O Allāh, O Lord, for the honor of Your Prophet, the Chosen One, and Your Messenger, the One with whom You are well-pleased, purify our hearts from every characteristic which keeps us away from Your Presence and Your Love, and have us pass away while following his way and his community, longing to meet You, O Owner of Majesty and Nobility! And the blessing and abundant peace of Allāh be upon our master Muḥammad, his family and his companion and praise be to Allāh Lord of the Worlds!
