu Akbar! What interpretation is this? The interpretation comes from them. The armies of the Heavens have come together:

••••••••• ••••••• •••••••••••••• •••••••••••

wa lillahi junoodu ’s- samawaati wa ‘l-`ard.

For to Allah belong the Forces of the heavens and the earth (Surat al-Fath, 48:7)

They will descend from above and come together with the people on Earth and clean the Earth like sweeping

with a broom, and there won't be any living being on the face of Earth. It would be impossible to say that in the first era that there were would be people living here, cities and all. It will become an ocean of sand. You cannot say that before one-thousand years because people lived here with animals, plants, oceans. They will be surprised. The order is between the "kaf" and "noon" of "Kun faya kun!" (The holy command, "Be! And it is." 36:82)

Allahu Akbar! Allahu Akbar! Allahu Akbar!

O our Lord! Have mercy on our going astray and have mercy on our weakness. O our Lord! Forgive and have mercy on us as You are the Best of those who show mercy!

Fatihah.

## The House of The Lord

Audhu Billah min ash-shaytan ar-rajim Bismillahi r-Rahmani r-Rahim.
Good tidings for the believers, the ones who are acting according to the Sharia' of Allah (swt) and the sunnah of His Prophet (saws) Glorify our Lord Allahu Akbar Al Akbar! Wa Lillahi Al Hamd, and to His Prophet (saws) Salat & salams from pre-Eternity up to Eternity. May Allah increase his honour & glory & those who follow him until Judgment Day.

O believers! Ramadan came to us! Ramadan came to us! This is how the Egyptian people say it. Ramadan came to us! Every Ramadan comes loaded with the blessings of earth and the grants of Heavens. Good tidings to those who appreciate its value, who honours & glorifies (the holy month) and obeys the orders of our Lord (jwa) by fasting & by praying. We are at the beginning of the blessed month, the month of the blessed Ramadan. But I am sorry that the Muslim countries are in a very bad situation, that has broken the hearts of the believers. We beg Allah (swt) that He may remove from us the persistence of these shaytans who are not praising the glory of Al Haqq & Islam as the religion that is honoured in the worlds & in Heavens.

The Islamic religion gave honour to the Arabs & non-Arabs. Before Islam there was not any knowledge about the Arabs. They weren't known. They were living in the plains of... in the

desert. Tribes and their affairs were only among themselves. Allah, Subhana wa Ta'ala ordered Sayidina Ibrahim (as) to build Baytullah in the middle of the plains of Arabia. And by the signs from Heavens, Sayidina Ibrahim (as) knew where he was to build Baytullah. He & his son Sayidina Ismail (as), Hajar, the mother of Ismail (as), with them in the middle of the desert with no water, nor vegetation and no signs of life. As if nobody lived there from the beginning of life to our days now, Subhana Allah. He & his son (as), by the order of Al Haqq, began to build & Allah (swt) made the water of Zam Zam gush out for them. He (swt) gave them life, because life is with water. "Wa Ja`alna Mina Al-Ma'i Kulla Shay'in Hayyin" (21:30) "And We have made from water every living thing" (21:30).

And up to now, maybe 5000 years from the time of Sayidina Ibrahim (as) until our time now, the same longing, love and excitement in the hearts to go & to visit the Baytullah/ House of The Lord. We see that every night, every day so many people, hundreds & thousands people make tawaf/circumambulate the Baytullah..... This is the message from Heavens: it started where there were no possibilities but with the order of The Lord of Heavens, life started in the middle of the desert. Look, about 5000 years ago or more, that excitement, and love & attraction to the direction of Baytullah Al Haram is still flowing among the Muslims, the believers. And before them the Arab tribes used to visit. They knew that it was not normal that the House of the Lord was in the middle of the desert where there was no possibility for life. Subhanahu wa Ta'ala.

"'Innama Amruhu Idha Arada Shay'an An Yaqula Lahu Kun Fayakunu" (36:82)

And now O people O... Arabs, O believers, O people of the Book! In their Holy Books there is "House of the Lord"; "House of Lord" is mentioned in their books. Where is the "House of the Lord", Meaning Baytullah? They know it but they deny it. The ones who know it, Allah (awj) gave them honour. Those who denied it their situation is under ground; they have no value and no glory for them. But now millions of people are gathering there in Baytullah since it was built by Sayidina Ibrahim (as) and peace be on our Prophet (saws). Then people disputed because they were worshipping idols, idol worshippers... They argued. Allah (jwa) sent to them one Prophet (saws), Sayidina Rasulullah (saws). The rest of them (the Prophets) are from the children of Sayidina Is'haq (as). The Arabs are from Sayidina Ismail (as) Ismawil Ishmawil, Ishaq,

Ishmawil.... and their descendents are continuing on up to our days now. From the children of Sayidina Ismail (as) and from the children of S. Ishaq aleyhi salam, and to his father Sayidina Ibrahim (as).

Salat Allahu wa Salamu on the Master of beginning & end Sayidina Muhammad (saws). Everytime they glorify him, Allah (awj) grants them honour. Every time they leave off glorifying him, something comes down on them, comes down on them - poverty & oppression and humiliation. And, Allah (awj) sent the Prophet (saws) of the end of times, Sayidina Rasulullah, Sayidina Muhammad (saws) and he (saws) alone stood by Divine order when a call from Heavens came, "Ya Muhammad stand up & warn!" So he stood up, Sayidina Muhammad (saws) and called out to people: "O people, your Lord is The most High. There is no Lord but Him, the Lord of Heavens & Earths, He created you. He is your Creator, your Sultan. Come and submit to Him so that He, your Lord (jwa), may grant you honour above honour."

And those among them, some of the tribes that are linked to the path of Sayidina Ismail (as), some of them are believers & some are non believers. They worshipped the idols & changed everything. And therefore they remained in dishonour and humiliation. Nothing is known about them. In history it is mentioned that under the leadership of the Iranians their Sultan - what's his name? - Qisra - under his leadership they are forgotten, nothing is mentioned about them. And Allah Almighty sent at the end of times, to declare His Oneness and His Unity from Pre-Eternal to Eternal, our Lord Allah Almighty, The Lord of Heavens & Earth.

My Arabic is very limited but I wish that what I am saying is understood first of all by our brothers the Arabs, the Muslim Arabs, the believers. It was wished or hoped or expected that the first to believe in the Prophet (saws) of the end of times would be the Arabs. But they fought him, but "Wa qul jaa al Haqqu wa zahaqal batil inna Al Batil kana Zahuqa". But they insisted and they were proud and arrogant and they wanted to raise the banners of their idols. And they were not granted the chance to do so. And the Prophet (saws) of the end of times by himself, he came up on the mount of Safa' & called them - "O people Come & say La Ilaha illa Allah Muhammad ar- Rasulullah." And he said "I am sent. I am from the offspring of the Prophet Ismail (as) & his father S. Ibrahim(as), his teaching. And he taught the people to say "La Ilaha illa Allah. I am the

last of the teachers who will came to teach you. I came to teach you That Allah (swt) is One, Wahidun Ahad, Samad (jj) Lam Yalid Wa Lam Yulad Walam Yakun Lahu Kufuwan 'Ahadun (Surah 112) Prophecy is with me come & follow me and then Allah Almighty will love you. If you love Allah (swt) follow me. Then Allah Almighty will love you." Allahu Akbar!

The one who loved S. Muhammad (saws) became loved by the Heavenly ones. And those who refused they became rubbish on earth and they have no way to reach Heaven. They have no chance for Eternal life. This is a summary according to what came as an inspiration to the heart of a weak servant and I am saying this to remind the Muslim people. This is the first point, and the second to all the creation on the face of earth. What is more important is to remind those who claim that they are Muslims & they say that their Religion is Islam & their Sharia is the Sharia of Islam. Those who change their ways, Allah Almighty will change their situation. If you keep your oath Allah Almighty will keep His oath with you. If you leave your oath, Allah Almighty will make you the most dishonoured of people. Then you will eat one another.

Glory to Allah Almighty! O believers & Muslims from the Arabs & non Arabs, return to the Divine Sharia', return to the Book of Allah (swt). You will find the news of the nations that came before you and the news of the nations that will come after you. Then Allah (swt) will raise your honour here & in the Hereafter. And you will be happy here & in the Hereafter & you will have Eternal life if you follow the book of Allah (swt) & the Sharia of Allah (swt). Otherwise your place & position will be under earth, Naudhu Billah, in hellfire forever. O people! Think. These are some words what were inspired to my heart & my chest and you masha'Allah have many scholars to remind you.

Maybe before you were born, I was in Egypt the Protected for a visit. By Divine Wisdom I went there. I was with my companion from Damascus. I was standing waiting for the train, so it could take us to the south of Cairo or even more south. My age at that time, maybe I was 30 years old and I was there waiting at the station. Someone came to me. He looked like one seeking knowledge. He looked at me & said "Ya Shaykh, from where do you come?" I told him, I came from Damascus. "What do you think of the people of Egypt here. Do they listen to you? Do they

learn from you?" I told him, I am not claming that, but I came to visit. Then he looked at me. He was as tall as a palm tree. O Sheikh, here, here in our country there are 300,000 Azhari scholars. Which means we don't need your advice we have Azhari Sheikhs, 300,000 Azhari Shaykhs!

Is there no mind?! Anger overcame me! Truly, I became very angry. And I told him, O Sheikh if you say you have 300 000 Azhar scholars then why is all this corruption in your country? 300 000 Azhar scholars and the country is like this? Not one of them is following Allah's Sharia or his Prophet's Sunnah? How can this be?! Here there are maybe 1 million Azhar scholars, what is the benefit? They didn't educate Muslims about their Prophet's Sharia! This is the important measure, not the number of Azhar scholars! No! That was 50 years ago, the first tyrant was there at that time. This until now, maybe it is 50 years or more. This story that I am telling you I witnessed myself!

My Arabic is little, put it in order and convey it to people for them and their conscience. If you have as many thousands of Azhar scholars who are doctors how many sick people do you have? Why can't they treat you? Where is your treatment?! There is nothing except what happened. Allah (swt) sent on them first from tyrants, those who ruined all the rules of Islam from begining to end and made the country irreligious! And what happened, happened because of this falsehood. Audhu Billah. And I am sorry for our scholars who have no words to send away those tyrants who are the remnants of Pharaohs! May Allah (swt) disgrace them all! This is for the people of Egypt.

There is alot of talk also about the rest of the countries. But I hope from our Lord that my words are accepted because they are in accordance with His strong Sharia. If anyone says this Shaykh is without mind - whoever says Allah (swt) is never without mind. Never! Al Hamdulillah wa Shukr Ya Rabbi. Praise be to You! Send us a king to fight for Your sake. O people of Egypt, a King to bring your honor back! Or till the end of times you will have no honor, no status, and no possibility or presence of the heart. And no thanking from our Lord (jwa). May Allah forgive us. Ya Rabbi, Tawba Ya Rabbi. Tawba Astaghfirullah. Tawba Ya Rabbi, Tawba Astaghfirullah. Your pardon & acceptance for the sake of the Blessed month of Ramadan. Forgive us our Lord.

Send us a king to fight for Your sake. East and West. This is Your promise, and Your promise is Haqq! Ya Rabbina, Send us a King, Mahdi (as).

Allahu Akbarul Akbar upon whoever is transgressing. May god disgrace them and throw them out! Throw them out! These are the people of sickness! May Allah throw them out of Muslim countries! O Muslims, consider these words and think! And if my speech is wrong, then you don't know anything! You are young people who were made to be imitators of the west in all their steps! You will not succeed! Whoever follows the steps of shaytan, and makes him rule like he is ruling in non Muslim countries, will not succeed!

Ya Rabbi, O my Lord don't leave us to ourselves. For the sake of holy Ramadan, O my Lord send us a King. Send us a King. We don't want presidents. We don't want parliaments. We don't want groups. No! We want the banner of the Prophet (saws) put in the middle of your country and Allah (swt) will support you, otherwise you will not be victorious! Ever!

Astaghfirullah. Ya Rabbi forgive us and forgive us, and inspire us witih sense. Tawba Ya Rabbi, tawba Ya Rabbi. Fatiha.

Arabs like this. Israel like this. Turks like this. Non Arabs like this! All like this. All of them are the same. No one is following, not a single one is on, the path of Allah's orders. No. They are following neither the Bible, nor the Torah, astaghfirullah.

---

## Das Haus des Herrn

---

Audhu Billahi mina sh-shaytani r-rajim. Bismillahi r-Rahmani r-Rahim. Gute Nachrichten für die Gläubigen, diejenigen, die nach der Shariat Allahs (swt) und der Sunnah Seines Propheten (saws) handeln, um unseren Herrn zu preisen, Allahu Akbaru l-Akbar! Wa Lillahi l-Hamd. Und für Seinen Propheten (saws) Salatu wa Salam von Vorewigkeit bis Ewigkeit. Möge Allah seine Ehre und seinen Preis vergrößern und für jene, die ihm folgen, bis zum Tag des Gerichts.

Gläubige, Ramadan ist zu uns gekommen! Ramadan ist zu uns gekommen! So sagen es die Ägypter. Ramadan ist zu uns gekommen! Jeder Ramadan kommt beladen mit den Segnungen der Erde und den Gaben der Himmel. Gute Nachrichten für die, die den Wert zu würdigen wissen, die (den heiligen Monat) ehren und preisen und den Befehlen unseres Herrn (jwa) gehorchen durch Fasten und Beten. Wir sind am Anfang des gesegneten Monats, des Monats des gesegneten Ramadans.

Aber leider sind die Muslimländer in einer sehr schlechten Lage. Das hat das Herz der Gläubigen gebrochen. Wir bitten Allah (swt), die Fortdauer dieser Shaytane von uns zu nehmen, die die Herrlichkeit von Al Haqq und den Islam als Religion, die in den Welten und Himmeln geehrt ist, nicht preisen. Die Islamische Religion gab den Arabern und Nicht-Arabern Ehre. Vor dem Islam gab es kein Wissen über die Araber. Sie waren nicht bekannt. Sie lebten in den Ebenen von.. in der Wüste. Stämme und deren Angelegenheiten waren nur untereinander. Allah Subhana wa Ta'ala befahl Sayyidina Ibrahim (as), Baytullah zu bauen inmitten der Ebenen Arabiens. Und durch die Zeichen von den Himmeln wußte Sayyidina Ibrahim (as), wo er Baytullah bauen sollte. Er und sein Sohn Sayyidina Ismail (as), Hajjar, die Mutter Ismails (as), mit ihnen in der Mitte der Wüste ohne Wasser, ohne Vegetation und ohne Zeichen von Leben. Als ob dort niemand gelebt hatte seit dem Beginn des Lebens bis in unsere Tage jetzt, Subhana Allah.

Er und sein Sohn (as), auf Befehl von Al Haqq, begannen zu bauen, und Allah (swt) ließ das Wasser von Zamzam für sie hervorsprudeln. Er (swt) gab ihnen Leben, weil Leben mit dem Wasser ist. "Wa Ja`alna Mina l-Ma'i Kulla Shay'in Hayyin" (21:30). 'Und wir machten aus dem Wasser jedes lebende Ding' (21:30). Und bis heute, vielleicht 5000 Jahre seit der Zeit von Sayyidina Ibrahim (as) bis in unsere Zeit jetzt, gibt es dasselbe Verlangen, dieselbe Liebe und Aufregung in den Herzen, zu gehen und Baytullah, das Haus des Herrn, zu besuchen. Wir sehen, daß jede Nacht, jeden Tag so viele Menschen, Hunderte und Tausende von Menschen, Tawaf, die Umschreitung von Baytullah, machen. Dies ist die Botschaft der Himmel: Es begann, wo es keine Möglichkeiten gab, aber durch den Befehl des Herrn der Himmel, begann das Leben in der Mitte der Wüste. Seht, seit ungefähr 5000 Jahren oder mehr diese Aufregung und Liebe und Anziehungskraft in Richtung Baytullah Al Haram fließt immer noch unter den Muslimen, den Gläubigen.

Und schon vor ihnen pflegten die arabischen Stämme den Ort zu besuchen. Sie wußten, daß es nicht normal war, daß das Haus des Herrn in der Mitte der Wüste stand, wo es keine Möglichkeit für Leben gab. Subhanahu wa Ta'ala. "Innama Amruhu Idha Arada Shay'an An Yaqula Lahu Kun Fayakunu" (36:82). Und jetzt, Leute, Araber, Gläubige, Leute des Buches! In ihren Heiligen Büchern kommt das Haus des Herrn vor. Das Haus des Herrn ist in ihren Büchern erwähnt. Wo ist das Haus des Herrn, das bedeutet, Baytullah? Sie wissen es, aber sie verleugnen es. Denjenigen, die es wissen, gab Allah (awj) Ehre. Jene, die es verleugnen, ihre Lage liegt danieder. Sie haben keinen Wert, und für sie gibt es keinen Ruhm. Aber jetzt versammeln sich Millionen von Leuten dort beim Baytullah, seit es von Sayyidina Ibrahim (as) gebaut wurde, und Friede sei auf unserem Propheten (saws).

Dann stritten die Leute, weil sie Götzen anbeteten, Götzenanbeter... Sie stritten. Allah (jwa) sandte zu ihnen einen Propheten, Sayyidina Rasulullah (saws). Die übrigen Propheten kommen von den Kindern von Sayyidina Is'haq (as), die Araber sind von Sayyidina Ismail (as), Ismawil, Ishmawil, Ishaq, Ishmawil... und ihre Nachkommen leben weiter bis in unsere Tage jetzt. Von den Kinder von Sayyidina Ismail (as) und von den Kindern von S. Ishaq (as) und bis zu seinem Vater Sayyidina Ibrahim (as). Salatu Allahu wa Salamu auf den Meister von Anfang und Ende, Sayyidina Muhammad (saws). Jedesmal, wenn sie ihn preisen, gibt Allah (awj) ihnen Ehre. Jedesmal, wenn sie aufhören, ihn zu preisen, kommt etwas auf sie herab, kommt auf sie herab Armut, Unterdrückung und Erniedrigung. Und Allah (awj) sandte den Propheten des Zeitenendes (saws), Sayyidina Rasulullah, Sayyidina Muhammad (saws). Und er stand allein durch Göttlichen Befehl, als der Ruf von den Himmeln kam: Ya Muhammad, steh auf und warne sie! Also stand er auf, Sayyidina Muhammad (saws) und rief den Menschen zu: 'Leute, euer Herr ist der Höchste. Es gibt keinen Herrn außer Ihm, dem Herrn der Himmel und Erden. Er hat euch erschaffen. Er ist euer Schöpfer, euer Sultan. Kommt und unterwerft euch Ihm, so daß Er, euer Herr (jwa), euch Ehre über Ehre gewähren möge.'

Und jene unter ihnen, einige der Stämme, die mit dem Weg Sayyidina Ismails (as) verbunden sind, einige von ihnen sind Gläubige und einige sind Ungläubige. Sie beteten Götzen an und änderten alles. Und deshalb verbleiben sie entehrt und erniedrigt. Nichts ist von ihnen bekannt.

In der Geschichte wird erwähnt, daß unter der Führung der Iraner, ihr Sultan - wie war sein Name? - Qisra, unter seiner Führung sind sie vergessen, nichts wird über sie erwähnt. Und Allah der Allmächtige sandte am Ende der Zeit, um Sein Einssein und Seine Einheit zu erklären von Vorewigkeit bis Ewigkeit, unser Herr, Allah der Allmächtige, der Herr von Himmel und Erde. Mein Arabisch ist sehr begrenzt, aber ich möchte, daß das, was ich sage, verstanden wird zuerst einmal von unseren Brüdern, den Arabern, den muslimischen Arabern, den Gläubigen. Es war erwünscht, erhofft oder erwartet, daß die ersten, die an den Propheten des Zeitenendes (saws) glauben würden, die Araber wären. Aber sie bekämpften ihn. "Wa qul jaa l-Haqqu wa Zahaqal Batil inna l-Batil kana Zahuqa". Aber sie beharrten und wurden stolz und arrogant und wollten die Banner ihrer Götzen hoch aufrichten. Und ihnen wurde die Gelegenheit dazu nicht gegeben.

Und der Prophet des Zeitenendes (saws) kam alleine hoch auf den Berg Safa' und rief sie: 'Leute, kommt und sagt La ilaha illa Allah, Muhammadu r-Rasulullah.' Und er sagte: 'Ich bin gesandt. Ich gehöre zu den Nachkommen des Propheten Ismail (as) und seines Vaters Ibrahim (as) und seiner Lehren. Er lehrte die Leute zu sagen La ilaha illa Allah. Ich bin der letzte Lehrer, der kommt, um euch zu lehren. Ich kam, um euch zu lehren, daß Allah (swt) Einer ist, Wahidun Ahad, Samad (jj) Lam Yalid Wa Lam Yulad Walam Yakun Lahu Kufuwan 'Ahadun" (S. 112) Die Prophezeiung ist bei mir, kommt und folgt mir. Und dann wird Allah der Allmächtige euch lieben. Wenn ihr Allah (swt) liebt, folgt mir. Dann wird Allah der Allmächtige euch lieben.' Allahu Akbar!

Der, der S. Muhammd (saws) liebte, wurde von den Himmlischen geliebt. Und jene, die sich weigerten, wurden Abfall auf Erden, und es gibt für sie keinen Weg zu den Himmeln. Sie haben keine Chance auf das Ewige Leben. Dies ist eine Zusammenfassung dessen, was als Eingebung zum Herzen eines schwachen Dieners kam. Und ich sage das, um die Muslime zu ermahnen. Das ist der erste Punkt und der zweite für die ganze Schöpfung auf dem Angesicht der Erde. Was wichtiger ist, ist jene zu ermahnen, die behaupten, Muslime zu sein, und die sagen, ihre Religion sei der Islam und ihre Shariat die Shariat des Islam. Jene, die ihre Wege ändern, deren Lage wird Allah der Allmächtige ändern. Wenn ihr eueren Eid einhaltet, wird Allah der Allmächtige Seinen Eid mit euch einhalten. Wenn ihr euerem Eid den Rücken kehrt, wird Allah der

Allmächtige euch zu den entehrtesten Leuten machen. Dann werdet ihr einander verschlingen. Gepriesen sei Allah der Allmächtige!

Gläubige und Muslime unter den Arabern und Nicht-Arabern, kehrt zurück zur Göttlichen Shariat, kehrt zurück zum Buch Allahs (swt). Ihr findet dort Nachrichten von den Nationen, die vor euch kamen, und Nachrichten von den Nationen, die nach euch kommen. Dann erhebt Allah (swt) euere Ehre hier und im Jenseits. Und ihr werdet glücklich hier und im Jenseits und werdet das Ewige Leben haben, wenn ihr dem Buch Allahs (swt) und der Shariat Allahs (swt) folgt. Sonst wird euer Platz und euere Position unter der Erde sein, Naudhu Billah, im Höllenfeuer für immer. Leute, denkt nach! Dies sind einige Worte, die in mein Herz und meine Brust eingegeben wurden. Und ihr habt, masha'Allah, viele Gelehrte, die euch ermahnen.

Vielleicht noch vor euerer Geburt war ich in Ägypten, der Geschützten, zu einem Besuch. Durch Göttliche Weisheit ging ich dorthin. Ich war mit meinem Begleiter aus Damaskus. Ich stand und wartete auf den Zug, damit er uns in den Süden von Kairo bringen konnte oder sogar noch weiter in den Süden. Ich war zu der Zeit vielleicht 30 Jahre alt. Und ich stand dort wartend am Bahnhof. Jemand kam zu mir. Er sah aus wie jemand, der Wissen sucht. Er sah mich an und sagte: 'Ya Shaykh, woher kommst du?' Ich sagte ihm, daß ich aus Damaskus käme. 'Was denkst du von den Leuten Ägyptens hier? Hören sie dir zu? Lernen sie von dir?' Ich sagte ihm, daß ich nicht den Anspruch hätte, sondern zu Besuch sei. Da guckte er mich an. Er war groß wie eine Palme. 'O Shaykh, hier, hier in unserem Land gibt es 300.000 Azhari Gelehrte. Das bedeutet, wir brauchen deinen Rat nicht, wir haben Azhari Shaykhs, 300.000 Azhari Shaykhs!' Gibt es keinen Verstand? Ärger überkam mich! Wahrhaftig, ich wurde sehr ärgerlich. Und ich sagte ihm: 'O Shaykh, wenn du sagst, ihr hättet 300.000 Azhari Gelehrte, warum gibt es dann all diese Verderbtheit in deinem Land? 300.000 Azhari Gelehrte, und das Land ist in diesem Zustand? Nicht einer von ihnen folgt Allahs Shariat oder der Sunnah des Propheten (saws)? Wie kann das sein?'

Hier gibt es vielleicht 1 Million Azhari Gelehrte. Was ist der Nutzen? Sie bildeten die Muslime nicht in bezug auf die Shariat des Propheten (saws). Das ist das wichtige Maß, nicht die Anzahl der Azhari Gelehrten! Nein! Das war vor 50 Jahren. Der erste Tyrann war dort zu der Zeit. Das bis jetzt, sind vielleicht 50 Jahre oder mehr. Diese Geschichte, die ich euch erzähle, habe ich

selbst erlebt! Mein Arabisch ist gering, ordnet es und übermittelt es den Leuten, für sie und ihr Bewußtsein. Wenn ihr so viele Tausende von Azhari Gelehrten habt, die Doktoren sind, wieviele Kranke habt ihr? Warum können sie euch nicht behandeln? Wo ist euere Behandlung? Es ist nur das, was geschah. Allah (swt) sandte über sie zuerst Tyrannen, die alle Regeln des Islam von Anfang bis Ende ruinierten und das Land religionslos machten! Und was geschah, geschah wegen dieser Falschheit. Audhu Billah.

Und mir tun unsere Gelehrten leid, die keine Worte haben, um diese Tyrannen wegzuschicken, die Überbleibsel von den Pharaonen sind! Möge Allah (swt) sie alle zuschanden machen. Das ist für die Menschen von Ägypten. Es gibt auch eine Menge Gerede über die übrigen Länder. Aber ich hoffe von unserem Herrn, daß meine Worte angenommen werden, weil sie mit Seiner starken Shariat übereinstimmen. Wenn jemand sagt, dieser Shaykh hat keinen Verstand - wer immer das sagt, Allah (swt) ist niemals ohne Verstand. Niemals! Alhamdulillah wa Shukr Ya Rabbi.

Gepriesen seiest Du! Sende uns einen König, um Deinetwillen zu kämpfen. Menschen in Ägypten, ein König bringt euere Ehre zurück. Oder ihr werdet bis zum Ende der Zeit keine Ehre mehr haben, keinen Status, und keine Möglichkeit oder Anwesenheit des Herzens. Und kein Dank von unserem Herrn (jwa). Möge Allah uns vergeben. Ya Rabbi, Tawba ya Rabbi, Tawba Astaghfirullah. Tawba ya Rabbi, Tawba Astaghfirullah. Deine Verzeihung und Anerkennung um des Gesegenten Ramadan willen. Vergib uns unser Herr. Sende uns einen König, der um Deinetwillen kämpft. Ost und West. Das ist Dein Versprechen. Und Dein Versprechen ist Haqq. Ya Rabbina, sende uns einen König, Mahdi (as).

Allahu Akbaru l-Akbar auf jeden der Übertreter. Möge Allah (swt) Schande über sie bringen und sie hinauswerfen! Wirf sie hinaus! Dieses sind die Leute, die Krankheit tragen. Möge Allah sie aus den Muslimländern hinauswerfen. Muslime, erwägt diese Worte und denkt! Und wenn meine Rede falsch ist, dann wißt ihr gar nichts! Ihr seid junge Leute, die zu Nachahmern des Westens in all ihren Schritten gemacht wurden. Ihr werdet keinen Erfolg haben. Wer immer den Schritten Shaytans folgt und ihn zur Herrschaft bringt, wie er in nicht-muslimischen Ländern herrscht, wird keinen Erfolg haben. Ya Rabbi, o mein Herr, überlaß uns nicht uns selbst. Um des Heiligen Ramadan willen, o mein Herr, sende uns einen König. Sende uns einen König. Wir wollen keine

Präsidenten. Wir wollen keine Parlamente. Wir wollen keine Gruppen. Nein! Wir wollen das Banner des Propheten (saws) aufgestellt in der Mitte eueres Landes, und Allah (swt) wird euch unterstützen, sonst werdet ihr nicht siegreich sein. Niemals! Astaghfirullah. Ya Rabbi vergib uns und vergib uns und statte uns mit Einsicht aus. Tawba ya Rabbi, Tawba ya Rabbi. Fatiha. Die Araber sind so. Israel ist so. Die Türken sind so. Die Nicht-Araber sind so. Alle sind so. Sie alle sind gleich. Niemand folgt, nicht ein einziger ist auf dem Pfad von Allahs Befehlen. Nein. Sie folgen weder der Bibel, noch der Torah, Astaghfirullah.

Lefke, 23.07.2012

## The House of The Lord and The Servant of The Lord

Allahu akbar, Allahu akbar Allahu akbar wa li-llahi l-hamd. Innahu Hamidun Majid. Dastur, ya Shah-i Mardan. Your Friends are waiting for you. They want to learn good manners from you. They want to be saved from wildness. Today is Friday, yawm ul-jum'a, the day of the Jum'a prayer. Actually it is yawm ul-jam'a, the day of gathering.

Come to us, O Shah-i Mardan! Peace be upon you. Peace come to us from Shah-i Mardan. O Lovers of Shah-i Mardan, may peace be with you. May you be in peace, in this world and in the hereafter, may you be in peace. Come to us, o Shah-i Mardan! Give us the strength to listen to you. Let us say: Marhaba! O Lovers of Shah-i Mardan, marhaba, welcome! Marhaba is a heavenly robe of honour for the sons of man. Saying "marhaba" is a robe of honour that comes down from the heavens. Every day it is a different one. People, in particular women, every day want to wear and be seen in a new garment. That is their nature. So, since that is what you want, those robes are brought down from heaven by the angels. They descend upon the Ancient House, the Ka'aba-i Mu'azzama. The robe of faith, the robe of Islam. Faith is Islam's robe of honour. The robe of health, the robe of light, every day they descend upon the Ka'aba-i Muazzama.

Subhan Allah. Dastur, ya Rijal-Allah! Madad, ya Sultan ul-awliya! Madad, ya Shah-i Mardan. We ask for your advices, which will open our hearts. Today is yawm ul-jum'a, Friday, the day of Jum'a. This day has honour in this world and in the hereafter. Madad, ya Sahib al-Imdad, O Giver of Support! Who is this? It is Shah-i Mardan. Ask him for support, his aid will come to you. But beware of behaving in a wild, uncontrolled way! You will earn a beating! "If he won't learn to behave by being warned, he deserves a beating!" The elders used to say this. And Shah-i

Mardan says the same today. Give advice. If that one won't take your advice, he deserves a beating.

Today is the day of Jum’a, a day of honour. It is a day of honour in this world and in the hereafter. On this day of honour, the people of faith are robed in robes of honour. There is a robe of honour that descends upon the Ka’aba-i Mu’azzama, a garment of honour. People nowadays, in particular those belonging to the military, are examples of the pride of arrogance. They make such claims: "No one can be bigger, more honourable, or stronger than we are." They call it a "uniform". They come to their military ceremonies with such decorations, making such big claims: Look at our our greatness, is there anyone more powerful than we? Is there

anyone more imposing, anyone more honourable? We are the most highly honoured class. All others are beneath our feet. La hawla wa la quwwata illa bi-llahi l-‘aliyyi l-‘azim. Come, o Shah-i Mardan! When the time has come for your sword to strike, you will cut down those grand ones as if they were cucumbers.

Despite that Shah-i Mardan, Habib ur-Rahman, did not dress in flashy, elegant clothes. He did not ride a showy mount. He rode a mule named Duldul, something between a horse and a donkey - that is what he rode. Say: Bismillahi r-Rahmani r-Rahim. Let us say: O Lord! Let us exalt Your Majestic Name! So that all the satanic qualities leave us! Let us take pride in being Your servants, o Lord. To take pride in some clothes or in a uniform is not a reasonable action. It is the action of ignorant people. Therefore, that group in their uniforms want to put on a show of their greatness and grandeur, but in the eyes of the public they are low. They have no renown in heaven. For "al-‘azamatu rida'i wa l-kibriya'u", Greatness is My garb and Grandeur, it is My quality, says Allah in His Majesty, He has granted to His servants honour according to their degrees.

Take your honour from heaven, not from a uniform you wear on earth! Not from false titles. But those whose minds are tied to their uniforms wear special kinds of insignia on their clothing, in order to show their distinction, to show their achievements. This one is lieutenant general, army commander. This one is a colonel, a captain, a brigadier - names like that. These titles are given in writing, are received by order. They will lay you out on the bench used for washing the dead,

and no rank will remain; no longer will you be ruler, governor or sovereign. O mankind, you must understand.

Come, o Shah-i Mardan! O Lovers of Shah-i Mardan, O Friends of the Lion of Allah! Listen. Dastur, ya Sahib-i Divan, look upon us! We must know our limits. When we know our limits we are at ease. If the gatekeeper, the sweeper, the man who sweeps the Sultan's seat, those who do the sweeping, sit in the Sultan's place, of what value is it? This one is different from that one. Look to the honour you were given. "an tahhira baytiya li t-tayifina wa l-‘akifin" (2:125) O Ibrahim, Father of Prophets, aleyhimu s-salam, Khalilu r-Rahman. "tahhir baytiya", that is My House, the House of the Lord, the Ka’aba-i Muazzama. Build the Ka’aba, glorify and purify it. Clean it. Keep it pure for those who come here to worship, to perform tawaf. Keep My House clean for them, He says. Come, o Shah-i Mardan, you speak so well. The great prophet Ibrahim, the Father of Prophets, this was the command he received: Keep this house, and serve it, for it is My House, said the Lord. Keep it clean for those visiting it and serve those visiting My House, serve them and keep it clean. What a good command!

Alright, since it is like that, O man of small mind, if the Baytullah, the House of Allah, is a house, then you are ‘Abdullah, a servant of Allah. Allah Almighty teaches us. He had the prophet Ibrahim build the House together with his son Isma’il (as). "wa idh yarfa’u Ibrahimu qawa’ida lbayti wa Isma’il, Rabbana, taqabbal minna." (2:127) He placed stone upon stone - O you who are of small mind - a father and his son in the middle of a desert, placing stone upon stone. There

was no machinery, no crane or winch. They built a building with four corners, and He said: "This is My House." Allahu Dhu- l-Jalal, the prophet Ibrahim and Isma’il (as). Glorify it, keep it pure, so that the visitors who come here will find it clean and tidy. And serve them. What have we to offer them? In the midst of the desert. Allah, the Lord of Glory orders them.

Come to us, o Shah-i Mardan, the field is yours. The father of your fathers, the Prophet Ibrahim, what shall We offer him in the midst of this desert? Not a drop of water in this desert. Water is the source of life. No water. So He sent the angel Jibril al-Amin. With his wing he prodded the ground. The desert began to gush with water. Allah has Power to do all things. Muslims stream

towards that place to drink from the sacred well of ZamZam. Water means life. The water men drink for their physical bodies is one thing, and the water men are given to drink for their inner reality is another. Allahu akbar. People going there go for the sacred ZamZam, but not to drink. No, there they find a different kind of ZamZam, a ZamZam coming down from heaven, not one coming out of the earth. Ibrahim the prophet saw how in the middle of the desert Jibril touched the ground with his wing and water came forth. He had arrived there tired from thirst; they came to this place and drank its water. Our mother Hajar, in order to contain the water, made a pool for it to run into, ZamZam, ZamZam, ZamZam. How lovely.

O people, the place that is visited today, this maqam is 5000 years old. Allah knows for how many thousands of years it has existed, but as far as we know it is 5000 years old. He found life there, in the middle of the desert. For 5000 years that great House has been standing there. The hearts of the believers rush on it full of love and longing. May some blessings of the great Ka'aba come upon us! Today is the day of Jum'a. May our pains be eased, our love and ardour increased and our faith strengthened. Welcome, o Shah-i Mardan. O Lovers of the Master of the Battlefield! Asad-ullahi l-ghalib, Ali ibn Abu Talib, masha'Allah. Let us learn manners. Never mind those invented ranks. Look for those that descend from heaven. Habib-ullah (sas) was a descendant of Khalilu r-Rahman. To Khalilu r-Rahman the Lord Almighty spoke: "O My Khalil, My dear and intimate friend, from your descendants will be born My Beloved, Habib; and you are My Khalil. But he who is to come is My Beloved. For him you must build this House and keep it pure. Receive those who come looking for Me. Because it is the House of God, Baytullah. Receive well My servants who come to visit My House, and keep it clean. Khalilu r-Rahman. For whom does he keep it clean? My Beloved is to come, and I have created you in his honour. My Beloved shall come. Keep it pure for him. Do not deter those coming here, judge them not by their clothes nor by their pretended ranks.

I - may Allah not leave me to my selfishness. Allah Almighty has granted His weak servant to travel to a great many places. We came also to India, Allah Almighty sent me there. There is a place there named Karachi; An old city where there are many saints. They showed me around and we came to the seaside. There I saw a group of people. I approached them to see what was going on. I looked, there was a monkey. On his head they had placed an old high hat, and he was dancing and wagging his head. Ah, but wearing a hat did not make him human. An ape is

an ape. But you must be human, so that you are given a heavenly crown. Never mind about the

ones here - a uniform does not make you great. If those made great by their uniforms are suddenly hit by heavenly Wrath, they become worse than apes. O man, beware, guard your honour.

Come to us, o Shah-i Mardan. How lovely are your words. The honour of man is from heaven. It lies not in the clothes that he is given to wear in this world. Make way! Who is it? The king is coming. How strange. How can you tell he is the king? There is a crown on his head. Around him is a crowd of people. Eh, is that what gives him greatness? Show it to them, let him see how the angels perform tawwaf! Tawaf is made around the Ka'aba. To make tawaf around a person is not acceptable Now those who are of little mind, they allow tawaf to be performed around the Ka'aba but if people come to visit the Beloved of Allah, Sayyidna Muhammad (sas), for whom all the worlds were created, if people come to visit him, they do not like it. No. Those who visit the Baytullah, there is honour in that. Eh, and who built it? Ibrahim (as), Isma'il (as). Who created man? The Lord of Might and Glory created him. So glorify him then, let man give honour to man! May he find honour! In the Gospels, the Torah, Zabur and the Holy Qur'an it says this.

Come, o Shah-i Mardan! The battlefield is yours! Make these people understand that greatness lies not in false ranks or in clothes. That monkey, ha, they put a hat on the head of the monkey and he performs his monkey business there. He imitates them. Eh, putting a hat on his head, putting a shiny robe on his back gives him no honour. People only laugh at him in the end. Pay no attention to people's laughing! Their laughter brings you no profit. Does it come to you from heaven? Does it come from the Lord of Majesty? Does it come from the angels? That is honour for you, therein lies honour, not in the clothes you wear.

Today is the day of Jum'a, yawmu l-jam'a, the Muslims gather and wish to offer to their Lord the blessed prayer of Jum'a. May it be blessed. At the same time it is the last day of Jumada lakhira. Tonight will be the first night of the holy month of Rajab. Next week is the holy night of Laylatu l-Ragha'ib. That is the night of Ragha'ib, a special holy night, holy night of prayer, we call it. Prepare yourself for that. Do not lose your way! You now run after false ranks and titles &

have forgotten your humanity. O you Shi'a and o 'Alawi! To murder people, to burn their homes, to destroy everything by bomb blasts, - is that what Allah Almighty ordered you to do? If it is not, a whip will come down on your backs! Stop this!

This is the holy month of Rajab, Shahru-llah, the month of Allah. If you have any regard for Allah, stop the bloodshed! Stop the killing, stop the burning and destruction! If you refuse to listen, overwhelming force will come and crush you soon. This Rajab will not be wasted. This advice is for Bashshar, for Husayn, for the Persian leader, Ahmedinejad, let him also listen. Let the Egyptian one listen. Everywhere, those who think they are something, they should listen. Otherwise - it is Allah's month. Let them show respect. Let them stop immediately, stop the killing! The community of the prophet 'Isa, the prophet 'Isa never took to arms. What is the Christian world doing throwing cannon balls, bombs, trying to lay waste the world. Is that

Christianity? Let His Holiness the Pope answer to this, let the Jewish people answer. Did the Prophet Musa order them to build planes, to kill people, to crush and stamp out innocent ones? No, he did not.

Allah of exalted Glory, whose Majesty knows no limit, speaks: Those who fight against Me will be crushed and defeated. Come to us, o Shah-i Mardan! How well you say this! Chinese and Russian people had their own sages; did they order them to slay and to kill? Yet they murder countless people, uncounted numbers of people. They murder innocent people. They set fire to their homes and dwellings. Stop doing this! This is Rajab, the month of Allah. When he (S. Ali) raises his sword, he will leave not one oppressor in his place. Protect us O Lord. We repent O Lord, we repent and seek Your forgiveness. Show respect, so you may find respect.

Come, O Shah-i Mardan, the field is yours. How good is your advice! Otherwise, I will go against them with my sword Dhu l-Fiqar, he says, against the Persians, Arabs, Turks and Kurds. I will let them know who I am. I am the Lion of Allah! I am Shah-i Mardan! I will pay them back! I will split the world like a melon, with spiritual power. I will bring down their apparent strength. Let us beware of that. May it be blessed, this holy month of Rajab, Allah's month. Let us run to Allah and repent. Let us look after the honour of humanity and not become butchers of men. No. Try to get even with shaytan, don't take it out on humans. Man is highly honoured.

O Lord, forgive us. O Shah-i Mardan, intercede for us. Teach us. Every day you come to us. I am a weak servant, they give me something to say according to my weakness. The whole world will be shaken and convulsed, if it is the Will of the Almighty, by a single ant. Let us therefore keep our manners. Let us keep a good manner, let us learn good manners. This day today is a blessed day, put down your weapons. If you do not listen, you will get what you deserve. O Lord, forgive us. "jundun min junudi-llah" - warriors of the warriors of Allah will come down in this month of Rajab. Let them beware. In this holy Rajab warriors will descend from heaven. Who does not believe this is an unbeliever. O My Beloved, He said, I have sent you 1000 angels, one following the other. If you say, it is not enough, 7000 will come. Angels distinctly marked, "musawwim". O ‘ulama' of al-Azhar, here, this is a noble "taswim" (mark). Leave your disbelief and enlist. Say, I also belong to "jundun min junudi-llah". [a regiment of Allah's legions] Have no fear!

The rule of shaytan will be broken, starting in this holy month of Rajab. Allahu Allah, Allahu Rabbi Allahu Allah, Allahu hasbi. Subhan Allah, Sultan Allah. O our Lord, do forgive us. May Your Grace reach us. We are ashamed to ask You for Your Grace. A thousand times You turn the universe upside down with a single speck of revelation of Your Power -we are shy to speak of this. Allah can teach this world by means of a single ant, and consume it, as is said in the holy verse: "wa qalat namlatun" (27:18) "Ya ayyuha l-naml udkhulu masakinakum." (27:18) Allah Almighty teaches us through an ant. Who knows this little ant, a little female ant, namla; "Ya ayyuha l-naml udkhulu masakinakum" (27:18) Get out of the way, flee to your homes, shelter in

your nests. "la yahtimannakum Sulaymanu wa junuduhu" (27:18) The Prophet Sulayman and his army is passing by. Unknowing they might crush you, so go hide in your homes, He says. Take a lesson from this, O you scholars, O ‘ulama' of Persia and 'Alawi 'ulama', Allah Almighty does not just tell us stories in the Holy Qur'an. He is teaching us a lesson: "udkhulu masakinakum" - Before My vanquishing sword strikes you, retreat to your houses, your homes. O Shi’a, O 'Alawis! This is a stern warning! An ultimatum, as they say. In heaven. Otherwise, your future.. your punishment will come upon you.

Our scripture is the Holy Qur'an. Our command is the Command of Allah. Rasulullah now has

the command. O Shah-i Mardan, come and speak. "By order of the Messenger of Allah (sas), I have begun to move Dhu l-Fiqar." says Sayyidna 'Ali (as), Shah-i Mardan. Beware, don't think you can stand against him. It gives the soldiers a stomach pain. We need no guns, no cannons. They die writhing where they stand. Fear Allah, O Shi'a, Fear Allah, o Bashshar, all you tyrants, fear Allah! Tawba, ya Rabbi, tawba, istaghfirullah. May our day of Jum'a be blessed; tonight we enter the month of Allah, during which falls Laylatu l-Ragha'ib. Shah-i Mardan speaks for the sake of Divine Grandeur and Majesty. Be careful, take heed. "udkhulu masakinakum." Otherwise, when Divine Wrath is revealed, you will all be destroyed. Tawba, ya Rabbi, tawba, istaghfirullah. Shukr ya Rabbi, shukr ya Rabbi, shukr, al-hamdulillah, ya Rabbi. Shah-i Mardan, cousin of our Prophet, Shah-i Mardan, the gate to the city of knowledge. Let us listen. Let these words be spoken in every language, you will be saved. Permission is given to carry a sword, there is permission to carry a sword. There is permission to carry a dagger, but we want no guns, tanks or cannons. Allahu akbar, Allahu akbar. When he says: Allahu Akbar, none of their guns and cannons will work. We are Muslims. We believe in our Lord, we believe in His Beloved. We believe in the Injil, the Torah, the Zabur. O Pope, tell your people not to make weapons in order to kill people. The Prophet 'Isa - 'ala nabina wa 'alayhi as-salatu wa salam - told you to turn the other cheek, when you are struck, so he might strike you on it as well. What sort of nation is your nation? To China, even to China Allah sent one to speak the truth. Confucius he is called. He was sent to counsel the people of his time. He also said: Do not exceed your limits! Do not overstep your capacity! You are like the little ant. When horses, elephants, lions pass over and step on you, you will be destroyed.

Know your limits. Do not block the way. Leave the way open for Allah's servants. Allah has created this world for all humankind, not only for Chinese, Russian or Turkish people, or for Arab people alone. "inna ardi was'iatun fa-iyyaya f-a'budun" (29:56) My earth is wide, He says, tawsi'atu l-ard, He says, stretching, unfolding the earth. We will expand the Haram, they say. How strange! How can it be that those whom Allah Almighty calls to His Haram should find no room in it? Does it really need your expansion? Well, they expanded it, and nothing remains there now apart from the Ka'aba-i Mu'azzama. And still people keep coming more and more.

O our Lord, forgive us. All Greatness, all Grandeur belongs to Allah. Shah-i Mardan teaches this. Know your limits! All troubles and disasters come upon man because he exceeded his limits. O Turks, Kurds, O Arabs, know your limits. O Persians, know your limits. O Christians, know your limit! O Chinese, know your limit. For: "Inna batsha Rabbika la-shadid" (85:12) When the Wrath of Allah Almighty comes, not one of you will remain. Tawba, ya Rabbi, tawba, istaghfirullah.

We wished to welcome this blessed holy month, O our Lord, Shah-i Mardan kindly granted us a little bit, he gave us a bit like a drop of the ocean. Shah-i Mardan gave us this advice. Let us listen. Let us come to our senses. Allah Almighty told His Prophet: When I wish to destroy a people, I first take away their reason, so that they become demented, like crazy people, and they become like shaytan and begin to destroy each other. Shame on you, o people. As human beings we have honour. Murder, killing gives people no honour. The world is wide, and what if there are seven billion people, the Possessor of this world can accommodate even 70 billion on it! This you must believe. O Christians, O Alawis, O Shi'a! O you who run about calling yourselves Turks, or Russians or Chinese. You are about as big as a finger! Beware of the Wrath of Allah! Pay respect to this holy month! Abandon all armed action! Stay within your limits. Otherwise, a Divine sword will descend from heaven and strike. Aman, ya Rabbi, Tawba, ya Rabbi, tawba, istaghfirullah.

We must repent. May Rajab, the holy month of Allah, be a blessed one. Let us respect it. Those not praying should begin to pray; those not believing should believe. Those on bad ways should turn from them; those who wear revealing clothes should repent. Otherwise, those people going about half-naked will suddenly find their beds full of scorpions. That is what they have told us. Scorpions, scorpions. When they lie down in their beds they will find them full of scorpions - This is the warning from Heaven to all women who wear unsuitable clothes. When they bite you, the pain will not go away for 24 hours. Cover yourselves, keep your beauty hidden. The mother of the pearl, is a creature. The pearl is hidden within it. It is not in the open. Women are like mother of pearl, like diamonds, they must not be in the open. Cover yourselves and be safe. Otherwise you will be swept away. Tawba, ya Rabbi, tawba, istaghfirullah. We must repent.

O Shah-i Mardan, thanks be to you. You have given some counsel to those who love you. Those

listening are your friends as well, O Shah-i Mardan. I am weak, I too need strength. I want to destroy the kingdom of shaytan. That is what I live for. Let us destroy the kingdom of shaytan. Let us do it all together. Ya Rabbi, You know best. Forgive us, for the sake of Your Beloved. Blessed be this holy month! The month of Allah has appeared. May its blessing come to us. May this heaviness depart from us. May we find ease. Let us love and be loved. All success is from Allah Almighty.
as-Salamu 'alaykum, O Lovers of Shah-i Mardan, Subhan Allah, Sultan Allah. You are al-Qadir and al-Muqtadir.

al-Fatiha.

**Das Haus und der Diener des Herrn**

---

Allahu Akbar, Allahu Akbar, Allahu Akbar wa Lillahi l-Hamd. Innahu Hamidun Majid. Dastur ya Shah Mardan. Deine Freunde warten auf dich. Sie wollen gutes Benehmen von dir lernen. Sie wollen vor Wildheit bewahrt werden. Heute ist Freitag, Yawmu l-Jum`a, der Tag des Jumagebets. Tatsächlich ist es Yawmu l-Jam`a, der Tag der Versammlung. Komm zu uns, o Shah Mardan. Friede sei auf dir. Frieden kommt zu uns von Shah Mardan. O Liebende Shah Mardans, möge Frieden mit euch sein. Möget ihr in Frieden sein in dieser Welt und im Jenseits. Möget ihr in Frieden sein. Komm zu uns, o Shah Mardan. Gib uns die Kraft, dir zuzuhören. Sagen wir: Marhaba! O Liebende Shah Mardans, Marhaba, Willkommen. Marhaba ist ein himmlisches Ehrenkleid für die Söhne des Menschen. Marhaba zu sagen, ist ein Ehrenkleid, das von den Himmeln herabkommt. Jeden Tag ist es ein anderes. Menschen, besonders Frauen, wollen jeden Tag ein neues Kleidungsstück tragen und darin gesehen werden. Das ist ihre Natur. So, da es das ist, was ihr wollt, werden diese Gewänder von den Himmeln herabgebracht von den Engeln. Sie kommen auf das Alte Haus herab, die Ka`aba Mu`azzama, das Gewand des Glaubens, das Gewand des Islam. Glaube ist das Ehrenkleid des Islam. Das Gewand der Gesundheit, das Gewand des Lichts, jeden Tag kommen sie auf die Ka`aba Mu`azzama herab. Subhan Allah.
Dastur ya Rijal Allah! Madad ya Sultanu l-Awliya! Madad ya Shah Mardan. Wir bitten um deinen

Rat, der unsere Herzen öffnet. Heute ist Yawmu l-Jum`a, Freitag, der Tag des Jum`a. Dieser Tag hat Ehre in dieser Welt und im Jenseits. Madad ya Sahibu l-Imdad, o Unterstützer! Wer ist das? Es ist Shah Mardan. Bittet ihn um Unterstützung, seine Hilfe wird zu euch kommen. Aber hütet euch davor, euch auf wilde, unkontrollierte Weise zu benehmen. Ihr werdet euch Schläge einhandeln. 'Wenn er nicht lernt, sich zu benehmen durch eine Warnung, verdient er Schläge!' Die Alten pflegten das zu sagen. Und Shah Mardan sagt dasselbe heute. Gib guten Rat. Wenn dieser deinen Rat nicht annimmt, verdient er Schläge. Heute ist der Tag des Jum`a, ein Tag der Ehre. Es ist ein Tag der Ehre in dieser Welt und im Jenseits. An diesem Tag der Ehre, werden die Menschen des Glaubens in Ehrenkleider gehüllt. Es gibt ein Ehrenkleid, das auf die Ka`aba Mu`azzama herabkommt, ein Ehrengewand.

Die Menschen heute, besonders jene, die zum Militär gehören, sind Beispiele des Stolzes und der Arroganz. Sie stellen solche Behauptungen auf: Niemand kann größer, ehrenwerter oder stärker sein als wir. Sie nennen es eine 'Uniform'. Sie kommen zu ihren Militärzeremonien mit solchen Dekorierungen und stellen so große Ansprüche: Seht unsere Größe! Gibt es jemanden, der mächtiger ist als wir? Gibt es jemanden, der imposanter, ehrenwerter ist? Wir sind die am höchsten geehrte Klasse. Alle anderen sind unter unseren Füßen. La Hawla wa la Quwwata illa Billahi l-`Aliyyi l-`Azim. Komm, o Shah Mardan! Wenn die Zeit gekommen ist für dein Schwert zu schlagen, wirst du diese Großen abschneiden als wären sie Gurken. Außerdem kleidete sich Shah Mardan, Habibu r-Rahman, nicht in auffällige, elegante Gewänder. Er ritt kein protziges Reittier. Er ritt ein Maultier mit Namen Duldul, etwas zwischen einem Pferd und einem Esel, darauf ritt er. Sagt: Bismillahi r-Rahmani r-Rahim. Sagen wir: O Herr, preisen wir Deinen Majestätischen Namen, damit alle shaytanischen Eigenschaften uns verlassen. Seien wir stolz, Deine Diener zu sein. Stolz zu sein auf ein paar Kleider oder eine Uniform, ist keine vernünftige Sache. Es ist die Sache unwissender Menschen. Deshalb, diese Gruppe in ihren Uniformen will ihre Größe und Grandeur zur Schau stellen, aber in den Augen der Öffentlichkeit sind sie niedrig. Sie haben kein Ansehen in den Himmeln, denn "al-`Azamatu Rida'i wa l-Kibriya'u" - Größe ist Mein Gewand und Grandeur ist Meine Eigenschaft, sagt Allah in Seiner Majestät.

Er gewährte Seinen Dienern Ehre je nach ihren Stufen. Nehmt euere Ehre von den Himmeln, nicht von einer Uniform, die ihr auf der Erde tragt, nicht von falschen Titeln. Aber die, deren Denken an ihre Uniformen gebunden ist, tragen besondere Arten von Abzeichen auf ihrer Kleidung,

um ihre Bedeutung zu zeigen, um ihre Leistungen zu zeigen. Dieser ist Generalleutnant, Oberkommandeur, dieser ist Oberst, Hauptmann, Brigadegeneral - Namen wie die. Diese Titel werden schriftlich gegeben, werden auf Befehl angenommen. Sie werden euch auf die Bank legen, die zum Waschen der Toten verwendet wird, und kein Rang wird bleiben. Ihr werdet nicht mehr Herrscher, Präsident oder Landesherr sein. O Menschheit, ihr müßt verstehen. Komm, o Shah Mardan. O Liebende Shah Mardans, o Freunde des Löwen Allahs, hört. Dastur ya Sahibu d-Divan, sieh uns an! Wir müssen unsere Grenzen kennen. Wenn wir unsere Grenzen kennen, sind wir gelassen. Wenn der Torwächter, der Kehrer, der Mann, der den Sitz des Sultans abfegt, die, die fegen, auf dem Platz des Sultans sitzen, welchen Wert hat das? Dieser unterscheidet sich von jenem. Seht auf die Ehre, die euch gegeben wurde.

"An Tahhira Baytiya li t-Tayifina wa l-`Akifin" - Reinigt Mein Haus für die es Umkreisenden und sich dorthin Zurückziehenden (2:125). O Ibrahim,Vater von Propheten, `alayhimu s-Salam, Khalilu r-Rahman. "Tahhir Baytiya", das ist Mein Haus, das Haus des Herrn, die Ka`aba l-Muazzama. Baut die Ka'aba, preist und reinigt sie. Reinigt sie. Haltet sie rein für die, die hierherkommen, um anzubeten, um Tawaf zu machen. Haltet Mein Haus sauber für sie, sagt Er.

Komm, o Shah Mardan, du sprichts so gut. Der große Prophet Ibrahim, der Vater von Propheten, dies war der Befehl, den er erhielt: Hüte dieses Haus und diene ihm, denn es ist Mein Haus, sagte der Herr. Halte es sauber für die, die es besuchen und diene denen, die Mein Haus besuchen. Diene ihnen und halte es sauber. Was für ein guter Befehl! Also, da es so ist, o Mensch mit kleinem Verstand, wenn Baytullah, das Haus Allahs, ein Haus ist, dann bist du Abullah, ein Diener Allahs. Allah der Allmächtige lehrt uns.

Er hieß den Propheten Ibrahim das Haus bauen zusammen mit seinem Sohn Isma`il (as). "Wa idh Yarfa'u Ibrahimu l-Qawa`ida mina l-Bayti wa Isma`il, Rabbana, Taqabbal minna" - Und als Ibrahim mit Ismael die Grundmauern des Hauses errichtete, sprach er: Unser Herr, nimm von uns an (2:127). Er setzte Stein auf Stein, ihr, die ihr von kleinem Verstand seid, ein Vater und sein Sohn inmitten einer Wüste setzen Stein auf Stein. Es gab keine Maschinen, keine Kräne oder Winden. Sie bauten ein Gebäude mit vier Ecken, und Er sagte: Das ist Mein Haus. Allahu Dhu l-Jalal, der Prophet Ibrahim und Isma`il (as). Preist es, haltet es rein, so daß die Besucher, die hierher kommen, es sauber und ordentlich vorfinden. Und dient ihnen. Was haben wir ihnen zu bieten? Inmitten der Wüste. Allah der Herr der Herrlichkeit befiehlt ihnen. Komm zu uns, o

Shah Mardan, das Feld ist dein. Der Vater deiner Väter, der Prophet Ibrahim, was sollen wir ihm anbieten inmitten dieser Wüste? Nicht ein Tropfen Wasser in dieser Wüste. Wasser ist die Lebensquelle. Kein Wasser. Also sandte Er den Engel Jibril al-Amin. Mit seinem Flügel stößt er den Boden. Die Wüste beginnt, mit Wasser zu triefen. Allah hat die Macht, alle Dinge zu tun. Muslime strömen zu diesem Ort, um Wasser von dem heiligen Brunnen Zamzam zu trinken. Wasser bedeutet Leben, was Menschen für ihre physischen Körper trinken ist eins, und was Menschen für ihre innere Wirklichkeit zu trinken gegeben wird, ist etwas anderes. Menschen, die dorthin gehen, gehen wegen Zamzam, aber nicht, um zu trinken. Nein, dort finden sie eine andere Art Zamzam, ein Zamzam, der von den Himmeln, nicht aus der Erde kommt. Ibrahim, der Prophet, sah, wie inmitten der Wüste Jibril den Boden berührte mit seinem Flügel und Wasser hervorkam. Er war dort müde vor Durst angekommen. Sie kamen zu diesem Ort und tranken sein Wasser. Unsere Mutter Hajjar machte, um das Wasser zu bewahren, ein Becken. Zamzam, Zamzam, Zamzam. Wie schön.

O Leute, der Ort, der heute besucht wird, dieser Maqam ist 5000 Jahre alt. Allah weiß, für wie viele Tausende von Jahren er existiert hat, aber soweit wir wissen, ist er 5000 Jahre alt. Er fand Leben dort, inmitten der Wüste. 5000 Jahre lang steht das große Haus schon da. Die Herzen der Gläubigen eilen dorthin voller Liebe und Sehnsucht. Mögen Segnungen der großen Ka`aba auf uns kommen. Heute ist der Tag des Jum`a. Mögen unsere Schmerzen erleichtert werden, unsere Liebe und Inbrunst gemehrt und unser Glaube gestärkt werden. Willkommen, Shah Mardan. O Liebende des Meisters des Schlachtfeldes, Asadullahi l-Ghalib, Ali ibn Abi Talib, ma sha' Allah. Laßt uns Benehmen lernen. Vergeßt diese erfundenen Ränge. Sucht nach denen, die von den Himmeln herabkamen. Habibullah (saws) war ein Nachfahre von Khalilu r-Rahman. Zu Khalilu r-Rahman sagte der Allmächtige Herr: O Mein Khalil, Mein lieber und enger Freund, von deinen Nachkommen wird Mein Geliebter, Habib, geboren werden, und du bist Mein Khalil. Aber der kommende ist Mein Geliebter. Für ihn mußt du dieses Haus bauen und es rein halten. Empfange die, die kommen, um nach Mir zu suchen, weil es das Haus Gottes, Baytullah ist. Empfange Meine Diener, die kommen, um Mein Haus zu besuchen, gut und halte es sauber. Khalilu r-Rahman. Für wen hält er es sauber? Mein Geliebter kommt, und Ich habe dich ihm zu Ehren erschaffen. Mein Geliebter wird kommen. Halte es rein für hin. Schrecke nicht die ab, die hierher kommen, beurteile sie nicht nach ihrer Kleidung, noch nach ihren falschen Rängen.

Möge Allah mich nicht meiner Selbstheit überlassen. Allah der Allmächtige gewährte Seinem schwachen Diener, zu vielen Orten zu reisen. Wir kamen auch nach Indien. Allah der Allmächtige sandte mich dorthin. Es gibt dort einen Ort mit Namen Karachi, eine alte Stadt, wo es viele Heilige gibt. Sie führten mich herum, und wir kamen zum Meer. Da sah ich eine Gruppe Leute. Ich ging näher, um zu sehen, was los war. Ich sah, da war ein Affe. Auf seinen Kopf hatten sie ihm einen alten hohen Hut gesetzt, und er tanzte und wackelte mit dem Kopf. Ah, aber einen Hut zu tragen, machte ihn nicht menschlich. Ein Affe ist ein Affe. Aber du mußt Mensch sein, um eine himmlische Krone zu bekommen. Vergiß die hier, eine Uniform macht dich nicht groß. Wenn die, die durch ihre Uniformen groß wurden, plötzlich von himmlischem Zorn getroffen werden, werden sie schlimmer als Affen. O Mensch, hüte dich, bewahre deine Ehre. Komm zu uns, o Shah Mardan. Wie lieblich sind deine Worte. Die Ehre des Menschen ist von den Himmeln. Sie liegt nicht in der Kleidung, die ihm gegeben wird, um sie in dieser Welt zu tragen.
Macht Platz! Wer ist es? Der König kommt. Wie merkwürdig. Woher wißt ihr, daß er ein König ist? Er hat eine Krone auf dem Kopf. Um ihn herum ist eine Menschenmenge. Eh, ist es das, was ihm Größe gibt?
Zeigt es ihnen. Laßt sie sehen, wie die Engel Tawwaf machen! Tawaf macht man um die Ka`aba herum. Tawaf um eine Person herum zu machen, ist nicht annehmbar. Jetzt erlauben die, die wenig Verstand haben, Tawaf um die Ka`aba herum zu machen, aber wenn die Menschen kommen, um den Geliebten Allahs, Sayyidina Muhammad (saws) zu besuchen, für den die ganze Welt erschaffen wurde, wenn Menschen kommen, um ihn zu besuchen, mögen sie es nicht. Nein. Für diejenigen, die Baytullah besuchen, ist Ehre darin. Eh, und wer baute es? Ibrahim (as), Isma`il (as). Wer erschuf den Menschen? Der Herr der Macht und Herrlichkeit erschuf ihn. Also preist ihn denn, laßt den Menschen den Menschen ehren! Möge er Ehre finden! Im Evangelium, der Torah, den Pslamen und dem Heiligen Quran steht das. Komm, o Shah Mardan. Das Schlachtfeld ist dein. Laß diese Menschen verstehen, daß Größe nicht in falschen Rängen liegt oder in Kleidung. Dieser Affe, ha, sie setzten ihm einen Hut auf den Kopf, und er machte seine Affengeschichten dort. Er ahmte sie nach. Eh, ihm einen Hut auf den Kopf zu setzen, seinen Körper in ein glänzendes Gewand zu hüllen, gibt ihm keine Ehre. Die Menschen lachen ihn am Ende nur aus. Achtet nicht auf das Lachen der Menschen. Ihr Gelächter bringt euch keinen Nutzen.

Kommt es zu euch von den Himmeln? Kommt es vom Herrn der Majestät? Kommt es von den Engeln? Das ist Ehre für euch, darin liegt Ehre, nicht in den Kleidern, die ihr tragt.
Heute ist der Tag des Jum`a, Yawmu l-Jam`a. Die Muslime kommen zusammen und wollen ihrem Herrn das gesegnete Jum`a-Gebet antragen. Möge es gesegnet sein. Gleichzeitig ist es der letzte Tag von Jumada l-Akhira. Heute Nacht wird die erste Nacht des heiligen Monats Rajab sein. Nächste Woche ist die heilige Nacht von Laylatu r-Ragha'ib. Das ist die Nacht des Ragha'ib, eine besonders heilige Nacht, heilige Nacht des Gebets, nennen wir es. Bereitet euch darauf vor. Kommt nicht vom Weg ab! Ihr lauft jetzt hinter falschen Rängen und Titeln her und habt euer Mensch-Sein vergessen. O ihr Schiiten und Alawiten, Menschen zu ermorden, ihre Häuser zu verbrennen, alles durch Bombenexplosionen zu zerstören, ist es das, was Allah der Allmächtige euch befohlen hat? Wenn nicht, wird eine Peitsche auf euerem Rücken niedergehen. Hört auf damit! Dies ist der heilige Monat Rajab, Shahrullah, der Monat Allahs. Wenn ihr auch nur etwas Respekt für Allah habt, hört mit dem Blutvergießen auf. Beendet das Töten, beendet das Verbrennen und die Zerstörung. Wenn ihr euch weigert zu hören, wird eine überwältigende Macht kommten und euch bald vernichten. Dieser Rajab wird nicht verschwendet. Dies ist guter Rat für Bashar, für Hussein, für den persischen Führer Ahmadinejad. Er soll auch zuhören. Der Ägypter soll auch hören. Überall sollten die, die denken, sie sind jemand, zuhören. Sonst - es ist Allahs Monat. Sie sollen ihm Respekt zeigen. Sie sollen sofort aufhören! Laßt das Töten!
Die Gemeinde des Propheten `Isa, der Prophet `Isa griff nie zu den Waffen. Wie kommt die christliche Welt dazu, Kanonenkugeln, Bomben abzuschießen und zu versuchen, die Welt in Schutt und Asche zu legen? Ist das Christentum? Seine Heiligkeit der Papst soll antworten, die Juden sollen antworten. Befahl ihnen der Prophet Musa Flugzeuge zu bauen, Menschen zu töten, Unschuldige zu vernichten und auszulöschen? Nein. Allah der erhabenen Herrlichkeit, Dessen Majestät keine Grenzen kennt, sagt: Diejenigen, die gegen Mich kämpfen werden vernichtet und besiegt werden. Komm zu uns, o Shah Mardan. Wie gut du das sagst. Chinesen und Russen hatten ihre eigenen Weisen. Befahlen sie ihnen zu erschlagen und zu töten? Und doch ermorden sie unzählige Menschen, ungezählte Anzahl von Menschen. Sie ermorden Unschuldige. Sie zünden ihre Häuser und Wohnungen an. Hört damit auf! Dies ist Rajab, der Monat Allahs. Wenn er, S. Ali, sein Schwert hebt, wird er keinen Unterdrücker an seinem Platz lassen. Schütze uns, o Herr. Wir bereuen, o Herr. Wir bereuen und suchen Deine Vergebung. Zeigt

Respekt, so daß ihr Respekt finden könnt. Komm, S. Mardan, das Feld ist dein. Wie gut ist dein Rat! Sonst werde ich gegen sie vorgehen mit meinem Schwert Dhu l-Fiqar, sagt er, gegen die Perser, Araber, Türken und Kurden. Ich werde sie wissen lassen, wer Ich bin. Ich bin der Löwe Allahs! Ich bin Shah Mardan! Ich werde es ihnen heimzahlen! Ich werde die Welt wie eine Melone spalten, mit geistiger Macht. Ich werde ihre scheinbare Stärke zu Fall bringen. Hüten wir uns davor.

Möge er gesegnet sein, der heilige Monat Rajab, Allahs Monat. Laufen wir zu Allah und bereuen. Kümmern wir uns um die Ehre des Mensch-Seins und werden nicht Schlächter der Menschen. Nein. Versucht, mit Shaytan abzurechnen. Laßt es nicht an den Menschen aus. Der Mensch ist hochgeehrt. O Herr, vergib uns. O Shah Mardan, halte Fürsprache für uns. Lehre uns. Jeden Tag kommst du zu uns. Ich bin ein schwacher Diener. Sie geben mir etwas zu sagen meiner Schwäche gemäß. Die ganze Welt wird erschüttert und geschüttelt werden, wenn es der Wille des Allmächtigen ist, von einer einzigen Ameise. Bewahren wir deshalb unser Benehmen.

Laßt uns gutes Benehmen wahren, laßt uns gutes Benehmen lernen. Dieser Tag heute ist ein gesegneter Tag. Legt die Waffen nieder. Wenn ihr nicht hört, werdet ihr bekommen was ihr verdient.

O Herr, vergib uns. "Jundun min Junudillah" - Krieger der Krieger Allahs werden herabkommen in diesem Monat Rajab. Sie sollen sich hüten. In diesem heiligen Rajab kommen Krieger von den Himmeln herab. Wer das nicht glaubt, ist ein Ungläubiger. Mein Geliebter, sagte Er, Ich sandte dir 1000 Engel, einen nach dem anderen. Wenn du sagst, es sind nicht genug, kommen 7000 Engel, deutlich gekennzeichnet "Musawwim". O Ulama der Azhar, dies hier ist ein edles "Tawim" - Zeichen. Laßt eueren Unglauben und schreibt euch ein. Sagt, ich gehöre auch zu "Jundun min Junudillah" - einem Regiment von Allahs Legionen. Habt keine Furcht! Die Herrschaft Shaytans wird gebrochen, beginnend in diesem heiligen Monat Rajab.

Allahu Allah, Allahu Rabbi, Allahu Allah, Allahu Hasbi. Subhan Allah, Sultan Allah. O unser Herr, vergib uns. Möge Deine Gnade uns erreichen. Wir schämen uns, Dich um Deine Gnade zu bitten. Tausendmal krempelst Du das Universum um mit einem einzigen Fleckchen der Offenbarung Deiner Macht. Wir scheuen uns, davon zu sprechen. Allah kann diese Welt mithilfe einer einzigen Ameise unterrichten und vernichten, wie es in dem heiligen Vers heißt: "Wa Qalat Namlatun" - Und eine Ameise sprach (27:18). "Ya Ayyuha n-Naml Udkhulu Masakinakum" - O ihr Ameisen, geht in euere Wohnungen hinein (27:18). Allah der Allmächtige lehrt uns durch

eine Ameise. Wer diese kleine Ameise kennt, eine weibliche Ameise, Namla.. "Ya Ayyuha n-Naml Udkhulu Masakinakum" (27:18). Geht aus dem Weg, flieht in euere Häuser, sucht Schutz in euerem Bau. "La Yahtimannakum Sulayman wa Junuduhu" - damit euch Sulayman und seine Heerscharen nicht zertreten (27:18). Der Prophet Sulayman und seine Armee kommen vorbei. Unwissentlich könnten sie euch zertreten. Also versteckt euch in eueren Häusern, sagt Er. Lernt eine Lektion daraus, o ihr Gelehrten, o Ulama Persiens und Alawi-Ulama. Allah der Allmächtige erzählt uns nicht einfach Geschichten im Heiligen Quran. Er erteilt uns eine Lektion: "Udkhulu Masakinakum". Bevor Mein bezwingendes Schwert zuschlägt, zieht euch in euere Häuser zurück.

O Schiiten, o Alawiten, dies ist eine ernste Warnung! Ein Ultimatum, wie sie sagen. In den Himmeln. Sonst wird in der Zukunft euere Strafe auf euch herabkommen. Unsere Schrift ist der Heilige Quran. Unser Befehl ist der Befehl Allahs. Rasulullah hat jetzt das Kommando. O Shah Mardan, komm und sprich. 'Auf Befehl des Gesandten Allahs (saws) habe ich begonnen, Dhu l-Fiqar zu bewegen', sagt Sayyidina Ali (as), Shah Mardan. Hütet euch, glaubt nicht, ihr könntet gegen ihn bestehen. Es gibt den Soldaten Bauchweh. Wir brauchen keine Gewehre, keine Kanonen. Sie sterben, sich krümmend, wo sie stehen. Fürchtet Allah, o Schiiten. Fürchte Allah, o Bashar. All ihr Tyrannen, fürchtet Allah! Tawba ya Rabbi, Tawba Astaghfirullah. Möge unser Tag des Jum`a gesegnet sein. Heute Abend treten wir in den Monat Allahs ein, in den Laylatu r-Ragha'ib fällt. Shah Mardan spricht um der Göttlichen Größe und Majestät willen. Paßt auf, nehmt euch in Acht! "Udkhulu Masakinakum". Sonst, wenn der Göttliche Zorn sich zeigt, werdet ihr alle vernichtet. Tawba ya Rabbi, Tawba Astaghfirullah. Shukr ya Rabbi, Shukr ya Rabbi, Shukr, Al-Hamdulillah, ya Rabbi. Shah Mardan, der Cousin unseres Propheten. Shah Mardan, das Tor zur Stadt des Wissens. Hören wir!

Diese Worte sollen in allen Sprachen gesprochen werden. Ihr werdet gerettet. Erlaubnis ist gegeben, ein Schwert zu tragen. Es gibt Erlaubnis, ein Schwert zu tragen. Es gibt Erlaubnis einen Dolch zu tragen, aber wir wollen keine Gewehre, Panzer oder Kanonen. Allahu Akbar, Allahu Akbar. Wenn er sagt: Allahu Akbar, wird keins ihrer Gewehre und keine Kanone funktionieren. Wir sind Muslime. Wir glauben an unseren Herrn. Wir glauben an Seinen Geliebten. Wir glauben an das Evangelium, die Torah, die Psalmen. O Papst, sag deinen Leuten, sie sollen keine Waffen machen, um Menschen zu töten. Der Prophet `Isa -`ala Nabina wa `alayhi s-Salatu wa s-

Salam- sagte euch, die andere Wange hinzuwenden, wenn ihr geschlagen werdet, so daß er euch auch darauf schlagen kann. Was für eine Nation ist euere Nation? Nach China, sogar nach China sandte Allah (swt) einen, um die Wahrheit zu verkünden. Konfuzius heißt er. Er wurde gesandt, um die Menschen seiner Zeit zu beraten. Er sagte auch: Überschreitet nicht euere Grenzen! Übertretet nicht euer Vermögen! Ihr seid wie die kleine Ameise. Wenn Pferde, Elefanten, Löwen vorbeigehen und auf euch treten, werdet ihr vernichtet. Kennt euere Grenzen. Versperrt nicht den Weg. Laßt den Weg frei für Allahs Diener. Allah hat diese Welt geschaffen für die ganze Menschheit, nicht nur für die Chinesen, die Russen oder die Türken oder die Araber allein. "Inna Ardi Wasi`atun fa-Iyyaya f-A`budun" - Meine Erde ist weit, darum verehrt nur Mich (29:56). Meine Erde ist weit, sagt Er, Tawsi'atu l-Ard, sagt Er, und spannt sie auf, entfaltet die Erde. Wir werden das Haram ausdehnen, sagen sie. Wie merkwürdig! Wie kann es sein, daß die, die Allah der Allmächtige zu Seinem Haram ruft, keinen Platz darin finden sollten? Braucht es wirklich euere Erweiterung? Nun, sie weiteten es aus, und nichts ist da jetzt mehr außer der Ka`aba Mu`azzama. Und immer noch kommen mehr und mehr Menschen. O unser Herr, vergib uns. Alle Größe, aller Grandeur gehört Allah (swt). Shah Mardan lehrt das. Kennt euere Grenzen! Alle Schwierigkeiten und Unglücke kamen auf den Menschen herab, weil er seine Grenzen überschritt. O Türken, Kurden, Araber, kennt euere Grenzen. O Perser, kennt euere Grenzen. O Christen, kennt euere Grenzen. O Chinesen, kennt euere Grenzen. Denn "Inna Batsha Rabbika Lashadid" - Wahrlich, die Rache deines Herrn ist heftig (85:12). Wenn der Zorn Allahs des Allmächtigen kommt,wird keiner von euch übrig bleiben. Tawba ya Rabbi, Tawba Astaghfirullah.

Wir wollten diesen gesegneten heiligen Monat willkommen heißen, o unser Herr. Shah Mardan gewährte uns freundlich ein wenig, er gab uns ein wenig wie einen Tropfen des Ozeans. Shah Mardan gab uns diesen Rat. Hören wir. Kommen wir zur Besinnung. Allah der Allmächtige sagte Seinem Propheten: Wenn Ich ein Volk vernichten will, nehme Ich ihm zuerst den Verstand, so daß sie dement werden, wie Verrückte. Und sie werden wie Shaytan und beginnen, sich gegenseitig zu vernichten. Schande auf euch, o Leute. Als Menschen haben wir Ehre. Mord, Töten gibt den Menschen keine Ehre.

Die Welt ist weit, und wenn schon, wenn es 7 Millionen Menschen gibt, der Eigner dieser Welt kann auch 70 Billionen auf ihr unterbringen. Das müßt ihr glauben. O Christen, o Alawiten, o

Schiiten! O ihr, die herumrennen und sich Türken oder Russen oder Chinesen nennen. Ihr seid ungefähr so groß wie ein Finger! Hütet euch vor dem Zorn Allahs! Respektiert diesen heiligen Monat! Beendet alle bewaffneten Aktionen! Bleibt innerhalb euerer Grenzen. Sonst wird ein Göttliches Schwert von den Himmeln herabkommen und zuschlagen. Aman ya Rabbi, Tawba ya Rabbi, Tawba Astaghfirullah. Wir müssen bereuen. Möge Rajab, der heilige Monat Allahs, ein gesegneter sein. Respektieren wir ihn. Jene, die nicht beten, sollten anfangen zu beten. Jene, die nicht glauben, sollten glauben. Die auf schlechten Wegen sollten sich abwenden. Die, die enthüllende Kleidung tragen, sollten bereuen. Sonst werden diese Leute, die halbnackt herumlaufen, plötzlich ihr Bett voller Skorpione finden. Das ist, was sie uns erzählt haben. Skorpione, Skorpione. Wenn sie sich ins Bett legen, werden sie es voller Skorpione finden. Das ist die Warnung von den Himmeln an alle Frauen, die unangemessene Kleidung tragen. Wenn sie euch beißen, wird der Schmerz 24 Stunden nicht weggehen. Bedeckt euch, haltet euere Schönheit verborgen. Die Mutter der Perle ist ein Geschöpf. Die Perle ist verborgen darin. Sie ist nicht im Offenen. Frauen sind wie die Mutterperle, wie Diamanten. Sie dürfen nicht im Offenen sein. Bedeckt euch und seid in Sicherheit. Sonst werdet ihr hinweggefegt. Tawba ya Rabbi, Tawba Astaghfirullah. Wir müssen bereuen. O Shah Mardan, Dank sei dir. Du hast denen Rat gegeben, die dich lieben. Die, die zuhören, sind auch deine Freunde, o Shah Mardan. Ich bin schwach, ich brauche auch Kraft. Ich will das Königreich Shaytans zerstören. Dafür lebe ich. Laßt uns das Königreich Shaytans zerstören. Tun wir es alle zusammen! Ya Rabbi, Du weißt es am besten. Vergib uns um Deines Geliebten willen. Gesegnet sei dieser heilige Monat. Der Monat Allahs ist erschienen. Möge sein Segen auf uns kommen. Möge seine Schwere sich von uns entfernen. Mögen wir Gelassenheit finden. Laßt uns lieben und geliebt werden. Aller Erfolg ist von Allah dem Allmächtigen. As-Salamu `alaykum, Liebende Shah Mardans. Subhan Allah, Sultan Allah. Du bist al-Qadir und al-Muqtadir. Al-Fatiha.

Lefke, 10.05.2013

---

## How Are You Going To Answer?

Asbahna wa Asbaha-l Mulku Lillah wa Nahnu Abidan Lillah. Bu ikrardir. Assalamu alaykum O Attendees. Ay Yaran Shah Mardan Alayhi Ridwanu r-Rahman. The assembly of those who love him has been opened according to our own capacity. Talabana Wajadana. It is said: Who looks for us, finds us. Otherwise, assemblies of thousands of people couldn't be established.

A seed falls into the dirt, and grows out with 2 leaves, with 2 little leaves. Let's say, a great oak tree, a plane tree, it is also from the oak family. A plane tree, it also starts growing as 2 little leaves. There is an order from heavens: Grow! And those 2 little leaves grow and grow... for centuries, hundreds and thousands of years it lives... It becomes a great plane tree. That is why, O Shah Mardan, let's listen to your words. You are representing the Great tree of Islam, You are Shah Mardan; let's listen, let's understand. Let's open up, rise up and be a Great tree of Islam and not collapse. Islam cannot collapse. Those in the west and in the east should know this. Islam cannot collapse.

Go ahead, Ay Shah Mardan. Let's say: Allahu Akbar, Allahu Akbar wa Lillahil Hamd Dastur

We are like a little ant, our condition is like this. An ant carries a small straw. It carries a small piece of straw, and goes very happily. This is my nasib (share), it says and goes. But mankind is full of ambition and greed, full of greed. They never say about the terrible world- I'm full, I'm fed up, and tired of it. Go ahead, O Shah Mardan, so we may listen. If that is so, then: Ay Yaran Shah Mardan, Assalamu alaykum. Because: "As-Salam qabl-al kalam"- Don't sit without giving salam, give salam to those in the assembly. Hasha minal huzur, 4 legged animals don't say anything when entering a barn. You are a human. Madad ya RijalAllah Dastur Ya Shah Mardan.

We are humans, humans, who are... for the Master of the Universe (sws)... who have been

created for his glory. Listen. Then let's say Rabbul Izzah's Magnificent Name: Allahu Akbar! Allahu Akbar Allahu Akbar 'ala man takabbara wa tajabbar Dastur ya RijalAllah Madad ya Sahibal Imdad Madad Ya Shah Mardan, please come. Ay Yaran Shah Mardan Shah Mardan is Allah's (swt) lion. We are asking for help/support, and it has been given to him. Allah's (swt) lion, Shah Mardan. In his hand is Dhul Fiqar. On his tongue is the praising of Al Qahhar. He has the praise of the Dominant One on his tongue. Whoever says Allahu Akbar for him, he can destroy 100 worlds like this one. Know the honor of Islam! Ya Rabbi, forgive us. Those who left us ignorant have gone where they went... but we will not remain in ignorance. Who doesn't know his right or left? Animals. But man is the one who knows his right and left.

Go ahead O Shah Mardan. Zidhu ya Rahman Our Lord, reward Shah Mardan with Your satisfaction. Masha'Allah Shah Mardan, the field is yours. No one can stand against you. Why can't they? Al-Haqqu ya'lu wala yu'la alaih. Allah's Lion, who is representing Haqq (truth)... Habibullah's (sws) uncle's son, Shah Mardan, Mashallah. Go ahead Ay Yaran Shah Mardan. O Muslims, Let's say: Bismillahi r-Rahmani r-Rahim. To be without the Basmala is like a crop without grain. It is the straw, it has no grain. Basmala fills it up. And what fills our existence is: Bismillahi r-Rahmani r-Rahim. Or else, it is straw. If you say: Bismillahi r-Rahmani r-Rahim... you will collect grains.
That is why satan's... all its efforts are to make people forget Basmala, and not to say it. And now, those who are like straw, without any grains... they start a business, they build a factory... they make a road or a path like this, and say it's the opening ceremony. What is an opening ceremony? They say 'toren' but the original word is actually 'merasim'. Toren...tren (train)... they will make it a train and ride it. They will go and never return again. What do they say? We are opening this establishment under so and so's name. May that establishment fall on your head (Hasha min alhazirin). We are the soldiers of Shah Mardan. He holds Haqq (truth). He destroyed batil (falsehood) with his sword. To say by words only, that we are Alawi... we are Shiite, has no value. Say: we are Shah Mardan's soldiers. Mardan is the way of bravery, the way that he is following.
Go ahead O Shah Mardan His ride, Duldul, Sheikh Mehmed Effendi, Duldul was shorter than a horse. A little bigger than a donkey and a little smaller than a horse. He would ride on that. They

asked Shah Mardan... O Lion of Allah (swt)... Why don't you ride a horse like everyone else? Shah Mardan's answer: We are from such a nation that... in front of the enemy, we stand firm... If the enemy runs away, we don't chase him... because it's not from our honor. And we don't run away from the enemy either... That is also not from our honor. We stand firm on Haqq (truth). Who is on Haqq (truth) is like this, they won't be crooked. To be crooked is from the party of satan. Those who forget Allah (swt), their party is satan's party. And may satan and its parties be destroyed. Please come, O Shah Mardan, Ay Yaran Shah Mardan, we want to change our character. The city of knowledge, the Pride and Joy of the Universes... our Master (sws) said: Al-Haqqu ya'lu wala yu'la alaih. Haqq (truth) is highest, nothing can be above it. That means, batil (falsehood) cannot overcome Haqq (truth). When we enter the field, the field of Haqq, the field of love, we draw our sword, Dhul Fiqar. Those who don't accept Haqq, our sword is waiting on their necks.

May there be love, O Shah Mardan. He is also replying. Ay Yaran Shah Mardan. Fix your character/ nature oh mankind and especially the Islamic world. Don't be traitors, secret spies of satan. Don't secretly be satan's man. It's haram (forbidden)! If you will come out, then come out to the field. satan is instructing: no, do whatever I say. Destroy humanity, make people turn against each other. Shame! Those abusing people in the name of Islam, who destroy the buildings of Islam, people's buildings. O satans! You are not afraid of Allah (swt)! How can you destroy the buildings of Allah (swt)? Why are you randomly throwing these bombs, satan's machines... on the people, and blowing them up? Is this in Islam? O shameless ones! Your necks... may they be cut by Shah Mardan's sword. This is not in Islam. If you're a man, come face to face... If not...don't be satan's lady! Killing innocent people condemns you to eternal hellfire. This is Islam, they should know.

Also, those who... are Muslims by name only and people of Europe, they should know too. Islam does not accept these evil actions, doesn't accept these bombs. Here and there they put bombs or whatever they call it. Islam doesn't accept putting bombs to make buildings collapse, killing people. Illa Bil Haqq, only fight those coming out to the field to confront you. Don't enter any country to cause troubles. If they spill the blood of an innocent one, they will deserve eternal hellfire. The Holy Quran is informing us, Allah (jj) is declaring: "Man Qatal Qutila." Can you oppose this? Those claiming to be Shia or Alawi, or those claiming to be different types of

ikhwan groups? So many types of insects now. Do you know Allah (swt)? Leave that for now... Do you know Shah Mardan? Don't think that in Islam... there is cheating or tricks, No. Muslims don't trick. They're clean. If you want fight, come out to the field. Why do you go to where Allah's servants live? They are His servants. All are His servants. Is Islam giving you permission? Is there permission to burn, destroy, tear apart, or kill innocent people? Does Islam or Shariah give permission? Say O Shia! Say o people who make corruption under various different names. Servants of satan. Alim Allah, in Rajab, your end will come. Either be Muslim - the actions/work of Muslims is clear/obvious. A soldier for a soldier. If you are a government, rule your people don't be the reason for the deaths of innocent people. It is something else to punish guilty ones with their punishment. Don't lift your hand to innocent ones. Whoever scares someone, is cursed. Don't scare people! If you are a man, come out to the field. If you don't dare, then don't enter the field. You can't do things by cheating. Say your intentions. What intention did they make? There is one person in Sham. Why is he causing all this fighting? Is he a man made from gold? Why is he killing people? Is he the one giving life? But: "Wa 'Addahum 'Adda" (19:94) Is that right, the holy verse? We're writing, we're writing what they do. Their sins are on their own necks. The way Azrail (as) takes the life of a person is different... and the way he takes the life of one who murdered hundreds of people is different Some people are taken (killed) by the strike of a sword. Others are hanged because of the bad/evil things they did. They cut each body apart and throw it to the dogs. Islam... doesn't have the morals of dogs. Islam has superior morals. Islam says: you must protect Allah's servants. It doesn't say, kill them. Allah (swt) is not saying: Kill My servants. Bring My servants to Me. Teach them about Me. Tell them about their Lord and win their hearts. You didn't give them life, so how can you take it?

O Shah Mardan! With Allah's permission you will draw your Dhul Fiqar. These fake Muslims, those worshiping dunya, satan's followers, those tied to satan, he will destroy them. That is coming. Be careful! If they kill one person unjustly, the punishment for that one person... will be on his neck. If he kills 10 people, he'll be murdered 10 times. If he killed 100 people, then 100 times. They asked Hajjaj adh-Dhalim. One person saw in his dream Hajjaj adh-Dhalim... He is like a little child compared to these people (of today). He used his sword and killed maybe 3,000, 5,000 people. But these ones, they are following the orders of satan every time. Allah (swt): "Wa la taqtulu anfusakum"(4:29) Don't kill one another. I am the One Who gives life. You can take

life only when I give permission, or else. Who gave you permission to kill innocent people?
O Iranian sirs and pashas! O rulers of Sham, who are making fire rain down on people, what answer will you give on the Day of Judgement? And Hajjaj adh-Dhalim said: Every person I unjustly sent to the executioner, that number of times... every day I being given this punishment. For every person he beheaded, they are cutting off his head. This is my situation (in the grave), he said. O Shah Mardan, go ahead. The field is yours. The field of soldiers is yours, no one can stand against you. 'Alim Allah, if our complaints reach Shah Mardan... he won't leave any Shia or Alawi. Pull yourselves together.
You cannot force non-Muslims to become Muslim. "La ikraha fi d-dini"(2:256) Leave them! "Lakum dinukum waliya dini"(109:6) Leave them in their own countries... don't harass them. La Darar Wa La Dirar Fil Islam. You cannot do harm in Islam. To punish harmfully, in response to harm, that is also haram. Don't force/ push them. If they come to you, you have the right to defend yourself, to defend Islam. If not, do not run after them. That is why Hz Ali (ra) said... I am riding Duldul. Why? they asked. Because, when someone confronts me, I don't escape from them. I don't run away from them, and I also don't run after them and chase them. I don't follow after them. Whoever runs away from me, I let them go. It's possible they might repent. They are people outside of Islam, Allah created them as His servants. You are not given permission. But... while we are living, if they attack us... it is obligatory for us to protect our religion, faith, virtue, and honor.
Don't approach someone who didn't harm us...approach them formally/officially. Approach them formally, not with cheating and tricks. Muslims have honor. If you don't protect it, that honor will be taken from you and however many people you killed, you will also be killed until Judgement Day. That's what Hajjaj said: however many people I sent to the executioner... I am also being sent the exact same way to the executioner. May Allah protect us. Let's be humans. Islam came to teach people humanity. "Innama bu'ithtu li-utammima makarima-l Akhlaqi" O Christian world! You can blame those who don't understand Islam, but... don't interfere with our Prophet (sws). He said: "Innama buithtu litammima makarima al-Akhlaqi." He is saying, I am O Muslims... O low people! They have become so low! What did our Prophet (sws) say, did you not hear? This party...that nation... whatever...did you not hear? Ji'tu litammima makarima-l Akhlaqi - our Prophet said. Our Prophet chased away kufr(disbelief) but you are not doing that. Your

party and your profession is satan. What you worship is satan. What you learn is what satan teaches you. Wa La Taqtulu Anfusakum. Don't kill. Maybe they don't accept today, but tomorrow they might accept Islam.

O oppressors! Don't destroy the system of Allah or dunya will collapse on you. With "Ay Allah", dunya will collapse on your heads. Fear Allah (swt)! Don't say Shia, Alawi. You are neither Shia nor Alawi. Those who kill innocent people, making hidden bombs and putting them here and there, to make the houses and homes of innocent people miserable, they are not Muslims. Europe should also know the reality of Islam. Go ahead, O Shah Mardan. O Lion of Allah (swt). He says: I will come. I will come. Sahibul Qiran, Mahdi (as), he is from my descendants. I'll come. I'll punish oppressors with what they deserve. Beware of satan. "wa la tattabi'u khutuwatish shaitan." Allah (swt) is saying: Don't follow the way of satan. But you will follow satan's footsteps step by step. There is no murder/killing in Islam. In Islam, mercy/ compassion prevails. "Irhamu man fi-l ardi yarhamukum man fi-s samai." Prophet (sws) says: O my Nation, be merciful to those on earth... and the Lord of Heavens and all Dominions His Mercy will be on you. If not, you will be punished the same way satan will be punished.

O people of Europe and America, by manipulation and frightening - To frighten when necessary, if they attack us is something else. We will show our mightiness. But there's no need to approach them, no. No. If they approach you... whatever is our right, we will draw our sword, says Shah Mardan. Whoever runs away from us, we won't follow. We have humanity & manliness. We have the perfection of manhood. We are the lions of Allah. Look at us, those people under so many different names/ titles, those causing turmoil everywhere, and making Islam look bad in front of other nations, O low people! Beware. Allah's (swt) Shidda-i Rahman, His strike is very strong.

The month of Rajab is coming, it is the month of Allah (swt). Those innocent ones who lift their hands up and say: O our Lord, what fault have we done? They are sending fire to rain down on our heads. O our Lord, take our revenge on them, those who have no mercy for Allah's (swt) creation. I am not imaging - this is from Shah Mardan. It will start in Rajab. And their heads will be taken off by the sword. Islam is for teaching the perfection of humanity. The Prophet of Islam, the Master of the whole world, he said: "Innama bu'ithtu litammima makarima l-Akhlaqi." O

people who are under so many different titles. which one of you has Makarima al-Ahlaq? But you will see - "Sawfa tara" Sawfa tara. One person (hashakum) was riding on a donkey through the dust. He was claiming to be a warrior... He was speaking to one warrior of Islam and that warrior of Islam replied: Sawfa tara idha-n jala-l ghubaru (You will see when all the dust settles down afarasun tahtaki am himaru. (whether you're riding a horse or only a donkey!)
The ones who go against Islam, and kill innocent people... they have the characteristics of women, they have no manliness. They don't have manliness or bravery. They are riding a donkey... and claim to be riding a horse. If you say "boo" they will collapse to the ground Allahu Akbarul Akbar. When saying these words, Shah Mardan is saying this. He's saying: I am afraid from my Lord's Anger. Allah's lion is saying: I am trembling. Curse on satan who brought mankind to this level. And curse on those walking with satan and curse on those following satan. Curse on those killing innocent people. Curse those oppressing Allah's servants. May paradise be forbidden to them. Shah Mardan is calling. Dastur Ya Sayyidana. Ay Yaran Shah Mardan.

The world of Christians - Prophet Jesus to whom they give so many different titles; some call him God; some say son of God; some say God's partner. What did he say, I am asking. I am asking the Pope also. What did Jesus say? If someone slaps you like this... turn the other side and hit me here too, he says. Do not do anything in return, he said. To this degree he is teaching the value of people, Jesus (as). Those people of today who claim to be Christian, who invent all these rubbish machines, and make everywhere into turmoil, who make these poisonous gases, shame on their Christianity. May Allah (swt) forgive us.
O our Lord, we listened to Shah Mardan. Ay Yaran, let's pull ourselves together. Let's be human. Perfection of humans is befitting of Prophets. Our Prophet (sws), came to teach us good manners/ morals. So that when you go to the Presence of Allah, you go with clean character. What did Jesus say? If someone hits you, turn your face the other way. Where is the Christian world? Confucius, the Chinese philosopher, sent away so many people. He said, the sky is trembling from the oppression you are doing. You are killing people like you slaughter chickens. Those cutting up people are not from my group. And my group is from the Sultan of Prophets. We are following his teachings. Who doesn't have mercy or compassion isn't from us. O people of China! Pay attention to what Confucius said. Watch over people, protect them, don't kill

them, he said. If you try to kill an ant... when you lift your finger like this... know that... the sword of Qahr (conquering) is on you, said Confucius. The ones making us speak... tell us things that happened. May Allah forgive us.
Either we act as humans, or we'll be swept away. Aman Ya Rabbi, don't seperate us from the beautiful way of Your Habib (sws). O Shah Mardan, be compassionate to us because your sword can reach from east to west. You can cut the necks of all oppressors with one strike. Ay Shah Mardan Alayka Ridwanur Rahman. Ay Yaran, the believers who love him, believers, may your hearts be at peace. Hold the hands of oppressors, strike their necks - There is an order from above. Allah is not happy with oppression. May good days come for people. Now, Rajab Shahrullah is coming. What it will bring only Allah knows but it will not be good for oppressors. Oppressors and those supporting oppression, most of their heads will go. Don't move. Don't say, I will do this and that. Since you are claiming to do this and that tie your pants together and do it, so you remain in dirtiness. Astaghfirullah.
Being Muslim means service to Allah. How nice. Shah Mardan is instructing us. Let's say: Bismillahi r-Rahmani r-Rahim. Let's go under that mercy, and nothing will touch us. Say o believers, 99 times a day... Bismillahi r-Rahmani r-Rahim. Say and don't be afraid. Even if they fill the skies with airplanes, they can't touch you. Say 99 times: Bismillahi r-Rahmani r-Rahim. Wa min Allah at-Tawfiq. May Allah forgive us. Zidhu Ya Rabb, Shah Mardan, Zidhu Ya Rabb. Izzan wa Sharafa. For the sake of Your Habib,Ya Rabbi. We don't have the ability to say: for the sake of Your Habib. And to say much more than that is dishonorable for us. But may the rank of Shah Mardan be higher and may the levels of those who believe be high. May they be dressed with mightiness. May the month of Rajab be the month of conquests for believers.

