

## The Color Heaven Loves

*Shaykh Muhammad Nazim Al-Haqqani An-Naqshibandi, Sohbat of the 20th of February, 2014.*

O lovers of Shah Mardan, marhaba. Those who came to our assembly, marhaba to them too. Marhaba here, marhaba hereafter. Allahu Akbar. May Allah make us from the group to whom marhaba is said. Marhaba. Be like a dragon. In order to ruin the sultanate of shaitan, be like a dragon. Even one of you can ruin the sultanates of a thousand shaitans. Allahu Akbar, Allahu Akbar, Allahu Akbar wa Lillahi l-hamd. Shukr to Allah.

Janab-ul Mawla gave a beautiful nation to His Beautiful Habib. Nice. May it be it nice for all of us. It is nice for those who know. Know something, sheikh Mehmed Efendi, my son. Don't live for dunya. Don't live for dunya. I'm telling you to use a green turban. Allah Allah. Archangels come down to those who wear green. May Allah not separate us from that green dress. May Allah not separate us.

I'm telling you to use green. Let your doors be green. Let your dress be green. Let your sitting places be green. Let our mosques be green. Greenery gives comfort. It is a sign of mercy. A green color was assigned to Rasul-ul Kibriya. Ya Rabbi, shukr. Be in love with green. I'm telling you to love green, haji Mehmed, my son. Make it green. Make it green. In everything green there is dhikr, there is tasbeeh. That's why I am telling you to use it. The favourite color of the heavens is green. There can't be a more beautiful color. It is green. Our Allah. It is good news for our life.

Wear green, your illnesses will be gone, your troubles will be gone, your sadness will be gone. You will open. Green is the good news of heavens. Green is the good news of heavens to those on earth. Use it. Even if a handkerchief, I'm telling you to use green. Green is the reflection of heavens on earth. Who looks at green understands the green of heavens. Green gives comfort to the servants of Allah. It's a sign of life. It becomes green, when spring comes, life comes. We ask that the angels of Janab-ul Mawla dress us in it too. They dress the dear nation of the Habib. Green.

If necessary, plant straw. Let it become green, let it open. Don't leave the world dark. No. Let it appear green, the whole world. Let it be green. It is the good news of heavens; it is a sign, good news. Allahu Akbar. The color of heavens is green. Prophets wear green too. Saints wear green too. A chosen color is a green color. Yes, how beautiful. How beautiful. Green, the most beautiful of all colors. Allahu Akbar. May we be given too, may we wear it. Green color is the color of health, the color of life, the color of honor, the color of heavens. Allahu Akbar.

Marhaba, O lovers, friends of Shah Mardan. Marhaba. Having this marhaba honors the world. It honors man. It honors wherever it is. I'm telling you to use green. Let us use green. May our Mawla make it green. Whose soul becomes green is a believer. This is big news. When our souls open, we find a path to heaven. Who can't find a path to heaven, who doesn't know his way, has no value. Look for a path to heavens! Don't wander around on earth. Look for a path to heavens. Allahu Akbar wa Lillahi l-hamd. Look for the way to the presence of Rasul-ul Kibriya. Bismillahi r-Rahmani r-Rahim is in green. All prophets are in green. There is comfort in green. There is beauty. There is honor. There is happiness. May Allah not deprive us of green. Paradise is green in color. In green color, there are various green appearances. Allahu Akbar.

Yawmun jadid rizqun jadid. Every day has its manifestation, its appearance, my son. That greenery gives health to a man. It gives peace and beauty. Run after green. Carry green, even if just a handkerchief. Even if just a turban, use green. Green. Pay attention to green. Like it. Make it green. Don't leave it dry. Dryness

is a sign of shaitan. Greenery is a sign of heavens. May we be dressed in green too. May we be happy, may we be relieved. It is the favourite color of Rasul-ul Kibriya. May we run after it. O our Lord. The most beautiful color in the presence is green. Guard the green. Keep the green. Say Allahu Akbar.