**Wie werdet ihr antworten?**

---

Asbahna wa Asbaha l-Mulku Lillah wa Nahnu Abidan Lillah. Bu ikrardir. As-Salamu `alaykum, Anwesende. Ay Yaran Shah Mardans. `Alayhi Ridwanu r-Rahman. Die Versammlung jener, die ihn lieben, ist geöffnet worden unseres eigenen Vermögens gemäß. Talabana Wajadana. Es heißt: Wer nach uns sucht, findet uns. Sonst könnten Versammlungen von Tausenden von Leuten

nicht eröffnet werden. Ein Samen fällt in den Schmutz und wächst daraus hervor mit zwei Blättern, mit zwei kleinen Blättern. Sagen wir, eine große Eiche, eine Platane, sie gehört auch zur Familie der Eichen. Eine Platane beginnt auch zu wachsen mit zwei kleinen Blättern. Es gibt einen Befehl von den Himmeln: Wachse! Und diese zwei kleinen Blätter wachsen und wachsen.. Jahrhunderte, Hunderte und Tausende von Jahren lebt sie. Sie wird eine große Platane. Deshalb, o Shah Mardan, hören wir auf deine Worte. Du vertrittst den großen Baum des Islam. Du bist Shah Mardan. Hören wir, verstehen wir. Öffnen wir uns, erheben wir uns und seien wir ein großer Baum des Islam und brechen nicht zusammen. Der Islam kann nicht zusammenbrechen. Die im Westen und Osten sollten das wissen. Der Islam kann nicht zusammenbrechen. Mach weiter, Ay Shah Mardan.

Sagen wir: Allahu Akbar, Allahu Akbar wa Lillahi l-Hamd. Dastur. Wir sind wie eine kleine Ameise, unsere Lage ist so. Eine Ameise trägt einen kleinen Strohhalm. Sie trägt ein kleines Stück Stroh, und geht sehr glücklich. Das ist mein Nasib, mein Anteil, sagt sie und geht. Aber die Menschheit ist voller Ehrgeiz und Gier, voller Gier. Sie sagen nie über die schreckliche Welt: Ich bin voll, habe die Nase voll und habe genug. Mach weiter, o Shah Mardan, damit wir zuhören können. Wenn das so ist, dann: Ay Yaran Shah Mardans, As-Salamu `alaykum. Weil "As-Salam Qablu l-Kalam" - Sitzt nicht, ohne Salam zu geben, gebt denen in der Versammlung Salam. Hasha mina l-Huzur, vierbeinige Tiere sagen nichts, wenn sie den Stall betreten. Ihr seid Menschen. Madad ya Rijal Allah. Dastur ya Shah Mardan. Wir sind Menschen, Menschen, die für den Meister des Universums (saws).. die geschaffen wurden zu seinem Ruhm. Hört. Dann laßt uns Rabbu l-`Izzahs Herrlichen Namen sagen: Allahu Akbar! Allahu Akbar, Allahu Akbar `ala man Takabbara wa Tajabbar. Dastur ya Rijal Allah. Madad ya Sahibu l-Imdad. Madad ya Shah Mardan, bitte komm. Ay Yaran Shah Mardans. Shah Mardan ist Allahs (swt) Löwe. Wir bitten um Hilfe, und es wurde ihm gegeben, Allahs (swt) Löwen, Shah Mardan. In seiner Hand ist Dhu l-Fiqar. Auf seiner Zunge ist der Preis von Al Qahhar. Er hat den Preis des Beherrschers auf der Zunge. Wer immer Allahu Akbar für ihn sagt, kann 100 Welten wie diese zerstören. Kennt die Ehre des Islam! Ya Rabbi, vergib uns.

Jene, die uns unwissend gelassen haben, sind gegangen, wohin sie gegangen sind. Aber wir werden nicht in Unwissenheit bleiben. Wer kennt nicht sein Rechts und Links? Tiere. Aber der

Mensch ist der, der sein Rechts und Links kennt. Mach weiter, Shah Mardan, Zidhu ya Rahman. Unser Herr, belohne Shah Mardan mit Deiner Zufriedenheit. Ma sha' Allah, Shah Mardan, das Feld ist dein. Niemand kann gegen dich bestehen. Warum können sie nicht? Al-Haqqu Ya'lu wa la Yu'la `alayh. Allahs Löwe, der Haqq vertritt, Habibullahs (saws) Onkelsohn, Shah Mardan, ma sha' Allah. Mach weiter, Ay Yaran Shah Mardans. O Muslime, sagen wir: Bismillahi r-Rahmani r-Rahim. Ohne die Basmala zu sein, ist wie Getreide ohne Korn. Es ist Stroh, es hat kein Korn. Die Basmala füllt es. Und was unsere Existenz füllt, ist: Bismillahi r-Rahmani r-Rahim. Sonst ist es Stroh. Wenn ihr sagt Bismillahi r-Rahmani r-Rahim, werdet ihr Korn sammeln. Deshalb sind Shaytans ganze Anstrengungen darauf gerichtet, die Menschen die Basmala vergessen und nicht sagen zu lassen. Und jetzt, die, die wie Stroh sind, ohne Korn, beginnen ein Geschäft, bauen eine Fabrik, machen eine Straße oder einen Weg einfach so und sagen, es ist die Eröffnungszeremonie. Was ist eine Eröffnungszeremonie? Sie sagen 'toren', aber das ursprüngliche Wort ist tatsächlich 'merasim'. Toren - Zug, sie machen es zu einem Zug und fahren damit. Sie werden gehen und nie zurückkehren. Was sagen sie? Wir eröffnen diesen Betrieb unter dem Namen von so-und-so. Möge dieser Betrieb auf eure Köpfe fallen. Hasha mina l-Hazirin.

Wir sind die Soldaten Shah Mardans. Er hält Haqq, die Wahrheit. Er zerstörte Batil, die Falschheit, mit seinem Schwert. Nur mit Worten zu sagen, wir sind Alawiten, wir sind Schiiten, hat keinen Wert. Sagt: Wir sind Shah Mardans Soldaten. Mardan ist der Weg der Tapferkeit, der Weg, dem er folgt. Mach weiter, Shah Mardan. Sein Reittier Duldul, Shaykh Mehmet Effendi, Duldul war kleiner als ein Pferd. Ein wenig größer als ein Esel und ein wenig klüger als ein Pferd. Er ritt darauf. Sie fragten Shah Mardan: O Löwe Allahs (swt), warum reitest du kein Pferd wie alle anderen auch? Shah Mardans Antwort: Wir gehören zu so einer Nation, die im Angesicht des Feindes fest stehen. Wenn der Feind wegläuft, jagen wir ihn nicht, weil es nicht zu unserer Ehre gehört. Und wir laufen auch nicht vor dem Feind davon. Das gehört auch nicht zu unserer Ehre. Wir stehen fest auf Haqq. Wer mit Haqq ist, ist so. Sie sind nicht krumm. Krumm zu sein, ist Teil der Partei Shaytans. Jene, die Allah (swt) vergessen, ihre Partei ist Shaytans Partei. Und mögen Shaytan und seine Partei vernichtet werden.

Bitte komm, o Shah Mardan, Ay Yaran Shah Mardans, wir wollen unseren Charakter ändern. Die Stadt des Wissens, der Stolz und die Freude des Universums, unser Meister (saws) sagte: Al-

Haqqu Ya'lu wa la Yu'la `alayh. Haqq ist das höchste, nichts kann darüber sein. Das bedeutet, Batil kann Haqq nicht besiegen. Wenn wir das Feld betreten, das Feld von Haqq, das Feld der Liebe, ziehen wir unser Schwert, Dhu l-Fiqar. Auf jene, die Haqq nicht anerkennen, wartet unser Schwert an ihrem Nacken. Möge Liebe da sein, o Shah Mardan. Er antwortet auch. Ay Yaran Shah Mardans. Bringt eueren Charakter in Ordnung, o Menschheit, und besonders die Islamische Welt. Seid keine Verräter, Geheimagenten Shaytans. Seid nicht insgeheim Shaytans Leute. Es ist haram! Wenn ihr hervorkommen wollt, kommt heraus auf's Feld. Shaytan gibt die Anweisung: Nein, tut, was immer ich sage. Zerstört die Menschheit, erreicht, daß die Menschen sich gegeneinander wenden. Schande! Jene, die Menschen im Namen des Islam mißbrauchen, die die Gebäude des Islam zerstören, die Gebäude der Menschen. O Shaytane! Ihr fürchtet Allah (swt) nicht! Wie könnt ihr die Gebäude Allahs (swt) zerstören! Warum werft ihr diese Bomben, diese shaytanischen Maschinen wahllos auf die Menschen und jagt sie in die Luft? Gibt es das im Islam? Ihr Schamlosen! Euere Nacken, mögen sie von Shah Mardans Schwert durchschnitten werden. Das gibt es nicht im Islam! Wenn ihr Männer seid, kommt von Angesicht zu Angesicht! Wenn nicht.. Seid nicht Shaytans Damen! Unschuldige zu töten, verurteilt euch zu ewigem Höllenfeuer. Das ist Islam. Sie sollten es wissen. Auch jene, die nur dem Namen nach Muslime sind, und die Menschen in Europa sollten es wissen. Islam erkennt diese bösen Taten nicht an, erkennt diese Bomben nicht an. Hier und dort legen sie Bomben oder was immer sie es nennen. Islam erkennt nicht an, Bomben zu legen, um Gebäude einstürzen zu lassen und Menschen zu töten. Illa Bi l-Haqq, bekämpft nur die, die aufs Schlachtfeld kommen, um sich euch entgegenzustellen. Marschiert in kein Land ein, um Probleme zu verursachen. Wenn sie das Blut Unschuldiger vergießen, verdienen sie ewiges Höllenfeuer. Der Heilige Quran macht uns bekannt, Allah (jj) erklärt: "Man Qatal Qutila". Könnt ihr dem widersprechen, ihr, die behaupten Schiiten oder Alawiten zu sein oder die behaupten, verschiedene Ikhwan-Gruppen zu sein? So viele Arten von Insekten jetzt. Kennt ihr Allah (swt)? Laßt das für jetzt.. Kennt ihr Shah Mardan? Glaubt nicht, daß es im Islam Betrug oder Tricks gibt. Nein. Muslime tricksen nicht. Sie sind sauber. Wenn ihr kämpfen wollt, kommt hinaus auf's Feld. Warum geht ihr dahin, wo Allahs Diener leben? Sie sind Seine Diener. Alle sind Seine Diener. Gibt der Islam euch die Erlaubnis? Gibt es Erlaubnis zu verbrennen, zu zerstören, auseinanderzureißen oder Unschuldige zu töten? Gibt der Islam oder die Shariah Erlaubnis? Sagt, o Schiiten! Sagt, o Leute, die Verderbtes tun unter verschiedenen

Namen. Diener Shaytans. Alim Allah, im Rajab kommt euer Ende. Seid Muslime! Die Taten von Muslimen sind offensichtlich. Ein Soldat für einen Soldaten. Wenn ihr eine Regierung seid, regierte euere Leute. Seid nicht Schuld am Tod Unschuldiger. Es ist etwas anderes, Schuldige mit ihrer Strafe zu bestrafen. Erhebt nicht die Hand gegen Unschuldige. Wer immer jemanden in Schrecken versetzt, ist verflucht. Erschreckt die Menschen nicht! Wenn ihr Männer seid, kommt heraus auf's Feld. Wenn ihr es nicht wagt, betretet das Feld nicht. Ihr könnt Dinge nicht mit Täuschung tun. Sagt euere Absichten. Welche Absichten habt ihr euch vorgenommen.
Es gibt jemanden in Sham. Warum verursacht er all diese Kämpfe? Ist er ein Mann aus Gold? Warum tötet er die Menschen? Ist er der, der Leben gibt? Aber "Wa 'Addahum 'Adda" - Er hat alle genau gezählt (19:94). Stimmt das, der heilige Vers? Wir schreiben, schreiben, was sie tun. Ihre Sünden sind auf ihrem eigenen Nacken. Die Weise, wie Azrail (as) das Leben eines Menschen nimmt, ist anders, und die Weise, wie er das Leben jemandes nimmt, der Hunderte von Leute ermordet hat, ist anders. Manche Menschen werden genommen durch einen Schwertstreich. Andere werden gehängt wegen der bösen Dinge, die sie taten. Sie schneiden jeden Körper in Stücke und werfen sie den Hunden vor. Islam hat nicht die Moral von Hunden. Islam hat höhere Moral. Islam sagt: Ihr müßt Allahs Diener schützen. Es heißt nicht, tötet sie! Allah (swt) sagt nicht: Tötet Meine Diener! Bringt Meine Diener zu Mir! Lehrt sie über Mich. Erzählt ihnen von ihrem Herrn und gewinnt ihre Herzen. Ihr gabt ihnen nicht das Leben, wie könnt ihr es also nehmen? O Shah Mardan, mit Allahs Erlaubnis wirst du Dhu l-Fiqar ziehen. Diese falschen Muslime, die die Dunya anbeten, Anhänger Shaytans, jene, die an Shaytan gebunden sind, er wird sie zerstören. Das kommt. Paßt auf! Wenn sie einen Menschen unrechtmäßig töten, ist die Strafe für diesen einen auf seinem Nacken. Wenn sie 10 töten, wird er 10x getötet werden. Wenn er 100 tötet, dann 100x. Sie fragten Hajjaju dh-Dhalim. Einer sah im Traum Hajjahu dh-Dhalim. Er ist wie ein kleines Kind, verglichen mit diesen Leuten von heute. Er benutzte sein Schwert und tötete vielleicht 3.000, 5.000 Menschen. Aber diese folgen den Befehlen Shaytans jedes Mal. Allah (swt): "Wa la Taqtulu Anfusakum" (4:29). Tötet einander nicht. Ich bin Der, Der Leben gibt. Ihr könnt Leben nur nehmen, wenn Ich euch Erlaubnis gebe. Wer gab euch die Erlaubnis, Unschuldige zu töten? O iranische Herren und Paschas! O Herrscher von Sham, die Feuer auf die Menschen herabregnen lassen, welche Antwort gebt ihr am Gerichtstag? Und Hajjaju dh-Dhalim sagte: Für jeden, den ich unrechtmäßig zum Henker schickte, diese Anzahl von Malen wird mir

jeden Tag diese Strafe gegeben. Für jeden, den er köpfte, schlagen sie ihm den Kopf ab. Das ist meine Lage im Grab, sagte er.
O Shah Mardan, mach weiter. Das Feld ist dein. Das Feld der Soldaten ist dein, niemand kann sich gegen dich behaupten. `Alim Allah, wenn unsere Beschwerden Shah Mardan erreichen, wird er keinen Schiiten oder Alawiten übrig lassen. Reißt euch zusammen! Ihr könnt Nicht-Muslime nicht dazu zwingen, Muslime zu werden. "La Ikraha fi d-Dini" - Es gibt keinen Zwang im Glauben (2:256). Laßt sie! "Lakum Dinukum wa Liya Dini" - Ihr habt euere Religion, und ich habe die meine (109:6). Laßt sie in ihren eigenen Ländern. Drangsaliert sie nicht. La Darar wa la Dirar fi l-Islam. Ihr könnt keinen Schaden zufügen im Islam. Verletzend zu strafen als Antwort auf Schaden, ist auch haram im Islam. Bedrängt sie nicht. Wenn sie zu euch kommen, habt ihr das Recht, euch zu verteidigen, den Islam zu verteidigen. Wenn nicht, lauft nicht hinter ihnen her. Deshalb sagte Hz Ali: Ich reite Duldul. Warum? fragten sie. Weil wenn mir jemand entgegentritt, ich ihnen nicht entkommen kann. Ich laufe nicht vor ihnen davon, und ich laufe auch nicht hinter ihnen her und jage sie. Ich verfolge sie nicht. Wer immer vor mir davonläuft, den lasse ich gehen. Es ist möglich, sie bereuen. Sie sind Leute außerhalb des Islam. Allah erschuf sie als Seine Diener. Es ist euch nicht erlaubt. Aber solange wir leben, wenn sie uns angreifen, sind wir verpflichtet, unsere Religion, unseren Glauben, unsere Tugend und Ehre zu verteidigen. Rückt nicht gegen jemanden vor, der uns nicht schadete.. Nähert euch formell. Nähert euch ihnen formell, ohne Täuschung und Tricks. Muslime haben Ehre. Wenn ihr sie nicht schützt, wird diese Ehre von euch genommen und wieviele Leute ihr auch getötet habt, so werdet ihr auch getötet werden bis zum Gerichtstag. Das sagte Hajjaj: Wieviele Leute ich zum Henker schickte, so werde ich auf genau dieselbe Weise zum Henker geschickt. Möge Allah uns schützen.
Seien wir Menschen. Der Islam kam, um die Menschen das Mensch-Sein ä zu lehren. "Innama Bu'ithtu li-Utammima Makarima l-Akhlaq". O christliche Welt, ihr könnt die beschuldigen, die den Islam nicht verstehen, aber mischt euch nicht ein mit unserem Propheten (saws). Er sagte: "Innama Bu'ithtu li Tammima Makarima l-Akhlaqi." O Muslime, o niedrige Leute! Sie wurden so niedrig! Was sagte unser Prophet (saws)? Habt ihr es nicht gehört? Diese Partei.. diese Nation.. was immer.. Habt ihr es nicht gehört? Ji'tu li Tammima Makarima l-Akhlaqi, sagte unser Prophet. Unser Prophet jagte den Kufr, den Unglauben, davon. Aber ihr tut das nicht.

Euere Partei und euere Berufung ist Shaytan. Was ihr anbetet, ist Shaytan. Was ihr lernt, ist was Shaytan euch lehrt. Wa La Taqtulu Anfusakum. Tötet nicht! Vielleicht nehmen sie es heute nicht an, aber morgen könnten sie den Islam annehmen. Unterdrücker, zerstört nicht das System Allahs oder die Dunya wird auf euch zusammenstürzen. Mit "Ay Allah" wird die Dunya auf euere Köpfe fallen. Fürchtet Allah (swt)! Sagt nicht Schia, Alawi. Ihr seid weder Schiiten, noch Alawiten. Jene, die Unschuldige töten, verborgene Bomben machen und sie hierhin und dorthin tun, um Häuser und unschuldige Menschen ins Elend zu bringen, sind keine Muslime. Europa sollte auch die Wirklichkeit des Islam kennen.

Mach weiter Shah Mardan. O Löwe Allahs (swt). Er sagt: Ich werde kommen. Ich werde kommen. Sahibu l-Qiran, Mahdi (as) ist von meinen Nachkommen. Ich werde kommen. Ich strafe die Unterdrücker mit dem, was sie verdienen. Hütet euch vor Shaytan! "Wa la Tattabi'u Khutuwati sh-shaytan." Allah (swt) sagt: Folgt nicht dem Weg Shaytans. Aber ihr werdet Shaytans Fußstapfen folgen Schritt für Schritt. Es gibt keinen Mord im Islam. Im Islam herrscht Mitleid vor. "Irhamu man fi l-Ardi Yarhamukum man fi s-Samai." Der Prophet (sws) sagt: O meine Nation, seid barmherzig zu jenen auf der Erde, und der Herr der Himmel und aller Bereiche wird barmherzig mit euch sein. Wenn nicht, werdet ihr genauso bestraft werden, wie Shaytan bestraft wird. O Leute Europas und Amerikas, durch Manipulation und Angsteinjagen - Angst zu machen, wenn notwendig, wenn sie uns angreifen, ist etwas anderes. Wir werden unsere Mächtigkeit zeigen. Aber es ist nicht nötig, gegen sie vorzugehen. Nein. Nein. Wenn sie gegen euch vorgehen, was immer unser Recht ist, dann ziehen wir unser Schwert, sagt Shah Mardan. Wer immer vor uns wegläuft, dem folgen wir nicht. Wir haben Menschlichkeit und Männlichkeit. Wir haben die vollkommene Männlichkeit. Wir sind Löwen Allahs. Seht uns an, ihr Leute unter so vielen verschiedenen Namen und Titeln, jene, die überall Aufruhr erzeugen und den Islam schlecht aussehen lassen vor anderen Nationen. O niedrige Leute! Hütet euch! Allahs (swt) Shidda-i Rahman, Sein Schlag ist sehr stark.

Der Monat Rajab ist im Anmarsch. Er ist der Monat Allahs (swt). Jene Unschuldigen, die ihre Hände heben und sagen: O unser Herr, welchen Fehler haben wir begangen? Sie lassen Feuer auf unsere Köpfe herabregnen. O unser Herr, nimm Rache für uns an denen, die keine Barmherzigkeit haben mit Allahs (swt) Schöpfung. Ich bilde mir das nicht ein. Das ist von Shah Mardan. Es wird im Rajab beginnen. Und ihre Köpfe werden vom Schwert abgeschlagen werden. Islam ist

dazu da, die Vollkommenheit des Mensch-Seins zu lehren. Der Prophet des Islam, der Meister der ganzen Welt, sagte: "Innama Bu'ithtu li Tammima Makarima l-Akhlaqi." O Leute, die unter so vielen verschiedenen Titeln sind, wer von euch hat Makarima l-Akhlaq? Aber ihr werdet sehen - "Sawfa Tara". Sawfa Tara. Einer (Hashakum) ritt auf einem Esel durch den Staub. Er behauptete, ein Krieger zu sein. Er sprach zu einem Krieger des Islam, und dieser Krieger des Islam antwortete: "Sawfa Tara idha-n Jala l-Ghubaru" - Du wirst sehen, wenn sich der Staub gelegt hat - "Afarasun Tahtaki am Himaru." - ob du auf einem Pferd oder nur auf einem Esel reitest. Diejenigen, die gegen den Islam stehen und Unschuldige töten, haben die Eigenschaften von Frauen. Sie haben keine Männlichkeit. Sie haben keine Männlichkeit oder Tapferkeit. Sie reiten einen Esel und behaupten, ein Pferd zu reiten. Wenn du sagst "Bu", fallen sie zu Boden. Allahu Akbaru l-Akbar. Als er diese Worte sagt, Shah Mardan sagt dies, sagt er: Ich fürchte den Zorn meines Herrn. Allahs Löwe sagt: Ich zittere. Verflucht sei Shaytan, der die Menschheit auf diese Stufe gebracht hat. Und verflucht seien jene, die mit Shaytan gehen und Shaytan folgen. Verflucht seien jene, die Unschuldige töten. Verflucht seien jene, die Allahs Diener unterdrücken. Möge das Paradies für sie verboten sein. Shah Mardan ruft. Dastur ya Sayyidana. Ay Yaran Shah Mardans.

Die Welt der Christen - Der Prophet Jesus, dem sie so viele verschiedene Titel geben, manche nennen ihn Gott, manche sagen Gottes Sohn, manche sagen Gottes Partner, was sagte er, frage ich. Ich frage auch den Papst. Was sagte Jesus? Wenn jemand dich so schlägt, wende ihm die andere Seite zu und schlage mich auch hier, sagt er. Mach nichts dagegen, sagte er. In diesem Grad lehrt er den Wert der Menschen, Jesus (as). Diese Leute von heute, die behaupten, Christen zu sein, die all diese unsinnigen Maschinen erfinden und überall Aufruhr verbreiten, die diese giftigen Gase machen, Schande auf ihr Christentum. Möge Allah (swt) uns vergeben. O unser Herr, wir haben Shah Mardan zugehört. Ay Yaran, reißen wir uns zusammen. Seien wir Mensch. Die Menschen zu vervollkommnen, geziemt den Propheten. Unser Prophet (saws) kam, um uns gutes Benehmen zu lehren. So daß ihr, wenn ihr in die Gegenwart Allahs geht, mit reinem Charakter geht. Was sagte Jesus? Wenn jemand dich schlägt, wende das Gesicht zur anderen Seite. Wo ist die christliche Welt? Konfuzius, der chinesische Philosoph, sandte so viele Menschen weg. Er sagte: Der Himmel erzittert vor der Unterdrückung, die ihr ausübt. Ihr tötet Menschen, so wie ihr Hühner schlachtet. Die, die Menschen zerschneiden, gehören nicht zu meiner

Gruppe. Und meine Gruppe ist vom Sultan der Propheten. Wir folgen seinen Lehren. Wer keine Barmherzigkeit hat, gehört nicht zu uns. O Leute Chinas, achtet auf das, was Konfuzius sagte. Wacht über euere Leute, schützt sie, tötet sie nicht, sagte er. Wenn ihr versucht, eine Ameise zu töten, wenn ihr euere Finger so hebt, wisset, daß das Schwert von Qahr, der Eroberung, auf euch ist, sagte Konfuzius.

Diejenigen, die uns zum Sprechen bringen, sagen uns Dinge, die geschehen sind. Möge Allah uns vergeben. Entweder wir handeln wie Menschen oder wir werden hinweggefegt. Aman ya Rabbi, trenne uns nicht vom schönen Weg Deines Habib (saws). O Shah Mardan, sei barmherzig mit uns, weil dein Schwert von Ost nach West reichen kann. Du kannst die Hälse aller Unterdrücker mit einem Streich durchtrennen. Ay Shah Mardan `alayka Ridwanu r-Rahman. Ay Yaran, die Gläubigen, die ihn lieben, Gläubige, mögen euere Herzen im Frieden sein. Haltet die Händer der Unterdrücker, schlagt ihre Nacken. Es gibt einen Befehl von oben. Allah ist nicht glücklich mit Unterdrückung. Mögen gute Tage kommen für die Menschen. Jetzt kommt Rajab Shahrullah. Was er bringt, weiß nur Allah, aber er wird nicht gut für Unterdrücker sein. Unterdrücker und jene, die Unterdrücker unterstützen, die meisten ihrer Köpfe werden gehen. Bewegt euch nicht. Sagt nicht: Ich werde dies und das tun. Da ihr behauptet, dies und das zu tun, bindet euere Hosen zu und macht es, so daß ihr im Dreck bleibt. Astaghfirullah. Muslim zu sein, bedeutet Dienst an Allah. Wie schön. Shah Mardan gibt uns Anweisungen. Sagen wir Bismillahi r-Rahmani r-Rahim. Gehen wir unter diese Barmherzigkeit, und nichts wird uns berühren. Sagt, o Gläubige, 99x am Tag Bismillahi r-Rahmani r-Rahim. Sagt es, und fürchtet euch nicht. Auch wenn sie den Himmel mit Flugzeugen füllen, sie können euch nicht berühren. Sagt 99x Bismillahi r-Rahmani r-Rahim. Wa min Allah t-Tawfiq. Möge Allah uns vergeben. Zidhu ya Rabb, Shah Mardan, Zidhu ya Rabb. `Izzan wa Sharafa. Um Deines Habib willen, ya Rabbi. Wir haben nicht die Fähigkeit zu sagen, um Deines Habib willen. Und viel mehr als das zu sagen, ist unehrenhaft für uns. Aber möge der Rang Shah Mardans höher sein, und mögen die Stufen jener, die glauben, hoch sein. Mögen sie mit Mächtigkeit bekleidet sein. Möge der Monat Rajab der Monat der Eroberung für die Gläubigen sein. Fatiha.

Fatiha.

## HOW CAN ANYONE BUT ALLAH BE IMPORTANT?

Insha'Allah the next year we will be in the big part of the building. Step by step we will be all around London, then England, then Europe. The Europeans want to take Islam away from Europe, but Allah is bringing it. It must come. The unbelievers must go and Islam must come. I am not making you to come here. No! He is sending you and He is also sending me to be here with you like a petrol-station feeding your hearts with whatever they send to me.

We have come to take away the pride from the Western people. Europeans are very proud-ones and we have come to make them into humble servants. Servants do not have to be proud. You must learn that worshipping should make your ego smaller and smaller, until it finishes. Whoever feels that he is feeling bigger and that he is becoming proud, is not worshipping Allah, he is worshipping his ego. Worshipping must make you small. But people nowadays are so proud with all their titles, that if you ask them to sweep away something, they will be shocked and tell you that they are doctors, so how should they be expected to sweep? Well, prophets swept, didn't they? So who are you?

If you feel that you are becoming bigger and you think that your importance is growing, then you are on the wrong way and your worshipping has not been accepted. You are then still an idol-worshipper who is still praying to himself. Oh, people, you must be very careful! I am looking everywhere and particularily the

Muslims in European countries are becoming very proud: the Turks, Pakistanis, Iranian people... and the Arabs, don't even talk to them. They are convinced that they are the only true Muslims. The German Muslims are very humble Muslims, really. The English Muslims, that little handful, are also humble, but sometimes they are getting angry with me. From the French Muslims it is only Amanullah who is very proud and who is saying that he is the Calipha of France. Ladies are not proud, they are good, only Hakkimah is a very important one. She is also putting on a turban. But whether you are men or women, you must be humble. You must say that you are a servant. You may go to Trafalgar Square and proclaim that you are a servant of the Lord. But you will not be able to. That is why I am giving you all a new daily prayer to say, "I am a servant, I am a servant, I am a servant..." And your ego will ask surprised, "What is that? What is going to happen? To whom are you a servant? To me? That would be OK. But not for anyone else!" Yes, say that 70 times.

That is the beginning of purification. You can be on any level in this life, and still you are all servants. They are ordering me to adress you with simple words. There is no need for me to make this into literature. It is important to make your hearts to listen and to accept and to act. That is the begining of purification. We need that if we are going to Allah Almighty's Divine Presence. You cannot even come here without abolution. It is forbidden to enter the mosque without an abolution. So how do you think it could be possible to go to the Divine Presence without being pure?

You must correct the direction to where you are looking. Are you looking to Allah or to your ego? To look to Allah you need to be clean, you need to be purified. You must be completey clean. If not, they will clean you in your tomb and if you are not cleaned there, you will be cleaned on the Day of Resurrection. If that is not enough and you are still dirty, then you must enter hells to be cleaned there. Look yourself! There is a chance for you to be cleaned here. Do it here! Then go to your Lord's Divine Presence clean. We worship to become clean, but only if you worship Allah. If you worship the idol of your ego, it will not be a purification. On the contrary, you will be more dirty than those who are not praying at all. Many people think that they are worshipping Allah, but really they are worshipping themselves. Those are the worst ones.

We are so weak. What is it we are so proud about? Satan comes to you and says, "You are so good. You are such a good worshipper, so generous, so learned..." There are so many tricks and traps. Don't claim to be a VIP. Keep the broom in your hand and say that you are a servant. Don't give anything the chance to make you feel more important. Since 50 years I am trying to make my ego down. But still it is trying to. It is only

important to be a VIP in Divine Presence. Those who worship humbly, with full sincerity, love and respect, they are VIPs. As long as you are with your ego you cannot give full respect to Allah Almighty, to your Lord.

Is it possible for a man to copulate a female ant? Is that possible? And then for the ant to conceive an ant, not a man, but an ant? That is the pride of Christians when they claim that the Lord came and was in the womb of the mother of Jesus Christ. Christians have to change their wrong imaginatons. That is why we are giving such examples to make them understand. They are saying that the Lord of Heavens with His Greatness, has come to the Virgin Mary to bring a son. That is why I am saying: Is it possible for you to go inside an ant and to produce a man? If it possible to produce a man then it is OK.

You must understand. Allah Almighty is not a man. He cannot be. And a man cannot be the Lord. The Lord in His Greatness has no partner. If He had a son, he must look like Him. And there is no room for two Lords to be in existence because of the endless greatness of the Lord. Where should the other Lord be? There would be no room for Him. There can only be one Lord, no second. How should the Lord with His endless Greatness be in such a small one, like the Virgin Mary? Considering that He is so great that the whole universe is only like a little spot compared to Him! Who are we in that great universe? To say such things is the greatest ignorance of mankind. But they still are! May they be forgiven.

Oh, people, you must change. The Lord is not a man. A man cannot be a Lord. If you want to enter an ant you either have to make yourself small like an ant, or you must make the ant as big as you. There is no other way. If Allah Almighty wanted to come to Virgin Mary, He must be as small as her, or she must be as big as He. He has that greatness, to make that possible. But there is no room for one more to be as great as He is.

Use your mind, use your logic and come back to Islam, oh Christian world! Don't think that you will win by killing Muslims. No! You will come down quickly. After a while a power will come, a Heavenly Power, to the weak Muslims and it will carry away all your powers. We are once more asking everyone to say that they are servants, not to claim that they are VIPs. Try to be humble servants of Allah!

Ya, Allah, you are Sultan! How can anyone else be a VIP?

# HOW CAN THE UNIVERSE COME INTO EXISTENCE BY ITSELF

La ilaha ill-Allah, la ilaha ill-Allah, la ilaha ill-Allah, Muhammad Rasulullah,
La ilaha ill-Allah, la ilaha ill-Allah, la ilaha ill-Allah, Muhammad Habibullah,
La ilaha ill-Allah, la ilaha ill-Allah, la ilaha ill-Allah, Muhammad Nabiyullah,
alayhi salatu-llah, wa salamun...

As-salamu alaikum! Welcome to you! Allah's Blessings and Mercy may be for His sincere servants! Try to be sincere servants of our Lord and our Creator Allah jalla jalaluh!

Destur, ya Sayydi, ya Sultanu-l Awliya! Meded, ya Rijalallah!
Ashadu an la ilaha ill-Allah wa ashadu ana S.Muhammad 'abduhu wa habibuhu wa rasuluh sws.

May Allah grant us that Kalimatu Shahada, the sign of our Islam, to be with that always- here and the time that we are passing from this life to eternal life.
Meded, ya Sultanu-l Awliya. We are wasting our lives for nothing! Really everyone, particularly believers, they must try to keep their units of their

lives, to give and to take most precious jewels. But we are wasting our lives. For what? For nothing!

Prophet, the honour of whole worlds, the honour of Heavens, the honour of whole creation, he is saying, what he said: “If... whole Dunya with its treasures (is) going to be in divinely Presence as a value, if you are giving, one wing of mosquito! Janahabu’uda... wa kanat ad-Dunya, its value, tazinu inda-llahi jahanabu’uda... ma kan yati shaubatan mai bi kafir... if whole Dunya with everything in it, if may be this Dunya a piece of golden... not from earth... if going to be whole golden or you may think that this Dunya, this our earth, this planet, if (it was) going to be one Diamond, ohhh, oooh, people, how they should be happy to be this world from diamond! Allah, Allah! So happy! But in front of Allah Almighty, if this world (had) just(been) created as a one diamond, its value, if (it was) going to be one wing of mosquito- for ourselves it is impossible to say a value for it! If it was (the) value of this earth as a value of (the) wing of mosquito, Allah Almighty (is) never going to give for unbelievers, not (even) like this.... this amount water not giving to drink, because they are denying the existence of (the) Creator.

How it can be, by itself, this earth! If you are saying it was becoming by itself- what is that foolishness! But on behalf of science! Scientists they are saying: “This world just it has been in existence by itself.” What is that foolishness! How it can be! They are not saying, but by itself. “Who said to you?” I am asking: “That knowledge, from where you are taking? From Heavens or from earth or under earth?” Such a knowledge you are taking, because you are rats... You are taking such a knowledge through sewage channels! Your knowledge you are taking from sewage channels! You must pray that you have sewage channels that you are taking such a knowledge! That is knowledge? How it can be by itself? O scientists, ask rats, what they are saying! “We have been in existence by ourselves”? Even rats denying and swearing on such scientists: “How you are

saying this huge ball... that knowledge? How it can be, by itself?”

And you may ask: “That big ball from earth or from golden or from diamond- do you think that it has a willpower? Their being and their moving and their condition for them, do you think there is a will for that ball? You can’t say: ‘No’. Must be a will from that golden ball to run around itself and to run around sun, solar system. Ask Venus: ‘O Venus, who is putting you that orbit? Who is putting you and you are small one, you must be far away, because you are so light and Jupiter very heavy one!” They are saying that solar system from sun, pieces, thrown away. Scientists (are) saying (this).

And I am asking: “If you are saying this, that they are pieces of sun and sun throwing them away, do you think that sun using a base, putting on it and then shooting up? Sun, how it was, its balance? If you using that base to send away, some pieces ordinarily that big and heavy ones must fall more closer to sun and small ones must be thrown far away.” And one of them saying to me: “O Sheikh, you are, I am understanding that you are a little bit... how old are you?”

“Don’t ask how old am I!” “Because you must know that always small children, they are always nearby their mum and therefore sun keeping small ones... as a hen keeping small chicken under its (wings).” “Ohhh! You are so, so wonderful scientist!” Saying this! So many things! They are saying: “All going to be by itself.” What is that foolishness! They are ashaming to say: “There is a Creator”, because they are engaging their minds to Shaitan. Therefore their heads empty as football players. People, whom they are looking after 22 people inside, all of them their heads only like football, nothing in it, empty! Hooo, shoot! Hooo, shoot! People, they are renting their minds or selling. So many people they are writing:” I have a mind for sale!”

Now people, they are living in a time that science just reached its limits. They are so proud and their theories or their knowledge (is) going to be on the point

of zero. They are ashaming to say that: “There is a Creator creating and giving its rules.” Everything (is) in Rules; without Rules you can’t find anything. From (the) biggest galaxies (to the) smallest representing part of whole worlds, atoms, they are in rules. They know it, but yet they are insisting to say: “No God!” Ha wha! Insisting to deny the existence of Creator. What is that!

We are saying now for preparing your understanding: If (the) whole world was a piece of diamond or golden or from silver, not earth, the Creator was not giving such a people whom they are scientists, atheists, unbelievers, and secular system people. He was going not to give them even one (sip of) water to drink! We are making a base for our association, to be understood perfectly what we are asking to say. People (are) running after something that (has) no value! If everyone it has such a world treasures, golden, jewels, it is no value for that, because when he is passing away, when he is dying, he is not going to take anything from that or to use it! Leaving and going. The angels... that they are not believing, must be ready for their last moment, to take that precious and honoured being through mankind, coming to take it and if that person (is) asking: “Oh, where is my world, where is my treasures, where is my kingdom, where is my Sultanate, where is my President being or Prime-Minister being or Commander-in-Chief being” or in such a way, “Where is that I collected, where it is, I must take (it with me)!” (The angels are) saying: “No, forbidden!” There is a big custom, saying: “No, leave everything, come inside!” “Even our clothes?” “Yes, even our clothes, leave there and put a white cloth on you and come with that. You can’t being anything from your Dunya, only that white suit that you are in it, you may come with this. Because that is going to be dust finally. This (is) ‘memnuh’, forbidden, for everyone to take anything from this life, from this treasures, to take with him and to pass away.”

O people, we are wasting... big wasters, biggest wasters: mankind! Animals, they are not putting anything, but men (are) asking to collect and asking to take it

with them as Pharaohs... How many Pharaohs? Hundreds of Pharaohs, hundreds of Nimrods, hundreds of Neros, hundreds of Shaitans agents! King, Emperors! And they saved countless jewels, golden, but they are going (and in) their hands (there is) nothing. Even a ring (is) going to be taken... Anything on your ears- taken, on their necks- taken, on their hands- taken away. But people they are like drunk ones. Drunk ones, wasting their lives for materials and they can't carry that material with them. They are not taking care for their spirituality. Who is not taking care for their spirituality, they are doing worst for themselves!

And now Dunya, whole Dunya (people are) preparing themselves for Armageddon, (The) Biggest War and (the) biggest mass of mankind (is) going to die and they are not taking anything with themselves. That is the reason.

May Allah forgive us and grant us to think on such a things and to give at least a even a short time for our future here and Hereafter to prepare something for eternal life, for eternity.

O people, run to eternity! Don't run after such a waste that it is only making that people a dust, nothing can be carried with him. Try to save something from this life for your eternal life, you should be happy here and Hereafter, because people of Dunya daily they are getting much more hopeless, much more sorrowful ,much more hopeless, much more displeased. Every day, because they are looking and seeing that its lives days getting less, less, less.... not going to be one-two-three-four-five up, but: ten, nine, eight, seven, six, fife, four three, two, one... haaaa!.... Zero!.... Finished! Checkbook...

Wa min Allah at taufiq! Allah makes us to be awaken! Wake up, o mankind, wake up, wake up, see realities and prepare yourself for eternity, for eternal life! May Allah forgive us and blessing. For the honour of most honoured one in His divinely Presence S.Muhammad sws, Fatiha!

Allahuma salli wa sallim ‘ala Nabiyina Muhammad, alayhi salam, salatan tadumu wa tughda ilay, mamara layali wa tula dawam! Fatiha!

## How can we do our best for Allah?

May Allah bless us! May Allah forgive us! As-salamu alaikum!
Insha Allah we are trying to be good servants!

Meded, ya Sultanu-l Awliya, Meded, ya Rijalallah! Destur, ya Sultanu-l Awliya!
Meded, ya Rijallah! Audhu bi-llahi mina shaitani rajim, Bismillahir Rahmanir Rahim!

Welcome to you!... For what you are coming?... For what you are coming...
It is a association. We are trying to follow the ways of (the) Seal of Prophets
sws. We are trying to follow the ways of (the) followers of Sahaba, Companions
of Rasulullah sws, we are trying to follow (the) good steps of (the) Awliya.
Where they are putting their steps, it is safe- safe step! If not, you should be
in (a) dangerous position.

This is a world, Dunya... Sometimes we are looking and seeing some operations
from armies, they are, for their defence, putting mines under earth... can't be
seen, can't be known- terrible! If (someone is) stepping on it- bummm!- (he is)
blown away! No joking for mines! It is not separating or looking, who is

stepping on it: (a) general or (an) ordinary person from (the) army, no, anyone! If (a) King (is) stepping (on it), (the) King (is) going, (if it is an) Emperor, (the) Emperor (is) going... therefore armies (are) using some prepared person, expert, (some)one, who knows.

Now- Prophets (are) first level people that they are knowing where it is danger for mankind, to keep them. Holy Order from Heavens saying: “O My beloved ones, o My messengers! Look and try to protect My servants on earth, because their most dangerous enemy Shaitan (is) putting in such a places so many mines or traps, or (he is) bringing hundred thousands (of) tricks, to carry people on that trap, on that mine!” (The) first order from the Lord of Heavens for whole messengers, Prophets- peace be upon them- (is): “Beware, to take your care for protecting My servants, not to fall in the trap of Shaitan!”

Because Shaitan freely (is) going, coming- from East to West, from West to East, from North to South, from South to North... It is not in need to carry (a) passport, no need to use visa, (he is) saying: “I am free! Sometimes I am making myself clear for some (of) my best friends, bust mostly I am camouflaging myself through people. Then they are thinking that I am their ‘Nasir’, advisor, first class, for them!” Shaitan (is) free to go anywhere! “Even Kaaba?” “Yes, even Kaaba!” “Even in Prophets holy Mesjid?” “Yes.” “Arafat?” “Also.” Everywhere (he is) free- like newspaper people... Showing this... “Newspaper!”... Shaitan heavy (?)...saying: “Yes, yes, welcome Sir!...Oh, how happened today?” “Yes, I have an important work with some VIP people! VIP people today coming here and I am looking after them, to make (them) much more to drink!” Drinks, and they are getting to be drunk and they are saying: “Come and make a speech!” (He is) coming and saying: “Hmmm... I am here now Number one! I am looking there is so many VIP people, but I am thinking that I am the chief of VIP...! Anyone (else)?” You!” And making: applause! “Yes, o my servants! I was thinking that I can do a good speech for you, but I am looking (that) you are prepared and I am

not preparing anything... Bring me some another Champaign that I may speak to those donkeys!" ...

Yes, Sir? Everywhere Shaitan (is) going, making inspection... (He is the) chief inspector on mankind! Whom they are not believing in heavenly Knowledge and news, (their) inspector (is) Shaitan! (He is) looking everywhere! Anywhere (where) there is such a thing about heavenly Knowledge or Positions, (he is) saying: "Take that away!"

Therefore Allah Almighty (is) saying: "Astaidh bi-llah! You must run away from Shaitan, you must ask protection! If not, (he is) carrying you away also!" As a person (who is) looking (for a train) on a (train) station, but (as he is) not knowing to read, where (it is) going, (he is) getting in it and going to another place, loosing his chance! Shaitan... ya Rabbi, we are running to You from that one! Don't leave ourselves in front of that dangerous enemy! We are weak ones, therefore we are saying: Audhu bi-llahi mina shaitani rajim, Bismillahir Rahmanir Rahim!

What was the title of our association?... That whole Prophets (are) calling people to be servants of their Lord! And that is the main point that man (has been) created (for) and man must know, for what they are in existence, for what they are created!

Then- millions and billions of people (are) believing this, but they are not giving enough time or energy for (the) heavenly Service! (Some) people (are) making heavenly service. Mostly people, they are not thinking on it, they are not appreciating anything for (the) heavenly Service, (they are) never appreciating (it). Then, so many people also, they are accepting that they have been ordered for heavenly Service, but they are not giving enough care for that Service, no! They are, or their most important point is to reach Dunya, as much as possible more! They are doing some service, but it is not their main target,

(the) heavenly Service.

And heavenly Service is our most important target! We have been created for heavenly Service! Any doubt? Astaidhu bi-llah: “Wa ma khalaqta insi wa-l jinni illa liyabudun! I never created man or jinn for any other purpose but for My Service! ‘Ubudiya’, to be My divinely Service workers, servants!”
Yes, so many people they are making this heavenly Service. Eh, (they are) making (it). But what was (the) main purpose of (the) Sahaba? When they were coming around (the) holy circle of (the) holy one, (the) most holiest one, what was their aim? (They were) always running and listening! They were knowing that they have been created for (the) heavenly Service, but they were every time coming, running to (the) Prophet sws- for what? They were asking more, more, urging (?) power them to heavenly Power. They were thinking to learn, to know: “What is the best worshipping to our Lord? How we can do our heavenly Service on (the) best way, to be best ones?” That is important!

Yes, you may pray 5 times, but (these) 5 times it is not your main target, because you are doing, out of praying times, you are working, working, giving your full energy- for what? For 5 times? No. “5 times- eh, enough! Enough! We have so many things to do! We are directors, we are business men, we are this, we are that, important, VIP, we must look for them! This 5 times, doesn’t matter, we may pray also, quickly, but (then we are) running there...” He is looking or not looking? What He is saying? “My servant (is) running to another service, (he is) not giving (his) full care for My heavenly Service, that I was dressing them that (Service) to be honour for them in Dunya and in Akhirat! Look, o Angels, these My servants! Mostly they are never thinking (about the) heavenly Service! (And those,) whom they are considering (to give some time) for heavenly Service also, look! Heavenly Service doing servants also, they are giving very short time!” Sometimes they are saying: “Sunnah, it is no need”, like Salafi people, not taking much care for Sunnah or Zawahid, what (the)

Prophet sws was doing, saying: “Eh... only obligatory; pray this and go away, go and work!”

When you are leaving this work that is for Allah, (to) where you are running? Who is (the) foreman on mankind, on their service? Foreman number one (is) Shaitan! Calling: “Tüüüüt!” (And) East and West they are looking and saying: “What is your order, o our boss?” “Look my servants, not to give too much time for their prayings, no! Try to make them to leave (it) fully! If you can’t, you must grant to them (only a) very short time for (the) heavenly Service!” When (they are) finishing like this: “As-salamu alaikum wa rahmatullah... As-salamu alaikum wa rahmatullah!” (they are) taking (their) shoes, running away! So many people, even (in the) Cuma prayer: “As-salamu alaikum wa rahmatullah...As-salamu alaikum wa rahmatullah!” (The Imam is) finishing, (they are) taking (their shoes),(and they are) running! To where?

He is looking, saying: “For whom they are running? For whose service they are running? I created them for My heavenly Service or I created them to follow their dangerous enemy and Dunya?” You know, o our Lord, You know best! You created them for your divinely Service, but mostly they are not giving any time for that service, (and those,) whom they are giving time, (they are giving only a) very short time. (They are) taking (their) shoes, (and) quickly running! For what? For Shaitans work! They are workers of shaitanic service! They are leaving... how this Dunya is going to be, people, happy?

Therefore I am happy (with those,) whom (they are) coming here! Alhamdulillah, you are sitting, not thinking about any other service! You are sitting, no one (is) thinking about their works, no, and your main target- that it was the title of our association that (has) granted us our Grandsheikh- may Allah bless him: “Say to our brothers sisters, sons, grandson, granddaughters, that we are doing that association to learn, how we can give much... or how we can do our service for our Lord in a best way!” That is... we are translating and you are knowing,

but you are not... you can't speak on that work, your target, how we can do our heavenly Service in a best way. That must be through your heart always: "How I can give my best service to the Lord of Heavens?"

Therefore we are saying: "Welcome" to you, as (the) Prophets they were welcoming people, whom they were coming in such a way. Some people were coming, taking something and running away. They were not (the) same, on (the) same rank of heavenly Service as others, sitting people, in front of Prophet sws: They were asking much more knowledge to practice their heavenly Service in a best way. That must be! Therefore here (there) is a handful people, whom they are asking to do their best service for the Lord of Heavens. Aferin! (It is) capital for those people! But for others dangerous days (are) coming! Dangerous days (are) coming and I am asking forgiveness from Allah Almighty and asking Him to keep ourselves on (the) enlightened Way, not to leave ourselves to fall in dark ways! Darkness is worst for looking people.

May Allah forgive us. It is enough, more than enough! This association may be for (the) whole world as a sun, shining on their hearts. May Allah forgive me and give much more power and authority through (this) coming Muharram, to take away the ways of 'ghafla', heedlessness, from people, (so) that people may run from Dunya to Akhirat! Ya Rabbi, You know!

Fatiha. For the honour of the most honoured one in Your divinely Presence!

# HOW CAN WE PROTECT OUR CHILDREN?

Many of our brothers and sisters are worried about their children and they are asking me, "What can we do?" I'm seeing that parents are letting their children stay at home and they are giving them home schooling, because they are fearing that the community will harm them and that they could loose them. So what can we do? They think that if they keep them at home, and if they don't have TV in their homes and if they give them a strict upbringing, that it will be better.

People who are grown-up know what is going on in this life and they have protection. They can protect themselves not to be affected by the community and its foolishness and bad activities. I saw the Dar-ul-Salam community in New Mexico, where only 2 or 3 families are living with their children. It was built to be for hundreds or thousands of Muslims to be there and to live an Islamic life. This is not a good idea. It would be better to take your family away from this country and to go to a safer place, if you are afraid that your children might loose their belief. Take your whole family to a better place where the community is not westernised. Or, if you want to be here and you want to try to protect your children by preventing them to see TV, videos, cinemas, theatres, magazines and newspapers, then you can only do this for a short time, until your children have reached the age of maturity. Or even less, maybe only until the age of 9 or 10 years. After that it is so difficult that it will be impossible to prevent them.

So, like the story mentioned in the Quran, Allah Almighty was testing the army of Saul and said to them, "You will reach a river and it is only allowed to drink a handful of it." Only very few people could control themselves and only take a handful and no more. They were satisfied with that handful. Others were not able to control themselves and could not obey the Holy Command of their Lord. So they threw themselves into the river to drink and drink and drink...and they were never satisfied! Those who only took a handful were satisfied.

Now, coming back to these youngsters who are growing up: If you try to prevent them 100% you will not be able to. So give them a handful and say, "No more!" and leave them to the will of the Lord Almighty Allah. If you prevent 100% there will be no result, you will get the opposite. Just like when we use vaccines against illnesses, we put the same poison into the blood and it prepares the defense in the body. Sometimes we will get a short illness after a vaccination, which then goes away and the body is prepared.

Even with videos and TV there is a lot of poison, but we must not ban it completely, it will cause the opposite. If you are happy to open just a window, not the door, then do that. Your child can look through the window and be satisfied, and perhaps, with the Will of the Lord, he will be fed up. Just like many people are fed up with TV and videos. Divine Wisdoms are making people to be fed up. Because if a person eats a special food every day, he will be fed up. So you see, Allah Almighty gives us many favours, so that we can use them. We are not getting only straw, like animals, or wheat or barley or grass...no, everything! So that his servants will not be fed up. You can do like what was done during the Gulf War: people were sitting from morning till evening watching CNN. The second day people were saying, "What is CNN?" and the third day they were fed up and did not want to hear about it. And the CNN we were watching was not only in English, they made translations into Turkish where sometimes the head was missing and sometimes the legs. Such strange translations. No one understood anything. Instead of saying that America bombarded, they said that Iraq bombarded... Such foolish translations...

So leave a window open. Because if you make a special situation for children they will ask, "Why? What is the reason that we are not going to school? We also want to have friends..." And after a while they will escape and start cheating, which will be worse. So, if you want to teach them in your homes, it is alright, but if you can control them while they are going to school, it is better.

That is something that belongs to the characteristics of our ego: to rush on something quickly and then to come back, fed- up. If you put a strict discipline they will try to jump on it. Make it simple and it will be easy for you and your children. If you are not happy with the situation, then take your children to a better place where it will be easier. Here it is so difficult to keep them always with you. When they grow up they may escape and then it is so difficult for you to find them.

Because there are so many satanic centres looking after youngsters, girls and boys. So many devils are looking after the young ones to hunt them. So try to make them to believe in the existence of the Lord Almighty Allah and when they reach the age of maturity to do their ablution and to say, "Oh, my Lord, I have done what I could, now please you protect them. I leave them to you." And we hope that they will be protected.

## How can we respect ourselves?

We say, we witness, Ashhadu an la ilaha ill- Allah, wa ashhadu anna Muhammadan abduhu wa rasulahu (S.A. W.). We bear witness that there is no god but God and that Muhammad is the Servant and Messenger of God" (ash-shadu an la ilaha ill-Allah wa ash-shadu anna Muhammadun abduhu wa rasulahu).

There are so many tape recorders here, but which is the best one? The best one is Japanese, they say, or British, because they have a certain stamp or seal, a trademark. Then, if people see that seal or trademark, they say, "This is a famous one, It must be the best."

What about yourselves, the children of Adam? You have a stamp on your heart, the stamp of the Creator. Do you think about that? Sometimes newspapers put some photographs, saying that the word "Allah" is written here, but it is written so weakly (if there is something useless, photographs fill the whole world and people look at that so much). And on the heart, they say "Allah" is written, as well. It has the Lord's stamp on it, but not too many people are looking for that.

Everyone's heart has been sealed by the Divine Signature. The children of Adam bear the Divine Stamp, the Divine Signature all of us. That is to be honored (tashrif) by the Divine Seal. We have that honor. Now, with the Will of God (insha Allah), as they give to me, as my "Spiritual Headquarters" gives to my heart, I am going to translate to you, according to your spiritual desires.

Now, there are two kinds of people who have knowledge. One group of people claim that they are scholars. They claim that they have knowledge. Another group of people claim that they have wisdom. Scholars may get their knowledge by looking at everything, testing and observing, obtaining knowledge, but wisdom is heavenly knowledge, and it is given to certain people, not given generally.

The vision of those who have been given knowledge is different from the vision of wise people. Scholars may look at you, but wise people look and see you in another shape or form. Wisdom gives honor to everyone, as Allah Almighty honored them, even though they may do bad actions.

What is the proof? When God Almighty, the Creator, the Lord of the children of Adam, the Lord of the universes, the Lord of the angels, the Lord of the heavens, decided to create Adam, or when He decided to make him appear in existence, Adam was our Lord's deputy from the time when there was no time. Time is created by this world. If the sun does not move or the world does not turn, no more time; time would finish. Allah Almighty made Adam and his children to be deputies from eternity to eternity. That is in the sight of Allah Almighty, but it was appointed by His Divine Will that he appear when He declared to all the angels that now is the time when I am going to create, saying, in effect, "The time has now come to appear, O My deputy Adam."

Then the angels said, "O Lord, what are you doing? What are you creating'? Are You going to create creatures who do evil and kill each other, doing every dirty thing, while we are always, from beginning to end, glorifying You?" They meant to say that those creatures whom You are going to create or to cause to appear in existence are creatures of such bad actions, while we are correct, glorifying You, servants to You. If You need to make someone Your vicegerents, then it must be ourselves. We are suitable for that.

Yes, that was the meaning of their statement, but God Almighty said, "I know whom I am making My viceregents because I gave them something I didn't give to you." A ruby or diamond may fall into the dirt, but no one would leave it there and go away. If it fell from someone's hand into the dirt, no one would leave it there. Yes, the person who found it would take it from there and wash it, putting so much soap on it, and also cologne. Then no one would say to him, "Why did you take it out of the dirt and put it here?" No, it is right. Why? It has its value and dirt does not affect it.

Therefore, even if they kill each other, they make so much trouble, suffering, war - every kind of dirtiness, yet they have something from My Divine secrets, My precious Divine thing I have given to everyone. Even though they may do everything, they are still vicegerents because I gave them that Divine secret which I never gave to anyone else. Therefore, the children of Adam are at the top. No one can reach their ranks. "Then all the angels said nothing." They knew.

Those who have been given Divine wisdom, wise people, look at all those people who are corrupting the earth and say, "Oh our Lord, one drop of Your Mercy Oceans will clean them, We respect Your servants. No matter how corrupt and dirty they are from their actions, yet that secret which You gave them is still there and it is well-protected in their hearts, deeply planted, as the most precious treasure is placed in the deepest place of their hearts."

You still do not know about yourself. When you look at yourself, you may understand about yourself step-by-step. But we are occupied by everything around our selves. We are looking outside, not within our selves. As long as you look outside, you are heedless of your "self." If you can look into yourself, you will find something else. You look at your photograph or you look in the mirror and you still see the outward view of yourself, but you must think about yourself that you have been given Divine secrets. The universe that you have been given within yourself is something like a very little drop in an ocean. There are five secret treasures hidden in your heart. The heart is not that piece of flesh in yourself. That is the physical body's heart. You have something else within yourself. That is your personality in the Divine Presence. You have been given five treasures, five universes. Each one is wider than the next and deeper. The deepest one, which has no limits, is the Throne of your Lord. It is the Throne of your Lord because nothing can contain your Lord. It is impossible. Neither the worlds nor the heaven can contain your Lord Almighty, only your heart, the hearts of the children of Adam contain it. This means there is no limit to your heart.

Yet you are running after this temporary life's pleasures and you do not reach any of them because when you reach one, your eyes go to the second one. No time to take pleasure, enough pleasure, from this because the second one appears. When you move to reach the second, then a third one appears, saying, "Come to me. Leave that one and come to me." Then you put this one in your mouth but another says, "No, leave this and take that." And this is our life. You are tiring yourself to catch a pleasure but it is impossible to enjoy anything

because so many are calling you, "Leave that one and come to me," and when you reach that, then another calls, "Come to me." No one is going to be in a state of enjoyment throughout his whole life, even if he may live eighty years, ninety years or more, particularly as each time he becomes more tired, and when your age increases your taste goes down, also, little-by-little. In this way you are leaving the true tastes which you can end within yourself, leaving them and running after something which is just an illusion.

Now we are here. Where did all our life's pleasures go up to this day? All of them are finished. Nothing is left with us. Therefore, if we can use wisdom - not knowledge - if we can use wisdom - we must look to ourselves.

When we look within ourselves, then we may look at the whole universe. Then you may look at, you may know about yourself. When you know about yourself, you are going to know about everyone else, also. When you are pleased with yourself, at the same time you are going to be pleased with everyone else. When your true personality appears, you will take care to respect yourself. We have also been commanded to respect ourselves because we have been honored by Divine Honors.

Therefore you must respect yourself. How can you respect yourself? We say, 'We bear witness that there is no god but God and that Muhammad is the Servant and Messenger of God" (ash-shadu an la ilaha ill-Allah. wa ash-shadu anna Muhammadan 'abduhu wa rasulahu). The Prophet (saws) also must bear witness to himself. He also said, "I bear witness that Muhammad is His Servant and His Messenger" (wa ana ashhadu anna Muhammadan abduhu wa rasulahu). He had to proclaim the honor that he had been given by his Lord and say, "The Servant of God and His Messenger" (abd Allah wa rasulihi). Everyone of the children of Adam has to pro-claim that he has been honored by his Lord, Almighty God. That is one meaning that God Almighty commanded by saying, "And proclaim the favor of your Lord" (93:11) (wa ammo bi-ni'mati Rabbika fa-haddith). You must know what God Almighty gave you endless honors and glory. You must know this and you must respect yourself.

There is a good saying among Arabs. when they are angry with someone or someone makes them angry, they say, "Maintain your honor!" (yahtanll nafu). What does that mean? When you are angry then I may do something that is against your honor. When two people are quarreling and insulting each other, the saying goes, "Maintain your honor," because if I begin, your honor goes down. "Maintain your honor." Everyone must keep respect for himself because he has been honored by his Lord, God Almighty.

Then when he respects himself, he is going to keep respect for everyone else. That makes our Lord pleased with us. If you keep respect, everyone must keep respect for you, also. And if everyone keeps respect for you, you will keep respect for them, as well. Then all problems will find a solution among people. Everyone is going to be in satisfaction within himself.

A sister was asking me today, "If we face a tyrannical person, doing so many cruelties, what are we going to do?" Yes, if you face Pharaoh - and you can find a lot of pharaohs in our time, I mean to say tyrants, because our time is the period of tyrants, and tyrants are worse than dictators. Tyrants are like Nero. He gave the order to burn Rome so that he could see the city burn and take pleasure in it. The Prophet (saws) described our time as the time of tyrants - not dictators, but tyrants like Nero saying, "Tyrants and after monarchy will come the tyrants" (Jababirah. Wa mirl ba'd al-muluk al-jababimttm). They have fallen into the dirt and as long as their bad actions remain, they must be in dirtiness. God Almighty created seven hells for purifying every impurity that comes upon the children of Adam. That cleaning, that purification, may be during his life. God Almighty Purifies His servants through every means - every suffering, misery, every trouble - purifies them. Then if that is not enough for them, there will be further purification in the grave. If that is not enough, it will be on the Day of Resurrection. If it is still not enough, they will go into hellfire to be purified. And if it is all right, they may come out. If not yet enough, they may stay more and more and more, up to eternity. And for eternity - He knows about the people of hellfire. When God Almighty orders, purification ends. No one may object.

Hujjaj was a well known tyrant who made hills out of the heads of people. He died, and then he was seen in a dream, saying, "For each one of the people I killed, I have been killed, also, this for this, and for just one Companion, Ibn Zubayr, may God be pleased with him, for that one alone, seventy times."6 Yes. God Almighty will never leave him alone. There must be purification, according to our impure actions.

Now, every night in our countries there are advertisements for washing powders; Every night I look. This one is the best. That one is the best, making dirty clothes very clean, Yes, big machines in hellfire to make you clean, very pure. Therefore, you may do everything. You are free. But you must know that at some time you will be caught. No one can escape. Everyone must come to that door to pass through it. Then, "Come here, come here!" Hujjaj thought it was alright to order, "Cut off his head! cut off that other head!" But then he

said, "For each of them, my head has been cut off once, and for that one Companion alone, seventy times." Yes. Therefore you are free to do everything, but He says, "I will give you free will. Do everything, but if you make yourselves dirty, there will be washing."

Now, no one enters paradise except clean people - the pure. They will be bought from hellfire, burned bodies. There are two oceans, springs, at the entrance of paradise. Burned people will come from hellfire and be thrown into one of those springs. They will come out with beauty like that of Prophet Joseph (as). Then they will come and drink from the second spring, and every dirty characteristic of their egos, envy and others, will go away, and the Prophet's (saws ) good attributes will replace them. They will become perfect in beauty and character. Then paradise will open to them and say, "Welcome." Up to that point, too much washing; no one can enter paradise if they have not been purified.

Therefore, the one who has been given wisdom looks at people and respects them and feels pity for them, because they are in need of purification. He feels respect and pity towards everyone, particularly sinners. The eyes of knowledge, however, look at them in a different way. They curse them and if they can they take revenge on them, they do so. Therefore, wisdom cares more about everyone and wants to bring them under Mercy Oceans, while knowledge's eyes sees them as sinners and wants to punish them. Divine punishment is also a mercy for sinners, to clean them, to purify them. Thus Islam, true faith, looks at all people and sees them as respectable and honored creatures and as candidates to be vicegerents of God Almighty. If they are clean, pure human beings, then God Almighty crowns them with His Divine crowns, and no one except the children of Adam have been given that honor.

You must respect yourself and keep respect for everyone. Don't say, "That is a sinner, that is an unbeliever, that is a Christian, that is a Jew, that is a Buddhist, that is anything else." Their actions may be of any kind but they have been honored and their Lord wants to purify them. God Almighty never leaves His servants permanently in the hands of their egos or in the hands of Satan. Haqq, Truth, Reality is going to destroy the kingdom of Satan. It must be destroyed, finished and vanish.

## “How can I make my Lord to be happy with me?”

Oh, ya Rabbi! Tauba, ya Rabbi, Tauba, ya Rabbi Tauba, ya Rabbi, Astaghfirullah! Shukr, ya Rabbi, Shukr, ya Rabbi, Shukr, ya Rabbi, Alhamdulillah! As-salamu alaikum! May Allah forgive you, forgive me! Ask forgiveness, because forgiveness (is) carrying blessings. If you are not going to be forgiven, no blessings (is) coming.

As-salamu alaikum! Don’t forget Salam. People they forget it and then coming that violence. (For the) violence on people, that is the reason: that they forget to say ‘As-salamu alaikum’.

Audhu bi-llahi mina shaitani rajim. Shaitan (is) making people not to use ‘As-salamu alaikum’. They are using so many nonsense addressing to people, (but the) most valuable addressing, if two believers (are) coming together, (is) to say: “As-salamu alaikum” and coming blessings, when we are saying ‘As-salamu alaikum’.

Audhu bi-llahi mina shaitani rajim. Allah Almighty protects you and

makes (us not) to fall into (the) traps of Shaitan. Shaitan (is) putting everywhere a trap and its main target (is) to make people to fall in (its) trap. And we are saying, not to fall in it: “Audhu bi-llahi mina shaitani rajim! O our Lord, You know, what he is doing!” and Allah Almighty (is) addressing to His servants: “O My servants, don’t sleep, don’t be heedless, don’t forget that Shaitan your most dangerous enemy for you, trying to make it (‘As-salamu alaikum’) to be forgetting, to be forgotten!” Shaitan (is) making his last effort, ‘jah’, to make people to forget his traps and Shaitan (is) using thousands of tricks to make the Children of Adam to fall in (its) trap.

Bismillahir Rahmani Rahim. When you are saying ‘Bismillahir Rahmanir Rahim’, then you should be under heavenly Protection. ‘Bismillahir Rahmani Rahim’ (is) protecting you!

Destur, ya Sayyidi, ya Sultanu-l Awliya! Don’t forget (the) beloved servants of Allah! Run after them, to find them!...

Ceylon people, they are here, some of them... and it is (a) famous place for precious stones, but I don’t think that that precious stones (are) so easily found, no, (it is) so difficult to find a piece of Ruby or Sapphire, so many kinds of valuable stones. Perhaps they are digging such a big place and asking, asking to find a small stone- it is so difficult, yes? Easily you can find it? Easily you can find (a) shell, but (it is) so difficult to find (a) pearl in (a) shell. Therefore- those people, whom they are for Allah, whom they are working for Allah, their only main target or their main thinking (is): “How I can do my Lord to be happy with me?”

You may do so many movements every day. Grandsheikh- Allah bless him- was saying that a person (is) going to be under 24.000 different

appearances; (they are) just appearing from him. This is for everyone and you must try to catch, which one of that appearances (are) making you to be closer to (the) divinely Presence or you must think that which effort should be much more precious in (the) divinely Presence.

Those precious people, whom they are living for Allah- they are working for Allah, and they are passing away for Allah, their full efforts (are) for Allah- those people, they are under divinely Protection; they are pearls, they are diamonds, they are rubies, they are emeralds, but (it is) so difficult to find them, to find such a people.

People now they are not servants, but slaves for their physical being desires. They are thinking nothing else, they are trying to fulfill their physical desires as much as possible, forever. They like to give their whole efforts and whole their physical being to ask a pleasure for their physical being.

One day people (are) going to be reached to their last day; that day is (an) important day, because you are leaving this life for another life, unknown. You may know about that through (the) Prophets declarations, you may know something, but "...laysa-l khabar ka-l ayam (?)..."- don't think that to hear something is going to be like you are seeing something! You may hear for example (about the) Raudatu-n Nabi sws, you may hear about the House of Lord, Baitullah, (and) you may be in such a deeply desire to see it and to kiss it and to be there, but you are here! You have such a deeply desire, but when you are going and reaching there, you should find another atmosphere, because you are looking, seeing: that is (the) House of Lord and this is a building (that) just (has been) built by Abraham and Ismail a.s. That is (the) Holy Kaaba, the House of Lord, that whole Prophets they were going around it and our Prophet, S.Muhammad sws, he was making Tawaf, going around (it), and

saying: “O our Lord, forgive us! O our Lord, give to us from Your endless Blessings Oceans!” When you are looking, it is not (the) same that you are hearing.

And everyone now they are hearing that there is a Last Day coming, but don’t think that... what you are going to see (at your) last breathing that your breathing (is) finishing, should be your view, your understanding and looking, so... some... a new creation that you never had been through that unknown territories. Should be for some people so big happiness and for some others big grief... sorry, they should be so sorry. Some people should be happy and so many people they are going to be unhappy.

Therefore, o people, now you are doing something, you are running after something, but you must try to know, after which thing you are running, if it is valuable or not. Even if (it) may be valuable treasures, countless treasures, but it is going to be nothing, when you are reaching to the entrance of Eternity. Eternity! So beautiful world for mankind, to see, to hear- eternity! Oh, so refreshment coming to the hearts of people, to know that they are going to reach to eternity! Everending Life, everending Beauty Oceans, everending Life Oceans, everending Kemal, Perfection Oceans, everending Blessings Oceans! What is here? Nothing! Therefore we are saying: Ask blessings here; if blessings (are) reaching to you, (they are) making you happy here and Hereafter! When you are reaching (the) last breath of your life, you should find another opening that you never touched it, you never see it, you (were) never tasting from it!

O people, look! Here so many coming to me ill people. Now perhaps you saw someone outside... and he was so strong person and good looking person, but today it is so difficult to recognize him and to be with

him. He is going to finish... May be that person millionaire or billionaire or trillionaire- now you are looking he is going to finish, finish... melting, melting... Step by step, breathing after breathing he is coming down... May be for him here treasures, never (they are) giving to him anything, because his body (is) just getting older, his physical being (is) going to finish. And he was not at the beginning in such a way, he was (a) fresh one, now he is (an) old one, asking to leave and to go...

O people, coming for everyone one day, one hour, that he is going to ask: “O my Lord, not yet I am going to carry this heavy burden of my physical being, take my soul!” Should ask people finally to say: “Take from me that physical heaviness, physical being, o my Lord! I am asking to reach to my spiritual being”, but if a person (is) not preparing himself through this life, it is not going to be easy to leave this old building and to run into another, (an) everending being, no, it is not going to be easy! Now such a person (is) asking to be much more to be here, not to die. But if a person may know what it is prepared for him after this life, if his life was (a) so suitable life for respecting (the) Holy Orders of Heavens, he is not going to be in such a way, no, it is not going to be trouble for him, when he is leaving his physical being. It is going to be such a person (that) his clothes (are) just becoming old and someone (is) coming and taking from him that old suits and bringing to him (new clothes, saying): “Leave this and dress this!” That is happiness for mankind and that is honour that he should be dressed (a) dress of honour, when he is passing away from (the) material life to their spiritual world, (the) spiritual life.

But people now they are drunk; even Muslims they are leaving (the) good understanding of (the) Prophets speeches and what (the) Holy Quran (is)

teaching them and giving them and they are running for (their) physical beings' desires. It is a blame for Muslims to run after their physical desires that (are) giving (you pleasure) only, when you are eating, when you are drinking... (Then) you are feeling something, you are tasting something, but it is in a very short time, (in a) short time, (it) can't be forever. And therefore, if a person (is) not asking for his spiritual being and its tasting, he should be (in his) last moment, when he is passing from this temporary life to permanent life, those people whom they were occupied themselves only for tasting foods that make their physical being happy, when they are reaching last moment of their life, they should ask eating. Asking: "Eat eat eat!"... and some of them asking: "Water, water, water!"... and (the) doctors (are) saying: "Don't give to him water!" "Ya Hu, that person (is) dying", (but the) doctor (is) saying: "No, even (he is) dying, don't give water", and he is passing away hungry and thirsty. Because he (is) accustomed through his life to taste their lives pleasure through eating and drinking, when it is cut off, they should feel or they should fall in such a terrible position that (even) when you are giving to them big rivers (of) water to run through their mouth, they yet should ask: "Oh, I am thirsty, I am thirsty!" "Ya Hu, (a) river (is) running through your mouth!" That taste finished and (they are) asking something for eternal.

O people, run after eternity! Through eternity you should find everending pleasure; without eating, without drinking, you should reach eternal pleasure. That, your physical being, (is) just getting older and finishing; when (it is) finishing, (they are) taking your physical being to (the) graveyard, putting (it) in it. That you may put on it rivers, yet he is asking: "I am thirsty, I am thirsty... or: "I am hungry, I am hungry... I (am) never getting satisfied with such a things, I am asking something else!" Yes, something else means, you are asking eternal

pleasure for eating and drinking, when you lost it, finished...
May Allah forgive us! O people, this is only an advice for every living creature, particularly for man that they are understanding about death, but they are running against their desires, leaving (the) real satisfaction and running in another way.

Some knowledge that (is) reaching from (the) Prophets to me also, (is), that if animals (were) knowing about death, you are going not find anything on their bones; they should keep themselves from eating and drinking. (But) they are not knowing, therefore they are eating and drinking, even they are going to be carried for slaughtering... If (they were) knowing, they are keeping themselves not to drink not to eat. But mankind they are knowing, but they are eating and drinking.

May Allah forgive us! O people, ask forgiveness and ask Allah Almighty's Grant from His endless Mercy Oceans to reach to you or you to reach to that oceans to be in endless pleasure, endless blessings.

May Allah forgive us and give to you good understanding and good working, good service for Allah Almighty. Don't forget Him! Don't forget Him, but try to remind (remember) Allah Almighty. Therefore Tariqats (are) urging people to say as much as more:
Allah Allah Allah... Allah Allah Allah... Allah Allah Allah...
La ilaha ill-Allah... La ilaha ill-Allah... La ilaha ill-Allah... La ilaha ill-Allah... La ilaha ill-Allah...
Subhan Allah, Sultan Allah... Subhan Allah, Sultan Allah...
Subhan Sensin, Sultan Sensin..., Subhan Sensin, Sultan Sensin, ya Allah!

For the honor of most honored most praised servant in His divinely Presence, S.Muhammad sws, Fatiha.

# HOW NOT TO BE HURT IN THE WAR

Do you think that the photograph of a person is the same as the person? Do you think that if you are married and someone gives you a poster of your wife and locks her away, that it will make you happy? Can a photograph ever be a substitute for a human being? Never! In the same way, whenever you are translating into another language it is like a photograph from one side. Don't think that it is like, "Bismillah irachman irachim..." even if it looks like it. Still it is not, "Bismillah irachman irachim".

We are only people who are here to remind. The Holy Quran includes everything. For every occasion and for every difficult situation, the Holy Quran has a treatment and a solution.
It is coming to my heart to speak about what is happening to the Muslims in Serendib, Ceylon, Sri Lanka. We must believe that even the fly cannot move its wing without Allah Almighty knowing it and wanting it. Do you believe that? The Creator knows where it is going, because He is sending it. That means that every movement is known by Allah Almighty. He has exact knowledge of every direction. You only know one direction, Allah knows every direction. Perfect knowledge belongs to Allah Almighty.

Do you think that anything happens without a reason? No! Do you think that Allah doesn't know those people who are claiming to be Tigers? Insha'allah the Tigers will eat them. Sometimes the dua of one person can save a country from the beginning to the end. Do you think that Allah Almighty doesn't know what is

happening in the north of Ceylon? He knows. If He did not let it happen, those Tigers would not be able to attack.

It means, when they are chased away from their homes, that there is a punishment coming on them. They have fallen from the station of honour to the station of dishonour. Allah Almighty warns with two verses in the Holy Quran, "This world can be for us today and for someone else tomorrow. Nothing is fixed for anyone or any nation." Maybe you know the history of India and Ceylon. So many Sultans, Emperors and Kings came and changed it into so many nations and then went again. Now you are here, you are not people from the outside. You are either Tamils or Sengalese. Muslims are living together. What is the reason that those Sengalese people are chased away? It can be one or another, it doesn't matter.

What is important is to find a safe way and a protection for our Muslim brothers in that area. I don't like to take weapons and to kill people, because we don't like to be killed! Because we are peaceful people. Muslims must be peaceful and we are citizens of a government and officially it is forbidden to carry weapons. That is why I don't advice you to carry weapons. Mostly weapons bring worst results for people. The Holy Quran says that Allah Almighty never will punish a community as long as they are with the Prophet sws. Just like He will never punish a nation as long as they are asking for forgiveness.

The meaning of those verses is now becoming clear. The Prophet sws. has now passed away, but every meeting which is being held for the honour of the Prophet sws. will have his spiritual body present with them. If people are not on that level, then one holy person, as a representative of the Prophet sws. must be there and he will take that curse away. It means that if those people would make a short maulid for the honour of the Prophet sws., even if it is just for 10 minutes, and they will sleep in safety. After each of the 5 prayers they should make salawat and they would be protected. If they are not believing in this, if they are Wahabis or Tabliq Jamat, they can end up in the Indian Ocean.

That is the method without weapons, because Allah Almighty says that if you are with the Prophet, no harm can come on you. You will be sheltered. You must give respect to the Prophet. Only He can change the hearts of the Tigers from one side to another. Believe and you will be in safety. If you don't believe, then try as best as you can to save yourself.
May Allah give us strong faith to believe and to understand to follow the Prophet sws.

## How Shaytan Spreads His Anger

(Mawlana Shaykh stands.)

Allahu Akbar, Allahu Akbar, Allahu Akbar, la ilaaha illa-Llah w'Allahu akbar, Allahu akbar, wa lillahi 'l-hamd. Whole glory, whole honors, whole majesty only for You, our Lord, our Creator. Thanks to You from pre-Eternal to Eternal. O our Lord, forgive us, we are weak servants! O our Lord, for your most honored one, Sayyidina Muhammad (s), forgive us yaa Rabbee, yaa Rabbee! Tawbah yaa Rabbee, tawbah yaa Rabbee, forgive us, we are weak! Give us Your heavenly support! (Mawlana Shaykh sits.)

O Listeners! As-salaamu `alaykum. We are (listeners), because even some or handful of people may listen to grants of heavens coming down. O our Lord! We are so weak ones. For the honor of your most honored one through Your Divine Presence, Sayyidina Muhammad (s), (Mawlana Shaykh stands and sits) give us much more ability, capacity for keeping Your orders, keeping Your most high respect. Your respected one, most honored one though Your Divine Presence, for his honor we hope, O our Lord, for Your Mercy Oceans. Even one spot may clean ourselves in a second or less time measure. You can do everything, You are Lord. You are our Creator. Everything from You, it is pleasure for us. Every addressing through Your holy book, Holy Qur'an, it is an endless respect, endless pleasure, endless majesty spots running like rains, raining on ourselves, O our Lord!

Allah Allah, Allah Allah, Allah Allah, `Azeez Allah
Allah Allah, Allah Allah, Allah Allah, Kareem Allah
Allah Allah, Allah Allah, Allah Allah, Subhaan Allah
Allah Allah, Allah Allah, Allah Allah, Sultaan Allah

Every addressing giving to Your servants endless honor! Allah, Allah! We are keeping or not, but that honor is such a big grant, no one can imagine. To make good servants in His Heavenly Presence and to speak and to address to Him endless honor, endless honor.

O our Salafi `ulamas! Once upon a time you are very zidi, serious ones, you never smile at anyone, you are always very angry with people, particularly those who you are saying about them sometimes 'mushriq,' and you are saying sometimes, 'kafir.' If anyone looking at you, they are fearing from your bad characteristics! One question we may ask, laa hawla wa laa quwatta illa billahi 'l-`Aliyyu 'l-`Azheem. One important question and I am asking to those who thinking they are most important ones, Salafi `ulama. Never laughing or smiling, always looking to people with anger. Why are you looking to people so angry? Who created you, created ourselves also. Why you are angry with creatures? He is happy and we are laughing, yes. He is our Creator, our Lord, but you are always looking to us with anger.

O our Listeners! As-salaamu `alaykum. You know that no one can claim, "I am a powerful one," and if someone saying, "I am an important one," and he likes to be an important one.

O People! Who created ourselves making us to be sometimes crying, sometimes smiling, sometimes laughing? Yes? Like Abdur Ra`uf, sometimes very angry looking, sometimes smiling, he is happy. (laughter) Once upon a time he had a car and another car coming on him, that time, he forgot smiling, laughing, he was so angry, swearing on people, yes. What you are saying, that the Lord of Heavens, Allah (swt)... (Mawlana Shaykh stands.) We can stand up. The angels laughing through Your Divine Presence, never getting tiring, never shikwa, complaining, they are happy to be in front of their Lord! (Mawlana Shaykh sits.)

Yaa Sayyidi, yaa Sultan al-Awliya, we are asking support of our qutb, who is looking after everything for every moment, through oceans, through continents. Who granted someone for His servants such a power? That power in our vision is so big, but for the Lord of Heavens, laa uzkar, never mentioned. Allah, Allah.

And we are saying, a`oodhu billahi min ash-Shaytaani ’r-rajeem, because so many people following satanic teachings.

I am asking to Salafi `ulamas a question. If they may say to me that is Shaytan any time smiling or laughing? Answer? No answer. "No," I may say. He is always in anger, and anger belongs to fire. Because he had been created from fire, never knowing to be happy with people. Always anger surrounding him, from the time that Allah Almighty ordering to angels, "Bow to Adam," his anger just appeared. From that day up to today, Shaytan never getting to be smiling or laughing or to say, "I am happy." Always he is in anger and anger is from fire. But anger's fire does not belong to his fire, that is created. Therefore, he is angry one by creation and after holy command of Allah Almighty, ordering to bow to Adam, his fire under ashes, just open and zhahir, flames appeared. It was under ashes and when that command coming, "Bow to Adam!" then suddenly opening and suddenly flames running from north to south, from east to west, covering this Creation.

Therefore, now from that time up to end, up to the Day of Resurrection, that flames of Iblees, Shaytan, never coming down, but getting more and more and he was thinking that he was happy. When whole people falling through his flames and burning, he is going to be so happy. Yes, from that time, not from inside, but he is Shaytan, going to be happy and not smiling, but laughing when he was looking at people through flames, burning. He is getting full happy and not smiling, but laughing. That is his mission. "I shall burn Mankind on this dunya. I am not leaving them to be happy, never to be happy. And I shall use all my possibility and effort for burning Mankind." He was swearing, swearing. Therefore, from that time he began to make people to cry, not to laugh. And he is doing countless disease, countless tricks and countless traps for Mankind to make them always in Sorrow Oceans.

And now he is saying that, "O, I reached top point of my target. O the Lord of Creation, You are looking and seeing that You granted to me to be free up to Day of Resurrection and I am doing with Your servants and I am making Man not to be happy, not to be enjoyful, and not to be joyful nor in happiness. Look, my Lord, look!" Saying one angel, yusubuku, swearing at Shaytan, FFFEEE "SHUT UP, DIRTY ONE!" Heavenly arrow reaching to him, one angel. Shaytan saying, “I did to your servants not to be happy through their whole lives on Earth, I did it." And that angel saying, "SHUT UP, DIRTY ONE!" and from that haybat, greatness from that angel shouting, he falls down and for 40 years he can’t move! O our Lord! Forgive us and make us not to

fall down into Shaytan's traps!

And after that, Shaytan not smiling or speaking anything. So that one after sultans, after kings, after emperors, who just falling in a Misery Ocean or they are falling in Suffering Oceans, that you can't find now on Earth one person to be happy! All of them just falling through darkness of miseries, through troubles, that no one can bring any solution for Mankind's troubles now. Finished. Man, now they forget to laugh and they forget also smiling. When they forget smilings, Shaytan is taking his head and looking east and west and saying, "O my beloved ones, O my followers, I am taking you to a plain that you should be there, happy, happy, happy." What we can do? Shaytan's deputies saying to his real followers like Stalin, like Lenin, like Hitler, like Mussolini, like Franco, like Castro, like Mao, yes. Making them, saying to them, "Get up! Wake up! Now it is time for you! Do everything! I am giving to you all that I have. What I can't do with my hands, I am giving my hands to you. And what I am thinking to do from badness and from oppression, I am granting to you to do that!"

Each one of them just slaughtered and killed hundreds of millions of people from French Revolution up to today, killing millions of people, killing good ones, not bad ones, good ones, so that whole world going to be under their control. And as saying the Seal of Prophets (s) `ahd al-jabaabirah (Period of Tyrants):
•••• •••••• ••••••••
wa min ba`di 'l-mulooki jabaabiratun, "After kings, and sultans, and padishahs, and emperors, coming soldiers."

And Shaytan saying, "I am sending certified doctors from my academy to do every evil and dirtiness and oppressions from Mankind."

Only from the time of French Revolution up to today, in 200 years perhaps 500 milllion people just killed, no doubt, no doubt! Now people they are looking themselves, "What you are doing? How we can save ourselves? What is coming on us?"

And Allah looking and saying, "Your Lord's command was, 'Be My servants and follow true ones. That's what I am saying to you. Be sadiq, good ones." But you left to be good ones, coming to be bad ones, and troubles coming on you! Countless troubles, countless killings, countless dirty people making their worst for nations, killing and doing every badness because people following them and refusing to follow Allah Almighty's

chosen ones! He said, “O People! follow true ones." And you leaving that and following Shaytan's representatives everywhere, even here!

A big lesson for nations, but yet they are insisting to follow them. Fighting to sultans, fighting to kings, and they are taking bad ones with them and they are doing bad things, oppression, burning, destroying, killing, and doing every badness and then they are saying through TV's or radio or computer, saying through east and west, “We are best ones.” But they are worst ones and making declaration, “We are best for you.” No they are not best one! Sultans did their best, kings did their best for servants of their Lord, but now you are doing your best for Shaytan!

Countries now happy and in pleasure? No. But throwing stones like this, like this, then getting to be underground, finished, passed away, everywhere troubles, crises, never-ending.... (Transmission cut near end of broadcast.)

Fatihah.

## How Shaytan Tricks Muslims, Christians, and Jews

(Mawlana Shaykh stands) Dastoor yaa Sayyidee, madad.
Allah Allah, Allah Allah, Allah Allah, `Azeez Allah
Allah Allah, Allah Allah, Allah Allah, Subhaan Allah
Allah Allah, Allah Allah, Allah Allah, Sultan Allah

Zidhu yaa Rabbee `izzan wa sharafan nooran wa surooran, sultaanan wa ridwaana. (Mawlana Shaykh sits) Thumma as-salaat wa 's-salaam `alaa jamee`i 'l-anbiya wa 'l-mursaleen wa `alaa awliyaullah as-saliheen. Huuu. And we are saying, a`oodhu billahi min ash-Shaytani 'r-rajeem. (Mawlana Shaykh stands) Bismillahi 'r-Rahmani 'r-Raheem! Aydna, yaa Rabb! (Mawlana Shaykh sits)

We are weak servants. Thumma salaamu `alayk yaa Saahib az-Zamaan. Thumma salaamu `alayk yaa `ibaadAllah as-Saliheen, awtaad and aqtaab who are responsible for everything happening on this planet. Amidoona, help us, O holy ones! We are so weak, but our intention is to destroy falsehood, baatil, nothing else. That is the topmost last horizon or limit that we are asking, to fight against Shaytan and its followers.

O Salafi `ulamas! Is there anything wrong? Wahhabi people are no-minded, but you have something. Is it true that our last aim must be to destroy falsehood, baatil, and raise the flag of Haqq over the whole world?

We are never happy if there is one person on Earth who symbolizes baatil or following the wrong way! Are you happy to be with people on the wrong way, Salafi `ulamas? What are you saying? And how is your fight to take away falsehood? We must understand.

O our Attenders! As-salaamu `alaykum! Hear, listen and obey! What is our aim in this life? You must know it and do it! Therefore, I am asking Salafi `ulamas, what is your aim by saying, "We are Salafi `ulamas"? What is your aim? You are `ulamas, but you must know what is your aim when you are saying about yourselves, "We are Salafi `ulamas." I understand, but through your knowledge what is your intention? For what are you using your knowledge? Tell me, and let the whole world hear that.

O Azhari `ulamas, Baghdad `ulamas, Sham `ulamas, ajami `ulamas, Hindi `ulamas, Ottoman `ulamas, say, what is your aim? What do you want to do by your knowledge? Make it clear! Do you think it is to write books or memorize hundreds or thousands of ahadeeth? It is okay, but you must say what is your aim by learning hundreds or thousands of hadeeth nabawi shareef, the Holy Prophet's traditions. And most of you are also haafiz or qaari of Holy Qur'an, but we have a question: what is your main aim through your knowledge, what are you asking to do? Say! That point is very important because people do not know, which means you are not making it clear. Perhaps you are never thinking on that point, but it is the most important aim for Islam, deen al-haqq, the true, heavenly religion.

For what purpose did Allah Almighty send so many prophets and finally the Seal of Prophets, (Mawlana Shaykh stands) Sayyidina Muhammad (s)? What is the aim? (Mawlana Shaykh sits) You are not making it clear. You are teachers asking to teach people, but what are you teaching? If you do not know the real aim, what are you teaching? That is a very important point and we are asking the whole Muslim world, and I am asking His Holiness, the Pope, and His Holiness, the Chief Rabbi. What is the aim that the Lord of Heavens sent the Torah to Musa (a)? Say, Chief Rabbi, say! No answer. Ask Moses (a), "What was your aim?" Wasn't he knowing his mission? It is so clear! He was sent to Pharaoh, who represented Shaytan, making people worship him. That is false, baatil. Therefore, the Lord of Heavens sent Moses to Pharaoh. Your Holiness, Chief Rabbi, say what was the aim for sending the Torah to Moses, and after Pharoah passed away, the flag of Truth went up and the flag of Shaytan was under the feet, finished! That was Sayyidina Musa's mission!

I am asking His Holiness, the Chief Rabbi, are you following the way of Moses? What are you doing?

"Palestine, Palestine, Palestine." Is this world only Palestine? If you are making a stage in Palestine, is your last mission finished? Why are you not saying the truth, that Moses came to take away every wrong way and its representative, so many pharaohs, not only one pharaoh. Allah Almighty sent the Torah with Moses for all pharaohs, so many that you can't count them. What are you doing? You are fighting in ard al-muqaddas, the Holy Land. It is not the aim to reach to the Holy Land and build the Temple of Solomon, but you are ignorant ones! You recite the Old Testament, the Torah, but do not understand the aim of Allah Almighty in His calling Sayyidina Musa. So many times Allah Almighty's kaleem, words to Moses (a), were, "Come and listen to Me." You are such honored people, but you do not understand your honor. You think your honor is to come and live in Palestine to build the Temple of Solomon; that is your understanding of the Holy Torah. Shame on you, killing so many people!

And our Muslims also are on the wrong way, not understanding the real mission of the Seal of Prophets, Sayyidina Muhammad (s)! (Mawlana Shaykh stands and sits) Now Muslims think their mission is tawsiya`, expansion, of al-Haraamayn ash-Shareefayn, the Two Holy Sanctuaries (Mecca and Madinah). (Mawlana Shaykh holds an illustrated book.) Look at the Ka`aba (in this illustration); is there any building around it? That is Haram ash-Shareef as it was in the beginning. Make it clear for people to understand, does the Ka`aba need any expansion? Why are you not keeping the Holy Ka`aba as it was by the holy water of Zamzam Shareef? People were visiting, making Hajj, and no one asked for a passport from them, or money that you must pay. No one asked them, "What are you doing here?" They knew they were coming to give their most high respect because it is the House of the Lord!

Muslims, Christians and Jewish brothers, we are on the wrong way! Therefore, dunya is going to be like Jahannam, Hell. In those times, people were so content and in peace. Don't say, "Time just changed and we must help the Lord of this House by making a big area for visitors of the Holy Ka`aba." What is that? Allah, the Lord of Heavens, is Mutlaq, Able, and Qaadir, The Absolute Powerful One! He can put in 10x10 meter area all the world's people!

O Salafi `ulamas! Why are you not saying this? Every year you make a new extension, for what? What are your beliefs for the Lord of Ka`aba Mu`azzam, subhaan Allahi 'l-`Aliyyu 'l-`Azheem?

O our Attenders! People are going on the wrong way and our `ulamas think they are followers of Salaaf as-

Saalih, but where are Salaaf as-Saalih? Are Salaaf as-Saalih giving you a fatwah to destroy Haraam Shareef and make that extension? It doesn't matter, but we are coming in this time to rabbis who think the main aim of Judaism is to be in Sacred Holy Land and build a temple. What is that foolishness? Did Moses come for that reason? Allah Almighty said to him, "Go to Pharaoh and teach him the real position, personality, and mission of My servants."

Shame to Salafi `ulamas, Azhar ash-Shareef `ulamas, Sham Shareef `ulamas, Baghdad `ulamas, Indian `ulamas, Turkish `ulamas, Egypt `ulamas, Libya `ulamas and other Muslim territories, shame on all of them for thinking the main aim of Allah Almighty's order is to go to Palestine, to keep that building and to be there! It is not the aim, but our `ulamas do not understand the Old Testament, the New Testament, or anything from the Holy Qur'an, so shame on them!

O People! Allah Almighty sent all prophets against Shaytan. Where is Shaytan to carry that one out, not to come among believers? What are you doing? What is your understanding to say you are Salafi `ulamas? Wahhabi people are no-minded, not understanding, and only fundamentalists. Is that from the Holy Qur'an or Salaaf as-Saalih? You are on the wrong way, trying to make others on the wrong way and to make people leave the right way to Allah, Siraat al-Mustaqeem, The Straight Path!

O `Ulamas! Biggest shame is, the Seal of Prophets (s) first came to take away the age of jahiliyyah. The Holy Qur'an shows, asta`eedhu billah, for women: (Mawlana Shaykh stands)

•••••••• ••• •••••••••••• ••••• •••••••••••• ••••••••• •••••••••••••••• •••••••••

Wa qarna fee buyootikunna wa laa tabarraj tabarajj al-jahiliyyati 'l-oola. Stay in your homes and don't decorate yourselves (women) as the decoration of the First Era of Ignorance. (Al-Ahzab, 33:33)

(Mawlana Shaykh sits) Jahiliyyati 'l-oola means the "First Period of Ignorance." That means there is a second period; that will reach before the Day of Resurrection, when the honored dressing of Islam will be taken away and they will be ignorant people before the Seal of Prophets (s).

O People! Try to learn as we must learn. Don't be proud ones; all proud ones are in hells. You must learn. May Allah forgive me, you, and everyone that never understands what is the true way and follows jaahil, ignorant ones. O our Lord! Send us someone to teach us the real aim for sending all prophets and finally the

Seal of Prophets, Sayyidina Muhammad (s)! (Mawlana Shaykh stands and sits)

Fatihah.

(33 minutes) (1199) Good, because today people are enjoying, but every enjoying and pleasure that people are running after....coming to make them unhappy. Beware our attenders, don't run after dunya but come and listen and learn and try to be a good servant. May Allah forgive us.

Fatihah.

(Mawlana Shaykh speaks to Hajjah Naziha on the phone.)

We will bombard them and destroy baatil with the barakah of Shaykh Hisham!

(Mawlana Shaykh prays two raka`at Salat ash-Shukr.)

## How to be acceptable in the Divine Presence

Our Grandsheikh described how a Derwish may be acceptable as a servant to Allah Almighty. “He must have one character from each of three animals,” he said. ”From the donkey, he must be able to carry burdens with patience and without objection. Unless he can do this he will be unsuccessful, because without patience one cannot carry the responsibilities of life.

From the dog, he must learn faithfulness to his master. If the master tells the dog to stay somewhere until he returns, that dog will stay, even until death. If the owner beats it and chases it away, the dog will still return, with its tail wagging, when its master calls.

Finally, when a man looks at a pig, he must know that his nafs is dirtier and filthier than a pig. The dirt of pigs is external, it comes from eating dirty things. But the nafs is dirty inside. Its dirt comes from fighting with its Lord. A perfect man must have such a character that he will accept whatever dirt is thrown on him, whether by words or by actions, knowing that his nafs is dirtier.”

These three characteristics give a man rest and satisfaction in his heart. Only in this way can he reach happiness in this life. These are the characteristics of Prophets and Saints...

## How to be Blessed

There are blessed and cursed servants. Blessed are the ones who are accepted in the Divine Presence. The cursed ones have been thrown away to Iblis. It is up to you which one you belong to. If you do not try to be blessed, satan will catch you quickly to his side and the curse which is on him will come on you too.

It is not important to have a title, to be this or that; Christianity, Judaism, Islam, Buddhism, Brahamism, Confuzism... You can have any of these titles and still not be a blessed servant. Blessed are the ones who believe that the most important point in their life is to serve the Lord. Those who prefer to serve this world, their ego, or even satan, are cursed. Make the service for the Lord the priority of the day. Start the day with, "La illaha il la'llah, Muhammadu rasul Allah" and ask the Lord to help you to serve Him that day. At the end of the day ask to be forgiven and blessed. Ask Him to accept your incomplete service and ask Him to help you to improve the next day. Your first and last thought of the day should concern Him. If someone dies the same night, the intention he had will stay until the Last Day.

## How to Choose Your Leader

Bahauddin gave me the news that a man (a parliament member) from the Salafis tried to take money from (the government) to make an operation.
S. B.: Plastic surgery.
M.: Then they figured out his trick. Right?
S.B.: Yes!
M.: Bismillahi r-Rahmani r-Rahim. The people of Egypt were astonished and confused. It came to my heart, that they... How the people of Egypt should elect the best ones in Egypt. They reminded me at the beginning of this Spring. That, Subhana Allah Al Alyi'! They became confused about who should they appoint in their government, in their parliament. There is one Hadith, they reminded me after midnight Bismillahi r-Rahmani r-Rahim. The highest salat & salams to him (saws). As a guidance, as a teaching, as advice & as a declaration - he said (sas) "Ask favours from the people with enlightened & good faces". How is this?
S.B.: It is perfect!
M.: Don't appoint anybody without light on his face. Good faces. Kick them out! (the ones with no light). Their actions are marked clearly on their faces. This declaration came at Spring time this year. Allahu Akbar! Everywhere! People without lights on their faces, do not appoint them. "Ask favours from the people with enlightened & good faces". It will open. This is a Hadith of the Prophet (saws). This is the first declaration

with the blessing of Spring time. It is enough for the people of Egypt. Look at who they are appointing. If they have a sign of goodness on their face, then they are from the good people. And Salam to our Prophet (saws). Alhamdulillah Rabb Al 'Alamin. Fatiha. Declare this to the people of Egypt from the side of a poor person. Fatiha. Don't give any jobs to people, you cannot appoint those without lights on their faces, with ugly faces.
S.B.: True!
M.: Haqq!
M.: Don't come near those with dark faces what is inside them it is reflected on their faces. Their bad deeds are reflected on their ugly faces. Fatiha.

**Wie ein Führer zu wählen ist**

---

Bahauddin hat mir berichtet, daß ein Mann (ein Parlamentsmitglied) von den Salafis versucht hat, Geld (von der Regierung) zu nehmen für eine Operation. S. B: Eine Schönheitsoperation. M: Dann sind sie ihm auf die Schliche gekommen. Stimmt's? S. B: Ja. M: Bismillahi r-Rahmani r-Rahim. Das ägyptische Volk war erstaunt und verwirrt. Es kam in mein Herz, daß sie.. Wie das ägyptische Volk die Besten in Ägypten wählen können. Sie haben mich daran erinnert zu Beginn des Frühjahrs. Daß, SubhanAllah al Alyi', es sie verwirrte, wen sie für ihre Regierung bestimmen sollten, für ihr Parlament. Es gibt ein Hadith, daran erinnerten sie mich nach Mitternacht. Bismillahi r-Rahmani r-Rahim. Die höchsten Salat und Salams auf ihm (saws). Als Führung, als Lehre, als Ratschlag und als Erklärung. Er sagte: 'Bittet um Gefälligkeiten von den Leuten mit erleuchteten, guten Gesichtern.' Wie ist das? S. B: Das ist perfekt! M: Bestimmt niemanden ohne Licht auf seinem Gesicht. Gute Gesichter. Werft sie hinaus! (Die ohne Licht). Ihre Handlungen zeichnen sich deutlich in ihren Gesichtern ab. Diese Erklärung kam im Frühjahr dieses Jahres. Allahu Akbar! Überall! Leute ohne Licht auf ihren Gesichtern, ernennt sie nicht! 'Erbittet Gefälligkeiten von Leuten mit erleuchteten, guten Gesichtern.' Es wird sich öffnen. Dies ist ein Hadith des Propheten (saws). Dies ist die erste Erklärung mit dem Segen des Frühlings. Es reicht für das ägyptische Volk. Seht euch an, wen sie ernennen. Wenn sie ein Zeichen des Guten auf ihren Gesichtern haben, dann gehören sie zu den Guten. Und Salam für unseren Propheten (saws). Alhamdulillah Rabbi l-Alamin. Fatiha. Tut das dem ägyptischen Volk kund von seiten eines Armen. Fatiha. Gebt den Leuten keine Anstellung, ihr dürft die ohne Licht auf den Gesichtern nicht ernennen, die mit häßlichen Gesichtern. S. B: Wahr. M: Haqq! Nähert euch nicht denen mit dunklen Gesichtern. Was in ihnen

ist, spiegelt sich auf ihren Gesichtern wider. Ihre schlechten Taten spiegeln sich auf ihren häßlichen Gesichtern wider. Fatiha.

## How to pray

(dt. AllahLacht)

If, Bismillahirrahmanirrahim, this is his (an arab murid, SK) question, (how to stand in prayer), we address him with this matter. (If) One person went to visit the sultan, how would he stand? How is the adab/protocol in the presence of the Sultan? (Addressing another murid) Stand up, Abdullah, show how How should you stand, hmm? (Abdullah stands up for prayer and Sheikh Effendi looks and asks:) And your feet? I see many people, which are not careful on the details, on how to stand up, for prayer. The Hanafi guidance at the standing (for prayer) between (the feet) this amount of space (Sheikh Effendi arises, stands upright, shows the space between his feet and demonstrates that only a hand fits between them). This distance, people they do this (legs apart). What, you need to go to the bathroom? He? Especially the Wahabis and also the Naqshbandis, no not the Naqshbandis, (lacht) the Shawafa: They are not careful on the details and they stand like this (legs apart). How can you stand like this at a presence of a Sultan? You must gather your feet together, this is the shariaa'. Shariaa' of Allah. This is the Hanafi guidance, that is the exact distance (demonstrates that only a hand fits between his feet). Like this! You must pay attention for who is following, Shaykh Kayyal. This is something that always comes to my heart and I get angry.

There's another matter, sit down (addresses the questioner). It doesn't matter, he is knowledgable. What

you've read, as a Surat after the Fatiha, two raka'at, read. (Q. starts reading without Besmela) . Without Bismillah!? (Q. reads Surat Imran, 3:190-193.) Why did you stop? (Q. reads til 3:194). This, this is the completing part! Many of the Imam also don't finish this holy verse. They should continue and then it changes. "Oh Lord! Grant us what You promised us through Your Prophets and disgrace us not on the day of resurrection. You never break promise." This is the sublime verse, why they leave it out!? The people get tired? Who gets tired from this may sit down like me.

These are two orders that were inspired to me. And therefore we want that he (the questioner) is completed perfected with any possible means he has studied, MashaAllah! He can carry, like a camel, but this matter, he doesn't remember it - and he is a scholar. Why he left "Oh Lord! grant us what You promised us through Your Prophets and disgrace us not on the day of resurrection. You never break a promise." How sublime is this verse! Such a dua has the value of seven times as much as this world. But he deprives himself and the people of this dua. Why he didn't continue, for what reason? That's important! There are some matters.

My dear, you understand? (wendet sich an die Frau (of SK.) im Raum). We have to shout to him otherwise what is this, he is like my grand son and you are like my grand daughter. Correct him, if there's something correct him, didn't you hear the first part of Quran he was reading he stopped at that specific point. As like in the prayer, how you cited (SK. reads Suratul Imran again). You connected again? The hell with the Wahabis! I never like, because it is forbidden to stop (reading). These wahabiyun have erased everything. (Sheikh Effendi reads Suratul Fatiha with a boring face and voice, lenghtening the "dolin" too much) I feel I can fall down on the floor, What is this everlong recitation? 18 Alifs (long).

He is responsible, he has to know. Do not resemble anyone, the ones who are uncertain are not loved by the Prophet s.a.s. The Prophet never recited like that, but they want to oppose Ahl al Sunnah. Astaghfirullah. (stands) "Give to everything their right!" Is this hadith or verse? Hadith Sharif. Then why you don't give the Haqq to your beard? Ha? Say! You must, it is a must for the young. They say, oh oh, it doesn't matter, no! No, it doesn't matter. What is allowed is clear and what is forbidden is clear. The truth is clear and the false is clear. He came to hear these words from me, he never heard them before, because he can't find (them) on his own. And he has been send by the budalaa, they sent him here. They told him you don't understand our language, but you understand the words there is a Sheikh. Astaghfirullah, in Cyprus, go to him, he will swear with you.

(Break)

Allah swt laughs? Does He cry? Allah swt laughs and don't cryt hasha! To cry is a sign of weakness, a sign of incapability, the sign of being a servant. Allah is the compeller, the subduer, the bestower, the provider, the honorable, the omnipotent, the dominant - how can he cry? Audhubillah, he laughs. Learn by heart these hadiths about the truth on laughing. Allah swt lacht. Clarify to them, if our Lord laughs, and so we also laugh. There's a hadith, "Whoever imitates a nation, he is from them", and of course Allah swt, He would be happy that His servants laugh. Therefore don't cry, laugh. Better to make people laugh also!

## How Wildness Is Grafted to Make Goodness

(VersuchtSüßeZuSein, dt.)

As-salaamu `alaykum, as-salaamu `alaykum, as-salaamu `alaykum! Allah Allah, Allah Allah, Huuu. (Mawlana Shaykh stands.)
Allahu akbar, Allahu akbar, Allahu akbar, la ilaaha illa-Llah, Allahu akbar, Allahu akbar, wa lillahi 'l-hamd! Alfu salaat, alfu salaam `alayka wa `ala aalika wa sahaabatika yaa khayru'l-khalqillahi 'l-ajma`een wa `ala Sayyidi 'l-anbiyaa wa 'l-mursaleen wa 'l-awliya as-saaliheen. Hu. A`oodhu billahi min ash-Shaytaani 'r-rajeem. Bismillahi 'r-Rahmaani 'r-Raheem. Rabbuna y`afuw `an maa yureed wa yahkum maa yashaa. (Mawlana Shaykh sits.)

O People! Welcome, listeners. All of us are servants and we must first say, a`oodhu billahi min ash-Shaytaani 'r-rajeem. Bismillahi 'r-Rahmaani 'r-Raheem, to make Shaytan away, because Shaytan is asking for an occasion to put people in trouble and in unhappiness. Shaytan is asking people not to be happy, but (remain) always in miseries and sufferings. Huuu. Dastoor, yaa Sultanu 'l-Awliya, our Grandshaykh who is in charge now for looking after everything on this planet; he is responsible for everything happening in this world!

O People! Try to learn and to know and to follow; you have been ordered to know about yourself and you

have been ordered to know about your Creator!

O Mankind! You have been ordered to be in charge of goodness and to be good ones. We are like wild trees in a garden or a hill or a mountain. The owner of that mountain or plain is looking and says, "That is a wild cherry tree, so we must bring a good cherry tree to put a graft on it so that the wild branch is getting to be a good branch." If you are living, it is a mountain with so many kinds of wild trees. We are on the plain of this world and we are like wild trees or wild animals. And the Lord of Heavens has granted to Man an honor that has not been granted to any other creature. He is asking from all of Mankind to not be wild people, they must be the best ones! And the Lord of Heavens, our Creator, is asking Mankind to be in a perfect condition, to be saved from wildness and He is sending trainers to make people into good ones. May Allah forgives us. May Allah grant us understanding of heavenly messages!

Mankind must try to know their missions; for what have they been created? Yesterday he was not here and tomorrow he is not going to be here; it is only a short time, and in that short time he can understand his importance, mission and identity, and what he should do. If we are going to learn everything about this world through our books, which are the fruits of our minds, we are in need of some people who know what is light and what is darkness, but yet you are surrounded from four directions and have been veiled. We don't know what is behind that veil and we are sitting in a darkness. He created day and night to make people understand something. Nighttime is dark. What is darkness and what are lightened territories? You know it or you don't know. You can't open as long as you are thinking about it. They are closed treasures and your mind's capacity, by thinking, is not enough to understand.

There is a daily showing for Mankind, zhulumaat wa 'n-noor, there is darkness and there is light also, but you are not knowing what the reality of lights is. We are seeing that there is a sun in the skies, giving lights, but we are not knowing what is giving lightening and how it is going to be. There are lights coming on this world. At the same time, our Earth is in lights on one side and in darkness on the other side, but we are not understanding that there are darkness and lights at the same time. The hearts of awliya are enlightened with Unknown Knowledges, and Mankind on Earth can't know about these realities. Some people have been granted and can understand about lights and darkness. This is an ocean and if we are going up to next week, we are not going to finish!

We are something on this world. There are continents and oceans, countless creatures with different appearances and creations for them. Who is giving them their forms? Everything has a special design. There are so many people here and everyone has a special design, everything has a special design. Allahu akbar, Allahu akbar, Allahu akbar! Do you understand what I am saying? Their sounds also are so different. Even though they are Mankind, some of them like a donkey, some of them like a fox, astaghfirullah al-`azheem, some like a falcon.

What about the position of men and women? The world of men is something else, and the world of women, something else. If you are putting women through a man's plain, they can't do anything; they should escape. They are asking for their world. They can't live in a man's area (because) it is different than a women's area. Everyone is living through their dunya. This is one dunya, but through this one dunya you can find two dunyas. One dunya belongs to men and is different from dunya of women. But Shaytan is now making men and women on the same level with no difference. What is that foolishness? The dunya where women are living is a hundred percent different from a man's world, but fasaad, corruption is making men and women equal. Ptuuuh (spit), astaghfirullahi 'l-`azheem! Equality of men and women is the biggest lie and the biggest ignorance. The world of women is a hundred percent different from the world of men. The Lord of Heavens knows. He is asking to take men and woman away from the darkness that belongs to them. The darkness of men is different from the darkness of women. He is sending His heavenly lights to make a clear identity between men and women.

Why is He sending His prophets? They are making me to speak at the beginning on this point, that everyone is like a wild tree in need of grafting. If you are accepting the grafting of that one, you may find your way to your real being through the lights in the Divine Presence. If not, you may be in darkness here and Hereafter, and not understand anything. Now the whole world is in wildness. All people are getting to be wild ones and the Heavenly Commander who is appointed for this world knows how he is dealing with people to take them from wildness to be good, kind beings. If leaving, it will be like a wild tree. If accepting the lights from heavens, you are going to be in good positions, your real being appearing, and you are knowing about yourself, about someone else. You are going to be a sweet one, or you should be a dirty one and (have) no taste.

That is the reason Allah Almighty is sending, to make that graft for people. Now people are running away

from prophets. You can only find wild people on Earth now, like wild animals. We are asking to make people to understand the real position of Mankind, how to be good ones. That is the importance of prophets. Therefore, follow the prophets to be a perfect one. If not, you are remaining through your wildness endlessly. All wildness on Earth now is because people are not taking care of heavenly teachings; they are refusing and they are unhappy. There is no taste remaining for men and women living on this planet, because taste is only granted from heavens; you can't take it from Earth.

Therefore, as long as people are refusing prophets and following their fox, you can't find a restful and tasteful one on this planet. And this is a beginning of Divine jazaa, punishment. Punishment is never stopping until you are following prophets. The Seal of Prophets was saying, "If all prophets (were) here (there would be) no chance to follow their holy books, (as) they only may follow me." Allah's blessings, His high glory for the Seal of Prophets (s). It is a long story, but I think it is enough; take your lessons, take what is needed for you! Try to be sweet ones, not to be dirty ones here and Hereafter!

O our Lord, forgive us for the sake of Your most honored one, Sayyidina Muhammad (s).

(Mawlana Shaykh sings.)

Allahumma salli wa sallim `alaa
Nabiyyina Muhammad `alayhi 's-salaam
Salaatan tadoomu w 'ahtuhda ilayh
Maa mara layaalin wa toola 'd-dawaam

Fatihah.

ashhhadu an laa ilaha ill-Lllah wa ashhadu anna muhamamdan `abduhu wa habeebuhu wa rasoolah
...allahuma thabitna `ala al-haqq, allahuma thabbithu `ala 'l-haqq

(Mawlana Shaykh gives a young boy baya` and names him Ibrahim.)
He is a good one. Mashaa-Allah, mashaa-Allah.

Fatihah.

## Humankind Is the Pinnacle of Creation

Madad, yaa Sultan, dastoor. (Mawlana Shaykh stands.) Sayyidi 'l-awwaleen wa'l-akhireen, Sayyidina Muhammad (s), zidhu `izzan wa sharafan, nooran wa surooran. Allahu akbar, Allahu akbar. (Mawlana Shaykh sits.)

O Attenders! As-salaamu `alaykum. Don't make your attending as a person who looks in a cinema to make himself happy, or to waste his time or to forget his troubles. Take your care. As much as you're taking your care, much more support from the heavens is reaching for our meeting and it is going to be easy to speak, and it is going to be easy for attenders to hear and understand. The real aspect is understanding; I am trying to understand. But if there is no heavenly support, my trying for understanding is going to be nothing, just useless. Now we are sitting here humbly and they are sitting here also, as believers. If they are not believing, that is the lowest level for Mankind. Under that level, no, you can't find. If there is no understanding, if understanding is finishing, his level is going on the lowest level.

O our Lord (swt)! Grant us to understand. O our most glorified Prophet (s)! Glorified and most honored servant through servanthood levels, we are asking for your intercession, to understand. There may be only five people, it doesn't matter. There may be ten listeners, it doesn't matter. Payment that is coming from the heavens is not taken back; that grant is for five people. Perhaps there may come a heavenly grant to six-

billion people! People are not taking care and they are saying, "I don't care." The Lord of Heavens (swt) is saying to those who are attending, "Give to them." At the end of the world, the Day of Resurrection is approaching, and people are running further away from realities. The majority of people have been occupied only with material aspects; therefore, now only very few people are interested. It may be Her Majesty, the Queen, or it may be His Excellency, President Obama is interested, looking, to thinks this title is going to be forever, but in end falling down. That is ad-dunya makaarah, a world that is cheating, as life in this world is the most cheating one for Mankind. Everyone must be cheated, but some people are understanding and getting back and some people are not taking care, and ask for more and more dunya.

Every time Shaytan is cheating them and carrying them through his traps, they are getting down to darkness, to the center of Creation, now saying, "black holes." That is the imagination, because our capacity is never really reaching anything beyond the atmosphere. But they are making muzayyan, muzakhraf, embellished, decorated (about black holes). That is imagining, what they are saying. But at the beginning of this universe, they are saying it was one atom. That is also imagining, no reality. And then that one atom was just exploding, and they are saying through billions and billions of a part of a second, is just getting out and filling that space. That is a shaytanic idea. They are saying, "We are following positive knowledge." How are you saying that is positive? You are trying to cheat people, and you are not asking Who is bringing this huge universe? They are not saying there is Allah subhaanahu wa ta`ala!! (Mawlana Shaykh stands and sits.)

They are making such a principle, and they are writing sometimes a thesis, astaghfirullah. (A guest enters.) Marhaban. Ohhh, we forgot to give salaams first, but it was something important carrying my speech to make a preface. A preface is like the White House, too many steps and without the steps you can't enter it. What we are saying now is like steps, asking to step into the real center of what we must try to speak, and what you are trying to understand. Now we are saying, as-salaamu `alaykum wa rahmatullahi wa barakatuh! (laughter)

O Mankind! You are from Adam and Eve, who are from Earth. But people think that if they are reaching a title given to them by people, that is a real title. No. (...) reaching from countless creatures, and you may be proud that you are the most important creature on this planet. You may say, "I am something." You are something, you are claiming this. To be "something", you must be existing continuously. But you are reaching a limit and they say to you, "Stop here!” You are thinking that you are something and becoming so proud with your imitated titles. The Lord of Heavens (swt) Who created you is saying, “Who are you?” "I am the child of

Adam and Eve." That is true, but other than that you are giving titles, “I am this, I am that,” but Adam and Eve were the first ones on Earth. Is there anything wrong with that (as your title)??

Therefore, I am saying as-salaamu `alaykum. (...) welcome to life, O small one. Just as you are born now, are you coming by yourself here? He hears you and looks, but can't give any answer to you because he is not yet ripe for understanding. That means everything is step-by-step going up or suddenly falling down to places of darkness. We are saying now, a`oodhu billahi min ash-Shaytani 'r-rajeem. We are always running from shaytanic tricks, theses, all of them are for changing the beliefs of people. The beliefs of people are just built on a strong base, but their thesis is never going to sit on a strong base. No, that is their imagination that is never giving anything to you as, kayfa yadhun, as he thinks. People are thinking and giving a decision that it is true, but no one is saying for them (...) you may say, “My thesis is best or better than yours.” We have been created to be most brightened ones, bodily and spiritually.

Man's material being is a selected one and when it was complete, it was like a big aircraft swimming on water, and people were thinking it is running or swimming on water by itself. That is a wrong idea, because that huge aircraft must have in it a living one from Mankind. Not any other creature may command that huge aircraft, only a man. He is like a finger beside that huge aircraft. He is getting up, kursk, for commanding and sitting that huge aircraft under his command. He is making that huge aircraft to begin to sail, then becoming more powerful for sailing. If not for that one who is like a finger, that person who is granted authority to make that huge aircraft to move you, our physical being is much more important than a huge aircraft. It's specialty is to have a big body, like an island sailing on an ocean. But your creation is much more important, because of the captain that is coming to you when you are going through your mom's womb for 340 days. Heavenly orders are sending one. Allah (swt) is saying, "We are sending your spirit now, istalim, to take control for that new creation up to end of his life. You must look after that one."

Therefore, Man is so important and no one can know his reality, his real being. Everyone has a material body and a spiritual body. If the spiritual body is not coming to the material body, it is useless. Every day we are coming to the cemetery.

"How did he pass away, does anyone know?”
“Yes, that is a very curious occurrence. Yesterday he was walking, eating, drinking, dancing and running after

dunya to take much more money, and today his feet are never carrying that one. He was the chief of the Bank of US.”
"Yesterday he was running, and today he can't even stand up. What happened?"

Yet people, whole nations are not taking any care on that part. "Yesterday we were running and today we can't move." What is that secret power? That is the responsibility for whole nations, that they are not teaching human nature. The reality of humanity is that it is the highest level of Creation! They have been created for the heavens, but when they are reaching their last point with their aircraft they are taking that captain, “Can't do, leave this.” (...) to look at what was reality, but you lost your chance because you wasted all your efforts. You lost it and you are not understanding anything as you are coming, getting back. We are sorry that you lost your chance to reach a title and to reach a level forever! You lost it, you wasted it, you are and were running after a short life and its pleasures. You were never thinking for eternal life.

We are sending so many thousands and thousands of heavenly ones to make you wake up, to think and to ask and to know, that this territory was a grant from your Creator and you lost it! Now we are saying a'oodhu billahi min ash-Shaytani 'r-rajim because now you are finding wrong ideas everywhere: in high schools, colleges, universities, they are teaching that there is no God, no Creator. Haasha, "Heaven forbid" this will be so. Astaghfirullah. That is their main point for building youngsters. What are you saying, no god? Who put you here, to put you in orbit around the sun, that you are seeing this, and what are you seeing you are saying that this is wrong also. Reality is closed also, as it is not easy to reach realities.

Therefore, the Lord of Heavens is sending prophets. Shaytan is coming and saying, “That is imagination.” How is it imagination? They are looking, “I never saw it, I am never thinking on it, I am never understanding.'” We have just been sent for understanding, but people are running on such a thing that has no value! Yes, two months before this world was on yellow, dry grass; now you are looking at a green dressing, dressed. How can it be? They are never making the new generation understand. Wrong ideas, all of them are shaytanic teachings. Who is Darwin, who is this person, who is that one? Why are you not taking care about what Sayyidina Musa (a) said? Why are you not asking what Jesus Christ (a) said? Why are you not asking what Sayyidina Muhammad (s) said? (Mawlana Shaykh stands and sits.) Why are you not asking?

Why are you not preventing for whole nations that Allah Almighty put to be shepherds (leaders)? I am the

weakest servant, but if Shaytan is coming against the Lord of Heavens (swt), I am making him under my feet. Understanding is a grant from the Lord of the Heavens (swt). You must understand, because tomorrow they shall take put you in a coffin and put you underground. That is an addressing for the leaders of Mankind, an addressing for shepherds leading their flocks on the wrong way. When we are going the wrong way, wolves are eating them, finishing them. Everywhere there is Shaytan. Don't say, “No, Shaytan is not anywhere.”

Someone is asking me, "Shaykh, what is your idea, is Shaytan everywhere?” Or, “What is your opinion, is there a place on Earth where there is no Shaytan, where he can't get in?" I must say, “Salafi `ulamas, I don't know.” Salafi `ulamas, from Saudi Arabia, I am asking do you know some place where Shaytan is not coming? They are saying, “I don’t know.” They may be in Mecca al-Mukarramah? “Yes.” Can be in Madinat al-Munawwara? “Yes.” No fighting, we are attenders from up to down. How many shaytans? It is mentioned in holy books, are there billions of shaytans or one Shaytan? “One Shaytan.” One Shaytan, can be everywhere, in mosques, in churches, in abbeys, in synagogues? Do you know that Shaytan is not there, coming? “No, sir.” One Shaytan is going to be everywhere? Salafi `ulamas saying, “Yes.”

On this I may not be too much of a wise person, and my age is reaching to 90. I am asking to know only, if one Shaytan may be everywhere? I am saying to believe that the Prophet (s) may be everywhere, but you are not going to accept. If I am saying this, you are saying to me, “You are going to be mushrik (polytheist)." But you are giving to Shaytan that authority to be everywhere, but not giving it to the Prophet (s) to be everywhere! How are you saying to me mushrik?

••••••••••• ••••• ••••••• ••••••• •••••••

W `alamoo anna feekum Rasoolullah,
Know that Rasoolullah is in you. (49:7)
Ayatun kareema, this (noble verse of holy Qur'an) is for addressing Sahaaba (r) but coming for all time, haadir, present, meaning the Seal of Prophets (s) every time is with you. You are on the wrong way! You must learn from real ones who are now present every time, you must look after them to learn something; don't say, "I am Salafi `ulama."

May Allah forgive us and grant us an understanding. Everything depends on understanding, and we are trying to make people understand. I am a weak one, but I am trying to give something from the east to the west, from north to south.

Allah Allah, Allah Allah, Allah Allah, `Azeez Allah
Allah Allah, Allah Allah, Allah Allah, Kareem Allah
Allah Allah, Allah Allah, Allah Allah, Subhaan Allah
Allah Allah, Allah Allah, Allah Allah, Sultaan Allah

I am nothing, but I may ask another question for Salafi `ulama. What about Sayyidina Musa (a) and Sayyidina ‘Isa (a)? They left their nations, but they are with the Seal of Prophets. (Mawlana Shaykh stands and sits.)

Fatihah.

(Mawlana Shaykh hums.)
Hayyy, hayyyy, hayyy, hayyyy, hayyy
Huuuu huuuuu huuuuu huuuu huuuu
Huu huuu huuu huuu huuu
Huuu huuuuuuu.

Fatihah.

Yaa Rabbee! As-salaamu `alaykum. I am a weak servant, I am not preparing things for speaking, what is coming I may say. Allah, Allah.

(Mawlana Shaykh speaks with Mawlana Shaykh Hisham and Hajjah Naziha on the phone.)

(547 thousand)

Fatihah.

## Be Content with a Humble Lifestyle

(Mawlana Shaykh speaks with a mureed.)

Mawlana Shaykh Nazim: When are you going, today?

Mureed: Tomorrow morning

Mawlana Shaykh Nazim: To Spain?

Mureed: To Spain and then to Argentina

Mawlana Shaykh Nazim: Argentina? You are our friend, (smiles and pats him on the head). Argentina. How are our brothers and sisters over there?

Mureed: Very good, very good; we miss you a lot. The country is in the economical crisis and we ask one advice from you.

(Mawlana Shaykh Nazim speaks.) The Seal of Prophet's (s) holy Companions (r) ate two, three or five dates daily and did not complain. Now people they are wasting their money, musrif, spending without a good

purpose. That is the cause and main reason of the economical crisis: people they are musrif, wasting their money, not keeping their money for what is obligatory for them to eat and dress. We were dressing in the time of the British Colony (in Cyprus) and Mummy patching the pants in the knees and in the back. I wore my shoes, for two years and a cobbler patched them with leather so I used them two more years. And for my socks, Mummy was darning them. My weekly pocket money every Jumu`ah was a half a piaster, a half Penny (and I was happy)! Now people must keep themselves (in a humble lifestyle).

There is a hadith from the Prophet (s):

•• ••• •• •••••

maa `al man iqtasaad. Who keeps what Allah (swt) granted him, not wasting, will never fall into economical crisis.

All nations are wasting. Do they think the Lord of Heavens is not looking? (Speaks in Turkish.) People now, particularly Muslims, follow Western customs in everything and, therefore, they become poorer and poorer until nothing is left with them. A loaf of bread used to feed ten people! Now they are not eating bread or eating a little bit and throwing it away. The Lord of Heavens is not happy with such servants. I am asking forgiveness from the Lord of Heavens, that we are not good servants, not following heavenly ways, Tariqat al-Jannah. They are not following Prophet's (s) way but following Shaytan's way!

Therefore, they must be patient and they must (be satisfied with what) Allah Almighty's grants, otherwise, if they knock on (Allah's Door) no one will open!

Thank you.

## What Caused the Humiliation of the Muslim World

Dastoor ya, Sayyidee, madad. (Mawlana Shaykh stands.)
Allah Allah, Allah Allah, Allah Allah, `Azeez Allah.
Allah Allah, Allah Allah, Allah Allah, Subhaan Allah.
Allah Allah, Allah Allah, Allah Allah, Sultaan Allah.

O our Lord! Give to your most beloved one, Your deputy from pre-Eternal up to Eternal, Sayyidina Muhammad (s)! Zidhu yaa Rabbee, zidhu yaa Rabbee `izzan wa sharafan nooran wa surooran, Grant to him from Your endless Glory Oceans, grant to him from Your endless Majestic Oceans, grant to him all praisings that You are not granting to anyone else. O our Lord, forgive us! (Mawlana Shaykh sits.)

As-salaamu `alaykum, our attenders from human s as well from jinns, because they are attending. And we can't count their numbers. If we are seven billion, they may be 70 billion. All of them are trying to be honored by being servants. There are so many also from jinns that are following Shaytan and its followers, but Allah Almighty is saying, (Mawlana Shaykh stands.) asta`idhubillah:

•••••• •••• •••••••• •••••••• •••••••••• ••••• •••••••••• ••••• ••••••••

qul jaa al-haqq wa zahaqq al-baatil inna al-baatila kaana zahooqa, Verily Truth has come and falsehood has

perished; truly falsehood is bound to perish!” (al-Isra 17:81)

Yes, finished! (Mawlana Shaykh sits.)

Shaytan and its armies, its supporters, and followers may be billions, trillions or quadrillions, but they cannot do anything! They think they can do something and they are trying to cheat the foolish masses of Mankind. And now from east to west, from north to south people are drunk, and drunken ones never understand anything.

O Salafi `ulamas! As-salaamu `alaykum also. You must be at peace with me. I am a weakest servant. You must support me. Say, a`oodhu billahi min ash-Shaytani 'r-rajeem. Say! A’oodhu billahi min nafsee al-khabeetha, “I seek refuge in Allah from my filthy ego.” Man is always asking to be with his egoistic being. Why are you not saying to people, "You are not only going to be of human nature with your ego, no.”

Say, Bismillahi 'r-Rahmani 'r-Raheem. (Mawlana Shaykh stands.) Bismillahi 'r-Rahmani 'r-Raheem. Grant us, O our responsible one. I am ashamed to call the Lord of Creation, so I am asking from the responsible one for this world a support. (Mawlana Shaykh sits.) I am ashamed to address to anyone else, only he who has responsibility for human beings on this planet. It is enough, more than enough!

You must make it clear to those groups of people claiming, "We are Salafi `ulamas." Why are you not making an understanding for our beings in this life? Open it, so that people may understand their personality or their identity, yes. Why are you not making it clear? That is a big wrong doing from you. The first lesson that you must teach Mankind is what are their responsibilities. Are you saying this? You must say what our responsibility is in this life. I never heard one of you speak on that point, what is the most important reality to be known and also to be followed. Why are you not making this clear? You have as much as you are asking from material support; you have so much!

Why are you not broadcasting? Why? To reach from east and to west, from north to south, black ones, white ones, yellow ones, red ones, and there may be green ones! (laughter) No sir, human beings never heard of such a tribe. May be, if there are green ones must be blue ones also! You may reach to everyone bi imkaanikum, you may reach to every point on this planet where you will find humanity. Why are you not declaring to them about their identities? Insaan, human, the real position of humanity! And who may tell

about real humanity to common people, except those who are claiming, "We know everything!" Say!

Where is that center of broadcasting in Saudi Arabia or its neighbors, Qatar, Oman, Kuwait and the Emirates? You have tons of money and gold. For what are you keeping it? Allah Almighty is ordering His most beloved one, the holy command, "O My most beloved one! Balligh, declare! (Mawlana Shaykh stands.) Balligh!" That is a holy command. "What I am sending to you is balligh to `ibaadee, a declaration to my people!" It is a holy command. Are you not Arabs? Where is your understanding?

**••••••• ••• ••••••• ••••••• ••• •••••••**

Balligh ma unzila ilayk! Proclaim the (message) which hath been sent to you (O Muhammad) from your Lord. (Al-Ma'idah 5:67)

(Mawlana Shaykh sits.) You are understanding, but you are not doing. Balligh, O Salafi `ulamas! What are you making out from that declaration? Day and night, throughout east and west, countless broadcasting stations are occupying the skies to reach people with shaytanic tabligh, message. The whole world now is under the hegemony of Shaytan and its followers and its believers! The whole sky has hundreds or thousands of centers of tabligh, broadcasting. Is it true or not? Throughout east and west, north to south, they are putting hundreds of broadcasting centers in the skies to make shaytanic declarations. What are Muslims doing? I am asking. I am asking!

This is a very weak broadcast and I am the weakest servant. What can I do? That is what I can do (this daily live broadcast)! This is a very, very small one but shaytanic broadcasting is reaching everywhere that the Seal of Prophets (s) was saying that there will be, (Mawlana Shaykh stands.) fitan fi aakhir al zamaan la yabqa baytan la yadkhul fihil fitna. "There will come a time when no house will be free from fitna, worldly temptations." Is it true or not? Why are you not objecting on them? Why are you not bombarding on them? That is the word of that one, who was speaking on behalf of the Lord of Heavens! (Mawlana Shaykh stands.)

**••••• ••••••• •••• ••••••••• •••• •••• •••••• •••••• ••••••**

Wa maa yantiqu `ani 'l-hawaa in huwa illa wahyyun yooha, That [which he conveys to you] is but [a divine] inspiration with which he is being inspired. (53:3-4)

"He doesn't open his mouth to say anything that is not revealed to him from Allah (swt)." (Mawlana Shaykh

sits.)

You are saying, "We are `alim, doctors of Shari`ah," and I am nothing here, but there are appearing in my heart's mirror some words that are helping me to combine. But if Shakespeare is hearing some verse he will be ashamed, "I never heard such English!" (Mawlana Shaykh laughs.) Yes, I am nothing, and trying to reach the centers of baatil, falsehood and shaytanic powers! I am trying to bombard them. Alhamdulillah, this bombarding is never going wrong! And you, who have every ability to bombard Shaytan's broadcasting towers, why are you not doing that? I heard that they are sending a virus to destroy one center; they are saying this. Why are you not sending a virus to all those shaytanic centers? Why? Is there no money with you? You have money, but perhaps no mind!

If you have some mind, then that is the fruit of our mental faculties Allah has granted us. You can do that, but you are not doing. And will be, ashaddul-`adhaab ala al-`ulama yawm al-qiyaamah, alladheena hum kaan, yahkoon kalaam wa laa yasta`milooon imkaan takhreeban li 'l-baatil (the heaviest punishment will be on the Islamic scholars on the Day of Resurrection, those who used to speak many [empty] words but they did not use their abilities to destroy falsehood).

O Scholars! Your real mission is takhreebu 'l-baatil, "To destroy all that is false," to destroy izhaaqqu 'l-baatil, to destroy away. Why are you not using that power? And you are always accusing our simple people who are trying to do something for Allah Almighty, their Creator and their most beloved Prophet (s). You attack them, saying, "You are making bida`, shirk, baatil kufr, you are falling in haraam." Leave those people alone. who are asking Allah Almighty's rida, pleasure?!And wa li kull imri in maa nawa, "Everyone gets what they intend."

•••• ••••••• •••••••

Innamaa 'l-`amaal bin-niyyaat, You are rewarded for your deeds according to your intention. (Muslim)

You know them. Don't accuse simple people and don't try to prevent them from what they are doing! They are doing it for li ridaa ar-Rabb, for the pleasure of their Lord, Allah Almighty! Why are you always assaulting simple people, and so many Shaytan's agents are preventing not to give salaat wa 's-salaam after adhaan? Or so many foolish ones who are slaves of Shaytan are preventing not to be recited between fard and sunnah, Qul Hu Allahu Ahad. What is that foolishness? They are first class foolish ones in Turkey and in Cyprus!

For what is this, to say as-salaatu wa ’s-salaamu `alayk is tafhkeer, to make shari`atullah down? If you are making as-salaatu was-salaamu `alayk yaa Rasul Allah, that is honor! And also Ikhlaas Sharif. Why are they preventing this? Shaytan says, “Don't say,” and they are preventing. In Turkey, in Cyprus and in so many countries of Islam, they are fighting aboout nothing except, as-salaatu was-salaam and Ikhlaas Shareef! What is that foolishness? And there is such a big field for you to make bombarding and assaulting on Shaytan! Bombard them! Why are you blaming Muslims if they are saying, “As-salaatu was-salaamu `alayk,” or if saying, “Bismillahi 'r-Rahmani 'r-Raheem, Qul Hu Allahu Ahad.” What is bida`? Why are you preventing? Something will come and bombard on your heads and doctors won’t be able to find any treatment for you! All awliyaa are very angry with them, very angry!

O People! Show an unlimited field for working against or for fighting Shaytan. You are leaving that and running after such things. Is that from Islam? Allahu Akbar `alayhim. Allahu Akbar `alayhim. Allahu Akbar `alayhim.

O Salafi `ulamas! What are you doing? I don’t think that it is acceptable in Heavens or with awliyas or with Prophet’s (s) people, Prophet’s (s) jama`at, group. I don’t think Allah Almighty is going to be happy when people say, “Don’t recite, ‘Qul Hu Allahu Ahad.’” What is that foolishness? O Turkish People! Turkey is the highest Islamic state; then why are you making this? Perhaps there may come on you a heavenly punishment that will never leave you until you are dying. Beware of heavenly anger! May Allah forgive us.

O People! We must try to fight Shaytan and shaytanic groups. May Allah forgive us and send us a sultan, because ummat al-Habeeb, the whole nation of the Seal of Prophets (s) is leaving the most important order or heavenly command, "O Muslims! You must have one on your state, Ameer al-Mu`mineen.’” Everywhere that there is khalifatullah, must be Imam al-Muslimeen. Without that one, you will always be going down and down, and Shaytan's groups will be taking you as adhillah, humiliated.

Allah, yaa Rabbee! We are asking forgiveness, and looking from Your servants for someone to open the understanding of Your servants, so that we can understand what is the importance of having a sultan over the whole ummah. All nations are fearing from China, saying they have billions of people. It is not important! What is important is that they must be under one person’s command; one person to be commander over

billions of people. Therefore, all the nations are fearing them. We have been ordered to have one person over all Muslims. We left it and we are adhillah (humiliated)! The Muslim world is now falling down, falling to the shoes of kufr. May Allah forgive us. O People!

Tawbah yaa Rabbee. Tawbah yaa Rabbee. Tawbah yaa astaghfirullah. If making such a speech is wrong against shari`atullah, then heavenly intiqaam, revenge may come on me! If you are on the wrong way, you must fear, O doctors of Shari`ah, doctors of Azhar ash-Shareef, doctors of Salaf us-Saalih. You must fear that at one unexpected time, a heavenly revenge may touch you. Lightening may come on your head, and then you will be as a coal (burnt). Beware of heavenly revenge. Astaghfirullah. Tawbah yaa Rabbee. Astaghfirullah.

Fatihah.

La ilaaha illa-Llah. La ilaaha illa-Llah. La ilaaha illa-Llah Sayyidina Muhammadun Rasoolullah (s). (Mawlana Shaykh stands and sits.)

Fatihah.

(Mawlana Shaykh prays two rakaat Salat ash-Shukr.)

## I am asking all of you

I am asking all of you - unemployed people, or no mind, heedless or depressed people, or members of mental house: What do you think? Understanding? You have time, you are unoccupied people... Destur, ya Sayidi, Meded...Audhu bi-llahi mina shaitani rajim, Bismillahi-r-Rahmani-r-Rahim...

There is one most important point that we must look on it too much. If you bring a solution on that problem, the life of mankind is going to be arranged and people get in satisfaction, peace, rest, comfort, and getting to be a blessed community. If it is not solved, there will be neverending troubles, sufferings, wars, fighting, enmities, envy and hatred. What is that important point? I am saying it in Arabic to show that it is from real traditional knowledge, that everything turning on it. We have been created and settled on earth, coming, going, and our creation is a different creation from heavenly beings and earthly beings. Heavenly beings that belong to Heavens, angels, their creation is just different. Allah Almighty just granted to them to be in existence and their importance is to glorify Allah Almighty. The world of angels, they are only for glorifying. They are not in need what we are in need of. They have been created from divinely light oceans and their creation is going on, never finishing. No material in their creation, (like) that we have, no nafs, no ego for them. They are in divine Presence, glorifying, and they are on the last point of happiness, peace and enjoyment. They never get to say: Enough, our glorifying. Every glorification gives them much more love for

Allah Almighty, and they are increasing through their glorifying enjoyment, and increasing through lights, and coming through love oceans of Allah Almighty, neverending, they are going New creation going love ocean, love oceans, each ocean countless oceans. Through each ocean countless creation angels, they are so full with love and glory for their Lord Allah Almighty.

And there is another world, that is our world, earth. On it countless kinds of creatures, that is animals world. Animals world - countless kinds of animals. Their creation is just different from the creation of heavenly beings, and they are only interesting through their materials. They have been created for another kind of creation, for mankind, human nature; they have been created for ourselves, because we are in need of them.

We have from earth material, as well as from heavenly beings our souls; they come together and another creature is just coming in existence, that Allah Almighty created. We are now on earth, our level is over the level of animals, but under the level of Heavens. Of cause of our egos we belong to earth, and for the reason of our souls we belong to Heavens. Then the struggle just goes on between the two kinds, two opposite and different kind of creation: Our material being represents our ego and fights against our soul that is our heavenly representative through ourselves. One of them is asking to get up, to arise to Heavens, because its pleasure is to rise to Heavens. Souls ask to reach the endless oceans of the divine Presence. But our material being and its representative, the ego, always asks to be closer to nature, because its happiness is with nature, with earth.

Now we come to that point, that if you don't take care and don't make your ego occupied and you leave it, you are loosing. Perhaps finally you loose everything. Therefore the Prophet was saying: 'You must take care for your ego, not to leave it without occupation.' When you sit unoccupied, Shaitan comes and says to the ego to do this and that, and he orders the ego to make our bodies to be occupied with something that is not good for our souls. As a donkey and its rider. If its owner doesn't get on it and rides it, the donkey tries to ride the person. You must be very careful on that point not to leave your ego to be unoccupied. Quickly it rides on you, making you its donkey. Therefore all trouble comes after our egos. We are going to be heedless, leaving it unoccupied, and the ego quickly rides on us and makes us to run as it likes. And always it is running on harmful things, bad things.

That is a violent animals characteristic, going to be dressed on people. Now the people of the whole world are

dressed violence and people are violent. What is the reason? Because they represent their egos, not their heavenly being, no, people dressed violence. Everywhere fighting quarrelling, destroying, doing bad things. Everywhere. When people dress ego's dressing, curse comes on them and no mercy. And when mercy is going up, violence comes and dresses on people and people ask to kill each other, to harm each other, to destroy, to burn, and to do everything that is satanic works, because curse bring that bad works. Satanic works live through curse and blessings and mercy get up.
Therefore the prophet was saying one treatment for everyone if asking to save yourself from curse: 'Don't leave your ego free. Put on it always some responsibility.' '...fa iza faraghta fansab, wa ila rabbika faghab.' What we said about Prophet's advice, Allah Almighty makes it just as a judgment, never changing: 'O people, if you have free time, make yourself busy. Don't leave any distance. If you are going to finish one good thing, a heavenly order, quickly run to another; don't leave your ego unoccupied, but load on it another load. Don't leave it without load.' One letter gives meanings like an ocean: 'O My servant. If you finish one kind of servanthood, don't leave your ego free, quickly put in it another load.' It is one verse and through it one letter, that may save all mankind. Greatness of the Holy Quran! You should be happy.

People now fight and say: 'We are working 36 hours in the week.' One week, how many hours? 168 hours. They are quarrelling to be their working hours 36. Distract them from 168 hours, what remains? 132 hours. What they are doing? Ask them! They are unoccupied, they leave their egos to do everything. How these people are going to be??????how crises going to finish? It is foolishness if you think on it. People work 36 hours and don't do anything 132 hours. What is that foolishness? No one knows accounting? They come under the command of Shaitan and devils 132 hours. What is that? This is our Dunya, our world, everywhere. 132 hours- what doing? And they say: 'Economical crises, people are suffering.' Allah makes them much more to suffer. If nothing doing 132 hours, they are under the control of Shaitan and devils. This is so clear. Even they may work 132 hours and 36 hours they are free, these 36 hours destroy the 132 hours also. Leave it- if even giving one hour to the ego, it may finish the whole that you take, reaching from everything one hour enough for ego to destroy everything. Therefore the Prophet said: 'O Allah, don't leave me through the hands of my ego for even the blink of an eye.'

Therefore I am asking: 'O Allah, send us someone to wake up people. People are finished, they are in need of a heavenly involvement. Without heavenly involvement we are in the hands of devils and Shaitan, and

everyone is volunteer for Shaitan and satanic works.'

All people volunteers. What is your opinion for coming days? What I am saying? How I can say anything that gives you hope for coming days if we are in such a situation? If they are sleeping, better, because 'Naum ul dhalim ibadat'. There is a word in Arabic: The sleep of the tyrant is worshipping; because an oppressor or tyrant, if he is awakening, must harm, must reach to people to harm them. But when he is sleeping, no.

Therefore Allah Almighty makes this big snake, when swallowing something, to sleep for one week, not to harm. Lions, when they are full, sleep, becoming like cats. Dhalim people, as much as they are awake, are harming, destroying. Therefore they make people to be occupied day and night, 132 hours in the week, saying: 'Don't sleep, enjoy yourself outside. You are coming here to sleep?'

Don't take away the ropes from your horse; a car must always be behind your horse, or your mule or you donkey Your ego must be ready for service up to the last moment. And you saw the driver of a car, he is keeping a whip in his hand also for when the animals goes right or left... Then you should be happy. If you take that and make it to rest... Don't give rest to your ego! Shaitan is unhappy with me too much. My ego also. I am saying: 'I am finished, I am speaking to young people to keep themselves.' Shaitan is hopeless from me, but he is very angry when I am warning you.

## I am intending to destroy Batil and the Sultanate of Shaitan

Destur, ya Sayidi, Meded. Shukr, ya Rabbi...Tauba, ya Rabbi...

I am intending to destroy Batil and the Sultanate of Shaitan! My intention is to establish the heavenly kingdom on earth in East and West, North and South, overseas and on continents, to be said everywhere: La ilaha ill-Allah, Muhammad Rasulullah!

You should be granted according to your intention, not according to your actions. We say: ‘Audhu bi-llahi mina shaitani rajim’, ‘Ya Rabbi, protect us from the dog Shaitan’. He is attacking everyone, even its owner; sometimes a dog eats its owner. So dangerous. He is coming silently, and then he bites. You can’t trust on dogs now. There are some good qualities that they carry, but don’t trust. They are not like cats, making miau, miau, coming friendly, rubbing themselves on you, waiting for food. Dogs, if they are hungry, never sit there. If they see something in a child’s hand, they come around. The child is heedless, and then the dog catches the bread from his hand and runs away. Doesn’t matter; Sadaqa... Don’t keep dogs. Dogs may be for countryside, for some purposes or through gardens as a guardian, it doesn’t matter; but don’t put dogs inside; make them away from your cities.

Bismillahi-r-Rahmani-r-Rahim; that is our sword or our divine code-number that you may use for every aim

and it opens. Nothing can be closed or locked up, if you say the Besmela; it must open. Bismillahi-r-Rahmani-r-Rahim opens every locked treasure and helps servants to make easy what they are asking to do, because, as Allah is saying: 'We created man weak', and a weak person needs help.

I am weak now, and when I am asking to stand up, two people carry me up. That is help for me, because I am weak. And man also is created weak, but Allah granted to them from His endless power oceans, according to what they may be in need on their levels, to use Bismillahi-r-Rahmani-r-Rahim. Therefore the Prophet said: 'Without using the Besmela anything you ask to do can't reach a success or a successful result. There is no opening. If you work on it from beginning of Dunya up to end- it is not going to open by your power or your will; your capacity is not enough. But when you use Bismillahi-r-Rahmani-r-Rahim, it quickly opens. You must know the power of the Besmela; endless power for every purpose. You may use Bismillahi-r-Rahmani-r-Rahim for every purpose, and everything must bow, when you say it; nothing is going to refuse, when a person says: Bismillahi-r-Rahmani-r-Rahim. Ali Baba was saying 'Simsalabim' and that opened the treasure. What is the foolishness of the Muslim world not to use Bismillahi-r-Rahmani-r-Rahim? It is biggest power. Endless power oceans you have been granted and you are not using, but you say: Crisis, crisis, and crisis.

Yesterday I was looking to the newspaper and they said good news: Through our galaxy they found an old star with billions of tons of gold on it. It is like a peak of gold, shining... Ohh, I must prepare sacks for the gold to fall in it! Very happy! For those foolish people who say: 'Crisis, crisis', that is good tidings. It is an old star. If it was not old, that gold mine can't be there. On earth you find only a little bit. Now people say: Alhamdulillah. It is a gigantic star, bigger than our sun also... Ohhh, I can't sleep whole night! (Sheikh is laughing) Where we shall put that gold? Our earth will get heavy, may fall down. To where? I don't know... They say that our earth is going to go under that star; raining down gold- open your sacks to fall and run on you that gold...I can't sleep whole night, good tidings!

And this star- no hope for it to use that gold; it is asking to throw it away, to be free. More clever than earth people. That star is saying: 'I am fed up to carry that gold, I shall throw it away.' Even one peak is enough, but there are billions on it. I am saying: 'Keep yourself until we come under you.' Good tidings for ladies also- putting bracelets from here to there that they can't stand up from the heaviness of gold... We are saying: 'We are poor people, you are a rich star, send us.' It is five times bigger than the earth... The distance? 1oo.ooo light years... Doesn't matter, we may take good tidings... You prepare that we pass safely, but you must take.

I must write this to the President of America also: ‘Don’t worry, print new Dollars, and say: ‘For every Dollar we put gold through that star. It is security for every bank note. We put the gold there, because thieves may take it from here. There it is safe, never going to fall the Dollar, but every time going up, because the star is security for your Dollars.’
Subhanallahi-l ‘Aliyu-l ‘Azim!

Bismillahi-r-Rahmani-r-Rahim. We say this, because we are so weak; it is impossible through our weakness to reach to that star. But a ‘Mutasarrif’, someone who has been granted will from the divine Will to do something, before he says anything, may come already from that star as much as he is asking. By ordinary means it is impossible to reach there. But in a blink of eye, if he is asking, that Qutb-ul-Mutasarrif may fill a hill with gold- it is not difficult- bringing it here. I may say: ’Bismillahi-r-Rahmani-r-Rahim, I am asking an amount for the Baraka of the Besmela.’ Its power runs through the universe everywhere. There are some places with all blue stars, full with precious blue stones, some other places with red stars of red stones, or green stars with green emeralds- and there are countless colours and countless precious stones through this universe. We only know some kinds here. From any kind that Qutb-ul-Mutasarrif may bring here.

You must believe in Allah! He created you and made you Khalifa, giving to you that power to use, to be able to establish the Sultanate on behalf of the Name of Allah through the whole universe. You have been granted such a power; it may come to you when you are asking. Hazreti insan; man is glorified, but people are like mules, like cattle, only looking on grass, what they are eating, asking pleasure for their physical body, never taking care for their real personality.

Bismillahi-r-Rahmani-r-Rahim. We are in depthless weakness, that is our position, but endless power oceans have been granted to you to use. Be with Bismillahi-r-Rahmani-r-Rahim; you are granted to use it. But man in our days never asks to move from the sewage. How people can reach Heavens if they ask to live through the sewage? How they can get out to a clean area and go up? All people are so happy to be in the dirty sewage, and everyone in it is going to be dirty also. And dirtiness can’t reach to the glory of Heavens.

This is a Mescid, a mosque. You can’t get in without cleaning yourself. We built this building here for the honour of the Lord, to fulfil His divine orders to pray, and we are in need cleanliness to come in it, because it is a prayer-hall. What about through Heavens? And you are in the sewage. How you can go there and you

insist to be in the sewage? You must get out and you must clean yourself. And you have been granted wings from the power ocean, carrying you through every distance, in every direction. To where you are asking to reach, you may reach. Therefore we are in need of that cleanliness, but people are happy to be in the sewage, so they should be there and die there.

May Allah forgive us and clean us. He is saying about cleaning: 'I am sending My guidance, I am showing you how you can get out from the sewage. Use that way to save yourself, to come up; you should be clean and reach to any of your target, will or wish.' Therefore tahara, cleanliness, is the first order in Islam. Who says: 'La ilaha ill-Allah, Muhammad Rasulullah', just he cleaned his soul; and then comes the order to go and make Ghussl for his body. After saying the Shahada, the second obligation is to wash oneself. And after washing the physical body we are in need to complete that cleaning through those people, who are experts in this- the Anbiya and Awliya, prophets and saints...

O Allah, send us people who may clean us to make us prepared to be welcome and suitable servants for your divine service. And may You give more from Your light and honour and glory oceans to the most glorified servant S. Muhammad sws.

## "As My Companions Are Like Stars, I Am Like the Sun"

Fatihah (Mawlana Shaykh stands)
Allah Allah, Allah Allah, Allah Allah, `Azeez Allah
Allah Allah, Allah Allah, Allah Allah, Kareem Allah
Allah Allah, Allah Allah, Allah Allah, Subhaan Allah
Allah Allah, Allah Allah, Allah Allah, Sultaan Allah

Suhbhaanahu wa ta`ala. Nahnu `abeeduk al-fuqara wa 'd-du`fa, biz bi ayydina yaa Mawlana. alfu salaat, alfu salaam `ala Sayyid al-Awwaleen wal-Akhireen, Sayyidina Muhammad (s) anfadu min an-noor as-saat`i min al-azali ila 'l-abad. yaa Rabbi 'la-`alameen. Zidhu yaa Rabb, Zidhu yaa Rabb wa barik lahu wa li ummatihi. (Mawlana Shaykh sits)

Alhamdulillah wa kafaa. Understanding Arabic, yaa Salaf as-Saalih? Law kuntum dharra min Salaf as-Saalih kunna natakhidh bikum, lakin. You are only claiming; you are not really followers of Salaf as-Saalih. Salaf as-Saalih are Sahaabah 'l-Kiraam `alayhimu 'r-Ridwaan, but you are taqsud. You are thinking of some people who came after the Sahaabah (r), the Salaf as-Saalih.Why are you not saying, "We are followers of the stars of samaa ad-dunya." Why are you not saying this? Madad yaa Rijaalullah, madad yaa Sultan al-Awliya. Why are you not saying, “We are followers of Sahaabah ‘l-Kiraam." And your maqsad, purpose, is to make a separation

between the Sahaabah (r) and some people who came centuries after. What are you saying, Salaf as-Saalih? The Seal of Prophets (s), (Mawlana Shaykh stands) Sayyid al-Awwaleen wal-`Akhireen was saying:

•••••• ••••••• ••••• ••••••• •••••••

as-haabee kan-nujoom bi ayyihim aqtadaytum ahtadaytum, My companions are like the stars; whichever of them you follow, you will be guided.

Why are you not saying from where you brought that title, Salaf as-Saalih? (Mawlana Shaykh sits) Tawbah, astaghfirullah. That is the wrong way! They are so mutakkabir people, proud, arrogant ones. They are not tenezzül etmiyor, yaani, maa yatanazzal, they are not interested in Sahaabah (r), they are interested in Salaf as-Saalih. Who are the Salaf as-Saalih? Write their names; we may look and we may follow them also. What is that? Was-salaamu `ala man ittaba` al-huda, “May peace be upon the guided ones.” Salaam is only going to be for those who are following the right way of the Seal of Prophets, Sayyidina Muhammad (s) (Mawlana Shaykh stands and sits) Allahu Akbar! Thumma ‘s-salaamu `alayk yaa Sayyidee, yaa Saahib az-Zamaan, yaa Qutb az-Zamaan, yaa Qutb al-Mutasarrif, who makes tasarruf (management) for everything on this dunya, under it and over it.

As-salaamu `alaykum. As-salaamu `alaykum, our attenders. Sometimes they are making a weak servant shout at wrong people who are bringing some terms that were never used in the time of the Seal of Prophets (s). Yes, from where are they bringing that term, “Salaf as-Saalih." They are saying only a handful of people, and ghayrahum aakhareen, other people are not belonging to the Seal of Prophets (s), that they are going to be out. And they are saying, “Only we are Salaf as-Saalih.” That is a wrong way and a wrong understanding; something is going to be wrong in the hearts of those people.

Shaytan is asking to make a shubhah, doubt in their hearts, to make others think they are far from the ways of the Seal of Prophets, peace be upon him. They are saying, “We are on the right way and other people are on the wrong way." Qul haatoo burhaanakum, “Say, 'Bring your proof!” And they are a handful of people, saying, “We are Salaf as-Saalih; we are only for ourselves and are going to be shirzimatun qaleelun (a small handful of people).” Allah Allah. SubhaanAllahi 'l-`Aliyyu 'l-`Azheem!

Therefore, you must always say A`oodhu billahi min ash-Shaytaani ‘r-rajeem, because in every second,

Shaytan is trying to make believers come on the wrong way from the right way. He is asking to take them away from the right way to the wrong way. Therefore, we must say A`oodhu billahi min ash-Shaytaani ‘r-rajeem, dastoor yaa Sayyidi , yaa Sultanu 'l-Awliyaa. This is a humble association. We are not claiming we are that one or this one. No, all are on the same level.

`Ajaa'ib. It is very astonishing to say, “Salaf as-Saalih.” Change your name! Say, “We are the followers of the Seal of Prophets.” The Seal of Prophets, Sayyidina Muhammad (s) (Mawlana Shaykh stands) is so humble, saying: ashaabee ka 'n-nujoom bi ayyihim aqtadaytum ahtadaytum.

And he is never saying for himself. If the Sahaabah are najma, star, why did he not say for himself, “I am the sun.” But his endless humbleness prevents him from saying, "I am the sun, follow me." He is saying, ashaabee ka 'n-nujoom bi ayyihim aqtadaytum ahtadaytum, ahtadaw bihim. Laa hawla wa laa quwatta illa billahi 'l-`Aliyyu 'l-`Azheem! (Mawlana Shaykh sits)

`Ajaa'ib, astonishing, manika ‘l-nafs. Why? As-haabee. He is saying, "My followers are like shining stars,” not black stars, but "shining" stars. He was not saying that every Sahaabi (r) was in darkness before the Lord of Heavens sent noor al-Islam, the light of Islam, and when that light enters their hearts, their hearts shine and they are going to be shining stars. "O my nation! Follow them because they are shining stars." As sailors on the oceans look for the Pole Star and find their ways, if you are following one of them, you can find your way to enlightened worlds. Adab (good manners). The Seal of Prophets (s) said, (Mawlana Shaykh stands) ••••• ••• ••••• •••••• adabanee Rabbee fa ahasana taadeebee, "My Lord has taught me excellent manners and perfected my manners."
(Mawlana Shaykh sits) That may reach only one. “Rabbee, my Lord, taught me and is granting me the best adab, characteristics and good manners. This can be for no one except me, for the one He taught is giving that best adab.”

And he said, "O my nation, Ummat al-Habeeb! I am explaining my followers' real beings.” Don't look at their clothes, don’t look at their homes, don’t look at what they are eating and drinking. You must look at what they are carrying from heavenly jewels and heavenly lights. Look at that one, and each one has it. Only I am saying, but he is not saying, “They are taking from heavenly lights.” Why are you not saying this? And a group of people are using some scales, saying, “This is good, that is bad.” They are even saying about Sahaabah (r),

“This one is good, that one is bad.” And Allah Almighty is saying: (Mawlana Shaykh stands):

••••••••• ••••••• •••••••••• •••••••••••••

alays Allahu bi-ahkami 'l-haakimeen, Is Allah not the Most Just of judges! (95:8)

Allah (swt) is saying, “Don't be a partner for Me. I am the only One that may give rights to everyone and their honors. You can't say, 'This is good, that is bad.'" (Mawlana Shaykh sits) SubhaanAllahi 'l-`Aliyyu 'l-`Azheem! Why are they saying, “We are Wahhabi." Why are they saying, “We are Salafi." That is baatil, falsehood, thrown away! You must say, “We are on the way of the Prophet's companions (r)." You may say, “I am following Amr Ibn al-`As (r),” or, “I am following Sayyyidina ‘Ali (r),” or, “ I am following Abu Bakr as-Siddiq (r),” or, “I am following `Umar ibn al-Khattab (r)” and the 124,000 Sahaabah (r). Every one of them is full with knowledge!

Therefore, even if for one minute they are looking at the Seal of Prophets' (s) much brightened and white face, what they are taking through their hearts from him is enough for their whole lives! If they are trying to reach to that light, it comes directly into their hearts, making them move from Earth up to Heavens if they are looking only once at the Seal of Prophets (s)! And he (s) was never saying about any of his companions, “That one is good, that one is bad." No! Who is coming and washing himself through the Oceans of Oneness, finished! SubhaanAllahi 'l-`Aliyyu 'l-`Azheem! People must come to see reality, or to know reality, or to follow reality. Allah Allah, Allah Allah, Allah Allah.

Now is coming the time of Second Ignorance, Jaahiliyyati 'l-oola. The first period of ignorance has already passed, and that is showing Jaahiliyyati 'l-oola, “My Mother jaahiliyyah.” Why is Allah Almighty saying this? You are Arabs, Salafi `ulamas, so are you never thinking about why Allah Almighty is saying, Jaahilayyati 'l-oola? (Mawlana Shaykh stands) SubhaanAllah, SultaanAllah. Allah Almighty is addressing to all Muslim ladies:

••••• •••••••••••• ••••••••• •••••••••••••••• •••••••••

wa laa tabarrajna tabarraja al-jaahiliyyatil-oola, and do not flaunt your charms as they used to flaunt them in the old days of pagan ignorance (33:33)

(Mawlana Shaykh sits) Are you learning tableegh, bayyaan, balaaghata 'l-`arabiyya? Your understanding must be much better than al-aakhireen. Nahnu al-a`ajim. But you are Arabs, your language is Arabic, so you

are understanding what we are not understanding. Why is Allah Almighty saying al-Jaahiliyyatil-oola? You can't find anything in Holy Qur'an without countless wisdoms. Why is this aayatul-kareema coming? Wa laa tabarrajna tabarraja al-jaahiliyyati 'l-oola. Why is it coming in the Holy Qur'an?

O People! Keep your honor and don't return to the Period of Ignorance! That is giving a sign that the second jaahiliyyah, Period of Ignorance, will come. Now we are falling in it. So saraaha, it is such a clear, holy order of Allah Almighty for ladies. Tabarrajna this means "show themselves." Ornaments are for showing themselves to men. They are not interested (to show) women with their dressing, but they are asking to show their beauties to men, not to women. The Second Period will come. Yada`fa Islam; it is becoming weaker, weaker, weaker and there should be a period, a Second Period of Ignorance. At that time, which now we are in it, women and men will both ask to follow in the steps of the time of jaahiliyyah, ignorance, before the Seal of Prophets (s) had come to them. Laa ilaaha illa-Llah, Laa ilaaha illa-Llah Muhammadun Rasoolullah (s) Tawbah astaghfirullah. Now we are in it, and tabarruj is not only for women, but there are so many meanings coming.

O Mankind! This is showing that you will reach a time like the First Ignorance. People are trying to reach it and bring it to life. That is why heavenly ones are very angry with Arabs who are changing and not understanding the real meaning of the Holy Qur'an. They were never following anyone in the Time of Ignorance. The Arabs were so proud, never asking to follow another person, saying, "Only I am here, no one else!" Now, they are feeding the same bad characteristic, or it is better to say that Shaytan is feeding the seeds of that bad characteristic for the Arab ego. They don't like to say, "We are following the stars of the Seal of Prophets." Rather they like to say, "We are following Salaf as-Saalih." Haadha tafreeq, that is making a separation for the Muslim world. The Muslim world never accepts to say, "We are all Salaf as-Saalih," or, "We are followers of Salaf as-Saalih." They must stop it! They must take away that name! They must say, "We are followers of the stars of the Sun of Creation (s)." Those "stars," the companions, are taking noor from that sun, which is from pre-Eternal up to Eternal, and never does the sun mayoor, become extinguished!

Therefore, they are making such an ignorant one to shout at them because they are on the wrong way. Wrong way! You are not "Salafi"! In Islam we can't say, "We are Salafiyyun." We can say, "We are tabi`een or tabi` at-tabi`een," but we can say that we are followers after such. Therefore, they are every time saying, "bida`, bida`!" and, "saahib bida` fi 'n-naar." If they are saying, "A separation is considered to be a bida`," then they

will be the first ones thrown into the Fire! The Lord of Heavens is saying, if they are understanding: (Mawlana Shaykh stands):

•••••••••••••• ••••••• •••••• ••••••• ••••• •••••••••••••

wa`tasimoo bi hablillahi jami`an wa laa tafaraqoo, Hold fast altogether to the rope of Allah and do not separate. (3:103)

(Mawlana Shaykh sits) They are making that separation! They are all carrying a heavy responsibility for putting in Islam something to make it explode and to make Ummat al-Habeeb in countless divisions as separated ones. Laa hawla wa laa quwatta illa billahi 'l-`Aliyyu 'l-`Azheem! Is it true or wrong? Say, “What that weak servant is saying is true.” Say, don't fear! Change your way to the right way and you should be happy here and Hereafter. May Allah (swt) forgive us.

That is an endless, deep ocean and it must be well understood! That is the point that makes Ummat al-Habeeb into 73 different groups. Shaytan is working. Shaytan is never getting tired, always running after people to bring such ideas that never passed before. It is so clear what the Seal of Prophets (s) is saying, ashaabee ka 'n-nujoom.Why are they saying, “Salaf as-Saalih.” Do they have the right to make such a separation? We are living after the period of Nabi (s) and the period of Ashaabu ‘l-Kiraam. They are making different groups and they have such different imaginations for themselves and nonsense understandings of the Holy Qur’an and Holy Hadeeth ash-shareef.

O People! Beware of such who are saying, “We are Wahhabis.” They are on wrong ways, and if they do not come on the right way, waylun lakum, then we are waiting for a heavenly curse to come on you, or you should be taken away. That is an indhaar, heavenly warning! This old person is not claiming anything, but heavenly powers are making me to speak to all nations of the Seal of Prophets, Sayyidina Muhammad (s) (Mawlana Shaykh stands and sits) to make their way from wrong directions or they will be taken away!

May Allah (swt) forgive us for the honor of the most glorified and honored one, Sayyidina Muhammad (s), ashfa` lana yaa Sayyidina. (Mawlana Shaykh stands and sits)

Fatihah.

It is 100% true and no one can say it is not true; if so, they are wrong. Therefore, this heavenly warning is coming through a weak servant; they are not using big ones. Huuuuuu!

Allah Allah, Allah Allah, Allah Allah, Subhaan Allah 2x

(Mawlana Shaykh sings)

Dome dome, dome dome 4x

Huuuu. Heavenly music is halaal, shaytanic music is haraam. Yaa Huuu.

Fatihah.

(Mawlana Shaykh prays two raka`at Salaat ash-Shukr.)

Shukrulillah, shukr yaa Rabbee, shukr (du`a)

(45 minutes) Barakaat Shaykh Hisham.

Lefke, 01.07.2010

**I am that One!**

Destur, ya Sayyidi, ya Sultanu-l Awliya
Meded, ya Rijalallah!
Audhu bi-llahi mina shaytani rajim
Bismillahi r-Rahmani r-Rahim

O our attenders! Welcome to you! May Allah bless you! And we are saying:Audhu bi-llahi mina
shaytani rajim... that means, we are running to Allah, asking a shelter, and saying: Bismillahi r-Rahmani r-Rahim, by the name of our Creator, Allah, that He granted us life.

Yesterday we are not in existence, today we are looking and seeing
ourselves in existence, but tomorrow we are not going to be in existence. And we have been ordered to say His, (the) Almightys, most honoured Name and Names, that Bismillahi r-Rahmani r-Rahim, by the Name of Allah, who has endlessly Mercy Oceans. No one (is) knowing the limits of His Existence, no one (is) knowing His Mercy Oceans limits, from where (they are) beginning or up to where (they are) reaching!

Yes, therefore we are saying: Audhu bi-llahi mina shaitani rajim, I am running from (the) worst, (the) most terrible enemy to Allah, we are running to Him - Meded, ya Rijalallah - and we are asking for our association a spiritual support or heavenly support. If they are giving a support, I can speak, you can speak. But from one to another one our speech going to be different.

As our mentality (is) going to be different, people may add to a limit kinds of mentalities, but

no limits for mentalities! And - glory to the Lord of Heavens, our Creator, yes, (He is) one!

What we are saying now (is) that there is a creation. That is never changed or (an) unchangeable reality. Mankind must know this! I am a weak servant, perhaps (the) weakest servant and I may ask to anyone if there is a creation? No one can say no, because (there are) creatures in existence. If creatures (are) in existence, that means you are admitting that (there) must be (a) Creator. If creation and creatures (are) just in existence, mentality, everyone's mentality, must say that there is a creation and it needs a Creator! No one can deny (this)! If (someone is) denying (this) that means, (he is a) no mind person! His head may be a head of donkey, yes... donkey cant think, but man may think. But any other creature, do you think that they may think? Who can say that (a) dog can think? Who can say (that) a rabbit can think? Who can say (that) an elephant (is) thinking, who can say a panther (is) thinking, who can say a cat (is) thinking, who can say a Mickey mouse can think? You can say (this)? I don't think! If anyone saying this - his saying also it is a fruit of thinking. Without thinking no one can say that a mickey mouse can think. Yes?

Now - I am nothing, I am only a weak creature and my branch through creatures is to be from mankind. Another world... tur... mammal animals, for example, that (are) feeding their kids by themselves, from their breast... mammals... Wild animals they have a line, flying (animals) another line, wild animals another kind, line... You cant find anyone from any kind of creatures to be able to think, except mankind! It is true or not? Mankind may think, because they have mentalities, but a dog (has) no mentality, a dog (has) no mentality. Mentality (is) for mankind, (it is a) heavenly ata, grant. And we have been granted that mentality from our Creator, because you are (a) creature and (there) must be for us (a) Creator!

You cant say: I am creating my child through my womb, or you cant say: My wife (is) creating my child through her womb. That is foolishness! You cant say this! No any mentality (is) accepting this! If you are saying this, I may say: What about a cat? Cat bringing three kids, four kids, two kids, or five kids - what do you think: (Is) that cat creating that kids through its womb? What is that foolishness?

How changed (the) mentality of people living (in) 2008 (according to the) calendar! They (are) coming back to be like animals that animals (have) no mentality! And no any animal claiming that: I am creating my kids through my womb! I am giving their designs through my womb! I am that one that (is) designing and creating my kids to be male or female! Or no one can say that a cat (is) going to make its kids to be their colours black one or white one or grey one or mixed up - who can say? What happened to mankind to say: No Creator! How they can say this? What is that foolishness? Which one mentality can say that (a) Mickey mouse it is arranging its Mickey mousses (mice) through its womb? What is that foolishness for 21st century people? But they are drunk!

And I hope that now some holy people, some special people, some authorized people among mankind, (are) going to destroy whole batil, wrong and their faults! I am asking from my Lord, jalla jalaluh, through His most glorified servant and creature Sayyidina Muhammad sallaLlahu alayhi wa sallam -, and through my Grandsheikh (I am) asking, to be able to destroy whole batil, false[hood]!

And I am nothing, but sometimes my mentality that (is) belonging to Heavenly Power Stations, should fire up the faults of shaytanic teachings! May Allah forgive me and may holy peoples support be with me, to destroy on earth every wrong idea, every fault and false! May Allah forgive me! For the honour of the most honoured servant in His Divinely Presence, Sayyidina Muhammad...

If anyone they may bring any objecting on this, I am saying: Hatu burhanakum! Bring your proofs that what I am saying is wrong!

I am (the) weakest servant, but sometimes (the) most strongest one to destroy shaitanic ideas and his teachings and practising! And I hope - even I am weakest one- (that) I am going to destroy whole false ideas that they are shaytanic teachings under the cover of technology! I am that one (who is) going to destroy their technology, insha Allah! For the honour of the most honoured one in (His) Divine Presence....

For what I am saying I am (that one)? Because I am (the) weakest one... No need (for a)

strong one! Strong ones can take away (the) whole universe! This is nothing, therefore I am saying: I can do this... (???)...

As-salamu alaikum! Fatiha!

**Ibn Arabi Hz**

---

We are alive and in safety... the One Who woke us up... is our Mawlana (swt), Shukr to Him, our Mawlana... The one carrying His honor, the Respected Prophet (sws), the Master of the universe, Salat and Salam to him, the Pride of the universe, Sultan of prophets (sws); respect & reverence for him. Shukr Allah, He made us from his nation.
Assalamu Alaykum Ay Yaran Shah Mardan. Listen, listen to his talk/association. Our way is the way of association. Associations are for training people, for teaching good manners, to make people walk the path of Shukr for their Lord. It is a teaching for people to present their Lord with worship & glorification. Ay Shah Mardan, Sahib al Maydan, O holy Shah Mardan, the Lion of Allah, Shah Mardan, our Master's (sws) uncle's son - those who don't love him... cannot be a mu'min (believer). Who is heedless about him... is a useless person, that is why... the field is his.
Let's say, Bismillahir Rahmanir Rahim. Shah Mardan is offering us an addressing, a language that we can understand. He can speak in any language. Whatever our level is... according to that, he speaks and teaches us. What is Shah Mardan's teaching for? What does it teach? It teaches Adab (good manners). Adab (good manners)... gives people good characteristics. What gives honor, is adab. Ay Yaran Shah Mardan, O beloved ones of Shah Mardan, may you be everywhere; may you have assemblies in every place so you can mention Shah Mardan everywhere, so we can teach the adab we learn from Shah Mardan. Their ways are the ways of Haqq (truth) - it is the way going toward Haqq. The ones going toward Haqq have honor. Those who don't go that way have no honor.
Ay Shah Mardan, Go ahead... let's listen and learn... and... Ay Shah Mardan your words... teach adab. They discipline and show the way of servanthood. They explain your identity to

you - What are you? Who are you? Why are you (created)? What do you want to do? What do they desire for you to do? Allah (subhanahu wa ta'ala) why did He create man? Ay Yaran Shah Mardan, Go ahead let's listen and learn. Allah (swt) has given man honor from Shah Mardan. Ay Yaran O beloved ones of Shah Mardan, the ones walking on the way of Shah Mardan, O those who walk with the Lion will become lions. Those walking with dogs become dogs. Those walking with donkeys become donkeys. Whoever you go with... know - if you go with a dog, you are a dog. Who goes with donguz is donguz. Who goes with an ox, is an ox. Who goes with a donkey, is a donkey. If he goes with a respectable person, his reputation will be high. Whoever wants to gain good reputation... Reputation is not with money. Humanity cannot be bought with money.

Qarun... collected the treasures of the world. He piled them up. The ones carrying the keys to his treasures... were 60 mules and... all that the mules were carrying were the keys to his treasures. The smallest key was the size of a finger. It opens one treasure. The 60 mules were carrying the keys of his treasures - the keys, not the treasure. There is no calculator to count all his treasures, Qarun. By the wisdom of Allah (swt), He left him... "Let him collect", He said. Finally, he said, "I found these treasures by way of knowledge. I earned these with my knowledge", he said. You...have crossed your limit. The keys to his treasures are carried by 60 mules. What is the load of 60 mules? Go ahead, O Shah Mardan, what is the load of 60 mules? It is not the maximum... It isn't the last limit of numbers. The load of 60 mules is possible... To be the load of 600 mules - that isn't anything (significant) either. If you want, it can be 600 mules' load, not 600, but 6000 mule loads of keys to treasures.
Let's say, all the world's treasures are yours. What are you? Are you eating... your treasures? No. O Shah Mardan go ahead, so they can listen to your advice. The Alawis and Shia and kings and princes should listen too. Dunya (this world)... is one treasure, one. Let it be solid gold. With Allah's (swt) power, He can create a world made from solid diamond. He can also created a world made from solid sapphire. Not one, but He can create 1000 worlds, billions, millions, trillions, of worlds. He can create, Allah (swt) from jewels - the number of jewels is not known; their colors, their beauty, are not known. We only know 7 colors. Can there not be anything beyond 7 colors? Our Mawla, the One Who is Able... according to our being, He decorated this

world with 7 colors. He decorated. The One Who created this world with 7 colors, can't He create with 70 colors? Think!
O Shah Mardan, go ahead. How nicely he is saying it. Similar to this world... this world has 7 colors... Let this world be a jewel with 7 colors. Allah (swt) Who created this... can He not create a world with 700 colors? He can create. He can create a world from a jewel with 700 colors. Shah Mardan, these people... their minds don't understand anything. Their minds are running after useless things, like the donkey eating straw. They don't think about these kinds of realities. How many times is "Tafakkaru" mentioned in the Holy Quran? There is a command to - think and... the City of Knowledge, the Glorious Prophet (sws) is saying... (alayhi afdal assalat wa taslim) he is saying, Think! You are not thinking, and your imagination... where can your imagination reach... Think. A world like that one... Allah (swt)... with the order of "kun" He brings into existence, before letter 'kaf' can reach letter 'nun'. "Kun- Be", He says, and a world like that comes into existence. Think of Allah (swt). Think of Allah's (swt) greatness. Say, Bismillahir Rahmanir Rahim so you can find honor. Don't run after the carcass of this world. When there is a carcass... some animals, run to eat it and also...by Allah's wisdom... there are those vultures... They fly around in a circle like this... They smell the carcass and when they get the chance, go down and eat it. They leave the skies and go down to the carcass. Nowadays, most people are leaving the heavens and going down to carcasses. Shame on them.
O Shah Mardan go ahead... Ay Yaran Shah Mardan, the ones Shah Mardan loves, holy servants, clean servants, beloved servants, the one who loves his Lord and Prophet, the one who loves Shah Mardan and awliya (saints), the ones who don't love dunya... what worlds will Allah (swt) open for you! He is Qadir Mutlaq His order... is between the letters 'kaf' and 'nun' - Kun. Recognize your Lord. Ay Yaran Shah Mardan get to know your Lord. At least, we are giving a description.
Madad Ya Shah Mardan we are getting short of breath. We cannot speak. If we speak, we cannot understand. If we explain, we cannot understand. This world... eating and drinking and...dastur... to fill up WC... They think this is why the world was created. People... eat and drink and fill WC. They think that's why they were created. How low! This is low. Wa Ma Khalaqtu l-Jinna Wa l-Insa Illa Liya'budun (51:56) I created humans and jinn for my servanthood. Do your service... You will be like angels. You won't need to eat or drink. You'll

be clean. You won't need to go to WC... mashallah, mashallah.
Those fighting for dunya- Alawi, Shia, and all the others, what is your desire? Money? Money for what? To eat different many types of food? To have pleasure?... And after that, you will fill the WC. The favors of this world have been given to you. What work did you do? What good deed did you do? What did you do? What did you accomplish? I ate and drank and... I filled the WC... spit on you dishonorable ones! The one who eats and drinks to fill WC, this is his value. The angels are saying, thu (spit on you). They say you are lower than animals. Mankind... O Shah Mardan, go ahead; how does Shah Mardan describe man?
The level of man is higher than angels. Our rank is higher than angels and if we don't recognize the value and honor of our rank... what will we be? We will be animals that fill the WC. Be Man! O people who claim to be Alawi... Shia... Chrisitan... there is a cannon for them too.
The Christians have also gone astray and become upset. They have found the meaning of life in eating, drinking, and entertainment. Allah (swt) did not create you to eat and drink and live like an animal. Allah (swt) created you to remember Him, to do your servanthood. He created you to do these things, to dress you with honor. They are throwing away this honor, and falling to the level of animals. Hasha...the backside of animals... isn't repulsive, but man's backside is. Be Man. Be Human, a human, who's rank is above angels.
Ay Yaran Shah Mardan, Mashallah La Quwwata illa biLlah. Let's learn. Let's learn. Let's learn about ourselves. Let's learn our job, our honor. Let's learn our fate. Let's learn about our Lord, Owner of heavens and earth. Let's get to know His saints and prophets, because... their way is the way to Allah (swt). The way of prophets is the way you can go to Allah. How nice to return to Allah (swt) that way. Ay Shah Mardan may your honor increase. Ay Yaran Shah Mardan the beloved ones of Shah Mardan, may your honor increase also. You are the ones who are not worshiping this world. What did Hz. Muhyiddin Arabi say? He got angry at the people of this world and said... "ma'budukum tahta qadami" - "what you worship is under my feet". There was an uproar. They dug in the place that he showed as under his feet and found gold. He couldn't make the people understand. Such a high rank, Hz. Muhyiddin Arabi. He wrote so many volumes of books. What was his conclusion? Get to know Allah and understand your servanthood.
What did Allah (swt) create you for? To eat, drink, and fill WC? He made you higher than

angels. Angels said, "Ya Rabbi, You will create a khalifa (representative)...we are... worshipping You...glorifying You... We are busy with Your service, nothing else. Why will You create a new creation and give them status?" "I know" He said. "You don't know." The angels were quiet. Allah (swt) gave ilm (knowledge) to the children of Adam - different knowledge according to their levels. He never gave to any prophet the knowledge He gave to our Prophet (sws). They all took from his oceans, one cup to drink. They were dressed in the honor of knowledge. They knew why they were created. The one who doesn't know the purpose of his creation has no honor. He is an animal. The one who knows why he was created... is honorable and his service will be honorable.

Allah (swt), "On earth, those who will rule in My Name... a new creation, these people that I have created. Let them learn... Let them recognize their Lord. I am giving them such a power, a power that you do not have, I am giving to them." Ay Shah Mardan, Sahib az-Zaman. The ones who destroy bad, who open the doors of goodness, who open doors of humanity, who open doors of light, who open doors of paradise, who open doors of heavens, Ay Shah Mardan! Let's learn. Let's say, Bismillahir Rahmanir Rahim. Learn what we should say at the beginning. Say Allah! O our Lord, we are mentioning Your Magnificent Name, BismiLah... They're not making people say (basmala). They have become lower than animals. They're not making people write it. They are lower than shaytan. Basmala Sharifa, Allah's Great Name... They're not hanging it up everywhere. They've become jackals, jackals that run after carcasses. Be true/righteous, or else Dhul Fiqqar of Shah Mardan... will strike those who don't know humanity or the honor of man. The time is close. Everything has a limit. When it reaches its limit, it closes.

Ay Rabbi, send us Shah Mardan's students who will teach us ways of good adab. Let them reach us and correct us with their mightiness. Allahu Allah, Allahu Rabbi, Allahu Allah, Allahu Hasbi. Hasbun Allah wa Ni'mal Wakil. Say this and all troubles will be thrown away. Say Allah when you wake up, go to sleep, when you stand up, or walk, so you can be dressed in honor. O our Lord send us servants who will teach us, like Shah Mardan; those whom he trained, let them reach us so they can teach us humanity. These people have forgotten their humanity. satan has made them forget their humanity. Human characteristics are gone - people nowadays are dressed with satan's dress. an-Nadir kal ma'dum. There is only a handful, those who know

humanity. The others have forgotten their humanity. Those who forget their humanity, have forgotten their Lord. Who forgets his Lord, has forgotten everything.
O people, listen to Shah Mardan. Ay Yaran Shah Mardan, we hope to be from his beloved ones, to learn... to teach, to increase our love and enthusiasm so the doors of Paradise open for us. O people learn your humanity. Forgive us Ya Rabbi. Let's say Bismillahir Rahmanir Rahim. Let's mention Your Magnificent Name so our strength will come back, so we will be filled with love & enthusiasm.
This world... is a place like sewage, a carcass, the field, market place of dead animals. Don't fall in love with it. Look to heavens. At night, no one looks to earth. At night, everyone looks to the sky. They tremble from the Sultanate of the Heavens. Who does the Sultanate of the Heavens belong to? Why don't you say? Why don't you teach it? You associate everything with those who go to WC and call it greatness. The One Who fills the skies with stars... Who is He?
Why don't you teach them? Why don't you make them say Allah? Allah, don't make us from them. satan has made the people of today satans. We hope Allah doesn't make us from them.
Ay Ya Rabbi, Allahu Allah Allahu Rabbi Allahu Allah Allahu Hasbi Allahu Allah Allahu Rabbi Allahu Allahu Allahu Hasbi. How nice, what a nice spirituality. Those who are free from the dirtiness of dunya, how nice. We hope Allah doesn't seperate us from their way.
Assalamu Alaykum, Ay Yaran Shah Mardan, his beloved ones. May you be in safety. Don't fear from disbelievers' cannons, guns, or whatever. There is safety and protection for those who recognize their Lord. Those who are being like satan, they'll fight each other and kill each other. Don't be from the side of satan. Run to the servanthood of our Merciful Mawla. Ay Shah Mardan, you offered us beautiful words. Ay Yaran Shah Mardan, light came on our faces relief came to our hearts. How beautiful you are. Let us say everywhere, Shah Mardan. Amin Amin.
Let's say Bismillahir Rahmanir Rahim so our burdens will disappear; so or faith will get stronger; and so dunya will not look pleasing to us. Let's find the honor of our Lord's servanthood. For the sake of the Habib (sws), Fatiha

**Ibn Arabi Hz**

---

Wir leben und sind in Sicherheit.. Der uns aufweckte, ist unser Mawlana (swt), Dank sei Ihm, unserem Mawlana. Der, der Seine Ehrung trägt, der respektierte Prophet (saws), der Meister des Universums, Salat und Salam ihm, dem Stolz des Universums, dem Sultan der Propheten (saws), Respekt und Ehrerbietung ihm. Shukr Allah machte Er uns von seiner Nation. As-Salamu `alaykum, Ay Yaran Shah Mardan. Hört, hört diese Ansprache, dieses Sohbat. Unser Weg gründet auf Sohbat. Sohbats sind dazu da, die Menschen auszubilden, ihnen gutes Benehmen beizubringen, damit die Menschen auf dem Weg des Shukr für ihren Herrn wandeln. Es ist eine Lehre für die Menschen, ihrem Herrn Anbetung und Lobpreis zu entbieten. Ay Shah Mardan, Sahibu l-Maydan, o heiliger Shah Mardan, der Löwe Allahs, Shah Mardan, der Sohn des Onkels unseres Meisters (saws). Diejenigen, die ihn nicht lieben, können keine Mu'min sein. Wer seiner achtlos ist, ist eine nutzlose Person. Deshalb ist das Feld sein.
Sagen wir Bismillahi r-Rahmani r-Rahim. Shah Mardan bietet uns eine Ansprache, eine Sprache, die wir verstehen können. Er kann jede Sprache sprechen. Was immer unsere Stufe ist, in Übereinstimmung damit spricht und lehrt er uns. Wozu lehrt Shah Mardan? Was lehrt es? Es lehrt Adab, gutes Benehmen. Adab, gutes Benehmen, gibt den Menschen gute Eigenschaften. Was Ehre gibt, ist Adab. Ay Yaran Shah Mardan, o Geliebte Shah Mardans, möget ihr überall sein. Möget ihr Versammlungen an allen Orten haben, so daß ihr Shah Mardan überall nennen könnt, so daß wir den Adab von Shah Mardan lernen können. Ihre Wege sind die Wege von Haqq. Es ist der Weg, der auf Haqq zugeht. Die, die auf Haqq zugehen, haben Ehre. Die, die diesen Weg nicht gehen, haben keine Ehre. Ay Shah Mardan, fang an. Hören wir und lernen und ay Shah Mardan, deine Worte lehren Adab. Sie disziplinieren und zeigen den Weg zur Dienerschaft. Sie erklären dir deine Identität. Was bist du? Wer bist du? Wozu wurdest du erschaffen? Was willst du tun? Was wünschen sie, solltest du tun? Allah, Subhanahu wa Ta`ala, warum erschuf Er den Menschen? Ay Yaran Shah Mardan, fang an. Hören und lernen wir. Allah (swt) gab dem Menschen Ehre von Shah Mardan. Ay Yaran, o Geliebte Shah Mardans, diejenigen, die den Weg Shah Mardans gehen, o jene, die mit Löwen gehen, werden Löwen werden. Jene, die mit Hunden gehen, werden Hunde. Jene, die mit Eseln gehen, werden Esel. Mit wem immer ihr geht.. Wisset, wenn ihr mit einem Hund geht, seid ihr ein Hund. Wer mit Donguz geht, ist Donguz. Wer mit einem Ochsen geht, ist ein Ochse. Wer mit einem Esel geht, ist ein

Esel. Wenn er mit einer respektablen Person geht, wird sein Ansehen hoch sein. Wer immer ein gutes Ansehen erlangen will, Ansehen kommt nicht von Geld. Menschlichkeit kann nicht mit Geld gekauft werden.

Qarun sammelte die Schätze der Welt. Er häufte sie auf. Diejenigen, die die Schlüssel zu seinen Schätzen trugen, waren 60 Maultiere, und alles, was die Maultiere trugen, waren die Schlüssel seiner Schätze. Der kleinste Schlüssel hatte die Größe eines Fingers. Er öffnete einen Schatz. Die 60 Maultiere trugen die Schlüssel seiner Schätze, die Schlüssel, nicht die Schätze. Es gibt keine Rechenmaschine, die seine Schätze zählen kann. Qarun, durch Weisheit Allahs (swt) ließ Er ihn. 'Laßt ihn sammeln!' sagte Er. Endlich sagte er, 'Ich fand diese Schätze durch Wissen. Ich verdiente diese mit meinem Wissen', sagte er. Du hast deine Grenze überschritten. Die Schlüssel zu seinen Schätzen wurden von 60 Maultieren getragen. Was ist die Ladung von 60 Maultieren? Nur zu, o Shah Mardan, was ist die Ladung von 60 Maultieren? Es ist nicht das Maximum. Es ist nicht die letzte Grenze der Zahlen. Die Ladung von 60 Maultieren ist möglich. Die Ladung von 600 Maultieren zu sein, ist auch nicht irgendetwas Bedeutendes. Wenn ihr wollt, können es 600 Ladungen von Maultieren sein, nicht 600, sondern 6000 Maultierladungen von Schlüsseln für die Schätze.
Sagen wir, die Schätze der ganzen Welt sind dein. Was bist du? Eßt ihr euere Schätze? Nein. O Shah Mardan, nur zu, so daß sie deinen guten Rat hören können. Die Alawiten und Schiiten und Könige und Prinzen sollten auch zuhören. Die Dunya ist ein Schatz, einer. Laßt sie echtes Gold sein. Mit Allahs (swt) Macht kann Er eine Welt aus echtem Diamant erschaffen. Er kann auch eine Welt erschaffen, gemacht aus echtem Saphir. Nicht eine, sondern Er kann 1000 Welten erschaffen, Billionen, Millionen, Trillionen von Welten kann Er erschaffen, Allah (swt) aus Juwelen. Die Anzahl der Juwelen ist nicht bekannt, ihre Farbe, ihre Schönheit sind nicht bekannt. Wir kennen nur 7 Farben. Kann es etwas über die sieben Farben hinaus geben? Unser Mawla, Derjenige, Der Fähig ist, nach unserem Wesen dekorierte Er diese Welt mit sieben Farben. Er schmückte. Derjenige, Der diese Welt mit sieben Farben erschuf, kann sie nicht mit 70 Farben erschaffen? Denkt! O Shah Mardan, nur zu. Wie schön sagt er es. Ähnlich wie diese Welt, diese Welt hat sieben Farben.. Laß diese Welt ein Juwel mit sieben Farben sein. Allah (swt), Der das erschaffen hat, kann Er nicht eine Welt mit 700 Farben erschaffen? Er kann es. Er kann eine

Welt erschaffen aus einem Juwelen mit 700 Farben.
Shah Mardan, diese Leute, ihr Verstand versteht nichts. Ihr Verstand läuft hinter nutzlosen Dingen her, wie Esel, die Stroh fressen. Sie denken nicht an diese Art von Wirklichkeiten. Wie oft ist "Tafakkaru" im Heiligen Quran erwähnt? Es gibt einen Befehl zu denken, und die Stadt des Wissens, der glorreiche Prophet (saws), sagt, `alayhi Afdal as-Salat wa Taslim, er sagt: Denkt! Ihr denkt nicht, und euere Vorstellungskraft, wohin kann euere Vorstellungskraft reichen? Denkt. Eine Welt wie diese, bringt Allah (swt) mit dem Befehl "Kun" in die Existenz, bevor der Buchstabe "Kaf" den Buchstaben "Nun" erreichen kann. "Kun" - Sei, sagt Er, und eine Welt wie diese kommt in die Existenz. Denkt an Allah (swt). Denkt an Allahs (swt) Größe. Sagt Bismillahi r-Rahmani r-Rahim, damit ihr Ehre finden könnt. Lauft nicht dem Kadaver dieser Welt hinterher. Wenn es einen Kadaver gibt, laufen manche Tiere hin und fressen ihn. Und auch, in Allahs Weisheit, gibt es diese Geier. Sie fliegen im Kreis herum, so.. Sie riechen den Kadaver, und wenn sie die Möglichkeit bekommen, lassen sie sich nieder und fressen ihn. Sie verlassen die Himmel und kommen herunter zu dem Kadaver. Heutzutage verlassen die meisten Leute die Himmel und gehen herunter zu den Kadavern. Schande auf sie.
O Shah Mardan, geh voran.. Ay Yaran Shah Mardan, diejenigen, die Shah Mardan liebt, heilige Diener, reine Diener, geliebte Diener, derjenige, der seinen Herrn und seinen Propheten liebt, derjenige, der Shah Mardan liebt und die Awliya, derjenige, der die Dunya nicht liebt, was für Welten wird euch Allah (swt) öffnen! Er ist Qadir Mutlaq. Sein Befehl ist zwischen den Buchstaben "Kaf" und "Nun" - "Kun". Erkennt eueren Herrn. Ay Yaran Shah Mardan, lernt eueren Herrn kennen. Wir geben zumindest eine Beschreibung. Madad, ya Shah Mardan. Wir werden kurzatmig. Wir können nicht sprechen. Wenn wir sprechen, können wir es nicht verstehen. Wenn wir erklären, können wir es nicht verstehen. Diese Welt.. essen und trinken und.. Dastur.. das WC füllen.. Sie denken, deshalb wurde die Welt erschaffen. Die Leute essen und trinken und füllen das WC. Sie denken, deshalb wurden sie erschaffen. Wie niedrig! Das ist niedrig. "Wa ma Khalaqtu l-Jinna wa l-Insa illa Liya`buduni" (51:56). Ich erschuf Menschen und Djinn für Meine Dienerschaft. Macht eueren Dienst. Ihr werdet wie Engel sein. Ihr braucht nicht zu essen und zu trinken. Ihr werdet rein sein. Ihr werdet nicht auf's WC gehen müssen.. Masha'Allah, masha'Allah.
Jene, die für die Dunya kämpfen, Alawiten, Schiiten und all die anderen, was ist euer Verlangen?

Geld? Geld für was? Um viele verschiedene Arten von Speisen zu essen? Um Vergnügen zu haben? Und danach werdet ihr das WC füllen. Die Wohltaten dieser Welt sind euch gegeben worden. Welche Arbeit habt ihr getan? Welche guten Taten habt ihr getan? Was habt ihr getan? Was habt ihr erreicht? Ich aß und trank und füllte das WC.. Spucke auf euch, Unehrenhafte! Derjenige, der ißt und trinkt, um das WC zu füllen, das ist sein Wert. Die Engel sagen 'Ptu'! (Spucken) Sie sagen, ihr seid niedriger als Tiere. Menschheit, o Shah Mardan, fahre fort! Wie beschreibt Shah Mardan den Menschen? Die Stufe des Menschen ist höher als die Engel. Unser Rang ist höher als die Engel. Und wenn wir den Wert und die Ehre unseres Ranges nicht erkennen, was werden wir sein? Wir werden Tiere sein, die das WC füllen. Seid Mensch! O Leute, die behaupten, Alawiten zu sein, Schiiten, Christen, es gibt auch eine Kanone für sie. Die Christen sind auch in die Irre gegangen und durcheinander gekommen. Sie fanden die Bedeutung des Lebens im Essen, Trinken und in der Unterhaltung. Allah (swt) erschuf euch nicht, um zu essen und zu trinken und wie ein Tier zu leben. Allah (swt) erschuf euch, um Ihn zu erinnern, eueren Dienst zu verrichten. Er erschuf euch, um diese Dinge zu tun, um euch mit Ehre zu bekleiden. Sie werfen diese Ehre weg und fallen auf die Stufe der Tiere. Hasha! Das Hinterteil der Tiere ist nicht abstoßend, aber das Hinterteil des Menschen ist es. Seid Mensch. Seid menschlich, ein Mensch, dessen Rang über den Engeln ist.