Learn to write. What should you learn? To write what? Learn how to write Bismillahi r-Rahmani r-Rahim. Let the color you use be green. Write with green. Wear green. Strive for green beauty. Let the world become green. May our ending be in that green paradise. Our sadness on earth will be gone. Paradise in the hereafter is green. There is no other color. The most beautiful color is green. Somewhere on your doors, write Bismillahi r-Rahmani r-Rahim in green. Allahu Akbar. How beautiful. What blessings will come! They can't be calculated. They can't be counted. When Bismillahi r-Rahmani r-Rahim is written somewhere, its value becomes unlimited.

Comfort, a dress of comfort is dressed on our bodies. May we be dressed in it too. Bismillah Sharif. Bismillahi r-Rahmani r-Rahim. May distinguished servants of Allah Dhul Jalal help us understand it. A work without Bismillah is a bad thing, it has no use. May we open with Bismillah. May we find strength. If we walk towards an enemy with Bismillah, an enemy won't be able to find a place to escape. If we track him with Bismillahi r-Rahmani r-Rahim. Allahu Akbar, Allahu Akbar, Allahu Akbar wa Lillahi l-hamd. Bismillahi r-Rahmani r-Rahim. Wipe on your body 7 times, no troubles will remain. No troubles will be left. It is a cure for everything. It is the treasure of everything. Bismillahi r-Rahmani r-Rahim. Take it and use. Take it and use. You won't get tired. You won't be distressed and upset. You won't contract. You will expand, not contract. Say Bismillahi r-Rahmani r-Rahim. It is a key for the treasures of heavens. Take it. Take it. Use green together with it.

May your here and hereafter prosper. May they be honored. May they be relieved. It is an irresistible power for you. If a battalion soldier says Bismillahi r-Rahmani r-Rahim in front of unbelieving soldiers - Bismillahi r-Rahmani r-Rahim - neither bombs, nor guns will work. It is a representative of angels on earth. Yes, yes. Bismillahi r-Rahmani r-Rahim. O our Lord. We can't say to our Lord: "May we be dressed in the adornment of Bismillahi r-Rahmani r-Rahim." We have to ask from the closest ones to be dressed in Bismillah: "Dress us in the adornment of Bismillah, or be a means for us to dress in it". Ask to be dressed. May our world become green with Bismillah. What a beautiful color. How great a soldier is, when he walks with Bismillahi r-Rahmani r-Rahim. It is a dress of the soldiers of heavens. Wear it. Both your illnesses and worries will be gone. You will be cured of everything.

Say Bismillahi r-Rahmani r-Rahim. O our Lord, may we have permission to say it. May we have permission. Don't forget. Don't forget both green and Bismillahi r-Rahmani r-Rahim. Mercy comes out from a place where you step with Bismillahi r-Rahmani r-Rahim. Mercy comes down on it. Let's say Bismillahi r-Rahmani r-Rahim. Fatiha.

If a cow gives 10 okes (Turkish unit of measurement) of milk without Bismillah, it will give tenfold when milked with Bismillah. There is such blessing. Put a green collar on the necks of those cows. And put something green on the sheep. They'll be happy. They'll be happy. When you give one, you'll receive five. When you give five, you'll receive ten. May people be like this too. Don't forget Bismillah. Say it so that you open. Let mercy come down on you.

Ya Rabbi. Ya Rabbi. You know. For the honor of Your Beloved, may the blessing of Bismillah Sharif be an ornament for our children, brothers, houses and places. May we dress in it. Fatiha.

Everything is beautiful with Bismillah, haji Mehmed, my son. Without Bismillah, it has no use. Everything is blessed with Bismillahi r-Rahmani r-Rahim. It doesn't end. Don't forget. Your Lord Jalla Jalaluhu dressed it on the nation of His Beloved. Carry it. With one Bismillah, one meal can feed the whole world. Without Bismillah, a ton can't feed a single man. Bismillah Sharif. Say Bismillahi r-Rahmani r-Rahim.