Ay Yaran, Shah Mardan, masha'Allah. La Quwwata illa Billah. Lernen wir! Lernen wir! Lernen wir über uns selbst! Lernen wir unsere Arbeit, unsere Ehre! Lernen wir unser Schicksal. Lernen wir über unseren Herrn, den Eigner von Himmeln und Erde. Lernen wir Seine Heiligen und Propheten kennen, weil ihr Weg der Weg Allahs (swt) ist. Der Weg der Propheten ist der Weg, den du zu Allah gehen kannst. Wie schön, auf diese Weise zu Allah (swt) zurückzukehren. Ay Shah Mardan, möge deine Ehre zunehmen. Ay Yaran Shah Mardan, die Geliebten Shah Mardans, möge euere Ehre auch zunehmen. Ihr seid diejenigen, die dieser Welt nicht huldigen. Was sagte Hz Muhyiddin Arabi? Er wurde zornig auf die Menschen dieser Welt und sagte: "Ma'budukum Tahta Qadami" - Was ihr anbetet, ist unter meinen Füßen. Es gab einen Aufschrei. Sie gruben an dem Platz, den er zeigte als unter seinen Füßen und fanden Gold. Er konnte nicht erreichen, daß die Menschen verstanden. So ein hoher Rang, Hz Muhyiddin Arabi. Er schrieb so viele Bände an Büchern. Was war seine Schlußfolgerung? Lerne Allah kennen und verstehe deine Dienerschaft. Wofür erschuf Allah (swt) euch? Um zu essen, zu trinken und das WC zu

füllen? Er machte euch höher als Engel.
Die Engel sagten: 'Ya Rabbi, Du wirst einen Khalifa erschaffen. Wir beten Dich an, lobpreisen Dich. Wir sind emsig mit Deinem Dienst beschäftigt, nichts anderes. Warum erschaffst Du eine neue Schöpfung und gibst ihnen Status?' 'Ich weiß', sagte Er. 'Ihr wißt nicht.' Die Engel waren ruhig. Allah (swt) gab Wissen, `Ilm, den Kindern Adams, verschiedenes Wissen, ihrer Stufe gemäß. Er gab niemals einem Propheten das Wissen, das Er unserem Propheten (saws) gab. Sie alle nahmen von seinen Ozeanen eine Tasse zu trinken. Sie wurden mit der Ehre des Wissens bekleidet. Sie wußten, warum sie erschaffen wurden. Derjenige, der nicht den Zweck seiner Erschaffung kennt, hat keine Ehre. Er ist ein Tier. Derjenige, der weiß, warum er erschaffen wurde, ist ehrenwert und sein Dienst wird ehrenwert sein. Allah (swt): 'Auf der Erde, jene, die in Meinem Namen herrschen werden, eine neue Schöpfung, diese Menschen, die Ich erschaffen habe, laßt sie lernen, laßt sie ihren Herrn erkennen. Ich gebe ihnen solche Macht, eine Macht, die ihr nicht habt, gebe Ich ihnen.' Ay Shah Mardan, Sahibu z-Zaman. Diejenigen, die das Schlechte zerstören, die die Türen des Guten öffnen, die die Türen der Menschlichkeit öffnen, die die Türen des Lichtes öffnen, die die Türen des Paradieses öffnen, die die Türen der Himmel öffnen, Ay Shah Mardan! Laßt uns lernen! Sagen wir Bismillahi r-Rahmani r-Rahim. Lernt, was wir am Anfang sagen sollten. Sagt "Allah"! O unser Herr, wir nennen Deinen Herrlichen Namen, Bismillah.. Sie sorgen nicht dafür, daß die Menschen die Basmala sagen, sie sind niedriger als die Tiere geworden. Sie sorgen nicht dafür, daß die Menschen sie schreiben. Sie sind niederiger als Shaytan. Basmala Sharifa, Allahs Großer Name. Sie hängen sie nicht überall auf. Sie sind Schakale geworden. Schakale, die hinter Kadavern herlaufen.
Seid aufrecht, sonst wird Dhu l-Fiqqar Shah Mardans diejenigen schlagen, die Menschlichkeit oder die Ehre des Menschen nicht kennen. Die Zeit naht. Alles hat eine Grenze. Wenn die Grenze erreicht ist, schließt es sich. Ay Rabbi, sende uns Shah Mardans Schüler, die uns Wege des guten Adab lehren. Laß sie zu uns kommen und uns mit ihrer Mächtigkeit zurechtrücken. Allahu Allah, Allahu Rabbi, Allahu Allah, Allahu Hasbi. Hasbun Allah wa Ni`mal Wakil. Sagt das und alle Probleme werden verschwinden. Sagt "Allah", wenn ihr aufwacht, schlafen geht, wenn ihr aufsteht oder geht, so daß ihr mit Ehre bekleidet werdet. O unser Herr, sende uns Diener, die uns lehren, wie Shah Mardan. Jene, die er ausgebildet hat, laß sie zu uns kommen, so daß sie uns Menschlichkeit lehren können. Diese Menschen haben ihre Menschlichkeit

vergessen. Shaytan hat dafür gesorgt, daß sie ihre Menschlichkeit vergessen. Menschliche Eigenschaften sind weg, die heutigen Menschen sind mit Shaytans Gewand bekleidet. An-Nadir Kal Ma'dum. Es gibt nur eine Handvoll, die ihre Menschlichkeit kennen. Die anderen haben ihre Menschlichkeit vergessen. Jene, die ihre Menschlichkeit vergessen haben, haben ihren Herrn vergessen. Wer seinen Herrn vergißt, hat alles vergessen. O Leute, hört auf Shah Mardan. Ay Yaran Shah Mardan, wir hoffen, daß wir zu seinen Geliebten gehören, zu lernen.. zu lehren, unsere Liebe und unsere Begeisterung zu mehren, so daß die Tore des Paradieses sich für uns öffnen. O Leute, lernt euere Menschlichkeit.

Vergib uns, ya Rabbi. Sagen wir Bismillahi r-Rahmani r-Rahim. Nennen wir Deinen Herrlichen Namen, damit unsere Kraft wiederkehrt, damit wir mit Liebe und Begeisterung erfüllt werden. Diese Welt ist ein Ort wie ein Abwasserkanal, ein Kadaver, das Feld, der Marktplatz der toten Tiere. Verliebt euch nicht darin. Schaut auf die Himmel. In der Nacht schaut niemand auf die Erde. In der Nacht schaut jeder in den Himmel. Sie erzittern vor dem Sultanat der Himmel. Wem gehört das Sultanat der Himmel? Warum sagt ihr es nicht? Warum lehrt ihr nicht? Ihr verbindet alles mit denen, die zum WC gehen, und nennt es Größe. Derjenige, Der die Himmel mit Sternen erfüllt, Wer ist Er? Warum lehrt ihr sie nicht? Warum sorgt ihr nicht dafür, daß sie "Allah" sagen? Allah, laß uns nicht zu ihnen gehören. Shaytan hat die heutigen Menschen zu Shaytanen gemacht. Wir hoffen, daß Allah uns nicht zu ihnen gehören läßt. Ay ya Rabbi, Allahu Allah, Allahu Rabbi, Allahu Allah, Allahu Hasbi. Allahu Allah, Allahu Rabbi, Allahu Allah, Allahu Hasbi.

Wie schön, was für eine schöne Geistigkeit. Jene, die frei sind vom Schmutz der Dunya, wie schön. Wir hoffen, daß Allah uns nicht vom ihrem Weg trennt. As-Salamu `alaykum, Ay Yaran Shah Mardan, seine Geliebten. Möget ihr in Sicherheit sein. Fürchtet nicht die Kanonen, Gewehre oder was auch immer der Ungläubigen. Es gibt Sicherheit und Schutz für jene, die ihren Herrn erkennen. Jene, die wie Shaytan sind, werden gegeneinander kämpfen und sich töten. Seid nicht auf seiten Shaytans. Eilt zur Dienerschaft unseres barmherzigen Mawla. Ay Shah Mardan, du hast uns schöne Worte gezeigt. Ay Yaran Shah Mardan, Licht kam auf unsere Gesichter, Erleichterung kam in unsere Herzen. Wie schön du bist. Sagen wir überall, Shah Mardan. Amin Amin. Sagen wir Bismillahi r-Rahmani r-Rahim, damit unsere Lasten

verschwinden, damit unser Glaube stärker wird und damit die Dunya nicht anziehend für uns aussieht. Finden wir die Ehre der Dienerschaft unseres Herrn. Um des Habib (saws) willen, Fatiha.

## Ich bin du

Meddet ya sultan al-awliya, meddet ... Es ist nicht leicht, Verantwortung in der Göttlichen Gegenwart zu tragen. Sayyidina ‘Umar, möge Allah ihn segnen, sagte häufig: ya laitany lam talidny ummy – o weh mir, hätte meine Mutter mich niemals geboren. Sayyidatuna Maryam bint ‘Imran, Tochter ‘Imrans, sagte dasselbe. Sie wünschte, vergessend und verschollen zu sein, nasian mansian *, um nichts zu sein, nicht in der Existenz zu sein. Sayyina ‘Umar sagte: „Ich wünschte, daß meine Mutter mich niemals geboren, mich niemals zur Welt gebracht hätte.“ Deshalb, o all ihr erleuchteten Leute! Wer hofft, die ungeschauten Welten zu erreichen, wisset, daß wer ihre allererste Öffnung erreicht, daß sich ihm des Herrn Größe unverschleiert offenbaren wird, in seiner schwächsten Erscheinung. So wie Moses bat:„O mein Herr, laß sie mich schauen!“ Da sagte Er: „Das kannst du nicht, du wirst nicht in der Lage sein, Mich zu schauen. Sieh dort jenen gewaltigen Berg. Ich schicke auf ihn die aller aller allerschwächste Manifestation, die vielleicht siebzigtausendmal schwächste. Würden Wir auch nur das Doppelte von dem schickten, was Wir auf diesem gewaltigen Berg manifestierten, die Welt würde es nicht tragen können und mit allen und allem auf ihr in Stücke zerbrökkeln. Aus!“ Allahu akbar! Allah ist der Große, der Größte!“ Nichts sonst. Huwa l-an kama kan. Als ich in Sri Lanka war, war ich beim Maqam des Heiligen, der in der Moschee der Qadiris begraben liegt. Auf seinem Grab waren diese Worte geschrieben: Allah huwa l-an kama kan. So wie Allah in der Vorewigkeit war, so ist Er jetzt, ohne Änderung. Er ist wie Er war. Wenn du in einen Spiegel schaust, siehst du dort

jemanden, und du sagst: „Das bin ich, ich selbst!“ Aber du bist es nicht, wenn es so wäre, geh und fasse ihn! Hole ihn aus dem Spiegel heraus! Schau hinter den Spielgel, ist er dort? La maujuda illa hu – niemand und nichts hat Existenz, wahre Existenz, außer Ihm, Allah dem Allmächtigen. Wir sind nur Schatten, die in jenem Spiegel erscheinen. Wer ist dieser Spiegel? Sayyidina Muhammad ist es, Allah segne ihn und schenke ihm Heil. Wäre er nicht, nichts würde in Erscheinung treten. Seid der Zeit der Vorewigkeit steht auf dem Thron, dem ruhmvollen Göttlichen Thron Allahs des Allmächtigen geschrieben: La ilaha illa llah, Muhammadu r-Rasulullah. „Wo ist jener?“ fragte Adam æ, „wo ist der, dessen Name neben Deinem eigenen verehrungswürdigen Namen geschrieben steht?“ „O Adam“, antwortete Allah, „wäre es nicht um seinetwillen, ihr wäret nicht erschaffen worden, nichts wäre in die Existenz gebracht worden. Es ist durch ihn, daß es alle Lebewesen von der Vorewigkeit bis zur Nachewigkeit existieren, durch ihn kommt diese Schöpfung ins Sein und erscheint im Spiegel Muhammads, möge der Friede auf ihm sein und er gesegnet sein.“ In der Nacht der Nachtreise, mi‘raj, fragt Allah der Allmächtige ihn: „Wer bist du?“, und er antwortet: „Du, o mein Herr!“ „Wer bist du, o Muhammad?“ Und er antwortet: „Ich bin Du. Ich habe keine Existenz, hasha (möge Gott es verhindern).“ Es gibt keinen Partner Allahs, es ist shirk, Allah jemanden beizugesellen, so ist es wahrer Götzendienst, shirk, für uns oder irgend etwas, in Existenz zu sein. Nein! Eine andere als Seine Existenz gibt es nicht – la ilaha illa llah. Allein Er existiert von der Vorewigkeit zur Nachewigkeit, und ihr schaut durch einen Spiegel – heilig, heilig, heilig! Könnt ihr dies tragen? Berge können dieses Verständnis nicht tragen, alle Welten und alle Himmel können dies nicht verstehen, dieses Verstehen ist speziell für Seine Kalifen, Stellvertreter, die Er erschuf, wie Er sie wünschte; dann gab Er ihnen Verständnis. Der Mensch war schon mit einem physischen Wesen ausgestattet, als Er für ihn eine zweite Persönlichkeit erschuf – wa nafakha fihi min ruhihi – niemand weiß, was dies ist. Allah der Allmächtige erschuf den Menschen und blies mit dem Atem Seiner Göttlichen Seele in sein physisches Sein hinein, und er stand auf. „O ihr Engel, verbeugt euch schnell vor Adam, macht eine Niederwerfung, sajda, denn Ich bin in ihm, Ich bin in ihm, Ich bin er, der vor Mir erscheint ...“ Ihr könnt nicht mehr als das tragen. Wir haben den Menschen so billig gemacht, der Mensch respektiert nicht länger den Menschen. Sayyidina Mahdi, der Friede sei auf ihm, kommt jetzt, er kommt näher, läuft schnell, um den Menschen zu geben, was sie brauchen, physisch und geistig. Welches sind unsere physischen Bedürfnisse? Saubere Nahrung zu essen, um die himmlischen Manifestationen in uns selbst ertragen zu können. Sehr saubere Nahrung muß zu uns kommen. Es kommt aus der Erde, ohne daß wir etwas dafür tun müßten, und von den Himmeln kommt so reine Nahrung, daß wir fähig sein werden, die göttlichen Erscheinungen, die uns gegeben sein werden, zu tragen. Mit Sayyidina Mahdis Kommen wird euch

göttliches, himmlisches Verstehen gegeben werden, und wer geduldig gewesen ist, wird leuchten. Er kommt, um Leuten zu zeigen, was wahre Menschlichkeit ist und worin die Göttliche Gegenwart sie gekleidet hat: die Verantwortung, jene schwere Last, die die Himmel und die Erde und die Berge zu tragen verweigerten. Zu jener Zeit wird es erscheinen. Dann wird es für die Leute so leicht sein, sie alle werden Auserwählte sein. Wieviele Arten von Edelsteinen kennt ihr? – Es gibt 52 Arten von Edelsteinen auf der Welt, und in Sri Lanka sind 50 davon zu finden. Aber zu jener Zeit wird einem jeden eine Edelsteinart gewährt werden, die für ihn allein, für niemanden sonst da ist, und sie alle werden erstrahlen entsprechend ihren Edelsteinen. Ich schaue auf euch und gehe in euch hinein; ihr schaut auf mich, und ihr geht in mich hinein. Wie viele Millionen, Milliarden Menschen werden dort zu jener Zeit sein, und jeder wird einen eigenen speziellen wertvollen Juwel für sich selbst haben. Subhanallah al-‘aliyyi l-‘azim. Deshalb bete ich: „O mein Herr, gib uns Reinheit, damit wir diese Zeit mit Mahdi æ erreichen! Wenn die Leute aus dem Zwischenhimmel, barzakh, in ihren Gräbern sind, schauen sie und sehen die Leute, so wie ihr durch ein Fernsehgerät etwas seht und schaut; aber sie werden glücklich sein, das vollkommene Leben der Auserwählten jener Zeit zu sehen, sie werden sehr glücklich sein. Ich bitte Allah den Allmächtigen um Reinheit, mehr Reinheit, um sauber, rein, zu sein, denn außer den Reinen kann niemand jene Zeit erreichen. Benutzt deshalb die Mittel, rein zu werden. Hierfür könnt ihr kein Waschmittel benutzen, nein! Was euch reinigt, was euch euren Herrn erreichen läßt, ist Dhikr, dhikrullah, überall, jederzeit. Der, der vergißt, wird vergessen sein, es ist aus für ihn, er wird weggenommen werden. Möge Allah mir vergeben und mir und euch gewähren, jene Tage zu erreichen, daß sie sehr bald über uns hereinbrechen mögen, daß wir einen neuen Beginn an diesem heiligen Tag, dem Ersten des heiligen Muharram, erleben mögen. Dies ist eine starke Zusammenkunft für unsere Seelen – nicht für unsere physischen Wesen –, aber für unser Seelen. Durch den Segen, baraka, unseres Großscheichs nehmen die Heiligen, awliya, dies von ...(?) und setzen es in ihre Herzen, und so kommt es zu Großscheich. Sie erwarten dies, und sie hoffen, daß solch eine Versammlung euch helfen wird, euch auf die Ankunft jener so sehr geehrten, so sehr erleuchteten Tage vorzubereiten, um die alle Propheten und Heiligen beteten, daß sie sie erreichen mögen. Reinigt euch von Schaitan, und bittet um Schutz von Allah dem Allmächtigen ... Sultan Allah al-Fatiha

**Ich rate euch ...**

Audhu bi-Llahi min ash-Shaytani r-rajim Bismi Llahi r-Rahmani r-Rahim As-Salamu ‘alaykum wa rahmatu Llahi wa-barakatuhu Friede und Zufriedenheit und Freude und Glück und Sicherheit und ein gutes Ende und Hoffnung und Ewigkeit für jeden, der das Wohlgefallen unseres Herrn, Allahs, des Allmächtigen, sucht. Ich rate mir sowie euch allen, Allah, den Allmächtigen, und seine heiligen Befehle so gut ihr könnt zu respektieren, ihnen zu folgen. Und habt keine Angst! Keine Angst kommt zu euch im Diesseits und im Jenseits. Und ihr sollt die hoffnungsvollsten und friedvollsten und sichersten Diener sein und zu den Geehrtesten in der göttlichen Gegenwart gehören. Keine Sorgen oder Traurigkeit soll euch erreichen im Diesseits oder im Jenseits. Seid zu jedem, euren Nachbarn, euren Brüdern und euren Freunden, freundlich, höflich, respektvoll und versucht, jedem euer Bestes zu geben, angefangen von den Ameisen bis hin zu jedem Geschöpf. Und ihr müßt wissen, daß jedes Geschöpf unter dem Befehl Allahs, des Allmächtigen, steht; wenn Er Erlaubnis gibt, dann bringt es euch Gutes oder schadet euch. Deshalb, wenn ihr eine gute Absicht habt gegenüber der ganzen Schöpfung, gegenüber allen Geschöpfen, dann werden sie euch gut behandeln und euch niemals schaden. Kein Mensch, noch nicht einmal schadenbringende Tiere oder andere, keiner kann euch jemals schaden oder verletzen, niemals. Deshalb, versucht friedvoll mit Allah, dem Allmächtigen, zu sein, und wenn Allah zufrieden mit euch ist, dann muß alles mit euch zufrieden sein. Wenn ihr euren Herrn respektiert, so gut es geht, so muß euch alles seinen Respekt erweisen. Wenn ihr höflich zueinander seid,

muß alles höflich zu euch sein. Das ist wichtig! Macht keine Unterschiede zwischen den Menschen; diejenigen, die ihren Weg verloren haben, betet für sie. Und ihr müßt sagen: „O unser Herr, wir sind Deine Diener, sie drehen ihre Gesichter von der Kaaba weg, und wir sind nicht glücklich mit dem, was sie tun. Wir drehen unsere Gesichter, wir wenden uns zu Deiner Kaaba, Haus des Herrn. Und wir versuchen unsere Herzen auf die Kaaba auszurichten, zu Deinem meistgeliebten Diener und meistgeehrten Propheten Sayyidina Muhammad, ssalla Llahu ‘alayhi wa sallam.“ Ich rate euch, die ni‘matu Llah, die Gunstbeweise Gottes, anzunehmen. Ich rate euch, zu allem und zu jedem höflich zu sein. Und ich rate euch, die Menschen nicht für schlechte Zwekke zu benutzen. Ich rate euch, nicht ohne einen Grund tagsüber nach draußen zu gehen. Nachts lasse ich niemals einen Grund dafür gelten, daß ihr ausgeht, um euch zu vergnügen. Die, die ausgehen, sich zu vergnügen, die gehen mit Shaytan! Versucht dies für euch selbst zu vermeiden und für jeden, den ihr erreichen könnt. Und respektiert die Gesetze der Regierung, so gut ihr könnt, und betet für sie, daß sie den richtigen Weg finden und höflich zu den Bürgern sind und nicht schlechte Gewohnheiten an den Tag legen. Ihr müßt schlechte Gewohnheiten lassen, und von den schlechten Gewohnheiten ist die erste, nicht zu heiraten. Ich rate den Menschen zu heiraten. Nicht drei Tage miteinander gehen, und dann geht jeder seinen Weg, nein, es ist ein Fluch von den Himmeln auf ihnen, sie werden niemals gerettet sein, weder im Diesseits noch im Jenseits. Sie verlieren ihre Persönlichkeit, ihr Aussehen, bekommen schnell häßliche Gesichter, sie verlieren ihre Gesundheit und sind auch innerlich schnell am Ende. As-Salamu ‘alaykum. Fatiha.

## "I Have Created All Things for You, My Beloved"

(Mawlana Shaykh stands)
Allah Allah, Allah Allah, Allah Allah, `Azeez Allah
Allah Allah, Allah Allah, Allah Allah, Kareem Allah
Allah Allah, Allah Allah, Allah Allah, Subhaan Allah
Allah Allah, Allah Allah, Allah Allah, Sultaan Allah

O our Lord! Give Your highest glory, praising, and majesty to Your most beloved one in Your Divinely Presence, Sayyidina Muhammad (s)! Wa `alaa aalihi wa sahbihi wa jami`i 'l-anbiya wa 'l-awliyaa, to all prophets, saints and holy ones, we are asking Your praises for them and we are asking forgiveness! (Mawlana Shaykh sits)

O our Attenders! As-salaamu` alaykum. Wake up, hear, and try to reach your Lord's praising. Try to be praised ones! And we are saying, a`oodhu billahi min ash-Shaytani 'r-rajeem. (Mawlana Shaykh stands) Bismillahi 'r-Rahmani 'r-Raheem. Our power is coming through Bismillahi 'r-Rahmaani 'r-Raheem. (Mawlana Shaykh sits) Give a short time for attending such a humble association and meeting. O Salafi `ulamas! O Salaafiyoon! When is the Lord of Heavens praising His servants? That is an important question. To be a praised one in the Divinely Presence, when is that praising coming to people, do you know the answer

or you don't know? But you are saying, "We are `ulamas," so you must know and you must try to know.

You must try to teach people also. When you are learning something, don't keep that with yourself only, but give it to people. That is from the heavenly attributes of servant. Those who are reaching heavenly grants, don't keep it only for yourself, give! Don't be greedy. Greedy people are those who are keeping everything for themselves. Don't be greedy. If something is coming to you from heavenly grants, you must also give from those grants to those people who are asking for heavenly grants! And heavenly grants are never going to common people directly, it can't be.

Are you understanding the Holy Qur'an? You are saying, "Yes, we understand." What we are saying that they are making me address to you: how is that grant reaching to common people? It is not heavenly protocol to grant heavenly grants to ordinary people, no! That is coming to some people who have been chosen and from them it is reaching to common people from heavenly grants, yes. We are trying to understanding. I think your understanding is much more powerful. Therefore, they are making me to ask you, how is a person reaching a heavenly grant, Hisham Effendi? That is an important question. No one can be able to reach by himself, by herself or by themselves, Allah Almighty is not accepting.

What is our evidence? You may ask, "What is your evidence?" Or I am asking you, do you have such evidence that a person can directly reach heavenly grants? What do you think? Up to today have one of you, O Salaafiyoon, reached by yourself and asked for a heavenly grant by yourself? Can you answer me that, one of you just reached that heavenly grant by yourself? If you are saying this, you are never understanding from Holy Qur'an something that is important for all Mankind, particularly for Muslims! Allah Almighty is saying: (Mawlana Shaykh stands) Bismillahi 'r-Rahmani 'r-Raheem.

••••••••••••• ••••••• •••••••••••••

Wa 'btaghaw ilayhi' l-waseelah, Seek the means of approach (to Allah). (5:35)

(Mawlana Shaykh sits) That is our evidence. When you are asking something from Him, you must use a waseelah, an authorized one for heavenly grants. You can't ask directly from the Lord of Heavens something, or heavenly grants. He is saying, wa 'btaghaw ilayhi' l-waseelah. Therefore, we are asking, have you ever reached a heavenly grant by yourself? No, it can't be! It is not heavenly protocol for one to come to the

Heavenly Presence and to ask for some grants. Grants are coming from heavens and if you are asking to reach a heavenly grant, you can't reach to that one by yourself, but you must use a waseelah, some means. You are asking to reach from one continent to another continent and you are saying, "I am not needing a plane, I may reach from one continent to another by myself." That is a foolish, ignorant and idiot one to say, "No I have no need to use a means for reaching something from the Heavens."

There is a famous story of awliyas that Sayyid Ahmad al-Badawi (r) was asking to reach and using all his power, and he reached from one level to another, from another to another, and he asked to reach an opening on that level. One day he met Qutb az-Zamaan, the pole of that time who was authorized to be a means between servants to reach heavenly levels. He reached with his efforts that level and he was asking, and waiting for answer. One day the authorized one, the pole of awliyas, Qutb az-Zamaan was meeting him and saying, "O Ahmad, what are you doing?"

"I am occupied with my Lord's servanthood and I am giving every effort to reach an opening in heavenly stations."
"O Ahmad! Come to me, I have keys for those levels, come to me, your key is in my hands."
And Ahmad Badawi, may Allah bless him, was saying, "I am not taking the key from you but I am asking from my Lord Who keeps everything. I am not asking you, I am taking from Him."
That authorized one who was carrying the keys to authorized stations said, "O Ahmad, go and do as you like."
And he was doing his best and reaching to that level and asking, "O my Lord, open to me to look to You. Open."
And the Lord of Heavens was saying, "Yaa Ahmad! I have just granted the key for your grant level to that one, qutb, pole, take it from him," and he was coming back.

That is a short teaching to make people understand something about waseelah, means. Without means you can't reach any level! Therefore, for every time if anyone is asking for a heavenly grant by himself, it is impossible. Wa 'btaghaw ilayhi' l-waseelah. "Come to Me through someone and I am opening to you." And the first means for all Creation was Sayyidina Muhammad (s)! (Mawlana Shaykh stands) For his honor the whole Creation was coming from `Alam al-Ghayb. (Mawlana Shaykh sits) Everything was coming from him. "You are My waseelah, O My glorified one, My real deputy. If you are not in existence, I am not bringing anything in existence!"

Therefore, it is important to ask for grants from Allah Almighty through someone. Heavenly grants are never reaching to someone without a waseelah, without a means. And our Salaafiyoon brothers are saying, "No need, we may reach," you can't reach! That is a heavenly rule, "You can't reach to My grant without a means," therefore ordering, wa 'btaghaw ilayhi' l-waseelah. Who is asking a heavenly grant must use someone that brings you to your Lord's Divine Presence and that authorized one is bringing that grant to you, by yourself you can't do it. You may have a plane that goes up and down on a runway but if it is not getting up, there is no meaning for that plane. You must put fuel in that plane and then you may get up. And there are power centers, when we are saying this you are not understanding, because if you are not entering heavenly levels, you can't understand heavenly terms. Because it is said, man dhaaqa `arifa, "Who is tasting, he knows." If not reaching to that position or level, it is impossible to reach anything!

O People! Now we were saying as a beginning, you must try to be praised ones. That was the beginning. And we are asking Salaafiyoon that, what is that means that is making you to be a praised one in the Divinely Presence? Not any common person is going to be praised in the Divinely Presence, no! Only he who is keeping the way of reaching! If you are asking and saying, "I am asking to reach to the moon," you must use some instrument to get in and go up, but you are saying, "It is impossible." Now it is imporant for all Mankind and their most important aim is to be a praised one in the Divinely Presence.

O Salafi `ulamas! Wrong or true? What is your opinion? Do you think that anything can be more honored and glorified, or crowned on the heads of people? Can you say this? To be praised! And we must try to be praised ones! Which thing is making people to be praised? You must say, O `ulamas that you are saying, "We know everything." What is the means that is making people to reach the Divinely Presence and to be a praised one? With which thing is that grant just granted to anyone, do you know? Say! That is an important question. And I am nothing but I am asking throughout east and west, all nations, all `ulamas, and all learned people, which thing is making a servant to be praised in the Divinely Presence? I am asking to all `ulamas of Ahlu 's-Sunnah wa 'l-Jama`ah or Salaafiyoon, but Wahhabiyoon have no minds, they are not understanding. I am asking His Holiness the Pope, His Holiness the Chief Rabbi, which thing is making a servant to be a praised one in the Divine Presence? Say! What is that? Say!

O our Attenders! Give your attention to understand! But mostly our people are occupied with this life's dirty

aims, people are running after that, and they are not asking for heavenly grants. All prophets were coming and calling people, "O people, come and take heavenly grants so that when you are reaching heavenly grants you will be a praised one in the Divinely Presence!" What is that that is making people to be praised ones? Which thing is making them praised ones? It is so easy, what they are saying to me I don't know, but our master is saying the answer. Two things! O people who are asking for heavenly praising from the Divinely Presence, you must try to make your Lord pleased with you, that is one. Second, those who are asking for heavenly grants and praisings must try to give pleasure to their Lord! That is two, to make your Lord pleased with you and to make Him to be pleased with your action, pleasure and pleasement are making you to reach heavenly grants!

Anything wrong? Try to make your Lord pleased with you and give to Him your pleasure. That pleasure makes Allah Almighty to give heavenly praising to you, that is all. Try! Go and work now, collect the dirtiness of dunya and then ask pleasure from Allah Almighty, ask for heavenly grants, it is impossible! Astaghfirullah.

Fatihah.

(40 minutes) Mashaa-Allah. Alhamdulillah. And today is Sunday, they are dancing.

Dome, dome, dome, dome 4x

That is a signal of heavenly happiness from His servants, therefore, we are saying:

Dome, dome, dome, dome 8x

Fatihah

(Mawlana Shaykh prays to raka`at Salaat ash-Shukr.)

## Identity

As-salamu alaykum wa Rahmatullahi wa barakatuhu. What a beautiful beginning! Ay Shah Mardan. Sahibul Maydan. Asadullahil ghalib, Ali ibn Abi Talib, O the lion of Lord! Oh Shah Mardan, we welcome you. Your friends want to listen to you. Dastur and Madad.
Today is a new day. May it be good for us! It is the third day of holy Rajab Shahrullah. May it be blessed! Each day has a different blessing, manifestation and opening from the Divine Mercy. O the holy one Shah Mardan, Habibur Rahman! Your friends are looking forward to hearing from you. We wish to be his beloved friends. May Sahibul Maydan, Shah Mardan, accept us, with his humbleness, he doesn't refuse the people who come to his door. Today is a new day that has a new manifestation. Each day has its own appearance. Yesterday belongs to yesterday. The manifestation of today is different. No copying! Allah Dhuljalal is not creating the days like printing books. No! Each day has a new identity. They call a certificate, identity card. The identity of today is different. The events that will appear today are different. That is to say what is going to happen today, isn't a copy of yesterday. Yesterday was different, today is different. Please Shah Mardan go on. Sahibul Maydan, Habibur-rahman. May we listen to you, so that blessings may come for the sake of the ones accepted in the Presence of the Lord. May we be favoured here and hereafter. "Kulla yawmin huwa fi sha'n." (55:29) The glory of each day is different. The glory of yesterday was other than the glory of today. As we said no copies. A new day is being created. A new day has been created and the events that will occur today are not copies of yesterday. Nor will the manifestation of today be repeated tomorrow. "Kulla yawmin huwa fi shan."(55:29) The glory of each day is different. Let's listen to Shah Mardan now! May we open up, get light and become beautiful. May we not be ugly. Who is ugly? satan is. So what do common people call ugly ones? They say: satan face, satan shaped. They have no beauty on

their faces. Why? Because they don't say Allah(jj). They don't know their identity, they have not learned. They haven't been taught.
Let's say Bismillahir Rahmanir Rahim. May the doors open, and the holy ones whom Janabul Haqq,Rabbul Izzat dressed with the robe of magnificence, may they come to the arena. What is their identity? The identity of Shah Mardan is written on their identity. What is your nationality? I am Turkish. That kind of nationality has no value. What is your nationality? I am from Shah Mardan - say it and do not fear! Not a weapon, not a gun, no satan can harm you! Say, I have the nationality of Shah Mardan. He can't be Shah Mardan unless he protects his people. People of today don't know their identity. Who is a human being is not being taught. From where do all troubles come? From those who don't know their identity; wicked, satanic ones who can't be called human. satan is their representative, and they represent satan. When your spiritual identity is asked, satan is urging you to give its name, its nationality.
There are 2 nationalities in the World. Please Shah Mardan go on. One is a divine identity, the other is a satanic identity. Spiritual ones, their identity is of divine - this person is Rahmani. When one is Rahmani his deeds are good. He is a good person too. The second nationality is of satan, he has an identity like satan. One who has an identity of satan is cursed. Every trouble comes from them. They bring the troubles onto people because they have the identity/nationality of satan. Today's world has gone into turmoil. Please go on Shah Mardan. Blood and fire are everywhere on Earth. This is not all, there is more coming. Change your way O people of 21st century. Change your way. Please go on Shah Mardan, the command is yours. How beautifully he is saying it.
The ways you are on are satan's ways. There is no goodness for us in them. Change your identity. Leave satanic identity and become Rahmani. Our identity is Rahmani. To be Allah's(jj), to be Allah's(jj) servant is our identity. To perform the servanthood of Allah, to be His servant, this is our nationality - Abdullah. Abdullah means servant of Allah(jj). One with this nationality, who has this identity, will be safe here and hereafter. This world becomes for people, not the heavens above, but a place where they feel comfort and that represents the Glory of Allah(jj) on Earth. People would have the honor of being the deputies of Allah(jj). But they left this identity and took the identity of satan, so the world went into turmoil, fire. satan is saying it will burn you. It says it has the identity of fire. Whoever obeys satan it says will burn in fire. It says it will burn

them with its fire.
All prophets,(peace be upon them), and the Sultan of all prophets, Beloved of Janabul Haqq, Rasul Kibriya(sws), are the representatives of Allah on Earth, His absolute deputies. Who obeys him gains honor.Who are you? They can't say- nation of Muhammed(sas). They say Syrian, Turkish, Arab, Persian. Don't say like this. Janabul Haqq says Noah was saying: "Wa 'umirtu an akuna minal muslimeen." (27:91) I was ordered to be Muslim, says Prophet Noah. "Wa 'umirtu an akuna minal muslimeen" (27:91) Isn't it a verse of Qur'an? "I am ordered to be Muslim". But they can't say, we are Muslims. If not saying you will face troubles. Once there was a majzub man, (one who lost mind from love of Allah) We kept that poor one, gave him shelter near us. He was in a state of majzub. State of majzub is what people consider him as Bahlul (fool). He said, "Sheikh Effendi, I was sitting in a cafe with someone, and asked him who are you?" He answered, "I am a Turk". What was the reply of majzub? "Then you will suffer." "You couldn’t say, I am a servant of Allah(jj), or I am Muslim?
He said "I am a Turk". If you are a Turk, that majzub said - when we say majzub about that man, they are also called Bahlul, people consider them as strange ones; people call them both Majnun or Majzub. So he asked, Who are you? "I am a Turk", the other one answered. "Then you will suffer!" Couldn't you say I am Muslim! O Turks listen! O Shia you listen too! Saying only Shia is not enough. Say, "I am Muslim". O Syrians, don't say Syrian, say: "I am Muslim". O Saudis, don't say Saudi. Say: " I am Muslim". "Wa 'umirtu an akuna minal muslimeen" (27:91), the Prophet Noah said. I am ordered to be Muslim. Where is your religious identity, being Muslim? Aslam Taslam. It is Islam which will keep away all troubles. Come to Islam and be safe! If you don't come, troubles will continue. Different punishments will come for each day. The Wrath of heavens is for the ones who don't say "We are Muslims".
Prophet Noah, said I am ordered to be Muslim. He was saved from the Flood, because he was a Muslim. Since the others did not, they were destroyed. Look, listen and try to understand while you are reading Qur'an. The Great Prophet Noah, ulul Adham, for whose sake Allah destroyed world. Because his people didn't accept Prophet Noah, the world was destroyed. How was the Flood? The World was under water 40 arm lengths deep. The Wrath of Allah came to the world. It destroyed it with water,40 arm lengths over earth. All people say, we are Muslims, Aslam taslam. Say: I am Muslim and be safe. There is room for you in Noah's ark. There were 80

people in Noah's ark. But, the ship of the Prophet of End Times, can take the people of the whole world. If it was 7 times more, or even 70 times more people, he will take them all. No matter if the world's population was 70 times more, the ship of the Prophet of End Times is not like the Noah's ark. Noah's ark will be a small boat compared to the ship of our Prophet. Aslam taslam, be Muslim and come.

The ship of the Prophet of End Times, can take not only all the people of the world but 7 times more of them. People used to say in old times, if only Janabul Haqq wanted, He would have put the world inside a nutshell. Al-Qadir, Al-Muqtadir. Be Muslim! Say, I am Muslim! Don't say Syrian or Shia. Don't say Turk! Say I am Muslim! The Great Prophet Noah - "Wa 'umirtu an akuna minal muslimeen" (27:91) The Prophet Noah said, I was ordered to be Muslim. Say your identity is Muslim. Leave Turk or Kurd! Say "I am Muslim" because the command of Allah(jj) is Aslam Taslam. Allah declared to His Prophet "My Habib, inform people so they come to Islam, to get salvation here and hereafter. Nothing can harm them." The things satan is doing cannot harm them then. satan is hurt but not the Muslim people. Say: I am Muslim. Say Muslim and be saved! If not, you will go into the deepest fires with satan.

O Shah Mardan, Sahibul Maydan. How beautifully you are speaking! O Muslims salvation is for you! No safety for the Turk or the Arab or the Persian, but only to ones saying "I am Muslim". A hurricane is coming. It is not like the cannons fired here or there. A bomb was exploded in such place, another was fired in such place. These are toys! But there is a huge one coming, from which only who say I am Muslim will be saved, not the ones who don't say. The news of heavens, the command of heavens is like this. Know your identity! Who are you? "I am Muslim". You are safe. Aslam Taslam. Ya Rabbi! MashaAllah ay Shah Mardan you are telling it beautifully. There was turmoil in a place where satanic ones exploded a bomb. May it be exploded on their heads! Many people were killed. What is the cause? The cause is these satanic ones. Those who have a satanic identity are doing such things. But, angels are protecting the innocent ones. Some say, it missed us by a hair. No! There are the ones who protect! Since you know your identity so you were rescued.

People of today don't know their identity. As that majzub said, Who are you? He answered the majzub, "I am a Turk". Then the majzub said You will suffer. He couldn't say "I am Muslim".

The order to the Great Prophet Noah, "Wa 'umirtu an akuna minal muslimeen" I am Muslim as I am ordered to be. All people should say! Say, Muslim, and be safe! Not a weapon, bomb or gun can harm you! It may pass by, but it will not harm. If it touches you, it will fall down like a stone. However, there is no one left to teach such things. Our so-called scholars, they are just saying,vah vah vah vah (what a pity). Don't say vah vah. Say to people, what we are saying. Teach the words of Shah Mardan! Ila 'asamahullah - Except those Allah protects, who are under the protection of Allah, with His safeguard you will be safe. Please Shah Mardan go on, your friends are waiting for you. There are no one left to teach and say these things.

I am Turk, Kurd, Circassian, Persian... No! Don't say like this. We can only have one title. The Great Prophet Noah, ulul adham, a great prophet said: "Wa 'umirtu an akuna minal muslimeen" (27:91) I am ordered to be Muslim. He said, "I am Muslim!" The Prophet of the End Times(sws) said: Aslam Taslam. Be Muslim, you will be safe! What are women and children doing in streets? Shah Mardan is saying: Our Prophet alayhis-salatu was-salam is commanding, Ihbisu sibyanikum b'ada ghurubi-sh shams (Hadith) "Don't let your children go out after sunset", our Prophet said. Because at nighttime, vakt intisharu shayatin, that is: the time satans are spreading out to catch their victims. Keep your innocent children in at night. Hide them in. Don't let them out. Nowadays, all young people are out. Girls, boys are all out. None of them saying "I am Muslim". Eating, drinking, playing, committing sin. One day you will be stopped. One day they will be beaten by a whip. Now they are being beaten. Misfortune doesn't come without reason. Punishment comes when it is deserved.

Humanity became wild in the World. The Whip of heavens will come from everywhere. Be inside your homes. Don't be outside. Let the streets be closed, lights turned off. Unless servants rebel, punishment doesn't come. They are wild, enjoying themselves in a wild way, not watching the limits of halal-haram. O our Lord, they are not respecting this holy month, so there will be more heavenly Whips. One is not enough. Lock your young ones in your homes if you have to. Let governments perform strict management - Forbid going out at night. Turn the street lights off. Shoot the ones who are outside. Then you will see if they come to their senses or not. The least punishment for those who are outside at night, both women and men, shariat has a punishment for them. Shah Mardan is telling what is this: When you find men or women outside take them in police car, to where? Take them to the cemetery. Leave them there. Let's see then if

there will be more people outside! Who, Who will dare?
Don't hit or swear at them, don't take them to jail. Take them to the cemetery, Cover up their eyes and take them to the cemetery. Leave them there. Let's see the following day if men or women go out at night or not. No they won't. Where are they? When they open their eyes, they will see the cemetery, find themselves among those old graves. They don't dare go out again at night. This is a simple punishment. Manage this punishment if you are governing. Don't hit or beat them. Take them to the cemetery and come back. The following night there will be no one in the streets. Easy and clean. Those who are running brothels, taverns and dirty places, arrest them and bind their hands and legs, and leave them in the cemetery. Let's see if they do it again or not? Will they run dirty places again or not? Those who are running brothels, taverns, pubs, arrest them and cover their eyes, take them to a funeral house. There are houses where dead bodies are washed and prepared and are laid there. Cover their eyes and take them there, lay them down next to the dead bodies. Leave them there. Will you find anybody outside the following night?
There are methods of training, but these governments are not using. Please Shah Mardan go on! Bind those dirty ones embracing the dead bodies. They will open their eyes to see the dead body, will they survive it or not? Easy to carry out. No need to beat or swear. Gentlemen come here, ladies, girls if out at night, take them to the cemetery. Dead or alive till morning? Easy! Don't beat, hit or swear! Corpses of the cemetery are calling people to teach them manners. Bring them to us, we can host them overnight, in Karacaahmet. Oh no! Karacaahmet (famous old cemetery of Istanbul). "But we can't even pass through in daylight", leave them at nighttime. Don't hit or swear, leave them in the cemetery. If they go out at night, or run a dirty place, like a brothel or pub, enabling people to sin, their punishment is to lie down with a corpse. O people who are wandering the streets at night, we will lay you down next to a corpse in a funeral house. Go out if you can!
Make this a law, Mr. Erdogan! Make it legal! This will discipline them. Please Shah Mardan go on! How beautiful you are teaching! Governments don't know how to govern. If going around take Kilicdaroglu too. Leave him at Karacaahmet! What was the name of the other one? Leaders of political parties? When they become wild, take them all to the cemetery. Make them spend the night there. Free them in the morning. O our Lord! Please Shah Mardan go on! The whole

world, also the Christians, will come to truth in this way! They will be disciplined. The shariat of Islam, can discipline people cleverly. Make a law Mr. Erdogan, don't be soft, make it legal - "I will exile wild ones to the cemetery, more wild ones will be laid next to a corpse". Make it legal! The following day they will disciplined. This is shariat,"aw yunfaw mina al-ardi" (5:33) The punishment of exile. What we say is shariat. Exile according to the law of shariat. Exile means expelled from the native country. But exile to cemetery is enough. Exile to Karacaahmet and see if they are disciplined or not!

Those ones in the streets, who are making trouble, arrest them quickly, take them to Karcaahmet and leave them there. Leave them in Zincirlikuyu (cemetery).How many cemeteries are there in Istanbul? Take them to Edirnekapi cemetery. Are there more to make trouble? Why do you collect them in prisons as a burden? I am saying this to Mr. Erdogan. No harm to anyone! Disciplined or not disciplined! Within 3 nights everyone will calm down. Those who are demonstrating in streets, take their leader to Karacaahmet. They call it a union/syndicate. We won't place you in a union but in a coffin, then to the cemetery of Edirnekapi. One is scared to enter Karacaahmet in daylight, put them in a coffin and take them to Karacaahmet. Lay them in a coffin and leave them there overnight. If union members demonstrate, may coffins fall on their heads. This issue is enough for now. It can discipline the whole world. Police and Government will be at ease/peace.

Allah(jj),Ya Rabbi forgive us. Don't let us to our evil egos! Ay Shah Mardan, MashaAllah! Ay Yaran Shah Mardan! You come to the arena too, don't fear! Do not fear! Allah Allah Allah Allah Subhanallah. Shariat disciplines humans, ill-mannered ones are disciplined like this. After sunset keep your young ones inside your homes. Not only girls, women and children, but boys and young men too. If they escape, let the police patrol take them to the cemetery. See if they can survive to the next day!

Tawba Ya Rabbi, tawba astagfirullah. We have many ways for diciplining. "Wa 'umirtu an akuna minal muslimeen" (27:91) Say you are Muslim. Not saying, off to Karacaahmet with you. Tawba Ya Rabbi, tawba Ya Rabbi, tawba astagfirullah. May we occupy ourselves with the service of Allah and get honor. For the sake of Al-Habib Al-Akram(sws), Ya Rabbi! Wa bihurmat-il,

Fatiha.

## Identität

As-salamu alaykum wa Rahmatullahi wa barakatuhu. Welch ein schöner Anfang! Ay Shah Mardan. Sahibul Maydan. Asadullahil ghalib, Ali ibn Abi Talib, oh Löwe des Herrn! Oh Shah Mardan, sei willkommen. Deine Freunde wollen dir zuhören. Dastur und Madad. Heute ist ein neuer Tag. Möge er gut für uns sein! Es ist der dritte Tag vom Heiligen Rajab Shahrullah. Möge er gesegnet sein! Jeder Tag hat einen anderen Segen, andere Erscheinungen und Öffnungen der Göttlichen Gnade. Oh heiliger Shah Mardan, Habibur Rahman! Deine Freunde freuen sich darauf, von dir zu hören. Wir wünschen, zu seinen geliebten Freunden zu gehören. Möge Sahibul Maydan, Shah Mardan, uns akzeptieren, mit seiner Bescheidenheit lehnt er die Leute nicht ab, die zu seiner Tür kommen. Heute ist ein neuer Tag, der neue Erscheinungen hat. Jeder Tag hat seine eigenen Erscheinungen. Gestern gehört zu gestern. Die Erscheinungen von heute sind anders. Es gibt keine Kopie! Allah Dhul Jalal erschafft die Tage nicht, wie man Bücher druckt. Nein! Jeder Tag hat eine neue Identität. Sie nennen es Zertifikat, Ausweis. Die Identität von heute ist anders. Die Ereignisse, die heute erscheinen werden, sind anders. Das um zu sagen, was heute passieren wird, ist keine Kopie von gestern. Gestern war anders, heute ist anders. Bitte Shah Mardan, mach weiter. Sahibul Maydan, Habibur-Rahman. Mögen wir dir zuhören, so dass Segnungen kommen mögen um den Willen derer, die in der Gegenwart des Herrn akzeptiert sind. Mögen wir hier und im Jenseits befürwortet werden. "Kulla yawmin huwa fi sha'n." (55:29) Der Ruhm jeden Tages ist verschieden. Der Ruhm von gestern war anders als der Ruhm von heute. Wie wir sagten, keine Kopien. Ein neuer Tag wird erschaffen. Ein neuer Tag wurde erschaffen, und die Ereignisse, die heute passieren werden, sind keine Kopien von gestern. Genauso wenig werden die Erscheinungen von heute morgen wiederholt werden. "Kulla yawmin huwa fi sha'n." (55:29). Der Ruhm jeden Tages ist verschieden. Lasst uns nun Shah Mardan zuhören! Mögen wir uns öffnen, Licht empfangen und schön werden. Mögen wir nicht hässlich sein. Wer ist hässlich? Satan. Also wie nennen die normalen Leute die hässlichen? Sie sagen: Satansgesicht, Satangestalt. Sie haben keine Schönheit in ihren Gesichtern. Warum? Weil sie nicht Allah (jj) sagen. Sie kennen ihre Identität nicht, sie haben es nicht gelernt. Sie wurden nicht gelehrt. Lasst uns Bismillahi r-Rahmani r-Rahim sagen. Mögen die Türen sich öffnen und die heiligen, die Janabul Haqq, Rabbul Izzat, mit dem Gewand der Großartigkeit bekleidet hat, in die Arena kommen. Was ist ihre Identität?

Die Identität Shah Mardans steht auf ihrer Identität geschrieben. Was ist eure Nationalität? Ich bin Türkisch. Diese Art von Nationalität hat keinen Wert. Was ist deine Nationalität? Ich bin von Shah Mardan - sagt es und fürchtet euch nicht! Keine Waffe, kein Gewehr, kein Satan kann euch schaden! Sag, ich habe die Nationalität Shah Mardans. Er kann nicht Shah Mardan sein, es sei denn er beschützt sein Volk. Die Leute heute kennen ihre Identität nicht. Wer ein Mensch ist wird nicht gelehrt. Woher kommen all die Schwierigkeiten? Von denen die ihre Identität nicht kennen, verdrehte, satanische, die nicht Menschen genannt werden können. Satan ist ihr Repräsentant und sie repräsentieren Satan. Wenn eure spirituelle Identität gefragt wird, zwingt euch Satan dazu, ihren Namen, ihre Nationalität anzugeben. Es gibt zwei Nationalitäten in dieser Welt. Bitte Shah Mardan, mach weiter. Das eine ist eine göttliche Identität, das andere eine satanische Identität. Die Spirituellen, ihre Identität ist göttlich - diese Person ist Rahmani. Wenn jemand Rahmani ist, so sind seine Taten gut. Er ist auch eine gute Person. Die zweite Nationalität ist von Satan, man hat eine Identität wie Satan. Jemand mit einer Identität von Satan ist verflucht. Alles Übel kommt von ihnen. Sie bringen Schwierigkeiten über die Menschen, weil sie die Identität bzw. Nationalität von Satan haben. Die heutige Welt ist in Aufruhr geraten. Bitte fahre fort, Shah Mardan. Blut und Feuer sind überall auf der Erde. Das ist nicht alles, es kommt mehr. Ändert euren Weg oh Leute des 21. Jahrhunderts. Ändert euren Weg. Bitte mach weiter, Shah Mardan, du hast das Kommando. Wie schön er es sagt. Die Wege auf denen ihr seid, sind Satans Wege. Es gibt für uns nichts Gutes darauf. Ändert eure Identität. Lasst die satanische Identität und werdet Rahmani. Unsere Identität ist Rahmani. Allahs (jj), Allahs (jj) Diener zu sein ist unsere Identität. Die Dienerschaft für Allah zu verrichten, Sein Diener zu sein, das ist unsere Nationalität - Abdullah. Abdullah bedeutet Diener Allahs (jj). Jemand mit dieser Nationalität, der diese Identität hat, wird hier und im Jenseits sicher sein. Diese Welt wird für Leute nicht wie die Himmel oben, aber ein Ort wo sie Behaglichkeit fühlen können und das steht für den Ruhm Allahs (jj) auf Erden. Die Leute hatten die Ehre, die Statthalter Allahs (jj) auf Erden zu sein. Aber sie verließen diese Identität und nahmen die Identität des Satan an, so dass die Welt in Aufruhr, in Feuer geriet. Satan sagt es wird euch verbrennen. Es sagt es hat die Identität des Feuers. Wer immer Satan gehorcht, wird im Feuer brennen, sagt es. Es sagt es wird sie mit seinem Feuer verbrennen. Alle Propheren (Friede sei auf ihnen), und der Sultan aller Propheten, Geliebter von Janabul Haqq, Rasul Kibriya (sws), ist der Repräsentant Allahs auf Erden, Sein absoluter Statthalter. Wer ihm gehorcht gewinnt Ehre. Wer seid ihr? Sie können es nicht sagen - Nation von Muhammad (sas). Sie sagen Syrisch, Türkisch, Arabisch, Persisch. Sagt es nicht so. Janabul Haqq sagt, dass Noah sagte: "Wa 'umirtu an akuna minal muslimeen." (27:91) Mir wurde befohlen, Muslim zu sein, sagt der Prophet Noah.

"Wa 'umirtu an akuna minal muslimeen." (27:91) Ist das nicht ein Vers des Koran? "Mir wird befohlen, ein Muslim zu sein". Aber sie können nicht sagen, wir sind Muslime. Wenn ihr es nicht sagt werdet ihr Schwierigkeiten begegnen. Einmal gab es einen Majzub (jemand der wegen Allah den Verstand verloren hat). Wir nahmen den Armen auf, gaben ihm Obdach in unserer Nähe. Er war im Zustand des Majzub. Der Zustand des Majzub lässt die Leute ihn für Bahlul (Dummkopf) halten. Er sagte, "Sheikh Efendi, ich saß mit jemandem im Café, und fragte ihn, wer bist du?" Er antwortete, "Ich bin ein Türke". Was war die Antwort vom Majzub? "Dann wirst du leiden". "Konntest du nicht sagen, ich bin ein Diener von Allah (jj), oder ich bin ein Muslim?" Er sagte "Ich bin ein Türke". Wenn du ein Türke bist, sagte der Majzub - wenn wir majzub zu diesem Mann sagen, sie werden auch Bahlul genannt, die Leute betrachten sie als Sonderbare; die Leute nennen sie sowohl Majnun als auch Majzub. Also fragte er, Wer bist du? "Ich bin ein Türke", antwortete der andere. "Dann wirst du leiden!" Konntest du nicht sagen, ich bin ein Muslim! Oh
Türken, hört zu! Oh Shia, ihr hört auch zu! Nur Shia zu sagen, ist nicht genug. Sagt, "Ich bin ein Muslim". Oh Syrer, sagt nicht Syrer, sagt: "Ich bin ein Muslim". Oh Saudis, sagt nicht Saudi. Sagt: "Ich bin Muslim". "Wa 'umirtu an akuna minal muslimeen" (27:91), sagte der Prophet Noah. Mir ist befohlen, Muslim zu sein. Wo ist eure religiöse Identität, wenn ihr Muslime seid? Aslam taslam. Es ist der Islam, der alles Übel fernhalten wird. Kommt zum Islam und seid sicher! Wenn ihr nicht kommt, wird das Übel weitergehen. Verschiedene Strafen werden für jeden Tag kommen. Der Zorn der Himmel ist für diejenigen, die nicht sagen "Wir sind Muslime". Der Prophet Noah sagte, "Mir ist befohlen, Muslim zu sein". Er wurde vor der Flut gerettet, weil er Muslim war. Weil die anderen es nicht waren, wurden sie vernichtet. Seht, hört zu und versucht zu verstehen, während ihr den Koran lest. Der Große Prophet Noah, ululAdham, um dessentwillen Allah die Welt zerstörte. Weil sein Volk den Propheten Noah nicht akzeptierte, wurde die Welt zerstört. Wie war diese Flut? Die Welt stand 40 Armlängen tief unter Wasser. Der Zorn Allahs kam auf die Welt. Er zerstörte sie mit Wasser, 40 Armlängen über der Erde. Alle Leute sagen, wir sind Muslime, Aslam taslam. Sagt: Ich bin Muslim und seid sicher. Es gibt Platz für euch auf Noahs Arche. Es waren 80 Leute auf Noahs Arche. Aber das Schiff des Prophten der Endzeit kann alle Leute der Welt aufnehmen. Wenn es 7 Mal oder 70 Mal so viele Leute wären, er wird sie alle nehmen. Wenn die Weltbevölkerung 70 Mal mehr wäre als sie ist, egal, das Schiff des Propheten der Endzeit ist nicht wie Noahs Arche. Noahs Arche wird ein kleines Boot sein verglichen mit dem Schiff unseres Propheten. Aslam taslam, seid Muslim und kommt. Das Schiff des Propheten der Endzeit kann nicht nur alle Leute der Welt aufnehmen, sondern sogar 7 Mal mehr so viele. Die Leute sagten in alten Zeiten, wenn Janabul Haqq nur wollte, hätte Er die Welt in eine Nussschale gesteckt. Al Qadir, Al Muqtadir. Seid

Muslim! Sagt, ich bin Muslim! Sagt nicht Syrer oder Shia. Sagt nicht Türke! Sagt ich bin Muslim! Der Große Prophet Noah - "Wa 'umirtu an akuna minal muslimeen" (27:91) Der Prophet Noah sagte, mir wurde befohlen, Muslim zu sein. Sagt, eure Identität ist Muslim. Lasst Türke oder Kurde! Sagt "ich bin Muslim" denn der Befehl Allahs (jj) ist Aslam taslam. Allah verkündet Seinem Propheten, "Mein Habib, informiere die Leute so dass sie zum Islam kommen, um Heil hier und im Jenseits zu finden. Nichts kann ihnen schaden. Die Dinge die Satan tut, können ihnen nichts anhaben. Satan wird getroffen, aber nicht die Muslimischen Leute. Sagt: Ich bin Muslim. Sagt Muslim und seid gerettet! Wenn nicht, werdet ihr mit Satan in die tiefsten Feuer gehen. Oh Shah Mardan, Sahibul Mardan. Wie wunderbar du sprichst! Oh Muslime, das Heil ist für euch! Keine Rettung für die Türken oder Araber oder Perser, aber für diejenigen die sagen "Ich bin Muslim". Ein Hurrikan kommt. Er ist nicht wie die Kanonen die hier und dort gefeuert werden. Eine Bombe explodierte an dem Ort, eine andere wurde an dem und dem Ort gezündet. Dies sind Spielzeuge! Aber ein großer wird kommen, von dem nur die sicher sein werden die sagen, Ich bin Muslim, und nicht die, die das nicht sagen. Die Neuigkeiten des Himmels, der Befehl des Himmels lautet so. Kennt eure Identität! Wer seid ihr? "Ich bin Muslim". Ihr seid sicher. Aslam taslam. Ya Rabbi! MashaAllah ay Shah Mardan, du erzählst es wunderschön. Es gab einen Aufruhr an einem Platz, wo die Satanischen eine Bombe explodieren ließen. Möge sie auf ihren Köpfen explodieren! Viele Leute wurden getötet. Was ist der Grund? Der Grund sind diese Satanischen. Diejenigen die eine satanische Identität haben, tun solche Dinge. Aber Engel schützen die Unschuldigen. Manche sagen, es hat uns haarscharf verfehlt. Nein! Sie sind diejenigen, die beschützen. Weil ihr eure Identität kennt, wurdet ihr gerettet. Die Leute von heute kennen ihre Identität nicht. Wie der Majzub sagte, Wer bist du? Er antwortete dem Majzub, "Ich bin ein Türke". Dann sagte der Majzub Du wirst leiden. Er konnte nicht sagen "Ich bin Muslim". Der Befehl zum Großen Propheten Noah, "Wa 'umirtu an akuna minal muslimeen". Ich bin Muslim wie mir befohlen wurde. Alle Leute sollten es sagen! Sagt Muslim und seid sicher! Keine Waffe, Bombe oder Gewehr kann euch Schaden zufügen! Es kann vorbei gehen, aber es wird keinen Schaden anrichten. Wenn es euch berührt, wird es wie ein Stein zu Boden fallen. Wie auch immer, es gibt niemanden mehr der solche Dinge lehrt. Unsere sogenannten Gelehrten, sie sagen nur vah vah, vah vah (wie schade). Sagt nicht vah vah. Sagt den Leuten was wir sagen. Lehrt die Worte Shah Mardans! Ila 'asamahullah - Außer denjenigen, die Allah beschützt, die unter Allahs Schutz stehen - mit Seinem Schutz werdet ihr sicher sein. Bitte Shah Mardan, mach weiter, deine Freunde warten auf dich. Es gibt niemanden mehr der diese Dinge sagt und lehrt. Ich bin Türke, Kurde, Tscherkesse, Perser... Nein! Sagt es nicht so. Wir können nur einen Titel haben. Der Große Prophet Noah, ulul adham, ein großer Prophet,

sagte: "Wa 'umirtu an akuna minal muslimeen" (27:91) Mir wurde befohlen, Muslim zu sein. Er sagte, "Ich bin Muslim!" Der Prophet der Endzeit (sws) sagte: Aslam taslam. Seid Muslim, ihr werdet sicher sein! Was tun Frauen und Kinder auf den Straßen? Shah Mardan sagt: unser Prophet alayis- salatu was-salam befiehlt, Ihbisu sibyanikum b'ada ghurubi-sh shams (Hadith). "Lasst eure Kinder nach Sonnenuntergang nicht hinausgehen", sagt unser Prophet. Denn nachts vakt intisharu shayatin, das heißt: es ist die Zeit, in der die Satane sich ausbreiten, um ihre Opfer zu fangen. Lasst eure unschuldigen Kinder nachts zu Hause. Versteckt sie drinnen. Lasst sie nicht hinausgehen. Heutzutage gehe alle jungen Leute aus. Mädchen, Jungen, alle sind draußen. Niemand von ihnen sagt "Ich bin Muslim". Essen, trinken, spielen, Sünden begehen. Eines Tages werdet ihr gestoppt werden. Eines Tages werden sie mit einer Peitsche geschlagen werden. Nun werden sie geschlagen. Unglück kommt nicht ohne Grund. Strafe kommt, wenn sie verdient ist. Die Menschheit ist wild geworden in der Welt. Die himmlische Peitsche wird von überall kommen. Seid in euren Häusern. Seid nicht draußen. Lasst die Straßen geschlossen, die Lichter ausgeschaltet. Solange die Diener nicht rebellieren, kommt keine Strafe. Sie sind wild, vergnügen sich auf wilde Weise, sie achten nicht auf die Grenzen von halal-haram. Oh unser Herr, sie respektieren diesen heiligen Monat nicht, also werden mehr himmlische Peitschen kommen. Eine ist nicht genug. Schließt eure Jungen/Kinder in euren Häusern ein, wenn ihr müsst. Lasst die Regierungen strenge Regeln einführen - Verbote, nachts hinauszugehen. Schaltet die Straßenlaternen aus. Erschießt diejenigen, die draußen sind. Dann werdet ihr sehen, ob sie zu Sinnen kommen oder nicht. Die geringste Strafe für diejenigen, die nachts draußen sind, beide, Frauen und Männer, für sie hat die Shariat eine Strafe. Shah Mardan erzählt, was das ist: Wenn ihr Frau oder Mann draußen findet, nehmt sie mit in einem Polizeiwagen, wohin? Bringt sie zum Friedhof. Lasst sie dort. Lasst uns sehen, ob dann mehr Leute draußen sein werden! Wer, wer wird es wagen? Schlagt sie nicht oder verflucht sie nicht, bringt sie nicht ins Gefängnis. Bringt sie zum Friedhof, verbindet ihnen die Augen und bringt sie zum Friedhof. Lasst sie dort. Lasst uns am folgenden Tag sehen, ob Männer und Frauen nachts hinausgehen oder nicht. Sie werden es nicht tun. Wo sind sie? Wenn sie ihre Augen öffnen, werden sie den Friedhof sehen, sie werden sich zwischen den alten Gräbern wiederfinden. Sie wagen es nicht, noch einmal nachts hinauszugehen. Das ist eine einfache Strafe. Setzt diese Strafe ein, wenn ihr regiert. Schlagt sie nicht. Bringt sie zum Friedhof und kommt zurück. In der darauffolgenden Nacht wird niemand in den Straßen sein. Leicht und sauber. Wer Bordelle, Tavernen und schmutzige Plätze betreibt, nehmt sie fest und bindet ihre Hände und Füße, und lasst sie auf dem Friedhof. Lasst uns sehen ob sie es noch einmal tun oder nicht? Werden sie wieder schmutzige Orte betreiben

oder nicht? Diejenigen, die Bordelle, Kneipen, Pubs betreiben, nehmt sie fest und verbindet ihre Augen, bringt sie zu einem Bestattungshaus. Es gibt Häuser wo die toten Körper gewaschen werden und vorbereitet und aufgebahrt werden. Bedeckt ihre Augen und bringt sie dorthin, legt sie neben die toten Körper. Lasst sie dort. Werdet ihr am nächsten Abend jemanden sehen, der hinausgeht? Es sind Methoden zur Übung, aber diese Regierungen benutzen sie nicht. Bitte Shah Mardan mach weiter! Bindet diese Schmutzigen so dass sie die toten Körper umarmen. Sie werden ihre Augen öffnen und den toten Körper sehen, werden sie überleben oder nicht? Einfach durchzuführen. Man braucht nicht zu schlagen oder zu fluchen. Herren, kommt her, Damen, Mädchen, wenn sie nachts draußen sind, bringt sie zum Friedhof. Tot oder lebendig bis zum morgen? Einfach! Schlagt nicht, flucht und schlagt nicht! Die Leichen der Friedhöfe rufen die Leute um ihnen Benehmen beizubringen? Bringt sie zu uns, wir können sie über Nacht beherbergen, in Karacaahmet. Oh nein! Karacaahmet (berühmtes altes Zentrum Istanbuls). "Aber wir können nicht bei Tageslicht hindurch", lasst sie Nachts. Schlagt nicht und flucht nicht, lasst sie auf dem Friedhof. Wenn sie nachts hinausgehen, oder schmutzige Plätze betreiben wie ein Bordell oder einen Pub, die Leute zu Sünden verleitend, so ist ihre Strafe, mit einer Leiche zu liegen. Oh Leute, die nachts auf den Straßen herumlaufen, wir werden euch neben eine Leiche im Bestattungsinstitut legen. Geht hinaus wenn ihr könnt! Macht das zu einem Gesetz, Herr Erdogan! Macht es legal! Das wird sie disziplinieren. Bitte Shah Mardan, fahre fort! Wie schön du lehrst! Die Regierungen wissen nicht, wie man regiert. Wenn er herumgeht, nehmt auch Kilicdaroglu. Lasst ihn in Karacaahmet! Was war der Name des anderen? Anführer der politischen Parteien? Wenn sie wild werden, bringt sie alle zum Friedhof. Lasst sie die Nacht dort verbringen. Lasst sie am Morgen frei. Oh unser Herr! Bitte Shah Mardan, mach weiter! Die ganze Welt, auch die Christen, werden auf diese Weise zur Wahrheit kommen! Sie werden Disziplin gelehrt bekommen. Die Shariaht des Islam kann Leute sehr klug disziplinieren. Macht es ein Gesetz, Herr Erdogan, seid nicht sanft, macht es legal - "Ich werde die wilden zum Friedhof verbannen, die wilderen werden neben Leichen gelegt". Macht es legal! Am nächsten Tag werden sie diszipliniert sein. Das ist Shariat, "aw yunfaw mina al-ardi" (5:33). Die Strafe des Exils. Was wir sagen ist Shariat. Exil, Verbannung gemäß den Gesetzen der Shariat. Exil bedeutet, vom Heimatland verbannt zu werden. Aber Exil zum Friedhof ist genug. Exil zum Karacaahmet und dann seht, ob sie diszipliniert sind oder nicht! Diejenigen in den Straßen, die Schwierigkeiten machen, nehmt sie schnell fest, bringt sie nach Karacaahmet und lasst sie dort.
Lasst sie in Zincirlikuyu (Friedhof). Wie viele Friedhöfe gibt es in Istanbul? Bringt sie zum Edirnekapi Friedhof. Gibt es noch mehr, die Schwierigkeiten machen? Warum sammelt ihr sie in Gefängnissen als eine

Last? Ich sage das zu Herrn Erdogan. Kein Schaden für niemanden! Diszipliniert oder nicht diszipliniert! In 3 Tagen werden sich alle beruhigt haben. Wer in den Straßen demonstriert, dessen Anführer schickt nach Karacaahmet. Sie nennen es eine Union/Syndikat. Wir werden euch in keine Union stecken, sondern in einen Sarg, dann zum Friedhof von Edirnekapi. Wenn jemand Angst hat, Karacaahmet tagsüber zu betreten, dann steckt ihn in einen Sarg und bringt ihn zum Karacaahmet. Legt sie in einen Sarg und lasst sie über Nacht dort. Wenn Unionsmitglieder demonstrieren, sollen Särge auf ihre Köpfe fallen. Diese Angelegenheit ist nun zuende. Sie kann die ganze Welt disziplinieren. Die Polizei und die Regierung werden in Frieden, entspannt sein. Allah (jj), Ya Rabbi vergib uns. Überlasse uns nicht unseren bösen Egos! Ay Shah Mardan, MashaAllah! Ay Yaran Shah Mardan! Komm du auch in die Arena, fürchte dich nicht! Fürchtet euch nicht! Allah Allah Allah Allah SubhanAllah. Die Shariat diszipliniert die Menschen, die mit schlechtem Benehmen werden auf diese Weise diszipliniert. Lasst eure Jungen nach Sonnuntergang zu Haus. Nicht nur Mädchen, Frauen und Kinder, sondern auch Jungen und junge Männer. Wenn sie entkommen, lasst die Polizei patroullieren und sie zum Friedhof bringen. Lasst uns sehen ob sie bis zum nächsten Tag überleben werden! Tawba ya Rabbi, tawba astaghfirullah. Wir haben viele Möglichkeiten zum Disziplinieren. "Wa 'umirtu an akuna minal muslimeen" (27:91). Sagt, ihr seid Muslime. Sagt ihr es nicht: ab mit euch zum Karacaahmet. Tawba Ya Rabbi, tawba Ya Rabbi, tawba astagfirullah. Mögen wir uns mit dem Dienst an Allah beschäftigen und Ehre erlangen. Um Al-Habib Al-Akrams (sws) willen, Ya Rabbi! Wa bihurmat-il, Fatiha.

Lefke, 14.05.2013

## Oh Idiot Scientists, Answer this Simple Question if You Can

A`udhu billah min ash-shaytan ir-rajeem
Bismillahi 'r-Rahmani 'r-Raheem
La hawla wa la quwatta illa Billahi-`aliyyi'l-`adheem
Allah Allah, Allah Allah, Allah Allah, Azeez Allah
Allah Allah, Allah Allah, Allah Allah, Kareem Allah
Allah Allah, Allah Allah, Allah Allah, Subhan Allah
Allah Allah, Allah Allah, Allah Allah, Sultan Allah

You are Sultan, "O our Lord! You are our Creator. O people give your most high respect to our Lord's most honored and most glorified servant Sayyidina Muhammad (s), peace be upon him. Allahuma salli wa sallim wa baarik `alayh.

Dastoor ya Rijaal Allah, madad O holy ones!

For the honor of the Seal of Prophets give us support from your holy powers. If no holy powers you cannot see anything in existence. Shaykh Adnan, come and sit here. Must be holy powers keeping this earth and others (amana wa sadaqna). Do you think there is only one earth? One planet for the Lord of creation all

things that belong to Allah are continuously, never ending, continuously without beginning or ending (amana wa sadaqna) and our haz luck, we are lucky that we have been granted to be in existence. (amana wa sadaqna) No one can give an existence to himself, even Prophets, even holy ones, even planets, even our solar system. Do you think that the solar system can give an existence to itself to be in existence? What is that foolishness of living people now that they are looking with empty eyes, for everything. They are using only a material looking. No more.

Once Shaykh Adnan, we were walking, through Dimashc, Damascus streets, I was walking with my Grandshaykh and we were passing through shops. I saw that my Grandshaykh who he is representing highest spiritual power now on earth (amana wa sadaqna) on behalf of Seal of Prophets Sayyidina Muhammad (s) he was standing and looking, (vitrine, show windows, display window) display window, it was a shop and some materials in it, one moment, less than one moment, he was looking and passing. Then he said to me “O Nazim Effendi. It is forbidden for a holy one to look to something and not taking a wisdom from that. They can’t do, or they can’t look something with empty eyes. They must look and must take some wisdoms from that one. (amana wa sadaqna).

Look, what about those people whom they are claiming that they are scientists they are professors they are doctors, they are academical high people, how they are looking existence of a solar system, they are saying “solar system”. So many years they are saying this perhaps, one century or more than one century, those people are saying that our (earth) our planet is a member of solar system. Yes?

(yes)

But from that time up to day I am not hearing a learned person, doctor or scientist, to say, “that solar system what or how happened (to come) in existence?”

(amana wa sadaqna)

People they are playing shatranj (chess) chet and they are putting stones in special places. They are thinking on it but those atheists and no-mind scientists, ignorant ones, they are not coming to say, to give a declaration and to ask, “Oh this solar system, just put in a way that you can’t be able to bring a solution or to bring a answer who is asking ‘how they are looking and seeing and saying ‘there is a solar system and through

that solar system 7 or 8 planets?'"

If they are saying, then I may say they are making some maps showing in center sun, then showing some (planets) then showing some orbits for seven planets. How they are looking and seeing and all of those knowledge just accepted through whole scientists and learned people they are saying "ok" and I am saying how you are looking from earth and seeing this solar system? That is reality or imagination?

(imagination)

What you are saying? You are saying solar system. How you understand that the solar system is a reality, not an imagination, tell me! Tell me that one. (amana wa sadaqna) You are sitting on earth but you are showing a solar system with seven planets and around the planets that there so many small planets, ay, moon that they are around themselves, how are you catching this, do you think it is a reality or imagination. Make me to believe about what you are saying about solar system. If you are saying you saw it from far distance there is a system fortunately we are living it or you may say unfortunately we are in it, in that system.

I may say to you "I am accepting what you are saying solar system, as you showing us, as a map of solar system. It is not too much important to say Jupiter, Saturn, Uranus, Venus, Earth and that one, huh? Mar, Mars. It is not too much important for me. Important thing for me they are saying, what they are saying, I may say, "ok." But I am asking to them to those learned people scientist people or what say astro... astronomists, astronomes. I am asking one question in front of whole world, in front of and no behalf of all living man on this planet, yes. If you are saying chet, (chess) chet! If we are two sides, if I am saying to you when I am seeing chet there, if I am saying to you these shapes or stones that you are saying some of them king, some of them figures, this and that, if I am saying to you, all these figures by themselves taking their positions, what you are saying to me. O shaykh going to be majnoon. Shaykh going to be (mad) not mad, but another word. (crazy) more than crazy there is some word. They should say to me "Just Shaykh going to be bunamak, stupid. Getting stupid. How shaykh claiming that those figures taking their states on chet by themselves? That positive knowledge never accepting."

Now I am asking for them, "What do you think for solar system? Do you think that every planet taking its position by themselves?" (Allahu abkar) I am asking that question no more.

And they are getting their positions through that solar system by themselves or someone putting them in that position. I am asking whole learned people on earth now from east to west from north to south I am asking much more learned person in astronomy, I am asking and I am waiting an answer. I am asking for ... musbat gilim, (evidence) I am asking evidence, I am asking to those learned people to bring their evidence (hujjatahum) that we have an evidence for this solar system that they are by themselves taking their positions around solar system. I am not asking other galaxy, malaxy, no, no, it is not important. Important who is putting them, Jupiter in its position. Who is that One putting earth in its position Who is that one putting Mars in its orbit, who is that One who is putting Jupiter, Saturn in its position. And more than others putting rings around it .

Positive knowledge they are saying. They are liars. I am asking from positive knowledge that I studied on it also, I am not coming from village no, I have high education in positive knowledge also. I am asking to them. Let them to say to me, before big bang. That is foolishness, fully foolishness to say that. Who is putting Saturn on its orbit. I am asking to them. Who is putting Venus on its orbit. I am asking who is putting Neptune on its orbit?" I am asking this. If they are saying we are knowing everything and we are not finding, no God they are saying, who is that One that putting that seven stars, seven planets on their orbits?" and I shall tell to those atheist people that they are denying the Lord of Heavens and they are denying the Creator, I am saying, "tell me O that foolish one that is claiming that I am not believing in anything. Huhuhu? You think it is s o easy to say I am not believing in anything. First of all come and give an answer about our solar system. When you are answering this then I am asking, because they are saying that he solar system is part from our galaxy. Yes and those foolish ones are saying that our solar system moving towards alpha star. Yes? Alpha. A gigantic system also. Or gigantic sun.

If we are putting solar system on it it is going to be lost. I am asking. Another thing I must understand from them, they are saying the solar system is moving. I am asking you are looking that solar system from in it or from outside. You are saying this to people teaching students through high schools you are saying that our solar system moving. It is not important if moving or not, but important to me that they are declaring and accepting that our solar system is not fixed through space. It is moving. Eh good.

Another thing that I am not understanding, I am asking that proud ones, what, which system?

(adhan) Allahu akbar, al-`azhamatu lilah, al-izzatu lillah.

Muhim ilmu
Al-muhim mawlana
Masha-Allah
You are also `alim.

(buhoor ya mawlana radan qati`a)

Hujjatun qati`a mithlu sayyidina ibrahim.

...

Allahu akbar, al-`azhamatu lilah, al-izzatu lillah.

Yes. I am simple person I am asking to understand. They are claiming no god. Atheist people. I am asking who put solar system in its system? When they are saying solar system, just moving. Which direction?, because through space no direction. Endless directions. You may say north east west south on earth you may speak direction according to sun's movement. But in space no direction. But they are saying "yes we found another huge system, alpha system. It is also a gigantic system through our galaxy."

Good, I may accept. Another question to our proud scientists and astronauts, I am asking humbly, "O astronauts, astronomes, O learned people, O scientist people. Ok as you said, our solar system moving towards alpha system. No jadal, no argument with you. I am not arguing with you, no, I am saying "yes, as you said. But tell me how solar system moving towards alpha system? Do you think they are pushed or pulled? Because for moving something must be pulled or must be pushed, no any other way. We must hook it or you must pull it. Tell me, our solar system, with which way running towards alpha system? Someone pushing them behind of that or something else pulling them towards Alpha system? Tell me also this!

They have a... my understanding is not so easy to understand but they are saying they are doctors, PHD, professor, this and that one, please tell me, solar system how running towards alpha system? On a gazak? (sled) flat? Led? (shu taqsad mawlana) Just put on it and carrying it. (sled) led. (sled) sed. Yanee to carry it on. Aah! I am asking if someone putting solar system on a sled and carrying from head side or pushing from

backside, please they may answer to me. Yes. I am an easy person for understanding. Doesn't matter, what they are saying I am looking. I must think on it. And then behind it I may ask other questions to them. Who putting solar system on a sled? Ooh, ooh, oooh!

With which zengirler diyerler, with which chains or ropes, how they are binding and putting and coming? And they are knowing the way towards alpha?

They are cheating to people and they are laughing to people and they are saying to cover their jehalet, their ignorance and they are saying, that the beginning of this world is from a big bang. They are fully ignorant ones. They are fully graduated by satanic ways.

I am not an easy one! I am so simple one, I am only asking so simple questions that even unlearned person may ask. I am on first step not high step ones. First step person I am asking and looking now what is going their answers. I am not asking to pope and I am not asking to bishops and I am not asking to Muslim muftis. I am not asking Hindus, and I am not asking Buddhists and I am not asking to this one or that one because they have their answers.

But those ?? ones, those stupid ones that they are trying to cheat people with big bang, I am asking those people who are saying big bang, just built on lie, hundred percent. I may say 1000 percent, I may say 1 million percent they are liars, asking to cheat people. I must speak truth and true one they have honor. Cheating people they are with shaytan, with satan and its followers. Liars. We are not lying and holy books never giving lies to people.

And the last holy book Qurani Kareem, Quran, giving 100 percent truth, million percent truth, billion percent truth, nothing can be wrong through understanding through holy Quran. No one touched on it, it is like the day descended, sent from heavens through archangel Gabriel to the Seal of the Prophets. Even so many idiot ones, haha idiot (likes the word). They are not saying not accepting this but we are saying you are only idiot ones. More than stupid that was what I was thinking, that is so big honor for them. First class idiot ones. I am rushing on them and bombarding idiot ones' castles to make them down. I am nothing. May Allah forgives us. Ok?

(masha-Allah, masha-Allah Mawlana Masha-Allah)

Dumm, dumm, dumm,
I am so happy
That I can speak to those for true ones.
I am addressing only to those
that they have something from understanding

I am not addressing to anyone of asses or donkeys that they haven't granted for an understanding but they have also an understanding level even they are going to be an ant, o people come and ask to those no-mind people, atheist people, give us your answer to that one speaking and attacking on you,

ooooh, oooohuuuu, huuuuu,
dumm, dummm, duummm, dummm, dummmm.

May Allah forgives me and forgives you to be reaching His Belessing here and hereafter, O people use your minds you should find real reality through this creating

Allah, Allah, Allah
Allah Allah Allah Allah Allah Allah,
Allah Allah Allah Allah Allah Allah
Yahu bravo!!!!

Fatiha

(min bahr al-wahdaniyya tala` al jawaab shadahum shadd. Hadha al-muhim)

**The Idler's Way**

---

May the Laylatu-l Mi'raj be mubarak. May we find honour with many such nights. May we be busy with deeds that will make our Lord pleased with us. Fatiha. O our Allah! Qawwi dha'fana fi ridak. As-Salam alaikum O attending ones; O beloved, Shah Mardan. May it be mubarak; the night and the day of Mi'raj be mubarak for all of us. Allahumma qawwi dha'fana fi ridak. Let us pray: O Shah Mardan, the Master of the field, O Shah Mardan, who is admired by all, O one who even the lions admire, the lion of all the lions: Shah Mardan. As-Salam alaikum O beloved Shah Mardan. Come on in, let us listen. Let us say on this holy day: Allahumma qawwi dha'fana fi ridak. We are weak ones. May You take our weakness away from us for Your pleasure. O Shah Mardan, what is it that we are asking? O beloved, Shah Mardan, may you know what is it that we are asking. Go ahead, O Shah Mardan. Listen O beloved ones! O the friends of Shah Mardan, may you listen! May our assembly be an assembly of Nur; O Shah Mardan, the lion of his Lord.

Let us first say Bismillahi r-Rahmani r-Rahim. Say first before anything else: Bismillahi r-Rahmani r-Rahim. Abdun dhaif, we are weak servants. Qawwi dha'fana fi ridak. May You remove our weakness in the way of pleasing You. We are weak. Qawwi dha'fana fi ridak. May You make our weaknesses leave us by Your good Pleasure. Go ahead, O Shah Mardan. Say, O beloved ones, O friends of Shah Mardan. Let us say, "Ya Rabbi, qawwi dha'fi fi ridak." Strengthen our weaknesses to be pleasing to You. The servants of Rabbu-l 'Izzat cannot be weak. Can someone who is the servant of a Sultan be weak? Then come on in, let us listen to Shah Mardan. Let us ask from Allah Almighty so that Divine Help may reach us for servanthood, for His servanthood. Go ahead, O Shah Mardan.

One man asked another man: "What is your job? What is your occupation?" He replied:

"Wallahi I have no job".
Astonishing. "Are you not a human?"
"Well, yes, I am a human".
But you say "I have no job". You say "I am unemployed". This, this word is not suitable for Man who is created as the most honoured creature. You are created as the most honoured one. When you are asked "What is your job?", you say "I have no job". This is a shame. It is a big shame for you to say "I have no job". What does it mean "I have no job?"
"Well, we have nothing to do. We are idle".
Shame on you, that you have nothing, no job to do? At least say "I am occupied with the service of my Lord". They say "we have no job". What did you expect to do as a job? You expected to be hitched to a carriage? You expected to be hitched instead of a donkey? Is this the job you

want? All the people today are like the waterwheel donkeys. They keep turning around and saying "I have no job". "Come and I will make you work tomorrow".
"What will I do?"
"Come and there is this wheel of ours. If you have nothing to do, I may tie you to it and you turn around. Keep turning around.
"What will happen then?"
"This will be your job".
"What will we achieve in the end?"
"We will pull water from the well in the end. You have no job? Ok. Come and I tie you to the wheel. You keep turning around the wheel, pull water and this will be your job".
"Yahu, we want a job!".
"What kind of a job?"
"Whatever!"
"Can you work as a waterwheel donkey?"
"If there is no other job, I can".
"Turn around the wheel and we will pay you".
"What can we do? If there is no other job let us at least be waterwheel donkeys".

How good it is, isn't it? Keep turning and turning around! They also cover that animal's eyes, so that it feels it is going a long distance when it only goes in circles. If its eyes are not covered, it won't turn. You are human! You are the most honoured creature. Did Lord Almighty Who created you as the most honoured creature not assign a job for you? Even the waterwheel donkey has a job. How can you say "I don't have a job"? Your job is... "What do you know?"
"I know nothing".
"Come then, I cover your eyes, tie you to this wheel and you turn". "What is your occupation?"
"I don't know anything else".
"What is your job?" He says,
"I can work as a waterwheel donkey too. Since it is also a job, let me at least work as a waterwheel donkey".
An inspiration comes to me. We await your order, O Shah Mardan. These people have become toys in the hands of shaytan. Shaytan asks: "What do you do?"
"I do nothing".
"Who created you left you idle? Did Allah leave you without an occupation?" "What do you do?" asks one of the wise ones, or asks Shah Mardan Hz. You replied "I do nothing. I have no job, I am idle".
There is no man who is left idle. You should have a job. "What do you do?" "I do nothing".
"Come then, I tie you to the wheel". So he ties him to the wheel, covers his eyes also. "Your job is to turn this wheel here". What did shaytan do to the mankind? It turned them into waterwheel donkeys. Man, the most honoured creature Allah created, shaytan made mankind into waterwheel donkeys. What do they turn? They turn the wheel of shaytan!
Man says "I have no job".

"Come then, I tie you to the wheel and you will have a job", shaytan says like this.
"I can't do this job. I can't do that job".
Do you not think then, for what do you exist? From where does your existence come? What is your profession?
"I have no profession".

"If you don't, then come here". Shaytan collects all the men that don't have a profession.
"What will be our job now?"
"You will shout, you will scream". You scream, "I want this, I want that." You break the windows. You destroy the stores, this is your job. Did you like this description of shaytan?
AstaghfiruLlah.
O our Lord, man, whom You created as the most honoured one, says "I have no job?" This is a shame. "We have no job, what should we do?" Go out into the streets. Scream, shout, break, destroy. This is your job. Is this not also a job? Scream, shout, say "We are hungry!" Break all the windows. Burn, break, destroy, kill. Is this humanity? Is this the description of humanity? Shame on the foolish men of the 20th century, of 21st century. They do not think: "Why are we idle ones?" Not even a donkey stays idle. They call it "waterwheel donkey". At least it turns the wheel and pulls up water. Man! But man is not a waterwheel donkey. Pay attention! Go ahead, O Shah Mardan. He (swt) Who created you did not make you waterwheel donkeys for dunya. Here, this is what they do not know. Man is not created to be a waterwheel donkey.
O the foolish people of the 21st century! O the low quality, mindless, dishonorable people of the 21st century! Allah created even the donkey, the horse for a job. Can He (swt) leave you without a job? They say "We have no job". There are plenty of jobs to do in dunya! They say, "We have no job. What should we do?" The people poured into the streets. They are breaking, damaging, saying "There is no job". They scream, they shout. They say "job", they say "food". They break, they vandalize. This is not humanity - this 21st century understanding. This is the understanding of the 21st century people about themselves. They say "We are created as waterwheel donkeys. Because we can't find a wheel, we are left idle. And since we are idle, we break windows. We vandalize. We shout in the streets. We break, destroy. Let this be our job". So this is your job? Did your Creator create you to break, to vandalize, to destroy and burn, to make every evil. Did He create you for this? "We have nothing to do. If we have nothing to do, the streets are empty. Let us go into the streets and shout, break, burn, destroy all around". This is not humanity. Whichever (...) taught this...? The (...) shaytan taught them - "Don't work. Say, 'There is no work'. Break, burn, destroy". 21st century's civilization. Yes, but what a civilization! What is shaytan doing? It is covering their eyes. "Go out into the streets like this". "Let us shout, scream, burn,

destroy". This is not humanity. Shame on the people in this 21st century. There is no one left to teach them their identity. They don't know their identity. If you ask a donkey "who are you?" it will say "I am a waterwheel donkey". The people of this time cannot even answer as the

waterwheel donkey does. What have the people of the 21st century become? They say "We have no work". Then? Go ahead O Shah Mardan, they await your answer.
These ones are the freeloaders. These are the freeloader group. Even animals work but these ones don't work. Animals offer man a benefit but these people who pour into the streets destroy humanity and degrade the honour of humanity and then they say "we have no work". These ones are lower than animals. "'Ula'ika Kal 'an'ami Bal Hum 'Adallu" (7:179) The Lord of Earths and Heavens Allahu Dhul Jalal says: "'Ula'ika Kal 'an'am". These ones will come in the end of times. These ones are the freeloader group. The people of the 21st century are all freeloaders. They want to live without working. "What is your job?" "I have no job". "What do you do then?" "We gather. There is a meeting tonight. There is a meeting in such a center, in such a square. Women and men, we come together and demonstrate, scream and shout". The government is astonished, not knowing what to do. What can they do? The people you have raised are all freeloaders. Their governments are even more freeloaders than them. They are even more freeloaders. Shaytan has tied them very well too.
Allah Almighty says: "'Ula'ika Kal 'an'am". These ones are like animals. A donkey works, gets some hay and eats according to its work. These are the freeloaders who want to eat without working; the idle, lazy ones, freeloaders. These are the donkeys of shaytan. Those who want to earn without working, who burn and destroy everywhere: "'Ula'ika Kal 'an'am". These are like animals. "Bal Hum 'Adallu". Animals today are more honourable than the two-legged animals. At least they don't burn and destroy - Meaning there is no evil left that these two-legged ones don't do. They do all of it! They scream, shout. Then they say "We are hungry".
There was a man called Uj ibn Anaq from the old times. There was Uj in the time of the Prophet Moses. He was the head of freeloaders. He was very tall. He would find fish in the sea and eat them by cooking them in the sun. And also, he would go around all the bakeries in that country. He would go to all the bakeries and whichever bakery he went to he would swallow all they had

and then disappear. He didn't ask "For whom is this blessing? Is it my right or not?" The people of this time also want to take and eat what is others' right. May they eat poison! The dishonoured people of this time go out to burn, destroy everyone's homes and then they claim to be human! Allah will send a nation who will overcome them. "I am idle, have nothing to do". Is that so? You have no work? Beat them in falaqa to discipline, to discipline the ill-mannered people. What does the Shariat say? "Fajliduhum Thamanina Jaldatan" (24:4). Yes? Do you understand? "Fajliduhum". It says "beat these shameless ones, these freeloaders". "Fajliduhum Thamanina Jaldatan". Beat them on the soles of their feet and see, will they do freeloading after this or not? Can you find even one of them in the streets?

But they don't keep the Shariat. Shaytan rides on the neck of the 21st century's people. It shows what their spiritual situation is, the attribute of the people of this time, what they call the 21st century. All of them are freeloaders. "Fajliduhum". Beat these people! See if they will go out to the streets and shout again. Send them to prison. Send them to the mountains, leave them

without food and water in the wild and see if they will ever do these ill-mannered things again? Will they go out and shout in the streets. "Fajliduhum Thamanina Jaldatan". Flog them with 80 stripes. Beat them in falaqa, beat them in public. And look if there will be a single man outside the next night? But the ones in power are bandits too! They corrupted the honour of humanity. They have the nature of that shameless man called Uj ibn 'Anaq. He would go around all the bakeries, eat all of it & then cry out, "I am hungry". Uj, yes. Prophet Moses caught him and said... His height almost reached all the way to the sky. He would go around all the bakeries and shout "I am hungry". Read the history, read the old books instead of reading novels, wandering idle in the streets, O shamess ones! There is no school! It raises animals, not man! The maktabs (schools) of the 21st century produce freeloaders. They raise freeloaders. They raise ill mannered, shameless ones. "Fajliduhum". Beat them in falaqa! "'Aw Yunfaw Mina Al-'Ardi"(5:33) Beat the soles of their feet. If they still don't behave sensibly, exile them. Take them up to the mountains and leave them there. Will they come to their senses or not?

They collect them and put in prison now. Why should you put them in prisons? Load them in a truck and take them up to the mountains. The bears will eat them. Jackals, hyenas may eat them.

Man has an honour. They can't teach that honour, all of them are freeloaders. "Wa 'An Laysa Lil'insani 'Illa Ma Sa'a" (53:39) Almighty Rabbu-l Izzat says, Subhanahu wa Ta'ala: man has nothing other than what he works and earns. He should work and eat. There is no freeloading in Islam. Democracy, Dirt-ocracy. May they boil in its filth. They invented democracy. Meaning they brought up a freeloading group. They made the honourable Man lose his humanity. "Wa 'An Laysa Lil'insani 'Illa Ma Sa'a". Man's gain is only for what he works and earns. He takes the return of his work. Therefore none of those who go out in the streets are Muslims.
"Wa 'An Laysa Lil'insani 'Illa Ma Sa'a". If they still don't learn - "Fajliduhum". Beat them in falaqa, discipline them. Discipline them. Prophet Adam came out from the heavens with a stick. When he was asked "What is this for, O Prophet Adam", he said: "This is the power that disciplines the ill mannered ones, the ones who go astray". "Fajliduhum Thamanina Jaldatan". Put them in falaqa and beat them on the soles of their feet. Or "'Aw Yunfaw Mina Al-'Ardi". Exile them into the mountains. Exile who you catch in the mountains. But they make corruption everywhere. Yes! These ones don't know the honour of humanity. Teach them. O our Lord, forgive us. O Shah Mardan! The order and judgement belongs to Shah Mardan. Send us such a Sultan. We have everything. "What do you do?" "I have no job". But you have the need to excrete, O ill mannered one! Can there be a man without a job in dunya? Even the donkey has a job yet you say "I have no job".
O all people! This is the order coming to the Prophets from above: Give to who works. There is no freeloading in Islam. If they don't learn, "Fajliduhum". Beat them on the soles of their feat, beat them in falaqa. The Turkish government was happy because they removed the falaqa. Take it now! They removed the falaqa in the Turkish Republic and now they can't handle the people. How can they? "Bal Hum 'Adallu". The people now are lower than the animals. "'Aw Yunfaw

Mina Al-'Ardi"(5:33) It says, exile them. To where? To the mountains, to the wild. See if they will behave sensibly or not. See if they say "I have no job" again. But what can you do? The people of the 21st century said "shaytan is our sultan". They keep what it says but don't keep the orders of Rabbu-l Izzat. They will do nothing but fight each other.
Allahu Allah, Allahu Rabbi. Allahu Allah, Allahu Hasbi. O our Lord, may You not leave us in

the hands of the dirty ego. Send us the Mighty Shah Mardan that he may discipline our ill manners. "What do you do?" "I have no job" Is that so? Even the donkey has a job, how can you not have? But they are made to get accustomed to it, to freeloading. They won't learn. Then, "Fajliduhum Thamanina Jaldatan". Beat them in falaqa. Can he ever say "I don't have a job" after this? They will all come to their senses. O our Lord,You are al-Qadiru l-Muqtadir. If You order one of Your weak servants he can discipline all of these people. No one can say "I have no job" then. If he has no work, lay him down here. Put his feet in the falaqa and beat! Can he go out in the streets another night? Their women went out into the streets. When you catch them, their punishment is take them to a graveyard and leave them there. Take them to the graveyard, throw them there and see if there is any woman outside the next night?

Everything is in our Shariat. Mankind is disobedient, he becomes friends with shaytan. They will come to their senses. The Sahibu-l Waqt is coming. O Shah Mardan, this field belongs to you. May you send the holy servants who will discipline us. May our day be good, may it be honoured. May our work be servanthood to our Lord. O our Lord, may You forgive us. May You send us a Sultan. You are the Qadir and the Muqtadir. Go ahead, O Shah Mardan. Reach to our aid for the honour of the Beloved (sas). Fatiha.

Don't put the women in jail. Put who you catch in the street into the graveyard and see how many of them will remain till the morning. Allahu Allah, Allahu Rabbi. Allahu Allah, Allahu Hasbi. May You not leave us to our dirty ego Ya Rabbi. May You send the Sultan who will discipline our dirty ego, Ya Rabbi. Fatiha.

Why should you beat them? Because they are "'Ula'ika Kal 'an'ami Bal Hum 'Adallu". Even an animal works and eats but these want to eat without working. The freeloaders of the 21st century are lower than animals. May Allah not make us from them.

Fatiha.

Der Weg der Faulenzer

Shaykh Mohammad Nazim Al-Haqqani An-Naqshibendi, Sohbat vom 6. Juni 2013.

Möge Laylatu l-Mi`raj mubarak sein. Mögen wir Ehre finden mit vielen derartigen Nächten. Mögen wir beschäftigt sein mit Taten, die unseren Herrn mit uns zufrieden sein lassen. Fatiha. O

unser Herr, Qawwi Dha'fana fi Ridak. As-Salamu `alaykum, o Anwesende. O Geliebter, Shah Mardan. Mögen sie mubarak sein, die Nacht und der Tag der Mi`raj seien mubarak für uns alle. Allahumma Qawwi Dha'fana fi Ridak. Beten wir: O Shah Mardan, der Meister des Feldes, o Shah Mardan, der von allen bewundert wird. O der eine, den selbst die Löwen bewundern, der Löwe der Löwen, Shah Mardan. As-Salamu `alaykum, o geliebter Shah Mardan. Komm herein, laß uns zuhören. Sagen wir an diesem heiligen Tag: Allahumma Qawwi Dha'fi fi Ridak. Wir sind schwach. Mögest Du unser Schwäche von uns nehmen durch Deine Zufriedenheit. O Shah Mardan, was ist es, was wir erbitten? O Geliebter, Shah Mardan, mögest du wissen, was wir erbitten. Mach weiter, o Shah Mardan. Hört, o Geliebte! O Freunde Shah Mardans, mögt ihr zuhören. Möge unsere Versammlung eine Versammlung des Lichtes sein. O Shah Mardan, der Löwe seines Herrn. Sagen wir zuerst: Bismillahi r-Rahmani r-Rahim. Sagt zuerst, vor allem anderen: Bismillahi r-Rahmani r-Rahim. Abdun Dhaif - Wir sind schwache Diener. Qawwi Dha'fana fi Ridak. Mögest Du unsere Schwäche von uns nehmen auf dem Weg, Dir zu gefallen. Wir sind schwach. Qawwi Dha'fana fi Ridak. Mögest Du unsere Schwächen von uns gehen lassen durch Dein Wohlgefallen. Mach weiter, o Shah Mardan. Sagt, o Geliebte, o Freunde Shah Mardans. Sagen wir: Ya Rabbi, Qawwi Dha'fi fi Ridak. Verwandel unsere Schwächen in Stärke, damit wir Dir gefallen. Die Diener von Rabbu l-`Izzat können nicht schwach sein. Kann jemand, der der Diener eines Sultans ist, schwach sein? Dann kommt herein, laßt uns Shah Mardan zuhören. Laßt uns Allah den Allmächtigen bitten, so daß Göttliche Hilfe uns erreicht für die Dienerschaft, für Seine Dienerschaft. Mach weiter, o Shah Mardan.

Ein Mann fragte einen anderen: Was ist deine Arbeit? Was ist deine Beschäftigung? Er antwortete: Wallahi, ich habe keine Arbeit. Erstaunlich. Bist du kein Mensch? Nun, ja, ich bin ein Mensch. Aber du sagst: Ich habe keine Arbeit. Du sagst: Ich bin arbeitslos. Dieses Wort geziemt dem Menschen nicht, der als das geehrteste Geschöpf erschaffen wurde. Du bist geschaffen als der Geehrteste. Wenn ihr gefragt werdet: Was ist deine Arbeit? sagt ihr: Ich habe keine Arbeit. Das ist eine Schande. Es ist eine große Schande für euch, zu sagen: Ich habe keine Arbeit. Was bedeutet es: Ich habe keine Arbeit? Nun, wir haben nichts zu tun. Wir sind müßig. Schande auf euch, daß ihr nichts habt, keine Arbeit! Sagt wenigstens: Ich bin mit dem Dienst an meinem Herrn beschäftigt. Sie sagen: Wir haben keine Arbeit. Was habt ihr für eine Arbeit erwartet? Habt ihr erwartet, vor einen Karren gespannt zu werden? Ihr habt erwartet, statt eines Esels vorgespannt

zu werden? Ist das die Arbeit, die ihr wollt? Alle Menschen heute sind wie der Wasserradesel. Sie drehen sich ständig im Kreis und sagen: Ich habe keine Arbeit. Komm, und ich gebe

dir morgen Arbeit. Was werde ich tun? Komm und da ist ein Rad von uns. Wenn du nichts zu tun hast, kann ich dich daran binden und du drehst dich im Kreis. Du drehst immer weiter. Was geschieht dann? Das wird deine Arbeit sein. Was werden wir am Ende erreichen? Wir werden Wasser aus dem Brunnen ziehen am Ende. Du hast keine Arbeit? Okay. Komm und ich binde dich an das Rad. Du drehst das Rad immer im Kreis, ziehst Wasser hoch und das wird deine Arbeit. Yahu, wir wollen Arbeit! Was für Arbeit? Egal! Kannst du als Wasserradesel arbeiten? Wenn es keine andere Arbeit gibt, ja. Du drehst das Rad im Kreis, und wir bezahlen dich. Was können wir tun? Es gibt keine andere Arbeit. Laßt uns wenigstens Esel für das Wasserrad sein. Wie gut es ist, nicht wahr? Dreht und dreht im Kreis! Sie bedecken auch die Augen der Tiere, so daß es glaubt, es gehe eine weite Entfernung, wenn es nur im Kreis geht. Wenn die Augen nicht bedeckt sind, dreht es nicht.

Ihr seid Menschen! Ihr seid die meistgeehrten Geschöpfe! Hat der Allmächtige Herr, Der euch als das meistgeehrte Geschöpf erschuf, euch keine Arbeit zugewiesen? Selbst der Wasserradesel hat eine Arbeit! Wie könnt ihr sagen: Ich habe keine Arbeit? Euere Arbeit ist.. Was weißt du? Ich weiß nichts. Komm denn, ich bedecke deine Augen, binde dich an dieses Rad und du drehst. Was ist deine Beschäftigung? Ich kann nichts anderes. Was ist deine Arbeit? Er sagt: Ich kann auch als Wasserradesel arbeiten. Da es auch eine Arbeit ist, laßt mich wenigstens als Wasserradesel arbeiten. Eine Eingebung kommt zu mir. Wir warten auf deinen Befehl, o Shah Mardan.

Diese Leute sind Spielzeug in den Händen Shaytans geworden. Shaytan fragt: Was machst du? Ich mache nichts. Der, Der dich erschuf, hat dich untätig gelassen? Hat Allah dich ohne Beschäftigung gelassen? Was machst du? fragt einer der Weisen oder fragt Shah Mardan Hz. Ihr antwortet: Ich tue nichts. Ich habe keine Arbeit. Ich bin müßig. Es gibt keinen Menschen, der müßig gelassen wird. Ihr solltet eine Arbeit haben. Was machst du? Ich mache nichts. Komm denn, ich binde dich an das Rad. Also bindet er ihn an das Rad und bedeckt ihm auch die Augen. Deine Arbeit ist, dieses Rad hier zu drehen. Was tat Shaytan der Menschheit an? Er machte sie zu Wasserradeseln. Den Menschen, das meistgeehrte Geschöpf, das Allah erschuf, Shaytan machte die Menschheit zu Wasserradeseln. Was drehen sie? Sie drehen das Rad Shaytans! Der Mensch sagt:

Ich habe keine Arbeit. Komm denn, ich binde dich an das Rad, und du hast eine Arbeit, Shaytan spricht so.
Ich kann diese Arbeit nicht machen. Ich kann jene Arbeit nicht machen. Denkt ihr denn nicht? Wofür existiert ihr? Woher kommt euere Existenz? Was ist euer Beruf? Ich habe keinen Beruf. Wenn du keinen hast, dann komm her. Shaytan sammelt alle Menschen ein, die keinen Beruf haben. Was wird unsere Arbeit sein jetzt? Ihr werdet schreien, ihr werdet brüllen. Ihr brüllt: Ich will dies! Ich will das! Ihr zerbrecht Scheiben, ihr zerstört Geschäfte, das ist euere Arbeit. Gefiel euch diese Beschreibung Shaytans? Astaghfirullah. O unser Herr, der Mensch, den Du als den Meistgeehrten geschaffen hast, sagt: Ich habe keine Arbeit. Das ist eine Schande. Wir haben keine Arbeit. Was sollen wir tun? Geht hinaus auf die Straßen. Brüllt, schreit, brecht, zerstört. Das ist euere Arbeit. Ist das nicht auch Arbeit? Brüllen, schreien, rufen: Wir sind hungrig! Zerbrecht alle Fenster! Verbrennt, zerbrecht, zerstört, tötet! Ist das Mensch-Sein? Ist das die Beschreibung

des Mensch-Seins? Schande auf die Dummköpfe des 20. Jahrhunderts, des 21. Jahrhunderts. Sie denken nicht: Warum sind wir müßig? Nicht einmal ein Esel bleibt müßig. Sie nennen ihn Wasserradesel. Zumindest dreht er das Rad und zieht Wasser herauf. Mensch! Aber der Mensch ist kein Wasserradesel. Paßt auf! Mach weiter, o Shah Mardan. Er (swt), Der euch erschuf, machte euch nicht zu Wasserradeseln für die Dunya. Hier, das ist, was sie nicht wissen. Der Mensch ist nicht geschaffen worden, um ein Wasserradesel zu werden. O Dummköpfe des 21. Jahrhunderts, o minderwertige, hirnlose, unehrenhafte Leute des 21. Jahrhunderts. Allah erschuf sogar den Esel, das Pferd für eine Arbeit. Kann Er (swt) euch ohne Arbeit gelassen haben? Sie sagen: Wir haben keine Arbeit. Es gibt eine Menge Jobs zu tun in der Dunya!
Sie sagen: Wir haben keine Arbeit. Was sollen wir tun? Die Menschen ergießen sich in die Straßen. Sie zerbrechen, beschädigen, rufen: Es gibt keine Arbeit! Sie brüllen, sie schreien. Sie sagen 'Arbeit', sie sagen 'Essen'. Sie zerbrechen, sie verwüsten. Dies ist nicht Mensch-Sein, dieses Verständnis des 21. Jahrhunderts. Dies ist das Verständnis der Leute des 21. Jahrhunderts über sich selbst. Sie sagen: Wir sind als Wasserradesel geschaffen worden. Weil wir kein Rad finden können, sind wir müßig. Und da wir müßig sind, zerbrechen wir Scheiben, wir verwüsten, wir schreien auf den Straßen. Wir zerbrechen, wir zerstören. Das sei unsere Arbeit! Also was ist

euere Arbeit? Erschuf euch euer Schöpfer, um zu zerbrechen, zu verwüsten, zu zerstören und zu verbrennen, um alles mögliche Böse zu tun? Erschuf Er euch dafür? Wir haben nichts zu tun. Wenn wir nichts zu tun haben, die Straßen sind leer, gehen wir hinaus auf die Straße, schreien, zerbrechen, verbrennen, zerstören wir alles um uns herum. Das ist nicht Mensch-Sein. Wer immer lehrte euch das? Shaytan lehrte es sie. Arbeitet nicht! Sagt: Es gibt keine Arbeit! Zerbrecht, verbrennt, zerstört! Die Zivilisation des 21. Jahrhunderts. Ja, aber was für eine Zivilisation! Was macht Shaytan? Er bedeckt ihre Augen. Geht so auf die Straße! Schreien wir, brüllen, verbrennen, zerstören! Das ist nicht Mensch-Sein. Schande auf die Menschen des 21. Jahrhunderts.
Es gibt niemanden mehr, der sie ihre Identität lehrt. Sie kennen ihre Identität nicht. Wenn du einen Esel fragst: Wer bist du? wird er sagen: Ich bin ein Wasserradesel. Die Menschen dieser Zeit können nicht einmal antworten wie ein Esel. Was ist aus den Menschen des 21. Jahrhunderts geworden? Sie sagen: Wir haben keine Arbeit. Dann? Mach weiter, o Shah Mardan, sie warten auf deine Antwort. Dies sind die Schmarotzer. Dies ist die Gruppe der Schmarotzer. Selbst Tiere arbeiten, aber diese arbeiten nicht. Tiere bieten dem Menschen einen Nutzen, aber diese Leute, die sich in die Straßen ergießen, zerstören die Menschheit und entwürdigen die Menschheit und dann sagen sie: Wir haben keine Arbeit. Diese sind niedriger als Tiere. "Ula'ika Ka l-An`ami bal hum 'Adallu" - Sie sind wie das Vieh, nein, sie irren noch eher ab (7:179). Der Herr der Erde und Himmel, Allahu Dhu l-Jalal, sagt: "Ula'ika Ka l-An`am" - Sie sind wie das Vieh. Diese werden am Ende der Zeit kommen. Dies ist die Gruppe der Schmarotzer. Die Menschen des 21. Jahrhunderts sind alle Schmarotzer. Sie wollen leben, ohne zu arbeiten. Was ist deine Arbeit? Ich habe keine Arbeit. Was machst du denn? Wir treffen uns. Es gibt ein Treffen heute Abend. Es gibt ein Treffen in diesem Zentrum, auf diesem Platz.. Frauen und Männer, wir kommen zusammen und demonstrieren, brüllen und schreien. Die Regierung ist überrascht, weiß nicht, was sie tun soll.

Was können sie tun? Die Leute, die ihr aufgezogen habt, sind alle Schmarotzer. Ihre Regierungen sind sogar noch größere Schmarotzer als sie. Sie sind sogar noch größere Schmarotzer.
Shaytan hat sie auch sehr gut gebunden.
Allah der Allmächtige sagt: "Ula'ika Ka l-An`am" - Sie sind wie das Vieh. Diese sind wie Tiere.
Ein Esel arbeitet, bekommt Heu und ißt seiner Arbeit entsprechend. Diese sind die Schmarotzer, die essen wollen, ohne zu arbeiten, die müßigen, faulen Schmarotzer. Sie sind die Esel Shaytans.

Jene, die haben wollen, ohne zu arbeiten, die überall verbrennen und zerstören: "Ula'ika Ka l-An`am". Diese sind wie Tiere. "Bal hum Adallu" - nein, sie irren noch eher ab. Tiere heute sind ehrenvoller als die zweibeinigen Tiere. Wenigstens verbrennen und zerstören sie nicht. Das heißt, es gibt nichts Böses mehr, was diese Zweibeiner nicht tun. Sie tun alles! Sie brüllen, schreien. Dann sagen sie: Wir haben Hunger! Es war einmal ein Mann, genannt Uj ibn Anaq, in der alten Zeit. Uj lebte in der Zeit des Propheten Moses. Er war das Oberhaupt der Schmarotzer. Er war sehr groß. Er fand Fisch im Meer und aß ihn, nachdem er ihn in der Sonne gekocht hatte. Und er ging auch zu allen Bäckereien in diesem Land, Er ging zu allen Bäckereien, und bei welchem Bäcker er auch war, dort verschlang er alles, was sie hatten, und verschwand dann. Er fragte nicht: Für wen ist dieser Segen? Ist es mein Recht oder nicht? Die Menschen dieser Zeit wollen auch nehmen und essen, was anderen zusteht. Mögen sie Gift essen! Die Ehrlosen dieser Zeit gehen hinaus, um jedermans Häuser zu verbrennen und zu zerstören, dann behaupten sie, Menschen zu sein. Allah wird eine Nation senden, die sie überwinden wird.

Ich bin müßig, habe nichts zu tun. Ist das so? Du hast keine Arbeit? Schlagt sie im Falaqa, um sie zu erziehen, um die ungezogenen Leute zu maßregeln. Was sagt die Shariat? "Fajliduhum Thamanina Jaldatan" - verabreicht 80 Peitschenhiebe (24:4). Ja? Versteht ihr? "Fajliduhum". Es heißt: Schlagt diese Schamlosen, diese Schmarotzer. "Fajliduhum Thamanina Jaldatan". Schlagt sie auf die Fußsohlen und seht, werden sie danach noch schmarotzen oder nicht? Könnt ihr auch nur einen von ihnen auf der Straße finden? Aber sie halten die Shariat nicht ein. Shaytan reitet auf dem Rücken der Leute des 21. Jahrhunderts. Es zeigt, wie ihre geistige Situation ist, die Attribute der Leute dieser Zeit, die sie das 21. Jahrhundert nennen. Alle von ihnen sind Schmarotzer. "Fajliduhum". Schlagt diese Leute! Sehen wir, ob sie noch einmal auf die Straße gehen und schreien. Schickt sie ins Gefängnis. Schickt sie in die Berge, laßt sie ohne Nahrung und Wasser in der Wildnis und seht, ob sie diese ungezogenen Dinge noch einmal machen werden. Werden sie hinausgehen und auf den Straßen schreien? "Fajliduhum Thamanina Jaldatan." Gebt ihnen 80 Peitschenhiebe. Schlagt sie auf die Fußsohlen, schlagt sie in der Öffentlichkeit! Und seht, ob noch ein einziger Mensch draußen sein wird in der nächsten Nacht.

Aber die an der Macht sind auch Banditen. Sie verdarben die Ehre der Menschheit. Sie haben das Wesen dieses schamlosen Mannes, genannt Uj ibn Anaq. Er ging zu allen Bäckereien, aß alles auf und schrie dann: Ich habe Hunger! Uj, ja. Der Prophet Moses schnappte ihn und sagte.. Seine

Größe reichte fast bis zum Himmel. Er ging in alle Bäckereien und rief: Ich habe Hunger! Lest die Geschichte, lest in den alten Büchern, statt Romane zu lesen und müßig durch die Straßen zu

wandern, o Scham-lose! Es gibt keine Schule! Sie ziehen Tiere heran, keine Menschen! Die Schulen des 21. Jahrhunderts produzieren Schmarotzer. Sie ziehen Schmarotzer auf! Sie ziehen Schlecht-Erzogene, Schamlose auf. "Fajliduhum." Schlagt sie auf die Fußsohlen! "Aw Yunfaw mina l-Ardi" - oder daß sie aus dem Land vertrieben werden (5:33). Schlagt sie auf die Fußsohlen. Wenn sie immer noch nicht vernünftig sind, verbannt sie. Bringt sie in die Berge und laßt sie dort. Werden sie zur Besinnung kommen oder nicht? Sie sammeln sie und sperren sie ins Gefängnis jetzt. Warum tut ihr sie ins Gefängnis? Ladet sie auf Lastwagen und bringt sie in die Berge. Die Bären werden sie fressen. Schakale, Hyänen mögen sie fressen. Der Mensch hat Ehre. Sie können diese Ehre nicht lehren. Sie sind alle Schmarotzer. "Wa an laysa li l-Insani illa ma Sa`a" - und daß dem Menschen nichts anderes zuteil wird, als wonach er strebt. (53:39) Rabbu l-Izzat sagt: Der Mensch hat nichts anderes, als was er erarbeitet und verdient. Er sollte arbeiten und essen. Es gibt kein Schmarotzertum im Islam. Demokratie, Dreck-okratie. Mögen sie in ihrem Dreck kochen. Sie erfanden die Demokratie. Das heißt, sie brachten die Gruppe der Schmarotzer hervor. Sie veranlaßten, daß der ehrenwerte Mensch sein Mensch-Sein verlor. "Wa an laysa li l-Insani illa ma Sa`a." Der Gewinn des Menschen ist nur das, was er arbeitet und verdient. Er bekommt den Ertrag seiner Arbeit. Deshalb ist keiner von denen, die auf die Straße gehen, Muslim. "Wa an laysa li l-Insani illa ma Sa`a."

Wenn sie immer noch nicht lernen: "Fajliduhum". Schlagt sie auf die Fußsohlen, diszipliniert sie! Diszipliniert sie. Der Prophet Adam kam aus den Himmeln mit einem Stock. Als er gefragt wurde: Wofür ist das, o Prophet Adam? sagte er: Dies ist die Macht, die die Schlecht-Erzogenen diszipliniert, diejenigen, die in die Irre gehen. "Fajliduhum Thamanina Jaldatan." Befestigt sie in der Falaqa und schlagt sie auf die Fußsohlen. Oder "Aw Yunfaw mina l-Ardi". Verbannt sie in den Bergen. Verbannt die, die ihr erwischt, in den Bergen. Aber sie bringen überallhin Verderbtheit. Ja! Diese, die die Ehre der Menschheit nicht kennen. Lehrt sie! O unser Herr, vergib uns. O Shah Mardan, der Befehl und das Urteil gehört Shah Mardan. Sende uns so einen Sultan. Wir haben alles. Was machst du? Ich habe keine Arbeit. Aber du mußt ausscheiden, du Schlecht-Erzogener! Kann es einen Menschen ohne Arbeit geben in der Dunya? Selbst ein Esel hat eine Arbeit.

Und doch sagt ihr: Ich habe keine Arbeit. O all ihr Leute! Dies ist der Befehl, der zu den Propheten kommt von oben: Gebt dem, der arbeitet. Es gibt kein Schmarotzen im Islam. Wenn sie nicht lernen - "Fajliduhum". Schlagt sie auf die Fußsohlen, schlagt sie in der Falaqa. Die türkische Regierung ist glücklich, weil sie die Falaqa abgeschafft hat. Das habt ihr davon! Sie schafften die Falaqa ab in der Türkischen Republik, und jetzt können sie der Menschen nicht Herr werden. Wie könnten sie? "Bal hum Adallu". Die Menschen sind jetzt niedriger als Tiere. "Aw Yunfaw mina l-Ardi" (5:33). Es heißt, verbannt sie! Wohin? In die Berge, in die Wildnis. Seht, ob sie vernünftig sein werden oder nicht. Seht,ob sie wieder sagen: Ich habe keine Arbeit.
Aber was kann man tun? Die Menschen des 21. Jahrhunderts sagen: Shaytan ist unser Sultan. Sie halten sich an das, was er sagt, aber sie halten sich nicht an die Befehle Rabbu l-`Izzats. Sie werden nichts anderes tun, als gegeneinander zu kämpfen. Allahu Allah, Allahu Rabbi. Allahu Allah, Allahu Hasbi. O unser Herr, laß uns nicht in Händen unseres schmutzigen Egos. Sende

uns den Mächtigen Shah Mardan, daß er unser schlechtes Benehmen diszipliniert. Was machst du? Ich habe keine Arbeit. Ist das so? Selbst Esel haben eine Arbeit. Wie kannst du keine haben? Aber sie sind so weit gekommen, sich daran zu gewöhnen, an's Schmarotzen. Sie lernen nicht. Dann, "Fajliduhum Thamanina Jaldatan". Schlagt sie auf die Fußsohlen. Kann er danach je sagen: Ich habe keine Arbeit? Sie werden alle zur Vernunft kommen. Unser Herr, Du bist al-Qadiru l-Muqtadir. Wenn Du einem Deiner schwachen Diener befiehlst, kann er all diese Leute disziplinieren. Niemand kann dann sagen: Ich habe keine Arbeit. Wenn er keine Arbeit hat, legt ihn hierhin. Tut seine Füße auf die Falaqa und schlagt! Kann er in einer anderen Nacht auf die Straße hinausgehen? Ihre Frauen gingen auf die Straße. Wenn ihr sie erwischt, ist die Strafe, sie auf den Friedhof zu bringen und dort zu lassen. Bringt sie auf den Friedhof, werft sie dorthin und seht, ob in der nächsten Nacht eine Frau draußen sein wird. Alles ist in unserer Shariat. Die Menschheit ist ungehorsam. Sie wird freund mit Shaytan. Sie werden zur Besinnung kommen. Der Sahibu l-Waqt kommt. O Shah Mardan, dieses Feld gehört dir. Mögest du die heiligen Diener senden, die uns disziplinieren. Möge unser Tag gut sein. Möge er geehrt sein. Möge unsere Arbeit Dienerschaft für unseren Herrn sein. O unser Herr, mögest Du uns vergeben. Mögest Du uns einen Sultan senden. Du bist der Qadir und Muqtadir. Mach weiter, o Shah Mardan. Komm

uns zu Hilfe zu Ehren des Geliebten (saws). Fatiha. Werft die Frauen nicht ins Gefängnis. Bringt, wen ihr auf der Straße erwischt, auf den Friedhof und seht, wieviele von ihnen bis zum Morgen bleiben werden. Allahu Allah, Allahu Rabbi. Allahu Allah, Allahu Hasbi. Überlaß uns nicht unserem schmutzigen Ego, ya Rabbi. Mögest Du den Sultan senden, der unser schmutziges Ego diszipliniert, ya Rabbi. Fatiha. Warum solltet ihr sie schlagen? Weil sie "Ula'ika Ka l-An`ami bal hum Adallu" sind. Selbst ein Tier arbeitet und frißt, aber diese wollen essen, ohne zu arbeiten. Die Schmarotzer des 21. Jahrhunderts sind niedriger als die Tiere. Möge Allah uns nicht zu einem der ihren machen. Fatiha.

## If Allah (swt) Knows What We Will Do, Why Were We Created?

(Mawlana Shaykh speaks with a guest.)

Pray at least two raka`ats. (I will.) When you come home, take a shower and pray two raka`ats immediately.

(Mawlana, I need to ask you something.... Allah knows everything, the past and the future as well. He [swt] knows if I will kill a man one minute later or not, He knows if I will steal or not, or if I will go to Heaven or Hell. He knows everything. If Allah [swt] knows everything, then why did He create us?)

They said dunya is a testing place. Do you not test your students? Do you not know about their situation, their level? Why do you test them? (To see if they studied or not.) Allah tests us in the same way, to see if we are servants or not. Our souls existed before our physical beings, and our souls promised, “You are our Lord and we are Your servants.” He tests us to see if we keep this promise or not. It is all about this. (But Allah knows if we will keep it or not.) He knows, but it is different. He tests you so that you won’t say, “I did not know.” Allah (swt) does not need to test you, but it is for Him to show you, “Your life has passed like this.” (Okay, I understand this.)

Now, there are two centers or poles in this world: first is Allah Almighty’s good pole; the other is Shaytan’s

evil pole. You are in between.

••••• •••• •••••••••••• ••••• •••• •••••••••••••

Faman sha'a falyu'min wa man sha'a falyakfur. Then whosoever wills let him believe, and whosoever wills let him disbelieve. (18:29)

(Allah is saying) "I will judge them in the end." Do you not know goodness? (Yes.) Why do you do bad things? (I follow my bad ego.) Why should you? Does a man follow his donkey when he rides on it, or does the donkey follow its rider? What kind of talk is this, oh professor? (Of course, the donkey follows the rider.) But people let the donkey loose, allowing it to go wherever it wants. They say, "You ass!" to the donkey. Tawbah, astaghfirullah. (laughter) Does the man who rides on a donkey leave the control to the donkey? When you ride on a donkey do you say, "Go wherever you want," or do you have a stick and direct him to where you want? The donkey goes where its rider wants. Whoever follows his donkey is worse than his donkey!

This is very simple. You have a good understanding of what we say. We don't want to go into deep subjects, because if I did we could speak until morning, but this is like a shortcut. If you follow the true ones you are on the right path and if you follow the wrong ones you are misguided. This is a simple thing! Do you know how many true ones are there in Nicosia? (Only a handful of them.) And the rest are deviant. Why should you follow deviant ones? Since He gave you the control-wheel, why do you drive to the cliff? Don't! If you do, it is your fault.

My body can be weak, but the saints who command my mind-reason don't leave me helpless. Whatsoever people ask, we may speak.

Fatihah.

# If a person is ill, no more taste through is mouth

Audhubilahi minesh shaitana rajim.Bismillahi Rahmani Rahim.
La haula wa la quwatta illa bi-llahi-l Aliyu-l Aziem...By the Name of Allah Almighty, most Merciful most Beneficent and most Magnificent.May Allah grant to me and to you good understanding...

Grandsheikh, Allah bless him, always was saying: If a person is ill, no more taste through is mouth. First loosing taste; everything you are giving to him- to eat or to drink, everything saying: Tasteless. If you are giving sweet also, he is saying: Tasteless. Sour- saying: Tasteless. Salty giving- saying: Tasteless. Or very good prepared foods and meals giving- saying: Bitter. Do you think that meal is bitter or he lost taste from his tongue, from his mouth? Because he is ill and illness taking away to taste or to differentiate between salty or sweet or commonly loosing and nothing tasting.

Therefore now people lost that feeling that about good things.
Therefore if you say a good ting, he is saying: It is not good. If you are

saying truth, he should say: You are lying person. If you are speaking, he is saying for false: That is true, for truth saying false, for lies saying truth, for truth saying lie. Because they lost balance trough their mind, therefore no more difference. Therefore it is so difficult to address people, because you are speaking on truth and he is coming and saying: It is not true. Therefore mostly true ones and trustworthy people are escaping to come through communities, saying: No more. Fishes asking pure water, clean water to live in it, but mosquitoes like dirty waters, dirty place. True ones asking an average clean average that they may be able to find a good understanding or they should find a welcoming from attenders.

If not they are saying? Why we are coming through these misunderstanding people? Their understanding is misunderstanding. For what we are coming to waste our previous times with them. No. And leaving and escaping. Therefore now through East and West you may find so many people claiming they are religious ones, or they are mystic people, or they are belonging to some Sufi schools, or Sufi ways- but they are claiming that they are in heavens, but really they are underground, not even surface of people, that first level of people are much more better than before because first level people not cheating. But they are claiming something they never reached. They are cheating people. Cheating people their levels under ordinary level or first level of people. They are coming down, That is big or biggest problem for people and real ones whom they are speaking wisdoms they are escaping form those people, because they don't like to cheat people, that people just accustomed to accept cheating to accept lies, therefore when they are looking reality, they are escaping. If someone coming from true ones, and they say: That cheating us and escaping form him. Therefore it is a dirty world now, you can't speak to people, you cant address them through East and West so difficult to find a real group of people, whom they are sincere people, really asking from truth, and there you can find only handful

people.

Wa min Allah at-taufiq. Only Allah. Who asking from truth, He may send His guidance, and they may find true ones and may save their souls. Important is to save our souls, it is not important to save our physical being. Our physical being if you are saving it, saving it, if trying to protect it, 7o years, 8o years, 9o years. 1oo years. No more you are saving your physical being fnished. It is not important and it is impossible to save our physical being forever.

Therefore impoortant is to save our souls, and people just cheated. So many crooks, cheating people, and from darkness coming through the hearts of people bad thinking. They may find someone that may speak truth, but through their hearts coming a bad thinking, saying: Maybe that person trying to cheat us. Finished, just closed down this way for them and they are imprisoned through their material being, no way to reach to their souls. Just they are covered and even a very small hole you cant find to reach to them. And this is making people to fall in troubles and cutting their ways for saving their souls, because bad thinking making a hindrance for their salvation. They can't reach to the hand of that person who saying: That person cheating me.

May Allah grant us good understanding to understand from truth, and we have been offered to look after truth and to try to reach to truth, then to try to be with truth, then to be true ones, because divinely people or heavenly peoples group they must be very clean ones, very true ones. As a king has some chosen people around himself, his staff are his chosen people. A Sultan or a king can't bring to be in his royal presence to be from common people, but he is asking to bring in his royal presence chosen people. And kings never like a person imitated ones, no. Real royal people, must be in front of his royal presence, and Allah Almighty He is looking for His divinely

Presence most chosen people.

One king was saying to one person to be in his royal presence and that one saying an excuse, saying: 'How you are inviting me to be with you, to be your servant, and you are servant of my two servants? You are not servant, but you are slave of my two slaves. How you are calling me to be with you? Your station is station. or your level is level of slaves.' And Sultan was so angry: 'How you are saying this? I am Sultan and you are accusing me to be slave for your slaves also?' And that person saying: 'Yes, I am that one who saying to you that you are slave for my two slaves.' 'Do you know me?' 'I know you.' 'You are fearing from me or not? If you are knowing me that I am that Sultan, that I am that Emperor whose Empire is spreading from East to West and you say this, and you say you are not fearing from me?' 'Yes, I am saying to you. I am not fearing from you, because you are a creature, and I am creature also. I am fearing from Creator. Or: you are a creature like me, therefore I am not fearing from creature, no.'

(One person was in woods, working, and suddenly a person riding on a lion running towards him, and he was very fearful, trembling. And on lion there was a person with long beard, and he was keeping in his hand a snake like whip. And he was dressed a royal greatness from Allah Almighty. And that person going to tremble from lion and its looking. Asking that one: 'You are fearing (from that tiger), and I am riding on it? Don't fear, he is also creature like you. Don't fear.')

That king was saying: 'How it can be I am going to be slave for your two slaves? I am never accepting this!' 'Yes o king.' 'I am a magnificent king, how you are saying this, you are not fearing me?' 'No, because you are slave for my two slaves', repeating. 'To me you are saying this? I never accept.' Saying: 'Yes, I am insisting to say this, I am not changing it. You are slave of my two slaves. One of two slaves is anger and the second one

desire. You are slave. Anger it is my slave. I never leave my ego to be angry, but you can't do. Now you are proving that you are slave, because what I am keeping, my anger, you are not keeping it. Because you are under your anger now- asking to kill me, to send me away, and that is the proof that you are slave for your anger. And also- you are king, you never send away your ego if your ego asking something, you are never able to stop your desires, physical desires. What your ego, or what your physical being is asking, you are saying: 'Yes, ready'. You are ordering on behalf of your ego to people: 'Bring this to me, bring that to me, I like this, I hate that, I am sending that, I am killing this'- all things that your ego and its desires ordering to you, you are doing. But I never follow my physical desires, no! You are slave for your physical desires. If I am finding something to eat, my ego never saying: 'It is a dry bread'. No, he is happy.

But if someone putting on your royal table dry bread, you are going to kill him, because your ego saying: 'I am not that one to eat dry bread, you must bring to me moist delicious food to enjoy myself'. Are you living to enjoy yourself, or are you living for your Lord's servanthood?' -and he was dressing greatness, power from Allah Almighty's heavenly Greatness, and Sultan beginning to tremble- 'So that don't say to me: Come and be with me, come and be through my staff. No, I am not accepting.'

Therefore- people now live for their physical desires. As much as possible they are asking to satisfy what their egos are asking, as they are thinking that they are created only to fulfil their earthly beings' desires. They are thinking that they have been created only for fulfilling their physical desires. That is main purpose, main target that people asking to reach on it through 21st century. No on asking: For what we have been created, and: What asking our Creator from ourselves? No one asking. Therefore people now are like that king- slaves for their angers. If they are angry, may kill each

other. If nations angry to each other, asking to destroy that nation, and everyone asking to be Nr 1 for eating and drinking an dressing and enjoying himself.

Therefore- people just finished, they are going to kill each other. Such things are teachings of shaitan, satanic teachings, and people just lost the ways of Heavens, and they fell down. They are on earth and coming under earth. Therefore- don't think that problems or troubles going to finish! As more as troublemakers with ourselves, don't think that peace coming.

Grandsheikh always was saying a tale from Sayidina Suleiman- peace be upon him and the Seal of Prophets and peace forever: King Solomon was moving with his armies and he looked that sun just covered. And he was thinking that cloud coming. Then looking that it was a crowd of Hudhud, this blessed bird that was carrying the holy letter of King Solomon to Queen of Shiba, that Allah Almighty making a crown on its head among every bird. A big number of that birds moving, just reached over Sayidina Solomon. And he was saying, he was calling their chief, and that coming and saying: 'As-salat wa salamu alaika, ya Nabu Suleiman.' 'Wa alaikum salaam, where are you moving?' It said: 'O King Solomon, we are moving from our first place to another, a second place. We are changing our first place for a new home, a new place.' Sayidinna Suleiman saying: 'Why you are leaving first one? What is the matter?' He said: 'Now it is going to be dirty, and dirty air, no good air now in our place, bad smelling and so much dirt in our place. Therefore we can't carry this any more, and we are moving'. And Sayidinna Suleiman was asking: 'That thing that making dirty your place, it is with you or you left it there?' He said: 'No, it is with us.' 'Even though if you are changing 1oo places, if that one that making first one dirty is with you, you make 1oo places dirty. Therefore go back your first place, don't make dirty second and third place!' Sending them away. Troublemakers with

that birds. 'If it is with you, no need to change place, everywhere you are going making dirty. You are never leaving clean place.' Sending them away.

Therefore people now that make trouble, now troublemaker, if it is with mankind now, it is impossible to come peace. No way to reach peace people till they follow the heavenly rules. Everywhere they make it dirty, dirty, dirty. As yesterday we said: Shaitan urinating and saying: 'Clean brains, washing', but making much more dirty. If people are not leaving satanic teachings- satanic teachings are the main source of troubles- as long as people are following, they should be suffered; they should fight to each other. Every nation going to take away another nation, every part of this world- East asking to remove West and not to leave anyone, and Western part of world asking to take over Eastern people, not to be there, North part of world asking to take off South part of world, and South part of world asking to take away North part of world. And as long as people are not following heavenly teachings, but follow steps of shaitan and his teaching, they should fall. and more and more troubles, more and more crises, more and more miseries, more and more cursing should come on them. And they are never going to be saved.

May Allah bless us and send us someones with their spiritual power to correct our leaders and to correct everything through our communities, to take away dangerous microbes and such a dirty and harmful cells from people, then they should reach a peace. If that ones not coming, going to be tomorrow more terrible, horrible, and dangerous from today and tomorrow should be much more troubles, after tomorrow much more troubles. May Allah forgive us.

Bi hurmati-l Habib. Fatiha.

**If Physical Power Gives Honor, Donkeys Would be More Honored than Man**

Stand up for the glory of the Lord of creation. If we can be able to stand up from eternaly to eternal it is nothing for the glory and the majesty of the Lord of Heavens, Allah Almighty.

Allahu Akbar! Allahu Akbar, Allahu Akbar! Ya Maalika 'l-mulk! Ya Dhal-Jalaali wa 'l-ikraam!

Whole creation bowing in front of Your Greatness. O our Lord! Forgive us in this holy month for the honor of the most honored one in Your Divinely Presence, Sayyidina Muhammad Sallallahu Alayhi Wasallam. Zidhu ya Rabb, give him more glory, more honor, more majesty, in spite of those Shaytaans and those whom following Shaytaan's way also, from the sons of Adam Alayhissalam.

Ya Sayyid al-awwaleen wa 'l-akhireen. Ya sayyidi! Alfu's-salaat! Alfu's-salaam `alayka wa `ala aalika wa ashaabika wa `ala man ittab`aka ..

...Ya Sayyidee, Ya rasulullah. We are asking intercession in spite of Wahabi people, Salafi people and in spite of whole.. wrong-ways people. In spite of all of them we are giving our highest honor to you because Allah Almighty just dressed you from endless honor oceans. Dressed you and and He likes you to be dressed always with honor by His servants also.

You are the one who is representing the Lord of creation. O, Ya Rasulullah! Give us your intercession and ask for ourselves through this holy month `afuw - forgiveness from your Lord.

And we are so so bad servants. We are not good servants. We are bad serevants and it is not an honor for mankind to be bad servants. It is good or best for the Children of Adam to be best servants; not only good

servants (but) best servants of our Lord through this holy month.

For the honor of the most glorified one, most blessed one, Sayyidina Muhammad (s) forgive us and give us much more power to be on your right path to walk on it with strong steps.

destur Ya rijaal Allah Destur glorified servants honored servants! Look after ourselves.

Meded asking from your Divinely authorities something to make us to stand up for the Lord of heavens.

And we are saying A`udhu billahi min as Shaytani 'r-Rajeem.

Bismillahi 'r-Rahmani 'r-Raheem. We are taking the sword of power (the) sword that granted to the deputies of the Lord Almighty. Because a deputy means that going to be sultan on earth on behalf of the Sultan of creation, must have sword and heavenly sword. Not it is from steel sword. No, something else that you can't know it. We are asking that for defeating badness and Shaytaanic tricks; to defend mankind.

As-salaamu `alaykum Ya `ibaadullah as-salaamu
`alaykum servants of the Lord of heavens.
Allah Allah, Allah Allah, Allah Allah Subhan Allah
Allah Allah, Allah Allah, Allah Allah Sultan Allah.

O people! the children of Adam! Come and listen and obey. Don't be idiot ones. Don't be bad ones. Don't be dishonored ones. Don't be Satans because mostly people they are stamped by Shaytaan to be from his followers. Don't leave Shaytaan stamping you (stamping?) by its stamp. No. Try to take heavenly stamp on you and heavenly stamp giving to you honor here and hereafter. And Shaytaan's stamp making you to fall down and to be thrown away from Divinely Presence

It is an association what we are saying. We are not speaking on prophets' teaching or prophets' knowledge that they are bringing from heavens tO people! and that granted to those people whom they are followers of the Seal of Prophets.

And we are saying "O our master! Master of this world! Look after us and support us with such a knowledge that making followers of shaytanic knowldege to be down and making those people followers of shaytaan

down.

O people! Shaytaan huuuu asking to make whole people under his command to make everyone as himself and putting so many traps and countless tricks to make people to fall into in its trap. And prophets - particularly the Seal of Prophets, most beloved one, most glorified one, most honored one in Divinely Presence, Sayyidina Muhammad (stands) Sallallahu Alayhi Wasallam. I am standing up to make wahabi and salafi people much more angry and their anger making them to fall down more.

O people!! O people! Look and listen; hear and listen; listen and be obedient.

O people!! Leave to be disobedient ones.

There is two tables: on one it is written the names of followers, obedient's names just written.

And on the second table written on it "followers of Shaytaan whom they are disobedient ones." O people!! beware to be written your names on the table of disobedient ones. Then you should lose every chance, here and hereafter.

O people!! come and listen what saying masters whom they are real followers of the Seal of Prophets (s).

O people!! For what you have been created? You must ask.

For what you have been granted powers? And powers of mankind not physical power. Physical power there is much more, much more through animals physical power.

Sometimes I am looking and seeing that there is some musabaqa, competition. Competition you know. There is some people that they are taking heavy things and picking up showing that they are so powerful. If that power was giving to you an honor, donkeys they can carry more than you. Double. Ey, give donkeys also an honor saying, because he may carry so heavy things on its weak body.

O people! Mostly you are on wrong way! You are asking power through so many nonsense excersises. One of this that is famous to take heavy burden, heavy things and take it up and leaving. For what? You are donkey?

Allah created donkey for this. Why you are trying this? What giving to you? Giving honor? But people

thinking it is honor

Some satanic center making people always to do wrong things, wrong thinkings, wrong thoughts, therefore they are bringing so many nonsense exercises and giving one copper medal or silver medal if a person may carry a small donkey's load, saying, "you may take a copper medal." If a little bit more saying, "Oooooh. You are much more than a donkey. You carried today 100 kilograms. Therefore we are granting to you a silver medal. Then the third one bringing saying "O what you are carrying today no any donkey can carry. More than donkey you are carrying today a heavy heavy circles. Heavy circles today - 150 kilograms! You are much more powerful than a donkey that it can carry such a heavy load.

O people (claps) make for this because he over a donkey's power, can carry.

O people! I am adressing to whole nations: do you think that is an honor?

Who making this? Shaytaan making it to occupy people and giving one medal that is golden. And don't give that one, also give also a silver medal put on the neck of every donkey to be very happy

and wehn they are goingto be happy they are showing their happiness. But man not saying only taking and putting like that and (nothing). If you are loasding on donkey donkey crying saying, "Eeeyyyaaawoo, eeeyyyaaawoo, eeeyyyaaaooo!"

but man not making this very happy donkey.

"O Shaykh! Donkey never getting to be happy with such a medal but it is going to be happy with a sack, if giving to donkey a sack full with arpa barley." Oooh, barley, barley and it is so happy beginign eeeyyyaaaooo. But that one (man) taking and putting up and never saying anything.

But they are making me to speak, O our listeners we are saying what we shall do? We speak truth. What mankind now seated by Shaytaanic activities

They are saying that it is body? (badan) It is making this. (Body-building weight-lifting) Sport.

Biggest sport I am saying if biggest sport making, then let them to shout also like donkey to be 100%

followers the way of donkey.

It is so happy.

Once O people! Once upon a time. I may say this to take a teaching - to learn something about ourselves.

There was one sultan. Big sultan, big sultan. And he was always going out for hunting. His hobby was hunting. And one day he was running after a gazelle on his horse running. And he was hearing a khitaab (addressing). Hearing something but he was not seeing who is speaking to him, who addressing to him. Only he was hearing and understanding that unseen one's addressing. "O Sultan! Do you think that you have been created for hunting?"

He was hearing this and then second side coming another addressing saying to him . "O Sultan! Do you think that you have been ordered for hunting?" and he was taking his horse, stopping and getting back. These two words were enough for him to make his way from one wrong direction to right direction. He understands what does it mean, that, . "O Sultan! Do you think that you have been created for hunting?" No answer and second "do you think that you have been ordered for hunting?" (He has) no answer. And he was listening.

Now those people doing so many nonsense things under the name of gymnastics and sports. Whole sports it is baatil. Baatil means "false - it is not true." For everything through sports angels saying "O mankind! Do you think you have been created for football?" or "O mankind! Do you think you hve been created for running like rabbits so quickly?" "O mankind do you think you have been created for high jumping?" or "O man! Do you think that you have been created for carrying heavy things up? This is your understanding for creation? Tuh! Wayhak! Shame! Blame to you. Blame to you that the understanding, the philosophy of your understanding if it is this way then blame to you and those people whom are urging you to do this. Under the name of sports every day every newspaper full with such a foolishness. How they are waiting blessings from heavens and they are preferring to be like rabbits; to be like dogs; to be like horses; to be like donkeys. They are preparing this that all of them it is for animals' world not for man this. But every day the newspapers, the last pages, 2 pages, some 4 pages, some more or less full with sports. Football and their heads empty like football nothing else.

They are understanding only "shoot! Shoot!" Where shooting?

Don’t see where shooting. I am saying if that is sport why putting one football? Put two! Two teams each one to find for shooting. Put several footballs everyone shoot.

21 century people no-mind people. To think on it that they are not created for such a useless activities. Under the unwaan title “sports”. Billions of people looking like this (saying) “eh shoot!”

I am sorry that not getting in but getting outside. You learn how it is getting out and how it is not getting in.

What is the benefit? but Shaytaanic teachning making people to fall down to level of animals. I am sorry to say this, it is a reality but no one speaking on it. They are so happy with this, whole nation. Everywhere, even I am living in a small village they are saying football, team in Lefke and they are going to make with Gezulyurt (neighbor town) a football team.

Before time whole Islamic territories were full with derghahs, zawiyas, tekkiyas, and such a blessed places people coming and learning something about their Lord and edeb, and also Christian world they have hundreds of monasteries and churches. People coming and asking to learn about their Lord's servanthood. Now they’re putting on it locking and calling people outside to football yards; everything wrong and heavenly cursing coming on them. May Allah forgive us.

O people! You must try to carry or worshipping responsibilities, first you are opening your eyes, you must use your thinking, oh! I am awakening what is sleeping and how I am sleeping and how I am awakening? Make them understand about yourselves. Don’t waste life for such a nonsense things, as long you are doing this your levels coming down, down through darkness of our egos and the Lord is asking from servants not to come down their levels but to make them over, over, over to reach to heavens.

O people! That it is today’s’declaration and naseehat /advice. The Lord of Heavens through his prophets if you are taking you are going to be acceptable here and hereafter, if not, don’t think football or medals or heavy carrying giving what to you? Perhaps, when thrown away angels say, “blame to you, you wasted your life instead to give to your Lord most high respect through worshipping, you leaving that and running on shaytanic ways."

O pope! O bishops! O Muslim Imams! O Hindu Imams! O Buddhist Imams! Where are you? You’re not

understanding what I am saying? Do you think any of you can say I am wrong? Can't say; if say heavenly arrows can reach that one to take him quickly to that area.

May Allah forgive us, to be good servants for Allah Almighty and good servanthood only is to be able to control your egos and egoistic desires, physical desires. Leave that and run after spiritual desires or spiritual what we are saying, aims, targets, make your way up to Heavens. Don't carry yourself under this world through darkness worlds.

May Allah for give us for the honour of most honoured one Sayyidina Muhammad (saws).
dumm, dumm, dumm, dumm, dummm, dummm, dummm

## If somebody has to die

Haji X. is very ill... Take him out of hospital... Where there is pain, put your hand and recite Fatiha seven times... I am around him, blowing on his face... If he passes away, Angels will take his body to Damascus... When Mehdi a.s. comes, I will call him from Barzakh... So many people are going to come back from Barzakh with Grandsheikh, to follow Sayidina Imam (Mehdi).

## If the World is in Danger, Be in Safety

This month, Muharramu 'l-Haaram, is a very important month. Allah Almighty knows the dangerous situation we are going towards. We are coming to the end of life of Man on his planet and Qiyamah, the Last Day, is coming nearer.

Whoever is going to be with Allah Jalla wa`Ala, is going to be in safety, here and Hereafter, and those who are running away from servanthood of Allah Almighty are in danger. We are asking Allah Almighty to send us Mahdi (a), to bring everything back to its real position. People are leaving servanthood to become servants and slaves of Shaytan. Therefore, inshaa-Allah Mahdi (a) will come to all people, and it will be a good future for Mankind on this planet.

Whoever accepts the servanthood of Allah Almighty is going to be safe. If they don't accept and they run after Shaytan, there is no hope for them. Yaa Rabbee! Yaa Allah! Yaa Rabbee! Yaa Allah! (Du`a)

Fatihah.

We are in danger and so they may say "RabbunAllah, hasbunAllah" 100 times daily and also recite Salaatu Tunjeena [aka Salatu munajiyyah]. Keep yourself safe and [women] do not go out at night except for a need,

then your men or a worker may bring it. Keep your doors closed at night time and don’t leave the lights on. Don’t leave home without a man. Understand? May Allah protect you.

Fatihah.

## If we don't Believe in God, How can we be Good?

Young people will carry the responsibility into the new century. It is not only a change from one century to the next, but a change of millenniums which is why it is so important. All nations are making big preparations for this new millennium. They are planning to destroy everything on earth which has been civilised and built for thousands of years.

In this century we had to witness how all the monuments and precious buildings were destroyed by two great wars. I do not think that mankind really want to destroy their homes and their civilisation. There must be something in this world working against humanity which urges people to be enemies and to fight each other, to make wars and to destroy everything materially as well as spiritually here on earth. It is a terrible vision of the future of humanity. If we continue in the same direction in the next millennium, there is no hope for humanity.

You must try to understand how you can protect yourself and your nation against this. We have been created by the Lord of Heavens. Even if Darwin is telling us that we come from monkeys, it is not true. I have never met a monkey which gave birth to a human being, or a mouse giving birth to a cat... Every creature produces its own kind. This is why we believe that human beings all come from one man and one woman. It is what we have been informed of by Prophets and Holy Books and what we believe in. Everything else people try to tell

us, are theories, imagination. So maybe we imagine this for awhile. Then after some time we will have another idea and imagine something else. We will then decline our first theory and believe in the next. Our minds always produce new ideas.

This is why we believe in all the Holy Books: the New Testament, the Old Testament, Psalms, Thora and the Holy Quran. They all tell us that man came into existence through Heavenly Creation. We all come from the first couple of man and woman. The root is one, but we have many branches. The Creator created man to be in several kinds. He did not create all men in the same form. They are all different. Everyone represents a special situation. You are unique in your creation. You cannot find two persons to be the same, even if they are twins. Their thinking and points of view will always be different.

We are only guests on this planet for a while. It will not be forever. No one comes here as a permanent guest. We must go. We must know that this earth belongs to all people and we must know and believe that everyone has rights on this planet. The Lord of Heavens put a rule that you must keep your rights as well as the rights of others. In this century they are telling us about human rights, but they are cheating people. They only mean powerful people. They have rights. Those who are weak and poor don't have any rights. This is a very wrong idea being put into the minds of youngsters. It is why young people try to be much more powerful. They want to be strong and powerful so that the weak ones will be afraid of them. As long as people do not care and do not respect the rights of others, wars will never stop and there cannot be a bright future for humans.

You are learning so much, but I don't think that you have any lessons to teach you anything about such values. Governments want a secular system where they can keep God outside the school. Why? If we don't believe in God, how can we be good? If you don't believe that there is a power beyond us, you will be a terrible creature, wilder than a wolf. This is why we need to have something in our hearts, in our souls.

This is where we differ from any other creatures on earth, Heavens or oceans. There are so many kinds of creatures, but they are not like you. You belong to mankind, and you are number one. You have been honoured more than any other creature and you carry more responsibility than any other. We know that technology kills everything. It kills your mind. It kills your hearts. It kills your physical being. It destroys and harms. It harms everything connected to nature. The oceans are dying. For what? Because people are

misusing the power given to them by the Lord of Heavens. We have a mind to think and a will power to decide with.

What are you doing with your will power during the 24 hours of the day? Are you really using your will? Do you think that when you are eating and drinking and dancing that you are using your will? These are natural desires which are directing you. This has nothing to do with will power. Will power is something far beyond that. It means that you are able to stop your physical desires. We were now fasting for one month. I am now fasting a voluntary fast because it gives power and the personality to develop and to shine.

You will have a brilliant personalities. People with such attributes are like stars, like prophets. They are like suns, like moons, like stars, because they prepared their personalities by using their will power. As long as you are trying to control yourself you will reach a good future. Look around in London how many people are finished. They have completely lost control. They have never practised to use their will power, and when devils tempt them they cannot say, 'No!'. Their lives are ending in a very ugly and disliked way. You are young and there are so many devils around chasing you. Don't be their victim. This is London, in a western country with so many traps for young people. Even the governments cannot help you. You yourself must try to use your will power.

I am a sufi master and in front of me everyone is the same. I am not a fanatic person dividing people into being Protestant, Catholic, Anglican, Orthodox, Muslim, Jewish or Buddhist. No! I am interested in mankind. I am now approaching 80 years and I am travelling far distances. The Lord of Heavens is making me to come and address you now. My heart is full of pity for mankind, because they are being taken the wrong way physically and spiritually. May Allah bless you.

Keep your faith strongly and try to practise your will power and try to be good-ones. You cannot be a good-one as long as you are friends with bad-ones. The most dangerous thing for you is to take bad friends. It harms you and destroys your future. This is the most valuable and precious time in your life. Be careful with it. If not you might suffer your whole life. If you are careful you might still find yourself healthy, wealthy and powerful when you are 80 years old. If not, you will finish quickly.

Reality must appear. This century is full of lies and cheats. It is the century of liars, wolves and foxes. The lions have been taken away, have been shaved, have had their teeth removed and look like monkeys. The

wolves are spreading everywhere. They never smile, only when they want to eat you. There are countless wolves everywhere. This is why it is so difficult to save youngsters. But we have hope that the Lord of Heavens will save them.

**“If you are not becoming like the children...”**

As-salamu alaikum!
Ya Rabbi, Shukr! Ya Rabbi, Shukr! Ya Rabbi, Shukr!
Tauba, ya Rabbi, Tauba, ya Rabbi, Tauba, Astaghfirullah!
Shukr, ya Rabbi! Shukr, ya Rabbi! Shukr, Alhamdulillah!
Audhu bi-llahi mina shaitani rajim, Bismillahir Rahmanir Rahim.
Destur, ya Sayydi, ya Sultanu-l Awliya, Meded! Meded, ya Rijalallah! Meded!

Look! That baby, that child- with one Bonbon, he is getting happy... So happy! If I am giving to you one sack, (you are saying): “Ehhh, what I shall do (with that)? What I am going to do (with) this...?” ... Look! He is happy also, very happy... But people, they are not happy (with) one sack-... “What is that?” It is maybe 2o Pounds. “Ehhh...” What about if I am giving to you 20.000 Turkish money? “Turkish money also...what is 20.000?” (He is) thinking on it, (the) chairman of this Dergah... Baba T. thinking on it: “2o.ooo? I may finish it through 24 hours... What is that!” Say 20.000 Euro- “Doesn’t matter, it is good!” Ehhh! How much (time is it) taking to spend that 20.000 Euros? “O Sheikh,

ehhh, (in) one month I may finish (it)... “

Then, I am looking another one that (he has) too much money, but (only) a little bit (of) mind... Yani, stupid person: “If I may find, okay, but...” (He is) sitting there and looking: “From where I may take this money?” I am saying: “Night-time, after midnight, put a tent on (the) roof and (then it is) raining... raining every kind of money! Turkish money- throw it away! English Pound, Sterling, doesn’t matter... Euro- much powerful may be... And Dollar- eh, Dollar, they are playing on it... sometimes (it is) getting up, sometimes (it is) coming down...

Yes, one baby, he is going to be happy with one Bonbon! We are not. We are not happy! Till we are coming to be our characteristics like (a) small one, we are not going to be acceptable in (the) divinely Presence!
(A) small one (is) never making, never doing anything to be guilty, no! No guilt for children!And children, they are not thinking to do some evil, no, they are not thinking on it.And children, they are not envious, no jealousy, no, no!
Never (they are) quarrelling with their parents, small ones, (to say): “ I must have like this boy!” What you are dressing (them), they are happy (with that). And they are not occupying their minds or their hearts with something that Allah Almighty is not happy (with)!

They are not running after buildings; they are not running to have (a) Mercedes car or a truck, no! They are not getting angry or sorry, if anyone (is) asking from them a precious ring, (saying): “Give it to me and take this red colour bonbon!” Quickly (they are) giving! Yes?... Good manners! You can do this? No, we can’t do! We are thinking that: “Everything must be for ourselves!” Yes, you can reach so many things from this life and you may save billions or trillions through banks, you may keep and save so precious stones, gems, and you are happy. If someone (is) asking: “Give for the sake of Allah”, (he is) giving one disliked stone, (a) ring, or (a) very cheap bracelet, and we are thinking that:

“What we are saving, they are for ourselves!” And no one (is) taking what they saved (with them), when they are passing away! Yes...

You are (an) Egyptian person. In Egypt, (in the) old times, (in the) ancient period, that (there were) hundreds of Pharaohs, they were saving treasures and also they were preparing themselves (for) when they were passing away from this life. And they were believing that: “One day we are coming back and these treasures must be under our control, must be for us!” They saved like hills of treasures. And dealing people, that they are specialists for keeping (the) body of (the) Pharaoh, not to be rotten, they did it. But after thousands of years, one day- even their treasures (were) just hidden, but...- Allah Almighty (was) sending (people) on their treasures, on their tombs, to find a way and to reach to their rotten bodies. And, perhaps you saw their mummies?... If you are looking their rotten bodies through thousands of years, you may run away, perhaps (for a) long time you can’t eat something! Or, you are scared night-time and daytime you can’t ask to eat something! How they were? And after thousands of years how going to be their bodies? They tried to be forever here- that it is impossible!-and (the) treasures (they were) saving (them) for themselves, but can’t be (that) treasures for themselves, finished!

Now, therefore, this boy- it is not important anything: what he is dressing or what he had been given to eat. (He is) never asking (for) a best car, never asking (for) a castle or (a) palace, no, they are happy! Till you are coming back- that is ‘safa’, purity! They are pure, we are not pure; therefore we are living in trouble, through miseries and people (are) running through streets everywhere, asking something, but they are not knowing what they are asking, no! You saw small ones running through streets and shouting? No! They are happy with their lives, why (they are) going to shout or to destroy or to burn or to kill people? For what? They are happy!

But man, that when they are growing up or when they are learning something, they

must think on it what is (the) targets that they are running on it! That boy (is) happy! Millions or billions (of) people now they are not happy, (but) unhappy! ‘Safa’, purity, (must be) through our hearts. All Prophets (were) never coming to make people, to call (them) for Dunya, for treasures or material of this life! You must take your lesson from that small ones! Look!... Very happy!... Very happy!... Very happy!... He is now happy!...

And Dunya (is) cheating! And Shaitan every day (is) coming and shouting to people: “I have a very beautiful girl (that) I like to marry her (off)! Who may give to me ‘meher’, (a) dowry, o people?” Running from East to West, from West to East, from North to South, showing: ”Oh, look! Look how she is so beautiful! Who is coming?” And beginning to quarrel, to fight people, to reach (to) that Shaitan daughter! Every day those, whom they are quarrelling for Shaitans daughter, for Dunya, next day (they are) going to be disappeared, finished!
O people, whole Prophets (were) coming and bringing heavenly Messages. Heavenly Messages, you must read (them), you must keep (them) and you must believe in it, to be happy here and Hereafter! But people, they are doing in contrary, opposite!

We must follow (the) Prophets steps! As long as you are following (the) steps of Shaitan, you (are) never going to reach anything to be pleased and to reach pleasure here or Hereafter!

Subhanallah! Mankind, they are killing each other, as (the) Prophet was saying, S. Rasulullah sws: “When (the) Last Days (are) approaching, people (are) getting to be much more angry and affected by shaitanic ideas and going to be friends enemies, going to be relatives enemies!” And we are living on it, now, on that! Subhanallah!

One of (the) big Alims, scholars, one authority in Islamic Knowledges that he did a big Tafsir, Commentary, he was saying that one say he heard through (the) market a person shouting and he was a seller. What (he was) selling? Snow! (He

was) bringing (it) from (the) mountain and bringing (it) to (the) city and calling people: “O people, reach to me quickly, because my capital (is) going to melt! Quickly run to me, my capital (is) finishing! Take!” And that is, Subhanallah... Astaidhu bi-llah: ” Wa-l Asr, inna-l insana lafi khusr...” Suratu-l Asr, Holy Sura, (saying) that man (is) like that person, loosing, because our capital, day by day, (is) going to melt and finishing. You must reach to your capital, to save your capital at least! Take your capital or (it) is going, finished! And so many people last moment they are looking and- uf!- no profit and no capital! (The) capital finished, melted, and (there is) no also profit! What! “Daily (we are) running, (but) our capital (is) going to melt! Why?” He was calling people: “O people, come and take, because my capital (is) going to finish!”

And Angels are looking to people... And (in that) Ayatu Karima Allah Almighty (is) saying- jalla jalaluhu: “Bismillahir Rahmanir Rahim. Wa-l Asr! Innna-l insana lafi khusr...“ How ‘khusr’? Allah Almighty (is) saying that: “Man, they are loosing!” They are loosing; their capital (is) going to finish, (and) that is (the) loss. So many people (are) loosing and never remaining (anything) from capital and never (they are) reaching to any profit. Millions of people now, their capital (is) finishing and they are not taking even from 100 a quarter or one or ten from one, or one from 100th parts. They (are) never taking any benefit. Subhanallah! It is a good lesson for people to understand that point, because daily (their capital is) melting. Every day going away and (it is) not bringing any profit!

O people, may Allah forgive us! Try not to loose, try to take profit! What Allah granted us, this life, that it is (a) temporary life. When (it is) finishing, if you reached a benefit or profit, you are happy! Even one part, if you can reach, you must be happy! If (you are) never taking anything, fully you lost, finished! May Allah forgive us!

Allah, ya Rabbi, send us... O our Lord, You are our Lord! Keep us on Your True Way, not to be cheated by (the) enemies of mankind, Shaitan! Keep us to be in Your divinely Presence dressed (by a) dressing of honour, to be dressed heavenly Dressings! Try for that purpose! If not, you (are) going to 1oo % (have) lost and what should be for you from divinely Presence, what is going to be granted to you- something or not- think on it! May Allah forgive us...

Allah Allah, Allah Allah, Allah Allah, Allah Allah, Aziz Allah...
Allah Allah, Allah Allah, Allah Allah, Allah Allah, Karim Allah,
Allah Allah, Allah Allah, Allah Allah, Allah Allah, Subhan Allah,
Allah Allah, Allah Allah, Allah Allah, Allah Allah, Sultan Allah... Fatiha!

# IF YOU CANNOT IMPROVE SPIRITUALLY

In the beginning it is difficult to fight the ego and to follow the way of Heavens. But when you have reached the level of saving yourself from the gravity of your ego's control, then it is OK. It is like a rocket which needs very much power to reach out of the atmosphere, but once it is outside, it is easy. As long as you are under the gravity of your ego, you cannot do anything, because you are carrying a heavy burden. Try to be free of your ego's bad desires. They are neverending. If you try to reach one of your desires, the next one will come. When that has been reached the next one will come, and so on. So cut it and then you will be free. But for these things you need a notebook to write down your weak points. Then you will know how to deal with yourself and how to treat yourself. If you can't do it yourself, then look who can help you to correct yourself. Like an ill person who will need some medicine and then after some time notices that the treatment is not enough. You then have to go to a physician to treat you.

Spiritually, everyone also has to look after himself. If you are able to look after yourself and to improve by yourself, then OK. If not, then you must ask for someone who will understand and who will be able to treat you and save you and to bring you peace and spiritual peace. May Allah bless you and make you to follow the good ways of the Prophets and the Saints.

## If You Forgive Them You Are Exalted, Wise

A`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. (Mawlana Shaykh stands) Allah Allah, Allah Allah, Allah Allah `AzeezAllah
Allah Allah, Allah Allah, Allah Allah, laa ilaaha illa-Llah
Allah Allah, Allah Allah, Allah Allah, laa ilaaha illa-Llah Muhammadun Rasoolullah. Zidhu yaa Rabbee `izzan wa sharafan nooran wa surooran, sultaanan wa ridwaana wa man tabi`ahum bi ihsaanin ila yawmu 'l-qiyamah.

As salaamu `alaykum amidoona bi madadikum yaa Saahib az Zamaan. as-salaamu `alaykum yaa Qutb al-Mutasarrif. And we are taking out the heavenly sword and saying, Bismillahi 'r-Rahmani 'r-Raheem `alaa man takabbar wa tajabbar min ash-shayaateeni wa 'l-jinn. (Mawlana Shaykh sits)

O People! Leave everything and follow holy commands from the Heavens, or what you are going to be granted may be taken away from you, then you may be khasir ad-dunya wal-akhirah, "failed in this life and the Next." Who is not taking care for glorifying our Lord, Allah Almighty, (Mawlana Shaykh stands) they should be mahroom, "prevented from reaching", their chance will go away, no dunya and no akhirah. (Mawlana Shaykh sits) Beware, that is a heavenly warning: don't play, take it seriously! We are not playing here and addressing to mountains, to animals or to trees. No, we are addressing to Mankind from east to

west, from north to south. Beware of the Mightiness of our Lord, Allah Almighty!

O our Attenders! You also give a time to hear the heavenly declaration.. Don't think I know something and am giving to you, no. They are making the weakest servant address people on Earth - Turks, Pakistanis, Afghanis, ... US. First, I learned in school writing of the British colonists here in Cyprus. The teacher said, "Look, my students! Now we are going to make a beginning for a famous continental language, the language of Shakespeare. Look at the first page. What is this? That is the English letter 'i,' but it looks like the number '1'. And you must learn the second letter, to begin to know the English language. They are very proud with their Shakespeare. And this letter is saying 'i.' That means, 'I, myself.' And the second is 'a,' the first letter of the English alphabet also. To memorize this, it is written after 'a,' double 's,' spelling 'ass.' It means donkey." First we learned this, and I am making a joke, nashaat with you because people may be happy and amused, because they run away from heavy subjects. I am making theater here for you so very serious ones, businessmen, may be smiling and pleased. They are smiling, thinking, "That person is a very simple person, making people smile, sometimes making people laugh, but he has not been ordered to make people cry!"

O Salafi `ulamas! Marhaban. You are very serious ones! Make people nashaat, happy. Happy people may accept, may take an interest. Always your face is not like the face of Paradise people, but you are showing such an ugly appearance that it is like Hell's people! No, be sahl, easy; don't make people escape from you. And I am saying to Wahhabis, no-mind people, who makes heavy declarations, it is useless, making the opposite affect. I am giving good advice to them.

O Salafi `ulamas! When you are sitting speaking to people, put in your left hands salty (snacks) sweets. Here, sweet leblebi, roasted chickpeas, here salty. A cat is coming to me also, so happy. (Cat passes by Mawlana Shaykh) Make people happy! What is that, Salafi `ulamas, always frowning? People must be between basheeran wa nadheeran, giving good tidings and warning, takoonu bayn al-khawfi wa 'r-rajau, between fear and hope. Basheeran wa nadheeran, you must sometimes address them to be in fear, and to mostly be in hope! Give hope to people because Allah Almighty says in Hadeeth al-Qudsi:

•• ••••• •••• ••••

inna rahmatee sabaqat ghadabee! "My mercy precedes (outweighs) My anger."

(Mawlana Shaykh stands) SubhaanAllah! Alhamdulillah wa shukrulillah! (Mawlana Shaykh sits) Allahu Akbar. That is the biggest pleasure for us, good tidings. You don't know that hadith? If you do not know, you must look tonight at your books. Hadeeth al-Qudsi of Allah, Jalla Jalaaluh, Allah Almighty.

That is the biggest good tidings for all Creation! He may do everything and He is able to give a punishment, to put all of us in the Fire, but then His endless, endless Mercy Oceans are taking us out, because He Almighty is saying, (Mawlana Shaykh stands) inna rahmatee sabaqat ghadabee! (Mawlana Shaykh sits) Allahu Akbar!

O Salafi `ulamas! Where are you in (your knowledge of) Islam? You are only knowing, "Shirk, kufr, bida`, haraam." We are organized creatures to do bayna'l-khair wa ash-sharr, "Between good and evil." The Seal of Prophets (s) was first to declare, (Mawlana Shaykh stands) la ilaaha illa-Llah Muhammadun Rasoolullah. Then he declared (the six pillars of faith), Amantu billahi wa malaa`ikatihi, "I believe in Allah and His angels." (Mawlana Shaykh sits) Then what is coming, amantu billah, offering to non-Muslims, to book-given people (People of the Book, Christians and Jews), the understanding of belief that Islam is bringing to Mankind. Never those six pillars of belief changed from the time of Sayyidina Adam (a)! He declared for all Mankind, from Adam up to the end, to say amantu billahi, "I believe in my Lord!" (Mawlana Shaykh stands) Yaa Rabbanaa ighfir lanaa, O Allah forgive us! Amantu billah! (Mawlana Shaykh sits)

Amantu billahi wa malaa`ikatihi, "I believe in Allah Almighty, and that He created angels." No one knows the number of angels, only their Creator, Allah Almighty! (Mawlana Shaykh stands and sits) Christians are not believing in Allah, but they say, "Allah is the Heavenly Father, and He has a son." That is imagination, not reality, but they are saying it, perhaps to give the highest position for Jesus Christ. Allah knows, and Allah is going to give His judgment about Christians. On the Day of Resurrection, Allah Almighty will bring Jesus Christ and address him:

••••••• •••••• ••••••••• •••••••••••• ••••••••• •••••••••• •••• ••••• •••••••

'a-anta qulta li 'n-naasi attakhidhoonee wa ummiya ilahayni min doonillah. Did you say to people to take yourself and your mother as gods other than Allah? (Al-Ma'idah 5:116)

The whole world will tremble from the haybat, glory of Allah Almighty's addressing to Jesus Christ! "Did you tell them to take you and your mother as deities?" Anyone else would melt, but he is Jesus Christ! Allahu Akbar! Allahu Akbar! (Mawlana Shaykh stands) Allahu Akbar! Nahnu `abeeduk. (Mawlana Shaykh sits)

`Allimhum, fa innahum `ibaaduk, "Teach them (O my Lord), for they are Your servants!" Jesus Christ replied, "O my Lord! You know my position. It is impossible to say anything, as You know everything. Forgive me! I was witnessing and keeping believers, as long as I was with them. But You know what happened after that. O my Lord! O my Lord! If You are asking to give punishment to them (Mawlana Shaykh weeps), You know they are weak servants! "Allahuma innaka`afoowwun kareemun tuhibbul `afwa fa `afuw annee, yaa Ghafoor!" That is his declaration in the Divine Presence on the Day of Resurrection.

O People!! Come and listen. Come and listen. May Allah forgive us. Amantu billah!! And everyone who was refusing the Lordship of Allah Almighty, all of them will be trembling in the Divine Presence, asking, "Forgive us! O that One, Whose Mercy Oceans are endless! Give us from Mercy Oceans! You are that One. Forgive us!" What is His answer coming that day? You know.

••• ••••••••••• ••• ••••••••••• ••••••• ••••• ••••••• ••••••••• ••••••••••• •••••••••

Laa taqnatoo min rahmatillah; innallah yaghfiru 'dh-dunooba jamee`an. Do not despair of Allah's Mercy, Allah forgives all sins! (az-Zumar, 39:53)

inna rahmatee sabaqat ghadabee. My Mercy overcame My Anger!

Allah Almighty said, koon fayakoon, "'Be!' and it will be," (36:82) and coming in existence. If Allah Almighty says, "Don't be," then it disappears. Why aren't you saying such things to people? Wahhabis are no-mind people, but Salafi `ulamas claim that you know. What is your opinion? Allah Almighty is saying, "Do not despair of Allah's Mercy, Allah forgives all sins! Why are not trying to do that? No, you cannot say that. As much as we can be sinners, (Mawlana Shaykh stands) sabaqat rahmatee `ala ghadabee, and you can't do that, laa manee'aa! He is Lord, we are His Creation, His creatures! (Mawlana Shaykh sits)

Yaa Rabbee, Allah. Yaa Rabbee, Allah. Yaa Rabbana! (Mawlana shaykh sings Qasida Burdah) maa madaa yaa wasi`a 'l-karami maa madaa yaa wasi`a 'l-karami. We are happy with our Lord, if anyone is unhappy, he may go to Jahannum, raghman `alaa anf, inspite of their wills. Therefore, that is a warning! Yaa Rabbana ifghfir lanaa, yaa wasi`a 'l-karami, "O our Lord, You of the immense generosity!" To you and to me, also!

O Salafi `ulamas! We are not speaking beyond, amantu billahi wal malaa`ikatihi. There is no time, that is enough, but you must speak to people. What did the Lord of Heavens say to Sayyidina Musa? Do you know?

(Mawlana Shaykh stands) Yaa Musa, habbib ilayya 'l-`ibaad, "O Moses! Make My servants love Me!" "Make them to love Me," Allah Almighty is saying, never ... maakum. Salafi `ulamas, are you never looking at such things? It is true or a lie? habbib ilayya 'l-`ibaad, "LET THEM LOVE ME!" Allah is saying! (Mawlana Shaykh sits)

Fatihah.

(32 minutes)

(Mawlana Shaykh speaks to Shaykh Hisham Effendi and Hajjah Naziha on the phone.)

(Mawlana Shaykh prays two raka`at Salaat ash-Shukr.)

## If you work for Allah, you will be successful

If you work for Allah, you will be successful and ride Dunya, if not, Dunya will ride you...
Audhu bi-llahi mina shaitani rajim, B.r.r....What is the reason for the failure of men?...We are saying 'Audhu...' so that Shaitan has no chance to influence us. If you don't say this, he will ride you, and everything you do, will be shaitanic, shaitani, and not rahmani, because if you don't say 'Audhu...' , you give the control to Shaitan.

What a power lies in these words 'Audhu bi-llahi mina shaitani rajim'! If people knew and understood, in 4o days this world would be saved... Nowadays everything is shaitani- people are drinking and gambling, and drinking is the mother of so many bad characteristics. Someone who is drunk does every bad and dirty thing; he has no more willpower to control himself, so Shaitan uses him for every badness and dirtiness. Drinking destroys and weakens the body, it makes it useless for Dunya and for Akhirat. And gambling makes a man to loose everything, because as he is always hoping to

win, he cannot stop and he puts everything he has. Such a dirty illness. And in this country they made it free. Everyone is loosing except the one who is not gambling, who is not drinking. And it is Haram, but our government made it Halal.

Who forgets to say 'Audhu...' will be ridden by Shaitan, Shaitan will use him and finish with him. And they present him to us as our best friend. The West has made Shaitan their best friend, their guide, and the same illness has come to us in the East. So many 'Muslims' are under the command of Shaitan. Why is Amerika against us? If we would be as Allah is asking us to be, it would not be like this. But they only blame others. Is the islamic world innocent, are they all angels? No, because of their shaitanic deeds we have this situation, and no one realizes it. They drink and gamble. Why they are not going against China? They are 1 billion people, the Muslims 1½. But the Chinese are united under the command of one single man. The Islamic world has no value, because they are not united...

According to the Prophet's saying the islamic world is like one body, and if one part is ill, the whole body is disturbed and not in peace. You also, if you have headache or toothache, your whole body is disturbed. The Prophet was saying this to the Muslims. Now the Arabs think they are No. 1. And they have the biggest responsibility. Are they not reading the Hadiths? Why don't they tell the Muslims that they have deviated from the straight path? But always they blame only Amerika. Amerika is not an islamic country, but 25-30 million Muslims live there, and what is keeping the country is the gold of the Arabs there... Has the Islamic world no more Heybet (Dignity)? No one is there, no caliph, to whom one could give the Beyat. And they are all 'reformed' Muslims, they want to renew everything in the outside. Have you renewed yourself and freed yourself from the slavery of Shaitan? You just changed address, a house- but you didn't free yourself from Shaitan and submitted to

Allah! They left prayers, left wudhu (ablution) and call this a 'reform'- they want a new religion. And all these 'renewments' are Bida. They accept no discipline. They don't like the old traditional way, tesbihs, shalwas, beards, they don't like that we don't use television...

They weapons of the Muslims are useless against America- but they don't ask help from the holy ones, they fight them and destroy the tombs of the Sahabas... Now the latest news is that they blame the Arabs for all fitna and they say that we are not going to buy oil from them anymore, but from Russia... If you make Jihad- why don't you go and free Jerusalem? Since 4o years children throw stones there... Why Bin Laden went to Afghanistan? He wants to make it Wahabi. Therefore Allah sent America against him. America is Allah's servant. Shaitan is also a servant, but a bad one... Allah is not helping people, who make fasad...

## Ignorant ones are like black stones

...And so ignorant ones to make Rasulallah (s) respect and asking to make the Seal of Prophets like themselves but they are black stones, and Rasul salawatullah wasalam `alayk Sayyidina Muhammad (s), you are yaqootun, diamond. No one can know your honour, your endless honour your Lord granted to you that nafsee fida (myself be a sacrifice for you).

Our souls just under your Holy feet; that is the honor for us for every creature to be a dust under your Holy feet.

O Seal of Prophets! O most beloved one, most glorified one in Divinely Presence that Allah Almighty saying Nabi Musa, Sayyidina Musa "Fakhla n`alaik!" when he was arriving in the valley of Muqaddas Tuwa the Lord's command, fakh la`nayk fa innaka bil waddee al-muqaddasi toowa!

This Allah jala Jalaluhu saying to Sayyidina Musa Alayhissalam take your shoes away and come!

What is it of value dunya of that place yes it is value because Lord of Heavens, Lord of creation endless Greatness, endless Glory, endless Majesty asking to speak to him and saying take your shoes I am addressing to you take your most respect for Me or your level should come My most beloved one the Night of Journey

you should welcome him on Bait ul-Maqdis and he is coming out. I am not saying to him ‘O Ya Muhammad take your shoes away, no! Until he reached, no any one reached to that level and Dhul `Arsh. He is Malik, He is Sultan, Sultan of Holy Throne no one, no any other creation maybe much more honoured like honoured `Arsh - Holy Throne. And the Lord’s Divinely Command, Divinely addressing coming to His most beloved, most honoured, most glorified, most majestic one that representing the Lord of Heavens. The Lord of Heavens addressing, o My most beloved one! Put your feet on Holy Throne to be honoured by stepping on it!

Where is those Shayateen, Wahabi’een that they are not giving real honour or running to understand who he is? Allah sending them someone to bring them on the line of good manners. Astagfirullah.

Dastoor ya Sayyidee, ya Rasul Allah
And on Arsh hu huu huuu huu
huu huuu huuuu huuuu huuu huuuu
huuu huuu huuu huuu huuuuu huuuu
O My most beloved one.
O My most respected one.
O My most majestic one through my creation
come to Me, come to Me and listen to Me.
Huu huuu huuuu huuuu

All of creation saluted you the highest respect despite Wahabi people, Salafi people and those nations they are claiming they are Christians and they are not real Christians because Jesus Christ taking honour from that honored one.
Allahu Akbar, Allahu Akbar

(Mawlana singing)
Dumm, dumm, dumm, dumm,...Dumm, dumm, dumm, dumm,
Dumm, dumm, dumm, dumm,...Dumm, dumm, dumm, dumm,
Dumm, dumm, dumm, dumm,...
Arch Angel Gabriel, Arch Angel Israfil,
Arch Angel Mikhail, Arch Angel Isra’il

and whole angels they are singing the Holy singing
that they never sung it before and some singing after.
Ya Sayyidee, ya Rasulallah,
Ya Sayyidee, ya Rasulallah

Yet Christian world people reciting Old Testament and New Testament but they are blind ones yet they are not looking and seeing that ones that unknown one, only he is known in Divinely Presence. His real position and condition no anyone else may understand no! Because the Seal of Prophets, most beloved one, most beloved one, that representing the Absolute One from pre-eternal up to Eternal, up to Eternity.

O those people whom they have been granted Holy books and Holiness of that books only for the Holiness of that one that granted by his Lord Almighty Allah.

Allah Allah Allah Allah
Allah Allah Allah
Don't say Dios, don't say Theo, don't say God but you must say "O our Lord!"
Ya Allah, Ant Allah, Ya Allah, Ant Allah
La illaha il Allah, La illaha il Allah
Ant Allah, Ant Allah

O our Lord! Lord of whole creation from pre-eternal world up to last Eternal.

O people! Come and listen. O people! Leave to be drunk but try to listen, try to understand what Holy Books taking their holiness. For what they are Holy ones, for the honour for whom Holy Books going to be Holy Books? How they are Prophets how that Holy ones taking that honour from pre-eternal up to Eternal?

Allah Allah Allah Allah Allah Allah
Allah Allah Allah Allah Allah Allah Allah
Allah Allah Allah Allah Allah Allah
Allah Allah Allah Allah Allah Allah Allah
Allah Allah Allah

O subhan Allah! We are running to our Lord from Shaytans and its followers. Shaytan thinking that it has so power. On its power I am urinating - Shaytan's power that it claiming "I am powerful," I am urinating on Shaytan! Who believing in Shaytan on them also coming, and should be clean this world.

I am nothing but sometimes nothing may do something and something enough for cleaning this world from Shaytan and Shaytanic ways, Shaytanic ideas. I am that one that I am going to strike on his head to make that one and who is following that one. And I am so weak one. I am weak one. I am not saying I am powerful one and because I am ashaming to ask more than I have been granted. I am weakest one. I am ashaming to say that someone he is much more power astagfirullah. I am asking forgiveness to use any power belonging to Heavens for defeating dirty Shaytan and its followers.

Time is over and zero, now coming command to move from left hand towards right hand. We are not fearing from Shaytan's traps or tricks. Now it must know that weakest servant using his weakest power to put Shaytan, not only Shaytan but its followers in one trap only and one weakest coming and urinating on them, on that trap.

...

[Adhan]
La ilaha illa-Llah, La ilaha illa-Llah

Most from everything that making angry Shaytan and its followers (is) Adhan. Shaytan was trying to be called its name every time on earth and it was ordering to its followers you must do as believers do for Sayyid al-awaleen wal akhireen Sayyidina Muhammad (s). As Muslim believers making last point of their respect and honouring, giving majesty to Muhammad (s).

(Shaytan saying: )

*I was asking from my followers at least you are following me make every day five times to be called my name also. That is making me to be melt every time I am hearing Allahu Akbar Allahu Akbar Ashadu an la ilaha illa-Llah ashadu ana Muhammadan Rasuluh and his nation standing up and giving their salutes and most high respect I am melting. I did everything for my followers but only on that point I am not happy*

*with my followers because they are not trying to make my name five times, leave five times, only once I was so happy. Once and you are following me fully O western people and western life lovers from eastern people from Muslim countries. I understand European western life people I am understanding that fully they are following me and it is okay and I am so angry every time when the followers of that one, who is that one, say his name Muhammadun basharun wa laysakal bashari.*

Huwa yaqootatan wan-naasu ka'l-hajari
(Muhammad is a man but not like any man, Muhammad is a diamond and all other mankind are pebbles.)

*That making me to be melt. I understanding western people they are not following him and I am angry with them also that even once they are ringing every time dumm, dumm, dom... Therefore I am not ordering to you I never said to you to make that ringing dumm, dumm, dumm, dumm, dumm, dumm, I never said to you. Where is my name? Look at followers of that one, his name even if disobedient of Holy orders, but five times saying Muhammadun Rasul Allah (s) Ashadu an la ilaha ill-Llah wa ashadu ana Muhammadan Rasuluh. That making me to be melt every time I am hearing Adhan, melting, melting, melting and I am finishing and I am so angry with my real followers through western countries, through most improved people, most civilized, my followers not saying my name even once. Also I left them even weekly they are not making my name up, weekly they are coming to cathedrals and church but the are saying dong dong dong dong... Leave that dong dong, say my name that I am chosen one to take you to Hell. Why you are not saying my name? Look Muslims even I make them to like the western life of people, they are so ghafil heedless people now but yet they are calling that one's Holy name. I am, I was trying not to say but from Heavenly one making my tongue to say Holy one. You are saying Sayyidina Muhammad (s), I never like to speak his name but when I am asking to say his name they are making me to say that Holy one. Allahu Akbar, Allahu Akbar*

*I meet eastern people eastern countries that belongs to western countries they are very, very, very interested to be like my western followers, I did it, but they never leaving that they are saying Adhan and making that one's name up. That making me every time to be melt like lead to melt my heart. You are following me and you are saying 100% we are followers you, why not saying even once a day, leave once a day, through one week, why not you are saying that for my name to be up my name? Look Muslims they are following you I just made them to follow you but even now they are saying when that one's Holy name,*

*huh, huh Holy name, what is Holy name, (saying Shaytan), I don't know how I am saying Holy one? I can't be able to say "that one" but I may say Holy one. If you are understanding, you may understand what I mean to say.*

O people! That one is Holy one. Say this to Wahabi followers they should be very angry because they are giving a respect to that one even they are not saying Holy but I am saying for that one, Holy one. Therefore, their ranks coming under my rank, Wahabis ranks. May Allah forgives us, Ya Shaykh. Is it enough? This is something not prepared before but it is something that most weakest servant's heart, it was enough to declare that declaration even from now up to next week, up to next month, up to next year, up to end of the world, up to Eternity!

Allahu Akbar wa lillahi 'l-hamd
dumm, dumm, dumm, dumm,
dumm, dumm, dumm, dumm,
(Singing in Turkish)
dumm, dumm, dumm, dumm,
dumm, dumm, dumm, dumm,
dumm, dumm, dumm, dumm,

Who leaving that Holy one's way and asking new ways to save mankind you can't do. Come to Holy Shariah you should be saved or not your way going to Hells, Hells, Hells, Hells.

Fatiha.

# I have a kind of heavy burden on my shoulders

I have a kind of heavy burden on my shoulders, may be from my physical health or my spirituality that what is happening now on earth it is not every days now that we are living in. Perhaps it is the heaviest period for mankind...

Audhu bi-llahi mina shaitani rajim, Bismillahi-r-Rahmani-r-Rahim. Allah Almighty sending Shariat, heavenly rules, that people now not taking any care for heavenly rules. Who is denying, they are going to be unbelievers, no faith with them.

Holy Quran mentioning everything that happened from past times of nations. I just finished Alhamdulillah Khatm and beginning from Sura Baqara. Beginning Quran and just I reached to the holy verses what happened for the Children of Israel. They were living with S.Musa a.s. and Allah Almighty calling him to mount Sinai for taking Taurah, so he left them. And they were making a Golden Cow and worshipped it. Then, when S.Musa was coming back, they were very sorry and asked forgiveness from Allah Almighty for what they did. Then Allah Almighty ordered to them, to S.Musa and S.Haroun, his brother: 'I am not going to accept their Tauba, repentance, until they should be killed. If not killed, I am not accepting. They must pay for this biggest sin. They should kill themselves, then I am forgiving them and giving them Paradise. If not, I am not accepting their Tauba, repentance'. 7o.ooo people who were worshipping that Golden Cow were

killed. Then Allah Almighty accepted their Tauba and giving His forgiveness to them and then blessing them, their souls.
Now people are not worshipping a cow, they are worshipping to Shaitan. Every nation has a Shaitan: Turks, Arabs have so many, Russians, Germany had one, France had one, China, everywhere, every country now has a Shaitan, following them, and never giving any respect to Allah Almighty. Therefore the penalty for Kufr, denying Allah and refusing His heavenly rules, is to be killed. Therefore now coming so big wars that never happened before and after this war, because technology reached its last point, no more up. What they are using now is last point of technology, and mankind given to them to do this and they make it. They prepared themselves, using technology only for killing people by the order of Shaitan. Now it is going to be the last war that is mentioned through holy Books, in our Holy Book as Merhamet Kubra, biggest massacre of mankind, and in other holy Books mentioned as Armageddon, that last war, whole world going to be cleaned from Shaitan and satanic kingdom is going to be destroyed. When it is destroyed, the heavenly kingdom is getting to be in act on earth. Going to be built heavenly kingdom after this war; shaitan's kingdom is finishing and the divine kingdom is going to be built, founded by Mehdi a.s.. After Mehdi a.s. coming Antichrist, collecting whom not yet coming into Islam and insisting to be unbelievers. They should run after the Antichrist, because he is going to tell them: 'I am your Lord, come with me.'

Now people run through streets... such people perhaps 1ooo x more should reach to the Antichrist and he is going from East to West, whole world, until Allah Almighty is sending S.Isa to come down that he is real Christ- that one is Antichrist-, he is coming and killing him and whole followers also taken away and killed. Shold be 4o years on earth only believers, sincere people, not running after Dunya, not following satanic teachings, they should be for Allah day and night and their nights much more bright with their Dhikr, their importance is only to worship. 4o years. When finishing, going to come to appear from here and there and there Kufr and unbelievers are going to appear one after one after one, and years going such a way. Then Isa a.s. is going to Medina Munawwara to the Prophet's tomb. There is behind the Prophets tomb one for Abu Bakr and then behind one for S.Umar, then there is a fourth tomb empty. It is for Jesus Christ. He is going to be with, coming and giving Salat wa Salam to Rasulullah sws and then giving up his pure soul to Allah, and the Mu'mins bury him in the fourth tomb. Then coming a wind from Paradise. Who is finishing, it is so easy for them, such a tasteful death that people never tasted, That wind is coming and who is smelling falling down. And whole believers falling dying and them coming angels to take their bodies and to bury them. The

should remain only Kufar on earth and then the last days with earthquakes and Quiyama is coming on them.

This is what the Prophet sws has informed us about. Therefore now we are looking how it is going to reach to that point. Only believers should be protected, unbelievers should be taken away. Therefore the punishment for Kufr, the penalty is death, and should die millions or billions of people. But when they are killed, their souls are clean. They are not as the Children of Israel- Allah is just forgiving them and putting them in Paradise. Those people now, billions are going to die, but that death is going to be the cleaning for them. Don't worry. When Allah Almighty is taking His revenge from them that they were wrong, then should be granted with the last breath to say: 'Allah', and then they are taken away. This is good tidings that today Grandsheikh is sending to me and I am happy, because so many people are so sorry. Everyone is born to die, no one is born to stay here. There are angels who say: 'You are going to be born for death and you are building for destroying'. Every building must be destroyed, every living one must die. Young or old- all are going to be taken away. But this time that is heavenly revenge. When Allah Almighty is taking His revenge from His servants, he is not going to give another punishment after death. Therefore many people are going to die, because of their sins, because they worship to shaitan and forget their Lord, but in the last moment even that bullet without reaching that person an angel is coming and saying: 'Say: Allah, say: La ilaha ill-Allah!' And falling down, finished.

Ya Allah, ahdina, tauba, ya Rabbi, Tauba, ya Rabbi, Tauba, Astaghfirullah...

Iraqi soldiers, American soldiers, English soldiers- doesn't matter, when dying, their souls come together...

So many holy places in Iraq. They are protected by angels, Jinn and the Ashabu Nauba, holy ones. If they aren't giving permission for the American to enter, even one hundred times more American powers cannot do anything. But they gave permission and the Americans are advancing.

# Ihr müsst einander kennenlernen

(BeBrothersAndSisters, engl.)

Wir müssen so glücklich sein, so stolz, dass unser Schöpfer uns solche Ehre gewährt. Niemand kennt seinen Anfang und kein Ende. Und alles zu Ehren des höchst geehrten in seiner göttlichen Gegenwart, s. Muhammad saw. Gebt mehr Respekt und nehmt mehr Segnungen. Unser Herr gibt uns die Gnade, seine meist geliebte Nation zu sein. O Leute, salamualaykum. Er ist Sultan und die ganze Schöpfung ist nur eine Gabe für ihn. Und wir sagen: AUDHU...BRR. Wir sind so schwach, so schwache Geschöpfe. Sogar nach 5 Minuten sind wir müde vom Stehen. Es ist keine Entschuldigung, wir müssen aufstehen von Anfang bis Ende für Seine Ehre.

O Menschheit, wir grüßen euch, und sagen: Asalamualaykum. so ein schönes Wort vom Himmel für die Menschheit: Salam... Salam von eurem Schöpfer. Wa rahmatullah, auch Allahs des Allmächtigen Gnade auf euch. Es ist so ein großes Geschenk und eine Ehre, dass der Herr der Himmel befiehlt, dass unter seinen Stellvertreter. gesagt wird: Asalam... Das trägt euch immer höher, in immer höhere Stufen, in himmlischen Stufen und himmlischen Stationen.

Deswegen drängt der Prophet, s.a.w., seine Nation, diesen Gruß zu benutzen. Es ist ein himmlisches

Geschenk, das ihr benutzt, wenn ihr euch so begrüßt. O Leute, kommt und hört. Wir benutzen das zum Anfang gemäß dem göttlichen Befehl. Der Meister dieses Planeten ist verantwortlich für alles auf diesem Planeten. Er bringt göttlichen Segnung auf Leute und alle lebenden Geschöpfe. Die Pflanzen wurden auch geschaffen, um die Menschen glücklich zu machen, um ihnen Freude zu machen, um ihnen himmlischen Weisheit zu geben. Alles in der Existenz ist für die Menschen geschaffen. Der Herr der Himmel dekoriert diesen großen Planeten mit ungezählten Pflanzen.

Einmal war ich im Libanon und die Leute nahmen mich auf einen Ausflug mit. Sie nahmen mich auf einen großen Berg, Arse Lebnan. Wir gingen zu einem Hügel. Er war geschützt von unseren Drusischen Brüdern. Manche sind dagegen, sie als Brüder zu bezeichnen. Allah der Allmächtige hat die ganze Menschheit geschaffen als Brüder und Schwestern. O Leute, ihr müsst versuchen, Brüder und Schwestern zu sein. Denn Allah der Allmächtige hat euch geschaffen und Er hat jedem eine Besonderheit gegeben Die Menschen sind nicht wie ein Fotokopierer. Nein. Allah der Allmächtige hat sie geschaffen und ihnen eine Besonderheit gegeben. Allah hat den Menschen eine Besonderheit gegeben, so dass die einen Araber, die einen Türken, die anderen Russen, die anderen Juden, die anderen Pakistani sind. Jedem ist etwas Besonderes gegeben worden, deren Aussehen anders ist, auch die Sprache, auch ihre Ausdrucksweisen, auch ihre inneren Fähigkeiten - Ihr könnt nicht zwei gleiche finden. Denn Allah macht keine Fotokopie. Deswegen sage ich unsere Brüder: die Drusen, sie sind unsere Brüder. Die Russen unsere Brüder, die Amerikaner unsere Brüder, die Chinesen, die Ungarn... Es ist gesagt worden, 72 verschiedene Gruppen der Menschheit, und jede mit einer Besonderheit. So wie unser Aussehen, so ist auch unser inneres Wesen einfach anders. O Leute, ich gebe jeder Nation, jeder Menschengruppe eine Besonderheit. Diese Besonderheit ist nur für diese ruppe, nicht für alle. Die Araber haben eine andere Besonderheit, die Türken eine andere. Sie sind einfach anders. Was den Engländern gegeben wurde, wurde den Franzosen nicht gegeben. Was den Deutschen gegeben wurde von ihrem Herrn, sind Segnungen, die andere sind als bei den Russen. Die Russen haben Besonderheiten, die die Chinesen nie erlangen können. Ihr müsst von jedem Weisheit nehmen. Weisheiten öffnen ein Verständnis für euren Schöpfer. Wenn ihr keine Weisheit annehmt, seid ihr verschlossen. Öffnet euch für euern Schöpfer.

Ihr müsst einander kennenlernen! Der eine ist Ägypter, der ist Türke, der ist Kurde, ... Sagt nicht: Wir sind Türken, niemand erreicht unsere Stufe. Den Kurden wurden Besonderheiten gegeben, die die Türken nie

erreichen. Wie eine Krone, König oder Sultan, auf der Krone könnt ihr unzählige Juwelen finden. Jede ist nur eine. Allah hat allen eine besondere Wesenheit gegeben, so dass alle sind wie eine Krone auf dem Kopf des Siegel der Propheten, S. Muhammad sws. Bringt die Leute nicht runter, alle auf derselben Ebene, auf derselben Krone, aber sie haben besondere Plätze, besondere Positionen auf der Krone. Sagt nicht, wir sind die besten Juwelen, ihr taugt nichts, ihr seid nicht so gut wie ich. Allah der Allmächtige ist der Schöpfer. Der Diamant ist anders, der Saphir ist anders etc. Alle sind so schön. Es gibt einige weiße Perlen, einige rosa Perlen, die sagen nicht, wir sind besser als die. Die weißen habe eine eigene Schönheit und Vorteil. Er gibt jedem etwas anderes. Das ist zum Vorteil der Menschheit. „Ich erschuf verschiedene Völker und gab jedem eine Besonderheit, damit sie davon profitieren."

Nicht so wie die Leute es heute verstehen, besonders die Araber, sie können arabisch, aber statt „li taarafu" zu rezitieren, verstehen sie „li taharabu" (nicht zusammen zu sein), statt die Schönheit der Schöpfung zu bekennen, bekämpfen sie einander. Ihr müsst in Harmonie sein, es gibt so eine vollkommene Harmonie, dass niemand sie sich vorstellen kann.

Hört zu und versucht zu verstehen, was der Heilige Qur'an sagt. Die Leute folgen Schaitan, sie folgen nicht dem Heiligen Qur'an. Deswegen sage ich drusische Brüder, türkische Brüder, jüdische Brüder, russische Brüder, chinesische Brüder und Schwestern. Es gibt eine Harmonie, die ihr euch nicht vorstellen könnt. Deswegen war ich beschämt, einige Worte gegen die Schöpfung und gegen ihre Grundlagen zu hören, gegen die Drusen. Ich habe mich geschämt, denn Allah hat ihnen eine solche Besonderheit verliehen. Gebt ihnen Respekt. Das ist die Lehre des Siegel der Propheten. Verletzt niemanden durch eure Hände oder eure Zungen, um ihnen zu schaden.

Leuten zu schaden mit eurer Macht durch Sprechen oder Handeln, das ist nicht die Ehre (Besonderheit) der Menschheit. Vielleicht ist die Besonderheit von Tieren. Wenn ihr euch nähert, beißt es euch vielleicht. Oder wenn ihr hinter ein Tier geht, vielleicht wird es ärgerlich mit euch und stößt euch. Deswegen wer andere Menschen mit der Zunge verletzt, ist kein richtiger Mensch. Wer Menschen mit seinen physischen Kräften verletzt, ist auf derselben Stufe wie Tiere. Sie veranlassen mich, das zu sagen. Ich habe nicht gedacht, das zu sagen, aber sie öffnen die unterste Stufe des Lehrens für die Leute, denn im 21. Jh. haben die Leute ihre Stufe verloren. Sie sind auf der Stufe von Tieren. Deswegen geben sie solche Lehren. Für die Leute, die so stolz auf ihre Titel sind. Sie sagen, wir sind PhD, wir sind Akademiker, wir sind Doktoren. Jederman Respekt

bezeugen? Nein, wir gehören nicht zur wirklichen menschlichen Natur, wir sind tief gefallen.

Wir können hier aufhören und den Faden von eben wieder aufnehmen: Einmal ging ich auf den Jabel Scheich. Es war ein Hügel, beschützt von unseren drusischen Brüdern, denn einige Leute schadeten der Schönheit des Berges, deswegen brauchte es Schutz. Ich ging hinein und sie nahmen Geld von den Besuchern, aber als sie mich sahen, nahmen sie nichts, sagten sie: Willkommen Scheich. Sie haben solchen Adab, Respekt. Der Führer sagte zu mir, O Scheich, auf diesem Berg sind 1000 Arten von Pflanzen.

Was ist mit dem ganzen Osten und Norden und Süden, wie viele Tausend? Und jede hat eine Besonderheit. Wer hat sie geschaffen? Was ist damit? Wenn wir das für Pflanzen akzeptieren, dass jede eine Besonderheit hat. Was denkt ihr (dann erst) über die Menschheit? Sind wir unter dem Niveau von Pflanzen? Wenn Allah der Allmächtige jeder Pflanze eine Besonderheit gibt, eine besondere Weisheit, was ist dann mit dem Menschen? Wenn sie (die Naturschützer) uns auffordern: „Bitte berührt die Pflanzen nicht, schneidet sie nicht ab, tretet nicht auf sie.“ O Menschen, was denkt ihr? Wenn der Majestätische Befehl vom Himmel kommt: „Erhaltet, was Ich geschaffen habe. Ich habe es nicht erschaffen, damit ihr darauf rumtretet und es platt macht.“ O Leute hört auf zu töten, o ihr Perser, o ihr Russen, o ihr Amerikaner, o ihr Ost- und Westleute, lasst das, ihr gebt den Leuten kein Leben, ihr könnt nicht ihre Seele nehmen, gebt ihnen für die Ehre des Schöpfers und der Schöpfer wird euch geben. Möge Allah uns vergeben.

## Ihsan Maqam - The station of sincerity

We must be sincere believers. As servants, we must know that Allah Almighty is watching us all the time, and that He is with us, wherever we are: "Huwa maakum aina ma kuntum..." We are living through Him; how can anyone or anything exist without Him? Therefore He is always with us, reaching us everywhere, like the government. If you know there is a hidden camera, don't you drive slowly? This is the meaning of the "Ihsan Maqam", the Station of Sincerity, leaving imitated faith and reaching to true belief. We have to direct ourselves towards Allah, always fulfilling His Rights first, then to look after Dunya, wordly things.

**Ijazet for Sheikh Hisham - Mawlana Shaykh Nazim's Declaration for UK, Europe and everyone**

Es-selamu aleykum.

Nuhiy al-majlis an aqool Bismillahi-r-Rahmani-r-Raheem Tarikatuna Sohbah wal khayri fi-l-jamiyah.

Sheik Hisham Effendi [n`am Sayyidee] Khalifat mawlana tarteeb jawami' hali `ala ismuna. Jami' Peckham, wa jami' ewalu Shacklewell Lanes, ba'dayn Green Lanes ewal masjid tab'ana. Muhim hadha.

[to make our association alive I say “In the name of Allah the Beneficent the Merciful.” Our Tarikat is association and the goodness is in the gathering.

Sheik Hisham Effendi is calipha of Mawlana.

Arrangement of the Mosques that are under our names. Masjid Peckham, and Masjid, the first one, Shacklewell Lanes, after Green Lanes, the first mosque belonging to us. This is what is important.]

I am making you on behalf of me to look in London: Peckham Mosque and Shacklewell Lanes and Green Lanes, three of them, to look what is there our situation in front of laws. We must take them under our control because we are owners.

As I am a chief trustee and owner in Peckham and Shacklewell Lanes and in Green Lanes dergah I am giving to you my authority also what is the difficulties there to arrange to make these three places for Islamic foundations to make for Islam - not for some groups but must be for everyone. And I like that you can try to call British Muslims to use these three mosques also under our trust how they may do, if they are asking to

pray Jum'ah, to make khutbe, to make zikr, under our permission they may do.

Anything they may be in need, we are supporting them also. Because we are not buying these three big places for dunya. No, never. But we tried to reach some big centers in London, therefore I tried so many years, perhaps thirty years I was there, and the Lord of Heavens making me successful to make so many mosques.

St. Anne's is now under our control, fully, but these three ones that no trust working on it or chief trustee, we must look, we must arrange how we may use for the sake of Allah and Rasuluhu Sallallahu Alayhi Wasallam and making to change how many trustees there, as I like to be a trustworthy person and a mukhlis, sincere one, and young ones, to be, to take care through these three places. If anyone getting against my declaration, then it is not going to be good for them. If coming some heavenly punishment I don't know.

My maqsad, my intention, to work as I like, that I was intending. I would never intend to buy something and to take some benefit on behalf of mosques, estaghfirullah. I am, I have enough, Allah Almighty giving to me, in our country, enough.

After this age I am not asking dunya, I am ashaming. But I am asking that these three places also to be put for the benefit of young people or calling people to come and to learn Islam. I like to take over the whole trust and bring new ones. New ones.

There should be chief trustee: Shaykh Hisham. And also to be chief trustee Shacklewell Lanes and owner and chief trust on Green Lanes dergah. What is necessary to be done on trusts through these three buildings I am making you on behalf of me, to look Shaykh Hisham.

Yanee Angleterre importance for you because I can't move from Cyprus to reach to London, like before. We have now in London, in important points of London, we have a jami` wa masjid wa dergah [Jumu`ah mosque, and mosque and Sufi center]. Wa haythu... dergah ... now I am not able as before to go to London, to look after our people as well as you are also the... you have permission from our Grandshaykh calipha, yumkin tatasil bin-naas `ayesheen bi UK [you are able to connect with people living in UK], that it is easy for you to go and to look after our followers and also you may try to keep our huqooq, rights, there and to call people to Tarikat an-Naqshbandiyyati-l-`aliyye. And therefore I am, as my... as I am servant of our Grandshaykh, I am giving to you a ijazet, permission, to come to London, to England, UK and to look after

our followers what they may be in need, if anything going to be difficult, you may consult with me and you should be my calipha there.

Wa idha, and therefore I like not to be our brothers and sisters without a shaykh and UK big country [and] London a biggest city on Europe without a shaykh. Therefore just I am giving you ijazet to look after people in London, in Ireland, in UK, and also you may look after people in France, and you may look also in Spain, and also in Italy, maybe time by time you may go. You can call people in Europe, to come to Naqshbandi tarikat and you may go to African continent. Because they are in need also a shaykh calling them to our tarikatun `aliyye [most distinguished Sufi way]. And you may go also to shay, Africa shimalinda [North Africa] – Morocco - wa and also inside of African continent you may do - you may have a big area and you are not a fadi, empty [one], to be only in America, no. In Africa, it is big area for you. Everywhere.

I am Shaykh Nazim the servant of our Grandshaykh. Biwasi' - advising Shaykh Hisham that he may go anywhere invited for tarikatun `aliyye [most distinguished Sufi way]. That is my ijazet, permission, as our Grandshaykh permitting me.

After my age I never reaching east and west. Only if Allah Almighty giving a permission to move without plane that is another point.

Allahuma edrikna fee yawmina jadeed an nakoona fi-l-amna wa-l-amaan was-selamat wa-l-islam. Wa-Allahu khayru-l-hafidhan wa Huwa arhamur-rahimeen. Fatiha.

[O Allah reach us in this new day to be in safety and security and good health and Islam. And the Allah is the Best of Protectors and He is the Most Merciful of those who are merciful. Fatiha]

**Illa Hu**

---

Shukur Allah, Shukur our Lord. Salat al-Salam be on our Master, the Sultan of all the Prophets (sas), and on all the other Prophets & Awliyas and on our Umm Hiram Sultan also.. He was in her house on the night of Mi'raj, was he not?
S.M. Yes.
M. Ummu Hiram Hz. Allahu Akbar. Allahu Akbar. Marhaban.
S.M. Marhaban.
M. Salamullahu Alaikum.
S.M. Wa Alaikum Salam.
M. Bismillahi r-Rahmani r-Rahim. O Lord, may You grant us the miracle of the Bismillah. There is no limit, no end to the miracle of the Bismillah. Allahu Akbar. Subhan Allah. Subhan Allah. Allah Allah.. Allah Allah..Allah Allah.. If people knew the miracle in it they would not speak any other word but Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim.
People can live, can survive with the barakah of the Bismillah. They don't need to eat, they don't need to drink, they don't need to work... Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. There is no end, no limit to the miracle, the barakah in it- in the Bismillah. Jibril made our Prophet(s) stop in a place in front of a door, in the Heavens. Allah Allah.. A door- We don't know anything else about it other than its name. There is no one who knows about its magnificence. Our Prophet stopped. Jibril (as) was taking, showing our Prophet (sas) around & he stopped in front of that door. It is a magnificent door. When we say door, it is nothing like our doors; it is a door in the Realm of Malakut. He (sas) stopped there & asked "Is it possible for this door to open?" There is a lock on it- The door, a magnificent door. It

is not a door like you or I can comprehend.
The Prophet (sas) stopped there because of its magnificence. He asked Jibril "What is there beyond this door?" "You know O King of Prophecy, O Beloved of Allah. The whole creation is created because of you, O Glorious Prophet! Its key is with you. Its key is with you". From above the Prophet was told: "Say O My Beloved, Bismillahi r-Rahmani r-Rahim". He (swt) didn't allow Jibril to say it, the Lord Himself told him. "Say Bismillahi r-Rahmani r-Rahim O My Beloved so the door opens" & it opened. It is such a magnificent realm, that no one knows about it. No one has seen it before & no one ever will either. It is such a magnificent realm. Allah Allah.. The door opened, it is such a realm that it has no equal among the ones that they saw before. It is such a magnificent realm that there is no equal or no match for it.
4 rivers run in it, Shaykh Mehmet Effendi, 4 rivers run. 4 rivers, when the Prophet (sas) looked he saw that these 4 rivers with the Ism al-Jalal (Allah), arRahman, arRahim become Bismillahi r-Rahmani r-Rahim. Through each one of these "mim"s, a river runs through each one of them. This river is the pure water which is the ma' ul-hayat (water of life). And also there is the river which is of pure honey and also there is the river which is of pure milk & also there is the river of.. There is nothing that we can understand about it other than its name- wine. Wine that is the wine of al-Kawthar. It runs like this.
When he looked, he saw Bismillahi r-Rahmani r-Rahim. When he looked at it, Allah (swt) said "It is for your nations, O Glorious Prophet! Whosever says this, yas'ad- there is eternal happiness for him. Let us say Bismillahi r-Rahmani r-Rahim. He drinks from those rivers- he finds eternal life & drinks from those rivers: Pure water, pure honey, pure milk & pure what goes by the name "wine". Nothing has the magnificence it has. This illustration & expression of ours is zero below zero!
Allahu Akbar. Ya Rabbi, may You dress on us from the barakah of Bismillahi r-Rahmani r-Rahim. May our troubles leave us. May we be granted the haqq al-hayat, the eternal life. He (swt) says "Recite the Bismillah. Bismillahi r-Rahmani r-Rahim. "Bismi Rabbika Alladhi Khalaqa. Khalaqa Al-'Insana Min `Alaqin" (96:1-2) Subhan Allah. He (swt) says "Read! In the Name of your Lord, O Beloved". Allah Almighty Who created the universe, all the creation, the seen & unseen, the Mulk, Malakut, Alam al-Jabarut- Lord Almighty Who is the Owner of all this granted this to you & your nations, so that they may say Bismillahi r-Rahmani r-Rahim.

Who says Bismillahi r-Rahmani r-Rahim is dressed with the thawb al-iman, he is dressed with the dress of faith. Who says Bismillahi r-Rahmani r-Rahim is dressed with the dress of health. Who says Bismillahi r-Rahmani r-Rahim is dressed with Divine Light. Who says Bismillahi r-Rahmani r-Rahim is dressed with spirituality..Allah! Each time he says this, he is dressed with..What we mentioned is only 4 but in reality Allah Almighty dresses a dress each time one says the Bismillah & it is beyond our mental capacity.. How can one truly comprehend it.. The whole universe cannot comprehend, cannot understand even a speck of it. Allahu Akbar! You are Subhan O Lord. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim.

It gives strength to our bodies.. This body of ours is nothing. It constantly dresses the dress of strength, majesty & magnificence on the bodies of the believers in paradise. They are dressed with these, with Bismillahi r-Rahmani r-Rahim. Masha Allah! O our Lord! May You save us from this filthy life & take us to Your Divine Presence... What is needed to reach Your Presence? May You make us say, know the Bismillahi r-Rahmani r-Rahim- the door to Your Divine Presence. May we not run after the dirty life. May we run to Your servanthood O Lord. May You dress us from Your Divine Light, from Your Spirituality, from the barakah of the Bismillah O Lord. Who drinks from it becomes a lion. Who can't drink becomes shaytan. Let us say Bismillahi r-Rahmani r-Rahim.

"Iqra' Bismi Rabbika Alladhi Khalaqa- Read remembering the Name, the Holy Name of the Creator, O My Beloved". He did read & he- the Prophet (s) was granted a knowledge not of the world but of the universe. O our Lord, We are helpless. We are sinners. You sent us the spring which will make us clean but we are not aware of it. O our Lord, You said "Who recites the Bismillah is My servant. I am his guarantor for everything. He won't suffer from hunger or any other trouble.

Dunya is not a world to consider when you have a life in My Presence, when man receives the Divine Light of My 'Ubudiyyah, watch it" It has a mirror. Through what can you watch it? Its mirror is Habibullah, we look at him & see. O our Lord, may You forgive us. O Lord, in these oceans we... While there are all these oceans, for us to continue crushing each other is a meaningless, mindless, mannerless life. We should learn adab/good manners. Therefore Yunus Emre said like this "I sought in the assembly of the wise ones. I saw that knowledge comes the

last, only adab, only adab..." We should learn adab. We should learn, teach the Bismillah. This world is nothing.
In dunya it is only a second, a moment of life. Take the adab for the eternal life from Bismillahi r-Rahmani r-Rahim. Wa min Allah at-tawfiq. May You grant us repentance. O our Lord, may You dress us from the miracle of the Bismillah. We don't ask for this dunya life O Lord, You know. Can a believer look at dunya when there is all this magnificence? Can a person who has love, who has adab, who is aware of his servanthood ever look at this world? What is dunya? It is WC. When he ate the forbidden fruit which he was told to not eat he started running here there.. Because his stomach started running & he had the need to excrete. He was told "Here that excretion can't happen. I may send you to the WC of dunya". He (swt) said to the angels "Send Adam. Send him down & he can excrete downstairs". So he went down to the WC. This world is WC & who loves it is a foolish one! He is a person who has no taste, he is an animal. Shaytan pulls people here there..He ridiculed people inside the WC. Know what this world really is! Dunya is- When Prophet Adam ate the forbidden fruit he had the need to excrete. He (swt) said "No! Here is not a place to excrete! If you want WC, go to dunya. Send Adam down to dunya!" People have become such that they don't speak of such things, nor do they know or hear these things. And they claim to be scholars. Leave being scholars, look to servanthood. Leave being arrogant, look to having adab.

O Rabbul Izzati wal 'Azamati wal Jabarut, for the honour of Your Beloved dress on us the majesty dress of the Bismillah- Dress on us the dress of health, the dress of faith, the dress of pleasure, the dress of happiness, the dress of honour, the dress of strength, that we know our servanthood for You. Dress on us the dress of knowledge. O Lord of the Bait al-'Atiq (Kaaba), zid baitaka hadha..izzan wa sharafa, nuran wa surura, ridwanan wa sultana. All these are dressed on the believers & all of them have the Bismillah on them. They don't dress people with anything without the Bismillah. O our Lord, may Your beautiful servants come who will teach us the virtues of the Bismillah. You taught Your Beloved & may what Your Beloved taught come to us. May our lives be ready for the eternal life. We should know that we don't live for dunya. We should live for Allah. We should go up to the Divine Presence of Allah. We should say Bismillahir-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim- Who says at least 7x daily, 40x

daily, 70x daily, or 100x daily Bismillahi r-Rahmani r-Rahim will never be in difficulty- not in dunya, not in the grave & not in mahshar. Tu'ba lahum, glad tidings for them! Wa min Allah attawfiq, Al Fatiha.

Insha Allah, Bismillahi r-Rahmani r-Rahim. Read for me Hj Mehmet. Read for me. I lived for all these years, what did I get from this dunya? Nothing. Trash. It is trash, I come to a state that I don't want dunya. Illa Hu Illa Hu Illa Anta Ya Rabbana. May You accept. You made us from the nation of Your Beloved, may You make this honour permanent for us. O foolish people who kill each other for the dirty dunya! Listen, learn. If you learn this you will not want any kingdom or sultanate, or presidency. You will not want anything. Illa Ya Rabbi, an akouna abdan laka Ya Rabbana abdan dha'ifan Ya Rabbi. Let us strive, let us run after the servanthood of our Lord. Let us work saying "O our Lord, I am Your servant", happiness lies in this. Safety lies in this. The knowledge which tells about heaven & hell is in this- Who says Bismillahi r-Rahmani r-Rahim enters paradise. Who doesn't say Bismillahi r-Rahmani r-Rahim goes to hell. May Allah make you from those who take the Bismillah as their wird. Give them this wird- 7x, 40x, 70x, 100x the Bismillah. I gave you ijazah/permission for it. Accept it.

S.M. I accept it.

M. You read for me right?

S.M. Yes.

M. Long live Hj Mehmet! Be a lion, have no fear! Allah Shukur...

## Illuminate Your Heart!

Allah is the only Sultan. He never likes things which are artificial or official. Governments may be official, but religions cannot. But nowadays Christianity is an official religion. Islam is an official religion. Judaism is official. The other religions we do not accept as being religions. We only accept the ones which belong to Heavens, and after Islam no new religion does.

Religions have to be above anything official. The official people must be under the command of religion, not the other way around. Anything official will destroy the sincerity. Official imams, official priests and official rabbis cannot give anything. Do you think that plastic grapes or oranges will give you any taste? That is the main problem and it is waiting for a solution.

Religious decisions and authority cannot be left in the hands of people who come here to the university to make their doctor degrees. These people are too big to even be able to enter the doors of synagogues, churches or mosques. They have got so many official artificial hormones that they can hardly move because they need such big places. They are growing in such an ugly way: they are getting fat, their backs are looking very strange, their heads are getting smaller, their stomach bigger. Their mind is getting smaller, they cannot think about anything but themselves.

People are running from here to there asking their Lord for something. They must realise that they cannot take any benefit from someone who is official. Anything official kills the sincerity. When people lose the sincere people within religions, they will start running after the official ones who cannot make them content and reach peace.

A hundred years ago these same words were spoken and people started crying. That is how affected they were. Nowadays people escape. They do not want to hear it. In the 19th century words from religious people still had an impact.

What happened? People of the 19th century were still sincere. When something comes from the heart it will go to the heart. If it comes from your lips it will go nowhere. It is our sincere belief that when we ask sincerely, He will send. But people now are accustomed to plastic flowers in their homes which is why the gardener doesn't bother to plant any roses or any other flowers. People only want appearances. If you try to smell them, it is like thorns touching your nose.

For millions and billions of years angels have been glorifying their Lord. He created everything for Muhammad*. He created mankind for him. He ordered the angels to be residents of Heavens and to give their glory to him. Adam was created for him and was given his divine lights. All this because Muhammad* is the first and the last creation in the Divine Presence to be mentioned as His servant and His prophet. He is the main treasure. Every creature takes his grant from what he was given.

Oh people, servants of the Lord of Heavens! He has endless armies of every kind. Our humble glory be to Him. Everyone is glorifying the Lord. He is the only One Who is glorified. He has endless, countless glory oceans. Whatever you try to give Him, even if every creature on earth and in Heavens would gather, it would only be like a needle in an endless ocean, compared to His endless ocean. Mankind has been honoured in such a great way. They must give their obedience to their Lord and they must do it through him, Muhammad*, who has been glorified. He is the most Glorified One.

That is real contentment which can take away every kind of sadness from our heart. It illuminates our hearts in a way that darkness cannot enter. The disease of the century is that the hearts of people are depressed. It is a result of darkness within the hearts of people. When the light is extinguished in the heart, it will be dark and people will be hopeless, full of fear and depressed.

Only glorifying your Lord can take the darkness away from your heart. It will dress you with lights in your heart. If you do not feel like it in your home, then run to the countryside or to deserts or jungles, to silent places. Glorify Him and you will see that the depression will leave you quickly. It will run away from you and ask for help to be saved from you! That is the cure for depression. You may be a Christian, a Jew or a Muslim, you can glorify with any of the Holy Words which are in the Holy Books. You will find a cure quickly and will enjoy being alive. Sadness will escape. Nothing can disturb you. You will be protected by the lights of glorification.

Oh people, don't waste your precious time with useless actions. Try to have something which will give you honour, glory, satisfaction and contentment here and hereafter. That is if you like! If you don't care, every curse will run on you, you will suffer. Protect your heart by glorifying. If you do not take care of that, so many devils will run to you and disturb you. Everyone of them speaks in another way and will put a new sword through your heart. They will disturb you in every way and only escape by you glorifying. Don't forget!

If anyone would hear the beautiful sounds of the angels who are glorifying the Lord in the Seven Heavens, they would fall down dead. That is how beautiful it is. May Allah let us hear. When Mehdi comes our ears will be clean. Now we have too much dirt locking our ears from hearing the sounds of the angels glorifying the Lord in Heaven. Try to clean them from early morning until late at night. But instead people put more and more dirt into their ears by listening to modern music making them unable to hear. At the time of dawn some people can have the chance in the Night of Power to hear just one second of that Divine sound. It is a good advice for everyone to pray every morning before Fajr, "Subhana Rabbi-l wal hamdi, subhan alathi wa'staghir'ullah..."

When you start doing such a glorification sincerely, you will not want to stop. Do this 100 times between sunna and fard prayers in the morning. It will give you support. Your soul will be happy and light. If any wants the Doors of Paradise to be opened for them, they should say, "Al hamdulillah". If they want the doors of hell to be closed for them, they may say, "Astarhfir'ullah".

## Illusions

"Ninety-nine may be illusions, but one may be a real oasis for you because the Lord Almighty says, 'Don't cut off your hope; don't despair'."

You don't have forty hands to go everywhere to take forty Shaykhs' hands. Therefore, if you are traveling on a spiritual journey, when you meet with your guide or with your destination, I think it is enough for you at that time to be in one place. However, if you are doing it as a pleasure for your ego, you may travel from East to West, looking at this or that.

Sometimes I go to the market, looking at one thing or another and then another, from beginning to end. If you are buyers, you must look for what you want. You must know that you want that thing and you must see where it may be. If you find it, you may buy it and go on because no one can take the whole market and carry it, or all the markets. Rather, everyone who goes shopping knows what he is going to buy. Thus your Shaykh sent you here, understanding that you were asking for something. If you can find it with someone, names are not important, but it is important that you are able to find your desire in him. If you can find the thing you want with a young person, it is all right. Anyone you can find it with, it is all right. Your Lord of the Heavens may put our purposes with anyone. You must not be cheated by someone's outward appearance, passing him by, saying, "Who is that person? What thing can be with that one?" While there may be with him that of

which you are in need.

We are most in need of wisdom. Knowledge is one thing, but wisdom is something else. Knowledge you may find everywhere. Wisdom is also written, written in books, but when it is written down, it also becomes a part of knowledge. Wisdom comes directly from the tongue, from hearts. When it is put as writing in books, it becomes knowledge. You may use that, but more important is wisdom. The Lord may place something of His endless wisdom with anyone. It may be a peasant, or a boy, or a woman, or an old man. It may be with a young man, with a black man. It may be with an ignorant one, as you might say. He may not have been educated in schools or universities, but he may have been given wisdom. We have a saying that treasures are mostly under ruins. No one comes and asks for treasures among huge buildings in the center of a city, no. The one who wants to find treasures looks where there are old ruins. From the outside no one could say there may be something there, but underground, among ruins, you may find them. And that person is pleased if he can find broken cups or other broken things. He says even though they are broken, still they are antiques, they are precious, and he takes them, not taking such an unbroken, new thing. If you say, "Do you prefer this or that'?" he may say, "No, this. I prefer it though it is broken. I don't prefer to have this new and whole cup."

Therefore, Divine wisdom makes wisdom to be found with anyone. Don't suppose that it must be with people who look suitable from the outside. No. The doors of Islam are open from the East to the West. We can look anywhere. If we find that wisdom, we may take it from anyone. No need to be a special person, no. Anyone may have it. The Lord may give it to you. However, we must be humble enough to listen to anyone and to look at what his product is, what is he selling. We may take from anyone when we are humble enough.

God Almighty gives His wisdom and He speaks wisdom. You have knowledge. You have so much knowledge. Everyone who comes to me has it - learned people, perhaps scholars, because most Western people are educated. But, as we said, wisdom is something else. We must be humble. We must look among ruins to dig it out.

Yes. You are traveling, seeking wisdom, and you may find it anywhere. It is all right. Knowledge is like a plane and wisdom is its fuel. Without fuel planes can't fly. Thus, there are so many scholars, but they are still waiting for fuel. They are so proud of their wings that sometimes they go around like this, like that, on the plane but not flying. Perhaps they say that the knowledge of Sufis is not knowledge, because to them, the only

knowledge to be found is what we read in books. We call this products of the mind. These products grow bigger and bigger. It becomes a load, a heavy load for our heads to bear because we have to carry it around with us. Knowledge from the heart differs from this.

Products of the heart carry us. We have to carry mind-products, but heart-products carry us. It was because of this that Abu Yazid Bistami, a famous Grand Shaykh in the most distinguished Naqshbandi order, addressed scholars, saying, "Oh scholars, you carry your knowledge about. You are always looking to see whether that knowledge is becoming less and less, going down. You are always looking because when you put aside the knowledge that you got through books, you then have to carry those books around with you to refresh your minds. You are like horses, putting too heavy a load on yourselves, carrying it around, and you are always tired. But we are not in need of carrying books, to be like a horse bearing so heavy a load. Rather our knowledge carries us. Therefore you are bearing a heavy burden, while our knowledge carries us along."

For this reason, all mind-products are a heavy load for scholars. The Prophet, beloved Muhammad (saws), said, in the original words of a Tradition (hadith), "The calamity of knowledge is forgetfulness." The thing that destroys knowledge is to forget it. Therefore, each scholar is always worried about that point because he or she is growing older. At every moment his or her mind's power grows weaker. Everything it may hold little by little leaves. Scholars are always thinking about this, about forgetting. There are so many things that causes our memory to grow weaker and weaker.

Now people, even if they are scholars, are under the command of their egos. They do as their egos want so that their memories weaken. They do not use their hearts. Hearts are never weak. Hearts are strong, but we do not use them. My Grand Shaykh, Sultan of the Friends of God, Shaykh Abdullah ad-Daghistani, may God Almighty bless him, was about 113 when he died. He used heart memory. When the heart's memory is all right, it never weakens. Such a person may know from the beginning of his life up to its end. He never loses his memory. However, those who leave their heart and use only their mind's memory, are going to find that their knowledge decreases in time.

Therefore that Grand Shaykh, Abu Yazid Bistami, said to scholars, "If you have no books, you are finished. If you forget what is in your memory, you are going to be empty vessels with nothing in them. You bring from outside and put into the minds' memory. When your minds are finished, they are like empty cups. Our

knowledge, on the other hand, are springs in our hearts." Therefore, you can see that when they are old people, they lose everything. They lose what they say, what they do. But it is impossible to stop the springs of wisdom of those who have them in their hearts. It is impossible to stop those springs. The springs carry them, as well. Wisdom is a Divine power. It does not have ordinary properties, no. Divine powers come through wisdom and may take that person, by his physical body, from the East to the West in a second, may take them from earth to the heavens.

I am seeing that there are some desires appearing among western people, because I have never seen people who like to read books like western people. Muslims always tried to read the Holy Qur'an. They never tired of reciting the Holy Book. Now, however, most people are occupied with their egos. This is also true of the Islamic world. Therefore, they have put aside reciting the Holy Qur'an and also they do not really want to read other books in the way that western people do. You have a hobby of reading books. But for what? A person may say, "I have read perhaps one thousand books and I still want to read more and more, but - for what? What is the main purpose for which I am reading and reading, and am still hungry to read and read'?"

Then it comes to their hearts. After all that reading there must be something else. Therefore, now a lot of people are asking about Sufi knowledge. Then, also, they are beginning to read more and more and more, reading, reading. But yet they feel that they are still thirsty. They are thirsty, even though they say that it is a spring, still it is not enough to quench their thirst. Now they are asking the Real springs as a person in a desert asks for water and springs. But most people see only illusions, so many illusions. And now in our time, so many western people are running after such illusions. They imagine that there may be a spring there, water. They run toward it, but find that it is only an illusion. It is very rare to find an oasis amidst huge deserts. Very rare, but there are so many illusions, mirages. Now, I am sorry to say, western people are all like a person in a huge desert and thirsty. They are looking everywhere, asking for water that will give them life - looking and running and finding that finally, that they are all illusions. Still they must run after an oasis.

Therefore, our brothers who have come to visit us this morning are among those people who feel that they are in a desert and thirsty, asking to reach an oasis to drink. Otherwise, they will see only illusions everywhere. I am seeing here in England, in France, in Germany, in Holland, in America everywhere, everywhere - so many illusions; in India, in Pakistan, in Tibet, in China, in Russia, in the Caucasus, in Iran, in Turkey, in Arab countries - so many illusions, but very few oases. Rather, they are full-up with illusions. The Lord of the

heavens! the Lord of the Children of Adam, says, "Do not cut off your hope" (39:53). Therefore whoever seriously asks to find, he must find.

Why is it that He makes wisdom difficult to find? Because everything that the one finds easily is cheap, taken for granted while everything that one finds with difficulty, one looks after more carefully. One may say that it is so difficult to obtain. Yes, that is true. Therefore, if you are asking for an oasis, it is difficult to find and you must face every difficulty to find it.

As long as you are alive, you must walk towards somewhere. There may be one hundred illusions. Then you may find, at the end of one hundred, that oasis. Don't say, "I went there and found that it was an illusion. Then I turned to another one and that also was an illusion. I have run after all ninety-nine and found them all to be illusions. why should I try this one?" Don't say it! To the extent that you can walk, you must go on and try. Ninety-nine may be illusions but one may be a real oasis for you because the Lord says, "Don't cut off hope. Don't despair." When you cut off hope, you are going to die. Finished. No one dies until he cuts of his hope of living, but whoever hopes to live, may live. Whoever hopes to find, must find.

## Imagination is not Reality!

As-salamu alaikum, ya Mu'minien, ahlan wa sahlan, welcome to you, o believers! Salamun alaikum, thumma thabartum ... Allahu akbar! Eh, Shukr Allaha, Shukr Allaha, Shukr Allaha. Thanks, whole thanks, whole absolute praising, absolute thanks, absolute glorifying to Allah Almighty! May Allah forgive us...

O Allah, You are Creator, o Allah, You are our Lord, o Allah, You are our Protector, o Allah, You are that One who (is) giving us everything here and Hereafter. We were not in existence and You created us. You are giving us, granting everything, o our Lord, endless praisings, endless glorifying, endless honouring, endless blessings from You on Your creatures. You are Creator, we are Your creatures...

Audhu bi-llahi mina shaitani rajim, Bismillahir Rahmanir Rahim.
You must live for Allah!

This is a humble meeting. You are coming from East, from West- from

different directions you are coming here and you are asking to listen, to hear something that you are not knowing. And we are asking from our Masters a support, something that makes ourselves much more able to listen to His holy Commands and to follow His holy Orders.

From beginning up today there is two different ways: one way is (the) right way, and another one is (the) wrong way. It is mentioned.
I was once upon a time in America and on our traveling I was looking and seeing a writing on a plate: 'Wrong way!' Wrong way, for drivers to make them to be awaken, because if a person (is) going (to the) wrong way, that means every effort that he did (is) going to be nothing, (is) going to finish. Therefore people, when (they are) looking and seeing that writing on a plate 'Wrong way!', no one (is) asking who (is) writing (that), no. Only it is a writing 'Wrong way'. No one from drivers (is) going to ask who writes it, no, they are taking care!

Subhanallahi-l 'Aliyu-l 'Adhim! We are on (the) way also; we are walking, we are moving from unknown to unknown. Now we are living a life and we are saying (that) our lives (are) from (the) unknown coming and finally people (are) running away, disappearing and they are also running to (an) unknown direction, unknown territories. From where we are coming, we don't know. To where we are going, we don't know.
If it is not mentioned through Holy Books, no one (is) going to know from where they are coming and to where they are going, because it is not something to think on it and your thinking (is) bringing to you a real answer. You can't find it; it is impossible to think from where we are coming. As much as or as long as you may think on it- but what you are going to reach? Because it is only (something that) belongs to our imagination.

Allah granted us also imagination; that you can think and you can

imagine. But don't think that the answer of imagination is a true answer, no! You are imagining, you are factoring through your brain, (it is something you) imagined. You can't be able to bring a reality. That (is) going to be more powerful for our minds, for our hearts! Can't reach, can't bring this, must be cut off! Imagining is not reality, but people now they are living in an imaginated world. Everyone (is) imagining and saying and writing and believing.

You may imagine for something. That imagination should be for you only. Another one may think, may imagine another world. So that your world, your imaginated world, (is) something else and belongs to you only and his also, his imaginated world, for X., is different, 100 % different. And reality is one! (The) Real, or reality, is only one; never (it is) going to be changed according to you, according to that, according to another one...

Therefore, reality that (is) coming and teaching people from Heavens, through Prophets, (is) never changing. Same points from beginning up to end they are giving to you and calling you: "Come and believe! Come and believe in this point, that point, that point..." Therefore Prophets mental existence (is) going to be in different ways; only for Prophets (there is) real Knowledge! Reality (is) never going to be changed, therefore man must believe to those people that they are coming all together on (the) same points, on (the) same subjects.

(The) first Prophet was saying: "O my children, you must know and you must believe that mankind, as I am representing them, is a creation created by the Lord of Heavens!" And every Prophet, that their Knowledge is so powerful, their knowledge (is) reality. Reality has (a) strong basis that no one can move it, no! Imagining, but (if) it is going to be built on reality, (it is) never going to be changed or destroyed, no,

(it is) same.

What Adam a.s. said, he said, the last, the Seal of Prophets. He is saying also the same points, without making it less or without making it more, no, same:

“O people, you must believe in (the) Existence of your Lord, because you are created, you are not Creators, and for creatures they need a Creator!” (The) first man (was) saying this, (the) first Prophet that (was) taking real Knowledge from Heavens, Adam! Adam (is) one of those people, whom they are taking their Knowledge from Heavens; they are (all) on (the) same line, no difference:

You must believe in Allah Almighty,
you must believe in Angels,
you must believe in Heavens,
you must believe in Holy Books,
you must believe in (the) Last Day,
you must believe for Reality that whole Prophets they were saying: “You are coming (on) the Day of Resurrection to be questioned! You are responsible for every effort. For every acting that you did it, you have (a) responsibility on it and you should be questioned!”

That is real, Reality; (it) never changed, but things that (are) just built on imagination, that is going to be so different!

Everyone’s imagination (is) going to be in another way- Subhanallah, Glory to Allah Almighty- and (He is) making everyone (whom) He created to have an understanding, a true understanding, and to fix on it unchangeable realities! Therefore- those people that we are saying they are Prophets, prophecy from (the) beginning up to end (is) on (the) same line. Nothing changed.

But imagination (is) just going to be changed: every month, every week, every day it is going to be changed and you can't be able to trust on imagination, because your imagination is something else. Leave holy People from Heavens; but ourselves (are) going to be changed, according to people, not two imagining heads coming together, no, must be different! But heavenly Realities and whom they are asking to teach people, they are on (the) same line.

That is the source of troubles that we are living in it now, because everyone they are asking to be their imagining accepted by common people. It is impossible, because how many people (are) coming in existence, their imagining (is) just different. Maybe some parts (are going) to be same, but originally everyone is imagining and according to their mentality that imagination also (is) going to be changed.

Therefore Allah Almighty (is) saying: "Inna hadha sirata-l mustaqima. O people, that is My Way, as I am sending (it) to you through My holy Servants, chosen Servants. I am sending to you, fa tabiu, o people, follow them, don't follow your imagination!"

That is (the) biggest cursing on people through (the) 21st century, because everyone (is) saying: "No! What I am saying, you must follow me!" And you may say: "No, why? I think that this should be like this!" Another one (is) coming: "I think both of you are wrong! What I am saying, it is okay!" Hahaha!

Like now there is newspapers- it makes it so clear- newspapers, so many writers; this (one is) writing on that column, another one (is) writing there... Even one newspaper people they can't be able to come all together! Perhaps maybe in a newspaper writing board (there) may be 5o

people. Everyone (is) taking that pen on their hands and (is) beginning to write and (is) saying: “Just I wrote down the best one!” Then Y. (is) saying: “Why? My article is so strong, I don’t think that your article may be followed!” If (there are) 5o newspapers, in it 5o writers- how much it is going to be? 25o! If (it is a) bigger newspaper, (there) may be 100 people writing in it and saying: “That what I am thinking is best for humanity!” Never (they are) saying that: “Y.’s article is best, therefore I am not going to write anything else. I must follow him!” No, they are also so proud people! Chief writer, editor, he is saying: “I am your boss! You can’t write, as I am writing, you can’t think, as I am thinking, you can’t reach to my mentality! All of you (are) down and I am the up!” That is...

That means, everyones, if I am giving to (a) pheasant also: “Write something”, he may write and looking: “Yes, what I am writing, government must follow! I am writing that pheasants must, even they must have a right to be on governing board! Why they are not giving (to) us? Always (it is) going to be Blair, always to be putting always to be Bush, always to be Karamansis, always to be Hercules- why?” That pheasant, farmer (is saying): “I think, if we can be able also to have (a place) on board, governing board, you must look how we are going to make a good community, a good economy! Ahhh, economy! Those foolish city people (are) making ourselves like animals, no one (is) listening to our writings! Yes? They are saying: ‘Ehhh, what you are understanding? You may understand from sheep, you understand only cows, why you are writing?’ You never give a chance to our imagination! That imagination for farmers! Citizens...”

That is the source of chaos; now we are in it, because everyone (is) saying: “I know much better than Dr.” Dr. (is) saying: “Who knows? What

he is knowing that is only to make a long beard, nothing else. But I am shaving; therefore, when I am shaving, my mind (is) getting, growing up. But when he is making (a) long beard, (that is) taking everything from their minds and their minds (are) going to be dry. But our minds (are) always (going to be) wet, fresh...”

I am sitting here to say such things that people (are) going to be surprised: “I never heard such things!” Yes, that is perhaps my imagination- you bring your imagination! They can’t bring anything! They may say: “Oh, for governing a country, democracy is no good, but we must do democracy, including every creature in it, even dogs, cats, because they have rights also! Our citizens leading ourselves- we must give them a chance for governing ourselves, for leading!”

They are making us to speak so widely for understanding that everyone’s imagination is something else, but heavenly Orders they are not like our imaginations; that they are real, realties, and realities only (are) coming from Heavens. You can’t reach Reality on earth through your mentalities, through your imagination! That is all everyone’s imagination and I am saying:

“If you are claming (something) opposite (to) what I am saying, do it! Do and correct everything wrong on earth! If you can’t do, come to me! I am (doing it in) 24 hours... I am not ordering something through my imagination, but my ordering (is) coming from Heavens and I am not on imagination! I may correct everything on earth (in) 24 hours! No need 25 hours! If you can do, do! You may do? Come, come, do!”

But people they are so proud now and everyone (is) trying to represent Nimrod. Everyone’s ego (is) asking to be like Nimrod. Nimrod was saying and people (are) saying: “You are alright”, even their conscience (is)

saying something else. But they are not coming to declare (the) Truth. Truth is only one, but lies... You can't find a limit for lies, but for truth: truth (is) only one! If you accept it, you should be happy here and Hereafter. If not, if you are asking to go according to your imagination, you may walk, you may do, but (there is) no result, no contentment, no good future for them, no! (They) should be in such a road that (is) coming (to be) tied up, if you are asking to open it, (it is) coming (to be) much more tied. That is peoples suffering now.

And I am calling whole people: "Come! If you are not knowing, come to me, I can teach you!" And they are saying to me: "No, you don't know anything!" I know some things that you are not knowing, because our knowledge (is) heavenly Knowledge, Heavenly Knowledge that may correct everything, and any other imaginated orders, commands, regimes, it is useless! You may see from far away good, when you are entering in it, it is going to be nonsense.

Therefore- (the) Prophet was saying, sws: "When (the) Antichrist (is) coming, (he is) calling people and saying: 'Come, I am carrying fire and Paradise! If anyone (is) going and listening to (the) Antichrist and (he is) putting him in (his) Paradise, (there is) going to be countless troubles in it (for him). If (the Antichrist is) saying: 'This is fire', that people (are) running away and not coming to real Paradise, they are going to fall in(to) endless troubles, suffering, and endless miseries, endless suffering (is) covering them."

Now people (are) in it! Now (it is the) period of Dajjal, Antichrist; making everything, showing people that: "You are living in Paradise" and really they are living in fire!

May Allah forgive us and grant us a good understanding and good

willpower to follow realties that Prophets just reached to us from Heavens, for arranging our good life, to bring humanity the last point of humanity for people... But people (are) running away. If (they are) running away, they should suffer...

May Allah forgive us, for the honour of the most honoured servant of Allah Almighty, S.Muhammad sws, Fatiha.

# IMAGINATION STOPS YOU FROM SEEING THE TRUTH

How can you put the whole universe into one atom? If you would claim such things people will at once think that you are crazy. So how can they say that the Lord of Universes came into the womb of a woman? What kind of foolishness is this still in the 20th century? Compared to this universe we are even smaller than an atom. This huge universe! Compared to the greatness of the Lord, this huge universe is even less than an atom. How should such a lord, who is even too big to be in this universe, be in a woman? Is that religion? Is that faith? Is that the way religion was brought from Heavens? Very strange...

What is it Christians want people to believe in? In a person nailed to the cross? What should he be able to do for me when he cannot even do anything for himself? If he is not the Lord and his lord cannot find any other way than to have his son nailed to the cross, then he is also not a lord. They say that the father left his son to be nailed on the cross to save mankind. If he is the lord, is that the only way he can find to save mankind? I would also like to know who of the 12 disciples were witnessing the cruxifiction. There isn't one! Whoever says he saw it, is a liar!

We must correct our beliefs. We must correct our faith. Christians are running after Muslims to make them Christians. For what? To believe in the cross? What does the cross mean to us? We want to call people to truth, to the Endless Power Oceans, Endless Wisdom Oceans, Endless Unity Oceans, Endless Love Oceans,

Endless Life Oceans, Endless Mercy Oceans and Endless Endless Oceans of the Lord. So what is wrong with Islam? What is it Christianity is offering? A cross?

We must look at which way we are going. Maybe there are things which our ego likes to see in Christianity, like our Lord on a postcard. Because Christians are claiming such things our world is now coming close to the edge of hell. Leave imaginations and come to reality. The Lord cannot be in your imagination. Everything which you are imagining is your own. Our Lord is beyond imagination. He created your imagination, how should He be inside your imagination? That is why you must try to take away every imagination from your heart. Then you will be with your Lord. Every imagination which appears in your heart has been produced by your ego.

Reality is with your Lord and that is where we want to reach to. So until you have left your imagination you cannot reach the real existence of your Lord's Divine Presence. When you are in the Divine Presence you will have appearances which are beyond imagination. That is endless enjoyment, it will be ever new and any kind of imagination will appear as pure rubbish! Instead you will be witnessing parts of Allah's Appearances which could never reach your imagination. You will be shocked at the endless surprises when the Divine Appearances will open up. You will melt.

Islam came to fight idols and figures. The ones that are visible have to be taken away first. Then the order will come for the hearts. When that has happened a new appearance will come into your heart all the time and you will be so happy. That is the real mission of Islam, to call people. As long as you belong to your idols, you cannot belong to your Lord.
Oh, people, you must try to understand the real mission of Islam, particularily Christians and Jews and particularily Europeans. They think that Islam only has to do with killing and such things. No! Islam only wants to destroy idols, so that no idols will be worshipped on earth and to destroy the kingdom of satan and egos and devils. May Allah give us power to destroy the idols in ourselves and then everywhere.

## Imams Are Of Two Kinds

As-Salamu Alaikum Ayyuhal Hadhirun. May Allah's Salam be upon you. "As-Salamu Alaikum Bima Sabartum Fani`ma `Uqba d-Dari" (13:24). Allahu Akbar! Angels greet the believers with Salam on the Day of Judgement. "You were patient and did not follow shaytan, did not follow your ego either. And because of your patience Fadkhulaha! Enter My paradises. Fadkhulaha Salimin". Allah Almighty orders the Angels to welcome the believers saying "Enter My Paradises". And the angels greet them as: "Fadkhulaha! Salamu Alaikum Bima Sabartum". You were patient ones. You were patient in dunya. You were patient to make My service. Shaytan attacked you from all directions to deceive you, but you were not deceived by his attacks. Your ego also was driving you; your ego was also saying "Look, what a beautiful way is he showing. We may also enter that way".

Man's ego is shaytan's friend. One is the female, the other is the male. Sometimes one is male, the other is female. What is it that they give birth to? Evil. When your ego follows shaytan, what it will give birth to is evil. No good comes out of it. "'Inna n-Nafsa La'ammaratun Bis-Su'i" (12:53) The ego always orders what is evil; with the traps of shaytan, with the deceits of shaytan. When he says "Look, what a beautiful way is this" your ego follows him and makes you fall in a crisis no matter what. Welcome to you, O the listening believers. Yawm al-jadid, rizq al-jadid. Allah Almighty sends people their provision everyday. Provision is of two kinds. First is the provision for our external body. Allah Almighty never leaves anyone hungry. And there is also the spiritual provision which is the spiritual table sent to us through the Prophets. Everyday a new one comes. We may say Bismillahi r-Rahmani r-Rahim. O our Lord! La ilaha illa Allah Anta Subhanak! Subhanak! Subhanak! Wa Nabiyyuka Sayyid al Awwalin wal Akhirin, Habibuka Sayyidil Awwalin wal Akhirin. We send Salatu Salam on him. To stand up is adab. For this, qiyam (standing up) is fardh (obligatory) in prayer. Man can be in the Divine Presence by standing up. He can't enter the Presence by sitting. He enters by saying "Allahu Akbar! I stand in the Divine Presence and follow the present Imam". "I follow the Imam". When one

says Imam, there is the Imam who leads the prayers, and this is because he is in the front. And there is the Imam who is the Imam of all the Muslims and these are the inheritors of our Prophet (sas). Their station is; they appear with the rank our Prophet (sas) dressed on them.

Ok, let this be the prelude. And what is our beginning? Bismillahi r-Rahmani r-Rahim. La Ilaha Illa Anta Subhanaka. Subhanaka. Subhanaka. We say the Bismillah, Bismillahi r-Rahmani r-Rahim. And you should say "Subhanaka llahumma wa bi Hamdika". How beautiful. How beautiful, first the glorification: "Subhanaka llahumma wa bi Hamdika" O Allah! Wa Tabara Kasmuka wa Ta'ala Jadduka wa la Ilaha Ghairuka. And there is also "Wa Jalla Thanauka" but they recite it in Salat al-Janaza. Don't say "Shaykh doesn't know anything" We know as much as they inform us. How can we know what they don't inform? Say "Subhanaka". Subhanim Allah Sultanim Allah Nabim Muhammad Alayhi Salam. Say this. As soon as you open your eyes, do your tahara (purification), be clean and then stand in the Presence saying "I stand in the Presence and follow the mighty Imam who is present". Tell yourself that "I follow the Imam". Who is the Imam? They are the holy ones who are the inheritors of our Prophet, the Sultan of the Prophets (sas), they are the ones appointed by him. Say "I follow him", that shaytan won't be able to touch you.

When you say "I follow the Imam", there is the apparent Imam and there is also the spiritual, the real Imam who is the inheritor of the Prophet (sas). When you say "I follow the Imam", you follow the Imam in prayer and you also follow that one who is the inheritor of the Prophet in this time; that holy one who receives Nur from the Prophet directly. Say "I stand in the Presence of Haqq and follow them". Masha Allah! Bismillahi r-Rahmani r-Rahim. Start: Bismillahi r- Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. May You dress us from its Nur O Lord. Say Bismillahi r-Rahmani r-Rahim and ask for Nur; your face becomes like the moon, your body becomes inclined to the Worship of Lord. It doesn't leave any illnesses in it. Start, Bismillahi r-Rahmani r-Rahim. What a great honour did Allah Almighty grant us; the Bismillah. Don't forget it! The Holy Pen wrote the Bismillah on the Preserved Tablet. How many years did it take? It is said to have taken 700 years, is it not? It wrote in 700 years, Bismillahi r-Rahmani r-Rahim. It wrote everything that happened or is going to happen in it. Take from it! You can take every kind of power from the Bismillah. You can take external and internal powers, don't forget.

Who says Bismillahi r-Rahmani r-Rahim is dressed with a dress, we call it aswab, that it is a dress from Nur. It is all clean, white and enlightened. It had stayed in the presence of its Lord and "Let him stay in My presence" the announcement comes. For this don't forget the Bismillahi r- Rahmani r-Rahim. May Allah not make us from those who are without the Bismillah. His Ism Al-Jalal (Most Majestic Name) and His Ism Al-

Adham (Greatest Name) is in Bismillahi r- Rahmani r-Rahim. Allah Hu Allah, Allah Hu Allah Allah Hu Allah, Allah Hu Rabbi. Allah Hu Allah, Allah Hu Rabbi. Allah Hu Allah, Allah Hu Rabbi. You are Subhan Ya Rabbi. How beautiful.

O Kings, do you ever think about this? Do you ever make Allah's Ism Al-Jalal, Who enthroned you as King, recite it? You think that there is no one greater than you, richer than you, more powerful than you? But your power or richness has no value. Your value is with your adab. When you enter the throne room, stand on your feet O Kings! Say Allah Hu Allah, Allah Hu Allah, Allah Hu Allah, Allah Hu Rabbi. Allah Hu Allah Allah Hu Rabbi. Hasbuna llahu wa Ni'ma-l Wakil. Bismillahi r-Rahmani r-Rahim and He (swt) dresses you with majesty. Don't forget Allah! Don't say "I got rich from lamp oil".

We used to call petroleum "lamp oil" before. There was lamp oil which is like an ocean under the ground. They extract it. Instead of extracting water they extract lamp oil. They sell it, become rich and then say "I am the richest, strongest one". Leave this. Your life is in between two breaths: One goes in and one goes out. You should know this, O Kings! You are the people to whom we are ordered to show respect. Whichever level of respect and adab you show for Your Lord and His Prophet, Allah's servants should show the same respect for you. Not with selling lamp oil...

They call it petroleum now. Petrol, petroleum. It is a Greek word in origin, which means the oil that comes from rocks. Allah didn't grant it to you so that you could say "I have so much" and wear fancy dresses, build palaces and sit in luxury. You should say Bismillahi r-Rahmani r- Rahim O attending servants of Allah. Call to our Lord like this: Bismillahi r-Rahmani r-Rahim O our Lord! O our Lord, you made us sit in this place. May we be upon Your Order. May You send us the one who will help us O Lord. Look for good servants! "'Inna Llaha Yuhibbu l- Muhsinina" Who is the good servant? Who gives, not who closes his hands like this. Dunya is something that has no value. Keep your hand open so that your value increases. Serve the servants of Allah. Why do you hoard? What benefit does what you store have for you? You should stand up and say: Bismillahi r-Rahmani r-Rahim. Allahu Akbarul Akbar. Allahu Akbarul Akbar. Allahu Akbarul Akbar. Subhanaka Rabbana. Subhanaka Rabbana. Subhanaka llahumma wa bi Hamdika, Wa Tabaraka smuka wa Ta'ala Jadduka wa la Ilaha Ghairuka. Bismillahi r-Rahmani r-Rahim.

O our Lord! You appointed us as deputies here, over Your servants: "'Inna Llaha Ya'muru Bil- `Adli Wa l-'Ihsani" (16:90). What does Allah Almighty want from us? "'Inna Llaha Ya'muru Bil- `Adli Wa l-'Ihsani". And He (swt) says, in every Jum'a the King who is the Imam should read the khutba. He should climb up and read. He should not appoint an Imam but should himself climb up. When he is present, he should climb up

and say "Ana Abd'Allah. Ana Abd'Allah. I am a servant of Allah. Ya'muru li Rabbi: "'Inna Llaha Ya'muru Bil-`Adli Wa l-'Ihsani" My Lord ordered me this. Every King that climbed up for khutba would recite this Verse: "'Inna Llaha Ya'muru Bil-`Adli Wa l-'Ihsani Wa 'Ita'i Dhi l-Qurba Wa Yanha `Ani l-Fahsha'i Wa l-Munkari" "Wa Ladhikru Llahi Akbaru!" (29:45). Allahu Akbar! Say O attending ones, say! Say "Allahu Akbar! Allahu Akbar! Allahu Akbar!"

You are granted such a sword; Allah Almighty grants you such a sword. Allah Almighty Who made you Kings dresses on you such a dress of majesty that when your name is mentioned, the servants of Allah say "O Lord! May the sword of this King of ours be sharp, may it reach from the East to West. He grants us, he keeps our rights, he protects the weak ones. O our Lord, may You grant him more". Did you teach them about all this, O King? They say "Well, we have universities". Tie donkeys to your universities! Tie donkeys! What are these universities? What do they call university? Jamia. Don't go to jamia, go to jami' (mosque). Ingorant ones graduate from jamia. From the jami', scholars, sincere, clean servants of Allah graduate. Where are you? What is this jamia? Take them to jami'. Before they would be taught in mosques. There would be a circle of knowledgable people in the mosque and they would teach. I don't know if they still keep the same arrangement in al-Azhar ash-Sharif. Others have forgotten.

Don't forget! You should say Bismillahi r-Rahmani r-Rahim and be a King like this. You should close all the places of corruption, because "'Inna Llaha Ya'muru Bil-`Adli Wa l-'Ihsani Wa 'Ita'i Dhi l-Qurba Wa Yanha `Ani l-Fahsha'i Wa l-Munkari". You should close all the dirty places. If you don't, then they will bury you inside that filth. "Wa Yanha `Ani l-Fahsha'i Wa l-Munkari. Ya`izukum La`allakum Tadhakkaruna". Allah Almighty advices you to give a sermon: "'Inna Llaha Ya'muru Bil-`Adli Wa l-'Ihsani Wa 'Ita'i Dhi l-Qurba Wa Yanha `Ani l-Fahsha'i Wa l- Munkari". "Wa Ladhikru Llahi Akbaru!" The remembering of Allah is the greatest! Where are you scholars? You prohibit making dhikr in the mosques. Which scholars are these? Which Kings are these? "'Inna Llaha Ya'muru Bil-`Adli Wa l-'Ihsani". First justice! Put the sword. This is the justice. If not this sword falls on his head. "Wa l-Ihsani". You keep the justice and Ihsan. Your hand should be open like this to give, not be closed like this. Your hand should be like this, so that whoever comes may take. Wa 'Ita'i Dhi l-Qurba, don't withhold your grants from the ones close to you. "Wa Yanha `Ani l-Fahsha'i Wa l-Munkari" Prohibit obscenity, dirty life and dirt acts, ugly deeds. Allah Almighty orders this, you should say it in the khutba.

There is so much obscenity where these Kings are. But being a King is not about wearing beautiful clothes,

walking in fashion or becoming arrogant. If you are a King, you should be like Sulaiman (as): what was it that made the Queen of Sheba Balqis tremble in the letter he wrote? "Innahu min Sulaiman", not that but "Wa Innahu Bismillahi r-Rahmani r-Rahim" His saying of Bismillahi r-Rahmani r-Rahim scared her. It was not from Sulaiman, the Bismillahi r-Rahmani r-Rahim scared her; the Queen of Sheba Balqis was scared and trembled. He said "Innahu min Sulaiman wa innahu Bismillahi r-Rahmani r-Rahim". This is from Sulaiman but its title is Bismillahi r-Rahmani r-Rahim". She said "we surrender". Her viziers said "Nahnu 'Ulu Quwatin Wa 'Ulu Ba'sin Shadid" (27:33) to Sultan Balqis, the Queen of Sheba. She said "Look at who is coming, don't say 'Ulu Quwatin. Look at his holy letter: Innahu min Sulaiman wa Innahu Bismillahi r-Rahmani r-Rahim!" Take lesson from this O Kings! Take lesson.

You should form an assembly which will remind you, make you remember this everyday. The Ottoman Sultans, may their abode be paradise, the 40 Sultans, when they were coming for Juma ceremony (they had someone to remind them): "O My Sultan, don't claim to be great. There is Allah who is greater than you!" And they would make like this, all Sultans would bow, those lions; who conquered from East to West. Whole world would tremble before them. Whole world would tremble, but Arabs and Turks came together to destroy such a pure family and now the world collapsed on their heads like this. When they said "O My Sultan, don't be arrogant, don't claim to be great. There is Allah Who is greater than you", Sultan would do like this. Where are you Kings? "No, the people elected us and we sit here". What are you? Who are you? Do you have the adab of Kings? You don't.

They all made the people fight each other in Egypt, in Sham, in Iraq, in Turkey, in Iran, in Arabia, in Libya. They brought the people into a state of humiliation in all Arab nations, they made them pour into streets. For what? They didn't do what the Kings would have done. Don't store money, don't save treasures and people won't pour into the streets. Why do these men pour into the streets? They can't find anything to eat. They can't find jobs. These are only 5-10 people but they took everything people had in their hands saying "democracy". It is unbelief! It is not a system but they robbed the people to carry out this system of unbelief. People are tired of your rule. They don't say "May Allah defeat you", they don't know this.

They should say "May Allah defeat you", instead of screaming in the streets. Enter the mosques and say "O Lord, only You can defeat them. We can't defeat them. There is nothing in our hands. We have nothing to eat or to dress. We are left in the middle like this. O our Lord! You can defeat them, O our Lord! May You send us the Sultan who will rule us with justice. Ya Rabbi, send us the Sultan". They all threw out the Sultans. And who came after them? The harmful and no value ones, the insects came. Insects; there are the camel spiders.

There is that black spider and when do its young ones come out? They come out eating up their mother. And their mother vanishes as they come. So the same happened for the people now; what they call democracy eats up the people like this, finishes them, kills them. If it was a good thing, would the people all pour into the streets from East to West?

This is the way of shaytan. Democracy is the way of shaytan and also the way of dogs.It is not in Islam. Soon I will inflict something on them. I am zero but if I am the zero in front of one, I have power. It is not that I don't have power. But we leave them so they are disciplined. In Egypt there are awliyas, they keep quiet. There are awliyas in Sham, they keep quiet. There are awliyas in Turkey, they keep quiet. There are awliyas in Arabia. They keep quiet. For what? So that these people are disciplined. They expelled, threw away the Sultans who ruled with justice and He (swt) sent in their place the ones who overpowered them, who made them uncomfortable. They can't manage them and pour into the streets. They scream but don't know what they want.

O Lord, may You send us a Sultan who will show us our way. Send us a Sultan, to whom the people will call. How would they call? "Don't be arrogant O Sultan! There is Allah Who is greater than you" and the Sultan would be like this, bow like this.The ones now go like this, they don't know the way to mosque. We may not say where they go instead and what they do. Here, what they did is they made the people pour into streets. They are all hungry and say "We have no bread, we have no job. We have no money and we have no men either". O our Lord, You are Al-Qadira l-Muqtadir. "Faquti`a Dabiru l-Qawmi lladhina Zalamu Wa l-Hamdu Lillahi Rabbi l- Alamina" (6:45). Allah Almighty says "We cut off the roots of the oppressing tribe". They are cut off, will be destroyed soon. May Allah not make us from them. Stay away from them and be saved.

And if you are a King, do it right! Look at Prophet Sulaiman. Men and jinns are under his command. He is the King; he is supported, he is honoured, he is respected, he is magnificent. He is all bright. May Allah bless their souls. Wa min Allah at-tawfiq.

We may say Bismillahi r-Rahmani r-Rahim. Don't run in the streets. Go to the mosques and call there. Say "O our Lord! Send us the servant who will save us". If you don't say they will humiliate you in the streets. The Pope in Rome who is the head of the Christians, he finally said "I am tired of them. They don't listen to me. They only applaud me on the feast days. I am not here to be applauded, I am calling you to the way Prophet Jesus called. But you don't do it. I am tired of you! Take this seal and go! I gave up on you and you give up on me too". He said like this and left. I said "Bravo". I said "Bravo". These ones can't say what he said. O Lord, may You forgive us.

We may say Bismillahi r-Rahmani r-Rahim. May You grant us this sword! "Americans sent cannons". May it explode on your head! Russians sent this,that kind of bombs. May it explode on your head! And it already will. I am a weak person but I am full inside. That, Man, the most honoured creation Allah created, followed shaytan These people left the way of Allah and followed shaytan. Aman Ya Rabbi, and we are striving to not follow him also. Whole world has become a mess. Insha Allah our hope is that our Kings can make the honour of Islam reach everywhere. And Allah Almighty will send a Sultan for the Kings. We wait for this; unless the Sultan comes, the situation of dunya won't change. They can finish all the instruments of shaytan in one breath. The time is near.

O Budala of Sham! O Budala, and there are the Nuqaba who are the awliyas in Egypt, even one them can destroy with one sign. They can stop all of it but they keep quiet so that these people come to their senses. Tawba Ya Rabbi, tawba Ya Rabbi. May You not make us from those who follow shaytan O Lord. O Kings! Taidhu'! Accept the advice and change your attitude before death reaches you. Aman Ya Rabbi. May You make us from those who pass with faith. O our Lord, may You make us from those who serve Your Shari'ah, Your Divine Law. What do you call that new law?

H.F. Constitution.

M. In Arabic? Dustur. Who are you to make dustur? Did Allah not send the dustur? What kind of shamelessness is this? Can they ever find goodness? "We will make dustur". Who are you to make dustur? For whom did Allah send the Shari'ah? Shameless men, they are all traitors. Did the Shari'ah come for mountains and rocks, that you come out and say "I will make dustur?" And yet you are not ashamed to say "I am Muslim". Who says this becomes unbelievers seven times! And they also have mother law, father law (constitution in Turkish). All of them have left faith and religion. The first to crush their heads are the angels inside the grave.

Tawba Ya Rabbi, I also repent. Tawba Ya Rabbi, tawba Astaghfirullah. O Lord, forgive us. Forgive us, there are so many of us who don't know. May You send us from Your servants to teach us this, Your majestic servants. Send us the Sultan O Lord, send us the Sultan. A majestic Sultan from the pure line of our Prophet (sas) is in Jordan. You should help him. If you don't, all that is in your hands will be taken from you. It is his turn. Give him allegiance, I also gave him my allegiance. King Abdullah, Ayyadahullah. He is who Allah glorified and honoured. He is a dragon. He will destroy unbelief. His way is the way of Shari'ah, take heed. This is enough for today. This can make everywhere upside down but what can we do?

May Allah forgive me also. Tawba Ya Rabbi, tawba Ya Rabbi. Fatiha.

## Imame gibt es zweierlei

As-Salamu Alaykum Ayyuha l-Hadhirun. Möge Allahs Salam auf euch sein. "As-Salamu Alaykum Bima Sabartum Fani`ma `Uqba d-Dari" (13:24). Allahu Akbar! Engel grüßen die Gläubigen mit Salam am Gerichtstag. Ihr wart geduldig und seid nicht Shaytan gefolgt, und auch nicht euerem Ego. Und wegen euerer Geduld: "Fadkhulaha!" Kommt herein in Mein Paradies. "Fadkhulaha Salimin." Allah der Allmächtige befiehlt den Engeln, die Gläubigen willkommen zu heißen mit den Worte: Betretet Mein Paradies. Und die Engel begrüßen sie so: "Fadkhulaha! Salamu Alaykum Bima Sabartum." Ihr wart geduldig. Ihr wart geduldig in der Dunya. Ihr wart geduldig, Meinen Dienst zu tun. Shaytan attackierte euch aus allen Richtungen, um euch zu täuschen, aber ihr ließet euch nicht täuschen von seinen Angriffen. Euer Ego trieb euch auch. Euer Ego sagte auch: Sieh, was für einen schönen Weg er zeigt. Wir können auch diesen Weg gehen. Das Ego des Menschen ist Shaytans Freund. Einer ist weiblich, der andere männlich. Manchmal ist einer männlich, der andere weiblich. Was ist es, das sie gebären? Böses. Wenn dein Ego Shaytan folgt, was es gebären wird, ist Böses. Nichts Gutes kommt von ihm. "Inna n-Nafsa La'ammaratun Bi s-Su'i" (12:53). Das Ego befiehlt immer das, was böse ist, mit den Fallen Shaytans, mit dem Betrug Shaytans. Wenn es sagt, 'Sieh, was für ein schöner Weg das ist', folgt ihm dein Ego und läßt dich in eine Krise geraten, koste es, was es wolle.
Ein Willkommen euch, den zuhörenden Gläubigen. Yawmu l-Jadid, Rizqu l-Jadid. Allah der Allmächtige sendet den Menschen ihre Versorgung jeden Tag. Die Versorgung ist von zweierlei Art. Zuerst ist die Versorgung des äußeren Körpers. Allah der Allmächtige läßt niemals jemanden hungrig. Und da ist auch die geistige Versorgung, welches der geistige Tisch ist, der uns durch die Propheten gesandt wurde. Jeden Tag kommt ein neuer. Wir sagen: Bismillahi r-Rahmani r-Rahim. Unser Herr, La ilaha illa Allah, Anta Subhanak! Subhanak! Subhanak! Wa Nabiyyuka Sayyidu l-Awwalin wa l-Akhirin, Habibuka Sayyidi l-Awwalin wa l-Akhirin. Wir senden ihm Salatu Salam. Aufzustehen ist Adab. Deshalb ist dies, das Stehen, fardh, verpflichtend, im Gebet. Der Mensch kann in der Göttlichen Gegenwart sein durch das

Aufstehen. Er kann in die Gegenwart nicht sitzend eintreten. Er tritt ein mit den Worten 'Allahu Akbar! Ich stehe in der Göttlichen Gegenwart und folge dem anwesenden Imam.' 'Ich folge dem Imam.' Wenn man Imam sagt, so gibt es den Imam, der die Gebete leitet, und das ist so, weil er vorne ist. Und es gibt den Imam, der der Imam aller Muslime ist, und diese sind die Erben unseres Propheten (saws). Ihre Station ist: Sie erscheinen mit dem Rang, mit dem unser Prophet (saws) sie bekleidet hat.

Okay, das soll die Einleitung sein. Und was ist unser Anfang? Bismillahi r-Rahmani r-Rahim. La ilaha illa Anta Subhanaka. Subhanaka. Subhanaka. Wir sagen das Bismillah. Bismillahi r Rahmani r-Rahim. Und Ihr solltet sagen: Subhanaka Allahumma wa bi Hamdika. Wie schön! Wie schön, zuerst der Lobpreis: "Subhanaka Allahumma wa bi Hamdika". O Allah! Wa Tabaraka Smuka wa Ta'ala Jadduka wa la ilaha Ghayruka. Und es gibt auch "Wa Jalla Thanauka", aber sie rezitieren es im Salatu l-Janaza. Sagt nicht: Shaykh weiß gar nichts. Wir wissen so viel, wie sie uns bekannt geben. Wie können wir wissen, was sie uns nicht bekannt machen? Sagt: "Subhanaka". Subhanim Allah, Sultanim Allah, Nabim Muhammad Alayhi Salam. Sagt das. Sobald ihr die Augen öffnet, macht euere Tahara, Reinigung. Seid sauber, und dann steht in der Gegenwart und sagt: Ich stehe in der Gegenwart und folge dem mächtigen Imam, der anwesend ist. Sagt euch selbst: Ich folge dem Imam. Wer ist der Imam? Sie sind die Heiligen, die die Erben unseres Propheten sind, des Sultans der Propheten (saws). Sie sind diejenigen, die von ihm eingesetzt sind. Sagt: Ich folge ihm! damit Shaytan euch nicht berühren kann. Wenn ihr sagt, 'Ich folge dem Imam', ist der offenkundige Imam da, und es gibt auch den geistigen, den wahren Imam, der der Erbe des Propheten (saws) ist. Wenn ihr sagt, 'Ich folge dem Imam', folgt ihr dem Imam im Gebet und ihr folgt auch jenem, der der Erbe des Propheten in dieser Zeit ist, jener Heilige, der Licht direkt vom Propheten empfängt.

Sagt, 'Ich stehe in der Gegenwart Haqqs und folge ihnen'. Masha'Allah! Bismillahi r-Rahmani r-Rahim. Beginnt: Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. Bismillahi r-Rahmani r-Rahim. Mögest Du uns von seinem Licht kleiden, o Herr. Sagt: Bismillahi r-Rahmani r-Rahim und bittet um Licht. Euer Gesicht wird wie der Mond, euer Körper neigt sich der Anbetung des Herrn zu. Es läßt keine Krankheiten darin zurück. Beginnt: Bismillahi r-Rahmani r-Rahim. Welch große Ehre gewährte uns Allah der Allmächtige. Das Bismillah. Vergeßt es nicht! Das Heilige Schreibrohr schrieb das Bismillah auf die Wohlverwahrte Tafel. Wieviele

Jahre dauerte es? Es heißt, es habe 700 Jahre gedauert, stimmt's? Es schrieb in 700 Jahren: Bismillahi r-Rahmani r-Rahim. Es schrieb alles, was geschah oder geschehen wird darin. Nehmt davon! Ihr könnt alle Arten von Macht vom Bismillah nehmen. Ihr könnt äußerliche und innerliche Macht nehmen, vergeßt das nicht. Wer Bismillahi r-Rahmani r-Rahim sagt, wird mit einem Gewand bekleidet, wir nennen es Aswab. Das ist ein Gewand aus Licht. Es ist ganz sauber, weiß und erleuchtet. Es war in der Gegenwart seines Herrn gewesen, und die Ankündigung kommt: Laßt ihn in Meiner Gegenwart bleiben. Deshalb vergeßt nicht das Bismillahi r-Rahmani r-Rahim.

Möge Allah uns nicht von denen machen, die ohne Bismillah sind. Sein Ismu l-Jalal (höcht majestätischer Name) und Sein Ismu l-Adham (Größter Name) ist im Bismillahi r-Rahmani r-Rahim. Allah Hu Allah, Allah Hu Allah, Allah Hu Allah, Allah Hu Rabbi. Allah Hu Allah, Allah Hu Rabbi. Allah Hu Allah, Allah Hu Rabbi. Du bist Subhan ya Rabbi. Wie schön! Könige, denkt ihr jemals darüber nach? Macht ihr jemals Allahs Ismu l-Jalal, Der euch als König einsetzte? Rezitiert es? Ihr denkt, es gäbe niemanden, der größer als ihr ist, reicher als ihr, mächtiger als ihr? Aber euere Macht oder Reichtum haben keinen Wert. Euer Wert ist mit euerem Adab. Wenn ihr den Thronraum betretet, steht auf eueren Füßen, Könige! Sagt: Allah Hu Allah, Allah Hu Allah, Allah Hu Allah, Allah Hu Rabbi. Allah Hu Allah, Allah Hu Rabbi. Hasbunallahu wa Ni`ma l-Wakil. Bismillahi r-Rahmani r-Rahim und Er (swt) bekleidet euch mit Majestät. Vergeßt Allah nicht! Sagt nicht: Ich bin durch Lampenöl reich geworden. Wir nannten Petroleum früher 'Lampenöl'. Es gab Lampenöl, das wie ein Ozean unter der Erde ist. Sie entnehmen es. Statt Wasser entnehmen sie Lampenöl. Sie verkaufen es, werden reich, und dann sagen sie: Ich bin der reichste und stärkste. Laßt das! Euer Leben ist zwischen zwei Atemzügen. Einer geht hinein und einer geht heraus. Ihr solltet das wissen, ihr Könige!

Ihr seid die Leute, denen Respekt zu erweisen uns befohlen wird. Welche Ebene des Respektes und Adab ihr euerem Herrn und Seinem Propheten auch zeigt, denselben Respekt sollten die Diener Allahs euch zeigen. Nicht durch den Verkauf von Lampenöl, sie nennen es jetzt Petroleum, Treibstoff, Petroleum. Es ist ursprünglich ein griechisches Wort, das bedeutet, das Öl kommt von Steinen. Allah gab es euch nicht, damit ihr sagen könnt: Ich habe so viel! und damit ihr schicke Kleider tragt, Paläste baut und im Luxus sitzt. Ihr solltet sagen Bismillahi r-Rahmani r-Rahim, o anwesende Diener Allahs. Ruft eueren Herrn so an: Bismillahi r-Rahmani r-Rahim, o

unser Herr! O unser Herr, Du hießest uns auf diesem Platz sitzen. Mögen wir auf Deinen Befehl hin sein. Mögest Du den senden, der uns hilft. Haltet Ausschau nach guten Dienern! "Inna Allaha Yuhibbu l-Muhsinina". Wer ist der gute Diener? Der gibt, nicht der, der die Hand so schließt. Dunya ist etwas, das keinen Wert hat. Haltet euere Hand offen, damit euer Wert zunimmt. Dient den Dienern Allahs. Warum hortet ihr? Welchen Nutzen hat, was ihr speichert, für euch?

Ihre solltet aufstehen und sagen: Bismillahi r-Rahmani r-Rahim. Allahu Akbaru l-Akbar. Allahu Akbaru l-Akbar. Allahu Akbaru l-Akbar. Subhanaka Rabbana. Subhanaka Rabbana. Subhanaka Allahumma wa bi Hamdika, wa Tabaraka Ismuka wa Ta`ala Jadduka wa la ilaha Ghayruka. Bismillahi r-Rahmani r-Rahim. Unser Herr, Du hast uns als Stellvertreter hier eingesetzt über Deine Diener: "Inna Allaha Ya'muru bi l-`Adli wa l-'Ihsani" (16:90). Was will Allah der Allmächtige von uns? "Inna Allaha Ya'muru bi l-`Adli wa l-Ihsani". Und Er (swt) sagt: Bei jedem Jumu'a sollte der König, der der Imam ist, die Khutba lesen. Er sollte hinaufsteigen und lesen. Er sollte keinen Imam einsetzen, sondern selbst hinaufsteigen. Wenn er anwesend ist, sollte er hinaufsteigen und sagen: "Ana `Abd Allah. Ana `Abd Allah.' Ich bin ein Diener Allahs. Ya'muru li Rabbi: "Inna Allaha Ya'muru bi l-`Adli wa l-Ihsani." Mein Herr befahl mir das. Jeder König, der für die Khutba hochsteigt, rezitierte diesen Vers: "Inna Allaha Ya'muru bi l-`Adli wa l-Ihsani wa 'Ita'i Dhi l-Qurba wa Yanha `ani l-Fahsha'i wa l-Munkari." "Wa Ladhikrullahi Akbaru!" (29:45). Allahu Akbar! Sagt, Anwesende, sagt! Sagt Allahu Akbar, Allahu Akbar, Allahu Akbar!

Euch wird so ein Schwert gewährt, Allah der Allmächtige gewährt euch so ein Schwert! Allah der Allmächtige, Der euch zu Königen machte, kleidet euch in solche Kleider der Majestät, daß wenn euer Namen genannt wird, die Diener Allahs sagen: 'O Herr! Möge das Schwert dieses unseres Königs scharf sein! Möge es von Ost bis West reichen. Er gibt uns, er bewahrt unsere Rechte, er schützt die Schwachen. O unser Herr, mögest Du ihm mehr geben.' Hast du sie all das gelehrt, o König? Sie sagen: Nun, wir haben Universitäten. Bindet Esel an euere Universitäten! Bindet Esel dran. Was sind diese Universitäten? Wie nennen sie Universität? Jamia. Geht nicht zur Jamia, geht zur Jami', Moschee. Ignoranten machen ihren Abschluß an der Jamia. An der Jami' machen Gelehrte, aufrichtige, reine Diener Allahs ihren Abschluß. Wo seid ihr? Was ist diese Jamia? Bringt sie zur Jami'. Früher wurden sie in den Moscheen unterrichtet. Es gab einen

Kreis Gelehrter in der Moschee, und sie unterrichteten. Ich weiß nicht, ob sie diese Regelung noch einhalten in al-Azhar ash-Sharif. Andere haben es vergessen. Sie vergessen es! Ihr solltet Bismillahi r-Rahmani r-Rahim sagen und so König sein. Ihr solltet alle Orte der Verderbtheit schließen, weil "Inna Allaha Ya'muru bi l-`Adli wa l-Ihsani wa Ita'i Dhi l-Qurba wa Yanha `ani l-Fahsha'i wa l-Munkari." Ihr solltet alle schmutzigen Orte schließen. Sonst werden sie euch in diesem Dreck begraben. "Wa Yanha `ani l-Fahsha'i wa l-Munkari. Ya`izukum La`allakum Tadhakkaruna."

Allah der Allmächtige gibt euch den Rat, eine Predigt zu halten: "Inna Allaha Ya'muru bi l-`Adli wa l-Ihsani wa Ita'i Dhi l-Qurba wa Yanha `ani l-Fahsha'i wa l-Munkari." "Wa Ladhikrullahi Akbaru!" Die Erinnerung Allahs ist das größte! Wo seid ihr, Gelehrte? Ihr verbietet es, in den Moscheen Dhikr zu machen. Welche Gelehrten sind das? Welche Könige sind das? "Inna Allaha Ya'muru bi l-`Adli wa l-Ihsani." Zuerst Gerechtigkeit! Nehmt das Schwert. Das ist die Gerechtigkeit. Sonst fällt das Schwert euch auf den Kopf. "Wa l-Ihsani." Ihr bewahrt Gerechtigkeit und Ihsan. Euere Hand sollte so offen sein, um zu geben, nicht geschlossen wie das. Euere Hand sollte so sein, so daß, wer immer kommt, nehmen kann. "Wa Ita'i Dhi l-Qurba", haltet euere Gaben nicht von denen, die euch nahe sind, zurück. "Wa Yanha `ani l-Fahsha'i wa l-Munkari". Verbietet Unzüchtigkeit, schmutziges Leben und schmutzige Handlungen, häßliche Taten. Allah der Allmächtige befiehlt das. Ihr solltet das in der Khutba sagen. Es gibt so viel Unzüchtigkeit, wo diese Könige sind. Aber ein König zu sein, hat nichts mit schönen Kleidern nach der neuesten Mode oder Arroganz zu tun.

Wenn du König bist, solltest du wie Sulayman (as) sein Was war es, was die Königin von Saba, Bilqis, erzittern ließ, in dem Brief, den er schrieb? "Innahu min Sulayman", nicht das, sondern "wa Innahu Bismillahi r-Rahmani r-Rahim." Sein Sagen Bismillahi r-Rahmani r-Rahim erschreckte sie. Es war nicht Sulayman, das Bismillahi r-Rahmani r-Rahim erschreckte sie. Die Königin von Saba, Bilqis, fürchtete sich und zitterte. Er sagte: "Innahu min Sulayman wa Innahu Bismillahi r-Rahmani r-Rahim." Das ist von Sulayman, aber sein Titel ist Bismillahi r-Rahmani r-Rahim. Sie sagte: Wir ergeben uns. Ihre Wesire sagten: "Nahnu 'Ulu Quwatin wa 'Ulu Ba'sin Shadid" (27:33) zu Sultan Bilqis, der Königin von Saba. Sie sagte: Seht, wer kommt. Sagt nicht "'Ulu Quwatin". Seht seinen heiligen Brief: "Innahu min Sulayman wa Innahu Bismillahi r-

Rahmani r-Rahim!" Lernt eine Lektion davon, Könige! Lernt eine Lektion. Ihr solltet eine Versammlung einberufen, die euch erinnert, euch jeden Tag daran erinnert. Die Osmanischen Sultane, möge ihr Aufenthalt das Paradies sein, die 40 Sultane, wenn sie zur Juma Zeremonie kamen, hatten jemanden, der sie gemahnte: O mein Sultan, beansprucht nicht, groß zu sein. Es gibt Allah, Der größer ist als ihr! Und sie machten so, alle Sultane neigten sich, diese Löwen, die den Osten und Westen eroberten. Die ganze Welt erzitterte vor ihnen. Die ganze Welt erzitterte, aber die Araber und Türken kamen zusammen, um so eine reine Familie zu zerstören, und jetzt fällt die Welt auf ihre Köpfe. Wenn sie sagten: Mein Sultan, seid nicht arrogant, beansprucht nicht, groß zu sein. Es gibt Allah, Der größer ist als ihr! machten die Sultane so (neigten sich). Wo seid ihr, Könige? Nein, die Leute wählten uns, und wir sitzen hier. Was seid ihr? Wer seid ihr? Habt ihr den Adab von Königen? Nein. Sie alle brachten die Menschen dazu, sich zu bekämpfen, in Ägypten, in Sham, im Irak, in der Türkei, im Iran, in Arabien, in Lybien. Sie brachten die Menschen in einen Zustand der Erniedrigung in allen arabischen Nationen. Sie ließen sie auf die Straße gehen. Wozu? Sie taten nicht, was die Könige getan hätten. Hortet kein Geld, hortet keine Schätze, und die Menschen werden nicht auf die Straße gehen. Warum gehen diese Menschen auf die Straße? Sie können nichts zu essen finden. Sie können keine Jobs finden. Jene sind nur 5-10 Leute, aber sie nahmen alles, was die Menschen in der Hand hatten, und sagten 'Demokratie'. Es ist Unglauben! Es ist kein System, sondern sie beraubten die Menschen, um dieses System des Unglaubens auszuüben. Die Menschen haben genug von ihrer Herrschaft. Sie sagen nicht: Möge Allah euch besiegen! Sie wissen das nicht. Sie sollten sagen 'Möge Allah euch besiegen', statt auf der Straße zu schreien. Geht in die Moscheen und sagt: O Herr, nur Du kannst sie besiegen! Wir können sie nicht besiegen. Wir haben nichts in der Hand. Wir haben nichts zu essen oder anzuziehen. Wir sind so im Stich gelassen. Unser Herr! Du kannst sie besiegen, unser Herr! Mögest Du uns den Sultan senden, der uns mit Gerechtigkeit regiert. Ya Rabbi, sende uns den Sultan.

Sie alle warfen die Sultane hinaus. Und wer kam nach ihnen? Die Schädlichen und die ohne Wert, die Insekten kamen. Insekten. Es gibt die Walzenspinnen. Es gibt diese schwarze Spinne, und wann kommen ihre Jungen heraus? Sie kommen heraus, indem sie ihre Mutter auffressen, und ihre Mutter verschwindet, wie sie herauskommen. Dasselbe geschieht jetzt mit den Menschen. Was sie Demokratie nennen, frißt die Menschen auf, erledigt sie, tötet sie. Wäre es

eine gute Sache, würden die Menschen dann alle auf die Straße gehen von Ost bis West? Das ist der Weg Shaytans. Demokratie ist der Weg Shaytans und auch der Weg der Hunde. Es ist nicht Islam. Bald werde ich ihnen etwas aufbürden. Ich bin Null, aber wenn ich die Null vor eins bin, habe ich Macht. Es ist nicht so, daß ich keine Macht habe. Aber wir lassen sie, damit sie diszipliniert werden. In Ägypten gibt es Awliya. Sie bleiben ruhig. Es gibt Awliya in Sham. Sie bleiben ruhig. Es gibt Awliya in der Türkei. Sie bleiben ruhig. Es gibt Awliya in Arabien. Sie bleiben ruhig. Warum? Damit diese Leute diszipliniert werden. Sie vertrieben, warfen die Sultane hinaus, die mit Gerechtigkeit regierten, und Er (swt) sandte an ihrer Statt die, die sie überwältigten, die sie unwohl machten. Sie können sie nicht handhaben und gehen auf die Straße. Sie schreien, aber sie wissen nicht, was sie wollen.

O Herr, mögest Du uns einen Sultan senden, der uns unseren Weg zeigt. Sende uns einen Sultan, zu dem die Menschen rufen. Wie würdet ihr sie rufen? 'Seid nicht arrogant, Sultan! Es gibt Allah, Der ist größer als ihr.' Und der Sultan würde so machen, sich so verbeugen. Die heutigen gehen so. Sie kennen den Weg zur Moschee nicht. Wir werden nicht sagen, wohin sie stattdessen gehen und was sie tun. Hier, was sie taten, sie veranlaßten die Menschen auf die Straße zu gehen. Sie sind alle hungrig und sagen: Wir haben kein Brot, wir haben keine Arbeit. Wir haben kein Geld und wir haben auch keine Männer. Unser Herr, Du bist Al-Qadiru l-Muqtadir "Faquti`a Dabiru l-Qawmi Lladhina Zalamu wa l-Hamdulillahi Rabbi l-Alamina" (6:45). Allah der Allmächtige sagt: Wir schneiden die Wurzeln des unterdrückenden Stammes ab. Sie sind abgeschnitten und werden bald vernichtet werden. Möge Allah uns nicht zu ihnen gehören lassen. Bleibt ihnen fern und seid gerettet. Und wenn ihr König seid, tut das Rechte! Schaut auf den Propheten Sulayman. Menschen und Djinn stehen unter seinem Befehl. Er ist der König, er wird unterstützt, geehrt, respektiert. Er ist prächtig. Er ist ganz strahlend. Möge Allah ihre Seelen segnen. Wa min Allaha t-Tawfiq. Wir sagen Bismillahi r-Rahmani r-Rahim. Lauft nicht auf der Straße herum. Geht in die Moscheen und ruft dort. Sagt: O unser Herr, sende uns den Diener, der uns rettet! Wenn ihr das nicht sagt, werden sie euch auf den Straßen erniedrigen.

Der Papst in Rom, der das Oberhaupt der Christen ist, sagte schließlich: Ich habe genug von ihnen. Sie hören nicht auf mich. Sie applaudieren mir nur an den Festtagen. Ich bin nicht hier, um beklatscht zu werden. Ich rufe euch auf zu dem Weg, zu dem Jesus Christus rief. Aber ihr tut es nicht. Ich habe genug von euch! Nehmt dieses Siegel und geht! Ich gebe es auf mit euch und

auch mit mir. Er sagte das und ging. Ich sagte: Bravo! Ich sagte: Bravo! Diese können nicht sagen, was er sagte. Herr, mögest Du uns vergeben. Wir sagen Bismillahi r-Rahmani r-Rahim. Mögest Du uns dieses Schwert gewähren! Die Amerikaner senden Kanonen. Mögen sie auf euerem Kopf explodieren! Die Russen senden das, diese Art Bomben. Mögen sie auf eueren Köpfen explodieren! Und es geschieht schon. Ich bin ein schwacher Mensch, aber ich bin innerlich voll. Dieser, der Mensch, die meistgeehrte Schöpfung Allahs, folgte Shaytan. Diese Menschen verließen den Weg Allahs und folgten Shaytan. Aman ya Rabbi, und wir bemühen uns, ihm nicht auch zu folgen. Die ganze Welt ist in Unordnung. Insha'Allah, unsere Hoffnung ist, daß unsere Könige die Ehre des Islam überall hinkommen lassen können. Und Allah der Allmächtige wird einen Sultan senden für die Könige. Wir warten darauf. Wenn nicht der Sultan kommt, wird die Lage der Dunya sich nicht ändern. Sie können alle Instrumente Shaytans mit einem Atemzug erledigen. Die Zeit ist nah. O Budala von Sham! O Budala, und es gibt die Nuqaba, die die Awliya in Ägypten sind. Auch nur einer von ihnen kann mit einem Zeichen Zerstörung bringen. Sie können alles beenden, aber sie bleiben ruhig, damit diese Leute zu Sinnen kommen. Tawba ya Rabbi, Tawba ya Rabbi. Mögest Du uns nicht zu denen gehören lassen, die Shaytan folgen, Herr. Könige! Taidhu'! Nehmt den guten Rat an und ändert euere Haltung, bevor der Tod euch erreicht.

Aman ya Rabbi. Mögest Du uns zu denen gehören lassen, die mit Glauben dahingehen. Unser Herr, mögest Du uns zu denen gehören lassen, die Deiner Shariat folgen, Deinem Göttlichen Gesetz. Wie nennt ihr das neue Gesetz? HF: Verfassung. M: Auf Arabisch? Dustur. Wer seid ihr, Dustur zu machen? Hat Allah nicht das Dustur gesandt? Welche Art Schamlosigkeit ist das? Können sie je Gutes finden? Wir machen Dustur. Wer seid ihr, Dustur zu machen? Für wen sandte Allah die Shariat? Schamlose Menschen. Sie sind alle Verräter. Kam die Shariat für Berge und Felsen, daß ihr hervorkommt und sagt: Wir machen Dustur? Und doch schämt ihr euch nicht zu sagen: Ich bin Muslim. Wer das sagt, wird sieben Mal ein Ungläubiger! Und sie haben auch ein Muttergesetz (Verfassung auf Türkisch), Vatergesetz. Sie alle haben den Glauben und die Religion verlassen. Die ersten, die ihre Köpfe quetschen werden, sind die Engel im Grab. Tawba ya Rabbi. Ich bereue auch. Tawba ya Rabbi, Tawba Astaghfirullah. O Herr, vergib uns. Vergib uns. Es gibt so viele von uns, die nicht wissen. Mögest Du uns von Deinen majestätischen Dienern einen senden, der uns das lehrt. Sende uns den Sultan, o Herr, sende uns den Sultan.

Ein majestätischer Sultan aus der reinen Linie unseres Propheten (saws) ist in Jordanien. Ihr solltet ihm helfen. Sonst wird alles, was ihr in Händen habt, von euch genommen. Er ist dran. Gebt ihm Gefolgschaft. Auch ich gab ihm meine Gefolgschaft. König Abdullah, Ayyadahullah. Er ist der, den Allah gepriesen und geehrt hat. Er ist ein Drachen. Er wird den Unglauben zerstören. Sein Weg ist der Weg der Shariat. Paßt auf! Das ist genug für heute. Das kann alles auf den Kopf stellen. Aber was können wir tun? Möge Allah mir auch vergeben. Tawba ya Rabbi, Tawba ya Rabbi. Fatiha.

**Imam ul 'Asr**

Es wird zwischen den arabischen Stämmen Streit geben. Es hat bereits überall begonnen. Darum denke ich, dieses Jahr wird Hajjul-Akbar sein. Wir hoffen, dass Sayyidina al-Imam am Tag von Arafat kommt. Hajjul-Akbar, Allahu akbar! 12.000 Sayyid auf Pferden werden ihm folgen und sein Pferd wird den Fuß auf den Horizont setzen. Und die Technologie wird null und nichtig sein – vorbei! Ende! La ilaha illah Allah. Wir wissen, dass er von Damaskus kommen wird. Er wird vom Qadam al Sharif kommen. Sayyida Zeinab. Er kommt hinein und sagt: Allahu akbar, Allahu akbar! Dann wird er von Damaskus über Homs, Hamah, Aleppo, Konya, Bursa nach Istanbul kommen. Er kommt nach Istanbul weil dort in der Moschee in Eyüp Sultan und im Topkapi Palast die Reliquien aus der Zeit des Propheten Muhammed saw sind. Niemand ist imstande zu kommen und sie zu sehen. Der erste Präsident der Türkischen Republik der Reza Pahlewi getroffen hat - ich war klein damals, das weiß ich noch -der kam und wollte sie unbedingt sehen und sagte: „Ich will sie sehen.“ Die Wächter sagten ihm: „Herr Präsident,

es ist verboten hinunterzugehen.“ „Wer hat es verboten? Wozu? Ich muss dahin gehen.“ Die Wächter sagten: „Wir können es Ihnen nur sagen. Daran hindern können wir Sie nicht. Machen Sie, was Sie wollen.“ Und er setzte einen Fuß hinein und bekam einen Schlag versetzt wodurch er hinfiel. Jinn. Er bekam einen Schlag ins Gesicht und fiel um. Die Wächter brachten ihn dann hinaus. Die Ärzte kamen und meinten: „Wir können nichts für ihn tun. Das gehört nicht zu unserer Arbeit. Darauf sind wir nicht spezialisiert. Wir werden ihn nicht anfassen.“ Untereinander haben sie dann gesprochen: „Das ist nur etwas für einen Scheikh. Wir müssen jemand holen, sonst wird sein Mund schief bleiben bis zu seinem Tod.“ Sie hatten nach Hilfe gesucht. Schließlich kam ein Derwisch. Er zog seine Schuhe aus und versetzte dem anderen einen Schlag. Sein Mund war sofort wieder gerade. Das war nicht irgendein gewöhnlicher Mensch sondern es war Imamu-l 'Asr! Er kommt und der Sultan öffnet es und sagt: „Nimm es.“ Wir hoffen, dass es so nahe für uns ist. Möge Allah uns vergeben und uns schützen, alle unsere Brüder und Schwestern, alle Gläubigen, dass sie den Meister dieser Zeit, Imam ul Asr erleben. Das hoffen wir. Er wird Sirrul Sharia bringen, den Kern der Scharia. Als Großscheykh fragte: „Oh Meister dieser Zeit. Welcher Rechtsschule folgst du,“ war ich anwesend. Ich hörte es. „Oh Scheikh Abdullah. Ich muss keiner Rechtsschule folgen. Wir sind wie die Propheten. Auf dem

Weg, den sie für die Ummah bereitet haben, gehen wir voran und alle, Schiiten, Sunniten, Salafi, Malafi (Wortspiel) müssen mir folgen. Ich werde befehlen diejenigen hinweg zu nehmen, die mir nicht folgen, darunter 70.000 , die behaupten Gelehrte zu sein.“ Ich habe diese Nachricht selbst gehört. Möge Allah uns vergeben. Die Zeit wird bald kommen und die Probleme werden nicht geringer. Sie vermehren sich bis der Meister dieser Zeit, Imamu-l 'Asr, Sayyidina Mehdi kommt und sagt Allahu akbar. Die Technologie wird am Ende sein. Oh Ya Rabbi, Ya Rabbi. Ya Rabbilghfir wa'rham Anta Khair ul Rahimin, um Deiner großen Gnade Willen, schütze unsere Brüdern und Schwestern, Dua. Fatiha Imamu-l 'Asr.
Vor 70 Jahren, 1940, hörte ich das erste Mal von Mehdi a.s. Alhamdulillah ich bitte Allah swt darum, mir zu gewähren, dass ich ihn sehe und sei es nur einmal. Ich möchte diese Kraft sehen, diese volle Kraft der Propheten. Mashallah. Fatiha.

## Imitate Heavenly Lifestyles

Dastoor yaa Sayyidee. Madad yaa Sayyidee. (Mawlana Shaykh stands)

Allah Allah, Allah Allah, Allah Allah, Kareem Allah
Allah Allah, Allah Allah, Allah Allah, Rabbee Allah
Rabbun Allah, Rabbun Allah. Hasbun Allah, Hasbun Allah, Hasbun Allah
Subhaan Allah, Subhaan Allah, Subhaan Allah, Sultaan Allah. Subhaan Allah, Sultaan Allah.

Salli wa sallim wa barik yaa Rabbana ala habibika 'l-Mustafa. Zidhu yaa Rabbee `izzan wa sharafan nooran wa surooran wa ridwaana wa sultaanan wa `ala man tabi`ahu min al-umam bi ihsaanin ila yawm ad-deenRabbana ija`alna minhum. Yaa ni`ma 'l-Mawla, yaa Rabbana. Yaa Rabbana. Anta Hasbuna. Anta Waliyuna. Anta Mawlana. Wa ni`mal Mawla Anta yaa Rabbana wa ni`ma 'l-wakeel. Laa hawla wa laa quwatta illa billahi 'l-`Aliyyu 'l-`Azheem. Huuuuuuu. A`oodhu billaahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. (Mawlana Shaykh sits)

O our Attenders! As-salaamu `alaykum! Come and listen. All of us must listen, must follow, and must keep heavenly orders. Try to be living ones, and don't be like the animal world's members. There are two kinds of membership have just been granted to people living on this planet. Madad yaa Sultan al-Awliyaa.

Salafi `ulamas, Salaafiyoon! Isma`oo, listen and obey. You've never heard of two kinds of memberships on this planet? There are so many things, and you are knowing nothing yawmun jadeed rizqun jadeed maa yantahi hadhihi 'l-`uloom laysa min matala'ati 'l-kutub (a new day, new provision. These [inspired] knowledges never end and these sciences are not what is read in books). It is not something that they are making a weak servant to declare to all nations who are living on this planet. They are not leaving that weak one to look to books and to address people, no. Therefore, you, including myself also, what is coming from holy ones through heavenly ones and as much as they are opening for understanding, try to understand.

It may be repeated once or ten times until we may understand, because our lives need a base. Without a base, our lives are going to be nothing! And as we are appointed by heavenly centers to be on this planet and to establish our lives here, we have been ordered to make a base for our lives. Yes. That is something that people must think about.

That is an ocean. Daily an opening is coming, and Man is needy to establish their lives on this planet. Therefore, everyone's life is like a building, and a building needs a base. Without a base it is not building, no. Chatchury is going to be without a base, foundation and base. It is chatchury, the language of jinns. He knows chatchury (Mawlana Shaykh indicates someone in the association). Jewish people know. There must be a base on it. That is the foundation for the lives of Mankind on this planet. We are in need of that, or our lives are going to have no meaning, yes.

Therefore, heavenly ones are saying, "O People! Come and put a base or a foundation in this life." And that foundation must be a strong one, not to be chatchury, and not to be a little bit shaking, and coming down. That is not a building. We must establish our lives on this planet. And the project. YarhamukAllah (someone sneezes). This foundation for Mankind on this planet has been sent through prophets from the beginning up to the end to establish our lives. Yes. Every prophet came and was teaching people how they should be in their lives, and that this life is temporary. Ayyaaman ma`doodaat, “A set number of days.” You must understand, Salaafiyoon. Ayyaaman ma`doodaat is not only for the days of Holy Ramadan, but ayyaaman ma`doodaat is only for the limited days for the lives of Mankind. First of all, the sign for the lives of Mankind is that his days on this planet are ayyaaman ma`doodaat, a limited number of days. Yes, you must understand and you must try to establish some basis that you will be on restfully, peacefully, and with

safety, bi kulli amaan, in all security, security and fearlessly.

And they are saying there are two kinds of Creation on this planet. One wing belongs to Mankind, and the second wing belongs to all creatures that are on the level of animals. Mankind is only one, but in the animal world there are countless kinds of animals and they haven't been given responsibilities. Therefore, their base is simple, simple, very simple. But, Mankind who has been granted a responsibility by their Creator, the Lord of Heavens, must look at themselves in this life, and how their positions will be in heavenly levels. Yes, we must know, and we must learn. We must try to establish our lives on such a base that we can be saved by that basis and no harm may come on ourselves, either from the animals' side or from the Heavens, yes.

O Salafi `ulamas! Are you teaching people to establish their lives on this planet? Are you teaching them or not? You must teach people. If you are saying, “We are Salaafiyoon," say what is the real base for Mankind on this planet. And when you are knowing, you must teach people is just asked from heavenly ones for establishing. Yes. There are some establishing, strong ones, and some of them without a foundation, and people may live in it. There are two kinds of living ones on this planet, one side is for Mankind who have been granted a title from the Lord of Heavens to be deputies. You must say that there is a difference in that wing of life here, and the second wing never have any responsibilities for anything, yes.

There is no blame on the animals' wing or animal world and what they are doing. No one can blame them, but blame is coming on that wing that we are on! And the base of our lives must be as strong as possible, so that you can be able to bring what it has been asked from Heavens. Therefore, prophets came to teach people the important aim of why they are in this life. All prophets came as a teachers, teaching people their lifestyles. Because we have been honored, our buildings must be on a heavenly foundation. The animal world is not in need of a foundation because they are not going to be asked, and they are not carrying any responsibility. Heavenly honor has just been granted for Mankind but the animals' wing for creatures are excused there. They have no responsibility, and no honor. But Mankind has a responsibility and if they are bringing that responsibility fully, they have been granted a full honor from the Heavens.

Therefore, now we are on this planet and we must look once again at the 21st century. Once again we must look for what we are in Creation, and for what we have been created. Yes. Countless animals' life, animals' world, countless creatures are in it, but the wing of Man's side is only one. What is most necessary for the

Children of Adam to look after? Therefore, we are saying there is coming a project from the Heavens for establishing our honorable beings on this planet. That heavenly project is coming, and the prophets were coming and teaching people, "O people, establish your lives according to that project." If you are leaving that heavenly project, you are going to be kicked away to the animals' wing side. Therefore, we are saying we are in need of a base. And you can't be able to learn that base by thinking. That base that we are on, we are building our heavenly project. It is just a grant coming from Heavens to ourselves, and we must take care.

O Salafi `ulamas! What are you saying? And there are so many kinds of people, some of them are interested in heavenly projects, and others, maybe the majority are occupied by some projects that are going to be similar to the lives of the animal world. What is that? Say, Salafi `ulamas, for the honor of Mankind, that project that is 500 Maa jaa'a bihi 'n-nabi (s), (Mawlana Shaykh stands) tasharrafa wa takarram, "What the Prophet (s) brought, [500 orders from Shari`ah] may he be honored and blessed." (Mawlana Shaykh sits)

Our lifestyles just had been shown on that project, 500 kinds of honorable aspects have been granted to us. Those who are keeping their buildings are just suitable for a heavenly life on Earth. That is Maa jaa'a bihi 'n-nabi (s). This is what the Seal od Prophets (s) just came to teach all nations the heavenly project for establishing their Eternal lives' project. Second, there are 800 manhiyyun `anh, forbidden works, actions, or efforts. That project is just signed by Shaytan and Shaytan's graduated people. Now, people are going to be on two paths. What about you and your country, your people? On which wing are they working? Are they asking to establish a heavenly project for themselves? They are in need of being on a base that is just supported by the Heavens. Or else people are running on the shaytanic project, and people are running to establish Shaytan's project here.

We are saying to mulook, shuyookh and presidents, those who have been granted an honor on people, what is your life project or lifestyle? If you can say, "Our lifestyles are similar to a heavenly one," you have been saved. And honor that is granted from Heavens is coming on you and you are dressing in that honor. If not, we are looking now through east and west and through the whole Muslim world and people, Muslims also, they are running after a shaytanic project to act on it. Everything that the Muslim world is trying to build, to do, is similar to unbelievers' projects, everything!

And we have a saying that if there is no wife for a man, he is majboor mana, he needs to wash his own clothes.

Now they are putting clothes in a machine and our people are putting in a machine. In old times women were washing and putting like this, like this (makes movement with hips). Shari`ah is saying that if a man washes clothes, no woman for him, he must make movement like a man does, not tashabbuh, imitation like women, not like (sways hips). Shari`ah is so sensible for Muslims to keep the heavenly project that has been sent from the Heavens to people. If anyone is going a different way:

•• •• •• •• ••••• ••••

faman shadhdha shudhdha fin-naari abadan, Who goes astray goes astray in the Fire, forever.

They are falling in Fire. Therefore, I am shouting at Salaafiyoon, why they are not making it clear to the ummah, to people, how they should live, and how they should establish their lives? (In Islam there is no allowance for Muslims to imitate non-Muslim people or their world and customs.)

Look, I am an old person and before 70 years ago I was visiting Haramayn Sharifayn, sharrafahum Allah Jala wa a`alaa, the time of shareefs, so humble and everything was so simple. When you were coming in it and you were feeling something carrying you to those holy places. Our souls were like fish in the sea. Now I can't go. I am looking at the TV or videos and they are showing Haramayn Shareefayn, and they just changed everything! You can't find any step that is for Islam, but it is just an imitation of western people. And I don't like to go there now. I don't like to, but people who haven't been there, they must go. However, that spirituality is just taken up. They are looking and thinking, “We are living in New York, we are living in Paris, we are living in London.” What is that? For what? If they have such a deep desire for new buildings, there are endless deserts; go and build your buildings there, as you like your city! Why are you touching Haramayn Shareefayn? But they are changing every stone and putting another one one it. What is that? Allah will punish them! Why are you not saying this, Salaafiyoon and no-mind Wahaabiyoon? You are only knowing to attack on Sunni people, Muslims, Sufi and Dervish people and tariqats. This is tariqat, what I am saying. You are not on Shari`ah! You are leaving Shari`atullah, khif Allah.

O no-mind People! Just the tajalli `azhaam, the greatest emanations on the night of Laylat ul-Bara`ah, just Hakam, giving His judgment that everything that is against Islam everywhere will be taken away, Meccatu 'l-Mukarramah, Madinatu 'l-Munawwarah, and Hijaaz! Yes. You must teach people; you have a heavy responsibility. Keep your tongues, or `adhaab, punishment, will come on them! Doctors will say, “That is

something that must be taken," and cutting it. And coming another one, and cutting that. And coming another, and cutting until there is no tongue for you.

O People! Khif Allah! (Fear Allah!) Keep heavenly orders and don't attack on Muslims; keep your limits! Hadeeth nabawi ash-shareef: (Mawlana Shaykh stands)

••• •••• •••• ••• ••• • ••• ••••

Rahim Allah imrin `arifa haddahu waqafa `indah, May Allah grant mercy to a man who knows his limits and stops at it.

Hadeeth ash-shareef! You must try to know what your limits are. They are passing away and you can be shot down. (Mawlana Shaykh sits) May Allah forgive us. Astaghfirullah.

Fatihah

(45 minutes) (761 people) Alhamdulillah. Yaa Rabbee, shukr.

(Mawlana Shaykh prays two raka`ats Salaat ash-Shukr)

Fatihah.

# THE IMPORTANCE OF ALIGNING OUR WILL WITH THE WILL OF THE LORD

My Grandsheikh was speaking on a very important point concerning Satan: For what reason was he thrown out of the Divine Presence? Grandsheikh said that Satan was a complete servant of his Lord, worshiping and respecting Him without any disobedience for over two thousand years; but one time, only one time, he used his will against the Will of his Lord. Putting his will above his Lord's was not and could never be a correct action and was the sole reason for his banishment. When Allah created Adam, His Will was that everyone prostrate themselves in front of him as a sign of respect, and thus, He commanded all to do so. Everyone obeyed except Satan, who said, "No." The meaning of this was, "My will is above your will, I am not obeying your order." That refusal to submit made him fall into the darkness of banishment, and that is the beginning and the fountain of sins.

Anyone of the Sons of Adam, says our Grandsheikh, who puts his will above the Will of Allah or that of the Prophet is secretly ascribing partners unto Allah (Shirk Khafy); it is not open, but hidden and thus very dangerous and a cause of deep trouble. Particularly in our time, everyone is catching and holding firmly to his own will, demanding that it prevail over all else. You may find only a very few people who will be in agreement with your will - the majority are holding firmly to their own. So how shall they agree with the Lord's Will or the Prophet's will if they cannot even bend to accept each other's? This is the fountain of sins;

this is why all Tariqats are teaching people how they may abandon their wills in front of a person: you may say, "This is my Sheikh - I left my will for his will so that it may be a first step towards my learning to be an obedient servant of Allah and of His Prophet, otherwise I can't even begin." .

Now Satan and his armies are fighting against Sheikhs and Tariqats because Tariqats are teaching. People how to leave their wills in front of Allah and His Prophet. Tariqats are educators - when I am saying that he is my Sheikh in love of Allah Almighty and His Prophet, then I love him not for this world, but truly for Allah and His Prophet.

We are speaking on the will of servants - an extremely important matter affecting our lives and our improvement in the Divine Presence. To use our willpower as we should means to make it accord with our Lord's desires - if we can bring ourselves to do that, we will be acceptable in the Divine Presence; if not, it means unhappiness for us, defeat and darkness - all of which descended upon Satan because he could not bring himself to do what his Lord desired of him - to bow down to Adam. Because of this, all the devotions and acts of worship he performed for two thousand years were rendered useless, and he was banished. Grandsheikh was stressing the importance of this point, as everything in every religion and faith is based upon it. If you can do your Lord's 'Will you may improve to the ranks of Prophets and Saints; you may approach the Divine Presence and find acceptance there; otherwise, you are secretly ascribing partners unto Allah, and you become stuck on this Earth like a plane that is tied down and can't take off. Whoever pays no attention to these subtle points is in danger of going the way of Saitan. This is the common base of all religions, because Allah Almighty has said through all of His Holy Prophets: "Oh My people, if you claim that you are servants, then put your desires in line with Mine, otherwise you are not servants." Allah Almighty said to the Children of Israel through the Prophet Jesus: "Testify that Jesus Christ is My Prophet unto you." They didn't like that, and so they fell. Allah said to them: "I am not in need of your worshiping, all I want from you is that you accord with My desires." Similarly. Allah said through His Prophet Muhammad: "Oh Christians, come and agree with Muhammad." They answered "No, we only like Jesus Christ, that is enough for us." He Almighty replied: "Your worshiping is unacceptable until your desires are alike unto Mine."

Everyone wishes that his own desires be fulfilled - true or not? We must either serve as we like or as He likes. We must accept our Lord's Word about Jesus Christ, and the same is true for Moses and the other Prophets. Now Muslims are also running after so many desires and fleeing from the way of Muhammad, saying, "We

like this and that." As a result, their worship comes to naught. If you can understand this point, it will suffice you, as it is the first and most important lesson we can learn from the actions of Satan - are you not afraid that you will be like him?

The Prophet's companions learned to obey the Lord through obeying His Prophet. They said: "Oh our Prophet, we have ransomed our mothers and fathers for you." They said this to him sincerely and with love; in this way they came to obey Allah through obeying Muhammad. Therefore, Allah ordered people to follow the inheritors of the Prophet and to hold to them as the companions (Sahaba) held to the Prophet, so that through them we may learn to obey the Lord. If this discipline of following those who are truly on the Prophet's way was not in Islam, there would be no more Islam. Islam is coming with discipline, strong discipline: no more are the people to go like this or like that, but to follow in the way of the Prophet. This is the meaning of the discipline of Islam. We must accept this or else we are cheating ourselves; we must keep discipline, as Allah Almighty orders in the Holy Qur'an: "And don't follow your vain desires as they will cause you to deviate from the way of Allah."

Our Grandsheikh was saying about Adam that when Allah Almighty put him in Paradise and said to him: "Everything has been granted, enjoy every abundance except this fruit tree which you must not approach," Adam's ego was saying: "Oh my Lord, You don't want me to eat from it, but I want to eat." Because of his ego's desire being out of line with his Lord's desire, he was vulnerable to the suggestion of Satan; therefore, he had to go to Earth to learn manners and discipline, the sum of which is to say inside of ourselves, "As You like my Lord." If we can't say this in our innermost selves, it means that we are making our desire lord over our Guardian Lord Almighty.

When Adam ate from that tree in Opposition to his Lord's Will, Allah took from him his paradise clothes and left him naked and ashamed in order to make him feel shame at what he had done. We must be very careful of attributing partners to Allah Almighty through our actions. If we can be careful of these fine points, then it is easy for us to receive Divine Lights in our hearts.

The Prophet, Peace be upon Him, was saying about Abu Bakr, May Allah be pleased with Him, that he was one who 'died before he died.' From all the companions, why was it Abu Bakr who accomplished this? - Because he had absolutely left all his desires behind, so that there was nothing left of them in the face of his

Lord and his Prophet. He was as a dead person with no desire for this life. When he had arrived at this state, he was like a shadow for the Prophet, and you can't find a shadow that doesn't entirely agree with its original; to this absolute extent Abu Bakr never left the Prophet's way. Because of this attribute, Abu Bakr became trustworthy in all respects, and thus the Prophet was able to plant many knowledges in his heart. The Prophet knew that Abu Bakr would not do anything contrary to his wish or his liking. Therefore in spiritual rank, Abu Bakr was at the top of all the companions of the Prophet.

Sayyidina Ali was also one of the Prophet's companions who never used his will or desires against the will of the Prophet or contrary to the Prophet's desires. He was one of two among all the Sahaba who had put his desires totally in line with the Prophet's desires. Therefore, Ali has been described by the Prophet as follows: "I am the City of Knowledge and Ali is the Gate to that City." My Grandsheikh was saying that because the Prophet was so pleased with Ali's following him like a shadow, one day he ordered Ali to look at him; when Ali looked at the Prophet, the Prophet showed him his real prophethood personality in the Divine Presence. No one may look at that personality until he reaches the station of Sayyidina Ali; what is that station? - It is the station of being a shadow in every action.

Once the Son of Omar was going to Hijaz, traveling by camel. When he arrived at a certain point in the road he made a detour to the right, rode around in a circle and then returned to the road, continuing on his way. People asked him, "Oh Son of Omar, the road was going straight, so why did you go around in a circle?" He replied, "Oh people, I was once accompanying the Prophet on this road and when he came to that point he made a circle to the right, then he continued on straight; therefore I wanted to do as the Prophet had done."

Look at how the companions were desiring and doing what the Prophet desired and did. If anyone can attain to that station, then the Prophet may show him his real prophet hood personality in the Divine Presence, for even now the Prophet is alive, but not in the same way that we are alive - he has real life in the Divine Presence. Both Abu Bakr and Ali reached their diving positions and took their holy trusts from the Prophet during this life. Others from among the Sahaba took their trusts only upon reaching the hereafter.

Grandsheikh told me that one day Sayyidina Ali said to Sayyidina Omar, regarding the secret knowledge that had been opened up to him: "Oh Omar, if I would speak to you from the secret knowledges which have been opened up to us, you would instantly cut my head off with your sword; you wouldn't be able to let me get up

from my seat if I told you from the secrets of the Way, the creation, the religion, prophet hood and the secrets of Allah Almighty - you can't even listen."

When the Prophet was taken to the Heavens on the Night Journey or Ascension (Miraj), the news of this miraculous journey spread among the Muslims. Omar, on hearing this - to him - incomprehensible news, ran to see the Prophet to find out for himself what this was all about. On the way to see the Prophet he ran into Abu Bakr and asked him: "What is your companion (Muhammad) saying, are you believing such a thing?" Abu Bakr, who had as of yet not met with the Prophet since the Miraj, said: "Oh Omar, what are you saying? If all of creation has been created for his sake, is it too much for him to ascend to the heavens or perform other miracles? Oh Omar, I believe he is capable of even greater miracles than this; he is so great, so respected in the Divine Presence that no one can know his real personality but his Lord."

## Importance Of Enduring Troubles

Our Grandshaykh was saying about trials: everyday they are coming afresh and the seeker must be ready and careful each time for that trying, that his faith may become real faith. Everyone may improve his station. For one still under his ego's rule, he will be tested by that which his ego will never like, from everything, family, friends, work and neighbours, may come to you what you don't like. The way of development is the way of patience. There is no quick development. One must be agreeable to all happenings to and around himself. That is the sign of development, to endure peoples' troubling you. It is not important to fly in the sky or to walk on the sea or to be seen in several places at once or to dream good dreams. lmportant in our way is to be patient, resisting every wave of evil like a mountain in a storm, not beiilg pushed back. That is development. Or like the ocean, not becoming dirty from the rivers pouring into it. People with extraordinary powers may fly, but may in the end lose their faith when Satan rushes to attack them. We must be able to endure every harm from everyone.

Our Grandshaykh says, we must be awakened for everything coming contrary to our liking and be ready to tolerate it. This is the real station of faith. Three times a day at shaykh looks to his seekers, but not with a looking to give them pleasure, instead they are looking to send something to the seeker that he will never like. Are you patient, or giving up? When you are patient, your heart is given satisfaction, and a light comes on

your real eyes and more faith comes to you. At each opportunity you may advance or regress. This time is particularly filled up with unliked things, the world is full of evils and devils. The Prophet said, "to keep religion in this time is more difficult than to keep fire in one's hand." We must be patient. Allah gives to those enduring unliked things endless reward. It is the way of real faith, like the way of Prophets and of Saints, to endure the badness of people.

## Important is the reality, not an imitated figure like a statue

It is honour for me to address so many mental-house people. Important is the reality, not an imitated figure like a statue. It gives nothing to you. Man can make a figure, he can paint a rock and give it the figure of a man, of an animal, of a tree. That gives something to our sight, we may look to it and we may say: 'O such a beautiful painting.' But no more than that it gives to you. You may reach to that one only through your five senses. If you sit with your figures, they can't speak to you, they can't be able to give anthing to you. They don't give a satisfaction to you like a living man, a living animal, a living tree and fruits.

Now we are asking protection from Allah Almighty and we say first: 'Audhu bi-llahi mina shaitani rajim' and 'Bismillahi-r-Rahmani-Rahim', to be under heavenly protection. Heavenly protection is like a shield that protects soldiers and fighters from swords, spears and bullets. And arrows come on a person everywhere, if he is getting out of his or her home; even in the home you can't find any place that arrows (will not) come on you, because of Shaitan.

Always the enemy of Allah and mankind, Shaitan, is asking to take believers to himself, that means especially Muslims, who surrendered to Allah. He is always trying to make them to be with him, from his way, and from his party. Everywhere such people are surrounded now. If it is a man, when he is appearing from his home, seven Shaitans are looking and following him, surrounding him from every direction, each one asking to put a hook on him and to take him. For women, there are seventy Shaitans, surrounding them. Therefore we are in need of that protection from Allah Almighty and we say: 'Audhu bi-llahi mins shaitani rajim'.

It is Sunnah to say this when getting out of the home: 'Allahumma inni audhu bika mina Iblis wa junudih', O Allah, I am running to You from Iblis, Shaitan, and his soldiers', because Iblis is using soldiers from men and from jinn, to make belivers fall into his traps, and he is using countless tricks and agents, to carry him or her and to be with himself. This is what we are in need to know: Everywhere you can find Shaitan or his representatives, his soldiers and workers, the satanic agents. You must be awakened; if not, quickly they carry you.

Now we are sitting here, a handful and unknown people, asking divine protection from Allah Almighty, and also, after that, a way how we can reach to His Divine Presence, how we can be able to give our most high respect to Him and His holy commands, and how we can be able to be much more obedient servants to Allah Almighty. We are asking here from Allah only to make us prepared for His holy commands, very high commands, that we may keep it, because man naturally and normally and people commonly run for their physical being's service. Everyone is servant for his ego, nafs, or even slave, not servant, because a servant has high honour, but slaves have no honour, and our ego makes us to be its slaves and to work for it, to do for it and t try to make it pleased.

If you ask youngsters what they are thinking, what is their idea for their future, all of them should say: 'I am studying or working and trying to reach a good life full with pleasure. That is my target through this life: to reach a happy life, to make for me a good life. To have everything and to make myself and my children to be in a happy, peaceful life, full with pleasure. I am trying for my pleasure.' Because if someone is working or studying, asking high school, high study- what is the benefit?
First of all they are asking nonsense titles. Our time now is full with empty titles, nonsense titles, but people make big advertisement for those titles. Open the newspapers and magazines and you can find so much advertisement for universities, high schools, and academies, urging youngsters to go and to learn and to graduate, to reach one of those nonsense titles. Therefore they print a visit-card with the name and the title: doctor, professor, doctor professor, and some people put what never happened, to make themselves very important people. They put so many letters, even from different alphabets and no one knows. Empty titles! For what this? Only to make their egos to be happy, in contentment and satisfaction. That means, only for egoistic visions, egoistic aspects; people run to fulfil their egoistic wishes.

No one is thinking about that we have been created to be servants of Allah. The people in all the universities and schools in East and West, non-Muslim and Muslim countries, are trying to reach something that makes themselves happy, or that makes their egos happy, they run to be proud, to make a show for their ego to say that he is such a VIP. People run to be proud with anything. With any means do people now ask to reach something. Even workers, who are not educated people, are fulfilling that secret wish, therefore they make syndicates, unions, asking through that union to reach from the lowest level to the highest and to be on power. Labour party. I am asking: 'How are

they coming to the parliament? With ax and shovel? Better; they must show that they are labours. Some must carry on their shoulder a bag, some must bring a saw or a hammer.' O Sheikh, they are MP's, you think this is a labour market? We must show that we are also able to rule countries. Now we are majority, you are minority, we are coming on power.'

Two centuries ago Shaitan made everything upset, after the French revolution. From that time on it is a worst opening, which destroyed the balance through the community that was built on the old classification. Allah Almighty didn't create everyone with the same capacity. When you enter a field or a garden here, there are orange-trees and the walnut trees, which are growing taller. Should we say: 'No, there must be equality, we are not accepting walnuts to grow more; cut them down to be on same level with the lemon-trees'? That is mentality?

It is satanic mentality, like socialism, communism- everything that has -ism. Such nonsense ideas giving to people, cheating them, and it is, as we are saying, demagogy, destroying, beginning with the 19th century and up today never ending. People yet run after and insist on such foolish ideas that people must be all the same, monotype, and they ask to make people monotype. This is in every country through their political ideas and ideologies; they urge and force people to accept it, never accepting anyone to get out. That is very dangerous. But man cannot be as they are asking him to be.

How can their ideology of monotype be realized, how it could be a reality? It could be okay, if people were born from the beginning as Mongol-type- because Mongol-type people are all the same. Any difference between Arab, Turkish, or English Mongol-type children? Their official or political ideology only may work, if people going to be Mongol-type. But as long as we are created different in out looking, capacity, and ability of mind and

body, how can you force people to be like Mongol-type? We are not Mongol-type, but they are forcing people, saying: 'You must be like this.' Therefore they are first-class enemies of Islam, because Islam is saying: 'Don't force the servants of Allah Almighty, and give them their right according to their creation and capacity.' That is the balance which can't be changed.

Every system now is trying to make man into a different model, asking to grind people and to make them same. Allah Almighty didn't create man like a factory is producing- so many of the same or similar things. No, each one in his existence is only one. You can't find two people similar in out looking or in their inner senses, inner buildings.

The Prophet had informed: 'Should come so foolish people who should force people, and who are not looking to the holy Books, who refuse the Schariat, and use something to make people their servants, under their feet. They should be on power like Nimrods or Pharaos.' This is that time. They make people only to think about and run after empty titles.

Last week the Ex-President of Turkey came to Cyprus for half a day, and he went to Famagusta to meet new students. He said: 'Is there anything you like to ask, and we can help you?' And all students made their hands up: 'Yes, we are asking only one question. We are coming into university, but after, when we graduate, there is no work for us. We are asking work. Only this is important for our life.' Governments are never interested in what is happening after university; they urge people to run and to learn and study in the universities, but after they say: 'We gave a diploma to you, finished. You look after yourself, for yourself.' And students say: 'First you urge us to study, and now you say there is no work? What we should do?' 'You begin, you must try to bring credits from out of Cyprus, from Turkey or Europe, to bring capital and make big companies to come here and build

factories to make employment for you. That is what we are thinking on to do, and you must look after it also, to make people to bring money and to build factories, so that the employment problem is going to be solved.' That is the cheating answer.

Nasrudin Hoca took credit from a Jew and he used the money. That person was coming and going, asking his money. Sometimes Nasrudin Hoca was hiding, sometimes he was telling his wife to say to that man that Hoca went to look after his money, that if someone was paying his debts, he could give that money to him. And it is impossible to stand a state up on debts; it is not honour for a state to stand on debts; that never supports a state to be in existence. It must fall down.

Once Nasrudin Hoca saw that person coming again. He told his wife: 'Leave him to come to me; I am prepared to make him happy.' And he said: 'Welcome to you!' But the man said: 'It is an unhappy day for me, because like so many times I am coming, asking my money.' 'Don't worry my brother, I prepared for you, so many days I am working at the main entrance of the field, putting a kind of plate with thorns. All the flocks that come that way scratch themselves on it, and I am collecting so much wool, and my wife is making the thread. I am making it quickly, because you are asking your money, and next time you come, it will be ready.' Like this was the answer of the Ex-President to those children. They are now on zero.

Asking people to work for their ego and they are cheated, most people are stupid. If you say the truth, they are not accepting, but if anyone is cheating them, they say: 'Okay, you are true.' And Allah Almighty is punishing His servants, because they lost the way, their real mission, which is to be serants for Allah Almighty. To be servants we need to establish the Heavenly Sultanate of the Lord of Heavens on earth and destroy the satanic Sultanate or kingdom. It must be destroyed, so that the Heavenly Kingdom may

be established. But people run to support the satanic kingdom to stand up and Allah is punishing them. They will not find today to be like tomorrow. Every day should be more difficult.

Therefore we need to ask a protection from Allah, not to leave us to do amalu shaitan, satanic works. Who is falling in it, no hope to be saved. There is some water-places, there is mud, and over it one or two feet of water. If an animal falls in it, it disappears, it is coming down, you cannot save it. People now are in such a way: if they fall, it is impossible for them to be saved.

May Allah protect us. Ask protection from Allah, because Shaitan is pulling people in that mud, and it is not clean water, like sewage. May Allah keep us, not to fall.

What people did to the Ottomans will come on them 70 fold.

## Important Message from Sultan al-Awliya

(dt.: WichtigeBotschaft)

Yaa RijaalAllah! Madad, madad ila sharifeen 'nabiyuna wa `ali wa saahbihi, wa mashaykhina. Madad yaa Saahibu 'z-Zamaan Muhammad Mahdi (a), wa salaat wa salaam also, wa imdaad also. Alfu salaat, alfu salaam `ala habeebillah Sayyidi 'l-awwaleen wa' l-akhireen! Allahu Akbar wa ajal wa a`azham wa aqwaa. Subhaanuh Sultaanuhu wa Mulkuhu, laa yantahi. A`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. (Mawlana Shaykh sits)

As salaamu `alaykum, ayyuha 'n-naas! That is our real honor, that the Lord of Heavens through his honored servants is calling to His servants by divine protocol. SubhaanAllah, He is calling to Mankind through His most beloved servant, Sayyidina Muhammad (s), (Mawlana Shaykh stands and sits) to say and to call to people, Ayyuha 'n-naas, "O people." Everyone in the Divine Presence He is calling with His endless mercy and endless granting, ikraam. He, Almighty Allah, (Mawlana Shaykh stands and sits) is creating and honoring and addressing His creatures!

O People! Look and understand. If you have a little bit of understanding, you must fall down, to put your head down (in sajdah) and not to take it up, because the Lord of Heavens, Sultan as-Salaateen, Maalik al-

Mulook, Jalla Jalaaluh (Mawlana Shaykh stands and sits) is addressing you, and we are running away!

O Mankind! Ptuu (spit) on such people that are not coming to say, “O our Lord!” and falling into sajdah! There are millions of people on whom the Lord of Heavens is sending His salaams and greetings and honors, and such creatures are running away! Think on it, O People! Don’t think that they are saying, “This person is speaking, they need so many subjects.” It is nothing, it is nothing.

O People of Understanding! It is nothing. (Mawlana Shaykh stands) Asta`eedhu billah.

•••• •••• ••••• ••••••••• ••••••• • •••••••••••• •••••• •••••••• ••••••••• •••••• •••• ••••••• ••••••••• ••••••

Qul law kaana al-bahru midaadan li-kalimaati rabbee la-nafida 'l-bahru qabla an tanfada kalimaatu rabbee. Say (O Muhammad), "And if the oceans were ink and the trees pens, they would be used up before writing the Words of our Lord." (Surat al-Kahf, 18:109)

(Mawlana Shaykh sits) Something else is now granted according to its capacity; Allah Almighty is granting everything that is suitable for it. The understanding of an ant can’t be the understanding of an elephant. Therefore, don’t think when Allah Almighty is saying about His Majesty, that bahr, ocean, if we use it for kalimaatullah, the Divine Speeches (Allah's Word), the Pacific Ocean, Atlantic Ocean, Indian Ocean, Northern Ocean, Southern Ocean, if we are using them as ink for writing, (don't think) those oceans will ever finish. The Lord’s (swt) words are never-ending! Bring seventy oceans or seventy-million oceans, or seventy-billion oceans! Bring seventy-trillion oceans!

O Mankind! Don’t be proud, as pride is only His Majesty’s Heavenly Attribute. It is a Divine Attribute, not for you. Subhaan Sen, Subhaan Sen. SubhaanAllah, SubhaanAllah, SultaanAllah. (Mawlana Shaykh stands) SultaanAllah, SultaanAllah, SultaanAllah. Sultaan ul-Mutlaq. (Mawlana Shaykh sits)

O People! What are we saying? We are saying nothing! He Almighty is asking only that we keep our real positions of how we were put here.

O Mankind! Make a medallion and write on it, “We are the Lord’s weak servants.” Make such a thing and put it on your chest. If you can do that, capital to you! May Allah forgive me. Enough. As-salaamu `alaykum.

(Shaykh Hisham Effendi: Mawlana, they are thanking you a lot that every day you were giving them a speech.)

Thanks to Allah.

(Shaykh Hisham Effendi: Is there any opening, inshaa-Allah, for more speeches?)

What speech?

(Shaykh Hisham Effendi: For tomorrow and after tomorrow?)

As He likes; as His beloved one is giving permission.

(Shaykh Hisham Effendi: Yaa Mawlaana, Hadrat ... mentioned the hadith, yaa `abdee ati`anee. Aja`luka rabbaaniyyan. Sayyidee, rahmatan lil-murideen, Sayyidee, to whom they are asking.)

Those who are asking are small ones. When new inspiration is coming, we may speak.

(Shaykh Hisham Effendi: Inshaa-Allah)

Inshaa-Allah, inshaa-Allah. As-salaamu `alaykum. When new orders are coming, they may make so many of Allah Almighty's countless servants speak. It is not needed that only I am speaking, making a speech. He may send and He may be giving His orders and salutes and honors to Mankind. May Allah forgive me. It is a short time from today up to the end of the world. They may bring someone to speak. It is not a condition that this one may speak or that one is coming to speak, no. He may leave this closed and open another. We are only small and weak servants, but I am happy there is an awakening because heavenly words must touch to their conscience. And I think the real news is, the Last Day is approaching firmly and continuity is for Allah, everything must pass away.

This dunya's life that is appointed is just approaching and Judgment Day is coming. There are some signs that the `ulamas are knowing. Allah Almighty is saying: (Mawlana Shaykh stands)

•••••• •••••••••••• •••••• •••••••••• •••• •••••••••••• ••••••• • •••••• ••••• •••••••••••• •••••••• •••••• ••••• •••••••••••• ••••••••••••

fahal yanzhuroona illa as-saa`ata an taatiyahum baghtatan faqad jaa ashraa•uhaa fa annaa lahum idhaa jaathum dhikraahum. Do they then await (anything) other than the Hour, that it should come upon them

suddenly? But some of its Signs have already come, and when it (actually) is on them, how can they benefit then by their reminder? (Muhammad 47:18)

(Mawlana Shaykh sits) Fifteen centuries ago Allah Almighty was saying that the Last Day's Signs just began. Fifteen centuries ago! Therefore, a little bit, people must give some time for their Eternal lives. May Allah forgive us. When it is necessary, the Lord of Heavens is sending His servants to address you and make you wake up!

O People! They are asking you only to take a little bit of care for your Lord's servanthood. It may be this world can be a paradise if people are following their Lord's commands; if not, troubles and problems, balaa, affliction, are endlessly and always running on them. It may be that at one time or another something is sent to people for thinking on it.

And you pray for me also. I am weak and He knows; the Lord of Heavens is knowing everything. I am asking forgiveness from my Lord, Almighty Allah, (Mawlana Shaykh stands) and the intercession of His holiest one, Sayyidina Muhammad (s)! (Mawlana Shaykh sits) I am asking support from awliyaaullah, from holy people. I am weak now. As they are saying, Allah Almighty may send to His servants hundreds of thousands of warners. Shaykh Hisham Effendi is saying to me that when my declarations stopped, there came a shock on people. No, "Who is asking, they shall find."

O People! If you are looking and listening, you can find everything much more. Collect yourself, take yourself a little bit from the dunya, and try to give much more time for the Lord of Creation. The mercy of the Lord of Creation is countless! As-salaamu `alaykum.

(Shaykh Hisham Effendi: wa salaamu `alaykum wa rahmatullahi wa barakaatuh, Sayyidee.This is a very, very strong message, Sayyidee.)

Because they are saying I am only a naaqil, transferring one, nothing else, and I am a little bit weak, so I was asking for a little bit of support, and we can continue inshaa-Allah.

(Shaykh Hisham Effendi: Inshaa-Allah, Sayyidee.)

Fatihah.

(Shaykh Hisham Effendi: Sayyidee, long life, support by Prophet (s), by Mahdi (a), by Allah (swt), y`uteek, yaa Sayyidee. Allah ya`teek quwwa wa yuqawwiy rijlayk.)

Allah, Allah. Dastoor, yaa Rijaalullah, madad. Madad, yaa Rijaalullah, madad. Ila sharafin nabiyyin ...

## Ask Only, "O My Lord! Increase Me in Knowledge"

Madad, yaa Sayyidee. (Mawlana Shaykh stands) La ilaaha illa-Llah. La ilaaha illa-Llah. La ilaaha illa-Llah Muhammadan Rasoolullah, `alayhi salaatullahi wa salaam wa `ala sayyid al-anbiya wa 'l-awliya wa 's-saaliheen. Yaa Rabbi 'l-`Alameen! Zidna..... warda `anna w `afoo `anna w 'aghfir lanaa w 'arhamna wa tub `alayna.....waslih shanaana wa shaan al-muslimeen ..., sultaan al-insi wal jinn, Sayyidina Mahdi, ayyadahullah, ashaarahullah!

A`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. Ayyuha 'l-ghaafiloon, ayyuha 'l-jaahiloon, ayyuha at-taagheen, ayyuha at-tughaat, O heedless ones! O ignorant ones! O oppressors! Keep your positions! Try to keep your promise on the Day of Resurrection and say, a`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem! Bismillahi 'r-Rahmani 'r-Raheem! (Mawlana Shaykh sits) Thumma 's-salaam `ala Saahib az-Zamaan, thumma 's-salaam `ala Saahib al-Mutassarif fi 'd-dunya kamaa yuhibbu rabbunaa wa yardaa!•

O People! All of us know nothing, but we must try to learn. All of us must try to understand our missions, for what have we been created. O our attenders from Mankind and Jinn! We have a responsibility in the Divine Presence. Don't forget the Day of Promises, when we said, "O our Lord, You are Allah, our Creator, and we are giving our oath that we are Your servants and not servants for anyone else." O our Lord, help us to fulfill

our oath.

O our Attenders! Why have we been ordered to fast? O Salafi `ulamas, make it clear to all nations from Arabs and for everyone else. We must make it clear for all Mankind, that for which purpose have we given our oath to our Lord Almighty. Make it clear and say first to Arabs: because Allah Almighty is sending His most respected and honored and glorified one. For which purpose? What do you think, O Salafi `ulamas? Who was Allah Almighty addressing and speaking to? For the sake of Allah, say!

O Wahhabi People! You no-mind ones! Say, to whom was Allah Almighty addressing and speaking on the Day of pre-Eternal? Salafi `ulamas, say! Make it clear to all nations! Is Allah speaking or not, or was Allah speaking in His Eternity or not? Was He sitting like me and thinking? What do you think? Our brothers, say and make it clear! You must make everything clear. Don't say, "We are `ulamas, we are Wahhabi `ulamas." If you are Wahhabi people, I am asking you, to whom was Allah Almighty addressing and speaking? Allah Almighty addressed that most glorified one, Sayyidina Muhammad (s)! (Mawlana Shaykh stands and sits) I am very astonished and asking you, when Allah Almighty addressed, was He speaking through pre-Eternal, and was He standing or sitting?

O Jewish Rabbis! What is your understanding? When Allah Almighty addressed Moses (a), was He sitting or standing? What do you think? Was He sitting under an olive tree? Say, rabbis! Where are you? You are saying, "We are Jewish people, and the most important prophet was Moses." I am asking you, so say! When Allah Almighty addressed Moses (a) on Mount Sinai, was He standing up? Was Allah standing, and Moses sitting, or was Allah sitting and Moses standing? What do you think, rabbis? Say! Don't say, "We are rabbis and we know everything." Such a question is coming now. Say! Who is your Lord and what are His Divinely Attributes?

And I am asking the same question from Salafi `ulamas. I am asking also those no-mind Wahhabi people, who claim they know everything and who say, "Our knowledge is the highest knowledge." Say! If you have highest knowledge, how was Allah Almighty addressing on the Day of Eternity in His Eternal Kingdom, and how was He speaking on the Day of Eternity and pre-Eternal? He addressed someone, (Mawlana Shaykh stands) a`ti kullu dhi haqqin haqqah, "Give to each one the rights he is due." Is it true or not? (Mawlana Shaykh sits) That is an ocean! From one drop of that ocean the whole Creation will sink! What was Allah

Almighty's order to the Seal of Prophets (s) on the Day of Promises? Say! And on which thing did we give our oaths to our Lord, our Creator, Allah Almighty? (Mawlana Shaykh stands) Allahu Akbaru 'l-Akbar! (Mawlana Shaykh sits)

Make it clear! The time is over, and the whole Judgment Day is coming to make everything clear. What was Allah Almighty's oath on the Day of Promises? To whom was He addressing? Which one can be able to stand up in His Divinely Presence and hear? It is impossible. Only that chosen one may, who is His real deputy from pre-Eternal up to Eternal, Sayyidina Muhammad (s)! (Mawlana Shaykh stands and sits) Al-`ilmu bahrun, Knowledge Oceans are countless! And it is not something granted for the honor of the Seal of Prophets (s), from Allah Almighty's Endless Oceans? There are no limits for Allah Almighty's Knowledge Oceans! All oceans in existence can't be even the smallest spot beside Allah Almighty's Knowledge Oceans!

Say! For what are we coming there now? You must say, O you who are claiming, "We know everything." If you know everything, why are you hiding it, why are you not teaching people? And one who is nothing is asking such a question, that from whom was the Lord of Heavens taking His first oath? Allah Almighty is never going to be occupied with anything, hasha, impossible! As you know, laa yushghilahu shaanun `an shaan, "Nothing can occupy Allah Almighty's Divinely Sifaat, Attributes. No one can know about His attributes except Him, He knows. No one knows, it is impossible! But the Lord of Heavens asked to give honor to those creatures that He Almighty created with His Divinely Hands and gave them a model, that is dressed upon them from His Divinely Attributes to be suitable. More than this, He is addressing Sayyidina Muhammad (s), to be fully honored, so that he can convey Allah Almighty's addressing to them. Do you think that a majestic king is addressing his servant? It is not honor for a majestic king to speak to a servant, nor it is suitable for a servant mukhaatab, to speak directly with a king. Therefore, Allah Almighty used the Seal of Prophets (s), and all the prophets take from him. He was suitable, as the Lord of Heavens addressed His most beloved and glorified one on a level that no one else is able, or they will perish and disappear. That power is only granted to the Seal of Prophets (s)! No one can stand up while the Lord of Heavens addresses him, and His addressing is according to His most beloved servant's level! Yes, such things they are making to become more clear about the honor of the Seal of Prophets (s).

All Wahhabi peoples' understanding is on the lowest level and they are saying, "We are not accepting that one over our levels." And that is their wrong position, a wrong point in their beliefs, to look at the Seal of Prophets

(s) as being like themselves or on the same level as them. That is their biggest mistake! Therefore, to all `ulamas, we are saying now, you must correct your beliefs. You can't say this about that one's levels. No one can understand his level because no one is granted what he is granted from his Lord!

O People! O `ulamas! We are asking, on the Day of Promises, was the Lord of Heavens sitting or standing? What do you think? And was He sitting on the Throne? Which throne can seat its Lord? How? He created the Holy Throne, and until He created it, where was He, standing up or waiting? Which builders were building it? Angels? And Who created angels? So many questions.

O Wahhabi people! You are no-mind people, not understanding anything. And Salafi `ulamas must try to understand a little bit more, as much as possible about the "Day of Promises". What happened on that day? How did it happen? And on that day what form were we in? We were there and He was taking our oath. What do you think? Which one was able to take an oath directly from their Lord? It can't be, or they will be taken away from existence and thrown in the endless oceans of the Heavens!

O People! All these things are to make a new understanding stage for people, because the Day of Resurrection is just approaching and we must be prepared with such heavenly powers to be able to stand up on Judgement Day in the Divine Presence, to be given something for the honor of the Seal of Prophets, Sayyidina Muhammed (s). (Mawlana Shaykh stands and sits)

O our `ulamas! There is something that we are not yet prepared to understand. It is shown as a project, but no one knows its realities. One question, Salafi `ulamas, I am not saying to Wahhabi people because they are no-mind people, never understanding anything; I am asking the ones who claim they are "Salafi `ulamas." What is Allah Almighty saying in the Holy Qur'an through His most beloved representative, and who was that one? Sayyidina Muhammad (s)! (Mawlana Shaykh stands) He is ordering, "O My most special one! Don't ask anything from Me except, ••• •••••• ••••••• •••••••
qul Rabbee zidnee `ilma, "Say, 'O my Lord! Increase me in knowledge.'" (20:114) (Mawlana Shaykh sits)

What do you think of people that are running after more gold, more oil, and more treasures? Put them in the WC center! The Lord of Heavens was ordering His most beloved one, Rabbee zidnee `ilma! Which kind of knowledge was He talking about, when His beloved was granted a complete knowledge of Creation? Everywhere, whatever has been created, the Seal of Prophets (s) was fully knowing it as a grant from his

Lord. Yet, Allah Almighty said, “O My beloved one! Ask from Me more than I already gave you!”

And Prophet (s) said, “O my Lord! Give me more and more from Knowledge Oceans. I am thirsty, give me more and more , making me more suitable in front of Your Lordship, to give more and endless majesty and praising of Your Divine Presence, about which we only know something!”

But who may reach the real being of Allah Almighty's Glorified and Majestic Dominions? No one! (Mawlana Shaykh stands) Allahu Akbaru 'l-Akbar! Allahu Akbaru 'l-Akbar! Allahu Akbaru 'l-Akbar! Rabbee zidnee `ilma wa hilma, for the honor of Your most honoured one! (Mawlana Shaykh sits)

Fatihah.

(40 minutes) Yaa Rabbee, shukran.

(Mawlana Shaykh speaks with Hajjah Naziha and Shaykh Hisham Effendi on the phone.)

(Mawlana Shaykh prays two raka`at Salaat ash-Shukr.)

## DIE IN-DIE-IRRE-LEITENDEN

Jeder Mensch braucht einen Wegführer durchs Leben, und zwar einen, der einen guten Weg zeigt, nicht einen, der in die Irre führt. Früher nahm man Führer, um eine Karawane sicher von einem Ort zum anderen zu bringen. Wir brauchen als wichtigstes für unser Leben jemanden, der uns den Weg zeigt. Doch diese Leute muß man genau unterscheiden. Es gibt gute Leute, die die Jugend auf einen guten Weg führen und vor dem schlechten Weg schützen wollen. Wenn ein junger Mensch so jemanden trifft, wird sein Leben in der Welt und im nächsten Leben einen guten und glücklichen Verlauf nehmen. Es gibt aber auch zahllose schlechte Leute, die nach jungen Menschen suchen, jedoch, um ihren schlechten Absichten zu dienen und zu folgen. Zahllos sind die Leute, die andere in den Schmutz ziehen, und die hinter der Jugend her sind.
Ich sah in Ceylon einen Film über die dort lebenden, wilden Tiere. Ein Bär packte einen Hirsch an der Nase und zog ihn ins Wasser, wo er ihn ertränkte, indem er sich auf seinen Kopf legte. Solche Bären und Wölfe gibt es ebenfalls unter den Menschen. Sie sind zahllos, und zahllos sind ihre Tricks, deshalb müssen die jungen Leute jemanden suchen, der ihnen zeigt, wie sie ihr Leben richtig und sicher gehen können. Die die Leute in die Irre zu führen versuchen, sagen als erstes, wenn sie Scham oder Gottesfurcht bei jemanden entdecken: "Glaub doch kein solches Zeug, schau auf das Leben, schau, in welcher Zeit wir leben." Vor solchen Leuten haltet euch fern, sie sind von oben bis unten von der Krankheit befallen, sie sind ohne Glauben, und sie wollen die Jugend auf dieselbe Stufe herabziehen. Sie fangen sie ein, saugen sie aus und werfen sie dann weg,

wenn sie verbraucht sind.

## The Infinite Power Oceans in Bismillahi 'r-Rahmani 'r-Raheem

Allah, Allah, Allah Subhaanallah, Allah, Allah, Allah Sultaanallah. La ilaaha illa-Llah. La ilaaha illa-Llah. La ilaaha illa-Llah Muhammadun Rasoolullah. Habeebullah, Noor al-`Arshillah. Allahuma zidhu `izzan wa sharafan nooran wa surooran, sultaanan wa ridwaana. W 'arham da`fana, yaa Rabbal-`izzati wa'l-Azhamati wa'l-jabaroot. Madad yaa Saahib al-Imdaad. And we are asking support from Qutbu 'l-Mutasarrif on this planet. May Allah grant you much more honor and power.

We are saying as-salaamu `alaykum to our attenders from ins, Mankind, and from jinni. And we are saying a`oodhu billahi min ash-shaytaan ir-rajeem. Bismillahi 'r-Rahmaani 'r-Raheem. Bismillahi 'r-Rahmaani 'r-Raheem is giving us power here and Hereafter. Say Bismillahi 'r-Rahmaani 'r-Raheem at least 100 times a day. You will find according to your believing, honor and power, every time you are say, bismillahi'r-rahmani'r-raheem. Endless treasures you can find in Bismillahi 'r-Rahmaani 'r-Raheem. All people will be regretting on the Day of Resurrection why they are not saying more, Bismillahi 'r-Rahmaani 'r-Raheem. Why? And they will look and see and feel and understand the powers and honors coming to people who are saying, Bismillahi 'r-Rahmaani 'r-Raheem.

O People! If you are sitting and not working, not doing anything, then you may say, Bismillahi 'r-Rahmaani 'r-Raheem. Everything by itself is going to run on its real majra channel and you will be at rest and happy, no

need to use anything. Everything you will find already prepared for you in this short time of your life.

O our Salafi `ulamas! Where are you ? Is it true or not, what we are saying? Saheeh am laa (correct or not)? You can't say kabarta shuwaywa ziyaadah (and even more), wa ziyaadah, wa ziyaadah, nu'min bihi (we believe in it)! Say, Bismillahi 'r-Rahmaani 'r-Raheem, our sword that lam yughlab, was never defeated, the sword from heavens! Say, Bismillahi 'r-Rahmaani 'r-Raheem! If, all our `ulamas and learned people from every religion speak on the fawa'id holy benefits granted Man in Bismillahi 'r-Rahmaani 'r-Raheem, from the beginning of life on this planet up to the end, they will never finish it! Perhaps they will say only one little spot from the benefits of Bismillahi 'r-Rahmaani 'r-Raheem! (Mawlana Shaykh sings.) Bismillahi 'r-Rahmani 'r-Raheem. Bismillahi 'r-Rahmani 'r-Raheem. Bismillahi 'r-Rahmani 'r-Raheem.

If you are hungry (and you recite this), you will get food. If thirsty, you will reach satisfaction. If asking to do something and saying, Bismillahi 'r-Rahmaani 'r-Raheem, it is going to happen without using technology. If people know what is that secret power through Bismillahi 'r-Rahmaani 'r-Raheem, they will put this technology in the WC (toilet). Qul aamantu billahi, "Say, 'I believe in Allah.'"

O Salafi `ulamas! Don't say, Shaykh kabbar aw shaykh kabartaa, "Shaykh exaggerated." Therefore, now we must come back to spirituality. We must throw away technology and materialist aspects. You are wasting your precious life to be Shaytan’s servants, because Shaytan is bringing that technology in existence, and who is running after it is going to be a slave of Shaytan. True or not? Yes. Don’t speak anything, `ulamas of Azhar ash-Shareef and shaykhs of this and that; leave them. Speak on it. Never-ending meanings may come, but you are only going to bring one small centimeter and asking to put in it oceans or seas! If you are asking for a cup of milk and the milk seller says, “Where is your cup?” and ladies present a thimble and say, “Put in it one liter of milk,” what it will be? (exaggerated a bit).

You may say the same as what the shaykh said. Open your heart more and more, and open your understanding more and more, and prepare yourself more and more to move with such a power from the oceans of Bismillahi 'r-Rahmani 'r-Raheem, never ending! But people are slaves of technology. Sayyidina `Isa (a) was using Bismillahi 'r-Rahmani 'r-Raheem and saying to a dead body, “Stand up!" and the dead body came alive and got up, yes. Laa tashuk, don’t be doubtful for what we are saying. No! We can’t say anything, and we are using the smallest and smallest and smallest power of Bismillahi 'r-Rahmani 'r-Raheem. If one

holy one who has been granted the secret power for this planet is standing up and kicking this planet, and saying, "shoot!" this planet is going out of its orbit and never coming back. Khalifatullah.

O `ulamas, and all Mankind! You must try and come to your beliefs. You left beliefs granted to you from heavens, and you fell in the sewage channels of this dirty life, and you lost your chance. That is your fault! Therefore, say, Bismillahi 'r-Rahmani 'r-Raheem.

O `ulamas! When Allah Almighty created the Preserved Tablet and the Holy Pen, the Holy Pen stood up and asked, "O my Lord, (Mawlana Shaykh stands.) I am going to write on the Preserved Tablet, Bismillahi 'r-Rahmani 'r-Raheem." (Mawlana Shaykh sits.) The first command of Allah Almighty for writing on the Preserved Tablet; what was he writing? Bismillahi 'r-Rahmani 'r-Raheem! And you can't imagine the speed, according to the high command of Allah Almighty, just he wrote Bismillahi 'r-Rahmani 'r-Raheem. How long did it take to write Bismillahi 'r-Rahmani 'r-Raheem? According to heavenly knowledge reaching holy ones, it took 700 years! But those years (are not like our years); can’t be, because it is not good to say that the Holy Pen using 700 years in the Divinely Presence. He (swt) knows only, and His majestic and glory-granted mighty servant and His mighty and majestic representative knows what those 700 years are.

And Allah Almighty granted to His servants when they are saying Bismillahi 'r-Rahmani 'r-Raheem, from His endless Favor Oceans, like 700 years, running to that man, as a servant for him! Therefore, people will not regret, but they will be nadmaan, regretful, "Why are we not saying this too much?" And only granted before the Seal of Prophets (s) for some prophets, as Adam (a), for his repentance to be accepted. For repentance he recited, Bismillahi 'r-Rahmani 'r-Raheem. And with Bismillahi 'r-Rahmani 'r-Raheem His Lord gave His mercy and accepted Adam's repentance and then with Bismillahi 'r-Rahmani 'r-Raheem he was taken up. Granted once to Nuh (a), and he said Bismillahi 'r-Rahmani 'r-Raheem Bimillah majreeha wa mursaahaa. He used Bismillahi 'r-Rahmani 'r-Raheem once and he was saved, then Bismillahi 'r-Rahmani 'r-Raheem, just taken up. Then coming for saving Sayyidina `Ibraheem (a) when he had been thrown in fire of Nimrod, Bismillahi 'r-Rahmani 'r-Raheem saves him, just coming up. Then when then coming for Sulayman (a) to be king of Man and jinns, taken up and not left on Earth. Then granted to Moses (a), when he had been ordered to pass from the Red Sea, from one side to the other side, granted and taken up. Then ordered for Jesus Christ (a) when he had been ordered to rise up, granted Bismillahi 'r-Rahmani 'r-Raheem and then when saying, and going up.

The only nation to which Bismillahi 'r-Rahmani 'r-Raheem is granted is Ummata Muhammad (s)! (Mawlana Shaykh stands and sits.) And we are lucky ones because our nation is perhaps the most beloved one in the Divine Presence. We are happy. And granted the power of Bismillahi 'r-Rahmani 'r-Raheem, only awliyas, they have knowledge, and granted that karamaat, miracles that awliyas using, for the benefit of the nation of the Seal of Prophets (s), saying Bismillahi 'r-Rahmani 'r-Raheem. Without Bismillahi 'r-Rahmani 'r-Raheem they can't do anything and that is with us! We may say Bismillahi 'r-Rahmani 'r-Raheem.

O Salafi `ulamas! Why you are quarreling, fighting with something that has no meaning? Leave everything and speak on the fada'il, benefits of Bismillahi 'r-Rahmaani 'r-Raheem granted to ummat al-Habeeb, from honor and heavenly power. Heavens yahkum, all heavens control everything on Earth. Therefore, who is saying, Bismillahi 'r-Rahmaani 'r-Raheem is quickly going to be in connection with heavenly powers. And tooba, thumma tooba, good tidings, then (further) good tidings to those people who are knowing the value of Bismillahi 'r-Rahmaani 'r-Raheem and saying it. Without Bismillahi 'r-Rahmaani 'r-Raheem everything is abtar, without any result. Such things they are doing without using Bismillahi 'r-Rahmani 'r-Raheem, so there are no results. Real results are with those who are saying, Bismillahi 'r-Rahmani 'r-Raheem. Such a things they are doing and it will have no meaning, if they leave saying, Bismillahi 'r-Rahmani 'r-Raheem.

O People! O `ulamas! We are addressing from east to west, from north to south, to all nations: say, Bismillahi 'r-Rahmani 'r-Raheem! That means yata`allaq bil-kull, "It is related to all." Even an atom must reach something from that ocean to be in existence. It is mentioned in Holy Qur'an:

••••••• ••• •••••••••••• ••••••••• •••••• ••••••• •••••••••••• •••••••••••

Innahu min Sulaymaan wa innahu Bismillahi 'r-Rahmani 'r-Raheem, Verily it is from Solomon, and is (as follows): 'In the name of Allah, Most Gracious, Most Merciful.' (27:30)

(Mawlana Shaykh stands.) Power comes like rain, raining, raining, raining. (Mawlana Shaykh sits.) People lose that and everything is going to be `aqeem, impotent. Such a tree you are putting in a pot with water will have no result until you are planting (with soil). Therefore, everything now that western people are so proud of is nothing. If one from Chosen Ones from heavens is saying, Bismillahi 'r-Rahmani 'r-Raheem, making like this (waves hand), nothing will act, nothing will work, and their technology will be finished. May Allah forgive us.

O People! Try to be servants and try to be munaasib, suitable for reaching those endless treasures from Bismillahi 'r-Rahmani 'r-Raheem. Bismillahi 'r-Rahmani 'r-Raheem is for opening locked hearts, for opening blocked heads, and opening everything that is difficult for treating. It is enough, and more than enough!

Here they are making me to speak on very, very, very short meanings or wisdoms from power and lights and honor; it is only one small point from an endless ocean. Try to reach more. Your life is going to be abaadi, a holy, sweet life, where you can go, where you can be found, and you will find a sweetness! Your life is going to be a sweet life, here and Hereafter. Don't ask, but people are just cheated by shaytans. And Shaytan is making people to be under a heavy burden from technology. Everything that Shaytan is asking a man to do, just saying bismika Allahuma, Bismillahi 'r-Rahmani 'r-Raheem, and just happening. But they are just taking as`ab, most difficult ways to reach that point, and that point they can't reach.

O People! Say, Bismillahi 'r-Rahmani 'r-Raheem! (Mawlana Shaykh stands.) Bismillahi 'r-Rahmani 'r-Raheem. Bismillahi 'r-Rahmani 'r-Raheem. Yaa Rabbana ighfir lana, yaa Rabbana bi-jaahi nabiyyika 'l-kareem ij`alna mu`mineen wa aamineen bi barakati habeebika 'l-kareem, that You sent to him Bismillahi 'r-Rahmani 'r-Raheem. (Mawlana Shaykh sits.)

Fatihah.

(Mawlana Shaykh prays two raka`ts shukr.)

Fatihah.

(38 minutes.)

## What is the influence of Islam on Western Civilisation

Answer - Western people should answer this question, they know better than I. If I try to say, they will say that the Sheikh is a fanatical Muslim and he is promoting Islam. The influence of Islam on Western civilisation is in reality like the sun showing in the skies. The Christian world and Western countries know where they were before Islam came into existence. They also understand the state of Arabs before and after Islam and the position Arabs reached. They know about world history, Arab history Islamic history, and they understand where Arab power extended after a short time.

They know that Arabs were ignorant tribespeople who after accepting Islam reached a level which mankind had never before reached in every branch of civilisation. If Western people ask about military success: Arabs reached the first and most important level of military success. They moved from Arabia (simple people with simple weapons). They were victorious in front of the two super powers of that time - Persian emperors (like Russia nowadays) and the Roman empire - Byzantium (like America now). Those unknown Arab tribes, after just a quarter of a century they attacked both super-powers. They had victories which no-one else could have achieved. Through military success they obtained justice, and went on to obtain knowledge; in technology; in architecture; in literature - in every branch of life they reached the highest levels.

When the Arabs arrived in Spain, they founded a civilisation at which Western people still marvel. European

people did their worst to Muslims and Muslim civilisation in Spain. They will be blamed and shamed for this for ever. Christian fanatics destroyed a civilisation the like of which has not been seen before or since. Even today, the mosque of Cordoba - when the German emperor gave permission to destroy it and build a church there, he hadn't seen it; but when he did, he declared, "If I knew what you were destroying, I would not have given permission. It should be a blame on you (for ever). This is a shining monument to the people who built it. What is that ugly building - your church - they are everywhere, but there is only one like this." To date, no-one can surpass the architecture and technology - even 1,000 years later they don't know how it could have been built.

The Selimya in Adrianopoly - they are surprised how it was built. There is the Taj Mahal in India - twenty-two years in the building and it is unique. Islam brought something - everything that mankind needs as a foundation and source for civilisation. We as Muslims are proud of our religion and its influence. The foundation and main source of civilisation.

## In Heavens Is Your Provision

Marhaba, Ey yaran Shahu Merhaba ey yaran Shah Mardan marhaba. AsSalamu alaikum, o those who want to keep the way of Shah Mardan, the believers, who love him. Marhaba, may divine peace be upon you,We have entered a new day. Shukr/thanks to our Lord Janaballah, Shukr to Him that we are not bound to bed. We are in this Dergah, Tekke, which for muslim people used to be a room to sit down and be friendly with each other after coming out of the mosque. There used to be a room where people sat in rows and greeted each other. Marhaba, they used to say marhaba. Yawmu jadid, this is a new day. A new Tajalli is coming. The old is constantly changing. Let us say: Ey Yaran Shahu Mardan, AsSalamu alaikum, may peace be upon you, Wa Rahmatullahi wa Barakatuhu. May Allah's Mercy and Blessings be upon you. Let us say and blow on ourselves: BismiLlahi r-Rahmani r-Rahim, Bismillahi r-Rahmani r-Rahim. Bismillahi lladhi la yadurru ma'a Ismihi shay'un fi l-ardi wa la fi s-sama'i wa Huwa s-Sami'u l-'Alim. And whatever worries you have, will leave you.
So don't sleep at the time of the morning prayer. Get up and look for the Irfan Majlis, the assembly of seekers of divine knowledge Even if you are only three people, sit and say: Marhaba, Ay Shah Mardan. Merhaba ey Shahi Merdan, merhaba. How nice it is, but they removed,Merhaba. The day was born and the evening came and they spent it with useless talk. They went far from spirituality. The 21st century according to them - Allah knows which century it really is. These people have been stripped of spirituality, remain as if naked. Pity. Spirituality is the support of the physical being. Without spirituality the physical being is like a strange creature without bones. Without bones we cannot stand up. And a being without spirituality is like a creature without bones. How shall I say? Like a slug. They call it slug because it has no bones. Even an ant has some kind of bone structure according to its creation so that it can walk and run

about. It has a head, eyes, tongue, hands and feet. It knows where to go. It goes and finds its provision that is appointed for it from Heavens.
You see that ant go by with a straw in its mouth. This is its provision. and it is happy with it and says: Let us glorify Allah, our Mawla who is giving us our provision. Subhan Ya Rabbi."You gave me my provision" the ant says. Any grains it carries to its home. Whatever grains, it carries to its home and gives Shukr/thanks to its Lord and says: It is a new day and our Lord has not left us hungry today. It is not from the way of our Mawla, Our Lord, the Absolute Owner of Mulk and Malakut, to leave His servants hungry, not even ants. So why are you so confused? They shout: We are hungry. Allah. Tawba Ya Rabbi. Tawba Astaghfirullah. Assalamu Alaikum ey yaran Shahi Mardan. How beautiful, We made Sajdah to our Lord. And what is our Sajdah worth? We did only a little but in front of Allah's Greatness what we do is nothing. Our Dhikr is giving us honour. So let us say, Ey Yaran Shahu Mardan.
Who wants to become a close friend to the Lion, O believers, O Muslims! May peace be upon you You are the close friends of Shah Mardan. How nice,how beautiful! Learn Islam. Let's say shukr to our Lord. What is opening the treasures of earth and Heavens is the key: Bismillahi r-Rahmani r-Rahim. Say. Wa s-salamu Alaikum, ay yaran Shah Mardan. How beautiful are these people. Light is streaming from their faces. They are joyful, they are joyful. They are happy and content with their Lord. And they want their Lord to be happy with them. Oh! our Lord! Your Kingdom has no limits. We are nothing and what we do for our Lord is nothing, yet the Angels say, enough what you are doing out of respect for your Lord's Favours, and how you appreciate them - it is enough for you. Appreciate your Lord's Favours to you. Ya Rabbi, shukr to You.
You gave us these favours, brought us from nothing to being; to be ready in the assembly of Shah Mardan. Among the creatures there are those dirty ones and You didn't make us from them, Our Lord! We are like the Lions the kings of the Forest, like lions - human beings we are. Our Lord created us as such. Shukr ya Rabbi Shukr ya Rabbi, Shukr Alhamdulillah.
Say that you are happy with your Lord and treasures will open to you by the Order of the Lord, the angels will open it for you. Say Bismillahi r-Rahmani r-Rahim. Allahu Akbar. The servant who is standing up when he is saying the Basmala, who is making sajdah for his Lord, will not say: I am ill. Lights open on his face and his body is at rest. He will not suffer My son Sheikh Mehmet, from our old customs, when the young used to kiss the hands of the elders, they used to

say to them, "May you see good days, o our son". They used to say this. The dua of these old people is not rejected.
When you say Bismillahi r-Rahmani r-Rahim the body will not suffer. The key that opens all the maqams of honour is Bismillahi r-Rahmani r-Rahim. Refrain from asking something belonging dunya. One man entered the assembly of the Padishah, and he was astonished by the sultanate. He was astonished by the sultanate. The Sultan said, let us see what this man wants. I want something to fill my stomach, said the poor man. That has already been given, said the Sultan. Allah is saying there is no ant without its provision. I created the ant along with its provision! The provision comes at the time of birth. Before the child is born, the milk of its mother does not flow. But when it is born, the milk channels open. Think on this! Think! This small baby when it is born, immediately looks for his mother's milk. Who taught him this? Has it worked for its provision in the market? No Because he is needy, the baby, Allah granted him his mother's milk. O man, be human! La Hawla Wa La Quwwata illa BiLlahil Aliyyil Azeem. To where has our bad ego brought us? Think on this! Think, Allah says, think well "Fadhkuruni 'Adhkurkum" (2:152),Think. Shukr to our Lord Who created us! Say oh our Lord Who sends us countless Favours. I already sent, He says. Your provision is not with your money O mindless children of Adam. They are looking for provision with paper. Mindless people! So many prophets have come. And the Prophet of the End of Times also came and said: Wa riziqu fi s-sama. Your provision is coming from Heavens, every day it is brought down. Every creature’s provision comes down So why are you in such a confusion and say: We have no paper money left. What money? Paper money. Paper is not money, if so; you will perish! Your prosperity will perish! No way with paper money! Allah Dhul Jalal gave gold and silver and didn’t make them like iron, copper, aluminium, sulphur or other matter. He sent gold and silver with Baraka. He said: This I gave to you. Take it and appreciate it. Use them when paying. This is one of the smallest grants from My Greatness that has been granted you. Use this grant of Janaba Allah.
Hey! Ignorant people, you didn’t pay attention to this! You go in the streets and shout: "We are hungry, we are hungry" Shame on these people! If all the people in this huge world would gather on this island they wouldn’t fill the island. And there is everything in this big world: creation of the seas and many more creations on earth. Yet you say: We are hungry. People are always hungry, only satiated with dust when they are buried. When dust is put on the balance the

hunger of people finishes, they say. This is what we want them to say. Say Allah! He is the Sultan of Heavens and earth. HE is Sultan,he is Subhan! At His door nobody stays hungry not even an ant. What is your confusion? They sank below the level of ants!
Ey! Shah Mardan! Subhan Allah. How beautiful! How beautiful is the assembly of blessed ones. Ey yaran Shah Mardan. Say! We open our assembly in his name. I am not someone who knows and speaks but there is someone who makes me speak. How beautifully He makes me speak. But they are not listening. Instead they are watching so many things on TV. How are we going to live? What we do if we lose our salaries? Loser! If you place your hope on a salary! Where are Allah,Äôs Treasures? You rely on the government. You say: I am receiving a salary from the government and I am at rest. Now you are at unrest. There is no goodness in the money you get from government. Ask your provision from Allah! Ask rizq from Allah! Collect grass/herbs And gain 3 Kurush or 5 Kurush. There is Baraka in this, not in government salaries. Because it is paper, someone may hold it in his hand or use it in toilet(!) Hasha minal huzur! Excuse us! This is paper - gold is precious. Do you use gold in the toilet!? They have forgotten that they are human beings. 21st century - Allah knows best which century it really is?
They say: Our money is finished. Money may finish but not your provision. The One who gives the rizq is Allah. His rizq doesn't depend on your money. There are so many animals, wild ones, wandering the mountains, Not one of them sits and thinks: What are we going to eat today. It doesn't say: How is our day going to go by? It says: My Creator knows, He brings my provision in front of me and what He brings I am eating. These people have reduced themselves to below the level of animals. They have forgotten their Lord. They have forgotten Allah, that He is the One who sends provision from Heaven. Now Heavens have been opened and it is raining, raining, raining. There is snow everywhere. Go on, search for your rizq on earth. He has closed everything under snow now. Closed. You can't find your food. In snowy areas there are bears, wolves and other creatures of Allah. Their stomachs are full. Their stomachs are full and they go around happily.

"Our Lord feed us." He is Subhan, He is Sultan. And you are human beings. Go out into the snow and find your rizq if you can! He has closed it for you! If He wants, He closes doors with snow. If He wants, He closes with fire. There are mountains on earth from which fire comes

out(volcanos). When it erupts nothing and no one can stand in front of it. It leaves no animal nor any human being (alive). YaHu, if you throw a spadeful earth on a fire that you have lit on earth, it is extinguished. They don’t ask from where comes this fire under these huge mountains? They run in the streets: we are hungry, we are hungry. Hungry? Die from hunger! Hasha minal huzur. Ya, ya.

Banks don’t give money, what is bank's money? Paper with a stamp on it - Take it and wipe your,Ä¶whatever with it.. People have forgotten their humanity. And unfortunately there is no authority left in these times that teaches people humanity. Neither in Islam nor in Christianity. The Christians elect a president/head from among themselves, but they don’t call him president, they call him Pope. He cannot say: "O people,humans don’t die from hunger, our rizq comes down from Heavens" "So go and busy yourselves with your works and you'll collect your rizq. He doesn’t tell them this but makes sign with his hand, the sign of the cross. It makes no sense, furthermore those bells are making most of them deaf. No benefit, no use.

Oh! people! Come to know your Lord! Know your Creator. In all four seasons He is feeding us and letting us enjoy all kinds of provisions. Make sajda, prostrate to your Lord. Say Allahu Akbar! Ey Shah Mardan, the respected one, there are lovers of you from east to west. But we want that all come to know these words and show respect to their Lord and say: Bismillahi r-Rahmani r-Rahim. "Yawma Tubaddalu l-'Ardu Ghayra l-'Ardi" (14:48) True? A day will come when this world will be a different one. That is why it is said: Yawmun jadid, rizqun jadid -every day has its Tajalli. May Allah not throw us away from His service. May He not make us think about the concerns of our stomach: What will we eat, how will we get by? Who is saying this has no faith. They have no peace, no rest. Say Bismillahi r-Rahmani r-Rahim.

Say: BismiLlahir Rahmanir Rahim and go out and see what is your provision. Don’t sit around idly - say all the prophets. Ya'tika rizqu kharriq yadaik - move your hands, Ya'tika rizqu.(He will give) Move a little bit; dunya is wide open. Your provision will come. Say Bismillahi r-Rahmani r-Rahim, Shah Mardan orders this. And Sultanul Anbiya, Allah's beloved one, orders him and Allah has taught this to him(The Prophet). Then will come hayatun tayyiba. (a beautiful life). Then your life will be Hayatu tayyiba, a happy life,beautiful life. If not, your life will be like a mill that crushes you. And like what remains of the olives that come out of the olive mill, you will be like that.

Oh people listen to Shah Mardan! Marhaba ay yaran, O friends who know Allah, Marhaba to you. May dunya be at your service. May it serve you. May your provision come to your feet. May you not have to run after your rizq. There are some people who run after their rizq to find and take it. And there are some other people that rizq runs after them, saying: Take me. The Creator is Subhan. Shah Mardan is giving us, this advice, this sohbet, so that we can wake up.

We became like creatures that have forgotten their humanity in this world. Our works and strength are inventing traps for each other. Our work and power are used to finish and kill one another. You have nothing else to do. Instead of building you are destroying. Allah is sending everyone his provision. Don't shout in the streets! Don't shout!
Have you ever seen an animal that is shouting: we are hungry! Each collects its own provision. Some animals are chewing the cud, some are digesting quickly. All are content. They don't say: My stomach hurts or my head hurts. But there is nobody among people now who doesn't have a headache or etc. May Allah forgive us O Shah Mardan. May Allah grant us from your Adab. May we keep the way you showed. May we get closer to our Lord! What is our life for? May we be close to the Lord of Heavens and earth. May we be close to our Lord, The Sultan, Sultan above all sultans. You are the Sultan, You are the Subhan. Subhan Sen'sin, Sultan Sen'sin. Subhan Sen'sin, Sultan Sen'sin Say it and say BismiLlahir Rahmanir Rahim and all closed doors will open. Oh people no closed door will be left, all will open.
O people, you have forgotten your humanity. Their efforts are for what they eat and drink, entertaining their egos and to finish each other and kill each other. They have become wild, wild people have filled the world. May Allah send us Holy ones who will protect us from their evil. Let us walk a bit to the side of Allah. May our life change. May our mind change. May our houses and children change. Let them say: Allah. No fear for those who say ALLAH! Wa min Allahu Tawfiq. Say Bismillahi r-Rahmani r-Rahim. O Shah Mardan look to us, O Awliyyaullah! send some Nur to our hearts so our minds and understanding may work. Say Bismillahi r-Rahmani r-Rahim. You are Subhan Ya Rabbi, you are Sultan Ya Rabbi. O Allah, may You not separate us from Your door.
Where is Allah's door? They are the doors of the Awliya that open toward Allah. The doors of the Prophets that open toward Allah. Respect them, love them and follow them. That is it. And

our life in dunya will be straight with no pain. It will be clean, lovely. Experience it. If not, death is near. The dragon of technology will swallow the people. From 5, one will remain, said the Prophet. 4 out of 5 will pass away. Say Allah! No fear. Call Shah Mardan. And call his Sultan Hz Rasul and make salat and salam to him. Build mosques, not pubs or brothels, not dirty places. Don't open the ways of dirtiness, so blessings rain on you. If not, cursing will rain on you - a fire rains that even an ocean cannot extinguish. Aman ya Rabbi. Tawba ya Rabbi,Tawba,Astaghfirullah.
O Pope, give this advice to your people and don't fear. This is what Prophet Isa has told the people. It is what Moses told the people. And the Sultan of the Anbiya,our Master, The Prophet of the End of Times, has said. So says Shah Mardan from the way of Prophet(saw). Tawba Ya Rabbi, Tawba Ya Rabbi, Tawba Astaghfirullah. Forgive us our Lord. Water gives life. Drink water and you will find life. Eat vegetables and find life. Don't run after meat. It makes you heavy and wild. Eat only a little. Eat little, don't eat much. To eat a lot is the sign of an animal. Aman Ya Rabbi, Tawba Ya Rabbi, Tawba Astaghfirullah.

O youngsters, take care! New generations will take out the banner of Heavens. Under that banner there will not be any nation, army or force to stand against you. Never! 5 people take out the banner of Islam, the banner of Heavens. On it there is the master of bees, like gathering all the bees: take up the banner of Islam and say: "InnaFatahna Laka Fathan Mubinan"(48:1) Take the banner up! What are you afraid of? O Muslims, what are you afraid of? Why do you quarrel? Why do you hurt one another? What do you gain by killing people? What did you gain? Cursing. You gained only cursing. Bring life/make alive, don't kill, Allah says.
O our Lord, send us the Sahib; the Sultan. Send us the Sahib, send us the Sultan Ya Rabbi. Irham dafana, irham dhullana, Ya Azizu Ya Karimu, Ya Rahimu Ya Allah. For sake of your beloved one, for the sake of those who are loved by him, Ya muhawwil al hawli wal ahwal hawwil halana ila ahsani hal. The sword of revenge has been drawn from up in Heavans. Dhul Fiqqar(sword)of Shah Mardan has been drawn. Whoever has done cruelty, his head will fall. May Allah protect us. Follow the right path. Be nice, be clean! Let us be human! Fatiha.
Our Prophet(saw)is great, Praise him. May the honour of Hz. Ali(ra) be great, all the Campanions of Rasullah! May Allah give strength to saints and good servants who are showing

goodness to people. Dress them with greatness and radiance. Dress us, too, ya Allah, Allah, Allah. We have started with Bismillahi r-Rahmani r-Rahim. We will close our day with Bismillahi r-Rahmani r-Rahim,Insha'Allah! No fear! Wa min Allahu Tawfiq, Fatiha.

## Euere Versorgung kommt von den Himmeln

---

Marhaba, Ay Yaran Shahu Marhaba, Ay Yaran, Shah Mardan, Marhaba. As-Salamu `alaykum, o die, die den Weg Shah Mardans einhalten wollen, die Gläubigen, die ihn lieben. Marhaba, möge Göttlicher Friede auf euch sein. Wir sind in einen neuen Tag eingetreten. Shukr, Dank sei unserem Herrn Janaballah, Shukr Ihm, daß wir nicht ans Bett gebunden sind. Wir sind in dieser Dergah, Tekke, die für Muslime früher ein Raum war, in dem sie sitzen und freundlich miteinander sein konnten, nachdem sie aus der Moschee kamen. Es gab einen Raum, wo die Menschen in Reihen saßen und einander begrüßten. Marhaba, pflegten sie zu sagen, Marhaba. Yawmu Jadid, dies ist ein neuer Tag. Ein neues Tajalli kommt. Das Alte wandelt sich ständig. Sagen wir, Ay Yaran Shah Mardan, As-Salamu `alaykum, möge Frieden auf euch sein, wa Rahmatullahi wa Barakatuhu, mögen Allahs Gnade und Segnungen auf euch sein. Sagen wir es und blasen auf uns selbst: Bismillahi r-Rahmani r-Rahim, Bismillahi r-Rahmani r-Rahim. Bismillahi Lladhi la Yadurru ma`a Ismihi Shay'un fi l-Ardi wa la fi s-Sama'i wa Huwa s-Sami`u l-`Alim. Und welche Sorgen ihr auch habt, sie werden euch verlassen.
Also schlaft nicht zur Zeit des Morgengebets. Steht auf und sucht nach der Irfan Majlis, der Versammlung der Sucher Göttlichen Wissens. Selbst wenn ihr nur drei Leute seid, sitzt und sagt: Marhaba, Ay Shah Mardan. Marhaba, Ay Shah Mardan, Marhaba. Wie schön ist es, aber sie schafften das Marhaba ab. Der Tag wurde geboren, und der Abend kam, und sie verbrachten sie mit nutzlosem Gerede. Sie entfernten sich weit von der Geistigkeit. Das 21. Jahrhundert nach ihrer Meinung - Allah weiß, welches Jahrhundert es wirklich ist - diese Menschen sind von ihrer Geistigkeit abgeschnitten, es ist, als wären sie nackt. Schade. Geistigkeit ist die Stütze des körperlichen Seins. Ohne Geistigkeit ist das körperliche Sein wie ein merkwürdiges Geschöpf ohne Knochen. Ohne Knochen können wir nicht aufrecht stehen. Und ein Wesen ohne Geistigkeit ist wie ein Geschöpf ohne Knochen. Wie soll ich es sagen? Wie eine Schnecke. Sie

nennen sie Schnecke, weil sie keine Knochen hat. Selbst eine Ameise hat eine Art Knochenstruktur ihrer Schöpfung zufolge, so daß sie gehen und herumlaufen kann. Sie hat einen Kopf, Augen, Zunge, Hände und Füße. Sie weiß, wohin sie geht. Sie geht und findet ihre Versorgung, die von den Himmeln für sie bestimmt ist. Du siehst diese Ameise vorbeilaufen mit einem Strohhalm im Maul. Das ist ihre Versorgung. Und sie ist glücklich damit und sagt: Preisen wir Allah, unseren Mawla, Der uns unsere Versorgung gibt. Subhan ya Rabbi, Du gabst mir meine Versorgung, sagt die Ameise. Jedes Korn trägt sie nach Hause, welches Korn auch immer sie nach Hause trägt, sie gibt ihrem Herrn Shukr, Dank, und sagt: Es ist ein neuer Tag und unser Herr hat uns heute nicht hungrig gelassen.

Es gehört nicht zur Weise unseres Mawla, unseres Herrn, des Absoluten Eigners von Mulk und Malakut, Seine Diener hungrig zu lassen, nicht einmal Ameisen. Warum also seid ihr so verwirrt? Sie rufen: Wir sind hungrig. Allah. Tawba ya Rabbi. Tawba Astaghfirullah. As-Salamu `alaykum, Ay Yaran Shah Mardan. Wie schön, wir machten Sajdah vor unserem Herrn. Und was ist unsere Sajdah wert? Wir taten nur ein wenig, aber vor der Größe Allahs ist das, was wir tun, nichts. Unser Dhikr gibt uns Ehre. Also sagen wir, Ay Yaran Shah Mardan, wer ein enger Freund des Löwen werden will, o Gläubige, o Muslime! Möge Frieden auf euch sein. Ihr seid die engen Freunde Shah Mardans. Wie gut, wie schön! Lernt Islam. Sagen wir Shukr unserem Herrn. Was die Schätze der Erde und Himmel öffnet, ist der Schlüssel Bismillahi r-Rahmani r-Rahim. Sagt es. Wa s-Salamu `alaykum, Ay Yaran Shah Mardan. Wie schön sind diese Menschen. Licht entströmt ihren Gesichtern. Sie sind freudig, sie sind freudig. Sie sind glücklich und zufrieden mit ihrem Herrn. Und sie wollen, daß ihr Herr mit ihnen zufrieden ist. O unser Herr! Dein Königreich hat keine Grenzen. Wir sind nichts, und was wir für unseren Herrn tun, ist nichts. Doch die Engel sagen, genug, was ihr tut aus Respekt für die Wohltaten eueres Herrn und wie ihr sie würdigt - es ist genug für euch.
Honoriert die Wohltaten eueres Herrn für euch. Ya Rabbi, Shukr Dir. Du gabst uns diese Wohltaten, brachtest uns aus dem Nichts ins Sein, um für die Versammlung Shah Mardans bereit zu sein. Unter den Geschöpfen sind diese Schmutzigen, und Du machtest uns nicht als einen von ihnen, unser Herr. Wir sind wie die Löwen, die Könige der Wälder, wie Löwen - Menschen sind wir. Unser Herr erschuf uns als solche. Shukr ya Rabbi, Shukr ya Rabbi, Shukr Alhamdulillah.

Sagt, daß ihr glücklich mit euerem Herrn seid, und Schätze werden sich für euch öffnen durch den Befehl eueres Herrn. Die Engel werden sie für euch öffnen. Sagt Bismillahi r-Rahmani r-Rahim. Allahu Akbar. Der Diener, der aufsteht, wenn er die Basmala sagt, der Sajdah macht vor seinem Herrn, wird nicht sagen: Ich bin krank. Lichter öffnen sich auf seinem Gesicht, und sein Körper ist im Frieden. Er wird nicht leiden. Mein Sohn, Shaykh Mehmet, zu unseren alten Bräuchen gehört, wenn die Jungen die Hand der Älteren küßten, pflegten diese zu ihnen zu sagen: Mögest du gute Tage sehen, unser Sohn. Sie pflegten das zu sagen. Das Dua dieser alten Menschen wird nicht zurückgewiesen.

Wenn ihr sagt Bismillahi r-Rahmani r-Rahim, wird der Körper nicht leiden. Der Schlüssel, der alle Maqams der Ehre öffnet, ist Bismillahi r-Rahmani r-Rahim. Unterlaßt es, um etwas zu bitten, das zur Dunya gehört. Ein Mann trat in die Versammlung des Padishah ein und war erstaunt über das Sultanat. Er war erstaunt über das Sultanat. Der Sultan sagte: Sehen wir, was dieser Mann will. Ich möchte etwas, um meinen Magen zu füllen, sagte der Arme. Das ist dir schon gegeben worden, sagte der Sultan. Allah sagt, es gibt nicht eine Ameise ohne Versorgung. Ich erschuf die Ameise zusammen mit ihrer Versorgung! Die Versorgung kommt zur Zeit der Geburt. Bevor das Kind geboren ist, fließt die Milch der Mutter nicht. Aber wenn es geboren ist, öffen sich die Milchkanäle. Denkt daran! Denkt! Dieses kleine Baby sucht sofort, wenn es geboren ist, nach der Muttermilch. Wer zeigte ihm das? Hat es für seine Versorgung auf dem Markt gearbeitet? Nein. Weil es bedürftig ist, das Baby, gewährte Allah ihm die Milch seiner Mutter. O Mensch, sei menschlich! La Hawla wa la Quwwata illa Billahi l-`Aliyyi l-`Azim. Wohin hat uns unser schlechtes Ego gebracht? Denkt darüber nach! Denkt, Allah sagt, denkt genau: "Fadhkuruni 'Adhkurkum" - Gedenkt Meiner, so gedenke Ich euer (2:152). Gedenkt. Shukr unserem Herrn, Der uns erschuf!

Sagt, o unser Herr, Der uns ungezählte Wohltaten sendet. Ich habe sie schon gesandt, sagt Er. Euere Versorgung ist nicht in euerem Geld, ihr hirnlosen Kinder Adams. Sie suchen Versorgung bei Papier. Hirnlose Leute! So viele Propheten sind gekommen, und der Prophet des Zeitenendes kam auch und sagte: "Wa Riziqu fi s-Sama." Euere Versorgung kommt von den Himmeln. Jeden Tag wird sie herabgebracht. Die Versorgung eines jeden Geschöpfes kommt herab. Warum also seid ihr in so einer Verwirrung und sagt: Wir haben kein Papiergeld mehr. Was für Geld? Papiergeld. Papier ist kein Geld. Wäre es so, würdet ihr untergehen. Euer Wohlstand würde zu Ende

gehen! Kein Weg mit Papiergeld! Allah Dhu l-Jalal gab Gold und Silber und machte es nicht wie Eisen, Kupfer, Aluminium, Sulfur oder andere Stoffe. Er sandte Gold und Silber mit Barakah. Er sagte: Das gab Ich euch. Nehmt es und würdigt es. Benutzt es zum Bezahlen. Dies ist eine Meiner geringeren Gaben von Meiner Größe, die euch gewährt wurden. Benutzt diese Gabe Janaba Allahs. Hey! Ignoranten, ihr habt nicht aufgepaßt! Ihr lauft auf der Straße und schreit: Wir haben Hunger, wir haben Hunger! Schande auf diese Leute! Würden alle Menschen dieser riesigen Welt sich auf dieser Insel versammeln, würden sie die Insel nicht füllen. Und es gibt alles auf dieser großen Welt: Schöpfung der Meere und viel mehr Schöpfungen auf der Erde. Und doch sagen sie: Wir haben Hunger. Die Menschen sind immer hungrig, nur gesättigt mit Staub, wenn sie begraben sind. Wenn Staub auf die Waagschale getan wird, endet der Hunger der Menschen, heißt es. Das ist, was sie sagen sollen: Sagt "Allah"! Er ist der Sultan der Himmel und Erde. Er ist der Sultan, Er ist Subhan! An Seiner Tür bleibt niemand hungrig, nicht mal eine Ameise. Was ist euere Verwirrung? Sie sind unter die Stufe der Ameisen gesunken!
Ay Shah Mardan! Subhanallah. Wie schön! Wie schön ist die Versammlung der Gesegneten. Ay Yaran Shah Mardan. Sagt! Wir eröffnen unsere Versammlung mit Seinem Namen. Ich bin niemand, der weiß und spricht, sondern es gibt jemanden, der mich zum Sprechen bringt. Wie schön läßt Er mich sprechen! Aber sie hören nicht zu. Stattdessen gucken sie so viele Dinge im Fernsehen an. Wie werden wir leben? Was tun wir, wenn wir unser Gehalt verlieren? Verlierer, wenn ihr euere Hoffnung auf ein Gehalt setzt! Wo sind Allahs Schätze? Ihr verlaßt euch auf die Regierung! Ihr sagt: Ich bekomme ein Gehalt von der Regierung und bin ruhig. Jetzt seid ihr unruhig. Es ist nichts Gutes in dem Geld, das ihr von der Regierung bekommt. Erbittet euere Versorgung von Allah! Erbittet Rizq von Allah! Sammelt Gras, Kräuter und verdient 3 Kurush oder 5 Kurush. Darin ist Barakah, nicht im Gehalt der Regierung. Weil es Papier ist, mag es jemand in der Hand halten oder es auf der Toilette benutzen. Hasha mina l-Huzur! Entschuldigt uns! Das ist Papier. Gold ist kostbar. Benutzt ihr Gold auf der Toilette? Sie haben vergessen, daß sie Menschen sind. Im 21. Jahrhundert - Allah weiß am besten, welches Jahrhundert es wirklich ist - sagen sie: Unser Geld ist zu Ende. Geld kann zu Ende gehen, aber euere Versorgung nicht. Der, Der das Rizq gibt ist Allah. Sein Rizq hängt nicht von euerem Geld ab.

Es gibt so viele Tiere, wilde, die in den Bergen herumwandern. Nicht eins von ihnen sitzt und

denkt: Was werden wir heute essen? Es sagt nicht: Wie geht unser Tag vorbei? Es sagt: Mein Schöpfer weiß. Er bringt meine Versorgung vor mich, und was Er bringt, esse ich.
Diese Leute haben sich herabgesetzt auf eine Stufe unterhalb der Tiere. Sie haben ihren Herrn vergessen. Sie haben Allah vergessen, Der derjenige ist, Der Versorgung vom Himmel sendet. Jetzt haben sich die Himmel geöffnet, und es regnet, regnet, regnet. Überall ist Schnee. Macht weiter, sucht euer Rizq auf der Erde. Er hat jetzt alles unter Schnee verschlossen. Verschlossen. Ihr könnt euere Nahrung nicht finden. In Schneegebieten gibt es Bären, Wölfe und andere Geschöpfe Allahs. Ihre Mägen sind voll. Ihre Mägen sind voll und sie gehen glücklich herum. 'Unser Herr nährt uns.' Er ist Subhan, Er ist Sultan. Und ihr seid Menschen. Geht hinaus in den Schnee und findet euer Rizq, wenn ihr könnt! Er hat es für euch verschlossen! Wenn Er will, verschließt Er die Türen mit Schnee. Wenn Er will, verschließt Er mit Feuer. Es gibt Berge auf der Erde, aus denen Feuer hervorkommt. Wenn er ausbricht, kann nichts und niemand davor standhalten. Er läßt kein Tier und keinen Menschen am Leben. Yahu, wenn du eine Schaufel voll Erde auf ein Feuer wirfst, das du auf der Erde entzündet hast, geht es aus. Sie fragen nicht, woher dieses Feuer unter diesen riesigen Bergen kommt. Sie laufen auf den Straßen: Wir haben Hunger, wir haben Hunger! Hunger? Sterbt Hungers. Hasha mina l-Huzur. Ya, ya. Banken geben kein Geld. Was ist das Geld von Banken? Papier mit einem Stempel drauf! Nehmt es und wischt euch... was immer damit..
Die Menschen haben ihre Menschlichkeit vergessen. Und leider gibt es keine Autorität mehr in dieser Zeit, die die Menschen Menschlichkeit lehrt, weder im Islam noch im Christentum. Die Christen wählen ein Oberhaupt aus ihren eigenen Reihen, aber sie nennen ihn nicht Präsident, sie nennen ihn Papst. Er kann nicht sagen: 'Menschen, sterbt nicht Hungers, unser Rizq kommt von den Himmeln herab, also geht und beschäftigt euch mit euerer Arbeit und ihr werdet euer Rizq finden.' Er sagt ihnen das nicht, sondern macht Zeichen mit der Hand, das Zeichen des Kreuzes. Es ergibt keinen Sinn, zudem machen diese Glocken die meisten von ihnen taub. Kein Nutzen, sinnlos. Leute, kommt, um eueren Herrn zu erkennen! Kennt eueren Herrn! In allen vier Jahreszeiten ernährt Er uns und läßt uns alle mögliche Versorgung genießen. Macht Sajda, werft euch vor euerem Herrn nieder. Sagt Allahu Akbar! Ay Shah Mardan, der Respektierte, es gibt deine Liebenden in Ost und West. Aber wir wollen, daß alle kommen und diese Worte kennenlernen und ihrem Herrn Respekt erweisen und sagen Bismillahi r-Rahmani r-Rahim.

"Yawma Tubaddalu l-'Ardu Ghayra l-'Ardi" - An dem Tag, da die Erde zu einer anderen Erde verändert werden wird (14:48). Stimmt's? Ein Tag wird kommen, wenn diese Welt eine andere sein wird. Deshalb heißt es: Yawmun Jadid, Rizqun Jadid. Jeder Tag hat seine Tajalli. Möge Allah uns nicht aus Seinem Dienst hinauswerfen. Möge Er uns nicht über die Anliegen unseres Magens nachdenken lassen: Was werden wir essen? Wie werden wir zurechtkommen? Wer das sagt, hat keinen Glauben. Sie haben keinen Frieden, keine Ruhe. Sagt Bismillahi r-Rahmani r-Rahim. Sagt Bismillahi r-Rahmani r-Rahim, geht hinaus und seht, was euere Versorgung ist.

Sitzt nicht untätig herum, sagen alle Propheten. Ya'tika Rizqu Kharriq Yadaik - bewegt die Hände, Ya'tika Rizqu - Er wird geben. Bewegt euch ein wenig. Die Dunya ist weit offen. Euere Versorgung wird kommen. Sagt Bismillahi r-Rahmani r-Rahim. Shah Mardan befiehlt das. Und Sultanu l-Anbiya, Allahs Geliebter, befiehlt ihm, und Allah hat ihn das gelehrt, den Propheten. Dann kommt "Hayatun Tayyiba" - ein schönes Leben. Dann wird euer Leben Hayatun Tayyiba sein, ein glückliches, ein schönes Leben. Sonst wird euer Leben wie eine Mühle sein, die euch zerquetscht. Und wie das, was von den Oliven bleibt, die aus der Olivenmühle kommen, so werdet ihr sein.
O Leute, hört auf Shah Mardan. Marhaba Ay Yaran, Freunde, die Allah kennen, Marhaba euch. Möge die Dunya euch zu Diensten sein. Möge sie euch dienen. Möge euere Versorgung vor euere Füße kommen. Möget ihr euerem Rizq nicht hinterherlaufen müssen. Es gibt Leute, die laufen hinter ihrem Rizq her und nehmen es. Und es gibt andere, deren Rizq läuft hinter ihnen her, und sagt: Nimm mich! Der Schöpfer ist Subhan. Shah Mardan gibt uns diesen Rat, dieses Sohbat, damit wir aufwachen können. Wir sind wie Geschöpfe geworden, die in dieser Welt ihre Menschlichkeit vergessen haben. Unsere Arbeit und Kraft erfinden Fallen füreinander. Unsere Arbeit und Stärke werden benutzt, um einander zu erledigen und zu töten. Ihr habt nichts anderes zu tun. Statt zu bauen, zerstört ihr. Allah sendet jedem seine Versorgung. Schreit nicht auf den Straßen! Schreit nicht! Habt ihr jemals ein Tier gesehen, das schreit: Wir haben Hunger? Jedes sammelt seine eigene Versorgung. Manche Tiere käuen wieder, manche verdauen schnell. Sie sind alle zufrieden. Sie sagen nicht: Mein Magen tut weh, oder mein Kopf tut weh. Aber es gibt niemanden unter den Leuten jetzt, der keine Kopfschmerzen oder so hat. Möge Allah uns vergeben.

O Shah Mardan, möge Allah uns von deinem Adab gewähren. Mögen wir den Weg einhalten, den du gezeigt hast. Mögen wir näher zu unserem Herrn kommen. Wozu ist unser Leben? Mögen wir dem Herrn der Himmel und der Erde nah sein. Mögen wir unserem Herrn nah sein, Dem Sultan, Sultan über allen Sultanen. Du bist der Sultan, Du bist der Subhan. Subhan Sensin, Sultan Sensin. Subhan Sensin, Sultan Sensin. Sagt es und sagt Bismillahi r-Rahmani r-Rahim und alle geschlossenen Türen öffnen sich. O Leute, es wird keine geschlossenen Türen mehr geben, alle werden offen sein. O Leute, ihr habt euere Menschlichkeit vergessen. Ihre Anstrengungen sind auf das gerichtet, was sie essen und trinken, und darauf, ihr Ego zu unterhalten und sich gegenseitig zu erledigen und zu töten. Sie sind wild geworden, wilde Leute haben die Welt erfüllt. Möge Allah uns Heilige senden, die uns vor ihrem Bösen beschützen. Wandern wir ein wenig auf die Seite Allahs. Möge unser Leben sich ändern. Möge unser Verstand sich ändern. Mögen unsere Häuser und Kinder sich ändern. Laßt sie "Allah" sagen. Keine Furcht für die, die sagen "Allah"! Wa min Allah Tawfiq.
Sagt Bismillahi r-Rahmani r-Rahim. O Shah Mardan, sieh uns an, o Awliyaullah sendet uns Nur in unsere Herzen, damit unser Verstand und Verstehen funktionieren. Sagt Bismillahi r-Rahmani r-Rahim. Du bist Subhan ya Rabbi, Du bist Sultan ya Rabbi. Mögest Du uns nicht von Deiner Tür weisen. Wo ist Allahs Tür? Es sind die Türen der Awliya, die sich in Richtung auf Allah öffnen. Die Türen der Propheten, die sich in Richtung auf Allah öffnen. Respektiert sie, liebt sie und folgt ihnen. Das ist es. Und unser Leben in der Dunya wird gerade sein ohne Schmerzen. Es wird sauber, herrlich sein. Erlebt es. Wenn nicht, der Tod ist nah. Der Drachen der Technologie wird die Menschen verschlucken. Von fünf wird einer übrig bleiben, sagte der Prophet. Vier von fünf werden dahingehen. Sagt "Allah". Keine Furcht. Ruft Shah Mardan an. Und ruft seinen Sultan Hz Rasul und macht Salat und Salam für ihn. Baut Moscheen, keine Kneipen oder Bordelle, keine schmutzigen Orte. Öffnet nicht die Wege des Schmutzes, dann regnen Segnungen auf euch herab. Sonst regnen Flüche auf euch, ein Feuer wird herabregnen, das selbst ein Ozean nicht löschen kann. Aman ya Rabbi. Tawba ya Rabbi, Tawba Astaghfirullah. O Papst, gib diesen Rat deinen Leuten und fürchte dich nicht. Das ist was Papst Isa den Menschen erzählt hat. Es ist, was Moses den Menschen erzählt hat. Und der Sultan der Anbiya, unser Meister der Prophet des Zeitenendes hat das gesagt. Das sagt Shah Mardan vom Weg des Propheten (saws). Tawba ya Rabbi, Tawba ya Rabbi, Tawba Astaghfirullah. Vergib uns unser Herr.

Wasser gibt Leben. Trinkt Wasser und ihr findet Leben. Eßt Gemüse und findet Leben. Lauft nicht dem Fleisch hinterher. Es macht euch schwer und wild. Eßt nur wenig. Eßt wenig, eßt nicht viel.Viel zu essen, ist das Zeichen eines Tieres. Aman ya Rabbi, Tawba ya Rabbi, Tawba Astaghfirullah. O Jugend, paßt auf! Neue Generationen werden das Banner der Himmel hervorholen. Unter diesem Banner wird es keine Nation, Armee oder Macht geben, die gegen euch bestehen kann. Niemals. Fünf Leute holen das Banner des Islam hervor, das Banner der Himmel. Darauf ist der Meister der Bienen, wie das Zusammenrufen der Bienen: Haltet das Banner des Islam hoch und sagt: "Inna Fatahna Laka Fathan Mubinan" - Gewiß, wir haben dir einen deutlichen Sieg verliehen (48:1). Haltet das Banner hoch! Wovor habt ihr Angst? O Muslime, wovor habt ihr Angst? Warum streitet ihr? Warum verletzt ihr einander? Was gewinnt ihr, wenn ihr Menschen tötet? Was habt ihr gewonnen? Flüche. Ihr habt nur Flüche gewonnen. Bringt Leben hervor, tötet nicht, sagt Allah. O unser Herr, sende uns den Sahib, den Sultan. Sende uns den Sahib, sende uns den Sultan, ya Rabbi. Irham Dafana, Irham Dhullana, ya Azizu ya Karimu, ya Rahimu, ya Allah. Um Deines Geliebten willen, um derer willen, die von ihm geliebt werden, "Ya Muhawwilu l-Hawli wa l-Ahwa l-Hawwil Halana ila Ahsani Hal."
Das Schwert der Rache ist gezogen von oben in den Himmeln. Dhu l-Fiqqar, das Schwert Shah Mardans ist gezogen. Wer immer grausam gewesen ist, sein Kopf wird fallen. Möge Allah uns schützen. Folgt dem rechten Weg. Seid gut, seid sauber. Laßt uns menschlich sein. Fatiha. Unser Prophet (saws) ist groß. Preist ihn. Möge die Ehre Hz Alis (ra) groß sein, die aller Gefährten Rasulullahs. Möge Allah Heiligen und guten Dienern Kraft geben, die den Menschen Güte zeigen. Kleide sie mit Größe und Leuchten. Bekleide uns auch, ya Allah, Allah, Allah. Wir haben mit Bismillahi r-Rahmani r-Rahim begonnen, wir werden unseren Tag mit Bismillahi r-Rahmani r-Rahim beenden, insha'Allah. Keine Furcht! Wa min Allahu Tawfiq, Fatiha.

## Innahu Hamidun Majid

Bismillahi r-Rahmani r-Rahim. This expresses our situation today. These are the words the old knowledgeable ones said years ago. This word was probably said when they dethroned Sultan Abdul Hamid, may paradise be his abode. "The time has become the end of times, what appears are from its signs". Meaning the signs of qiyamah; signs have come continually after Sultan Hamid. He, the holy one, was the key person. He was holding the key in his hand.

These jon Turks, people of fire, inflicted on him saying "we will make reforms like in Europe. We will build a parliament. Not just one man should rule". When one person does not rule, then 300, 500 people rule. What one of them speaks, the other doesn't hear or doesn't accept. They call this "ladies hamam"; everybody talks and who talk, who listen are not obvious. We were the Ottomans. Everybody would call themselves Ottoman. Now Kurds separated, Circassians seperated.

Sultan was giving the Kurds their rights. He would give the rights of the Circassians. He would give the rights of Daghestani people, Arab people. They would give the rights to the Laz people (of Black Sea region). He would rule them accordingly. Therefore in his time even if a man walked around with a tray of gold on his head no one would dare to take that gold.

He ruled with such a justice. Justice has a majesty, Sh Mehmet Effendi. Bismillahi r-Rahmani r-Rahim. They said this for the events which took place after him: "The time has become the end of times. What appear are from its signs". The signs are continuously appearing. We are in this time. Where to run to? "Fafirru 'Ila Allahi" (51:50) Flee to Allah, take refuge with Allah. Who represents Allah Almighty in creation is the Prophet (sas). And there are awliyas who represent the Prophet (sas). It says "Take refuge with them". You left them and they hanged you, slaughtered you...

They are left on their own. Now they are fighting each other. Here, after the jon Turks, the soldiers that came from Salonica; the Bulgarian gangs, the Salonica converts, Serbian hyenas... So it was a foolish, nonsense crowd consisting of those that came to him. Marshal Hasan Pasha kissed the skirt of Sultan Hamid how many times, saying "O our majesty Sultan!" They don't say majesty, so he said "O our majestic Sultan. Just give me the order and I throw all of them out!" How many times he kissed the skirt of the Sultan like this but he said "No, it is up to here". Shaykh Mehmet Effendi, there were two majzub in Sham Al-Sharif, in the Presence of Yahya (as). One of them enter when the other would leave. They are a total of 40; one enters when the other leaves. We know these two. There was the night wird in (the turba of) Yahya (as). And there was a gathering at dawn in the presence of Sayyidina Yahya (as). So one of these men showed us a cushion under the mimbar saying "this is the cushion where Sultan Hamid, may paradise be his abode, sits when he comes at dawn". Even the weakest Sultan had the power of seven awliyas, Shaykh Mehmet Effendi, keep this in mind. They were such majestic, powerful ones.

So seven men entered the palace. When this Balkan revolutionary group came, they entered the palace to declare to the Sultan, "people don't want you anymore" and Sultan Abdul Hamid didn't do anything. They were only six, seven people. I think they were six men, the traitors. And there was a Jewish man called "Karasu" among them. "Ok, I understand that but why did you bring this one?" said the Sultan. "Why did you bring this one to dethrone the Caliph of Islam?" That Karasu's hand was like this, he was holding a gun. He could have even taken it as far as shooting the Sultan.

He could have finished all of those 7 men there and then if he had called the palace guards but he didn't. Hasan Pasha kissed his skirt how many times but he said "No, 'Innahu Hamidun Majidun" (11:73). They were such Sultans! The ones now all became trash. Let them be! For this reason this was said at that time "The time has become the end of times. What appears are from its signs".

Wa min Allah at-tawfiq, Al Fatiha.

Allah Ya Rabbi, You know. May You forgive us. May You send us the Master, send us the Sultan. Now people look for the Sultan. People wait for the Sultan. Insha Allah we will see him. Fatiha.

May we see reach the good days son, all of us. Salamun Qawlaan Min Rabbin Rahim. Salamun Qawlaan Min Rabbin Rahim...

**Innahu Hamidun Majid**

---

Bismillahi r-Rahmani r-Rahim. Das drückt unsere Lage heute aus. Dies sind die Worte, die die alten Weisen vor Jahren sagten. Dieses Wort wurde wahrscheinlich gesprochen, als sie Sultan Abdülhamid entthronten, möge das Paradies sein Aufenthalt sein. 'Die Zeit wurde das Zeitenende, was erscheint, gehört zu seinen Zeichen.' Das heißt, die Zeichen des Qiyamah. Zeichen sind stetig gekommen nach Sultan Abdülhamid. Er, der Heilige, war die Schlüsselfigur. Er hielt den Schlüssel in der Hand. Diese Jungtürken, Leute des Feuers, erlegten ihm auf und sagten: Wir machen Reformen wie in Europa. Wir bilden ein Parlament. Nicht nur ein Mann sollte herrschen. Wenn nicht eine Person herrscht, dann herrschen 300, 500 Leute. Was einer von ihnen sagt, hören oder akzeptieren die anderen nicht. Sie nennen das 'Frauenhamam'. Jeder spricht, und wer spricht, wer zuhört ist nicht offensichtlich.
Wir waren die Osmanen. Alle nannten sich Osmanen. Jetzt spalten sich die Kurden ab, die Tscherkessen haben sich abgespalten. Der Sultan gab den Kurden ihre Rechte. Er gab den Tscherkessen ihre Rechte. Er gab den Daghestanern, den Arabern ihre Rechte. Sie gaben den Laz Leuten (Schwarzmeer Region) ihre Rechte. Er herrschte entsprechend über sie. Deshalb, wenn in seiner Zeit ein Mann mit einem Tablett von Gold auf dem Kopf herumgelaufen wäre, hätte es niemand gewagt, das Gold zu nehmen. Er herrschte mit solcher Gerechtigkeit. Gerechtigkeit hat Majestät, S. Mehmet Effendi. Bismillahi r-Rahmani r-Rahim. Sie sagten das über die Ereignisse, die nach ihm stattfanden: 'Die Zeit wurde das Zeitenende. Was erscheint, gehört zu seinen Zeichen.' Die Zeichen erscheinen stetig. Wir sind in dieser Zeit.
Wohin laufen? "Fafirru ila Allahi" (51:50). Flüchten zu Allah, Zuflucht nehmen bei Allah. Wer Allah den Allmächtigen in der Schöpfung vertritt, ist der Prophet (s). Und es gibt Awliya, die den Propheten (saws) vertreten. Es heißt: 'Nehmt Zuflucht bei ihnen.' Ihr habt sie verlassen, und sie hängten euch, schlachteten euch ab.. Sie sind allein gelassen. Jetzt bekämpfen sie einander.

Hier, nach den Jungtürken, die Soldaten, die von Saloniki kamen, die bulgarischen Banden, die Saloniki Konvertiten, die serbischen Hyänen... Es war also eine dumme, unsinnige Menge, die aus denen bestand, die zu ihm kamen. Marschall Hasan Pasha küßte den Rock Sultan Hamids wieviele Male und sagte: Unsere Majestät Sultan! Sie sagen nicht Majestät, also sagte er: Unser majestätischer Sultan. Gib mir einfach den Befehl und ich werfe sie alle hinaus! Wieviele Male küßte er den Rock des Sultans, aber er sagte: Nein, es geht bis hier.
Shaykh Mehmet Effendi, es gab zwei Majzub in Sham ash-Sharif, in der Gegenwart Yahyas (as). Einer von ihnen ging hinein, wenn der andere hinausging. Sie sind im ganzen 40. Einer tritt ein, wenn der andere geht. Wir kennen diese zwei. Da war das Nachtwird in der Türbe von Yahya (as). Und es gab eine Versammlung in der Dämmerung in der Gegenwart S. Yahyas (as). Also zeigte uns einer dieser Männer ein Kissen unter der Mimbar und sagte: Das ist das Kissen, wo Sultan Hamid, möge das Paradies sein Aufenthalt sein, sitzt, wenn er in der Dämmerung kommt. Selbst der schwächste Sultan hatte die Macht von sieben Awliya. Shaykh Mehmet Effendi, denk daran. Sie waren so majestätische, mächtige Leute.
So drangen sieben Männer in den Palast ein. Als diese Balkanrevolutionsgruppe kam, drangen sie in den Palast ein und erklärten dem Sultan: Die Leute wollen dich nicht mehr. Und Sultan Abdülhamid tat nichts. Sie waren nur sechs, sieben Leute. Ich glaube, es waren sechs Männer, die Verräter. Und es war ein Jude, genannt "Karasu" unter ihnen. Okay, ich verstehe das, aber warum habt ihr den da gebracht? sagte der Sultan. Warum habt ihr den mitgebracht, um den Kalifen des Islam zu entthronen? Die Hand Karasus war so. Er hielt eine Waffe. Er hätte es sogar soweit treiben können, den Sultan zu erschießen. Er hätte alle sieben Männer dort erledigen können, wenn er die Wachen gerufen hätte, aber er tat es nicht. Hasan Pasha küßte seinen Rock so viele Male, aber er sagte: Nein, "Innahu Hamidun Majid" (11:73). Sie waren solche Sultane! Die heutigen sind alle Müll. Laßt sie! Deshalb wurde dies zu der Zeit gesagt: Die Zeit wurde das Zeitenende. Was erscheint, gehört zu seinen Zeichen. Wa min Allaha t-Tawfiq. Al Fatiha. Allah ya Rabbi, Du weißt. Mögest Du uns vergeben. Mögest Du uns den Meister senden, sende uns den Sultan. Jetzt halten die Leute Ausschau nach dem Sultan. Die Leute warten auf den Sultan. Insha'Allah werden wir ihn sehen. Fatiha. Mögen wir die guten Tage bald erreichen, wir alle. Salam Qawlan min Rabbin Rahim. Salam Qawlan min Rabbin Rahim.

## Inspiration: 1st Day Of Eid

..."Ya Kareem", it is enough. Fatiha can grasp & throw the world like this. We don't know, we don't know our situation. We don't know about our situation. And it says, "Don't read Fatiha for dunya". Say "I leave it to the Ashab al-Nawba."

Read one Surat al-Ikhlas, making niyah for it to be a spiritual power for us. This is the new instruction. This is the Azamat/Greatness, AzamatAllah. Aman ya Rabbi, tawba ya Rabbi. It is not even a small bit for the whole world, even if whole world gathered & said it. What we want is, put all your effort for the Divine Word of Allah. Raise the flag, say, speak, have no fear. No one can destroy you. And for those who come to you, say "I leave it to Ashab al-Nawba". Bismillahi r-Rahmani r-Rahim. Tell them "Read 7 Basmala Sharif & go". That is it.

It is astonishing. Now there is a change in tajalli, Hj Mehmet. It is astonishing. I am ashamed, ashamed, ashamed.. I am ashamed to say "Make me get up, run..". How can I say? O Rasulullah, O Habibullah.. Dunya, dunya... Allah Almighty makes this dunya sit on an atom. Allah is Qadir al-Muqtadir. Not just the world but this universe of ours, Allah Almighty can make it sit on an atom. Al-Muqtadiru.

When GrandShaykh was telling me the meanings from Asma al Husna, he stopped at al-Muqtadir. He didn't say, he couldn't say. What is the simplest expression for it? AlHamdulillah now an expression has come- The One who has such a Power that can make a billion universes like ours sit on an atom. Allahu Akbarul Akbar, Ya Rabbi! There is no limit for Your Greatness. Tawba Ya Rabbi, tawba Astaghfirullah.

O my Lord, O my Lord, thanks to You. The waridat/inspiration is strong, Hj Mehmet. It comes to your heart also. Say it & write it down also. Subhanim Allah Sultanim Allah. Nabim Muhammad Alayhi Salam. Fatiha for Umm Haram Sultan. The inspirations are very strong, Sh Mehmet. Be careful &, also record what is coming inside. Say it. Say or write it down, as you like. Have no fear.

Allah Allah.. Allah, Allah, Allah. Allah, Allah. Subhanak Ya Rabbi. How beautiful is our Lord. And what have we seen from His Beauty? If even an atom came from His Beauty, an astonishing beauty fills the universe Astonishing! Allah Allah.. Allahu Akbar. Awliyas now have fallen into an ocean of astonishment because of the opening/futuhat, Hj Mehmet. Allah..

I am ashamed to say "give strength for my hands, for my feet.." I am ashamed. They are saying from upstairs "Is this the purpose? Are we going to deal with your hands, feet?" I say, to erect the flag of Islam, the flag of Heavens.. I am a person in the state of weakness. Fatiha.

If one of the Holy ones kicked this world with his feet, he can throw it from its orbit to a distance which has no end. Allahu Akbarul Akbar. Allahu Akbarul Akbar. Allah! If a waliyyullah (saint) touched it like this.. May Allah forgive us. Forgive us O Lord. Fatiha. Shukur Ya Rabbi, Shukur. An futuhat/opening like for the Sahib al-Zaman never opened before - Mahdi (as), Allahu Akbar.

The people were happy here. They got happy. (greeting from the window)

S.M. It was a complete festival.
M. We couldn't have done this in the mosque. How beautiful it was. I also got happy. Actually I was happy too. We can't go out of the "human" attribute. Attributes that belong to man are

dressed on us, servanthood attribute is dressed. Therefore we can't go beyond this. We are helpless. The One Who is Qadir al-Muqtadir is our Lord. But He will open now. What is the gift for the Eid is coming from the 1st Heaven, for the Eid. He will open, will open Sham al-Sharif now. He is a strong one, from the Ishraqiyyun, Adnan al-Tahir Hz. Allahu Akbarul Akbar. And for us too, for us too... Ya Rabbi.. Allah shukur, Allah shukur...

**Instructions at Aschura 1434**

---

Everyone now should put in their homes food supplies that will last for at least 1 week. They should not waste their money, or later they will fall in difficulties. Who smokes should quit. Who drinks should quit. Who wanders around in the streets should stop doing so. If something happens to them, I am not responsible. There are holy ones that are responsible for those who keep these orders & they protect them. For others, there is fear for all of them. There is something to fall on the heads of those who don't make sajda to Allah. There is something to come on them that they won't like - they will either lose their life or their wealth. This one is my cat. It is from the other group (jinns). They should not be without doing the prayers,there is danger for all of them. They should quit smoking, should quit hashish & drinking. They should go to mosque to perform prayers with jama'at, at least once a day & Allah will keep them protected. Or all of them are in the hands of shaytan and what will come on them is their punishment. We are ordered to declare this, don't have the power to perform it. May Allah forgive me & forgive them. O Allah, O My Lord... Before there were special rooms in the mosques & hodjas would teach there. Now they built big schools & they send the children from one place to another. This is not right. They should educate them in the nearest mosque and leave the other schools. Because I am very upset with this. Also the awliyas kept quiet, the awliyas in Egypt, because they don't like it- Putting a 5 year old in a car & send to school. This is foolishness. And after it happens they cry. Aman ya Rabbi, tawba Astaghfirullah. May Allah forgive us. May Allah forgive us. Be careful with your prayers! If something happens to those who don't pray, they are responsible for it. The declaration is this, for all the Muslim World. Because this punishment to come doesn't favor the Princes or the government officials, does not favor the president or the wazir, it will just hit & finish. There are many lightenings to fall. We seek refuge in Allah.

All who don't make sajda are in danger. There is death in front of them- those who don't pray. It will wipe

them out first. Who has no sajda will be taken, they should make sajda at least once a day for Allah Almighty. Don't ever drink! They should stop the night life- From the mosque to home & from home to mosque only. It is barakah for them & also Allah Almighty protects them. O Lord, may You forgive us. Fatiha. Put this in Turkish & in Arabic also. Put it in (Saltanat). This is an advice. Who hears it is saved, or else they will be very upset later. They will cry too much but it won't help anything. All who don't put their foreheads down even once for sajda will be taken away. What those who don't make sajda eat & drink is haram. This is the advice coming to us from the Heavens. We are responsible to declare it, but not responsible to make them do it. O Allah, O Allah.. We should know Allah. We should know our Lord. We should make sajda for Him. There are many terrible things to come on those who don't make sajda. Don't smoke. Don't drink. Don't go & wander around in dirty places at night. Keep your daughters & sons at home, prevent them (from such actions) or it is you who will cry later. Allah, it is the order of Allah. O Allah, Your Order is the most high & who keeps it are Your servants. Crying later doesn't help anything. Stand by the side of our Prophet (sas). Don't go after the false men. Neither will they be saved nor can they save anyone. They will sink & others will sink with them. Don't follow anyone who doesn't pray. O Allah, O my Lord.. Here the 10th of Muharram is coming. We may see what will come, what will appear, what kind of things will happen. Many people will be taken away. Allah... Maybe one in a hundred, maybe one in ten only will remain. Maybe not even that because this is the Revenge of the Heavens- the Heavenly Anger for the things that the Yazids on earth do. May Allah forgive us. Aman Ya Rabbi. May You not leave us to our egos. Aman ya Rabbi, may You not expel us from Your servanthood, Allah... O Allah, may You send a Master for the nations of Your Beloved. Fatiha. It will reach the whole world, especially the Muslim world- Muslims. If 1 whip comes for non-Muslims, 10 whips to come for who don't keep Islam. Don't fight, don't say "I am Kurdish, I am Turkish, I am Arab, I am Egyptian, I am Hijazi". Say "We are servants of Allah" & try to do His Worship. If it wasn't for Umm Hiram Sultan Hz, O two-legged ones of Cyprus, so much would happen to you but fortunately she is a Mercy, she is preventing. Allah.. Fatiha..Allah...

**Anweisungen**

---

Bismillahi r-Rahmani r-Rahim. Jeder sollte jetzt bei sich zu Hause Essensvorräte lagern, die mindestens eine Woche halten. Sie sollten ihr Geld nicht verschwenden oder sie geraten später in

Schwierigkeiten. Wer raucht, sollte damit aufhören. Wer trinkt, sollte damit aufhören. Wer auf der Straße herumläuft, sollte damit aufhören. Wenn ihnen etwas zustößt, bin ich nicht verantwortlich. Es gibt Heilige, die verantwortlich sind für jene, die sich an diese Befehle halten, und sie beschützen. Um alle anderen muß man fürchten. Es wird etwas auf ihre Köpfe fallen, auf jene, die nicht Sajdah vor Allah machen. Es wird etwas auf sie herabkommen, was ihnen nicht gefällt. Sie werden entweder ihr Leben oder ihren Reichtum verlieren. Das ist meine Katze. Sie gehört zur anderen Gruppe (den Djinn).

Sie sollten nicht ohne die Gebete sein. Es besteht Gefahr für sie alle. Sie sollten aufhören zu rauchen. Sie sollten aufhören Haschisch zu rauchen und zu trinken. Sie sollten zur Moschee gehen und die Gebete in Jama'at machen, wenigsten 1x am Tag, und Allah wird sie beschützen. Oder sie sind alle in den Händen von Shaytan. Und was auf sie herabkommen wird, ist ihre Strafe. Uns wurde befohlen, dies zu erklären. Wir haben nicht die Kraft es auszuführen. Möge Allah mir und ihnen vergeben. O Allah, o Mein Herr..

Früher gab es besondere Räume in den Moscheen und die Hodjas unterrichteten dort. Jetzt bauen sie große Schulen und schicken ihre Kinder von einem Ort zum anderen. Das ist nicht richtig. Sie sollten sie in der nächstgelegenen Moschee unterrichten und die anderen Schulen sein lassen. Ich bin sehr verärgert darüber. Auch die Awliya haben bis jetzt dazu geschwiegen in Ägypten, weil sie es nicht mögen. Einen 5-jährigen in ein Auto zu setzen und zur Schule zu fahren, ist Dummheit. Und wenn es passiert, weinen sie. Aman ya Rabbi, Tawba Astaghfirullah. Möge Allah uns vergeben. Möge Allah uns vergeben.

Seid sorgfältig mit eueren Gebeten! Wenn denen etwas geschieht, die nicht beten, sind sie selbst dafür verantwortlich. Das ist die Erklärung für die ganze Muslimwelt. Denn diese Strafe, die kommen wird, begünstigt nicht die Prinzen oder die Regierungsbeamten. Sie begünstigt nicht die Präsidenten oder den Wesir. Sie wird einfach zuschlagen und Schluß. Es werden viele Bitze niedergehen. Wir suchen Zuflucht bei Allah (swt). Die, die keine Sajda machen, sind in Gefahr. Der Tod ist vor ihnen, vor denen, die nicht beten. Es wir sie zuerst auslöschen. Wer keine Sajda hat,wird hinweggenommen. Sie sollten wenigstens 1x Sajda machen am Tag für Allah den Allmächtigen.

Untersteht euch zu trinken! Sie sollten mit dem Nachtleben aufhören. Nur von der Moschee nach Hause und von zu Hause zur Moschee. Und Allah der Allmächtige wird sie auch beschützen. Herr, mögest Du uns vergeben. Fatiha. Übersetzt das ins Türkische und auch ins Arabische. Setzt das ins Internet. Dies ist ein Rat. Wer darauf hört, wird gerettet, sonst werden sie sich später aufregen. Sie werden viel weinen, aber es wird ihnen nichts nützen. Alle, die ihre Stirn nicht wenigstens 1x niederlegen zur Sajda, werden hinweggenommen werden. Was jene, die keine Sajda machen, essen und trinken ist haram.

Das ist der Rat, der von den Himmeln zu uns kommt. Wir sind dafür verantwortlich, es zu erklären, aber nicht verantwortlich, daß sie es tun. Allah, Allah... Wir sollten Allah kennen. Wir sollten unseren Herrn kennen. Wir würden eine.. Es werden viele schreckliche Dinge auf die herabkommen, die keine Sajda machen. Raucht nicht. Trinkt nicht. Geht nicht und wandert nicht herum an schmutzigen Orten in der Nacht. Haltet euere Töchter und Söhne zu Hause, hindert sie an solchen Taten oder ihr werdet es sein, die später weinen. Allah! Es ist der Befehl Allahs. O Allah, Dein Befehl ist der höchste, und wer sich daran hält, sind Deine Diener. Das Weinen später hilft nicht.

Steht an der Seite unseres Propheten (saws). Folgt nicht den falschen Leuten. Weder werden sie gerettet werden, noch können sie jemanden retten. Sie werden untergehen und andere mit sich ziehen. Folgt niemandem, der nicht betet. O Allah, mein Herr.. Hier kommt der 10. Muharram. Wir werden sehen, was kommt, was erscheint, welche Art von Dingen geschieht. Viele Menschen werden hinweggenommen werden. Allah... Vielleicht bleiben einer von hundert, vielleicht einer von zehn. Vielleicht nicht einmal das, weil dies die Vergeltung des Himmels ist, der Himmlische Zorn für die Dinge, die diese Yaziden auf Erden tun. Möge Allah uns vergeben. Aman ya Rabbi. Mögest Du uns nicht unserem Ego überlassen. Aman ya Rabbi, mögest Du uns nicht von Deiner Dienerschaft verbannen. O Allah, mögest Du einen Meister senden für die Nation Deines Geliebten. Fatiha. Es wird die ganze Welt erreichen, besonders die Muslimwelt, die Muslime. Wenn eine Peitsche auf die Nicht-Muslime herabkommt, kommen 10 Peitschen auf die, die den Islam nicht bewahren. Kämpft nicht, sagt nicht: Ich bin Kurde, ich bin Türke, ich bin Araber, ich bin Ägypter, ich bin Hijazi. Sagt: Wir sind Diener Allahs. Und versucht, Seinen

Dienst zu tun. Wäre es nicht wegen Umm Hiram Sultan Hz, ihr Zweibeiner von Zypern, würde euch so Vieles geschehen. Aber glücklicherweise ist sie eine Gnade. Sie verhindert es. Allah.. Fatiha.. Allah..

## Instructions for Observance of the Day of `Arafat

(Mawlana Shaykh answers questions from Hajjah Roqiya.)

A`oodhu billahi min ash-Shaytaani ‘r-rajeem. Bismillahi ‘r-Rahmaani ‘r-Raheem.

It will be as they declared; no one can do as they like. They will go up on the day according to the fatwa given there. Their answer is this: they will complete al-Hizb al-`Azham, no smoking, no sheesha, no fighting or discussing on that day as they will be busy with prayer and du`a; finished. If they do this, they will pass through as “clean;” otherwise, they will return as they left.

(And the ones that did not go?)

May Allah (swt) grant it to them.

(Are there instructions for them?)

Yes, of course there are. (Mawlana Shaykh and Hajjah Roqiya consult a book.) If it is possible for them, they may read this:

RECITATION ON DAY OF `ARAFAH

100 times Laa ilaaha illa-Llah wahdahu laa shareekala lahu ’l-mulku wa lahu ’l-hamd yuhee wa yumeet wa huwa `alaa kulli shayin qadeer
100 times Surat al-Ikhlaas
100 times Subhaan-Allahi wa ‘l-hamdu lillahi wa laa ilaaha illa-Llah w ’Allahu Akbar
100 times istighfaar
100 times salawaat on the Prophet (s)

Increase the recitations and weep during du`a so favors may be granted. For the day of `Arafat, from the morning until the evening recite 1000 times Surah Ikhlaas; this is what Grandshaykh (q )said.

(Recite, Laa ilaaha illa-Llah wahdahu laa shareekala lahu ’l-mulku wa lahu ’l-hamd yuhee wa yumeet wa huwa `alaa kulli shayin qadeer.) This.

(SubhaanAllah wa’l-hamdulillah wa laa ilaaha illa-Llah w ’Allahu Akbar wa laa hawla wa laa quwatta ila billahi ‘l-`Aliyyi ‘l-`Azheem.)

FROM GRANDSHAYKH (q)

What our Grandshaykh (q) said, they may finish reading:

1000 times Surat al-Ikhlaas until sunset, “Qul huw Allahu Ahad.”
100-1000 times salawaat
100 times Laa ilaaha illa-Llah wahdahu laa shareekala lahu ’l-mulku wa lahu ’l-hamd yuhee wa yumeet wa huwa `alaa kulli shayin qadeer

May Allah accept. Ameen.

Fatihah.

`Eid was going to be next Saturday so that it would be Hajj al-Akbar; anyway, it’s okay, they will receive its reward. May Allah forgive us.

Fatihah.

We fast the 8th and 9th Dhul-Hijjah, Tarwiyya and `Arafat. This is for us, but for the hajji's there is no fasting on the day of Arafat as they are busy with the duties of Hajj, so no need for them. Others fast Yawm al-Tarwiyya and Yawm al-`Arafat.

Fatihah.

## Instructions from the Night of Baraat

(Dt.: AnweisungenFürBaraat)

These are the instructions from last night- Bismillahi r-Rahmani r-Rahim, after the night of Baraat. They don't want anyone to come here from Europe. And those who are here should return to their places. These are the instructions- Everybody will do what he has to do in his home, in his own place. There is no permission anymore to visit here.

It is not certain what may happen till Ramadan. Later they may get stuck here & their families are there. They can't handle it. Therefore whoever is here from the Europeans. Who wants to come here from Europeans.. Until a 2. instruction, no one may come. No one may leave their homes, their children. They may not come here with their children. Now there is no necessity, no necessity anymore to come here for visiting. Until Eid al-Adha/Festival of Sacrifice, 3 months. 3 months- whatever happens, happens & whoever remains, remains. Therefore whoever is here, coming from Europe, they may make their preparations this weekend immediately and go back to their families.

No one will come here from there anymore, they can't handle! It is not possible to handle! There

is such an instruction. The people of Turkey also, they should keep to their own places. They may not crowd in here. No need. They have appointed Shaykhs there, they will look after them. Everybody who finds a chance comes here. No, it is closed now. You understand? They will have both sides emptied because it will be a burden on them. It won't be a burden on us, but on them. Everybody back to their homes.

There can be a war, battle & they can't find each other, can't find their ways. They can't find a place to go. And they would be left here bewildered. No need. Such an instruction came to me in the night of.. This is the instruction of the night of Baraat. He said "Don't let anyone stay here, other than it's own local people. Whoever had come, may return to their own place, until the end of the Eid. At the end of the eid, if there is nothing they may come for eid visit. If not, until the end of Ramadan no one should move from his place. Then they may be here & their children there. A state of misery comes on them. Thanks to Allah, there is no heaviness to us. But there is heaviness to them.

There is no heaviness for me if all people in Turkey came here. They will eat what they find. But the people of Europe will remain where they are. Inform & warn people about this. That Europeans, starting from Monday, or tomorrow, they may start preparations to return. No one now should come here from there. Here is a dangerous zone. They can't find their way out later. They may remain in their homes, with their families, if possible in the countryside, should look to countryside. They should not live in the cities. The instruction is this.

Cypriots here are different, we don't interfere with them. It is not our job. Cypriots, it is their home. They may do whatever they like. But for the visitors from outside, the doors will be closed, he says. Everybody may do his wird, his mission, in his own place. No need to come & sit here anymore. It is enough! No one from Europeans may come! Turks may sit in their own places. They have their own dargahs & takkas. If Sham opens, new instruction comes. Even if Sham opens, it still has time. No need to come here, but to Sham! They may go to Sham.

The ones in Sham may remain steady in their places, may they have no fear. The instruction has been received. Lock your doors & remain in your house. It is the instruction of our Prophet (sas):

"Who enters his home & locks his door is in safety & security". May the ones in Sham have no fear! Remain in your home, spread your prayer rug & continue with your tasbeeh, no one can touch you. If they do this, there are many awliya there who take the responsibility. This instruction is for them (Sham).

The ones in Egypt are different.The ones in Egypt may not go in the streets! They may not go out except for mosques. They may not go out, men & women. If women go out, they are responsible for what will come on them. Women should cover themselves, conceal themselves; they may not be seen! They may lock their doors & remain inside. Aman Ya Rabbi.

This instruction has come, especially for the Europeans. Europeans, Indian, Iranian, whoever is here there is an order now for all of them to go back to their places. Now the dargah only welcomes the ones belonging here, does not welcome visitors from outside anymore. Whoever has something, may go to Hala Sultan Hz. Here can't hold it anymore. They can't take responsibility, the ones here now. They may leave them & they learn their lesson, the people of Lefke. All of them will leave, this is the order: They go back to their places! There is a separate instruction for the other Cypriots. We seek refuge in Allah.

What will come after this is not known. People may go to the countryside. People should go to countryside now. They won't be able to be in the cities, will run away from the cities. This instruction is especially for those who stay in the dargahs & come to visit from outside. All of them may get ready to move starting from tomorrow. Men, women, children..No need,not wanted anymore. Dargahs are opened for them in their own places. No need for them to be here anymore. We have the power to feed even the whole world. It is not that but they can't tolerate it. They can't tolerate it.

The people of Egypt may not move from their places. They may stay in their houses, or they may move to the countryside. They may go to countryside. There is danger, there is danger for Egypt. Sham has already received it's danger.

There is also danger for Turkey. They may not move from their places. Who are in Istanbul, may move out from Istanbul back to their towns. If not, they go to their own ruin. This is the

instruction from the awliyas who carry the spiritual burden of that place (Istanbul). "If the people in Istanbul remain here, 95% of them will be ruined", he said. There is no need. If they don't listen, they will be ruined. Our situation is like this now. From Europe, America, wherever they came from, everyone turn back to his place! There is no permission to stay here, they don't want anyone to come either. They may stay in their places & carry out the Naqshi way. There is no need for them here anymore.

This is an instruction which came to my heart in the morning of the Baraat night. We have never become needy, helpless in all these years, thanks to Allah. We managed with the blessings & grants of Allah Almighty but there is an instruction, there is an instruction that "they should go back to their places". They may raise the flags of the Naqshi way & may they not fear. And the Egyptians may not go out from their homes. They may not wander out in the streets. Especially at nights, may not go out. They may sit, their doors & windows closed and their lights switched off. The house many not be without a man. To solitary places, the people in Istanbul may go back to solitary places, to their towns. If they don't, there is ruin for them. We don't interfere. There is no danger for the old inhabitants like you, but who came later on, there is danger for all of them.

The time is near. The Master of the Time is coming. What will happen, will happen. There will be war, as well as damage. They informed me about this important point- American; European or whosoever no need for them to be here. No one may come to visit either. It's (closed), holiday until the Eid al-Adha. They may keep some supplies in their homes. They may not show outside if there is a girl, or boy in their homes. They may close, and lock their doors from outside and they may not move from there. They may make a circle around it with 7 Ayat al Kursi, no one can touch. Allahumma salli ala... Ya Rabbi, You are Great. Ya Rabbi, You are Great.

This is important- the foreigners will move out now immediately! They may prepare & move out starting from tomorrow. Turks also, they may move out and go back to their places. No one should stay here. I will close it. The instruction is like this. I can't close but the instruction is such that, close the thing in here & leave. The people who live here may come & go. Who came from outside, no need. There is no permission. Women without men come here. No need. Women,

even in their places, they may not go out from their homes, may not be seen! This martial law is coming from the Heavens, Hj Feridun. May Allah protect.

Other than who is with us, no one can stay. You understand? Wa min Allah at-tawfiq, Al Fatiha. Inform about the instruction. Starting from tomorrow, all Europeans here will return to their places. May they be in safety. May we be in safety also. "Out! Out of Istanbul!" Don't stay in Istanbul!"- The order. It will happen within 6 months. Therefore, my great grandfather was given the news. He said "I don't want Istanbul nor do I want Turkey. I may travel to Cyprus, and be in the open". They are strong, their understanding is strong, they know.

Allahu Akbarul Akbar! Allahu Akbarul Akbar! O Our Lord, we are weak. We are weak, O Lord. Fatiha.

May Allah protect you. They have reached the end of the road in Sham to hit, the others are finished. They can't hit from here to there. No, no. It is closed now. They can come till Jordan but can't go beyond it. If they do, I will take care of them! I may not be able to walk but I can reach them! Aman ya Rabbi!

Until now, to whomever we gave permission to visit & stay here, after the Night of Baraat, the permissions are taken away, until the situation in the Middle East is resolved. They may keep to their homes, themselves & Allah keeps them. Ok son, go on with your work.

G. Thank you! Allah bless you. I am happy with this.

## Current Precautions when Visiting Sultan al-Awliya

(dt.: InstruktionenFürDhulQadah)

...in that month, during the time of Hajj, the season of hujaaj, pilgrims, they (visitors) may stay here, and at the beginning of Dhu 'l-Q`adah every one must go to their homes because there may be trouble in our Mediterranean area, and then it will be difficult for them and for our people here or for governments. Then there may be no planes or ships coming and going and it may be difficult for them (to return home) and for our people here (to host them).

It means you must look after your work: who is working may go to work and those not working and other people may go to their homes, as their governments are looking after them. Therefore, I am cautioning everyone not to stay (in Lefke) longer than ten days, because difficult conditions may be in the Middle East and then it may be difficult for them to remain here. Thank you.

Everyone must care for their homes, for their families and for their work. From here they got what is necessary and now they must go back and try to make people come to Islam. They may do dhikr there as it prevents any bad thing or bad conditions coming on them. I advise that they should have a countryside place to live rather than in cities, because in the mountains it will be like a seclusion for them. From the beginning

of Dhu 'l-Q`adah up to `Eid al-Adha, all of them may attempt seclusion. Therefore, they must try to go back to their homelands, to their homes.

Even to bring one person into Islam is more valuable to them than being here one or two years! They must try to do something for their people and for Islam, and Islam is for Allah Almighty. Thank you. I don't like them to be here as lazy ones; no, they must try to bring as many people as possible to Islam. In Europe it is a suitable season for people to come to Islam!

I could keep you here for six months, but it is not true (best). You should learn as much as possible and then return and find people who want to come to Islam and to learn. Make that your priority as much as possible.

As-salaamu `alaykum.

## Important Instructions for Muharram and Beyond

(Mawlana Shaykh stands) Allahu Akbar, Allahu Akbar, laa ilaaha illa-Llah. Allahu Akbar, Allahu Akbar, wa lillahi 'l-hamd! Allahu Akbar, Allahu Akbar, laa ilaaha illa-Llah. Allahu Akbar, Allahu Akbar, wa lillahi 'l-hamd! Alfu salaat, alfu salaam `alaa Sayyidi ‘l-Awwalina wa ‘l-Akhireen habeebi Rabbi ‘l-`Alameen wa `alaa aalihi wa saahbihi wa `alaa jami`i ‘l-anbiya wa ‘l-mursaleen alhamdulillahi Rabbi ‘l-`Alameen. (Mawlana Shaykh sits)

Thumma salaamu `alaykum ayyuha ’l-mu'mineen wa ’l-mu'minaat wa ’l-muslimeena wa ’l-muslimaat. As-salaamu `alaykum to all attenders who are taking care that it is Friday. Today is the first day of the new year; 1433 is coming and we are asking for it to be a holy year for all Mankind. They are saying, “A`oodhu billahi min ash-Shaytani 'r-rajeem.”

O People! The most dangerous one for Mankind is Shaytan, the most terrible enemy! Therefore, we are saying, “A`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem,” for a new beginning for Mankind on this planet.

The first day of the first month is tomorrow, but we are saying now is the beginning so it doesn't matter (if we say it starts today). If you can, fast the last day of 1432 and also tomorrow, the first day of 1433. The Seal of

Prophets (s), Sayyid al-Awwaleen wa ‘l-Akhireen, (Mawlana Shaykh stands and sits) gave good tidings that if you fast the last day of the previous year and the first day of the new year you will be like the person who fasts the whole year.

O People! Mubarak! Mubarak New Year for us. It is a very fixed day, no doubt. With the use of the western calendar and also so many other differences between people, other days are not fixed, but this is a fixed one.

O People! We are reaching the last century of dunya. As the Seal of Prophets (s) said, "Allah Almighty is giving to my nation. If they are on the straight, true way that Allah gives them, there are going to be many more days for them. But if they leave the Straight Way they are going to get much less or half a day for them. That means one day in the Divine Presence is like one-thousand (years) and that means his whole nation will last for 1500 (years). When that time comes, dunya will be finished and Judgment Day will come!

He (s) also said that when people approach the Last Day, Shaytan will approach them and make them deny all heavenly things. Because they are so drunk, when they begin to refuse all holy things--and I am sorry to say that now they are even saying, "There is no god"--then the Lord of Heavens’ Divine anger will come nearer to this dunya. Now people of every nation deny heavenly orders and prophets who were sent from Heavens; they lost their belief in that. Instead of asking for the blessed ones with heavenly orders, people deny them and run after Shaytan, so curses come on them. Now everywhere we look people are cursed ones! If you offer all of them treasures, they say, “No!” yet human beings are hungry and in unrest. Troubles continue in all nations everywhere, and now this is happening between people and within nations. Some signs are also coming from the Heavens, such as earthquakes, floods and hurricanes. No one can stop this from coming; all of these are terrible signs for terrible days that will come on people. Even if everyone were given treasures they wouldn't be happy.

O People! Take care! From the Heavens are coming either curses or blessings. People run away from blessings and after the curses that are coming on Earth now. There will come some big signs of which they spoke, an eclipse of the sun and also the moon. There are so many signs; people will die and wars will take the majority of people. Don't think that a handful of people will die, no, millions will die! HafeezAllah!

O People! Run and seek shelter for yourself under divine protection. Enough of drunkenness! Try to run after heavenly blessings to be in safety, both here and Hereafter. The signs are appearing now and everyone sees

that in this new year immigration is dangerous, perhaps in the beginning of this month and continuing. We have been ordered to declare to and warn people.

O People! Look after yourselves! If heavenly revenge touches people there is no way to escape and they will die. Many signs now show that in this month and beyond so many terrible events will happen daily. In this month, Muharram, Allah Almighty has always given His believers a chance to stand up. Now the majority of them, those who are denying, will go and the minority will remain on Earth. Anyone who wants to reach good days must come to the heavenly orders of the Lord of Heavens! Be obedient, because obedience is a shelter for Mankind, and disobedience is the main cause of heavenly revenge.

O People! Stay in your homes, don't come outside. Allah Almighty related in Holy Qur'an:

**••••••• ••••••• ••• ••••••• ••••••• ••••••• •••••••••••• ••• •••••••••••••• •••••••••• •••••••••• •••••• ••• ••••••••••**

Qaalat namlatun yaa ayyuha 'n-namlu 'dkhuloo masaakinakum laa yahtimannakum Sulaymaanu wa junooduhoo wa hum la yash`uroon.

One of the ants said, "O Ants! Enter your homes unless Sulayman and his armies unknowingly trample you." (an-Naml, 27:18)

One ant warned all the ants to quickly enter their homes, and now, although it is no good for them, everywhere you see people going outside. Get indoors! Muslims, don't go out as now it is forbidden. If men are present, it is highly forbidden for a woman to go out. If you are asking anything, ask in your holy places, in mosques. Men should go there and women should be in their homes. Muslims are disobeying the holy orders of the Heavens and, therefore, it is dangerous for both the Muslim and the non-Muslim world.

I don't know what is going to happen on the tenth of this month. Malhamatun kubra, Armageddon, the biggest war, will occur closer to the Day of Resurrection and will not take not millions of people, but billions! Therefore, I am looking now at the ninth and tenth of this holy month, Muharram.

O People! Keep yourselves if you are asking to be protected; if not, you will be taken. Don't say, "There is

nothing coming in the river," because you may come and go, but a flood may suddenly take everyone. Leave forbidden things and keep the holy orders from the Lord of Heavens! If not, this flood will take away billions of people to Akhirah.

There is coming to me now a declaration for the attention of people and a declaration for our brothers and sisters: up to the tenth of this month, looking; after that, if anyone wants to come for a visit, they must keep themselves in their homes as there is no need to come here. With what is coming, from 10 Muharram there is no permission for those who are asking to come now. Everyone who has visited (who are still in Cyprus) may go to their homes to their children and families. There is no more coming here. You should be done visiting by next Jumu`ah, because if anything happens you will find yourself in a difficult position trying to go back, so that any visitors who remain here will carry responsibility for themselves! You may go to your families and countries, and warn people. There will be no more visiting now until Milaad an-Nabi (s), for the next three months of Muharram, Safar, Rabi' al-Awwal. If anything happens, no one is to come and no one is to move! If nothing (happens), they must ask for permission to visit in Rajab.

Who finishes their visit here will look after their own safety, yes. As for the tenth of Muharram, what is going to happen, Allah (swt) knows, but difficulty is coming. It is not heavy on my shoulders to look at the whole world's people, but you can't carry that. Therefore, up to next Jumu`ah you must prepare yourself to quickly go to your homes.

May Allah forgive us. We are not joking! It is finished, the time is over and heavenly revenge is approaching. May Allah forgive us.

O People! Keep saying, astaghfirullah, astaghfirullah, astaghfirullah and also salawaatu 's-salaam hundreds, thousands, or hundreds of thousands of times. Keep something (provisions) in your home for your family. Allah (swt) is giving everyone provisions, but you must take care because if anything happens there will be no items available in shops or markets. Don't keep money, but keep food and what is necessary for your family to live.

O People! Come and listen! The Day of Resurrection is approaching, and unexpected, big events are appearing on the horizon. May Allah forgive us! Try to work for Allah, so that He may protect you. May Allah forgive us. It is a small warning, but heavy sounds of revenge will come from the Heavens and it is now

approaching people. May Allah forgive us and protect us under His Divine protection. Keep praying and leave forbidden things. Keep your faith, keep your honor, keep your children, and may Allah protect you and give you a good chance here and Hereafter. We are only making a heavenly declaration.

O My Listeners! Those who are not accepting will fall into a heedless valley from which it will be impossible to get out. Astaghfirullah, astaghfirullah, astaghfirullah, astaghfirullah, astaghfirullah, astaghfirullah, astaghfirullah, astaghfirullah, astaghfirullah, astaghfirullah, astaghfirullah, astaghfirullah, astaghfirullah, astaghfirullah al-`Azheem. Tawbah yaa Rabbi, tawbah astaghfirullah. Tawbah yaa Rabbi, tawbah astaghfirullah. Tawbah yaa Rabbi, tawbah astaghfirullah. O our Lord! Send us heavenly armies to fight against Shaytan and its armies and followers. Ameen. Alhamdulillahi Rabbi ‘l-`Alameen.

Fatihah.

Don't go out at night as there is great danger, and don't go out in daytime without a reason. Keep yourself in your homes and your mosques. Pray for each other, keep (supervise) your children, and don't do forbidden things as they will bring heavenly revenge on you. Keep your honor and be obedient servants for Allah Almighty!

(Bay`a)

## Sultan's Instructions to Recite "Qul Yaa `Azheem"

(Mawlana Shaykh Nazim recites qasidah from Mawlid ad-Dayba`i, a book presented to him by Shaykh Hisham Effendi.)

Qul yaa `Azheem anta 'l-`Azheem, qad hammanaa hammun `azheem. Wa kullu hammin hammanaa, yahoonu bi 'smika yaa `Azheem.

(Sajeda sings the qasidah for her grandfather, Mawlana Shaykh Nazim.)

Aferin, well-done! This was needed. This must be heard on the minaret after every adhaan, and in every gathering also. Do you have any more copies of this? (There are plenty downstairs; one-hundred of them.)

(Shaykh Hisham Effendi: Sayyidee, if you like we can send you a box full.)

This is needed for Turkey, too. This one has English translations. Have them write a separate one for us in Turkish. I shall have them write this as it is crucial; it's needed. Have them read this at every gathering. Shaykh Mehmet Effendi must also have the people in Istanbul read it. Those who listen to us must carry out this order.

(Sajeda continues to recite the qasidah, along with Hajjah Naziha.)

Is this the continuation of it? (Yes.)

Anta ‘l-qadeem qadeemun fi ‘l-azal.
Anta ‘l-lateef lateefun lam tazal.
`Anna azil maa qad nazzal
min faadihi ‘l-khatbi ‘sh-shadeed.

You are The Ancient, Ancient One.
You are The Subtle, with subtleness everlasting.
Remove from us what has befallen us
of grave and difficult afflictions.

[Chorus]

Qul yaa `Azheem Anta ‘l-`Azheem.
Qad hammanaa hammun `azheem.
Wa kullu hammin hammanaa.
Yahoonu bi ‘smika yaa `Azheem.

Say: O Tremendous! You are the Tremendous One.
We have been afflicted with a grave concern.
And every concern we are worried about,
Becomes easy with the mention of Your Name, O Great One.

Hayyun qadeem qadeemun waajidu
baaqi ghanee ghaniyyun maajidu.
‘Adlun ilaahi ilahun waahidu
barrun ra`oof ra`oofun bil `abeed.

Living Ancient, Ancient and Generous;
Immortal Rich, Rich and Glorious.

Just God, one God.
God is Tender, tender with the servant.

[Chorus]

Wa li ‘n-nabiyyi salli yaa salaam
minna salaatun maa salaam.
Yawmal jazaa nahnaa salaam
mimmaa nakhaa fu yaa majeed.

And upon the Prophet of Peace,
From us send greetings and blessings.
Grant us safety on Judgment Day,
From all things which we fear, O Glorious One.

[Chorus]

Wa ‘l-aali wa ‘s-sahbi ‘l-usood
saadu bihi beedan wa sood.
Laa siyyamaa maahi ‘l-hashood
sayfu ‘l-ilaah ibnu ‘l-waleed.

And the lions from the Family and Companions
Became masters through him, regardless of being white or black.
Especially the one who wipes out great armies;
the Sword of Allah, (Khalid) son of al-Waleed

[Chorus]

Allahuma salli wa sallim wa baarik `alayhi wa `alaa aalih.

Aferin, aferin! Well-done! You see, this is very nice. Have them recite this daily downstairs. Rukiyyah, you too. They should get used to it. Tell the mu’adhdhin to read this before the adhaan, or after the adhaan... have

them read it at night; this is very important. Now I shall lay down a little. What to do? We're getting sleepy, Hisham Effendi. (laughter)

Now look; say this to those people. (At your command, Sayyidee.) Important matters will arise. Shaykh Hisham Effendi? (At your command, Sayyidee.) Inform Indonesia to read this before every adhaan. People who listen to us from any association must read this. A wave will come... (Reading this will protect you from tsunamis; it will prevent it from happening.) Mashaa-Allah, there are 300 million in Indonesia; all of them must read it! I will have it read in Istanbul, for those who listen to us. Listeners must read it. I will announce it here, too. (Imaam Abdur-Rahman is returning today; we will tell him to read it.) He should have them make it a habit. Very good. Thanks to Allah it's approaching and this needs support!

(End)

## News and Instructions for Safar

Dastoor yaa RijaalAllah, madad. As-salaamu `alaykum. (Mawlana Shaykh stands) Allahu Akbar, Allahu Akbar, la ilaaha illa-Llah, Allahu Akbar, Allahu Akbar, wa lillahi 'l-hamd! Allahu Akbar, Allahu Akbar, la ilaaha illa-Llah, Allahu Akbar, Allahu Akbar, wa lillahi 'l-hamd! Alfu salaat, alfu salaam `alaa Sayyidi 'l-Awwaleen wa 'l-`khireen, Sayyidina Muhammad (s), wa `alaa aalihi wa saahbihi wa man tabi`ahum bi-ihsaan ila yawm ad-deen. A`oodhu billahi min ash-Shaytani 'r-rajeem. Bismillahi 'r-Rahmani 'r-Raheem. (Mawlana Shaykh sits)

As-salaamu `alaykum wa rahmatullahi wa barakaatuh, yaa `ibaadAllah. Always try to say, "as-salaamu `alaykum" as that brings safety for you and for all people. Now people have forgotten to say, "as-salaamu `alaykum." The Seal of Prophets (s) said, ad-deenu nasihah, "Religion is advice." Religion was brought from Heavens through prophets, to bring people to the right path and to make them clean ones, because Allah Almighty likes that His servants are clean ones; they are going to Paradise, and dirty people are going to the Fire.

O People! Now we are coming closer to to the Last Day, Yawm al-Qiyamah. It is a period of this world when people who were living on this planet will be called for judgment on Judgment Day, then Allah Almighty is going to ask His servants what they did with their lives on this planet. Allah Almighty sent 124,000 warners

or prophets to remind people, and to make them understand what their missions are here on this planet. Everything has been sent to people in every era, and the first warner and prophet, or the first messenger for Mankind, was the first man, our grandfather, Sayyidina Adam (a). From his time up to the time of the Last Messenger, the Seal of Prophets, Sayyidina Muhammad (s), (Mawlana Shaykh stands and sits) sealed that he is the last one for all nations! He is the Last One to make people know their positions and learn how they should deal with their Creator, the Lord of Heavens, Almighty Allah Ta`ala. (Mawlana Shaykh stands and sits)

But now, I am sorry to say, the number of Mankind just reached five billion people, more or less, and the majority of Mankind is just living on this planet and saying, "We know so many things that our ancestors did not know or did not reach such knowledge." They think that to learn about technology is something that gives them honor! To make such things does not give honor to you when you leave this life and when we are going to be called, "Come, O Mankind! Come for your judgment in the Divinely Presence, to the One Who brought you when you were nothing, and now you are saying, 'We are something!'" You claim you are something, but after a while you are going to be dust, nothing! Your souls are the only "something" that have been granted to you from Heavens! Our physical beings are never working, and never doing anything with their physical beings alone, just as a car (that runs well) but can't move if they do not put petrol in it. When the petrol finishes, new-fashion 2011 car models are now coming and people await them in showrooms, but they can't move (on their own). To take you from one place to another, you must put something in them to make them run, just as without souls our physical beings can't move. When the period of our souls reaches to the last point, then that man falls down and dies.

Now Mankind claims they know everything, but you do not know that point because people say, "If we cannot see it or touch it, we do not accept it exists!" That is their wrong decision and understanding. Now we are running towards the time in which the Lord of Heavens is going to call everyone to judgment on the Last Day, and the people in our days are drunk, never interested in such things. As they have become uninterested in spirituality or heavenly news, some Signs will begin to be sent to them to make them think on it to understand. Now people reached the top point of technology, but so many strange happenings are coming in our days. People on Earth become like ants when the skies are covering them and sending something. They run away, but to where are they running? That technology and their knowledge can't bring any solution to

save them!

Now Europe is under heavy winter conditions and its people are running way, but to where are they running? They have never thought there is Someone's `iraada, will, sending those heavy clouds with millions of tons of snow and ice. How have millions of tons of snow been carried from one side to another? Elsewhere, massive flooding can't be stopped. They do not know where it is coming from and to where it is going, yet Mankind prefers to be drunk on New Year's Eve! What is that? They are running after that, but not thinking about what is happening all around themselves and now whole continents are witnessing and experiencing heavy rains that cause floods. That is carrying everything and the heedless people can't stop it! Now Australia has heavy rains during their summertime (we are now in winter), and they never thought such floods would come and carry everything away in summer, because people are drunk.

O People! You must try to think, ask, learn, and understand how these happenings are appearing on this planet. But people, governments, officials, and men and women are drunk, and the animal world also knows nothing about what they are going to do.

O People! Come and listen from Prophet's heavenly news! Come and try to understand how to do your best, for yourself and for all of nature and living ones; if not, it will finish. We are asking forgiveness this month, Safar, the heaviest month in the twelve months of the year, and it is well known that it is the heaviest, carrying so many heavy happenings. Therefore, we have been ordered to make at least two raka`ats sajdah for our Lord and to ask forgiveness, even two raka`ats, and to say 300 times "astaghfirullah."

O our Lord! We are asking for Your forgiveness! Forgive us so that cursing may be lifted! If not, an order is coming that in the near future there will always be much more difficulty.

O People! Come and ask forgiveness and put your foreheads in front of the Divinely Presence for saving you here and Hereafter. Say three times, ash-hadu an laa ilaaha illa-Llah, wa ash-hadu anna Muhammadan `abduhu wa rasooluh, and say astaghfirullah 300 times daily, give charity daily, even one piaster or one mille or less. Give for yourself and for your children, and run to make your charity for everyone; that charity is saving people here and Hereafter. We are weak servants, trying to reach east and west on this planet to save people from bad futures and cursing! May Allah forgive us.

O People! Ask for more mercy from Allah Almighty, to put you under His divinely protection, for the honor of the Seal of Prophets (s)! (Mawlana Shaykh stands) Zidhu yaa Rabbee `izzan wa sharafan nooran wa surooran, sultaanan wa ridhwaana. Bi hurmati 'l-Fatihah. (Mawlana Shaykh sits)

## Instructions on Travel to Cyprus

(KeineErlaubnis, dt.)

(Q&A session.)

To be in Lebanon is better as it is part of a continent, but so many people live here (in Cyprus) entirely surrounded by the sea. When no ships or planes will come and go, it will be like a prison here. There are also many (military) bases (located here). I don't know, but it is coming nearer now and it only needs a match, then voom! Turkey, Damascus, Middle East, all of them, and then Russia, China, voom! Allahuma salli `ala Sayyidina Muhammad.

Therefore, I saw when it began in Egypt or Tunis that it is the start of Armageddon, beginning with these tyrants being taken away, and then heavenly powers come. The period (of tyrants) is finished now, and one-after-one they will be taken away from Tunis, Algeria, Libya, Egypt, Damascus, Palestine, Iraq, Turkey, Hijaaz, all of them.

Therefore, I can't tell you to stay here longer as it is a long distance (to return to your homeland). When this war comes, commercial planes will stop flying because of the shooting. It is not a short distance from

California to here. If you will not be here longer, you can always keep in touch with Shaykh Hisham; see what he is doing, and to where he travels.

Question: Is there permission for people to come to Lefke during this time?

If they are close to Cyprus and visit here for three days, that is not too much (difficulty), but not two more days (not five days' visit). (Limit it to) three days, then if anything happens, they may quickly return home. If (a war) begins, then there is no need to visit here. Allahu Akbar, Allahu Akbar, wa lillahi 'l-hamd! Allahu Akbar, Allahu Akbar, wa lillahi 'l-hamd! La ilaha illa-Llah.

## THE INTERNAL ASPECT which is neglected DUE TO THE OUTWARD FORMS

When you are occupied with outward forms, you lose the meanings. Therefore, the one who is occupied by looking at outward things by externals is going to lose his inner life.

Religion is not only an external structure which has outward forms but it has an inner reality too. Now in our time our scholars are making Islam only an outward form and are speaking on and on about those magnificent forms from the outward aspect. But they can't imagine how magnificent it is inside.

However it is so difficult to enter into the internal side. There are guardians, asking from those who are trying to enter, an identity card and asking them, "To whom do you belong? What is this identity card?" If a person shows an identity card saying, "Servant of his Lord," and if it is signed by the Prophet Muhammad (sal), and by his sheikh, he may enter; if he has a real identity card of being 'abd-Allah, the servant of Allah Almighty, then the doors will be opened for him to go in. But if his identity card shows, "This is a worker for devils," or "A slave of his ego," or "A slave of this life or of dunya (the material world)," he is refused; he can't enter. Whoever is sometimes for his ego, sometimes for Satan, sometimes for dunya, sometimes for hawa, a slave to his desires, never gets in.

Therefore it is so difficult for a person to be successful, to make himself free from the hands of his ego and from dunya or from the hands of Satan. Therefore we must consider what is in Islam. We must look at that magnificent structure, the edifice of Islam, to see what is in it and what it is for. For what is Islam, for what purpose? What is the main goal of Islam, of Iman, of praying and of fasting? Are they ends in themselves? Yes, we must know.

Worshipping is not an end in itself. They are not ends but rather they are the means of taking you to your Lord's Divine Presence by making you His obedient servant. And to be an obedient servant takes you into His Divine Presence.

## INTERPRETATION OF THE QURAN and THE OCEANS OF KNOWLEDGE

Allah Almighty says that whatever that a person may ask for is to be found in the Holy Quran. He says Quranul kareem kithabul mubeen, but we cannot enter into these Oceans of Knowledge because it is for Sahib Makamul Mahmud who is Seyyadina Muhammad, on whom be peace. It is he who has been authorised to enter into these Oceans and to bring out pearls from it. He is the one who during a period of twenty three years made the Holy Quran clear to the Sahabas.

Everything must be found in the Holy Quran. Everything that everyone does must therefore also be found in the Holy Quran. If a person says that this meeting or association is not mentioned in the Holy Quran there will be danger for his Iman, for his belief. Yes, if Allah Almighty says that everything is in the Quran, it must then be so. This meeting too should be mentioned in it. The verse of the Holy Quran, Le fee hee Zikrukum, is proof of this. Allah Almighty says “Oh! mankind you have been mentioned in the Holy Quran”. “You cannot say “how can this be”? You must believe in it.

You must believe in the endless Power of Allah Almighty, in Kudratallah. You have been created weak; therefore do not try to measure huge things with your small mind.

Huge things belong to Allah Almighty and that is His attribute forever. He says that everything about you is in the Holy Quran. You must believe in it. This is why the Prophet, on whom be peace, gave “Thafseer” or explanations of the Holy Quran for a period of over twenty years. Without this giving you cannot enter into these Oceans.

This is why you are not able to read Quran Kareem or the Hadees (Traditions) of the Prophet and give an interpretation as to its meaning. You have not been authorised to do this. Therefore you must not try to give meanings to this. Today however, people who are not authorised are giving all types of meanings and interpretations of the Hadees of the Prophet, on whom be peace, and they say “I know Thafseer, I know the explanation”.

The Ulemas (Scholars) of days gone by authorised their successors and their students only after teaching them for a period of time. This period may have been for over ten years, fifteen years, twenty years, twenty five years, thirty years or maybe even for over forty years. It is only after teaching their students for such a long period of time that they gave their students the authority to speak to people about the Holy Quran and the Hadees.

I am therefore ashamed to give the meaning of a verse (Ayah) of the Quran or of the Hadees and to say that this is its meaning. Yes, I am ashamed to do this even though I have the authority from my teacher under whom I learnt. He gave me this authority fifty years ago. My teacher gave me authority in the traditional way. I was authorised to speak on Quran Kareem and on Hadees. It was given to me in writing, “I am giving authority to my student Muhammad Nazim bin Adil to speak to people on the Quran and on the Hadees, I give that authority to him”.

My teacher was also an authorised person. He was authorised by his teacher and likewise and so on until from teacher to teacher it reaches to the authority of the Beloved Rasoolullah, on whom be peace.

If a person gives meanings and interpretations to verses of Quran or Hadees and addresses people on it, and also if that person has not been authorised to do so by such an authority, he will be held responsible by Allah Almighty for the meanings that he gives to people. It is wrong, yes, very wrong for unauthorised people to give Bayan (religious preaching). They do not have permission to do that. Allah Almighty is their witness when they interpret without authority. They carry entirely the responsibility for this.

The Prophet Muhammed, on whom be peace, explained the meanings of the Quran for a period of twenty three years. The Prophet, on whom be peace, also spoke many Hadees during this period, perhaps millions of them. The Wahabi people take only a few hundred Hadees from one book or the other and say that these are all the Hadees that they accept to be the sayings of the Prophet. No! This cannot be so. The Prophet spoke for a period of twenty three years after the revelation came to him. He spoke not only for his Sahaba (Companions) but for the entirety of his Nation (Umma), He spoke to teach the whole World. How can this be that he only spoke a few hundred Hadees which are to be accepted?

Even when I speak to people they do not allow me to stop speaking. They want me to speak more. I am nothing compared to the Prophet, on whom be peace. Then what about the Prophet, on whom be peace, how much more would he have spoken. The Prophet Muhammed, on whom be peace, is an Ocean of Knowledge. In comparison to the knowledge of the Prophet, on whom be peace, the knowledge of all the Alims (learned scholars) put together would be like a drop of water compared to the mighty Oceans. Then how do we say that we know something.

People came from all over and from all directions to speak to the Prophet, on whom be peace, and he spoke to all of them. They came like unending rivers and he spoke to them. Therefore I am wondering why is it that out of all the things that the Prophet said only a few hundred Hadees of the Prophet, on whom be peace, are today acceptable to some people. Yes, he spoke so much and people are only accepting a few Hadees.

When the revelation of the Quran (Wahi), came to the Prophet, on whom be peace, he spoke to them about it, and he spoke so much else also. If people are not accepting this they cannot accept the Risalath or Prophethood of Seyyadina Muhammad, on whom be peace. These people claim that they are Doctors but they are ignorant ones. Yes, they say that they have received their Doctorates from England or from France or from some other such place. With their small minds they say that this Hadees is true and that Hadees is false. They say that a certain Hadees is weak and therefore it cannot be accepted. How can they say this? It is not Adab (good manners) to say such a thing.

If a person relates to you a Hadees, it is Adab, a good manner to accept it for the sake of the saying that it is a Hadees. This is giving respect to Rasoolullah, on whom be peace. You may however say that you have not heard of it before, but do not throw it away and say that it is a weak Hadees. Yes, we must give this respect just for the sake that it is a Hadees. It is a good manner to do so.

Today the whole culture of Islam has been put into one book or one volume. Is the culture of Islam so small that you can do this? Therefore our levels of belief keep getting gradually lower. It is slowly loosing its power. Our belief levels keep getting weaker and weaker and then there shall not be the Power of Iman.

This is why people are suffering great calamities and have so many problems. There is now not enough power for our Iman to be able to bring solutions for us. The Muslim World today, because of this is like a boiling pot. The enemies of Islam are making everything difficult for the Muslims and the Christian World is helping them to do this.

I heard recently that thousands of Muslims have been thrown out of their mosques and their homes. Yet, the Islamic World is still quarrelling and fighting amongst themselves. This is because our Iman levels have come down. Allah Almighty has ordered us to be united and we are separated from each other.

The vast body of water that surrounds the land masses is known as an Ocean, It is one of the great seas that divides the continents. A thimble is a cap that is used to protect the end of the finger when pushing a needle through cloth. This being the situation how one could put an Ocean into a thimble. Neither can a person put some water from the Indian Ocean into a thimble and call that the Indian Ocean. But the Wahabis are well known for this. They try to put some water into a thimble and call it an Ocean.

A translator has only a little knowledge of the Quran and his knowledge can be compared to a thimble and the Quran to an Ocean. He translates the Quran and says that he has written the translation of the Quran and the interpretation of it.

The Quran Kareem is an Ocean. How can the Wahabis translate and interpret the Quran? They cannot. They disrespect the Holy Quran by doing this. But the Saints respect the Holy Quran when they say that the Holy Quran through every letter is like an Ocean. Alif Laam Meem, these three letters are like three Oceans. Alif, contains an Ocean of Knowledge. Therefore the Saints as a mark of respect would not interpret less than 24,000 meanings on that letter Alif. The letter Laam has another 24,000 meanings, the minimum, and Meem at least another 24,000 meanings. Alif, Laam, Meem contains at least three different meanings to each other. This is the reason that it is not good for a person to bring down the meanings of the Holy Quran by giving only a few meanings. This is why the Saints are ashamed to interpret even a verse of the Holy Quran.

The Saints give at least a minimum of 24,000 meanings to each letter from the Holy Quran. How then is it that these ordinary people give only a very few meanings and say that, it is the interpretation. We cannot accept it because they cannot give as much as a Saint. This being the situation can we accept their translation of the Holy verses in a few sentences in English, French, German or any other language. They say “this translation is according to my understanding”, we cannot accept this because we do not get the proper translation or the interpretation. They are ignorant

of the fact that the Divine Verses cannot be translated or interpreted even with their high intellectual capacity. Hence, these people are exhibiting the highest degrees of ignorance.

Therefore, in the early days, the learned religious people did not allow the others to interpret the Holy Quran because they knew that they did not have the knowledge to do so. They also knew that those who listened to this interpretation would also misunderstand and would be mislead, and as a result they would start loosing faith in the Alims.

The Alim may look at the Holy Verses and give some meaning. Without an Alim you cannot read Thafseer and you cannot read the translation. Even an Alim can only give a few meanings. Therefore how can others translate or interpret these Holy verses. A person should have personal knowledge through wisdom to interpret, but even with that knowledge you must not translate the Quran or the Hadees.

Presently the Wahabis are trying to stop people from following the Imams. They tell you to read the Quran and that you will find your way through the Quran. I would like to ask them as to which Quran they are referring to, and is it the translation. They are so foolish, and they are trying to direct people by way of their so called path by telling them to follow only the translations and not the Imams or the Madhabs. They are asking the people to find their own way without following Imam Shafi, Imam Hanafi, Imam Hambali and Imam Maliki.

The Wahabis are advising people by telling them not to follow these Imams. Due to these Wahabi teachings the Islamic World is in danger. It is a very difficult time for Muslims throughout the Islamic World.

Each person is trying to translate the Quran and give his own view on it, and not the Divine Meaning, because they cannot and the Wahabis are encouraging them to do this. They are also trying to prevent people from following the Imams. This is a very bad situation. The Islamic World is in danger. Therefore the only way that we can take

steps to mitigate the Wahabi's actions is by following an Imam and to follow the Madhabs. If you follow you will be safe, if you do not follow you are in danger.

There are so many people who make Bayan. They cannot give Bayan, because they have not been authorised by an Alim. Therefore they have no authority to give Bayan and through this great danger, most people are being misled and only a very few have survived in the right path. People who are trying to go out of Madhabs and who do not follow Imams have fallen into a valley. No one can save them. But there is a way that way is to follow the way of the four Imams. The mission of Shaitan and his army is to change everything and to make people go in the wrong direction. May Allah Almighty forgive and protect us and our belief from Shaitan.

## BBC Sheffield, Sheik Nazim on: Sufism, Prince Charles, Guardian Angels and Women

Question - What is sufism?

Answer - The Lord sent His Holy Messages through His Holy Messengers. All of them showed the way of how to reach Heavens. Sufism is a way which people can practise their ability to reach their Heavenly Station easily. We do not live permanently in this world, we all have to go back. That is why all Holy Books show the way to Heavens. Islamic mysticism is called sufism.

Christianity is mainly dealing with the Heavenly Life. It does not contain many rules for this world. That is why Jesus Christ left this world into the Divine Presence where he is waiting to see who will join him. But most Christians are so full of this worldly life that they do not want to leave it. Our souls are like rockets. Whether we like it or not, they will take us back to Heavens.

Q. What do you think of the state of the world today, when you see all the wars and the crime going on?

When people cut off their relationship with Heavens they have to quarrel, fight, suffer and be in misery. Because if you let everyone just be, they would like to have everything in this world for themselves. But we only have one world in which everyone is reaching out for the same target. So they must quarrel. If I would be

standing here with a hundred people, or even more, and would point to the moon and say that it belongs to me, no-one would quarrel. On the other hand, if I would say that this tree belongs to me, a hundred people would oppose and tell me that it has been in their family for ages. On top of that the council of Sheffield would probably also claim it to be theirs.

Q. Are men and women equal in Islam?

Do you think that men and women are all together in Christianity? Every religion keeps men and women apart, because together they are like gunpowder and fire. Many people do not experience it like that any more because they have lost their masculine or feminine energy. Originally women in Christianity went into convents and men into monasteries. That is real Christianity. Nowadays men and women are sitting mixed up in churches without a Heavenly Order permitting them to do so. In Islam women have to pray behind men. Men are no angels. If they were, women could be leading prayers, but it is impossible. Sometimes MPs are beautiful ladies and when they try to say something the other MPs do not listen to her, they only stare at her beauty!

Q. Do you preach peace? Because I have read that you are in favour of everyone being trained in the martial arts?

Do you think that Holy People come here to preach war?! On the other hand I met English people in London who call themselves 'Guardian Angels'. I see so many devils roaming free on the streets who are attacking innocent people, snatching their handbags, grabbing their necklaces and rings. That is why I advise everybody, not only my followers, to defend and protect themselves. Heaven orders us to defeat devils in every possible way. We should not be like lambs in front of wolves...

Q. We understand that you consider Prince Charles to be very important for your movement. Why?

Prince Charles is from our point of view an excellent person. We believe that royal families are selected people. Prophets are selected and royal families have also been selected by the Lord to be the heads of nations. We respect all royal families. We cannot accept that royal families, who have been selected by the Lord, should be the same as people who have been elected by other people. May the Lord Almighty bless His Royal Highness the Prince of Wales and his family. We are very happy that this royal family are descendants

of the Prophet Muhammad*.

Q. I saw in a magazine that you thought that Prince Charles has got the right idea about talking to flowers and so on, that he is philosophically close to you. There was talk at some point that he may even turn to Islam as a matter of belief. Maybe you have got a convert of some sort there?

Our feeling is very close to His Highness' Soul. My soul is guiding his soul in the spiritual world. Even though I have not met His Highness, my soul has been his guide within the spiritual world and will continue to be so here forever. Whether His Highness is aware of it or not, is not important.

Sheffield, 01.01.1996

**JAPAN-INTERVIEW**

(Sheikh Nazim Effendi wurde im August 1991 in Lefke von zwei Japanern befragt)

*Frager 1: Ich habe von Abdul Hayy gehört, daß sie während des Golfkriegs gesagt hätten, dieser Krieg sei ein Zeichen für den Tag des Jüngsten Gerichts, und daß dann Sayyidina Mahdi (Fmi) kommen wird. Wir wollen von Ihnen die Bedeutung des ..(unver¬ständlich).. und das Erscheinen von Sayyidina Mahdi (Fmi) im Detail hören.*

Sheikh Nazim: Im Namen Allahs des Allmächtigen, des Barmherzigen, des Gütigsten, des Herrlichsten. Medded ya Sultan al-Auliya, Medded ya Sultan al-Auliya, Medded ya Sultan al-Auliya. Wir glauben an das Kommen des Jüngsten Gerichts wie alle Menschen, die an die heiligen Bücher und himmlische Botschaften glauben. Sie glauben und warten auf das Jüngste Gericht. Und wie alle Propheten sind sie über das Jüngste Gericht informiert und seine Zeichen. Unser Prophet, Sayyidina Muhammad (FSmi) ist als letzter Prophet gesandt worden als ein Zeichen für das Jüngste Gericht. Alles, was nach seiner Sendung geschah, war ein Zeichen für das Kommen des Jüngsten Gerichts, Tag für Tag. Von der Zeit des letzten Propheten (FSmi) bis heute, sind 14 Jahrhunderte vergangen, und wir sind mitten drin im 15. Jahrhundert. Deshalb erwarten wir nun die verbleibenden Zeichen über den Tag des Jüngsten Gerichts. Eines dieser erwarteten Zeichen ist Armageddon, der größte Krieg, der sich je in der Geschichte der Menschheit ereignen wird. Für diesen Krieg

gibt es so viele Gründe, die ihn geschehen lassen werden. Eine der wichtigsten Gründe war die Golfkrise. Heute ist der erste Jahrestag dieser Krise. Es war am 2.August, gestern genau ein Jahr her. So viele Dinge geschahen nur, um diesen größten Krieg ausbrechen zu lassen, aber die göttliche Weisheit hat den Ausbruch des größten Kriegs noch etwas verschoben, um alle Bedingungen zur Perfektion kommen zu lassen. So daß, wenn es geschehen wird, nicht eine Seite sich erheben wird, wenn die andere Seite noch nicht fertig ist. Aber alle Bedingungen müssen perfekt sein, so daß, wenn dieser Krieg ausbrechen wird, er auf der ganzen Welt stattfindet. Jetzt brennt das Feuer im Mittleren Osten, das durch den Golfkrieg ausgelöst wurde, unter der Asche, es gibt keine offene Flammen, sondern es ist wie ein Vulkan, der schläft. Aber jederzeit kann es explodieren. Es gibt keinerlei Sicherheit mehr, für die ganze Welt. Denn diese verrückte Person sitzt noch immer an der Macht. Das war der größte Fehler der Vereinten Nationen, zwar gegen ihn zu kämpfen, aber diese schreckliche Kreatur nicht zu ergreifen. Das war der größte Fehler der Amerikaner, diese schreckliche Bestie nicht zu fangen und in einen Käfig zu sperren. Er ist ein Schrecklicher; er denkt nie nach und ist deswegen wie ein Vulkan, der explodieren kann. Wenn es explodiert ist, müssen die Türken einmarschieren. Ebenso der Iran, alle Araber. Rußland muß untergehen und die Amerikaner, wie auch andere Mächte, müssen sich bewegen.

*Frager 1: Was ist die Bedeutung der Israelis?*

Sheikh Nazim: Sie sind eine der ältesten Nationen. Ihnen wurde von Allah, dem Allmächtigen so viele Besonderheiten gewährt. Keiner kann das leugnen. Ihnen wurde sehr viel Schlauheit gegeben, mehr als den Arabern, mehr als den Japanern, mehr als den Türken, mehr als den Chinesen, mehr als den Amerikanern, mehr als jeder Nation. Sie sind nur eine Handvoll im Vergleich mit anderen Nationen, aber sie haben Einfluß auf der ganzen Welt, im politischen Bereich. In politischen Punkten auf der ganzen Welt entscheiden sie. Keiner kann leugnen, daß sie politische Bewegungen auf der ganzen Welt anführen. Sie leiten ebenso die wirtschaftliche Bewegungen auf der ganzen Welt, keiner kann das abstreiten! Sie haben auch alle Medien, wie Presse, Rundfunk und TV, unter ihrer Kontrolle. Sie dirigieren und kontrollieren auch durch das Militär, weil alle strategische Waffen und Bomben unter ihrer Kontrolle sind. Das bedeutet, sie sind nur eine kleine Nation, aber kontrollieren die ganze Welt politisch, ökonomisch und militärisch. Alles ist unter ihrer Kontrolle. Sie befinden sich in einer solcher Verfassung, daß sie eine mächtige Nation sind. Haben die ganze Welt in ihren Händen. Und sie haben eine Vision, seit der Zeit ihrer Propheten, besonders seit der Zeit von

Moses, vielleicht schon seit 4000 oder mehr Jahren. Sie haben ein Versprechen des Herrn, Allah, des Allmächtigen, daß sie alles auf dieser Welt erreichen sollen. Es soll ein Weltreich für die Kinder Israels geben. Das ist ihr Ideal, das sie Zionismus nennen.

*Frager 1: Ist das auch ein Zeichen für das kommende Jüngste Gericht?*

Sheikh Nazim: Sie gehören auch zu den Zeichen des Jüngsten Gerichts, weil sie einen Teil ihrer Ideale erreicht haben. Sie sind jetzt die wahren Herrscher unserer Erde, aber sie treten noch nicht in Erscheinung. Noch nicht. Wenn der Antichrist kommt, dann sollen sie ebenso offenbar werden. Sie kontrollieren die ganze Welt, das wird nur für 40 Tage sein. Sie sind eine sehr geduldige Nation. Wenn sie sich etwas vorgenommen haben, werden sie dieses niemals auswechseln und verwerfen. Sie sind nicht wie die anderen Nationen. Diese Nationen haben alles verloren von ihren Vorfahren und sich selbst zu Pilzen gemacht. Sie haben alles weggeschnitten von ihren Vorfahren und ihrer Geschichte und ihren Werten. Deshalb sind sie jetzt wie Pilze, die von ihrem Ursprung abgeschnitten werden. Die neuen Generationen werden einfach abgeschnitten von ihrer Geschichte. Das gilt auch für die Geschlechter der Kinder Israels. Jede Nation ist getrennt von ihren Vorfahren, von ihrer Geschichte und geschichtlichen Werten. Sie haben diese Werte verlassen. Dies führte zu Bewegungen wie die der Hippies, Beaties und weiteren solcher Dummheiten in der jungen Generation. Sie kämpfen gegen ihre Vorfahren, besonders in unseren Ländern, Türkei, Arabien und andere Nationen. Sie schnitten sie heraus. Französische, Englische, 'neue', 'moderne' Generation. - Dumme Generation! Verstandlose Generation! Unehrenhafte Generation! Sie werden wie Pilze - keine Früchte, keine Blumen, keine Blätter - Nichts! Wachsen auf mit Tabletten und wurden schon im Mutterleib mit Pillen bekämpft, daß sie keine Babys werden sollten.Weil Ihre Mütter sie nicht haben wollten und sie mit Pillen bekämpft haben, sind sie geistesschwache Menschen geworden. Keiner wird mehr auf dem richtigen Weg geboren, alle bevorzugen nun den Kaiserschnitt. Sie repräsentieren auf der Erde die Zügellosigkeit. Ihr versteht? Es ist wichtig. Ihr müßt dies verstehen.

*Frager 1: Jetzt hat Japan auch die Spitze der materiellen Zivilisation erreicht.*

Sheikh Nazim: Japan steht am höchsten Punkt der Pyramide. Ich weiß es. In der industriellen, materiellen Welt sind sie an der Spitze. Amerikaner, Deutsche, Engländer oder jede andere Nation können sie nicht erreichen. Sie haben es erreicht, aber sie haben keinen Verstand.

*Frager 1: Sei's drum, wir haben dennoch spirituelle Traditionen...*

Sheikh Nazim: ... um Harakiri zu machen..., das ist eure Tradition.

*Frager 1: In dem japanischen spirituellen System sagen wir, daß wir durch ..(unverständlich).. der inneren Spiritualität die Stufe der Perfektion erreichen können. Sie verstehen? - In der japanischen Tradition heißt es, daß man alle diese Dinge - die Göttinnen, die göttlichen Wesen - in der Natur finden kann, und wir zählen sie zur Natur. Alle Dinge in der Natur rechnen wir dazu und nennen es Gottheit. Wir wollen sie nun fragen, wie sie vom islamischen Standpunkt aus eine solche Weltsicht beurteilen.*

Sheikh Nazim: Ihr sagt 'es' zu einer nicht-lebenden Person, zur Natur. Ihr sagt 'es', nicht 'er' oder 'sie'. Und in diesem Punkt liegt ihr falsch, weil 'es' die niedrigste Stufe bezeichnet. 'Sie' steht über 'es', 'er' steht über 'sie'. Der Mann reitet auf der Frau, nicht die Frau auf dem Mann. Deshalb ist diese Weltsicht von Anfang an falsch. Die Natur kann keine Gottheit sein, weil ihr 'es' sagt. Und 'es' bezeichnet die niedrigste Stufe der Existenz. Über diesen Punkt lasse ich nicht mit mir diskutieren.

*Frager 1: Die nächste Frage ist: Wir wollen sie fragen über die Hierarchie der Existenz oder die Hierarchie der Engel und solcher spirituellen Wesen in der Sicht des Nasqhibandi-Ordens.*

Sheikh Nazim: Haben die Japaner Engel in der Natur angesiedelt?

*Frager 1: Wir haben so viele Götter in unseren Traditionen, so viele. Z.B. gibt es einen Gott des Wasser, einen Gott des Hauses, einen Gott des Tisches, oder solche Sachen, wir haben so viele Götter. Unter den Göttern gibt es eine Hierarchie. Im Islam gibt es nur einen Gott, aber es gibt eine Menge spiritueller Wesen wie Engel und Djinnen und solche Wesen.*

Sheikh Nazim: Gehören diese Götter zur Natur? Götter von der Natur oder außerhalb der Natur?

*Frager 2: Gott ist in der Natur, und Gott ist hinter der Natur, und Gott, Gottheit, spirituelles Wesen ist hinter der Natur und kontrolliert die Natur und die Materie in der Natur. Wir glauben ..(unverständlich)..*

Sheikh Nazim: Wie viele Kontrolleure der Natur gibt es?

*Frager 1: Acht Millionen Götter.*

Sheikh Nazim: Warum sagt ihr nicht, anstatt von 'Gott' zu sprechen, 'Engel' !?

*Abdul Jalil: Sie meinen nicht 'Gott', sie meinen 'Geister'.*

Sheikh Nazim: Warum sagen sie nicht 'Engel', glauben sie nicht an Engel?

*Frager 2: Es ist ein Problem. Vor ungefähr 100 Jahren haben die Japaner die westliche Kultur importiert. Unsere Vorfahren über¬setzten Gott mit 'kan', was literarisch 'spirituelle Wesen' bedeutet.*

Sheikh Nazim: Gott oder Geister?

*Frager 2: Unsere Vorfahren haben einen Fehler gemacht, sie haben Gott und Geist vermischt. Sie wollten es 'Geist' nennen, aber sie nannten es 'Gott'.*

*Frager 1: Wir haben keine klare Unterscheidung zwischen 'Gott' und 'Geister', aber sei's drum...*

Sheikh Nazim: Wir glauben, daß die ganze Natur nur von spiritu¬ellen Mächten dirigiert wird. Aber die spirituelle Mächte sind unter der Kontrolle der himmlischen Mächte. Und die himmlischen Mächte sind unter der Kontrolle des Herrn Allah des Allmächtigen.

*Frager 2: Wir haben nicht so eine korrekte Unterscheidung bei diesen Sachen.*

Sheikh Nazim: Ich weiß. Aber, wir mögen uns an einem Punkt treffen: Dem Herrn. Ihm unterstehen die Himmel, eine Stufe darunter befinden sich die spirituellen Mächte, die die materielle Welt kontrollieren.

*Frager 2: Kürzlich haben wir die Geisteswissenschaften...*

Sheikh Nazim: Die Geisteswissenschaften gehören alle zur materiellen Welt, aber über ihnen stehen die spirituellen Mächte. Unser Weg ist es danach zu schauen, wie eine Verbindung zwischen der materiellen und der spirituellen Welt geschaffen werden kann.

*Frager 1: Aber wie wird eine solche Verbindung gemacht?*

Sheikh Nazim: Alles hat seinen Weg. Ihr kennt die Pyramiden. So viele Jahre, tausende Jahre, haben die Menschen sie gesehen und nur gesagt, daß das Pyramiden sind und nichts anderes. Aber einer kam auf die Idee, daß es einen Weg hinein geben müßte. So viele Jahre haben sie nur geschaut und geschaut, aber dann nahmen sie einen Stein heraus, dann den zweiten Stein, den dritten Stein, und dann kam eine Öffnung zum Vorschein. Es war so schwierig, aber danach war es offen. Wir sind ebenso Zugeschlossene, verschlossen und versiegelt, aber es gibt einen Weg, um es zu öffnen und eine Ver¬bindung zur spirituellen Welt herzustellen. Ja! Es gibt so viele Methoden, gemäß den verschiedenen physischen Strukturen und spirituellen Wesen. So viele Wege und Methoden! Er mag für Japaner eine andere Methode benutzen als für Deutsche. Für Araber wiederum eine andere Methode, für Christen eine andere Methode. Wenn eine Person zu einem autorisierten, spirituellen Meister kommt, muß und wird dieser Meister wissen, was der Schlüssel ist, der ihn öffnet.

*Frager 1: Gemäß den Wegen, sind die Schlüssel alle verschieden? Ist mein Schlüssel ein anderer als sein Schlüssel?*

Sheikh Nazim: Ja! Du kennst die Yale-Schlüssel? Diese berühmte Schlüssel-Firma? Berühmt für Türen? Ein kleiner Schlüssel. Diese Firma ist dafür berühmt, daß sie nicht zwei Schlüssel macht, die gleich sind. Für jeden gibt es einen einzigartigen Schlüssel. Wir können sagen, daß es für jeden eine Geheimnummer gibt. Du kennst deine Geheimnummer noch nicht. Wenn du sie wüßtest, wärest du sofort in Verbindung mit deiner himmlischen Position. Doch nur die spirituellen Meister kennen sie. Die wirklichen Meister kennen sie, aber sie geben diese Geheimnummer keinem, ohne ihn zu testen, ohne ihn zu prüfen. Es sind sehr schwierige Prüfungen nötig, bis er ihm vertrauen und ihm den Schlüssel geben kann.

*Frager 1: Warum?*

Sheikh Nazim: Ja! Weil es so eine gewaltige Macht ist. In Amerika und Rußland haben auch nur Bush und Gorbatschow die Schlüssel für die Atombomben. Die Macht über die Atombomben haben nur Bush und Gorbatschow, weil es so eine unermeßlich große Macht bedeutet. Wenn die Geheimnummer zu den himmlischen Stationen jedem gegeben worden wäre, die ganze Welt wäre zerstört worden, denn spirituelle Macht kann durch bloßes Denken die gesamten Atombomben zerstören, in einer Sekunde. Der Mensch hat gewaltige Kräfte, aber sie sind versiegelt, verdichtet und verschlossen. Nur wenn du Perfektion darin

erlangst, diese Kräfte zu kontrollieren, wird es dir gegeben werden.

*Frager 1: Wenn die Heiligen aber eine solche große, gewaltige Macht besitzen, um die Nuklearkraft, Atombomben und solche Sachen zu neutralisieren, warum benutzt ihr diese Macht nicht, um Frieden auf der Welt zu machen? Besonders in der islamischen Welt, in der es so viele Kriege in jeder Zeit gibt.*

Sheikh Nazim: Das ist eine gute Frage, aber wir sehen keine Person, der man vertrauen könnte. Du magst ihn mit Frauen versuchen, er wird versagen. Du magst ihn mit Gold versuchen, er wird versagen. Wenn eine Person durch Frauen, Gold, Juwelen und hohe Ehrenränge nicht beeinflußt werden kann, dann ist er vertrauenswürdig. Wenn ein schönes Mädchen seinen Verstand ändern kann, ist er nichts wert. Bei vielen Menschen ist der Verstand hier (er zeigt zwischen seine Beine). Nur sehr wenige Menschen haben ihren Verstand im Kopf. Der Verstand der meisten ist jedoch hier (er legt seine Hand in den Schoß und streckt den Zeigefinger). Auf diesem Kopf. Zweiter Kopf. Nicht hier (zeigt auf seinen Kopf), sondern hier (zeigt auf seinen Schoß). Du verstehst? Zweiter Kopf beim Mann! Deswegen gibt es keine vertrauenswürdigen Menschen, denen eine solche gewaltige Macht gegeben werden kann. Wenn es wird wie so (richtet den Zeigefinger auf), kontrolliert es den Mann, und der Mannes kann keine Kontrolle mehr ausüben. Die ganze Welt hat nun diesen Weg eingeschlagen. Das dirigiert und kontrolliert die Leute. Mir tut es leid, es so deutlich sagen zu müssen, aber alle von euch haben solch einen Kontrolleur.

*Abdul Jalil: Wenn ich richtig verstanden habe, wurde vorher gefragt, daß, wenn die Auliya so eine große Macht heutzutage in der Welt besitzen...*

Sheikh Nazim: Sie haben die Auliya rausgeschmissen. Die normalen Leute sagen: Geh' weg, du bist nicht von dieser Welt, wir müssen diese Welt kontrollieren. Und dieser Zeigefinger hier kontrolliert sie, und sie sind glücklich mit diesem Kontrolleur, nicht mit den Auliya.

*Frager 1: Die Heiligen versuchen nicht, die Welt zu kontrollieren?*

Sheikh Nazim: Sie kontrollieren sie!

*Frager 1: Nein, in politischer, wirtschaftlicher Hinsicht.*

Sheikh Nazim: Von der Gerechtigkeit unseres Herrn ist es, daß Er den Leuten ihre Freiheit läßt und sagt: "Tu, was du willst." Die Leute bevorzugen die Ratschläge ihres Egos und sagen zu den himmlischen Botschaften: "Kein Bedarf, denn wir möchten alles tun, ohne auf die himmlischen Botschaften achten zu müssen." Der Herr sagt: "Ja, ihr seid frei." Die Auliya sind nicht involviert in politische oder wirtschaftliche oder alle sonstigen Bereiche; was die Leute auch tun, die Auliya lassen sie. Wenn Allah sie gelassen hat, müssen die Auliya sie auch lassen. Wenn sie einen Heiligen um Kraft bitten und ihm sagen, daß er ihr Boß sei und kommen solle, um nach ihnen zu schauen, dann sind wir dazu bereit.

*Frager 1: Die nächste Frage ist: Wir haben Photographien gemacht...*

*Abdul Jalil: Dieser hier ist an Geistern sehr interessiert. Nicht Gott, sondern Geister. Er hat Photographien gemacht. Dies ist ein berühmter Schrein in Japan. Ein heiliger Platz in Japan. Er hat Photographien gemacht und sieht nun zwei Geister darauf.*

Sheikh Nazim: Können Djinnen sein, keine Geister. Es gibt so viele auch hier in Lefke. Dies ist ein alter Platz und von der Zeit des Hausbaus bis jetzt waren schon Millionen von Djinnen hier. Das ist mein Personal, sie patrollieren um mein Haus. Wo ich hingehe, müssen sie auch sein.
Japan ist eine der größten Nationen, über die wir informiert wurden, das sie zur Zeit von Mahdi (Fmi) den spirituellen Raum der Macht betreten werden. Von der Spitze der materiellen Macht sollen sie zur Spitze der spirituellen Macht springen. Alle Japaner werden dies vollbringen, denn sie haben eine solch exzellente und sehr kraftvolle spirituelle Struktur. Euch ist ebenso Schlauheit und Willenskraft gegeben worden. Wenn ihr etwas beabsichtigt, habt ihr mehr Geduld als alle anderen, es auch zu erreichen. Das ist eine Qualität, die die meisten anderen Nationen verloren haben.

*Frager 2: Aber wir haben die Vision des Endes verloren.*
